(1) SUBMISSION OF PROPOSED PEDIATRIC STUDY REQUEST.—The Director of the National Institutes of Health shall, as appropriate, submit proposed pediatric study requests for consideration by the Commissioner of Food and Drugs for pediatric studies of a specific pediatric indication identified under subsection (a). Such a proposed pediatric study request shall be made in a manner equivalent to a written request made under subsection (b) or (c) of section 505A of the Federal Food, Drug, and Cosmetic Act, or section 351(m) of this Act, including with respect to the information provided on the pediatric studies to be conducted pursuant to the request. The Director of the National Institutes of Health may submit a proposed pediatric study request for a drug for which—

(A)(i) there is an approved application under section 505(j) of the Federal Food, Drug, and Cosmetic Act or section 351(k) of this Act; or

(ii) there is a submitted application that could be approved under the criteria of such section; and

(B) there remains no patent listed pursuant to section 505(b)(1) of the Federal Food, Drug, and Cosmetic Act, and every three-year and five-year period referred to in subsection (c)(3)(E)(ii), (c)(3)(E)(iii), (c)(3)(E)(iv), (j)(5)(F)(ii), (j)(5)(F)(iii), or (j)(5)(F)(iv) of section 505 of the Federal Food, Drug, and Cosmetic Act, or applicable twelve-year period referred to in section 351(k)(7) of this Act, and any seven-year period referred to in section 527 of the Federal Food, Drug, and Cosmetic Act has ended for at least one form of the drug; and

(C) additional studies are needed to assess the safety and effectiveness of the use of the drug in the pediatric population.

(2) WRITTEN REQUEST TO HOLDERS OF APPROVED APPLICATIONS.—The Commissioner of Food and Drugs, in consultation with the Director of the National Institutes of Health, may issue a written request based on the proposed pediatric study request for the indication or indications submitted pursuant to paragraph (1) (which shall include a timeframe for negotiations

for an agreement) for pediatric studies concerning a drug identified under subsection (a) to all holders of an approved application for the drug. Such a written request shall be made in a manner equivalent to the manner in which a written request is made under subsection (b) or (c) of section 505A of the Federal Food, Drug, and Cosmetic Act or section 351(m) of this Act, including with respect to information provided on the pediatric studies to be conducted pursuant to the request and using appropriate formulations for each age group for which the study is requested.

(3) REQUESTS FOR PROPOSALS.—If the Commissioner of Food and Drugs does not receive a response to a written request issued under paragraph (2) not later than 30 days after the date on which a request was issued, the Secretary, acting through the Director of the National Institutes of Health and in consultation with the Commissioner of Food and Drugs, shall publish a request for proposals to conduct the pediatric studies described in the written request in accordance with subsection (b).

(4) DISQUALIFICATION.—A holder that receives a first right of refusal shall not be entitled to respond to a request for proposals under paragraph (3).

(5) CONTRACTS, GRANTS, OR OTHER FUNDING MECHANISMS.—A contract, grant, or other funding may be awarded under this section only if a proposal is submitted to the Secretary in such form and manner, and containing such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

(6) REPORTING OF STUDIES.—

(A) IN GENERAL.—On completion of a pediatric study in accordance with an award under this section, a report concerning the study shall be submitted to the Director of the National Institutes of Health and the Commissioner of Food and Drugs. The report shall include all data generated in connection with the study, including a written request if issued.

(B) AVAILABILITY OF REPORTS.—

(i) IN GENERAL.—Each report submitted under subparagraph (A) shall be considered to be in the public domain (subject to section 505A(d)(4) of the Federal Food, Drug, and Cosmetic Act) and not later than 90 days after submission of such report, shall be—

(I) posted on the internet website of the National Institutes of Health in a manner that is accessible and consistent with all applicable Federal laws and regulations, including such laws and regulations for the protection of—

(aa) human research participants, including with respect to privacy, security, informed consent, and protected health information; and

(bb) proprietary interests, confidential commercial information, and intellectual property rights; and

(II) assigned a docket number by the Commissioner of Food and Drugs and made available for the submission of public comments.

(ii) SUBMISSION OF COMMENTS.—An interested person may submit written comments concerning such pediatric studies to the Commissioner of Food and Drugs, and the submitted comments shall become part of the docket file with respect to each of the drugs.

(C) ACTION BY COMMISSIONER.—The Commissioner of Food and Drugs shall take action in a timely and appropriate manner in response to the reports submitted under subparagraph (A), and shall begin such action upon receipt of the report under subparagraph (A), in accordance with paragraph (7).

(7) REQUESTS FOR LABELING CHANGE.—Within the 180-day period after the date on which a report is submitted under paragraph (6)(A), the Commissioner of Food and Drugs shall—

(A) review the report and such other data as are available concerning the safe and effective use in the pediatric population of the drug studied;

(B) negotiate with the holders of approved applications for the drug studied for any labeling changes that the Commissioner of Food and Drugs determines to be appropriate and requests the holders to make; and

(C)(i) include in the public docket file a reference to the location of the report on the internet website of the National Institutes of Health and a copy of any requested labeling changes; and

(ii) publish through a posting on the Web site of the Food and Drug Administration a summary of the report and a copy of any requested labeling changes.

(8) DISPUTE RESOLUTION.—

(A) REFERRAL TO PEDIATRIC ADVISORY COMMITTEE.—If, not later than the end of the 180-day period specified in paragraph (7), the holder of an approved application for the drug involved does not agree to any labeling change requested by the Commissioner of Food and Drugs under that paragraph, the Commissioner of Food and Drugs shall refer the request to the Pediatric Advisory Committee.

(B) ACTION BY THE PEDIATRIC ADVISORY COMMITTEE.—Not later than 90 days after receiving a referral under subparagraph (A), the Pediatric Advisory Committee shall—

(i) review the available information on the safe and effective use of the drug in the pediatric population, including study reports submitted under this section; and

(ii) make a recommendation to the Commissioner of Food and Drugs as to appropriate labeling changes, if any.

(9) FDA DETERMINATION.—Not later than 30 days after receiving a recommendation from the Pediatric Advisory Committee under paragraph (8)(B)(ii) with respect to a drug, the Commissioner of Food and Drugs shall consider the rec-

ommendation and, if appropriate, make a request to the holders of approved applications for the drug to make any labeling change that the Commissioner of Food and Drugs determines to be appropriate.

(10) **FAILURE TO AGREE.**—If a holder of an approved application for a drug, within 30 days after receiving a request to make a labeling change under paragraph (9), does not agree to make a requested labeling change, the Commissioner of Food and Drugs may deem the drug to be misbranded under the Federal Food, Drug, and Cosmetic Act.

(11) **NO EFFECT ON AUTHORITY.**—Nothing in this subsection limits the authority of the United States to bring an enforcement action under the Federal Food, Drug, and Cosmetic Act when a drug lacks appropriate pediatric labeling. Neither course of action (the Pediatric Advisory Committee process or an enforcement action referred to in the preceding sentence) shall preclude, delay, or serve as the basis to stay the other course of action.

(d) **AUTHORIZATION OF APPROPRIATIONS.**—

(1) **IN GENERAL.**—There are authorized to be appropriated to carry out this section, \$5,753,425 for the period beginning on October 1, 2022 and ending on December 23, 2022¹⁶.

(2) **AVAILABILITY.**—Any amount appropriated under paragraph (1) shall remain available to carry out this section until expended.

SEC. 409J. [284q] PAIN RESEARCH.

(a) **RESEARCH INITIATIVES.**—

(1) **IN GENERAL.**—The Director of NIH is encouraged to continue and expand, through the Pain Consortium, an aggressive program of basic and clinical research on the causes of and potential treatments for pain.

(2) **ANNUAL RECOMMENDATIONS.**—Not less than annually, the Pain Consortium, in consultation with the Division of Program Coordination, Planning, and Strategic Initiatives, shall develop and submit to the Director of NIH recommendations on appropriate pain research initiatives that could be undertaken with funds reserved under section 402A(c)(1) for the Common Fund or otherwise available for such initiatives.

(3) **DEFINITION.**—In this subsection, the term “Pain Consortium” means the Pain Consortium of the National Institutes of Health or a similar trans-National Institutes of Health coordinating entity designated by the Secretary for purposes of this subsection.

(b) **INTERAGENCY PAIN RESEARCH COORDINATING COMMITTEE.**—

(1) **ESTABLISHMENT.**—The Secretary shall establish not later than 1 year after the date of the enactment of this section and as necessary maintain a committee, to be known as the Interagency Pain Research Coordinating Committee (in this section referred to as the “Committee”), to coordinate all efforts

¹⁶Section 3102 of division FF of Public Law 117-328 amends paragraph (1) by striking “\$5,273,973 for the period beginning on October 1, 2022 and ending on December 23, 2022” and inserting “\$25,000,000 for each of fiscal years 2023 through 2027”. The text being struck does not appear in law.

within the Department of Health and Human Services and other Federal agencies that relate to pain research.

(2) MEMBERSHIP.—

(A) IN GENERAL.—The Committee shall be composed of the following voting members:

(i) Not more than 7 voting Federal representatives appoint by the Secretary from agencies that conduct pain care research and treatment.

(ii) 12 additional voting members appointed under subparagraph (B).

(B) ADDITIONAL MEMBERS.—The Committee shall include additional voting members appointed by the Secretary as follows:

(i) 6 non-Federal members shall be appointed from among scientists, physicians, and other health professionals.

(ii) 6 members shall be appointed from members of the general public, who are representatives of leading research, advocacy, and service organizations for individuals with pain-related conditions.

(C) NONVOTING MEMBERS.—The Committee shall include such nonvoting members as the Secretary determines to be appropriate.

(3) CHAIRPERSON.—The voting members of the Committee shall select a chairperson from among such members. The selection of a chairperson shall be subject to the approval of the Director of NIH.

(4) MEETINGS.—The Committee shall meet at the call of the chairperson of the Committee or upon the request of the Director of NIH, but in no case less often than once each year.

(5) DUTIES.—The Committee shall—

(A) develop a summary of advances in pain care research supported or conducted by the Federal agencies relevant to the diagnosis, prevention, treatment, and management of pain and diseases and disorders associated with pain, including information on best practices for the utilization of non-pharmacologic treatments, non-addictive medical products, and other drugs or devices approved or cleared by the Food and Drug Administration;

(B) identify critical gaps in basic and clinical research on—

(i) the symptoms and causes of pain, including the identification of relevant biomarkers and screening models and the epidemiology of acute and chronic pain;

(ii) the diagnosis, prevention, treatment, and management of acute and chronic pain, including with respect to non-pharmacologic treatments, non-addictive medical products, and other drugs or devices approved or cleared by the Food and Drug Administration; and

(iii) risk factors for, and early warning signs of, substance use disorders in populations with acute and chronic pain; and

(C) make recommendations to the Director of NIH—

(i) to ensure that the activities of the National Institutes of Health and other Federal agencies are free of unnecessary duplication of effort;

(ii) on how best to disseminate information on pain care and epidemiological data related to acute and chronic pain; and

(iii) on how to expand partnerships between public entities and private entities to expand collaborative, cross-cutting research.

(6) REPORT.—The Secretary shall ensure that recommendations and actions taken by the Director with respect to the topics discussed at the meetings described in paragraph (4) are included in appropriate reports to Congress.

(7) REVIEW.—The Secretary shall review the necessity of the Committee at least once every 2 years.

PART C—SPECIFIC PROVISIONS RESPECTING NATIONAL RESEARCH INSTITUTES

Subpart 1—National Cancer Institute

PURPOSE OF INSTITUTE

SEC. 410. [285] The general purpose of the National Cancer Institute (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to the cause, diagnosis, prevention, and treatment of cancer, rehabilitation from cancer, and the continuing care of cancer patients and the families of cancer patients.

NATIONAL CANCER PROGRAM

SEC. 411. [285a] The National Cancer Program shall consist of (1) an expanded, intensified, and coordinated cancer research program encompassing the research programs conducted and supported by the Institute and the related research programs of the other national research institutes, including an expanded and intensified research program for the prevention of cancer caused by occupational or environmental exposure to carcinogens, and (2) the other programs and activities of the Institute.

CANCER CONTROL PROGRAMS

SEC. 412. [285a–1] The Director of the Institute shall establish and support demonstration, education, and other programs for the detection, diagnosis, prevention, and treatment of cancer and for rehabilitation and counseling respecting cancer. Programs established and supported under this section shall include—

(1) locally initiated education and demonstration programs (and regional networks of such programs) to transmit research results and to disseminate information respecting—

(A) the detection, diagnosis, prevention, and treatment of cancer,

(B) the continuing care of cancer patients and the families of cancer patients, and

- (C) rehabilitation and counseling respecting cancer, to physicians and other health professionals who provide care to individuals who have cancer;
- (2) the demonstration of and the education of students of the health professions and health professionals in—
 - (A) effective methods for the prevention and early detection of cancer and the identification of individuals with a high risk of developing cancer, and
 - (B) improved methods of patient referral to appropriate centers for early diagnosis and treatment of cancer; and
- (3) the demonstration of new methods for the dissemination of information to the general public concerning the prevention, early detection, diagnosis, and treatment and control of cancer and information concerning unapproved and ineffective methods, drugs, and devices for the diagnosis, prevention, treatment, and control of cancer.

SPECIAL AUTHORITIES OF THE DIRECTOR

SEC. 413. [285a–2] (a)(1) The Director of the Institute shall establish an information and education program to collect, identify, analyze, and disseminate on a timely basis, through publications and other appropriate means, to cancer patients and their families, physicians and other health professionals, and the general public, information on cancer research, diagnosis, prevention, and treatment (including information respecting nutrition programs for cancer patients and the relationship between nutrition and cancer). The Director of the Institute may take such action as may be necessary to insure that all channels for the dissemination and exchange of scientific knowledge and information are maintained between the Institute and the public and between the Institute and other scientific, medical, and biomedical disciplines and organizations nationally and internationally.

(2) In carrying out paragraph (1), the Director of the Institute shall—

- (A) provide public and patient information and education programs, providing information that will help individuals take personal steps to reduce their risk of cancer, to make them aware of early detection techniques and to motivate appropriate utilization of those techniques, to help individuals deal with cancer if it strikes, and to provide information to improve long-term survival;
- (B) continue and expand programs to provide physicians and the public with state-of-the-art information on the treatment of particular forms of cancers, and to identify those clinical trials that might benefit patients while advancing knowledge of cancer treatment;
- (C) assess the incorporation of state-of-the-art cancer treatments into clinical practice and the extent to which cancer patients receive such treatments and include the results of such assessments in the biennial reports required under section 407;
- (D) maintain and operate the International Cancer Research Data Bank, which shall collect, catalog, store, and dis-

seminate insofar as feasible the results of cancer research and treatment undertaken in any country for the use of any person involved in cancer research and treatment in any country; and

(E) to the extent practicable, in disseminating the results of such cancer research and treatment, utilize information systems available to the public.

(b) The Director of the Institute in carrying out the National Cancer Program—

(1) shall establish or support the large-scale production or distribution of specialized biological materials and other therapeutic substances for cancer research and set standards of safety and care for persons using such materials;

(2) shall, in consultation with the advisory council for the Institute, support (A) research in the cancer field outside the United States by highly qualified foreign nationals which can be expected to benefit the American people, (B) collaborative research involving American and foreign participants, and (C) the training of American scientists abroad and foreign scientists in the United States;

(3) shall, in consultation with the advisory council for the Institute, support appropriate programs of education and training (including continuing education and laboratory and clinical research training);

(4) shall encourage and coordinate cancer research by industrial concerns where such concerns evidence a particular capability for such research;

(5) may obtain (after consultation with the advisory council for the Institute and in accordance with section 3109 of title 5, United States Code, but without regard to the limitation in such section on the period of service) the services of not more than one hundred and fifty-one experts or consultants who have scientific or professional qualifications;

(6)(A) may, in consultation with the advisory council for the Institute, acquire, construct, improve, repair, operate, and maintain laboratories, other research facilities, equipment, and such other real or personal property as the Director determines necessary;

(B) may, in consultation with the advisory council for the Institute, make grants for construction or renovation of facilities; and

(C) may, in consultation with the advisory council for the Institute, acquire, without regard to the Act of March 3, 1877 (40 U.S.C. 34), by lease or otherwise through the Administrator of General Services, buildings or parts of buildings in the District of Columbia or communities located adjacent to the District of Columbia for the use of the Institute for a period not to exceed ten years;

(7) may, in consultation with the advisory council for the Institute, appoint one or more advisory committees composed of such private citizens and officials of Federal, State, and local governments to advise the Director with respect to the Director's functions;

(8) may, subject to section 405(b)(2) and without regard to section 3324 of title 31, United States Code, and section 3709

of the Revised Statutes (41 U.S.C. 5), enter into such contracts, leases, cooperative agreements, as may be necessary in the conduct of functions of the Director, with any public agency, or with any person, firm, association, corporation, or educational institution; and

(9) shall, notwithstanding section 405(a), prepare and submit, directly to the President for review and transmittal to Congress, an annual budget estimate (including an estimate of the number and type of personnel needs for the Institute) for the National Cancer Program, after reasonable opportunity for comment (but without change) by the Secretary, the Director of NIH, and the Institute's advisory council.

Except as otherwise provided, experts and consultants whose services are obtained under paragraph (5) shall be paid or reimbursed, in accordance with title 5, United States Code, for their travel to and from their place of service and for other expenses associated with their assignment. Such expenses shall not be allowed in connection with the assignment of an expert or consultant whose services are obtained under paragraph (5) unless the expert or consultant has agreed in writing to complete the entire period of the assignment or one year of the assignment, whichever is shorter, unless separated or reassigned for reasons which are beyond the control of the expert or consultant and which are acceptable to the Director of the Institute. If the expert or consultant violates the agreement, the money spent by the United States for such expenses is recoverable from the expert or consultant as a debt due the United States. The Secretary may waive in whole or in part a right of recovery under the preceding sentence.

(c) PRE-CLINICAL MODELS TO EVALUATE PROMISING PEDIATRIC CANCER THERAPIES.—

(1) EXPANSION AND COORDINATION OF ACTIVITIES.—The Director of the National Cancer Institute shall expand, intensify, and coordinate the activities of the Institute with respect to research on the development of preclinical models to evaluate which therapies are likely to be effective for treating pediatric cancer.

(2) COORDINATION WITH OTHER INSTITUTES.—The Director of the Institute shall coordinate the activities under paragraph (1) with similar activities conducted by other national research institutes and agencies of the National Institutes of Health to the extent that those Institutes and agencies have responsibilities that are related to pediatric cancer.

NATIONAL CANCER RESEARCH AND DEMONSTRATION CENTERS

SEC. 414. [285a–3] (a)(1) The Director of the Institute may enter into cooperative agreements with and make grants to public or private nonprofit entities to pay all or part of the cost of planning, establishing, or strengthening, and providing basic operating support for centers for basic and clinical research into, training in, and demonstration of advanced diagnostic, prevention, control, and treatment methods for cancer.

(2) A cooperative agreement or grant under paragraph (1) shall be entered into in accordance with policies established by the Di-

rector of NIH and after consultation with the Institute's advisory council.

(b) Federal payments made under a cooperative agreement or grant under subsection (a) may be used for—

(1) construction (notwithstanding any limitation under section 496);

(2) staffing and other basic operating costs, including such patient care costs as are required for research;

(3) clinical training, including training for allied health professionals, continuing education for health professionals and allied health professions personnel, and information programs for the public respecting cancer; and

(4) demonstration purposes.

As used in this paragraph, the term "construction" does not include the acquisition of land, and the term "training" does not include research training for which National Research Service Awards¹⁷ may be provided under section 487.

(c) Support of a center under subsection (a) may be for a period of not to exceed five years. Such period may be extended by the Director for additional periods of not more than five years each if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

(d) Research centers under this section may not be considered centers of excellence for purposes of section 402(b)(10).

PRESIDENT'S CANCER PANEL

SEC. 415. [285a-4] (a)(1) The President's Cancer Panel (hereafter in this section referred to as the "Panel") shall be composed of three persons appointed by the President who by virtue of their training, experience, and background are exceptionally qualified to appraise the National Cancer Program. At least two members of the Panel shall be distinguished scientists or physicians.

(2)(A) Members of the Panel shall be appointed for three-year terms, except that (i) any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall be appointed only for the remainder of such term, and (ii) a member may serve until the member's successor has taken office. If a vacancy occurs in the Panel, the President shall make an appointment to fill the vacancy not later than 90 days after the date the vacancy occurred.

(B) The President shall designate one of the members to serve as the chairman of the Panel for a term of one year.

(C) Members of the Panel shall each be entitled to receive the daily equivalent of the annual rate of basic pay in effect for grade GS-18 of the General Schedule for each day (including traveltime) during which they are engaged in the actual performance of duties as members of the Panel and shall be paid or reimbursed, in accordance with title 5, United States Code, for their travel to and from their place of service and for other expenses associated with their assignment.

¹⁷Now Ruth L. Kirschstein National Research Service Awards. See section 487.

(3) The Panel shall meet at the call of the chairman, but not less often than four times a year. A transcript shall be kept of the proceedings of each meeting of the Panel, and the chairman shall make such transcript available to the public.

(b) The Panel shall monitor the development and execution of the activities of the National Cancer Program, and shall report directly to the President. Any delays or blockages in rapid execution of the Program shall immediately be brought to the attention of the President. The Panel shall submit to the President periodic progress reports on the National Cancer Program and shall submit to the President, the Secretary, and the Congress an annual evaluation of the efficacy of the Program and suggestions for improvements, and shall submit such other reports as the President shall direct.

ASSOCIATE DIRECTOR FOR PREVENTION

SEC. 416. [285a–5] (a) There shall be in the Institute an Associate Director for Prevention to coordinate and promote the programs in the Institute concerning the prevention of cancer. The Associate Director shall be appointed by the Director of the Institute from individuals who because of their professional training or experience are experts in public health or preventive medicine.

(b) The Associate Director for Prevention shall prepare for inclusion in the biennial report made under section 407 a description of the prevention activities of the Institute, including a description of the staff and resources allocated to those activities.

BREAST AND GYNECOLOGICAL CANCERS

SEC. 417. [285a–6] (a) EXPANSION AND COORDINATION OF ACTIVITIES.—The Director of the Institute, in consultation with the National Cancer Advisory Board, shall expand, intensify, and coordinate the activities of the Institute with respect to research on breast cancer, ovarian cancer, and other cancers of the reproductive system of women.

(b) COORDINATION WITH OTHER INSTITUTES.—The Director of the Institute shall coordinate the activities of the Director under subsection (a) with similar activities conducted by other national research institutes and agencies of the National Institutes of Health to the extent that such Institutes and agencies have responsibilities that are related to breast cancer and other cancers of the reproductive system of women.

(c) PROGRAMS FOR BREAST CANCER.—

(1) IN GENERAL.—In carrying out subsection (a), the Director of the Institute shall conduct or support research to expand the understanding of the cause of, and to find a cure for, breast cancer. Activities under such subsection shall provide for an expansion and intensification of the conduct and support of—

(A) basic research concerning the etiology and causes of breast cancer;

(B) clinical research and related activities concerning the causes, prevention, detection and treatment of breast cancer;

(C) control programs with respect to breast cancer in accordance with section 412, including community-based programs designed to assist women who are members of medically underserved populations, low-income populations, or minority groups;

(D) information and education programs with respect to breast cancer in accordance with section 413; and

(E) research and demonstration centers with respect to breast cancer in accordance with section 414, including the development and operation of centers for breast cancer research to bring together basic and clinical, biomedical and behavioral scientists to conduct basic, clinical, epidemiological, psychosocial, prevention and treatment research and related activities on breast cancer.

Not less than six centers shall be operated under subparagraph (E). Activities of such centers should include supporting new and innovative research and training programs for new researchers. Such centers shall give priority to expediting the transfer of research advances to clinical applications.

(2) IMPLEMENTATION OF PLAN FOR PROGRAMS.—

(A) The Director of the Institute shall ensure that the research programs described in paragraph (1) are implemented in accordance with a plan for the programs. Such plan shall include comments and recommendations that the Director of the Institute considers appropriate, with due consideration provided to the professional judgment needs of the Institute as expressed in the annual budget estimate prepared in accordance with section 413(9)¹⁸. The Director of the Institute, in consultation with the National Cancer Advisory Board, shall periodically review and revise such plan.

(B) Not later than October 1, 1993, the Director of the Institute shall submit a copy of the plan to the President's Cancer Panel, the Secretary and the Director of NIH.

(C) The Director of the Institute shall submit any revisions of the plan to the President's Cancer Panel, the Secretary, and the Director of NIH.

(D) The Secretary shall provide a copy of the plan submitted under subparagraph (A), and any revisions submitted under subparagraph (C), to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate.

(d) OTHER CANCERS.—In carrying out subsection (a), the Director of the Institute shall conduct or support research on ovarian cancer and other cancers of the reproductive system of women. Activities under such subsection shall provide for the conduct and support of—

(1) basic research concerning the etiology and causes of ovarian cancer and other cancers of the reproductive system of women;

¹⁸So in law. See section 401 of Public Law 103–43 (107 Stat. 153). Probably should be section “413(b)(9)”.

(2) clinical research and related activities into the causes, prevention, detection and treatment of ovarian cancer and other cancers of the reproductive system of women;

(3) control programs with respect to ovarian cancer and other cancers of the reproductive system of women in accordance with section 412;

(4) information and education programs with respect to ovarian cancer and other cancers of the reproductive system of women in accordance with section 413; and

(5) research and demonstration centers with respect to ovarian cancer and cancers of the reproductive system in accordance with section 414.

(e) REPORT.—The Director of the Institute shall prepare, for inclusion in the biennial report submitted under section 407, a report that describes the activities of the National Cancer Institute under the research programs referred to in subsection (a), that shall include—

(1) a description of the research plan with respect to breast cancer prepared under subsection (c);

(2) an assessment of the development, revision, and implementation of such plan;

(3) a description and evaluation of the progress made, during the period for which such report is prepared, in the research programs on breast cancer and cancers of the reproductive system of women;

(4) a summary and analysis of expenditures made, during the period for which such report is made, for activities with respect to breast cancer and cancers of the reproductive system of women conducted and supported by the National Institutes of Health; and

(5) such comments and recommendations as the Director considers appropriate.

PROSTATE CANCER

SEC. 417A. [285a–7] (a) EXPANSION AND COORDINATION OF ACTIVITIES.—The Director of the Institute, in consultation with the National Cancer Advisory Board, shall expand, intensify, and coordinate the activities of the Institute with respect to research on prostate cancer.

(b) COORDINATION WITH OTHER INSTITUTES.—The Director of the Institute shall coordinate the activities of the Director under subsection (a) with similar activities conducted by other national research institutes and agencies of the National Institutes of Health to the extent that such Institutes and agencies have responsibilities that are related to prostate cancer.

(c) PROGRAMS.—

(1) IN GENERAL.—In carrying out subsection (a), the Director of the Institute shall conduct or support research to expand the understanding of the cause of, and to find a cure for, prostate cancer. Activities under such subsection shall provide for an expansion and intensification of the conduct and support of—

(A) basic research concerning the etiology and causes of prostate cancer;

(B) clinical research and related activities concerning the causes, prevention, detection and treatment of prostate cancer;

(C) prevention and control and early detection programs with respect to prostate cancer in accordance with section 412, particularly as it relates to intensifying research on the role of prostate specific antigen for the screening and early detection of prostate cancer;

(D) an Inter-Institute Task Force, under the direction of the Director of the Institute, to provide coordination between relevant National Institutes of Health components of research efforts on prostate cancer;

(E) control programs with respect to prostate cancer in accordance with section 412;

(F) information and education programs with respect to prostate cancer in accordance with section 413; and

(G) research and demonstration centers with respect to prostate cancer in accordance with section 414, including the development and operation of centers for prostate cancer research to bring together basic and clinical, biomedical and behavioral scientists to conduct basic, clinical, epidemiological, psychosocial, prevention and control, treatment, research, and related activities on prostate cancer.

Not less than six centers shall be operated under subparagraph (G). Activities of such centers should include supporting new and innovative research and training programs for new researchers. Such centers shall give priority to expediting the transfer of research advances to clinical applications.

(2) IMPLEMENTATION OF PLAN FOR PROGRAMS.—

(A) The Director of the Institute shall ensure that the research programs described in paragraph (1) are implemented in accordance with a plan for the programs. Such plan shall include comments and recommendations that the Director of the Institute considers appropriate, with due consideration provided to the professional judgment needs of the Institute as expressed in the annual budget estimate prepared in accordance with section 413(9)¹⁹. The Director of the Institute, in consultation with the National Cancer Advisory Board, shall periodically review and revise such plan.

(B) Not later than October 1, 1993, the Director of the Institute shall submit a copy of the plan to the President's Cancer Panel, the Secretary, and the Director of NIH.

(C) The Director of the Institute shall submit any revisions of the plan to the President's Cancer Panel, the Secretary, and the Director of NIH.

(D) The Secretary shall provide a copy of the plan submitted under subparagraph (A), and any revisions sub-

- (a) **DEFINITION.**—In this section the term “entity” means any—
- (1) National Cancer Institute-designated cancer center;
 - (2) Department of Veterans Affairs hospital or medical center;
 - (3) Federally Qualified Health Center, community health center, or hospital;
 - (4) agency of any State or local government, including any State department of health; or
 - (5) nonprofit organization.

(b) **IN GENERAL.**—The Secretary, acting through the Administrator of the Health Resources and Services Administration in consultation with the Director of the National Institutes of Health and the Director of the Indian Health Service, may make competitive grants to any entity for the purpose of carrying out programs to—

- (1) screen individuals described under section 4(a)(1)(A)(i) or 5(a)(1)(A) of the Radiation Exposure Compensation Act (42 U.S.C. 2210 note) for cancer as a preventative health measure;
- (2) provide appropriate referrals for medical treatment of individuals screened under paragraph (1) and to ensure, to the extent practicable, the provision of appropriate follow-up services;
- (3) develop and disseminate public information and education programs for the detection, prevention, and treatment of radiogenic cancers and diseases; and
- (4) facilitate putative applicants in the documentation of claims as described in section 5(a) of the Radiation Exposure Compensation Act (42 U.S.C. 2210 note).

(c) **INDIAN HEALTH SERVICE.**—The programs under subsection (a) shall include programs provided through the Indian Health Service or through tribal contracts, compacts, grants, or cooperative agreements with the Indian Health Service and which are determined appropriate to raising the health status of Indians.

(d) **GRANT AND CONTRACT AUTHORITY.**—Entities receiving a grant under subsection (b) may expend the grant to carry out the purpose described in such subsection.

(e) **HEALTH COVERAGE UNAFFECTED.**—Nothing in this section shall be construed to affect any coverage obligation of a governmental or private health plan or program relating to an individual referred to under subsection (b)(1).

SEC. 417D. [285a-10] RESEARCH, INFORMATION, AND EDUCATION WITH RESPECT TO BLOOD CANCER.

(a) **JOE MOAKLEY RESEARCH EXCELLENCE PROGRAM.**—

- (1) **IN GENERAL.**—The Director of NIH shall expand, intensify, and coordinate programs for the conduct and support of

²⁰Section 417B was repealed by section 103(b)(15) of Public Law 109-482 (120 Stat. 3687).

research with respect to blood cancer, and particularly with respect to leukemia, lymphoma, and multiple myeloma.

(2) ADMINISTRATION.—The Director of NIH shall carry out this subsection through the Director of the National Cancer Institute and in collaboration with any other agencies that the Director determines to be appropriate.

(b) GERALDINE FERRARO CANCER EDUCATION PROGRAM.—

(1) IN GENERAL.—The Secretary shall direct the appropriate agency within the Department of Health and Human Services, in collaboration with the Director of NIH, to establish and carry out a program to provide information and education for patients and the general public with respect to blood cancer, and particularly with respect to the treatment of leukemia, lymphoma, and multiple myeloma.

(2) ADMINISTRATION.—The Agency determined by the Secretary under paragraph (1) shall carry out this subsection in collaboration with private health organizations that have national education and patient assistance programs on blood-related cancers.

SEC. 417E. [285a-11] PEDIATRIC CANCER RESEARCH, AWARENESS, AND SURVIVORSHIP.

(a) CHILDREN'S CANCER BIOREPOSITORIES.—

(1) AWARD.—The Secretary, acting through the Director of NIH, may make awards to an entity or entities described in paragraph (4) to build upon existing research efforts to collect biospecimens and clinical and demographic information of children, adolescents, and young adults with selected cancer subtypes (and their recurrences) for which current treatments are least effective, in order to achieve a better understanding of the causes of such cancer subtypes (and their recurrences), and the effects and outcomes of treatments for such cancers.

(2) USE OF FUNDS.—Amounts received under an award under paragraph (1) may be used to carry out the following:

(A) Collect and store high-quality, donated biospecimens and associated clinical and demographic information on children, adolescents, and young adults diagnosed with cancer in the United States, focusing on children, adolescents, and young adults with cancer enrolled in clinical trials for whom current treatments are least effective. Activities under this subparagraph may include storage of biospecimens and associated clinical and demographic data at existing biorepositories supported by the National Cancer Institute, such as collected samples of both solid tumor cancer and paired samples.

(B) Maintain an interoperable, secure, and searchable database on stored biospecimens and associated clinical and demographic data from children, adolescents, and young adults with cancer for the purposes of research by scientists and qualified health care professionals.

(C) Establish and implement procedures for evaluating applications for access to such biospecimens and clinical and demographic data from researchers and other qualified health care professionals.

- (D) Provide access to biospecimens and clinical and demographic data from children, adolescents, and young adults with cancer to researchers and qualified health care professionals for peer-reviewed research—
- (i) consistent with the procedures established pursuant to subparagraph (C);
 - (ii) only to the extent permitted by applicable Federal and State law; and
 - (iii) in a manner that protects personal privacy to the extent required by applicable Federal and State privacy law, at minimum.
- (3) NO REQUIREMENT.—No child, adolescent, or young adult with cancer shall be required under this subsection to contribute a specimen to a biorepository or share clinical or demographic data.
- (4) APPLICATION; CONSIDERATIONS.—
- (A) APPLICATION.—To be eligible to receive an award under paragraph (1) an entity shall submit an application to the Secretary at such a time, in such manner, and containing such information as the Secretary may reasonably require.
- (B) CONSIDERATIONS.—In evaluating applications submitted under subparagraph (A), the Secretary shall consider the existing infrastructure of the entity that would allow for the timely capture of biospecimens and related clinical and demographic information for children, adolescents, and young adults with cancer for whom current treatments are least effective.
- (5) PRIVACY PROTECTIONS AND INFORMED CONSENT.—
- (A) IN GENERAL.—The Secretary may not make an award under paragraph (1) to an entity unless the Secretary ensures that such entity—
- (i) collects biospecimens and associated clinical and demographic information only from participants who have given their informed consent in accordance with Federal and State law; and
 - (ii) protects personal privacy to the extent required by applicable Federal and State law, at minimum.
- (B) INFORMED CONSENT.—The Secretary shall ensure biospecimens and associated clinical and demographic information are collected with informed consent, as described in subparagraph (A)(i).
- (6) GUIDELINES AND OVERSIGHT.—The Secretary shall develop and disseminate appropriate guidelines for the development and maintenance of the biorepositories supported under this subsection, including appropriate oversight, to facilitate further research on select cancer subtypes (and their recurrences) in children, adolescents, and young adults with such cancers (and their recurrences).
- (7) COORDINATION.—To encourage the greatest possible efficiency and effectiveness of federally supported efforts with respect to the activities described in this subsection, the Secretary shall ensure the appropriate coordination of programs

supported under this section with existing federally supported cancer registry programs and the activities under section 399E-1, as appropriate.

(8) **SUPPLEMENT NOT SUPPLANT.**—Funds provided under this subsection shall be used to supplement, and not supplant, Federal and non-Federal funds available for carrying out the activities described in this subsection.

(9) **REPORT.**—Not later than 4 years after the date of enactment of the Childhood Cancer Survivorship, Treatment, Access, and Research Reauthorization Act of 2022, the Secretary shall submit to Congress a report on—

(A) the number of biospecimens and corresponding clinical demographic data collected through the biospecimen research efforts supported under paragraph (1);

(B) the number of biospecimens and corresponding clinical demographic data requested for use by researchers;

(C) barriers to the collection of biospecimens and corresponding clinical demographic data;

(D) barriers experienced by researchers or health care professionals in accessing the biospecimens and corresponding clinical demographic data necessary for use in research; and

(E) recommendations with respect to improving the biospecimen and biorepository research efforts under this subsection.

(10) **REPORT ON RESEARCHER ACCESS TO CHILDREN'S CANCER BIOREPOSITORY SAMPLES.**—Not later than 2 years after the date of enactment of the Childhood Cancer Survivorship, Treatment, Access, and Research Reauthorization Act of 2022, the Director of NIH shall—

(A) conduct a review of the procedures established under paragraph (2)(C) and other policies or procedures related to researcher access to such biospecimens to identify any opportunities to reduce administrative burden, consistent with paragraph (2)(D), in a manner that protects personal privacy to the extent required by applicable Federal and State privacy law, at a minimum; and

(B) submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the findings of the review under subparagraph (A) and whether the Director of NIH plans to make any changes to the policies or procedures considered in such review, based on such findings.

(11) **DEFINITIONS.**—For purposes of this subsection:

(A) **AWARD.**—The term “award” includes a grant, contract, or cooperative agreement determined by the Secretary.

(B) **BIOSPECIMEN.**—The term “biospecimen” includes—

- (i) solid tumor tissue or bone marrow;
- (ii) normal or control tissue;
- (iii) blood and plasma;
- (iv) DNA and RNA extractions;
- (v) familial DNA; and

(vi) any other sample relevant to cancer research, as required by the Secretary.

(C) CLINICAL AND DEMOGRAPHIC INFORMATION.—The term “clinical and demographic information” includes—

- (i) date of diagnosis;
- (ii) age at diagnosis;
- (iii) the patient’s sex, race, ethnicity, and environmental exposures;
- (iv) extent of disease at enrollment;
- (v) site of metastases;
- (vi) location of primary tumor coded;
- (vii) histologic diagnosis;
- (viii) tumor marker data when available;
- (ix) treatment and outcome data;
- (x) information related to specimen quality; and
- (xi) any other applicable information required by the Secretary.

(b) IMPROVING CARE FOR PEDIATRIC CANCER SURVIVORS.—

(1) RESEARCH ON PEDIATRIC CANCER SURVIVORSHIP.—The Director of NIH, in coordination with ongoing research activities, may continue to conduct or support pediatric cancer survivorship research including in any of the following areas:

(A) Outcomes of pediatric cancer survivors, including within minority or other medically underserved populations and with respect to health disparities of such outcomes.

(B) Barriers to follow-up care for pediatric cancer survivors, including within minority or other medically underserved populations.

(C) The impact of relevant factors, which may include familial, socioeconomic, and other environmental factors, on treatment outcomes and survivorship.

(D) The development of indicators used for long-term follow-up and analysis of the late effects of cancer treatment for pediatric cancer survivors.

(E) The identification of, as applicable—

- (i) risk factors associated with the late effects of cancer treatment;
- (ii) predictors of adverse neurocognitive and psychosocial outcomes; and
- (iii) the molecular basis of long-term complications.

(F) The development of targeted interventions to reduce the burden of morbidity borne by cancer survivors in order to protect such cancer survivors from the late effects of cancer.

(2) BALANCED APPROACH.—In conducting or supporting research under paragraph (1)(A)(i) on pediatric cancer survivors within minority or other medically underserved populations, the Director of NIH shall ensure that such research addresses both the physical and the psychological needs of such survivors, as appropriate.

(c) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as being inconsistent with the goals and purposes of the

Minority Health and Health Disparities Research and Education Act of 2000.

(d) AUTHORIZATION OF APPROPRIATIONS.—For purposes of carrying out this section and section 399E–1, there are authorized to be appropriated \$30,000,000 for each of fiscal years 2024 through 2028. Funds appropriated under this subsection shall remain available until expended.

SEC. 417F. [42 U.S.C. 285a–12] INTERAGENCY BREAST CANCER AND ENVIRONMENTAL RESEARCH COORDINATING COMMITTEE.

(a) INTERAGENCY BREAST CANCER AND ENVIRONMENTAL RESEARCH COORDINATING COMMITTEE.—

(1) ESTABLISHMENT.—Not later than 6 months after the date of the enactment of this section, the Secretary shall establish a committee, to be known as the Interagency Breast Cancer and Environmental Research Coordinating Committee (in this section referred to as the “Committee”).

(2) DUTIES.—The Committee shall—

(A) share and coordinate information on existing research activities, and make recommendations to the National Institutes of Health and other Federal agencies regarding how to improve existing research programs, that are related to breast cancer research;

(B) develop a comprehensive strategy and advise the National Institutes of Health and other Federal agencies in the solicitation of proposals for collaborative, multidisciplinary research, including proposals to evaluate environmental and genomic factors that may be related to the etiology of breast cancer that would—

(i) result in innovative approaches to study emerging scientific opportunities or eliminate knowledge gaps in research to improve the research portfolio;

(ii) outline key research questions, methodologies, and knowledge gaps;

(iii) expand the number of research proposals that involve collaboration between 2 or more national research institutes or national centers, including proposals for Common Fund research described in section 402(b)(7) to improve the research portfolio; and

(iv) expand the number of collaborative, multidisciplinary, and multi-institutional research grants;

(C) develop a summary of advances in breast cancer research supported or conducted by Federal agencies relevant to the diagnosis, prevention, and treatment of cancer and other diseases and disorders; and

(D) not later than 2 years after the date of the establishment of the Committee, make recommendations to the Secretary—

(i) regarding any appropriate changes to research activities, including recommendations to improve the research portfolio of the National Institutes of Health to ensure that scientifically-based strategic planning is implemented in support of research priorities that impact breast cancer research activities;

(ii) to ensure that the activities of the National Institutes of Health and other Federal agencies, including the Department of Defense, are free of unnecessary duplication of effort;

(iii) regarding public participation in decisions relating to breast cancer research to increase the involvement of patient advocacy and community organizations representing a broad geographical area;

(iv) on how best to disseminate information on breast cancer research progress; and

(v) on how to expand partnerships between public entities, including Federal agencies, and private entities to expand collaborative, cross-cutting research.

(3) **RULE OF CONSTRUCTION.**—For the purposes of the Committee, when focusing on research to evaluate environmental and genomic factors that may be related to the etiology of breast cancer, nothing in this section shall be construed to restrict the Secretary from including other forms of cancer, as appropriate, when doing so may advance research in breast cancer or advance research in other forms of cancer.

(4) **MEMBERSHIP.**—

(A) **IN GENERAL.**—The Committee shall be composed of the following voting members:

(i) Not more than 7 voting Federal representatives as follows:

(I) The Director of the Centers for Disease Control and Prevention.

(II) The Director of the National Institutes of Health and the directors of such national research institutes and national centers (which may include the National Institute of Environmental Health Sciences) as the Secretary determines appropriate.

(III) One representative from the National Cancer Institute Board of Scientific Advisors, appointed by the Director of the National Cancer Institute.

(IV) The heads of such other agencies of the Department of Health and Human Services as the Secretary determines appropriate.

(V) Representatives of other Federal agencies that conduct or support cancer research, including the Department of Defense.

(ii) 12 additional voting members appointed under subparagraph (B).

(B) **ADDITIONAL MEMBERS.**—The Committee shall include additional voting members appointed by the Secretary as follows:

(i) 6 members shall be appointed from among scientists, physicians, and other health professionals, who—

(I) are not officers or employees of the United States;

(II) represent multiple disciplines, including clinical, basic, and public health sciences;

(III) represent different geographical regions of the United States;

(IV) are from practice settings, academia, or other research settings; and

(V) are experienced in scientific peer review process.

(ii) 6 members shall be appointed from members of the general public, who represent individuals with breast cancer.

(C) NONVOTING MEMBERS.—The Committee shall include such nonvoting members as the Secretary determines to be appropriate.

(5) CHAIRPERSON.—The voting members of the Committee shall select a chairperson from among such members. The selection of a chairperson shall be subject to the approval of the Director of NIH.

(6) MEETINGS.—The Committee shall meet at the call of the chairperson of the Committee or upon the request of the Director of NIH, but in no case less often than once each year.

(b) REVIEW.—The Secretary shall review the necessity of the Committee in calendar year 2011 and, thereafter, at least once every 2 years.

SEC. 417G. [42 U.S.C. 285a-13] SCIENTIFIC FRAMEWORK FOR RECALCITRANT CANCERS.

(a) DEVELOPMENT OF SCIENTIFIC FRAMEWORK.—

(1) IN GENERAL.—For each recalcitrant cancer identified under subsection (b), the Director of the Institute shall develop (in accordance with subsection (c)) a scientific framework for the conduct or support of research on such cancer.

(2) CONTENTS.—The scientific framework with respect to a recalcitrant cancer shall include the following:

(A) CURRENT STATUS.—

(i) REVIEW OF LITERATURE.—A summary of findings from the current literature in the areas of—

(I) the prevention, diagnosis, and treatment of such cancer;

(II) the fundamental biologic processes that regulate such cancer (including similarities and differences of such processes from the biological processes that regulate other cancers); and

(III) the epidemiology of such cancer.

(ii) SCIENTIFIC ADVANCES.—The identification of relevant emerging scientific areas and promising scientific advances in basic, translational, and clinical science relating to the areas described in subclauses (I) and (II) of clause (i).

(iii) RESEARCHERS.—A description of the availability of qualified individuals to conduct scientific research in the areas described in clause (i).

(iv) COORDINATED RESEARCH INITIATIVES.—The identification of the types of initiatives and partnerships for the coordination of intramural and extra-

mural research of the Institute in the areas described in clause (i) with research of the relevant national research institutes, Federal agencies, and non-Federal public and private entities in such areas.

(v) RESEARCH RESOURCES.—The identification of public and private resources, such as patient registries and tissue banks, that are available to facilitate research relating to each of the areas described in clause (i).

(B) IDENTIFICATION OF RESEARCH QUESTIONS.—The identification of research questions relating to basic, translational, and clinical science in the areas described in subclauses (I) and (II) of subparagraph (A)(i) that have not been adequately addressed with respect to such recalcitrant cancer.

(C) RECOMMENDATIONS.—Recommendations for appropriate actions that should be taken to advance research in the areas described in subparagraph (A)(i) and to address the research questions identified in subparagraph (B), as well as for appropriate benchmarks to measure progress on achieving such actions, including the following:

(i) RESEARCHERS.—Ensuring adequate availability of qualified individuals described in subparagraph (A)(iii).

(ii) COORDINATED RESEARCH INITIATIVES.—Promoting and developing initiatives and partnerships described in subparagraph (A)(iv).

(iii) RESEARCH RESOURCES.—Developing additional public and private resources described in subparagraph (A)(v) and strengthening existing resources.

(3) TIMING.—

(A) INITIAL DEVELOPMENT AND SUBSEQUENT UPDATE.—For each recalcitrant cancer identified under subsection (b)(1), the Director of the Institute shall—

(i) develop a scientific framework under this subsection not later than 18 months after the date of the enactment of this section; and

(ii) review and update the scientific framework not later than 5 years after its initial development.

(B) OTHER UPDATES.—The Director of the Institute may review and update each scientific framework developed under this subsection as necessary.

(4) PUBLIC NOTICE.—With respect to each scientific framework developed under subsection (a), not later than 30 days after the date of completion of the framework, the Director of the Institute shall—

(A) submit such framework to the Committee on Energy and Commerce and Committee on Appropriations of the House of Representatives, and the Committee on Health, Education, Labor, and Pensions and Committee on Appropriations of the Senate; and

(B) make such framework publically available on the Internet website of the Department of Health and Human Services.

(b) IDENTIFICATION OF RECALCITRANT CANCER.—

(1) IN GENERAL.—Not later than 6 months after the date of the enactment of this section, the Director of the Institute shall identify two or more recalcitrant cancers that each—

(A) have a 5-year relative survival rate of less than 20 percent; and

(B) are estimated to cause the death of at least 30,000 individuals in the United States per year.

(2) ADDITIONAL CANCERS.—The Director of the Institute may, at any time, identify other recalcitrant cancers for purposes of this section. In identifying a recalcitrant cancer pursuant to the previous sentence, the Director may consider additional metrics of progress (such as incidence and mortality rates) against such type of cancer.

(c) WORKING GROUPS.—For each recalcitrant cancer identified under subsection (b), the Director of the Institute shall convene a working group comprised of representatives of appropriate Federal agencies and other non-Federal entities to provide expertise on, and assist in developing, a scientific framework under subsection (a). The Director of the Institute (or the Director's designee) shall participate in the meetings of each such working group.

(d) REPORTING.—

(1) BIENNIAL REPORTS.—The Director of NIH shall ensure that each biennial report under section 403 includes information on actions undertaken to carry out each scientific framework developed under subsection (a) with respect to a recalcitrant cancer, including the following:

(A) Information on research grants awarded by the National Institutes of Health for research relating to such cancer.

(B) An assessment of the progress made in improving outcomes (including relative survival rates) for individuals diagnosed with such cancer.

(C) An update on activities pertaining to such cancer under the authority of section 413(b)(7).

(2) ADDITIONAL ONE-TIME REPORT FOR CERTAIN FRAMEWORKS.—For each recalcitrant cancer identified under subsection (b)(1), the Director of the Institute shall, not later than 6 years after the initial development of a scientific framework under subsection (a), submit a report to the Congress on the effectiveness of the framework (including the update required by subsection (a)(3)(A)(ii)) in improving the prevention, detection, diagnosis, and treatment of such cancer.

(e) RECOMMENDATIONS FOR EXCEPTION FUNDING.—The Director of the Institute shall consider each relevant scientific framework developed under subsection (a) when making recommendations for exception funding for grant applications.

(f) DEFINITION.—In this section, the term “recalcitrant cancer” means a cancer for which the five-year relative survival rate is below 50 percent.

Subpart 2—National Heart, Lung, and Blood Institute

PURPOSE OF THE INSTITUTE

SEC. 418. [285b] The general purpose of the National Heart, Lung, and Blood Institute (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to heart, blood vessel, lung, and blood diseases and with respect to the use of blood and blood products and the management of blood resources.

HEART, BLOOD VESSEL, LUNG, AND BLOOD DISEASE PREVENTION AND CONTROL PROGRAMS

SEC. 419. [285b–1] (a) The Director of the Institute shall conduct and support programs for the prevention and control of heart, blood vessel, lung, and blood diseases. Such programs shall include community-based and population-based programs carried out in cooperation with other Federal agencies, with public health agencies of State or local governments, with nonprofit private entities that are community-based health agencies, or with other appropriate public or nonprofit private entities.

(b) In carrying out programs under subsection (a), the Director of the Institute shall give special consideration to the prevention and control of heart, blood vessel, lung, and blood diseases in children, and in populations that are at increased risk with respect to such diseases.

INFORMATION AND EDUCATION

SEC. 420. [285b–2] The Director of the Institute shall collect, identify, analyze, and disseminate on a timely basis, through publications and other appropriate means, to patients, families of patients, physicians and other health professionals, and the general public, information on research, prevention, diagnosis, and treatment of heart, blood vessel, lung, and blood diseases, the maintenance of health to reduce the incidence of such diseases, and on the use of blood and blood products and the management of blood resources. In carrying out this section, the Director of the Institute shall place special emphasis upon the utilization of collaborative efforts with both the public and private sectors to—

(1) increase the awareness and knowledge of health care professionals and the public regarding the prevention of heart and blood vessel, lung, and blood diseases and the utilization of blood resources; and

(2) develop and disseminate to health professionals, patients and patient families, and the public information designed to encourage adults and children to adopt healthful practices concerning the prevention of such diseases.

NATIONAL HEART, BLOOD VESSEL, LUNG, AND BLOOD DISEASES AND
BLOOD RESOURCES PROGRAM

SEC. 421. [285b–3] (a)(1) The National Heart, Blood Vessel, Lung, and Blood Diseases and Blood Resources Program (hereafter in this subpart referred to as the “Program”) may provide for—

(A) investigation into the epidemiology, etiology, and prevention of all forms and aspects of heart, blood vessel, lung, and blood diseases, including investigations into the social, environmental, behavioral, nutritional, biological, and genetic determinants and influences involved in the epidemiology, etiology, and prevention of such diseases;

(B) studies and research into the basic biological processes and mechanisms involved in the underlying normal and abnormal heart, blood vessel, lung, and blood phenomena;

(C) research into the development, trial, and evaluation of techniques, drugs, and devices (including computers) used in, and approaches to, the diagnosis, treatment (including the provision of emergency medical services), and prevention of heart, blood vessel, lung, and blood diseases and the rehabilitation of patients suffering from such diseases;

(D) establishment of programs that will focus and apply scientific and technological efforts involving the biological, physical, and engineering sciences to all facets of heart, blood vessel, lung, and blood diseases with emphasis on the refinement, development, and evaluation of technological devices that will assist, replace, or monitor vital organs and improve instrumentation for detection, diagnosis, and treatment of and rehabilitation from such diseases;

(E) establishment of programs for the conduct and direction of field studies, large-scale testing and evaluation, and demonstration of preventive, diagnostic, therapeutic, and rehabilitative approaches to, and emergency medical services for, such diseases;

(F) studies and research into blood diseases and blood, and into the use of blood for clinical purposes and all aspects of the management of blood resources in the United States, including the collection, preservation, fractionation, and distribution of blood and blood products;

(G) the education (including continuing education) and training of scientists, clinical investigators, and educators, in fields and specialties (including computer sciences) requisite to the conduct of clinical programs respecting heart, blood vessel, lung, and blood diseases and blood resources;

(H) public and professional education relating to all aspects of such diseases, including the prevention of such diseases, and the use of blood and blood products and the management of blood resources;

(I) establishment of programs for study and research into heart, blood vessel, lung, and blood diseases of children (including cystic fibrosis, hyaline membrane, hemolytic diseases such as sickle cell anemia and Cooley’s anemia, and hemophilic diseases) and for the development and demonstration of diag-

nostic, treatment, and preventive approaches to such diseases; and

(J) establishment of programs for study, research, development, demonstrations and evaluation of emergency medical services for people who become critically ill in connection with heart, blood vessel, lung, or blood diseases.

(2) The Program shall be coordinated with other national research institutes to the extent that they have responsibilities respecting such diseases and shall give special emphasis to the continued development in the Institute of programs related to the causes of stroke and to effective coordination of such programs with related stroke programs in the National Institute of Neurological and Communicative Disorders and Stroke. The Director of the Institute, with the advice of the advisory council for the Institute, shall revise annually the plan for the Program and shall carry out the Program in accordance with such plan.

(b) In carrying out the Program, the Director of the Institute, under policies established by the Director of NIH—

(1) may, after consultation with the advisory council for the Institute, obtain (in accordance with section 3109 of title 5, United States Code, but without regard to the limitation in such section on the period of such service) the services of not more than one hundred experts or consultants who have scientific or professional qualifications;

(2)(A) may, in consultation with the advisory council for the Institute, acquire and construct, improve, repair, operate, alter, renovate, and maintain, heart, blood vessel, lung, and blood disease and blood resource laboratories, research, training, and other facilities, equipment, and such other real or personal property as the Director determines necessary;

(B) may, in consultation with the advisory council for the Institute, make grants for construction or renovation of facilities; and

(C) may, in consultation with the advisory council for the Institute, acquire, without regard to the Act of March 3, 1877 (40 U.S.C. 34), by lease or otherwise, through the Administrator of General Services, buildings or parts of buildings in the District of Columbia or communities located adjacent to the District of Columbia for the use of the Institute for a period not to exceed ten years;

(3) subject to section 405(b)(2) and without regard to section 3324 of title 31, United States Code, and section 3709 of the Revised Statutes (41 U.S.C. 5), may enter into such contracts, leases, cooperative agreements, or other transactions, as may be necessary in the conduct of the Director's functions, with any public agency, or with any person, firm, association, corporation, or educational institutions;

(4) may make grants to public and nonprofit private entities to assist in meeting the cost of the care of patients in hospitals, clinics, and related facilities who are participating in research projects; and

(5) shall, in consultation with the advisory council for the Institute, conduct appropriate intramural training and edu-

cation programs, including continuing education and laboratory and clinical research training programs.

Except as otherwise provided, experts and consultants whose services are obtained under paragraph (1) shall be paid or reimbursed, in accordance with title 5, United States Code, for their travel to and from their place of service and for other expenses associated with their assignment. Such expenses shall not be allowed in connection with the assignment of an expert or consultant whose services are obtained under paragraph (1) unless the expert or consultant has agreed in writing to complete the entire period of the assignment or one year of the assignment, whichever is shorter, unless separated or reassigned for reasons which are beyond the control of the expert or consultant and which are acceptable to the Director of the Institute. If the expert or consultant violates the agreement, the money spent by the United States for such expenses is recoverable from the expert or consultant as a debt due the United States. The Secretary may waive in whole or in part a right of recovery under the preceding sentence.

NATIONAL RESEARCH AND DEMONSTRATION CENTERS FOR HEART,
BLOOD VESSEL, LUNG, AND BLOOD DISEASES, SICKLE CELL ANEMIA,
AND BLOOD RESOURCES

SEC. 422. [285b–4] (a)(1) The Director of the Institute may provide, in accordance with subsection (c), for the development of—

(A) ten centers for basic and clinical research into, training in, and demonstration of, advanced diagnostic, prevention, and treatment and rehabilitation methods (including methods of providing emergency medical services) for heart and blood vessel diseases;

(B) ten centers for basic and clinical research into, training in, and demonstration of, advanced diagnostic, prevention, and treatment and rehabilitation methods (including methods of providing emergency medical services) for lung diseases (including bronchitis, emphysema, asthma, cystic fibrosis, and other lung diseases of children);

(C) ten centers for basic and clinical research into, training in, and demonstration of, advanced diagnostic, prevention, and treatment methods (including methods of providing emergency medical services) for blood diseases and research into blood, in the use of blood products and in the management of blood resources; and

(D) three centers for basic and clinical research into, training in, and demonstration of, advanced diagnostic, prevention, and treatment (including genetic studies, intrauterine environment studies, postnatal studies, heart arrhythmias, and acquired heart disease and preventive cardiology) for cardiovascular diseases in children.

(2) The centers developed under paragraph (1) shall, in addition to being utilized for research, training, and demonstrations, be utilized for the following prevention programs for cardiovascular, pulmonary, and blood diseases:

(A) Programs to develop improved methods of detecting individuals with a high risk of developing cardiovascular, pulmonary, and blood diseases.

(B) Programs to develop improved methods of intervention against those factors which cause individuals to have a high risk of developing such diseases.

(C) Programs to develop health professions and allied health professions personnel highly skilled in the prevention of such diseases.

(D) Programs to develop improved methods of providing emergency medical services for persons with such diseases.

(E) Programs of continuing education for health and allied health professionals in the diagnosis, prevention, and treatment of such diseases and the maintenance of health to reduce the incidence of such diseases and information programs for the public respecting the prevention and early diagnosis and treatment of such diseases and the maintenance of health.

(3) The research, training, and demonstration activities carried out through any such center may relate to any one or more of the diseases referred to in paragraph (1) of this subsection.

(b) The Director of the Institute shall provide, in accordance with subsection (c), for the development of ten centers for basic and clinical research into the diagnosis, treatment, and control of sickle cell anemia.

(c)(1) The Director of the Institute may enter into cooperative agreements with and make grants to public or private nonprofit entities to pay all or part of the cost of planning, establishing, or strengthening, and providing basic operating support for centers for basic and clinical research into, training in, and demonstration of the management of blood resources and advanced diagnostic, prevention, and treatment methods for heart, blood vessel, lung, or blood diseases.

(2) A cooperative agreement or grant under paragraph (1) shall be entered into in accordance with policies established by the Director of NIH and after consultation with the Institute's advisory council.

(3) Federal payments made under a cooperative agreement or grant under paragraph (1) may be used for—

(A) construction (notwithstanding any limitation under section 496);

(B) staffing and other basic operating costs, including such patient care costs as are required for research;

(C) training, including training for allied health professionals; and

(D) demonstration purposes.

As used in this subsection, the term "construction" does not include the acquisition of land, and the term "training" does not include research training for which National Research Service Awards²¹ may be provided under section 487.

(4) Support of a center under paragraph (1) may be for a period of not to exceed five years. Such period may be extended by the Director for additional periods of not more than five years each if the

operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

ASSOCIATE DIRECTOR FOR PREVENTION

SEC. 423. [285b–6] (a) There shall be in the Institute an Associate Director for Prevention to coordinate and promote the programs in the Institute concerning the prevention of heart, blood vessel, lung, and blood diseases. The Associate Director shall be appointed by the Director of the Institute from individuals who because of their professional training or experience are experts in public health or preventive medicine.

(b) The Associate Director for Prevention shall prepare for inclusion in the biennial report made under section 407 a description of the prevention activities of the Institute, including a description of the staff and resources allocated to those activities.

NATIONAL CENTER ON SLEEP DISORDERS RESEARCH

SEC. 424. [285b–7] (a) Not later than 1 year after the date of the enactment of the National Institutes of Health Revitalization Act of 1993, the Director of the Institute shall establish the National Center on Sleep Disorders Research (in this section referred to as the “Center”). The Center shall be headed by a director, who shall be appointed by the Director of the Institute.

(b) The general purpose of the Center is—

(1) the conduct and support of research, training, health information dissemination, and other activities with respect to sleep disorders, including biological and circadian rhythm research, basic understanding of sleep, chronobiological and other sleep related research; and

(2) to coordinate the activities of the Center with similar activities of other Federal agencies, including the other agencies of the National Institutes of Health, and similar activities of other public entities and nonprofit entities.

(c)(1) The Director of the National Institutes of Health shall establish a board to be known as the Sleep Disorders Research Advisory Board (in this section referred to as the “Advisory Board”).

(2) The Advisory Board shall advise, assist, consult with, and make recommendations to the Director of the National Institutes of Health, through the Director of the Institute, and the Director of the Center concerning matters relating to the scientific activities carried out by and through the Center and the policies respecting such activities, including recommendations with respect to the plan required in subsection (c) ²².

(3)(A) The Director of the National Institutes of Health shall appoint to the Advisory Board 12 appropriately qualified representatives of the public who are not officers or employees of the Federal Government. Of such members, eight shall be representatives of health and scientific disciplines with respect to sleep disorders and

²² So in law. See section 503 of Public Law 103–43 (107 Stat. 159). Probably should be “subsection (d)”.

four shall be individuals representing the interests of individuals with or undergoing treatment for sleep disorders.

(B) The following officials shall serve as ex officio members of the Advisory Board:

- (i) The Director of the National Institutes of Health.
- (ii) The Director of the Center.
- (iii) The Director of the National Heart, Lung and Blood Institute.
- (iv) The Director of the National Institute of Mental Health.
- (v) The Director of the National Institute on Aging.
- (vi) The Director of the Eunice Kennedy Shriver National Institute of Child Health and Human Development.
- (vii) The Director of the National Institute of Neurological Disorders and Stroke.
- (viii) The Assistant Secretary for Health.
- (ix) The Assistant Secretary of Defense (Health Affairs).
- (x) The Chief Medical Director of the Veterans' Administration.

(4) The members of the Advisory Board shall, from among the members of the Advisory Board, designate an individual to serve as the chair of the Advisory Board.

(5) Except as inconsistent with, or inapplicable to, this section, the provisions of section 406 shall apply to the advisory board²³ established under this section in the same manner as such provisions apply to any advisory council established under such section.

(d)(1) After consultation with the Director of the Center and the advisory board established under subsection (c), the Director of the National Institutes of Health shall develop a comprehensive plan for the conduct and support of sleep disorders research.

(2) The plan developed under paragraph (1) shall identify priorities with respect to such research and shall provide for the coordination of such research conducted or supported by the agencies of the National Institutes of Health.

(3) The Director of the National Institutes of Health (after consultation with the Director of the Center and the advisory board established under subsection (c)) shall revise the plan developed under paragraph (1) as appropriate.

(e) The Director of the Center, in cooperation with the Centers for Disease Control and Prevention, is authorized to coordinate activities with the Department of Transportation, the Department of Defense, the Department of Education, the Department of Labor, and the Department of Commerce to collect data, conduct studies, and disseminate public information concerning the impact of sleep disorders and sleep deprivation.

HEART ATTACK, STROKE, AND OTHER CARDIOVASCULAR DISEASES IN WOMEN

SEC. 424A. [285b–7a] (a) IN GENERAL.—The Director of the Institute shall expand, intensify, and coordinate research and re-

²³ So in law. See section 503 of Public Law 103–43 (107 Stat. 159). Probably should be capitalized.

lated activities of the Institute with respect to heart attack, stroke, and other cardiovascular diseases in women.

(b) COORDINATION WITH OTHER INSTITUTES.—The Director of the Institute shall coordinate activities under subsection (a) with similar activities conducted by the other national research institutes and agencies of the National Institutes of Health to the extent that such Institutes and agencies have responsibilities that are related to heart attack, stroke, and other cardiovascular diseases in women.

(c) CERTAIN PROGRAMS.—In carrying out subsection (a), the Director of the Institute shall conduct or support research to expand the understanding of the causes of, and to develop methods for preventing, cardiovascular diseases in women. Activities under such subsection shall include conducting and supporting the following:

(1) Research to determine the reasons underlying the prevalence of heart attack, stroke, and other cardiovascular diseases in women, including African-American women and other women who are members of racial or ethnic minority groups.

(2) Basic research concerning the etiology and causes of cardiovascular diseases in women.

(3) Epidemiological studies to address the frequency and natural history of such diseases and the differences among men and women, and among racial and ethnic groups, with respect to such diseases.

(4) The development of safe, efficient, and cost-effective diagnostic approaches to evaluating women with suspected ischemic heart disease.

(5) Clinical research for the development and evaluation of new treatments for women, including rehabilitation.

(6) Studies to gain a better understanding of methods of preventing cardiovascular diseases in women, including applications of effective methods for the control of blood pressure, lipids, and obesity.

(7) Information and education programs for patients and health care providers on risk factors associated with heart attack, stroke, and other cardiovascular diseases in women, and on the importance of the prevention or control of such risk factors and timely referral with appropriate diagnosis and treatment. Such programs shall include information and education on health-related behaviors that can improve such important risk factors as smoking, obesity, high blood cholesterol, and lack of exercise.

COORDINATION OF FEDERAL ASTHMA ACTIVITIES

SEC. 424B ²⁴ [285b–7b] (a) IN GENERAL.—The Director of Institute shall, through the National Asthma Education Prevention Program Coordinating Committee—

(1) identify all Federal programs that carry out asthma-related activities; and

²⁴So in law. The section designation lacks a period. See section 521 of Public Law 106–310 (114 Stat. 1116).

(2) develop, in consultation with appropriate Federal agencies and professional and voluntary health organizations, a Federal plan for responding to asthma.

(b) REPRESENTATION OF THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT.—A representative of the Department of Housing and Urban Development shall be included on the National Asthma Education Prevention Program Coordinating Committee for the purpose of performing the tasks described in subsection (a).²⁵

SEC. 424C. [285b–7c] TUBERCULOSIS.

(a) IN GENERAL.—The Director of the National Institutes of Health may expand, intensify, and coordinate research and development and related activities of the Institutes with respect to tuberculosis including activities toward the goal of eliminating such disease.

(b) CERTAIN ACTIVITIES.—Activities under subsection (a) may include—

(1) enhancing basic and clinical research on tuberculosis, including drug resistant tuberculosis;

(2) expanding research on the relationship between such disease and the human immunodeficiency virus; and

(3) developing new tools for the elimination of tuberculosis, including public health interventions and methods to enhance detection and response to outbreaks of tuberculosis, including multidrug resistant tuberculosis.

SEC. 425. [285b–8] CONGENITAL HEART DISEASE.

(a) IN GENERAL.—The Director of the Institute may expand, intensify, and coordinate research and related activities of the Institute with respect to congenital heart disease, which may include congenital heart disease research with respect to—

(1) causation of congenital heart disease, including genetic causes;

(2) long-term outcomes in individuals with congenital heart disease, including infants, children, teenagers, adults, and elderly individuals;

(3) diagnosis, treatment, and prevention;

(4) studies using longitudinal data and retrospective analysis to identify effective treatments and outcomes for individuals with congenital heart disease; and

(5) identifying barriers to life-long care for individuals with congenital heart disease.

(b) COORDINATION OF RESEARCH ACTIVITIES.—The Director of the Institute may coordinate research efforts related to congenital heart disease among multiple research institutions and may develop research networks.

(c) MINORITY AND MEDICALLY UNDERSERVED COMMUNITIES.—In carrying out the activities described in this section, the Director of the Institute shall consider the application of such research and other activities to minority and medically underserved communities.

²⁵Section 425 was repealed by section 103(b)(20) of Public Law 109–482 (120 Stat. 3688).

Subpart 3—National Institute of Diabetes and Digestive and
Kidney Diseases

PURPOSE OF THE INSTITUTE

SEC. 426. [285c] The general purpose of the National Institute of Diabetes and Digestive and Kidney Diseases (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to diabetes mellitus and endocrine and metabolic diseases, digestive diseases and nutritional disorders, and kidney, urologic, and hematologic diseases.

DATA SYSTEMS AND INFORMATION CLEARINGHOUSES

SEC. 427. [285c–1] (a) The Director of the Institute shall (1) establish the National Diabetes Data System for the collection, storage, analysis, retrieval, and dissemination of data derived from patient populations with diabetes, including, where possible, data involving general populations for the purpose of detection of individuals with a risk of developing diabetes, and (2) establish the National Diabetes Information Clearinghouse to facilitate and enhance knowledge and understanding of diabetes on the part of health professionals, patients, and the public through the effective dissemination of information.

(b) The Director of the Institute shall (1) establish the National Digestive Diseases Data System for the collection, storage, analysis, retrieval, and dissemination of data derived from patient populations with digestive diseases, including, where possible, data involving general populations for the purpose of detection of individuals with a risk of developing digestive diseases, and (2) establish the National Digestive Diseases Information Clearinghouse to facilitate and enhance knowledge and understanding of digestive diseases on the part of health professionals, patients, and the public through the effective dissemination of information.

(c) The Director of the Institute shall (1) establish the National Kidney and Urologic Diseases Data System for the collection, storage, analysis, retrieval, and dissemination of data derived from patient populations with kidney and urologic diseases, including, where possible, data involving general populations for the purpose of detection of individuals with a risk of developing kidney and urologic diseases, and (2) establish the National Kidney and Urologic Diseases Information Clearinghouse to facilitate and enhance knowledge and understanding of kidney and urologic diseases on the part of health professionals, patients, and the public through the effective dissemination of information.

DIVISION DIRECTORS FOR DIABETES, ENDOCRINOLOGY, AND METABOLIC DISEASES, DIGESTIVE DISEASES AND NUTRITION, AND KIDNEY, UROLOGIC, AND HEMATOLOGIC DISEASES

SEC. 428. [285c–2] (a)(1) In the Institute there shall be a Division Director for Diabetes, Endocrinology, and Metabolic Diseases, a Division Director for Digestive Diseases and Nutrition, and a Division Director for Kidney, Urologic, and Hematologic Diseases.

Such Division Directors, under the supervision of the Director of the Institute, shall be responsible for—

(A) developing a coordinated plan (including recommendations for expenditures) for each of the national research institutes within the National Institutes of Health with respect to research and training concerning diabetes, endocrine and metabolic diseases, digestive diseases and nutrition, and kidney, urologic, and hematologic diseases;

(B) assessing the adequacy of management approaches for the activities within such institutes concerning such diseases and nutrition and developing improved approaches if needed;

(C) monitoring and reviewing expenditures by such institutes concerning such diseases and nutrition; and

(D) identifying research opportunities concerning such diseases and nutrition and recommending ways to utilize such opportunities.

(2) The Director of the Institute shall transmit to the Director of NIH the plans, recommendations, and reviews of the Division Directors under subparagraphs (A) through (D) of paragraph (1) together with such comments and recommendations as the Director of the Institute determines appropriate.

(b) The Director of the Institute, acting through the Division Director for Diabetes, Endocrinology, and Metabolic Diseases, the Division Director for Digestive Diseases and Nutrition, and the Division Director for Kidney, Urologic, and Hematologic Diseases, shall—

(1) carry out programs of support for research and training (other than training for which National Research Service Awards²⁶ may be made under section 487) in the diagnosis, prevention, and treatment of diabetes mellitus and endocrine and metabolic diseases, digestive diseases and nutritional disorders, and kidney, urologic, and hematologic diseases, including support for training in medical schools, graduate clinical training, graduate training in epidemiology, epidemiology studies, clinical trials, and interdisciplinary research programs; and

(2) establish programs of evaluation, planning, and dissemination of knowledge related to such research and training.

INTERAGENCY COORDINATING COMMITTEES

SEC. 429. [285c–3] (a) For the purpose of—

(1) better coordination of the research activities of all the national research institutes relating to diabetes mellitus, digestive diseases, and kidney, urologic, and hematologic diseases; and

(2) coordinating those aspects of all Federal health programs and activities relating to such diseases to assure the adequacy and technical soundness of such programs and activities and to provide for the full communication and exchange of information necessary to maintain adequate coordination of such programs and activities;

the Secretary shall establish a Diabetes Mellitus Interagency Coordinating Committee, a Digestive Diseases Interagency Coordi-

nating Committee, and a Kidney, Urologic, and Hematologic Diseases Coordinating Committee (hereafter in this section individually referred to as a “Committee”).

(b) Each Committee shall be composed of the Directors of each of the national research institutes and divisions involved in research with respect to the diseases for which the Committee is established, the Division Director of the Institute for the diseases for which the Committee is established, the Chief Medical Director of the Veterans’ Administration, and the Assistant Secretary of Defense for Health Affairs (or the designees of such officers) and shall include representation from all other Federal departments and agencies whose programs involve health functions or responsibilities relevant to such diseases, as determined by the Secretary. Each Committee shall be chaired by the Director of NIH (or the designee of the Director). Each Committee shall meet at the call of the chairman, but not less often than four times a year.

ADVISORY BOARDS

SEC. 430. [285c–4] (a) The Secretary shall establish in the Institute the National Diabetes Advisory Board, the National Digestive Diseases Advisory Board, and the National Kidney and Urologic Diseases Advisory Board (hereafter in this section individually referred to as an “Advisory Board”).

(b) Each Advisory Board shall be composed of eighteen appointed members and nonvoting ex officio members as follows:

(1) The Secretary shall appoint—

(A) twelve members from individuals who are scientists, physicians, and other health professionals, who are not officers or employees of the United States, and who represent the specialties and disciplines relevant to the diseases with respect to which the Advisory Board is established; and

(B) six members from the general public who are knowledgeable with respect to such diseases, including at least one member who is a person who has such a disease and one member who is a parent of a person who has such a disease.

Of the appointed members at least five shall by virtue of training or experience be knowledgeable in the fields of health education, nursing, data systems, public information, and community program development.

(2)(A) The following shall be ex officio members of each Advisory Board:

(i) The Assistant Secretary for Health, the Director of NIH, the Director of the National Institute of Diabetes and Digestive and Kidney Diseases, the Director of the Centers for Disease Control and Prevention, the Chief Medical Director of the Department of Veterans Affairs, the Assistant Secretary of Defense for Health Affairs, and the Division Director of the National Institute of Diabetes and Digestive and Kidney Diseases for the diseases for which the Board is established (or the designees of such officers).

(ii) Such other officers and employees of the United States as the Secretary determines necessary for the Advisory Board to carry out its functions.

(B) In the case of the National Diabetes Advisory Board, the following shall also be ex officio members: The Director of the National Heart, Lung, and Blood Institute, the Director of the National Eye Institute, the Director of the Eunice Kennedy Shriver National Institute of Child Health and Human Development, and the Administrator of the Health Resources and Services Administration (or the designees of such officers).

(c) Members of an Advisory Board who are officers or employees of the Federal Government shall serve as members of the Advisory Board without compensation in addition to that received in their regular public employment. Other members of the Board shall receive compensation at rates not to exceed the daily equivalent of the annual rate in effect for grade GS-18 of the General Schedule for each day (including traveltime) they are engaged in the performance of their duties as members of the Board.

(d) The term of office of an appointed member of an Advisory Board is four years, except that no term of office may extend beyond the expiration of the Advisory Board. Any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has taken office. If a vacancy occurs in an Advisory Board, the Secretary shall make an appointment to fill the vacancy not later than 90 days from the date the vacancy occurred.

(e) The members of each Advisory Board shall select a chairman from among the appointed members.

(f) The Secretary shall, after consultation with and consideration of the recommendations of an Advisory Board, provide the Advisory Board with an executive director and one other professional staff member. In addition, the Secretary shall, after consultation with and consideration of the recommendations of the Advisory Board, provide the Advisory Board with such additional professional staff members, such clerical staff members, such services of consultants, such information, and (through contracts or other arrangements) such administrative support services and facilities, as the Secretary determines are necessary for the Advisory Board to carry out its functions.

(g) Each Advisory Board shall meet at the call of the chairman or upon request of the Director of the Institute, but not less often than four times a year.

(h) The National Diabetes Advisory Board and the National Digestive Diseases Advisory Board shall—

(1) review and evaluate the implementation of the plan (referred to in section 433) respecting the diseases with respect to which the Advisory Board was established and periodically update the plan to ensure its continuing relevance;

(2) for the purpose of assuring the most effective use and organization of resources respecting such diseases, advise and make recommendations to the Congress, the Secretary, the Director of NIH, the Director of the Institute, and the heads of

other appropriate Federal agencies for the implementation and revision of such plan; and

(3) maintain liaison with other advisory bodies related to Federal agencies involved in the implementation of such plan, the coordinating committee for such diseases, and with key non-Federal entities involved in activities affecting the control of such diseases.

(i) In carrying out its functions, each Advisory Board may establish subcommittees, convene workshops and conferences, and collect data. Such subcommittees may be composed of Advisory Board members and nonmember consultants with expertise in the particular area addressed by such subcommittees. The subcommittees may hold such meetings as are necessary to enable them to carry out their activities.

(j) The National Diabetes Advisory Board and the National Digestive Diseases Advisory Board in existence on the date of enactment of the Health Research Extension Act of 1985 shall terminate upon the appointment of a successor Board under subsection (a). The Secretary shall make appointments to the Advisory Boards established under subsection (a) before the expiration of 90 days after such date. The members of the Boards in existence on such date may be appointed, in accordance with subsections (b) and (d), to the Boards established under subsection (a) for diabetes and digestive diseases, except that at least one-half of the members of the National Diabetes Advisory Board in existence on the date of enactment of the Health Research Extension Act of 1985 shall be appointed to the National Diabetes Advisory Board first established under subsection (a).

RESEARCH AND TRAINING CENTERS

SEC. 431. [285c-5] (a)(1) Consistent with applicable recommendations of the National Commission on Diabetes, the Director of the Institute shall provide for the development or substantial expansion of centers for research and training in diabetes mellitus and related endocrine and metabolic diseases. Each center developed or expanded under this subsection shall—

(A) utilize the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such research and training qualifications as may be prescribed by the Secretary; and

(B) conduct—

(i) research in the diagnosis and treatment of diabetes mellitus and related endocrine and metabolic diseases and the complications resulting from such diseases;

(ii) training programs for physicians and allied health personnel in current methods of diagnosis and treatment of such diseases and complications, and in research in diabetes; and

(iii) information programs for physicians and allied health personnel who provide primary care for patients with such diseases or complications.

(2) A center may use funds provided under paragraph (1) to provide stipends for nurses and allied health professionals enrolled in research training programs described in paragraph (1)(B)(ii).

(b) Consistent with applicable recommendations of the National Digestive Diseases Advisory Board, the Director shall provide for the development or substantial expansion of centers for research in digestive diseases and related functional, congenital, metabolic disorders, and normal development of the digestive tract. Each center developed or expanded under this subsection—

(1) shall utilize the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such research qualifications as may be prescribed by the Secretary;

(2) shall develop and conduct basic and clinical research into the cause, diagnosis, early detection, prevention, control, and treatment of digestive diseases and nutritional disorders and related functional, congenital, or metabolic complications resulting from such diseases or disorders;

(3) shall encourage research into and programs for—

(A) providing information for patients with such diseases and the families of such patients, physicians and others who care for such patients, and the general public;

(B) model programs for cost effective and preventive patient care; and

(C) training physicians and scientists in research on such diseases, disorders, and complications; and

(4) may perform research and participate in epidemiological studies and data collection relevant to digestive diseases and disorders and disseminate such research, studies, and data to the health care profession and to the public.

(c) The Director shall provide for the development or substantial expansion of centers for research in kidney and urologic diseases. Each center developed or expanded under this subsection—

(1) shall utilize the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such research qualifications as may be prescribed by the Secretary;

(2) shall develop and conduct basic and clinical research into the cause, diagnosis, early detection, prevention, control, and treatment of kidney and urologic diseases;

(3) shall encourage research into and programs for—

(A) providing information for patients with such diseases, disorders, and complications and the families of such patients, physicians and others who care for such patients, and the general public;

(B) model programs for cost effective and preventive patient care; and

(C) training physicians and scientists in research on such diseases; and

(4) may perform research and participate in epidemiological studies and data collection relevant to kidney and urologic diseases in order to disseminate such research, studies, and data to the health care profession and to the public.

(d)(1) The Director of the Institute shall, subject to the extent of amounts made available in appropriations Acts, provide for the development or substantial expansion of centers for research and training regarding nutritional disorders, including obesity.

(2) The Director of the Institute shall carry out paragraph (1) in collaboration with the Director of the National Cancer Institute and with the Directors of such other agencies of the National Institutes of Health as the Director of NIH determines to be appropriate.

(3) Each center developed or expanded under paragraph (1) shall—

(A) utilize the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such research and training qualifications as may be prescribed by the Director;

(B) conduct basic and clinical research into the cause, diagnosis, early detection, prevention, control and treatment of nutritional disorders, including obesity and the impact of nutrition and diet on child development;

(C) conduct training programs for physicians and allied health professionals in current methods of diagnosis and treatment of such diseases and complications, and in research in such disorders; and

(D) conduct information programs for physicians and allied health professionals who provide primary care for patients with such disorders or complications.

(e) Insofar as practicable, centers developed or expanded under this section should be geographically dispersed throughout the United States and in environments with proven research capabilities. Support of a center under this section may be for a period of not to exceed five years and such period may be extended by the Director of the Institute for additional periods of not more than five years each if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

ADVISORY COUNCIL SUBCOMMITTEES

SEC. 432. [285c–6] There are established within the advisory council for the Institute appointed under section 406 a subcommittee on diabetes and endocrine and metabolic diseases, a subcommittee on digestive diseases and nutrition, and a subcommittee on kidney, urologic, and hematologic diseases. The subcommittees shall be composed of members of the advisory council who are outstanding in the diagnosis, prevention, and treatment of the diseases for which the subcommittees are established and members of the advisory council who are leaders in the fields of education and public affairs. The subcommittees are authorized to review applications made to the Director of the Institute for grants for research and training projects relating to the diagnosis, prevention, and treatment of the diseases for which the subcommittees are established and shall recommend to the advisory council those applications and contracts that the subcommittees determine will

best carry out the purposes of the Institute. The subcommittees shall also review and evaluate the diabetes and endocrine and metabolic diseases, digestive diseases and nutrition, and kidney, urologic, and hematologic diseases programs of the Institute and recommend to the advisory council such changes in the administration of such programs as the subcommittees determine are necessary.

BIENNIAL REPORT

SEC. 433. [285c-7] The Director of the Institute shall prepare for inclusion in the biennial report made under section 407 a description of the Institute's activities—

(1) under the current diabetes plan under the National Diabetes Mellitus Research and Education Act; and

(2) under the current digestive diseases plan formulated under the Arthritis, Diabetes, and Digestive Diseases Amendments of 1976.

The description submitted by the Director shall include an evaluation of the activities of the centers supported under section 431.

NUTRITIONAL DISORDERS PROGRAM

SEC. 434. [285c-8] (a) The Director of the Institute, in consultation with the Director of NIH, shall establish a program of conducting and supporting research, training, health information dissemination, and other activities with respect to nutritional disorders, including obesity.

(b) In carrying out the program established under subsection (a), the Director of the Institute shall conduct and support each of the activities described in such subsection.

(c) In carrying out the program established under subsection (a), the Director of the Institute shall carry out activities to facilitate and enhance knowledge and understanding of nutritional disorders, including obesity, on the part of health professionals, patients, and the public through the effective dissemination of information.

JUVENILE DIABETES

SEC. 434A. [285c-9] (a) LONG-TERM EPIDEMIOLOGY STUDIES.—The Director of the Institute shall conduct or support long-term epidemiology studies in which individuals with or at risk for type 1, or juvenile, diabetes are followed for 10 years or more. Such studies shall investigate the causes and characteristics of the disease and its complications.

(b) CLINICAL TRIAL INFRASTRUCTURE/INNOVATIVE TREATMENTS FOR JUVENILE DIABETES.—The Secretary, acting through the Director of the National Institutes of Health, shall support regional clinical research centers for the prevention, detection, treatment, and cure of juvenile diabetes.

(c) PREVENTION OF TYPE 1 DIABETES.—The Secretary, acting through the appropriate agencies, shall provide for a national effort to prevent type 1 diabetes. Such effort shall provide for a combination of increased efforts in research and development of prevention strategies, including consideration of vaccine development, coupled

with appropriate ability to test the effectiveness of such strategies in large clinical trials of children and young adults.

Subpart 4—National Institute of Arthritis and Musculoskeletal and Skin Diseases

PURPOSE OF THE INSTITUTE

SEC. 435. [285d] The general purpose of the National Institute of Arthritis and Musculoskeletal and Skin Diseases (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research and training, the dissemination of health information, and other programs with respect to arthritis and musculoskeletal and skin diseases (including sports-related disorders), with particular attention to the effect of these diseases on children.

NATIONAL ARTHRITIS AND MUSCULOSKELETAL AND SKIN DISEASES PROGRAM

SEC. 436. [285d–1] (a) The Director of the Institute, with the advice of the Institute’s advisory council, shall prepare and transmit to the Director of NIH a plan for a national arthritis and musculoskeletal and skin diseases program to expand, intensify, and coordinate the activities of the Institute respecting arthritis and musculoskeletal and skin diseases. The plan shall include such comments and recommendations as the Director of the Institute determines appropriate. The plan shall place particular emphasis upon expanding research into better understanding the causes and the development of effective treatments for arthritis affecting children. The Director of the Institute shall periodically review and revise such plan and shall transmit any revisions of such plan to the Director of NIH.

(b) Activities under the national arthritis and musculoskeletal and skin diseases program shall be coordinated with the other national research institutes to the extent that such institutes have responsibilities respecting arthritis and musculoskeletal and skin diseases, and shall, at least, provide for—

(1) investigation into the epidemiology, etiology, and prevention of all forms of arthritis and musculoskeletal and skin diseases, including sports-related disorders, primarily through the support of basic research in such areas as immunology, genetics, biochemistry, microbiology, physiology, bioengineering, and any other scientific discipline which can contribute important knowledge to the treatment and understanding of arthritis and musculoskeletal and skin diseases;

(2) research into the development, trial, and evaluation of techniques, drugs, and devices used in the diagnosis, treatment, including medical rehabilitation, and prevention of arthritis and musculoskeletal and skin diseases;

(3) research on the refinement, development, and evaluation of technological devices that will replace or be a substitute for damaged bone, muscle, and joints and other supporting structures;

(4) the establishment of mechanisms to monitor the causes of athletic injuries and identify ways of preventing such injuries on scholastic athletic fields; and

(5) research into the causes of arthritis affecting children and the development, trial, and evaluation of techniques, drugs and devices used in the diagnosis, treatment (including medical rehabilitation), and prevention of arthritis in children.

(c) The Director of the Institute shall carry out the national arthritis and musculoskeletal and skin diseases program in accordance with the plan prepared under subsection (a) and any revisions of such plan made under such subsection.

RESEARCH AND TRAINING

SEC. 437. [285d-2] The Director of the Institute shall—

(1) carry out programs of support for research and training (other than training for which National Research Service Awards²⁷ may be made under section 487) in the diagnosis, prevention, and treatment of arthritis and musculoskeletal and skin diseases, including support for training in medical schools, graduate clinical training, graduate training in epidemiology, epidemiology studies, clinical trials, and interdisciplinary research programs; and

(2) establish programs of evaluation, planning, and dissemination of knowledge related to such research and training.

DATA SYSTEM AND INFORMATION CLEARINGHOUSE

SEC. 438. [285d-3] (a) The Director of the Institute shall establish the National Arthritis and Musculoskeletal and Skin Diseases Data System for the collection, storage, analysis, retrieval, and dissemination of data derived from patient populations with arthritis and musculoskeletal and skin diseases, including where possible, data involving general populations for the purpose of detection of individuals with a risk of developing arthritis and musculoskeletal and skin diseases.

(b) The Director of the Institute shall establish the National Arthritis and Musculoskeletal and Skin Diseases Information Clearinghouse to facilitate and enhance, through the effective dissemination of information, knowledge and understanding of arthritis and musculoskeletal and skin diseases, including juvenile arthritis and related conditions, by health professionals, patients, and the public.

INTERAGENCY COORDINATING COMMITTEES

SEC. 439. [285d-4] (a) For the purpose of—

(1) better coordination of the research activities of all the national research institutes relating to arthritis, musculoskeletal diseases, and skin diseases, including sports-related disorders; and

(2) coordinating the aspects of all Federal health programs and activities relating to arthritis, musculoskeletal diseases, and skin diseases in order to assure the adequacy and tech-

nical soundness of such programs and activities and in order to provide for the full communication and exchange of information necessary to maintain adequate coordination of such programs and activities,

the Secretary shall establish an Arthritis and Musculoskeletal Diseases Interagency Coordinating Committee and a Skin Diseases Interagency Coordinating Committee (hereafter in this section individually referred to as a "Committee").

(b) Each Committee shall be composed of the Directors of each of the national research institutes and divisions involved in research regarding the diseases with respect to which the Committee is established, the Chief Medical Director of the Department of Veterans Affairs, and the Assistant Secretary of Defense for Health Affairs (or the designees of such officers), and representatives of all other Federal departments and agencies (as determined by the Secretary) whose programs involve health functions or responsibilities relevant to arthritis and musculoskeletal diseases or skin diseases, as the case may be. Each Committee shall be chaired by the Director of NIH (or the designee of the Director). Each Committee shall meet at the call of the chairman, but not less often than four times a year.

ARTHRITIS AND MUSCULOSKELETAL DISEASES DEMONSTRATION PROJECTS

SEC. 440. [285d-5] (a) The Director of the Institute may make grants to public and private nonprofit entities to establish and support projects for the development and demonstration of methods for screening, detection, and referral for treatment of arthritis and musculoskeletal diseases and for the dissemination of information on such methods to the health and allied health professions. Activities under such projects shall be coordinated with Federal, State, local, and regional health agencies, centers assisted under section 441, and the data system established under subsection (c).

(b) Projects supported under this section shall include—

(1) programs which emphasize the development and demonstration of new and improved methods of screening and early detection, referral for treatment, and diagnosis of individuals with a risk of developing arthritis and musculoskeletal diseases;

(2) programs which emphasize the development and demonstration of new and improved methods for patient referral from local hospitals and physicians to appropriate centers for early diagnosis and treatment;

(3) programs which emphasize the development and demonstration of new and improved means of standardizing patient data and recordkeeping;

(4) programs which emphasize the development and demonstration of new and improved methods of dissemination of knowledge about the programs, methods, and means referred to in paragraphs (1), (2), and (3) of this subsection to health and allied health professionals;

(5) programs which emphasize the development and demonstration of new and improved methods for the dissemination to the general public of information—

(A) on the importance of early detection of arthritis and musculoskeletal diseases, of seeking prompt treatment, and of following an appropriate regimen; and

(B) to discourage the promotion and use of unapproved and ineffective diagnostic, preventive treatment, and control methods for arthritis and unapproved and ineffective drugs and devices for arthritis and musculoskeletal diseases; and

(6) projects for investigation into the epidemiology of all forms and aspects of arthritis and musculoskeletal diseases, including investigations into the social, environmental, behavioral, nutritional, and genetic determinants and influences involved in the epidemiology of arthritis and musculoskeletal diseases.

(c) The Director shall provide for the standardization of patient data and recordkeeping for the collection, storage, analysis, retrieval, and dissemination of such data in cooperation with projects assisted under this section, centers assisted under section 441, and other persons engaged in arthritis and musculoskeletal disease programs.

MULTIPURPOSE ARTHRITIS AND MUSCULOSKELETAL DISEASES
CENTERS

SEC. 441. [285d–6] (a) The Director of the Institute shall, after consultation with the advisory council for the Institute, provide for the development, modernization, and operation (including staffing and other operating costs such as the costs of patient care required for research) of new and existing centers for arthritis and musculoskeletal diseases. For purposes of this section, the term “modernization” means the alteration, remodeling, improvement, expansion, and repair of existing buildings and the provision of equipment for such buildings to the extent necessary to make them suitable for use as centers described in the preceding sentence.

(b) Each center assisted under this section shall—

(1)(A) use the facilities of a single institution or a consortium of cooperating institutions, and (B) meet such qualifications as may be prescribed by the Secretary; and

(2) conduct—

(A) basic and clinical research into the cause, diagnosis, early detection, prevention, control, and treatment of and rehabilitation from arthritis and musculoskeletal diseases and complications resulting from arthritis and musculoskeletal diseases, including research into implantable biomaterials and biomechanical and other orthopedic procedures;

(B) training programs for physicians, scientists, and other health and allied health professionals;

(C) information and continuing education programs for physicians and other health and allied health professionals

who provide care for patients with arthritis and musculoskeletal diseases; and

(D) programs for the dissemination to the general public of information—

(i) on the importance of early detection of arthritis and musculoskeletal diseases, of seeking prompt treatment, and of following an appropriate regimen; and

(ii) to discourage the promotion and use of unapproved and ineffective diagnostic, preventive, treatment, and control methods and unapproved and ineffective drugs and devices.

A center may use funds provided under subsection (a) to provide stipends for health professionals enrolled in training programs described in paragraph (2)(B).

(c) Each center assisted under this section may conduct programs to—

(1) establish the effectiveness of new and improved methods of detection, referral, and diagnosis of individuals with a risk of developing arthritis and musculoskeletal diseases;

(2) disseminate the results of research, screening, and other activities, and develop means of standardizing patient data and recordkeeping; and

(3) develop community consultative services to facilitate the referral of patients to centers for treatment.

(d) The Director of the Institute shall, insofar as practicable, provide for an equitable geographical distribution of centers assisted under this section. The Director shall give appropriate consideration to the need for centers especially suited to meeting the needs of children affected by arthritis and musculoskeletal diseases.

(e) Support of a center under this section may be for a period of not to exceed five years. Such period may be extended by the Director of the Institute for one or more additional periods of not more than five years if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

(f) Not later than October 1, 1993, the Director shall establish a multipurpose arthritis and musculoskeletal disease center for the purpose of expanding the level of research into the cause, diagnosis, early detection, prevention, control, and treatment of, and rehabilitation of children with arthritis and musculoskeletal diseases.

LUPUS

SEC. 441A. [285d–6a] (a) IN GENERAL.—The Director of the Institute shall expand and intensify research and related activities of the Institute with respect to lupus.

(b) COORDINATION WITH OTHER INSTITUTES.—The Director of the Institute shall coordinate the activities of the Director under subsection (a) with similar activities conducted by the other national research institutes and agencies of the National Institutes of Health to the extent that such Institutes and agencies have responsibilities that are related to lupus.

(c) PROGRAMS FOR LUPUS.—In carrying out subsection (a), the Director of the Institute shall conduct or support research to expand the understanding of the causes of, and to find a cure for, lupus. Activities under such subsection shall include conducting and supporting the following:

(1) Research to determine the reasons underlying the elevated prevalence of lupus in women, including African-American women.

(2) Basic research concerning the etiology and causes of the disease.

(3) Epidemiological studies to address the frequency and natural history of the disease and the differences among the sexes and among racial and ethnic groups with respect to the disease.

(4) The development of improved diagnostic techniques.

(5) Clinical research for the development and evaluation of new treatments, including new biological agents.

(6) Information and education programs for health care professionals and the public.

ADVISORY BOARD

SEC. 442. [285d–7] (a) The Secretary shall establish in the Institute the National Arthritis and Musculoskeletal and Skin Diseases Advisory Board (hereafter in this section referred to as the “Advisory Board”).

(b) The Advisory Board shall be composed of twenty appointed members and nonvoting, ex officio members, as follows:

(1) The Secretary shall appoint—

(A) twelve members from individuals who are scientists, physicians, and other health professionals, who are not officers or employees of the United States, and who represent the specialties and disciplines relevant to arthritis, musculoskeletal diseases, and skin diseases; and

(B) eight members from the general public who are knowledgeable with respect to such diseases, including one member who is a person who has such a disease, one person who is the parent of an adult with such a disease, and two members who are parents of children with arthritis.

Of the appointed members at least five shall by virtue of training or experience be knowledgeable in health education, nursing, data systems, public information, or community program development.

(2) The following shall be ex officio members of the Advisory Board:

(A) the Assistant Secretary for Health, the Director of NIH, the Director of the National Institute of Arthritis and Musculoskeletal and Skin Diseases, the Director of the Centers for Disease Control and Prevention, the Chief Medical Director of the Department of Veterans Affairs, and the Assistant Secretary of Defense for Health Affairs (or the designees of such officers), and

(B) such other officers and employees of the United States as the Secretary determines necessary for the Advisory Board to carry out its functions.

(c) Members of the Advisory Board who are officers or employees of the Federal Government shall serve as members of the Advisory Board without compensation in addition to that received in their regular public employment. Other members of the Advisory Board shall receive compensation at rates not to exceed the daily equivalent of the annual rate in effect for grade GS-18 of the General Schedule for each day (including traveltime) they are engaged in the performance of their duties as members of the Advisory Board.

(d) The term of office of an appointed member of the Advisory Board is four years. Any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has taken office. If a vacancy occurs in the Advisory Board, the Secretary shall make an appointment to fill the vacancy not later than 90 days after the date the vacancy occurred.

(e) The members of the Advisory Board shall select a chairman from among the appointed members.

(f) The Secretary shall, after consultation with and consideration of the recommendations of the Advisory Board, provide the Advisory Board with an executive director and one other professional staff member. In addition, the Secretary shall, after consultation with and consideration of the recommendations of the Advisory Board, provide the Advisory Board with such additional professional staff members, such clerical staff members, and (through contracts or other arrangements) with such administrative support services and facilities, such information, and such services of consultants, as the Secretary determines are necessary for the Advisory Board to carry out its functions.

(g) The Advisory Board shall meet at the call of the chairman or upon request of the Director of the Institute, but not less often than four times a year.

(h) The Advisory Board shall—

(1) review and evaluate the implementation of the plan prepared under section 436(a) and periodically update the plan to ensure its continuing relevance;

(2) for the purpose of assuring the most effective use and organization of resources respecting arthritis, musculoskeletal diseases and skin diseases, advise and make recommendations to the Congress, the Secretary, the Director of NIH, the Director of the Institute, and the heads of other appropriate Federal agencies for the implementation and revision of such plan; and

(3) maintain liaison with other advisory bodies for Federal agencies involved in the implementation of such plan, the interagency coordinating committees for such diseases established under section 439, and with key non-Federal entities involved in activities affecting the control of such diseases.

(i) In carrying out its functions, the Advisory Board may establish subcommittees, convene workshops and conferences, and collect data. Such subcommittees may be composed of Advisory Board members and nonmember consultants with expertise in the par-

ticular area addressed by such subcommittees. The subcommittees may hold such meetings as are necessary to enable them to carry out their activities.

(j) The National Arthritis Advisory Board in existence on the date of enactment of the Health Research Extension Act of 1985 shall terminate upon the appointment of a successor Board under subsection (a). The Secretary shall make appointments to the Advisory Board established under subsection (a) before the expiration of 90 days after such date. The members of the Board in existence on such date may be appointed, in accordance with subsections (b) and (d), to the Advisory Board established under subsection (a).

JUVENILE ARTHRITIS AND RELATED CONDITIONS

SEC. 442A. [285d–8] (a) **EXPANSION AND COORDINATION OF ACTIVITIES.**—The Director of the Institute, in coordination with the Director of the National Institute of Allergy and Infectious Diseases, shall expand and intensify the programs of such Institutes with respect to research and related activities concerning juvenile arthritis and related conditions.

(b) **COORDINATION.**—The Directors referred to in subsection (a) shall jointly coordinate the programs referred to in such subsection and consult with the Arthritis and Musculoskeletal Diseases Interagency Coordinating Committee.

Subpart 5—National Institute on Aging

PURPOSE OF THE INSTITUTE

SEC. 443. [285e] The general purpose of the National Institute on Aging (hereafter in this subpart referred to as the “Institute”) is the conduct and support of biomedical, social, and behavioral research, training, health information dissemination, and other programs with respect to the aging process and the diseases and other special problems and needs of the aged.

SPECIAL FUNCTIONS

SEC. 444. [285e–1] (a) In carrying out the training responsibilities under this Act or any other Act for health and allied health professions personnel, the Secretary shall take appropriate steps to insure the education and training of adequate numbers of allied health, nursing, and paramedical personnel in the field of health care for the aged.

(b) The Director of the Institute shall conduct scientific studies to measure the impact on the biological, medical, social, and psychological aspects of aging of programs and activities assisted or conducted by the Department of Health and Human Services.

(c) The Director of the Institute shall carry out public information and education programs designed to disseminate as widely as possible the findings of research sponsored by the Institute, other relevant aging research and studies, and other information about the process of aging which may assist elderly and near-elderly persons in dealing with, and all Americans in understanding, the problems and processes associated with growing older.

(d) The Director of the Institute shall make grants to public and private nonprofit institutions to conduct research relating to Alzheimer's Disease.

ALZHEIMER'S DISEASE CENTERS

SEC. 445. [285e-2] (a)(1) The Director of the Institute may enter into cooperative agreements with and make grants to public or private nonprofit entities (including university medical centers) to pay all or part of the cost of planning, establishing, or strengthening, and providing basic operating support (including staffing) for centers for basic and clinical research (including multidisciplinary research) into, training in, and demonstration of advanced diagnostic, prevention, and treatment methods for Alzheimer's disease.

(2) A cooperative agreement or grant under paragraph (1) shall be entered into in accordance with policies established by the Director of NIH and after consultation with the Institute's advisory council.

(b)(1) Federal payments made under a cooperative agreement or grant under subsection (a) may, with respect to Alzheimer's disease, be used for—

(A) diagnostic examinations, patient assessments, patient care costs, and other costs necessary for conducting research;

(B) training, including training for allied health professionals;

(C) diagnostic and treatment clinics designed to meet the special needs of minority and rural populations and other underserved populations;

(D) activities to educate the public; and

(E) the dissemination of information.

(2) For purposes of paragraph (1), the term "training" does not include research training for which National Research Service Awards²⁸ may be provided under section 487.

(c) Support of a center under subsection (a) may be for a period of not to exceed five years. Such period may be extended by the Director for additional periods of not more than five years each if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

CLAUDE D. PEPPER OLDER AMERICANS INDEPENDENCE CENTERS

SEC. 445A. [285e-3] (a) The Director of the Institute shall enter into cooperative agreements with, and make grants to, public and private nonprofit entities for the development or expansion of not less than 10 centers of excellence in geriatric research and training of researchers. Each such center shall be known as a Claude D. Pepper Older Americans Independence Center.

(b) Each center developed or expanded under this section shall—

(1) utilize the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such re-

search and training qualifications as may be prescribed by the Director; and

(2) conduct—

(A) research into the aging processes and into the diagnosis and treatment of diseases, disorders, and complications related to aging, including menopause, which research includes research on such treatments, and on medical devices and other medical interventions regarding such diseases, disorders, and complications, that can assist individuals in avoiding institutionalization and prolonged hospitalization and in otherwise increasing the independence of the individuals; and

(B) programs to develop individuals capable of conducting research described in subparagraph (A).

(c) In making cooperative agreements and grants under this section for the development or expansion of centers, the Director of the Institute shall ensure that, to the extent practicable, any such centers are distributed equitably among the principal geographic regions of the United States.

(d) For purposes of this section, the term “independence”, with respect to diseases, disorders, and complications of aging, means the functional ability of individuals to perform activities of daily living or instrumental activities of daily living without assistance or supervision.

AWARDS AUTHORIZED

SEC. 445B.²⁹ [285e-4] (a) The Director of the Institute shall make awards to senior researchers who have made distinguished achievements in biomedical research in areas relating to Alzheimer's disease and related dementias. Awards under this section shall be used by the recipients to support research in areas relating to such disease and dementias, and may be used by the recipients to train junior researchers who demonstrate exceptional promise to conduct research in such areas.

(b) The Director of the Institute may make awards under this section to researchers at centers supported under section 445 and to researchers at other public and nonprofit private entities.

(c) The Director of the Institute shall make awards under this section only to researchers who have been recommended for such awards by the National Advisory Council on Aging.

(d) The Director of the Institute shall establish procedures for the selection of the recipients of awards under this section.

(e) Awards under this section shall be made for a one-year period, and may be renewed for not more than six additional consecutive one-year periods.

RESEARCH PROGRAM AND PLAN

SEC. 445C. [285e-5] (a) The Director of the Institute shall conduct, or make grants for the conduct of, research relevant to appro-

²⁹ Sections 445B through 445F were originally enacted as provisions of title IX of Public Law 99-660, and were transferred to the Public Health Service Act by section 142 of Public Law 100-607. (Various provisions relating to Alzheimer's disease remain in such title IX, which is included in this compilation.)

priate services for individuals with Alzheimer's disease and related dementias and their families.

(b)(1) Within 6 months after the date of enactment of the Alzheimer's Disease and Related Dementias Services Research Act of 1986, the Director of the Institute shall prepare and transmit to the Chairman of the Council on Alzheimer's Disease (in this section referred to as the "Council") a plan for the research to be conducted under subsection (a). The plan shall—

(A) provide for research concerning—

(i) the epidemiology of, and the identification of risk factors for, Alzheimer's disease and related dementias; and

(ii) the development and evaluation of reliable and valid multidimensional diagnostic and assessment procedures and instruments; and

(B) ensure that research carried out under the plan is coordinated with, and uses, to the maximum extent feasible, resources of, other Federal programs relating to Alzheimer's disease and related dementias, including centers supported under section 445, centers supported by the National Institute of Mental Health on the psychopathology of the elderly, relevant activities of the Administration on Aging, other programs and centers involved in research on Alzheimer's disease and related dementias supported by the Department, and other programs relating to Alzheimer's disease and related dementias which are planned or conducted by Federal agencies other than the Department, State or local agencies, community organizations, or private foundations.

(2) Within one year after transmitting the plan required under paragraph (1), and annually thereafter, the Director of the Institute shall prepare and transmit to the Chairman of the Council such revisions of such plan as the Director considers appropriate.

(c) In preparing and revising the plan required by subsection (b), the Director of the Institute shall consult with the Chairman of the Council and the heads of agencies within the Department.

(d) the³⁰ Director of the Institute may develop, or make grants to develop—

(1) model techniques to—

(A) promote greater independence, including enhanced independence in performing activities of daily living and instrumental activities of daily living, for persons with Alzheimer's disease and related disorders; and

(B) prevent or reduce the severity of secondary disabilities, including confusional episodes, falls, bladder and bowel incontinence, and adverse effects of prescription and over-the-counter medications, in such persons; and

(2) model curricula for health care professionals, health care paraprofessionals, and family caregivers, for training and application in the use of such techniques.

³⁰ So in law. See section 9 of Public Law 102-507 (106 Stat. 3287). Probably should be "The".

(e) For purposes of this section, the term “Council on Alzheimer’s Disease” means the council established in section 911(a)³¹ of Public Law 99–660.

DISSEMINATION

SEC. 445D. [285e–6] The Director of the Institute shall disseminate the results of research conducted under section 445C and this section to appropriate professional entities and to the public.

CLEARINGHOUSE ON ALZHEIMER’S DISEASE

SEC. 445E. [285e–7] (a) The Director of the Institute shall establish the Clearinghouse on Alzheimer’s Disease (hereinafter referred to as the “Clearinghouse”). The purpose of the Clearinghouse is the dissemination of information concerning services available for individuals with Alzheimer’s disease and related dementias and their families. The Clearinghouse shall—

(1) compile, archive, and disseminate information concerning research, demonstration, evaluation, and training programs and projects concerning Alzheimer’s disease and related dementias; and

(2) annually publish a summary of the information compiled under paragraph (1) during the preceding 12-month period, and make such information available upon request to appropriate individuals and entities, including educational institutions, research entities, and Federal and public agencies.

(b) The Clearinghouse may charge an appropriate fee for information provided through the toll-free telephone line established under subsection (a)(3).³²

(c) The Director of the Institute, the Director of the National Institute of Mental Health, and the Director of the National Center for Health Services Research and Health Care Technology Assessment shall provide to the Clearinghouse summaries of the findings of research conducted under part D.

DISSEMINATION PROJECT

SEC. 445F. [285e–8] (a) The Director of the Institute shall make a grant to, or enter into a contract with, a national organization representing individuals with Alzheimer’s disease and related dementias for the conduct of the activities described in subsection (b).

(b) The organization receiving a grant or contract under this section shall—

(1) establish a central computerized information system to—

(A) compile and disseminate information concerning initiatives by State and local governments and private entities to provide programs and services for individuals with Alzheimer’s disease and related dementias; and

(B) translate scientific and technical information concerning such initiatives into information readily under-

³¹Section 911 was repealed by section 601(a)(2)(E) of Public Law 105–362 (112 Stat. 3286).

³²So in law. Section 445E does not contain a subsection (a)(3). Section 445F(b)(2) provides for a toll-free telephone line.

standable by the general public, and make such information available upon request; and

(2) establish a national toll-free telephone line to make available the information described in paragraph (1), and information concerning Federal programs, services and benefits for individuals with Alzheimer's disease and related dementias and their families.

(c) The organization receiving a grant or contract under this section may charge appropriate fees for information provided through the toll-free telephone line established under subsection (b)(2), and may make exceptions to such fees for individuals and organizations who are not financially able to pay such fees.

(d) In order to receive a grant or contract under this section, an organization shall submit an application to the Director of the Institute. Such application shall contain—

(1) information demonstrating that such organization has a network of contacts which will enable such organization to receive information necessary to the operation of the central computerized information system described in subsection (b)(1);

(2) information demonstrating that, by the end of fiscal year 1991, such organization will be financially able to, and will, carry out the activities described in subsection (b) without a grant or contract from the Federal Government; and

(3) such other information as the Director may prescribe.

ALZHEIMER'S DISEASE REGISTRY

SEC. 445G. [285e–9] (a) IN GENERAL.—The Director of the Institute may make a grant to develop a registry for the collection of epidemiological data about Alzheimer's disease and its incidence in the United States, to train personnel in the collection of such data, and for other matters respecting such disease.

(b) QUALIFICATIONS.—To qualify for a grant under subsection (a) an applicant shall—

(1) be an accredited school of medicine or public health which has expertise in the collection of epidemiological data about individuals with Alzheimer's disease and in the development of disease registries, and

(2) have access to a large patient population, including a patient population representative of diverse ethnic backgrounds.

AGING PROCESSES REGARDING WOMEN

SEC. 445H. [285e–10] The Director of the Institute, in addition to other special functions specified in section 444 and in cooperation with the Directors of the other national research institutes and agencies of the National Institutes of Health, shall conduct research into the aging processes of women, with particular emphasis given to the effects of menopause and the physiological and behavioral changes occurring during the transition from pre- to post-menopause, and into the diagnosis, disorders, and complications related to aging and loss of ovarian hormones in women.

SEC. 445I. [285e-10a] ALZHEIMER'S CLINICAL RESEARCH AND TRAINING AWARDS.

(a) **IN GENERAL.**—The Director of the Institute is authorized to establish and maintain a program to enhance and promote the translation of new scientific knowledge into clinical practice related to the diagnosis, care and treatment of individuals with Alzheimer's disease.

(b) **SUPPORT OF PROMISING CLINICIANS.**—In order to foster the application of the most current developments in the etiology, pathogenesis, diagnosis, prevention and treatment of Alzheimer's disease, amounts made available under this section shall be directed to the support of promising clinicians through awards for research, study, and practice at centers of excellence in Alzheimer's disease research and treatment.

(c) **EXCELLENCE IN CERTAIN FIELDS.**—Research shall be carried out under awards made under subsection (b) in environments of demonstrated excellence in neuroscience, neurobiology, geriatric medicine, and psychiatry and shall foster innovation and integration of such disciplines or other environments determined suitable by the Director of the Institute.

Subpart 6—National Institute of Allergy and Infectious Diseases**PURPOSE OF THE INSTITUTE**

SEC. 446. [285f] The general purpose of the National Institute of Allergy and Infectious Diseases is the conduct and support of research, training, health information dissemination, and other programs with respect to allergic and immunologic diseases and disorders and infectious diseases, including tropical diseases.

RESEARCH CENTERS REGARDING CHRONIC FATIGUE SYNDROME

SEC. 447. [285f-1] (a) The Director of the Institute, after consultation with the advisory council for the Institute, may make grants to, or enter into contracts with, public or nonprofit private entities for the development and operation of centers to conduct basic and clinical research on chronic fatigue syndrome.

(b) Each center assisted under this section shall use the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such requirements as may be prescribed by the Director of the Institute.

RESEARCH AND RESEARCH TRAINING REGARDING TUBERCULOSIS

SEC. 447A. [285f-2] In carrying out section 446, the Director of the Institute shall conduct or support research and research training regarding the cause, diagnosis, early detection, prevention and treatment of tuberculosis.

SEC. 447B. [285f-3] SEXUALLY TRANSMITTED DISEASE CLINICAL RESEARCH AND TRAINING AWARDS.

(a) **IN GENERAL.**—The Director of the Institute is authorized to establish and maintain a program to enhance and promote the translation of new scientific knowledge into clinical practice related to the diagnosis, care and treatment of individuals with sexually transmitted diseases.

(b) **SUPPORT OF PROMISING CLINICIANS.**—In order to foster the application of the most current developments in the etiology, pathogenesis, diagnosis, prevention and treatment of sexually transmitted diseases, amounts made available under this section shall be directed to the support of promising clinicians through awards for research, study, and practice at centers of excellence in sexually transmitted disease research and treatment.

(c) **EXCELLENCE IN CERTAIN FIELDS.**—Research shall be carried out under awards made under subsection (b) in environments of demonstrated excellence in the etiology and pathogenesis of sexually transmitted diseases and shall foster innovation and integration of such disciplines or other environments determined suitable by the Director of the Institute.

SEC. 447C. [285f-4] MICROBICIDE RESEARCH AND DEVELOPMENT.

The Director of the Institute, acting through the head of the Division of AIDS, shall, consistent with the peer-review process of the National Institutes of Health, carry out research on, and development of, safe and effective methods for use by women to prevent the transmission of the human immunodeficiency virus, which may include microbicides.

SEC. 447D. [285f-5] RESEARCH CENTERS FOR PATHOGENS OF PANDEMIC CONCERN.

(a) **IN GENERAL.**—The Director of the Institute, in collaboration, as appropriate, with the directors of applicable institutes, centers, and divisions of the National Institutes of Health, the Assistant Secretary for Preparedness and Response, and the Director of the Biomedical Advanced Research and Development Authority, shall establish or continue a multidisciplinary research program to advance the discovery and preclinical development of medical products for priority virus families and other viral pathogens with a significant potential to cause a pandemic, through support for research centers.

(b) **USES OF FUNDS.**—The Director of the Institute shall award funding through grants, contracts, or cooperative agreements to public or private entities to provide support for research centers described in subsection (a) for the purpose of—

(1) conducting basic research through preclinical development of new medical products or technologies, including platform technologies, to address pathogens of pandemic concern;

(2) identifying potential targets for therapeutic candidates, including antivirals, to treat such pathogens;

(3) identifying existing medical products with the potential to address such pathogens, including candidates that could be used in outpatient settings; and

(4) carrying out or supporting other research related to medical products to address such pathogens, as determined appropriate by the Director.

(c) **COORDINATION.**—The Director of the Institute shall, as appropriate, provide for the coordination of activities among the centers described in subsection (a), including through—

(1) facilitating the exchange of information and regular communication among the centers, as appropriate; and

(2) requiring the periodic preparation and submission to the Director of reports on the activities of each center.

(d) PRIORITY.—In awarding funding through grants, contracts, or cooperative agreements under subsection (a), the Director of the Institute shall, as appropriate, give priority to applicants with existing frameworks and partnerships, as applicable, to support the advancement of such research.

(e) COLLABORATION.—The Director of the Institute shall—

(1) collaborate with the heads of other appropriate Federal departments, agencies, and offices with respect to the identification of additional priority virus families and other viral pathogens with a significant potential to cause a pandemic; and

(2) collaborate with the Director of the Biomedical Advanced Research and Development Authority with respect to the research conducted by centers described in subsection (a), including, as appropriate, providing any updates on the research advancements made by such centers, identifying any advanced research and development needs for such countermeasures, consistent with section 319L(a)(6), and taking into consideration existing manufacturing capacity and future capacity needs for such medical products or technologies, including platform technologies, supported by the centers described in subsection (a).

(f) SUPPLEMENT, NOT SUPPLANT.—Any support received by a center described in subsection (a) under this section shall be used to supplement, and not supplant, other public or private support for activities authorized to be supported.

Subpart 7—Eunice Kennedy Shriver National Institute of Child Health and Human Development³³

PURPOSE OF THE INSTITUTE

SEC. 448. [285g] The general purpose of the National Institute of Child Health and Human Development³⁴ (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to gynecologic health, maternal health, child health, intellectual disabilities, human growth and development, including prenatal development, population research, and special health problems and requirements of mothers and children.

³³ Section 1004 of Public Law 106–310 (114 Stat. 1130) authorizes the Director of the Institute to conduct a national longitudinal study of environmental influences (including physical, chemical, biological, and psychosocial) on children’s health and development. Subsection (d) of such section requires periodic reports to the Congress regarding the study. The first report is required to be submitted not later than three years after the date of the enactment of the Public Law, which was enacted October 17, 2000.

³⁴ The probable intent of the Congress is to refer to the “Eunice Kennedy Shriver National Institute of Child Health and Human Development”. Section 1(b)(7) of Public Law 110–154 (121 Stat 1827) struck the term “National Institute of Child Health and Human Development” and inserted “Eunice Kennedy Shriver National Institute of Child Health and Human Development” each place such term appeared in the heading of subpart 7 of part C of title IV, but not in the text of section 448.

SUDDEN INFANT DEATH SYNDROME

SEC. 449. [285g-1] The Director of the Institute shall conduct and support research which specifically relates to sudden infant death syndrome.

SEC. 450. [285g-2] RESEARCH ON INTELLECTUAL DISABILITIES.

The Director of the Institute shall conduct and support research and related activities into the causes, prevention, and treatment of intellectual disabilities.

ASSOCIATE DIRECTOR FOR PREVENTION

SEC. 451. [285g-3] There shall be in the Institute an Associate Director for Prevention to coordinate and promote the programs in the Institute concerning the prevention of health problems of mothers and children. The Associate Director shall be appointed by the Director of the Institute from individuals who because of their professional training or experience are experts in public health or preventive medicine.

NATIONAL CENTER FOR MEDICAL REHABILITATION RESEARCH

SEC. 452. [285g-4] (a) There shall be in the Institute an agency to be known as the National Center for Medical Rehabilitation Research (hereafter in this section referred to as the "Center"). The Director of the Institute shall appoint a qualified individual to serve as Director of the Center. The Director of the Center shall report directly to the Director of the Institute.

(b) The general purpose of the Center is the conduct, support, and coordination of research and research training (including research on the development of orthotic and prosthetic devices), the dissemination of health information, and other programs with respect to the rehabilitation of individuals with physical disabilities resulting from diseases or disorders of the neurological, musculoskeletal, cardiovascular, pulmonary, or any other physiological system (hereafter in this section referred to as "medical rehabilitation").

(c)(1) In carrying out the purpose described in subsection (b), the Director of the Center may—

(A) provide for clinical trials regarding medical rehabilitation;

(B) provide for research regarding model systems of medical rehabilitation;

(C) coordinate the activities within the Center with similar activities of other agencies of the Federal Government, including the other agencies of the National Institutes of Health, and with similar activities of other public entities and of private entities;

(D) support multidisciplinary medical rehabilitation research conducted or supported by more than one such agency;

(E) in consultation with the advisory council for the Institute and with the approval of the Director of NIH—

(i) establish technical and scientific peer review groups in addition to those appointed under section 402(b)(16); and

(ii) appoint the members of peer review groups established under subparagraph (A); and
(F) support medical rehabilitation research and training centers.

Chapter 10 of title 5, United States Code, shall not apply to the duration of a peer review group appointed under subparagraph (E).

(2) In carrying out this section, the Director of the Center may make grants and enter into cooperative agreements and contracts.

(d)(1) The Director of the Center, in consultation with the Director of the Institute, the coordinating committee established under subsection (e), and the advisory board established under subsection (f), shall develop a comprehensive plan (referred to in this section as the “Research Plan”) for the conduct, support, and coordination of medical rehabilitation research.

(2) The Research Plan shall—

(A) identify current medical rehabilitation research activities conducted or supported by the Federal Government, opportunities and needs for additional research, and priorities for such research;

(B) make recommendations for the coordination of such research conducted or supported by the National Institutes of Health and other agencies of the Federal Government; and

(C) include goals and objectives for conducting, supporting, and coordinating medical rehabilitation research, consistent with the purpose described in subsection (b).

(3)(A) Not later than 18 months after the date of the enactment of the National Institutes of Health Revitalization Amendments of 1990,³⁵ the Director of the Institute shall transmit the Research Plan to the Director of NIH, who shall submit the Plan to the President and the Congress.

(B) Subparagraph (A) shall be carried out independently of the process of reporting that is required in sections 403 and 407.

(4) The Director of the Center, in consultation with the Director of the Institute, the coordinating committee established under subsection (e), and the advisory board established under subsection (f), shall revise and update the Research Plan periodically, as appropriate, or not less than every 5 years. Not later than 30 days after the Research Plan is so revised and updated, the Director of the Center shall transmit the revised and updated Research Plan to the President, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives.

(5) The Director of the Center, in consultation with the Director of the Institute, shall, prior to revising and updating the Research Plan, prepare a report for the coordinating committee established under subsection (e) and the advisory board established under subsection (f) that describes and analyzes the progress during the preceding fiscal year in achieving the goals and objectives described in paragraph (2)(C) and includes expenditures for rehabilitation research at the National Institutes of Health. The report shall include recommendations for revising and updating the Re-

³⁵So in law. No Act with such a short title was enacted during 1990. The probable intent of the Congress was to make a reference to Public Law 101-613, the National Institutes of Health Amendments of 1990, which added section 452 and which was enacted November 16, 1990.

search Plan, and such initiatives as the Director of the Center and the Director of the Institute determine appropriate. In preparing the report, the Director of the Center and the Director of the Institute shall consult with the Director of the National Institutes of Health.

(e)(1) The Director of NIH shall establish a committee to be known as the Medical Rehabilitation Coordinating Committee (hereafter in this section referred to as the “Coordinating Committee”).

(2) The Coordinating Committee shall periodically host a scientific conference or workshop on medical rehabilitation research and make recommendations to the Director of the Institute and the Director of the Center with respect to the content of the Research Plan and with respect to the activities of the Center that are carried out in conjunction with other agencies of the National Institutes of Health and with other agencies of the Federal Government.

(3) The Coordinating Committee shall be composed of the Director of the Division of Program Coordination, Planning, and Strategic Initiatives within the Office of the Director of the National Institutes of Health, the Director of the Center, the Director of the Institute, and the Directors of the National Institute on Aging, the National Institute of Arthritis and Musculoskeletal and Skin Diseases, the National Heart, Lung, and Blood Institute, the National Institute of Neurological Disorders and Stroke, and such other national research institutes and such representatives of other agencies of the Federal Government as the Director of NIH determines to be appropriate.

(4) The Coordinating Committee shall be chaired by the Director of the Center.

(f)(1) Not later than 90 days after the date of the enactment of the National Institutes of Health Revitalization Amendments of 1990,³⁶ the Director of NIH shall establish a National Advisory Board on Medical Rehabilitation Research (hereafter in this section referred to as the “Advisory Board”).

(2) The Advisory Board shall review and assess Federal research priorities, activities, and findings regarding medical rehabilitation research, and shall advise the Director of the Center and the Director of the Institute on the provisions of the Research Plan.

(3)(A) The Director of NIH shall appoint to the Advisory Board 18 qualified representatives of the public who are not officers or employees of the Federal Government. Of such members, 12 shall be representatives of health and scientific disciplines with respect to medical rehabilitation and 6 shall be individuals representing the interests of individuals undergoing, or in need of, medical rehabilitation.

(B) The following officials shall serve as ex officio members of the Advisory Board:

(i) The Director of the Center.

(ii) The Director of the Institute.

(iii) The Director of the National Institute on Aging.

³⁶ See footnote for subsection (d)(3)(A).

(iv) The Director of the National Institute of Arthritis and Musculoskeletal and Skin Diseases.

(v) The Director of the National Institute on Deafness and Other Communication Disorders.

(vi) The Director of the National Heart, Lung, and Blood Institute.

(vii) The Director of the National Institute of Neurological Disorders and Stroke.

(viii) The Director of the National Institute on Disability and Rehabilitation Research.

(ix) The Director of the Division of Program Coordination, Planning, and Strategic Initiatives.

(x) The Commissioner for Rehabilitation Services Administration.

(xi) The Assistant Secretary of Defense (Health Affairs).

(xii) The Chief Medical Director of the Department of Veterans Affairs.

(4) The members of the Advisory Board shall, from among the members appointed under paragraph (3)(A), designate an individual to serve as the chair of the Advisory Board.

(g)(1) The Secretary and the heads of other Federal agencies shall jointly review the programs carried out (or proposed to be carried out) by each such official with respect to medical rehabilitation research and, as appropriate, enter into agreements preventing duplication among such programs.

(2) The Secretary shall, as appropriate, enter into interagency agreements relating to the coordination of medical rehabilitation research conducted by agencies of the National Institutes of Health and other agencies of the Federal Government.

(h) For purposes of this section, the term “medical rehabilitation research” means the science of mechanisms and interventions that prevent, improve, restore, or replace lost, underdeveloped, or deteriorating function.

RESEARCH CENTERS WITH RESPECT TO CONTRACEPTION AND INFERTILITY

SEC. 452A. [285g–5] (a) The Director of the Institute, after consultation with the advisory council for the Institute, shall make grants to, or enter into contracts with, public or nonprofit private entities for the development and operation of centers to conduct activities for the purpose of improving methods of contraception and centers to conduct activities for the purpose of improving methods of diagnosis and treatment of infertility.

(b) In carrying out subsection (a), the Director of the Institute shall, subject to the extent of amounts made available in appropriations Acts, provide for the establishment of three centers with respect to contraception and for two centers with respect to infertility.

(c)(1) Each center assisted under this section shall, in carrying out the purpose of the center involved—

(A) conduct clinical and other applied research, including—

- (i) for centers with respect to contraception, clinical trials of new or improved drugs and devices for use by males and females (including barrier methods); and
 - (ii) for centers with respect to infertility, clinical trials of new or improved drugs and devices for the diagnosis and treatment of infertility in males and females;
 - (B) develop protocols for training physicians, scientists, nurses, and other health and allied health professionals;
 - (C) conduct training programs for such individuals;
 - (D) develop model continuing education programs for such professionals; and
 - (E) disseminate information to such professionals and the public.
- (2) A center may use funds provided under subsection (a) to provide stipends for health and allied health professionals enrolled in programs described in subparagraph (C) of paragraph (1), and to provide fees to individuals serving as subjects in clinical trials conducted under such paragraph.
- (d) The Director of the Institute shall, as appropriate, provide for the coordination of information among the centers assisted under this section.
- (e) Each center assisted under subsection (a) shall use the facilities of a single institution, or be formed from a consortium of co-operating institutions, meeting such requirements as may be prescribed by the Director of the Institute.
- (f) Support of a center under subsection (a) may be for a period not exceeding 5 years. Such period may be extended for one or more additional periods not exceeding 5 years if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

PROGRAM REGARDING OBSTETRICS AND GYNECOLOGY

SEC. 452B. [285g–6] The Director of the Institute shall establish and maintain within the Institute an intramural laboratory and clinical research program in obstetrics and gynecology.

CHILD HEALTH RESEARCH CENTERS

SEC. 452C. [285g–7] The Director of the Institute shall develop and support centers for conducting research with respect to child health. Such centers shall give priority to the expeditious transfer of advances from basic science to clinical applications and improving the care of infants and children.

PROSPECTIVE LONGITUDINAL STUDY ON ADOLESCENT HEALTH

SEC. 452D. [285g–8] (a) IN GENERAL.—Not later than October 1, 1993, the Director of the Institute shall commence a study for the purpose of providing information on the general health and well-being of adolescents in the United States, including, with respect to such adolescents, information on—

- (1) the behaviors that promote health and the behaviors that are detrimental to health; and

(2) the influence on health of factors particular to the communities in which the adolescents reside.

(b) DESIGN OF STUDY.—

(1) IN GENERAL.—The study required in subsection (a) shall be a longitudinal study in which a substantial number of adolescents participate as subjects. With respect to the purpose described in such subsection, the study shall monitor the subjects throughout the period of the study to determine the health status of the subjects and any change in such status over time.

(2) POPULATION-SPECIFIC ANALYSES.—The study required in subsection (a) shall be conducted with respect to the population of adolescents who are female, the population of adolescents who are male, various socioeconomic populations of adolescents, and various racial and ethnic populations of adolescents. The study shall be designed and conducted in a manner sufficient to provide for a valid analysis of whether there are significant differences among such populations in health status and whether and to what extent any such differences are due to factors particular to the populations involved.

(c) COORDINATION WITH WOMEN'S HEALTH INITIATIVE.—With respect to the national study of women being conducted by the Secretary and known as the Women's Health Initiative, the Secretary shall ensure that such study is coordinated with the component of the study required in subsection (a) that concerns adolescent females, including coordination in the design of the 2 studies.

FRAGILE X

SEC. 452E. [285g–9] (a) EXPANSION AND COORDINATION OF RESEARCH ACTIVITIES.—The Director of the Institute, after consultation with the advisory council for the Institute, shall expand, intensify, and coordinate the activities of the Institute with respect to research on the disease known as fragile X.

(b) RESEARCH CENTERS.—

(1) IN GENERAL.—The Director of the Institute shall make grants or enter into contracts for the development and operation of centers to conduct research for the purposes of improving the diagnosis and treatment of, and finding the cure for, fragile X.

(2) NUMBER OF CENTERS.—

(A) IN GENERAL.—In carrying out paragraph (1), the Director of the Institute shall, to the extent that amounts are appropriated, and subject to subparagraph (B), provide for the establishment of at least three fragile X research centers.

(B) PEER REVIEW REQUIREMENT.—The Director of the Institute shall make a grant to, or enter into a contract with, an entity for purposes of establishing a center under paragraph (1) only if the grant or contract has been recommended after technical and scientific peer review required by regulations under section 492.

(3) ACTIVITIES.—The Director of the Institute, with the assistance of centers established under paragraph (1), shall con-

duct and support basic and biomedical research into the detection and treatment of fragile X.

(4) COORDINATION AMONG CENTERS.—The Director of the Institute shall, as appropriate, provide for the coordination of the activities of the centers assisted under this section, including providing for the exchange of information among the centers.

(5) CERTAIN ADMINISTRATIVE REQUIREMENTS.—Each center assisted under paragraph (1) shall use the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such requirements as may be prescribed by the Director of the Institute.

(6) DURATION OF SUPPORT.—Support may be provided to a center under paragraph (1) for a period not exceeding 5 years. Such period may be extended for one or more additional periods, each of which may not exceed 5 years, if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period be extended.

INVESTMENT IN TOMORROW'S PEDIATRIC RESEARCHERS

SEC. 452G.³⁷ [285g–10] In order to ensure the future supply of researchers dedicated to the care and research needs of children, the Director of the Institute, after consultation with the Administrator of the Health Resources and Services Administration, shall support activities to provide for—

(1) an increase in the number and size of institutional training grants to institutions supporting pediatric training; and

(2) an increase in the number of career development awards for health professionals who intend to build careers in pediatric basic and clinical research, including pediatric pharmacological research.

Subpart 8—National Institute of Dental Research³⁸

PURPOSE OF THE INSTITUTE

SEC. 453. [285h] The general purpose of the National Institute of Dental Research³⁸ is the conduct and support of research, training, health information dissemination, and other programs with respect to the cause, prevention, and methods of diagnosis and treatment of dental and oral diseases and conditions.

³⁷So in law. Probably should be “SEC. 452F.”. See amendments made by sections 201 and 1002 of Public Law 106–310 (114 Stat. 1109, 1128). (In amending this subpart to add section 452G above, such section 1002 made a reference to this subpart “as amended by section 921” of Public Law 106–310, but no section 921 appeared in the Public Law.)

³⁸See footnote for section 401(b)(1)(H).

Subpart 9—National Eye Institute

PURPOSE OF THE INSTITUTE

SEC. 455. [285i] The general purpose of the National Eye Institute (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to blinding eye diseases, visual disorders, mechanisms of visual function, preservation of sight, and the special health problems and requirements of the blind. Subject to section 456, the Director of the Institute may carry out a program of grants for public and private nonprofit vision research facilities.

CLINICAL RESEARCH ON EYE CARE AND DIABETES

SEC. 456. [285i-1] (a) PROGRAM OF GRANTS.—The Director of the Institute, in consultation with the advisory council for the Institute, may award research grants to one or more Diabetes Eye Research Institutions for the support of programs in clinical or health services aimed at—

- (1) providing comprehensive eye care services for people with diabetes, including a full complement of preventive, diagnostic and treatment procedures;
- (2) developing new and improved techniques of patient care through basic and clinical research;
- (3) assisting in translation of the latest research advances into clinical practice; and
- (4) expanding the knowledge of the eye and diabetes through further research.

(b) USE OF FUNDS.—Amounts received under a grant awarded under this section shall be used for the following:

- (1) Establishing the biochemical, cellular, and genetic mechanisms associated with diabetic eye disease and the earlier detection of pending eye abnormalities. The focus of work under this paragraph shall require that ophthalmologists have training in the most up-to-date molecular and cell biological methods.
- (2) Establishing new frontiers in technology, such as video-based diagnostic and research resources, to—
 - (A) provide improved patient care;
 - (B) provide for the evaluation of retinal physiology and its affect on diabetes; and
 - (C) provide for the assessment of risks for the development and progression of diabetic eye disease and a more immediate evaluation of various therapies aimed at preventing diabetic eye disease.

Such technologies shall be designed to permit evaluations to be performed both in humans and in animal models.

- (3) The translation of the results of vision research into the improved care of patients with diabetic eye disease. Such translation shall require the application of institutional resources that encompass patient care, clinical research and basic laboratory research.

(4) The conduct of research concerning the outcomes of eye care treatments and eye health education programs as they relate to patients with diabetic eye disease, including the evaluation of regional approaches to such research.

(c) **AUTHORIZED EXPENDITURES.**—The purposes for which a grant under subsection (a) may be expended include equipment for the research described in such subsection.

Subpart 10—National Institute of Neurological Disorders and Stroke

PURPOSE OF THE INSTITUTE

SEC. 457. [285j] The general purpose of the National Institute of Neurological Disorders and Stroke (hereafter in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to neurological disease and disorder and stroke.

SPINAL CORD REGENERATION RESEARCH

SEC. 458. [285j–1] The Director of the Institute shall conduct and support research into spinal cord regeneration.

BIOENGINEERING RESEARCH

SEC. 459. [285j–2] The Director of the Institute shall make grants or enter into contracts for research on the means to overcome paralysis of the extremities through electrical stimulation and the use of computers.

RESEARCH ON MULTIPLE SCLEROSIS

SEC. 460. [285j–3] The Director of the Institute shall conduct and support research on multiple sclerosis, especially research on effects of genetics and hormonal changes on the progress of the disease.

Subpart 11—National Institute of General Medical Sciences

SEC. 461. [285k] NATIONAL INSTITUTE OF GENERAL MEDICAL SCIENCES.

(a) **GENERAL PURPOSE.**—The general purpose of the National Institute of General Medical Sciences is the conduct and support of research, training, and, as appropriate, health information dissemination, and other programs with respect to general or basic medical sciences and related natural or behavioral sciences which have significance for two or more other national research institutes or are outside the general area of responsibility of any other national research institute.

(b) **INSTITUTIONAL DEVELOPMENT AWARD PROGRAM.**—

(1)(A) In the case of entities described in subparagraph (B), the Director of NIH, acting through the Director of the National Institute of General Medical Sciences, shall establish a program to enhance the competitiveness of such entities in obtaining funds from the national research institutes for conducting biomedical and behavioral research.

(B) The entities referred to in subparagraph (A) are entities that conduct biomedical and behavioral research and are located in a State in which the aggregate success rate for applications to the national research institutes for assistance for such research by the entities in the State has historically constituted a low success rate of obtaining such funds, relative to such aggregate rate for such entities in other States.

(C) With respect to enhancing competitiveness for purposes of subparagraph (A), the Director of NIH, in carrying out the program established under such subparagraph, may—

(i) provide technical assistance to the entities involved, including technical assistance in the preparation of applications for obtaining funds from the national research institutes;

(ii) assist the entities in developing a plan for biomedical or behavioral research proposals; and

(iii) assist the entities in implementing such plan.

(2) The Director of NIH shall establish a program of supporting projects of biomedical or behavioral research whose principal researchers are individuals who have not previously served as the principal researchers of such projects supported by the Director.

Subpart 12—National Institute of Environmental Health Sciences

PURPOSE OF THE INSTITUTE

SEC. 463. [2851] The general purpose of the National Institute of Environmental Health Sciences (in this subpart referred to as the “Institute”) is the conduct and support of research, training, health information dissemination, and other programs with respect to factors in the environment that affect human health, directly or indirectly.

APPLIED TOXICOLOGICAL RESEARCH AND TESTING PROGRAM

SEC. 463A. [2851–1] (a) There is established within the Institute a program for conducting applied research and testing regarding toxicology, which program shall be known as the Applied Toxicological Research and Testing Program.

(b) In carrying out the program established under subsection (a), the Director of the Institute shall, with respect to toxicology, carry out activities—

(1) to expand knowledge of the health effects of environmental agents;

(2) to broaden the spectrum of toxicology information that is obtained on selected chemicals;

(3) to develop and validate assays and protocols, including alternative methods that can reduce or eliminate the use of animals in acute or chronic safety testing;

(4) to establish criteria for the validation and regulatory acceptance of alternative testing and to recommend a process through which scientifically validated alternative methods can be accepted for regulatory use;

(5) to communicate the results of research to government agencies, to medical, scientific, and regulatory communities, and to the public; and

(6) to integrate related activities of the Department of Health and Human Services.

METHODS OF CONTROLLING CERTAIN INSECT AND VERMIN
POPULATIONS

SEC. 463B. [285l–6] The Director of the Institute shall conduct or support research to identify or develop methods of controlling insect and vermin populations that transmit to humans diseases that have significant adverse health consequences.

Subpart 13—National Institute on Deafness and Other
Communication Disorders

PURPOSE OF THE INSTITUTE

SEC. 464. [285m] The general purpose of the National Institute on Deafness and Other Communication Disorders (hereafter referred to in this subpart as the “Institute”) is the conduct and support of research and training, the dissemination of health information, and other programs with respect to disorders of hearing and other communication processes, including diseases affecting hearing, balance, voice, speech, language, taste, and smell.

NATIONAL DEAFNESS AND OTHER COMMUNICATION DISORDERS
PROGRAM

SEC. 464A. [285m–1] (a) The Director of the Institute, with the advice of the Institute’s advisory council, shall establish a National Deafness and Other Communication Disorders Program (hereafter in this section referred to as the “Program”). The Director or³⁹ the Institute shall, with respect to the Program, prepare and transmit to the Director of NIH a plan to initiate, expand, intensify and coordinate activities of the Institute respecting disorders of hearing (including tinnitus) and other communication processes, including diseases affecting hearing, balance, voice, speech, language, taste, and smell. The plan shall include such comments and recommendations as the Director of the Institute determines appropriate. The Director of the Institute shall periodically review and revise the plan and shall transmit any revisions of the plan to the Director of NIH.

(b) Activities under the Program shall include—

(1) investigation into the etiology, pathology, detection, treatment, and prevention of all forms of disorders of hearing and other communication processes, primarily through the support of basic research in such areas as anatomy, audiology, biochemistry, bioengineering, epidemiology, genetics, immunology, microbiology, molecular biology, the neurosciences, otolaryngology, psychology, pharmacology, physiology, speech and language pathology, and any other scientific disciplines that can

³⁹So in law. See section 2(4) of Public Law 100–553 (102 Stat. 2769). Probably should be “Director of”.

contribute important knowledge to the understanding and elimination of disorders of hearing and other communication processes;

(2) research into the evaluation of techniques (including surgical, medical, and behavioral approaches) and devices (including hearing aids, implanted auditory and nonauditory prosthetic devices and other communication aids) used in diagnosis, treatment, rehabilitation, and prevention of disorders of hearing and other communication processes;

(3) research into prevention, and early detection and diagnosis, of hearing loss and speech and language disturbances (including stuttering) and research into preventing the effects of such disorders on learning and learning disabilities with extension of programs for appropriate referral and rehabilitation;

(4) research into the detection, treatment, and prevention of disorders of hearing and other communication processes in the growing elderly population with extension of rehabilitative programs to ensure continued effective communication skills in such population;

(5) research to expand knowledge of the effects of environmental agents that influence hearing or other communication processes; and

(6) developing and facilitating intramural programs on clinical and fundamental aspects of disorders of hearing and all other communication processes.

DATA SYSTEM AND INFORMATION CLEARINGHOUSE

SEC. 464B. [285m-2] (a) The Director of the Institute shall establish a National Deafness and Other Communication Disorders Data System for the collection, storage, analysis, retrieval, and dissemination of data derived from patient populations with disorders of hearing or other communication processes, including where possible, data involving general populations for the purpose of identifying individuals at risk of developing such disorders.

(b) The Director of the Institute shall establish a National Deafness and Other Communication Disorders Information Clearinghouse to facilitate and enhance, through the effective dissemination of information, knowledge and understanding of disorders of hearing and other communication processes by health professionals, patients, industry, and the public.

MULTIPURPOSE DEAFNESS AND OTHER COMMUNICATION DISORDERS CENTER

SEC. 464C. [285m-3] (a) The Director of the Institute shall, after consultation with the advisory council for the Institute, provide for the development, modernization, and operation (including care required for research) of new and existing centers for studies of disorders of hearing and other communication processes. For purposes of this section, the term “modernization” means the alteration, remodeling, improvement, expansion, and repair of existing buildings and the provision of equipment for such buildings to the extent necessary to make them suitable for use as centers described in the preceding sentence.

- (b) Each center assisted under this section shall—
- (1) use the facilities of a single institution or a consortium of cooperating institutions; and
 - (2) meet such qualifications as may be prescribed by the Secretary.
- (c) Each center assisted under this section shall, at least, conduct—
- (1) basic and clinical research into the cause diagnosis, early detection, prevention, control and treatment of disorders of hearing and other communication processes and complications resulting from such disorders, including research into rehabilitative aids, implantable biomaterials, auditory speech processors, speech production devices, and other otolaryngologic procedures;
 - (2) training programs for physicians, scientists, and other health and allied health professionals;
 - (3) information and continuing education programs for physicians and other health and allied health professionals who will provide care for patients with disorders of hearing or other communication processes; and
 - (4) programs for the dissemination to the general public of information—
 - (A) on the importance of early detection of disorders of hearing and other communication processes, of seeking prompt treatment, rehabilitation, and of following an appropriate regimen; and
 - (B) on the importance of avoiding exposure to noise and other environmental toxic agents that may affect disorders of hearing or other communication processes.
- (d) A center may use funds provided under subsection (a) to provide stipends for health professionals enrolled in training programs described in subsection (c)(2).
- (e) Each center assisted under this section may conduct programs—
- (1) to establish the effectiveness of new and improved methods of detection, referral, and diagnosis of individuals at risk of developing disorders of hearing or other communication processes; and
 - (2) to disseminate the results of research, screening, and other activities, and develop means of standardizing patient data and recordkeeping.
- (f) The Director of the Institute shall, to the extent practicable, provide for an equitable geographical distribution of centers assisted under this section. The Director shall give appropriate consideration to the need for centers especially suited to meeting the needs of the elderly, and of children (particularly with respect to their education and training), affected by disorders of hearing or other communication processes.
- (g) Support of a center under this section may be for a period not to exceed seven years. Such period may be extended by the Director of the Institute for one or more additional periods of not more than five years if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director, with the advice of the Institute's advi-

sory council, if such group has recommended to the Director that such period should be extended.

NATIONAL INSTITUTE ON DEAFNESS AND OTHER COMMUNICATION
DISORDERS ADVISORY BOARD

SEC. 464D. [285m-4] (a) The Secretary shall establish in the Institute the National Deafness and Other Communications Disorders Advisory Board (hereafter in this section referred to as the "Advisory Board").

(b) The Advisory Board shall be composed of eighteen appointed members and nonvoting ex officio members as follows:

(1) The Secretary shall appoint—

(A) twelve members from individuals who are scientists, physicians, and other health and rehabilitation professionals, who are not officers or employees of the United States, and who represent the specialties and disciplines relevant to deafness and other communication disorders, including not less than two persons with a communication disorder; and

(B) six members from the general public who are knowledgeable with respect to such disorders, including not less than one person with a communication disorder and not less than one person who is a parent of an individual with such a disorder.

Of the appointed members, not less than five shall by virtue of training or experience be knowledgeable in diagnoses and rehabilitation of communication disorders, education of the hearing, speech, or language impaired, public health, public information, community program development, occupational hazards to communications senses, or the aging process.

(2) The following shall be ex officio members of each Advisory Board:

(A) The Assistant Secretary for Health, the Director of NIH, the Director of the National Institute on Deafness and Other Communication Disorders, the Director of the Centers for Disease Control and Prevention, the Chief Medical Director of the Department of Veterans Affairs, and the Assistant Secretary of Defense for Health Affairs (or the designees of such officers).

(B) Such other officers and employees of the United States as the Secretary determines necessary for the Advisory Board to carry out its functions.

(c) Members of an Advisory Board who are officers or employees of the Federal Government shall serve as members of the Advisory Board without compensation in addition to that received in their regular public employment. Other members of the Board shall receive compensation at rates not to exceed the daily equivalent of the annual rate in effect for grade GS-18 of the General Schedule for each day (including traveltime) they are engaged in the performance of their duties as members of the Board.

(d) The term of office of an appointed member of the Advisory Board is four years, except that no term of office may extend beyond the expiration of the Advisory Board. Any member appointed

to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has taken office. If a vacancy occurs in the Advisory Board, the Secretary shall make an appointment to fill the vacancy not later than 90 days from the date the vacancy occurred.

(e) The members of the Advisory Board shall select a chairman from among the appointed members.

(f) The Secretary shall, after consultation with and consideration of the recommendations of the Advisory Board, provide the Advisory Board with an executive director and one other professional staff member. In addition, the Secretary shall, after consultation with and consideration of the recommendations of the Advisory Board, provide the Advisory Board with such additional professional staff members, such clerical staff members, such services of consultants, such information, and (through contracts or other arrangements) such administrative support services and facilities, as the Secretary determines are necessary for the Advisory Board to carry out its functions.

(g) The Advisory Board shall meet at the call of the chairman or upon request of the Director of the Institute, but not less often than four times a year.

(h) The Advisory Board shall—

(1) review and evaluate the implementation of the plan prepared under section 464A(a) and periodically update the plan to ensure its continuing relevance;

(2) for the purpose of assuring the most effective use and organization of resources respecting deafness and other communication disorders, advise and make recommendations to the Congress, the Secretary, the Director of NIH, the Director of the Institute, and the heads of other appropriate Federal agencies for the implementation and revision of such plan; and

(3) maintain liaison with other advisory bodies related to Federal agencies involved in the implementation of such plan and with key non-Federal entities involved in activities affecting the control of such disorders.

(i) In carrying out its functions, the Advisory Board may establish subcommittees, convene workshops and conferences, and collect data. Such subcommittees may be composed of Advisory Board members and nonmember consultants with expertise in the particular area addressed by such subcommittees. The subcommittees may hold such meetings as are necessary to enable them to carry out their activities.

(k)⁴⁰ The National Deafness and Other Communication Disorders Advisory Board shall be established not later than April 1, 1989.

INTERAGENCY COORDINATING COMMITTEE

SEC. 464E. [285m–5] (a) The Secretary may establish a committee to be known as the Deafness and Other Communication Disorders Interagency Coordinating Committee (hereafter in this section referred to as the “Coordinating Committee”).

⁴⁰So in law. There is no subsection (j) in section 464D.

(b) The Coordinating Committee shall, with respect to deafness and other communication disorders—

(1) provide for the coordination of the activities of the national research institutes; and

(2) coordinate the aspects of all Federal health programs and activities relating to deafness and other communication disorders in order to assure the adequacy and technical soundness of such programs and activities and in order to provide for the full communication and exchange of information necessary to maintain adequate coordination of such programs and activities.

(c) The Coordinating Committee shall be composed of the directors of each of the national research institutes and divisions involved in research with respect to deafness and other communication disorders and representatives of all other Federal departments and agencies whose programs involve health functions or responsibilities relevant to deafness and other communication disorders.

(d) The Coordinating Committee shall be chaired by the Director of NIH (or the designee of the Director). The Committee shall meet at the call of the chair, but not less often than four times a year.

LIMITATION ON ADMINISTRATIVE EXPENSES

SEC. 464F. [285m–6] With respect to amounts appropriated for a fiscal year for the National Institutes of Health, the limitation established in section 408(a)(1) on the expenditure of such amounts for administrative expenses shall apply to administrative expenses of the National Institute on Deafness and Other Communication Disorders.

Subpart 14—National Institute on Alcohol Abuse and Alcoholism

PURPOSE OF INSTITUTE

SEC. 464H. [285n] (a) IN GENERAL.—The general purpose of the National Institute on Alcohol Abuse and Alcoholism (hereafter in this subpart referred to as the “Institute”) is the conduct and support of biomedical and behavioral research, health services research, research training, and health information dissemination with respect to the prevention of alcohol abuse and the treatment of alcoholism.

(b) RESEARCH PROGRAM.—The research program established under this subpart shall encompass the social, behavioral, and biomedical etiology, mental and physical health consequences, and social and economic consequences of alcohol abuse and alcoholism. In carrying out the program, the Director of the Institute is authorized to—

(1) collect and disseminate through publications and other appropriate means (including the development of curriculum materials), information as to, and the practical application of, the research and other activities under the program;

(2) make available research facilities of the Public Health Service to appropriate public authorities, and to health officials and scientists engaged in special study;

(3) make grants to universities, hospitals, laboratories, and other public or nonprofit institutions, and to individuals for such research projects as are recommended by the National Advisory Council on Alcohol Abuse and Alcoholism, giving special consideration to projects relating to—

(A) the relationship between alcohol abuse and domestic violence,

(B) the effects of alcohol use during pregnancy,

(C) the impact of alcoholism and alcohol abuse on the family, the workplace, and systems for the delivery of health services,

(D) the relationship between the abuse of alcohol and other drugs,

(E) the effect on the incidence of alcohol abuse and alcoholism of social pressures, legal requirements respecting the use of alcoholic beverages, the cost of such beverages, and the economic status and education of users of such beverages,

(F) the interrelationship between alcohol use and other health problems,

(G) the comparison of the cost and effectiveness of various treatment methods for alcoholism and alcohol abuse and the effectiveness of prevention and intervention programs for alcoholism and alcohol abuse, and

(H) alcoholism and alcohol abuse among women;

(4) secure from time to time and for such periods as he deems advisable, the assistance and advice of experts, scholars, and consultants from the United States or abroad;

(5) promote the coordination of research programs conducted by the Institute, and similar programs conducted by the National Institute of Drug Abuse and by other departments, agencies, organizations, and individuals, including all National Institutes of Health research activities which are or may be related to the problems of individuals suffering from alcoholism or alcohol abuse or those of their families or the impact of alcohol abuse on other health problems;

(6) conduct an intramural program of biomedical, behavioral, epidemiological, and social research, including research into the most effective means of treatment and service delivery, and including research involving human subjects, which is—

(A) located in an institution capable of providing all necessary medical care for such human subjects, including complete 24-hour medical diagnostic services by or under the supervision of physicians, acute and intensive medical care, including 24-hour emergency care, psychiatric care, and such other care as is determined to be necessary for individuals suffering from alcoholism and alcohol abuse; and

(B) associated with an accredited medical or research training institution;

(7) for purposes of study, admit and treat at institutions, hospitals, and stations of the Public Health Service, persons not otherwise eligible for such treatment;

(8) provide to health officials, scientists, and appropriate public and other nonprofit institutions and organizations, technical advice and assistance on the application of statistical and other scientific research methods to experiments, studies, and surveys in health and medical fields;

(9) enter into contracts under this title without regard to sections 3648 and 3709 of the Revised Statutes (31 U.S.C. 529;⁴¹ 41 U.S.C. 5); and

(10) adopt, upon recommendation of the National Advisory Council on Alcohol Abuse and Alcoholism, such additional means as he deems necessary or appropriate to carry out the purposes of this section.

(c) COLLABORATION.—The Director of the Institute shall collaborate with the Administrator of the Substance Abuse and Mental Health Services Administration in focusing the services research activities of the Institute and in disseminating the results of such research to health professionals and the general public.

ASSOCIATE DIRECTOR FOR PREVENTION

SEC. 464I. [285n–1] (a) IN GENERAL.—There shall be in the Institute an Associate Director for Prevention who shall be responsible for the full-time coordination and promotion of the programs in the Institute concerning the prevention of alcohol abuse and alcoholism. The Associate Director shall be appointed by the Director of the Institute from individuals who because of their professional training or expertise are experts in alcohol abuse and alcoholism or the prevention of such.

(b) BIENNIAL REPORT.—The Associate Director for Prevention shall prepare for inclusion in the biennial report made under section 407 a description of the prevention activities of the Institute, including a description of the staff and resources allocated to those activities.

NATIONAL ALCOHOL RESEARCH CENTER

SEC. 464J. [285n–2] (a) The Secretary acting through the Institute may designate National Alcohol Research Centers for the purpose of interdisciplinary research relating to alcoholism and other biomedical, behavioral, and social issues related to alcoholism and alcohol abuse. No entity may be designated as a Center unless an application therefor has been submitted to, and approved by, the Secretary. Such an application shall be submitted in such manner and contain such information as the Secretary may reasonably require. The Secretary may not approve such an application unless—

(1) the application contains or is supported by reasonable assurances that—

(A) the applicant has the experience, or capability, to conduct, through biomedical, behavioral, social, and related disciplines, long-term research on alcoholism and other alcohol problems and to provide coordination of such research among such disciplines;

⁴¹Now codified to section 3324 of title 31, United States Code.

(B) the applicant has available to it sufficient facilities (including laboratory, reference, and data analysis facilities) to carry out the research plan contained in the application,

(C) the applicant has facilities and personnel to provide training in the prevention and treatment of alcoholism and other alcohol problems;

(D) the applicant has the capacity to train predoctoral and postdoctoral students for careers in research on alcoholism and other alcohol problems;

(E) the applicant has the capacity to conduct courses on alcohol problems and research on alcohol problems for undergraduate and graduate students, and medical and osteopathic, nursing, social work, and other specialized graduate students; and

(F) the applicant has the capacity to conduct programs of continuing education in such medical, legal, and social service fields as the Secretary may require.⁴²

(2) the application contains a detailed five-year plan for research relating to alcoholism and other alcohol problems.

(b) The Secretary shall, under such conditions as the Secretary may reasonably require, make annual grants to Centers which have been designated under this section. No funds provided under a grant under this subsection may be used for the purchase of any land or the purchase, construction, preservation, or repair of any building. For the purposes of the preceding sentence, the term “construction” has the meaning given that term by section 701(1).⁴³ The Secretary shall include in the grants made under this section for fiscal year beginning after September 30, 1981, a grant to a designated Center for research on the effects of alcohol on the elderly.

Subpart 15—National Institute on Drug Abuse

PURPOSE OF INSTITUTE

SEC. 464L. [285o] (a) IN GENERAL.—The general purpose of the National Institute on Drug Abuse (hereafter in this subpart referred to as the “Institute”) is the conduct and support of biomedical and behavioral research, health services research, research training, and health information dissemination with respect to the prevention of drug abuse and the treatment of drug abusers.

(b) RESEARCH PROGRAM.—The research program established under this subpart shall encompass the social, behavioral, and biomedical etiology, mental and physical health consequences, and social and economic consequences of drug abuse. In carrying out the program, the Director of the Institute shall give special consideration to projects relating to drug abuse among women (particularly with respect to pregnant women).

⁴² So in law. See section 16(a)(5) of Public Law 96–180 (93 Stat. 1305). The period probably should be “; and”. (Section 464J formerly was section 504 of another law. The amendment made by Public Law 96–180 was directed to section 504 of that other law, which was Public Law 91–616.)

⁴³ So in law. See section 2(a) of Public Law 102–352 (106 Stat. 938). Section 701(1) does not provide a definition for the term “construction”, but former section 701(1) did provide such a definition. Public Law 102–408 amended title VII generally; definitions for the title are now provided in section 799, and that section does not define the term “construction”.

(c) **COLLABORATION.**—The Director of the Institute shall collaborate with the Substance Abuse and Mental Health Services Administration in focusing the services research activities of the Institute and in disseminating the results of such research to health professionals and the general public.

ASSOCIATE DIRECTOR FOR PREVENTION

SEC. 464M. [2850–1] (a) **IN GENERAL.**—There shall be in the Institute an Associate Director for Prevention who shall be responsible for the full-time coordination and promotion of the programs in the Institute concerning the prevention of drug abuse. The Associate Director shall be appointed by the Director of the Institute from individuals who because of their professional training or expertise are experts in drug abuse and the prevention of such abuse.

(b) **REPORT.**—The Associate Director for Prevention shall prepare for inclusion in the biennial report made under section 407 a description of the prevention activities of the Institute, including a description of the staff and resources allocated to those activities.

DRUG ABUSE RESEARCH CENTERS

SEC. 464N. [2850–2] (a) **AUTHORITY.**—The Director of the Institute may designate National Drug Abuse Research Centers for the purpose of interdisciplinary research relating to drug abuse and other biomedical, behavioral, and social issues related to drug abuse. No entity may be designated as a Center unless an application therefore has been submitted to, and approved by, the Secretary. Such an application shall be submitted in such manner and contain such information as the Secretary may reasonably require. The Secretary may not approve such an application unless—

(1) the application contains or is supported by reasonable assurances that—

(A) the applicant has the experience, or capability, to conduct, through biomedical, behavioral, social, and related disciplines, long-term research on drug abuse and to provide coordination of such research among such disciplines;

(B) the applicant has available to it sufficient facilities (including laboratory, reference, and data analysis facilities) to carry out the research plan contained in the application;

(C) the applicant has facilities and personnel to provide training in the prevention and treatment of drug abuse;

(D) the applicant has the capacity to train predoctoral and postdoctoral students for careers in research on drug abuse;

(E) the applicant has the capacity to conduct courses on drug abuse problems and research on drug abuse for undergraduate and graduate students, and medical and osteopathic, nursing, social work, and other specialized graduate students; and

(F) the applicant has the capacity to conduct programs of continuing education in such medical, legal, and social service fields as the Secretary may require.⁴⁴

(2) the application contains a detailed five-year plan for research relating to drug abuse.

(b) GRANTS.—The Director of the Institute shall, under such conditions as the Secretary may reasonably require, make annual grants to Centers which have been designated under this section. No funds provided under a grant under this subsection may be used for the purchase of any land or the purchase, construction, preservation, or repair of any building. For the purposes of the preceding sentence, the term “construction” has the meaning given that term by section 701(1).⁴⁵

(c) DRUG ABUSE AND ADDICTION⁴⁶ RESEARCH.—

(1) GRANTS OR COOPERATIVE AGREEMENTS.—The Director of the Institute may make grants or enter into cooperative agreements to expand the current and ongoing interdisciplinary research and clinical trials with treatment centers of the National Drug Abuse Treatment Clinical Trials Network relating to drug abuse and addiction, including related biomedical, behavioral, and social issues.

(2) USE OF FUNDS.—Amounts made available under a grant or cooperative agreement under paragraph (1) for drug abuse and addiction may be used for research and clinical trials relating to—

(A) the effects of drug abuse on the human body, including the brain;

(B) the addictive nature of drugs and how such effects differ with respect to different individuals;

(C) the connection between drug abuse and mental health;

(D) the identification and evaluation of the most effective methods of prevention of drug abuse and addiction;

(E) the identification and development of the most effective methods of treatment of drug addiction, including pharmacological treatments;

(F) risk factors for drug abuse;

(G) effects of drug abuse and addiction on pregnant women and their fetuses; and

(H) cultural, social, behavioral, neurological, and psychological reasons that individuals abuse drugs, or refrain from abusing drugs.

(3) RESEARCH RESULTS.—The Director shall promptly disseminate research results under this subsection to Federal, State, and local entities involved in combating drug abuse and addiction.

⁴⁴ So in law. See section 123(b) of Public Law 102–321 (106 Stat. 361). The period probably should be “; and”.

⁴⁵ See footnote for section 464J(b).

⁴⁶ Probably should be “ADDICTION”. See section 2203 of Public Law 107–273 (116 Stat. 1794).

OFFICE ON AIDS

SEC. 464O. [285o–3] The Director of the Institute shall establish within the Institute an Office on AIDS. The Office shall be responsible for the coordination of research and determining the direction of the Institute with respect to AIDS research related to—

- (1) primary prevention of the spread of HIV, including transmission via drug abuse;
- (2) drug abuse services research; and
- (3) other matters determined appropriate by the Director.

MEDICATION DEVELOPMENT PROGRAM

SEC. 464P. [285o–4] (a) ESTABLISHMENT.—There is established in the Institute a Medication Development Program through which the Director of such Institute shall—

- (1) conduct periodic meetings with the Commissioner of Food and Drugs to discuss measures that may facilitate the approval process of drug abuse treatments;
- (2) encourage and promote (through grants, contracts, international collaboration, or otherwise) expanded research programs, investigations, experiments, community trials, and studies, into the development and use of medications to treat drug addiction;
- (3) establish or provide for the establishment of research facilities;
- (4) report on the activities of other relevant agencies relating to the development and use of pharmacotherapeutic treatments for drug addiction;
- (5) collect, analyze, and disseminate data useful in the development and use of pharmacotherapeutic treatments for drug addiction and collect, catalog, analyze, and disseminate through international channels, the results of such research;
- (6) directly or through grants, contracts, or cooperative agreements, support training in the fundamental sciences and clinical disciplines related to the pharmacotherapeutic treatment of drug abuse, including the use of training stipends, fellowships, and awards where appropriate; and
- (7) coordinate the activities conducted under this section with related activities conducted within the National Institute on Alcohol Abuse and Alcoholism, the National Institute of Mental Health, and other appropriate institutes and shall consult with the Directors of such Institutes.

(b) DUTIES.—In carrying out the activities described in subsection (a), the Director of the Institute—

- (1) shall collect and disseminate through publications and other appropriate means, information pertaining to the research and other activities under this section;
- (2) shall make grants to or enter into contracts and cooperative agreements with individuals and public and private entities to further the goals of the program;
- (3) may, in accordance with section 496, and in consultation with the National Advisory Council on Drug Abuse, acquire, construct, improve, repair, operate, and maintain pharmacotherapeutic research centers, laboratories, and other

necessary facilities and equipment, and such other real or personal property as the Director determines necessary, and may, in consultation with such Advisory Council, make grants for the construction or renovation of facilities to carry out the purposes of this section;

(4) may accept voluntary and uncompensated services;

(5) may accept gifts, or donations of services, money, or property, real, personal, or mixed, tangible or intangible; and

(6) shall take necessary action to ensure that all channels for the dissemination and exchange of scientific knowledge and information are maintained between the Institute and the other scientific, medical, and biomedical disciplines and organizations nationally and internationally.

(c) REPORT.—

(1) IN GENERAL.—Not later than December 31, 1992, and each December 31 thereafter, the Director of the Institute shall submit to the Office of National Drug Control Policy established under section 1002 of the Anti-Drug Abuse Act of 1988 (21 U.S.C. 1501) a report, in accordance with paragraph (3), that describes the objectives and activities of the program assisted under this section.

(2) NATIONAL DRUG CONTROL STRATEGY.—The Director of National Drug Control Policy shall incorporate, by reference or otherwise, each report submitted under this subsection in the National Drug Control Strategy submitted the following February 1 under section 1005 of the Anti-Drug Abuse Act of 1988 (21 U.S.C. 1504).

(d) DEFINITION.—For purposes of this section, the term “pharmacotherapeutics” means medications used to treat the symptoms and disease of drug abuse, including medications to—

(1) block the effects of abused drugs;

(2) reduce the craving for abused drugs;

(3) moderate or eliminate withdrawal symptoms;

(4) block or reverse the toxic effect of abused drugs; or

(5) prevent relapse in persons who have been detoxified from drugs of abuse.

Subpart 16—National Institute of Mental Health

PURPOSE OF INSTITUTE

SEC. 464R. [285p] (a) IN GENERAL.—The general purpose of the National Institute of Mental Health (hereafter in this subpart referred to as the “Institute”) is the conduct and support of biomedical and behavioral research, health services research, research training, and health information dissemination with respect to the cause, diagnosis, treatment, control and prevention of mental illness.

(b) RESEARCH PROGRAM.—The research program established under this subpart shall include support for biomedical and behavioral neuroscience and shall be designed to further the treatment and prevention of mental illness, the promotion of mental health, and the study of the psychological, social and legal factors that influence behavior.

(c) **COLLABORATION.**—The Director of the Institute shall collaborate with the Administrator of the Substance Abuse and Mental Health Services Administration in focusing the services research activities of the Institute and in disseminating the results of such research to health professionals and the general public.

(d) **INFORMATION WITH RESPECT TO SUICIDE.**—

(1) **IN GENERAL.**—The Director of the Institute shall—

(A) develop and publish information with respect to the causes of suicide and the means of preventing suicide; and

(B) make such information generally available to the public and to health professionals.

(2) **YOUTH SUICIDE.**—Information described in paragraph

(1) shall especially relate to suicide among individuals under 24 years of age.

(e) **ASSOCIATE DIRECTOR FOR SPECIAL POPULATIONS.**—

(1) **IN GENERAL.**—The Director of the Institute shall designate an Associate Director for Special Populations.

(2) **DUTIES.**—The Associate Director for Special Populations shall—

(A) develop and coordinate research policies and programs to assure increased emphasis on the mental health needs of women and minority populations;

(B) support programs of basic and applied social and behavioral research on the mental health problems of women and minority populations;

(C) study the effects of discrimination on institutions and individuals, including majority institutions and individuals;

(D) support and develop research designed to eliminate institutional discrimination; and

(E) provide increased emphasis on the concerns of women and minority populations in training programs, service delivery programs, and research endeavors of the Institute.

ASSOCIATE DIRECTOR FOR PREVENTION

SEC. 464S. [285p–1] (a) **IN GENERAL.**—There shall be in the Institute an Associate Director for Prevention who shall be responsible for the full-time coordination and promotion of the programs in the Institute concerning the prevention of mental disorder. The Associate Director shall be appointed by the Director of the Institute from individuals who because of their professional training or expertise are experts in mental disorder and the prevention of such.

(b) **REPORT.**—The Associate Director for Prevention shall prepare for inclusion in the biennial report made under section 407 a description of the prevention activities of the Institute, including a description of the staff and resources allocated to those activities.

OFFICE OF RURAL MENTAL HEALTH RESEARCH

SEC. 464T. [285p–2] (a) **IN GENERAL.**—There is established within the Institute an office to be known as the Office of Rural

Mental Health Research (hereafter in this section referred to as the “Office”). The Office shall be headed by a director, who shall be appointed by the Director of such Institute from among individuals experienced or knowledgeable in the provision of mental health services in rural areas. The Secretary shall carry out the authorities established in this section acting through the Director of the Office.

(b) **COORDINATION OF ACTIVITIES.**—The Director of the Office, in consultation with the Director of the Institute and with the Director of the Office of Rural Health Policy, shall—

(1) coordinate the research activities of the Department of Health and Human Services as such activities relate to the mental health of residents of rural areas; and

(2) coordinate the activities of the Office with similar activities of public and nonprofit private entities.

(c) **RESEARCH, DEMONSTRATIONS, EVALUATIONS, AND DISSEMINATION.**—The Director of the Office may, with respect to the mental health of adults and children residing in rural areas—

(1) conduct research on conditions that are unique to the residents of rural areas, or more serious or prevalent in such residents;

(2) conduct research on improving the delivery of services in such areas; and

(3) disseminate information to appropriate public and nonprofit private entities.

(d) **AUTHORITY REGARDING GRANTS AND CONTRACTS.**—The Director of the Office may carry out the authorities established in subsection (c) directly and through grants, cooperative agreements, or contracts with public or nonprofit private entities.

OFFICE ON AIDS

SEC. 464U. [285p–3] The Director of the Institute shall establish within the Institute an Office on AIDS. The Office shall be responsible for the coordination of research and determining the direction of the Institute with respect to AIDS research related to—

(1) primary prevention of the spread of HIV, including transmission via sexual behavior;

(2) mental health services research; and

(3) other matters determined appropriate by the Director.

Subpart 17—National Institute of Nursing Research

PURPOSE OF THE INSTITUTE

SEC. 464V. [285q] The general purpose of the National Institute of Nursing Research (in this subpart referred to as the “Institute”) is the conduct and support of, and dissemination of information respecting, basic and clinical nursing research, training, and other programs in patient care research.

SPECIFIC AUTHORITIES

SEC. 464W. [285q–1] To carry out section 464V, the Director of the Institute may provide research training and instruction and establish, in the Institute and other nonprofit institutions, research

traineeships and fellowships in the study and investigation of the prevention of disease, health promotion, and the nursing care of individuals with and the families of individuals with acute and chronic illnesses. The Director of the Institute may provide individuals receiving such training and instruction or such traineeships or fellowships with such stipends and allowances (including amounts for travel and subsistence and dependency allowances) as the Director determines necessary. The Director may make grants to non-profit institutions to provide such training and instruction and traineeships and fellowships.

ADVISORY COUNCIL

SEC. 464X. [285q-2] (a)(1) The Secretary shall appoint an advisory council for the Institute which shall advise, assist, consult with, and make recommendations to the Secretary and the Director of the Institute on matters related to the activities carried out by and through the Institute and the policies respecting such activities.

(2) The advisory council for the Institute may recommend to the Secretary acceptance, in accordance with section 2701,⁴⁷ of conditional gifts for study, investigations, and research and for the acquisition of grounds or construction, equipping, or maintenance of facilities for the Institute.

(3) The advisory council for the Institute—

(A)(i) may make recommendations to the Director of the Institute respecting research conducted at the Institute,

(ii) may review applications for grants and cooperative agreements for research or training and recommend for approval applications for projects which show promise of making valuable contributions to human knowledge, and

(iii) may review any grant, contract, or cooperative agreement proposed to be made or entered into by the Institute;

(B) may collect, by correspondence or by personal investigation, information as to studies which are being carried on in the United States or any other country as to the diseases, disorders, or other aspects of human health with respect to which the Institute is concerned and with the approval of the Director of the Institute make available such information through appropriate publications for the benefit of public and private health entities and health professions personnel and scientists and for the information of the general public; and

(C) may appoint subcommittees and convene workshops and conferences.

(b)(1) The advisory council shall consist of ex officio members and not more than eighteen members appointed by the Secretary.

(2) The ex officio members of the advisory council shall consist of—

⁴⁷Probably should be section 231. That section formerly was section 2701, and was redesignated by subsection (a)(2) of section 2010 of Public Law 103-43 (107 Stat. 213). Subsection (b)(5) of such section purported to conform the above reference, but the amendment cannot be executed because the amendment applied to the incorrect section. (The conforming amendment applied to section 485. Section 464X formerly was section 485, and was redesignated by section 1511(b)(2)(B) of Public Law 103-43 (107 Stat. 179).)

(A) the Secretary, the Director of NIH, the Director of the Institute, the chief nursing officer of the Department of Veterans Affairs, the Assistant Secretary of Defense for Health Affairs, the Director of the Division of Nursing of the Health Resources and Services Administration (or the designees of such officers), and

(B) such additional officers or employees of the United States as the Secretary determines necessary for the advisory council to effectively carry out its functions.

(3) The members of the advisory council who are not ex officio members shall be appointed as follows:

(A) Two-thirds of the members shall be appointed by the Secretary from among the leading representatives of the health and scientific disciplines (including public health and the behavioral or social sciences) relevant to the activities of the Institute. Of the members appointed pursuant to this subparagraph, at least seven shall be professional nurses who are recognized experts in the area of clinical practice, education, or research.

(B) One-third of the members shall be appointed by the Secretary from the general public and shall include leaders in fields of public policy, law, health policy, economics, and management.

(4) Members of the advisory council who are officers or employees of the United States shall not receive any compensation for service on the advisory council. The other members of the advisory council shall receive, for each day (including traveltime) they are engaged in the performance of the functions of the advisory council, compensation at rates not to exceed the daily equivalent of the annual rate in effect for grade GS-18 of the General Schedule.

(c) The term of office of an appointed member of the advisory council is four years, except that any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term and the Secretary shall make appointments to an advisory council in such a manner as to ensure that the terms of the members do not all expire in the same year. A member may serve after the expiration of the member's term until a successor has taken office. A member who has been appointed for a term of four years may not be reappointed to an advisory council before two years from the date of expiration of such term of office. If a vacancy occurs in the advisory council among the appointed members, the Secretary shall make an appointment to fill the vacancy within 90 days from the date the vacancy occurs.

(d) The chairman of the advisory council shall be selected by the Secretary from among the appointed members, except that the Secretary may select the Director of the Institute to be the chairman of the advisory council. The term of office of the chairman shall be two years.

(e) The advisory council shall meet at the call of the chairman or upon the request of the Director of the Institute, but at least three times each fiscal year. The location of the meetings of the advisory council is subject to the approval of the Director of the Institute.

(f) The Director of the Institute shall designate a member of the staff of the Institute to serve as the executive secretary of the advisory council. The Director of the Institute shall make available to the advisory council such staff, information, and other assistance as it may require to carry out its functions. The Director of the Institute shall provide orientation and training for new members of the advisory council to provide them with such information and training as may be appropriate for their effective participation in the functions of the advisory council.

(g) The advisory council may prepare, for inclusion in the triennial report made under section 403 (1) comments respecting the activities of the advisory council in the fiscal years respecting which the report is prepared, (2) comments on the progress of the Institute in meeting its objectives, and (3) recommendations respecting the future directions and program and policy emphasis of the Institute. The advisory council may prepare such additional reports as it may determine appropriate.

【Section 464Y was repealed by section 2042(h)(1) of Public Law 114–255.】

Subpart 18—National Institute of Biomedical Imaging and Bioengineering

PURPOSE OF THE INSTITUTE

SEC. 464z. 【285r】 (a) The general purpose of the National Institute of Biomedical Imaging and Bioengineering (in this section referred to as the “Institute”) is the conduct and support of research, training, the dissemination of health information, and other programs with respect to biomedical imaging, biomedical engineering, and associated technologies and modalities with biomedical applications (in this section referred to as “biomedical imaging and bioengineering”).

(b)(1) The Director of the Institute, with the advice of the Institute’s advisory council, shall establish a National Biomedical Imaging and Bioengineering Program (in this section referred to as the “Program”).

(2) Activities under the Program shall include the following with respect to biomedical imaging and bioengineering:

(A) Research into the development of new techniques and devices.

(B) Related research in physics, engineering, mathematics, computer science, and other disciplines.

(C) Technology assessments and outcomes studies to evaluate the effectiveness of biologics, materials, processes, devices, procedures, and informatics.

(D) Research in screening for diseases and disorders.

(E) The advancement of existing imaging and bioengineering modalities, including imaging, biomaterials, and informatics.

(F) The development of target-specific agents to enhance images and to identify and delineate disease.

(G) The development of advanced engineering and imaging technologies and techniques for research from the molecular and genetic to the whole organ and body levels.

(H) The development of new techniques and devices for more effective interventional procedures (such as image-guided interventions).

(3)(A) With respect to the Program, the Director of the Institute shall prepare and transmit to the Secretary and the Director of NIH a plan to initiate, expand, intensify, and coordinate activities of the Institute with respect to biomedical imaging and bioengineering. The plan shall include such comments and recommendations as the Director of the Institute determines appropriate. The Director of the Institute shall periodically review and revise the plan and shall transmit any revisions of the plan to the Secretary and the Director of NIH.

(B) The plan under subparagraph (A) shall include the recommendations of the Director of the Institute with respect to the following:

(i) Where appropriate, the consolidation of programs of the National Institutes of Health for the express purpose of enhancing support of activities regarding basic biomedical imaging and bioengineering research.

(ii) The coordination of the activities of the Institute with related activities of the other agencies of the National Institutes of Health and with related activities of other Federal agencies.

(c) The establishment under section 406 of an advisory council for the Institute is subject to the following:

(1) The number of members appointed by the Secretary shall be 12.

(2) Of such members—

(A) six members shall be scientists, engineers, physicians, and other health professionals who represent disciplines in biomedical imaging and bioengineering and who are not officers or employees of the United States; and

(B) six members shall be scientists, engineers, physicians, and other health professionals who represent other disciplines and are knowledgeable about the applications of biomedical imaging and bioengineering in medicine, and who are not officers or employees of the United States.

(3) In addition to the ex officio members specified in section 406(b)(2), the ex officio members of the advisory council shall include the Director of the Centers for Disease Control and Prevention, the Director of the National Science Foundation, and the Director of the National Institute of Standards and Technology (or the designees of such officers).

Subpart 19—National Human Genome Research Institute

PURPOSE OF THE CENTER ⁴⁸

SEC. 464z-1. [285s] (a) The general purpose of the National Human Genome Research Institute (in this subpart referred to as the “Institute”) is to characterize the structure and function of the human genome, including the mapping and sequencing of individual genes. Such purpose includes—

- (1) planning and coordinating the research goal of the genome project;
 - (2) reviewing and funding research proposals;
 - (3) developing training programs;
 - (4) coordinating international genome research;
 - (5) communicating advances in genome science to the public; and
 - (6) reviewing and funding proposals to address the ethical and legal issues associated with the genome project (including legal issues regarding patents).
- (b) The Director of the Institute may conduct and support research training—
- (1) for which fellowship support is not provided under section 487; and
 - (2) that is not residency training of physicians or other health professionals.
- (c)(1) Except as provided in paragraph (2), of the amounts appropriated to carry out subsection (a) for a fiscal year, the Director of the Institute shall make available not less than 5 percent for carrying out paragraph (6) of such subsection.
- (2) With respect to providing funds under subsection (a)(6) for proposals to address the ethical issues associated with the genome project, paragraph (1) shall not apply for a fiscal year if the Director of the Institute certifies to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, that the Director has determined that an insufficient number of such proposals meet the applicable requirements of sections 491 and 492.

Subpart 20—National Institute on Minority Health and Health Disparities

SEC. 464z-3. [285t] PURPOSE OF CENTER ⁴⁹.

(a) IN GENERAL.—The general purpose of the National Institute on Minority Health and Health Disparities (in this subpart referred to as the “Institute”) is the conduct and support of research, training, dissemination of information, and other programs with respect to minority health conditions and other populations with health disparities.

⁴⁸The word “CENTER” in the section heading probably should read “INSTITUTE”. Section 101(c)(4)(C) of Public Law 109-482 (120 Stat. 3675) struck “center” each place such term appeared in this subpart and inserted “institute”. However, this amendment was not effective with respect to the section heading because the word “CENTER” appears in small caps.

⁴⁹The word “CENTER” in the section heading for section 464z-3 probably should read “INSTITUTE”. See amendment made by section 10334(c)(1)(D)(iii) of Public Law 111-148.

(b) **PRIORITIES.**—The Director of the Institute shall in expending amounts appropriated under this subpart give priority to conducting and supporting minority health disparities research.

(c) **MINORITY HEALTH DISPARITIES RESEARCH.**—For purposes of this subpart:

(1) The term “minority health disparities research” means basic, clinical, and behavioral research on minority health conditions (as defined in paragraph (2)), including research to prevent, diagnose, and treat such conditions.

(2) The term “minority health conditions”, with respect to individuals who are members of minority groups, means all diseases, disorders, and conditions (including with respect to mental health and substance abuse)—

(A) unique to, more serious, or more prevalent in such individuals;

(B) for which the factors of medical risk or types of medical intervention may be different for such individuals, or for which it is unknown whether such factors or types are different for such individuals; or

(C) with respect to which there has been insufficient research involving such individuals as subjects or insufficient data on such individuals.

(3) The term “minority group” has the meaning given the term “racial and ethnic minority group” in section 1707.

(4) The terms “minority” and “minorities” refer to individuals from a minority group.

(d) **HEALTH DISPARITY POPULATIONS.**—For purposes of this subpart:

(1) A population is a health disparity population if, as determined by the Director of the Institute after consultation with the Director of the Agency for Healthcare Research and Quality, there is a significant disparity in the overall rate of disease incidence, prevalence, morbidity, mortality, or survival rates in the population as compared to the health status of the general population.

(2) The Director shall give priority consideration to determining whether minority groups qualify as health disparity populations under paragraph (1).

(3) The term “health disparities research” means basic, clinical, and behavioral research on health disparity populations (including individual members and communities of such populations) that relates to health disparities as defined under paragraph (1), including the causes of such disparities and methods to prevent, diagnose, and treat such disparities.

(e) **COORDINATION OF ACTIVITIES.**—The Director of the Institute shall act as the primary Federal official with responsibility for coordinating all minority health disparities research and other health disparities research conducted or supported by the National Institutes of Health, and—

(1) shall represent the health disparities research program of the National Institutes of Health, including the minority health disparities research program, at all relevant Executive branch task forces, committees and planning activities; and

(2) shall maintain communications with all relevant Public Health Service agencies, including the Indian Health Service, and various other departments of the Federal Government to ensure the timely transmission of information concerning advances in minority health disparities research and other health disparities research between these various agencies for dissemination to affected communities and health care providers.

(f) COLLABORATIVE COMPREHENSIVE PLAN AND BUDGET.—

(1) IN GENERAL.—Subject to the provisions of this section and other applicable law, the Director of NIH, the Director of the Institute, and the directors of the other agencies of the National Institutes of Health in collaboration (and in consultation with the advisory council for the Institute) shall—

(A) establish a comprehensive plan and budget for the conduct and support of all minority health disparities research and other health disparities research activities of the agencies of the National Institutes of Health (which plan and budget shall be first established under this subsection not later than 12 months after the date of the enactment of this subpart);

(B) ensure that the plan and budget establish priorities among the health disparities research activities that such agencies are authorized to carry out;

(C) ensure that the plan and budget establish objectives regarding such activities, describes the means for achieving the objectives, and designates the date by which the objectives are expected to be achieved;

(D) ensure that, with respect to amounts appropriated for activities of the Institute, the plan and budget give priority in the expenditure of funds to conducting and supporting minority health disparities research;

(E) ensure that all amounts appropriated for such activities are expended in accordance with the plan and budget;

(F) review the plan and budget not less than annually, and revise the plan and budget as appropriate;

(G) ensure that the plan and budget serve as a broad, binding statement of policies regarding minority health disparities research and other health disparities research activities of the agencies, but do not remove the responsibility of the heads of the agencies for the approval of specific programs or projects, or for other details of the daily administration of such activities, in accordance with the plan and budget; and

(H) promote coordination and collaboration among the agencies conducting or supporting minority health or other health disparities research.

(2) CERTAIN COMPONENTS OF PLAN AND BUDGET.—With respect to health disparities research activities of the agencies of the National Institutes of Health, the Director of the Institute shall ensure that the plan and budget under paragraph (1) provide for—

(A) basic research and applied research, including research and development with respect to products;

- (B) research that is conducted by the agencies;
- (C) research that is supported by the agencies;
- (D) proposals developed pursuant to solicitations by the agencies and for proposals developed independently of such solicitations; and
- (E) behavioral research and social sciences research, which may include cultural and linguistic research in each of the agencies.

(3) MINORITY HEALTH DISPARITIES RESEARCH.—The plan and budget under paragraph (1) shall include a separate statement of the plan and budget for minority health disparities research.

(g) PARTICIPATION IN CLINICAL RESEARCH.—The Director of the Institute shall work with the Director of NIH and the directors of the agencies of the National Institutes of Health to carry out the provisions of section 492B that relate to minority groups.

(h) RESEARCH ENDOWMENTS.—

(1) IN GENERAL.—The Director of the Institute may carry out a program to facilitate minority health disparities research and other health disparities research by providing for research endowments—

(A) at current or former centers of excellence under section 736; and

(B) at current or former centers of excellence under section 464z-4.

(2) ELIGIBILITY.—The Director of the Institute may provide for a research endowment under paragraph (1) only if the institution involved meets the following conditions:

(A) The institution does not have an endowment that is worth in excess of an amount equal to 50 percent of the national median of endowment funds at institutions that conduct similar biomedical research or training of health professionals.

(B) The application of the institution under paragraph (1) regarding a research endowment has been recommended pursuant to technical and scientific peer review and has been approved by the advisory council under subsection (j).

(i) CERTAIN ACTIVITIES.—In carrying out subsection (a), the Director of the Institute—

(1) shall assist the Director of NIH⁵⁰ in carrying out section 404I(c)(2) and in committing resources for construction at Institutions of Emerging Excellence under such section;

(2) shall establish projects to promote cooperation among Federal agencies, State, local, tribal, and regional public health agencies, and private entities in health disparities research; and

(3) may utilize information from previous health initiatives concerning minorities and other health disparity populations.

(j) ADVISORY COUNCIL.—

⁵⁰ Section 221(d)(3)(A) of division F of Public Law 112-74 provided for an amendment to strike “Director of National Institute for Research Resources” and inserting “Director of NIH”. The amendment probably should have been to strike “Director of National Institute for Research Resources”, but was carried out to reflect the probable intent of Congress.

(1) IN GENERAL.—The Secretary shall, in accordance with section 406, establish an advisory council to advise, assist, consult with, and make recommendations to the Director of the Institute on matters relating to the activities described in subsection (a), and with respect to such activities to carry out any other functions described in section 406 for advisory councils under such section. Functions under the preceding sentence shall include making recommendations on budgetary allocations made in the plan under subsection (f), and shall include reviewing reports under subsection (k) before the reports are submitted under such subsection.

(2) MEMBERSHIP.—With respect to the membership of the advisory council under paragraph (1), a majority of the members shall be individuals with demonstrated expertise regarding minority health disparity and other health disparity issues; representatives of communities impacted by minority and other health disparities shall be included; and a diversity of health professionals shall be represented. The membership shall in addition include a representative of the Office of Behavioral and Social Sciences Research under section 404A.

(k) INTRA-NATIONAL INSTITUTES OF HEALTH COORDINATION.—The Director of the Institute, as the primary Federal official with responsibility for coordinating all research and activities conducted or supported by the National Institutes of Health on minority health and health disparities, shall plan, coordinate, review, and evaluate research and other activities conducted or supported by the national research institutes and national centers. The Director of the Institute may foster partnerships between the national research institutes and national centers and may encourage the funding of collaborative research projects to achieve the goals of the National Institutes of Health that are related to minority health and health disparities.

SEC. 464z-4. [285t-1] CENTERS OF EXCELLENCE FOR RESEARCH EDUCATION AND TRAINING.

(a) IN GENERAL.—The Director of the Institute shall make awards of grants or contracts to designated biomedical and behavioral research institutions under paragraph (1) of subsection (c), or to consortia under paragraph (2) of such subsection, for the purpose of assisting the institutions in supporting programs of excellence in biomedical and behavioral research training for individuals who are members of minority health disparity populations or other health disparity populations.

(b) REQUIRED USE OF FUNDS.—An award may be made under subsection (a) only if the applicant involved agrees that the grant will be expended—

(1) to train members of minority health disparity populations or other health disparity populations as professionals in the area of biomedical or behavioral research or both; or

(2) to expand, remodel, renovate, or alter existing research facilities or construct new research facilities for the purpose of conducting minority health disparities research and other health disparities research.

(c) CENTERS OF EXCELLENCE.—

(1) IN GENERAL.—For purposes of this section, a designated biomedical and behavioral research institution is a biomedical and behavioral research institution that—

(A) has a significant number of members of minority health disparity populations or other health disparity populations enrolled as students in the institution (including individuals accepted for enrollment in the institution);

(B) has been effective in assisting such students of the institution to complete the program of education or training and receive the degree involved;

(C) has made significant efforts to recruit minority students to enroll in and graduate from the institution, which may include providing means-tested scholarships and other financial assistance as appropriate; and

(D) has made significant recruitment efforts to increase the number of minority or other members of health disparity populations serving in faculty or administrative positions at the institution.

(2) CONSORTIUM.—Any designated biomedical and behavioral research institution involved may, with other biomedical and behavioral institutions (designated or otherwise), including tribal health programs, form a consortium to receive an award under subsection (a).

(3) APPLICATION OF CRITERIA TO OTHER PROGRAMS.—In the case of any criteria established by the Director of the Institute for purposes of determining whether institutions meet the conditions described in paragraph (1), this section may not, with respect to minority health disparity populations or other health disparity populations, be construed to authorize, require, or prohibit the use of such criteria in any program other than the program established in this section.

(d) DURATION OF GRANT.—The period during which payments are made under a grant under subsection (a) may not exceed 5 years. Such payments shall be subject to annual approval by the Director of the Institute and to the availability of appropriations for the fiscal year involved to make the payments.

(e) MAINTENANCE OF EFFORT.—

(1) IN GENERAL.—With respect to activities for which an award under subsection (a) is authorized to be expended, the Director of the Institute may not make such an award to a designated research institution or consortium for any fiscal year unless the institution, or institutions in the consortium, as the case may be, agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the institutions involved for the fiscal year preceding the fiscal year for which such institutions receive such an award.

(2) USE OF FEDERAL FUNDS.—With respect to any Federal amounts received by a designated research institution or consortium and available for carrying out activities for which an award under subsection (a) is authorized to be expended, the Director of the Institute may make such an award only if the institutions involved agree that the institutions will, before ex-

pending the award, expend the Federal amounts obtained from sources other than the award.

(f) CERTAIN EXPENDITURES.—The Director of the Institute may authorize a designated biomedical and behavioral research institution to expend a portion of an award under subsection (a) for research endowments.

(g) DEFINITIONS.—For purposes of this section:

(1) The term “designated biomedical and behavioral research institution” has the meaning indicated for such term in subsection (c)(1). Such term includes any health professions school receiving an award of a grant or contract under section 736.

(2) The term “program of excellence” means any program carried out by a designated biomedical and behavioral research institution with an award under subsection (a), if the program is for purposes for which the institution involved is authorized in subsection (b) to expend the grant.

【Section 464z-5 was repealed by section 2022(c)(1) of Public Law 114-255.】

SEC. 464z-6. [285t-3] GENERAL PROVISIONS REGARDING THE CENTER.

The Secretary, acting through the Director of the National Institutes of Health, shall provide administrative support and support services to the Director of the Institute and shall ensure that such support takes maximum advantage of existing administrative structures at the agencies of the National Institutes of Health.

PART D—NATIONAL LIBRARY OF MEDICINE

Subpart 1—General Provisions

PURPOSE, ESTABLISHMENT, AND FUNCTIONS OF THE NATIONAL LIBRARY OF MEDICINE

SEC. 465. [286] (a) In order to assist the advancement of medical and related sciences and to aid the dissemination and exchange of scientific and other information important to the progress of medicine and to the public health, there is established the National Library of Medicine (hereafter in this part referred to as the “Library”).

(b) The Secretary, through the Library and subject to subsection (d), shall—

(1) acquire and preserve books, periodicals, prints, films, recordings, and other library materials pertinent to medicine;

(2) organize the materials specified in paragraph (1) by appropriate cataloging, indexing, and bibliographical listings;

(3) publish and disseminate the catalogs, indexes, and bibliographies referred to in paragraph (2);

(4) make available, through loans, photographic or other copying procedures, or otherwise, such materials in the Library as the Secretary determines appropriate;

(5) provide reference and research assistance;

(6) publicize the availability from the Library of the products and services described in any of paragraphs (1) through (5);

(7) promote the use of computers and telecommunications by health professionals (including health professionals in rural areas) for the purpose of improving access to biomedical information for health care delivery and medical research; and

(8) engage in such other activities as the Secretary determines appropriate and as the Library's resources permit.

(c) The Secretary may exchange, destroy, or otherwise dispose of any books, periodicals, films, and other library materials not needed for the permanent use of the Library.

(d)(1) The Secretary may, after obtaining the advice and recommendations of the Board of Regents, prescribe rules under which the Library will—

(A) provide copies of its publications or materials,

(B) will make available its facilities for research, or

(C) will make available its bibliographic, reference, or other services, to public and private entities and individuals.

(2) Rules prescribed under paragraph (1) may provide for making available such publications, materials, facilities, or services—

(A) without charge as a public service,

(B) upon a loan, exchange, or charge basis, or

(C) in appropriate circumstances, under contract arrangements made with a public or other nonprofit entity.

(e) Whenever the Secretary, with the advice of the Board of Regents, determines that—

(1) in any geographic area of the United States there is no regional medical library adequate to serve such area;

(2) under criteria prescribed for the administration of section 475, there is a need for a regional medical library to serve such area; and

(3) because there is no medical library located in such area which, with financial assistance under section 475, can feasibly be developed into a regional medical library adequate to serve such area,

the Secretary may establish, as a branch of the Library, a regional medical library to serve the needs of such area.

(f) Section 231 shall be applicable to the acceptance and administration of gifts made for the benefit of the Library or for carrying out any of its functions, and the Board of Regents shall make recommendations to the Secretary relating to establishment within the Library of suitable memorials to the donors.

(g) For purposes of this part, the terms "medicine" and "medical", except when used in section 466, include preventive and therapeutic medicine, dentistry, pharmacy, hospitalization, nursing, public health, and the fundamental sciences related thereto, and other related fields of study, research, or activity.

BOARD OF REGENTS

SEC. 466. [286a] (a)(1)(A) The Board of Regents of the National Library of Medicine consists of ex officio members and ten members appointed by the Secretary.

(B) The ex officio members are the Surgeons General of the Public Health Service, the Army, the Navy, and the Air Force, the

Chief Medical Director of the Department of Veterans Affairs, the Dean of the Uniformed Services University of the Health Sciences, the Assistant Director for Biological, Behavioral, and Social Sciences of the National Science Foundation, the Director of the National Agricultural Library, and the Librarian of Congress (or their designees).

(C) The appointed members shall be selected from among leaders in the various fields of the fundamental sciences, medicine, dentistry, public health, hospital administration, pharmacology, health communications technology, or scientific or medical library work, or in public affairs. At least six of the appointed members shall be selected from among leaders in the fields of medical, dental, or public health research or education.

(2) The Board shall annually elect one of the appointed members to serve as chairman until the next election. The Secretary shall designate a member of the Library staff to act as executive secretary of the Board.

(b) The Board shall advise, consult with, and make recommendations to the Secretary on matters of policy in regard to the Library, including such matters as the acquisition of materials for the Library, the scope, content, and organization of the Library's services, and the rules under which its materials, publications, facilities, and services shall be made available to various kinds of users. The Secretary shall include in the annual report of the Secretary to the Congress a statement covering the recommendations made by the Board and the disposition thereof. The Secretary may use the services of any member of the Board in connection with matters related to the work of the Library, for such periods, in addition to conference periods, as the Secretary may determine.

(c) Each appointed member of the Board shall hold office for a term of four years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which the predecessor of such member was appointed shall be appointed for the remainder of such term. None of the appointed members shall be eligible for reappointment within one year after the end of the preceding term of such member.

LIBRARY FACILITIES

SEC. 467. [286a-1] The Administrator of General Services may acquire, by purchase, condemnation, donation, or otherwise, a suitable site or sites, selected by the Secretary in accordance with the direction of the Board, for suitable and adequate buildings and facilities for use of the Library and to erect thereon, furnish, and equip such buildings and facilities. Amounts appropriated to carry out this section may be used for the cost of preparation of drawings and specifications, supervision of construction, and other administrative expenses incident to the work. The Administrator of General Services shall prepare the plans and specifications, make all necessary contracts, and supervise construction.

Subpart 2—Financial Assistance

DEFINITIONS

SEC. 470. [286b–1] As used in this subpart—

(1) the term “medical library” means a library related to the sciences related to health; and

(2) the term “sciences related to health” includes medicine, osteopathy, dentistry, and public health, and fundamental and applied sciences when related thereto.

NATIONAL MEDICAL LIBRARIES ASSISTANCE ADVISORY BOARD

SEC. 471. [286b–2] (a) The Board of Regents of the National Library of Medicine shall also serve as the National Medical Libraries Assistance Advisory Board (hereafter in this subpart referred to as the “Board”).

(b) The Board shall advise and assist the Secretary in the preparation of general regulations and with respect to policy matters arising in the administration of this subpart.

(c) The Secretary may use the services of any member of the Board, in connection with matters related to the administration of this part for such periods, in addition to conference periods, as the Secretary may determine.

(d) Appointed members of the Board who are not otherwise in the employ of the United States, while attending conferences of the Board or otherwise serving at the request of the Secretary in connection with the administration of this subpart, shall be entitled to receive compensation, per diem in lieu of subsistence, and travel expenses in the same manner and under the same conditions as that prescribed under section 208(c) when attending conferences, traveling, or serving at the request of the Secretary in connection with the Board’s function under this section.

GRANTS FOR TRAINING IN MEDICAL LIBRARY SCIENCES

SEC. 472. [286b–3] The Secretary shall make grants—

(1) to individuals to enable them to accept traineeships and fellowships leading to postbaccalaureate academic degrees in the field of medical library science, in related fields pertaining to sciences related to health, or in the field of the communication of information;

(2) to individuals who are librarians or specialists in information on sciences relating to health, to enable them to undergo intensive training or retraining so as to attain greater competence in their occupations (including competence in the fields of automatic data processing and retrieval);

(3) to assist appropriate public and private nonprofit institutions in developing, expanding, and improving training programs in library science and the field of communications of information pertaining to sciences relating to health; and

(4) to assist in the establishment of internship programs in established medical libraries meeting standards which the Secretary shall prescribe.

ASSISTANCE FOR SPECIAL SCIENTIFIC PROJECTS, AND FOR RESEARCH
AND DEVELOPMENT IN MEDICAL LIBRARY SCIENCE AND RELATED
FIELDS

SEC. 473. [286b–4] (a) The Secretary shall make grants to physicians and other practitioners in the sciences related to health, to scientists, and to public or nonprofit private institutions on behalf of such physicians, other practitioners, and scientists for the compilation of existing, or the writing of original, contributions relating to scientific, social, or cultural advancements in sciences related to health. In making such grants, the Secretary shall make appropriate arrangements under which the facilities of the Library and the facilities of libraries of public and private nonprofit institutions of higher learning may be made available in connection with the projects for which such grants are made.

(b) The Secretary shall make grants to appropriate public or private nonprofit institutions and enter into contracts with appropriate persons, for purposes of carrying out projects of research, investigations, and demonstrations in the field of medical library science and related activities and for the development of new techniques, systems, and equipment, for processing, storing, retrieving, and distributing information pertaining to sciences related to health.

(c)(1) The Secretary shall make grants to public or nonprofit private institutions for the purpose of carrying out projects of research on, and development and demonstration of, new education technologies.

(2) The purposes for which a grant under paragraph (1) may be made include projects concerning—

(A) computer-assisted teaching and testing of clinical competence at health professions and research institutions;

(B) the effective transfer of new information from research laboratories to appropriate clinical applications;

(C) the expansion of the laboratory and clinical uses of computer-stored research databases; and

(D) the testing of new technologies for training health care professionals.

(3) The Secretary may not make a grant under paragraph (1) unless the applicant for the grant agrees to make the projects available with respect to—

(A) assisting in the training of health professions students; and

(B) enhancing and improving the capabilities of health professionals regarding research and teaching.

GRANTS FOR ESTABLISHING, EXPANDING, AND IMPROVING THE BASIC
RESOURCES OF MEDICAL LIBRARIES AND RELATED INSTRUMENTAL-
ITIES

SEC. 474. [286b–5] (a) The Secretary shall make grants of money, materials, or both, to public or private nonprofit medical libraries and related scientific communication instrumentalities for the purpose of establishing, expanding, and improving their basic medical library or related resources. A grant under this subsection may be used for—

(1) the acquisition of books, journals, photographs, motion picture and other films, and other similar materials;

(2) cataloging, binding, and other services and procedures for processing library resource materials for use by those who are served by the library or related instrumentality;

(3) the acquisition of duplication devices, facsimile equipment, film projectors, recording equipment, and other equipment to facilitate the use of the resources of the library or related instrumentality by those who are served by it; and

(4) the introduction of new technologies in medical librarianship.

(b)(1) The amount of any grant under this section to any medical library or related instrumentality shall be determined by the Secretary on the basis of the scope of library or related services provided by such library or instrumentality in relation to the population and purposes served by it. In making a determination of the scope of services served by any medical library or related instrumentality, the Secretary shall take into account—

(A) the number of graduate and undergraduate students making use of the resources of such library or instrumentality;

(B) the number of physicians and other practitioners in the sciences related to health utilizing the resources of such library or instrumentality;

(C) the type of supportive staffs, if any, available to such library or instrumentality;

(D) the type, size, and qualifications of the faculty of any school with which such library or instrumentality is affiliated;

(E) the staff of any hospital or hospitals or of any clinic or clinics with which such library or instrumentality is affiliated; and

(F) the geographic area served by such library or instrumentality and the availability within such area of medical library or related services provided by other libraries or related instrumentalities.

(2) Grants to such medical libraries or related instrumentalities under this section shall be in such amounts as the Secretary may by regulation prescribe with a view to assuring adequate continuing financial support for such libraries or instrumentalities from other sources during and after the period for which grants are provided, except that in no case shall any grant under this section to a medical library or related instrumentality for any fiscal year exceed \$1,000,000.

GRANTS AND CONTRACTS FOR ESTABLISHMENT OF REGIONAL MEDICAL LIBRARIES

SEC. 475. [286b–6] (a) The Secretary, with the advice of the Board, shall make grants to and enter into contracts with existing public or private nonprofit medical libraries so as to enable each of them to serve as the regional medical library for the geographical area in which it is located.

(b) The uses for which grants and contracts under this section may be employed include the—

- (1) acquisition of books, journals, and other similar materials;
 - (2) cataloging, binding, and other procedures for processing library resource materials for use by those who are served by the library;
 - (3) acquisition of duplicating devices and other equipment to facilitate the use of the resources of the library by those who are served by it;
 - (4) acquisition of mechanisms and employment of personnel for the speedy transmission of materials from the regional library to local libraries in the geographic area served by the regional library; and
 - (5) planning for services and activities under this section.
- (c)(1) Grants and contracts under this section shall only be made to or entered into with medical libraries which agree—
- (A) to modify and increase their library resources, and to supplement the resources of cooperating libraries in the region, so as to be able to provide adequate supportive services to all libraries in the region as well as to individual users of library services; and
 - (B) to provide free loan services to qualified users and make available photoduplicated or facsimile copies of biomedical materials which qualified requesters may retain.
- (2) The Secretary, in awarding grants and contracts under this section, shall give priority to medical libraries having the greatest potential of fulfilling the needs for regional medical libraries. In determining the priority to be assigned to any medical library, the Secretary shall consider—
- (A) the adequacy of the library (in terms of collections, personnel, equipment, and other facilities) as a basis for a regional medical library; and
 - (B) the size and nature of the population to be served in the region in which the library is located.
- (d) Grants and contracts under this section for basic resource materials to a library may not exceed—
- (1) 50 percent of the library's annual operating expense (exclusive of Federal financial assistance under this part) for the preceding year; or
 - (2) in case of the first year in which the library receives a grant under this section for basic resource materials, 50 percent of its average annual operating expenses over the past three years (or if it had been in operation for less than three years, its annual operating expenses determined by the Secretary in accordance with regulations).

FINANCIAL SUPPORT OF BIOMEDICAL SCIENTIFIC PUBLICATIONS

SEC. 476. [286b-7] (a) The Secretary, with the advice of the Board, shall make grants to, and enter into appropriate contracts with, public or private nonprofit institutions of higher education and individual scientists for the purpose of supporting biomedical scientific publications of a nonprofit nature and to procure the compilation, writing, editing, and publication of reviews, abstracts, in-

dices, handbooks, bibliographies, and related matter pertaining to scientific works and scientific developments.

(b) Grants under subsection (a) in support of any single periodical publication may not be made for more than three years, except in those cases in which the Secretary determines that further support is necessary to carry out the purposes of subsection (a).

GRANT PAYMENTS, RECORDS, AND AUDIT

SEC. 477. [286b–8] (a) Payments under grants made under sections 472, 473, 474, 475, and 476 may be made in advance or by way of reimbursement and in such installments as the Secretary shall prescribe by regulation after consultation with the Board.

(b)(1) Each recipient of a grant under this subpart shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and disposition by such recipient of the proceeds of such grant, the total cost of the project or undertaking in connection with which such grant is given or used, and the amount of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(2) The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of such recipients that are pertinent to any grant received under this subpart.

Subpart 3—National Center for Biotechnology Information

PURPOSE, ESTABLISHMENT, FUNCTIONS, AND FUNDING OF THE NATIONAL CENTER FOR BIOTECHNOLOGY INFORMATION

SEC. 478. [286c] (a) In order to focus and expand the collection, storage, retrieval, and dissemination of the results of biotechnology research by information systems, and to support and enhance the development of new information technologies to aid in the understanding of the molecular processes that control health and disease, there is established the National Center for Biotechnology Information (hereinafter in this section referred to as the “Center”) in the National Library of Medicine.

(b) The Secretary, through the Center and subject to section 465(d), shall—

(1) design, develop, implement, and manage automated systems for the collection, storage, retrieval, analysis, and dissemination of knowledge concerning human molecular biology, biochemistry, and genetics;

(2) perform research into advanced methods of computer-based information processing capable of representing and analyzing the vast number of biologically important molecules and compounds;

(3) enable persons engaged in biotechnology research and medical care to use systems developed under paragraph (1) and methods described in paragraph (2); and

(4) coordinate, as much as is practicable, efforts to gather biotechnology information on an international basis.

Subpart 4—National Information Center on Health Services
Research and Health Care Technology

NATIONAL INFORMATION CENTER

SEC. 478A. [286d] (a) There is established within the Library an entity to be known as the National Information Center on Health Services Research and Health Care Technology (in this section referred to as the “Center”).

(b) The purpose of the Center is the collection, storage, analysis, retrieval, and dissemination of information on health services research, clinical practice guidelines, and on health care technology, including the assessment of such technology. Such purpose includes developing and maintaining data bases and developing and implementing methods of carrying out such purpose.

(c) The Director of the Center shall ensure that information under subsection (b) concerning clinical practice guidelines is collected and maintained electronically and in a convenient format. Such Director shall develop and publish criteria for the inclusion of practice guidelines and technology assessments in the information center database.

(d) The Secretary, acting through the Center, shall coordinate the activities carried out under this section through the Center with related activities of the Administrator for Health Care Policy and Research.

PART E—OTHER AGENCIES OF NIH

Subpart 1—National Center for Advancing Translational Sciences

SEC. 479. [287] NATIONAL CENTER FOR ADVANCING TRANSLATIONAL SCIENCES.

(a) PURPOSE.—The purpose of the National Center for Advancing Translational Sciences (in this subpart referred to as the “Center”) is to advance translational sciences, including by—

(1) coordinating and developing resources that leverage basic research in support of translational science; and

(2) developing partnerships and working cooperatively to foster synergy in ways that do not create duplication, redundancy, and competition with industry activities.

(b) CLINICAL TRIAL ACTIVITIES.—

(1) IN GENERAL.—The Center may develop and provide infrastructure and resources for all phases of clinical trials research. Except as provided in paragraph (2), the Center may support clinical trials only through the end of phase IIB.

(2) EXCEPTION.—The Center may support clinical trial activities through the end of phase III for a treatment for a rare disease or condition (as defined in section 526 of the Federal Food, Drug, and Cosmetic Act) so long as—

(A) the Center gives public notice for a period of at least 120 days of the Center’s intention to support the clinical trial activities in phase III;

(B) no public or private organization provides credible written intent to the Center that the organization has timely plans to further the clinical trial activities or con-

duct clinical trials of a similar nature beyond phase IIB; and

(C) the Center ensures that support of the clinical trial activities in phase III will not increase the Federal Government's liability beyond the award value of the Center's support.

(c) BIENNIAL REPORT.—The Center shall publish a report on a biennial basis that, with respect to all research supported by the Center, includes a complete list of—

- (1) the molecules being studied;
- (2) clinical trial activities being conducted;
- (3) the methods and tools in development;
- (4) ongoing partnerships, including—
 - (A) the rationale for each partnership;
 - (B) the status of each partnership;
 - (C) the funding provided by the Center to other entities pursuant to each partnership, and
 - (D) the activities which have been transferred to industry pursuant to each partnership;
- (5) known research activity of other entities that is or will expand upon research activity of the Center;
- (6) the methods and tools, if any, that have been developed since the last biennial report was prepared; and
- (7) the methods and tools, if any, that have been developed and are being utilized by the Food and Drug Administration to support medical product reviews.

(d) INCLUSION OF LIST.—The first biennial report submitted under this section after the date of enactment of the 21st Century Cures Act shall include a complete list of all of the methods and tools, if any, which have been developed by research supported by the Center.

(e) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as authorizing the Secretary to disclose any information that is a trade secret, or other privileged or confidential information subject to section 552(b)(4) of title 5, United States Code, or section 1905 of title 18, United States Code.

SEC. 480. [287a] CURES ACCELERATION NETWORK.

(a) DEFINITIONS.—In this section:

(1) BIOLOGICAL PRODUCT.—The term “biological product” has the meaning given such term in section 351 of the Public Health Service Act.

(2) DRUG; DEVICE.—The terms “drug” and “device” have the meanings given such terms in section 201 of the Federal Food, Drug, and Cosmetic Act.

(3) HIGH NEED CURE.—The term “high need cure” means a drug (as that term is defined by section 201(g)(1) of the Federal Food, Drug, and Cosmetic Act, biological product (as that term is defined by section 262(i)), or device (as that term is defined by section 201(h) of the Federal Food, Drug, and Cosmetic Act) that, in the determination of the Director of the Center—

- (A) is a priority to diagnose, mitigate, prevent, or treat harm from any disease or condition; and

(B) for which the incentives of the commercial market are unlikely to result in its adequate or timely development.

(4) **MEDICAL PRODUCT.**—The term “medical product” means a drug, device, biological product, or product that is a combination of drugs, devices, and biological products.

(b) **ESTABLISHMENT OF THE CURES ACCELERATION NETWORK.**—Subject to the appropriation of funds as described in subsection (g), there is established within the Center a program to be known as the Cures Acceleration Network (referred to in this section as “CAN”), which shall—

(1) be under the direction of the Director of the Center, taking into account the recommendations of a CAN Review Board (referred to in this section as the “Board”), described in subsection (d); and

(2) award grants and contracts to eligible entities, as described in subsection (e), to accelerate the development of high need cures, including through the development of medical products and behavioral therapies.

(c) **FUNCTIONS.**—The functions of the CAN are to—

(1) conduct and support revolutionary advances in basic research, translating scientific discoveries from bench to bedside;

(2) award grants and contracts to eligible entities to accelerate the development of high need cures;

(3) provide the resources necessary for government agencies, independent investigators, research organizations, biotechnology companies, academic research institutions, and other entities to develop high need cures;

(4) reduce the barriers between laboratory discoveries and clinical trials for new therapies; and

(5) facilitate review in the Food and Drug Administration for the high need cures funded by the CAN, through activities that may include—

(A) the facilitation of regular and ongoing communication with the Food and Drug Administration regarding the status of activities conducted under this section;

(B) ensuring that such activities are coordinated with the approval requirements of the Food and Drug Administration, with the goal of expediting the development and approval of countermeasures and products; and

(C) connecting interested persons with additional technical assistance made available under section 565 of the Federal Food, Drug, and Cosmetic Act.

(d) **CAN BOARD.**—

(1) **ESTABLISHMENT.**—There is established a Cures Acceleration Network Review Board (referred to in this section as the “Board”), which shall advise the Director of the Center on the conduct of the activities of the Cures Acceleration Network.

(2) **MEMBERSHIP.**—

(A) **IN GENERAL.**—

(i) **APPOINTMENT.**—The Board shall be comprised of 24 members who are appointed by the Secretary and who serve at the pleasure of the Secretary.

(ii) CHAIRPERSON AND VICE CHAIRPERSON.—The Secretary shall designate, from among the 24 members appointed under clause (i), one Chairperson of the Board (referred to in this section as the “Chairperson”) and one Vice Chairperson.

(B) TERMS.—

(i) IN GENERAL.—Each member shall be appointed to serve a 4-year term, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member’s predecessor was appointed shall be appointed for the remainder of such term.

(ii) CONSECUTIVE APPOINTMENTS; MAXIMUM TERMS.—A member may be appointed to serve not more than 3 terms on the Board, and may not serve more than 2 such terms consecutively.

(C) QUALIFICATIONS.—

(i) IN GENERAL.—The Secretary shall appoint individuals to the Board based solely upon the individual’s established record of distinguished service in one of the areas of expertise described in clause (ii). Each individual appointed to the Board shall be of distinguished achievement and have a broad range of disciplinary interests.

(ii) EXPERTISE.—The Secretary shall select individuals based upon the following requirements:

(I) For each of the fields of—

- (aa) basic research;
- (bb) medicine;
- (cc) biopharmaceuticals;
- (dd) discovery and delivery of medical products;
- (ee) bioinformatics and gene therapy;
- (ff) medical instrumentation; and
- (gg) regulatory review and approval of medical products,

the Secretary shall select at least 1 individual who is eminent in such fields.

(II) At least 4 individuals shall be recognized leaders in professional venture capital or private equity organizations and have demonstrated experience in private equity investing.

(III) At least 8 individuals shall represent disease advocacy organizations.

(3) EX-OFFICIO MEMBERS.—

(A) APPOINTMENT.—In addition to the 24 Board members described in paragraph (2), the Secretary shall appoint as ex-officio members of the Board—

(i) a representative of the National Institutes of Health, recommended by the Secretary of the Department of Health and Human Services;

(ii) a representative of the Office of the Assistant Secretary of Defense for Health Affairs, recommended by the Secretary of Defense;

(iii) a representative of the Office of the Under Secretary for Health for the Veterans Health Administration, recommended by the Secretary of Veterans Affairs;

(iv) a representative of the National Science Foundation, recommended by the Chair of the National Science Board; and

(v) a representative of the Food and Drug Administration, recommended by the Commissioner of Food and Drugs.

(B) TERMS.—Each ex-officio member shall serve a 3-year term on the Board, except that the Chairperson may adjust the terms of the initial ex-officio members in order to provide for a staggered term of appointment for all such members.

(4) RESPONSIBILITIES OF THE BOARD AND THE DIRECTOR OF THE CENTER.—

(A) RESPONSIBILITIES OF THE BOARD.—

(i) IN GENERAL.—The Board shall advise, and provide recommendations to, the Director of the Center with respect to—

(I) policies, programs, and procedures for carrying out the duties of the Director of the Center under this section; and

(II) significant barriers to successful translation of basic science into clinical application (including issues under the purview of other agencies and departments).

(ii) REPORT.—In the case that the Board identifies a significant barrier, as described in clause (i)(II), the Board shall submit to the Secretary a report regarding such barrier.

(B) RESPONSIBILITIES OF THE DIRECTOR OF THE CENTER.—With respect to each recommendation provided by the Board under subparagraph (A)(i), the Director of the Center shall respond in writing to the Board, indicating whether such Director will implement such recommendation. In the case that the Director of the Center indicates a recommendation of the Board will not be implemented, such Director shall provide an explanation of the reasons for not implementing such recommendation.

(5) MEETINGS.—

(A) IN GENERAL.—The Board shall meet 4 times per calendar year, at the call of the Chairperson.

(B) QUORUM; REQUIREMENTS; LIMITATIONS.—

(i) QUORUM.—A quorum shall consist of a total of 13 members of the Board, excluding ex-officio members, with diverse representation as described in clause (iii).

(ii) CHAIRPERSON OR VICE CHAIRPERSON.—Each meeting of the Board shall be attended by either the Chairperson or the Vice Chairperson.

(iii) DIVERSE REPRESENTATION.—At each meeting of the Board, there shall be not less than one scientist,

one representative of a disease advocacy organization, and one representative of a professional venture capital or private equity organization.

(6) COMPENSATION AND TRAVEL EXPENSES.—

(A) COMPENSATION.—Members shall receive compensation at a rate to be fixed by the Chairperson but not to exceed a rate equal to the daily equivalent of the annual rate of basic pay prescribed for level IV of the Executive Schedule under section 5315 of title 5, United States Code, for each day (including travel time) during which the member is engaged in the performance of the duties of the Board. All members of the Board who are officers or employees of the United States shall serve without compensation in addition to that received for their services as officers or employees of the United States.

(B) TRAVEL EXPENSES.—Members of the Board shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for persons employed intermittently by the Federal Government under section 5703(b) of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Board.

(e) GRANT PROGRAM.—

(1) SUPPORTING INNOVATION.—To carry out the purposes described in this section, the Director of the Center shall award contracts, grants, or cooperative agreements to the entities described in paragraph (2), to—

(A) promote innovation in technologies supporting the advanced research and development and production of high need cures, including through the development of medical products and behavioral therapies.

(B) accelerate the development of high need cures, including through the development of medical products, behavioral therapies, and biomarkers that demonstrate the safety or effectiveness of medical products; or

(C) help the award recipient establish protocols that comply with Food and Drug Administration standards and otherwise permit the recipient to meet regulatory requirements at all stages of development, manufacturing, review, approval, and safety surveillance of a medical product.

(2) ELIGIBLE ENTITIES.—To receive assistance under paragraph (1), an entity shall—

(A) be a public or private entity, which may include a private or public research institution, an institution of higher education, a medical center, a biotechnology company, a pharmaceutical company, a disease advocacy organization, a patient advocacy organization, or an academic research institution;

(B) submit an application containing—

(i) a detailed description of the project for which the entity seeks such grant or contract;

(ii) a timetable for such project;

(iii) an assurance that the entity will submit—

(I) interim reports describing the entity's—

- (aa) progress in carrying out the project; and
- (bb) compliance with all provisions of this section and conditions of receipt of such grant or contract; and
- (II) a final report at the conclusion of the grant period, describing the outcomes of the project; and
- (iv) a description of the protocols the entity will follow to comply with Food and Drug Administration standards and regulatory requirements at all stages of development, manufacturing, review, approval, and safety surveillance of a medical product; and
- (C) provide such additional information as the Director of the Center may require.

(3) AWARDS.—

(A) THE CURES ACCELERATION PARTNERSHIP AWARDS.—

(i) INITIAL AWARD AMOUNT.—Each award under this subparagraph shall be not more than \$15,000,000 per project for the first fiscal year for which the project is funded, which shall be payable in one payment.

(ii) FUNDING IN SUBSEQUENT FISCAL YEARS.—An eligible entity receiving an award under clause (i) may apply for additional funding for such project by submitting to the Director of the Center the information required under subparagraphs (B) and (C) of paragraph (2). The Director may fund a project of such eligible entity in an amount not to exceed \$15,000,000 for a fiscal year subsequent to the initial award under clause (i).

(iii) MATCHING FUNDS.—As a condition for receiving an award under this subsection, an eligible entity shall contribute to the project non-Federal funds in the amount of \$1 for every \$3 awarded under clauses (i) and (ii), except that the Director of the Center may waive or modify such matching requirement in any case where the Director determines that the goals and objectives of this section cannot adequately be carried out unless such requirement is waived.

(B) THE CURES ACCELERATION GRANT AWARDS.—

(i) INITIAL AWARD AMOUNT.—Each award under this subparagraph shall be not more than \$15,000,000 per project for the first fiscal year for which the project is funded, which shall be payable in one payment.

(ii) FUNDING IN SUBSEQUENT FISCAL YEARS.—An eligible entity receiving an award under clause (i) may apply for additional funding for such project by submitting to the Board the information required under subparagraphs (B) and (C) of paragraph (2). The Director of the Center may fund a project of such eligible entity in an amount not to exceed \$15,000,000 for a

fiscal year subsequent to the initial award under clause (i).

(C) THE CURES ACCELERATION FLEXIBLE RESEARCH AWARDS.—If the Director of the Center determines that the goals and objectives of this section cannot adequately be carried out through a contract, grant, or cooperative agreement, the Director of the Center shall have flexible research authority to use other transactions to fund projects in accordance with the terms and conditions of this section. Awards made under such flexible research authority for a fiscal year shall not exceed 20 percent of the total funds appropriated under subsection (g)(1) for such fiscal year.

(4) SUSPENSION OF AWARDS FOR DEFAULTS, NONCOMPLIANCE WITH PROVISIONS AND PLANS, AND DIVERSION OF FUNDS; REPAYMENT OF FUNDS.—The Director of the Center may suspend the award to any entity upon noncompliance by such entity with provisions and plans under this section or diversion of funds.

(5) AUDITS.—The Director of the Center may enter into agreements with other entities to conduct periodic audits of the projects funded by grants or contracts awarded under this subsection.

(6) CLOSEOUT PROCEDURES.—At the end of a grant or contract period, a recipient shall follow the closeout procedures under section 74.71 of title 45, Code of Federal Regulations (or any successor regulation).

(7) REVIEW.—A determination by the Director of the Center as to whether a drug, device, or biological product is a high need cure (for purposes of subsection (a)(3)) shall not be subject to judicial review.

(f) COMPETITIVE BASIS OF AWARDS.—Any grant, cooperative agreement, or contract awarded under this section shall be awarded on a competitive basis.

(g) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—For purposes of carrying out this section, there are authorized to be appropriated \$500,000,000 for fiscal year 2010, and such sums as may be necessary for subsequent fiscal years. Funds appropriated under this section shall be available until expended.

(2) LIMITATION ON USE OF FUNDS OTHERWISE APPROPRIATED.—No funds appropriated under this Act, other than funds appropriated under paragraph (1), may be allocated to the Cures Acceleration Network.

OFFICE OF RARE DISEASES

SEC. 481. [287a–1] (a) ESTABLISHMENT.—There is established within the Center an office to be known as the Office of Rare Diseases (in this section referred to as the “Office”), which shall be headed by a Director (in this section referred to as the “Director”), appointed by the Director of the Center.

(b) DUTIES.—

(1) IN GENERAL.—The Director of the Office shall carry out the following:

(A) The Director shall recommend an agenda for conducting and supporting research on rare diseases through the national research institutes and centers. The agenda shall provide for a broad range of research and education activities, including scientific workshops and symposia to identify research opportunities for rare diseases.

(B) The Director shall, with respect to rare diseases, promote coordination and cooperation among the national research institutes and centers and entities whose research is supported by such institutes.

(C) The Director, in collaboration with the directors of the other relevant institutes and centers of the National Institutes of Health, may enter into cooperative agreements with and make grants for regional centers of excellence on rare diseases in accordance with section 481A.

(D) The Director shall promote the sufficient allocation of the resources of the National Institutes of Health for conducting and supporting research on rare diseases.

(E) The Director shall promote and encourage the establishment of a centralized clearinghouse for rare and genetic disease information that will provide understandable information about these diseases to the public, medical professionals, patients and families.

(2) PRINCIPAL ADVISOR REGARDING ORPHAN DISEASES.—With respect to rare diseases, the Director shall serve as the principal advisor to the Director of NIH and shall provide advice to other relevant agencies. The Director shall provide liaison with national and international patient, health and scientific organizations concerned with rare diseases.

(c) DEFINITION.—For purposes of this section, the term “rare disease” means any disease or condition that affects less than 200,000 persons in the United States.

RARE DISEASE REGIONAL CENTERS OF EXCELLENCE

SEC. 481A. [287a–2] (a) COOPERATIVE AGREEMENTS AND GRANTS.—

(1) IN GENERAL.—The Director of the Office of Rare Diseases (in this section referred to as the “Director”), in collaboration with the directors of the other relevant institutes and centers of the National Institutes of Health, may enter into cooperative agreements with and make grants to public or private nonprofit entities to pay all or part of the cost of planning, establishing, or strengthening, and providing basic operating support for regional centers of excellence for clinical research into, training in, and demonstration of diagnostic, prevention, control, and treatment methods for rare diseases.

(2) POLICIES.—A cooperative agreement or grant under paragraph (1) shall be entered into in accordance with policies established by the Director of NIH.

(b) COORDINATION WITH OTHER INSTITUTES.—The Director shall coordinate the activities under this section with similar activi-

ties conducted by other national research institutes, centers and agencies of the National Institutes of Health and by the Food and Drug Administration to the extent that such institutes, centers and agencies have responsibilities that are related to rare diseases.

(c) **USES FOR FEDERAL PAYMENTS UNDER COOPERATIVE AGREEMENTS OR GRANTS.**—Federal payments made under a cooperative agreement or grant under subsection (a) may be used for—

(1) staffing, administrative, and other basic operating costs, including such patient care costs as are required for research;

(2) clinical training, including training for allied health professionals, continuing education for health professionals and allied health professions personnel, and information programs for the public with respect to rare diseases; and

(3) clinical research and demonstration programs.

(d) **PERIOD OF SUPPORT; ADDITIONAL PERIODS.**—Support of a center under subsection (a) may be for a period of not to exceed 5 years. Such period may be extended by the Director for additional periods of not more than 5 years if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

SEC. 481B. [287a–3] GENERAL CLINICAL RESEARCH CENTERS.

(a) **GRANTS.**—The Director of the Center shall award grants for the establishment of general clinical research centers to provide the infrastructure for clinical research including clinical research training and career enhancement. Such centers shall support clinical studies and career development in all settings of the hospital or academic medical center involved.

(b) **ACTIVITIES.**—In carrying out subsection (a), the Director of National Institutes of Health shall expand the activities of the general clinical research centers through the increased use of telecommunications and telemedicine initiatives.

Subpart 2—John E. Fogarty International Center for Advanced Study in the Health Sciences

GENERAL PURPOSE

SEC. 482. [287b] The general purpose of the John E. Fogarty International Center for Advanced Study in the Health Sciences is to—

(1) facilitate the assembly of scientists and others in the biomedical, behavioral, and related fields for discussion, study, and research relating to the development of health science internationally;

(2) provide research programs, conferences, and seminars to further international cooperation and collaboration in the life sciences;

(3) provide postdoctorate fellowships for research training in the United States and abroad and promote exchanges of senior scientists between the United States and other countries;

- (4) coordinate the activities of the National Institutes of Health concerned with the health sciences internationally; and
- (5) receive foreign visitors to the National Institutes of Health.

Subpart 4—Office of Dietary Supplements⁵¹

SEC. 485C. [287c-11] DIETARY SUPPLEMENTS.

(a) **ESTABLISHMENT.**—The Secretary shall establish an Office of Dietary Supplements within the National Institutes of Health.

(b) **PURPOSE.**—The purposes of the Office are—

(1) to explore more fully the potential role of dietary supplements as a significant part of the efforts of the United States to improve health care; and

(2) to promote scientific study of the benefits of dietary supplements in maintaining health and preventing chronic disease and other health-related conditions.

(c) **DUTIES.**—The Director of the Office of Dietary Supplements shall—

(1) conduct and coordinate scientific research within the National Institutes of Health relating to dietary supplements and the extent to which the use of dietary supplements can limit or reduce the risk of diseases such as heart disease, cancer, birth defects, osteoporosis, cataracts, or prostatism;

(2) collect and compile the results of scientific research relating to dietary supplements, including scientific data from foreign sources or the Office of Alternative Medicine;

(3) serve as the principal advisor to the Secretary and to the Assistant Secretary for Health and provide advice to the Director of the National Institutes of Health, the Director of the Centers for Disease Control and Prevention, and the Commissioner of Food and Drugs on issues relating to dietary supplements including—

(A) dietary intake regulations;

(B) the safety of dietary supplements;

(C) claims characterizing the relationship between—

(i) dietary supplements; and

(ii)(I) prevention of disease or other health-related conditions; and

(II) maintenance of health; and

(D) scientific issues arising in connection with the labeling and composition of dietary supplements;

(4) compile a database of scientific research on dietary supplements and individual nutrients; and

(5) coordinate funding relating to dietary supplements for the National Institutes of Health.

(d) **DEFINITION.**—As used in this section, the term “dietary supplement” has the meaning given the term in section 201(ff) of the Federal Food, Drug, and Cosmetic Act.

⁵¹Subpart 3 of this part was transferred and redesignated as subpart 19 of part C by section 101(c) of Public Law 109-482.

Subpart 5—National Center for Complementary and Integrative Health

SEC. 485D. [287c-21] PURPOSE OF CENTER.

(a) **IN GENERAL.**—The general purposes of the National Center for Complementary and Integrative Health (in this subpart referred to as the “Center”) are the conduct and support of basic and applied research (including both intramural and extramural research), research training, the dissemination of health information, and other programs with respect to identifying, investigating, and validating complementary and integrative health, diagnostic and prevention modalities, disciplines and systems. The Center shall be headed by a director, who shall be appointed by the Secretary. The Director of the Center shall report directly to the Director of NIH.

(b) **ADVISORY COUNCIL.**—The Secretary shall establish an advisory council for the Center in accordance with section 406, except that at least half of the members of the advisory council who are not ex officio members shall include practitioners licensed in one or more of the major systems with which the Center is concerned, and at least 3 individuals representing the interests of individual consumers of complementary and integrative health.

(c) In carrying out subsection (a), the Director of the Center shall, as appropriate, study the integration of new and non-traditional approaches to health care treatment and consumption, including but not limited to non-traditional treatment, diagnostic and prevention systems, modalities, and disciplines.

(d) **APPROPRIATE SCIENTIFIC EXPERTISE AND COORDINATION WITH INSTITUTES AND FEDERAL AGENCIES.**—The Director of the Center, after consultation with the advisory council for the Center and the division of research grants, shall ensure that scientists with appropriate expertise in research on complementary and integrative health are incorporated into the review, oversight, and management processes of all research projects and other activities funded by the Center. In carrying out this subsection, the Director of the Center, as necessary, may establish review groups with appropriate scientific expertise. The Director of the Center shall coordinate efforts with other Institutes and Federal agencies to ensure appropriate scientific input and management.

(e) **EVALUATION OF VARIOUS DISCIPLINES AND SYSTEMS.**—In carrying out subsection (a), the Director of the Center shall identify and evaluate complementary and integrative health, diagnostic and prevention modalities in each of the disciplines and systems with which the Center is concerned, including each discipline and system in which accreditation, national certification, or a State license is available.

(f) **ENSURING HIGH QUALITY, RIGOROUS SCIENTIFIC REVIEW.**—In order to ensure high quality, rigorous scientific review of complementary and alternative, diagnostic and prevention modalities, disciplines and systems, the Director of the Center shall conduct or support the following activities:

- (1) Outcomes research and investigations.
- (2) Epidemiological studies.
- (3) Health services research.
- (4) Basic science research.

(5) Clinical trials.

(6) Other appropriate research and investigational activities.

The Director of NIH, in coordination with the Director of the Center, shall designate specific personnel in each Institute to serve as full-time liaisons with the Center in facilitating appropriate coordination and scientific input.

(g) DATA SYSTEM; INFORMATION CLEARINGHOUSE.—

(1) DATA SYSTEM.—The Director of the Center shall establish a bibliographic system for the collection, storage, and retrieval of worldwide research relating to complementary and integrative health, diagnostic and prevention modalities, disciplines and systems. Such a system shall be regularly updated and publicly accessible.

(2) CLEARINGHOUSE.—The Director of the Center shall establish an information clearinghouse to facilitate and enhance, through the effective dissemination of information, knowledge and understanding of integrative health treatment, diagnostic and prevention practices by health professionals, patients, industry, and the public.

(h) RESEARCH CENTERS.—The Director of the Center, after consultation with the advisory council for the Center, shall provide support for the development and operation of multipurpose centers to conduct research and other activities described in subsection (a) with respect to complementary and integrative health, diagnostic and prevention modalities, disciplines and systems. The provision of support for the development and operation of such centers shall include accredited complementary and integrative health research and education facilities.

(i) AVAILABILITY OF RESOURCES.—After consultation with the Director of the Center, the Director of NIH shall ensure that resources of the National Institutes of Health, including laboratory and clinical facilities, fellowships (including research training fellowship and junior and senior clinical fellowships), and other resources are sufficiently available to enable the Center to appropriately and effectively carry out its duties as described in subsection (a). The Director of NIH, in coordination with the Director of the Center, shall designate specific personnel in each Institute to serve as full-time liaisons with the Center in facilitating appropriate coordination and scientific input.

(j) AVAILABILITY OF APPROPRIATIONS.—Amounts appropriated to carry out this section for fiscal year 1999 are available for obligation through September 30, 2001. Amounts appropriated to carry out this section for fiscal year 2000 are available for obligation through September 30, 2001.

PART F—RESEARCH ON WOMEN'S HEALTH

SEC. 486. [287d] OFFICE OF RESEARCH ON WOMEN'S HEALTH.

(a) ESTABLISHMENT.—There is established within the Office of the Director of NIH an office to be known as the Office of Research on Women's Health (in this part referred to as the "Office"). The Office shall be headed by a director, who shall be appointed by the Director of NIH and who shall report directly to the Director.

(b) PURPOSE.—The Director of the Office shall—

(1) identify projects of research on women's health that should be conducted or supported by the national research institutes;

(2) identify multidisciplinary research relating to research on women's health that should be so conducted or supported;

(3) carry out paragraphs (1) and (2) with respect to the aging process in women, with priority given to menopause;

(4) promote coordination and collaboration among entities conducting research identified under any of paragraphs (1) through (3);

(5) encourage the conduct of such research by entities receiving funds from the national research institutes;

(6) recommend an agenda for conducting and supporting such research;

(7) promote the sufficient allocation of the resources of the national research institutes for conducting and supporting such research;

(8) assist in the administration of section 492B with respect to the inclusion of women as subjects in clinical research; and

(9) prepare the report required in section 486B.

(c) COORDINATING COMMITTEE.—

(1) In carrying out subsection (b), the Director of the Office shall establish a committee to be known as the Coordinating Committee on Research on Women's Health (in this subsection referred to as the "Coordinating Committee").

(2) The Coordinating Committee shall be composed of the Directors of the national research institutes (or the senior-level staff designees of the Directors).

(3) The Director of the Office shall serve as the chair of the Coordinating Committee.

(4) With respect to research on women's health, the Coordinating Committee shall assist the Director of the Office in—

(A) identifying the need for such research, and making an estimate each fiscal year of the funds needed to adequately support the research;

(B) identifying needs regarding the coordination of research activities, including intramural and extramural multidisciplinary activities;

(C) supporting the development of methodologies to determine the circumstances in which obtaining data specific to women (including data relating to the age of women and the membership of women in ethnic or racial groups) is an appropriate function of clinical trials of treatments and therapies;

(D) supporting the development and expansion of clinical trials of treatments and therapies for which obtaining such data has been determined to be an appropriate function; and

(E) encouraging the national research institutes to conduct and support such research, including such clinical trials.

(d) ADVISORY COMMITTEE.—

(1) In carrying out subsection (b), the Director of the Office shall establish an advisory committee to be known as the Advisory Committee on Research on Women's Health (in this subsection referred to as the "Advisory Committee").

(2) The Advisory Committee shall be composed of no fewer than 12, and not more than 18 individuals, who are not officers or employees of the Federal Government. The Director of NIH shall make appointments to the Advisory Committee from among physicians, practitioners, scientists, and other health professionals, whose clinical practice, research specialization, or professional expertise includes a significant focus on research on women's health. A majority of the members of the Advisory Committee shall be women.

(3) The Director of the Office shall serve as the chair of the Advisory Committee.

(4) The Advisory Committee shall—

(A) advise the Director of the Office on appropriate research activities to be undertaken by the national research institutes with respect to—

- (i) research on women's health;
- (ii) research on gender differences in clinical drug trials, including responses to pharmacological drugs;
- (iii) research on gender differences in disease etiology, course, and treatment;
- (iv) research on obstetrical and gynecological health conditions, diseases, and treatments, including preventable maternal mortality and severe maternal morbidity; and
- (v) research on women's health conditions which require a multidisciplinary approach;

(B) report to the Director of the Office on such research;

(C) provide recommendations to such Director regarding activities of the Office (including recommendations on the development of the methodologies described in subsection (c)(4)(C) and recommendations on priorities in carrying out research described in subparagraph (A)); and

(D) assist in monitoring compliance with section 492B regarding the inclusion of women in clinical research.

(5)(A) The Advisory Committee shall prepare a biennial report describing the activities of the Committee, including findings made by the Committee regarding—

- (i) compliance with section 492B;
- (ii) the extent of expenditures made for research on women's health by the agencies of the National Institutes of Health; and
- (iii) the level of funding needed for such research.

(B) The report required in subparagraph (A) shall be submitted to the Director of NIH for inclusion in the report required in section 403.

(e) REPRESENTATION OF WOMEN AMONG RESEARCHERS.—The Secretary, acting through the Assistant Secretary for Personnel and in collaboration with the Director of the Office, shall determine

the extent to which women are represented among senior physicians and scientists of the national research institutes and among physicians and scientists conducting research with funds provided by such institutes, and as appropriate, carry out activities to increase the extent of such representation.

(f) DEFINITIONS.—For purposes of this part:

(1) The term “women’s health conditions”, with respect to women of all age, ethnic, and racial groups, means all diseases, disorders, and conditions (including with respect to mental health)—

(A) unique to, more serious, or more prevalent in women;

(B) for which the factors of medical risk or types of medical intervention are different for women, or for which it is unknown whether such factors or types are different for women; or

(C) with respect to which there has been insufficient clinical research involving women as subjects or insufficient clinical data on women.

(2) The term “research on women’s health” means research on women’s health conditions, including research on preventing such conditions.

SEC. 486A. [287d-1] NATIONAL DATA SYSTEM AND CLEARINGHOUSE ON RESEARCH ON WOMEN’S HEALTH.

(a) DATA SYSTEM.—

(1) The Director of NIH, in consultation with the Director of the Office and the Director of the National Library of Medicine, shall establish a data system for the collection, storage, analysis, retrieval, and dissemination of information regarding research on women’s health that is conducted or supported by the national research institutes. Information from the data system shall be available through information systems available to health care professionals and providers, researchers, and members of the public.

(2) The data system established under paragraph (1) shall include a registry of clinical trials of experimental treatments that have been developed for research on women’s health. Such registry shall include information on subject eligibility criteria, sex, age, ethnicity or race, and the location of the trial site or sites. Principal investigators of such clinical trials shall provide this information to the registry within 30 days after it is available. Once a trial has been completed, the principal investigator shall provide the registry with information pertaining to the results, including potential toxicities or adverse effects associated with the experimental treatment or treatments evaluated.

(b) CLEARINGHOUSE.—The Director of NIH, in consultation with the Director of the Office and with the National Library of Medicine, shall establish, maintain, and operate a program to provide information on research and prevention activities of the national research institutes that relate to research on women’s health.

SEC. 486B. [287d-2] BIENNIAL REPORT.

(a) **IN GENERAL.**—With respect to research on women’s health, the Director of the Office shall, not later than February 1, 1994, and biennially thereafter, prepare a report—

(1) describing and evaluating the progress made during the preceding 2 fiscal years in research and treatment conducted or supported by the National Institutes of Health;

(2) describing and analyzing the professional status of women physicians and scientists of such Institutes, including the identification of problems and barriers regarding advancements;

(3) summarizing and analyzing expenditures made by the agencies of such Institutes (and by such Office) during the preceding 2 fiscal years; and

(4) making such recommendations for legislative and administrative initiatives as the Director of the Office determines to be appropriate.

(b) **INCLUSION IN BIENNIAL REPORT OF DIRECTOR OF NIH.**—The Director of the Office shall submit each report prepared under subsection (a) to the Director of NIH for inclusion in the report submitted to the President and the Congress under section 403.

PART G—AWARDS AND TRAINING**RUTH L. KIRSCHSTEIN NATIONAL RESEARCH SERVICE AWARDS**⁵²

SEC. 487. [288] (a)(1) The Secretary shall—

(A) provide Ruth L. Kirschstein National Research Service Awards⁵³ for—

(i) biomedical and behavioral research at the National Institutes of Health in matters relating to the cause, diagnosis, prevention, and treatment of the diseases or other health problems to which the activities of the National Institutes of Health and Administration⁵⁴ are directed;

(ii) training at the National Institutes of Health and at the Administration⁵⁴ of individuals to undertake such research;

(iii) biomedical and behavioral research and health services research (including research in primary medical care) at public and nonprofit private entities; and

(iv) pre-doctoral and post-doctoral training at public and private institutions of individuals to undertake biomedical and behavioral research;

(B) make grants to public and nonprofit private institutions to enable such institutions to make Ruth L. Kirschstein National Research Service Awards for research (and training to undertake biomedical and behavioral research) in the mat-

⁵³Section 804(c) of Public Law 107–206 (116 Stat. 874) provides as follows:

“(c) Any reference in any law (other than this Act), regulation, document, record, map, or other paper of the United States to ‘National Research Service Awards’ shall be considered to be a reference to ‘Ruth L. Kirschstein National Research Service Awards’”.

⁵⁴So in law. Section 163(b)(4)(B) of Public Law 102–321 (106 Stat. 376) struck a reference in paragraph (1) to the former Alcohol, Drug Abuse, and Mental Health Administration, but failed to conform related references.

ters described in subparagraph (A)(i) to individuals selected by such institutions; and

(C) provide contracts for scholarships and loan repayments in accordance with sections 487D and 487E, subject to providing not more than an aggregate 50 such contracts during the fiscal years 1994 through 1996.

A reference in this subsection to the National Institutes of Health shall be considered to include the institutes, agencies, divisions, and bureaus included in the National Institutes of Health or under the Administration,⁵⁴ as the case may be.

(2) Ruth L. Kirschstein National Research Service Awards may not be used to support residency training of physicians and other health professionals.

(3) In awarding Ruth L. Kirschstein National Research Service Awards under this section, the Secretary shall take account of the Nation's overall need for biomedical research personnel by giving special consideration to physicians who agree to undertake a minimum of two years of biomedical research.

(4) The Secretary shall carry out paragraph (1) in a manner that will result in the recruitment of women, and individuals from disadvantaged backgrounds (including racial and ethnic minorities), into fields of biomedical or behavioral research and in the provision of research training to women and such individuals.

(b)(1) No Ruth L. Kirschstein National Research Service Award may be made by the Secretary to any individual unless—

(A) the individual has submitted to the Secretary an application therefor and the Secretary has approved the application;

(B) the individual provides, in such form and manner as the Secretary shall by regulation prescribe, assurances satisfactory to the Secretary that the individual will meet the service requirement of subsection (c); and

(C) in the case of a Ruth L. Kirschstein National Research Service Award for a purpose described in subsection (a)(1)(A)(iii), the individual has been sponsored (in such manner as the Secretary may by regulation require) by the institution at which the research or training under the award will be conducted.

An application for an award shall be in such form, submitted in such manner, and contain such information, as the Secretary may by regulation prescribe.

(2) The making of grants under subsection (a)(1)(B) for Ruth L. Kirschstein National Research Service Awards shall be subject to review and approval by the appropriate advisory councils within the Department of Health and Human Services (A) whose activities relate to the research or training under the awards, or (B) for the entity at which such research or training will be conducted.

(3) No grant may be made under subsection (a)(1)(B) unless an application therefor has been submitted to and approved by the Secretary. Such application shall be in such form, submitted in such manner, and contain such information, as the Secretary may by regulation prescribe. Subject to the provisions of this section (other than paragraph (1)), Ruth L. Kirschstein National Research Service Awards made under a grant under subsection (a)(1)(B)

shall be made in accordance with such regulations as the Secretary shall prescribe.

(4) The period of any Ruth L. Kirschstein National Research Service Award made to any individual under subsection (a) may not exceed—

(A) five years in the aggregate for pre-doctoral training; and

(B) three years in the aggregate for post-doctoral training; unless the Secretary for good cause shown waives the application of such limit to such individual.

(5) Ruth L. Kirschstein National Research Service Awards shall provide for such stipends, tuition, fees, and allowances (including travel and subsistence expenses and dependency allowances), adjusted periodically to reflect increases in the cost of living, for the recipients of the awards as the Secretary may deem necessary. A Ruth L. Kirschstein National Research Service Award made to an individual for research or research training at a non-Federal public or nonprofit private institution shall also provide for payments to be made to the institution for the cost of support services (including the cost of faculty salaries, supplies, equipment, general research support, and related items) provided such individual by such institution. The amount of any such payments to any institution shall be determined by the Secretary and shall bear a direct relationship to the reasonable costs of the institution for establishing and maintaining the quality of its biomedical and behavioral research and training programs.

(c)(1) Each individual who is awarded a Ruth L. Kirschstein National Research Service Award for postdoctoral research training shall, in accordance with paragraph (3), engage in research training, research, or teaching that is health-related (or any combination thereof) for the period specified in paragraph (2). Such period shall be served in accordance with the usual patterns of scientific employment.

(2)(A) The period referred to in paragraph (1) is 12 months, or one month for each month for which the individual involved receives a Ruth L. Kirschstein National Research Service Award for postdoctoral research training, whichever is less.

(B) With respect to postdoctoral research training, in any case in which an individual receives a Ruth L. Kirschstein National Research Service Award for more than 12 months, the 13th month and each subsequent month of performing activities under the Award shall be considered to be activities engaged in toward satisfaction of the requirement established in paragraph (1) regarding a period of service.

(3) The requirement of paragraph (1) shall be complied with by any individual to whom it applies within such reasonable period of time, after the completion of such individual's award, as the Secretary shall by regulation prescribe. The Secretary shall by regulation prescribe the type of research and teaching in which an individual may engage to comply with such requirement and such other requirements respecting research and teaching as the Secretary considers appropriate.

(4)(A) If any individual to whom the requirement of paragraph (1) is applicable fails, within the period prescribed by paragraph

(3), to comply with such requirements, the United States shall be entitled to recover from such individual an amount determined in accordance with the formula—

$$A = \Phi \left(\frac{t-s}{t} \right)$$

in which “A” is the amount the United States is entitled to recover; “Φ” is the sum of the total amount paid under one or more Ruth L. Kirschstein National Research Service Awards to such individual; “t” is the total number of months in such individual’s service obligation; and “s” is the number of months of such obligation served by such individual in accordance with paragraphs (1) and (2) of this subsection.

(B) Any amount which the United States is entitled to recover under subparagraph (A) shall, within the three-year period beginning on the date the United States becomes entitled to recover such amount, be paid to the United States. Until any amount due the United States under subparagraph (A) on account of any Ruth L. Kirschstein National Research Service Award is paid, there shall accrue to the United States interest on such amount at a rate fixed by the Secretary of the Treasury after taking into consideration private consumer rates of interest prevailing on the date the United States becomes entitled to such amount.

(5)(A) Any obligation of an individual under paragraph (1) shall be canceled upon the death of such individual.

(B) The Secretary shall by regulation provide for the waiver or suspension of any such obligation applicable to any individual whenever compliance by such individual is impossible or would involve substantial hardship to such individual or would be against equity and good conscience.

INTRAMURAL LOAN REPAYMENT PROGRAM⁵⁵

SEC. 487A. [288–1] (a) IN GENERAL.—The Director of the National Institutes of Health shall, as appropriate and based on work-force and scientific priorities, carry out a program through the subcategories listed in subsection (b)(1) (or modified subcategories as provided for in subsection (b)(2)) of entering into agreements with appropriately qualified health professionals under which such health professionals agree to conduct research, as employees of the National Institutes of Health, in consideration of the Federal Government agreeing to repay, for each year of such service, not more than \$50,000 of the principal and interest of the educational loans of such health professionals.

(b) SUBCATEGORIES OF RESEARCH.—

(1) IN GENERAL.—In carrying out the program under subsection (a), the Director of the National Institutes of Health—

(A) shall continue to focus on—

(i) general research;

(ii) research on acquired immune deficiency syndrome; and

(iii) clinical research conducted by appropriately qualified health professional who are from disadvantaged backgrounds; and

(B) may focus on an area of emerging scientific or workforce need.

(2) **ELIMINATION OR ESTABLISHMENT OF SUBCATEGORIES.**—The Director of the National Institutes of Health may eliminate one or more subcategories provided for in paragraph (1) due to changes in workforce or scientific needs related to biomedical research. The Director may establish other subcategory areas based on workforce and scientific priorities if the total number of subcategories does not exceed the number of subcategories listed in paragraph (1).

(c) **LIMITATION.**—The Director of the National Institutes of Health may not enter into a contract with a health professional pursuant to subsection (a) unless such professional has a substantial amount of education loans relative to income (as determined pursuant to guidelines issued by the Director).

(d) **APPLICABILITY OF CERTAIN PROVISIONS.**—With respect to the National Health Service Corps Loan Repayment Program established in subpart III of part D of title III, the provisions of such subpart shall, except as inconsistent with subsection (a) of this section, apply to the program established in such subsection (a) in the same manner and to the same extent as such provisions apply to the National Health Service Corps Loan Repayment Program established in such subpart.

(e) **AVAILABILITY OF APPROPRIATIONS.**—Amounts available for carrying out this section shall remain available until the expiration of the second fiscal year beginning after the fiscal year for which such amounts are made available.

EXTRAMURAL LOAN REPAYMENT PROGRAM⁵⁶

SEC. 487B. [288–2] (a) **IN GENERAL.**—The Director of the National Institutes of Health shall, as appropriate and based on workforce and scientific priorities, carry out a program through the subcategories listed in subsection (b)(1) (or modified subcategories as provided for in subsection (b)(2)), of entering into contracts with qualified health professionals under which such health professionals agree to conduct research in consideration of the Federal Government agreeing to repay, for each year of such research, not more than \$50,000 of the principal and interest of the educational loans of such health professionals.

(b) **SUBCATEGORIES OF RESEARCH.**—

(1) **IN GENERAL.**—In carrying out the program under subsection (a), the Director of the National Institutes of Health—

(A) shall continue to focus on—

(i) contraception or infertility research;

- (ii) pediatric research, including pediatric pharmacological research;
- (iii) minority health disparities research;
- (iv) clinical research; and
- (v) clinical research conducted by appropriately qualified health professional who are from disadvantaged backgrounds; and

(B) may focus on an area of emerging scientific or workforce need.

(2) ELIMINATION OR ESTABLISHMENT OF SUBCATEGORIES.—

The Director of the National Institutes of Health may eliminate one or more subcategories provided for in paragraph (1) due to changes in workforce or scientific needs related to biomedical research. The Director may establish other subcategory areas based on workforce and scientific priorities if the total number of subcategories does not exceed the number of subcategories listed in paragraph (1).

(c) LIMITATION.—The Director of the National Institutes of Health may not enter into a contract with a health professional pursuant to subsection (a) unless such professional has a substantial amount of education loans relative to income (as determined pursuant to guidelines issued by the Director).

(d) APPLICABILITY OF CERTAIN PROVISIONS REGARDING OBLIGATED SERVICE.—The provisions of sections 338B, 338C, and 338E shall, except as inconsistent with subsection (a) of this section, apply to the program established in subsection (a) to the same extent and in the same manner as such provisions apply to the National Health Service Corps Loan Repayment Program established in subpart III of part D of title III.

(e) AVAILABILITY OF APPROPRIATIONS.—Amounts available for carrying out this section shall remain available until the expiration of the second fiscal year beginning after the fiscal year for which the amounts were made available.

UNDERGRADUATE SCHOLARSHIP PROGRAM REGARDING PROFESSIONS
NEEDED BY NATIONAL RESEARCH INSTITUTES

SEC. 487D. 【288–4】 (a) ESTABLISHMENT OF PROGRAM.—

(1) IN GENERAL.—Subject to section 487(a)(1)(C), the Secretary, acting through the Director of NIH, may carry out a program of entering into contracts with individuals described in paragraph (2) under which—

(A) the Director of NIH agrees to provide to the individuals scholarships for pursuing, as undergraduates at accredited institutions of higher education, academic programs appropriate for careers in professions needed by the National Institutes of Health; and

(B) the individuals agree to serve as employees of the National Institutes of Health, for the period described in subsection (c), in positions that are needed by the National Institutes of Health and for which the individuals are qualified.

(2) INDIVIDUALS FROM DISADVANTAGED BACKGROUNDS.—The individuals referred to in paragraph (1) are individuals who—

(A) are enrolled or accepted for enrollment as full-time undergraduates at accredited institutions of higher education; and

(B) are from disadvantaged backgrounds.

(b) FACILITATION OF INTEREST OF STUDENTS IN CAREERS AT NATIONAL INSTITUTES OF HEALTH.—In providing employment to individuals pursuant to contracts under subsection (a)(1), the Director of NIH shall carry out activities to facilitate the interest of the individuals in pursuing careers as employees of the National Institutes of Health.

(c) PERIOD OF OBLIGATED SERVICE.—

(1) DURATION OF SERVICE.—For purposes of subparagraph (B) of subsection (a)(1), the period of service for which an individual is obligated to serve as an employee of the National Institutes of Health is, subject to paragraph (2)(A), 12 months for each academic year for which the scholarship under such subsection is provided.

(2) SCHEDULE FOR SERVICE.—

(A) Subject to subparagraph (B), the Director of NIH may not provide a scholarship under subsection (a) unless the individual applying for the scholarship agrees that—

(i) the individual will serve as an employee of the National Institutes of Health full-time for not less than 10 consecutive weeks of each year during which the individual is attending the educational institution involved and receiving such a scholarship;

(ii) the period of service as such an employee that the individual is obligated to provide under clause (i) is in addition to the period of service as such an employee that the individual is obligated to provide under subsection (a)(1)(B); and

(iii) not later than 60 days after obtaining the educational degree involved, the individual will begin serving full-time as such an employee in satisfaction of the period of service that the individual is obligated to provide under subsection (a)(1)(B).

(B) The Director of NIH may defer the obligation of an individual to provide a period of service under subsection (a)(1)(B), if the Director determines that such a deferral is appropriate.

(3) APPLICABILITY OF CERTAIN PROVISIONS RELATING TO APPOINTMENT AND COMPENSATION.—For any period in which an individual provides service as an employee of the National Institutes of Health in satisfaction of the obligation of the individual under subsection (a)(1)(B) or paragraph (2)(A)(i), the individual may be appointed as such an employee without regard to the provisions of title 5, United States Code, relating to appointment and compensation.

(d) PROVISIONS REGARDING SCHOLARSHIP.—

(1) APPROVAL OF ACADEMIC PROGRAM.—The Director of NIH may not provide a scholarship under subsection (a) for an academic year unless—

(A) the individual applying for the scholarship has submitted to the Director a proposed academic program for the year and the Director has approved the program; and

(B) the individual agrees that the program will not be altered without the approval of the Director.

(2) ACADEMIC STANDING.—The Director of NIH may not provide a scholarship under subsection (a) for an academic year unless the individual applying for the scholarship agrees to maintain an acceptable level of academic standing, as determined by the educational institution involved in accordance with regulations issued by the Secretary.

(3) LIMITATION ON AMOUNT.—The Director of NIH may not provide a scholarship under subsection (a) for an academic year in an amount exceeding \$20,000.

(4) AUTHORIZED USES.—A scholarship provided under subsection (a) may be expended only for tuition expenses, other reasonable educational expenses, and reasonable living expenses incurred in attending the school involved.

(5) CONTRACT REGARDING DIRECT PAYMENTS TO INSTITUTION.—In the case of an institution of higher education with respect to which a scholarship under subsection (a) is provided, the Director of NIH may enter into a contract with the institution under which the amounts provided in the scholarship for tuition and other educational expenses are paid directly to the institution.

(e) PENALTIES FOR BREACH OF SCHOLARSHIP CONTRACT.—The provisions of section 338E shall apply to the program established in subsection (a) to the same extent and in the same manner as such provisions apply to the National Health Service Corps Loan Repayment Program established in section 338B.

(f) REQUIREMENT OF APPLICATION.—The Director of NIH may not provide a scholarship under subsection (a) unless an application for the scholarship is submitted to the Director and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Director determines to be necessary to carry out this section.

(g) AVAILABILITY OF AUTHORIZATION OF APPROPRIATIONS.—Amounts appropriated for a fiscal year for scholarships under this section shall remain available until the expiration of the second fiscal year beginning after the fiscal year for which the amounts were appropriated.

VISITING SCIENTIST AWARDS

SEC. 488. [288a] (a) The Secretary may make awards (hereafter in this section referred to as “Visiting Scientist Awards”) to outstanding scientists who agree to serve as visiting scientists at institutions of postsecondary education which have significant enrollments of disadvantaged students. Visiting Scientist Awards shall be made by the Secretary to enable the faculty and students of such institutions to draw upon the special talents of scientists

from other institutions for the purpose of receiving guidance, advice, and instruction with regard to research, teaching, and curriculum development in the biomedical and behavioral sciences and such other aspects of these sciences as the Secretary shall deem appropriate.

(b) The amount of each Visiting Scientist Award shall include such sum as shall be commensurate with the salary or remuneration which the individual receiving the award would have been entitled to receive from the institution with which the individual has, or had, a permanent or immediately prior affiliation. Eligibility for and terms of Visiting Scientist Awards shall be determined in accordance with regulations the Secretary shall prescribe.

STUDIES RESPECTING BIOMEDICAL AND BEHAVIORAL RESEARCH
PERSONNEL

SEC. 489. [288b] (a) The Secretary shall, in accordance with subsection (b), arrange for the conduct of a continuing study to—

(1) establish (A) the Nation's overall need for biomedical and behavioral research personnel, (B) the subject areas in which such personnel are needed and the number of such personnel needed in each such area, and (C) the kinds and extent of training which should be provided such personnel;

(2) assess (A) current training programs available for the training of biomedical and behavioral research personnel which are conducted under this Act, at or through national research institutes under the National Institutes of Health, and (B) other current training programs available for the training of such personnel;

(3) identify the kinds of research positions available to and held by individuals completing such programs;

(4) determine, to the extent feasible, whether the programs referred to in clause (B) of paragraph (2) would be adequate to meet the needs established under paragraph (1) if the programs referred to in clause (A) of paragraph (2) were terminated; and

(5) determine what modifications in the programs referred to in paragraph (2) are required to meet the needs established under paragraph (1).

(b)(1) The Secretary shall request the National Academy of Sciences to conduct the study required by subsection (a) under an arrangement under which the actual expenses incurred by such Academy in conducting such study will be paid by the Secretary. If the National Academy of Sciences is willing to do so, the Secretary shall enter into such an arrangement with such Academy for the conduct of such study.

(2) If the National Academy of Sciences is unwilling to conduct such study under such an arrangement, then the Secretary shall enter into a similar arrangement with other appropriate nonprofit private groups or associations under which such groups or associations will conduct such study and prepare and submit the reports thereon as provided in subsection (c).

(3) The National Academy of Sciences or other group or association conducting the study required by subsection (a) shall conduct such study in consultation with the Director of NIH.

(c) A report on the results of the study required under subsection (a) shall be submitted by the Secretary to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate at least once every four years.

PART H—GENERAL PROVISIONS

INSTITUTIONAL REVIEW BOARDS; ETHICS GUIDANCE PROGRAM

SEC. 491. [289] (a) The Secretary shall by regulation require that each entity which applies for a grant, contract, or cooperative agreement under this Act for any project or program which involves the conduct of biomedical or behavioral research involving human subjects submit in or with its application for such grant, contract, or cooperative agreement assurances satisfactory to the Secretary that it has established (in accordance with regulations which the Secretary shall prescribe) a board (to be known as an “Institutional Review Board”) to review biomedical and behavioral research involving human subjects conducted at or supported by such entity in order to protect the rights of the human subjects of such research.

(b)(1) The Secretary shall establish a program within the Department of Health and Human Services under which requests for clarification and guidance with respect to ethical issues raised in connection with biomedical or behavioral research involving human subjects are responded to promptly and appropriately.

(2) The Secretary shall establish a process for the prompt and appropriate response to information provided to the Director of NIH respecting incidences of violations of the rights of human subjects of research for which funds have been made available under this Act. The process shall include procedures for the receiving of reports of such information from recipients of funds under this Act and taking appropriate action with respect to such violations.

PEER REVIEW REQUIREMENTS

SEC. 492. [289a] (a)(1) The Secretary, acting through the Director of NIH, shall by regulation require appropriate technical and scientific peer review of—

(A) applications made for grants and cooperative agreements under this Act for biomedical and behavioral research; and

(B) applications made for biomedical and behavioral research and development contracts to be administered through the National Institutes of Health.

(2) Regulations promulgated under paragraph (1) shall require that the review of applications made for grants, contracts, and cooperative agreements required by the regulations be conducted—

(A) to the extent practical, in a manner consistent with the system for technical and scientific peer review applicable on the date of the date of enactment of the Health Research Ex-

tension Act of 1985 to grants under this Act for biomedical and behavioral research, and

(B) to the extent practical, by technical and scientific peer review groups performing such review on or before such date, and shall authorize such review to be conducted by groups appointed under sections 402(b)(16) and 405(c)(3).

(b) The Director of NIH shall establish procedures for periodic technical and scientific peer review of research at the National Institutes of Health. Such procedures shall require that—

(1) the reviewing entity be provided a written description of the research to be reviewed, and

(2) the reviewing entity provide the advisory council of the national research institute involved with such description and the results of the review by the entity, and shall authorize such review to be conducted by groups appointed under sections 402(b)(6) and 405(c)(3).

(c)(1) In technical and scientific peer review under this section of proposals for clinical research, the consideration of any such proposal (including the initial consideration) shall, except as provided in paragraph (2), include an evaluation of the technical and scientific merit of the proposal regarding compliance with section 492B.

(2) Paragraph (1) shall not apply to any proposal for clinical research that, pursuant to subsection (b) of section 492B, is not subject to the requirement of subsection (a) of such section regarding the inclusion of women and members of minority groups as subjects in clinical research.

CERTAIN PROVISIONS REGARDING REVIEW AND APPROVAL OF PROPOSALS FOR RESEARCH

SEC. 492A. [289a-1] (a) REVIEW AS PRECONDITION TO RESEARCH.—

(1) PROTECTION OF HUMAN RESEARCH SUBJECTS.—

(A) In the case of any application submitted to the Secretary for financial assistance to conduct research, the Secretary may not approve or fund any application that is subject to review under section 491(a) by an Institutional Review Board unless the application has undergone review in accordance with such section and has been recommended for approval by a majority of the members of the Board conducting such review.

(B) In the case of research that is subject to review under procedures established by the Secretary for the protection of human subjects in clinical research conducted by the National Institutes of Health, the Secretary may not authorize the conduct of the research unless the research has, pursuant to such procedures, been recommended for approval.

(2) PEER REVIEW.—In the case of any proposal for the National Institutes of Health to conduct or support research, the Secretary may not approve or fund any proposal that is subject to technical and scientific peer review under section 492 unless the proposal has undergone such review in accordance with

such section and has been recommended for approval by a majority of the members of the entity conducting such review, and unless a majority of the voting members of the appropriate advisory council under section 406, or as applicable, of the advisory council under section 402(k), has recommended the proposal for approval.

(b) ETHICAL REVIEW OF RESEARCH.—

(1) PROCEDURES REGARDING WITHHOLDING OF FUNDS.—If research has been recommended for approval for purposes of subsection (a), the Secretary may not withhold funds for the research because of ethical considerations unless—

(A) the Secretary convenes an advisory board in accordance with paragraph (5) to study such considerations; and

(B)(i) the majority of the advisory board recommends that, because of such considerations, the Secretary withhold funds for the research; or

(ii) the majority of such board recommends that the Secretary not withhold funds for the research because of such considerations, but the Secretary finds, on the basis of the report submitted under paragraph (5)(B)(ii), that the recommendation is arbitrary and capricious.

(2) RULES OF CONSTRUCTION.—Paragraph (1) may not be construed as prohibiting the Secretary from withholding funds for research on the basis of—

(A) the inadequacy of the qualifications of the entities that would be involved with the conduct of the research (including the entity that would directly receive the funds from the Secretary), subject to the condition that, with respect to the process of review through which the research was recommended for approval for purposes of subsection (a), all findings regarding such qualifications made in such process are conclusive; or

(B) the priorities established by the Secretary for the allocation of funds among projects of research that have been so recommended.

(3) APPLICABILITY.—The limitation established in paragraph (1) regarding the authority to withhold funds because of ethical considerations shall apply without regard to whether the withholding of funds on such basis is characterized as a disapproval, a moratorium, a prohibition, or other characterization.

(4) PRELIMINARY MATTERS REGARDING USE OF PROCEDURES.—

(A) If the Secretary makes a determination that an advisory board should be convened for purposes of paragraph (1), the Secretary shall, through a statement published in the Federal Register, announce the intention of the Secretary to convene such a board.

(B) A statement issued under subparagraph (A) shall include a request that interested individuals submit to the Secretary recommendations specifying the particular individuals who should be appointed to the advisory board in-

volved. The Secretary shall consider such recommendations in making appointments to the board.

(C) The Secretary may not make appointments to an advisory board under paragraph (1) until the expiration of the 30-day period beginning on the date on which the statement required in subparagraph (A) is made with respect to the board.

(5) ETHICS ADVISORY BOARDS.—

(A) Any advisory board convened for purposes of paragraph (1) shall be known as an ethics advisory board (in this paragraph referred to as an “ethics board”).

(B)(i) An ethics board shall advise, consult with, and make recommendations to the Secretary regarding the ethics of the project of biomedical or behavioral research with respect to which the board has been convened.

(ii) Not later than 180 days after the date on which the statement required in paragraph (4)(A) is made with respect to an ethics board, the board shall submit to the Secretary, and to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate, a report describing the findings of the board regarding the project of research involved and making a recommendation under clause (i) of whether the Secretary should or should not withhold funds for the project. The report shall include the information considered in making the findings.

(C) An ethics board shall be composed of no fewer than 14, and no more than 20, individuals who are not officers or employees of the United States. The Secretary shall make appointments to the board from among individuals with special qualifications and competence to provide advice and recommendations regarding ethical matters in biomedical and behavioral research. Of the members of the board—

- (i) no fewer than 1 shall be an attorney;
- (ii) no fewer than 1 shall be an ethicist;
- (iii) no fewer than 1 shall be a practicing physician;
- (iv) no fewer than 1 shall be a theologian; and
- (v) no fewer than one-third, and no more than one-half, shall be scientists with substantial accomplishments in biomedical or behavioral research.

(D) The term of service as a member of an ethics board shall be for the life of the board. If such a member does not serve the full term of such service, the individual appointed to fill the resulting vacancy shall be appointed for the remainder of the term of the predecessor of the individual.

(E) A member of an ethics board shall be subject to removal from the board by the Secretary for neglect of duty or malfeasance or for other good cause shown.

(F) The Secretary shall designate an individual from among the members of an ethics board to serve as the chair of the board.

(G) In carrying out subparagraph (B)(i) with respect to a project of research, an ethics board shall conduct inquiries and hold public hearings.

(H) In carrying out subparagraph (B)(i) with respect to a project of research, an ethics board shall have access to all relevant information possessed by the Department of Health and Human Services, or available to the Secretary from other agencies.

(I) Members of an ethics board shall receive compensation for each day engaged in carrying out the duties of the board, including time engaged in traveling for purposes of such duties. Such compensation may not be provided in an amount in excess of the maximum rate of basic pay payable for GS-18 of the General Schedule.

(J) The Secretary, acting through the Director of the National Institutes of Health, shall provide to each ethics board reasonable staff and assistance to carry out the duties of the board.

(K) An ethics board shall terminate 30 days after the date on which the report required in subparagraph (B)(ii) is submitted to the Secretary and the congressional committees specified in such subparagraph.

(6) DEFINITION.—For purposes of this subsection, the term “ethical considerations” means considerations as to whether the nature of the research involved is such that it is unethical to conduct or support the research.

INCLUSION OF WOMEN AND MINORITIES IN CLINICAL RESEARCH

SEC. 492B. [289a–2] (a) REQUIREMENT OF INCLUSION.—

(1) IN GENERAL.—In conducting or supporting clinical research for purposes of this title, the Director of NIH shall, subject to subsection (b), ensure that—

(A) women are included as subjects in each project of such research; and

(B) members of minority groups are included as subjects in such research.

(2) OUTREACH REGARDING PARTICIPATION AS SUBJECTS.—The Director of NIH, in consultation with the Director of the Office of Research on Women’s Health and the Director of the Office of Research on Minority Health, shall conduct or support outreach programs for the recruitment of women and members of minority groups as subjects in projects of clinical research.

(3) STRATEGIC PLANNING.—

(A) IN GENERAL.—The directors of the national institutes and national centers shall consult at least once annually with the Director of the National Institute on Minority Health and Health Disparities and the Director of the Office of Research on Women’s Health regarding objectives of the national institutes and national centers to ensure that future activities by such institutes and centers take into account women and minorities and are focused on reducing health disparities.

(B) STRATEGIC PLANS.—Any strategic plan issued by a national institute or national center shall include details on the objectives described in subparagraph (A).

(b) INAPPLICABILITY OF REQUIREMENT.—The requirement established in subsection (a) regarding women and members of minority groups shall not apply to a project of clinical research if the inclusion, as subjects in the project, of women and members of minority groups, respectively—

(1) is inappropriate with respect to the health of the subjects;

(2) is inappropriate with respect to the purpose of the research; or

(3) is inappropriate under such other circumstances as the Director of NIH may designate.

(c) DESIGN OF CLINICAL TRIALS.—

(1) IN GENERAL.—In the case of any clinical trial in which women or members of minority groups will under subsection (a) be included as subjects, the Director of NIH shall ensure that the trial is designed and carried out in a manner sufficient to provide for a valid analysis of whether the variables being studied in the trial affect women or members of minority groups, as the case may be, differently than other subjects in the trial.

(2) REPORTING REQUIREMENTS.—For any new and competing project of clinical research subject to the requirements under this section that receives a grant award 1 year after the date of enactment of the 21st Century Cures Act, or any date thereafter, for which a valid analysis is provided under paragraph (1)—

(A) and which is an applicable clinical trial as defined in section 402(j), the entity conducting such clinical research shall submit the results of such valid analysis to the clinical trial registry data bank expanded under section 402(j)(3), and the Director of the National Institutes of Health shall, as appropriate, consider whether such entity has complied with the reporting requirement described in this subparagraph in awarding any future grant to such entity, including pursuant to section 402(j)(5)(A)(ii) when applicable; and

(B) the Director of the National Institutes of Health shall encourage the reporting of the results of such valid analysis described in paragraph (1) through any additional means determined appropriate by the Director.

(d) GUIDELINES.—

(1) IN GENERAL.—Subject to paragraph (2), the Director of NIH, in consultation with the Director of the Office of Research on Women's Health and the Director of the Office of Research on Minority Health, shall establish guidelines regarding the requirements of this section. The guidelines shall include guidelines regarding—

(A) the circumstances under which the inclusion of women and minorities as subjects in projects of clinical research is inappropriate for purposes of subsection (b);

(B) the manner in which clinical trials are required to be designed and carried out for purposes of subsection (c); and

(C) the operation of outreach programs under subsection (a).

(2) CERTAIN PROVISIONS.—With respect to the circumstances under which the inclusion of women or members of minority groups (as the case may be) as subjects in a project of clinical research is inappropriate for purposes of subsection (b), the following applies to guidelines under paragraph (1):

(A)(i) In the case of a clinical trial, the guidelines shall provide that the costs of such inclusion in the trial is not a permissible consideration in determining whether such inclusion is inappropriate.

(ii) In the case of other projects of clinical research, the guidelines shall provide that the costs of such inclusion in the project is not a permissible consideration in determining whether such inclusion is inappropriate unless the data regarding women or members of minority groups, respectively, that would be obtained in such project (in the event that such inclusion were required) have been or are being obtained through other means that provide data of comparable quality.

(B) In the case of a clinical trial, the guidelines may provide that such inclusion in the trial is not required if there is substantial scientific data demonstrating that there is no significant difference between—

(i) the effects that the variables to be studied in the trial have on women or members of minority groups, respectively; and

(ii) the effects that the variables have on the individuals who would serve as subjects in the trial in the event that such inclusion were not required.

(e) DATE CERTAIN FOR GUIDELINES; APPLICABILITY.—

(1) DATE CERTAIN.—The guidelines required in subsection (d) shall be established and published in the Federal Register not later than 180 days after the date of the enactment of the National Institutes of Health Revitalization Act of 1993.

(2) APPLICABILITY.—For fiscal year 1995 and subsequent fiscal years, the Director of NIH may not approve any proposal of clinical research to be conducted or supported by any agency of the National Institutes of Health unless the proposal specifies the manner in which the research will comply with this section.

(f) REPORTS BY ADVISORY COUNCILS.—

(1) IN GENERAL.—The advisory council of each national research institute shall prepare triennial reports describing the manner in which the institute has complied with this section. Each such report shall be submitted to the Director of the institute involved for inclusion in the triennial report under section 403.

(2) CONTENTS.—Each triennial report prepared by an advisory council of each national research institute as described in paragraph (1) shall include each of the following:

(A) The number of women included as subjects, and the proportion of subjects that are women, in any project of clinical research conducted during the applicable reporting period, disaggregated by categories of research area, condition, or disease, and accounting for single-sex studies.

(B) The number of members of minority groups included as subjects, and the proportion of subjects that are members of minority groups, in any project of clinical research conducted during the applicable reporting period, disaggregated by categories of research area, condition, or disease and accounting for single-race and single-ethnicity studies.

(C) For the applicable reporting period, the number of projects of clinical research that include women and members of minority groups and that—

(i) have been completed during such reporting period; and

(ii) are being carried out during such reporting period and have not been completed.

(D) The number of studies completed during the applicable reporting period for which reporting has been submitted in accordance with subsection (c)(2)(A).

(g) DEFINITIONS.—For purposes of this section:

(1) The term “project of clinical research” includes a clinical trial.

(2) The term “minority group” includes subpopulations of minority groups. The Director of NIH shall, through the guidelines established under subsection (d), define the terms “minority group” and “subpopulation” for purposes of the preceding sentence.

OFFICE OF RESEARCH INTEGRITY

SEC. 493. [289b] (a) IN GENERAL.—

(1) ESTABLISHMENT OF OFFICE.—Not later than 90 days after the date of enactment of this section, the Secretary shall establish an office to be known as the Office of Research Integrity (referred to in this section as the “Office”), which shall be established as an independent entity in the Department of Health and Human Services.

(2) APPOINTMENT OF DIRECTOR.—The Office shall be headed by a Director, who shall be appointed by the Secretary, be experienced and specially trained in the conduct of research, and have experience in the conduct of investigations of research misconduct. The Secretary shall carry out this section acting through the Director of the Office. The Director shall report to the Secretary.

(3) DEFINITIONS.—

(A) The Secretary shall by regulation establish a definition for the term “research misconduct” for purposes of this section.

(B) For purposes of this section, the term “financial assistance” means a grant, contract, or cooperative agreement.

(b) EXISTENCE OF ADMINISTRATIVE PROCESSES AS CONDITION OF FUNDING FOR RESEARCH.—The Secretary shall by regulation require that each entity that applies for financial assistance under this Act for any project or program that involves the conduct of biomedical or behavioral research submit in or with its application for such assistance—

(1) assurances satisfactory to the Secretary that such entity has established and has in effect (in accordance with regulations which the Secretary shall prescribe) an administrative process to review reports of research misconduct in connection with biomedical and behavioral research conducted at or sponsored by such entity;

(2) an agreement that the entity will report to the Director any investigation of alleged research misconduct in connection with projects for which funds have been made available under this Act that appears substantial; and

(3) an agreement that the entity will comply with regulations issued under this section.

(c) PROCESS FOR RESPONSE OF DIRECTOR.—The Secretary shall by regulation establish a process to be followed by the Director for the prompt and appropriate—

(1) response to information provided to the Director respecting research misconduct in connection with projects for which funds have been made available under this Act;

(2) receipt of reports by the Director of such information from recipients of funds under this Act;

(3) conduct of investigations, when appropriate; and

(4) taking of other actions, including appropriate remedies, with respect to such misconduct.

(d) MONITORING BY DIRECTOR.—The Secretary shall by regulation establish procedures for the Director to monitor administrative processes and investigations that have been established or carried out under this section.

(e) PROTECTION OF WHISTLEBLOWERS.—

(1) IN GENERAL.—In the case of any entity required to establish administrative processes under subsection (b), the Secretary shall by regulation establish standards for preventing, and for responding to the occurrence of retaliation by such entity, its officials or agents, against an employee in the terms and conditions of employment in response to the employee having in good faith—

(A) made an allegation that the entity, its officials or agents, has engaged in or failed to adequately respond to an allegation of research misconduct; or

(B) cooperated with an investigation of such an allegation.

(2) MONITORING BY SECRETARY.—The Secretary shall by regulation establish procedures for the Director to monitor the implementation of the standards established by an entity under paragraph (1) for the purpose of determining whether the procedures have been established, and are being utilized, in accordance with the standards established under such paragraph.

(3) NONCOMPLIANCE.—The Secretary shall by regulation establish remedies for noncompliance by an entity, its officials or agents, which has engaged in retaliation in violation of the standards established under paragraph (1). Such remedies may include termination of funding provided by the Secretary for such project or recovery of funding being provided by the Secretary for such project, or other actions as appropriate.

PROTECTION AGAINST FINANCIAL CONFLICTS OF INTEREST IN CERTAIN
PROJECTS OF RESEARCH

SEC. 493A. [289b–1] (a) ISSUANCE OF REGULATIONS.—The Secretary shall by regulation define the specific circumstances that constitute the existence of a financial interest in a project on the part of an entity or individual that will, or may be reasonably expected to, create a bias in favor of obtaining results in such project that are consistent with such financial interest. Such definition shall apply uniformly to each entity or individual conducting a research project under this Act. In the case of any entity or individual receiving assistance from the Secretary for a project of research described in subsection (b), the Secretary shall by regulation establish standards for responding to, including managing, reducing, or eliminating, the existence of such a financial interest. The entity may adopt individualized procedures for implementing the standards.

(b) RELEVANT PROJECTS.—A project of research referred to in subsection (a) is a project of clinical research whose purpose is to evaluate the safety or effectiveness of a drug, medical device, or treatment and for which such entity is receiving assistance from the Secretary.

(c) IDENTIFYING AND REPORTING TO SECRETARY.—The Secretary shall by regulation require that each entity described in subsection (a) that applies for assistance under this Act for any project described in subsection (b) submit in or with its application for such assistance—

(1) assurances satisfactory to the Secretary that such entity has established and has in effect an administrative process under subsection (a) to identify financial interests (as defined under subsection (a)) that exist regarding the project; and

(2) an agreement that the entity will report to the Secretary such interests identified by the entity and how any such interests identified by the entity will be managed or eliminated in order that the project in question will be protected from bias that may stem from such interests; and

(3) an agreement that the entity will comply with regulations issued under this section.

(d) MONITORING OF PROCESS.—The Secretary shall monitor the establishment and conduct of the administrative process established by an entity pursuant to subsection (a).

(e) RESPONSE.—In any case in which the Secretary determines that an entity has failed to comply with subsection (c) regarding a project of research described in subsection (b), the Secretary—

(1) shall require that, as a condition of receiving assistance, the entity disclose the existence of a financial interest (as

defined under subsection (a)) in each public presentation of the results of such project; and

(2) may take such other actions as the Secretary determines to be appropriate.

(f) DEFINITIONS.—For purposes of this section:

(1) The term “financial interest” includes the receipt of consulting fees or honoraria and the ownership of stock or equity.

(2) The term “assistance”, with respect to conducting a project of research, means a grant, contract, or cooperative agreement.

RESEARCH ON PUBLIC HEALTH EMERGENCIES

SEC. 494. [289c] If the Secretary determines, after consultation with the Director of NIH, the Commissioner of the Food and Drug Administration, or the Director of the Centers for Disease Control and Prevention, that a disease or disorder constitutes a public health emergency, the Secretary, acting through the Director of NIH—

(1) shall expedite the review by advisory councils under section 406 and by peer review groups under section 492 of applications for grants for research on such disease or disorder or proposals for contracts for such research;

(2) shall exercise the authority in section 3709 of the Revised Statutes (41 U.S.C. 5) respecting public exigencies to waive the advertising requirements of such section in the case of proposals for contracts for such research;

(3) may provide administrative supplemental increases in existing grants and contracts to support new research relevant to such disease or disorder; and

(4) shall disseminate, to health professionals and the public, information on the cause, prevention, and treatment of such disease or disorder that has been developed in research assisted under this section.

The amount of an increase in a grant or contract provided under paragraph (3) may not exceed one-half the original amount of the grant or contract.

COLLABORATIVE USE OF CERTAIN HEALTH SERVICES RESEARCH FUNDS

SEC. 494A. [289c–1] The Secretary shall ensure that amounts made available under subparts 14, 15 and 16 of part C for health services research relating to alcohol abuse and alcoholism, drug abuse and mental health be used collaboratively, as appropriate, and in consultation with the Agency for Health Care Policy Research.

ANIMALS IN RESEARCH

SEC. 495. [289d] (a) The Secretary, acting through the Director of NIH, shall establish guidelines for the following:

(1) The proper care of animals to be used in biomedical and behavioral research.

(2) The proper treatment of animals while being used in such research. Guidelines under this paragraph shall require—

(A) the appropriate use of tranquilizers, analgesics, anesthetics, paralytics, and euthanasia for animals in such research; and

(B) appropriate pre-surgical and post-surgical veterinary medical and nursing care for animals in such research.

Such guidelines shall not be construed to prescribe methods of research.

(3) The organization and operation of animal care committees in accordance with subsection (b).

(b)(1) Guidelines of the Secretary under subsection (a)(3) shall require animal care committees at each entity which conducts biomedical and behavioral research with funds provided under this Act (including the National Institutes of Health and the national research institutes) to assure compliance with the guidelines established under subsection (a).

(2) Each animal care committee shall be appointed by the chief executive officer of the entity for which the committee is established, shall be composed of not fewer than three members, and shall include at least one individual who has no association with such entity and at least one doctor of veterinary medicine.

(3) Each animal care committee of a research entity shall—

(A) review the care and treatment of animals in all animal study areas and facilities of the research entity at least semi-annually to evaluate compliance with applicable guidelines established under subsection (a) for appropriate animal care and treatment;

(B) keep appropriate records of reviews conducted under subparagraph (A); and

(C) for each review conducted under subparagraph (A), file with the Director of NIH at least annually (i) a certification that the review has been conducted, and (ii) reports of any violations of guidelines established under subsection (a) or assurances required under paragraph (1) which were observed in such review and which have continued after notice by the committee to the research entity involved of the violations.

Reports filed under subparagraph (C) shall include any minority views filed by members of the committee.

(c) The Director of NIH shall require each applicant for a grant, contract, or cooperative agreement involving research on animals which is administered by the National Institutes of Health or any national research institute to include in its application or contract proposal, submitted after the expiration of the twelve-month period beginning on the date of enactment of this section—

(1) assurances satisfactory to the Director of NIH that—

(A) the applicant meets the requirements of the guidelines established under paragraphs (1) and (2) of subsection (a) and has an animal care committee which meets the requirements of subsection (b); and

(B) scientists, animal technicians, and other personnel involved with animal care, treatment, and use by the applicant have available to them instruction or training in the humane practice of animal maintenance and experimentation, and the concept, availability, and use of re-

search or testing methods that limit the use of animals or limit animal distress; and

(2) a statement of the reasons for the use of animals in the research to be conducted with funds provided under such grant or contract.

Notwithstanding subsection (a)(2) of section 553 of title 5, United States Code, regulations under this subsection shall be promulgated in accordance with the notice and comment requirements of such section.

(d) If the Director of NIH determines that—

(1) the conditions of animal care, treatment, or use in an entity which is receiving a grant, contract, or cooperative agreement involving research on animals under this title do not meet applicable guidelines established under subsection (a);

(2) the entity has been notified by the Director of NIH of such determination and has been given a reasonable opportunity to take corrective action; and

(3) no action has been taken by the entity to correct such conditions;

the Director of NIH shall suspend or revoke such grant or contract under such conditions as the Director determines appropriate.

(e) No guideline or regulation promulgated under subsection (a) or (c) may require a research entity to disclose publicly trade secrets or commercial or financial information which is privileged or confidential.

USE OF APPROPRIATIONS UNDER THIS TITLE

SEC. 496. [289e] (a) Appropriations to carry out the purposes of this title, unless otherwise expressly provided, may be expended in the District of Columbia for—

(1) personal services;

(2) stenographic recording and translating services;

(3) travel expenses (including the expenses of attendance at meetings when specifically authorized by the Secretary);

(4) rental;

(5) supplies and equipment;

(6) purchase and exchange of medical books, books of reference, directories, periodicals, newspapers, and press clippings;

(7) purchase, operation, and maintenance of passenger motor vehicles;

(8) printing and binding (in addition to that otherwise provided by law); and

(9) all other necessary expenses in carrying out this title. Such appropriations may be expended by contract if deemed necessary, without regard to section 3709 of the Revised Statutes (41 U.S.C. 5).

(b)(1) None of the amounts appropriated under this Act for the purposes of this title may be obligated for the construction of facilities (including the acquisition of land) unless a provision of this title establishes express authority for such purpose and unless the

Act making appropriations under such provision specifies that the amounts appropriated are available for such purpose.

(2) Any grants, cooperative agreements, or contracts authorized in this title for the construction of facilities may be awarded only on a competitive basis.

GIFTS

SEC. 497. [289f] The Secretary may, in accordance with section 231, accept conditional gifts for the National Institutes of Health or a national research institute or for the acquisition of grounds or for the erection, equipment, or maintenance of facilities for the National Institutes of Health or a national research institute. Donations of \$50,000 or over for the National Institutes of Health or a national research institute for carrying out the purposes of this title may be acknowledged by the establishment within the National Institutes of Health or a national research institute of suitable memorials to the donors.

FETAL RESEARCH

SEC. 498. [289g] (a) The Secretary may not conduct or support any research or experimentation, in the United States or in any other country, on a nonviable living human fetus ex utero or a living human fetus ex utero for whom viability has not been ascertained unless the research or experimentation—

(1) may enhance the well-being or meet the health needs of the fetus or enhance the probability of its survival to viability; or

(2) will pose no added risk of suffering, injury, or death to the fetus and the purpose of the research or experimentation is the development of important biomedical knowledge which cannot be obtained by other means.

(b) In administering the regulations for the protection of human research subjects which—

(1) apply to research conducted or supported by the Secretary;

(2) involve living human fetuses in utero; and

(3) are published in section 46.208 of part 46 of title 45 of the Code of Federal Regulations;

or any successor to such regulations, the Secretary shall require that the risk standard (published in section 46.102(g) of such part 46 or any successor to such regulations) be the same for fetuses which are intended to be aborted and fetuses which are intended to be carried to term.

RESEARCH ON TRANSPLANTATION OF FETAL TISSUE

SEC. 498A. [289g-1] (a) ESTABLISHMENT OF PROGRAM.—

(1) IN GENERAL.—The Secretary may conduct or support research on the transplantation of human fetal tissue for therapeutic purposes.

(2) SOURCE OF TISSUE.—Human fetal tissue may be used in research carried out under paragraph (1) regardless of whether the tissue is obtained pursuant to a spontaneous or induced abortion or pursuant to a stillbirth.

(b) INFORMED CONSENT OF DONOR.—

(1) IN GENERAL.—In research carried out under subsection (a), human fetal tissue may be used only if the woman providing the tissue makes a statement, made in writing and signed by the woman, declaring that—

(A) the woman donates the fetal tissue for use in research described in subsection (a);

(B) the donation is made without any restriction regarding the identity of individuals who may be the recipients of transplantations of the tissue; and

(C) the woman has not been informed of the identity of any such individuals.

(2) ADDITIONAL STATEMENT.—In research carried out under subsection (a), human fetal tissue may be used only if the attending physician with respect to obtaining the tissue from the woman involved makes a statement, made in writing and signed by the physician, declaring that—

(A) in the case of tissue obtained pursuant to an induced abortion—

(i) the consent of the woman for the abortion was obtained prior to requesting or obtaining consent for a donation of the tissue for use in such research;

(ii) no alteration of the timing, method, or procedures used to terminate the pregnancy was made solely for the purposes of obtaining the tissue; and

(iii) the abortion was performed in accordance with applicable State law;

(B) the tissue has been donated by the woman in accordance with paragraph (1); and

(C) full disclosure has been provided to the woman with regard to—

(i) such physician's interest, if any, in the research to be conducted with the tissue; and

(ii) any known medical risks to the woman or risks to her privacy that might be associated with the donation of the tissue and that are in addition to risks of such type that are associated with the woman's medical care.

(c) INFORMED CONSENT OF RESEARCHER AND DONEE.—In research carried out under subsection (a), human fetal tissue may be used only if the individual with the principal responsibility for conducting the research involved makes a statement, made in writing and signed by the individual, declaring that the individual—

(1) is aware that—

(A) the tissue is human fetal tissue;

(B) the tissue may have been obtained pursuant to a spontaneous or induced abortion or pursuant to a stillbirth; and

(C) the tissue was donated for research purposes;

(2) has provided such information to other individuals with responsibilities regarding the research;

(3) will require, prior to obtaining the consent of an individual to be a recipient of a transplantation of the tissue, writ-

ten acknowledgment of receipt of such information by such recipient; and

(4) has had no part in any decisions as to the timing, method, or procedures used to terminate the pregnancy made solely for the purposes of the research.

(d) AVAILABILITY OF STATEMENTS FOR AUDIT.—

(1) IN GENERAL.—In research carried out under subsection (a), human fetal tissue may be used only if the head of the agency or other entity conducting the research involved certifies to the Secretary that the statements required under subsections (b)(2) and (c) will be available for audit by the Secretary.

(2) CONFIDENTIALITY OF AUDIT.—Any audit conducted by the Secretary pursuant to paragraph (1) shall be conducted in a confidential manner to protect the privacy rights of the individuals and entities involved in such research, including such individuals and entities involved in the donation, transfer, receipt, or transplantation of human fetal tissue. With respect to any material or information obtained pursuant to such audit, the Secretary shall—

(A) use such material or information only for the purposes of verifying compliance with the requirements of this section;

(B) not disclose or publish such material or information, except where required by Federal law, in which case such material or information shall be coded in a manner such that the identities of such individuals and entities are protected; and

(C) not maintain such material or information after completion of such audit, except where necessary for the purposes of such audit.

(e) APPLICABILITY OF STATE AND LOCAL LAW.—

(1) RESEARCH CONDUCTED BY RECIPIENTS OF ASSISTANCE.—The Secretary may not provide support for research under subsection (a) unless the applicant for the financial assistance involved agrees to conduct the research in accordance with applicable State law.

(2) RESEARCH CONDUCTED BY SECRETARY.—The Secretary may conduct research under subsection (a) only in accordance with applicable State and local law.

(f) REPORT.—The Secretary shall annually submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report describing the activities carried out under this section during the preceding fiscal year, including a description of whether and to what extent research under subsection (a) has been conducted in accordance with this section.

(g) DEFINITION.—For purposes of this section, the term “human fetal tissue” means tissue or cells obtained from a dead human embryo or fetus after a spontaneous or induced abortion, or after a stillbirth.

PROHIBITIONS REGARDING HUMAN FETAL TISSUE

SEC. 498B. [289g-2] (a) PURCHASE OF TISSUE.—It shall be unlawful for any person to knowingly acquire, receive, or otherwise transfer any human fetal tissue for valuable consideration if the transfer affects interstate commerce.

(b) SOLICITATION OR ACCEPTANCE OF TISSUE AS DIRECTED DONATION FOR USE IN TRANSPLANTATION.—It shall be unlawful for any person to solicit or knowingly acquire, receive, or accept a donation of human fetal tissue for the purpose of transplantation of such tissue into another person if the donation affects interstate commerce, the tissue will be or is obtained pursuant to an induced abortion, and—

(1) the donation will be or is made pursuant to a promise to the donating individual that the donated tissue will be transplanted into a recipient specified by such individual;

(2) the donated tissue will be transplanted into a relative of the donating individual; or

(3) the person who solicits or knowingly acquires, receives, or accepts the donation has provided valuable consideration for the costs associated with such abortion.

(c) SOLICITATION OR ACCEPTANCE OF TISSUE FROM FETUSES GESTATED FOR RESEARCH PURPOSES.—It shall be unlawful for any person or entity involved or engaged in interstate commerce to—

(1) solicit or knowingly acquire, receive, or accept a donation of human fetal tissue knowing that a human pregnancy was deliberately initiated to provide such tissue; or

(2) knowingly acquire, receive, or accept tissue or cells obtained from a human embryo or fetus that was gestated in the uterus of a nonhuman animal.

(d) CRIMINAL PENALTIES FOR VIOLATIONS.—

(1) **IN GENERAL.**—Any person who violates subsection (a), (b), or (c) shall be fined in accordance with title 18, United States Code, subject to paragraph (2), or imprisoned for not more than 10 years, or both.

(2) **PENALTIES APPLICABLE TO PERSONS RECEIVING CONSIDERATION.**—With respect to the imposition of a fine under paragraph (1), if the person involved violates subsection (a) or (b)(3), a fine shall be imposed in an amount not less than twice the amount of the valuable consideration received.

(e) DEFINITIONS.—For purposes of this section:

(1) The term “human fetal tissue” has the meaning given such term in section 498A(g).

(2) The term “interstate commerce” has the meaning given such term in section 201(b) of the Federal Food, Drug, and Cosmetic Act.

(3) The term “valuable consideration” does not include reasonable payments associated with the transportation, implantation, processing, preservation, quality control, or storage of human fetal tissue.

SEC. 498C. [289g-3] BREAST IMPLANT RESEARCH.

(a) IN GENERAL.—The Director of NIH may conduct or support research to examine the long-term health implications of silicone

breast implants, both gel and saline filled. Such research studies may include the following:

(1) Developing and examining techniques to measure concentrations of silicone in body fluids and tissues.

(2) Surveillance of recipients of silicone breast implants, including long-term outcomes and local complications.

(b) DEFINITION.—For purposes of this section, the term “breast implant” means a breast prosthesis that is implanted to augment or reconstruct the female breast.

SEC. 498D. [289g-4] SUPPORT FOR EMERGENCY MEDICINE RESEARCH.

(a) EMERGENCY MEDICAL RESEARCH.—The Secretary shall support Federal programs administered by the National Institutes of Health, the Agency for Healthcare Research and Quality, the Health Resources and Services Administration, the Centers for Disease Control and Prevention, and other agencies involved in improving the emergency care system to expand and accelerate research in emergency medical care systems and emergency medicine, including—

(1) the basic science of emergency medicine;

(2) the model of service delivery and the components of such models that contribute to enhanced patient health outcomes;

(3) the translation of basic scientific research into improved practice; and

(4) the development of timely and efficient delivery of health services.

(b) PEDIATRIC EMERGENCY MEDICAL RESEARCH.—The Secretary shall support Federal programs administered by the National Institutes of Health, the Agency for Healthcare Research and Quality, the Health Resources and Services Administration, the Centers for Disease Control and Prevention, and other agencies to coordinate and expand research in pediatric emergency medical care systems and pediatric emergency medicine, including—

(1) an examination of the gaps and opportunities in pediatric emergency care research and a strategy for the optimal organization and funding of such research;

(2) the role of pediatric emergency services as an integrated component of the overall health system;

(3) system-wide pediatric emergency care planning, preparedness, coordination, and funding;

(4) pediatric training in professional education; and

(5) research in pediatric emergency care, specifically on the efficacy, safety, and health outcomes of medications used for infants, children, and adolescents in emergency care settings in order to improve patient safety.

(c) IMPACT RESEARCH.—The Secretary shall support research to determine the estimated economic impact of, and savings that result from, the implementation of coordinated emergency care systems.

(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2010 through 2014.

SEC. 498E. [289g-5] PRECISION MEDICINE INITIATIVE.

(a) **IN GENERAL.**—The Secretary is encouraged to establish and carry out an initiative, to be known as the “Precision Medicine Initiative” (in this section referred to as the “Initiative”), to augment efforts to address disease prevention, diagnosis, and treatment.

(b) **COMPONENTS.**—The Initiative described under subsection (a) may include—

(1) developing a network of scientists to assist in carrying out the purposes of the Initiative;

(2) developing new approaches for addressing scientific, medical, public health, and regulatory science issues;

(3) applying genomic technologies, such as whole genomic sequencing, to provide data on the molecular basis of disease;

(4) collecting information voluntarily provided by a diverse cohort of individuals that can be used to better understand health and disease; and

(5) other activities to advance the goals of the Initiative, as the Secretary determines appropriate.

(c) **AUTHORITY OF THE SECRETARY.**—In carrying out this section, the Secretary may—

(1) coordinate with the Secretary of Energy, private industry, and others, as the Secretary determines appropriate, to identify and address the advanced supercomputing and other advanced technology needs for the Initiative;

(2) develop and utilize public-private partnerships; and

(3) leverage existing data sources.

(d) **REQUIREMENTS.**—In the implementation of the Initiative under subsection (a), the Secretary shall—

(1) ensure the collaboration of the National Institutes of Health, the Food and Drug Administration, the Office of the National Coordinator for Health Information Technology, and the Office for Civil Rights of the Department of Health and Human Services;

(2) comply with existing laws and regulations for the protection of human subjects involved in research, including the protection of participant privacy;

(3) implement policies and mechanisms for appropriate secure data sharing across systems that include protections for privacy and security of data;

(4) consider the diversity of the cohort to ensure inclusion of a broad range of participants, including consideration of biological, social, and other determinants of health that contribute to health disparities;

(5) ensure that only authorized individuals may access controlled or sensitive, identifiable biological material and associated information collected or stored in connection with the Initiative; and

(6) on the appropriate Internet website of the Department of Health and Human Services, identify any entities with access to such information and provide information with respect to the purpose of such access, a summary of the research project for which such access is granted, as applicable, and a description of the biological material and associated information to which the entity has access.

(e) REPORT.—Not later than 1 year after the date of enactment of the 21st Century Cures Act, the Secretary shall submit a report on the relevant data access policies and procedures to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives. Such report shall include steps the Secretary has taken to consult with experts or other heads of departments or agencies of the Federal Government in the development of such policies.

PART I—FOUNDATION FOR THE NATIONAL INSTITUTES OF HEALTH

SEC. 499. [290b] ESTABLISHMENT AND DUTIES OF FOUNDATION.

(a) IN GENERAL.—The Secretary shall, acting through the Director of NIH, establish a nonprofit corporation to be known as the Foundation for the National Institutes of Health (hereafter in this section referred to as the “Foundation”). The Foundation shall not be an agency or instrumentality of the United States Government.

(b) PURPOSE OF FOUNDATION.—The purpose of the Foundation shall be to support the National Institutes of Health in its mission (including collection of funds for pediatric pharmacologic research), and to advance collaboration with biomedical researchers from universities, industry, and nonprofit organizations.

(c) CERTAIN ACTIVITIES OF FOUNDATION.—

(1) IN GENERAL.—In carrying out subsection (b), the Foundation may solicit and accept gifts, grants, and other donations, establish accounts, and invest and expend funds in support of the following activities with respect to the purpose described in such subsection:

(A) A program to provide and administer endowed positions that are associated with the research program of the National Institutes of Health. Such endowments may be expended for the compensation of individuals holding the positions, for staff, equipment, quarters, travel, and other expenditures that are appropriate in supporting the endowed positions.

(B) A program to provide and administer fellowships and grants to research personnel in order to work and study in association with the National Institutes of Health. Such fellowships and grants may include stipends, travel, health insurance benefits and other appropriate expenses. The recipients of fellowships shall be selected by the donors and the Foundation upon the recommendation of the National Institutes of Health employees in the laboratory where the fellow would serve, and shall be subject to the agreement of the Director of the National Institutes of Health and the Executive Director of the Foundation.

(C) A program to collect funds for pediatric pharmacologic research and studies.

(D) Supplementary programs to provide for—

(i) scientists of other countries to serve in research capacities in the United States in association with the

National Institutes of Health or elsewhere, or opportunities for employees of the National Institutes of Health or other public health officials in the United States to serve in such capacities in other countries, or both;

(ii) the conduct and support of studies, projects, and research, which may include stipends, travel and other support for personnel in collaboration with national and international non-profit and for-profit organizations;

(iii) the conduct and support of forums, meetings, conferences, courses, and training workshops that may include undergraduate, graduate, post-graduate, and post-doctoral accredited courses and the maintenance of accreditation of such courses by the Foundation at the State and national level for college or continuing education credits or for degrees;

(iv) programs to support and encourage teachers and students of science at all levels of education and programs for the general public which promote the understanding of science;

(v) programs for writing, editing, printing, publishing, and vending of books and other materials; and

(vi) the conduct of other activities to carry out and support the purpose described in subsection (b).

(E) The Cures Acceleration Network described in section 480.

(2) FEES.—The Foundation may assess fees for the provision of professional, administrative and management services by the Foundation in amounts determined reasonable and appropriate by the Executive Director.

(3) AUTHORITY OF FOUNDATION.—The Foundation shall be the sole entity responsible for carrying out the activities described in this subsection.

(d) BOARD OF DIRECTORS.—

(1) COMPOSITION.—

(A) The Foundation shall have a Board of Directors (hereafter referred to in this section as the “Board”), which shall be composed of ex officio and appointed members in accordance with this subsection. All appointed members of the Board shall be voting members.

(B) The ex officio members of the Board shall be—

(i) the Chairman and ranking minority member of the Subcommittee on Health and the Environment (Committee on Energy and Commerce) or their designees, in the case of the House of Representatives;

(ii) the Chairman and ranking minority member of the Committee on Labor and Human Resources or their designees, in the case of the Senate;

(iii) the Director of the National Institutes of Health; and

(iv) the Commissioner of Food and Drugs.

(C) The ex officio members of the Board under subparagraph (B) shall appoint to the Board individuals from

among a list of candidates to be provided by the National Academy of Science. Such appointed members shall include—

- (i) representatives of the general biomedical field;
- (ii) representatives of experts in pediatric medicine and research;
- (iii) representatives of the general biobehavioral field, which may include experts in biomedical ethics; and
- (iv) representatives of the general public, which may include representatives of affected industries.

(D)(i) Not later than 30 days after the date of the enactment of the National Institutes of Health Revitalization Act of 1993, the Director of the National Institutes of Health shall convene a meeting of the ex officio members of the Board to—

(I) incorporate the Foundation and establish the general policies of the Foundation for carrying out the purposes of subsection (b), including the establishment of the bylaws of the Foundation; and

(II) appoint the members of the Board in accordance with subparagraph (C).

(ii) Upon the appointment of the appointed members of the Board under clause (i)(II), the terms of service as members of the Board of the ex officio members of the Board described in clauses (i) and (ii) of subparagraph (B) shall terminate. The ex officio members of the Board described in clauses (iii) and (iv) of subparagraph (B) shall continue to serve as ex officio members of the Board.

(E) The agreement of not less than three-fifths of the members of the ex officio members of the Board shall be required for the appointment of each member to the initial Board.

(F) No employee of the National Institutes of Health shall be appointed as a member of the Board.

(G) The Board may, through amendments to the bylaws of the Foundation, provide that the number of appointed members of the Board shall be greater than the number specified in subparagraph (C).

(2) CHAIR.—

(A) The ex officio members of the Board under paragraph (1)(B) shall designate an individual to serve as the initial Chair of the Board.

(B) Upon the termination of the term of service of the initial Chair of the Board, the appointed members of the Board shall elect a member of the Board to serve as the Chair of the Board.

(3) TERMS AND VACANCIES.—

(A) The term of office of each member of the Board appointed under paragraph (1)(C) shall be 5 years, except that the terms of offices for the initial appointed members of the Board shall expire as determined by the ex officio members and the Chair.

(B) Any vacancy in the membership of the appointed members of the Board shall be filled in accordance with the bylaws of the Foundation established in accordance with paragraph (6), and shall not affect the power of the remaining appointed members to execute the duties of the Board.

(C) If a member of the Board does not serve the full term applicable under subparagraph (A), the individual appointed to fill the resulting vacancy shall be appointed for the remainder of the term of the predecessor of the individual.

(D) A member of the Board may continue to serve after the expiration of the term of the member until a successor is appointed.

(4) COMPENSATION.—Members of the Board may not receive compensation for service on the Board. Such members may be reimbursed for travel, subsistence, and other necessary expenses incurred in carrying out the duties of the Board, as set forth in the bylaws issued by the Board.

(5) MEETINGS AND QUORUM.—A majority of the appointed members of the Board shall constitute a quorum for purposes of conducting the business of the Board.

(6) CERTAIN BYLAWS.—

(A) In establishing bylaws under this subsection, the Board shall ensure that the following are provided for:

(i) Policies for the selection of the officers, employees, agents, and contractors of the Foundation.

(ii) Policies, including ethical standards, for the acceptance, solicitation, and disposition of donations and grants to the Foundation and for the disposition of the assets of the Foundation. Policies with respect to ethical standards shall ensure that officers, employees and agents of the Foundation (including members of the Board) avoid encumbrances that would result in a conflict of interest, including a financial conflict of interest or a divided allegiance. Such policies shall include requirements for the provision of information concerning any ownership or controlling interest in entities related to the activities of the Foundation by such officers, employees and agents and their spouses and relatives.

(iii) Policies for the conduct of the general operations of the Foundation.

(iv) Policies for writing, editing, printing, publishing, and vending of books and other materials.

(B) In establishing bylaws under this subsection, the Board shall ensure that such bylaws (and activities carried out under the bylaws) do not—

(i) reflect unfavorably upon the ability of the Foundation or the National Institutes of Health to carry out its responsibilities or official duties in a fair and objective manner; or

(ii) compromise, or appear to compromise, the integrity of any governmental agency or program, or any officer or employee involved in such program.

(e) INCORPORATION.—The initial members of the Board shall serve as incorporators and shall take whatever actions necessary to incorporate the Foundation.

(f) NONPROFIT STATUS.—The Foundation shall be considered to be a corporation under section 501(c) of the Internal Revenue Code of 1986, and shall be subject to the provisions of such section.

(g) EXECUTIVE DIRECTOR.—

(1) IN GENERAL.—The Foundation shall have an Executive Director who shall be appointed by the Board and shall serve at the pleasure of the Board. The Executive Director shall be responsible for the day-to-day operations of the Foundation and shall have such specific duties and responsibilities as the Board shall prescribe.

(2) COMPENSATION.—The rate of compensation of the Executive Director shall be fixed by the Board.

(h) POWERS.—In carrying out subsection (b), the Foundation may—

(1) operate under the direction of its Board;

(2) adopt, alter, and use a corporate seal, which shall be judicially noticed;

(3) provide for 1 or more officers, employees, and agents, as may be necessary, define their duties, and require surety bonds or make other provisions against losses occasioned by acts of such persons;

(4) hire, promote, compensate, and discharge officers and employees of the Foundation, and define the duties of the officers and employees;

(5) with the consent of any executive department or independent agency, use the information, services, staff, and facilities of such in carrying out this section;

(6) sue and be sued in its corporate name, and complain and defend in courts of competent jurisdiction;

(7) modify or consent to the modification of any contract or agreement to which it is a party or in which it has an interest under this part;

(8) establish a process for the selection of candidates for positions under subsection (c);

(9) enter into contracts with public and private organizations for the writing, editing, printing, and publishing of books and other material;

(10) take such action as may be necessary to obtain patents and licenses for devices and procedures developed by the Foundation and its employees;

(11) solicit, accept, hold, administer, invest, and spend any gift, devise, or bequest of real or personal property made to the Foundation;

(12) enter into such other contracts, leases, cooperative agreements, and other transactions as the Executive Director considers appropriate to conduct the activities of the Foundation;

(13) appoint other groups of advisors as may be determined necessary from time to time to carry out the functions of the Foundation;

(14) enter into such other contracts, leases, cooperative agreements, and other transactions as the Executive Director considers appropriate to conduct the activities of the Foundation; and

(15) exercise other powers as set forth in this section, and such other incidental powers as are necessary to carry out its powers, duties, and functions in accordance with this part.

(i) ADMINISTRATIVE CONTROL.—No participant in the program established under this part shall exercise any administrative control over any Federal employee.

(j) GENERAL PROVISIONS.—

(1) FOUNDATION INTEGRITY.—The members of the Board shall be accountable for the integrity of the operations of the Foundation and shall ensure such integrity through the development and enforcement of criteria and procedures relating to standards of conduct, financial disclosure statements, conflict of interest rules, recusal and waiver rules, audits and other matter determined appropriate by the Board.

(2) FINANCIAL CONFLICTS OF INTEREST.—Any individual who is an officer, employee, or member of the Board of the Foundation may not (in accordance with policies and requirements developed under subsection (d)(6))⁵⁷ personally or substantially participate in the consideration or determination by the Foundation of any matter that would directly or predictably affect any financial interest of the individual or a relative (as such term is defined in section 13101(16) of title 5, United States Code) of the individual, of any business organization or other entity, or of which the individual is an officer or employee, or is negotiating for employment, or in which the individual has any other financial interest.

(3) AUDITS; AVAILABILITY OF RECORDS.—The Foundation shall—

(A) provide for annual audits of the financial condition of the Foundation; and

(B) make such audits, and all other records, documents, and other papers of the Foundation, available to the Secretary and the Comptroller General of the United States for examination or audit.

(4) REPORTS.—

(A) Not later than 5 months following the end of each fiscal year, the Foundation shall publish a report describing the activities of the Foundation during the preceding fiscal year. Each such report shall include for the fiscal year involved a comprehensive statement of the operations, activities, financial condition, and accomplishments of the Foundation, including an accounting of the use of amounts transferred under subsection (1).

⁵⁷Section 13(7) of Public Law 107–109 (115 Stat. 1419) provided that paragraphs (1) and (2) of section 499(j) are amended “by striking (including those developed under subsection (d)(2)(B)(i)(II)) each place it appears”. The term to be struck appeared in paragraph (1), but not in paragraph (2).

(B) With respect to the financial condition of the Foundation, each report under subparagraph (A) shall include the source, and a description of, all gifts or grants to the Foundation of real or personal property, and the source and amount of all gifts or grants to the Foundation of money. Each such report shall include a specification of any restrictions on the purposes for which gifts or grants to the Foundation may be used.

(C) The Foundation shall make copies of each report submitted under subparagraph (A) available—

(i) for public inspection, and shall upon request provide a copy of the report to any individual for a charge that shall not exceed the cost of providing the copy; and

(ii) to the appropriate committees of Congress.

(D) The Board shall annually hold a public meeting to summarize the activities of the Foundation and distribute written reports concerning such activities and the scientific results derived from such activities.

(5) SERVICE OF FEDERAL EMPLOYEES.—Federal employees may serve on committees advisory to the Foundation and otherwise cooperate with and assist the Foundation in carrying out its function, so long as the employees do not direct or control Foundation activities.

(6) RELATIONSHIP WITH EXISTING ENTITIES.—The Foundation may, pursuant to appropriate agreements, merge with, acquire, or use the resources of existing nonprofit private corporations with missions similar to the purposes of the Foundation, such as the Foundation for Advanced Education in the Sciences.

(7) INTELLECTUAL PROPERTY RIGHTS.—The Board shall adopt written standards with respect to the ownership of any intellectual property rights derived from the collaborative efforts of the Foundation prior to the commencement of such efforts.

(8) NATIONAL INSTITUTES OF HEALTH AMENDMENTS OF 1990.—The activities conducted in support of the National Institutes of Health Amendments of 1990 (Public Law 101–613), and the amendments made by such Act, shall not be nullified by the enactment of this section.

(9) LIMITATION OF ACTIVITIES.—

(A) IN GENERAL.—The Foundation shall exist solely as an entity to work in collaboration with the research programs of the National Institutes of Health. The Foundation may not undertake activities (such as the operation of independent laboratories or competing for Federal research funds) that are independent of those of the National Institutes of Health research programs.

(B) GIFTS, GRANTS, AND OTHER DONATIONS.—

(i) IN GENERAL.—Gifts, grants, and other donations to the Foundation may be designated for pediatric research and studies on drugs, and funds so designated shall be used solely for grants for research and studies under subsection (c)(1)(C).

(ii) OTHER GIFTS.—Other gifts, grants, or donations received by the Foundation and not described in clause (i) may also be used to support such pediatric research and studies.

(iii) REPORT.—The recipient of a grant for research and studies shall agree to provide the Director of the National Institutes of Health and the Commissioner of Food and Drugs, at the conclusion of the research and studies—

(I) a report describing the results of the research and studies; and

(II) all data generated in connection with the research and studies.

(iv) ACTION BY THE COMMISSIONER OF FOOD AND DRUGS.—The Commissioner of Food and Drugs shall take appropriate action in response to a report received under clause (iii) in accordance with paragraphs (7) through (12) of section 409I(c), including negotiating with the holders of approved applications for the drugs studied for any labeling changes that the Commissioner determines to be appropriate and requests the holders to make.

(C) APPLICABILITY.—Subparagraph (A) does not apply to the program described in subsection (c)(1)(C).

(10) TRANSFER OF FUNDS.—The Foundation may transfer funds to the National Institutes of Health and the National Institutes of Health may accept transfers of funds from the Foundation. Any funds transferred under this paragraph shall be subject to all Federal limitations relating to federally-funded research.

(k) DUTIES OF THE DIRECTOR.—

(1) APPLICABILITY OF CERTAIN STANDARDS TO NON-FEDERAL EMPLOYEES.—In the case of any individual who is not an employee of the Federal Government and who serves in association with the National Institutes of Health, with respect to financial assistance received from the Foundation, the Foundation may not provide the assistance of, or otherwise permit the work at the National Institutes of Health to begin until a memorandum of understanding between the individual and the Director of the National Institutes of Health, or the designee of such Director, has been executed specifying that the individual shall be subject to such ethical and procedural standards of conduct relating to duties performed at the National Institutes of Health, as the Director of the National Institutes of Health determines is appropriate.

(2) SUPPORT SERVICES.—The Director of the National Institutes of Health may provide facilities, utilities and support services to the Foundation if it is determined by the Director to be advantageous to the research programs of the National Institutes of Health.

(l) FUNDING.—From amounts appropriated to the National Institutes of Health, for each fiscal year, the Director of NIH shall transfer not less than \$500,000 and not more than \$1,250,000 to the Foundation.

PART J—ADVANCED RESEARCH PROJECTS AGENCY—HEALTH.

SEC. 499A. [290c] ADVANCED RESEARCH PROJECTS AGENCY—HEALTH.

(a) ESTABLISHMENT.—

(1) **IN GENERAL.**—There is established within the National Institutes of Health the Advanced Research Projects Agency—Health (referred to in this section as “ARPA–H”). Not later than 180 days after the date of enactment of this section, the Secretary shall transfer all functions, personnel, missions, activities, authorities, and funds of the Advanced Research Projects Agency for Health as in existence on the date of enactment of this section, to ARPA–H established by the preceding sentence.

(2) ORGANIZATION.—

(A) **IN GENERAL.**—There shall be within ARPA–H—

- (i) an Office of the Director;
- (ii) not more than 8 program offices; and
- (iii) such special project offices as the Director may establish.

(B) **REQUIREMENT.**—Not fewer than two-thirds of the program offices of ARPA–H shall be exclusively dedicated to supporting research and development activities, consistent with the goals and functions described in subsection (b).

(C) **NOTIFICATION.**—The Director shall submit a notification to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives if the Director determines that additional program offices are required to carry out this section.

(3) EXEMPTION FROM CERTAIN POLICIES OF NIH.—

(A) **IN GENERAL.**—Except as otherwise provided for in this section, and subject to subparagraph (B), in establishing ARPA–H pursuant to paragraph (1), the Secretary may exempt ARPA–H from policies and requirements of the National Institutes of Health that are in effect on the day before the date of enactment of this section as necessary and appropriate to ensure ARPA–H can most effectively achieve the goals described in subsection (b)(1).

(B) **NOTICE.**—Not later than 90 days after the date of enactment of this section, the Secretary shall publish a notice in the Federal Register describing the specific policies and requirements of the National Institutes of Health from which the Secretary intends to exempt ARPA–H, including a rationale for such exemptions.

(b) GOALS AND FUNCTIONS.—

(1) **GOALS.**—The goals of ARPA–H shall be to—

(A) foster the development of novel, breakthrough, and broadly applicable capabilities and technologies to accelerate transformative innovation in biomedical science and medicine in a manner that cannot be readily accomplished

through traditional Federal biomedical research and development programs or commercial activity;

(B) revolutionize the detection, diagnosis, mitigation, prevention, treatment, and cure of diseases and health conditions by overcoming long-term and significant technological and scientific barriers to developing transformative health technologies;

(C) promote high-risk, high-reward innovation to enable the advancement of transformative health technologies; and

(D) contribute to ensuring the United States—

(i) pursues initiatives that aim to maintain global leadership in science and innovation; and

(ii) improves the health and wellbeing of its citizens by supporting the advancement of biomedical science and innovation.

(2) FUNCTIONS.—ARPA-H shall achieve the goals specified in paragraph (1) by addressing specific scientific or technical questions by involving high-impact transformative, translational, applied, and advanced research in relevant areas of science, by supporting—

(A) discovery, identification, and promotion of revolutionary advancements in science;

(B) translation of scientific discoveries into transformative health technologies with potential application for biomedical science and medicine;

(C) creation of platform capabilities that draw on multiple disciplines;

(D) delivery of proofs of concept that demonstrate meaningful advances with potential clinical application;

(E) development of new capabilities and methods to identify potential targets and technological strategies for early disease detection and intervention, such as advanced computational tools and predictive models; and

(F) acceleration of transformational health technological advances in areas with limited technical certainty.

(c) DIRECTOR.—

(1) IN GENERAL.—The President shall appoint a director of ARPA-H (in this section referred to as the “Director”).

(2) QUALIFICATIONS.—The Director shall be an individual who, by reason of professional background and experience—

(A) is especially qualified to advise the Secretary on, and manage—

(i) research and development programs; and

(ii) large-scale, high-risk initiatives with respect to health research and technology development across multiple sectors, including identifying and supporting potentially transformative health technologies; and

(B) has a demonstrated ability to identify and develop partnerships to address strategic needs in meeting the goals described in subsection (b)(1).

(3) REPORTING.—The Director shall report to the Secretary of Health and Human Services.

(4) DUTIES.—The duties of the Director shall include the following:

(A) Establish strategic goals, objectives, and priorities for ARPA–H to advance the goals described in subsection (b)(1).

(B) Approve the projects and programs of ARPA–H and restructure, expand, or terminate any project or program within ARPA–H that is not achieving its goals.

(C) Develop funding criteria and assess the success of programs through the establishment of technical milestones.

(D) Request that applications for funding disclose current and previous research and development efforts related to such applications, as appropriate, and identify any challenges associated with such efforts, including any scientific or technical barriers encountered in the course of such efforts or challenges in securing sources of funding, as applicable.

(E) Coordinate with the heads of relevant Federal departments and agencies to facilitate sharing of data and information, as applicable and appropriate, and ensure that research supported by ARPA–H is informed by and supplements, not supplants, the activities of such departments and agencies and is free of unnecessary duplication of effort.

(F) Ensure ARPA–H does not provide funding for a project unless the program manager determines that the project aligns with the goals described in subsection (b)(1).

(G) Prioritize investments based on considerations such as—

(i) scientific opportunity and potential impact, especially in areas that fit within the strategies and operating practices of ARPA–H and require public-private partnerships to effectively advance research and development activities; and

(ii) the potential applications that an innovation may have to address areas of currently unmet need in medicine and health, including health disparities and the potential to prevent progression to serious disease.

(H) Encourage strategic collaboration and partnerships with a broad range of entities, which may include institutions of higher education, minority-serving institutions (defined, for the purposes of this section, as institutions and programs described in section 326(e)(1) of the Higher Education Act of 1965 and institutions described in section 371(a) of such Act), industry, nonprofit organizations, Federally funded research and development centers, or consortia of such entities.

(5) TERM.—Notwithstanding section 405(a)(2), the Director—

(A) shall be appointed for a 4-year term; and

(B) may be reappointed for 1 consecutive 4-year term.

(6) AUTONOMY OF AGENCY REGARDING RECOMMENDATIONS AND TESTIMONY.—No office or agency of the United States shall

have authority to require the Director to submit legislative recommendations, or testimony or comments on legislation, to any officer or agency of the United States for approval, comments, or review prior to the submission of such recommendations, testimony or comments to Congress, if such recommendations, testimony, or comments to Congress include a statement indicating that the views expressed therein are those of the Director and do not necessarily reflect the views of the President or another Federal department, agency, or office.

(7) DEPUTY DIRECTOR.—The Director shall appoint a Deputy Director to serve as the principal assistant to the Director.

(8) NONAPPLICATION OF CERTAIN PROVISION.—The restrictions contained in section 202 of the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 1993 (Public Law 102–394; 42 U.S.C. 238f note) related to consultants and individual scientists appointed for limited periods of time shall not apply to the Director appointed under this subsection.

(d) APPLICATION OF CERTAIN FLEXIBILITIES.—The flexibilities provided to the National Institutes of Health under section 301(g) shall apply to ARPA–H with respect to the functions described in subsection (b)(2).

(e) PROTECTION OF INFORMATION.—

(1) NO AUTHORIZATION FOR DISCLOSURE.—Nothing in this section shall be construed as authorizing the Director to disclose any information that is a trade secret or other privileged or confidential information subject to section 552(b)(4) of title 5, United States Code, or section 1905 of title 18, United States Code.

(2) REPORTING.—If there have been requests under section 522 of title 5, United States Code, or the Secretary has used such authority to withhold information within the preceding year, not later than 1 year after the date of enactment of this section, and annually thereafter, the Director shall report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives on—

(A) the number of instances in which the Secretary has used the authority under this subsection to withhold information from disclosure; and

(B) the nature of any request under section 552 of title 5, United States Code, or section 1905 of title 18, United States Code, that was denied using such authority.

(3) CLARIFICATION.—The protections for trade secrets or other privileged or confidential information described in paragraph (1) shall not be construed to limit the availability or disclosure of information necessary to inform and facilitate the evaluation required under subsection (k)(2). Any such information made available to members of the National Academies of Sciences, Engineering, and Medicine (referred to in this section as the “National Academies”) for such evaluation shall be kept confidential by such members and shall not be used for any purposes other than informing and facilitating the evaluation required under subsection (k)(2).

(f) COOPERATION WITH THE FOOD AND DRUG ADMINISTRATION.—

(1) IN GENERAL.—In order to facilitate the enhanced collaboration and communication with respect to the most current priorities of ARPA–H, the Food and Drug Administration may meet with ARPA–H and any other Federal partners at appropriate intervals to discuss the development status, and actions that may be taken to facilitate the development, of medical products and projects that are the highest priorities to ARPA–H.

(2) REIMBURSEMENT.—Utilizing interagency agreements or other appropriate resource allocation mechanisms available, the Director shall reimburse, using funds made available to ARPA–H, the Food and Drug Administration, as appropriate, for activities identified by the Commissioner of Food and Drugs and the Director as being conducted by the Food and Drug Administration under the authority of this subsection.

(g) AWARDS.—

(1) IN GENERAL.—In carrying out this section, the Director may—

(A) award grants and cooperative agreements, which shall include requirements to publicly report indirect facilities and administrative costs, broken out by fixed capital costs, administrative overhead, and labor costs;

(B) award contracts, which may include multi-year contracts subject to section 3903 of title 41, United States Code;

(C) award cash prizes, utilizing the authorities and processes established under section 24 of the Stevenson-Wydler Technology Innovation Act of 1980; and

(D) enter into other transactions, as defined by section 319L(a)(3), subject to paragraph (2).

(2) LIMITATIONS ON ENTERING INTO OTHER TRANSACTIONS.—

(A) USE OF COMPETITIVE PROCEDURES.—To the maximum extent practicable, competitive procedures shall be used when entering into other transactions under this section.

(B) WRITTEN DETERMINATION REQUIRED.—The authority of paragraph (1)(D) may be exercised for a project if the program manager—

(i) submits a request to the Director for each individual use of such authority before conducting or supporting a program, including an explanation of why the use of such authority is essential to promoting the success of the project;

(ii) receives approval for the use of such authority from the Director; and

(iii) for each year in which the program manager has used such authority in accordance with this paragraph, submits a report to the Director on the activities of the program related to such project.

(3) EXEMPTIONS FROM CERTAIN REQUIREMENTS.—Research funded by ARPA-H shall not be subject to the requirements of section 406(a)(3)(A)(ii) or section 492.

(h) FACILITIES AUTHORITY.—

(1) IN GENERAL.—The Director is authorized, for administrative purposes, to—

(A) acquire (by purchase, lease, condemnation or otherwise), construct, improve, repair, operate, and maintain such real and personal property as are necessary to carry out this section; and

(B) lease an interest in property for not more than 20 years, notwithstanding section 1341(a)(1) of title 31, United States Code.

(2) LOCATIONS.—

(A) IN GENERAL.—ARPA-H, including its headquarters, shall not be located on any part of the existing National Institutes of Health campuses.

(B) NUMBER OF LOCATIONS.—ARPA-H shall have offices or facilities in not less than 3 geographic areas.

(C) CONSIDERATIONS.—In determining the location of each office or facility, the Director shall make a fair and open consideration of—

(i) the characteristics of the intended location; and

(ii) the extent to which such location will facilitate advancement of the goals and functions specified in subsection (b).

(i) PERSONNEL.—

(1) IN GENERAL.—The Director may—

(A) appoint and remove scientific, engineering, medical, and professional personnel, which may include temporary or term-limited appointments as determined by the Director to fulfill the mission of ARPA-H, without regard to any provision in title 5, United States Code, governing appointments and removals under the civil service laws;

(B) notwithstanding any other provision of law, including any requirement with respect to General Schedule pay rates under subchapter III of chapter 53 of title 5, United States Code, fix the base pay compensation of such personnel at a rate to be determined by the Director, up to the amount of annual compensation (excluding expenses) specified in section 102 of title 3, United States Code; and

(C) contract with private recruiting firms for assistance in identifying highly qualified candidates for technical positions needed to carry out this section.

(2) SUPPORT STAFF.—The Director may use authorities in existence on the date of enactment of this section that are provided to the Secretary to hire administrative, financial, clerical, and other staff necessary to carry out functions that support the goals and functions described in subsection (b).

(3) NUMBER OF PERSONNEL.—The Director may appoint not more than 210 personnel under this section. The Director shall submit a notification to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and

the Committee on Appropriations of the House of Representatives if the Director determines that additional personnel are required to carry out this section.

(4) CLARIFICATION ON PREVIOUS POSITIONS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the Director shall ensure that the personnel who are appointed to staff or support ARPA–H are individuals who, at the time of appointment and for 3 years prior to such appointment, were not employed by the National Institutes of Health. The Director may grant an exemption only for individuals who are uniquely qualified, by way of professional background and expertise, to advance the goals and functions specified in subsection (b).

(B) NONAPPLICATION OF PROVISION.—The restriction provided under subparagraph (A) shall not apply to any individuals who are employed by ARPA–H on the date of enactment of this section.

(5) ADDITIONAL CONSIDERATIONS.—In appointing personnel under this subsection, the Director—

(A) may contract with private entities for the purposes of recruitment services;

(B) shall make efforts to recruit a diverse workforce, including individuals underrepresented in science, engineering, and medicine, including racial and ethnic minorities, provided such efforts do not conflict with applicable Federal civil rights law, and individuals with a variety of professional experiences or backgrounds; and

(C) shall recruit program managers with demonstrated expertise in a wide range of scientific disciplines and management skills.

(6) USE OF INTERGOVERNMENTAL PERSONNEL ACT.—To the extent needed to carry out the authorities under paragraph (1) and the goals and functions specified in subsection (b), the Director may utilize hiring authorities under sections 3371 through 3376 of title 5, United States Code.

(7) AUTHORITY TO ACCEPT FEDERAL DETAILEES.—The Director may accept officers or employees of the United States or members of the uniformed service on a detail from an element of the Federal Government, on a reimbursable or a nonreimbursable basis, as jointly agreed to by the heads of the receiving and detailing elements, for a period not to exceed 3 years.

(j) PROGRAM MANAGERS.—

(1) IN GENERAL.—The Director shall appoint program managers for 3-year terms (and may reappoint such program managers for 1 additional consecutive 3-year term) for the programs carried out by ARPA–H.

(2) DUTIES.—A program manager shall—

(A) establish, in consultation with the Director, research and development goals for programs, including timelines and milestones, and make such goals available to the public;

(B) manage applications and proposals, through the appropriate officials, for making awards as described in

subsection (g) for activities consistent with the goals and functions described in subsection (b);

(C) issue funding opportunity announcements, using uniform administrative processes, as appropriate;

(D) select, on the basis of merit, each of the projects to be supported under a program carried out by ARPA-H, and taking into consideration—

(i) the scientific, technical merit, and novelty of the proposed project;

(ii) the ability of the applicant to successfully carry out the proposed project;

(iii) the potential future commercial applications of the project proposed by the applicant, including whether such applications may have the potential to address areas of currently unmet need within biomedicine and improve health outcomes;

(iv) the degree to which the proposed project has the potential to transform biomedicine and addresses a scientific or technical question pursuant to subsection (b);

(v) the potential for the project to take an interdisciplinary approach; and

(vi) such other criteria as established by the Director;

(E) provide project oversight and management of strategic initiatives to advance the program, including by conducting project reviews not later than 18 months after the date of funding awards to identify and monitor progress of milestones with respect to each project and prior to disbursement of additional funds;

(F) provide recommendations to the Director with respect to advancing the goals and functions specified in subsection (b);

(G) encourage research collaborations and cultivate opportunities for the application or utilization of successful projects, including through identifying and supporting applicable public-private partnerships or partnerships between or among award recipients;

(H) provide recommendations to the Director to establish, expand, restructure, or terminate partnerships or projects; and

(I) communicate and collaborate with leaders and experts within the health care and biomedical research and development fields, including from both the public and private sectors and, as necessary, through the convening of workshops and meetings, to identify research and development gaps and opportunities and solicit stakeholder input on programs and goals.

(k) REPORTS AND EVALUATION.—

(1) ANNUAL REPORT.—

(A) IN GENERAL.—Beginning not later than 1 year after the date of enactment of this section, as part of the annual budget request submitted for each fiscal year, the

Director shall submit a report on the actions undertaken, and the results generated, by ARPA-H, including—

(i) a description of projects supported by ARPA-H in the previous fiscal year and whether such projects are meeting the goals developed by the Director pursuant to subsection (c)(4)(A);

(ii) a description of projects terminated in the previous fiscal year, and the reason for such termination;

(iii) a description of planned programs starting in the next fiscal year, pending the availability of funding;

(iv) activities conducted in coordination with other Federal departments and agencies;

(v) a description of any successes with, or barriers to, coordinating with other Federal departments and agencies to achieve the goals and functions under subsection (b);

(vi) aggregated demographic information, if available, of direct recipients and performers in funded projects and of the ARPA-H workforce (consistent with the reporting requirements under paragraph (3)); and

(vii) a summary of award recipient compliance with section 2321 of the PREVENT Pandemics Act.

(B) SUBMISSION TO CONGRESS.—The report under subparagraph (A) shall be submitted to—

(i) the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives; and

(ii) the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate.

(2) EVALUATION.—

(A) IN GENERAL.—Not later than 5 years after the date of the enactment of this section, the Director shall seek to enter into an agreement with the National Academies under which the National Academies conducts an evaluation of whether ARPA-H is meeting the goals and functions specified in subsection (b).

(B) SUBMISSION OF RESULTS.—The agreement entered into under subparagraph (A) shall require the National Academies to submit the evaluation conducted under such agreement to the Director, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, and make the report publicly available.

(3) REPORTING RELATED TO ARPA-H PERSONNEL.—

(A) IN GENERAL.—The Director shall establish and maintain records regarding the use of the authority under subsection (i)(1)(A), including—

(i) the number of positions filled through such authority;

(ii) the types of appointments of such positions;

(iii) the titles, occupational series, and grades of such positions;

(iv) the number of positions publicly noticed to be filled under such authority;

(v) the number of qualified applicants who apply for such positions;

(vi) the qualification criteria for such positions; and

(vii) the demographic information of individuals appointed to such positions.

(B) REPORTS TO CONGRESS.—Not later than 2 years after the date of enactment of this section, and annually thereafter for each fiscal year in which such authority is used, the Director shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report describing the total number of appointments filled under subsection (i) within the fiscal year and how the positions relate to the goals and functions of ARPA-H.

(C) GAO REPORT.—Not later than 2 years after the date of enactment of this section, the Comptroller General of the United States shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the use of the authority provided under subsection (i)(1)(A). Such report shall, in a manner that protects personal privacy, to the extent required by applicable Federal and State privacy law, at a minimum, include information on—

(i) the number of positions publicly noticed and filled under the authority under subsection (i);

(ii) the occupational series, grades, and types of appointments of such positions;

(iii) how such positions related to advancing the goals and functions of ARPA-H;

(iv) how the Director made appointment decisions under subsection (i);

(v) a summary of sources used to identify candidates for filling such positions, as applicable;

(vi) the number of individuals appointed;

(vii) aggregated demographic information related to individuals appointed; and

(viii) any challenges, limitations, or gaps related to the use of the authority under subsection (i) and any related recommendations to address such challenges, limitations, or gaps.

(I) STRATEGIC PLAN.—Not later than 1 year after the date of the enactment of this section, and every 3 years thereafter, the Director shall provide to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives a strategic plan describing how ARPA-H will carry out investments each fiscal year

in the following 3-year period. The requirements regarding individual institute and center strategic plans under section 402(m), including paragraph (3) of such subsection, shall not apply to ARPA-H.

(m) INDEPENDENT REVIEW.—Not later than 1 year after the date of the enactment of this section, and every 4 years thereafter, the Comptroller General of the United States shall conduct, and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives, an independent review of the biomedical research and development portfolio of the Department of Health and Human Services, including ARPA-H, the National Institutes of Health, the Food and Drug Administration, and the Biomedical Advanced Research and Development Authority—

(1) to assess the degree of any potential duplication of existing Federal programs and projects; and

(2) to make any recommendations regarding any potential reorganization, consolidation, or termination of such programs and projects.

(n) PRIORITIZATION.—

(1) IN GENERAL.—The Director shall—

(A) prioritize awarding grants, cooperative agreements, contracts, prizes, and other transaction awards to entities that will conduct funded work in the United States;

(B) as appropriate and practicable, encourage non-domestic recipients of any grants, cooperative agreements, contracts, prizes, and other transactions under this section to collaborate with a domestic entity;

(C) not make awards under this section to non-domestic entities organized under the laws of a covered foreign country (as defined in section 119C of the National Security Act of 1947 (50 U.S.C. 3059)); and

(D) in accordance with the requirements of chapter 33 of title 41, United States Code, and the Federal Acquisition Regulation, not make awards under this section to entities that have more than 3 ongoing concurrent awards under this section.

(2) CLARIFICATION.—In making an award under this section, the Director may waive the requirements of subparagraphs (A), (B), and (D) of paragraph (1) if such requirements cannot reasonably be met, and the proposed project has the potential to advance the goals described in subsection (b)(1). The Director shall provide notice to Congress not later than 30 days after waiving such requirements.

(o) ADDITIONAL CONSULTATION.—In carrying out this section, the Director may consult with—

(1) the President's Council of Advisors on Science and Technology;

(2) representatives of professional or scientific organizations, including academia and industry, with expertise in specific technologies under consideration or development by ARPA-H;

(3) an existing advisory committee providing advice to the Secretary or the head of any operating or staff division of the Department;

(4) the advisory committee established under subsection (p); and

(5) any other entity the Director may deem appropriate.

(p) ADVISORY COMMITTEE.—

(1) IN GENERAL.—There is established an ARPA–H Interagency Advisory Committee (referred to in this subsection as the “Advisory Committee”) to coordinate efforts and provide advice and assistance on specific program or project tasks and the overall direction of ARPA–H.

(2) MEMBERS.—The Advisory Committee established under paragraph (1) shall consist of the heads of the following agencies or their designees:

(A) The National Institutes of Health.

(B) The Centers for Disease Control and Prevention.

(C) The Food and Drug Administration.

(D) The Office of the Assistant Secretary for Preparedness and Response.

(E) The Office of the Assistant Secretary of Health.

(F) The Defense Advanced Research Projects Agency.

(G) The Office of Science of the Department of Energy.

(H) The National Science Foundation.

(I) Any other agency or office with subject matter expertise that the Director of ARPA–H determines appropriate to advance programs or projects under this section.

(3) NONAPPLICABILITY OF FACAS.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the Advisory Committee.

(4) ADVISORY NATURE.—The functions of the Advisory Committee shall be advisory in nature, and nothing in this subsection shall be construed as granting such Committee authority over the activities authorized under this section.

(5) PERFORMANCE MEASURES FRAMEWORK.—

(A) IN GENERAL.—The Director, in consultation with the Advisory Committee, shall develop a performance measures framework for programs or projects supported by ARPA–H in order to inform and facilitate the evaluation required under subsection (k)(2), including identification of any data needed to perform such evaluation,

(B) AVAILABILITY OF PERFORMANCE MEASURES.—The Director shall provide to the National Academies such performance measures and data necessary to perform the evaluation required under subsection (k)(2).

(q) RULE OF CONSTRUCTION.—The authorities under this section, with respect to the Director, are additional authorities that do not supersede or modify any existing authorities.

(r) TRANSFORMATIVE HEALTH TECHNOLOGY DEFINED.—In this section, the term “transformative health technology” means a novel, broadly applicable capability or technology—

(1) that has potential to revolutionize the detection, diagnosis, mitigation, prevention, cure, or treatment of a disease or

health condition that can cause severe health outcomes and which is an area of currently unmet need; and

(2) for which—

(A) significant scientific or technical challenges exist;

or

(B) incentives in the commercial market are unlikely to result in the adequate or timely development of such capability or technology.

(s) **AUTHORIZATION OF APPROPRIATIONS.**—To carry out this section, there is authorized to be appropriated \$500,000,000 for each of the fiscal years 2024 through 2028, to remain available until expended.

(t) **ADDITIONAL BUDGET CLARIFICATION.**—Any budget request for ARPA–H shall propose a separate appropriation from the other accounts of the National Institutes of Health.

TITLE V—SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION

PART A—ORGANIZATION AND GENERAL AUTHORITIES

SEC. 501. [290aa] SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION.

(a) **ESTABLISHMENT.**—The Substance Abuse and Mental Health Services Administration (hereafter referred to in this title as the “Administration”) is an agency of the Service.

(b) **CENTERS.**—The following Centers are agencies of the Administration:

(1) The Center for Substance Abuse Treatment.

(2) The Center for Substance Abuse Prevention.

(3) The Center for Mental Health Services.

(c) **ASSISTANT SECRETARY AND DEPUTY ASSISTANT SECRETARY.**—

(1) **ASSISTANT SECRETARY.**—The Administration shall be headed by an official to be known as the Assistant Secretary for Mental Health and Substance Use (hereinafter in this title referred to as the “Assistant Secretary”) who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) **DEPUTY ASSISTANT SECRETARY.**—The Assistant Secretary, with the approval of the Secretary, may appoint a Deputy Assistant Secretary and may employ and prescribe the functions of such officers and employees, including attorneys, as are necessary to administer the activities to be carried out through the Administration.

(d) **AUTHORITIES.**—The Secretary, acting through the Assistant Secretary, shall—

(1) supervise the functions of the Centers of the Administration in order to assure that the programs carried out through each such Center receive appropriate and equitable support and that there is cooperation among the Centers in the implementation of such programs;

(2) establish and implement, through the respective Centers, a comprehensive program to improve the provision of treatment and related services to individuals with respect to

substance use disorders and mental illness and to improve prevention services, promote mental health and protect the legal rights of individuals with mental illnesses and individuals with substance use disorders;

(3) carry out the administrative and financial management, policy development and planning, evaluation, knowledge dissemination, and public information functions that are required for the implementation of this title;

(4) assure that the Administration conduct and coordinate demonstration projects, evaluations, and service system assessments and other activities necessary to improve the availability and quality of treatment, prevention and related services;

(5) support activities that will improve the provision of treatment, prevention and related services, including the development of national mental health and substance use disorder goals and model programs;

(6) in cooperation with the National Institutes of Health, the Centers for Disease Control and Prevention, and the Health Resources and Services Administration, develop educational materials and intervention strategies to reduce the risks of HIV, hepatitis, tuberculosis, and other communicable diseases among individuals with mental or substance use disorders, and to develop appropriate mental health services for individuals with such diseases or disorders;

(7) coordinate Federal policy with respect to the provision of treatment services for substance use disorders, including services that utilize drugs or devices approved or cleared by the Food and Drug Administration for the treatment of substance use disorders;

(8) conduct programs, and assure the coordination of such programs with activities of the National Institutes of Health and the Agency for Healthcare Research and Quality, as appropriate, to evaluate the process, outcomes and community impact of prevention and treatment services and systems of care in order to identify the manner in which such services can most effectively be provided;

(9) collaborate with the Director of the National Institutes of Health in the development and maintenance of a system by which the relevant research findings of the National Institute on Drug Abuse, the National Institute on Alcohol Abuse and Alcoholism, the National Institute of Mental Health, and, as appropriate, the Agency for Healthcare Research and Quality are disseminated to service providers in a manner designed to improve the delivery and effectiveness of prevention, treatment, and recovery support services and are appropriately incorporated into programs carried out by the Administration;

(10) encourage public and private entities that provide health insurance to provide benefits for substance use disorder and mental health services;

(11) work with relevant agencies of the Department of Health and Human Services on integrating mental health promotion and substance use disorder prevention with general health promotion and disease prevention and integrating men-

tal and substance use disorders treatment services with physical health treatment services;

(12) monitor compliance by hospitals and other facilities with the requirements of sections 542 and 543;

(13) with respect to grant programs authorized under this title or part B of title XIX, or grant programs otherwise funded by the Administration—

(A) require that all grants that are awarded for the provision of services are subject to performance and outcome evaluations;

(B) ensure that the director of each Center of the Administration consistently documents the application of criteria when awarding grants and the ongoing oversight of grantees after such grants are awarded;

(C) require that all grants that are awarded to entities other than States are awarded only after the State in which the entity intends to provide services—

(i) is notified of the pendency of the grant application; and

(ii) is afforded an opportunity to comment on the merits of the application; and

(D) inform a State when any funds are awarded through such a grant to any entity within such State;

(14) assure that services provided with amounts appropriated under this title are provided bilingually, if appropriate;

(15) improve coordination among prevention programs, treatment facilities and nonhealth care systems such as employers, labor unions, and schools, and encourage the adoption of employee assistance programs and student assistance programs;

(16) maintain a clearinghouse for substance use disorder information, including evidence-based and promising best practices for prevention, treatment, and recovery support services for individuals with mental and substance use disorders, to assure the widespread dissemination of such information to States, political subdivisions, educational agencies and institutions, treatment providers, and the general public;

(17) in collaboration with the National Institute on Aging, and in consultation with the National Institute on Drug Abuse, the National Institute on Alcohol Abuse and Alcoholism and the National Institute of Mental Health, as appropriate, promote and evaluate substance use disorder services for older Americans in need of such services, and mental health services for older Americans who are seriously mentally ill;

(18) promote the coordination of service programs conducted by other departments, agencies, organizations and individuals that are or may be related to the problems of individuals suffering from mental illness or substance abuse, including liaisons with the Social Security Administration, Centers for Medicare & Medicaid Services, and other programs of the Department, as well as liaisons with the Department of Education, Department of Justice, and other Federal Departments and offices, as appropriate;

(19) consult with State, local, and tribal governments, non-governmental entities, and individuals with mental illness, particularly adults with a serious mental illness, children with a serious emotional disturbance, and the family members of such adults and children, with respect to improving community-based and other mental health services;

(20) collaborate with the Secretary of Defense and the Secretary of Veterans Affairs to improve the provision of mental and substance use disorder services provided by the Department of Defense and the Department of Veterans Affairs to members of the Armed Forces, veterans, and the family members of such members and veterans, including through the provision of services using the telehealth capabilities of the Department of Defense and the Department of Veterans Affairs;

(21) collaborate with the heads of relevant Federal agencies and departments, States, communities, and nongovernmental experts to improve mental and substance use disorders services for chronically homeless individuals, including by designing strategies to provide such services in supportive housing;

(22) work with States and other stakeholders to develop and support activities to recruit and retain a workforce addressing mental and substance use disorders;

(23) collaborate with the Attorney General and representatives of the criminal justice system to improve mental and substance use disorders services for individuals who have been arrested or incarcerated;

(24) support the continued access to, or availability of, mental health and substance use disorder services during, or in response to, a public health emergency declared under section 319, including in consultation with, as appropriate, the Assistant Secretary for Preparedness and Response, the Director of the Centers for Disease Control and Prevention, and the heads of other relevant agencies, in preparing for, and responding to, a public health emergency;

(25) after providing an opportunity for public input, set standards for grant programs under this title for mental and substance use disorders services and prevention programs, which standards may address—

(A) the capacity of the grantee to implement the award;

(B) requirements for the description of the program implementation approach;

(C) the extent to which the grant plan submitted by the grantee as part of its application must explain how the grantee will reach the population of focus and provide a statement of need, which may include information on how the grantee will increase access to services and a description of measurable objectives for improving outcomes;

(D) the extent to which the grantee must collect and report on required performance measures; and

(E) the extent to which the grantee is proposing to use evidence-based practices;

(26) advance, through existing programs, the use of performance metrics, including those based on the recommendations on performance metrics from the Assistant Secretary for Planning and Evaluation under section 6021(d) of the Helping Families in Mental Health Crisis Reform Act of 2016; and

(26)¹ collaborate with national accrediting entities, recovery housing providers, organizations or individuals with established expertise in delivery of recovery housing services, States, Federal agencies (including the Department of Health and Human Services, the Department of Housing and Urban Development, and the agencies listed in section 550(e)(2)(B)), and other relevant stakeholders, to promote the availability of high-quality recovery housing and services for individuals with a substance use disorder.

(e) ASSOCIATE ADMINISTRATOR FOR ALCOHOL PREVENTION AND TREATMENT POLICY.—

(1) IN GENERAL.—There may be in the Administration an Associate Administrator for Alcohol Prevention and Treatment Policy to whom the Assistant Secretary may delegate the functions of promoting, monitoring, and evaluating service programs for the prevention and treatment of alcoholism and alcohol abuse within the Center for Substance Abuse Prevention, the Center for Substance Abuse Treatment and the Center for Mental Health Services, and coordinating such programs among the Centers, and among the Centers and other public and private entities. The Associate Administrator also may ensure that alcohol prevention, education, and policy strategies are integrated into all programs of the Centers that address substance abuse prevention, education, and policy, and that the Center for Substance Abuse Prevention addresses the Healthy People 2010 goals and the National Dietary Guidelines of the Department of Health and Human Services and the Department of Agriculture related to alcohol consumption.

(2) PLAN.—

(A) The Assistant Secretary, acting through the Associate Administrator for Alcohol Prevention and Treatment Policy, shall develop, and periodically review and as appropriate revise, a plan for programs and policies to treat and prevent alcoholism and alcohol abuse. The plan shall be developed (and reviewed and revised) in collaboration with the Directors of the Centers of the Administration and in consultation with members of other Federal agencies and public and private entities.

(B) Not later than 1 year after the date of the enactment of the ADAMHA Reorganization Act, the Assistant Secretary shall submit to the Congress the first plan developed under subparagraph (A).

(3) REPORT.—

(A) Not less than once during each 2 years, the Assistant Secretary, acting through the Associate Administrator for Alcohol Prevention and Treatment Policy, shall prepare

¹ Section 1231(3) of division FF of Public Law 117-328 inserted a new paragraph (26) which resulted in two paragraph (26)'s.

a report describing the alcoholism and alcohol abuse prevention and treatment programs undertaken by the Administration and its agencies, and the report shall include a detailed statement of the expenditures made for the activities reported on and the personnel used in connection with such activities.

(B) Each report under subparagraph (A) shall include a description of any revisions in the plan under paragraph (2) made during the preceding 2 years.

(C) Each report under subparagraph (A) shall be submitted to the Assistant Secretary for inclusion in the biennial report under subsection (m).

(f) ASSOCIATE ADMINISTRATOR FOR WOMEN'S SERVICES.—

(1) APPOINTMENT.—The Assistant Secretary, with the approval of the Secretary, shall appoint an Associate Administrator for Women's Services who shall report directly to the Assistant Secretary.

(2) DUTIES.—The Associate Administrator appointed under paragraph (1) shall—

(A) establish a committee to be known as the Coordinating Committee for Women's Services (hereafter in this subparagraph referred to as the "Coordinating Committee"), which shall be composed of the Directors of the agencies of the Administration (or the designees of the Directors);

(B) acting through the Coordinating Committee, with respect to women's substance abuse and mental health services—

(i) identify the need for such services, and make an estimate each fiscal year of the funds needed to adequately support the services;

(ii) identify needs regarding the coordination of services;

(iii) encourage the agencies of the Administration to support such services; and

(iv) assure that the unique needs of minority women, including Native American, Hispanic, African-American and Asian women, are recognized and addressed within the activities of the Administration; and

(C) establish an advisory committee to be known as the Advisory Committee for Women's Services, which shall be composed of not more than 10 individuals, a majority of whom shall be women, who are not officers or employees of the Federal Government, to be appointed by the Assistant Secretary from among physicians, practitioners, treatment providers, and other health professionals, whose clinical practice, specialization, or professional expertise includes a significant focus on women's substance abuse and mental health conditions, that shall—

(i) advise the Associate Administrator on appropriate activities to be undertaken by the agencies of the Administration with respect to women's substance

abuse and mental health services, including services which require a multidisciplinary approach;

(ii) collect and review data, including information provided by the Secretary (including the material referred to in paragraph (3)), and report biannually to the Assistant Secretary regarding the extent to which women are represented among senior personnel, and make recommendations regarding improvement in the participation of women in the workforce of the Administration; and

(iii) prepare, for inclusion in the biennial report required pursuant to subsection (m), a description of activities of the Committee, including findings made by the Committee regarding—

(I) the extent of expenditures made for women's substance abuse and mental health services by the agencies of the Administration; and

(II) the estimated level of funding needed for substance abuse and mental health services to meet the needs of women;

(D) improve the collection of data on women's health by—

(i) reviewing the current data at the Administration to determine its uniformity and applicability;

(ii) developing standards for all programs funded by the Administration so that data are, to the extent practicable, collected and reported using common reporting formats, linkages and definitions; and

(iii) reporting to the Assistant Secretary a plan for incorporating the standards developed under clause (ii) in all Administration programs and a plan to assure that the data so collected are accessible to health professionals, providers, researchers, and members of the public; and

(E) shall establish, maintain, and operate a program to provide information on women's substance abuse and mental health services.

(3) STUDY.—

(A) The Secretary, acting through the Assistant Secretary for Personnel, shall conduct a study to evaluate the extent to which women are represented among senior personnel at the Administration.

(B) Not later than 90 days after the date of the enactment of the ADAMHA Reorganization Act, the Assistant Secretary for Personnel shall provide the Advisory Committee for Women's Services with a study plan, including the methodology of the study and any sampling frames. Not later than 180 days after such date of enactment, the Assistant Secretary shall prepare and submit directly to the Advisory Committee a report concerning the results of the study conducted under subparagraph (A).

(C) The Secretary shall prepare and provide to the Advisory Committee for Women's Services any additional data as requested.

(4) OFFICE.—Nothing in this subsection shall be construed to preclude the Secretary from establishing within the Substance Abuse and Mental Health Administration an Office of Women’s Health.

(5) DEFINITION.—For purposes of this subsection, the term “women’s substance abuse and mental health conditions”, with respect to women of all age, ethnic, and racial groups, means all aspects of substance abuse and mental illness—

(A) unique to or more prevalent among women; or

(B) with respect to which there have been insufficient services involving women or insufficient data.

(g) CHIEF MEDICAL OFFICER.—

(1) IN GENERAL.—The Assistant Secretary, with the approval of the Secretary, shall appoint a Chief Medical Officer to serve within the Administration.

(2) ELIGIBLE CANDIDATES.—The Assistant Secretary shall select the Chief Medical Officer from among individuals who—

(A) have a doctoral degree in medicine or osteopathic medicine;

(B) have experience in the provision of mental or substance use disorder services;

(C) have experience working with mental or substance use disorder programs;

(D) have an understanding of biological, psychosocial, and pharmaceutical treatments of mental or substance use disorders; and

(E) are licensed to practice medicine in one or more States.

(3) DUTIES.—The Chief Medical Officer shall—

(A) serve as a liaison between the Administration and providers of mental and substance use disorders prevention, treatment, and recovery services;

(B) assist the Assistant Secretary in the evaluation, organization, integration, and coordination of programs operated by the Administration;

(C) promote evidence-based and promising best practices, including culturally and linguistically appropriate practices, as appropriate, for the prevention and treatment of, and recovery from, mental and substance use disorders, including serious mental illness and serious emotional disturbances;

(D) participate in regular strategic planning with the Administration;

(E) coordinate with the Assistant Secretary for Planning and Evaluation to assess the use of performance metrics to evaluate activities within the Administration related to mental and substance use disorders; and

(F) coordinate with the Assistant Secretary to ensure mental and substance use disorders grant programs within the Administration consistently utilize appropriate performance metrics and evaluation designs.

(h) SERVICES OF EXPERTS.—

(1) IN GENERAL.—The Assistant Secretary may obtain (in accordance with section 3109 of title 5, United States Code, but

without regard to the limitation in such section on the number of days or the period of service) the services of not more than 20 experts or consultants who have professional qualifications. Such experts and consultants shall be obtained for the Administration and for each of its agencies.

(2) COMPENSATION AND EXPENSES.—

(A) Experts and consultants whose services are obtained under paragraph (1) shall be paid or reimbursed for their expenses associated with traveling to and from their assignment location in accordance with sections 5724, 5724a(a), 5724a(c), and 5726(c) of title 5, United States Code.

(B) Expenses specified in subparagraph (A) may not be allowed in connection with the assignment of an expert or consultant whose services are obtained under paragraph (1), unless and until the expert or consultant agrees in writing to complete the entire period of assignment or one year, whichever is shorter, unless separated or reassigned for reasons beyond the control of the expert or consultant that are acceptable to the Secretary. If the expert or consultant violates the agreement, the money spent by the United States for the expenses specified in subparagraph (A) is recoverable from the expert or consultant as a debt of the United States. The Secretary may waive in whole or in part a right of recovery under this subparagraph.

(i) PEER REVIEW GROUPS.—The Assistant Secretary shall, without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title, relating to classification and General Schedule pay rates, establish such peer review groups and program advisory committees as are needed to carry out the requirements of this title and appoint and pay members of such groups, except that officers and employees of the United States shall not receive additional compensation for services as members of such groups. The Federal Advisory Committee Act² shall not apply to the duration of a peer review group appointed under this subsection.

(j) VOLUNTARY SERVICES.—The Assistant Secretary may accept voluntary and uncompensated services.

(k) ADMINISTRATION.—The Assistant Secretary shall ensure that programs and activities assigned under this title to the Administration are fully administered by the respective Centers to which such programs and activities are assigned.

(l) STRATEGIC PLAN.—

(1) IN GENERAL.—Not later than September 30, 2018, and every 4 years thereafter, the Assistant Secretary shall develop and carry out a strategic plan in accordance with this subsection for the planning and operation of activities carried out by the Administration, including evidence-based programs.

(2) COORDINATION.—In developing and carrying out the strategic plan under this subsection, the Assistant Secretary

²Section 4(a)(236) of Public Law 117–286 amends section 501(h) by striking “The Federal Advisory Committee Act” and inserting “Chapter 10 of title 5, United States Code”. The stricken phrase doesn’t appear in subsection (h) but does appear in subsection (i).

shall take into consideration the findings and recommendations of the Assistant Secretary for Planning and Evaluation under section 6021(d) of the Helping Families in Mental Health Crisis Reform Act of 2016 and the report of the Interdepartmental Serious Mental Illness Coordinating Committee under section 501C.

(3) PUBLICATION OF PLAN.—Not later than September 30, 2018, and every 4 years thereafter, the Assistant Secretary shall—

(A) submit the strategic plan developed under paragraph (1) to the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives and the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate; and

(B) post such plan on the Internet website of the Administration.

(4) CONTENTS.—The strategic plan developed under paragraph (1) shall—

(A) identify strategic priorities, goals, and measurable objectives for mental and substance use disorders activities and programs operated and supported by the Administration, including priorities to prevent or eliminate the burden of mental and substance use disorders;

(B) identify ways to improve the quality of services for individuals with mental and substance use disorders, and to reduce homelessness, arrest, incarceration, violence, including self-directed violence, and unnecessary hospitalization of individuals with a mental or substance use disorder, including adults with a serious mental illness or children with a serious emotional disturbance;

(C) ensure that programs provide, as appropriate, access to effective and evidence-based prevention, diagnosis, intervention, treatment, and recovery services, including culturally and linguistically appropriate services, as appropriate, for individuals with a mental or substance use disorder;

(D) identify opportunities to collaborate with the Health Resources and Services Administration to develop or improve—

(i) initiatives to encourage individuals to pursue careers (especially in rural and underserved areas and with rural and underserved populations) as psychiatrists, including child and adolescent psychiatrists, psychologists, psychiatric nurse practitioners, physician assistants, clinical social workers, certified peer support specialists, licensed professional counselors, or other licensed or certified mental health or substance use disorder professionals, including such professionals specializing in the diagnosis, evaluation, or treatment of adults with a serious mental illness or children with a serious emotional disturbance; and

(ii) a strategy to improve the recruitment, training, and retention of a workforce for the treatment of

individuals with mental or substance use disorders, or co-occurring disorders;

(E) identify opportunities to improve collaboration with States, local governments, communities, and Indian tribes and tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act);

(F) specify a strategy to disseminate evidence-based and promising best practices related to prevention, diagnosis, early intervention, treatment, and recovery services related to mental illness, particularly for adults with a serious mental illness and children with a serious emotional disturbance, and for individuals with a substance use disorder; and

(G) specify a strategy to support the continued access to, or availability of, mental health and substance use disorder services, including to at-risk individuals (as defined in section 2802(b)(4)), during, or in response to, public health emergencies declared pursuant to section 319.

(m) **BIENNIAL REPORT CONCERNING ACTIVITIES AND PROGRESS.**—Not later than September 30, 2020, and every 2 years thereafter, the Assistant Secretary shall prepare and submit to the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives and the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate, and post on the Internet website of the Administration, a report containing at a minimum—

(1) a review of activities conducted or supported by the Administration, including progress toward strategic priorities, goals, and objectives identified in the strategic plan developed under subsection (l);

(2) an assessment of programs and activities carried out by the Assistant Secretary, including the extent to which programs and activities under this title and part B of title XIX meet identified goals and performance measures developed for the respective programs and activities;

(3) a description of the progress made in addressing gaps in mental and substance use disorders prevention, treatment, and recovery services and improving outcomes by the Administration, including with respect to serious mental illnesses, serious emotional disturbances, and co-occurring disorders;

(4) a description of the Administration's activities to support the continued provision of mental health and substance use disorder services, as applicable, in response to public health emergencies declared pursuant to section 319;

(5) a description of the manner in which the Administration coordinates and partners with other Federal agencies and departments related to mental and substance use disorders, including activities related to—

(A) the implementation and dissemination of research findings into improved programs, including with respect to how advances in serious mental illness and serious emotional disturbance research have been incorporated into programs;

- (B) the recruitment, training, and retention of a mental and substance use disorders workforce;
- (C) the integration of mental disorder services, substance use disorder services, and physical health services;
- (D) relevant preparedness and response activities;
- (E) homelessness; and
- (F) veterans;
- (6) a description of the manner in which the Administration promotes coordination by grantees under this title, and part B of title XIX, with State or local agencies; and
- (7) a description of the activities carried out under section 501A(e), with respect to mental and substance use disorders, including—
 - (A) the number and a description of grants awarded;
 - (B) the total amount of funding for grants awarded;
 - (C) a description of the activities supported through such grants, including outcomes of programs supported; and
 - (D) information on how the National Mental Health and Substance Use Policy Laboratory is consulting with the Assistant Secretary for Planning and Evaluation and collaborating with the Center for Substance Abuse Treatment, the Center for Substance Abuse Prevention, the Center for Behavioral Health Statistics and Quality, and the Center for Mental Health Services to carry out such activities; and
- (8) recommendations made by the Assistant Secretary for Planning and Evaluation under section 6021 of the Helping Families in Mental Health Crisis Reform Act of 2016 to improve programs within the Administration, and actions taken in response to such recommendations to improve programs within the Administration.

The Assistant Secretary may meet reporting requirements established under this title by providing the contents of such reports as an addendum to the biennial report established under this subsection, notwithstanding the timeline of other reporting requirements in this title. Nothing in this subsection shall be construed to alter the content requirements of such reports or authorize the Assistant Secretary to alter the timeline of any such reports to be less frequent than biennially, unless as specified in this title.

(n) APPLICATIONS FOR GRANTS AND CONTRACTS.—With respect to awards of grants, cooperative agreements, and contracts under this title, the Assistant Secretary, or the Director of the Center involved, as the case may be, may not make such an award unless—

- (1) an application for the award is submitted to the official involved;
- (2) with respect to carrying out the purpose for which the award is to be provided, the application provides assurances of compliance satisfactory to such official; and
- (3) the application is otherwise in such form, is made in such manner, and contains such agreements, assurances, and information as the official determines to be necessary to carry out the purpose for which the award is to be provided.

(o) EMERGENCY RESPONSE.—

(1) IN GENERAL.—Notwithstanding section 504 and except as provided in paragraph (2), the Secretary may use not to exceed 2.5 percent of all amounts appropriated under this title for a fiscal year to make noncompetitive grants, contracts or cooperative agreements to public entities to enable such entities to address emergency substance abuse or mental health needs in local communities.

(2) EXCEPTIONS.—Amounts appropriated under part C shall not be subject to paragraph (1).

(3) EMERGENCIES.—The Secretary shall establish criteria for determining that a substance abuse or mental health emergency exists and publish such criteria in the Federal Register prior to providing funds under this subsection.

(4) EMERGENCY RESPONSE.—Amounts made available for carrying out this subsection shall remain available through the end of the fiscal year following the fiscal year for which such amounts are appropriated.

(p) LIMITATION ON THE USE OF CERTAIN INFORMATION.—No information, if an establishment or person supplying the information or described in it is identifiable, obtained in the course of activities undertaken or supported under section 505 may be used for any purpose other than the purpose for which it was supplied unless such establishment or person has consented (as determined under regulations of the Secretary) to its use for such other purpose. Such information may not be published or released in other form if the person who supplied the information or who is described in it is identifiable unless such person has consented (as determined under regulations of the Secretary) to its publication or release in other form.

(q) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of providing grants, cooperative agreements, and contracts under this section, there are authorized to be appropriated \$25,000,000 for fiscal year 2001, and such sums as may be necessary for each of the fiscal years 2002 and 2003.

SEC. 501A. [290aa-0] NATIONAL MENTAL HEALTH AND SUBSTANCE USE POLICY LABORATORY.

(a) IN GENERAL.—There shall be established within the Administration a National Mental Health and Substance Use Policy Laboratory (referred to in this section as the “Laboratory”).

(b) RESPONSIBILITIES.—The Laboratory shall—

(1) continue to carry out the authorities and activities that were in effect for the Office of Policy, Planning, and Innovation as such Office existed prior to the date of enactment of the Helping Families in Mental Health Crisis Reform Act of 2016;

(2) identify, coordinate, and facilitate the implementation of policy changes likely to have a significant effect on mental health, mental illness, recovery supports, and the prevention and treatment of substance use disorder services;

(3) work with the Center for Behavioral Health Statistics and Quality to collect, as appropriate, information from grantees under programs operated by the Administration in order to evaluate and disseminate information on evidence-based practices, including culturally and linguistically appropriate services, as appropriate, and service delivery models;

(4) provide leadership in identifying and coordinating policies and programs, including evidence-based programs, related to mental and substance use disorders;

(5) periodically review programs and activities operated by the Administration relating to the diagnosis or prevention of, treatment for, and recovery from, mental and substance use disorders to—

(A) identify any such programs or activities that are duplicative;

(B) identify any such programs or activities that are not evidence-based, effective, or efficient; and

(C) formulate recommendations for coordinating, eliminating, or improving programs or activities identified under subparagraph (A) or (B) and merging such programs or activities into other successful programs or activities;

(6) issue and periodically update information for entities applying for grants or cooperative agreements from the Substance Abuse and Mental Health Services Administration in order to—

(A) encourage the implementation and replication of evidence-based practices; and

(B) provide technical assistance to applicants for funding, including with respect to justifications for such programs and activities; and

(7) carry out other activities as deemed necessary to continue to encourage innovation and disseminate evidence-based programs and practices.

(c) EVIDENCE-BASED PRACTICES AND SERVICE DELIVERY MODELS.—

(1) IN GENERAL.—In carrying out subsection (b)(3), the Laboratory—

(A) may give preference to models that improve—

(i) the coordination between mental health and physical health providers;

(ii) the coordination among such providers and the justice and corrections system; and

(iii) the cost effectiveness, quality, effectiveness, and efficiency of health care services furnished to adults with a serious mental illness, children with a serious emotional disturbance, or individuals in a mental health crisis; and

(B) may include clinical protocols and practices that address the needs of individuals with early serious mental illness.

(2) CONSULTATION.—In carrying out this section, the Laboratory shall consult with—

(A) the Chief Medical Officer appointed under section 501(g);

(B) representatives of the National Institute of Mental Health, the National Institute on Drug Abuse, and the National Institute on Alcohol Abuse and Alcoholism, on an ongoing basis;

(C) other appropriate Federal agencies;

(D) clinical and analytical experts with expertise in psychiatric medical care and clinical psychological care, health care management, education, corrections health care, and mental health court systems, as appropriate; and

(E) other individuals and agencies as determined appropriate by the Assistant Secretary.

(d) DEADLINE FOR BEGINNING IMPLEMENTATION.—The Laboratory shall begin implementation of this section not later than January 1, 2018.

(e) PROMOTING INNOVATION.—

(1) IN GENERAL.—The Assistant Secretary, in coordination with the Laboratory, may award grants to States, local governments, Indian Tribes or Tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act), educational institutions, and non-profit organizations to develop evidence-based interventions, including culturally and linguistically appropriate services, as appropriate, for—

(A) evaluating a model that has been scientifically demonstrated to show promise, but would benefit from further applied development, for—

(i) enhancing the prevention, diagnosis, intervention, and treatment of, and recovery from, mental illness, serious emotional disturbances, substance use disorders, and co-occurring illness or disorders; or

(ii) integrating or coordinating physical health services and mental and substance use disorders services; and

(B) expanding, replicating, or scaling evidence-based programs across a wider area to enhance effective screening, early diagnosis, intervention, and treatment with respect to mental illness, serious mental illness, serious emotional disturbances, and substance use disorders, primarily by—

(i) applying such evidence-based programs to the delivery of care, including by training staff in effective evidence-based treatments; or

(ii) integrating such evidence-based programs into models of care across specialties and jurisdictions.

(2) CONSULTATION.—In awarding grants under this subsection, the Assistant Secretary shall, as appropriate, consult with the Chief Medical Officer, appointed under section 501(g), the advisory councils described in section 502, the National Institute of Mental Health, the National Institute on Drug Abuse, and the National Institute on Alcohol Abuse and Alcoholism, as appropriate.

(f) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there is authorized to be appropriated \$10,000,000 for each of fiscal years 2023 through 2027.

SEC. 501B. [290aa-0a] BEHAVIORAL HEALTH CRISIS COORDINATING OFFICE.

(a) IN GENERAL.—The Secretary shall establish, within the Substance Abuse and Mental Health Services Administration, an office to coordinate work relating to behavioral health crisis care

across the operating divisions and agencies of the Department of Health and Human Services, including the Substance Abuse and Mental Health Services Administration, the Centers for Medicare & Medicaid Services, and the Health Resources and Services Administration, and external stakeholders.

(b) DUTY.—The office established under subsection (a) shall—

(1) convene Federal, State, Tribal, local, and private partners;

(2) launch and manage Federal workgroups charged with making recommendations regarding issues related to mental health and substance use disorder crises, including with respect to health care best practices, workforce development, health disparities, data collection, technology, program oversight, public awareness, and engagement; and

(3) support technical assistance, data analysis, and evaluation functions in order to assist States, localities, Territories, Indian Tribes, and Tribal organizations in developing crisis care systems and identifying best practices with the objective of expanding the capacity of, and access to, local crisis call centers, mobile crisis care, crisis stabilization, psychiatric emergency services, and rapid post-crisis follow-up care provided by—

(A) the National Suicide Prevention and Mental Health Crisis Hotline and Response System;

(B) the Veterans Crisis Line;

(C) community mental health centers (as defined in section 1861(ff)(3)(B) of the Social Security Act);

(D) certified community behavioral health clinics, as described in section 223 of the Protecting Access to Medicare Act of 2014; and

(E) other community mental health and substance use disorder providers.

(c) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2023 through 2027.

SEC. 501C. [290aa-0b] INTERDEPARTMENTAL SERIOUS MENTAL ILLNESS COORDINATING COMMITTEE.

(a) ESTABLISHMENT.—

(1) IN GENERAL.—The Secretary, or the designee of the Secretary, shall establish a committee to be known as the Interdepartmental Serious Mental Illness Coordinating Committee (in this section referred to as the “Committee”).

(2) FEDERAL ADVISORY COMMITTEE ACT.—Except as provided in this section, the provisions of the Federal Advisory Committee Act (5 U.S.C. App.) shall apply to the Committee.

(b) MEETINGS.—The Committee shall meet not fewer than 2 times each year.

(c) RESPONSIBILITIES.—Not later than each of 1 year and 5 years after the date of enactment of this section, the Committee shall submit to Congress and any other relevant Federal department or agency a report including—

(1) a summary of advances in serious mental illness and serious emotional disturbance research related to the prevention of, diagnosis of, intervention in, and treatment and recovery

ery of serious mental illnesses, serious emotional disturbances, and advances in access to services and support for adults with a serious mental illness or children with a serious emotional disturbance;

(2) an evaluation of the effect Federal programs related to serious mental illness have on public health, including outcomes such as—

(A) rates of suicide, suicide attempts, incidence and prevalence of serious mental illnesses, serious emotional disturbances, and substance use disorders, overdose, overdose deaths, emergency hospitalizations, emergency department boarding, preventable emergency department visits, interaction with the criminal justice system, homelessness, and unemployment;

(B) increased rates of employment and enrollment in educational and vocational programs;

(C) quality of mental and substance use disorders treatment services; or

(D) any other criteria as may be determined by the Secretary; and

(3) specific recommendations for actions that agencies can take to better coordinate the administration of mental health services for adults with a serious mental illness or children with a serious emotional disturbance.

(d) MEMBERSHIP.—

(1) FEDERAL MEMBERS.—The Committee shall be composed of the following Federal representatives, or the designees of such representatives—

(A) the Secretary of Health and Human Services, who shall serve as the Chair of the Committee;

(B) the Assistant Secretary for Mental Health and Substance Use;

(C) the Attorney General;

(D) the Secretary of Veterans Affairs;

(E) the Secretary of Defense;

(F) the Secretary of Housing and Urban Development;

(G) the Secretary of Education;

(H) the Secretary of Labor;

(I) the Administrator of the Centers for Medicare & Medicaid Services;

(J) the Administrator of the Administration for Community Living; and

(K) the Commissioner of Social Security.

(2) NON-FEDERAL MEMBERS.—The Committee shall also include not less than 14 non-Federal public members appointed by the Secretary of Health and Human Services, of which—

(A) at least 2 members shall be an individual who has received treatment for a diagnosis of a serious mental illness;

(B) at least 1 member shall be a parent or legal guardian of an adult with a history of a serious mental illness or a child with a history of a serious emotional disturbance;

(C) at least 1 member shall be a representative of a leading research, advocacy, or service organization for adults with a serious mental illness;

(D) at least 2 members shall be—

(i) a licensed psychiatrist with experience in treating serious mental illnesses;

(ii) a licensed psychologist with experience in treating serious mental illnesses or serious emotional disturbances;

(iii) a licensed clinical social worker with experience treating serious mental illnesses or serious emotional disturbances; or

(iv) a licensed psychiatric nurse, nurse practitioner, or physician assistant with experience in treating serious mental illnesses or serious emotional disturbances;

(E) at least 1 member shall be a licensed mental health professional with a specialty in treating children and adolescents with a serious emotional disturbance;

(F) at least 1 member shall be a mental health professional who has research or clinical mental health experience in working with minorities;

(G) at least 1 member shall be a mental health professional who has research or clinical mental health experience in working with medically underserved populations;

(H) at least 1 member shall be a State certified mental health peer support specialist;

(I) at least 1 member shall be a judge with experience in adjudicating cases related to criminal justice or serious mental illness;

(J) at least 1 member shall be a law enforcement officer or corrections officer with extensive experience in interfacing with adults with a serious mental illness, children with a serious emotional disturbance, or individuals in a mental health crisis; and

(K) at least 1 member shall have experience providing services for homeless individuals and working with adults with a serious mental illness, children with a serious emotional disturbance, or individuals in a mental health crisis.

(3) TERMS.—A member of the Committee appointed under paragraph (2) shall serve for a term of 3 years, and may be reappointed for 1 or more additional 3-year terms. Any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has been appointed.

(e) WORKING GROUPS.—In carrying out its functions, the Committee may establish working groups. Such working groups shall be composed of Committee members, or their designees, and may hold such meetings as are necessary.

(f) SUNSET.—The Committee shall terminate on September 30, 2027.

ADVISORY COUNCILS

SEC. 502. [290aa-1] (a) APPOINTMENT.—

(1) IN GENERAL.—The Secretary shall appoint an advisory council for—

- (A) the Substance Abuse and Mental Health Services Administration;
- (B) the Center for Substance Abuse Treatment;
- (C) the Center for Substance Abuse Prevention; and
- (D) the Center for Mental Health Services.

Each such advisory council shall advise, consult with, and make recommendations to the Secretary and the Assistant Secretary or Director of the Administration or Center for which the advisory council is established concerning matters relating to the activities carried out by and through the Administration or Center and the policies respecting such activities.

(2) FUNCTION AND ACTIVITIES.—An advisory council—

(A)(i) may on the basis of the materials provided by the organization respecting activities conducted at the organization, make recommendations to the Assistant Secretary or Director of the Administration or Center for which it was established respecting such activities;

(ii) shall review applications submitted for grants and cooperative agreements for activities for which advisory council approval is required under section 504(d)(2) and recommend for approval applications for projects that show promise of making valuable contributions to the Administration's mission; and

(iii) may review any grant, contract, or cooperative agreement proposed to be made or entered into by the organization;

(B) may collect, by correspondence or by personal investigation, information as to studies and services that are being carried on in the United States or any other country as to the diseases, disorders, or other aspects of human health with respect to which the organization was established and with the approval of the Assistant Secretary or Director, whichever is appropriate, make such information available through appropriate publications for the benefit of public and private health entities and health professions personnel and for the information of the general public; and

(C) may appoint subcommittees and convene workshops and conferences.

(b) MEMBERSHIP.—

(1) IN GENERAL.—Each advisory council shall consist of nonvoting ex officio members and not more than 12 members to be appointed by the Secretary under paragraph (3).

(2) EX OFFICIO MEMBERS.—The ex officio members of an advisory council shall consist of—

- (A) the Secretary;
- (B) the Assistant Secretary;
- (C) the Director of the Center for which the council is established;

(D) the Under Secretary for Health of the Department of Veterans Affairs;

(E) the Assistant Secretary for Defense for Health Affairs (or the designates of such officers);

(F) the Chief Medical Officer, appointed under section 501(g);

(G) the Director of the National Institute of Mental Health for the advisory councils appointed under subsections (a)(1)(A) and (a)(1)(D);

(H) the Director of the National Institute on Drug Abuse for the advisory councils appointed under subsections (a)(1)(A), (a)(1)(B), and (a)(1)(C);

(I) the Director of the National Institute on Alcohol Abuse and Alcoholism for the advisory councils appointed under subsections (a)(1)(A), (a)(1)(B), and (a)(1)(C); and

(J) such additional officers or employees of the United States as the Secretary determines necessary for the advisory council to effectively carry out its functions.

(3) APPOINTED MEMBERS.—Individuals shall be appointed to an advisory council under paragraph (1) as follows:

(A) Nine of the members shall be appointed by the Secretary from among the leading representatives of the health disciplines (including public health and behavioral and social sciences) relevant to the activities of the Administration or Center for which the advisory council is established.

(B) Three of the members shall be appointed by the Secretary from the general public and shall include leaders in fields of public policy, public relations, law, health policy economics, or management.

(C) Not less than half of the members of the advisory council appointed under subsection (a)(1)(D)—

(i) shall—

(I) have a medical degree;

(II) have a doctoral degree in psychology; or

(III) have an advanced degree in nursing or social work from an accredited graduate school or be a certified physician assistant; and

(ii) shall specialize in the mental health field.

(D) Not less than half of the members of the advisory councils appointed under subsections (a)(1)(B) and (a)(1)(C)—

(i) shall—

(I) have a medical degree;

(II) have a doctoral degree; or

(III) have an advanced degree in nursing, public health, behavioral or social sciences, or social work from an accredited graduate school or be a certified physician assistant; and

(ii) shall have experience in the provision of substance use disorder services or the development and implementation of programs to prevent substance misuse.

(4) COMPENSATION.—Members of an advisory council who are officers or employees of the United States shall not receive any compensation for service on the advisory council. The remaining members of an advisory council shall receive, for each day (including travel time) they are engaged in the performance of the functions of the advisory council, compensation at rates not to exceed the daily equivalent to the annual rate in effect for grade GS-18 of the General Schedule.

(c) TERMS OF OFFICE.—

(1) IN GENERAL.—The term of office of a member of an advisory council appointed under subsection (b) shall be 4 years, except that any member appointed to fill a vacancy for an unexpired term shall serve for the remainder of such term. The Secretary shall make appointments to an advisory council in such a manner as to ensure that the terms of the members not all expire in the same year. A member of an advisory council may serve after the expiration of such member's term until a successor has been appointed and taken office.

(2) REAPPOINTMENTS.—A member who has been appointed to an advisory council for a term of 4 years may not be reappointed to an advisory council during the 2-year period beginning on the date on which such 4-year term expired.

(3) TIME FOR APPOINTMENT.—If a vacancy occurs in an advisory council among the members under subsection (b), the Secretary shall make an appointment to fill such vacancy within 90 days from the date the vacancy occurs.

(d) CHAIR.—The Secretary shall select a member of an advisory council to serve as the chair of the council. The Secretary may so select an individual from among the appointed members, or may select the Assistant Secretary or the Director of the Center involved. The term of office of the chair shall be 2 years.

(e) MEETINGS.—An advisory council shall meet at the call of the chairperson or upon the request of the Assistant Secretary or Director of the Administration or Center for which the advisory council is established, but in no event less than 2 times during each fiscal year. The location of the meetings of each advisory council shall be subject to the approval of the Assistant Secretary or Director of Administration or Center for which the council was established.

(f) EXECUTIVE SECRETARY AND STAFF.—The Assistant Secretary or Director of the Administration or Center for which the advisory council is established shall designate a member of the staff of the Administration or Center for which the advisory council is established to serve as the Executive Secretary of the advisory council. The Assistant Secretary or Director shall make available to the advisory council such staff, information, and other assistance as it may require to carry out its functions. The Assistant Secretary or Director shall provide orientation and training for new members of the advisory council to provide for their effective participation in the functions of the advisory council.

REPORTS ON ALCOHOLISM, ALCOHOL ABUSE, AND DRUG ABUSE

SEC. 503. [290aa-2] (a) The Secretary shall submit to Congress on or before January 15, 1984, and every three years thereafter a report—

(1) containing current information on the health consequences of using alcoholic beverages,

(2) containing a description of current research findings made with respect to alcohol abuse and alcoholism, and

(3) containing such recommendations for legislation and administrative action as the Secretary may deem appropriate.

(b) The Secretary shall submit to Congress on or before January 15, 1984, and every three years thereafter a report—

(1) describing the health consequences and extent of drug abuse in the United States;

(2) describing current research findings made with respect to drug abuse, including current findings on the health effects of marihuana and the addictive property of tobacco; and

(3) containing such recommendations for legislation and administrative action as the Secretary may deem appropriate.

SEC. 503A. [290aa-2a] REPORT ON INDIVIDUALS WITH CO-OCCURRING MENTAL ILLNESS AND SUBSTANCE ABUSE DISORDERS.

(a) IN GENERAL.—Not later than 2 years after the date of the enactment of this section, the Secretary shall, after consultation with organizations representing States, mental health and substance abuse treatment providers, prevention specialists, individuals receiving treatment services, and family members of such individuals, prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Commerce of the House of Representatives, a report on prevention and treatment services for individuals who have co-occurring mental illness and substance abuse disorders.

(b) REPORT CONTENT.—The report under subsection (a) shall be based on data collected from existing Federal and State surveys regarding the treatment of co-occurring mental illness and substance abuse disorders and shall include—

(1) a summary of the manner in which individuals with co-occurring disorders are receiving treatment, including the most up-to-date information available regarding the number of children and adults with co-occurring mental illness and substance abuse disorders and the manner in which funds provided under sections 1911 and 1921 are being utilized, including the number of such children and adults served with such funds;

(2) a summary of improvements necessary to ensure that individuals with co-occurring mental illness and substance abuse disorders receive the services they need;

(3) a summary of practices for preventing substance abuse among individuals who have a mental illness and are at risk of having or acquiring a substance abuse disorder; and

(4) a summary of evidenced-based practices for treating individuals with co-occurring mental illness and substance abuse disorders and recommendations for implementing such practices.

(c) FUNDS FOR REPORT.—The Secretary may obligate funds to carry out this section with such appropriations as are available.

SEC. 504.³ [290aa-3] PEER REVIEW.

(a) IN GENERAL.—The Secretary, after consultation with the Assistant Secretary, shall require appropriate peer review of grants, cooperative agreements, and contracts to be administered through the agency which exceed the simple acquisition threshold as defined in section 4(11) of the Office of Federal Procurement Policy Act.

(b) MEMBERS.—The members of any peer review group established under subsection (a) shall be individuals who by virtue of their training or experience are eminently qualified to perform the review functions of the group. Not more than one-fourth of the members of any such peer review group shall be officers or employees of the United States. In the case of any such peer review group that is reviewing a grant, cooperative agreement, or contract related to mental illness treatment, not less than half of the members of such peer review group shall be licensed and experienced professionals in the prevention, diagnosis, or treatment of, or recovery from, mental illness or co-occurring mental illness and substance use disorders and have a medical degree, a doctoral degree in psychology, or an advanced degree in nursing or social work from an accredited program, and the Secretary, in consultation with the Assistant Secretary, shall, to the extent possible, ensure such peer review groups include broad geographic representation, including both urban and rural representatives.

(c) ADVISORY COUNCIL REVIEW.—If the direct cost of a grant or cooperative agreement (described in subsection (a)) exceeds the simple acquisition threshold as defined by section 4(11) of the Office of Federal Procurement Policy Act, the Secretary may make such a grant or cooperative agreement only if such grant or cooperative agreement is recommended—

- (1) after peer review required under subsection (a); and
- (2) by the appropriate advisory council.

(d) CONDITIONS.—The Secretary may establish limited exceptions to the limitations contained in this section regarding participation of Federal employees and advisory council approval. The circumstances under which the Secretary may make such an exception shall be made public.

SEC. 505. [290aa-4] CENTER FOR BEHAVIORAL HEALTH STATISTICS AND QUALITY.⁴

(a) IN GENERAL.—The Assistant Secretary shall maintain within the Administration a Center for Behavioral Health Statistics and Quality (in this section referred to as the “Center”). The Center shall be headed by a Director (in this section referred to as the “Director”) appointed by the Secretary from among individuals with

“The Secretary of Health and Human Services shall develop a public health monitoring program to monitor methamphetamine abuse in the United States. The program shall include the collection and dissemination of data related to methamphetamine abuse which can be used by public health officials in policy development.”.

extensive experience and academic qualifications in research and analysis in behavioral health care or related fields. (b) The Director shall—

(1) coordinate the Administration's integrated data strategy, including by collecting data each year on—

(A) the national incidence and prevalence of the various forms of mental illness and substance abuse; and

(B) the incidence and prevalence of such various forms in major metropolitan areas selected by the Director.⁵

(2) provide statistical and analytical support for activities of the Administration;

(3) recommend a core set of performance metrics to evaluate activities supported by the Administration; and

(4) coordinate with the Assistant Secretary, the Assistant Secretary for Planning and Evaluation, and the Chief Medical Officer appointed under section 501(g), as appropriate, to improve the quality of services provided by programs of the Administration and the evaluation of activities carried out by the Administration.

(c) MENTAL HEALTH.—With respect to the activities of the Director under subsection (b)(1) relating to mental health, the Director shall ensure that such activities include, at a minimum, the collection of data on—

(1) the number and variety of public and nonprofit private treatment programs;

(2) the number and demographic characteristics of individuals receiving treatment through such programs;

(3) the type of care received by such individuals; and

(4) such other data as may be appropriate.

(d) SUBSTANCE ABUSE.—

(1) IN GENERAL.—With respect to the activities of the Director under subsection (b)(1) relating to substance abuse, the Director shall ensure that such activities include, at a minimum, the collection of data on—

(A) the number of individuals admitted to the emergency rooms of hospitals as a result of the abuse of alcohol or other drugs;

(B) the number of deaths occurring as a result of substance abuse, as indicated in reports by coroners in coordination with the Centers for Disease Control and Prevention;

(C) the number and variety of public and private nonprofit treatment programs, including the number and type of patient slots available;

(D) the number of individuals seeking treatment through such programs, the number and demographic characteristics of individuals receiving such treatment, the percentage of individuals who complete such programs, and, with respect to individuals receiving such treatment, the length of time between an individual's request for treatment and the commencement of treatment;

(F) the number of individuals receiving public assistance for such treatment programs;

(G) the costs of the different types of treatment modalities for drug and alcohol abuse and the aggregate relative costs of each such treatment modality provided within a State in each fiscal year;

(H) to the extent of available information, the number of individuals receiving treatment for alcohol or drug abuse who have private insurance coverage for the costs of such treatment;

(I) the extent of alcohol and drug abuse among high school students and among the general population; and

(J) the number of alcohol and drug abuse counselors and other substance abuse treatment personnel employed in public and private treatment facilities.

(2) ANNUAL SURVEYS; PUBLIC AVAILABILITY OF DATA.—Annual survey⁶s shall be carried out in the collection of data under this subsection. Summaries and analyses of the data collected shall be made available to the public.

(e) CONSULTATION.—After consultation with the States and with appropriate national organizations, the Assistant Secretary shall use existing standards and best practices to develop uniform criteria for the collection of data, using the best available technology, pursuant to this section.

SEC. 506. [290aa-5] GRANTS FOR THE BENEFIT OF HOMELESS INDIVIDUALS.

(a) IN GENERAL.—The Secretary shall award grants, contracts and cooperative agreements to community-based public and private nonprofit entities for the purposes of providing mental health and substance use disorder services for homeless individuals. In carrying out this section, the Secretary shall consult with the Interagency Council on the Homeless, established under section 201 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11311).

(b) PREFERENCES.—In awarding grants, contracts, and cooperative agreements under subsection (a), the Secretary shall give a preference to—

(1) entities that provide integrated primary health, substance use disorder, and mental health services to homeless individuals;

(2) entities that demonstrate effectiveness in serving runaway, homeless, and street youth;

(3) entities that have experience in providing substance use disorder and mental health services to homeless individuals;

(4) entities that demonstrate experience in providing housing for individuals in treatment for or in recovery from mental illness or a substance use disorder; and

⁶The heading for paragraph (2) is the result of the amendment made by section 6004(6)(C) of Public Law 114-255. Such amendment probably should not have been made to strike “ANNUAL SURVEYS” (initial cap and small caps) and instead should have been “Annual Surveys”.

(5) entities that demonstrate effectiveness in serving homeless veterans.

(c) SERVICES FOR CERTAIN INDIVIDUALS.—In awarding grants, contracts, and cooperative agreements under subsection (a), the Secretary shall not—

(1) prohibit the provision of services under such subsection to homeless individuals who are suffering from a substance use disorder and are not suffering from a mental health disorder; and

(2) make payments under subsection (a) to any entity that has a policy of—

(A) excluding individuals from mental health services due to the existence or suspicion of a substance use disorder; or

(B) has a policy of excluding individuals from substance use disorder services due to the existence or suspicion of mental illness.

(d) TERM OF THE AWARDS.—No entity may receive a grant, contract, or cooperative agreement under subsection (a) for more than 5 years.

(e) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$41,304,000 for each of fiscal years 2023 through 2027.

SEC. 506A. [290aa–5a] BEHAVIORAL HEALTH AND SUBSTANCE USE DISORDER RESOURCES FOR NATIVE AMERICANS.

(a) DEFINITIONS.—In this section:

(1) The term “eligible entity” means any health program administered directly by the Indian Health Service, a Tribal health program, an Indian Tribe, a Tribal organization, an Urban Indian organization, and a Native Hawaiian health organization.

(2) The terms “Indian Tribe”, “Tribal health program”, “Tribal organization”, and “Urban Indian organization” have the meanings given to the terms “Indian tribe”, “Tribal health program”, “tribal organization”, and “Urban Indian organization” in section 4 of the Indian Health Care Improvement Act.

(3) The term “health program administered directly by the Indian Health Service” means a “health program administered by the Service” as such term is used in section 4(12)(A) of the Indian Health Care Improvement Act.

(4) The term “Native Hawaiian health organization” means “Papa Ola Lokahi” as defined in section 12 of the Native Hawaiian Health Care Improvement Act.

(b) GRANT PROGRAM.—

(1) IN GENERAL.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, and in consultation with the Director of the Indian Health Service, as appropriate, shall award funds to eligible entities, in amounts developed in accordance with paragraph (2), to be used by the eligible entity to provide services for the prevention of, treatment of, and recovery from mental health and substance use disorders among American Indians, Alaska Natives, and Native Hawaiians.

(2) **FORMULA.**—The Secretary, in consultation with the Director of the Indian Health Service, using the process described in subsection (d), shall develop a formula to determine the amount of an award under paragraph (1).

(3) **DELIVERY OF FUNDS.**—On request from an Indian Tribe or Tribal organization, the Secretary, acting through the Assistant Secretary for Mental Health and Substance Use and in coordination with the Director of the Indian Health Service, may award funds under this section through a contract or compact under, as applicable, title I or V of the Indian Self-Determination and Education Assistance Act.

(c) **TECHNICAL ASSISTANCE AND PROGRAM EVALUATION.**—

(1) **IN GENERAL.**—The Secretary shall—

(A) provide technical assistance to applicants and awardees under this section; and

(B) in consultation with Indian Tribes and Tribal organizations, conference with Urban Indian organizations, and engagement with a Native Hawaiian health organization, identify and establish appropriate mechanisms for Indian Tribes and Tribal organizations, Urban Indian organizations, and a Native Hawaiian health organization to demonstrate outcomes and report data as required for participation in the program under this section.

(2) **DATA SUBMISSION AND REPORTING.**—As a condition of receipt of funds under this section, an applicant shall agree to submit program evaluation data and reports consistent with the data submission and reporting requirements developed under this subsection.

(d) **CONSULTATION.**—The Secretary shall, using an accountable process, consult with Indian Tribes and Tribal organizations, confer with Urban Indian organizations, and engage with a Native Hawaiian health organization regarding the development of funding allocations pursuant to subsection (b)(2) and program evaluation and reporting requirements pursuant to subsection (c). In establishing such requirements, the Secretary shall seek to minimize administrative burden for eligible entities, as practicable.

(e) **APPLICATION.**—An entity desiring an award under subsection (b) shall submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may reasonably require.

(f) **REPORT.**—Not later than 3 years after the date of the enactment of the Restoring Hope for Mental Health and Well-Being Act of 2022, the Secretary shall prepare and submit, to the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, a report describing the services provided pursuant to this section.

(g) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to carry out this section, \$80,000,000 for each of fiscal years 2023 through 2027.

PART B—CENTERS AND PROGRAMS

Subpart 1—Center for Substance Abuse Treatment

CENTER FOR SUBSTANCE ABUSE TREATMENT ⁷

SEC. 507. [290bb] (a) ESTABLISHMENT.—There is established in the Administration a Center for Substance Abuse Treatment (hereafter in this section referred to as the “Center”). The Center shall be headed by a Director (hereafter in this section referred to as the “Director”) appointed by the Secretary from among individuals with extensive experience or academic qualifications in the treatment of substance use disorders or in the evaluation of substance use disorder treatment systems.

(b) DUTIES.—The Director of the Center shall—

(1) administer the substance use disorder treatment block grant program authorized in section 1921;

(2) ensure that emphasis is placed on children and adolescents in the development of treatment programs;

(3) collaborate with the Attorney General to develop programs to provide substance use disorder treatment services to individuals who have had contact with the Justice system, especially adolescents;

(4) collaborate with the Director of the Center for Substance Abuse Prevention in order to provide outreach services to identify individuals in need of treatment services, with emphasis on the provision of such services to pregnant and postpartum women and their infants and to individuals who illicitly use drugs intravenously;

(5) collaborate with the Director of the National Institute on Drug Abuse, with the Director of the National Institute on Alcohol Abuse and Alcoholism, and with the States to promote the study, dissemination, and implementation of research findings that will improve the delivery and effectiveness of treatment services;

(6) collaborate with the Administrator of the Health Resources and Services Administration and the Administrator of the Centers for Medicare & Medicaid Services to promote the increased integration into the mainstream of the health care system of the United States of programs for providing treatment services;

(7) evaluate plans submitted by the States pursuant to section 1932(a)(6) in order to determine whether the plans adequately provide for the availability, allocation, and effectiveness of treatment services;

(8) sponsor regional workshops on improving the quality and availability of treatment services;

(9) provide technical assistance to public and nonprofit private entities that provide treatment services, including tech-

⁷Section 4 of Public Law 108–358 (118 Stat. 1664) authorizes the Secretary of Health and Human Services to “award grants to public and nonprofit private entities to enable such entities to carry out science-based education programs in elementary and secondary schools to highlight the harmful effects of anabolic steroids”. Subsection (d) of such section provides that there is authorized to be appropriated to carry out the section \$15,000,000 for each of the fiscal years 2005 through 2010.

nical assistance with respect to the process of submitting to the Director applications for any program of grants or contracts;

(10) carry out activities to educate individuals on the need for establishing treatment facilities within their communities;

(11) encourage public and private entities that provide health insurance to provide benefits for outpatient treatment services and other nonhospital-based treatment services;

(12) evaluate treatment programs to determine the quality and appropriateness of various forms of treatment, which shall be carried out through grants, contracts, or cooperative agreements provided to public or nonprofit private entities;

(13) ensure the consistent documentation of the application of criteria when awarding grants and the ongoing oversight of grantees after such grants are awarded;

(14) work with States, providers, and individuals in recovery, and their families, to promote the expansion of recovery support services and systems of care oriented toward recovery;

(15) in cooperation with the Secretary, implement and disseminate, as appropriate, the recommendations in the report entitled "Protecting Our Infants Act: Final Strategy" issued by the Department of Health and Human Services in 2017; and

(16) in cooperation with relevant stakeholders, and through public-private partnerships, encourage education about substance use disorders for pregnant women and health care providers who treat pregnant women and babies.

(c) GRANTS AND CONTRACTS.—In carrying out the duties established in subsection (b), the Director may make grants to and enter into contracts and cooperative agreements with public and nonprofit private entities.

RESIDENTIAL TREATMENT PROGRAMS FOR PREGNANT AND POSTPARTUM WOMEN

SEC. 508. [290bb–1] (a) IN GENERAL.—The Director of the Center for Substance Abuse Treatment (referred to in this section as the "Director") shall provide awards of grants, including the grants under subsection (r), cooperative agreements or contracts to public and nonprofit private entities for the purpose of providing to pregnant and postpartum women treatment for substance use disorders through programs in which, during the course of receiving treatment—

(1) the women reside in or receive outpatient treatment services from facilities provided by the programs;

(2) the minor children of the women reside with the women in such facilities, if the women so request; and

(3) the services described in subsection (d) are available to or on behalf of the women.

(b) AVAILABILITY OF SERVICES FOR EACH PARTICIPANT.—A funding agreement for an award under subsection (a) for an applicant is that, in the program operated pursuant to such subsection—

(1) treatment services and each supplemental service will be available through the applicant, either directly or through agreements with other public or nonprofit private entities; and

(2) the services will be made available to each woman admitted to the program and her children.

(c) INDIVIDUALIZED PLAN OF SERVICES.—A funding agreement for an award under subsection (a) for an applicant is that—

(1) in providing authorized services for an eligible woman pursuant to such subsection, the applicant will, in consultation with the women, prepare an individualized plan for the provision of services for the woman and her children; and

(2) treatment services under the plan will include—

(A) individual, group, and family counseling, as appropriate, regarding substance use disorders; and

(B) follow-up services to assist the woman in preventing a relapse into such a disorder.

(d) REQUIRED SUPPLEMENTAL SERVICES.—In the case of an eligible woman, the services referred to in subsection (a)(3) are as follows:

(1) Prenatal and postpartum health care.

(2) Referrals for necessary hospital services.

(3) For the infants and children of the woman—

(A) pediatric health care, including treatment for any perinatal effects of a maternal substance use disorder and including screenings regarding the physical and mental development of the infants and children;

(B) counseling and other mental health services, in the case of children; and

(C) comprehensive social services.

(4) Providing therapeutic, comprehensive child care for children during the periods in which the woman is engaged in therapy or in other necessary health and rehabilitative activities.

(5) Training in parenting.

(6) Counseling on the human immunodeficiency virus and on acquired immune deficiency syndrome.

(7) Counseling on domestic violence and sexual abuse.

(8) Counseling on obtaining employment, including the importance of graduating from a secondary school.

(9) Reasonable efforts to preserve and support the family unit of the woman, including promoting the appropriate involvement of parents and others, and counseling the children of the woman.

(10) Planning for and counseling to assist reentry into society, both before and after discharge, including referrals to any public or nonprofit private entities in the community involved that provide services appropriate for the woman and the children of the woman.

(11) Case management services, including—

(A) assessing the extent to which authorized services are appropriate for the woman and any child of such woman;

(B) in the case of the services that are appropriate, ensuring that the services are provided in a coordinated manner;

(C) assistance in establishing eligibility for assistance under Federal, State, and local programs providing health

services, mental health services, housing services, employment services, educational services, or social services; and

(D) family reunification with children in kinship or foster care arrangements, where safe and appropriate.

(e) MINIMUM QUALIFICATIONS FOR RECEIPT OF AWARD.—

(1) CERTIFICATION BY RELEVANT STATE AGENCY.—With respect to the principal agency of the State involved that administers programs relating to substance use disorders, the Director may make an award under subsection (a) to an applicant only if the agency has certified to the Director that—

(A) the applicant has the capacity to carry out a program described in subsection (a);

(B) the plans of the applicant for such a program are consistent with the policies of such agency regarding the treatment of substance use disorders; and

(C) the applicant, or any entity through which the applicant will provide authorized services, meets all applicable State licensure or certification requirements regarding the provision of the services involved.

(2) STATUS AS MEDICAID PROVIDER.—

(A) IN GENERAL.—Subject to subparagraphs (B) and (C), the Director may make an award under subsection (a) only if, in the case of any authorized service that is available pursuant to the State plan approved under title XIX of the Social Security Act for the State involved—

(i) the applicant for the award will provide the service directly, and the applicant has entered into a participation agreement under the State plan and is qualified to receive payments under such plan; or

(ii) the applicant will enter into an agreement with a public or nonprofit private entity under which the entity will provide the service, and the entity has entered into such a participation agreement plan and is qualified to receive such payments.

(B) WAIVER OF PARTICIPATION AGREEMENTS.—

(i) IN GENERAL.—In the case of an entity making an agreement pursuant to subparagraph (A)(ii) regarding the provision of services, the requirement established in such subparagraph regarding a participation agreement shall be waived by the Director if the entity does not, in providing health care services, impose a charge or accept reimbursement available from any third-party payor, including reimbursement under any insurance policy or under any Federal or State health benefits plan.

(ii) DONATIONS.—A determination by the Director of whether an entity referred to in clause (i) meets the criteria for a waiver under such clause shall be made without regard to whether the entity accepts voluntary donations regarding the provision of services to the public.

(C) NONAPPLICATION OF CERTAIN REQUIREMENTS.—With respect to any authorized service that is available pursuant to the State plan described in subparagraph (A),

the requirements established in such subparagraph shall not apply to the provision of any such service by an institution for mental diseases to an individual who has attained 21 years of age and who has not attained 65 years of age. For purposes of the preceding sentence, the term "institution for mental diseases" has the meaning given such term in section 1905(i) of the Social Security Act.

(f) REQUIREMENT OF MATCHING FUNDS.—

(1) IN GENERAL.—With respect to the costs of the program to be carried out by an applicant pursuant to subsection (a), a funding agreement for an award under such subsection is that the applicant will make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount that—

(A) for the first fiscal year for which the applicant receives payments under an award under such subsection, is not less than \$1 for each \$9 of Federal funds provided in the award;

(B) for any second such fiscal year, is not less than \$1 for each \$9 of Federal funds provided in the award; and

(C) for any subsequent such fiscal year, is not less than \$1 for each \$3 of Federal funds provided in the award.

(2) DETERMINATION OF AMOUNT CONTRIBUTED.—Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(g) OUTREACH.—A funding agreement for an award under subsection (a) for an applicant is that the applicant will provide outreach services in the community involved to identify women who have a substance use disorder and to encourage the women to undergo treatment for such disorder.

(h) ACCESSIBILITY OF PROGRAM; CULTURAL CONTEXT OF SERVICES.—A funding agreement for an award under subsection (a) for an applicant is that—

(1) the program operated pursuant to such subsection will be operated at a location that is accessible to low-income pregnant and postpartum women; and

(2) authorized services will be provided in the language and the cultural context that is most appropriate.

(i) CONTINUING EDUCATION.—A funding agreement for an award under subsection (a) is that the applicant involved will provide for continuing education in treatment services for the individuals who will provide treatment in the program to be operated by the applicant pursuant to such subsection.

(j) IMPOSITION OF CHARGES.—A funding agreement for an award under subsection (a) for an applicant is that, if a charge is imposed for the provision of authorized services to or on behalf of an eligible woman, such charge—

(1) will be made according to a schedule of charges that is made available to the public;

(2) will be adjusted to reflect the income of the woman involved; and

(3) will not be imposed on any such woman with an income of less than 185 percent of the official poverty line, as established by the Director of the Office of Management and Budget and revised by the Secretary in accordance with section 673(2) of the Omnibus Budget Reconciliation Act of 1981.

(k) REPORTS TO DIRECTOR.—A funding agreement for an award under subsection (a) is that the applicant involved will submit to the Director a report—

(1) describing the utilization and costs of services provided under the award;

(2) specifying the number of women served, the number of infants served, and the type and costs of services provided; and

(3) providing such other information as the Director determines to be appropriate.

(l) REQUIREMENT OF APPLICATION.—The Director may make an award under subsection (a) only if an application for the award is submitted to the Director containing such agreements, and the application is in such form, is made in such manner, and contains such other agreements and such assurances and information as the Director determines to be necessary to carry out this section.

(m) ALLOCATION OF AWARDS.—In making awards under subsection (a), the Director shall give priority to an applicant that agrees to use the award for a program serving an area that is a rural area, an area designated under section 332 by the Secretary as a health professional shortage area, or an area determined by the Director to have a shortage of family-based substance use disorder treatment options.

(n) DURATION OF AWARD.—The period during which payments are made to an entity from an award under subsection (a) may not exceed 5 years. The provision of such payments shall be subject to annual approval by the Director of the payments and subject to the availability of appropriations for the fiscal year involved to make the payments. This subsection may not be construed to establish a limitation on the number of awards under such subsection that may be made to an entity.

(o) EVALUATIONS; DISSEMINATION OF FINDINGS.—The Director shall, directly or through contract, provide for the conduct of evaluations of programs carried out pursuant to subsection (a). The Director shall disseminate to the States the findings made as a result of the evaluations.

(p) REPORTS TO CONGRESS.—Not later than October 1, 1994, the Director shall submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report describing programs carried out pursuant to this section (other than subsection (r)). Every 2 years thereafter, the Director shall prepare a report describing such programs carried out during the preceding 2 years, and shall submit the report to the Assistant Secretary for inclusion in the biennial report under section 501(m). Each report under this subsection shall include a summary of any evaluations conducted under subsection (m) during the period with respect to which the report is prepared.

(q) DEFINITIONS.—For purposes of this section:

(1) The term “authorized services” means treatment services and supplemental services.

(2) The term “eligible woman” means a woman who has been admitted to a program operated pursuant to subsection (a).

(3) The term “funding agreement”, with respect to an award under subsection (a), means that the Director may make the award only if the applicant makes the agreement involved.

(4) The term “treatment services” means treatment for a substance use disorder, including the counseling and services described in subsection (c)(2).

(5) The term “supplemental services” means the services described in subsection (d).

(r) PILOT PROGRAM FOR STATE SUBSTANCE ABUSE AGENCIES.—

(1) IN GENERAL.—From amounts made available under subsection (s), the Director of the Center for Substance Abuse Treatment shall carry out a pilot program under which competitive grants are made by the Director to State substance abuse agencies—

(A) to enhance flexibility in the use of funds designed to support family-based services for pregnant and postpartum women with a primary diagnosis of a substance use disorder, including opioid use disorders;

(B) to help State substance abuse agencies address identified gaps in services furnished to such women along the continuum of care, including services provided to women in nonresidential-based settings; and

(C) to promote a coordinated, effective, and efficient State system managed by State substance abuse agencies by encouraging new approaches and models of service delivery.

(2) REQUIREMENTS.—In carrying out the pilot program under this subsection, the Director shall—

(A) require State substance abuse agencies to submit to the Director applications, in such form and manner and containing such information as specified by the Director, to be eligible to receive a grant under the program;

(B) identify, based on such submitted applications, State substance abuse agencies that are eligible for such grants;

(C) require services proposed to be furnished through such a grant to support family-based treatment and other services for pregnant and postpartum women with a primary diagnosis of a substance use disorder, including opioid use disorders;

(D) not require that services furnished through such a grant be provided solely to women that reside in facilities;

(E) not require that grant recipients under the program make available through use of the grant all the services described in subsection (d); and

(F) consider not applying the requirements described in paragraphs (1) and (2) of subsection (f) to an applicant, depending on the circumstances of the applicant.

(3) REQUIRED SERVICES.—

(A) IN GENERAL.—The Director shall specify a minimum set of services required to be made available to eligible women through a grant awarded under the pilot program under this subsection. Such minimum set of services—

(i) shall include the services requirements described in subsection (c) and be based on the recommendations submitted under subparagraph (B); and

(ii) may be selected from among the services described in subsection (d) and include other services as appropriate.

(B) STAKEHOLDER INPUT.—The Director shall convene and solicit recommendations from stakeholders, including State substance abuse agencies, health care providers, persons in recovery from substance abuse, and other appropriate individuals, for the minimum set of services described in subparagraph (A).

(4) EVALUATION AND REPORT TO CONGRESS.—

(A) IN GENERAL.—The Director of the Center for Behavioral Health Statistics and Quality shall evaluate the pilot program at the conclusion of the first grant cycle funded by the pilot program.

(B) REPORT.—Not later than September 30, 2026, the Director of the Center for Behavioral Health Statistics and Quality, in coordination with the Director of the Center for Substance Abuse Treatment shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the evaluation under subparagraph (A). The report shall include, at a minimum—

(i) outcomes information from the pilot program, including any resulting reductions in the use of alcohol and other drugs;

(ii) engagement in treatment services;

(iii) retention in the appropriate level and duration of services;

(iv) increased access to the use of medications approved by the Food and Drug Administration for the treatment of substance use disorders in combination with counseling; and

(v) other appropriate measures.

(C) RECOMMENDATION.—The report under subparagraph (B) shall include a recommendation by the Director of the Center for Substance Abuse Treatment as to whether the pilot program under this subsection should be extended.

(5) STATE SUBSTANCE ABUSE AGENCIES DEFINED.—For purposes of this subsection, the term “State substance abuse agency” means, with respect to a State, the agency in such State that manages the Substance Abuse Prevention and Treatment Block Grant under part B of title XIX.

(s) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this section, there are authorized to be appropriated \$29,931,000 for each of fiscal years 2019 through 2023. Of the amounts made available for a year pursuant to the previous sentence to carry out this section, not more than 25 percent of such amounts shall be made available for such year to carry out subsection (r), other than paragraph (5) of such subsection. Notwithstanding the preceding sentence, no funds shall be made available to carry out subsection (r) for a fiscal year unless the amount made available to carry out this section for such fiscal year is more than the amount made available to carry out this section for fiscal year 2016.

SEC. 509. [290bb–2] PRIORITY SUBSTANCE USE DISORDER TREATMENT NEEDS OF REGIONAL AND NATIONAL SIGNIFICANCE.

(a) **PROJECTS.**—The Secretary shall address priority substance use disorder treatment needs of regional and national significance (as determined under subsection (b)) through the provision of or through assistance for—

(1) knowledge development and application projects for treatment and rehabilitation and the conduct or support of evaluations of such projects;

(2) training and technical assistance; and

(3) targeted capacity response programs that permit States, local governments, communities, and Indian Tribes and Tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act) to focus on emerging trends in substance use disorders and co-occurrence of substance use disorders with mental illness or other conditions.

The Secretary may carry out the activities described in this section directly or through grants, contracts, or cooperative agreements with States, political subdivisions of States, Indian tribes or tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act), health facilities, or programs operated by or in accordance with a contract or grant with the Indian Health Service, or other public or nonprofit private entities.

(b) **PRIORITY SUBSTANCE USE DISORDER TREATMENT NEEDS.**—

(1) **IN GENERAL.**—Priority substance use disorder treatment needs of regional and national significance shall be determined by the Secretary after consultation with States and other interested groups. The Secretary shall meet with the States and interested groups on an annual basis to discuss program priorities.

(2) **SPECIAL CONSIDERATION.**—In developing program priorities under paragraph (1), the Secretary shall give special consideration to promoting the integration of substance use disorder treatment services into primary health care systems.

(c) **REQUIREMENTS.**—

(1) **IN GENERAL.**—Recipients of grants, contracts, or cooperative agreements under this section shall comply with information and application requirements determined appropriate by the Secretary.

(2) DURATION OF AWARD.—With respect to a grant, contract, or cooperative agreement awarded under this section, the period during which payments under such award are made to the recipient may not exceed 5 years.

(3) MATCHING FUNDS.—The Secretary may, for projects carried out under subsection (a), require that entities that apply for grants, contracts, or cooperative agreements under that project provide non-Federal matching funds, as determined appropriate by the Secretary, to ensure the institutional commitment of the entity to the projects funded under the grant, contract, or cooperative agreement. Such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in kind, fairly evaluated, including plant, equipment, or services.

(4) MAINTENANCE OF EFFORT.—With respect to activities for which a grant, contract, or cooperative agreement is awarded under this section, the Secretary may require that recipients for specific projects under subsection (a) agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the entity for the fiscal year preceding the fiscal year for which the entity receives such a grant, contract, or cooperative agreement.

(d) EVALUATION.—The Secretary shall evaluate each project carried out under subsection (a)(1) and shall disseminate the findings with respect to each such evaluation to appropriate public and private entities.

(e) INFORMATION AND EDUCATION.—The Secretary shall establish comprehensive information and education programs to disseminate and apply the findings of the knowledge development and application, training and technical assistance programs, and targeted capacity response programs under this section to the general public, to health professionals and other interested groups. The Secretary shall make every effort to provide linkages between the findings of supported projects and State agencies responsible for carrying out substance use disorder prevention and treatment programs.

(f) AUTHORIZATION OF APPROPRIATION.—There are authorized to be appropriated to carry out this section, \$521,517,000 for each of fiscal years 2023 through 2027.

ACTION BY NATIONAL INSTITUTE ON DRUG ABUSE AND STATES
CONCERNING MILITARY FACILITIES

SEC. 513.⁸ [290bb–6] (a) CENTER FOR SUBSTANCE ABUSE TREATMENT.—The Director of the Center for Substance Abuse Treatment shall—

(1) coordinate with the agencies represented on the Commission on Alternative Utilization of Military Facilities the utilization of military facilities or parts thereof, as identified by such Commission, established under the National Defense Au-

⁸Sections 510 through 512 were repealed by section 3301(c) of Public Law 106–310 (114 Stat. 1209).

thorization Act of 1989, that could be utilized or renovated to house nonviolent persons for drug treatment purposes;

(2) notify State agencies responsible for the oversight of drug abuse treatment entities and programs of the availability of space at the installations identified in paragraph (1); and

(3) assist State agencies responsible for the oversight of drug abuse treatment entities and programs in developing methods for adapting the installations described in paragraph (1) into residential treatment centers.

(b) STATES.—With regard to military facilities or parts thereof, as identified by the Commission on Alternative Utilization of Military Facilities established under section 3042 of the Comprehensive Alcohol Abuse, Drug Abuse, and Mental Health Amendments Act of 1988, that could be utilized or renovated to house nonviolent persons for drug treatment purposes, State agencies responsible for the oversight of drug abuse treatment entities and programs shall—

(1) establish eligibility criteria for the treatment of individuals at such facilities;

(2) select treatment providers to provide drug abuse treatment at such facilities;

(3) provide assistance to treatment providers selected under paragraph (2) to assist such providers in securing financing to fund the cost of the programs at such facilities; and

(4) establish, regulate, and coordinate with the military official in charge of the facility, work programs for individuals receiving treatment at such facilities.

(c) RESERVATION OF SPACE.—Prior to notifying States of the availability of space at military facilities under subsection (a)(2), the Director may reserve space at such facilities to conduct research or demonstration projects.

SEC. 514. [290bb-7] SUBSTANCE USE DISORDER TREATMENT AND EARLY INTERVENTION SERVICES FOR CHILDREN, ADOLESCENTS, AND YOUNG ADULTS.

(a) IN GENERAL.—The Secretary shall award grants, contracts, or cooperative agreements to public and private nonprofit entities, including Indian Tribes or Tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act), or health facilities or programs operated by or in accordance with a contract or grant with the Indian Health Service, for the purpose of—

(1) providing early identification and services to meet the needs of children, adolescents, and young adults who are at risk of substance use disorders;

(2) providing substance use disorder treatment services for children, adolescents, and young adults, including children, adolescents, and young adults with co-occurring mental illness and substance use disorders; and

(3) providing assistance to pregnant women, and parenting women, with substance use disorders, in obtaining treatment services, linking mothers to community resources to support independent family lives, and staying in recovery so that children are in safe, stable home environments and receive appropriate health care services.

(b) **PRIORITY.**—In awarding grants, contracts, or cooperative agreements under subsection (a), the Secretary shall give priority to applicants who propose to—

- (1) apply evidence-based and cost-effective methods;
- (2) coordinate the provision of services with other social service agencies in the community, including educational, juvenile justice, child welfare, substance abuse, and mental health agencies;
- (3) provide a continuum of integrated treatment services, including case management, for children, adolescents, and young adults with substance use disorders, including children, adolescents, and young adults with co-occurring mental illness and substance use disorders, and their families;
- (4) provide treatment that is gender-specific and culturally appropriate;
- (5) involve and work with families of children, adolescents, and young adults receiving services; and
- (6) provide aftercare services for children, adolescents, and young adults and their families after completion of treatment.

(c) **DURATION OF GRANTS.**—The Secretary shall award grants, contracts, or cooperative agreements under subsection (a) for periods not to exceed 5 fiscal years.

(d) **APPLICATION.**—An entity desiring a grant, contract, or cooperative agreement under subsection (a) shall submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may reasonably require.

(e) **EVALUATION.**—An entity that receives a grant, contract, or cooperative agreement under subsection (a) shall submit, in the application for such grant, contract, or cooperative agreement, a plan for the evaluation of any project undertaken with funds provided under this section. Such entity shall provide the Secretary with periodic evaluations of the progress of such project and such evaluation at the completion of such project as the Secretary determines to be appropriate.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to carry out this section, \$29,605,000 for each of fiscal years 2023 through 2027.

【Section 514A was repealed by section 9017 of Public Law 114–255.】

SEC. 514B. [290bb–10] EVIDENCE-BASED PRESCRIPTION OPIOID AND HEROIN TREATMENT AND INTERVENTIONS DEMONSTRATION.

(a) **GRANTS TO EXPAND ACCESS.**—

(1) **AUTHORITY TO AWARD GRANTS.**—The Secretary shall award grants, contracts, or cooperative agreements to State substance use disorder agencies, units of local government, nonprofit organizations, and Indian Tribes and Tribal organizations (as defined in section 4 of the Indian Self-Determination and Education Assistance Act) that have a high rate, or have had a rapid increase, in the use of heroin or other opioids, in order to permit such entities to expand activities, including an expansion in the availability of evidence-based medication-assisted treatment and other clinically appropriate services,

with respect to the treatment of substance use disorders in the specific geographical areas of such entities where there is a high rate or rapid increase in the use of heroin or other opioids, such as in rural areas.

(2) NATURE OF ACTIVITIES.—Funds awarded under paragraph (1) shall be used for activities that are based on reliable scientific evidence of efficacy in the treatment of problems related to heroin or other opioids.

(b) APPLICATION.—To be eligible for a grant, contract, or cooperative agreement under subsection (a), an entity shall submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may reasonably require.

(c) EVALUATION.—An entity that receives a grant, contract, or cooperative agreement under subsection (a) shall submit, in the application for such grant, contract, or agreement a plan for the evaluation of any project undertaken with funds provided under this section. Such entity shall provide the Secretary with periodic evaluations of the progress of such project and an evaluation at the completion of such project as the Secretary determines to be appropriate.

(d) GEOGRAPHIC DISTRIBUTION.—In awarding grants, contracts, and cooperative agreements under this section, the Secretary shall ensure that not less than 15 percent of funds are awarded to eligible entities that are not located in metropolitan statistical areas (as defined by the Office of Management and Budget). The Secretary shall take into account the unique needs of rural communities, including communities with an incidence of individuals with opioid use disorder that is above the national average and communities with a shortage of prevention and treatment services.

(e) ADDITIONAL ACTIVITIES.—In administering grants, contracts, and cooperative agreements under subsection (a), the Secretary shall—

(1) evaluate the activities supported under such subsection;

(2) disseminate information, as appropriate, derived from evaluations as the Secretary considers appropriate;

(3) provide States, Indian Tribes and Tribal organizations, and providers with technical assistance in connection with the provision of treatment of problems related to heroin and other opioids; and

(4) fund only those applications that specifically support recovery services as a critical component of the program involved.

(f) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there are authorized to be appropriated \$25,000,000 for each of fiscal years 2023 through 2027.

Subpart 2—Center for Substance Abuse Prevention

CENTER FOR SUBSTANCE ABUSE PREVENTION

SEC. 515. [290bb–21] (a) There is established in the Administration a Center for Substance Abuse Prevention (hereafter referred to in this part as the “Prevention Center”). The Prevention

Center shall be headed by a Director appointed by the Secretary from individuals with extensive experience or academic qualifications in the prevention of drug or alcohol abuse.

(b) The Director of the Prevention Center shall—

(1) sponsor regional workshops on the prevention of drug and alcohol abuse through the reduction of risk and the promotion of resiliency;

(2) coordinate the findings of research sponsored by agencies of the Service on the prevention of drug and alcohol abuse;

(3) collaborate with the Director of the National Institute on Drug Abuse, the Director of the National Institute on Alcohol Abuse and Alcoholism, and States to promote the study of substance abuse prevention and the dissemination and implementation of research findings that will improve the delivery and effectiveness of substance abuse prevention activities;

(4) develop effective drug and alcohol abuse prevention literature (including educational information on the effects of drugs abused by individuals, including drugs that are emerging as abused drugs);

(5) in cooperation with the Secretary of Education, assure the widespread dissemination of prevention materials among States, political subdivisions, and school systems;

(6) support clinical training programs for health professionals who provide substance use and misuse prevention and treatment services and other health professionals involved in illicit drug use education and prevention;

(7) in cooperation with the Director of the Centers for Disease Control and Prevention, develop and disseminate educational materials to increase awareness for individuals at greatest risk for substance use disorders to prevent the transmission of communicable diseases, such as HIV, hepatitis, tuberculosis, and other communicable diseases;

(8) conduct training, technical assistance, data collection, and evaluation activities of programs supported under the Drug Free Schools and Communities Act of 1986;

(9) support the development of model, innovative, community-based programs that reduce the risk of alcohol and drug abuse among young people and promote resiliency;

(10) collaborate with the Attorney General of the Department of Justice to develop programs to prevent drug abuse among high risk youth;

(11) prepare for distribution documentary films and public service announcements for television and radio to educate the public, especially adolescent audiences, concerning the dangers to health resulting from the consumption of alcohol and drugs and, to the extent feasible, use appropriate private organizations and business concerns in the preparation of such announcements;

(12) develop and support innovative demonstration programs designed to identify and deter the improper use or abuse of anabolic steroids by students, especially students in secondary schools;

(13) ensure the consistent documentation of the application of criteria when awarding grants and the ongoing oversight of grantees after such grants are awarded;

(14) assist and support States in preventing illicit drug use, including emerging illicit drug use issues; and

(15) in consultation with relevant stakeholders and in collaboration with the Director of the Centers for Disease Control and Prevention, develop educational materials for clinicians to use with pregnant women for shared decision making regarding pain management and the prevention of substance use disorders during pregnancy.

(c) The Director may make grants and enter into contracts and cooperative agreements in carrying out subsection (b).

(d) The Director of the Prevention Center shall establish a national data base providing information on programs for the prevention of substance abuse. The data base shall contain information appropriate for use by public entities and information appropriate for use by nonprofit private entities.

SEC. 516. [290bb-22] PRIORITY SUBSTANCE USE DISORDER PREVENTION NEEDS OF REGIONAL AND NATIONAL SIGNIFICANCE.

(a) **PROJECTS.**—The Secretary shall address priority substance use disorder prevention needs of regional and national significance (as determined under subsection (b)) through the provision of or through assistance for—

(1) knowledge development and application projects for prevention and the conduct or support of evaluations of such projects;

(2) training and technical assistance; and

(3) targeted capacity response programs, including such programs that focus on emerging drug use issues.

The Secretary may carry out the activities described in this section directly or through grants, contracts, or cooperative agreements with States, political subdivisions of States, Indian Tribes or Tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act), health facilities, or programs operated by or in accordance with a contract or grant with the Indian Health Service, or other public or nonprofit private entities.

(b) **PRIORITY SUBSTANCE USE DISORDER PREVENTION NEEDS.**—

(1) **IN GENERAL.**—Priority substance use disorder prevention needs of regional and national significance shall be determined by the Secretary in consultation with the States and other interested groups. The Secretary shall meet with the States and interested groups on an annual basis to discuss program priorities.

(2) **SPECIAL CONSIDERATION.**—In developing program priorities under paragraph (1), the Secretary shall give special consideration to—

(A) applying the most promising strategies and research-based primary prevention approaches;

(B) promoting the integration of substance use disorder prevention information and activities into primary health care systems; and

(C) substance use disorder prevention among high-risk groups.

(c) REQUIREMENTS.—

(1) IN GENERAL.—Recipients of grants, contracts, and cooperative agreements under this section shall comply with information and application requirements determined appropriate by the Secretary.

(2) DURATION OF AWARD.—With respect to a grant, contract, or cooperative agreement awarded under this section, the period during which payments under such award are made to the recipient may not exceed 5 years.

(3) MATCHING FUNDS.—The Secretary may, for projects carried out under subsection (a), require that entities that apply for grants, contracts, or cooperative agreements under that project provide non-Federal matching funds, as determined appropriate by the Secretary, to ensure the institutional commitment of the entity to the projects funded under the grant, contract, or cooperative agreement. Such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in kind, fairly evaluated, including plant, equipment, or services.

(4) MAINTENANCE OF EFFORT.—With respect to activities for which a grant, contract, or cooperative agreement is awarded under this section, the Secretary may require that recipients for specific projects under subsection (a) agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the entity for the fiscal year preceding the fiscal year for which the entity receives such a grant, contract, or cooperative agreement.

(d) EVALUATION.—The Secretary shall evaluate each project carried out under subsection (a)(1) and shall disseminate the findings with respect to each such evaluation to appropriate public and private entities.

(e) INFORMATION AND EDUCATION.—The Secretary shall establish comprehensive information and education programs to disseminate the findings of the knowledge development and application, training and technical assistance programs, and targeted capacity response programs under this section to the general public and to health professionals. The Secretary shall make every effort to provide linkages between the findings of supported projects and State agencies responsible for carrying out substance use disorder prevention and treatment programs.

(f) AUTHORIZATION OF APPROPRIATION.—There are authorized to be appropriated to carry out this section, \$218,219,000 for each of fiscal years 2023 through 2027.

【Section 517 was repealed by section 9017 of Public Law 114–255. Section 518 was repealed by section 3202(b) of Public Law 106–310 (114 Stat. 1210). Section 519A was repealed by section 9017 of Public Law 114–255.】

SEC. 519B. [290bb–25b] PROGRAMS TO REDUCE UNDERAGE DRINKING.

(a) DEFINITIONS.—For purposes of this section:

(1) The term “alcohol beverage industry” means the brewers, vintners, distillers, importers, distributors, and retail or online outlets that sell or serve beer, wine, and distilled spirits.

(2) The term “school-based prevention” means programs, which are institutionalized, and run by staff members or school-designated persons or organizations in any grade of school, kindergarten through 12th grade.

(3) The term “youth” means persons under the age of 21.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that:

(1) A multi-faceted effort is needed to more successfully address the problem of underage drinking in the United States. A coordinated approach to prevention, intervention, treatment, enforcement, and research is key to making progress. This Act recognizes the need for a focused national effort, and addresses particulars of the Federal portion of that effort, as well as Federal support for State activities.

(2) The Secretary of Health and Human Services shall continue to conduct research and collect data on the short and long-range impact of alcohol use and abuse upon adolescent brain development and other organ systems.

(3) States and communities, including colleges and universities, are encouraged to adopt comprehensive prevention approaches, including—

(A) evidence-based screening, programs and curricula;

(B) brief intervention strategies;

(C) consistent policy enforcement; and

(D) environmental changes that limit underage access to alcohol.

(4) Public health groups, consumer groups, and the alcohol beverage industry should continue and expand evidence-based efforts to prevent and reduce underage drinking.

(5) The entertainment industries have a powerful impact on youth, and they should use rating systems and marketing codes to reduce the likelihood that underage audiences will be exposed to movies, recordings, or television programs with unsuitable alcohol content.

(6) The National Collegiate Athletic Association, its member colleges and universities, and athletic conferences should affirm a commitment to a policy of discouraging alcohol use among underage students and other young fans.

(7) Alcohol is a unique product and should be regulated differently than other products by the States and Federal Government. States have primary authority to regulate alcohol distribution and sale, and the Federal Government should support and supplement these State efforts. States also have a responsibility to fight youth access to alcohol and reduce underage drinking. Continued State regulation and licensing of the manufacture, importation, sale, distribution, transportation and storage of alcoholic beverages are clearly in the public interest and are critical to promoting responsible consumption, preventing illegal access to alcohol by persons under 21 years of age from commercial and non-commercial sources, maintaining industry integrity and an orderly marketplace, and furthering effective State tax collection.

(c) INTERAGENCY COORDINATING COMMITTEE; ANNUAL REPORT ON STATE UNDERAGE DRINKING PREVENTION AND ENFORCEMENT ACTIVITIES.—

(1) INTERAGENCY COORDINATING COMMITTEE ON THE PREVENTION OF UNDERAGE DRINKING.—

(A) IN GENERAL.—The Secretary, in collaboration with the Federal officials specified in subparagraph (B), shall continue to support and enhance the efforts of the interagency coordinating committee, that began operating in 2004, focusing on underage drinking (referred to in this subsection as the “Committee”).

(B) OTHER AGENCIES.—The officials referred to in subparagraph (A) are the Secretary of Education, the Attorney General, the Secretary of Transportation, the Secretary of the Treasury, the Secretary of Defense, the Surgeon General, the Director of the Centers for Disease Control and Prevention, the Director of the National Institute on Alcohol Abuse and Alcoholism, the Assistant Secretary for Mental Health and Substance Use, the Director of the National Institute on Drug Abuse, the Assistant Secretary for Children and Families, the Director of the Office of National Drug Control Policy, the Administrator of the National Highway Traffic Safety Administration, the Administrator of the Office of Juvenile Justice and Delinquency Prevention, the Chairman of the Federal Trade Commission, and such other Federal officials as the Secretary of Health and Human Services determines to be appropriate.

(C) CHAIR.—The Secretary of Health and Human Services shall serve as the chair of the Committee.

(D) DUTIES.—The Committee shall guide policy and program development across the Federal Government with respect to underage drinking, provided, however, that nothing in this section shall be construed as transferring regulatory or program authority from an agency to the Committee.

(E) CONSULTATIONS.—The Committee shall actively seek the input of and shall consult with all appropriate and interested parties, including States, public health research and interest groups, foundations, and alcohol beverage industry trade associations and companies.

(F) ANNUAL REPORT.—

(i) IN GENERAL.—The Secretary, on behalf of the Committee, shall annually submit to the Congress a report that summarizes—

(I) all programs and policies of Federal agencies designed to prevent and reduce underage drinking, including such programs and policies that support State efforts to prevent or reduce underage drinking;

(II) the extent of progress in preventing and reducing underage drinking at State and national levels;

(III) data that the Secretary shall collect with respect to the information specified in clause (ii); and

(IV) such other information regarding underage drinking as the Secretary determines to be appropriate.

(ii) CERTAIN INFORMATION.—The report under clause (i) shall include information on the following:

(I) Patterns and consequences of underage drinking as reported in research and surveys such as, but not limited to, Monitoring the Future, Youth Risk Behavior Surveillance System, the National Survey on Drug Use and Health, and the Fatality Analysis Reporting System.

(II) Measures of the availability of alcohol from commercial and non-commercial sources to underage populations.

(III) Measures of the exposure of underage populations to messages regarding alcohol in advertising, social media, and the entertainment media.

(IV) Surveillance data, including, to the extent such information is available, information on the onset and prevalence of underage drinking, consumption patterns and beverage preferences, trends related to drinking among different age groups, including between youth and adults, the means of underage access, including trends over time, for these surveillance data, and other data, as appropriate. The Secretary shall develop a plan to improve the collection, measurement, and consistency of reporting Federal underage alcohol data.

(V) Any additional findings resulting from research conducted or supported under subsection (g).

(VI) Evidence-based best practices to prevent and reduce underage drinking and provide treatment services to those youth who need such services.

(2) ANNUAL REPORT ON STATE UNDERAGE DRINKING PREVENTION AND ENFORCEMENT ACTIVITIES.—

(A) IN GENERAL.—The Secretary shall, with input and collaboration from other appropriate Federal agencies, States, Indian Tribes, territories, and public health, consumer, and alcohol beverage industry groups, annually issue a report on each State's performance in enacting, enforcing, and creating laws, regulations, programs, and other actions to prevent or reduce underage drinking based on the best practices identified pursuant to paragraph (1)(F)(ii)(VI). For purposes of this paragraph, each such report, with respect to a year, shall be referred to as the "State Report". Each State Report may be used as a resource to inform the identification and implementation of

activities to prevent underage drinking, as determined to be appropriate by such State or other applicable entity.

(B) CONTENTS.—

(i) PERFORMANCE MEASURES.—The Secretary shall develop, in consultation with the Committee, a set of measures to be used in preparing the State Report on best practices, including as they relate to State laws, regulations, other actions, and enforcement practices.

(ii) STATE REPORT CONTENT.—The State Report shall include updates on State laws, regulations, and other actions, including those described in previous reports to Congress, including with respect to the following:

(I) Whether or not the State has comprehensive anti-underage drinking laws such as for the illegal sale, purchase, attempt to purchase, consumption, or possession of alcohol; illegal use of fraudulent ID; illegal furnishing or obtaining of alcohol for an individual under 21 years; the degree of strictness of the penalties for such offenses; and the prevalence of the enforcement of each of these infractions.

(II) Whether or not the State has comprehensive liability statutes pertaining to underage access to alcohol such as dram shop, social host, and house party laws, and the prevalence of enforcement of each of these laws.

(III) Whether or not the State encourages and conducts comprehensive enforcement efforts to prevent underage access to alcohol at retail outlets, such as random compliance checks and shoulder tap programs, and the number of compliance checks within alcohol retail outlets measured against the number of total alcohol retail outlets in each State, and the result of such checks.

(IV) Whether or not the State encourages training on the proper selling and serving of alcohol for all sellers and servers of alcohol as a condition of employment.

(V) Whether or not the State has policies and regulations with regard to direct sales to consumers and home delivery of alcoholic beverages.

(VI) Whether or not the State has programs or laws to deter adults from purchasing alcohol for minors; and the number of adults targeted by these programs.

(VII) Whether or not the State has enacted graduated drivers licenses and the extent of those provisions.

(VIII) Whether or not the State has adopted any other policies consistent with evidence-based practices related to the prevention of underage alcohol use, which may include any such practices described in relevant reports issued by the Sur-

geon General and practices related to youth exposure to alcohol-related products and information.

(IX) A description of the degree to which the practices of local jurisdictions within the State vary from one another.

(3) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this subsection \$1,000,000 for each of fiscal years 2023 through 2027.

(d) NATIONAL MEDIA CAMPAIGN TO PREVENT UNDERAGE DRINKING.—

(1) IN GENERAL.—The Secretary, in consultation with the National Highway Traffic Safety Administration, shall develop or continue an intensive, multifaceted national media campaign aimed at adults to reduce underage drinking.

(2) PURPOSE.—The purpose of the national media campaign described in this section shall be to achieve the following objectives:

(A) Promote community awareness of, and a commitment to, reducing underage drinking.

(B) Encourage activities, including activities carried out by adults, that inhibit the illegal use of alcohol by youth.

(C) Discourage activities, including activities carried out by adults, that promote the illegal use of alcohol by youth.

(3) COMPONENTS.—When implementing the national media campaign described in this section, the Secretary shall—

(A) educate the public about the public health and safety benefits of evidence-based strategies to reduce underage drinking, including existing laws related to the minimum legal drinking age, and engage the public and parents in the implementation of such strategies;

(B) educate the public about the negative consequences of underage drinking;

(C) identify specific actions by adults to discourage or inhibit underage drinking;

(D) discourage adult conduct that tends to facilitate underage drinking;

(E) establish collaborative relationships with local and national organizations and institutions to further the goals of the campaign and assure that the messages of the campaign are disseminated from a variety of sources;

(F) conduct the campaign through multi-media sources; and

(G) take into consideration demographics and other relevant factors to most effectively reach target audiences.

(4) CONSULTATION REQUIREMENT.—In developing and implementing the national media campaign described in this section, the Secretary shall review recommendations for reducing underage drinking, including those published by the National Academies of Sciences, Engineering, and Medicine and the Surgeon General. The Secretary shall also consult with interested parties including the alcohol beverage industry, medical, public health, and consumer and parent groups, law enforcement, in-

stitutions of higher education, community-based organizations and coalitions, and other relevant stakeholders.

(5) ANNUAL REPORT.—The Secretary shall produce an annual report on the progress of the development or implementation of the media campaign described in this subsection, including expenses and projected costs, and, as such information is available, report on the effectiveness of such campaign in affecting adult attitudes toward underage drinking and adult willingness to take actions to decrease underage drinking.

(6) RESEARCH ON YOUTH-ORIENTED CAMPAIGN.—The Secretary may, based on the availability of funds, conduct or support research on the potential success of a youth-oriented national media campaign to reduce underage drinking. The Secretary shall report to Congress any such results and any related recommendations.

(7) ADMINISTRATION.—The Secretary may enter into an agreement with another Federal agency to delegate the authority for execution and administration of the adult-oriented national media campaign.

(8) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$2,500,000 for each of fiscal years 2023 through 2027.

(e) COMMUNITY-BASED COALITION ENHANCEMENT GRANTS TO PREVENT UNDERAGE DRINKING.—

(1) AUTHORIZATION OF PROGRAM.—The Assistant Secretary for Mental Health and Substance Use, in consultation with the Director of the Office of National Drug Control Policy, shall award enhancement grants to eligible entities to design, implement, evaluate, and disseminate comprehensive strategies to maximize the effectiveness of community-wide approaches to preventing and reducing underage drinking. This subsection is subject to the availability of appropriations.

(2) PURPOSES.—The purposes of this subsection are to—

(A) prevent and reduce alcohol use among youth in communities throughout the United States;

(B) strengthen collaboration among communities, the Federal Government, Tribal Governments, and State and local governments;

(C) enhance intergovernmental cooperation and coordination on the issue of alcohol use among youth;

(D) serve as a catalyst for increased citizen participation and greater collaboration among all sectors and organizations of a community that first demonstrates a long-term commitment to reducing alcohol use among youth;

(E) implement evidence-based strategies to prevent and reduce underage drinking in communities; and

(F) enhance, not supplant, effective local community initiatives for preventing and reducing alcohol use among youth.

(3) APPLICATION.—An eligible entity desiring an enhancement grant under this subsection shall submit an application to the Assistant Secretary at such time, and in such manner, and accompanied by such information and assurances, as the

Assistant Secretary may require. Each application shall include—

(A) a complete description of the entity's current underage alcohol use prevention initiatives and how the grant will appropriately enhance the focus on underage drinking issues; or

(B) a complete description of the entity's current initiatives, and how it will use the grant to enhance those initiatives by adding a focus on underage drinking prevention.

(4) USES OF FUNDS.—Each eligible entity that receives a grant under this subsection shall use the grant funds to carry out the activities described in such entity's application submitted pursuant to paragraph (3) and obtain specialized training and technical assistance by the entity funded under section 4 of Public Law 107–82, as amended (21 U.S.C. 1521 note). Grants under this subsection shall not exceed \$60,000 per year and may not exceed four years.

(5) SUPPLEMENT NOT SUPPLANT.—Grant funds provided under this subsection shall be used to supplement, not supplant, Federal and non-Federal funds available for carrying out the activities described in this subsection.

(6) EVALUATION.—Grants under this subsection shall be subject to the same evaluation requirements and procedures as the evaluation requirements and procedures imposed on recipients of drug-free community grants.

(7) DEFINITIONS.—For purposes of this subsection, the term “eligible entity” means an organization that is currently receiving or has received grant funds under the Drug-Free Communities Act of 1997.

(8) ADMINISTRATIVE EXPENSES.—Not more than 6 percent of a grant under this subsection may be expended for administrative expenses.

(9) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this subsection \$11,500,000 for each of fiscal years 2023 through 2027.

(f) GRANTS TO ORGANIZATIONS REPRESENTING PEDIATRIC PROVIDERS AND OTHER RELATED HEALTH PROFESSIONALS TO REDUCE UNDERAGE DRINKING THROUGH SCREENING AND BRIEF INTERVENTIONS.—

(1) IN GENERAL.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall make awards to one or more entities representing pediatric providers and other related health professionals with demonstrated ability to increase among the members of such entities effective practices to reduce the prevalence of alcohol use among individuals under the age of 21, including college students.

(2) PURPOSES.—Grants under this subsection shall be made to improve—

(A) screening adolescents for alcohol use;

(B) offering brief interventions to adolescents to discourage such use;

- (C) educating parents about the dangers of and methods of discouraging such use;
 - (D) diagnosing and treating alcohol use disorders; and
 - (E) referring patients, when necessary, to other appropriate care.
- (3) **USE OF FUNDS.**—An entity receiving a grant under this section may use the grant funding to promote the practices specified in paragraph (2) among its members by—
- (A) providing training to health care providers;
 - (B) disseminating best practices, including culturally and linguistically appropriate best practices, and developing and distributing materials; and
 - (C) supporting other activities as determined appropriate by the Assistant Secretary.
- (4) **APPLICATION.**—To be eligible to receive a grant under this subsection, an entity shall submit an application to the Assistant Secretary at such time, and in such manner, and accompanied by such information and assurances as the Secretary may require. Each application shall include—
- (A) a description of the entity;
 - (B) a description of the activities to be completed that will promote the practices specified in paragraph (2);
 - (C) a description of the entity's qualifications for performing such activities; and
 - (D) a timeline for the completion of such activities.
- (5) **DEFINITIONS.**—For the purpose of this subsection:
- (A) **BRIEF INTERVENTION.**—The term “brief intervention” means, after screening a patient, providing the patient with brief advice and other brief motivational enhancement techniques designed to increase the insight of the patient regarding the patient's alcohol use, and any realized or potential consequences of such use to effect the desired related behavioral change.
 - (B) **SCREENING.**—The term “screening” means using validated patient interview techniques to identify and assess the existence and extent of alcohol use in a patient.
- (6) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this subsection \$3,000,000 for each of fiscal years 2023 through 2027.
- (g) **DATA COLLECTION AND RESEARCH.**—
- (1) **ADDITIONAL RESEARCH ON UNDERAGE DRINKING.**—
 - (A) **IN GENERAL.**—The Secretary shall, subject to the availability of appropriations, support the collection of data, and conduct or support research that is not duplicative of research currently being conducted or supported by the Department of Health and Human Services, on underage drinking, with respect to the following:
 - (i) The evaluation, which may include through the development of relevant capabilities of expertise within a State, of the effectiveness of comprehensive community-based programs or strategies and statewide systems to prevent and reduce underage drinking, across the underage years from early childhood to age 21, such as programs funded and implemented by gov-

ernmental entities, public health interest groups and foundations, and alcohol beverage companies and trade associations.

(ii) Obtaining and reporting more precise information than is currently collected on the scope of the underage drinking problem and patterns of underage alcohol consumption, including improved knowledge about the problem and progress in preventing, reducing, and treating underage drinking, as well as information on the rate of exposure of youth to advertising and other media messages encouraging and discouraging alcohol consumption.

(iii) The development and identification of evidence-based or evidence-informed strategies to reduce underage drinking, which may include through translational research.

(iv) Improving and conducting public health data collection on alcohol use and alcohol-related conditions in States, which may include by increasing the use of surveys, such as the Behavioral Risk Factor Surveillance System, to monitor binge and excessive drinking and related harms among individuals who are at least 18 years of age, but not more than 20 years of age, including harm caused to self or others as a result of alcohol use that is not duplicative of research currently being conducted or supported by the Department of Health and Human Services.

Subpart 3—Center for Mental Health Services

CENTER FOR MENTAL HEALTH SERVICES

SEC. 520. [290bb–31] (a) ESTABLISHMENT.—There is established in the Administration a Center for Mental Health Services (hereafter in this section referred to as the “Center”). The Center shall be headed by a Director (hereafter in this section referred to as the “Director”) appointed by the Secretary from among individuals with extensive experience or academic qualifications in the provision of mental health services or in the evaluation of mental health service systems.

(b) DUTIES.—The Director of the Center shall—

(1) design national goals and establish national priorities for—

(A) the prevention of mental illness; and

(B) the promotion of mental health;

(2) encourage and assist local entities and State agencies to achieve the goals and priorities described in paragraph (1);

(3) collaborate with the Director of the National Institute of Mental Health and the Chief Medical Officer, appointed under section 501(g), to ensure that, as appropriate, programs related to the prevention and treatment of mental illness and the promotion of mental health and recovery support are carried out in a manner that reflects the best available science and evidence-based practices, including culturally and linguistically appropriate services, as appropriate;

(4) collaborate with the Department of Education and the Department of Justice to develop programs to assist local communities in addressing violence among children and adolescents;

(5) develop and coordinate Federal prevention policies and programs and to assure increased focus on the prevention of mental illness and the promotion of mental health, including through programs that reduce risk and promote resiliency;

(6) in collaboration with the Director of the National Institute of Mental Health, develop improved methods of treating individuals with mental health problems and improved methods of assisting the families of such individuals;

(7) administer the mental health services block grant program authorized in section 1911;

(8) promote policies and programs at Federal, State, and local levels and in the private sector that foster independence, increase meaningful participation of individuals with mental illness in programs and activities of the Administration, and protect the legal rights of persons with mental illness, including carrying out the provisions of the Protection and Advocacy of Mentally Ill Individuals Act;

(9) carry out the programs under part C;

(10) carry out responsibilities for the Human Resource Development program, and programs of clinical training for health paraprofessional personnel and health professionals;

(11) conduct services-related assessments, including evaluations of the organization and financing of care, self-help and

consumer-run programs, mental health economics, mental health service systems, rural mental health and tele-mental health, and improve the capacity of State to conduct evaluations of publicly funded mental health programs;

(12) disseminate mental health information, including evidence-based practices, to States, political subdivisions, educational agencies and institutions, treatment and prevention service providers, and the general public, including information concerning the practical application of research supported by the National Institute of Mental Health that is applicable to improving the delivery of services;

(13) provide technical assistance to public and private entities that are providers of mental health services;

(14) monitor and enforce obligations incurred by community mental health centers pursuant to the Community Mental Health Centers Act (as in effect prior to the repeal of such Act on August 13, 1981, by section 902(e)(2)(B) of Public Law 97-35 (95 Stat. 560));

(15) conduct surveys with respect to mental health, such as the National Reporting Program;

(16) assist States in improving their mental health data collection; and

(17) ensure the consistent documentation of the application of criteria when awarding grants and the ongoing oversight of grantees after such grants are awarded.

(c) GRANTS AND CONTRACTS.—In carrying out the duties established in subsection (b), the Director may make grants to and enter into contracts and cooperative agreements with public and non-profit private entities.

SEC. 520A. [290bb-32] PRIORITY MENTAL HEALTH NEEDS OF REGIONAL AND NATIONAL SIGNIFICANCE.

(a) PROJECTS.—The Secretary shall address priority mental health needs of regional and national significance (as determined under subsection (b)) through the provision of or through assistance for—

(1) knowledge development and application projects for prevention, treatment, and rehabilitation, and the conduct or support of evaluations of such projects;

(2) training and technical assistance programs;

(3) targeted capacity response programs; and

(4) systems change grants including statewide family network grants and client-oriented and consumer run self-help activities, which may include technical assistance centers.

The Secretary may carry out the activities described in this subsection directly or through grants, contracts, or cooperative agreements with States, political subdivisions of States, Indian Tribes or Tribal organizations (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act), health facilities, or programs operated by or in accordance with a contract or grant with the Indian Health Service, or, other public or private nonprofit entities.

(b) PRIORITY MENTAL HEALTH NEEDS.—

(1) DETERMINATION OF NEEDS.—Priority mental health needs of regional and national significance shall be determined

by the Secretary in consultation with States and other interested groups. The Secretary shall meet with the States and interested groups on an annual basis to discuss program priorities.

(2) SPECIAL CONSIDERATION.—In developing program priorities described in paragraph (1), the Secretary shall give special consideration to promoting the integration of mental health services into primary health care systems.

(c) REQUIREMENTS.—

(1) IN GENERAL.—Recipients of grants, contracts, and cooperative agreements under this section shall comply with information and application requirements determined appropriate by the Secretary.

(2) DURATION OF AWARD.—With respect to a grant, contract, or cooperative agreement awarded under this section, the period during which payments under such award are made to the recipient may not exceed 5 years.

(3) MATCHING FUNDS.—The Secretary may, for projects carried out under subsection (a), require that entities that apply for grants, contracts, or cooperative agreements under this section provide non-Federal matching funds, as determined appropriate by the Secretary, to ensure the institutional commitment of the entity to the projects funded under the grant, contract, or cooperative agreement. Such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in kind, fairly evaluated, including plant, equipment, or services.

(4) MAINTENANCE OF EFFORT.—With respect to activities for which a grant, contract or cooperative agreement is awarded under this section, the Secretary may require that recipients for specific projects under subsection (a) agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the entity for the fiscal year preceding the fiscal year for which the entity receives such a grant, contract, or cooperative agreement.

(d) EVALUATION.—The Secretary shall evaluate each project carried out under subsection (a)(1) and shall disseminate the findings with respect to each such evaluation to appropriate public and private entities.

(e) INFORMATION AND EDUCATION.—

(1) IN GENERAL.—The Secretary shall establish information and education programs to disseminate and apply the findings of the knowledge development and application, training, and technical assistance programs, and targeted capacity response programs, under this section to the general public, to health care professionals, and to interested groups. The Secretary shall make every effort to provide linkages between the findings of supported projects and State agencies responsible for carrying out mental health services.

(2) RURAL AND UNDERSERVED AREAS.—In disseminating information on evidence-based practices in the provision of children's mental health services under this subsection, the Sec-

retary shall ensure that such information is distributed to rural and medically underserved areas.

(3) GERIATRIC MENTAL DISORDERS.—The Secretary shall, as appropriate, provide technical assistance to grantees regarding evidence-based practices for the prevention and treatment of geriatric mental disorders and co-occurring mental health and substance use disorders among geriatric populations, as well as disseminate information about such evidence-based practices to States and nongrantees throughout the United States.

(f) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$599,036,000 for each of fiscal years 2023 through 2027.

SEC. 520B. [290bb-33] STUDENT SUICIDE AWARENESS AND PREVENTION TRAINING.

(a) IN GENERAL.—In awarding funds under section 520A, the Secretary shall give priority to applications under such section from a State educational agency, local educational agency, or Tribal educational agency, submitted directly or through a State or Indian Tribe, for funding for activities in secondary schools, where such agency has implemented, or includes in such application a plan to implement, a student suicide awareness and prevention training policy, which may include applicable youth suicide early intervention and prevention strategies implemented through section 520E—

(1) establishing and implementing a school-based student suicide awareness and prevention training policy in accordance with subsection (c);

(2) consulting with stakeholders (including principals, teachers, parents, local Tribal officials, and other relevant experts) and, as appropriate, utilizing information, models, and other resources made available by the Suicide Prevention Technical Assistance Center authorized under section 520C in the development of the policy under paragraph (1); and

(3) collecting and reporting information in accordance with subsection (d).

(b) CONSIDERATION.—In giving priority to applicants as described in subsection (a), the Secretary shall, as appropriate, take into consideration the incidence and prevalence of suicide in the applicable jurisdiction and the costs of establishing and implementing, as applicable, a school-based student suicide awareness and prevention training policy.

(c) SCHOOL-BASED STUDENT SUICIDE AWARENESS AND PREVENTION TRAINING POLICY.—A school-based student suicide awareness and prevention training policy implemented pursuant to subsection (a)(1) shall—

(1) be evidence-based;

(2) be culturally- and linguistically-appropriate;

(3) provide evidence-based training to students in grades 6 through 12, in coordination with school-based mental health resources, as applicable, regarding—

(A) suicide prevention education and awareness, including associated risk factors;

(B) methods that students can use to seek help; and

(C) student resources for suicide awareness and prevention; and

(4) provide for periodic retraining of such students.

(d) **COLLECTION OF INFORMATION AND REPORTING.**—Each State educational agency, local educational agency, and Tribal educational agency that receives priority to implement a new training policy pursuant to subsection (a)(1) shall report to the Secretary the following aggregated information, in a manner that protects personal privacy, consistent with applicable Federal and State privacy laws:

(1) The number of trainings conducted, including the number of student trainings conducted, and the training delivery method used.

(2) The number of students trained, disaggregated by age and grade level.

(3) The number of help-seeking reports made by students after implementation of such policy.

(e) **EVIDENCE-BASED PROGRAM AVAILABILITY.**—The Secretary shall coordinate with the Secretary of Education and the Secretary of the Interior to—

(1) make publicly available the policies established by State educational agencies, local educational agencies, and Tribal educational agencies pursuant to this section and the training that is available to students and teams pursuant to such policies, in accordance with section 543A; and

(2) provide technical assistance and disseminate best practices on student suicide awareness and prevention training policies, including through the Suicide Prevention Technical Assistance Center authorized under section 520C, as applicable, to State educational agencies, local educational agencies, and Tribal agencies.

(f) **IMPLEMENTATION.**—Not later than September 30, 2024, the Secretary shall report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives the number of recipients of funds under section 520A who have implemented training policies described in subsection (a)(1) and a summary of the information received under subsection (d).

(g) **DEFINITIONS.**—In this section:

(1) The term “evidence-based” has the meaning given such term in section 8101 of the Elementary and Secondary Education Act of 1965.

(2) The term “local educational agency” has the meaning given to such term in section 8101 of the Elementary and Secondary Education Act of 1965.

(3) The term “State educational agency” has the meaning given to such term in section 8101 of the Elementary and Secondary Education Act of 1965.

(4) The term “Tribal educational agency” has the meaning given to the term “tribal educational agency” in section 6132 of the Elementary and Secondary Education Act of 1965.

SEC. 520C. [290bb–34] SUICIDE PREVENTION TECHNICAL ASSISTANCE CENTER.

(a) **PROGRAM AUTHORIZED.**—

(1) **IN GENERAL.**—The Secretary, acting through the Assistant Secretary, shall establish a research, training, and tech-

nical assistance resource center to provide appropriate information, training, and technical assistance to States, political subdivisions of States, federally recognized Indian Tribes, Tribal organizations, institutions of higher education, public organizations, or private nonprofit organizations regarding the prevention of suicide among all ages, particularly among groups that are at a high risk for suicide.

(2) **COLLABORATION.**—In carrying out this subsection, as applicable with respect to assistance to entities serving members of the Armed Forces and veterans, the Secretary shall, as appropriate, collaborate with the Secretary of Defense and the Secretary of Veterans Affairs.

(b) **RESPONSIBILITIES OF THE CENTER.**—The center established under subsection (a) shall conduct activities for the purpose of—

(1) developing and continuing statewide or Tribal suicide early intervention and prevention strategies for all ages, particularly among groups that are at a high risk for suicide;

(2) ensuring the surveillance of suicide early intervention and prevention strategies for all ages, particularly among groups that are at a high risk for suicide;

(3) studying the costs and effectiveness of statewide and tribalsuicide early intervention and prevention strategies in order to provide information concerning relevant issues of importance to State, Tribal, and national policymakers;

(4) further identifying and understanding causes and associated risk factors for suicide;

(5) analyzing the efficacy of new and existing suicide early intervention and prevention techniques and technology;

(6) ensuring the surveillance of suicidal behaviors and nonfatal suicidal attempts;

(7) studying the effectiveness of State-sponsored statewide and Tribal suicide early intervention and prevention strategies on the overall wellness and health promotion strategies related to suicide attempts;

(8) promoting the sharing of data regarding suicide with Federal agencies involved with suicide early intervention and prevention, and State-sponsored statewide or Tribal suicide early intervention and prevention strategies for the purpose of identifying previously unknown mental health causes and associated risk factors for suicide;

(9) evaluating and disseminating outcomes and best practices of mental health and substance use disorder services at institutions of higher education; and

(10) conducting other activities determined appropriate by the Secretary.

(c) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this section, there are authorized to be appropriated \$9,000,000 for each of fiscal years 2023 through 2027.

(d) **ANNUAL REPORT.**—Not later than 2 years after the date of the enactment of the Restoring Hope for Mental Health and Well-Being Act of 2022, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the activities carried out by the center established

under subsection (a) during the year involved, including the potential effects of such activities, and the States, organizations, and institutions that have worked with the center.

【Section 520D was repealed by section 9017 of Public Law 114–255.】

SEC. 520E. [290bb–36] YOUTH SUICIDE EARLY INTERVENTION AND PREVENTION STRATEGIES.

(a) **IN GENERAL.**—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall award grants or cooperative agreements to eligible entities to—

(1) develop and implement State-sponsored statewide or Tribal youth suicide early intervention and prevention strategies in schools, educational institutions, juvenile justice systems, substance use disorder programs, mental health programs, foster care systems, pediatric health programs, and other child and youth support organizations;

(2) support public organizations and private nonprofit organizations actively involved in State-sponsored statewide or Tribal youth suicide early intervention and prevention strategies and in the development and continuation of State-sponsored statewide youth suicide early intervention and prevention strategies;

(3) provide grants to institutions of higher education to coordinate the implementation of State-sponsored statewide or Tribal youth suicide early intervention and prevention strategies;

(4) collect and analyze data on State-sponsored statewide or Tribal youth suicide early intervention and prevention services that can be used to monitor the effectiveness of such services and for research, technical assistance, and policy development; and

(5) assist eligible entities, through State-sponsored statewide or Tribal youth suicide early intervention and prevention strategies, in achieving targets for youth suicide reductions under title V of the Social Security Act.

(b) **ELIGIBLE ENTITY.**—

(1) **DEFINITION.**—In this section, the term “eligible entity” means—

(A) a State;

(B) a public organization or private nonprofit organization designated by a State or Indian Tribe (as defined in section 4 of the Indian Self-Determination and Education Assistance Act) to develop or direct the State-sponsored statewide or Tribal youth suicide early intervention and prevention strategy; or

(C) a Federally recognized Indian Tribe or Tribal organization (as defined in the Indian Self-Determination and Education Assistance Act) or an urban Indian organization (as defined in the Indian Health Care Improvement Act) that is actively involved in the development and continuation of a Tribal youth suicide early intervention and prevention strategy.

(2) LIMITATION.—In carrying out this section, the Secretary shall ensure that a State does not receive more than 1 grant or cooperative agreement under this section at any 1 time. For purposes of the preceding sentence, a State shall be considered to have received a grant or cooperative agreement if the eligible entity involved is the State or an entity designated by the State under paragraph (1)(B). Nothing in this paragraph shall be construed to apply to entities described in paragraph (1)(C).

(3) CONSIDERATION.—In awarding grants under this section, the Secretary shall take into consideration the extent of the need of the applicant, including the incidence and prevalence of suicide in the State and among the populations of focus, including rates of suicide determined by the Centers for Disease Control and Prevention for the State or population of focus.

(4) CONSULTATION.—An entity described in paragraph (1)(A) or (1)(B) that applies for a grant or cooperative agreement under this section shall agree to consult or confer with entities described in paragraph (1)(C) and Native Hawaiian Health Care Systems, as applicable, in the applicable State with respect to the development and implementation of a statewide early intervention strategy.

(c) PREFERENCE.—In providing assistance under a grant or cooperative agreement under this section, an eligible entity shall give preference to public organizations, private nonprofit organizations, political subdivisions, institutions of higher education, and Tribal organizations actively involved with the State-sponsored statewide or Tribal youth suicide early intervention and prevention strategy that—

(1) provide early intervention and assessment services, including screening programs, to youth who are at risk for mental or emotional disorders that may lead to a suicide attempt, and that are integrated with school systems, educational institutions, juvenile justice systems, substance use disorder programs, mental health programs, foster care systems, pediatric health programs, and other child and youth support organizations;

(2) demonstrate collaboration among early intervention and prevention services or certify that entities will engage in future collaboration;

(3) employ or include in their applications a commitment to evaluate youth suicide early intervention and prevention practices and strategies adapted to the local community;

(4) provide timely referrals for appropriate community-based mental health care and treatment of youth who are at risk for suicide in child-serving settings and agencies;

(5) provide immediate support and information resources to families of youth who are at risk for suicide;

(6) offer access to services and care to youth with diverse linguistic and cultural backgrounds;

(7) offer appropriate postsuicide intervention services, care, and information to families, friends, schools, educational institutions, juvenile justice systems, substance use disorder programs, mental health programs, foster care systems, pediatric

health programs, and other child and youth support organizations of youth who recently completed suicide;

(8) offer continuous and up-to-date information and awareness campaigns that target parents, family members, child care professionals, community care providers, and the general public and highlight the risk factors associated with youth suicide and the life-saving help and care available from early intervention and prevention services;

(9) ensure that information and awareness campaigns on youth suicide risk factors, and early intervention and prevention services, use effective communication mechanisms that are targeted to and reach youth, families, schools, educational institutions, pediatric health programs, and youth organizations;

(10) provide a timely response system to ensure that child-serving professionals and providers are properly trained in youth suicide early intervention and prevention strategies and that child-serving professionals and providers involved in early intervention and prevention services are properly trained in effectively identifying youth who are at risk for suicide;

(11) provide continuous training activities for child care professionals and community care providers on the latest youth suicide early intervention and prevention services practices and strategies;

(12) conduct annual self-evaluations of outcomes and activities, including consulting with interested families and advocacy organizations;

(13) provide services in areas or regions with rates of youth suicide that exceed the national average as determined by the Centers for Disease Control and Prevention;

(14) obtain informed written consent from a parent or legal guardian of an at-risk child before involving the child in a youth suicide early intervention and prevention program; and

(15) provide to parents, legal guardians, and family members of youth, supplies to securely store means commonly used in suicide, if applicable, within the household.

(d) REQUIREMENT FOR SUICIDE PREVENTION ACTIVITIES.—Not less than 85 percent of grant funds received under this section shall be used to provide suicide prevention activities.

(e) COORDINATION AND COLLABORATION.—

(1) IN GENERAL.—In carrying out this section, the Secretary shall collaborate with relevant Federal agencies and suicide working groups responsible for early intervention and prevention services relating to youth suicide.

(2) CONSULTATION.—In carrying out this section, the Secretary shall consult with—

(A) State and local agencies, including agencies responsible for early intervention and prevention services under title XIX of the Social Security Act, the State Children's Health Insurance Program under title XXI of the Social Security Act, and programs funded by grants under title V of the Social Security Act;

(B) local and national organizations that serve youth at risk for suicide and their families;

(C) relevant national medical and other health and education specialty organizations;

(D) youth who are at risk for suicide, who have survived suicide attempts, or who are currently receiving care from early intervention services;

(E) families and friends of youth who are at risk for suicide, who have survived suicide attempts, who are currently receiving care from early intervention and prevention services, or who have completed suicide;

(F) qualified professionals who possess the specialized knowledge, skills, experience, and relevant attributes needed to serve youth at risk for suicide and their families; and

(G) third-party payers, managed care organizations, and related commercial industries.

(3) POLICY DEVELOPMENT.—In carrying out this section, the Secretary shall—

(A) coordinate and collaborate on policy development at the Federal level with the relevant Department of Health and Human Services agencies and suicide working groups and the Department of Education, as appropriate; and

(B) consult on policy development at the Federal level with the private sector, including consumer, medical, suicide prevention advocacy groups, and other health and education professional-based organizations, with respect to State-sponsored statewide or Tribal youth suicide early intervention and prevention strategies.

(f) RULE OF CONSTRUCTION; RELIGIOUS AND MORAL ACCOMMODATION.—Nothing in this section shall be construed to require suicide assessment, early intervention, or treatment services for youth whose parents or legal guardians object based on the parents' or legal guardians' religious beliefs or moral objections.

(g) EVALUATIONS AND REPORT.—

(1) EVALUATIONS BY ELIGIBLE ENTITIES.—Not later than 24 months after receiving a grant or cooperative agreement under this section, an eligible entity shall submit to the Secretary the results of an evaluation to be conducted by the entity concerning the effectiveness of the activities carried out under the grant or agreement.

(2) REPORT.—Not later than December 31, 2025, the Secretary shall submit to the appropriate committees of Congress a report concerning the results of—

(A) the evaluations conducted under paragraph (1); and

(B) an evaluation conducted by the Secretary to analyze the effectiveness and efficacy of the activities conducted with grants, collaborations, and consultations under this section.

(h) RULE OF CONSTRUCTION; STUDENT MEDICATION.—Nothing in this section or section 520E–1 shall be construed to allow school personnel to require that a student obtain any medication as a condition of attending school or receiving services.

(i) PROHIBITION.—Funds appropriated to carry out this section, section 520C, section 520E-1, or section 520E-2 shall not be used to pay for or refer for abortion.

(j) PARENTAL CONSENT.—States and entities receiving funding under this section and section 520E-1 shall obtain prior written, informed consent from the child’s parent or legal guardian for assessment services, school-sponsored programs, and treatment involving medication related to youth suicide conducted in elementary and secondary schools. The requirement of the preceding sentence does not apply in the following cases:

(1) In an emergency, where it is necessary to protect the immediate health and safety of the student or other students.

(2) Other instances, as defined by the State, where parental consent cannot reasonably be obtained.

(k) RELATION TO EDUCATION PROVISIONS.—Nothing in this section or section 520E-1 shall be construed to supersede section 444 of the General Education Provisions Act, including the requirement of prior parental consent for the disclosure of any education records. Nothing in this section or section 520E-1 shall be construed to modify or affect parental notification requirements for programs authorized under the Elementary and Secondary Education Act of 1965 (as amended by the No Child Left Behind Act of 2001; Public Law 107-110).

(l) DEFINITIONS.—In this section:

(1) EARLY INTERVENTION.—The term “early intervention” means a strategy or approach that is intended to prevent an outcome or to alter the course of an existing condition.

(2) EDUCATIONAL INSTITUTION; INSTITUTION OF HIGHER EDUCATION; SCHOOL.—The term—

(A) “educational institution” means a school or institution of higher education;

(B) “institution of higher education” has the meaning given such term in section 101 of the Higher Education Act of 1965; and

(C) “school” means an elementary school or secondary school (as such terms are defined in section 8101 of the Elementary and Secondary Education Act of 1965).

(3) PREVENTION.—The term “prevention” means a strategy or approach that reduces the likelihood or risk of onset, or delays the onset, of adverse health problems that have been known to lead to suicide.

(4) YOUTH.—The term “youth” means individuals who are up to 24 years of age.

(m) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there are authorized to be appropriated \$40,000,000 for each of fiscal years 2023 through 2027.

tem of care have received training in identifying persons at risk of suicide.

(d) **USE OF FUNDS.**—Amounts provided under a grant or cooperative agreement under this section shall be used to supplement, and not supplant, Federal and non-Federal funds available for carrying out the activities described in this section. Applicants shall provide financial information to demonstrate compliance with this section.

(e) **CONDITION.**—An applicant for a grant or cooperative agreement under subsection (a) shall demonstrate to the Secretary that the application complies with the State-sponsored statewide early intervention and prevention strategy as developed under section 520E and the applicant has the support of the local community and relevant public health officials.

(f) **SPECIAL POPULATIONS.**—In awarding grants and cooperative agreements under subsection (a), the Secretary shall ensure that such awards are made in a manner that will focus on the needs of communities or groups that experience high or rapidly rising rates of suicide.

(g) **APPLICATION.**—A public organization, private nonprofit organization, political subdivision, consortium of political subdivisions, consortium of States, or Federally recognized Indian tribe or tribal organization receiving a grant or cooperative agreement under subsection (a) shall prepare and submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require. Such application shall include a plan for the rigorous evaluation of activities funded under the grant or cooperative agreement, including a process and outcome evaluation.

(h) **DISTRIBUTION OF AWARDS.**—In awarding grants and cooperative agreements under subsection (a), the Secretary shall ensure that such awards are distributed among the geographical regions of the United States and between urban and rural settings.

(i) **EVALUATION.**—A public organization, private nonprofit organization, political subdivision, consortium of political subdivisions, consortium of States, or Federally recognized Indian tribe or tribal organization receiving a grant or cooperative agreement under subsection (a) shall prepare and submit to the Secretary at the end of the program period, an evaluation of all activities funded under this section.

(j) **DISSEMINATION AND EDUCATION.**—The Secretary shall ensure that findings derived from activities carried out under this section are disseminated to State, county and local governmental agencies and public and private nonprofit organizations active in promoting suicide prevention and family support activities.

(k) **DURATION OF PROJECTS.**—With respect to a grant, contract, or cooperative agreement¹² awarded under this section, the period during which payments under such award may be made to the recipient may not exceed 3 years.

¹²So in law. Probably should be “grant or cooperative agreement”. See the amendments made by section 3(b) of Public Law 108–355 (118 Stat. 1407).

(l) **STUDY.**—Within 1 year after the date of the enactment of this section, the Secretary shall, directly or by grant or contract, initiate a study to assemble and analyze data to identify—

(1) unique profiles of children under 13 who attempt or complete suicide;

(2) unique profiles of youths between ages 13 and 24 who attempt or complete suicide; and

(3) a profile of services available to these groups and the use of these services by children and youths from paragraphs (1) and (2).

(m) **DEFINITIONS.**—In this section, the terms “early intervention”, “educational institution”, “institution of higher education”, “prevention”, “school”, and “youth” have the meanings given to those terms in section 520E.

(n) **AUTHORIZATION OF APPROPRIATION.**—For purposes of carrying out this section, there is authorized to be appropriated \$75,000,000 for fiscal year 2001 and such sums as may be necessary for each of the fiscal years 2002 through 2003.

SEC. 520E–2. [290bb–36b] MENTAL HEALTH AND SUBSTANCE USE DISORDER SERVICES FOR STUDENTS IN HIGHER EDUCATION.

(a) **IN GENERAL.**—The Secretary, acting through the Director of the Center for Mental Health Services and in consultation with the Secretary of Education, may award grants on a competitive basis to institutions of higher education to enhance services for students with mental health or substance use disorders that can lead to school failure, such as depression, substance use disorders, and suicide attempts, prevent mental and substance use disorders, reduce stigma, and improve the identification and treatment for students at risk, so that students will successfully complete their studies.

(b) **USE OF FUNDS.**—The Secretary may not make a grant to an institution of higher education under this section unless the institution agrees to use the grant only for one or more of the following:

(1) Educating students, families, faculty, and staff to increase awareness of mental health and substance use disorders and promote resiliency.

(2) The operation of hotlines.

(3) Preparing informational material.

(4) Providing outreach services to notify students about available mental health and substance use disorder resources and services.

(5) Administering voluntary mental health and substance use disorder screenings and assessments.

(6) Supporting the training of students, faculty, and staff to recognize and respond effectively and appropriately to students experiencing mental health and substance use disorders.

(7) Creating a network infrastructure to link institutions of higher education with health care providers who treat mental health and substance use disorders.

(8) Providing mental health and substance use disorders prevention and treatment services to students, which may include recovery support services and programming and early

intervention, treatment, and management, including through the use of telehealth services.

(9) Conducting research through a counseling or health center at the institution of higher education involved to improve the behavioral health of students through clinical services, outreach, prevention, promotion of mental health, or academic success, in a manner that is in compliance with all applicable personal privacy laws.

(10) Supporting student groups on campus, including athletic teams, that engage in activities to educate students, including activities to reduce stigma surrounding mental and behavioral health disorders, and promote mental health.

(11) Employing appropriately trained staff.

(12) Developing and supporting evidence-based and emerging best practices, including a focus on culturally and linguistically appropriate best practices, and trauma-informed practices.

(c) ELIGIBLE GRANT RECIPIENTS.—Any institution of higher education receiving a grant under this section may carry out activities under the grant through—

(1) college counseling centers;

(2) college and university psychological service centers;

(3) mental health centers;

(4) psychology training clinics; or

(5) institution of higher education supported, evidence-based, mental health and substance use disorder programs.

(d) APPLICATION.—To be eligible to receive a grant under this section, an institution of higher education shall prepare and submit an application to the Secretary at such time and in such manner as the Secretary may require. At a minimum, the application shall include the following:

(1) A description of the population to be targeted by the program carried out under the grant, including veterans whenever possible and appropriate, and of identified mental health and substance use disorder needs of students at the institution of higher education.

(2) A description of Federal, State, local, private, and institutional resources currently available to address the needs described in paragraph (1) at the institution of higher education, which may include, as appropriate and in accordance with subsection (b)(7), a plan to seek input from relevant stakeholders in the community, including appropriate public and private entities, in order to carry out the program under the grant.

(3) A description of the outreach strategies of the institution of higher education for promoting mental health and access to services, including a proposed plan for reaching those students most in need of mental health services.

(4) A plan to evaluate program outcomes, including a description of the proposed use of funds, the program objectives, and how the objectives will be met.

(5) An assurance that the institution will submit a report to the Secretary each fiscal year on the activities carried out with the grant and the results achieved through those activities.

(6) An outline of the objectives of the program carried out under the grant.

(7) For an institution of higher education proposing to use the grant for an activity described in paragraph (8) or (9) of subsection (b), a description of the policies and procedures of the institution of higher education that are related to applicable laws regarding access to, and sharing of, treatment records of students at any campus-based mental health center or partner organization, including the policies and State laws governing when such records can be accessed and shared for non-treatment purposes and a description of the process used by the institution of higher education to notify students of these policies and procedures, including the extent to which written consent is required.

(8) An assurance that grant funds will be used to supplement and not supplant any other Federal, State, or local funds available to carry out activities of the type carried out under the grant.

(e) REQUIREMENT OF MATCHING FUNDS.—

(1) IN GENERAL.—The Secretary may make a grant under this section to an institution of higher education only if the institution agrees to make available (directly or through donations from public or private entities) non-Federal contributions in an amount that is not less than \$1 for each \$1 of Federal funds provided in the grant, toward the costs of activities carried out with the grant (as described in subsection (b)) and other activities by the institution to reduce student mental health and substance use disorders.

(2) DETERMINATION OF AMOUNT CONTRIBUTED.—Non-Federal contributions required under paragraph (1) may be in cash or in kind. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(3) WAIVER.—The Secretary may waive the requirement established in paragraph (1) with respect to an institution of higher education if the Secretary determines that extraordinary need at the institution justifies the waiver.

(f) REPORTS.—For each fiscal year that grants are awarded under this section, the Secretary shall conduct a study on the results of the grants and submit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate a report on such results that includes the following:

(1) An evaluation of the grant program outcomes, including a summary of activities carried out with the grant and the results achieved through those activities.

(2) Recommendations on how to improve access to mental health and substance use disorder services at institutions of higher education, including through prevention, early detection, early intervention, and efforts to reduce the incidence of suicide and substance use disorders.

(3) An assessment of the mental health and substance use disorder needs of the populations served by recipients of grants under this section.

(g) DEFINITION.—In this section, the term “institution of higher education” has the meaning given such term in section 101 of the Higher Education Act of 1965.

(h) TECHNICAL ASSISTANCE.—The Secretary may provide technical assistance to grantees in carrying out this section.

(i) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there are authorized to be appropriated \$7,000,000 for each of fiscal years 2023 through 2027.

SEC. 520E-3. [290bb-36c] NATIONAL SUICIDE PREVENTION LIFELINE PROGRAM.

(a) IN GENERAL.—The Secretary, acting through the Assistant Secretary, shall maintain the National Suicide Prevention Lifeline program (referred to in this section as the “program”), authorized under section 520A and in effect prior to the date of enactment of the Helping Families in Mental Health Crisis Reform Act of 2016.

(b) ACTIVITIES.—In maintaining the program, the activities of the Secretary shall include—

(1) supporting and coordinating a network of crisis centers across the United States for providing suicide prevention and mental health crisis intervention services, including appropriate follow-up services, to individuals seeking help at any time, day or night;

(2) maintaining a suicide prevention hotline to link callers to local emergency, mental health, and social services resources;

(3) consulting with the Secretary of Veterans Affairs to ensure that veterans calling the suicide prevention hotline have access to a specialized veterans’ suicide prevention hotline;

(4) improving awareness of the program for suicide prevention and mental health crisis intervention services, including by conducting an awareness initiative and ongoing outreach to the public; and

(5) improving the collection and analysis of demographic information, in a manner that protects personal privacy, consistent with applicable Federal and State privacy laws, in order to understand disparities in access to the program among individuals who are seeking help.

(c) PLAN.—

(1) IN GENERAL.—For purposes of supporting the crisis centers under subsection (b)(1) and maintaining the suicide prevention hotline under subsection (b)(2), the Secretary shall develop and implement a plan to ensure the provision of high-quality services.

(2) CONTENTS.—The plan required by paragraph (1) shall include the following:

(A) Program evaluation, including performance measures to assess progress toward the goals and objectives of the program and to improve the responsiveness and performance of the hotline, including at all backup call centers.

(B) Requirements that crisis centers and backup centers must meet—

(i) to participate in the network under subsection (b)(1); and

(ii) to ensure that each telephone call and applicable other communication received by the hotline, including at backup call centers, is answered in a timely manner, consistent with evidence-based guidance or other guidance or best practices, as appropriate.

(C) Specific recommendations and strategies for implementing evidence-based practices, including with respect to followup and communicating the availability of resources in the community for individuals in need.

(D) Criteria for carrying out periodic testing of the hotline during each fiscal year, including at crisis centers and backup centers, to identify and address any problems in a timely manner.

(3) CONSULTATION.—In developing requirements under paragraph (2)(B), the Secretary shall consult with State departments of health, local governments, Indian Tribes, and Tribal organizations.

(4) INITIAL PLAN; UPDATES.—The Secretary shall—

(A) not later than 1 year after the date of enactment of the Restoring Hope for Mental Health and Well-Being Act of 2022, complete development of the initial plan under paragraph (1) and make such plan publicly available; and

(B) periodically thereafter, update such plan and make the updated plan publicly available.

(d) IMPROVING EPIDEMIOLOGICAL DATA.—The Secretary shall, as appropriate, formalize and strengthen agreements between the Suicide Prevention Lifeline program and the Centers for Disease Control and Prevention with respect to the secure sharing of deidentified epidemiological data. Such agreements shall include appropriate privacy and security protections that meet the requirements of applicable Federal law, at a minimum.

(e) DATA TO ASSIST STATE AND LOCAL SUICIDE PREVENTION ACTIVITIES.—The Secretary shall ensure that the aggregated information collected and any applicable analyses conducted under subsection (b)(5), including from local call centers, as applicable, are made available in a usable format to State and local agencies in order to inform suicide prevention activities.

(f) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there are authorized to be appropriated \$101,621,000 for each of fiscal years 2023 through 2027.

SEC. 520E–4. [290bb-36d] TREATMENT REFERRAL ROUTING SERVICE.

(a) IN GENERAL.—The Secretary, acting through the Assistant Secretary, shall maintain the National Treatment Referral Routing Service (referred to in this section as the “Routing Service”) to assist individuals and families in locating mental and substance use disorders treatment providers.

(b) ACTIVITIES OF THE SECRETARY.—To maintain the Routing Service, the activities of the Assistant Secretary shall include administering—

(1) a nationwide, telephone number providing year-round access to information that is updated on a regular basis regarding local behavioral health providers and community-based organizations in a manner that is confidential, without requiring individuals to identify themselves, is in languages that include at least English and Spanish, and is at no cost to the individual using the Routing Service; and

(2) an Internet website to provide a searchable, online treatment services locator of behavioral health treatment providers and community-based organizations, which shall include information on the name, location, contact information, and basic services provided by such providers and organizations.

(c) REMOVING PRACTITIONER CONTACT INFORMATION.—In the event that the Internet website described in subsection (b)(2) contains information on any practitioner who prescribes narcotic drugs in schedule III, IV, or V of section 202 of the Controlled Substances Act for the purpose of maintenance or detoxification treatment, the Assistant Secretary—

(1) shall provide an opportunity to such practitioner to have the contact information of the practitioner removed from the website at the request of the practitioner; and

(2) may evaluate other methods to periodically update the information displayed on such website.

(d) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to prevent the Assistant Secretary from using any unobligated amounts otherwise made available to the Administration to maintain the Routing Service.

SEC. 520F. [290bb-37] MENTAL HEALTH CRISIS RESPONSE PARTNERSHIP PILOT PROGRAM.

(a) IN GENERAL.—The Secretary shall establish a pilot program under which the Secretary will award competitive grants to States, localities, territories, Indian Tribes, and Tribal organizations to establish new, or enhance existing, mobile crisis response teams that divert the response for mental health and substance use disorder crises from law enforcement to mobile crisis teams, as described in subsection (b).

(b) MOBILE CRISIS TEAMS DESCRIBED.—A mobile crisis team, for purposes of this section, is a team of individuals—

(1) that is available to respond to individuals in mental health and substance use disorder crises and provide immediate stabilization, referrals to community-based mental health and substance use disorder services and supports, and triage to a higher level of care if medically necessary;

(2) which may include licensed counselors, clinical social workers, physicians, paramedics, crisis workers, peer support specialists, or other qualified individuals; and

(3) which may provide support to divert mental health and substance use disorder crisis calls from the 9–1–1 system to the 9–8–8 system.

(c) PRIORITY.—In awarding grants under this section, the Secretary shall prioritize applications which account for the specific needs of the communities to be served, including children and families, veterans, rural and underserved populations, and other groups at increased risk of death from suicide or overdose.

(d) REPORT.—

(1) INITIAL REPORT.—Not later than September 30, 2024, the Secretary shall submit to Congress a report on steps taken by States, localities, territories, Indian Tribes, and Tribal organizations prior to the date of enactment of this section to strengthen the partnerships among mental health providers, substance use disorder treatment providers, primary care physicians, mental health and substance use disorder crisis teams, paramedics, law enforcement officers, and other first responders.

(2) PROGRESS REPORTS.—Not later than one year after the date on which the first grant is awarded to carry out this section, and for each year thereafter, the Secretary shall submit to Congress a report on the grants made during the year covered by the report, which shall include—

(A) impact data on the teams and people served by such programs, including demographic information of individuals served, volume, and types of service utilization;

(B) outcomes of the number of linkages made to community-based resources or short-term crisis receiving and stabilization facilities, as applicable, and diversion from law enforcement or hospital emergency department settings;

(C) data consistent with the State block grant requirements for continuous evaluation and quality improvement, and other relevant data as determined by the Secretary;

(D) identification and, where appropriate, recommendations of best practices from States and localities providing mobile crisis response and stabilization services for youth and adults; and

(E) identification of any opportunities for improvements to the program established under this section.

(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section, \$10,000,000 for each of fiscal years 2023 through 2027.

SEC. 520G. [290bb–38] GRANTS FOR JAIL DIVERSION PROGRAMS.

(a) PROGRAM AUTHORIZED.—The Secretary shall make grants to States, political subdivisions of States, and Indian Tribes and Tribal organizations (as the terms “Indian tribes” and “tribal organizations” are defined in section 4 of the Indian Self-Determination and Education Assistance Act), acting directly or through agreements with other public or nonprofit entities, or a health facility or program operated by or in accordance with a contract or grant with the Indian Health Service, to develop and implement programs to divert individuals with a mental illness from the criminal justice system to community-based services.

(b) ADMINISTRATION.—

(1) CONSULTATION.—The Secretary shall consult with the Attorney General and any other appropriate officials in carrying out this section.

(2) REGULATORY AUTHORITY.—The Secretary shall issue regulations and guidelines necessary to carry out this section, including methodologies and outcome measures for evaluating

programs carried out by States, political subdivisions of States, Indian Tribes, and Tribal organizations receiving grants under subsection (a).

(c) APPLICATIONS.—

(1) IN GENERAL.—To receive a grant under subsection (a), the chief executive of a State, chief executive of a subdivision of a State, an Indian Tribe or Tribal organization, a health facility or program described in subsection (a), or a public or non-profit entity referred to in subsection (a) shall prepare and submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary shall reasonably require.

(2) CONTENT.—Such application shall—

(A) contain an assurance that—

(i) community-based mental health services will be available for the individuals who are diverted from the criminal justice system, and that such services are based on evidence-based practices, reflect current research findings, include case management, assertive community treatment, medication management and access, integrated mental health and co-occurring substance use disorder treatment, peer recovery support services, and psychiatric rehabilitation, and will be coordinated with social services, including life skills training, housing placement, vocational training, education job placement, and health care;

(ii) there has been relevant interagency collaboration between the appropriate criminal justice, mental health, and substance use disorder systems; and

(iii) the Federal support provided will be used to supplement, and not supplant, State, local, Indian Tribe, or Tribal organization sources of funding that would otherwise be available;

(B) demonstrate that the diversion program will be integrated with an existing system of care for those with mental illness;

(C) explain the applicant's inability to fund the program adequately without Federal assistance;

(D) specify plans for obtaining necessary support and continuing the proposed program following the conclusion of Federal support; and

(E) describe methodology and outcome measures that will be used in evaluating the program.

(d) SPECIAL CONSIDERATION REGARDING VETERANS.—In awarding grants under subsection (a), the Secretary shall, as appropriate, give special consideration to entities proposing to use grant funding to support jail diversion services for veterans.

(e) USE OF FUNDS.—A State, political subdivision of a State, Indian Tribe, or Tribal organization that receives a grant under subsection (a) may use funds received under such grant to—

(1) integrate the diversion program into the existing system of care;

(2) create or expand community-based mental health and co-occurring mental illness and substance use disorder services to accommodate the diversion program;

(3) train professionals and paraprofessionals involved in the system of care, and law enforcement officers, attorneys, and judges;

(4) provide community outreach and crisis intervention; and

(5) develop programs to divert individuals prior to booking, arrest, or release.

(f) FEDERAL SHARE.—

(1) IN GENERAL.—The Secretary shall pay to a State, political subdivision of a State, Indian Tribe, or Tribal organization receiving a grant under subsection (a) the Federal share of the cost of activities described in the application.

(2) FEDERAL SHARE.—The Federal share of a grant made under this section shall not exceed 75 percent of the total cost of the program carried out by the State, political subdivision of a State, Indian Tribe, or Tribal organization. Such share shall be used for new expenses of the program carried out by such State, political subdivision of a State, Indian Tribe, or Tribal organization.

(3) NON-FEDERAL SHARE.—The non-Federal share of payments made under this section may be made in cash or in kind fairly evaluated, including planned equipment or services. The Secretary may waive the requirement of matching contributions.

(g) GEOGRAPHIC DISTRIBUTION.—The Secretary shall ensure that such grants awarded under subsection (a) are equitably distributed among the geographical regions of the United States and between urban and rural populations.

(h) TRAINING AND TECHNICAL ASSISTANCE.—Training and technical assistance may be provided by the Secretary to assist a State, political subdivision of a State, Indian Tribe, or Tribal organization receiving a grant under subsection (a) in establishing and operating a diversion program.

(i) EVALUATIONS.—The programs described in subsection (a) shall be evaluated not less than one time in every 12-month period using the methodology and outcome measures identified in the grant application.

(j) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$14,000,000 for each of fiscal years 2023 through 2027.

SEC. 520H. [290bb-39] PEER-SUPPORTED MENTAL HEALTH SERVICES.

(a) GRANTS AUTHORIZED.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall award grants to eligible entities to enable such entities to develop, expand, and enhance access to mental health peer-delivered services.

(b) USE OF FUNDS.—Grants awarded under subsection (a) shall be used to develop, expand, and enhance national, statewide, or community-focused programs, including virtual peer-support services and technology-related capabilities, including by—

(1) carrying out workforce development, recruitment, and retention activities, to train, recruit, and retain peer-support providers;

(2) building connections between mental health treatment programs, including between community organizations and peer-support networks, including virtual peer-support networks, and with other mental health support services;

(3) reducing stigma associated with mental health disorders;

(4) expanding and improving virtual peer mental health support services, including through the adoption of technologies and capabilities to expand access to virtual peer mental health support services, such as by acquiring equipment and software necessary to efficiently run virtual peer-support services; and

(5) conducting research on issues relating to mental illness and the impact peer-support has on resiliency, including identifying—

(A) the signs of mental illness;

(B) the resources available to individuals with mental illness and to their families; and

(C) the resources available to help support individuals living with mental illness.

(c) SPECIAL CONSIDERATION.—In carrying out this section, the Secretary shall give special consideration to the unique needs of rural areas.

(d) DEFINITION.—In this section, the term “eligible entity” means—

(1) a consumer-run nonprofit organization that—

(A) is principally governed by people living with a mental health condition; and

(B) mobilizes resources within and outside of the mental health community, which may include through peer-support networks, to increase the prevalence and quality of long-term wellness of individuals living with a mental health condition, including those with a co-occurring substance use disorder; or

(2) an Indian Tribe, Tribal organization, Urban Indian organization, or consortium of Tribes or Tribal organizations.

(e) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$13,000,000 for each of fiscal years 2023 through 2027.

SEC. 520H-1. [290bb-39a] BEST PRACTICES FOR BEHAVIORAL AND MENTAL HEALTH INTERVENTION TEAMS.

(a) IN GENERAL.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, and in consultation with the Secretary of Education, shall submit to the Health Education, Labor, and Pensions Committee of the Senate and the Energy and Commerce Committee of the House of Representatives a report that identifies best practices related to using behavioral and mental health intervention teams, which may be used to assist elementary schools, secondary schools, and institutions of higher education interested in voluntarily establishing and using such

teams to support students exhibiting behaviors interfering with learning at school or who are at risk of harm to self or others.

(b) ELEMENTS.—The report under subsection (a) shall assess evidence supporting such best practices and, as appropriate, include consideration of the following:

(1) How behavioral and mental health intervention teams might operate effectively from an evidence-based, objective perspective while protecting the constitutional and civil rights and privacy of individuals.

(2) The use of behavioral and mental health intervention teams—

(A) to identify and support students exhibiting behaviors interfering with learning or posing a risk of harm to self or others; and

(B) to implement evidence-based interventions to meet the behavioral and mental health needs of such students.

(3) How behavioral and mental health intervention teams can—

(A) access evidence-based professional development to support students described in paragraph (2)(A); and

(B) ensure that such teams—

(i) are composed of trained, diverse stakeholders with expertise in child and youth development, behavioral and mental health, and disability; and

(ii) use cross validation by a wide-range of individual perspectives on the team.

(4) How behavioral and mental health intervention teams can help mitigate inappropriate referral to mental health services or law enforcement by implementing evidence-based interventions that meet student needs.

(c) CONSULTATION.—In carrying out subsection (a), the Secretary shall consult with—

(1) the Secretary of Education;

(2) the Director of the National Threat Assessment Center of the United States Secret Service;

(3) the Attorney General;

(4) teachers (which shall include special education teachers), principals and other school leaders, school board members, behavioral and mental health professionals (including school-based mental health professionals), and parents of students;

(5) local law enforcement agencies and campus law enforcement administrators;

(6) privacy, disability, and civil rights experts; and

(7) other education and mental health professionals as the Secretary deems appropriate.

(d) PUBLICATION.—The Secretary shall publish the report under subsection (a) in an accessible format on the internet website of the Department of Health and Human Services.

(e) DEFINITIONS.—In this section:

(1) The term “behavioral and mental health intervention team” means a multidisciplinary team of trained individuals who—

(A) are trained to identify and assess the behavioral health needs of children and youth and who are responsible for identifying, supporting, and connecting students exhibiting behaviors interfering with learning at school, or who are at risk of harm to self or others, with appropriate behavioral health services; and

(B) develop and facilitate implementation of evidence-based interventions to—

(i) mitigate the threat of harm to self or others posed by a student described in subparagraph (A);

(ii) meet the mental and behavioral health needs of such students; and

(iii) support positive, safe, and supportive learning environments.

(2) The terms “elementary school”, “parent”, and “secondary school” have the meanings given to such terms in section 8101 of the Elementary and Secondary Education Act of 1965.

(3) The term “institution of higher education” has the meaning given to such term in section 102 of the Higher Education Act of 1965.

SEC. 520I. [290bb–40] GRANTS FOR THE INTEGRATED TREATMENT OF SERIOUS MENTAL ILLNESS AND CO-OCCURRING SUBSTANCE ABUSE.

(a) IN GENERAL.—The Secretary shall award grants, contracts, or cooperative agreements to States, political subdivisions of States, Indian tribes, tribal organizations, and private nonprofit organizations for the development or expansion of programs to provide integrated treatment services for individuals with a serious mental illness and a co-occurring substance abuse disorder.

(b) PRIORITY.—In awarding grants, contracts, and cooperative agreements under subsection (a), the Secretary shall give priority to applicants that emphasize the provision of services for individuals with a serious mental illness and a co-occurring substance abuse disorder who—

(1) have a history of interactions with law enforcement or the criminal justice system;

(2) have recently been released from incarceration;

(3) have a history of unsuccessful treatment in either an inpatient or outpatient setting;

(4) have never followed through with outpatient services despite repeated referrals; or

(5) are homeless.

(c) USE OF FUNDS.—A State, political subdivision of a State, Indian tribe, tribal organization, or private nonprofit organization that receives a grant, contract, or cooperative agreement under subsection (a) shall use funds received under such grant—

(1) to provide fully integrated services rather than serial or parallel services;

(2) to employ staff that are cross-trained in the diagnosis and treatment of both serious mental illness and substance abuse;

(3) to provide integrated mental health and substance abuse services at the same location;

(4) to provide services that are linguistically appropriate and culturally competent;

(5) to provide at least 10 programs for integrated treatment of both mental illness and substance abuse at sites that previously provided only mental health services or only substance abuse services; and

(6) to provide services in coordination with other existing public and private community programs.

(d) **CONDITION.**—The Secretary shall ensure that a State, political subdivision of a State, Indian tribe, tribal organization, or private nonprofit organization that receives a grant, contract, or cooperative agreement under subsection (a) maintains the level of effort necessary to sustain existing mental health and substance abuse programs for other populations served by mental health systems in the community.

(e) **DISTRIBUTION OF AWARDS.**—The Secretary shall ensure that grants, contracts, or cooperative agreements awarded under subsection (a) are equitably distributed among the geographical regions of the United States and between urban and rural populations.

(f) **DURATION.**—The Secretary shall award grants, contract, or cooperative agreements under this subsection for a period of not more than 5 years.

(g) **APPLICATION.**—A State, political subdivision of a State, Indian tribe, tribal organization, or private nonprofit organization that desires a grant, contract, or cooperative agreement under this subsection shall prepare and submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require. Such application shall include a plan for the rigorous evaluation of activities funded with an award under such subsection, including a process and outcomes evaluation.

(h) **EVALUATION.**—A State, political subdivision of a State, Indian tribe, tribal organization, or private nonprofit organization that receives a grant, contract, or cooperative agreement under this subsection shall prepare and submit a plan for the rigorous evaluation of the program funded under such grant, contract, or agreement, including both process and outcomes evaluation, and the submission of an evaluation at the end of the project period.

(i) **AUTHORIZATION OF APPROPRIATION.**—There is authorized to be appropriated to carry out this subsection \$40,000,000 for fiscal year 2001, and such sums as may be necessary for fiscal years 2002 through 2003.

SEC. 520J. [290bb-41] MENTAL HEALTH AWARENESS TRAINING GRANTS.

(a) **IN GENERAL.**—The Secretary shall award grants in accordance with the provisions of this section.

(b) **MENTAL HEALTH AWARENESS TRAINING GRANTS.**—

(1) **IN GENERAL.**—The Secretary shall award grants to States, political subdivisions of States, Indian Tribes, Tribal organizations, and nonprofit private entities to train teachers and other relevant school personnel to recognize symptoms of childhood and adolescent mental disorders, to refer family members to the appropriate mental health services if nec-

essary, to train emergency services personnel veterans, law enforcement, and other categories of individuals, as determined by the Secretary, to identify and appropriately respond to persons with a mental illness, and to provide education to such teachers and personnel regarding resources that are available in the community for individuals with a mental illness.

(2) EMERGENCY SERVICES PERSONNEL.—In this subsection, the term “emergency services personnel” includes paramedics, firefighters, and emergency medical technicians.

(3) DISTRIBUTION OF AWARDS.—The Secretary shall ensure that such grants awarded under this subsection are equitably distributed among the geographical regions of the United States and between urban and rural populations.

(4) APPLICATION.—A State, political subdivision of a State, Indian Tribe, Tribal organization, or nonprofit private entity that desires a grant under this subsection shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require, including a plan for the rigorous evaluation of activities that are carried out with funds received under a grant under this subsection.

(5) USE OF FUNDS.—A State, political subdivision of a State, Indian Tribe, Tribal organization, or nonprofit private entity receiving a grant under this subsection shall use funds from such grant for evidence-based programs that provide training and education in accordance with paragraph (1) on matters including—

(A) recognizing the signs and symptoms of mental illness;

(B)(i) resources available in the community for individuals with a mental illness and other relevant resources; or

(ii) safely de-escalating crisis situations involving individuals with a mental illness; and

(C) suicide intervention and prevention.

(6) EVALUATION.—A State, political subdivision of a State, Indian Tribe, Tribal organization, or nonprofit private entity that receives a grant under this subsection shall prepare and submit an evaluation to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require, including an evaluation of activities carried out with funds received under the grant under this subsection and a process and outcome evaluation.

(7) TECHNICAL ASSISTANCE.—The Secretary may provide technical assistance to grantees in carrying out this section, which may include assistance with—

(A) program evaluation and related activities, including related data collection and reporting;

(B) implementing and disseminating evidence-based practices and programs; and

(C) facilitating collaboration among grantees.

(8) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this subsection \$24,963,000 for each of fiscal years 2023 through 2027.

SEC. 520K. [290bb-42] IMPROVING UPTAKE AND PATIENT ACCESS TO INTEGRATED CARE SERVICES.

(a) **DEFINITIONS.**—In this section:

(1) **ELIGIBLE ENTITY.**—The term “eligible entity” means a State, or an appropriate State agency, in collaboration with—

(A) 1 or more qualified community programs as described in section 1913(b)(1); or

(B) 1 or more health centers (as defined in section 330(a)), rural health clinics (as defined in section 1861(aa) of the Social Security Act), or Federally qualified health centers (as defined in such section), or primary care practices serving adult or pediatric patients or both.

(2) **INTEGRATED CARE; BIDIRECTIONAL INTEGRATED CARE.**—

(A) The term “integrated care” means collaborative models, including the psychiatric collaborative care model and other evidence-based or evidence-informed models, or practices for coordinating and jointly delivering behavioral and physical health services, which may include practices that share the same space in the same facility.

(B) The term “bidirectional integrated care” means the integration of behavioral health care and specialty physical health care, and the integration of primary and physical health care within specialty behavioral health settings, including within primary health care settings.

(3) **PSYCHIATRIC COLLABORATIVE CARE MODEL.**—The term “psychiatric collaborative care model” means the evidence-based, integrated behavioral health service delivery method that includes—

(A) care directed by the primary care team;

(B) structured care management;

(C) regular assessments of clinical status using developmentally appropriate, validated tools; and

(D) modification of treatment as appropriate.

(4) **SPECIAL POPULATION.**—The term “special population” means—

(A) adults with a serious mental illness or adults who have co-occurring mental illness and physical health conditions or chronic disease;

(B) children and adolescents with a serious emotional disturbance who have a co-occurring physical health condition or chronic disease;

(C) individuals with a substance use disorder; or

(D) individuals with a mental illness who have a co-occurring substance use disorder.

(b) **GRANTS AND COOPERATIVE AGREEMENTS.**—

(1) **IN GENERAL.**—The Secretary may award grants and cooperative agreements to eligible entities to support the improvement of integrated care for physical and behavioral health care in accordance with paragraph (2).

(2) **USE OF FUNDS.**—A grant or cooperative agreement awarded under this section shall be used—

(A) to promote full integration and collaboration in clinical practices between physical and behavioral health care, including for special populations;

(B) to support the improvement of integrated care models for physical and behavioral health care to improve overall wellness and physical health status, including for special populations;

(C) to promote the implementation and improvement of bidirectional integrated care services provided at entities described in subsection (a)(1), including evidence-based or evidence-informed screening, assessment, diagnosis, prevention, treatment, and recovery services for mental and substance use disorders, and co-occurring physical health conditions and chronic diseases; and

(D) in the case of an eligible entity that is collaborating with a primary care practice, to support the implementation of evidence-based or evidence-informed integrated care models, including the psychiatric collaborative care model, including—

(i) by hiring staff;

(ii) by identifying and formalizing contractual relationships with other health care providers or other relevant entities offering care management and behavioral health consultation to facilitate the adoption of integrated care, including, as applicable, providers who will function as psychiatric consultants and behavioral health care managers in providing behavioral health integration services through the collaborative care model;

(iii) by purchasing or upgrading software and other resources, as applicable, needed to appropriately provide behavioral health integration, including resources needed to establish a patient registry and implement measurement-based care; and

(iv) for such other purposes as the Secretary determines to be applicable and appropriate.

(c) APPLICATIONS.—

(1) IN GENERAL.—An eligible entity that is seeking a grant or cooperative agreement under this section shall submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may require, including the contents described in paragraph (2).

(2) CONTENTS FOR AWARDS.—Any such application of an eligible entity seeking a grant or cooperative agreement under this section shall include, as applicable—

(A) a description of a plan to achieve fully collaborative agreements to provide bidirectional integrated care to special populations;

(B) a summary of the policies, if any, that are barriers to the provision of integrated care, and the specific steps, if applicable, that will be taken to address such barriers;

(C) a description of partnerships or other arrangements with local health care providers to provide services to special populations and, as applicable, in areas with demonstrated need, such as Tribal, rural, or other medically underserved communities, such as those with a workforce shortage of mental health and substance use dis-

order, pediatric mental health, or other related professionals;

(D) an agreement and plan to report to the Secretary performance measures necessary to evaluate patient outcomes and facilitate evaluations across participating projects; and

(E) a description of the plan or progress in implementing the psychiatric collaborative care model, as applicable and appropriate;

(F) a description of the plan or progress of evidence-based or evidence-informed integrated care models other than the psychiatric collaborative care model implemented by primary care practices, as applicable and appropriate; and

(G) a plan for sustainability beyond the grant or cooperative agreement period under subsection (e).

(d) GRANT AND COOPERATIVE AGREEMENT AMOUNTS.—

(1) TARGET AMOUNT.—The target amount that an eligible entity may receive for a year through a grant or cooperative agreement under this section shall be no more than \$2,000,000.

(2) ADJUSTMENT PERMITTED.—The Secretary, taking into consideration the quality of an eligible entity's application and the number of eligible entities that received grants under this section prior to the date of enactment of the Restoring Hope for Mental Health and Well-Being Act of 2022, may adjust the target amount that an eligible entity may receive for a year through a grant or cooperative agreement under this section.

(3) LIMITATION.—An eligible entity that is receiving funding under subsection (b)—

(A) may not allocate more than 10 percent of the funds awarded to such eligible entity under this section to administrative functions; and

(B) shall allocate the remainder of such funding to health facilities that provide integrated care.

(e) DURATION.—A grant or cooperative agreement under this section shall be for a period not to exceed 5 years.

(f) REPORT ON PROGRAM OUTCOMES.—An eligible entity receiving a grant or cooperative agreement under this section shall submit an annual report to the Secretary. Such annual report shall include—

(1) the progress made to reduce barriers to integrated care as described in the entity's application under subsection (c);

(2) a description of outcomes with respect to each special population listed in subsection (a)(4), including outcomes related to education, employment, and housing, or, as applicable and appropriate, outcomes for such populations receiving behavioral health care through the psychiatric collaborative care model in primary care practices; and

(3) progress in meeting performance metrics and other relevant benchmarks; and

(4) such other information that the Secretary may require.

(g) TECHNICAL ASSISTANCE FOR PRIMARY-BEHAVIORAL HEALTH CARE INTEGRATION.—

(1) CERTAIN RECIPIENTS.—The Secretary may provide appropriate information, training, and technical assistance to eligible entities that receive a grant or cooperative agreement under subsection (b)(2), in order to help such entities meet the requirements of this section, including assistance with—

(A) development and selection of integrated care models;

(B) dissemination of evidence-based interventions in integrated care;

(C) establishment of organizational practices to support operational and administrative success; and

(D) as appropriate, appropriate information, training, and technical assistance in implementing the psychiatric collaborative care model when an eligible entity is collaborating with 1 or more primary care practices for the purposes of implementing the psychiatric collaborative care model.

(2) ADDITIONAL DISSEMINATION OF TECHNICAL INFORMATION.—In addition to providing the assistance described in paragraph (1) to recipients of a grant or cooperative agreement under this section, the Secretary may also provide such assistance to other States and political subdivisions of States, Indian Tribes and Tribal organizations, as those terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act, outpatient mental health and addiction treatment centers, community mental health centers that meet the criteria under section 1913(c), certified community behavioral health clinics described in section 223 of the Protecting Access to Medicare Act of 2014, primary care organizations such as Federally qualified health centers or rural health clinics as defined in section 1861(aa) of the Social Security Act, primary health care practices, the community-based organizations, and other entities engaging in integrated care activities, as the Secretary determines appropriate.

(h) REPORT TO CONGRESS.—Not later than 18 months after the date of enactment of the Restoring Hope for Mental Health and Well-Being Act of 2022, and annually thereafter, the Secretary shall submit a report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives summarizing the information submitted in reports to the Secretary under subsection (f), including progress made in meeting performance metrics and the uptake of integrated care models, any adjustments made to target amounts pursuant to subsection (d)(2), and any other relevant information.

(i) FUNDING.—

(1) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there is authorized to be appropriated \$60,000,000 for each of fiscal years 2023 through 2027.

(2) INCREASING UPTAKE OF THE PSYCHIATRIC COLLABORATIVE CARE MODEL BY PRIMARY CARE PRACTICES.—Not less than 10 percent of funds appropriated to carry out this section shall be for the purposes of implementing the psychiatric col-

laborative care model implemented by primary care practices under subsection (b).

(3) **FUNDING CONTINGENCY.**—Paragraph (2) shall not apply to a fiscal year unless the amount made available to carry out this section for such fiscal year exceeds the amount appropriated to carry out this section (as in effect before the date of enactment of the Restoring Hope for Mental Health and Well-Being Act of 2022) for fiscal year 2022.

SEC. 520L. [290bb–43] ADULT SUICIDE PREVENTION.

(a) **GRANTS.**—

(1) **IN GENERAL.**—The Assistant Secretary shall award grants to eligible entities described in paragraph (2) to implement suicide prevention and intervention programs, for adult individuals, that are designed to raise awareness of suicide prevention, establish referral processes, and improve care and outcomes for such individuals who are at risk of suicide.

(2) **ELIGIBLE ENTITIES.**—To be eligible to receive a grant under this section, an entity shall be a community-based primary care or behavioral health care setting, an emergency department, a State mental health agency (or State health agency with mental or behavioral health functions), public health agency, a territory of the United States, or an Indian Tribe or Tribal organization (as the terms “Indian Tribe” and “Tribal organization” are defined in section 4 of the Indian Self-Determination and Education Assistance Act).

(3) **USE OF FUNDS.**—The grants awarded under paragraph (1) shall be used to implement programs, in accordance with such paragraph, that include one or more of the following components:

(A) Screening for suicide risk, suicide intervention services, and services for referral for treatment for individuals at risk for suicide.

(B) Implementing evidence-based practices to provide treatment for individuals at risk for suicide, including appropriate followup services.

(C) Raising awareness of suicide prevention resources and promoting help seeking among those at risk for suicide.

(b) **EVALUATIONS AND TECHNICAL ASSISTANCE.**—The Assistant Secretary shall—

(1) evaluate the activities supported by grants awarded under subsection (a), and disseminate, as appropriate, the findings from the evaluation;

(2) provide appropriate information, training, and technical assistance, as appropriate, to eligible entities that receive a grant under this section, in order to help such entities to meet the requirements of this section, including assistance with selection and implementation of evidence-based interventions and frameworks to prevent suicide; and

(3) identify best practices, as applicable, to improve the identification, assessment, treatment, and timely transition, as appropriate, to additional or follow-up care for individuals in emergency departments who are at risk for suicide and en-

hance the coordination of care for such individuals during and after discharge, in support of activities under subsection (a).

(c) DURATION.—A grant under this section shall be for a period of not more than 5 years.

(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$30,000,000 for each of fiscal years 2023 through 2027.

SEC. 520M. [290bb-44] ASSERTIVE COMMUNITY TREATMENT GRANT PROGRAM.

(a) IN GENERAL.—The Assistant Secretary shall award grants to eligible entities—

(1) to establish assertive community treatment programs for adults with a serious mental illness; or

(2) to maintain or expand such programs.

(b) ELIGIBLE ENTITIES.—To be eligible to receive a grant under this section, an entity shall be a State, political subdivision of a State, Indian Tribe or Tribal organization (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act), mental health system, health care facility, or any other entity the Assistant Secretary deems appropriate.

(c) SPECIAL CONSIDERATION.—In selecting among applicants for a grant under this section, the Assistant Secretary may give special consideration to the potential of the applicant's program to reduce hospitalization, homelessness, and involvement with the criminal justice system while improving the health and social outcomes of the patient.

(d) ADDITIONAL ACTIVITIES.—The Assistant Secretary shall—

(1) not later than the end of fiscal year 2026, submit a report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives on the grant program under this section, including an evaluation of—

(A) any cost savings and public health outcomes such as mortality, suicide, substance use disorders, hospitalization, and use of services;

(B) rates of involvement with the criminal justice system of patients;

(C) rates of homelessness among patients; and

(D) patient and family satisfaction with program participation; and

(2) provide appropriate information, training, and technical assistance to grant recipients under this section to help such recipients to establish, maintain, or expand their assertive community treatment programs.

(e) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—To carry out this section, there is authorized to be appropriated \$9,000,000 for each of fiscal years 2023 through 2027.

(2) USE OF CERTAIN FUNDS.—Of the funds appropriated to carry out this section in any fiscal year, not more than 5 percent shall be available to the Assistant Secretary for carrying out subsection (d).

SEC. 520N. [290bb-45] CENTER OF EXCELLENCE FOR EATING DISORDERS FOR EDUCATION AND TRAINING ON EATING DISORDERS.

(a) **IN GENERAL.**—The Secretary, acting through the Assistant Secretary, shall maintain, by competitive grant or contract, a Center of Excellence for Eating Disorders (referred to in this section as the “Center”) to improve the identification of, interventions for, and treatment of eating disorders in a manner that is developmentally, culturally, and linguistically appropriate.

(b) **SUBGRANTS AND SUBCONTRACTS.**—The Center shall coordinate and implement the activities under subsection (c), in whole or in part, which may include by awarding competitive subgrants or subcontracts—

- (1) across geographical regions; and
- (2) in a manner that is not duplicative.

(c) **ACTIVITIES.**—The Center—

(1) shall—

(A) provide training and technical assistance, including for—

(i) primary care and mental health providers to carry out screening, brief intervention, and referral to treatment for individuals experiencing, or at risk for, eating disorders; and

(ii) other paraprofessionals and relevant individuals providing nonclinical community services to identify and support individuals with, or at disproportionate risk for, eating disorders;

(B) facilitate the development of, and provide training materials to, health care providers (including primary care and mental health professionals) regarding the effective treatment and ongoing support of individuals with eating disorders, including children and marginalized populations at disproportionate risk for eating disorders;

(C) collaborate and coordinate, as appropriate, with other centers of excellence, technical assistance centers, and psychiatric consultation lines of the Substance Abuse and Mental Health Services Administration and the Health Resources and Services Administration regarding eating disorders;

(D) coordinate with the Director of the Centers for Disease Control and Prevention and the Administrator of the Health Resources and Services Administration, and other Federal agencies, as appropriate, to disseminate training to primary care and mental health care providers; and

(E) support other activities, as determined appropriate by the Secretary; and

(2) may—

(A) support the integration of protocols pertaining to screening, brief intervention, and referral to treatment for individuals experiencing, or at risk for, eating disorders, with health information technology systems;

(B) develop and provide training materials to health care providers, including primary care and mental health providers, to provide screening, brief intervention, and re-

ferral to treatment for members of the military and veterans experiencing, or at risk for, eating disorders; and

(C) consult, as appropriate, with the Secretary of Defense and the Secretary of Veterans Affairs on prevention, identification, intervention for, and treatment of eating disorders.

(d) **AUTHORIZATION OF APPROPRIATIONS.**—To carry out this section, there is authorized to be appropriated \$1,000,000 for each of fiscal years 2023 through 2027.

PART C—PROJECTS FOR ASSISTANCE IN TRANSITION FROM HOMELESSNESS

SEC. 521. [290cc-21] FORMULA GRANTS TO STATES.

For the purpose of carrying out section 522, the Secretary, acting through the Director of the Center for Mental Health Services, shall for each of the fiscal years 2023 through 2027 make an allotment for each State in an amount determined in accordance with section 524. The Secretary shall make payments, as grants, each such fiscal year to each State from the allotment for the State if the Secretary approves for the fiscal year involved an application submitted by the State pursuant to section 529.

SEC. 522. [290cc-22] PURPOSE OF GRANTS.

(a) **IN GENERAL.**—The Secretary may not make payments under section 521 unless the State involved agrees that the payments will be expended solely for making grants to political subdivisions of the State, and to nonprofit private entities (including community-based veterans organizations and other community organizations), for the purpose of providing the services specified in subsection (b) to individuals who—

- (1)(A) are suffering from serious mental illness; or
- (B) are suffering from serious mental illness and from a substance use disorder; and
- (2) are homeless or at imminent risk of becoming homeless.

(b) **SPECIFICATION OF SERVICES.**—The services referred to in subsection (a) are—

- (1) outreach services;
- (2) screening and diagnostic treatment services;
- (3) habilitation and rehabilitation services;
- (4) community mental health services;
- (5) alcohol or drug treatment services;
- (6) staff training, including the training of individuals who work in shelters, mental health clinics, substance use disorder programs, and other sites where homeless individuals require services;
- (7) case management services, including—
 - (A) preparing a plan for the provision of community mental health services to the eligible homeless individual involved, and reviewing such plan not less than once every 3 months;
 - (B) providing assistance in obtaining and coordinating social and maintenance services for the eligible homeless individuals, including services relating to daily living ac-

tivities, personal financial planning, transportation services, and habilitation and rehabilitation services, prevocational and vocational services, and housing services;

(C) providing assistance to the eligible homeless individual in obtaining income support services, including housing assistance, supplemental nutrition assistance program benefits, and supplemental security income benefits;

(D) referring the eligible homeless individual for such other services as may be appropriate; and

(E) providing representative payee services in accordance with section 1631(a)(2) of the Social Security Act if the eligible homeless individual is receiving aid under title XVI of such act and if the applicant is designated by the Secretary to provide such services;

(8) supportive and supervisory services in residential settings;

(9) referrals for primary health services, job training, educational services, and relevant housing services;

(10) subject to subsection (h)(1)—

(A) minor renovation, expansion, and repair of housing;

(B) planning of housing;

(C) technical assistance in applying for housing assistance;

(D) improving the coordination of housing services;

(E) security deposits;

(F) the costs associated with matching eligible homeless individuals with appropriate housing situations; and

(G) 1-time rental payments to prevent eviction; and

(11) other appropriate services, as determined by the Secretary.

(c) **COORDINATION.**—The Secretary may not make payments under section 521 unless the State involved agrees to make grants pursuant to subsection (a) only to entities that have the capacity to provide, directly or through arrangements, the services specified in section 522(b), including coordinating the provision of services in order to meet the needs of eligible homeless individuals who are both mentally ill and suffering from a substance use disorder.

(d) **SPECIAL CONSIDERATION REGARDING VETERANS.**—The Secretary may not make payments under section 521 unless the State involved agrees that, in making grants to entities pursuant to subsection (a), the State will give special consideration to entities with a demonstrated effectiveness in serving homeless veterans.

(e) **SPECIAL RULES.**—The Secretary may not make payments under section 521 unless the State involved agrees that grants pursuant to subsection (a) will not be made to any entity that—

(1) has a policy of excluding individuals from mental health services due to the existence or suspicion of a substance use disorder; or

(2) has a policy of excluding individuals from substance use disorder services due to the existence or suspicion of mental illness.

(f) ADMINISTRATIVE EXPENSES.—The Secretary may not make payments under section 521 unless the State involved agrees that not more than 4 percent of the payments will be expended for administrative expenses regarding the payments.

(g) RESTRICTIONS ON USE OF FUNDS.—The Secretary may not make payments under section 521 unless the State involved agrees that—

(1) not more than 20 percent of the payments will be expended for housing services under subsection (b)(10); and

(2) the payments will not be expended—

(A) to support emergency shelters or construction of housing facilities;

(B) for inpatient psychiatric treatment costs or inpatient substance use disorder treatment costs; or

(C) to make cash payments to intended recipients of mental health or substance use disorder services.

(h) WAIVER FOR TERRITORIES.—With respect to the United States Virgin Islands, Guam, American Samoa, Palau, the Marshall Islands, and the Commonwealth of the Northern Mariana Islands, the Secretary may waive the provisions of this part that the Secretary determines to be appropriate.

SEC. 523. [290cc-23] REQUIREMENT OF MATCHING FUNDS.

(a) IN GENERAL.—The Secretary may not make payments under section 521 unless, with respect to the costs of providing services pursuant to section 522, the State involved agrees to make available, directly or through donations from public or private entities, non-Federal contributions toward such costs in an amount that is not less than \$1 for each \$3 of Federal funds provided in such payments.

(b) DETERMINATION OF AMOUNT.—Non-Federal contributions required in subsection (a) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, shall not be included in determining the amount of such non-Federal contributions.

(c) LIMITATION REGARDING GRANTS BY STATES.—The Secretary may not make payments under section 521 unless the State involved agrees that the State will not require the entities to which grants are provided pursuant to section 522(a) to provide non-Federal contributions in excess of the non-Federal contributions described in subsection (a).

SEC. 524. [290cc-24] DETERMINATION OF AMOUNT OF ALLOTMENT.

(a) MINIMUM ALLOTMENT.—The allotment for a State under section 521 for a fiscal year shall be the greater of—

(1) \$300,000 for each of the several States, the District of Columbia, and the Commonwealth of Puerto Rico, and \$50,000 for each of Guam, the Virgin Islands, American Samoa, and the Commonwealth of the Northern Mariana Islands; and

(2) an amount determined in accordance with subsection

(b).

(b) DETERMINATION UNDER FORMULA.—The amount referred to in subsection (a)(2) is the product of—

(1) an amount equal to the amount appropriated under section 535(a) for the fiscal year; and

(2) a percentage equal to the quotient of—

(A) an amount equal to the population living in urbanized areas of the State involved, as indicated by the most recent data collected by the Bureau of the Census; and

(B) an amount equal to the population living in urbanized areas of the United States, as indicated by the sum of the respective amounts determined for the States under subparagraph (A).

SEC. 525. [290cc-25] CONVERSION TO CATEGORICAL PROGRAM IN EVENT OF FAILURE OF STATE REGARDING EXPENDITURE OF GRANTS.

(a) **IN GENERAL.**—Subject to subsection (c), the Secretary shall, from the amounts specified in subsection (b), make grants to public and nonprofit private entities for the purpose of providing to eligible homeless individuals the services specified in section 522(b).

(b)¹³ **SPECIFICATION OF FUNDS.**—The amounts referred to in subsection (a) are any amounts made available in appropriations Acts for allotments under section 521 that are not paid to a State as a result of—

(A) the failure of the State to submit an application under section 529;

(B) the failure of the State, in the determination of the Secretary, to prepare the application in accordance with such section or to submit the application within a reasonable period of time; or

(C) the State informing the Secretary that the State does not intend to expend the full amount of the allotment made to the State.

(c) **REQUIREMENT OF PROVISION OF SERVICES IN STATE INVOLVED.**—With respect to grants under subsection (a), amounts made available under subsection (b) as a result of the State involved shall be available only for grants to provide services in such State.

SEC. 526. [290cc-26] PROVISION OF CERTAIN INFORMATION FROM STATE.

The Secretary may not make payments under section 521 to a State unless, as part of the application required in section 529, the State submits to the Secretary a statement—

(1) identifying existing programs providing services and housing to eligible homeless individuals and identify gaps in the delivery systems of such programs;

(2) containing a plan for providing services and housing to eligible homeless individuals, which plan—

(A) describes the coordinated and comprehensive means of providing services and housing to homeless individuals; and

¹³So in law. Subparagraphs (A) through (C) probably should be redesignated as paragraphs (1) through (3), respectively. See section 511 of Public Law 104-645 (104 Stat. 4729).

- (B) includes documentation that suitable housing for eligible homeless individuals will accompany the provision of services to such individuals;
- (3) describes the source of the non-Federal contributions described in section 523;
- (4) contains assurances that the non-Federal contributions described in section 523 will be available at the beginning of the grant period;
- (5) describe any voucher system that may be used to carry out this part; and
- (6) contain such other information or assurances as the Secretary may reasonably require.

SEC. 527. [290cc-27] DESCRIPTION OF INTENDED EXPENDITURES OF GRANT.

(a) IN GENERAL.—The Secretary may not make payments under section 521 unless—

- (1) as part of the application required in section 529, the State involved submits to the Secretary a description of the intended use for the fiscal year of the amounts for which the State is applying pursuant to such section;
- (2) such description identifies the geographic areas within the State in which the greatest numbers of homeless individuals with a need for mental health, substance use disorder, and housing services are located;
- (3) such description provides information relating to the programs and activities to be supported and services to be provided, including information relating to coordinating such programs and activities with any similar programs and activities of public and private entities; and
- (4) the State agrees that such description will be revised throughout the year as may be necessary to reflect substantial changes in the programs and activities assisted by the State pursuant to section 522.

(b) OPPORTUNITY FOR PUBLIC COMMENT.—The Secretary may not make payments under section 521 unless the State involved agrees that, in developing and carrying out the description required in subsection (a), the State will provide public notice with respect to the description (including any revisions) and such opportunities as may be necessary to provide interested persons, such as family members, consumers, and mental health, substance use disorder, and housing agencies, an opportunity to present comments and recommendations with respect to the description.

(c) RELATIONSHIP TO STATE COMPREHENSIVE MENTAL HEALTH SERVICES PLAN.—

- (1) IN GENERAL.—The Secretary may not make payments under section 521 unless the services to be provided pursuant to the description required in subsection (a) are consistent with the State comprehensive mental health services plan required in subpart 2 of part B of title XIX.

(2) SPECIAL RULE.—The Secretary may not make payments under section 521 unless the services to be provided pursuant to the description required in subsection (a) have been considered in the preparation of, have been included in, and are con-

sistent with, the State comprehensive mental health services plan referred to in paragraph (1).

SEC. 528. [290cc-28] REQUIREMENT OF REPORTS BY STATES.

(a) IN GENERAL.—The Secretary may not make payments under section 521 unless the State involved agrees that, by not later than January 31 of each fiscal year, the State will prepare and submit to the Secretary a report in such form and containing such information as the Secretary determines (after consultation with the Assistant Secretary for Mental Health and Substance Use) to be necessary for—

(1) securing a record and a description of the purposes for which amounts received under section 521 were expended during the preceding fiscal year and of the recipients of such amounts; and

(2) determining whether such amounts were expended in accordance with the provisions of this part.

(b) AVAILABILITY TO PUBLIC OF REPORTS.—The Secretary may not make payments under section 521 unless the State involved agrees to make copies of the reports described in subsection (a) available for public inspection.

(c) EVALUATIONS BY COMPTROLLER GENERAL.—The Assistant Secretary for Mental Health and Substance Use shall evaluate at least once every 3 years the expenditures of grants under this part by eligible entities in order to ensure that expenditures are consistent with the provisions of this part, and shall include in such evaluation recommendations regarding changes needed in program design or operations.

SEC. 529. [290cc-29] REQUIREMENT OF APPLICATION.

The Secretary may not make payments under section 521 unless the State involved—

(1) submits to the Secretary an application for the payments containing agreements and information in accordance with this part;

(2) the agreements are made through certification from the chief executive officer of the State; and

(3) the application otherwise is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this part.

SEC. 530. [290cc-30] TECHNICAL ASSISTANCE.

The Secretary, acting through the Assistant Secretary, shall provide technical assistance to eligible entities in developing planning and operating programs in accordance with the provisions of this part.

SEC. 531. [290cc-31] FAILURE TO COMPLY WITH AGREEMENTS.

(a) REPAYMENT OF PAYMENTS.—

(1) The Secretary may, subject to subsection (c), require a State to repay any payments received by the State under section 521 that the Secretary determines were not expended by the State in accordance with the agreements required to be contained in the application submitted by the State pursuant to section 529.

(2) If a State fails to make a repayment required in paragraph (1), the Secretary may offset the amount of the repayment against the amount of any payment due to be paid to the State under section 521.

(b) WITHHOLDING OF PAYMENTS.—

(1) The Secretary may, subject to subsection (c), withhold payments due under section 521 if the Secretary determines that the State involved is not expending amounts received under such section in accordance with the agreements required to be contained in the application submitted by the State pursuant to section 529.

(2) The Secretary shall cease withholding payments from a State under paragraph (1) if the Secretary determines that there are reasonable assurances that the State will expend amounts received under section 521 in accordance with the agreements referred to in such paragraph.

(3) The Secretary may not withhold funds under paragraph (1) from a State for a minor failure to comply with the agreements referred to in such paragraph.

(c) OPPORTUNITY FOR HEARING.—Before requiring repayment of payments under subsection (a)(1), or withholding payments under subsection (b)(1), the Secretary shall provide to the State an opportunity for a hearing.

(d) RULE OF CONSTRUCTION.—Notwithstanding any other provision of this part, a State receiving payments under section 521 may not, with respect to any agreements required to be contained in the application submitted under section 529, be considered to be in violation of any such agreements by reason of the fact that the State, in the regular course of providing services under section 522(b) to eligible homeless individuals, incidentally provides services to homeless individuals who are not eligible homeless individuals.

SEC. 532. [290cc-32] PROHIBITION AGAINST CERTAIN FALSE STATEMENTS.

(a) IN GENERAL.—

(1) A person may not knowingly make or cause to be made any false statement or representation of a material fact in connection with the furnishing of items or services for which amounts may be paid by a State from payments received by the State under section 521.

(2) A person with knowledge of the occurrence of any event affecting the right of the person to receive any amounts from payments made to the State under section 521 may not conceal or fail to disclose any such event with the intent of securing such an amount that the person is not authorized to receive or securing such an amount in an amount greater than the amount the person is authorized to receive.

(b) CRIMINAL PENALTY FOR VIOLATION OF PROHIBITION.—Any person who violates a prohibition established in subsection (a) may for each violation be fined in accordance with title 18, United States Code, or imprisoned for not more than 5 years, or both.

SEC. 533. [290cc-33] NONDISCRIMINATION.

(a) IN GENERAL.—

(1) **RULE OF CONSTRUCTION REGARDING CERTAIN CIVIL RIGHTS LAWS.**—For the purpose of applying the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975, on the basis of handicap under section 504 of the Rehabilitation Act of 1973, on the basis of sex under title IX of the Education Amendments of 1972, or on the basis of race, color, or national origin under title VI of the Civil Rights Act of 1964, programs and activities funded in whole or in part with funds made available under section 521 shall be considered to be programs and activities receiving Federal financial assistance.

(2) **PROHIBITION.**—No person shall on the ground of sex or religion be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with funds made available under section 521.

(b) **ENFORCEMENT.**—

(1) **REFERRALS TO ATTORNEY GENERAL AFTER NOTICE.**—Whenever the Secretary finds that a State, or an entity that has received a payment pursuant to section 521, has failed to comply with a provision of law referred to in subsection (a)(1), with subsection (a)(2), or with an applicable regulation (including one prescribed to carry out subsection (a)(2)), the Secretary shall notify the chief executive officer of the State and shall request the chief executive officer to secure compliance. If within a reasonable period of time, not to exceed 60 days, the chief executive officer fails or refuses to secure compliance, the Secretary may—

(A) refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;

(B) exercise the powers and functions provided by the Age Discrimination Act of 1975, section 504 of the Rehabilitation Act of 1973, title IX of the Education Amendments of 1972, or title VI of the Civil Rights Act of 1964, as may be applicable; or

(C) take such other actions as may be authorized by law.

(2) **AUTHORITY OF ATTORNEY GENERAL.**—When a matter is referred to the Attorney General pursuant to paragraph (1)(A), or whenever the Attorney General has reason to believe that a State or an entity is engaged in a pattern or practice in violation of a provision of law referred to in subsection (a)(1) or in violation of subsection (a)(2), the Attorney General may bring a civil action in any appropriate district court of the United States for such relief as may be appropriate, including injunctive relief.

SEC. 534. [290cc-34] DEFINITIONS.

For purposes of this part:

(1) **ELIGIBLE HOMELESS INDIVIDUAL.**—The term “eligible homeless individual” means an individual described in section 522(a).

(2) HOMELESS INDIVIDUAL.—The term “homeless individual” has the meaning given such term in section 330(h)(5).

(3) STATE.—The term “State” means each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(4) SUBSTANCE USE DISORDER SERVICES.—The term “substance use disorder services” has the meaning given the term “substance abuse services” in section 330(h)(5)(C).

SEC. 535. [290cc-35] FUNDING.

(a) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this part, there is authorized to be appropriated \$64,635,000 for each of fiscal years 2023 through 2027.

(b) EFFECT OF INSUFFICIENT APPROPRIATIONS FOR MINIMUM ALLOTMENTS.—

(1) IN GENERAL.—If the amounts made available under subsection (a) for a fiscal year are insufficient for providing each State with an allotment under section 521 of not less than the applicable amount under section 524(a)(1), the Secretary shall, from such amounts as are made available under such subsection, make grants to the States for providing to eligible homeless individuals the services specified in section 522(b).

(2) RULE OF CONSTRUCTION.—Paragraph (1) may not be construed to require the Secretary to make a grant under such paragraph to each State.

PART D—MISCELLANEOUS PROVISIONS RELATING TO SUBSTANCE ABUSE AND MENTAL HEALTH

SEC. 541. [290dd] SUBSTANCE ABUSE AMONG GOVERNMENT AND OTHER EMPLOYEES.

(a) PROGRAMS AND SERVICES.—

(1) DEVELOPMENT.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall be responsible for fostering substance abuse prevention and treatment programs and services in State and local governments and in private industry.

(2) MODEL PROGRAMS.—

(A) IN GENERAL.—Consistent with the responsibilities described in paragraph (1), the Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall develop a variety of model programs suitable for replication on a cost-effective basis in different types of business concerns and State and local governmental entities.

(B) DISSEMINATION OF INFORMATION.—The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall disseminate information and materials relative to such model programs to the State agencies responsible for the administration of substance abuse prevention, treatment, and rehabilitation activities and shall, to the extent feasible provide technical assistance to such agencies as requested.

(b) DEPRIVATION OF EMPLOYMENT.—

(1) PROHIBITION.—No person may be denied or deprived of Federal civilian employment or a Federal professional or other license or right solely on the grounds of prior substance abuse.

(2) APPLICATION.—This subsection shall not apply to employment in—

(A) the Central Intelligence Agency;

(B) the Federal Bureau of Investigation;

(C) the National Security Agency;

(D) any other department or agency of the Federal Government designated for purposes of national security by the President; or

(E) in any position in any department or agency of the Federal Government, not referred to in subparagraphs (A) through (D), which position is determined pursuant to regulations prescribed by the head of such agency or department to be a sensitive position.

(3) REHABILITATION ACT.—The inapplicability of the prohibition described in paragraph (1) to the employment described in paragraph (2) shall not be construed to reflect on the applicability of the Rehabilitation Act of 1973 or other anti-discrimination laws to such employment.

(c) CONSTRUCTION.—This section shall not be construed to prohibit the dismissal from employment of a Federal civilian employee who cannot properly function in his employment.

SEC. 542. [290dd-1] ADMISSION OF SUBSTANCE ABUSERS TO PRIVATE AND PUBLIC HOSPITALS AND OUTPATIENT FACILITIES.

(a) NONDISCRIMINATION.—Substance abusers who are suffering from medical conditions shall not be discriminated against in admission or treatment, solely because of their substance abuse, by any private or public general hospital, or outpatient facility (as defined in section 1624(4)) which receives support in any form from any program supported in whole or in part by funds appropriated to any Federal department or agency.

(b) REGULATIONS.—

(1) IN GENERAL.—The Secretary shall issue regulations for the enforcement of the policy of subsection (a) with respect to the admission and treatment of substance abusers in hospitals and outpatient facilities which receive support of any kind from any program administered by the Secretary. Such regulations shall include procedures for determining (after opportunity for a hearing if requested) if a violation of subsection (a) has occurred, notification of failure to comply with such subsection, and opportunity for a violator to comply with such subsection. If the Secretary determines that a hospital or outpatient facility subject to such regulations has violated subsection (a) and such violation continues after an opportunity has been afforded for compliance, the Secretary may suspend or revoke, after opportunity for a hearing, all or part of any support of any kind received by such hospital from any program administered by the Secretary. The Secretary may consult with the officials responsible for the administration of any other Federal program from which such hospital or outpatient facility receives support of any kind, with respect to the sus-

pension or revocation of such other Federal support for such hospital or outpatient facility.

(2) DEPARTMENT OF VETERANS AFFAIRS.—The Secretary of Veterans Affairs, acting through the Under Secretary for Health, shall, to the maximum feasible extent consistent with their responsibilities under title 38, United States Code, prescribe regulations making applicable the regulations prescribed by the Secretary under paragraph (1) to the provision of hospital care, nursing home care, domiciliary care, and medical services under such title 38 to veterans suffering from substance abuse. In prescribing and implementing regulations pursuant to this paragraph, the Secretary shall, from time to time, consult with the Secretary of Health and Human Services in order to achieve the maximum possible coordination of the regulations, and the implementation thereof, which they each prescribe.

SEC. 543. [290dd-2] CONFIDENTIALITY OF RECORDS.

(a) REQUIREMENT.—Records of the identity, diagnosis, prognosis, or treatment of any patient which are maintained in connection with the performance of any program or activity relating to substance use disorder education, prevention, training, treatment, rehabilitation, or research, which is conducted, regulated, or directly or indirectly assisted by any department or agency of the United States shall, except as provided in subsection (e), be confidential and be disclosed only for the purposes and under the circumstances expressly authorized under subsection (b).

(b) PERMITTED DISCLOSURE.—

(1) CONSENT.—The following shall apply with respect to the contents of any record referred to in subsection (a):

(A) Such contents may be used or disclosed in accordance with the prior written consent of the patient with respect to whom such record is maintained.

(B) Once prior written consent of the patient has been obtained, such contents may be used or disclosed by a covered entity, business associate, or a program subject to this section for purposes of treatment, payment, and health care operations as permitted by the HIPAA regulations. Any information so disclosed may then be redisclosed in accordance with the HIPAA regulations. Section 13405(c) of the Health Information Technology and Clinical Health Act (42 U.S.C. 17935(c)) shall apply to all disclosures pursuant to subsection (b)(1) of this section.

(C) It shall be permissible for a patient's prior written consent to be given once for all such future uses or disclosures for purposes of treatment, payment, and health care operations, until such time as the patient revokes such consent in writing.

(D) Section 13405(a) of the Health Information Technology and Clinical Health Act (42 U.S.C. 17935(a)) shall apply to all disclosures pursuant to subsection (b)(1) of this section.

(2) METHOD FOR DISCLOSURE.—Whether or not the patient, with respect to whom any given record referred to in sub-

section (a) is maintained, gives written consent, the content of such record may be disclosed as follows:

(A) To medical personnel to the extent necessary to meet a bona fide medical emergency.

(B) To qualified personnel for the purpose of conducting scientific research, management audits, financial audits, or program evaluation, but such personnel may not identify, directly or indirectly, any individual patient in any report of such research, audit, or evaluation, or otherwise disclose patient identities in any manner.

(C) If authorized by an appropriate order of a court of competent jurisdiction granted after application showing good cause therefor, including the need to avert a substantial risk of death or serious bodily harm. In assessing good cause the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of such order, the court, in determining the extent to which any disclosure of all or any part of any record is necessary, shall impose appropriate safeguards against unauthorized disclosure.

(D) To a public health authority, so long as such content meets the standards established in section 164.514(b) of title 45, Code of Federal Regulations (or successor regulations) for creating de-identified information.

(c) **USE OF RECORDS IN CRIMINAL, CIVIL, OR ADMINISTRATIVE CONTEXTS.**—Except as otherwise authorized by a court order under subsection (b)(2)(C) or by the consent of the patient, a record referred to in subsection (a), or testimony relaying the information contained therein, may not be disclosed or used in any civil, criminal, administrative, or legislative proceedings conducted by any Federal, State, or local authority, against a patient, including with respect to the following activities:

(1) Such record or testimony shall not be entered into evidence in any criminal prosecution or civil action before a Federal or State court.

(2) Such record or testimony shall not form part of the record for decision or otherwise be taken into account in any proceeding before a Federal, State, or local agency.

(3) Such record or testimony shall not be used by any Federal, State, or local agency for a law enforcement purpose or to conduct any law enforcement investigation.

(4) Such record or testimony shall not be used in any application for a warrant.

(d) **APPLICATION.**—The prohibitions of this section continue to apply to records concerning any individual who has been a patient, irrespective of whether or when such individual ceases to be a patient.

(e) **NONAPPLICABILITY.**—The prohibitions of this section do not apply to any interchange of records—

(1) within the Uniformed Services or within those components of the Department of Veterans Affairs furnishing health care to veterans; or

(2) between such components and the Uniformed Services.

The prohibitions of this section do not apply to the reporting under State law of incidents of suspected child abuse and neglect to the appropriate State or local authorities.

(f) **PENALTIES.**—The provisions of sections 1176 and 1177 of the Social Security Act shall apply to a violation of this section to the extent and in the same manner as such provisions apply to a violation of part C of title XI of such Act. In applying the previous sentence—

(1) the reference to “this subsection” in subsection (a)(2) of such section 1176 shall be treated as a reference to “this subsection (including as applied pursuant to section 543(f) of the Public Health Service Act)”; and

(2) in subsection (b) of such section 1176—

(A) each reference to “a penalty imposed under subsection (a)” shall be treated as a reference to “a penalty imposed under subsection (a) (including as applied pursuant to section 543(f) of the Public Health Service Act)”; and

(B) each reference to “no damages obtained under subsection (d)” shall be treated as a reference to “no damages obtained under subsection (d) (including as applied pursuant to section 543(f) of the Public Health Service Act)”.

(g) **REGULATIONS.**—Except as provided in subsection (h), the Secretary shall prescribe regulations to carry out the purposes of this section. Such regulations may contain such definitions, and may provide for such safeguards and procedures, including procedures and criteria for the issuance and scope of orders under subsection (b)(2)(C), as in the judgment of the Secretary are necessary or proper to effectuate the purposes of this section, to prevent circumvention or evasion thereof, or to facilitate compliance therewith.

(h) **APPLICATION TO DEPARTMENT OF VETERANS AFFAIRS.**—The Secretary of Veterans Affairs, acting through the Chief Medical Director, shall, to the maximum feasible extent consistent with their responsibilities under title 38, United States Code, prescribe regulations making applicable the regulations prescribed by the Secretary of Health and Human Services under subsection (g) of this section to records maintained in connection with the provision of hospital care, nursing home care, domiciliary care, and medical services under such title 38 to veterans suffering from substance use disorder. In prescribing and implementing regulations pursuant to this subsection, the Secretary of Veterans Affairs shall, from time to time, consult with the Secretary of Health and Human Services in order to achieve the maximum possible coordination of the regulations, and the implementation thereof, which they each prescribe.

(i) **ANTIDISCRIMINATION.**—

(1) **IN GENERAL.**—No entity shall discriminate against an individual on the basis of information received by such entity pursuant to an inadvertent or intentional disclosure of records, or information contained in records, described in subsection (a) in—

(A) admission, access to, or treatment for health care;

(B) hiring, firing, or terms of employment, or receipt of worker’s compensation;

(C) the sale, rental, or continued rental of housing;

(D) access to Federal, State, or local courts; or

(E) access to, approval of, or maintenance of social services and benefits provided or funded by Federal, State, or local governments.

(2) RECIPIENTS OF FEDERAL FUNDS.—No recipient of Federal funds shall discriminate against an individual on the basis of information received by such recipient pursuant to an intentional or inadvertent disclosure of such records or information contained in records described in subsection (a) in affording access to the services provided with such funds.

(j) NOTIFICATION IN CASE OF BREACH.—The provisions of section 13402 of the HITECH Act (42 U.S.C. 17932) shall apply to a program or activity described in subsection (a), in case of a breach of records described in subsection (a), to the same extent and in the same manner as such provisions apply to a covered entity in the case of a breach of unsecured protected health information.

(k) DEFINITIONS.—For purposes of this section:

(1) BREACH.—The term “breach” has the meaning given such term for purposes of the HIPAA regulations.

(2) BUSINESS ASSOCIATE.—The term “business associate” has the meaning given such term for purposes of the HIPAA regulations.

(3) COVERED ENTITY.—The term “covered entity” has the meaning given such term for purposes of the HIPAA regulations.

(4) HEALTH CARE OPERATIONS.—The term “health care operations” has the meaning given such term for purposes of the HIPAA regulations.

(5) HIPAA REGULATIONS.—The term “HIPAA regulations” has the meaning given such term for purposes of parts 160 and 164 of title 45, Code of Federal Regulations.

(6) PAYMENT.—The term “payment” has the meaning given such term for purposes of the HIPAA regulations.

(7) PUBLIC HEALTH AUTHORITY.—The term “public health authority” has the meaning given such term for purposes of the HIPAA regulations.

(8) TREATMENT.—The term “treatment” has the meaning given such term for purposes of the HIPAA regulations.

(9)¹⁴ UNSECURED PROTECTED HEALTH INFORMATION.—The term “unprotected health information” has the meaning given such term for purposes of the HIPAA regulations.

SEC. 543A. [290dd-2a] PROMOTING ACCESS TO INFORMATION ON EVIDENCE-BASED PROGRAMS AND PRACTICES.

(a) IN GENERAL.—The Assistant Secretary shall, as appropriate, improve access to reliable and valid information on evidence-based programs and practices, including information on the strength of evidence associated with such programs and practices, related to mental and substance use disorders for States, local communities, nonprofit entities, and other stakeholders, by posting on the Internet website of the Administration information on evidence-

based programs and practices that have been reviewed by the Assistant Secretary in accordance with the requirements of this section.

(b) APPLICATIONS.—

(1) APPLICATION PERIOD.—In carrying out subsection (a), the Assistant Secretary may establish a period for the submission of applications for evidence-based programs and practices to be posted publicly in accordance with subsection (a).

(2) NOTICE.—In establishing the application period under paragraph (1), the Assistant Secretary shall provide for the public notice of such application period in the Federal Register. Such notice may solicit applications for evidence-based programs and practices to address gaps in information identified by the Assistant Secretary, the National Mental Health and Substance Use Policy Laboratory established under section 501A, or the Assistant Secretary for Planning and Evaluation, including pursuant to the evaluation and recommendations under section 6021 of the Helping Families in Mental Health Crisis Reform Act of 2016 or priorities identified in the strategic plan under section 501(l).

(c) REQUIREMENTS.—The Assistant Secretary may establish minimum requirements for the applications submitted under subsection (b), including applications related to the submission of research and evaluation.

(d) REVIEW AND RATING.—

(1) IN GENERAL.—The Assistant Secretary shall review applications prior to public posting in accordance with subsection (a), and may prioritize the review of applications for evidence-based programs and practices that are related to topics included in the notice provided under subsection (b)(2).

(2) SYSTEM.—In carrying out paragraph (1), the Assistant Secretary may utilize a rating and review system, which may include information on the strength of evidence associated with the evidence-based programs and practices and a rating of the methodological rigor of the research supporting the applications.

(3) PUBLIC ACCESS TO METRICS AND RATING.—The Assistant Secretary shall make the metrics used to evaluate applications under this section, and any resulting ratings of such applications, publicly available.

SEC. 544. [290dd–3] GRANTS FOR REDUCING OVERDOSE DEATHS.

(a) ESTABLISHMENT.—

(1) IN GENERAL.—The Secretary shall award grants to eligible entities to expand access to drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(2) ELIGIBLE ENTITY.—For purposes of this section, the term “eligible entity” means a State, Territory, locality, or Indian Tribe or Tribal organization (as those terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act).

(3) SUBGRANTS.—For the purposes for which a grant is awarded under this section, the eligible entity receiving the grant may award subgrants to a Federally qualified health center (as defined in section 1861(aa) of the Social Security Act), an opioid treatment program (as defined in section 8.2 of title 42, Code of Federal Regulations (or any successor regulations)), any practitioner dispensing narcotic drugs for the purpose of maintenance or detoxification treatment, or any non-profit organization that the Secretary deems appropriate, which may include Urban Indian organizations (as defined in section 4 of the Indian Health Care Improvement Act).

(4) PRESCRIBING.—For purposes of this section, the term “prescribing” means, with respect to a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, the practice of prescribing such drug or device—

(A) in conjunction with an opioid prescription for patients at an elevated risk of overdose, including patients prescribed both an opioid and a benzodiazepine;

(B) in conjunction with an opioid agonist approved under section 505 of the Federal Food, Drug, and Cosmetic Act for the treatment of opioid use disorder;

(C) to the caregiver or a close relative of patients at an elevated risk of overdose from opioids; or

(D) in other circumstances in which a provider identifies a patient is at an elevated risk for an intentional or unintentional overdose from heroin or prescription opioid therapies.

(b) APPLICATION.—To be eligible to receive a grant under this section, an eligible entity shall submit to the Secretary, in such form and manner as specified by the Secretary, an application that describes—

(1) the extent to which the area to which the entity will furnish services through use of the grant is experiencing significant morbidity and mortality caused by opioid abuse;

(2) the criteria that will be used to identify eligible patients to participate in such program; and

(3) a plan for sustaining the program after Federal support for the program has ended.

(c) USE OF FUNDS.—An eligible entity receiving a grant under this section may use amounts under the grant for any of the following activities, but may use not more than 20 percent of the grant funds for activities described in paragraphs (3) and (4):

(1) To establish a program for prescribing a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(2) To train and provide resources for health care providers and pharmacists on the prescribing of drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(3) To purchase drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, for distribution under the program described in paragraph (1).

(4) To offset the co-payments and other cost sharing associated with drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(5) To establish protocols to connect patients who have experienced an overdose with appropriate treatment, including overdose reversal medications, medication assisted treatment, and appropriate counseling and behavioral therapies.

(d) IMPROVING ACCESS TO OVERDOSE TREATMENT.—

(1) INFORMATION ON BEST PRACTICES.—

(A) HEALTH AND HUMAN SERVICES.—The Secretary of Health and Human Services may provide information to States, localities, Indian Tribes, Tribal organizations, and Urban Indian organizations on best practices for prescribing or co-prescribing a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, including for patients receiving chronic opioid therapy and patients being treated for opioid use disorders.

(B) DEFENSE.—The Secretary of Health and Human Services may, as appropriate, consult with the Secretary of Defense regarding the provision of information to prescribers within Department of Defense medical facilities on best practices for prescribing or co-prescribing a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, including for patients receiving chronic opioid therapy and patients being treated for opioid use disorders.

(C) VETERANS AFFAIRS.—The Secretary of Health and Human Services may, as appropriate, consult with the Secretary of Veterans Affairs regarding the provision of information to prescribers within Department of Veterans Affairs medical facilities on best practices for prescribing or co-prescribing a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, including for patients receiving chronic opioid therapy and patients being treated for opioid use disorders.

(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed as establishing or contributing to a medical standard of care.

(e) EVALUATIONS BY RECIPIENTS.—As a condition of receipt of a grant under this section, an eligible entity shall, for each year for which the grant is received, submit to the Secretary an evaluation

of activities funded by the grant which contains such information as the Secretary may reasonably require.

(f) **REPORTS BY THE SECRETARY.**—Not later than 5 years after the date on which the first grant under this section is awarded, the Secretary shall submit to the appropriate committees of the House of Representatives and of the Senate a report aggregating the information received from the grant recipients for such year under subsection (e) and evaluating the outcomes achieved by the programs funded by grants awarded under this section.

(g) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this section, \$5,000,000 for the period of fiscal years 2023 through 2027.

SEC. 545. [290ee] OPIOID OVERDOSE REVERSAL MEDICATION ACCESS, EDUCATION, AND CO-PRESCRIBING GRANT PROGRAMS.

(a) **GRANTS.**—The Secretary shall make grants to States, localities, Indian Tribes, and Tribal organizations (as those terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act) to—

(1) implement strategies that increase access to drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, as appropriate, pursuant to a standing order;

(2) encourage pharmacies to dispense opioid overdose reversal medication pursuant to a standing order;

(3) encourage health care providers to co-prescribe, as appropriate, drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose;

(4) develop or provide training materials that persons authorized to prescribe or dispense a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose may use to educate the public concerning—

(A) when and how to safely administer such drug or device; and

(B) steps to be taken after administering such drug or device; and

(5) educate the public concerning the availability of drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose without a person-specific prescription.

(b) **CERTAIN REQUIREMENT.**—A grant may be made under this section only if the State involved has authorized standing orders to be issued for drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(c) **PREFERENCE IN MAKING GRANTS.**—In making grants under this section, the Secretary may give preference to States that have a significantly higher rate of opioid overdoses than the national average, and that—

(1) have not implemented standing orders regarding drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose;

(2) authorize standing orders to be issued that permit community-based organizations, substance abuse programs, or other nonprofit entities to acquire, dispense, or administer drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose; or

(3) authorize standing orders to be issued that permit police, fire, or emergency medical services agencies to acquire and administer drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(d) GRANT TERMS.—

(1) NUMBER.—A State may not receive more than one grant under this section at a time.

(2) PERIOD.—A grant under this section shall be for a period of 5 years.

(3) LIMITATIONS.—A State may—

(A) use not more than 10 percent of a grant under this section for educating the public pursuant to subsection (a)(5); and

(B) use not less than 20 percent of a grant under this section to offset cost-sharing for distribution and dispensing of drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(e) APPLICATIONS.—To be eligible to receive a grant under this section, a State shall submit an application to the Secretary in such form and manner and containing such information as the Secretary may reasonably require, including detailed proposed expenditures of grant funds.

(f) REPORTING.—A State that receives a grant under this section shall, at least annually for the duration of the grant, submit a report to the Secretary evaluating the progress of the activities supported through the grant. Such reports shall include information on the number of pharmacies in the State that dispense a drug or device approved, cleared, or otherwise legally marketed under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose under a standing order, and other information as the Secretary determines appropriate to evaluate the use of grant funds.

(g) DEFINITIONS.—In this section the term “standing order” means a document prepared by a person authorized to prescribe medication that permits another person to acquire, dispense, or administer medication without a person-specific prescription.

(h) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—To carry out this section, there are authorized to be appropriated \$5,000,000 for the period of fiscal years 2023 through 2027.

(2) ADMINISTRATIVE COSTS.—Not more than 3 percent of the amounts made available to carry out this section may be used by the Secretary for administrative expenses of carrying out this section.

SEC. 546. [290ee-1] FIRST RESPONDER TRAINING.

(a) PROGRAM AUTHORIZED.—The Secretary shall make grants to States, local governmental entities, and Indian tribes and tribal organizations (as defined in section 4 of the Indian Self-Determination and Education Assistance Act) to allow first responders and members of other key community sectors to administer a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

(b) APPLICATION.—

(1) IN GENERAL.—An entity seeking a grant under this section shall submit an application to the Secretary—

(A) that meets the criteria under paragraph (2); and

(B) at such time, in such manner, and accompanied by such information as the Secretary may require.

(2) CRITERIA.—An entity, in submitting an application under paragraph (1), shall—

(A) describe the evidence-based methodology and outcome measurements that will be used to evaluate the program funded with a grant under this section, and specifically explain how such measurements will provide valid measures of the impact of the program;

(B) describe how the program could be broadly replicated if demonstrated to be effective;

(C) identify the governmental and community agencies with which the entity will coordinate to implement the program; and

(D) describe how the entity will ensure that law enforcement agencies will coordinate with their corresponding State substance abuse and mental health agencies to identify protocols and resources that are available to overdose victims and families, including information on treatment and recovery resources.

(c) USE OF FUNDS.—An entity shall use a grant received under this section to—

(1) make a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose available to be carried and administered by first responders and members of other key community sectors;

(2) train and provide resources for first responders and members of other key community sectors on carrying and administering a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose;

(3) establish processes, protocols, and mechanisms for referral to appropriate treatment, which may include an outreach coordinator or team to connect individuals receiving opioid overdose reversal drugs to followup services; and

(4) train and provide resources for first responders and members of other key community sectors on safety around fentanyl, carfentanil, and other dangerous licit and illicit drugs to protect themselves from exposure to such drugs and respond appropriately when exposure occurs.

(d) TECHNICAL ASSISTANCE GRANTS.—The Secretary shall make a grant for the purpose of providing technical assistance and training on the use of a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, mechanisms for referral to appropriate treatment, and safety around fentanyl, carfentanil, and other dangerous licit and illicit drugs.

(e) GEOGRAPHIC DISTRIBUTION.—In making grants under this section, the Secretary shall ensure that not less than 20 percent of grant funds are awarded to eligible entities that are not located in metropolitan statistical areas (as defined by the Office of Management and Budget). The Secretary shall take into account the unique needs of rural communities, including communities with an incidence of individuals with opioid use disorder that is above the national average and communities with a shortage of prevention and treatment services.

(f) EVALUATION.—The Secretary shall conduct an evaluation of grants made under this section to determine—

(1) the number of first responders and members of other key community sectors equipped with a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose;

(2) the number of opioid and heroin overdoses reversed by first responders and members of other key community sectors receiving training and supplies of a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose, through a grant received under this section;

(3) the number of responses to requests for services by the entity or subgrantee, to opioid and heroin overdose;

(4) the extent to which overdose victims and families receive information about treatment services and available data describing treatment admissions; and

(5) the number of first responders and members of other key community sectors trained on safety around fentanyl, carfentanil, and other dangerous licit and illicit drugs.

(g) OTHER KEY COMMUNITY SECTORS.—In this section, the term “other key community sectors” includes substance use disorder treatment providers, emergency medical services agencies, agencies and organizations working with prison and jail populations and offender reentry programs, health care providers, harm reduction groups, pharmacies, community health centers, tribal health facilities, and mental health providers.

(h) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there are authorized to be appropriated \$36,000,000 for each of fiscal years 2019 through 2023.

SEC. 547. [290ee-2] BUILDING COMMUNITIES OF RECOVERY.

(a) **DEFINITION.**—In this section, the term “recovery community organization” means an independent nonprofit organization that—

(1) mobilizes resources within and outside of the recovery community, which may include through a peer support network, to increase the prevalence and quality of long-term recovery from substance use disorders; and

(2) is wholly or principally governed by people in recovery for substance use disorders who reflect the community served.

(b) **GRANTS AUTHORIZED.**—The Secretary shall award grants to recovery community organizations to enable such organizations to develop, expand, and enhance recovery services.

(c) **FEDERAL SHARE.**—The Federal share of the costs of a program funded by a grant under this section may not exceed 85 percent.

(d) **USE OF FUNDS.**—Grants awarded under subsection (b)—

(1) shall be used to develop, expand, and enhance community and statewide recovery support services; and

(2) may be used to—

(A) build connections between recovery networks, including between recovery community organizations and peer support networks, and with other recovery support services, including—

(i) behavioral health providers;

(ii) primary care providers and physicians;

(iii) educational and vocational schools;

(iv) employers;

(v) housing services;

(vi) child welfare agencies; and

(vii) other recovery support services that facilitate recovery from substance use disorders, including non-clinical community services;

(B) reduce stigma associated with substance use disorders; and

(C) conduct outreach on issues relating to substance use disorders and recovery, including—

(i) identifying the signs of substance use disorder;

(ii) the resources available to individuals with substance use disorder and to families of an individual with a substance use disorder, including programs that mentor and provide support services to children;

(iii) the resources available to help support individuals in recovery; and

(iv) related medical outcomes of substance use disorders, the potential of acquiring an infection commonly associated with illicit drug use, and neonatal abstinence syndrome among infants exposed to opioids during pregnancy.

(e) **SPECIAL CONSIDERATION.**—In carrying out this section, the Secretary shall give special consideration to the unique needs of rural areas, including areas with an age-adjusted rate of drug overdose deaths that is above the national average and areas with a shortage of prevention and treatment services.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2019 through 2023.

SEC. 547A. [290ee–2a] PEER SUPPORT TECHNICAL ASSISTANCE CENTER.

(a) **ESTABLISHMENT.**—The Secretary, acting through the Assistant Secretary, shall establish or operate a National Peer-Run Training and Technical Assistance Center for Addiction Recovery Support (referred to in this section as the “Center”).

(b) **FUNCTIONS.**—The Center established under subsection (a) shall provide technical assistance and support to recovery community organizations and peer support networks, including such assistance and support related to—

- (1) training on identifying—
 - (A) signs of substance use disorder;
 - (B) resources to assist individuals with a substance use disorder, or resources for families of an individual with a substance use disorder; and
 - (C) best practices for the delivery of recovery support services;
- (2) the provision of translation services, interpretation, or other such services for clients with limited English speaking proficiency;
- (3) data collection to support research, including for translational research;
- (4) capacity building; and
- (5) evaluation and improvement, as necessary, of the effectiveness of such services provided by recovery community organizations.

(c) **BEST PRACTICES.**—The Center established under subsection (a) shall periodically issue best practices for use by recovery community organizations and peer support networks.

(d) **RECOVERY COMMUNITY ORGANIZATION.**—In this section, the term “recovery community organization” has the meaning given such term in section 547.

(e) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this section \$1,000,000 for each of fiscal years 2019 through 2023.

SEC. 548. [290ee–3] STATE DEMONSTRATION GRANTS FOR COMPREHENSIVE OPIOID ABUSE RESPONSE.

(a) **DEFINITIONS.**—In this section:

(1) **DISPENSER.**—The term “dispenser” has the meaning given the term in section 102 of the Controlled Substances Act (21 U.S.C. 802).

(2) **PRESCRIBER.**—The term “prescriber” means a dispenser who prescribes a controlled substance, or the agent of such a dispenser.

(3) **PRESCRIBER OF A SCHEDULE II, III, OR IV CONTROLLED SUBSTANCE.**—The term “prescriber of a schedule II, III, or IV controlled substance” does not include a prescriber of a schedule II, III, or IV controlled substance that dispenses the substance—

(A) for use on the premises on which the substance is dispensed;

(B) in a hospital emergency room, when the substance is in short supply;

(C) for a certified opioid treatment program; or

(D) in other situations as the Secretary may reasonably determine.

(4) SCHEDULE II, III, OR IV CONTROLLED SUBSTANCE.—The term “schedule II, III, or IV controlled substance” means a controlled substance that is listed on schedule II, schedule III, or schedule IV of section 202(c) of the Controlled Substances Act.

(b) GRANTS FOR COMPREHENSIVE OPIOID ABUSE RESPONSE.—

(1) IN GENERAL.—The Secretary shall award grants to States, and combinations of States, to implement an integrated opioid abuse response initiative.

(2) PURPOSES.—A State receiving a grant under this section shall establish a comprehensive response plan to opioid abuse, which may include—

(A) education efforts around opioid use, treatment, and addiction recovery, including education of residents, medical students, and physicians and other prescribers of schedule II, III, or IV controlled substances on relevant prescribing guidelines, the prescription drug monitoring program of the State described in subparagraph (B), and overdose prevention methods;

(B) establishing, maintaining, or improving a comprehensive prescription drug monitoring program to track dispensing of schedule II, III, or IV controlled substances, which may—

(i) provide for data sharing with other States; and

(ii) allow all individuals authorized by the State to write prescriptions for schedule II, III, or IV controlled substances to access the prescription drug monitoring program of the State;

(C) developing, implementing, or expanding prescription drug and opioid addiction treatment programs by—

(i) expanding the availability of treatment for prescription drug and opioid addiction, including medication-assisted treatment and behavioral health therapy, as appropriate;

(ii) developing, implementing, or expanding screening for individuals in treatment for prescription drug and opioid addiction for hepatitis C and HIV, and treating or referring those individuals if clinically appropriate; or

(iii) developing, implementing, or expanding recovery support services and programs at high schools or institutions of higher education;

(D) developing, implementing, and expanding efforts to prevent overdose death from opioid abuse or addiction to prescription medications and opioids; and

(E) advancing the education and awareness of the public, providers, patients, consumers, and other appropriate entities regarding the dangers of opioid abuse, safe dis-

posals of prescription medications, and detection of early warning signs of opioid use disorders.

(3) APPLICATION.—A State seeking a grant under this section shall submit to the Secretary an application in such form, and containing such information, as the Secretary may reasonably require.

(4) USE OF FUNDS.—A State that receives a grant under this section shall use the grant for the cost, including the cost for technical assistance, training, and administration expenses, of carrying out an integrated opioid abuse response initiative as outlined by the State's comprehensive response plan to opioid abuse established under paragraph (2).

(5) PRIORITY CONSIDERATIONS.—In awarding grants under this section, the Secretary shall, as appropriate, give priority to a State that—

(A)(i) provides civil liability protection for first responders, health professionals, and family members who have received appropriate training in administering a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose; and

(ii) submits to the Secretary a certification by the attorney general of the State that the attorney general has—

(I) reviewed any applicable civil liability protection law to determine the applicability of the law with respect to first responders, health care professionals, family members, and other individuals who—

(aa) have received appropriate training in administering a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose; and

(bb) may administer a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose; and

(II) concluded that the law described in subclause

(I) provides adequate civil liability protection applicable to such persons;

(B) has a process for enrollment in services and benefits necessary by criminal justice agencies to initiate or continue treatment in the community, under which an individual who is incarcerated may, while incarcerated, enroll in services and benefits that are necessary for the individual to continue treatment upon release from incarceration;

(C) ensures the capability of data sharing with other States, where applicable, such as by making data available to a prescription monitoring hub;

(D) ensures that data recorded in the prescription drug monitoring program database of the State are regularly updated, to the extent possible;

(E) ensures that the prescription drug monitoring program of the State notifies prescribers and dispensers of

schedule II, III, or IV controlled substances when overuse or misuse of such controlled substances by patients is suspected; and

(F) has in effect one or more statutes or implements policies that maximize use of prescription drug monitoring programs by individuals authorized by the State to prescribe schedule II, III, or IV controlled substances.

(6) EVALUATION.—In conducting an evaluation of the program under this section pursuant to section 701 of the Comprehensive Addiction and Recovery Act of 2016, with respect to a State, the Secretary shall report on State legislation or policies related to maximizing the use of prescription drug monitoring programs and the incidence of opioid use disorders and overdose deaths in such State.

(7) STATES WITH LOCAL PRESCRIPTION DRUG MONITORING PROGRAMS.—

(A) IN GENERAL.—In the case of a State that does not have a prescription drug monitoring program, a county or other unit of local government within the State that has a prescription drug monitoring program shall be treated as a State for purposes of this section, including for purposes of eligibility for grants under paragraph (1).

(B) PLAN FOR INTEROPERABILITY.—In submitting an application to the Secretary under paragraph (3), a county or other unit of local government shall submit a plan outlining the methods such county or unit of local government shall use to ensure the capability of data sharing with other counties and units of local government within the state and with other States, as applicable.

(c) AUTHORIZATION OF FUNDING.—For the purpose of carrying out this section, there are authorized to be appropriated \$5,000,000 for each of fiscal years 2017 through 2021.

SEC. 549. [290ee-4] MENTAL AND BEHAVIORAL HEALTH OUTREACH AND EDUCATION AT INSTITUTIONS OF HIGHER EDUCATION.

(a) PURPOSE.—It is the purpose of this section to increase access to, and reduce the stigma associated with, mental health services to ensure that students at institutions of higher education have the support necessary to successfully complete their studies.

(b) NATIONAL PUBLIC EDUCATION CAMPAIGN.—The Secretary, acting through the Assistant Secretary and in collaboration with the Director of the Centers for Disease Control and Prevention, shall convene an interagency, public-private sector working group to plan, establish, and begin coordinating and evaluating a targeted public education campaign that is designed to focus on mental and behavioral health on the campuses of institutions of higher education. Such campaign shall be designed to—

(1) improve the general understanding of mental health and mental disorders;

(2) encourage help-seeking behaviors relating to the promotion of mental health, prevention of mental disorders, and treatment of such disorders;

(3) make the connection between mental and behavioral health and academic success; and

(4) assist the general public in identifying the early warning signs and reducing the stigma of mental illness.

(c) COMPOSITION.—The working group convened under subsection (b) shall include—

(1) mental health consumers, including students and family members;

(2) representatives of institutions of higher education, including minority-serving institutions as described in section 371(a) of the Higher Education Act of 1965 (20 U.S.C. 1067q) and community colleges;

(3) representatives of national mental and behavioral health associations and associations of institutions of higher education;

(4) representatives of health promotion and prevention organizations at institutions of higher education;

(5) representatives of mental health providers, including community mental health centers; and

(6) representatives of private-sector and public-sector groups with experience in the development of effective public health education campaigns.

(d) PLAN.—The working group under subsection (b) shall develop a plan that—

(1) targets promotional and educational efforts to the age population of students at institutions of higher education and individuals who are employed in settings of institutions of higher education, including through the use of roundtables;

(2) develops and proposes the implementation of research-based public health messages and activities;

(3) provides support for local efforts to reduce stigma by using the National Health Information Center as a primary point of contact for information, publications, and service program referrals; and

(4) develops and proposes the implementation of a social marketing campaign that is targeted at the population of students attending institutions of higher education and individuals who are employed in settings of institutions of higher education.

(e) DEFINITION.—In this section, the term “institution of higher education” has the meaning given such term in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001).

(f) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there are authorized to be appropriated \$1,000,000 for the period of fiscal years 2023 through 2027.

SEC. 550. [290ee–5] NATIONAL RECOVERY HOUSING BEST PRACTICES.

(a) BEST PRACTICES FOR OPERATING RECOVERY HOUSING.—

(1) IN GENERAL.—The Secretary, in consultation with the individuals and entities specified in paragraph (2), shall continue activities to identify, facilitate the development of, and periodically update consensus-based best practices, which may include model laws for implementing suggested minimum standards for operating, and promoting the availability of, high-quality recovery housing.

(2) CONSULTATION.—In carrying out the activities described in paragraph (1), the Secretary shall consult with, as appropriate—

(A) officials representing the agencies described in subsection (e)(2);

(B) directors or commissioners, as applicable, of State health departments, Tribal health departments, State Medicaid programs, and State insurance agencies;

(C) representatives of health insurance issuers;

(D) national accrediting entities and reputable providers of, and analysts of, recovery housing services, including Indian Tribes, Tribal organizations, and Tribally designated housing entities that provide recovery housing services, as applicable;

(E) individuals with a history of substance use disorder; and

(F) other stakeholders identified by the Secretary.

(3) AVAILABILITY.—The best practices referred to in paragraph (1) shall be—

(A) made publicly available; and

(B) published on the public website of the Substance Abuse and Mental Health Services Administration.

(4) EXCLUSION OF GUIDELINE ON TREATMENT SERVICES.—In facilitating the development of best practices under paragraph (1), the Secretary may not include any best practices with respect to substance use disorder treatment services.

(b) IDENTIFICATION OF FRAUDULENT RECOVERY HOUSING OPERATORS.—

(1) IN GENERAL.—The Secretary, in consultation with the individuals and entities described in paragraph (2), shall identify or facilitate the development of common indicators that could be used to identify potentially fraudulent recovery housing operators.

(2) CONSULTATION.—In carrying out the activities described in paragraph (1), the Secretary shall consult with, as appropriate, the individuals and entities specified in subsection (a)(2) and the Attorney General of the United States.

(3) REQUIREMENTS.—

(A) PRACTICES FOR IDENTIFICATION AND REPORTING.—In carrying out the activities described in paragraph (1), the Secretary shall consider how law enforcement, public and private payers, and the public can best identify and report fraudulent recovery housing operators.

(B) FACTORS TO BE CONSIDERED.—In carrying out the activities described in paragraph (1), the Secretary shall identify or develop indicators, which may include indicators related to—

(i) unusual billing practices;

(ii) average lengths of stays;

(iii) excessive levels of drug testing (in terms of cost or frequency); and

(iv) unusually high levels of recidivism.

(c) DISSEMINATION.—The Secretary shall, as appropriate, disseminate the best practices identified or developed under sub-

section (a) and the common indicators identified or developed under subsection (b) to—

- (1) State agencies, which may include the provision of technical assistance to State agencies seeking to adopt or implement such best practices;
- (2) Indian Tribes, Tribal organizations, and tribally designated housing entities;
- (3) the Attorney General of the United States;
- (4) the Secretary of Labor;
- (5) the Secretary of Housing and Urban Development;
- (6) State and local law enforcement agencies;
- (7) health insurance issuers;
- (8) recovery housing entities; and
- (9) the public.

(d) REQUIREMENTS.—In carrying out the activities described in subsections (a) and (b), the Secretary, in consultation with appropriate individuals and entities described in subsections (a)(2) and (b)(2), shall consider how recovery housing is able to support recovery and prevent relapse, recidivism, or overdose (including overdose death), including by improving access and adherence to treatment, including medication-assisted treatment.

(e) COORDINATION OF FEDERAL ACTIVITIES TO PROMOTE THE AVAILABILITY OF HOUSING FOR INDIVIDUALS EXPERIENCING HOMELESSNESS, INDIVIDUALS WITH A MENTAL ILLNESS, AND INDIVIDUALS WITH A SUBSTANCE USE DISORDER.—

(1) IN GENERAL.—The Secretary, acting through the Assistant Secretary, and the Secretary of Housing and Urban Development shall convene an interagency working group for the following purposes:

(A) To increase collaboration, cooperation, and consultation among the Department of Health and Human Services, the Department of Housing and Urban Development, and the Federal agencies listed in paragraph (2)(B), with respect to promoting the availability of housing, including high-quality recovery housing, for individuals experiencing homelessness, individuals with mental illnesses, and individuals with substance use disorder.

(B) To align the efforts of such agencies and avoid duplication of such efforts by such agencies.

(C) To develop objectives, priorities, and a long-term plan for supporting State, Tribal, and local efforts with respect to the operation of high-quality recovery housing that is consistent with the best practices developed under this section.

(D) To improve information on the quality of recovery housing.

(2) COMPOSITION.—The interagency working group under paragraph (1) shall be composed of—

(A) the Secretary, acting through the Assistant Secretary, and the Secretary of Housing and Urban Development, who shall serve as the co-chairs; and

(B) representatives of each of the following Federal agencies:

- (i) The Centers for Medicare & Medicaid Services.

(ii) The Substance Abuse and Mental Health Services Administration.

(iii) The Health Resources and Services Administration.

(iv) The Office of the Inspector General of the Department of Health and Human Services.

(v) The Indian Health Service.

(vi) The Department of Agriculture.

(vii) The Department of Justice.

(viii) The Office of National Drug Control Policy.

(ix) The Bureau of Indian Affairs.

(x) The Department of Labor.

(xi) The Department of Veterans Affairs.

(xii) Any other Federal agency as the co-chairs determine appropriate.

(3) MEETINGS.—The working group shall meet on a quarterly basis.

(4) REPORTS TO CONGRESS.—Not later than 4 years after the date of the enactment of this section, the working group shall submit to the Committee on Health, Education, Labor, and Pensions, the Committee on Agriculture, Nutrition, and Forestry, and the Committee on Finance of the Senate and the Committee on Energy and Commerce, the Committee on Ways and Means, the Committee on Agriculture, and the Committee on Financial Services of the House of Representatives a report describing the work of the working group and any recommendations of the working group to improve Federal, State, and local coordination with respect to recovery housing and other housing resources and operations for individuals experiencing homelessness, individuals with a mental illness, and individuals with a substance use disorder.

(f) GRANTS FOR IMPLEMENTING NATIONAL RECOVERY HOUSING BEST PRACTICES.—

(1) IN GENERAL.—The Secretary shall award grants to States (and political subdivisions thereof), Indian Tribes, and territories—

(A) for the provision of technical assistance to implement the guidelines and recommendations developed under subsection (a); and

(B) to promote—

(i) the availability of recovery housing for individuals with a substance use disorder; and

(ii) the maintenance of recovery housing in accordance with best practices developed under this section.

(2) STATE PROMOTION PLANS.—Not later than 90 days after receipt of a grant under paragraph (1), and every 2 years thereafter, each State (or political subdivisions thereof,) Indian Tribe, or territory receiving a grant under paragraph (1) shall submit to the Secretary, and publish on a publicly accessible internet website of the State (or political subdivisions thereof), Indian Tribe, or territory—

(A) the plan of the State (or political subdivisions thereof), Indian Tribe, or territory, with respect to the promotion of recovery housing for individuals with a sub-

stance use disorder located within the jurisdiction of such State (or political subdivisions thereof), Indian Tribe, or territory; and

(B) a description of how such plan is consistent with the best practices developed under this section.

(g) **RULE OF CONSTRUCTION.**—Nothing in this section shall be construed to provide the Secretary with the authority to require States to adhere to minimum standards in the State oversight of recovery housing.

(h) **DEFINITIONS.**—In this section:

(1) The term “recovery housing” means a shared living environment free from alcohol and illicit drug use and centered on peer support and connection to services that promote sustained recovery from substance use disorders.

(2) The terms “Indian Tribe” and “Tribal organization” have the meanings given those terms in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304).

(3) The term “tribally designated housing entity” has the meaning given that term in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103).

(i) **AUTHORIZATION OF APPROPRIATIONS.**—To carry out this section, there is authorized to be appropriated \$5,000,000 for the period of fiscal years 2023 through 2027.

SEC. 550A. [290ee-10] SOBRIETY TREATMENT AND RECOVERY TEAMS.

(a) **IN GENERAL.**—The Secretary may make grants to States, units of local government, or tribal governments to establish or expand Sobriety Treatment And Recovery Team (referred to in this section as “START”) or other similar programs to determine the effectiveness of pairing social workers or mentors with families that are struggling with a substance use disorder and child abuse or neglect in order to help provide peer support, intensive treatment, and child welfare services to such families.

(b) **ALLOWABLE USES.**—A grant awarded under this section may be used for one or more of the following activities:

(1) Training eligible staff, including social workers, social services coordinators, child welfare specialists, substance use disorder treatment professionals, and mentors.

(2) Expanding access to substance use disorder treatment services and drug testing.

(3) Enhancing data sharing with law enforcement agencies, child welfare agencies, substance use disorder treatment providers, judges, and court personnel.

(4) Program evaluation and technical assistance.

(c) **PROGRAM REQUIREMENTS.**—A State, unit of local government, or tribal government receiving a grant under this section shall—

(1) serve only families for which—

(A) there is an open record with the child welfare agency; and

(B) substance use disorder was a reason for the record or finding described in paragraph (1); and

(2) coordinate any grants awarded under this section with any grant awarded under section 437(f) of the Social Security Act focused on improving outcomes for children affected by substance abuse.

(d) TECHNICAL ASSISTANCE.—The Secretary may reserve not more than 5 percent of funds provided under this section to provide technical assistance on the establishment or expansion of programs funded under this section from the National Center on Substance Abuse and Child Welfare.

SEC. 551. [290ee–6] REGIONAL CENTERS OF EXCELLENCE IN SUBSTANCE USE DISORDER EDUCATION.

(a) IN GENERAL.—The Secretary, in consultation with appropriate agencies, shall award cooperative agreements to eligible entities for the designation of such entities as Regional Centers of Excellence in Substance Use Disorder Education for purposes of improving health professional training resources with respect to substance use disorder prevention, treatment, and recovery.

(b) ELIGIBILITY.—To be eligible to receive a cooperative agreement under subsection (a), an entity shall—

(1) be an accredited entity that offers education to students in various health professions, which may include—

(A) a teaching hospital;

(B) a medical school;

(C) a certified behavioral health clinic; or

(D) any other health professions school, school of public health, or Cooperative Extension Program at institutions of higher education, as defined in section 101 of the Higher Education Act of 1965, engaged in the prevention, treatment, or recovery of substance use disorders;

(2) demonstrate community engagement and partnerships with community stakeholders, including entities that train health professionals, mental health counselors, social workers, peer recovery specialists, substance use treatment programs, community health centers, physician offices, certified behavioral health clinics, research institutions, and law enforcement; and

(3) submit to the Secretary an application containing such information, at such time, and in such manner, as the Secretary may require.

(c) ACTIVITIES.—An entity receiving an award under this section shall develop, evaluate, and distribute evidence-based resources regarding the prevention and treatment of, and recovery from, substance use disorders. Such resources may include information on—

(1) the neurology and pathology of substance use disorders;

(2) advancements in the treatment of substance use disorders;

(3) techniques and best practices to support recovery from substance use disorders;

(4) strategies for the prevention and treatment of, and recovery from substance use disorders across patient populations; and

(5) other topic areas that are relevant to the objectives described in subsection (a).

(d) **GEOGRAPHIC DISTRIBUTION.**—In awarding cooperative agreements under subsection (a), the Secretary shall take into account regional differences among eligible entities and shall make an effort to ensure geographic distribution.

(e) **EVALUATION.**—The Secretary shall evaluate each project carried out by an entity receiving an award under this section and shall disseminate the findings with respect to each such evaluation to appropriate public and private entities.

(f) **FUNDING.**—There is authorized to be appropriated to carry out this section, \$4,000,000 for each of fiscal years 2019 through 2023.

SEC. 552. [290ee-7] COMPREHENSIVE OPIOID RECOVERY CENTERS.

(a) **IN GENERAL.**—The Secretary shall award grants on a competitive basis to eligible entities to establish or operate a comprehensive opioid recovery center (referred to in this section as a “Center”). A Center may be a single entity or an integrated delivery network.

(b) **GRANT PERIOD.**—

(1) **IN GENERAL.**—A grant awarded under subsection (a) shall be for a period of not less than 3 years and not more than 5 years.

(2) **RENEWAL.**—A grant awarded under subsection (a) may be renewed, on a competitive basis, for additional periods of time, as determined by the Secretary. In determining whether to renew a grant under this paragraph, the Secretary shall consider the data submitted under subsection (h).

(c) **MINIMUM NUMBER OF CENTERS.**—The Secretary shall allocate the amounts made available under subsection (j) such that not fewer than 10 grants may be awarded. Not more than one grant shall be made to entities in a single State for any one period.

(d) **APPLICATION.**—

(1) **ELIGIBLE ENTITY.**—An entity is eligible for a grant under this section if the entity offers treatment and other services for individuals with a substance use disorder.

(2) **SUBMISSION OF APPLICATION.**—In order to be eligible for a grant under subsection (a), an entity shall submit an application to the Secretary at such time and in such manner as the Secretary may require. Such application shall include—

(A) evidence that such entity carries out, or is capable of coordinating with other entities to carry out, the activities described in subsection (g); and

(B) such other information as the Secretary may require.

(e) **PRIORITY.**—In awarding grants under subsection (a), the Secretary shall give priority to eligible entities—

(1) located in a State with an age-adjusted rate of drug overdose deaths that is above the national overdose mortality rate, as determined by the Director of the Centers for Disease Control and Prevention; or

(2) serving an Indian Tribe (as defined in section 4 of the Indian Self-Determination and Education Assistance Act) with an age-adjusted rate of drug overdose deaths that is above the national overdose mortality rate, as determined through appro-

priate mechanisms determined by the Secretary in consultation with Indian Tribes.

(f) PREFERENCE.—In awarding grants under subsection (a), the Secretary may give preference to eligible entities utilizing technology-enabled collaborative learning and capacity building models, including such models as defined in section 2 of the Expanding Capacity for Health Outcomes Act (Public Law 114–270; 130 Stat. 1395), to conduct the activities described in this section.

(g) CENTER ACTIVITIES.—Each Center shall, at a minimum, carry out the following activities directly, through referral, or through contractual arrangements, which may include carrying out such activities through technology-enabled collaborative learning and capacity building models described in subsection (f):

(1) TREATMENT AND RECOVERY SERVICES.—Each Center shall—

(A) Ensure that intake, evaluations, and periodic patient assessments meet the individualized clinical needs of patients, including by reviewing patient placement in treatment settings to support meaningful recovery.

(B) Provide the full continuum of treatment services, including—

(i) all drugs and devices approved or cleared under the Federal Food, Drug, and Cosmetic Act and all biological products licensed under section 351 of this Act to treat substance use disorders or reverse overdoses, pursuant to Federal and State law;

(ii) medically supervised withdrawal management, that includes patient evaluation, stabilization, and readiness for and entry into treatment;

(iii) counseling provided by a program counselor or other certified professional who is licensed and qualified by education, training, or experience to assess the psychological and sociological background of patients, to contribute to the appropriate treatment plan for the patient, and to monitor patient progress;

(iv) treatment, as appropriate, for patients with co-occurring substance use and mental disorders;

(v) testing, as appropriate, for infections commonly associated with illicit drug use;

(vi) residential rehabilitation, and outpatient and intensive outpatient programs;

(vii) recovery housing;

(viii) community-based and peer recovery support services;

(ix) job training, job placement assistance, and continuing education assistance to support reintegration into the workforce; and

(x) other best practices to provide the full continuum of treatment and services, as determined by the Secretary.

(C) Ensure that all programs covered by the Center include medication-assisted treatment, as appropriate, and do not exclude individuals receiving medication-assisted treatment from any service.

(D) Periodically conduct patient assessments to support sustained and clinically significant recovery, as defined by the Assistant Secretary for Mental Health and Substance Use.

(E) Provide onsite access to medication, as appropriate, and toxicology services; for purposes of carrying out this section.

(F) Operate a secure, confidential, and interoperable electronic health information system.

(G) Offer family support services such as child care, family counseling, and parenting interventions to help stabilize families impacted by substance use disorder, as appropriate.

(2) OUTREACH.—Each Center shall carry out outreach activities regarding the services offered through the Centers, which may include—

(A) training and supervising outreach staff, as appropriate, to work with State and local health departments, health care providers, the Indian Health Service, State and local educational agencies, schools funded by the Indian Bureau of Education, institutions of higher education, State and local workforce development boards, State and local community action agencies, public safety officials, first responders, Indian Tribes, child welfare agencies, as appropriate, and other community partners and the public, including patients, to identify and respond to community needs;

(B) ensuring that the entities described in subparagraph (A) are aware of the services of the Center; and

(C) disseminating and making publicly available, including through the internet, evidence-based resources that educate professionals and the public on opioid use disorder and other substance use disorders, including co-occurring substance use and mental disorders.

(h) DATA REPORTING AND PROGRAM OVERSIGHT.—With respect to a grant awarded under subsection (a), not later than 90 days after the end of the first year of the grant period, and annually thereafter for the duration of the grant period (including the duration of any renewal period for such grant), the entity shall submit data, as appropriate, to the Secretary regarding—

(1) the programs and activities funded by the grant;

(2) health outcomes of the population of individuals with a substance use disorder who received services from the Center, evaluated by an independent program evaluator through the use of outcomes measures, as determined by the Secretary;

(3) the retention rate of program participants; and

(4) any other information that the Secretary may require for the purpose of—ensuring that the Center is complying with all the requirements of the grant, including providing the full continuum of services described in subsection (g)(1)(B).

(i) PRIVACY.—The provisions of this section, including with respect to data reporting and program oversight, shall be subject to all applicable Federal and State privacy laws.

(j) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated \$10,000,000 for each of fiscal years 2019 through 2023 for purposes of carrying out this section.

SEC. 553. [290ee–10] RURAL EMERGENCY MEDICAL SERVICE TRAINING AND EQUIPMENT ASSISTANCE PROGRAM.

(a) GRANTS.—The Secretary, acting through the Assistant Secretary, shall award grants to eligible entities to enable such entities to provide for improved emergency medical services in rural areas or to residents of rural areas.

(b) ELIGIBILITY; APPLICATION.—To be eligible to receive grant under this section, an entity shall—

(1) be—

(A) an emergency medical services agency operated by a local or tribal government (including fire-based and non-fire based); or

(B) an emergency medical services agency that is described in section 501(c) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code; and

(2) submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(c) USE OF FUNDS.—An entity—

(1) shall use amounts received through a grant under subsection (a) to—

(A) train emergency medical services personnel as appropriate to obtain and maintain licenses and certifications relevant to service in an emergency medical services agency described in subsection (b)(1);

(B) conduct courses that qualify graduates to serve in an emergency medical services agency described in subsection (b)(1) in accordance with State and local requirements;

(C) fund specific training to meet Federal or State licensing or certification requirements;

(D) acquire emergency medical services equipment; and

(E) ensure emergency medical services personnel are trained on mental health and substance use disorders and care for individuals with such disorders in emergency situations; and

(2) may use amounts received through a grant under subsection (a) to—

(A) recruit and retain emergency medical services personnel, which may include volunteer personnel;

(B) develop new ways to educate emergency health care providers through the use of technology-enhanced educational methods;

(C) acquire personal protective equipment for emergency medical services personnel as required by the Occupational Safety and Health Administration; or

(D) acquire drugs or devices approved, cleared, or otherwise legally marketed under the Federal Food, Drug,

and Cosmetic Act for emergency treatment of known or suspected overdose.

(d) GRANT AMOUNTS.—Each grant awarded under this section shall be in an amount not to exceed \$200,000.

(e) DEFINITIONS.—In this section:

(1) The term “emergency medical services”—

(A) means resources used by a public or private non-profit licensed entity to deliver medical care outside of a medical facility under emergency conditions that occur as a result of the condition of the patient; and

(B) includes services delivered (either on a compensated or volunteer basis) by an emergency medical services provider or other provider that is licensed or certified by the State involved as an emergency medical technician, a paramedic, or an equivalent professional (as determined by the State).

(2) The term “rural area” means—

(A) a nonmetropolitan statistical area;

(B) an area designated as a rural area by any law or regulation of a State; or

(C) a rural census tract of a metropolitan statistical area (as determined under the most recent rural urban commuting area code as set forth by the Office of Management and Budget).

(f) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—There are authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2024 through 2028.

(2) ADMINISTRATIVE COSTS.—The Secretary may use not more than 10 percent of the amount appropriated under paragraph (1) for a fiscal year for the administrative expenses of carrying out this section.

PART E—CHILDREN WITH SERIOUS EMOTIONAL DISTURBANCES

SEC. 561. [290ff] COMPREHENSIVE COMMUNITY MENTAL HEALTH SERVICES FOR CHILDREN WITH SERIOUS EMOTIONAL DISTURBANCES.

(a) GRANTS TO CERTAIN PUBLIC ENTITIES.—

(1) IN GENERAL.—The Secretary, acting through the Director of the Center for Mental Health Services, shall make grants to public entities for the purpose of providing comprehensive community mental health services to children with a serious emotional disturbance, which may include efforts to identify and serve children at risk.

(2) DEFINITION OF PUBLIC ENTITY.—For purposes of this part, the term “public entity” means any State, any political subdivision of a State, and any Indian tribe or tribal organization (as defined in section 4(b) and section 4(c) of the Indian Self-Determination and Education Assistance Act).

(b) CONSIDERATIONS IN MAKING GRANTS.—

(1) REQUIREMENT OF STATUS AS GRANTEE UNDER PART B OF TITLE XIX.—The Secretary may make a grant under subsection (a) to a public entity only if—

(A) in the case of a public entity that is a State, the State is such a grantee under section 1911;

(B) in the case of a public entity that is a political subdivision of a State, the State in which the political subdivision is located is such a grantee; and

(C) in the case of a public entity that is an Indian tribe or tribal organization, the State in which the tribe or tribal organization is located is such a grantee.

(2) REQUIREMENT OF STATUS AS MEDICAID PROVIDER.—

(A) Subject to subparagraph (B), the Secretary may make a grant under subsection (a) only if, in the case of any service under such subsection that is covered in the State plan approved under title XIX of the Social Security Act for the State involved—

(i) the public entity involved will provide the service directly, and the entity has entered into a participation agreement under the State plan and is qualified to receive payments under such plan; or

(ii) the public entity will enter into an agreement with an organization under which the organization will provide the service, and the organization has entered into such a participation agreement and is qualified to receive such payments.

(B)(i) In the case of an organization making an agreement under subparagraph (A)(ii) regarding the provision of services under subsection (a), the requirement established in such subparagraph regarding a participation agreement shall be waived by the Secretary if the organization does not, in providing health or mental health services, impose a charge or accept reimbursement available from any third-party payor, including reimbursement under any insurance policy or under any Federal or State health benefits program.

(ii) A determination by the Secretary of whether an organization referred to in clause (i) meets the criteria for a waiver under such clause shall be made without regard to whether the organization accepts voluntary donations regarding the provision of services to the public.

(3) CERTAIN CONSIDERATIONS.—In making grants under subsection (a), the Secretary shall—

(A) equitably allocate such assistance among the principal geographic regions of the United States;

(B) consider the extent to which the public entity involved has a need for the grant; and

(C) in the case of any public entity that is a political subdivision of a State or that is an Indian tribe or tribal organization—

(i) shall consider any comments regarding the application of the entity for such a grant that are received by the Secretary from the State in which the entity is located; and

(ii) shall give special consideration to the entity if the State agrees to provide a portion of the non-Fed-

eral contributions required in subsection (c) regarding such a grant.

(c) MATCHING FUNDS.—

(1) IN GENERAL.—A funding agreement for a grant under subsection (a) is that the public entity involved will, with respect to the costs to be incurred by the entity in carrying out the purpose described in such subsection, make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount that—

(A) for the first fiscal year for which the entity receives payments from a grant under such subsection, is not less than \$1 for each \$3 of Federal funds provided in the grant;

(B) for any second or third such fiscal year, is not less than \$1 for each \$3 of Federal funds provided in the grant;

(C) for any fourth such fiscal year, is not less than \$1 for each \$1 of Federal funds provided in the grant; and

(D) for any fifth and sixth such fiscal year, is not less than \$2 for each \$1 of Federal funds provided in the grant.

(2) DETERMINATION OF AMOUNT CONTRIBUTED.—

(A) Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(B) In making a determination of the amount of non-Federal contributions for purposes of subparagraph (A), the Secretary may include only non-Federal contributions in excess of the average amount of non-Federal contributions made by the public entity involved toward the purpose described in subsection (a) for the 2-year period preceding the first fiscal year for which the entity receives a grant under such section.

SEC. 562. [290ff-1] REQUIREMENTS WITH RESPECT TO CARRYING OUT PURPOSE OF GRANTS.

(a) SYSTEMS OF COMPREHENSIVE CARE.—

(1) IN GENERAL.—A funding agreement for a grant under section 561(a) is that, with respect to children with a serious emotional disturbance, the public entity involved will carry out the purpose described in such section only through establishing and operating 1 or more systems of care for making each of the mental health services specified in subsection (c) available to each child provided access to the system. In providing for such a system, the public entity may make grants to, and enter into contracts with, public and nonprofit private entities.

(2) STRUCTURE OF SYSTEM.—A funding agreement for a grant under section 561(a) is that a system of care under paragraph (1) will—

(A) be established in a community selected by the public entity involved;

(B) consist of such public agencies and nonprofit private entities in the community as are necessary to ensure that each of the services specified in subsection (c) is available to each child provided access to the system;

(C) be established pursuant to agreements that the public entity enters into with the agencies and entities described in subparagraph (B);

(D) coordinate the provision of the services of the system; and

(E) establish an office whose functions are to serve as the location through which children are provided access to the system, to coordinate the provision of services of the system, and to provide information to the public regarding the system.

(3) COLLABORATION OF LOCAL PUBLIC ENTITIES.—A funding agreement for a grant under section 561(a) is that, for purposes of the establishment and operation of a system of care under paragraph (1), the public entity involved will seek collaboration among all public agencies that provide human services in the community in which the system is established, including but not limited to those providing mental health services, educational services, child welfare services, or juvenile justice services.

(b) LIMITATION ON AGE OF CHILDREN PROVIDED ACCESS TO SYSTEM.—A funding agreement for a grant under section 561(a) is that a system of care under subsection (a) will provide an individual with access to the system through the age of 21 years.

(c) REQUIRED MENTAL HEALTH SERVICES OF SYSTEM.—A funding agreement for a grant under section 561(a) is that mental health services provided by a system of care under subsection (a) will include, with respect to a serious emotional disturbance in a child—

(1) diagnostic and evaluation services;

(2) outpatient services provided in a clinic, office, school or other appropriate location, including individual, group and family counseling services, professional consultation, and review and management of medications;

(3) emergency services, available 24-hours a day, 7 days a week;

(4) intensive home-based services for children and their families when the child is at imminent risk of out-of-home placement;

(5) intensive day-treatment services;

(6) respite care;

(7) therapeutic foster care services, and services in therapeutic foster family homes or individual therapeutic residential homes, and groups homes caring for not more than 10 children; and

(8) assisting the child in making the transition from the services received as a child to the services to be received as an adult.

(d) REQUIRED ARRANGEMENTS REGARDING OTHER APPROPRIATE SERVICES.—

(1) IN GENERAL.—A funding agreement for a grant under section 561(a) is that—

(A) a system of care under subsection (a) will enter into a memorandum of understanding with each of the providers specified in paragraph (2) in order to facilitate the availability of the services of the provider involved to each child provided access to the system; and

(B) the grant under such section 561(a), and the non-Federal contributions made with respect to the grant, will not be expended to pay the costs of providing such non-mental health services to any individual.

(2) SPECIFICATION OF NON-MENTAL HEALTH SERVICES.—The providers referred to in paragraph (1) are providers of medical services other than mental health services, providers of educational services, providers of vocational counseling and vocational rehabilitation services, and providers of protection and advocacy services with respect to mental health.

(3) FACILITATION OF SERVICES OF CERTAIN PROGRAMS.—A funding agreement for a grant under section 561(a) is that a system of care under subsection (a) will, for purposes of paragraph (1), enter into a memorandum of understanding regarding facilitation of—

(A) services available pursuant to title XIX of the Social Security Act, including services regarding early periodic screening, diagnosis, and treatment;

(B) services available under parts B and C of the Individuals with Disabilities Education Act; and

(C) services available under other appropriate programs, as identified by the Secretary.

(e) GENERAL PROVISIONS REGARDING SERVICES OF SYSTEM.—

(1) CASE MANAGEMENT SERVICES.—A funding agreement for a grant under section 561(a) is that a system of care under subsection (a) will provide for the case management of each child provided access to the system in order to ensure that—

(A) the services provided through the system to the child are coordinated and that the need of each such child for the services is periodically reassessed;

(B) information is provided to the family of the child on the extent of progress being made toward the objectives established for the child under the plan of services implemented for the child pursuant to section 563; and

(C) the system provides assistance with respect to—

(i) establishing the eligibility of the child, and the family of the child, for financial assistance and services under Federal, State, or local programs providing for health services, mental health services, educational services, social services, or other services; and

(ii) seeking to ensure that the child receives appropriate services available under such programs.

(2) OTHER PROVISIONS.—A funding agreement for a grant under section 561(a) is that a system of care under subsection (a), in providing the services of the system, will—

(A) provide the services of the system in the cultural context that is most appropriate for the child and family involved;

(B) ensure that individuals providing such services to the child can effectively communicate with the child and family in the most direct manner;

(C) provide the services without discriminating against the child or the family of the child on the basis of race, religion, national origin, sex, disability, or age;

(D) seek to ensure that each child provided access to the system of care remains in the least restrictive, most normative environment that is clinically appropriate; and

(E) provide outreach services to inform individuals, as appropriate, of the services available from the system, including identifying children with a serious emotional disturbance who are in the early stages of such disturbance.

(3) **RULE OF CONSTRUCTION.**—An agreement made under paragraph (2) may not be construed—

(A) with respect to subparagraph (C) of such paragraph—

(i) to prohibit a system of care under subsection (a) from requiring that, in housing provided by the grantee for purposes of residential treatment services authorized under subsection (c), males and females be segregated to the extent appropriate in the treatment of the children involved; or

(ii) to prohibit the system of care from complying with the agreement made under subsection (b); or

(B) with respect to subparagraph (D) of such paragraph, to authorize the system of care to expend the grant under section 561(a) (or the non-Federal contributions made with respect to the grant) to provide legal services or any service with respect to which expenditures regarding the grant are prohibited under subsection (d)(1)(B).

(f) **RESTRICTIONS ON USE OF GRANT.**—A funding agreement for a grant under section 561(a) is that the grant, and the non-Federal contributions made with respect to the grant, will not be expended—

(1) to purchase or improve real property (including the construction or renovation of facilities);

(2) to provide for room and board in residential programs serving 10 or fewer children;

(3) to provide for room and board or other services or expenditures associated with care of children in residential treatment centers serving more than 10 children or in inpatient hospital settings, except intensive home-based services and other services provided on an ambulatory or outpatient basis; or

(4) to provide for the training of any individual, except training authorized in section 564(a)(2) and training provided through any appropriate course in continuing education whose duration does not exceed 2 days.

(g) **WAIVERS.**—The Secretary may waive one or more of the requirements of subsection (c) for a public entity that is an Indian

Tribe or tribal organization, or American Samoa, Guam, the Marshall Islands, the Federated States of Micronesia, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, or the United States Virgin Islands if the Secretary determines, after peer review, that the system of care is family-centered and uses the least restrictive environment that is clinically appropriate.

SEC. 563. [290ff-2] INDIVIDUALIZED PLAN FOR SERVICES.

(a) **IN GENERAL.**—A funding agreement for a grant under section 561(a) is that a system of care under section 562(a) will develop and carry out an individualized plan of services for each child provided access to the system, and that the plan will be developed and carried out with the participation of the family of the child and, unless clinically inappropriate, with the participation of the child.

(b) **MULTIDISCIPLINARY TEAM.**—A funding agreement for a grant under section 561(a) is that the plan required in subsection (a) will be developed, and reviewed and as appropriate revised not less than once each year, by a multidisciplinary team of appropriately qualified individuals who provide services through the system, including as appropriate mental health services, other health services, educational services, social services, and vocational counseling and rehabilitation;¹⁵

(c) **COORDINATION WITH SERVICES UNDER INDIVIDUALS WITH DISABILITIES EDUCATION ACT.**—A funding agreement for a grant under section 561(a) is that, with respect to a plan under subsection (a) for a child, the multidisciplinary team required in subsection (b) will—

(1) in developing, carrying out, reviewing, and revising the plan consider any individualized education program in effect for the child pursuant to part B of the Individuals with Disabilities Education Act;

(2) ensure that the plan is consistent with such individualized education program and provides for coordinating services under the plan with services under such program; and

(3) ensure that the memorandum of understanding entered into under section 562(d)(3)(B) regarding such Act includes provisions regarding compliance with this subsection.

(d) **CONTENTS OF PLAN.**—A funding agreement for a grant under section 561(a) is that the plan required in subsection (a) for a child will—

(1) identify and state the needs of the child for the services available pursuant to section 562 through the system;

(2) provide for each of such services that is appropriate to the circumstances of the child, including, except in the case of children who are less than 14 years of age, the provision of appropriate vocational counseling and rehabilitation, and transition services (as defined in section 602 of the Individuals with Disabilities Education Act);

(3) establish objectives to be achieved regarding the needs of the child and the methodology for achieving the objectives; and

¹⁵So in law. See section 119 of Public Law 102-321 (106 Stat. 349). Probably should be a period.

(4) designate an individual to be responsible for providing the case management required in section 562(e)(1) or certify that case management services will be provided to the child as part of the individualized education program of the child under the Individuals with Disabilities Education Act.

SEC. 564. [290ff-3] ADDITIONAL PROVISIONS.

(a) **OPTIONAL SERVICES.**—In addition to services described in subsection (c) of section 562, a system of care under subsection (a) of such section may, in expending a grant under section 561(a), provide for—

(1) preliminary assessments to determine whether a child should be provided access to the system;

(2) training in—

(A) the administration of the system;

(B) the provision of intensive home-based services under paragraph (4) of section 562(c), intensive day treatment under paragraph (5) of such section, and foster care or group homes under paragraph (7) of such section; and

(C) the development of individualized plans for purposes of section 563;

(3) recreational activities for children provided access to the system; and

(4) such other services as may be appropriate in providing for the comprehensive needs with respect to mental health of children with a serious emotional disturbance.

(b) **COMPREHENSIVE PLAN.**—The Secretary may make a grant under section 561(a) only if, with respect to the jurisdiction of the public entity involved, the entity has submitted to the Secretary, and has had approved by the Secretary, a plan for the development of a jurisdiction-wide system of care for community-based services for children with a serious emotional disturbance that specifies the progress the public entity has made in developing the jurisdiction-wide system, the extent of cooperation across agencies serving children in the establishment of the system, the Federal and non-Federal resources currently committed to the establishment of the system, and the current gaps in community services and the manner in which the grant under section 561(a) will be expended to address such gaps and establish local systems of care.

(c) **LIMITATION ON IMPOSITION OF FEES FOR SERVICES.**—A funding agreement for a grant under section 561(a) is that, if a charge is imposed for the provision of services under the grant, such charge—

(1) will be made according to a schedule of charges that is made available to the public;

(2) will be adjusted to reflect the income of the family of the child involved; and

(3) will not be imposed on any child whose family has income and resources of equal to or less than 100 percent of the official poverty line, as established by the Director of the Office of Management and Budget and revised by the Secretary in accordance with section 673(2) of the Omnibus Budget Reconciliation Act of 1981.

(d) RELATIONSHIP TO ITEMS AND SERVICES UNDER OTHER PROGRAMS.—A funding agreement for a grant under section 561(a) is that the grant, and the non-Federal contributions made with respect to the grant, will not be expended to make payment for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to such item or service—

(1) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(2) by an entity that provides health services on a prepaid basis.

(e) LIMITATION ON ADMINISTRATIVE EXPENSES.—A funding agreement for a grant under section 561(a) is that not more than 2 percent of the grant will be expended for administrative expenses incurred with respect to the grant by the public entity involved.

(f) REPORTS TO SECRETARY.—A funding agreement for a grant under section 561(a) is that the public entity involved will annually submit to the Secretary (and provide a copy to the State involved) a report on the activities of the entity under the grant that includes a description of the number of children provided access to systems of care operated pursuant to the grant, the demographic characteristics of the children, the types and costs of services provided pursuant to the grant, the availability and use of third-party reimbursements, estimates of the unmet need for such services in the jurisdiction of the entity, and the manner in which the grant has been expended toward the establishment of a jurisdiction-wide system of care for children with a serious emotional disturbance, and such other information as the Secretary may require with respect to the grant.

(g) DESCRIPTION OF INTENDED USES OF GRANT.—The Secretary may make a grant under section 561(a) only if—

(1) the public entity involved submits to the Secretary a description of the purposes for which the entity intends to expend the grant;

(2) the description identifies the populations, areas, and localities in the jurisdiction of the entity with a need for services under this section; and

(3) the description provides information relating to the services and activities to be provided, including a description of the manner in which the services and activities will be coordinated with any similar services or activities of public or nonprofit entities.

(h) REQUIREMENT OF APPLICATION.—The Secretary may make a grant under section 561(a) only if an application for the grant is submitted to the Secretary, the application contains the description of intended uses required in subsection (g), and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

SEC. 565. [290ff-4] GENERAL PROVISIONS.

(a) **DURATION OF SUPPORT.**—The period during which payments are made to a public entity from a grant under section 561(a) may not exceed 6 fiscal years.

(b) **TECHNICAL ASSISTANCE.**—

(1) **IN GENERAL.**—The Secretary shall, upon the request of a public entity, regardless of whether such public entity is receiving a grant under section 561(a)—

(A) provide technical assistance to the entity regarding the process of submitting to the Secretary applications for grants under section 561(a); and

(B) provide to the entity training and technical assistance with respect to the planning, development, and operation of systems of care described in section 562.

(2) **AUTHORITY FOR GRANTS AND CONTRACTS.**—The Secretary may provide technical assistance under subsection (a) directly or through grants to, or contracts with, public and non-profit private entities.

(c) **EVALUATIONS AND REPORTS BY SECRETARY.**—

(1) **IN GENERAL.**—The Secretary shall, directly or through contracts with public or private entities, provide for annual evaluations of programs carried out pursuant to section 561(a). The evaluations shall assess the effectiveness of the systems of care operated pursuant to such section, including longitudinal studies of outcomes of services provided by such systems, other studies regarding such outcomes, the effect of activities under this part on the utilization of hospital and other institutional settings, the barriers to and achievements resulting from inter-agency collaboration in providing community-based services to children with a serious emotional disturbance, and assessments by parents of the effectiveness of the systems of care.

(2) **REPORT TO CONGRESS.**—The Secretary shall, not later than 1 year after the date on which amounts are first appropriated under subsection (c), and annually thereafter, submit to the Congress a report summarizing evaluations carried out pursuant to paragraph (1) during the preceding fiscal year and making such recommendations for administrative and legislative initiatives with respect to this section as the Secretary determines to be appropriate.

(d) **DEFINITIONS.**—For purposes of this part:

(1) The term “child” means an individual through the age of 21 years.

(2) The term “family”, with respect to a child provided access to a system of care under section 562(a), means—

(A) the legal guardian of the child; and

(B) as appropriate regarding mental health services for the child, the parents of the child (biological or adoptive, as the case may be), kinship caregivers of the child, and any foster parents of the child.

(3) The term “funding agreement”, with respect to a grant under section 561(a) to a public entity, means that the Secretary may make such a grant only if the public entity makes the agreement involved.

(4) The term “serious emotional disturbance” includes, with respect to a child, any child who has a serious emotional disorder, a serious behavioral disorder, or a serious mental disorder.

(e) **RULE OF CONSTRUCTION.**—Nothing in this part shall be construed as limiting the rights of a child with a serious emotional disturbance under the Individuals with Disabilities Education Act.

(f) **FUNDING.**—

(1)¹⁶ **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this part, there are authorized to be appropriated \$125,000,000 for each of fiscal years 2023 through 2027.

(2)¹⁷ **LIMITATION REGARDING TECHNICAL ASSISTANCE.**—Not more than 10 percent of the amounts appropriated under paragraph (1) for a fiscal year may be expended for carrying out subsection (b).

PART F—MODEL COMPREHENSIVE PROGRAM FOR TREATMENT OF SUBSTANCE ABUSE¹⁸

PART G¹⁹—PROJECTS FOR CHILDREN AND VIOLENCE

SEC. 581.¹⁹ [290hh] CHILDREN AND VIOLENCE.

(a) **IN GENERAL.**—The Secretary, in consultation with the Secretary of Education and the Attorney General, shall carry out directly or through grants, contracts or cooperative agreements with public entities a program to assist local communities in developing ways to assist children in dealing with violence.

(b) **ACTIVITIES.**—Under the program under subsection (a), the Secretary may—

(1) provide financial support to enable local communities to implement programs to foster the health and development of children;

(2) provide technical assistance to local communities with respect to the development of programs described in paragraph (1);

(3) provide assistance to local communities in the development of policies to address violence when and if it occurs;

(4) assist in the creation of community partnerships among law enforcement, education systems and mental health and substance abuse service systems; and

(5) establish mechanisms for children and adolescents to report incidents of violence or plans by other children or adolescents to commit violence.

(c) **REQUIREMENTS.**—An application for a grant, contract or cooperative agreement under subsection (a) shall demonstrate that—

¹⁶Indentation is so in law. See section 1411(b)(1) of division FF of Public Law 117-328. Such amendment should have been made to paragraph (2), not paragraph (1).

¹⁷Indentation is so in law. See section 2017(2)(C)(ii) of Public Law 103-43 (107 Stat. 218).

¹⁸The part designation and heading for part F are so in law. Part F formerly consisted of section 571. That section was repealed by section 3301(c)(4) of Public Law 106-310 (114 Stat. 1209), but there was no conforming amendment to strike the designation and heading for part F.

¹⁹There is another part G in this title, which also begins with a section 581. See page 677. That part G relates to services provided through religious organizations.

(1) the applicant will use amounts received to create a partnership described in subsection (b)(4) to address issues of violence in schools;

(2) the activities carried out by the applicant will provide a comprehensive method for addressing violence, that will include—

(A) security;

(B) educational reform;

(C) the review and updating of school policies;

(D) alcohol and drug abuse prevention and early intervention services;

(E) mental health prevention and treatment services; and

(F) early childhood development and psychosocial services; and

(3) the applicant will use amounts received only for the services described in subparagraphs (D), (E), and (F) of paragraph (2).

(d) GEOGRAPHICAL DISTRIBUTION.—The Secretary shall ensure that grants, contracts or cooperative agreements under subsection (a) will be distributed equitably among the regions of the country and among urban and rural areas.

(e) DURATION OF AWARDS.—With respect to a grant, contract or cooperative agreement under subsection (a), the period during which payments under such an award will be made to the recipient may not exceed 5 years.

(f) EVALUATION.—The Secretary shall conduct an evaluation of each project carried out under this section and shall disseminate the results of such evaluations to appropriate public and private entities.

(g) INFORMATION AND EDUCATION.—The Secretary shall establish comprehensive information and education programs to disseminate the findings of the knowledge development and application under this section to the general public and to health care professionals.

(h) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section, \$100,000,000 for fiscal year 2001, and such sums as may be necessary for each of fiscal years 2002 and 2003.

SEC. 582. [290hh-1] GRANTS TO ADDRESS THE PROBLEMS OF PERSONS WHO EXPERIENCE VIOLENCE RELATED STRESS.

(a) IN GENERAL.—The Secretary shall award grants, contracts or cooperative agreements to public and nonprofit private entities, as well as to Indian tribes and tribal organizations, for the purpose of developing and maintaining programs that provide for—

(1) the continued operation of the National Child Traumatic Stress Initiative (referred to in this section as the “NCTSI”), which includes a cooperative agreement with a coordinating center, that focuses on the mental, behavioral, and biological aspects of psychological trauma response, prevention of the long-term consequences of child trauma, and early intervention services and treatment to address the long-term consequences of child trauma; and

(2) the development of knowledge with regard to evidence-based practices for identifying and treating mental, behavioral, and biological disorders of children and youth resulting from witnessing or experiencing a traumatic event.

(b) PRIORITIES.—In awarding grants, contracts or cooperative agreements under subsection (a)(2) (related to the development of knowledge on evidence-based practices for treating mental, behavioral, and biological disorders associated with psychological trauma), the Secretary shall give priority to universities, hospitals, mental health agencies, and other programs that have established clinical expertise and research experience in the field of trauma-related mental disorders.

(c) CHILD OUTCOME DATA.—The NCTSI coordinating center described in subsection (a)(1) shall collect, analyze, report, and make publicly available, as appropriate, NCTSI-wide child treatment process and outcome data regarding the early identification and delivery of evidence-based treatment and services for children and families served by the NCTSI grantees.

(d) TRAINING.—The NCTSI coordinating center shall facilitate the coordination of training initiatives in evidence-based and trauma-informed treatments, interventions, and practices offered to NCTSI grantees, providers, and partners.

(e) DISSEMINATION AND COLLABORATION.—The NCTSI coordinating center shall, as appropriate, collaborate with—

(1) the Secretary, in the dissemination of evidence-based and trauma-informed interventions, treatments, products, and other resources to appropriate stakeholders; and

(2) appropriate agencies that conduct or fund research within the Department of Health and Human Services, for purposes of sharing NCTSI expertise, evaluation data, and other activities, as appropriate.

(f) REVIEW.—The Secretary shall, consistent with the peer-review process, ensure that NCTSI applications are reviewed by appropriate experts in the field as part of a consensus-review process. The Secretary shall include review criteria related to expertise and experience in child trauma and evidence-based practices.

(g) GEOGRAPHICAL DISTRIBUTION.—The Secretary shall ensure that grants, contracts or cooperative agreements under subsection (a) are distributed equitably among the regions of the United States and among urban and rural areas.

(h) EVALUATION.—The Secretary, as part of the application process, shall require that each applicant for a grant, contract or cooperative agreement under subsection (a) submit a plan for the rigorous evaluation of the activities funded under the grant, contract or agreement, including both process and outcomes evaluation, and the submission of an evaluation at the end of the project period.

(i) DURATION OF AWARDS.—With respect to a grant, contract or cooperative agreement under subsection (a), the period during which payments under such an award will be made to the recipient shall not be less than 4 years, but shall not exceed 5 years. Such grants, contracts or agreements may be renewed.

(j) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section, \$63,887,000 for each of fiscal years 2019 through 2023.

(k) SHORT TITLE.—This section may be cited as the “Donald J. Cohen National Child Traumatic Stress Initiative”.

PART H—REQUIREMENT RELATING TO THE RIGHTS OF RESIDENTS OF CERTAIN FACILITIES

SEC. 591. [290ii] REQUIREMENT RELATING TO THE RIGHTS OF RESIDENTS OF CERTAIN FACILITIES.

(a) IN GENERAL.—A public or private general hospital, nursing facility, intermediate care facility, or other health care facility, that receives support in any form from any program supported in whole or in part with funds appropriated to any Federal department or agency shall protect and promote the rights of each resident of the facility, including the right to be free from physical or mental abuse, corporal punishment, and any restraints or involuntary seclusions imposed for purposes of discipline or convenience.

(b) REQUIREMENTS.—Restraints and seclusion may only be imposed on a resident of a facility described in subsection (a) if—

(1) the restraints or seclusion are imposed to ensure the physical safety of the resident, a staff member, or others; and

(2) the restraints or seclusion are imposed only upon the written order of a physician, or other licensed practitioner permitted by the State and the facility to order such restraint or seclusion, that specifies the duration and circumstances under which the restraints are to be used (except in emergency circumstances specified by the Secretary until such an order could reasonably be obtained).

(c) CURRENT LAW.—This part shall not be construed to affect or impede any Federal or State law or regulations that provide greater protections than this part regarding seclusion and restraint.

(d) DEFINITIONS.—In this section:

(1) RESTRAINTS.—The term “restraints” means—

(A) any physical restraint that is a mechanical or personal restriction that immobilizes or reduces the ability of an individual to move his or her arms, legs, or head freely, not including devices, such as orthopedically prescribed devices, surgical dressings or bandages, protective helmets, or any other methods that involves the physical holding of a resident for the purpose of conducting routine physical examinations or tests or to protect the resident from falling out of bed or to permit the resident to participate in activities without the risk of physical harm to the resident (such term does not include a physical escort); and

(B) a drug or medication that is used as a restraint to control behavior or restrict the resident’s freedom of movement that is not a standard treatment for the resident’s medical or psychiatric condition.

(2) **SECLUSION.**—The term “seclusion” means a behavior control technique involving locked isolation. Such term does not include a time out.

(3) **PHYSICAL ESCORT.**—The term “physical escort” means the temporary touching or holding of the hand, wrist, arm, shoulder or back for the purpose of inducing a resident who is acting out to walk to a safe location.

(4) **TIME OUT.**—The term “time out” means a behavior management technique that is part of an approved treatment program and may involve the separation of the resident from the group, in a non-locked setting, for the purpose of calming. Time out is not seclusion.

SEC. 592. [290ii-1] REPORTING REQUIREMENT.

(a) **IN GENERAL.**—Each facility to which the Protection and Advocacy for Mentally Ill Individuals Act of 1986²⁰ applies shall notify the appropriate agency, as determined by the Secretary, of each death that occurs at each such facility while a patient is restrained or in seclusion, of each death occurring within 24 hours after the patient has been removed from restraints and seclusion, or where it is reasonable to assume that a patient’s death is a result of such seclusion or restraint. A notification under this section shall include the name of the resident and shall be provided not later than 7 days after the date of the death of the individual involved.

(b) **FACILITY.**—In this section, the term “facility” has the meaning given the term “facilities” in section 102(3) of the Protection and Advocacy for Mentally Ill Individuals Act of 1986²⁰ (42 U.S.C. 10802(3)).

SEC. 593.²¹ [290ii-3] REGULATIONS AND ENFORCEMENT.

(a) **TRAINING.**—Not later than 1 year after the date of the enactment of this part, the Secretary, after consultation with appropriate State and local protection and advocacy organizations, physicians, facilities, and other health care professionals and patients, shall promulgate regulations that require facilities to which the Protection and Advocacy for Mentally Ill Individuals Act of 1986²⁰ (42 U.S.C. 10801 et seq.) applies, to meet the requirements of subsection (b).

(b) **REQUIREMENTS.**—The regulations promulgated under subsection (a) shall require that—

(1) facilities described in subsection (a) ensure that there is an adequate number of qualified professional and supportive staff to evaluate patients, formulate written individualized, comprehensive treatment plans, and to provide active treatment measures;

²⁰Probably should be Protection and Advocacy for Individuals with Mental Illness Act. See section 3206(a) of Public Law 106–310 (114 Stat. 1193).

²¹Section 593 appears according to the probable intent of the Congress. Section 3207 of Public Law 106–310 (114 Stat. 1196) added sections 591 and 592, and closing quotations were provided at the end of section 592. Immediately following that section, however, section 593 appeared in quotations, and closing quotations were provided at the end of the section. The probable intent of the Congress is that closing quotations should not have been provided at the end of section 592.

(2) appropriate training be provided for the staff of such facilities in the use of restraints and any alternatives to the use of restraints; and

(3) such facilities provide complete and accurate notification of deaths, as required under section 592(a).

(c) ENFORCEMENT.—A facility to which this part applies that fails to comply with any requirement of this part, including a failure to provide appropriate training, shall not be eligible for participation in any program supported in whole or in part by funds appropriated to any Federal department or agency.

PART I—REQUIREMENT RELATING TO THE RIGHTS OF RESIDENTS OF CERTAIN NON-MEDICAL, COMMUNITY-BASED FACILITIES FOR CHILDREN AND YOUTH

SEC. 595. [290jj] REQUIREMENT RELATING TO THE RIGHTS OF RESIDENTS OF CERTAIN NON-MEDICAL, COMMUNITY-BASED FACILITIES FOR CHILDREN AND YOUTH.

(a) PROTECTION OF RIGHTS.—

(1) IN GENERAL.—A public or private non-medical, community-based facility for children and youth (as defined in regulations to be promulgated by the Secretary) that receives support in any form from any program supported in whole or in part with funds appropriated under this Act shall protect and promote the rights of each resident of the facility, including the right to be free from physical or mental abuse, corporal punishment, and any restraints or involuntary seclusions imposed for purposes of discipline or convenience.

(2) NONAPPLICABILITY.—Notwithstanding this part, a facility that provides inpatient psychiatric treatment services for individuals under the age of 21, as authorized and defined in subsections (a)(16) and (h) of section 1905 of the Social Security Act, shall comply with the requirements of part H.

(3) APPLICABILITY OF MEDICAID PROVISIONS.—A non-medical, community-based facility for children and youth funded under the Medicaid program under title XIX of the Social Security Act shall continue to meet all existing requirements for participation in such program that are not affected by this part.

(b) REQUIREMENTS.—

(1) IN GENERAL.—Physical restraints and seclusion may only be imposed on a resident of a facility described in subsection (a) if—

(A) the restraints or seclusion are imposed only in emergency circumstances and only to ensure the immediate physical safety of the resident, a staff member, or others and less restrictive interventions have been determined to be ineffective; and

(B) the restraints or seclusion are imposed only by an individual trained and certified, by a State-recognized body (as defined in regulation promulgated by the Secretary) and pursuant to a process determined appropriate by the

State and approved by the Secretary, in the prevention and use of physical restraint and seclusion, including the needs and behaviors of the population served, relationship building, alternatives to restraint and seclusion, de-escalation methods, avoiding power struggles, thresholds for restraints and seclusion, the physiological and psychological impact of restraint and seclusion, monitoring physical signs of distress and obtaining medical assistance, legal issues, position asphyxia, escape and evasion techniques, time limits, the process for obtaining approval for continued restraints, procedures to address problematic restraints, documentation, processing with children, and follow-up with staff, and investigation of injuries and complaints.

(2) INTERIM PROCEDURES RELATING TO TRAINING AND CERTIFICATION.—

(A) IN GENERAL.—Until such time as the State develops a process to assure the proper training and certification of facility personnel in the skills and competencies referred in paragraph (1)(B), the facility involved shall develop and implement an interim procedure that meets the requirements of subparagraph (B).

(B) REQUIREMENTS.—A procedure developed under subparagraph (A) shall—

(i) ensure that a supervisory or senior staff person with training in restraint and seclusion who is competent to conduct a face-to-face assessment (as defined in regulations promulgated by the Secretary), will assess the mental and physical well-being of the child or youth being restrained or secluded and assure that the restraint or seclusion is being done in a safe manner;

(ii) ensure that the assessment required under clause (i) take place as soon as practicable, but in no case later than 1 hour after the initiation of the restraint or seclusion; and

(iii) ensure that the supervisory or senior staff person continues to monitor the situation for the duration of the restraint and seclusion.

(3) LIMITATIONS.—

(A) IN GENERAL.—The use of a drug or medication that is used as a restraint to control behavior or restrict the resident's freedom of movement that is not a standard treatment for the resident's medical or psychiatric condition in nonmedical community-based facilities for children and youth described in subsection (a)(1) is prohibited.

(B) PROHIBITION.—The use of mechanical restraints in non-medical, community-based facilities for children and youth described in subsection (a)(1) is prohibited.

(C) LIMITATION.—A non-medical, community-based facility for children and youth described in subsection (a)(1) may only use seclusion when a staff member is continuously face-to-face monitoring the resident and when strong licensing or accreditation and internal controls are in place.

(c) **RULE OF CONSTRUCTION.**—

(1) **IN GENERAL.**—Nothing in this section shall be construed as prohibiting the use of restraints for medical immobilization, adaptive support, or medical protection.

(2) **CURRENT LAW.**—This part shall not be construed to affect or impede any Federal or State law or regulations that provide greater protections than this part regarding seclusion and restraint.

(d) **DEFINITIONS.**—In this section:

(1) **MECHANICAL RESTRAINT.**—The term “mechanical restraint” means the use of devices as a means of restricting a resident’s freedom of movement.

(2) **PHYSICAL ESCORT.**—The term “physical escort” means the temporary touching or holding of the hand, wrist, arm, shoulder or back for the purpose of inducing a resident who is acting out to walk to a safe location.

(3) **PHYSICAL RESTRAINT.**—The term “physical restraint” means a personal restriction that immobilizes or reduces the ability of an individual to move his or her arms, legs, or head freely. Such term does not include a physical escort.

(4) **SECLUSION.**—The term “seclusion” means a behavior control technique involving locked isolation. Such term does not include a time out.

(5) **TIME OUT.**—The term “time out” means a behavior management technique that is part of an approved treatment program and may involve the separation of the resident from the group, in a non-locked setting, for the purpose of calming. Time out is not seclusion.

SEC. 595A. [290jj-1] REPORTING REQUIREMENT.

Each facility to which this part applies shall notify the appropriate State licensing or regulatory agency, as determined by the Secretary—

(1) of each death that occurs at each such facility. A notification under this section shall include the name of the resident and shall be provided not later than 24 hours after the time of the individual’s death; and

(2) of the use of seclusion or restraints in accordance with regulations promulgated by the Secretary, in consultation with the States.

SEC. 595B. [290jj-2] REGULATIONS AND ENFORCEMENT.

(a) **TRAINING.**—Not later than 6 months after the date of the enactment of this part, the Secretary, after consultation with appropriate State, local, public and private protection and advocacy organizations, health care professionals, social workers, facilities, and patients, shall promulgate regulations that—

(1) require States that license non-medical, community-based residential facilities for children and youth to develop licensing rules and monitoring requirements concerning behavior management practice that will ensure compliance with Federal regulations and to meet the requirements of subsection (b);

(2) require States to develop and implement such licensing rules and monitoring requirements within 1 year after the pro-

mulgation of the regulations referred to in the matter preceding paragraph (1); and

(3) support the development of national guidelines and standards on the quality, quantity, orientation and training, required under this part, as well as the certification or licensure of those staff responsible for the implementation of behavioral intervention concepts and techniques.

(b) REQUIREMENTS.—The regulations promulgated under subsection (a) shall require—

(1) that facilities described in subsection (a) ensure that there is an adequate number of qualified professional and supportive staff to evaluate residents, formulate written individualized, comprehensive treatment plans, and to provide active treatment measures;

(2) the provision of appropriate training and certification of the staff of such facilities in the prevention and use of physical restraint and seclusion, including the needs and behaviors of the population served, relationship building, alternatives to restraint, de-escalation methods, avoiding power struggles, thresholds for restraints, the physiological impact of restraint and seclusion, monitoring physical signs of distress and obtaining medical assistance, legal issues, position asphyxia, escape and evasion techniques, time limits for the use of restraint and seclusion, the process for obtaining approval for continued restraints and seclusion, procedures to address problematic restraints, documentation, processing with children, and follow-up with staff, and investigation of injuries and complaints; and

(3) that such facilities provide complete and accurate notification of deaths, as required under section 595A(1).

(c) ENFORCEMENT.—A State to which this part applies that fails to comply with any requirement of this part, including a failure to provide appropriate training and certification, shall not be eligible for participation in any program supported in whole or in part by funds appropriated under this Act.

PART G²²—SERVICES PROVIDED THROUGH RELIGIOUS ORGANIZATIONS²³

SEC. 581. [290kk] APPLICABILITY TO DESIGNATED PROGRAMS.

(a) DESIGNATED PROGRAMS.—Subject to subsection (b), this part applies to discretionary and formula grant programs administered by the Substance Abuse and Mental Health Services Administration that make awards of financial assistance to public or private entities for the purpose of carrying out activities to prevent or treat substance abuse (in this part referred to as a “designated pro-

²² There are two parts G in this title. The first was added by section 3101 of Public Law 106–310 (114 Stat. 1168) and relates to projects for children and violence; that part also begins with section 581. See page 669. Sections 3207 and 3208 of such Public Law (114 Stat. 1195, 1197) added parts H and I, respectively.

Subsequently, part G above was added by section 144 of the Community Renewal Tax Relief Act of 2000 (as enacted into law by section 1(a)(7) of Public Law 106–554; 114 Stat. 2763A–619), which provides that title V of this Act “is amended by adding at the end the following part:”, thereby placing that part G after the part I added by Public Law 106–310.

gram”). Designated programs include the program under subpart II of part B of title XIX (relating to formula grants to the States).

(b) **LIMITATION.**—This part does not apply to any award of financial assistance under a designated program for a purpose other than the purpose specified in subsection (a).

(c) **DEFINITIONS.**—For purposes of this part (and subject to subsection (b)):

(1) The term “designated program” has the meaning given such term in subsection (a).

(2) The term “financial assistance” means a grant, cooperative agreement, or contract.

(3) The term “program beneficiary” means an individual who receives program services.

(4) The term “program participant” means a public or private entity that has received financial assistance under a designated program.

(5) The term “program services” means treatment for substance abuse, or preventive services regarding such abuse, provided pursuant to an award of financial assistance under a designated program.

(6) The term “religious organization” means a nonprofit religious organization.

SEC. 582. [290kk-1] RELIGIOUS ORGANIZATIONS AS PROGRAM PARTICIPANTS.

(a) **IN GENERAL.**—Notwithstanding any other provision of law, a religious organization, on the same basis as any other nonprofit private provider—

(1) may receive financial assistance under a designated program; and

(2) may be a provider of services under a designated program.

(b) **RELIGIOUS ORGANIZATIONS.**—The purpose of this section is to allow religious organizations to be program participants on the same basis as any other nonprofit private provider without impairing the religious character of such organizations, and without diminishing the religious freedom of program beneficiaries.

(c) **NONDISCRIMINATION AGAINST RELIGIOUS ORGANIZATIONS.**—

(1) **ELIGIBILITY AS PROGRAM PARTICIPANTS.**—Religious organizations are eligible to be program participants on the same basis as any other nonprofit private organization as long as the programs are implemented consistent with the Establishment Clause and Free Exercise Clause of the First Amendment to the United States Constitution. Nothing in this Act shall be construed to restrict the ability of the Federal Government, or a State or local government receiving funds under such programs, to apply to religious organizations the same eligibility conditions in designated programs as are applied to any other nonprofit private organization.

(2) **NONDISCRIMINATION.**—Neither the Federal Government nor a State or local government receiving funds under designated programs shall discriminate against an organization that is or applies to be a program participant on the basis that the organization has a religious character.

(d) **RELIGIOUS CHARACTER AND FREEDOM.**—

(1) RELIGIOUS ORGANIZATIONS.—Except as provided in this section, any religious organization that is a program participant shall retain its independence from Federal, State, and local government, including such organization's control over the definition, development, practice, and expression of its religious beliefs.

(2) ADDITIONAL SAFEGUARDS.—Neither the Federal Government nor a State shall require a religious organization to—

(A) alter its form of internal governance; or

(B) remove religious art, icons, scripture, or other symbols,

in order to be a program participant.

(e) EMPLOYMENT PRACTICES.—Nothing in this section shall be construed to modify or affect the provisions of any other Federal or State law or regulation that relates to discrimination in employment. A religious organization's exemption provided under section 702 of the Civil Rights Act of 1964 regarding employment practices shall not be affected by its participation in, or receipt of funds from, a designated program.

(f) RIGHTS OF PROGRAM BENEFICIARIES.—

(1) IN GENERAL.—If an individual who is a program beneficiary or a prospective program beneficiary objects to the religious character of a program participant, within a reasonable period of time after the date of such objection such program participant shall refer such individual to, and the appropriate Federal, State, or local government that administers a designated program or is a program participant shall provide to such individual (if otherwise eligible for such services), program services that—

(A) are from an alternative provider that is accessible to, and has the capacity to provide such services to, such individual; and

(B) have a value that is not less than the value of the services that the individual would have received from the program participant to which the individual had such objection.

Upon referring a program beneficiary to an alternative provider, the program participant shall notify the appropriate Federal, State, or local government agency that administers the program of such referral.

(2) NOTICES.—Program participants, public agencies that refer individuals to designated programs, and the appropriate Federal, State, or local governments that administer designated programs or are program participants shall ensure that notice is provided to program beneficiaries or prospective program beneficiaries of their rights under this section.

(3) ADDITIONAL REQUIREMENTS.—A program participant making a referral pursuant to paragraph (1) shall—

(A) prior to making such referral, consider any list that the State or local government makes available of entities in the geographic area that provide program services; and

(B) ensure that the individual makes contact with the alternative provider to which the individual is referred.

(4) NONDISCRIMINATION.—A religious organization that is a program participant shall not in providing program services or engaging in outreach activities under designated programs discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(g) FISCAL ACCOUNTABILITY.—

(1) IN GENERAL.—Except as provided in paragraph (2), any religious organization that is a program participant shall be subject to the same regulations as other recipients of awards of Federal financial assistance to account, in accordance with generally accepted auditing principles, for the use of the funds provided under such awards.

(2) LIMITED AUDIT.—With respect to the award involved, a religious organization that is a program participant shall segregate Federal amounts provided under award into a separate account from non-Federal funds. Only the award funds shall be subject to audit by the government.

(h) COMPLIANCE.—With respect to compliance with this section by an agency, a religious organization may obtain judicial review of agency action in accordance with chapter 7 of title 5, United States Code.

SEC. 583. [290kk-2] LIMITATIONS ON USE OF FUNDS FOR CERTAIN PURPOSES.

No funds provided under a designated program shall be expended for sectarian worship, instruction, or proselytization.

SEC. 584. [290kk-3] EDUCATIONAL REQUIREMENTS FOR PERSONNEL IN DRUG TREATMENT PROGRAMS.

(a) FINDINGS.—The Congress finds that—

(1) establishing unduly rigid or uniform educational qualification for counselors and other personnel in drug treatment programs may undermine the effectiveness of such programs; and

(2) such educational requirements for counselors and other personnel may hinder or prevent the provision of needed drug treatment services.

(b) NONDISCRIMINATION.—In determining whether personnel of a program participant that has a record of successful drug treatment for the preceding three years have satisfied State or local requirements for education and training, a State or local government shall not discriminate against education and training provided to such personnel by a religious organization, so long as such education and training includes basic content substantially equivalent to the content provided by nonreligious organizations that the State or local government would credit for purposes of determining whether the relevant requirements have been satisfied.

PART K—MINORITY FELLOWSHIP PROGRAM

SEC. 597. [290ll] FELLOWSHIPS.

(a) IN GENERAL.—The Secretary shall maintain a program, to be known as the Minority Fellowship Program, under which the Secretary shall award fellowships, which may include stipends, for the purposes of—

(1) increasing the knowledge of mental and substance use disorders practitioners on issues related to prevention, treatment, and recovery support for individuals who are from racial and ethnic minority populations and who have a mental or substance use disorder;

(2) improving the quality of mental and substance use disorder prevention and treatment services delivered to racial and ethnic minority populations; and

(3) increasing the number of culturally competent mental and substance use disorders professionals who teach, administer services, conduct research, and provide direct mental or substance use disorder services to racial and ethnic minority populations.

(b) TRAINING COVERED.—The fellowships awarded under subsection (a) shall be for postbaccalaureate training (including for master's and doctoral degrees) for mental and substance use disorder treatment professionals, including in the fields of psychiatry, nursing, social work, psychology, marriage and family therapy, mental health counseling, and substance use disorder and addiction counseling.

(c) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there are authorized to be appropriated \$25,000,000 for each of fiscal years 2023 through 2027.

TITLE VI—ASSISTANCE FOR CONSTRUCTION AND MODERNIZATION OF HOSPITALS AND OTHER MEDICAL FACILITIES

DECLARATION OF PURPOSE

SEC. 600. [291] The purpose of this title is—

(a) to assist the several States in the carrying out of their programs for the construction and modernization of such public or other nonprofit community hospitals and other medical facilities as may be necessary, in conjunction with existing facilities, to furnish adequate hospital, clinic, or similar services to all their people;

(b) to stimulate the development of new or improved types of physical facilities for medical, diagnostic, preventive, treatment, or rehabilitative services; and

(c) to promote research, experiments, and demonstrations relating to the effective development and utilization of hospital, clinic, or similar services, facilities, and resources, and to promote the coordination of such research, experiments, and demonstrations and the useful application of their results.

PART A—GRANTS AND LOANS FOR CONSTRUCTION AND MODERNIZATION OF HOSPITALS AND OTHER MEDICAL FACILITIES

AUTHORIZATION OF APPROPRIATIONS FOR CONSTRUCTION AND MODERNIZATION GRANTS

SEC. 601. [291a] In order to assist the States in carrying out the purposes of section 600, there are authorized to be appropriated—

(a) for the fiscal year ending June 30, 1974—

- (1) \$20,800,000 for grants for the construction of public or other nonprofit facilities for long-term care;
- (2) \$70,000,000 for grants for the construction of public or other nonprofit outpatient facilities;
- (3) \$15,000,000 for grants for the construction of public or other nonprofit rehabilitation facilities;
- (b) for grants for the construction of public or other nonprofit hospitals and public health centers, \$150,000,000 for the fiscal year ending June 30, 1965, \$160,000,000 for the fiscal year ending June 30, 1966, \$170,000,000 for the fiscal year ending June 30, 1967, \$180,000,000 each for the next two fiscal years, \$195,000,000 for the fiscal year ending June 30, 1970, \$147,500,000 for the fiscal year ending June 30, 1971, \$152,500,000 for the fiscal year ending June 30, 1972, \$157,500,000 for the fiscal year ending June 30, 1973, and \$41,400,000 for the fiscal year ending June 30, 1974; and
- (c) for grants for modernization of the facilities referred to in paragraphs (a) and (b), \$65,000,000 for the fiscal year ending June 30, 1971, \$80,000,000 for the fiscal year ending June 30, 1972, \$90,000,000 for the fiscal year ending June 30, 1973, and \$50,000,000 for the fiscal year ending June 30, 1974.

STATE ALLOTMENTS

SEC. 602. [291b] (a)(1) Each State shall be entitled for each fiscal year to an allotment bearing the same ratio to the sums appropriated for such year pursuant to subparagraphs (1), (2), and (3), respectively, of section 601(a), and to an allotment bearing the same ratio to the sums appropriated for such year pursuant to section 601(b), as the product of—

- (A) the population of such State, and
 - (B) the square of its allotment percentage,
- bears to the sum of the corresponding products for all of the States.
- (2) For each fiscal year, the Secretary shall, in accordance with regulations, make allotments among the States, from the sums appropriated for such year under section 601(c), on the basis of the population, the financial need, and the extent of the need for modernization of the facilities referred to in paragraphs (a) and (b) of section 601, of the respective States.

(b)(1) The allotment to any State under subsection (a) for any fiscal year which is less than—

(A) \$50,000 for the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, or Guam and \$100,000 for any other State, in the case of an allotment for grants for the construction of public or other nonprofit rehabilitation facilities.

(B) \$100,000 for the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, or Guam and \$200,000 for any other State in the case of an allotment for grants for the construction of public or other nonprofit outpatient facilities.

(C) \$200,000 for the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, or Guam and \$300,000 for any other State in the case of an allotment for grants for the construction of public or other nonprofit facilities for long-

term care or for the construction of public or other nonprofit hospitals and public health centers, or for the modernization of facilities referred to in paragraph (a) or (b) of section 601, or

(D) \$200,000 for the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, or Guam and \$300,000 for any other State in the case of an allotment for grants for the modernization of facilities referred to in paragraphs (a) and (b) of section 601,

shall be increased to that amount, the total of the increases thereby required being derived by proportionately reducing the allotment from appropriations under such subparagraph or paragraph to each of the remaining States under subsection (a) of this section, but with such adjustments as may be necessary to prevent the allotment of any of such remaining States from appropriations under such subparagraph or paragraph from being thereby reduced to less than that amount.

(2) An allotment of the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, or Guam for any fiscal year may be increased as provided in paragraph (1) only to the extent it satisfies the Surgeon General, at such time prior to the beginning of such year as the Surgeon General may designate, that such increase will be used for payments under and in accordance with the provisions of this part.

(c) For the purposes of this part—

(1) The “allotment percentage” for any State shall be 100 per centum less that percentage which bears the same ratio to 50 per centum as the per capita income of such State bears to the per capita income of the United States, except that (A) the allotment percentage shall in no case be more than 75 per centum or less than $33\frac{1}{3}$ per centum, and (B) the allotment percentage for the Commonwealth of Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, and the Virgin Islands shall be 75 per centum.

(2) The allotment percentages shall be determined by the Surgeon General between July 1 and September 30 of each even-numbered year, on the basis of the average of the per capita incomes of each of the States and of the United States for the three most recent consecutive years for which satisfactory data are available from the Department of Commerce, and the States shall be notified promptly thereof. Such determination shall be conclusive for each of the two fiscal years in the period beginning July 1 next succeeding such determination.

(3) The population of the several States shall be determined on the basis of the latest figures certified by the Department of Commerce.

(4) The term “United States” means (but only for purposes of paragraphs (1) and (2)) the fifty States and the District of Columbia.

(d)(1) Any sum allotted to a State, other than the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, and Guam for a fiscal year under this section and remaining unobligated at the end of such year shall remain available to such State, for the purpose for which made, for the next two fiscal years

(and for such years only), in addition to the sums allotted to such State for such purposes for such next two fiscal years.

(2) Any sum allotted to the Virgin Islands, American Samoa, the Trust Territory of the Pacific Islands, or Guam for a fiscal year under this section and remaining unobligated at the end of such year shall remain available to it, for the purpose for which made, for the next two fiscal years (and for such years only), in addition to the sums allotted to it for such purpose for each of such next two fiscal years.

(e)(1) Upon the request of any State that a specified portion of any allotment of such State under subsection (a) for any fiscal year be added to any other allotment or allotments of such State under such subsection for such year, the Secretary shall promptly (but after application of subsection (b)) adjust the allotments of such State in accordance with such request and shall notify the State agency; except that the aggregate of the portions so transferred from an allotment for a fiscal year pursuant to this paragraph may not exceed the amount specified with respect to such allotment in clause (A), (B), (C), or (D), as the case may be, of subsection (b)(1) which is applicable to such State.

(2) In addition to the transfer of portions of allotments under paragraph (1), upon the request of any State that a specified portion of any allotment of such State under subsection (a), other than an allotment for grants for the construction of public or other non-profit rehabilitation facilities, be added to another allotment of such State under such subsection, other than an allotment for grants for the construction of public or other nonprofit hospitals and public health centers, and upon simultaneous certification to the Secretary by the State agency in such State to the effect that—

(A) it has afforded a reasonable opportunity to make applications for the portion so specified and there have been no approvable applications for such portions, or

(B) in the case of a request to transfer a portion of an allotment for grants for the construction of public or other non-profit hospitals and public health centers, use of such portion as requested by such State agency will better carry out the purposes of this title,

the Secretary shall promptly (but after application of subsection (b)) adjust the allotments of such State in accordance with such request and shall notify the State agency.

(3) In addition to the transfer of portions of allotments under paragraph (1) or (2), upon the request of any State that a specified portion of an allotment of such State under paragraph (2) of subsection (a) be added to an allotment of such State under paragraph (1) of such subsection for grants for the construction of public or other nonprofit hospitals and public health centers, and upon simultaneous certification by the State agency in such State to the effect that the need for new public or other nonprofit hospitals and public health centers is substantially greater than the need for modernization of facilities referred to in paragraph (a) or (b) of section 601, the Secretary shall promptly (but after application of subsection (b) of this section) adjust the allotments of such State in accordance with such request and shall notify the State agency.

(4) After adjustment of allotments of any State, as provided in paragraph (1), (2), or (3) of this subsection, the allotments as so adjusted shall be deemed to be the State's allotments under this section.

(f) In accordance with regulations, any State may file with the Surgeon General a request that a specified portion of an allotment to it under this part for grants for construction of any type of facility, or for modernization of facilities, be added to the corresponding allotment of another State for the purpose of meeting a portion of the Federal share of the cost of a project for the construction of a facility of that type in such other State, or for modernization of a facility in such other State, as the case may be. If it is found by the Surgeon General (or, in the case of a rehabilitation facility, by the Surgeon General and the Secretary) that construction or modernization of the facility with respect to which the request is made would meet needs of the State making the request and that use of the specified portion of such State's allotment, as requested by it, would assist in carrying out the purposes of this title, such portion of such State's allotment shall be added to the corresponding allotment of the other State, to be used for the purpose referred to above.

GENERAL REGULATIONS

SEC. 603. [291c] The Surgeon General, with the approval of the Federal Hospital Council and the Secretary of Health, Education, and Welfare, shall by general regulations prescribe—

(a) the general manner in which the State agency shall determine the priority of projects based on the relative need of different areas lacking adequate facilities of various types for which assistance is available under this part, giving special consideration—

(1) in the case of projects for the construction of hospitals, to facilities serving areas with relatively small financial resources and, at the option of the State, rural communities;

(2) in the case of projects for the construction of rehabilitation facilities, to facilities operated in connection with a university teaching hospital which will provide an integrated program of medical, psychological, social, and vocational evaluation and services under competent supervision;

(3) in the case of projects for modernization of facilities, to facilities serving densely populated areas;

(4) in the case of projects for construction or modernization of outpatient facilities, to any outpatient facility that will be located in, and provide services for residents of, an area determined by the Secretary to be a rural or urban poverty area;

(5) to projects for facilities which, alone or in conjunction with other facilities, will provide comprehensive health care, including outpatient and preventive care as well as hospitalization;

(6) to facilities which will provide training in health or allied health professions; and

(7) to facilities which will provide to a significant extent, for the treatment of alcoholism;

(b) general standards of construction and equipment for facilities of different classes and in different types of location, for which assistance is available under this part;

(c) criteria for determining needs for general hospital and long-term care beds, and needs for hospitals and other facilities for which aid under this part is available, and for developing plans for the distribution of such beds and facilities;

(d) criteria for determining the extent to which existing facilities, for which aid under this part is available, are in need of modernization; and

(e) that the State plan shall provide for adequate hospitals, and other facilities for which aid under this part is available, for all persons residing in the State, and adequate hospitals (and such other facilities) to furnish needed services for persons unable to pay therefor. Such regulations may also require that before approval of an application for a project is recommended by a State agency to the Surgeon General for approval under this part, assurance shall be received by the State from the applicant that (1) the facility or portion thereof to be constructed or modernized will be made available to all persons residing in the territorial area of the applicant; and (2) there will be made available in the facility or portion thereof to be constructed or modernized a reasonable volume of services to persons unable to pay therefor, but an exception shall be made if such a requirement is not feasible from a financial viewpoint.

STATE PLANS

SEC. 604. [291d] (a) Any State desiring to participate in this part may submit a State plan. Such plan must—

(1) designate a single State agency as the sole agency for the administration of the plan, or designate such agency as the sole agency for supervising the administration of the plan;

(2) contain satisfactory evidence that the State agency designated in accordance with paragraph (1) will have authority to carry out such plan in conformity with this part;

(3) provide for the designation of a State advisory council which shall include (A) representatives of nongovernmental organizations or groups, and of public agencies, concerned with the operation, construction, or utilization of hospital or other facilities for diagnosis, prevention, or treatment of illness or disease, or for provision of rehabilitation services, and representatives particularly concerned with education or training of health professions personnel, and (B) an equal number of representatives of consumers familiar with the need for the services provided by such facilities, to consult with the State agency in carrying out the plan, and provide, if such council does not include any representatives of nongovernmental organizations or groups, or State agencies, concerned with rehabilitation, for consultation with organizations, groups, and State agencies so concerned;

(4) set forth, in accordance with criteria established in regulations prescribed under section 603 and on the basis of a statewide inventory of existing facilities, a survey of need, and

(except to the extent provided by or pursuant to such regulations) community, area, or regional plans—

(A) the number of general hospital beds and long-term care beds, and the number and types of hospital facilities and facilities for long-term care, needed to provide adequate facilities for inpatient care of people residing in the State, and a plan for the distribution of such beds and facilities in service areas throughout the State;

(B) the public health centers needed to provide adequate public health services for people residing in the State, and a plan for the distribution of such centers throughout the State;

(C) the outpatient facilities needed to provide adequate diagnostic or treatment services to ambulatory patients residing in the State, and a plan for distribution of such facilities throughout the State;

(D) the rehabilitation facilities needed to assure adequate rehabilitation services for disabled persons residing in the State, and a plan for distribution of such facilities throughout the State; and

(E) effective January 1, 1966, the extent to which existing facilities referred to in section 601 (a) or (b) in the State are in need of modernization;

(5) set forth a construction and modernization program conforming to the provisions set forth pursuant to paragraph (4) and regulations prescribed under section 603 and providing for construction or modernization of the hospital or long-term care facilities, public health centers, outpatient facilities and rehabilitation facilities which are needed, as determined under the provisions so set forth pursuant to paragraph (4);

(6) set forth, with respect to each of such types of medical facilities, the relative need, determined in accordance with regulations prescribed under section 603, for projects for facilities of that type, and provide for the construction or modernization, insofar as financial resources available therefor and for maintenance and operation make possible, in the order of such relative need;

(7) provide minimum standards (to be fixed in the discretion of the State) for the maintenance and operation of facilities providing inpatient care which receive aid under this part and, effective July 1, 1966, provide for enforcement of such standards with respect to projects approved by the Surgeon General under this part after June 30, 1964;

(8) provide such methods of administration of the State plan, including methods relating to the establishment and maintenance of personnel standards on a merit basis (except that the Surgeon General shall exercise no authority with respect to the selection, tenure of office, or compensation of any individual employed in accordance with such methods), as are found by the Surgeon General to be necessary for the proper and efficient operation of the plan;

(9) provide for affording to every applicant for a construction or modernization project an opportunity for a hearing before the State agency;

(10) provide that the State agency will make such reports, in such form and containing such information, as the Surgeon General may from time to time reasonably require, and will keep such records and afford such access thereto as the Surgeon General may find necessary to assure the correctness and verification of such reports;

(11) provide that the Comptroller General of the United States or his duly authorized representatives shall have access for the purpose of audit and examination to the records specified in paragraph (10);

(12) provide that the State agency will from time to time, but not less often than annually, review its State plan and submit to the Surgeon General any modifications thereof which it considers necessary; and

(13) effective July 1, 1971, provide that before any project for construction or modernization of any general hospital is approved by the State agency there will be reasonable assurance of adequate provision for extended care services (as determined in accordance with regulations) to patients of such hospital when such services are medically appropriate for them, with such services being provided in facilities which (A) are structurally part of, physically connected with, or in immediate proximity to, such hospital, and (B) either (i) are under the supervision of the professional staff of such hospital or (ii) have organized medical staffs and have in effect transfer agreements with such hospital; except that the Secretary may, at the request of the State agency, waive compliance with clause (A) or (B), or both such clauses, as the case may be, in the case of any project if the State agency has determined that compliance with such clause or clauses in such case would be inadvisable.

(b) The Surgeon General shall approve any State plan and any modification thereof which complies with the provisions of subsection (a). If any such plan or modification thereof shall have been disapproved by the Surgeon General for failure to comply with subsection (a), the Federal Hospital Council shall, upon request of the State agency, afford it an opportunity for hearing. If such Council determines that the plan or modification complies with the provisions of such subsection, the Surgeon General shall thereupon approve such plan or modification.

APPROVAL OF PROJECTS FOR CONSTRUCTION OR MODERNIZATION

SEC. 605. [291e] (a) For each project pursuant to a State plan approved under this part, there shall be submitted to the Surgeon General, through the State agency, an application by the State or a political subdivision thereof or by a public or other nonprofit agency. If two or more such agencies join in the project, the application may be filed by one or more of such agencies. Such application shall set forth—

- (1) a description of the site for such project;
- (2) plans and specifications therefor, in accordance with regulations prescribed under section 603;
- (3) reasonable assurance that title to such site is or will be vested on one or more of the agencies filing the application or

in a public or other nonprofit agency which is to operate the facility on completion of the project;

(4) reasonable assurance that adequate financial support will be available for the completion of the project and for its maintenance and operation when completed;

(5) reasonable assurance that all laborers and mechanics employed by contractors or subcontractors in the performance of construction or modernization on the project will be paid wages at rates not less than those prevailing on similar work in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a—276a–5); and the Secretary of Labor shall have with respect to the labor standards specified in this paragraph the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 5 U.S.C. 133z–15) and section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 276c); and

(6) a certification by the State agency of the Federal share for the project.

(b) The Surgeon General shall approve such application if sufficient funds to pay the Federal share of the cost of such project are available from the appropriate allotment to the State, and if the Surgeon General finds (1) that the application contains such reasonable assurance as to title, financial support, and payment of prevailing rates of wages; (2) that the plans and specifications are in accord with the regulations prescribed pursuant to section 603; (3) that the application is in conformity with the State plan approved under section 604 and contains an assurance that in the operation of the project there will be compliance with the applicable requirements of the regulations prescribed under section 603(e), and with State standards for operation and maintenance; and (4) that the application has been approved and recommended by the State agency, opportunity has been provided, prior to such approval and recommendation, for consideration of the project by the public or nonprofit private agency or organization which has developed the comprehensive regional, metropolitan area, or other local area plan or plans referred to in section 314(b) covering the area in which such project is to be located or, if there is no such agency or organization, by the State agency administering or supervising the administration of the State plan approved under section 314(a), and the application is for a project which is entitled to priority over other projects within the State in accordance with the regulations prescribed pursuant to section 603(a). Notwithstanding the preceding sentence, the Surgeon General may approve such an application for a project for construction or modernization of a rehabilitation facility only if it is also approved by the Secretary of Health, Education, and Welfare.

(c) No application shall be disapproved until the Surgeon General has afforded the State agency an opportunity for a hearing.

(d) Amendment of any approved application shall be subject to approval in the same manner as an original application.

(e) Notwithstanding any other provision of this title, no application for an outpatient facility shall be approved under this section unless the applicant is (1) a State, political subdivision, or

public agency, or (2) a corporation or association which owns and operates a nonprofit hospital (as defined in section 645) or which provides reasonable assurance that the services of a general hospital will be available to patients of such facility who are in need of hospital care.

PAYMENTS FOR CONSTRUCTION OR MODERNIZATION

SEC. 606. [291f] (a) Upon certification to the Surgeon General by the State agency, based upon inspection by it, that work has been performed upon a project, or purchases have been made, in accordance with the approved plans and specifications, and that payment of an installment is due to the applicant, such installment shall be paid to the State, from the applicable allotment of such State, except that (1) if the State is not authorized by law to make payments to the applicant, or if the State so requests, the payment shall be made directly to the applicant, (2) if the Surgeon General, after investigation or otherwise, has reason to believe that any act (or failure to act) has occurred requiring action pursuant to section 607, payment may, after he has given the State agency notice of opportunity for hearing pursuant to such section, be withheld, in whole or in part, pending corrective action or action based on such hearing, and (3) the total of payments under this subsection with respect to such project may not exceed an amount equal to the Federal share of the cost of construction of such project.

(b) In case an amendment to an approved application is approved as provided in section 605 or the estimated cost of a project is revised upward, any additional payment with respect thereto may be made from the applicable allotment of the State for the fiscal year in which such amendment or revision is approved.

(c)(1) At the request of any State, a portion of any allotment or allotments of such State under this part shall be available to pay one-half (or such smaller share as the State may request) of the expenditures found necessary by the Surgeon General for the proper and efficient administration during such year of the State plan approved under this part; except that not more than 4 per centum of the total of the allotments of such State for a year, or \$100,000, whichever is less, shall be available for such purpose for such year. Payments of amounts due under this paragraph may be made in advance or by way of reimbursement, and in such installments, as the Surgeon General may determine.

(2) Any amount paid under paragraph (1) to any State for any fiscal year shall be paid on condition that there shall be expended from State sources for such year for administration of the State plan approved under this part not less than the total amount expended for such purposes from such sources during the fiscal year ending June 30, 1970.

WITHHOLDING OF PAYMENTS

SEC. 607. [291g] Whenever the Surgeon General, after reasonable notice and opportunity for hearing to the State agency designated as provided in section 604(a)(1), finds—

(a) that the State agency is not complying substantially with the provisions required by section 604 to be included in its State plan; or

(b) that any assurance required to be given in an application filed under section 605 is not being or cannot be carried out; or

(c) that there is a substantial failure to carry out plans and specifications approved by the Surgeon General under section 605; or

(d) that adequate State funds are not being provided annually for the direct administration of the State plan,

the Surgeon General may forthwith notify the State agency that—

(e) no further payments will be made to the State under this part, or

(f) no further payments will be made from the allotments of such State from appropriations under any one or more subparagraphs or paragraphs of section 601, or for any project or projects, designated by the Surgeon General as being affected by the action or inaction referred to in paragraph (a), (b), (c), or (d) of this section, as the Surgeon General may determine to be appropriate under the circumstances; and, except with regard to any project for which the application has already been approved and which is not directly affected, further payments may be withheld, in whole or in part, until there is no longer any failure to comply (or carry out the assurance or plans and specifications or provide adequate State funds, as the case may be) or, if such compliance (or other action) is impossible, until the State repays or arranges for the repayment of Federal moneys to which the recipient was not entitled.

JUDICIAL REVIEW

SEC. 608. [291h] (a) If the Surgeon General refuses to approve any application for a project submitted under section 605 or section 610, the State agency through which such application was submitted, or if any State is dissatisfied with his action under section 607 such State may appeal to the United States court of appeals for the circuit in which such State is located, by filing a petition with such court within sixty days after such action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Surgeon General, or any officer designated by him for that purpose. The Surgeon General shall thereupon file in the court the record of the proceedings on which he based his action, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition, the court shall have jurisdiction to affirm the action of the Surgeon General or to set it aside, in whole or in part, temporarily or permanently, but until the filing of the record, the Surgeon General may modify or set aside his order.

(b) The findings of the Surgeon General as to the facts, if supported by substantial evidence, shall be conclusive, but the court, for good cause shown, may remand the case to the Surgeon General to take further evidence, and the Surgeon General may thereupon make new or modified findings of fact and may modify his previous action, and shall file in the court the record of the further pro-

ceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(c) The judgment of the court affirming or setting aside, in whole or in part, any action of the Surgeon General shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code. The commencement of proceedings under this section shall not, unless so specifically ordered by the court, operate as a stay of the Surgeon General's action.

RECOVERY

SEC. 609.¹ [291i] (a) If any facility with respect to which funds have been paid under section 606 shall, at any time within 20 years after the completion of construction or modernization—

(1) be sold or transferred to any entity (A) which is not qualified to file an application under section 605, or (B) which is not approved as a transferee by the State agency designated pursuant to section 604, or its successor, or

(2) cease to be a public health center or a public or other nonprofit hospital, outpatient facility, facility for long-term care, or rehabilitation facility, the United States shall be entitled to recover, whether from the transferor or the transferee (or, in the case of a facility which has ceased to be public or nonprofit, from the owners thereof) an amount determined under subsection (c).

(b) The transferor of a facility which is sold or transferred as described in subsection (a)(1), or the owner of a facility the use of which is changed as described in subsection (a)(2), shall provide the Secretary written notice of such sale, transfer, or change not later than the expiration of 10 days from the date on which such sale, transfer, or change occurs.

(c)(1) except as provided in paragraph (2), the amount the United States shall be entitled to recover under subsection (a) is an amount bearing the same ratio to the then value (as determined by the agreement of the parties or in an action brought in the district court of the United States for the district for which the facility involved is situated) of so much of the facility as constituted an approved project or projects as the amount of the Federal participation bore to the cost of the construction or modernization of such project or projects.

(2)(A) After the expiration of—

(i) 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b), in the case of a facility which is sold or transferred or the use of which changes after the date of the enactment of this subsection, or

(ii) thirty days after the date of the enactment of this subsection or if later 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection

¹ Subtitle D of title VII of Public Law 100-607 waived the applicability of section 609 regarding a specified medical facility if certain conditions relating to satisfaction of the obligations under section 603(e) were met. (The text of such subtitle D is provided in this compilation under the heading "Waiver Regarding Title VI of Public Health Service Act".) Private Law 99-21 provided such a waiver regarding another specified medical facility.

(b), in the case of a facility which was sold or transferred or the use of which changed before the date of the enactment of this subsection.²

the amount which the United States is entitled to recover under paragraph (1) with respect to a facility shall be the amount prescribed by paragraph (1) plus interest, during the period described in subparagraph (B), at a rate (determined by the Secretary) based on the average of the bond equivalent of the weekly ninety-day Treasury bill auction rate.

(B) The period referred to in subparagraph (A) is the period beginning—

(i) in the case of a facility which was sold or transferred or the use of which changed before the date of the enactment of this subsection, thirty days after such date or if later 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b),

(ii) in the case of a facility with respect to which notice is provided in accordance with subsection (b), upon the expiration of 180 days after the receipt of such notice, or

(iii) in the case of a facility with respect to which such notice is not provided as prescribed by subsection (b), on the date of the sale, transfer, or change of use for which such notice was to be provided,

and ending on the date the amount the United States is entitled to under paragraph (1) is collected.

(d)(1) The Secretary may waive the recovery rights of the United States under subsection (a)(1) with respect to a facility in any State if the Secretary determines, in accordance with regulations, that the entity to which the facility was sold or transferred—

(A) has established an irrevocable trust—

(i) in an amount equal to the greater of twice the cost of the remaining obligation of the facility under clause (2) of section 603(e) or the amount, determined under subsection (c), that the United States is entitled to recover, and

(ii) which will only be used by the entity to provide the care required by clause (2) of section 603(e); and

(B) will meet the obligation of the facility under clause (1) of section 603(e).

(2) The Secretary may waive the recovery rights of the United States under subsection (a)(2) with respect to a facility in any State if the Secretary determines, in accordance with regulations, that there is good cause for waiving such rights with respect to such facility.

(e) The right of recovery of the United States under subsection (a) shall not constitute a lien on any facility with respect to which funds have been paid under section 606.

LOANS FOR CONSTRUCTION OR MODERNIZATION OF HOSPITALS AND OTHER MEDICAL FACILITIES

SEC. 610. [291j] (a) In order further to assist the States in carrying out the purposes of this title, the Surgeon General is author-

² So in law. The period probably should be a comma.

ized to make a loan of funds to the applicant for any project for construction or modernization which meets all of the conditions specified for a grant under this part.

(b) Except as provided in this section, an application for a loan with respect to any project under this part shall be submitted, and shall be approved by the Surgeon General, in accordance with the same procedures and subject to the same limitations and conditions as would be applicable to the making of a grant under this part for such project. Any such application may be approved in any fiscal year only if sufficient funds are available from the allotment for the type of project involved. All loans under this section shall be paid directly to the applicant.

(c)(1) The amount of a loan under this part shall not exceed an amount equal to the Federal share of the estimated cost of construction or modernization under the project. Where a loan and a grant are made under this part with respect to the same project, the aggregate amount of such loan and such grant shall not exceed an amount equal to the Federal share of the estimated cost of construction or modernization under the project. Each loan shall bear interest at the rate arrived at by adding one-quarter of 1 per centum per annum to the rate which the Secretary of the Treasury determines to be equal to the current average yield on all outstanding marketable obligations of the United States as of the last day of the month preceding the date the application for the loan is approved and by adjusting the result so obtained to the nearest one-eighth of 1 per centum. Each loan made under this part shall mature not more than forty years after the date on which such loan is made, except that nothing in this part shall prohibit the payment of all or part of the loan at any time prior to the maturity date. In addition to the terms and conditions provided for, each loan under this part shall be made subject to such terms, conditions, and covenants relating to repayment of principal, payment of interest, and other matters as may be agreed upon by the applicant and the Surgeon General.

(2) The Surgeon General may enter into agreements modifying any of the terms and conditions of a loan made under this part whenever he determines such action is necessary to protect the financial interest of the United States.

(3) If, at any time before a loan for a project has been repaid in full, any of the events specified in clause (a) or clause (b) of section 609 occurs with respect to such project, the unpaid balance of the loan shall become immediately due and payable by the applicant, and any transferee of the facility shall be liable to the United States for such repayment.

(d) Any loan under this part shall be made out of the allotment from which a grant for the project concerned would be made. Payments of interest and repayments of principal on loans under this part shall be deposited in the Treasury as miscellaneous receipts.

PART B—LOAN GUARANTEES AND LOANS FOR MODERNIZATION AND
CONSTRUCTION OF HOSPITALS AND OTHER MEDICAL FACILITIES

AUTHORIZATION OF LOAN GUARANTEES AND LOANS

SEC. 621. [291j-1] (a)(1) In order to assist nonprofit private agencies to carry out needed projects for the modernization or construction of nonprofit private hospitals, facilities for long-term care, outpatient facilities, and rehabilitation facilities, the Secretary, during the period July 1, 1970, through June 30, 1974, may, in accordance with the provisions of this part, guarantee to non-Federal lenders making loans to such agencies for such projects, payment of principal of and interest on loans, made by such lenders, which are approved under this part.

(2) In order to assist public agencies to carry out needed projects for the modernization or construction of public health centers, and public hospitals, facilities for long-term care, outpatient facilities, and rehabilitation facilities, the Secretary, during the period July 1, 1970, through June 30, 1974, may, in accordance with the provisions of this part, make loans to such agencies which shall be sold and guaranteed in accordance with section 627.

(b)(1) No loan guarantee under this part with respect to any modernization or construction project may apply to so much of the principal amount thereof as, when added to the amount of any grant or loan under part A with respect to such project, exceeds 90 per centum of the cost of such project.

(2) No loan to a public agency under this part shall be made in an amount which, when added to the amount of any grant or loan under part A with respect to such project, exceeds 90 per centum of the cost of such project.

(c) The Secretary, with the consent of the Secretary of Housing and Urban Development, shall obtain from the Department of Housing and Urban Development such assistance with respect to the administration of this part as will promote efficiency and economy thereof.

ALLOCATION AMONG THE STATES

SEC. 622. [291j-2] (a) For each fiscal year, the total amount of principal of loans to nonprofit private agencies which may be guaranteed or loans to public agencies which may be directly made under this part shall be allotted by the Secretary among the States, in accordance with regulations, on the basis of each State's relative population, financial need, need for construction of the facilities referred to in section 621(a), and need for modernization of such facilities.

(b) Any amount allotted under subsection (a) to a State for a fiscal year ending before July 1, 1973, and remaining unobligated at the end of such year shall remain available to such State, for the purpose for which made, for the next two fiscal years (and for such years only), and any such amount shall be in addition to the amounts allotted to such State for such purpose for each of such next two fiscal years; except that, with the consent of any such State, any such amount remaining unobligated at the end of the first of such next fiscal year may be reallocated (on such basis as the

Secretary deems equitable and consistent with the purposes of this title) to other States which have need therefor. Any amounts so reallocated to a State shall be available for the purposes for which made until the close of the second such next two fiscal years and shall be in addition to the amount allotted and available to such State for the same period.

(c) Any amount allotted or reallocated to a State under this section for a fiscal year shall not, until the expiration of the period during which it is available for obligation, be considered as available for allotment for a subsequent fiscal year.

(d) The allotments of any State under subsection (a) for the fiscal year ending June 30, 1971, and the succeeding fiscal year shall also be available to guarantee loans with respect to any project, for modernization or construction of a nonprofit private hospital or other health facility referred to in section 621(a)(1), if the modernization or construction of such facility was not commenced earlier than January 1, 1968, and if the State certifies and the Secretary finds that without such guaranteed loan such facility could not be completed and begin to operate or could not continue to operate, but with such guaranteed loan would be able to do so: *Provided*, That this subsection shall not apply to more than two projects in any one State.

APPLICATIONS AND CONDITIONS

SEC. 623. [291j-3] (a) For each project for which a guarantee of a loan to a nonprofit private agency or a direct loan to a public agency is sought under this part, there shall be submitted to the Secretary, through the State agency designated in accordance with section 604, an application by such private nonprofit agency or by such public agency. If two or more private nonprofit agencies, or two or more public agencies, join in the project, the application may be filed by one or more such agencies. Such application shall (1) set forth all of the descriptions, plans, specifications, assurances, and information which are required by the third sentence of section 605(a) (other than clause (6) thereof) with respect to applications submitted under that section, (2) contain such other information as the Secretary may require to carry out the purposes of this part, and (3) include a certification by the State agency of the total cost of the project and the amount of the loan for which a guarantee is sought under this part, or the amount of the direct loan sought under this part, as the case may be.

(b) The Secretary may approve such application only if—

(1) there remains sufficient balance in the allotment determined for such State pursuant to section 622 to cover the amount of the loan for which a guarantee is sought, or the amount of the direct loan sought (as the case may be), in such application,

(2) he makes each of the findings which are required by clauses (1) through (4) of section 605(b) for the approval of applications for projects thereunder (except that, in the case of the finding required under such clause (4) of entitlement of a project to a priority established under section 603(a), such find-

ing shall be made without regard to the provisions of clauses (1) and (3) of such section),

(3) he finds that there is compliance with section 605(e),

(4) he obtains assurances that the applicant will keep such records, and afford such access thereto, and make such reports, in such form and containing such information, as the Secretary may reasonably require, and

(5) he also determines, in the case of a loan for which a guarantee is sought, that the terms, conditions, maturity, security (if any), and schedule and amounts of repayments with respect to the loan are sufficient to protect the financial interests of the United States and are otherwise reasonable and in accord with regulations, including a determination that the rate of interest does not exceed such per centum per annum on the principal obligation outstanding as the Secretary determines to be reasonable, taking into account the range of interest rates prevailing in the private market for similar loans and the risks assumed by the United States.

(c) No application under this section shall be disapproved until the Secretary has afforded the State agency an opportunity for a hearing.

(d) Amendment of an approved application shall be subject to approval in the same manner as an original application.

(e)(1) In the case of any loan to a nonprofit private agency, the United States shall be entitled to recover from the applicant the amount of any payments made pursuant to any guarantee of such loan under this part, unless the Secretary for good cause waives its right of recovery, and, upon making any such payment, the United States shall be subrogated to all of the rights of the recipient of the payments with respect to which the guarantee was made.

(2) Guarantees of loans to nonprofit private agencies under this part shall be subject to such further terms and conditions as the Secretary determines to be necessary to assure that the purposes of this part will be achieved, and, to the extent permitted by subsection (f), any of such terms and conditions may be modified by the Secretary to the extent he determines it to be consistent with the financial interest of the United States.

(f) Any guarantee of a loan to a nonprofit private agency made by the Secretary pursuant to this part shall be incontestable in the hands of an applicant on whose behalf such guarantee is made, and as to any person who makes or contracts to make a loan to such applicant in reliance thereon, except for fraud or misrepresentation on the part of such applicant or such other person.

PAYMENT OF INTEREST ON GUARANTEED LOAN

SEC. 624. [291j-4] (a) Subject to the provisions of subsection (b), in the case of a guarantee of any loan to a nonprofit private agency under this part with respect to a hospital or other medical facility, the Secretary shall pay, to the holder of such loan and for and on behalf of such hospital or other medical facility amounts sufficient to reduce by 3 per centum per annum the net effective interest rate otherwise payable on such loan. Each holder of a loan, to a nonprofit private agency, which is guaranteed under this part

shall have a contractual right to receive from the United States interest payments required by the preceding sentence.

(b) Contracts to make the payments provided for in this section shall not carry an aggregate amount greater than such amount as may be provided in appropriations Acts.

LIMITATION ON AMOUNT OF LOANS GUARANTEED OR DIRECTLY MADE

SEC. 625. [291j-5] The cumulative total of the principal of the loans outstanding at any time with respect to which guarantees have been issued, or which have been directly made, under this part may not exceed the lesser of—

(1) such limitations as may be specified in appropriations Acts, or

(2) in the case of loans covered by allotments for the fiscal year ending June 30, 1971, \$500,000,000; for the fiscal year ending June 30, 1972, \$1,000,000,000; and for each of the fiscal years ending June 30, 1973, and June 30, 1974.

LOAN GUARANTEE AND LOAN FUND

SEC. 626. [291j-6] (a)(1) There is hereby established in the Treasury a loan guarantee and loan fund (hereinafter in this section referred to as the “fund”) which shall be available to the Secretary without fiscal year limitation, in such amounts as may be specified from time to time in appropriations Acts, (i) to enable him to discharge his responsibilities under guarantees issued by him under this part, (ii) for payment of interest on the loans to non-profit agencies which are guaranteed, (iii) for direct loans to public agencies which are sold and guaranteed, (iv) for payment of interest with respect to such loans, and (v) for repurchase by him of direct loans to public agencies which have been sold and guaranteed. There are authorized to be appropriated to the fund from time to time such amounts as may be necessary to provide capital required for the fund. To the extent authorized from time to time in appropriation Acts, there shall be deposited in the fund amounts received by the Secretary as interest payments or repayments of principal on loans and any other moneys, property, or assets derived by him from his operations under this part, including any moneys derived from the sale of assets.

(2) Of the moneys in the fund, there shall be available to the Secretary for the purpose of making of direct loans to public agencies only such sums as shall have been appropriated for such purpose pursuant to section 627 or sums received by the Secretary from the sale of such loans (in accordance with such section) and authorized in appropriations Acts to be used for such purpose.

(b) If at any time the moneys in the fund are insufficient to enable the Secretary to discharge his responsibilities under this part—

(i)³ to make payments of interest on loans to nonprofit private agencies which he has guaranteed under this part;

(ii)³ to otherwise comply with guarantees under this part of loans to nonprofit private agencies;

(iii)³ to make payments of interest subsidies with respect to loans to public agencies which he has made, sold, and guaranteed under this part;

(iv)³ in the event of default by public agencies to make payments of principal and interest on loans which the Secretary has made, sold, and guaranteed, under this part, to make such payments to the purchaser of such loan;

(v)³ to repurchase loans to public agencies which have been sold and guaranteed under this part,

he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury, but only in such amounts as may be specified from time to time in appropriations Acts. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. Sums borrowed under this subsection shall be deposited in the fund and redemption of such notes and obligations shall be made by the Secretary from such fund.

PROVISIONS APPLICABLE TO LOANS TO PUBLIC FACILITIES

SEC. 627. [291j-7] (a)(1) Any loan made by the Secretary to a public agency under this part for the modernization or construction of a public hospital or other health facility shall require such public agency to pay interest thereon at a rate comparable to the current rate of interest prevailing with respect to loans, to nonprofit private agencies, which are guaranteed under this part, for the modernization or construction of similar facilities in the same or similar areas, minus 3 per centum per annum.

(2)(A) No loan to a public agency shall be made under this part unless—

³ Clauses (i) through (v) probably should be redesignated as paragraphs (1) through (5), respectively. See section 201 of Public Law 91-296 (84 Stat. 347).

(i) the Secretary is reasonably satisfied that such agency will be able to make payments of principal and interest thereon when due, and

(ii) such agency provides the Secretary with reasonable assurances that there will be available to such agency such additional funds as may be necessary to complete the project with respect to which such loan is requested.

(B) Any loan to a public agency shall have such security, have such maturity date, be repayable in such installments, and be subject to such other terms and conditions (including provision for recovery in case of default) as the Secretary determines to be necessary to carry out the purposes of this part while adequately protecting the financial interests of the United States.

(3) In making loans to public agencies under this part, the Secretary shall give due regard to achieving an equitable geographical distribution of such loans.

(b)(1) The Secretary shall from time to time, but with due regard to the financial interests of the United States, sell loans referred to in subsection (a)(1) either on the private market or to the Federal National Mortgage Association in accordance with section 302 of the Federal National Mortgage Association Charter Act.

(2) Any loan so sold shall be sold for an amount which is equal (or approximately equal) to the amount of the unpaid principal of such loan as of the time of sale.

(c)(1) The Secretary is authorized to enter into an agreement with the purchaser of any loan sold under this part under which the Secretary agrees—

(A) to guarantee to such purchaser (and any successor in interest to such purchaser) payments of the principal and interest payable under such loan, and

(B) to pay as an interest subsidy to such purchaser (and any successor in interest of such purchaser) amounts which when added to the amount of interest payable on such loan, are equivalent to a reasonable rate of interest on such loan as determined by the Secretary, after taking into account the range of prevailing interest rates in the private market on similar loans and the risks assumed by the United States.

(2) Any such agreement—

(A) may provide that the Secretary shall act as agent of any such purchaser, for the purpose of collecting from the public agency to which such loan was made and paying over to such purchaser, any payments of principal and interest payable by such agency under such loan;

(B) may provide for the repurchase by the Secretary of any such loan on such terms and conditions as may be specified in the agreement;

(C) shall provide that, in the event of any default by the public agency to which such loan was made in payment of principal and interest due on such loan, the Secretary shall, upon notification to the purchaser (or to the successor in interest of such purchaser), have the option to close out such loan (and any obligations of the Secretary with respect thereto) by paying to the purchaser (or his successor in interest) the total amount

of outstanding principal and interest due thereon at the time of such notification; and

(D) shall provide that, in the event such loan is closed out as provided in subparagraph (C), or in the event of any other loss incurred by the Secretary by reason of the failure of such public agency to make payments of principal and interest on such loan, the Secretary shall be subrogated to all rights of such purchaser for recovery of such loss from such public agency.

(d) The Secretary may, for good cause, waive any right of recovery which he has against a public agency by reason of the failure of such agency to make payments of principal and interest on a loan made to such agency under this part.

(e) After any loan to a public agency under this part has been sold and guaranteed, interest paid on such loan and any interest subsidy paid by the Secretary with respect to such loan which is received by the purchaser thereof (or his successor in interest) shall be included in gross income for the purposes of chapter 1 of the Internal Revenue Code of 1954.

(f) Amounts received by the Secretary as proceeds from the sale of loans under this section shall be deposited in the loan fund established by section 626, and shall be available to the Secretary for the making of further loans under this part in accordance with the provisions of subsection (a)(2) of such section.

(g) There is authorized to be appropriated to the Secretary, for deposit in the loan fund established by section 626, \$30,000,000 to provide initial capital for the making of direct loans by the Secretary to public agencies for the modernization or construction of facilities referred to in subsection (a)(1).

PART C—CONSTRUCTION OR MODERNIZATION OF EMERGENCY ROOMS

AUTHORIZATION

SEC. 631. [291j–8] In order to assist in the provision of adequate emergency room service in various communities of the Nation for treatment of accident victims and handling of other medical emergencies through special project grants for the construction or modernization of emergency rooms of general hospitals, there are authorized to be appropriated \$20,000,000 each for the fiscal year ending June 30, 1971, and the next two fiscal years.

ELIGIBILITY FOR GRANTS

SEC. 632. [291j–9] Funds appropriated pursuant to section 631 shall be available for grants by the Secretary for not to exceed 50 per centum of the cost of construction or modernization of emergency rooms of public or nonprofit general hospitals, including provision or replacement of medical transportation facilities. Such grants shall be made by the Secretary only after consultation with the State agency designated in accordance with section 604(a)(1) of the Public Health Service Act. In order to be eligible for a grant under this part, the project, and the applicant therefor, must meet such criteria as may be prescribed by regulations. Such regulations shall be so designed as to provide aid only with respect to projects

for which adequate assistance is not readily available from other Federal, State, local, or other sources, and to assist in providing modern, efficient, and effective emergency room service needed to care for victims of highway, industrial, agricultural, or other accidents and to handle other medical emergencies, and to assist in providing such service in geographical areas which have special need therefor.

PAYMENTS

SEC. 633. [291j–10] Grants under this part shall be paid in advance or by way of reimbursement, in such installments and on such conditions, as in the judgment of the Secretary will best carry out the purposes of this part.

PART D—GENERAL

FEDERAL HOSPITAL COUNCIL AND ADVISORY COMMITTEES

SEC. 641. [291k] (a) In administering this title, the Surgeon General shall consult with a Federal Hospital Council consisting of the Surgeon General, who shall serve as Chairman ex officio, and twelve members appointed by the Secretary of Health, Education, and Welfare. Six of the twelve appointed members shall be persons who are outstanding in fields pertaining to medical facility and health activities, and three of these six shall be authorities in matters relating to the operation of hospitals or other medical facilities, one of them shall be an authority in matters relating to individuals with intellectual disabilities, and one of them shall be an authority in matters relating to mental health, and the other six members shall be appointed to represent the consumers of services provided by such facilities and shall be persons familiar with the need for such services in urban or rural areas.

(b) Each appointed member shall hold office for a term of four years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term. An appointed member shall not be eligible to serve continuously for more than two terms (whether beginning before or after enactment of this section) but shall be eligible for reappointment if he has not served immediately preceding his reappointment.

(c) The Council shall meet as frequently as the Surgeon General deems necessary, but not less than once each year. Upon request by three or more members, it shall be the duty of the Surgeon General to call a meeting of the Council.

(d) The Council is authorized to appoint such special advisory or technical committees as may be useful in carrying out its functions.

CONFERENCE OF STATE AGENCIES

SEC. 642. [291l] Whenever in his opinion the purposes of this title would be promoted by a conference, the Surgeon General may invite representatives of as many State agencies, designated in accordance with section 604, to confer as he deems necessary or proper. A conference of the representatives of all such State agencies

shall be called annually by the Surgeon General. Upon the application of five or more of such State agencies, it shall be the duty of the Surgeon General to call a conference of representatives of all State agencies joining in the request.

STATE CONTROL OF OPERATIONS

SEC. 643. [291m] Except as otherwise specifically provided, nothing in this title shall be construed as conferring on any Federal office or employee the right to exercise any supervision or control over the administration, personnel, maintenance, or operation of any facility with respect to which any funds have been or may be expended under this title.

LOANS FOR CERTAIN HOSPITAL EXPERIMENTATION PROJECTS

SEC. 643A. [291m-1] (a) In order to alleviate hardship on any recipient of a grant under section 636 of this title (as in effect immediately before the enactment of the Hospital and Medical Facilities Amendments of 1964) for a project for the construction of an experimental or demonstration facility having as its specific purpose the application of novel means for the reduction of hospital costs with respect to which there has been a substantial increase in the cost of such construction (over the estimated cost of such project on the basis of which such grant was made) through no fault of such recipient, the Secretary is authorized to make a loan to such recipient not exceeding $66\frac{2}{3}$ per centum of such increased costs, as determined by the Secretary, if the Secretary determines that such recipient is unable to obtain such an amount for such purpose from other public or private sources.

(b) Any such loan shall be made only on the basis of an application submitted to the Secretary in such form and containing such information and assurances as he may prescribe.

(c) Each such loan shall bear interest at the rate of $2\frac{1}{2}$ per centum per annum on the unpaid balance thereof and shall be repayable over a period determined by the Secretary to be appropriate, but not exceeding fifty years.

(d) There are hereby authorized to be appropriated \$3,500,000 to carry out the provisions of this section.

DEFINITIONS

SEC. 645. ⁴ [291o] For the purposes of this title—

(a) The term “State” includes the Commonwealth of Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, the Virgin Islands, and the District of Columbia.

(b)(1) The term “Federal share” with respect to any project means the proportion of the cost of such project to be paid by the Federal Government under this title.

(2) With respect to any project in any State for which a grant is made from an allotment from an appropriation under section 601, the Federal share shall be the amount determined by the State agency designated in accordance with section 604, but not more than $66\frac{2}{3}$ per centum or the State’s allotment percentage,

⁴ Section 644 was repealed by section 3(b) of Public Law 90-174.

whichever is the lower, except that, if the State's allotment percentage is lower than 50 per centum, such allotment percentage shall be deemed to be 50 per centum for purposes of this paragraph.

(3) Prior to the approval of the first project in a State during any fiscal year the State agency designated in accordance with section 604 shall give the Secretary written notification of the maximum Federal share established pursuant to paragraph (2) for projects in such State to be approved by the Secretary during such fiscal year and the method for determining the actual Federal share to be paid with respect to such projects; and such maximum Federal share and such method of determination for projects in such State approved during such fiscal year shall not be changed after such approval.

(4) Notwithstanding the provisions of paragraphs (2) and (3) of this subsection, the Federal share shall, at the option of the State agency, be equal to the per centum provided under such paragraphs plus an incentive per centum (which when combined with the per centum provided under such paragraphs shall not exceed 90 per centum) specified by the State agency in the case of (A) projects that will provide services primarily for persons in an area determined by the Secretary to be a rural or urban poverty area, and (B) projects that offer potential for reducing health care costs through shared services among health care facilities, through inter-facility cooperation, or through the construction or modernization of free-standing outpatient facilities.

(c) The term "hospital" includes general, tuberculosis, and other types of hospitals, and related facilities, such as laboratories, outpatient departments, nurses' home facilities, extended care facilities, facilities related to programs for home health services, self-care units, and central service facilities, operated in connection with hospitals, and also includes education or training facilities for health professions personnel operated as an integral part of a hospital, but does not include any hospital furnishing primarily domiciliary care.

(d) The term "public health center" means a publicly owned facility for the provision of public health services, including related publicly owned facilities such as laboratories, clinics, and administrative offices operated in connection with such a facility.

(e) The term "nonprofit" as applied to any facility means a facility which is owned and operated by one or more nonprofit corporations or associations no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.

(f) The term "outpatient facility" means a facility (located in or apart from a hospital) for the diagnosis or diagnosis and treatment of ambulatory patients (including ambulatory inpatients)—

- (1) which is operated in connection with a hospital, or
- (2) in which patient care is under the professional supervision of persons licensed to practice medicine or surgery in the State, or in the case of dental diagnosis or treatment, under the professional supervision of persons licensed to practice dentistry in the State; or

(3) which offers to patients not requiring hospitalization the services of licensed physicians in various medical specialties, and which provides to its patients a reasonably full-range of diagnostic and treatment services.

(g) The term “rehabilitation facility” means a facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons through an integrated program of—

(1) medical evaluation and services, and
(2) psychological, social, or vocational evaluation and services,
under competent professional supervision, and in the case of which—

(3) the major portion of the required evaluation and services is furnished within the facility; and

(4) either (A) the facility is operated in connection with a hospital, or (B) all medical and related health services are prescribed by, or are under the general direction of, persons licensed to practice medicine or surgery in the State.

(h) The term “facility for long-term care” means a facility (including an extended care facility) providing in-patient care for convalescent or chronic disease patients who require skilled nursing care and related medical services—

(1) which is a hospital (other than a hospital primarily for the care and treatment of mentally ill or tuberculous patients) or is operated in connection with a hospital, or

(2) in which such nursing care and medical services are prescribed by, or are performed under the general direction of, persons licensed to practice medicine or surgery in the State.

(i) The term “construction” includes construction of new buildings, expansion, remodeling, and alteration of existing buildings, and initial equipment of any such buildings (including medical transportation facilities) and, in any case in which it will help to provide a service not previously provided in the community, equipment of any buildings; including architects’ fees, but excluding the cost of off-site improvements and, except with respect to public health centers, the cost of the acquisition of land.

(j) The term “cost” as applied to construction or modernization means the amount found by the Surgeon General to be necessary for construction and modernization respectively, under a project, except that such term, as applied to a project for modernization of a facility for which a grant or loan is to be made from an allotment under section 602(a)(2), does not include any amount found by the Surgeon General to be attributable to expansion of the bed capacity of such facility.

(k) The term “modernization” includes alteration, major repair (to the extent permitted by regulations), remodeling, replacement, and renovation of existing buildings (including initial equipment thereof), and replacement of obsolete, built-in (as determined in accordance with regulations) equipment of existing buildings.

(l) The term “title,” when used with reference to a site for a project, means a fee simple, or such other estate or interest (including a leasehold on which the rental does not exceed 4 per centum of the value of the land) as the Surgeon General finds sufficient to assure for a period of not less than fifty years’ undisturbed use and

possession for the purposes of construction and operation of the project.

FINANCIAL STATEMENTS

SEC. 646. [291o-1] In the case of any facility for which a grant, loan, or loan guarantee has been made under this title, the applicant for such grant, loan, or loan guarantee (or, if appropriate, such other person as the Secretary may prescribe) shall file at least annually with the State agency for the State in which the facility is located a statement which shall be in such form, and contain such information, as the Secretary may require to accurately show—

- (1) the financial operations of the facility, and
 - (2) the costs to the facility of providing health services in the facility and the charges made by the facility for providing such services,
- during the period with respect to which the statement is filed.

TITLE VII—HEALTH PROFESSIONS EDUCATION

PART A—STUDENT LOANS

Subpart I—Insured Health Education Assistance Loans to Graduate Students

SEC. 701. [292] STATEMENT OF PURPOSE.

The purpose of this subpart is to enable the Secretary to provide a Federal program of student loan insurance for students in (and certain former students of) eligible institutions (as defined in section 719).

SEC. 702. [292a] SCOPE AND DURATION OF LOAN INSURANCE PROGRAM.

(a) IN GENERAL.—The total principal amount of new loans made and installments paid pursuant to lines of credit (as defined in section 719) to borrowers covered by Federal loan insurance under this subpart shall not exceed \$350,000,000 for fiscal year 1993, \$375,000,000 for fiscal year 1994, and \$425,000,000 for fiscal year 1995. If the total amount of new loans made and installments paid pursuant to lines of credit in any fiscal year is less than the ceiling established for such year, the difference between the loans made and installments paid and the ceiling shall be carried over to the next fiscal year and added to the ceiling applicable to that fiscal year, and if in any fiscal year no ceiling has been established, any difference carried over shall constitute the ceiling for making new loans (including loans to new borrowers) and paying installments for such fiscal year. Thereafter, Federal loan insurance pursuant to this subpart may be granted only for loans made (or for loan installments paid pursuant to lines of credit) to enable students, who have obtained prior loans insured under this subpart, to continue or complete their educational program or to obtain a loan under section 705(a)(1)(B) to pay interest on such prior loans;

but no insurance may be granted for any loan made or installment paid after September 30, 1998. The total principal amount of Federal loan insurance available under this subsection shall be granted by the Secretary without regard to any apportionment for the purpose of chapter 15 of title 31, United States Code, and without regard to any similar limitation.

(b) CERTAIN LIMITATIONS AND PRIORITIES.—

(1) LIMITATIONS REGARDING LENDERS, STATES, OR AREAS.—The Secretary may, if necessary to assure an equitable distribution of the benefits of this subpart, assign, within the maximum amounts specified in subsection (a), Federal loan insurance quotas applicable to eligible lenders, or to States or areas, and may from time to time reassign unused portions of these quotas.

(2) PRIORITY FOR CERTAIN LENDERS.—In providing certificates of insurance under section 706 through comprehensive contracts, the Secretary shall give priority to eligible lenders that agree—

(A) to make loans to students at interest rates below the rates prevailing, during the period involved, for loans covered by Federal loan insurance pursuant to this subpart; or

(B) to make such loans under terms that are otherwise favorable to the student relative to the terms under which eligible lenders are generally making such loans during such period.

(c) AUTHORITY OF STUDENT LOAN MARKETING ASSOCIATION.—

(1) IN GENERAL.—Subject to paragraph (2), the Student Loan Marketing Association, established under part B of title IV of the Higher Education Act of 1965, is authorized to make advances on the security of, purchase, service, sell, consolidate, or otherwise deal in loans which are insured by the Secretary under this subpart, except that if any loan made under this subpart is included in a consolidated loan pursuant to the authority of the Association under part B of title IV of the Higher Education Act of 1965, the interest rate on such consolidated loan shall be set at the weighted average interest rate of all such loans offered for consolidation and the resultant per centum shall be rounded downward to the nearest one-eighth of 1 per centum, except that the interest rate shall be no less than the applicable interest rate of the guaranteed student loan program established under part B of title IV of the Higher Education Act of 1965. In the case of such a consolidated loan, the borrower shall be responsible for any interest which accrues prior to the beginning of the repayment period of the loan, or which accrues during a period in which principal need not be paid (whether or not such principal is in fact paid) by reason of any provision of the Higher Education Act of 1965.

(2) APPLICABILITY OF CERTAIN FEDERAL REGULATIONS.—With respect to Federal regulations for lenders, this subpart may not be construed to preclude the applicability of such regulations to the Student Loan Marketing Association or to any other entity in the business of purchasing student loans, in-

cluding such regulations with respect to applications, contracts, and due diligence.

SEC. 703. [292b] LIMITATIONS ON INDIVIDUAL INSURED LOANS AND ON LOAN INSURANCE.

(a) **IN GENERAL.**—The total of the loans made to a student in any academic year or its equivalent (as determined by the Secretary) which may be covered by Federal loan insurance under this subpart may not exceed \$20,000 in the case of a student enrolled in a school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, or podiatric medicine, and \$12,500 in the case of a student enrolled in a school of pharmacy, public health, allied health, or chiropractic, or a graduate program in health administration or behavioral and mental health practice, including clinical psychology. The aggregate insured unpaid principal amount for all such insured loans made to any borrower shall not at any time exceed \$80,000 in the case of a borrower who is or was a student enrolled in a school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, or podiatric medicine, and \$50,000 in the case of a borrower who is or was a student enrolled in a school of pharmacy, public health, allied health, or chiropractic, or a graduate program in health administration or clinical psychology. The annual insurable limit per student shall not be exceeded by a line of credit under which actual payments by the lender to the borrower will not be made in any year in excess of the annual limit.

(b) **EXTENT OF INSURANCE LIABILITY.**—The insurance liability on any loan insured by the Secretary under this subpart shall be 100 percent of the unpaid balance of the principal amount of the loan plus interest. The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under the provisions of section 707 or 714.

SEC. 704. [292c] SOURCES OF FUNDS.

Loans made by eligible lenders in accordance with this subpart shall be insurable by the Secretary whether made from funds fully owned by the lender or from funds held by the lender in a trust or similar capacity and available for such loans.

SEC. 705. [292d] ELIGIBILITY OF BORROWERS AND TERMS OF INSURED LOANS.

(a) **IN GENERAL.**—A loan by an eligible lender shall be insurable by the Secretary under the provisions of this subpart only if—

(1) made to—

(A) a student who—

(i) (I) has been accepted for enrollment at an eligible institution, or (II) in the case of a student attending an eligible institution, is in good standing at that institution, as determined by the institution;

(ii) is or will be a full-time student at the eligible institution;

(iii) has agreed that all funds received under such loan shall be used solely for tuition, other reasonable educational expenses, including fees, books, and laboratory expenses, and reasonable living expenses, incurred by such students; and

(iv) in the case of a pharmacy student, has satisfactorily completed three years of training; or

(B) an individual who—

(i) has previously had a loan insured under this subpart when the individual was a full-time student at an eligible institution;

(ii) is in a period during which, pursuant to paragraph (2), the principal amount of such previous loan need not be paid; and

(iii) has agreed that all funds received under the proposed loan shall be used solely for repayment of interest due on previous loans made under this subpart;

(2) evidenced by a note or other written agreement which—

(A) is made without security and without endorsement, except that if the borrower is a minor and such note or other written agreement executed by him would not, under the applicable law, create a binding obligation, an endorsement may be required;

(B) provides for repayment of the principal amount of the loan in installments over a period of not less than 10 years (unless sooner repaid) nor more than 25 years beginning not earlier than 9 months nor later than 12 months after the date of—

(i) the date on which—

(I) the borrower ceases to be a participant in an accredited internship or residency program of not more than four years in duration;

(II) the borrower completes the fourth year of an accredited internship or residency program of more than four years in duration; or

(III) the borrower, if not a participant in a program described in subclause (I) or (II), ceases to carry, at an eligible institution, the normal full-time academic workload as determined by the institution; or

(ii) the date on which a borrower who is a graduate of an eligible institution ceases to be a participant in a fellowship training program not in excess of two years or a participant in a full-time educational activity not in excess of two years, which—

(I) is directly related to the health profession for which the borrower prepared at an eligible institution, as determined by the Secretary; and

(II) may be engaged in by the borrower during such a two-year period which begins within twelve months after the completion of the borrower's participation in a program described in subclause (I) or (II) of clause (i) or prior to the completion of the borrower's participation in such program,

except as provided in subparagraph (C), except that the period of the loan may not exceed 33 years from the date of execution of the note or written agreement evidencing it, and except that the note or other written instrument may

contain such provisions relating to repayment in the event of default in the payment of interest or in the payment of the costs of insurance premiums, or other default by the borrower, as may be authorized by regulations of the Secretary in effect at the time the loan is made;

(C) provides that periodic installments of principal and interest need not be paid, but interest shall accrue, during any period (i) during which the borrower is pursuing a full-time course of study at an eligible institution (or at an institution defined by section 102(a) of the Higher Education Act of 1965); (ii) not in excess of four years during which the borrower is a participant in an accredited internship or residency program (including any period in such a program described in subclause (I) or subclause (II) of subparagraph (B)(i)); (iii) not in excess of three years, during which the borrower is a member of the Armed Forces of the United States; (iv) not in excess of three years during which the borrower is in service as a volunteer under the Peace Corps Act; (v) not in excess of three years during which the borrower is a member of the National Health Service Corps; (vi) not in excess of three years during which the borrower is in service as a full-time volunteer under title I of the Domestic Volunteer Service Act of 1973; (vii) not in excess of 3 years, for a borrower who has completed an accredited internship or residency training program in osteopathic general practice, family medicine, general internal medicine, preventive medicine, or general pediatrics and who is practicing primary care; (viii) not in excess of 1 year, for borrowers who are graduates of schools of chiropractic; (ix) any period not in excess of two years which is described in subparagraph (B)(ii); (x) not in excess of three years, during which the borrower is providing health care services to Indians through an Indian health program (as defined in section 108(a)(2)(A) of the Indian Health Care Improvement Act (25 U.S.C. 1616a(a)(2)(A))¹; and (xi) in addition to all other deferments for which the borrower is eligible under clauses (i) through (x), any period during which the borrower is a member of the Armed Forces on active duty during the Persian Gulf conflict, and any period described in clauses (i) through (xi) shall not be included in determining the 25-year period described in subparagraph (B);

(D) provides for interest on the unpaid principal balance of the loan at a yearly rate, not exceeding the applicable maximum rate prescribed and defined by the Secretary (within the limits set forth in subsection (b)) on a national, regional, or other appropriate basis, which interest shall be compounded not more frequently than annually and payable in installments over the period of the loan except as provided in subparagraph (C), except that the note or other written agreement may provide that payment of any interest may be deferred until not later than the date upon

¹ So in law. Probably should include another closing parenthesis.

which repayment of the first installment of principal falls due or the date repayment of principal is required to resume (whichever is applicable) and may further provide that, on such date, the amount of the interest which has so accrued may be added to the principal for the purposes of calculating a repayment schedule;

(E) offers, in accordance with criteria prescribed by regulation by the Secretary, a schedule for repayment of principal and interest under which payment of a portion of the principal and interest otherwise payable at the beginning of the repayment period (as defined in such regulations) is deferred until a later time in the period;

(F) entitles the borrower to accelerate without penalty repayment of the whole or any part of the loan;

(G) provides that the check for the proceeds of the loan shall be made payable jointly to the borrower and the eligible institution in which the borrower is enrolled; and

(H) contains such other terms and conditions consistent with the provisions of this subpart and with the regulations issued by the Secretary pursuant to this subpart, as may be agreed upon by the parties to such loan, including, if agreed upon, a provision requiring the borrower to pay to the lender, in addition to principal and interest, amounts equal to the insurance premiums payable by the lender to the Secretary with respect to such loan; and

(3) subject to the consent of the student and subject to applicable law, the eligible lender has obtained from the student appropriate demographic information regarding the student, including racial or ethnic background.

(b) **LIMITATION ON RATE OF INTEREST.**—The rate of interest prescribed and defined by the Secretary for the purpose of subsection (a)(2)(D) may not exceed the average of the bond equivalent rates of the 91-day Treasury bills auctioned for the previous quarter plus 3 percentage points, rounded to the next higher one-eighth of 1 percent.

(c) **MINIMUM ANNUAL PAYMENT BY BORROWER.**—The total of the payments by a borrower during any year or any repayment period with respect to the aggregate amount of all loans to that borrower which are insured under this subpart shall not be less than the annual interest on the outstanding principal, except as provided in subsection (a)(2)(C), unless the borrower, in the written agreement described in subsection (a)(2), agrees to make payments during any year or any repayment period in a lesser amount.

(d) **APPLICABILITY OF CERTAIN LAWS ON RATE OR AMOUNT OF INTEREST.**—No provision of any law of the United States (other than subsections (a)(2)(D) and (b)) or of any State that limits the rate or amount of interest payable on loans shall apply to a loan insured under this subpart.

(e) **DETERMINATION REGARDING FORBEARANCE.**—Any period of time granted to a borrower under this subpart in the form of forbearance on the loan shall not be included in the 25-year total loan repayment period under subsection (a)(2)(C).

(f) **LOAN REPAYMENT SCHEDULE.**—Lenders and holders under this subpart shall offer borrowers graduated loan repayment schedules that, during the first 5 years of loan repayment, are based on the borrower's debt-to-income ratio.

(g) **RULE OF CONSTRUCTION REGARDING DETERMINATION OF NEED OF STUDENTS.**—With respect to any determination of the financial need of a student for a loan covered by Federal loan insurance under this subpart, this subpart may not be construed to limit the authority of any school to make such allowances for students with special circumstances as the school determines appropriate.

(h) **DEFINITIONS.**—For purposes of this section:

(1) The term “active duty” has the meaning given such term in section 101(18) of title 37, United States Code, except that such term does not include active duty for training.

(2) The term “Persian Gulf conflict” means the period beginning on August 2, 1990, and ending on the date thereafter prescribed by Presidential proclamation or by law.

SEC. 706. [292e] CERTIFICATE OF LOAN INSURANCE; EFFECTIVE DATE OF INSURANCE.

(a) **IN GENERAL.**—

(1) **AUTHORITY FOR ISSUANCE OF CERTIFICATE.**—If, upon application by an eligible lender, made upon such form, containing such information, and supported by such evidence as the Secretary may require, and otherwise in conformity with this section, the Secretary finds that the applicant has made a loan to an eligible borrower which is insurable under the provisions of this subpart, he may issue to the applicant a certificate of insurance covering the loan and setting forth the amount and terms of the insurance.

(2) **EFFECTIVE DATE OF INSURANCE.**—Insurance evidenced by a certificate of insurance pursuant to subsection (a)(1) shall become effective upon the date of issuance of the certificate, except that the Secretary is authorized, in accordance with regulations, to issue commitments with respect to proposed loans, or with respect to lines (or proposed lines) of credit, submitted by eligible lenders, and in that event, upon compliance with subsection (a)(1) by the lender, the certificate of insurance may be issued effective as of the date when any loan, or any payment by the lender pursuant to a line of credit, to be covered by such insurance is made to a student described in section 705(a)(1). Such insurance shall cease to be effective upon 60 days' default by the lender in the payment of any installment of the premiums payable pursuant to section 708.

(3) **CERTAIN AGREEMENTS FOR LENDERS.**—An application submitted pursuant to subsection (a)(1) shall contain—

(A) an agreement by the applicant to pay, in accordance with regulations, the premiums fixed by the Secretary pursuant to section 708; and

(B) an agreement by the applicant that if the loan is covered by insurance the applicant will submit such supplementary reports and statements during the effective period of the loan agreement, upon such forms, at such times, and containing such information as the Secretary may prescribe by or pursuant to regulation.

(b) AUTHORITY REGARDING COMPREHENSIVE INSURANCE COVERAGE.—

(1) IN GENERAL.—In lieu of requiring a separate insurance application and issuing a separate certificate of insurance for each loan made by an eligible lender as provided in subsection (a), the Secretary may, in accordance with regulations consistent with section 702, issue to any eligible lender applying therefor a certificate of comprehensive insurance coverage which shall, without further action by the Secretary, insure all insurable loans made by that lender, on or after the date of the certificate and before a specified cutoff date, within the limits of an aggregate maximum amount stated in the certificate. Such regulations may provide for conditioning such insurance, with respect to any loan, upon compliance by the lender with such requirements (to be stated or incorporated by reference in the certificate) as in the Secretary's judgment will best achieve the purpose of this subsection while protecting the financial interest of the United States and promoting the objectives of this subpart, including (but not limited to) provisions as to the reporting of such loans and information relevant thereto to the Secretary and as to the payment of initial and other premiums and the effect of default therein, and including provision for confirmation by the Secretary from time to time (through endorsement of the certificate) of the coverage of specific new loans by such certificate, which confirmation shall be incontestable by the Secretary in the absence of fraud or misrepresentation of fact or patent error.

(2) LINES OF CREDIT BEYOND CUTOFF DATE.—If the holder of a certificate of comprehensive insurance coverage issued under this subsection grants to a borrower a line of credit extending beyond the cutoff date specified in that certificate, loans or payments thereon made by the holder after that date pursuant to the line of credit shall not be deemed to be included in the coverage of that certificate except as may be specifically provided therein; but, subject to the limitations of section 702, the Secretary may, in accordance with regulations, make commitments to insure such future loans or payments, and such commitments may be honored either as provided in subsection (a) or by inclusion of such insurance in comprehensive coverage under this subsection for the period or periods in which such future loans or payments are made.

(c) ASSIGNMENT OF INSURANCE RIGHTS.—The rights of an eligible lender arising under insurance evidenced by a certificate of insurance issued to it under this section may be assigned by such lender, subject to regulation by the Secretary, only to—

- (1) another eligible lender (including a public entity in the business of purchasing student loans); or
- (2) the Student Loan Marketing Association.

(d) EFFECT OF REFINANCING OR CONSOLIDATION OF OBLIGATIONS.—The consolidation of the obligations of two or more federally insured loans obtained by a borrower in any fiscal year into a single obligation evidenced by a single instrument of indebtedness or the refinancing of a single loan shall not affect the insurance by the United States. If the loans thus consolidated are cov-

ered by separate certificates of insurance issued under subsection (a), the Secretary may upon surrender of the original certificates issue a new certificate of insurance in accordance with that subsection upon the consolidated obligation. If the loans thus consolidated are covered by a single comprehensive certificate issued under subsection (b), the Secretary may amend that certificate accordingly.

(e) **RULE OF CONSTRUCTION REGARDING CONSOLIDATION OF DEBTS AND REFINANCING.**—Nothing in this section shall be construed to preclude the lender and the borrower, by mutual agreement, from consolidating all of the borrower's loans insured under this subpart into a single instrument (or, if the borrower obtained only 1 loan insured under this subpart, refinancing the loan 1 time) under the terms applicable to an insured loan made at the same time as the consolidation. The lender or loan holder should provide full information to the borrower concerning the advantages and disadvantages of loan consolidation or refinancing. Nothing in this section shall be construed to preclude the consolidation of the borrower's loans insured under this subpart under section 428C of the Higher Education Act of 1965. Any loans insured pursuant to this subpart that are consolidated under section 428C of such Act shall not be eligible for special allowance payments under section 438 of such Act.

SEC. 707. [292f] DEFAULT OF BORROWER.

(a) **CONDITIONS FOR PAYMENT TO BENEFICIARY.**—

(1) **IN GENERAL.**—Upon default by the borrower on any loan covered by Federal loan insurance pursuant to this subpart, and after a substantial collection effort (including, subject to subsection (h), commencement and prosecution of an action) as determined under regulations of the Secretary, the insurance beneficiary shall promptly notify the Secretary and the Secretary shall, if requested (at that time or after further collection efforts) by the beneficiary, or may on his own motion, if the insurance is still in effect, pay to the beneficiary the amount of the loss sustained by the insured upon that loan as soon as that amount has been determined, except that, if the insurance beneficiary including any servicer of the loan is not designated for “exceptional performance”, as set forth in paragraph (2), the Secretary shall pay to the beneficiary a sum equal to 98 percent of the amount of the loss sustained by the insured upon that loan.

(2) **EXCEPTIONAL PERFORMANCE.**—

(A) **AUTHORITY.**—Where the Secretary determines that an eligible lender, holder, or servicer has a compliance performance rating that equals or exceeds 97 percent, the Secretary shall designate that eligible lender, holder, or servicer, as the case may be, for exceptional performance.

(B) **COMPLIANCE PERFORMANCE RATING.**—For purposes of subparagraph (A), a compliance performance rating is determined with respect to compliance with due diligence in the disbursement, servicing, and collection of loans under this subpart for each year for which the determination is made. Such rating shall be equal to the percentage

of all due diligence requirements applicable to each loan, on average, as established by the Secretary, with respect to loans serviced during the period by the eligible lender, holder, or servicer.

(C) ANNUAL AUDITS FOR LENDERS, HOLDERS, AND SERVICERS.—Each eligible lender, holder, or servicer desiring a designation under subparagraph (A) shall have an annual financial and compliance audit conducted with respect to the loan portfolio of such eligible lender, holder, or servicer, by a qualified independent organization from a list of qualified organizations identified by the Secretary and in accordance with standards established by the Secretary. The standards shall measure the lender's, holder's, or servicer's compliance with due diligence standards and shall include a defined statistical sampling technique designed to measure the performance rating of the eligible lender, holder, or servicer for the purpose of this section. Each eligible lender, holder, or servicer shall submit the audit required by this section to the Secretary.

(D) SECRETARY'S DETERMINATIONS.—The Secretary shall make the determination under subparagraph (A) based upon the audits submitted under this paragraph and any information in the possession of the Secretary or submitted by any other agency or office of the Federal Government.

(E) QUARTERLY COMPLIANCE AUDIT.—To maintain its status as an exceptional performer, the lender, holder, or servicer shall undergo a quarterly compliance audit at the end of each quarter (other than the quarter in which status as an exceptional performer is established through a financial and compliance audit, as described in subparagraph (C)), and submit the results of such audit to the Secretary. The compliance audit shall review compliance with due diligence requirements for the period beginning on the day after the ending date of the previous audit, in accordance with standards determined by the Secretary.

(F) REVOCATION AUTHORITY.—The Secretary shall revoke the designation of a lender, holder, or servicer under subparagraph (A) if any quarterly audit required under subparagraph (E) is not received by the Secretary by the date established by the Secretary or if the audit indicates the lender, holder, or servicer has failed to meet the standards for designation as an exceptional performer under subparagraph (A). A lender, holder, or servicer receiving a compliance audit not meeting the standard for designation as an exceptional performer may reapply for designation under subparagraph (A) at any time.

(G) DOCUMENTATION.—Nothing in this section shall restrict or limit the authority of the Secretary to require the submission of claims documentation evidencing servicing performed on loans, except that the Secretary may not require exceptional performers to submit greater documentation than that required for lenders, holders, and servicers not designated under subparagraph (A).

(H) **COST OF AUDITS.**—Each eligible lender, holder, or servicer shall pay for all the costs associated with the audits required under this section.

(I) **ADDITIONAL REVOCATION AUTHORITY.**—Notwithstanding any other provision of this section, a designation under subparagraph (A) may be revoked at any time by the Secretary if the Secretary determines that the eligible lender, holder, or servicer has failed to maintain an overall level of compliance consistent with the audit submitted by the eligible lender, holder, or servicer under this paragraph or if the Secretary asserts that the lender, holder, or servicer may have engaged in fraud in securing designation under subparagraph (A) or is failing to service loans in accordance with program requirements.

(J) **NONCOMPLIANCE.**—A lender, holder, or servicer designated under subparagraph (A) that fails to service loans or otherwise comply with applicable program regulations shall be considered in violation of the Federal False Claims Act.

(b) **SUBROGATION.**—Upon payment by the Secretary of the amount of the loss pursuant to subsection (a), the United States shall be subrogated for all of the rights of the holder of the obligation upon the insured loan and shall be entitled to an assignment of the note or other evidence of the insured loan by the insurance beneficiary. If the net recovery made by the Secretary on a loan after deduction of the cost of that recovery (including reasonable administrative costs) exceeds the amount of the loss, the excess shall be paid over to the insured. The Secretary may sell without recourse to eligible lenders (or other entities that the Secretary determines are capable of dealing in such loans) notes or other evidence of loans received through assignment under the first sentence.

(c) **FORBEARANCE.**—Nothing in this section or in this subpart shall be construed to preclude any forbearance for the benefit of the borrower which may be agreed upon by the parties to the insured loan and approved by the Secretary or to preclude forbearance by the Secretary in the enforcement of the insured obligation after payment on that insurance.

(d) **REASONABLE CARE AND DILIGENCE REGARDING LOANS.**—Nothing in this section or in this subpart shall be construed to excuse the eligible lender or holder of a federally insured loan from exercising reasonable care and diligence in the making of loans under the provisions of this subpart and from exercising a substantial effort in the collection of loans under the provisions of this subpart. If the Secretary, after reasonable notice and opportunity for hearing to an eligible lender, finds that the lender has failed to exercise such care and diligence, to exercise such substantial efforts, to make the reports and statements required under section 706(a)(3), or to pay the required Federal loan insurance premiums, he shall disqualify that lender from obtaining further Federal insurance on loans granted pursuant to this subpart until he is satisfied that its failure has ceased and finds that there is reasonable assurance that the lender will in the future exercise necessary care

and diligence, exercise substantial effort, or comply with such requirements, as the case may be.

(e) DEFINITIONS.—For purposes of this section:

(1) The term “insurance beneficiary” means the insured or its authorized assignee in accordance with section 706(c).

(2) The term “amount of the loss” means, with respect to a loan, unpaid balance of the principal amount and interest on such loan, less the amount of any judgment collected pursuant to default proceedings commenced by the eligible lender or holder involved.

(3) The term “default” includes only such defaults as have existed for 120 days.

(4) The term “servicer” means any agency acting on behalf of the insurance beneficiary.

(f) REDUCTIONS IN FEDERAL REIMBURSEMENTS OR PAYMENTS FOR DEFAULTING BORROWERS.—The Secretary shall, after notice and opportunity for a hearing, cause to be reduced Federal reimbursements or payments for health services under any Federal law to borrowers who are practicing their professions and have defaulted on their loans insured under this subpart in amounts up to the remaining balance of such loans. Procedures for reduction of payments under the medicare program are provided under section 1892 of the Social Security Act. Notwithstanding such section 1892, any funds recovered under this subsection shall be deposited in the insurance fund established under section 710.

(g) CONDITIONS FOR DISCHARGE OF DEBT IN BANKRUPTCY.—Notwithstanding any other provision of Federal or State law, a debt that is a loan insured under the authority of this subpart may be released by a discharge in bankruptcy under any chapter of title 11, United States Code, only if such discharge is granted—

(1) after the expiration of the seven-year period beginning on the first date when repayment of such loan is required, exclusive of any period after such date in which the obligation to pay installments on the loan is suspended;

(2) upon a finding by the Bankruptcy Court that the non-discharge of such debt would be unconscionable; and

(3) upon the condition that the Secretary shall not have waived the Secretary’s rights to apply subsection (f) to the borrower and the discharged debt.

(h) REQUIREMENT REGARDING ACTIONS FOR DEFAULT.—

(1) IN GENERAL.—With respect to the default by a borrower on any loan covered by Federal loan insurance under this subpart, the Secretary shall, under subsection (a), require an eligible lender or holder to commence and prosecute an action for such default unless—

(A) in the determination of the Secretary—

(i) the eligible lender or holder has made reasonable efforts to serve process on the borrower involved and has been unsuccessful with respect to such efforts, or

(ii) prosecution of such an action would be fruitless because of the financial or other circumstances of the borrower;

(B) for such loans made before the date of the enactment of the Health Professions Reauthorization Act of 1988, the loan involved was made in an amount of less than \$5,000; or

(C) for such loans made after such date, the loan involved was made in an amount of less than \$2,500.

(2) RELATIONSHIP TO CLAIM FOR PAYMENT.—With respect to an eligible lender or holder that has commenced an action pursuant to subsection (a), the Secretary shall make the payment required in such subsection, or deny the claim for such payment, not later than 60 days after the date on which the Secretary determines that the lender or holder has made reasonable efforts to secure a judgment and collect on the judgment entered into pursuant to this subsection.

(3) STATE COURT JUDGMENTS.—With respect to any State court judgment that is obtained by a lender or holder against a borrower for default on a loan insured under this subpart and that is subrogated to the United States under subsection (b), any United States attorney may register such judgment with the Federal courts for enforcement.

(i) INAPPLICABILITY OF FEDERAL AND STATE STATUTE OF LIMITATIONS ON ACTIONS FOR LOAN COLLECTION.—Notwithstanding any other provision of Federal or State law, there shall be no limitation on the period within which suit may be filed, a judgment may be enforced, or an offset, garnishment, or other action may be initiated or taken by the Secretary, the Attorney General, or other administrative head of another Federal agency, as the case may be, for the repayment of the amount due from a borrower on a loan made under this subpart that has been assigned to the Secretary under subsection (b).

(j) SCHOOL COLLECTION ASSISTANCE.—An institution or postgraduate training program attended by a borrower may assist in the collection of any loan of that borrower made under this subpart which becomes delinquent, including providing information concerning the borrower to the Secretary and to past and present lenders and holders of the borrower's loans, contacting the borrower in order to encourage repayment, and withholding services in accordance with regulations issued by the Secretary under section 715(a)(7). The institution or postgraduate training program shall not be subject to section 809 of the Fair Debt Collection Practices Act for purposes of carrying out activities authorized by this section.

SEC. 708. [292g] RISK-BASED PREMIUMS.

(a) AUTHORITY.—With respect to a loan made under this subpart on or after January 1, 1993, the Secretary, in accordance with subsection (b), shall assess a risk-based premium on an eligible borrower and, if required under this section, an eligible institution that is based on the default rate of the eligible institution involved (as defined in section 719).

(b) ASSESSMENT OF PREMIUM.—Except as provided in subsection (d)(2), the risk-based premium to be assessed under subsection (a) shall be as follows:

(1) **LOW-RISK RATE.**—With respect to an eligible borrower seeking to obtain a loan for attendance at an eligible institution that has a default rate of not to exceed five percent, such borrower shall be assessed a risk-based premium in an amount equal to 6 percent of the principal amount of the loan.

(2) **MEDIUM-RISK RATE.**—

(A) **IN GENERAL.**—With respect to an eligible borrower seeking to obtain a loan for attendance at an eligible institution that has a default rate of in excess of five percent but not to exceed 10 percent—

(i) such borrower shall be assessed a risk-based premium in an amount equal to 8 percent of the principal amount of the loan; and

(ii) such institution shall be assessed a risk-based premium in an amount equal to 5 percent of the principal amount of the loan.

(B) **DEFAULT MANAGEMENT PLAN.**—An institution of the type described in subparagraph (A) shall prepare and submit to the Secretary for approval, an annual default management plan, that shall specify the detailed short-term and long-term procedures that such institution will have in place to minimize defaults on loans to borrowers under this subpart. Under such plan the institution shall, among other measures, provide an exit interview to all borrowers that includes information concerning repayment schedules, loan deferments, forbearance, and the consequences of default.

(3) **HIGH-RISK RATE.**—

(A) **IN GENERAL.**—With respect to an eligible borrower seeking to obtain a loan for attendance at an eligible institution that has a default rate of in excess of 10 percent but not to exceed 20 percent—

(i) such borrower shall be assessed a risk-based premium in an amount equal to 8 percent of the principal amount of the loan; and

(ii) such institution shall be assessed a risk-based premium in an amount equal to 10 percent of the principal amount of the loan.

(B) **DEFAULT MANAGEMENT PLAN.**—An institution of the type described in subparagraph (A) shall prepare and submit to the Secretary for approval a plan that meets the requirements of paragraph (2)(B).

(4) **INELIGIBILITY.**—An individual shall not be eligible to obtain a loan under this subpart for attendance at an institution that has a default rate in excess of 20 percent.

(c) **REDUCTION OF RISK-BASED PREMIUM.**—Lenders shall reduce by 50 percent the risk-based premium to eligible borrowers if a credit worthy parent or other responsible party co-signs the loan note.

(d) **ADMINISTRATIVE WAIVERS.**—

(1) **HEARING.**—The Secretary shall afford an institution not less than one hearing, and may consider mitigating circumstances, prior to making such institution ineligible for participation in the program under this subpart.

(2) EXCEPTIONS.—In carrying out this section with respect to an institution, the Secretary may grant an institution a waiver of requirements of paragraphs (2) through (4) of subsection (b) if the Secretary determines that the default rate for such institution is not an accurate indicator because the volume of the loans under this subpart made by such institution has been insufficient.

(3) TRANSITION FOR CERTAIN INSTITUTIONS.—During the 3-year period beginning on the effective date of the Health Professions Education Extension Amendments of 1992—

(A) subsection (b)(4) shall not apply with respect to any eligible institution that is a Historically Black College or University; and

(B) any such institution that has a default rate in excess of 20 percent, and any eligible borrower seeking a loan for attendance at the institution, shall be subject to subsection (b)(3) to the same extent and in the same manner as eligible institutions and borrowers described in such subsection.

(e) PAYOFF TO REDUCE RISK CATEGORY.—An institution may pay off the outstanding principal and interest owed by the borrowers of such institution who have defaulted on loans made under this subpart in order to reduce the risk category of the institution.

SEC. 709. [292h] OFFICE FOR HEALTH EDUCATION ASSISTANCE LOAN DEFAULT REDUCTION.

(a) ESTABLISHMENT.—The Secretary shall establish, within the Division of Student Assistance of the Bureau of Health Professions, an office to be known as the Office for Health Education Assistance Loan Default Reduction (in this section referred to as the “Office”).

(b) PURPOSE AND FUNCTIONS.—It shall be the purpose of the Office to achieve a reduction in the number and amounts of defaults on loans guaranteed under this subpart. In carrying out such purpose the Office shall—

(1) conduct analytical and evaluative studies concerning loans and loan defaults;

(2) carry out activities designed to reduce loan defaults;

(3) respond to special circumstances that may exist in the financial lending environment that may lead to loan defaults;

(4) coordinate with other Federal entities that are involved with student loan programs, including—

(A) with respect to the Department of Education, in the development of a single student loan application form, a single student loan deferment form, a single disability form, and a central student loan database; and

(B) with respect to the Department of Justice, in the recovery of payments from health professionals who have defaulted on loans guaranteed under this subpart; and

(5) provide technical assistance to borrowers, lenders, holders, and institutions concerning deferments and collection activities.

(c) ADDITIONAL DUTIES.—In conjunction with the report submitted under subsection (b), the Office shall—

(1) compile, and publish in the Federal Register, a list of the borrowers who are in default under this subpart; and

(2) send the report and notices of default with respect to these borrowers to relevant Federal agencies and to schools, school associations, professional and specialty associations, State licensing boards, hospitals with which such borrowers may be associated, and any other relevant organizations.

(d) ALLOCATION OF FUNDS FOR OFFICE.—In the case of amounts reserved under section 710(a)(2)(B) for obligation under this subsection, the Secretary may obligate the amounts for the purpose of administering the Office, including 7 full-time equivalent employment positions for such Office. With respect to such purpose, amounts made available under the preceding sentence are in addition to amounts made available to the Health Resources and Services Administration for program management for the fiscal year involved. With respect to such employment positions, the positions are in addition to the number of full-time equivalent employment positions that otherwise is authorized for the Department of Health and Human Services for the fiscal year involved.

SEC. 710. [292i] INSURANCE ACCOUNT.

(a) IN GENERAL.—

(1) ESTABLISHMENT.—There is hereby established a student loan insurance account (in this section referred to as the “Account”) which shall be available without fiscal year limitation to the Secretary for making payments in connection with the collection and default of loans insured under this subpart by the Secretary.

(2) FUNDING.—

(A) Except as provided in subparagraph (B), all amounts received by the Secretary as premium charges for insurance and as receipts, earnings, or proceeds derived from any claim or other assets acquired by the Secretary in connection with his operations under this subpart, and any other moneys, property, or assets derived by the Secretary from the operations of the Secretary in connection with this section, shall be deposited in the Account.

(B) With respect to amounts described in subparagraph (A) that are received by the Secretary for fiscal year 1993 and subsequent fiscal years, the Secretary may, before depositing such amounts in the Account, reserve from the amounts each such fiscal year not more than \$1,000,000 for obligation under section 709(d).

(3) EXPENDITURES.—All payments in connection with the default of loans insured by the Secretary under this subpart shall be paid from the Account.

(b) CONTINGENT AUTHORITY FOR ISSUANCE OF NOTES OR OTHER OBLIGATIONS.—If at any time the moneys in the Account are insufficient to make payments in connection with the collection or default of any loan insured by the Secretary under this subpart, the Secretary of the Treasury may lend the Account such amounts as may be necessary to make the payments involved, subject to the Federal Credit Reform Act of 1990.

SEC. 711. [292j] POWERS AND RESPONSIBILITIES OF SECRETARY.

(a) IN GENERAL.—In the performance of, and with respect to, the functions, powers, and duties vested in the Secretary by this subpart, the Secretary is authorized as follows:

(1) To prescribe such regulations as may be necessary to carry out the purposes of this subpart.

(2) To sue and be sued in any district court of the United States. Such district courts shall have jurisdiction of civil actions arising under this subpart without regard to the amount in controversy, and any action instituted under this subsection by or against the Secretary shall survive notwithstanding any change in the person occupying the office of Secretary or any vacancy in that office. No attachment, injunction, garnishment, or other similar process, mesne or final, shall be issued against the Secretary or property under the control of the Secretary. Nothing herein shall be constructed to except litigation arising out of activities under this subpart from the application of sections 517 and 547 of title 28 of the United States Code.

(3) To include in any contract for Federal loan insurance such terms, conditions, and covenants relating to repayment of principal and payments of interest, relating to his obligations and rights and to those of eligible lenders, and borrowers in case of default, and relating to such other matters as the Secretary determines to be necessary to assure that the purposes of this subpart will be achieved. Any term, condition, and covenant made pursuant to this paragraph or any other provisions of this subpart may be modified by the Secretary if the Secretary determines that modification is necessary to protect the financial interest of the United States.

(4) Subject to the specific limitations in the subpart, to consent to the modification of any note or other instrument evidencing a loan which has been insured by him under this subpart (including modifications with respect to the rate of interest, time of payment of any installment of principal and interest or any portion thereof, or any other provision).

(5) To enforce, pay, compromise, waive, or release any right, title, claim, lien, or demand, however acquired, including any equity or any right or² redemption.

(b) ANNUAL BUDGET; ACCOUNTS.—The Secretary shall, with respect to the financial operations arising by reason of this subpart—

(1) prepare annually and submit a budget program as provided for wholly owned Government corporations by the Government Corporation Control Act; and

(2) maintain with respect to insurance under this subpart an integral set of accounts.

SEC. 712. [292k] PARTICIPATION BY FEDERAL CREDIT UNIONS IN FEDERAL, STATE, AND PRIVATE STUDENT LOAN INSURANCE PROGRAMS.

Notwithstanding any other provision of law, Federal credit unions shall, pursuant to regulations of the Administrator of the National Credit Union Administration, have power to make in-

²So in law. See section 102 of Public Law 102-408 (106 Stat. 1994). Probably should be “right of redemption”.

sured loans to eligible students in accordance with the provisions of this subpart relating to Federal insured loans.

SEC. 713. [292i] DETERMINATION OF ELIGIBLE STUDENTS.

For purposes of determining eligible students under this part, in the case of a public school in a State that offers an accelerated, integrated program of study combining undergraduate premedical education and medical education leading to advanced entry, by contractual agreement, into an accredited four-year school of medicine which provides the remaining training leading to a degree of doctor of medicine, whenever in this part a provision refers to a student at a school of medicine, such reference shall include only a student enrolled in any of the last four years of such accelerated, integrated program of study.

SEC. 714. [292m] REPAYMENT BY SECRETARY OF LOANS OF DECEASED OR DISABLED BORROWERS.

If a borrower who has received a loan dies or becomes permanently and totally disabled (as determined in accordance with regulations of the Secretary), the Secretary shall discharge the borrower's liability on the loan by repaying the amount owed on the loan from the account established under section 710.

SEC. 715. [292n] ADDITIONAL REQUIREMENTS FOR INSTITUTIONS AND LENDERS.

(a) IN GENERAL.—Notwithstanding any other provision of this subpart, the Secretary is authorized to prescribe such regulations as may be necessary to provide for—

(1) a fiscal audit of an eligible institution with regard to any funds obtained from a borrower who has received a loan insured under this subpart;

(2) the establishment of reasonable standards of financial responsibility and appropriate institutional capability for the administration by an eligible institution of a program of student financial aid with respect to funds obtained from a student who has received a loan insured under this subpart;

(3) the limitation, suspension, or termination of the eligibility under this subpart of any otherwise eligible institution, whenever the Secretary has determined, after notice and affording an opportunity for hearing, that such institution has violated or failed to carry out any regulation prescribed under this subpart;

(4) the collection of information from the borrower, lender, or eligible institution to assure compliance with the provisions of section 705;

(5) the assessing of tuition or fees to borrowers in amounts that are the same or less than the amount of tuition and fees assessed to nonborrowers;

(6) the submission, by the institution or the lender to the Office of Health Education Assistance Loan Default Reduction, of information concerning each loan made under this subpart, including the date when each such loan was originated, the date when each such loan is sold, the identity of the loan holder and information concerning a change in the borrower's status;

(7) the withholding of services, including academic transcripts, financial aid transcripts, and alumni services, by an institution from a borrower upon the default of such borrower of a loan under this subpart, except in case of a borrower who has filed for bankruptcy; and

(8) the offering, by the lender to the borrower, of a variety of repayment options, including fixed-rate, graduated repayment with negative amortization permitted, and income dependent payments for a limited period followed by level monthly payments.

(b) **RECORDING BY INSTITUTION OF INFORMATION ON STUDENTS.**—The Secretary shall require an eligible institution to record, and make available to the lender and to the Secretary upon request, the name, address, postgraduate destination, and other reasonable identifying information for each student of such institution who has a loan insured under this subpart.

(c) **WORKSHOP FOR STUDENT BORROWERS.**—Each participating eligible institution must have, at the beginning of each academic year, a workshop concerning the provisions of this subpart that all student borrowers shall be required to attend.

SEC. 719. [292o] DEFINITIONS.

For purposes of this subpart:

(1) The term “eligible institution” means, with respect to a fiscal year, a school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, podiatric medicine, pharmacy, public health, allied health, or chiropractic, or a graduate program in health administration or behavioral and mental health practice, including clinical psychology.

(2) The term “eligible lender” means an eligible institution that became a lender under this subpart prior to September 15, 1992, an agency or instrumentality of a State, a financial or credit institution (including an insurance company) which is subject to examination and supervision by an agency of the United States or of any State, a pension fund approved by the Secretary for this purpose, or a nonprofit private entity designated by the State, regulated by the State, and approved by the Secretary.

(3) The term “line of credit” means an arrangement or agreement between the lender and the borrower whereby a loan is paid out by the lender to the borrower in annual installments, or whereby the lender agrees to make, in addition to the initial loan, additional loans in subsequent years.

(4) The term “school of allied health” means a program in a school of allied health (as defined in section 799) which leads to a masters’ degree or a doctoral degree.

(5)(A) The term “default rate”, in the case of an eligible entity, means the percentage constituted by the ratio of—

(i) the principal amount of loans insured under this subpart—

(I) that are made with respect to the entity and that enter repayment status after April 7, 1987; and

(II) for which amounts have been paid under section 707(a) to insurance beneficiaries, exclusive of any

loan for which amounts have been so paid as a result of the death or total and permanent disability of the borrower; exclusive of any loan for which the borrower begins payments to the Secretary on the loan pursuant to section 707(b) and maintains payments for 12 consecutive months in accordance with the agreement involved (with the loan subsequently being included or excluded, as the case may be, as amounts paid under section 707(a) according to whether further defaults occur and whether with respect to the default involved compliance with such requirement regarding 12 consecutive months occurs); and exclusive of any loan on which payments may not be recovered by reason of the obligation under the loan being discharged in bankruptcy under title 11, United States Code; to

(ii) the total principal amount of loans insured under this subpart that are made with respect to the entity and that enter repayment status after April 7, 1987.

(B) For purposes of subparagraph (A), a loan insured under this subpart shall be considered to have entered repayment status if the applicable period described in subparagraph (B) of section 705(a)(2) regarding the loan has expired (without regard to whether any period described in subparagraph (C) of such section is applicable regarding the loan).

(C) For purposes of subparagraph (A), the term “eligible entity” means an eligible institution, an eligible lender, or a holder, as the case may be.

(D) For purposes of subparagraph (A), a loan is made with respect to an eligible entity if—

(i) in the case of an eligible institution, the loan was made to students of the institution;

(ii) in the case of an eligible lender, the loan was made by the lender; and

(iii) in the case of a holder, the loan was purchased by the holder.

(6)³ The term “Secretary” means the Secretary of Education.

SEC. 720. [292p] AUTHORIZATION OF APPROPRIATIONS.

(a) **IN GENERAL.**—For fiscal year 1993 and subsequent fiscal years, there are authorized to be appropriated such sums as may be necessary for the adequacy of the student loan insurance account under this subpart and for the purpose of administering this subpart.

(b) **AVAILABILITY OF SUMS.**—Sums appropriated under subsection (a) shall remain available until expended.

³Paragraph (6) was added by Section 525(e), Title V of Division H of Public Law 113-76. This paragraph becomes effective on the date on which the transfer of the HEAL program under subsection (a) of such act takes effect.

Subpart II—Federally-Supported Student Loan Funds

SEC. 721. [292q] AGREEMENTS FOR OPERATION OF SCHOOL LOAN FUNDS.

(a) **FUND AGREEMENTS.**—The Secretary is authorized to enter into an agreement for the establishment and operation of a student loan fund in accordance with this subpart with any public or other nonprofit school of medicine, osteopathic medicine, dentistry, pharmacy, podiatric medicine, optometry, or veterinary medicine.

(b) **REQUIREMENTS.**—Each agreement entered into under this section shall—

(1) provide for establishment of a student loan fund by the school;

(2) provide for deposit in the fund of—

(A) the Federal capital contributions to the fund;

(B) an amount equal to not less than one-ninth of such Federal capital contributions, contributed by such institution;

(C) collections of principal and interest on loans made from the fund;

(D) collections pursuant to section 722(j); and

(E) any other earnings of the fund;

(3) provide that the fund shall be used only for loans to students of the school in accordance with the agreement and for costs of collection of such loans and interest thereon;

(4) provide that loans may be made from such funds only to students pursuing a full-time course of study at the school leading to a degree of doctor of medicine, doctor of dentistry or an equivalent degree, doctor of osteopathy, bachelor of science in pharmacy or an equivalent degree, doctor of pharmacy or an equivalent degree, doctor of podiatric medicine or an equivalent degree, doctor of optometry or an equivalent degree, or doctor of veterinary medicine or an equivalent degree;

(5) provide that the school shall advise, in writing, each applicant for a loan from the student loan fund of the provisions of section 722 under which outstanding loans from the student loan fund may be paid (in whole or in part) by the Secretary; and

(6) contain such other provisions as are necessary to protect the financial interests of the United States.

(c) **FAILURE OF SCHOOL TO COLLECT LOANS.**—

(1) **IN GENERAL.**—Any standard established by the Secretary by regulation for the collection by schools of medicine, osteopathic medicine, dentistry, pharmacy, podiatric medicine, optometry, or veterinary medicine of loans made pursuant to loan agreements under this subpart shall provide that the failure of any such school to collect such loans shall be measured in accordance with this subsection. This subsection may not be construed to require such schools to reimburse the student loan fund under this subpart for loans that became uncollectible prior to August 1985 or to penalize such schools with respect to such loans.

(2) **EXTENT OF FAILURE.**—The measurement of a school's failure to collect loans made under this subpart shall be the ratio (stated as a percentage) that the defaulted principal amount outstanding of such school bears to the matured loans of such school.

(3) **DEFINITIONS.**—For purposes of this subsection:

(A) The term “default” means the failure of a borrower of a loan made under this subpart to—

(i) make an installment payment when due; or

(ii) comply with any other term of the promissory note for such loan,

except that a loan made under this subpart shall not be considered to be in default if the loan is discharged in bankruptcy or if the school reasonably concludes from written contracts with the borrower that the borrower intends to repay the loan.

(B) The term “defaulted principal amount outstanding” means the total amount borrowed from the loan fund of a school that has reached the repayment stage (minus any principal amount repaid or canceled) on loans—

(i) repayable monthly and in default for at least 120 days; and

(ii) repayable less frequently than monthly and in default for at least 180 days;

(C) The term “grace period” means the period of one year beginning on the date on which the borrower ceases to pursue a full-time course of study at a school of medicine, osteopathic medicine, dentistry, pharmacy, podiatric medicine, optometry, or veterinary medicine; and

(D) The term “matured loans” means the total principal amount of all loans made by a school under this subpart minus the total principal amount of loans made by such school to students who are—

(i) enrolled in a full-time course of study at such school; or

(ii) in their grace period.

SEC. 722. [292r] LOAN PROVISIONS.

(a) **AMOUNT OF LOAN.**—

(1) **IN GENERAL.**—Loans from a student loan fund (established under an agreement with a school under section 721) may not, subject to paragraph (2), exceed for any student for a school year (or its equivalent) the cost of attendance (including tuition, other reasonable educational expenses, and reasonable living costs) for that year at the educational institution attended by the student (as determined by such educational institution).

(2) **THIRD AND FOURTH YEARS OF MEDICAL SCHOOL.**—For purposes of paragraph (1), the amount of the loan may, in the case of the third or fourth year of a student at a school of medicine or osteopathic medicine, be increased to the extent necessary to pay the balances of loans that, from sources other than the student loan fund under section 721, were made to the individual for attendance at the school. The authority to

make such an increase is subject to the school and the student agreeing that such amount (as increased) will be expended to pay such balances.

(b) TERMS AND CONDITIONS.—Subject to section 723, any such loans shall be made on such terms and conditions as the school may determine, but may be made only to a student who is in need of the amount thereof to pursue a full-time course of study at the school leading to a degree of doctor of medicine, doctor of dentistry or an equivalent degree, doctor of osteopathy, bachelor of science in pharmacy or an equivalent degree, doctor of pharmacy or an equivalent degree, doctor of podiatric medicine or an equivalent degree, doctor of optometry or an equivalent degree, or doctor of veterinary medicine or an equivalent degree.

(c) REPAYMENT; EXCLUSIONS FROM REPAYMENT PERIOD.—Such loans shall be repayable in equal or graduated periodic installments (with the right of the borrower to accelerate repayment) over the period of not less than 10 years nor more than 25 years, at the discretion of the institution, which begins one year after the student ceases to pursue a full-time course of study at a school of medicine, osteopathic medicine, dentistry, pharmacy, podiatry, optometry, or veterinary medicine, excluding from such period—

(1) all periods—

(A) not in excess of three years of active duty performed by the borrower as a member of a uniformed service;

(B) not in excess of three years during which the borrower serves as a volunteer under the Peace Corps Act;

(C) during which the borrower participates in advanced professional training, including internships and residencies; and

(D) during which the borrower is pursuing a full-time course of study at such a school; and

(2) a period—

(A) not in excess of two years during which a borrower who is a full-time student in such a school leaves the school, with the intent to return to such school as a full-time student, in order to engage in a full-time educational activity which is directly related to the health profession for which the borrower is preparing, as determined by the Secretary; or

(B) not in excess of two years during which a borrower who is a graduate of such a school is a participant in a fellowship training program or a full-time educational activity which—

(i) is directly related to the health profession for which such borrower prepared at such school, as determined by the Secretary; and

(ii) may be engaged in by the borrower during such a two-year period which begins within twelve months after the completion of the borrower's participation in advanced professional training described in paragraph (1)(C) or prior to the completion of such borrower's participation in such training.

(d) CANCELLATION OF LIABILITY.—The liability to repay the unpaid balance of such a loan and accrued interest thereon shall be canceled upon the death of the borrower, or if the Secretary determines that he has become permanently, and totally disabled.

(e) RATE OF INTEREST.—Such loans shall bear interest, on the unpaid balance of the loan, computed only for periods for which the loan is repayable, at the rate of 5 percent per year.

(f) SECURITY OR ENDORSEMENT.—Loans shall be made under this subpart without security or endorsement, except that if the borrower is a minor and the note or other evidence of obligation executed by him would not, under the applicable law, create a binding obligation, either security or endorsement may be required.

(g) TRANSFERRING AND ASSIGNING LOANS.—No note or other evidence of a loan made under this subpart may be transferred or assigned by the school making the loan except that, if the borrowers transfer to another school participating in the program under this subpart, such note or other evidence of a loan may be transferred to such other school.

(h) CHARGE WITH RESPECT TO INSURANCE FOR CERTAIN CANCELLATIONS.—Subject to regulations of the Secretary, a school may assess a charge with respect to loans made this⁴ subpart to cover the costs of insuring against cancellation of liability under subsection (d).

(i) CHARGE WITH RESPECT TO LATE PAYMENTS.—Subject to regulations of the Secretary, and in accordance with this section, a school shall assess a charge with respect to a loan made under this subpart for failure of the borrower to pay all or any part of an installment when it is due and, in the case of a borrower who is entitled to deferment of the loan under subsection (c), for any failure to file timely and satisfactory evidence of such entitlement. No such charge may be made if the payment of such installment or the filing of such evidence is made within 60 days after the date on which such installment or filing is due. The amount of any such charge may not exceed an amount equal to 6 percent of the amount of such installment. The school may elect to add the amount of any such charge to the principal amount of the loan as of the first day after the day on which such installment or evidence was due, or to make the amount of the charge payable to the school not later than the due date of the next installment after receipt by the borrower of notice of the assessment of the charge.

(j) AUTHORITY OF SCHOOLS REGARDING RATE OF PAYMENT.—A school may provide, in accordance with regulations of the Secretary, that during the repayment period of a loan from a loan fund established pursuant to an agreement under this subpart payments of principal and interest by the borrower with respect to all the outstanding loans made to him from loan funds so established shall be at a rate equal to not less than \$40 per month.

(k) AUTHORITY REGARDING REPAYMENTS BY SECRETARY.—Upon application by a person who received, and is under an obligation to repay, any loan made to such person as a health professions student to enable him to study medicine, osteopathy, dentistry, veteri-

⁴ So in law. See section 102 of Public Law 102-408 (106 Stat. 1994). Probably should be “made under this subpart”.

nary medicine, optometry, pharmacy, or podiatry, the Secretary may undertake to repay (without liability to the applicant) all or any part of such loan, and any interest or portion thereof outstanding thereon, upon his determination, pursuant to regulations establishing criteria therefor, that the applicant—

- (1) failed to complete such studies leading to his first professional degree;
- (2) is in exceptionally needy circumstances;
- (3) is from a low-income or disadvantaged family as those terms may be defined by such regulations; and
- (4) has not resumed, or cannot reasonably be expected to resume, the study of medicine, osteopathy, dentistry, veterinary medicine, optometry, pharmacy, or podiatric medicine, within two years following the date upon which he terminated such studies.

(1) **COLLECTION EFFORTS BY SECRETARY.**—The Secretary is authorized to attempt to collect any loan which was made under this subpart, which is in default, and which was referred to the Secretary by a school with which the Secretary has an agreement under this subpart, on behalf of that school under such terms and conditions as the Secretary may prescribe (including reimbursement from the school's student loan fund for expenses the Secretary may reasonably incur in attempting collection), but only if the school has complied with such requirements as the Secretary may specify by regulation with respect to the collection of loans under this subpart. A loan so referred shall be treated as a debt subject to section 5514 of title 5, United States Code. Amounts collected shall be deposited in the school's student loan fund. Whenever the Secretary desires the institution of a civil action regarding any such loan, the Secretary shall refer the matter to the Attorney General for appropriate action.

(m) **ELIMINATION OF STATUTE OF LIMITATION FOR LOAN COLLECTIONS.**—

(1) **PURPOSE.**—It is the purpose of this subsection to ensure that obligations to repay loans under this section are enforced without regard to any Federal or State statutory, regulatory, or administrative limitation on the period within which debts may be enforced.

(2) **PROHIBITION.**—Notwithstanding any other provision of Federal or State law, no limitation shall terminate the period within which suit may be filed, a judgment may be enforced, or an offset, garnishment, or other action may be initiated or taken by a school that has an agreement with the Secretary pursuant to section 721 that is seeking the repayment of the amount due from a borrower on a loan made under this subpart after the default of the borrower on such loan.

SEC. 723. [292s] MEDICAL SCHOOLS AND PRIMARY HEALTH CARE.

(a) **REQUIREMENTS FOR STUDENTS.**—

(1) **IN GENERAL.**—Subject to the provisions of this subsection, in the case of student loan funds established under section 721 by schools of medicine or osteopathic medicine, each agreement entered into under such section with such a school shall provide (in addition to the provisions required in

subsection (b) of such section) that the school will make a loan from such fund to a student only if the student agrees—

(A) to enter and complete a residency training program in primary health care not later than 4 years after the date on which the student graduates from such school; and

(B) to practice in such care for 10 years (including residency training in primary health care) or through the date on which the loan is repaid in full, whichever occurs first.

(2) INAPPLICABILITY TO CERTAIN STUDENTS.—

(A) The requirement established in paragraph (1) regarding the student loan fund of a school does not apply to a student if—

(i) the first loan to the student from such fund is made before July 1, 1993; or

(ii) the loan is made from—

(I) a Federal capital contribution under section 721 that is made from amounts appropriated under section 724(f) (in this section referred to as an “exempt Federal capital contribution”); or

(II) a school contribution made under section 721 pursuant to such a Federal capital contribution (in this section referred to as an “exempt school contribution”).

(B) A Federal capital contribution under section 721 may not be construed as being an exempt Federal capital contribution if the contribution was made from amounts appropriated before October 1, 1990. A school contribution under section 721 may not be construed as being an exempt school contribution if the contribution was made pursuant to a Federal capital contribution under such section that was made from amounts appropriated before such date.

(3) NONCOMPLIANCE BY STUDENT.—Each agreement entered into with a student pursuant to paragraph (1) shall provide that, if the student fails to comply with such agreement, the loan involved will begin to accrue interest at a rate of 2 percent per year greater than the rate at which the student would pay if compliant in such year.

(4) WAIVERS.—

(A) With respect to the obligation of an individual under an agreement made under paragraph (1) as a student, the Secretary shall provide for the partial or total waiver or suspension of the obligation whenever compliance by the individual is impossible, or would involve extreme hardship to the individual, and if enforcement of the obligation with respect to the individual would be unconscionable.

(B) For purposes of subparagraph (A), the obligation of an individual shall be waived if—

(i) the status of the individual as a student of the school involved is terminated before graduation from the school, whether voluntarily or involuntarily; and

(ii) the individual does not, after such termination, resume attendance at the school or begin attendance at any other school of medicine or osteopathic medicine.

(C) If an individual resumes or begins attendance for purposes of subparagraph (B), the obligation of the individual under the agreement under paragraph (1) shall be considered to have been suspended for the period in which the individual was not in attendance.

(D) This paragraph may not be construed as authorizing the waiver or suspension of the obligation of a student to repay, in accordance with section 722, loans from student loan funds under section 721.

(b) REQUIREMENTS FOR SCHOOLS.—

(1) IN GENERAL.—Subject to the provisions of this subsection, in the case of student loan funds established under section 721 by schools of medicine or osteopathic medicine, each agreement entered into under such section with such a school shall provide (in addition to the provisions required in subsection (b) of such section) that, for the 1-year period ending on June 30, 1997;⁵ and for the 1-year period ending on June 30 of each subsequent fiscal year, the school will meet not less than 1 of the conditions described in paragraph (2) with respect to graduates of the school whose date of graduation from the school occurred approximately 4 years before the end of the 1-year period involved.

(2) DESCRIPTION OF CONDITIONS.—With respect to graduates described in paragraph (1) (in this paragraph referred to as “designated graduates”), the conditions referred to in such paragraph for a school for a 1-year period are as follows:

(A) Not less than 50 percent of designated graduates of the school meet the criterion of either being in a residency training program in primary health care, or being engaged in a practice in such care (having completed such a program).

(B) Not less than 25 percent of the designated graduates of the school meet such criterion, and such percentage is not less than 5 percentage points above the percentage of such graduates meeting such criterion for the preceding 1-year period.

(C) In the case of schools of medicine or osteopathic medicine with student loans funds under section 721, the school involved is at or above the 75th percentile of such schools whose designated graduates meet such criterion.

(3) DETERMINATIONS BY SECRETARY.—Not later than 90 days after the close of each 1-year period described in paragraph (1), the Secretary shall make a determination of whether the school involved has for such period complied with such paragraph and shall in writing inform the school of the determination. Such determination shall be made only after consid-

⁵ So in law. See section 2014(c)(2)(A)(i) of Public Law 103–43 (107 Stat. 216). The semicolon probably should be a comma.

eration of the report submitted to the Secretary by the school under paragraph (6).

(4) NONCOMPLIANCE BY SCHOOL.—

(A)(i) Subject to subparagraph (C), each agreement under section 721 with a school of medicine or osteopathic medicine shall provide that, if the school fails to comply with paragraph (1) for a 1-year period under such paragraph, the school—

(I) will pay to the Secretary the amount applicable under subparagraph (B) for the period; and

(II) will pay such amount not later than 90 days after the school is informed under paragraph (3) of the determination of the Secretary regarding such period.

(ii) Any amount that a school is required to pay under clause (i) may be paid from the student loan fund of the school under section 721.

(B) For purposes of subparagraph (A), the amount applicable for a school, subject to subparagraph (C), is—

(i) for the 1-year period ending June 30, 1997, an amount equal to 10 percent of the income received during such period by the student loan fund of the school under section 721;

(ii) for the 1-year period ending June 30, 1998, an amount equal to 20 percent of the income received during such period by the student loan fund; and

(iii) for any subsequent 1-year period under paragraph (1), an amount equal to 30 percent of the income received during such period by the student loan fund.

(C) In determining the amount of income that a student loan fund has received for purposes of subparagraph (B), the Secretary shall exclude any income derived from exempt contributions. Payments made to the Secretary under subparagraph (A) may not be made with such contributions or with income derived from such contributions.

(5) EXPENDITURE OF PAYMENTS.—

(A) Amounts paid to the Secretary under paragraph (4) shall be expended to make Federal capital contributions to student loan funds under section 721 of schools that are in compliance with paragraph (1).

(B) A Federal capital contribution under section 721 may not be construed as being an exempt Federal capital contribution if the contribution is made from payments under subparagraph (A). A school contribution under such section may not be construed as being an exempt school contribution if the contribution is made pursuant to a Federal capital contribution from such payments.

(6) REPORTS BY SCHOOLS.—Each agreement under section 721 with a school of medicine or osteopathic medicine shall provide that the school will submit to the Secretary a report for each 1-year period under paragraph (1) that provides such information as the Secretary determines to be necessary for carrying out this subsection. Each such report shall include

statistics concerning the current training or practice status of all graduates of such school whose date of graduation from the school occurred approximately 4 years before the end of the 1-year period involved.

(c) DEFINITIONS.—For purposes of this section:

(1) The term “exempt contributions” means exempt Federal capital contributions and exempt school contributions.

(2) The term “exempt Federal capital contribution” means a Federal capital contribution described in subclause (I) of subsection (a)(2)(A)(ii).

(3) The term “exempt school contribution” means a school contribution described in subclause (II) of subsection (a)(2)(A)(ii).

(4) The term “income”, with respect to a student fund under section 721, means payments of principal and interest on any loan made from the fund, and any other earnings of the fund.

(5) The term “primary health care” means family medicine, general internal medicine, general pediatrics, preventive medicine, or osteopathic general practice.

(d) SENSE OF CONGRESS.—It is the sense of Congress that funds repaid under the loan program under this section should not be transferred to the Treasury of the United States or otherwise used for any other purpose other than to carry out this section.

SEC. 724. [292t] INDIVIDUALS FROM DISADVANTAGED BACKGROUNDS.

(a) FUND AGREEMENTS REGARDING CERTAIN AMOUNTS.—With respect to amounts appropriated under subsection (f), each agreement entered into under section 721 with a school shall provide (in addition to the provisions required in subsection (b) of such section) that—

(1) any Federal capital contribution made to the student loan fund of the school from such amounts, together with the school contribution appropriate under subsection (b)(2)(B) of such section to the amount of the Federal capital contribution, will be utilized only for the purpose of—

(A) making loans to individuals from disadvantaged backgrounds; and

(B) the costs of the collection of the loans and interest on the loans; and

(2) collections of principal and interest on loans made pursuant to paragraph (1), and any other earnings of the student loan fund attributable to amounts that are in the fund pursuant to such paragraph, will be utilized only for the purpose described in such paragraph.

(b) MINIMUM QUALIFICATIONS FOR SCHOOLS.—The Secretary may not make a Federal capital contribution for purposes of subsection (a) for a fiscal year unless the health professions school involved—

(1) is carrying out a program for recruiting and retaining students from disadvantaged backgrounds, including racial and ethnic minorities; and

(2) is carrying out a program for recruiting and retaining minority faculty.

(c) CERTAIN AGREEMENTS REGARDING EDUCATION OF STUDENTS; DATE CERTAIN FOR COMPLIANCE.—The Secretary may not make a Federal capital contribution for purposes of subsection (a) for a fiscal year unless the health professions school involved agrees—

(1) to ensure that adequate instruction regarding minority health issues is provided for in the curricula of the school;

(2) with respect to health clinics providing services to a significant number of individuals who are from disadvantaged backgrounds, including members of minority groups, to enter into arrangements with 1 or more such clinics for the purpose of providing students of the school with experience in providing clinical services to such individuals;

(3) with respect to public or nonprofit private secondary educational institutions and undergraduate institutions of higher education, to enter into arrangements with 1 or more such institutions for the purpose of carrying out programs regarding the educational preparation of disadvantaged students, including minority students, to enter the health professions and regarding the recruitment of such individuals into the health professions;

(4) to establish a mentor program for assisting disadvantaged students, including minority students, regarding the completion of the educational requirements for degrees from the school;

(5) to be carrying out each of the activities specified in any of paragraphs (1) through (4) by not later than 1 year after the date on which the first Federal capital contribution is made to the school for purposes of subsection (a); and

(6) to continue carrying out such activities, and the activities specified in paragraphs (1) and (2) of subsection (b), throughout the period during which the student loan fund established pursuant to section 721(b) is in operation.

(d) AVAILABILITY OF OTHER AMOUNTS.—With respect to Federal capital contributions to student loan funds under agreements under section 721(b), any such contributions made before October 1, 1990, together with the school contributions appropriate under paragraph (2)(B) of such section to the amount of the Federal capital contributions, may be utilized for the purpose of making loans to individuals from disadvantaged backgrounds, subject to section 723(a)(2)(B).

(e) DEFINITION.—For purposes of this section, the term “disadvantaged”, with respect to an individual, shall be defined by the Secretary.

(f) AUTHORIZATION OF APPROPRIATIONS.—

[(1) Repealed by section 132(b) of Public Law 105–392 (112 Stat. 3575).]

(2) SPECIAL CONSIDERATION FOR CERTAIN SCHOOLS.—In making Federal capital contributions to student loan funds for purposes of subsection (a), the Secretary shall give special consideration to health professions schools that have enrollments of underrepresented minorities above the national average for health professions schools.

SEC. 725. [292u] ADMINISTRATIVE PROVISIONS.

The Secretary may agree to modifications of agreements or loans made under this subpart, and may compromise, waive, or release any right, title, claim, or demand of the United States arising or acquired under this subpart.

SEC. 726. [292v] PROVISION BY SCHOOLS OF INFORMATION TO STUDENTS.

(a) **IN GENERAL.**—With respect to loans made by a school under this subpart after June 30, 1986, each school, in order to carry out the provisions of sections 721 and 722, shall, at any time such school makes such a loan to a student under this subpart, provide thorough and adequate loan information on loans made under this subpart to the student. The loan information required to be provided to the student by this subsection shall include—

(1) the yearly and cumulative maximum amounts that may be borrowed by the student;

(2) the terms under which repayment of the loan will begin;

(3) the maximum number of years in which the loan must be repaid;

(4) the interest rate that will be paid by the borrower and the minimum amount of the required monthly payment;

(5) the amount of any other fees charged to the borrower by the lender;

(6) any options the borrower may have for deferral, cancellation, prepayment, consolidation, or other refinancing of the loan;

(7) a definition of default on the loan and a specification of the consequences which will result to the borrower if the borrower defaults, including a description of any arrangements which may be made with credit bureau organizations;

(8) to the extent practicable, the effect of accepting the loan on the eligibility of the borrower for other forms of student assistance; and

(9) a description of the actions that may be taken by the Federal Government to collect the loan, including a description of the type of information concerning the borrower that the Federal Government may disclose to (A) officers, employees, or agents of the Department of Health and Human Services, (B) officers, employees, or agents of schools with which the Secretary has an agreement under this subpart, or (C) any other person involved in the collection of a loan under this subpart.

(b) **STATEMENT REGARDING LOAN.**—Each school shall, immediately prior to the graduation from such school of a student who receives a loan under this subpart after June 30, 1986, provide such student with a statement specifying—

(1) each amount borrowed by the student under this subpart;

(2) the total amount borrowed by the student under this subpart; and

(3) a schedule for the repayment of the amounts borrowed under this subpart, including the number, amount, and frequency of payments to be made.

SEC. 727. [292w] PROCEDURES FOR APPEAL OF TERMINATION OF AGREEMENTS.

In any case in which the Secretary intends to terminate an agreement with a school under this subpart, the Secretary shall provide the school with a written notice specifying such intention and stating that the school may request a formal hearing with respect to such termination. If the school requests such a hearing within 30 days after the receipt of such notice, the Secretary shall provide such school with a hearing conducted by an administrative law judge.

SEC. 728. [292x] DISTRIBUTION OF ASSETS FROM LOAN FUNDS.

(a) **DISTRIBUTION AFTER TERMINATION OF FUND.**—If a school terminates a loan fund established under an agreement pursuant to section 721(b), or if the Secretary for good cause terminates the agreement with the school, there shall be a capital distribution as follows:

(1) The Secretary shall first be paid an amount which bears the same ratio to such balance in such fund on the date of termination of the fund as the total amount of the Federal capital contributions to such fund by the Secretary pursuant to section 721(b)(2)(A) bears to the total amount in such fund derived from such Federal capital contributions and from funds deposited therein pursuant to section 721(b)(2)(B).

(2) The remainder of such balance shall be paid to the school.

(b) **PAYMENT OF PROPORTIONATE SHARE TO SECRETARY.**—If a capital distribution is made under subsection (a), the school involved shall, after the capital distribution, pay to the Secretary, not less often than quarterly, the same proportionate share of amounts received by the school in payment of principal or interest on loans made from the loan fund established pursuant to section 721(b) as was determined by the Secretary under subsection (a).

SEC. 735. ⁶ [292y] GENERAL PROVISIONS.

(a) **DATE CERTAIN FOR APPLICATIONS.**—The Secretary shall from time to time set dates by which schools must file applications for Federal capital contributions.

(b) **CONTINGENT REDUCTION IN ALLOTMENTS.**—If the total of the amounts requested for any fiscal year in such applications exceeds the amounts appropriated under this section for that fiscal year, the allotment to the loan fund of each such school shall be reduced to whichever of the following is the smaller: (A) the amount requested in its application; or (B) an amount which bears the same ratio to the amounts appropriated as the number of students estimated by the Secretary to be enrolled in such school during such fiscal year bears to the estimated total number of students in all such schools during such year. Amounts remaining after allotment under the preceding sentence shall be reallocated in accordance with clause (B) of such sentence among schools whose applications requested more than the amounts so allotted to their loan funds, but with such adjustments as may be necessary to prevent

⁶Title VII does not have sections 729 through 734. See section 102 of Public Law 102–408 (106 Stat. 1994, 2021).

the total allotted to any such school's loan fund from exceeding the total so requested by it.

(c) ALLOTMENT OF EXCESS FUNDS.—Funds available in any fiscal year for payment to schools under this subpart which are in excess of the amount appropriated pursuant to this section for that year shall be allotted among schools in such manner as the Secretary determines will best carry out the purposes of this subpart.

(d) PAYMENT OF INSTALLMENTS TO SCHOOLS.—Allotments to a loan fund of a school shall be paid to it from time to time in such installments as the Secretary determines will not result in unnecessary accumulations in the loan fund at such school.

(e) DISPOSITION OF FUNDS RETURNED TO SECRETARY.—

(1) EXPENDITURE FOR FEDERAL CAPITAL CONTRIBUTIONS.—Subject to section 723(b)(5), any amounts from student loan funds under section 721 that are returned to the Secretary by health professions schools shall be expended to make Federal capital contributions to such funds.

(2) DATE CERTAIN FOR CONTRIBUTIONS.—Amounts described in paragraph (1) that are returned to the Secretary shall be obligated before the end of the succeeding fiscal year.

(3) PREFERENCE IN MAKING CONTRIBUTIONS.—In making Federal capital contributions to student loans funds under section 721 for a fiscal year from amounts described in paragraph (1), the Secretary shall give preference to health professions schools of the same disciplines as the health professions schools returning such amounts for the period during which the amounts expended for such contributions were received by the Secretary. Any such amounts that, prior to being so returned, were available only for the purpose of loans under this subpart to individuals from disadvantaged backgrounds shall be available only for such purpose.

(f) FUNDING FOR CERTAIN MEDICAL SCHOOLS.—

(1) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of making Federal capital contributions to student loan funds established under section 721 by schools of medicine or osteopathic medicine, there is authorized to be appropriated \$10,000,000 for each of the fiscal years 1994 through 1996.

(2) MINIMUM REQUIREMENTS.—

(A) Subject to subparagraph (B), the Secretary may make a Federal capital contribution pursuant to paragraph (1) only if the school of medicine or osteopathic medicine involved meets the conditions described in subparagraph (A) of section 723(b)(2) or the conditions described in subparagraph (C) of such section.

(B) For purposes of subparagraph (A), the conditions referred to in such subparagraph shall be applied with respect to graduates of the school involved whose date of graduation occurred approximately 3 years before June 30 of the fiscal year preceding the fiscal year for which the Federal capital contribution involved is made.

PART B—HEALTH PROFESSIONS TRAINING FOR DIVERSITY

SEC. 736. [293] CENTERS OF EXCELLENCE.

(a) **IN GENERAL.**—The Secretary shall make grants to, and enter into contracts with, designated health professions schools described in subsection (c), and other public and nonprofit health or educational entities, for the purpose of assisting the schools in supporting programs of excellence in health professions education for under-represented minority individuals.

(b) **REQUIRED USE OF FUNDS.**—The Secretary may not make a grant under subsection (a) unless the designated health professions school involved agrees, subject to subsection (c)(1)(C), to expend the grant—

(1) to develop a large competitive applicant pool through linkages with institutions of higher education, local school districts, and other community-based entities and establish an education pipeline for health professions careers;

(2) to establish, strengthen, or expand programs to enhance the academic performance of under-represented minority students attending the school;

(3) to improve the capacity of such school to train, recruit, and retain under-represented minority faculty including the payment of such stipends and fellowships as the Secretary may determine appropriate;

(4) to carry out activities to improve the information resources, clinical education, curricula and cultural competence of the graduates of the school, as it relates to minority health issues;

(5) to facilitate faculty and student research on health issues particularly affecting under-represented minority groups, including research on issues relating to the delivery of health care;

(6) to carry out a program to train students of the school in providing health services to a significant number of under-represented minority individuals through training provided to such students at community-based health facilities that—

(A) provide such health services; and

(B) are located at a site remote from the main site of the teaching facilities of the school; and

(7) to provide stipends as the Secretary determines appropriate, in amounts as the Secretary determines appropriate.

(c) **CENTERS OF EXCELLENCE.**—

(1) **DESIGNATED SCHOOLS.**—

(A) **IN GENERAL.**—The designated health professions schools referred to in subsection (a) are such schools that meet each of the conditions specified in subparagraphs (B) and (C), and that—

(i) meet each of the conditions specified in paragraph (2)(A);

(ii) meet each of the conditions specified in paragraph (3);

(iii) meet each of the conditions specified in paragraph (4); or

(iv) meet each of the conditions specified in paragraph (5).

(B) GENERAL CONDITIONS.—The conditions specified in this subparagraph are that a designated health professions school—

(i) has a significant number of under-represented minority individuals enrolled in the school, including individuals accepted for enrollment in the school;

(ii) has been effective in assisting under-represented minority students of the school to complete the program of education and receive the degree involved;

(iii) has been effective in recruiting under-represented minority individuals to enroll in and graduate from the school, including providing scholarships and other financial assistance to such individuals and encouraging under-represented minority students from all levels of the educational pipeline to pursue health professions careers; and

(iv) has made significant recruitment efforts to increase the number of under-represented minority individuals serving in faculty or administrative positions at the school.

(C) CONSORTIUM.—The condition specified in this subparagraph is that, in accordance with subsection (e)(1), the designated health profession school involved has with other health profession schools (designated or otherwise) formed a consortium to carry out the purposes described in subsection (b) at the schools of the consortium.

(D) APPLICATION OF CRITERIA TO OTHER PROGRAMS.—In the case of any criteria established by the Secretary for purposes of determining whether schools meet the conditions described in subparagraph (B), this section may not, with respect to racial and ethnic minorities, be construed to authorize, require, or prohibit the use of such criteria in any program other than the program established in this section.

(2) CENTERS OF EXCELLENCE AT CERTAIN HISTORICALLY BLACK COLLEGES AND UNIVERSITIES.—

(A) CONDITIONS.—The conditions specified in this subparagraph are that a designated health professions school—

(i) is a school described in section 799B(1); and

(ii) received a contract under section 788B for fiscal year 1987, as such section was in effect for such fiscal year.

(B) USE OF GRANT.—In addition to the purposes described in subsection (b), a grant under subsection (a) to a designated health professions school meeting the conditions described in subparagraph (A) may be expended—

(i) to develop a plan to achieve institutional improvements, including financial independence, to en-

able the school to support programs of excellence in health professions education for under-represented minority individuals; and

(ii) to provide improved access to the library and informational resources of the school.

(C) EXCEPTION.—The requirements of paragraph (1)(C) shall not apply to a historically black college or university that receives funding under paragraphs (2) or (5)⁷.

(3) HISPANIC CENTERS OF EXCELLENCE.—The conditions specified in this paragraph are that—

(A) with respect to Hispanic individuals, each of clauses (i) through (iv) of paragraph (1)(B) applies to the designated health professions school involved;

(B) the school agrees, as a condition of receiving a grant under subsection (a), that the school will, in carrying out the duties described in subsection (b), give priority to carrying out the duties with respect to Hispanic individuals; and

(C) the school agrees, as a condition of receiving a grant under subsection (a), that—

(i) the school will establish an arrangement with 1 or more public or nonprofit community based Hispanic serving organizations, or public or nonprofit private institutions of higher education, including schools of nursing, whose enrollment of students has traditionally included a significant number of Hispanic individuals, the purposes of which will be to carry out a program—

(I) to identify Hispanic students who are interested in a career in the health profession involved; and

(II) to facilitate the educational preparation of such students to enter the health professions school; and

(ii) the school will make efforts to recruit Hispanic students, including students who have participated in the undergraduate or other matriculation program carried out under arrangements established by the school pursuant to clause (i)(II) and will assist Hispanic students regarding the completion of the educational requirements for a degree from the school.

(4) NATIVE AMERICAN CENTERS OF EXCELLENCE.—Subject to subsection (e), the conditions specified in this paragraph are that—

(A) with respect to Native Americans, each of clauses (i) through (iv) of paragraph (1)(B) applies to the designated health professions school involved;

(B) the school agrees, as a condition of receiving a grant under subsection (a), that the school will, in carrying out the duties described in subsection (b), give priority to carrying out the duties with respect to Native Americans; and

⁷ So in law. Probably should read “paragraph (2) or (5)”.

- (C) the school agrees, as a condition of receiving a grant under subsection (a), that—
- (i) the school will establish an arrangement with 1 or more public or nonprofit private institutions of higher education, including schools of nursing, whose enrollment of students has traditionally included a significant number of Native Americans, the purpose of which arrangement will be to carry out a program—
 - (I) to identify Native American students, from the institutions of higher education referred to in clause (i), who are interested in health professions careers; and
 - (II) to facilitate the educational preparation of such students to enter the designated health professions school; and
 - (ii) the designated health professions school will make efforts to recruit Native American students, including students who have participated in the undergraduate program carried out under arrangements established by the school pursuant to clause (i) and will assist Native American students regarding the completion of the educational requirements for a degree from the designated health professions school.
- (5) OTHER CENTERS OF EXCELLENCE.—The conditions specified in this paragraph are—
- (A) with respect to other centers of excellence, the conditions described in clauses (i) through (iv) of paragraph (1)(B); and
 - (B) that the health professions school involved has an enrollment of under-represented minorities above the national average for such enrollments of health professions schools.
- (d) DESIGNATION AS CENTER OF EXCELLENCE.—
- (1) IN GENERAL.—Any designated health professions school receiving a grant under subsection (a) and meeting the conditions described in paragraph (2) or (5) of subsection (c) shall, for purposes of this section, be designated by the Secretary as a Center of Excellence in Under-Represented Minority Health Professions Education.
 - (2) HISPANIC CENTERS OF EXCELLENCE.—Any designated health professions school receiving a grant under subsection (a) and meeting the conditions described in subsection (c)(3) shall, for purposes of this section, be designated by the Secretary as a Hispanic Center of Excellence in Health Professions Education.
 - (3) NATIVE AMERICAN CENTERS OF EXCELLENCE.—Any designated health professions school receiving a grant under subsection (a) and meeting the conditions described in subsection (c)(4) shall, for purposes of this section, be designated by the Secretary as a Native American Center of Excellence in Health Professions Education. Any consortium receiving such a grant pursuant to subsection (e) shall, for purposes of this section, be so designated.

(e) **AUTHORITY REGARDING NATIVE AMERICAN CENTERS OF EXCELLENCE.**—With respect to meeting the conditions specified in subsection (c)(4), the Secretary may make a grant under subsection (a) to a designated health professions school that does not meet such conditions if—

(1) the school has formed a consortium in accordance with subsection (d)(1); and

(2) the schools of the consortium collectively meet such conditions, without regard to whether the schools individually meet such conditions.

(f) **DURATION OF GRANT.**—The period during which payments are made under a grant under subsection (a) may not exceed 5 years. Such payments shall be subject to annual approval by the Secretary and to the availability of appropriations for the fiscal year involved to make the payments.

(g) **DEFINITIONS.**—In this section:

(1) **DESIGNATED HEALTH PROFESSIONS SCHOOL.**—

(A) **IN GENERAL.**—The term “health professions school” means, except as provided in subparagraph (B), a school of medicine, a school of osteopathic medicine, a school of dentistry, a school of pharmacy, or a graduate program in behavioral or mental health.

(B) **EXCEPTION.**—The definition established in subparagraph (A) shall not apply to the use of the term “designated health professions school” for purposes of subsection (c)(2).

(2) **PROGRAM OF EXCELLENCE.**—The term “program of excellence” means any program carried out by a designated health professions school with a grant made under subsection (a), if the program is for purposes for which the school involved is authorized in subsection (b) or (c) to expend the grant.

(3) **NATIVE AMERICANS.**—The term “Native Americans” means American Indians, Alaskan Natives, Aleuts, and Native Hawaiians.

(h) **FORMULA FOR ALLOCATIONS.**—

(1) **ALLOCATIONS.**—Based on the amount appropriated under subsection (i) for a fiscal year, the following subparagraphs shall apply as appropriate:

(A) **IN GENERAL.**—If the amounts appropriated under subsection (i) for a fiscal year are \$24,000,000 or less—

(i) the Secretary shall make available \$12,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in subsection (c)(2)(A); and

(ii) and available after grants are made with funds under clause (i), the Secretary shall make available—

(I) 60 percent of such amount for grants under subsection (a) to health professions schools that meet the conditions described in paragraph (3) or (4) of subsection (c) (including meeting the conditions under subsection (e)); and

(II) 40 percent of such amount for grants under subsection (a) to health professions schools

that meet the conditions described in subsection (c)(5).

(B) FUNDING IN EXCESS OF \$24,000,000.—If amounts appropriated under subsection (i) for a fiscal year exceed \$24,000,000 but are less than \$30,000,000—

(i) 80 percent of such excess amounts shall be made available for grants under subsection (a) to health professions schools that meet the requirements described in paragraph (3) or (4) of subsection (c) (including meeting conditions pursuant to subsection (e)); and

(ii) 20 percent of such excess amount shall be made available for grants under subsection (a) to health professions schools that meet the conditions described in subsection (c)(5).

(C) FUNDING IN EXCESS OF \$30,000,000.—If amounts appropriated under subsection (i) for a fiscal year exceed \$30,000,000 but are less than \$40,000,000, the Secretary shall make available—

(i) not less than \$12,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in subsection (c)(2)(A);

(ii) not less than \$12,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in paragraph (3) or (4) of subsection (c) (including meeting conditions pursuant to subsection (e));

(iii) not less than \$6,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in subsection (c)(5); and

(iv) after grants are made with funds under clauses (i) through (iii), any remaining excess amount for grants under subsection (a) to health professions schools that meet the conditions described in paragraph (2)(A), (3), (4), or (5) of subsection (c).

(D) FUNDING IN EXCESS OF \$40,000,000.—If amounts appropriated under subsection (i) for a fiscal year are \$40,000,000 or more, the Secretary shall make available—

(i) not less than \$16,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in subsection (c)(2)(A);

(ii) not less than \$16,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in paragraph (3) or (4) of subsection (c) (including meeting conditions pursuant to subsection (e));

(iii) not less than \$8,000,000 for grants under subsection (a) to health professions schools that meet the conditions described in subsection (c)(5); and

(iv) after grants are made with funds under clauses (i) through (iii), any remaining funds for grants under subsection (a) to health professions schools that meet the conditions described in paragraph (2)(A), (3), (4), or (5) of subsection (c).

(2) NO LIMITATION.—Nothing in this subsection shall be construed as limiting the centers of excellence referred to in this section to the designated amount, or to preclude such entities from competing for grants under this section.

(3) MAINTENANCE OF EFFORT.—

(A) IN GENERAL.—With respect to activities for which a grant made under this part are authorized to be expended, the Secretary may not make such a grant to a center of excellence for any fiscal year unless the center agrees to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the center for the fiscal year preceding the fiscal year for which the school receives such a grant.

(B) USE OF FEDERAL FUNDS.—With respect to any Federal amounts received by a center of excellence and available for carrying out activities for which a grant under this part is authorized to be expended, the center shall, before expending the grant, expend the Federal amounts obtained from sources other than the grant, unless given prior approval from the Secretary.

(i) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there is authorized to be appropriated \$23,711,000 for each of fiscal years 2021 through 2025.

SEC. 737. [293a] SCHOLARSHIPS FOR DISADVANTAGED STUDENTS.

(a) IN GENERAL.—The Secretary may make a grant to an eligible entity (as defined in subsection (d)(1)) under this section for the awarding of scholarships by schools to any full-time student who is an eligible individual as defined in subsection (d). Such scholarships may be expended only for tuition expenses, other reasonable educational expenses, and reasonable living expenses incurred in the attendance of such school.

(b) PREFERENCE IN PROVIDING SCHOLARSHIPS.—The Secretary may not make a grant to an entity under subsection (a) unless the health professions and nursing schools involved agree that, in providing scholarships pursuant to the grant, the schools will give preference to students for whom the costs of attending the schools would constitute a severe financial hardship and, notwithstanding other provisions of this section, to former recipients of scholarships under sections 736 and 740(d)(2)(B) (as such sections existed on the day before the date of enactment of this section).

(c) AMOUNT OF AWARD.—In awarding grants to eligible entities that are health professions and nursing schools, the Secretary shall give priority to eligible entities based on the proportion of graduating students going into primary care, the proportion of underrepresented minority students, and the proportion of graduates working in medically underserved communities.

(d) DEFINITIONS.—In this section:

(1) ELIGIBLE ENTITIES.—The term “eligible entities” means an entity that—

(A) is a school of medicine, osteopathic medicine, dentistry, nursing (as defined in section 801), pharmacy, podiatric medicine, optometry, veterinary medicine, public

health, chiropractic, or allied health, a school offering a graduate program in behavioral and mental health practice, or an entity providing programs for the training of physician assistants; and

(B) is carrying out a program for recruiting and retaining students from disadvantaged backgrounds, including students who are members of racial and ethnic minority groups.

(2) **ELIGIBLE INDIVIDUAL.**—The term “eligible individual” means an individual who—

(A) is from a disadvantaged background;

(B) has a financial need for a scholarship; and

(C) is enrolled (or accepted for enrollment) at an eligible health professions or nursing school as a full-time student in a program leading to a degree in a health profession or nursing.

SEC. 738. [293b] LOAN REPAYMENTS AND FELLOWSHIPS REGARDING FACULTY POSITIONS.

(a) **LOAN REPAYMENTS.**—

(1) **ESTABLISHMENT OF PROGRAM.**—The Secretary shall establish a program of entering into contracts with individuals described in paragraph (2) under which the individuals agree to serve as members of the faculties of schools described in paragraph (3) in consideration of the Federal Government agreeing to pay, for each year of such service, not more than \$30,000 of the principal and interest of the educational loans of such individuals.

(2) **ELIGIBLE INDIVIDUALS.**—The individuals referred to in paragraph (1) are individuals from disadvantaged backgrounds who—

(A) have a degree in medicine, osteopathic medicine, dentistry, nursing, or another health profession;

(B) are enrolled in an approved graduate training program in medicine, osteopathic medicine, dentistry, nursing, or other health profession; or

(C) are enrolled as full-time students—

(i) in an accredited (as determined by the Secretary) school described in paragraph (3); and

(ii) in the final year of a course of a study or program, offered by such institution and approved by the Secretary, leading to a degree from such a school.

(3) **ELIGIBLE HEALTH PROFESSIONS SCHOOLS.**—The schools described in this paragraph are schools of medicine, nursing (as schools of nursing are defined in section 801), osteopathic medicine, dentistry, pharmacy, allied health, podiatric medicine, optometry, veterinary medicine, or public health, schools offering physician assistant education programs, or schools offering graduate programs in behavioral and mental health.

(4) **REQUIREMENTS REGARDING FACULTY POSITIONS.**—The Secretary may not enter into a contract under paragraph (1) unless—

(A) the individual involved has entered into a contract with a school described in paragraph (3) to serve as a

member of the faculty of the school for not less than 2 years; and

(B) the contract referred to in subparagraph (A) provides that—

(i) the school will, for each year for which the individual will serve as a member of the faculty under the contract with the school, make payments of the principal and interest due on the educational loans of the individual for such year in an amount equal to the amount of such payments made by the Secretary for the year;

(ii) the payments made by the school pursuant to clause (i) on behalf of the individual will be in addition to the pay that the individual would otherwise receive for serving as a member of such faculty; and

(iii) the school, in making a determination of the amount of compensation to be provided by the school to the individual for serving as a member of the faculty, will make the determination without regard to the amount of payments made (or to be made) to the individual by the Federal Government under paragraph (1).

(5) **APPLICABILITY OF CERTAIN PROVISIONS.**—The provisions of sections 338C, 338G, and 338I shall apply to the program established in paragraph (1) to the same extent and in the same manner as such provisions apply to the National Health Service Corps Loan Repayment Program established in subpart III of part D of title III, including the applicability of provisions regarding reimbursements for increased tax liability and regarding bankruptcy.

(6) **WAIVER REGARDING SCHOOL CONTRIBUTIONS.**—The Secretary may waive the requirement established in paragraph (4)(B) if the Secretary determines that the requirement will impose an undue financial hardship on the school involved.

(b) **FELLOWSHIPS.**—

(1) **IN GENERAL.**—The Secretary may make grants to and enter into contracts with eligible entities to assist such entities in increasing the number of underrepresented minority individuals who are members of the faculty of such schools.

(2) **APPLICATIONS.**—To be eligible to receive a grant or contract under this subsection, an entity shall provide an assurance, in the application submitted by the entity, that—

(A) amounts received under such a grant or contract will be used to award a fellowship to an individual only if the individual meets the requirements of paragraphs (3) and (4); and

(B) each fellowship awarded pursuant to the grant or contract will include—

(i) a stipend in an amount not exceeding 50 percent of the regular salary of a similar faculty member for not to exceed 3 years of training; and

(ii) an allowance for other expenses, such as travel to professional meetings and costs related to specialized training.

(3) ELIGIBILITY.—To be eligible to receive a grant or contract under paragraph (1), an applicant shall demonstrate to the Secretary that such applicant has or will have the ability to—

(A) identify, recruit and select underrepresented minority individuals who have the potential for teaching, administration, or conducting research at a health professions institution;

(B) provide such individuals with the skills necessary to enable them to secure a tenured faculty position at such institution, which may include training with respect to pedagogical skills, program administration, the design and conduct of research, grants writing, and the preparation of articles suitable for publication in peer reviewed journals;

(C) provide services designed to assist such individuals in their preparation for an academic career, including the provision of counselors; and

(D) provide health services to rural or medically underserved populations.

(4) REQUIREMENTS.—To be eligible to receive a grant or contract under paragraph (1) an applicant shall—

(A) provide an assurance that such applicant will make available (directly through cash donations) \$1 for every \$1 of Federal funds received under this section for the fellowship;

(B) provide an assurance that institutional support will be provided for the individual for the second and third years at a level that is equal to the total amount of institutional funds provided in the year in which the grant or contract was awarded;

(C) provide an assurance that the individual that will receive the fellowship will be a member of the faculty of the applicant school; and

(D) provide an assurance that the individual that will receive the fellowship will have, at a minimum, appropriate advanced preparation (such as a master's or doctoral degree) and special skills necessary to enable such individual to teach and practice.

(5) DEFINITION.—For purposes of this subsection, the term “underrepresented minority individuals” means individuals who are members of racial or ethnic minority groups that are underrepresented in the health professions including nursing.

SEC. 739. [293c] EDUCATIONAL ASSISTANCE IN THE HEALTH PROFESSIONS REGARDING INDIVIDUALS FROM DISADVANTAGED BACKGROUNDS.

(a) IN GENERAL.—

(1) AUTHORITY FOR GRANTS.—For the purpose of assisting individuals from disadvantaged backgrounds, as determined in accordance with criteria prescribed by the Secretary, to undertake education to enter a health profession, the Secretary may make grants to and enter into contracts with schools of medicine, osteopathic medicine, public health, dentistry, veterinary medicine, optometry, pharmacy, allied health, chiropractic, and podiatric medicine, public and nonprofit private schools that

offer graduate programs in behavioral and mental health, programs for the training of physician assistants, and other public or private nonprofit health or educational entities to assist in meeting the costs described in paragraph (2).

(2) AUTHORIZED EXPENDITURES.—A grant or contract under paragraph (1) may be used by the entity to meet the cost of—

(A) identifying, recruiting, and selecting individuals from disadvantaged backgrounds, as so determined, for education and training in a health profession;

(B) facilitating the entry of such individuals into such a school;

(C) providing counseling, mentoring, or other services designed to assist such individuals to complete successfully their education at such a school;

(D) providing, for a period prior to the entry of such individuals into the regular course of education of such a school, preliminary education and health research training designed to assist them to complete successfully such regular course of education at such a school, or referring such individuals to institutions providing such preliminary education;

(E) publicizing existing sources of financial aid available to students in the education program of such a school or who are undertaking training necessary to qualify them to enroll in such a program;

(F) paying such scholarships as the Secretary may determine for such individuals for any period of health professions education at a health professions school;

(G) paying such stipends as the Secretary may approve for such individuals for any period of education in student-enhancement programs (other than regular courses), except that such a stipend may not be provided to an individual for more than 12 months, and such a stipend shall be in an amount determined appropriate by the Secretary (notwithstanding any other provision of law regarding the amount of stipends);

(H) carrying out programs under which such individuals gain experience regarding a career in a field of primary health care through working at facilities of public or private nonprofit community-based providers of primary health services; and

(I) conducting activities to develop a larger and more competitive applicant pool through partnerships with institutions of higher education, school districts, and other community-based entities.

(3) DEFINITION.—In this section, the term “regular course of education of such a school” as used in subparagraph (D) includes a graduate program in behavioral or mental health.

(b) REQUIREMENTS FOR AWARDS.—In making awards to eligible entities under subsection (a)(1), the Secretary shall give preference to approved applications for programs that involve a comprehensive approach by several public or nonprofit private health or educational entities to establish, enhance and expand educational programs that will result in the development of a competitive appli-

cant pool of individuals from disadvantaged backgrounds who desire to pursue health professions careers. In considering awards for such a comprehensive partnership approach, the following shall apply with respect to the entity involved:

(1) The entity shall have a demonstrated commitment to such approach through formal agreements that have common objectives with institutions of higher education, school districts, and other community-based entities.

(2) Such formal agreements shall reflect the coordination of educational activities and support services, increased linkages, and the consolidation of resources within a specific geographic area.

(3) The design of the educational activities involved shall provide for the establishment of a competitive health professions applicant pool of individuals from disadvantaged backgrounds by enhancing the total preparation (academic and social) of such individuals to pursue a health professions career.

(4) The programs or activities under the award shall focus on developing a culturally competent health care workforce that will serve the unserved and underserved populations within the geographic area.

(c) **EQUITABLE ALLOCATION OF FINANCIAL ASSISTANCE.**—The Secretary, to the extent practicable, shall ensure that services and activities under subsection (a) are adequately allocated among the various racial and ethnic populations who are from disadvantaged backgrounds.

(d) **MATCHING REQUIREMENTS.**—The Secretary may require that an entity that applies for a grant or contract under subsection (a), provide non-Federal matching funds, as appropriate, to ensure the institutional commitment of the entity to the projects funded under the grant or contract. As determined by the Secretary, such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

SEC. 740. [293d] AUTHORIZATION OF APPROPRIATION.

(a) **SCHOLARSHIPS.**—There are authorized to be appropriated to carry out section 737, \$51,470,000 for each of fiscal years 2021 through 2025. Of the amount appropriated in any fiscal year, the Secretary shall ensure that not less than 16 percent shall be distributed to schools of nursing.

(b) **LOAN REPAYMENTS AND FELLOWSHIPS.**—For the purpose of carrying out section 738, there is authorized to be appropriated, \$1,190,000 for each of fiscal years 2021 through 2025.

(c) **EDUCATIONAL ASSISTANCE IN HEALTH PROFESSIONS REGARDING INDIVIDUALS FOR DISADVANTAGED BACKGROUNDS.**—For the purpose of grants and contracts under section 739(a)(1), there is authorized to be appropriated \$15,000,000 for each of fiscal years 2021 through 2025. The Secretary may use not to exceed 20 percent of the amount appropriated for a fiscal year under this subsection to provide scholarships under section 739(a)(2)(F).

(d)⁸ REPORT.—Not later than September 30, 2025, and every five years thereafter, the Secretary shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, a report concerning the efforts of the Secretary to address the need for a representative mix of individuals from historically minority health professions schools, or from institutions or other entities that historically or by geographic location have a demonstrated record of training or educating underrepresented minorities, within various health professions disciplines, on peer review councils.

SEC. 741. [293e] GRANTS FOR HEALTH PROFESSIONS EDUCATION.

(a) CULTURAL COMPETENCY, PREVENTION, AND PUBLIC HEALTH AND INDIVIDUALS WITH DISABILITY GRANTS.—

(1) IN GENERAL.—The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make awards of grants, contracts, or cooperative agreements to public and nonprofit private entities (including tribal entities) for the development, evaluation, and dissemination of research, demonstration projects, and model curricula for cultural competency, prevention, public health proficiency, reducing health disparities, and aptitude for working with individuals with disabilities training for use in health professions schools and continuing education programs, and for other purposes determined as appropriate by the Secretary.

(2) ELIGIBLE ENTITIES.—Unless specifically required otherwise in this title, the Secretary shall accept applications for grants or contracts under this section from health professions schools, academic health centers, State or local governments, or other appropriate public or private nonprofit entities (or consortia of entities, including entities promoting multidisciplinary approaches) for funding and participation in health professions training activities. The Secretary may accept applications from for-profit private entities as determined appropriate by the Secretary.

(b) COLLABORATION.—In carrying out subsection (a), the Secretary shall collaborate with health professional societies, licensing and accreditation entities, health professions schools, and experts in minority health and cultural competency, prevention, and public health and disability groups, community-based organizations, and other organizations as determined appropriate by the Secretary. The Secretary shall coordinate with curricula and research and demonstration projects developed under section 807.

(c) DISSEMINATION.—

(1) IN GENERAL.—Model curricula developed under this section shall be disseminated through the Internet Clearinghouse under section 270 and such other means as determined appropriate by the Secretary.

⁸The amendment made to subsection (d) by section 3401(2)(D) of division A of Public Law 116–136 was carried out to reflect the probable intent of Congress. Such amendment struck “Not [L]ater than...” and inserted new text, however, it should have been made to strike “Not later than...”.

(2) EVALUATION.—The Secretary shall evaluate the adoption and the implementation of cultural competency, prevention, and public health, and working with individuals with a disability training curricula, and the facilitate inclusion of these competency measures in quality measurement systems as appropriate.

(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2010 through 2015.

(g) CARRYOVER FUNDS.—An entity that receives an award under this section may carry over funds from 1 fiscal year to another without obtaining approval from the Secretary. In no case may any funds be carried over pursuant to the preceding sentence for more than 3 years.

SEC. 749. [2931] ADVISORY COMMITTEE ON TRAINING IN PRIMARY CARE MEDICINE AND DENTISTRY.

(a) ESTABLISHMENT.—The Secretary shall establish an advisory committee to be known as the Advisory Committee on Training in Primary Care Medicine and Dentistry (in this section referred to as the “Advisory Committee”).

(b) COMPOSITION.—

(1) IN GENERAL.—The Secretary shall determine the appropriate number of individuals to serve on the Advisory Committee. Such individuals shall not be officers or employees of the Federal Government.

(2) APPOINTMENT.—Not later than 90 days after the date of enactment of this Act⁹, the Secretary shall appoint the members of the Advisory Committee from among individuals who are health professionals. In making such appointments, the Secretary shall ensure a fair balance between the health professions, that at least 75 percent of the members of the Advisory Committee are health professionals, a broad geographic representation of members and a balance between urban and rural members. Members shall be appointed based on their competence, interest, and knowledge of the mission of the profession involved.

(3) MINORITY REPRESENTATION.—In appointing the members of the Advisory Committee under paragraph (2), the Secretary shall ensure the adequate representation of women and minorities.

(c) TERMS.—

(1) IN GENERAL.—A member of the Advisory Committee shall be appointed for a term of 3 years, except that of the members first appointed—

(A) $\frac{1}{3}$ of such members shall serve for a term of 1 year;

(B) $\frac{1}{3}$ of such members shall serve for a term of 2 years; and

⁹So in law. The reference to “this Act” means the Public Health Service Act, which was enacted July 1, 1944. Probably should be a reference to the Health Professions Education Partnerships Act of 1998, which added section 748. That Act is Public Law 105–392, enacted November 13, 1998. (Section 102(4) of that Public Law (112 Stat. 3539) added section 748.)

(C) $\frac{1}{3}$ of such members shall serve for a term of 3 years.

(2) VACANCIES.—

(A) IN GENERAL.—A vacancy on the Advisory Committee shall be filled in the manner in which the original appointment was made and shall be subject to any conditions which applied with respect to the original appointment.

(B) FILLING UNEXPIRED TERM.—An individual chosen to fill a vacancy shall be appointed for the unexpired term of the member replaced.

(d) DUTIES.—The Advisory Committee shall—

(1) provide advice and recommendations to the Secretary concerning policy and program development and other matters of significance concerning the activities under section 747;

(2) not later than 3 years after the date of enactment of this section, and annually thereafter, prepare and submit to the Secretary, and the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, a report describing the activities of the Committee, including findings and recommendations made by the Committee concerning the activities under section 747;

(3) develop, publish, and implement performance measures for programs under this part;

(4) develop and publish guidelines for longitudinal evaluations (as described in section 761(d)(2)) for programs under this part; and

(5) recommend appropriation levels for programs under this part.

(e) MEETINGS AND DOCUMENTS.—

(1) MEETINGS.—The Advisory Committee shall meet not less than 2 times each year. Such meetings shall be held jointly with other related entities established under this title where appropriate.

(2) DOCUMENTS.—Not later than 14 days prior to the convening of a meeting under paragraph (1), the Advisory Committee shall prepare and make available an agenda of the matters to be considered by the Advisory Committee at such meeting. At any such meeting, the Advisory Council¹⁰ shall distribute materials with respect to the issues to be addressed at the meeting. Not later than 30 days after the adjourning of such a meeting, the Advisory Committee shall prepare and make available a summary of the meeting and any actions taken by the Committee based upon the meeting.

(f) COMPENSATION AND EXPENSES.—

(1) COMPENSATION.—Each member of the Advisory Committee shall be compensated at a rate equal to the daily equivalent of the annual rate of basic pay prescribed for level IV of the Executive Schedule under section 5315 of title 5, United States Code, for each day (including travel time) during which

¹⁰So in law. Probably should be “Advisory Committee”. See section 102(4) of Public Law 105–392 (112 Stat. 3539).

such member is engaged in the performance of the duties of the Committee.

(2) **EXPENSES.**—The members of the Advisory Committee shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Committee.

(g) **CHAPTER 10 OF TITLE 5, UNITED STATES CODE.**—Chapter 10 of title 5, United States Code, shall apply to the Advisory Committee under this section only to the extent that the provisions of chapter 10 of title 5, United States Code, do not conflict with the requirements of this section.

SEC. 749A. [2931-1] TEACHING HEALTH CENTERS DEVELOPMENT GRANTS.

(a) **PROGRAM AUTHORIZED.**—The Secretary may award grants under this section to teaching health centers for the purpose of establishing new accredited or expanded primary care residency programs.

(b) **AMOUNT AND DURATION.**—Grants awarded under this section shall be for a term of not more than 3 years and the maximum award may not be more than \$500,000.

(c) **USE OF FUNDS.**—Amounts provided under a grant under this section shall be used to cover the costs of—

(1) establishing or expanding a primary care residency training program described in subsection (a), including costs associated with—

(A) curriculum development;

(B) recruitment, training and retention of residents and faculty;

(C) accreditation by the Accreditation Council for Graduate Medical Education (ACGME), the American Dental Association (ADA), or the American Osteopathic Association (AOA); and

(D) faculty salaries during the development phase; and

(2) technical assistance provided by an eligible entity.

(d) **APPLICATION.**—A teaching health center seeking a grant under this section shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(e) **PREFERENCE FOR CERTAIN APPLICATIONS.**—In selecting recipients for grants under this section, the Secretary shall give preference to any such application that documents an existing affiliation agreement with an area health education center program as defined in sections 751 and 799B.

(f) **DEFINITIONS.**—In this section:

(1) **ELIGIBLE ENTITY.**—The term “eligible entity” means an organization capable of providing technical assistance including an area health education center program as defined in sections 751 and 799B.

(2) **PRIMARY CARE RESIDENCY PROGRAM.**—The term “primary care residency program” means an approved graduate medical residency training program (as defined in section 340H) in family medicine, internal medicine, pediatrics, inter-

nal medicine-pediatrics, obstetrics and gynecology, psychiatry, general dentistry, pediatric dentistry, and geriatrics.

(3) TEACHING HEALTH CENTER.—

(A) IN GENERAL.—The term “teaching health center” means an entity that—

- (i) is a community based, ambulatory patient care center; and
- (ii) operates a primary care residency program.

(B) INCLUSION OF CERTAIN ENTITIES.—Such term includes the following:

- (i) A Federally qualified health center (as defined in section 1905(l)(2)(B), of the Social Security Act).
- (ii) A community mental health center (as defined in section 1861(ff)(3)(B) of the Social Security Act).
- (iii) A rural health clinic, as defined in section 1861(aa) of the Social Security Act.
- (iv) A health center operated by the Indian Health Service, an Indian tribe or tribal organization, or an urban Indian organization (as defined in section 4 of the Indian Health Care Improvement Act).
- (v) An entity receiving funds under title X of the Public Health Service Act.

(g) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated, \$25,000,000 for fiscal year 2010, \$50,000,000 for fiscal year 2011, \$50,000,000 for fiscal year 2012, and such sums as may be necessary for each fiscal year thereafter to carry out this section. Not to exceed \$5,000,000 annually may be used for technical assistance program grants.

Subpart II—Training in Underserved Communities

SEC. 749B. [293m] RURAL PHYSICIAN TRAINING GRANTS.

(a) IN GENERAL.—The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall establish a grant program for the purposes of assisting eligible entities in recruiting students most likely to practice medicine in underserved rural communities, providing rural-focused training and experience, and increasing the number of recent allopathic and osteopathic medical school graduates who practice in underserved rural communities.

(b) ELIGIBLE ENTITIES.—In order to be eligible to receive a grant under this section, an entity shall—

- (1) be a school of allopathic or osteopathic medicine accredited by a nationally recognized accrediting agency or association approved by the Secretary for this purpose, or any combination or consortium of such schools; and
- (2) submit an application to the Secretary that includes a certification that such entity will use amounts provided to the institution as described in subsection (d)(1).

(c) PRIORITY.—In awarding grant funds under this section, the Secretary shall give priority to eligible entities that—

(1) demonstrate a record of successfully training students, as determined by the Secretary, who practice medicine in underserved rural communities;

(2) demonstrate that an existing academic program of the eligible entity produces a high percentage, as determined by the Secretary, of graduates from such program who practice medicine in underserved rural communities;

(3) demonstrate rural community institutional partnerships, through such mechanisms as matching or contributory funding, documented in-kind services for implementation, or existence of training partners with interprofessional expertise in community health center training locations or other similar facilities; or

(4) submit, as part of the application of the entity under subsection (b), a plan for the long-term tracking of where the graduates of such entity practice medicine.

(d) USE OF FUNDS.—

(1) ESTABLISHMENT.—An eligible entity receiving a grant under this section shall use the funds made available under such grant to establish, improve, or expand a rural-focused training program (referred to in this section as the “Program”) meeting the requirements described in this subsection and to carry out such program.

(2) STRUCTURE OF PROGRAM.—An eligible entity shall—

(A) enroll no fewer than 10 students per class year into the Program; and

(B) develop criteria for admission to the Program that gives priority to students—

(i) who have originated from or lived for a period of 2 or more years in an underserved rural community; and

(ii) who express a commitment to practice medicine in an underserved rural community.

(3) CURRICULA.—The Program shall require students to enroll in didactic coursework and clinical experience particularly applicable to medical practice in underserved rural communities, including—

(A) clinical rotations in underserved rural communities, and in applicable specialties, or other coursework or clinical experience deemed appropriate by the Secretary; and

(B) in addition to core school curricula, additional coursework or training experiences focused on medical issues prevalent in underserved rural communities.

(4) RESIDENCY PLACEMENT ASSISTANCE.—Where available, the Program shall assist all students of the Program in obtaining clinical training experiences in locations with postgraduate programs offering residency training opportunities in underserved rural communities, or in local residency training programs that support and train physicians to practice in underserved rural communities.

(5) PROGRAM STUDENT COHORT SUPPORT.—The Program shall provide and require all students of the Program to participate in group activities designed to further develop, main-

tain, and reinforce the original commitment of such students to practice in an underserved rural community.

(e) **ANNUAL REPORTING.**—An eligible entity receiving a grant under this section shall submit an annual report to the Secretary on the success of the Program, based on criteria the Secretary determines appropriate, including the residency program selection of graduating students who participated in the Program.

(f) **REGULATIONS.**—Not later than 60 days after the date of enactment of this section, the Secretary shall by regulation define “underserved rural community” for purposes of this section.

(g) **SUPPLEMENT NOT SUPPLANT.**—Any eligible entity receiving funds under this section shall use such funds to supplement, not supplant, any other Federal, State, and local funds that would otherwise be expended by such entity to carry out the activities described in this section.

(h) **MAINTENANCE OF EFFORT.**—With respect to activities for which funds awarded under this section are to be expended, the entity shall agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the entity for the fiscal year preceding the fiscal year for which the entity receives a grant under this section.

(i) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated \$4,000,000 for each of the fiscal years 2010 through 2013.

PART D—INTERDISCIPLINARY, COMMUNITY-BASED LINKAGES

SEC. 750. [294] GENERAL PROVISIONS.

(a) **COLLABORATION.**—To be eligible to receive assistance under this part, an academic institution shall use such assistance in collaboration with 2 or more disciplines.

(b) **ACTIVITIES.**—An entity shall use assistance under this part to carry out innovative demonstration projects for strategic workforce supplementation activities as needed to meet national goals for interdisciplinary, community-based linkages. Such assistance may be used consistent with this part—

- (1) to develop and support training programs;
- (2) for faculty development;
- (3) for model demonstration programs;
- (4) for the provision of stipends for fellowship trainees;
- (5) to provide technical assistance; and
- (6) for other activities that will produce outcomes consistent with the purposes of this part.

SEC. 751. [294a] AREA HEALTH EDUCATION CENTERS.

(a) **ESTABLISHMENT OF AWARDS.**—The Secretary shall make the following 2 types of awards in accordance with this section:

- (1) **INFRASTRUCTURE DEVELOPMENT AWARD.**—The Secretary shall make awards to eligible entities to enable such entities to initiate health care workforce educational programs or to continue to carry out comparable programs that are operating at the time the award is made by planning, developing, oper-

ating, and evaluating an area health education center program.

(2) POINT OF SERVICE MAINTENANCE AND ENHANCEMENT AWARD.—The Secretary shall make awards to eligible entities to maintain and improve the effectiveness and capabilities of an existing area health education center program, and make other modifications to the program that are appropriate due to changes in demographics, needs of the populations served, or other similar issues affecting the area health education center program. For the purposes of this section, the term “Program” refers to the area health education center program.

(b) ELIGIBLE ENTITIES; APPLICATION.—

(1) ELIGIBLE ENTITIES.—

(A) INFRASTRUCTURE DEVELOPMENT.—For purposes of subsection (a)(1), the term “eligible entity” means a school of medicine or osteopathic medicine, an incorporated consortium of such schools, or the parent institutions of such a school. With respect to a State in which no area health education center program is in operation, the Secretary may award a grant or contract under subsection (a)(1) to a school of nursing.

(B) POINT OF SERVICE MAINTENANCE AND ENHANCEMENT.—For purposes of subsection (a)(2), the term “eligible entity” means an entity that has received funds under this section, is operating an area health education center program, including an area health education center or centers, and has a center or centers that are no longer eligible to receive financial assistance under subsection (a)(1).

(2) APPLICATION.—An eligible entity desiring to receive an award under this section shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(c) USE OF FUNDS.—

(1) REQUIRED ACTIVITIES.—An eligible entity shall use amounts awarded under a grant under subsection (a)(1) or (a)(2) to carry out the following activities:

(A) Develop and implement strategies, in coordination with the applicable one-stop delivery system under section 121(e) of the Workforce Innovation and Opportunity Act, to recruit individuals from underrepresented minority populations or from disadvantaged or rural backgrounds into health professions, and support such individuals in attaining such careers.

(B) Develop and implement strategies to foster and provide community-based training and education to individuals seeking careers in health professions within underserved areas for the purpose of developing and maintaining a diverse health care workforce that is prepared to deliver high-quality care, with an emphasis on primary care, in underserved areas or for health disparity populations, in collaboration with other Federal and State health care workforce development programs, the State workforce agency, and local workforce investment boards, and in health care safety net sites.

(C) Prepare individuals to more effectively provide health services to underserved areas and health disparity populations through field placements or preceptorships in conjunction with community-based organizations, accredited primary care residency training programs, Federally qualified health centers, rural health clinics, public health departments, or other appropriate facilities.

(D) Conduct and participate in interdisciplinary training that involves physicians, physician assistants, nurse practitioners, nurse midwives, dentists, psychologists, pharmacists, optometrists, community health workers, public and allied health professionals, or other health professionals, as practicable.

(E) Deliver or facilitate continuing education and information dissemination programs for health care professionals, with an emphasis on individuals providing care in underserved areas and for health disparity populations.

(F) Propose and implement effective program and outcomes measurement and evaluation strategies.

(G) Establish a youth public health program to expose and recruit high school students into health careers, with a focus on careers in public health.

(2) INNOVATIVE OPPORTUNITIES.—An eligible entity may use amounts awarded under a grant under subsection (a)(1) or subsection (a)(2) to carry out any of the following activities:

(A) Develop and implement innovative curricula in collaboration with community-based accredited primary care residency training programs, Federally qualified health centers, rural health clinics, behavioral and mental health facilities, public health departments, or other appropriate facilities, with the goal of increasing the number of primary care physicians and other primary care providers prepared to serve in underserved areas and health disparity populations.

(B) Coordinate community-based participatory research with academic health centers, and facilitate rapid flow and dissemination of evidence-based health care information, research results, and best practices to improve quality, efficiency, and effectiveness of health care and health care systems within community settings.

(C) Develop and implement other strategies to address identified workforce needs and increase and enhance the health care workforce in the area served by the area health education center program.

(d) REQUIREMENTS.—

(1) AREA HEALTH EDUCATION CENTER PROGRAM.—In carrying out this section, the Secretary shall ensure the following:

(A) An entity that receives an award under this section shall conduct at least 10 percent of clinical education required for medical students in community settings that are removed from the primary teaching facility of the contracting institution for grantees that operate a school of medicine or osteopathic medicine. In States in which an entity that receives an award under this section is a nurs-

ing school or its parent institution, the Secretary shall alternatively ensure that—

(i) the nursing school conducts at least 10 percent of clinical education required for nursing students in community settings that are remote from the primary teaching facility of the school; and

(ii) the entity receiving the award maintains a written agreement with a school of medicine or osteopathic medicine to place students from that school in training sites in the area health education center program area.

(B) An entity receiving funds under subsection (a)(2) does not distribute such funding to a center that is eligible to receive funding under subsection (a)(1).

(2) AREA HEALTH EDUCATION CENTER.—The Secretary shall ensure that each area health education center program includes at least 1 area health education center, and that each such center—

(A) is a public or private organization whose structure, governance, and operation is independent from the award-ee and the parent institution of the awardee;

(B) is not a school of medicine or osteopathic medicine, the parent institution of such a school, or a branch campus or other subunit of a school of medicine or osteopathic medicine or its parent institution, or a consortium of such entities;

(C) designates an underserved area or population to be served by the center which is in a location removed from the main location of the teaching facilities of the schools participating in the program with such center and does not duplicate, in whole or in part, the geographic area or population served by any other center;

(D) fosters networking and collaboration among communities and between academic health centers and community-based centers;

(E) serves communities with a demonstrated need of health professionals in partnership with academic medical centers;

(F) addresses the health care workforce needs of the communities served in coordination with the public workforce investment system; and

(G) has a community-based governing or advisory board that reflects the diversity of the communities involved.

(e) MATCHING FUNDS.—With respect to the costs of operating a program through a grant under this section, to be eligible for financial assistance under this section, an entity shall make available (directly or through contributions from State, county or municipal governments, or the private sector) recurring non-Federal contributions in cash or in kind, toward such costs in an amount that is equal to not less than 50 percent of such costs. At least 25 percent of the total required non-Federal contributions shall be in cash. An entity may apply to the Secretary for a waiver of not more than 75 percent of the matching fund amount required by the enti-

ty for each of the first 3 years the entity is funded through a grant under subsection (a)(1).

(f) LIMITATION.—Not less than 75 percent of the total amount provided to an area health education center program under subsection (a)(1) or (a)(2) shall be allocated to the area health education centers participating in the program under this section. To provide needed flexibility to newly funded area health education center programs, the Secretary may waive the requirement in the sentence for the first 2 years of a new area health education center program funded under subsection (a)(1).

(g) AWARD.—An award to an entity under this section shall be not less than \$250,000 annually per area health education center included in the program involved. If amounts appropriated to carry out this section are not sufficient to comply with the preceding sentence, the Secretary may reduce the per center amount provided for in such sentence as necessary, provided the distribution established in subsection (j)(2) is maintained.

(h) PROJECT TERMS.—

(1) IN GENERAL.—Except as provided in paragraph (2), the period during which payments may be made under an award under subsection (a)(1) may not exceed—

(A) in the case of a program, 12 years; or

(B) in the case of a center within a program, 6 years.

(2) EXCEPTION.—The periods described in paragraph (1) shall not apply to programs receiving point of service maintenance and enhancement awards under subsection (a)(2) to maintain existing centers and activities.

(i) INAPPLICABILITY OF PROVISION.—Notwithstanding any other provision of this title, section 791(a) shall not apply to an area health education center funded under this section.

(j) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—There is authorized to be appropriated to carry out this section \$41,250,000 for each of fiscal years 2021 through 2025.

(2) REQUIREMENTS.—Of the amounts appropriated for a fiscal year under paragraph (1)—

(A) not more than 35 percent shall be used for awards under subsection (a)(1);

(B) not less than 60 percent shall be used for awards under subsection (a)(2);

(C) not more than 1 percent shall be used for grants and contracts to implement outcomes evaluation for the area health education centers; and

(D) not more than 4 percent shall be used for grants and contracts to provide technical assistance to entities receiving awards under this section.

(3) CARRYOVER FUNDS.—An entity that receives an award under this section may carry over funds from 1 fiscal year to another without obtaining approval from the Secretary. In no case may any funds be carried over pursuant to the preceding sentence for more than 3 years.

(k) SENSE OF CONGRESS.—It is the sense of the Congress that every State have an area health education center program in effect under this section.

SEC. 752. [294b] CONTINUING EDUCATIONAL SUPPORT FOR HEALTH PROFESSIONALS SERVING IN RURAL AND UNDERSERVED COMMUNITIES.

(a) **IN GENERAL.**—The Secretary, as appropriate, shall make grants to, and enter into contracts with, eligible entities to support access to accredited continuing medical education for primary care physicians and health care providers at community health centers or rural health clinics to improve and increase access to care for patients in rural and medically underserved areas. Such grants or contracts may be used to improve health care, increase retention, increase representation of minority health care providers, enhance the practice environment, increase primary care physician and health care provider knowledge, and provide information dissemination and educational support to reduce professional isolation through the timely dissemination of research findings using relevant resources.

(b) **ELIGIBLE ENTITIES.**—For purposes of this section, the term “eligible entity” means an entity described in section 799(b), such as a community health center or rural health clinic.

(c) **APPLICATION.**—An eligible entity desiring to receive an award under this section shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require¹¹.

The amendment should have struck “may require.” and therefore does not execute.

(d) **USE OF FUNDS.**—

(1) **IN GENERAL.**—An eligible entity shall use amounts awarded under a grant or contract under this section to provide innovative supportive activities to enhance education for primary care physicians and health care providers described in subsection (a) through distance learning, continuing educational activities, collaborative conferences, and electronic and telelearning activities, with priority for primary care providers who are seeking additional education in specialty fields such as infectious disease, endocrinology, pediatrics, mental health and substance use disorders, pain management, geriatrics, and other areas, as appropriate, in order to—

(A) improve retention of primary care physicians and health care providers and increase access to specialty health care services for patients; and

(B) support access to the integration of specialty care through existing service delivery locations and care across settings.

(2) **CLARIFICATION.**—Entities may use amounts awarded under a grant or contract under this section for continuing educational activities that include a clinical training component, including in-person patient care, in the respective community health center or rural health clinic, with the primary care physician or health care provider at such site and the clin-

¹¹ Section 2227(4) of division (FF) of Public Law 117-328 amends section 752(c) by striking “by require.” and inserting the following: “may require, including—

(1) a description of how participation in activities funded under this section will help improve access to, and quality of, health care services and training needs of primary care physicians and health care providers; and

(2) a plan for providing peer-to-peer training, as appropriate.”.

ical specialist from whom such additional training is being provided.

(e) ADMINISTRATIVE EXPENSES.—An entity that revives a grant or contract under this section shall use not more than 5 percent of the amounts received under the grant or contract under this section for administrative expenses.

(f) NON-DUPLICATION OF EFFORT.—The Secretary shall ensure that activities under this section do not unnecessarily duplicate efforts of other programs overseen by the Health Resources and Services Administration, including activities described in section 330N.

(g) AUTHORIZATION.—There is authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2023 through 2025.

SEC. 753. [294c] EDUCATION AND TRAINING RELATING TO GERIATRICS.

(a) GERIATRICS WORKFORCE ENHANCEMENT PROGRAM.—

(1) IN GENERAL.—The Secretary shall award grants, contracts, or cooperative agreements under this subsection to entities described in paragraph (1), (3), or (4) of section 799B, section 801(2), or section 865(d), or other health professions schools or programs approved by the Secretary, for the establishment or operation of Geriatrics Workforce Enhancement Programs that meet the requirements of paragraph (2).

(2) REQUIREMENTS.—

(A) IN GENERAL.—A Geriatrics Workforce Enhancement Program receiving an award under this section shall support the training of health professionals in geriatrics, including traineeships or fellowships. Such programs shall emphasize, as appropriate, patient and family engagement, integration of geriatrics with primary care and other appropriate specialties, and collaboration with community partners to address gaps in health care for older adults.

(B) ACTIVITIES.—Activities conducted by a program under this section may include the following:

(i) Clinical training on providing integrated geriatrics and primary care delivery services.

(ii) Interprofessional training to practitioners from multiple disciplines and specialties, including training on the provision of care to older adults.

(iii) Establishing or maintaining training-related community-based programs for older adults and caregivers to improve health outcomes for older adults.

(iv) Providing education on Alzheimer's disease and related dementias to families and caregivers of older adults, direct care workers, and health professions students, faculty, and providers.

(3) DURATION.—Each grant, contract, or cooperative agreement or contract awarded under paragraph (1) shall be for a period not to exceed 5 years.

(4) APPLICATIONS.—To be eligible to receive a grant, contract, or cooperative agreement under paragraph (1), an entity described in such paragraph shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(5) PROGRAM REQUIREMENTS.—

(A) IN GENERAL.—In awarding grants, contracts, and cooperative agreements under paragraph (1), the Secretary—

(i) shall give priority to programs that demonstrate coordination with another Federal or State program or another public or private entity;

(ii) shall give priority to applicants with programs or activities that are expected to substantially benefit rural or medically underserved populations of older adults, or serve older adults in Indian Tribes or Tribal organizations; and

(iii) may give priority to any program that—

(I) integrates geriatrics into primary care practice;

(II) provides training to integrate geriatric care into other specialties across care settings, including practicing clinical specialists, health care administrators, faculty without backgrounds in geriatrics, and students from all health professions;

(III) emphasizes integration of geriatric care into existing service delivery locations and care across settings, including primary care clinics, medical homes, Federally qualified health centers, ambulatory care clinics, critical access hospitals, emergency care, assisted living and nursing facilities, and home- and community-based services, which may include adult daycare;

(IV) supports the training and retraining of faculty, primary care providers, other direct care providers, and other appropriate professionals on geriatrics;

(V) emphasizes education and engagement of family caregivers on disease management and strategies to meet the needs of caregivers of older adults; or

(VI) proposes to conduct outreach to communities that have a shortage of geriatric workforce professionals.

(B) SPECIAL CONSIDERATION.—In awarding grants, contracts, and cooperative agreements under this section, the Secretary shall give special consideration to entities that provide services in areas with a shortage of geriatric workforce professionals.

(6) PRIORITY.—The Secretary may provide awardees with additional support for activities in areas of demonstrated need, which may include education and training for home health workers, family caregivers, and direct care workers on care for older adults.

(7) REPORTING.—

(A) REPORTS FROM ENTITIES.—Each entity awarded a grant, contract, or cooperative agreement under this section shall submit an annual report to the Secretary on the

activities conducted under such grant, contract, or cooperative agreement, which may include information on the number of trainees, the number of professions and disciplines, the number of partnerships with health care delivery sites, the number of faculty and practicing professionals who participated in such programs, and other information, as the Secretary may require.

(B) REPORT TO CONGRESS.—Not later than 4 years after the date of enactment of the Coronavirus Aid, Relief, and Economic Security Act and every 5 years thereafter, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report that provides a summary of the activities and outcomes associated with grants, contracts, and cooperative agreements made under this section. Such reports shall include—

(i) information on the number of trainees, faculty, and professionals who participated in programs under this section;

(ii) information on the impact of the program conducted under this section on the health status of older adults, including in areas with a shortage of health professionals; and

(iii) information on outreach and education provided under this section to families and caregivers of older adults.

(C) PUBLIC AVAILABILITY.—The Secretary shall make reports submitted under paragraph (B) publically available on the internet website of the Department of Health and Human Services.

(b) GERIATRIC ACADEMIC CAREER AWARDS.—

(1) ESTABLISHMENT OF PROGRAM.—The Secretary shall, as appropriate, establish or maintain a program to provide geriatric academic career awards to eligible entities applying on behalf of eligible individuals to promote the career development of such individuals as academic geriatricians or other academic geriatrics health professionals.

(2) ELIGIBILITY.—

(A) ELIGIBLE ENTITY.—For purposes of this subsection, the term “eligible entity” means—

(i) an entity described in paragraph (1), (3), or (4) of section 799B or section 801(2); or

(ii) another accredited health professions school or graduate program approved by the Secretary.

(B) ELIGIBLE INDIVIDUAL.—For purposes of this subsection, the term “eligible individual” means an individual who—

(i) is board certified or board eligible in internal medicine, family practice, psychiatry, or licensed dentistry, or has completed required training in a discipline and is employed in an accredited health professions school or graduate program that is approved by the Secretary; or

(II) has completed an approved fellowship program in geriatrics, or has completed specialty training in geriatrics as required by the discipline and any additional geriatrics training as required by the Secretary; and

(ii) has a junior, nontenured, faculty appointment at an accredited health professions school or graduate program in geriatrics or a geriatrics health profession.

(C) CLARIFICATION.—If an eligible individual is promoted during the period of an award under this subsection and thereby no longer meets the criteria of subparagraph (B)(ii), the individual shall continue to be treated as an eligible individual through the term of the award.

(3) APPLICATION REQUIREMENTS.—In order to receive an award under paragraph (1), an eligible entity, on behalf of an eligible individual, shall—

(A) submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require;

(B) provide, in such form and manner as the Secretary may require, assurances that the eligible individual will meet the service requirement described in paragraph (6); and

(C) provide, in such form and manner as the Secretary may require, assurances that the individual has a full-time faculty appointment in a health professions institution and documented commitment from such eligible entity that the individual will spend 75 percent of the individual's time that is supported by the award on teaching and developing skills in interdisciplinary education in geriatrics.

(4) EQUITABLE DISTRIBUTION.—In making awards under this subsection, the Secretary shall seek to ensure geographical distribution among award recipients, including among rural or medically underserved areas of the United States.

(5) AMOUNT AND DURATION.—

(A) AMOUNT.—The amount of an award under this subsection shall be at least \$75,000 for fiscal year 2021, adjusted for subsequent years in accordance with the consumer price index. The Secretary shall determine the amount of an award under this subsection for individuals who are not physicians.

(B) DURATION.—The Secretary shall make awards under paragraph (1) for a period not to exceed 5 years.

(6) SERVICE REQUIREMENT.—An individual who receives an award under this subsection shall provide training in clinical geriatrics, including the training of interprofessional teams of health care professionals. The provision of such training shall constitute at least 75 percent of the obligations of such individual under the award.

(c) NONAPPLICABILITY OF PROVISION.—Notwithstanding any other provision of this title, section 791(a) shall not apply to awards made under this section.

(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated \$40,737,000 for each of fiscal years 2021 through 2025 for purposes of carrying out this section.

SEC. 754. [294d] QUENTIN N. BURDICK PROGRAM FOR RURAL INTER-DISCIPLINARY TRAINING.

(a) GRANTS.—The Secretary may make grants or contracts under this section to help entities fund authorized activities under an application approved under subsection (c).

(b) USE OF AMOUNTS.—

(1) IN GENERAL.—Amounts provided under subsection (a) shall be used by the recipients to fund interdisciplinary training projects designed to—

(A) use innovative or evidence-based methods to train health care practitioners to provide services in rural areas;

(B) demonstrate and evaluate innovative interdisciplinary methods and models designed to provide access to cost-effective comprehensive health care;

(C) deliver health care services to individuals residing in rural areas;

(D) enhance the amount of relevant research conducted concerning health care issues in rural areas; and

(E) increase the recruitment and retention of health care practitioners from rural areas and make rural practice a more attractive career choice for health care practitioners.

(2) METHODS.—A recipient of funds under subsection (a) may use various methods in carrying out the projects described in paragraph (1), including—

(A) the distribution of stipends to students of eligible applicants;

(B) the establishment of a post-doctoral fellowship program;

(C) the training of faculty in the economic and logistical problems confronting rural health care delivery systems; or

(D) the purchase or rental of transportation and telecommunication equipment where the need for such equipment due to unique characteristics of the rural area is demonstrated by the recipient.

(3) ADMINISTRATION.—

(A) IN GENERAL.—An applicant shall not use more than 10 percent of the funds made available to such applicant under subsection (a) for administrative expenses.

(B) TRAINING.—Not more than 10 percent of the individuals receiving training with funds made available to an applicant under subsection (a) shall be trained as doctors of medicine or doctors of osteopathy.

(C) LIMITATION.—An institution that receives a grant under this section shall use amounts received under such grant to supplement, not supplant, amounts made available by such institution for activities of the type described in subsection (b)(1) in the fiscal year preceding the year for which the grant is received.

(c) APPLICATIONS.—Applications submitted for assistance under this section shall—

(1) be jointly submitted by at least two eligible applicants with the express purpose of assisting individuals in academic institutions in establishing long-term collaborative relationships with health care providers in rural areas; and

(2) designate a rural health care agency or agencies for clinical treatment or training, including hospitals, community health centers, migrant health centers, rural health clinics, community behavioral and mental health centers, long-term care facilities, Native Hawaiian health centers, or facilities operated by the Indian Health Service or an Indian tribe or tribal organization or Indian organization under a contract with the Indian Health Service under the Indian Self-Determination Act.

(d) DEFINITIONS.—For the purposes of this section, the term “rural” means geographic areas that are located outside of standard metropolitan statistical areas.

SEC. 755. [294e] ALLIED HEALTH AND OTHER DISCIPLINES.

(a) IN GENERAL.—The Secretary may make grants or contracts under this section to help entities fund activities of the type described in subsection (b).

(b) ACTIVITIES.—Activities of the type described in this subsection include the following:

(1) Assisting entities in meeting the costs associated with expanding or establishing programs that will increase the number of individuals trained in allied health professions. Programs and activities funded under this paragraph may include—

(A) those that expand enrollments in allied health professions with the greatest shortages or whose services are most needed by geriatric populations or for maternal and child health;

(B) those that provide rapid transition training programs in allied health fields to individuals who have baccalaureate degrees in health-related sciences;

(C) those that establish community-based allied health training programs that link academic centers to rural clinical settings;

(D) those that provide career advancement training for practicing allied health professionals;

(E) those that expand or establish clinical training sites for allied health professionals in medically underserved or rural communities in order to increase the number of individuals trained;

(F) those that develop curriculum that will emphasize knowledge and practice in the areas of prevention and health promotion, geriatrics, long-term care, home health and hospice care, and ethics;

(G) those that expand or establish interdisciplinary training programs that promote the effectiveness of allied health practitioners in geriatric assessment and the rehabilitation of the elderly;

(H) those that expand or establish demonstration centers to emphasize innovative models to link allied health clinical practice, education, and research;

(I) those that provide financial assistance (in the form of traineeships) to students who are participants in any such program; and

(i) who plan to pursue a career in an allied health field that has a demonstrated personnel shortage; and

(ii) who agree upon completion of the training program to practice in a medically underserved community;

that shall be utilized to assist in the payment of all or part of the costs associated with tuition, fees and such other stipends as the Secretary may consider necessary; and

(J) those to meet the costs of projects to plan, develop, and operate or maintain graduate programs in behavioral and mental health practice.

(2) Planning and implementing projects in preventive and primary care training for podiatric physicians in approved or provisionally approved residency programs that shall provide financial assistance in the form of traineeships to residents who participate in such projects and who plan to specialize in primary care.

(3) Carrying out demonstration projects in which chiropractors and physicians collaborate to identify and provide effective treatment for spinal and lower-back conditions.

(4) Increasing educational opportunities in physical therapy, occupational therapy, respiratory therapy, audiology, and speech-language pathology professions, which may include offering scholarships or stipends and carrying out other activities to improve retention, for individuals from disadvantaged backgrounds or individuals who are underrepresented in such professions.

SEC. 756. [294e-1] MENTAL AND BEHAVIORAL HEALTH EDUCATION AND TRAINING GRANTS.

(a) GRANTS AUTHORIZED.—The Secretary may award grants to eligible institutions to support the recruitment of students for, and education and clinical experience of the students in—

(1) accredited institutions of higher education or accredited professional training programs that are establishing or expanding internships or other field placement programs in mental health in psychiatry, psychology, school psychology, behavioral pediatrics, psychiatric nursing (which may include master's and doctoral level programs), social work, school social work, substance use disorder prevention and treatment, marriage and family therapy, occupational therapy (which may include master's and doctoral level programs), school counseling, or professional counseling, including such programs with a focus on child and adolescent mental health, trauma, and transitional-age youth;

(2) accredited doctoral, internship, and post-doctoral residency programs of health service psychology (including clinical psychology, counseling, and school psychology) for the development and implementation of interdisciplinary training of psy-

chology graduate students for providing behavioral health services, including trauma-informed care and substance use disorder prevention and treatment services, as well as the development of faculty in health service psychology;

(3) accredited master's and doctoral degree programs of social work for the development and implementation of interdisciplinary training of social work graduate students for providing behavioral health services, including trauma-informed care and substance use disorder prevention and treatment services, and the development of faculty in social work; and

(4) State-licensed mental health nonprofit and for-profit organizations to enable such organizations to pay for programs for preservice or in-service training in a behavioral health-related paraprofessional field with preference for preservice or in-service training of paraprofessional child and adolescent mental health workers, including training to increase skills and capacity to meet the needs of children and adolescents who have experienced trauma.

(b) ELIGIBILITY REQUIREMENTS.—To be eligible for a grant under this section, an institution shall demonstrate—

(1) an ability to recruit and place the students described in subsection (a) in areas with a high need and high demand population;

(2) participation in the institutions' programs of individuals and groups from different racial, ethnic, cultural, geographic, religious, linguistic, and class backgrounds, and different genders and sexual orientations;

(3) knowledge and understanding of the concerns of the individuals and groups described in paragraph (2), especially individuals with mental disorder symptoms or diagnoses, particularly children and adolescents, and transitional-age youth;

(4) any internship or other field placement program assisted under the grant will prioritize cultural and linguistic competency; and

(5) the institution will provide to the Secretary such data, assurances, and information as the Secretary may require.

(c) INSTITUTIONAL REQUIREMENT.—For grants awarded under paragraphs (2) and (3) of subsection (a), at least 4 of the grant recipients shall be historically black colleges or universities or other minority-serving institutions.

(d) PRIORITY.—In selecting grant recipients under this section, the Secretary shall give priority to—

(1) programs that have demonstrated the ability to train psychology, psychiatry, and social work professionals to work in integrated care settings for purposes of recipients under paragraphs (1), (2), and (3) of subsection (a); and

(2) programs for paraprofessionals that emphasize the role of the family and the lived experience of the consumer and family-paraprofessional partnerships for purposes of recipients under subsection (a)(4).

(e) REPORT TO CONGRESS.—Not later than 4 years after the date of enactment of the Helping Families in Mental Health Crisis Reform Act of 2016, the Secretary shall include in the biennial re-

port submitted to Congress under section 501(m) an assessment on the effectiveness of the grants under this section in—

- (1) providing graduate students support for experiential training (internship or field placement);
- (2) recruiting students interested in behavioral health practice;
- (3) recruiting students in accordance with subsection (b)(1);
- (4) developing and implementing interprofessional training and integration within primary care;
- (5) developing and implementing accredited field placements and internships; and
- (6) collecting data on the number of students trained in behavioral health care and the number of available accredited internships and field placements.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—For each of fiscal years 2023 through 2027, there are authorized to be appropriated to carry out this section \$50,000,000, to be allocated as follows:

- (1) For grants described in subsection (a)(1), \$15,000,000.
- (2) For grants described in subsection (a)(2), \$15,000,000.
- (3) For grants described in subsection (a)(3), \$10,000,000.
- (4) For grants described in subsection (a)(4), \$10,000,000.

SEC. 757. [294f] ADVISORY COMMITTEE ON INTERDISCIPLINARY, COMMUNITY-BASED LINKAGES.

(a) **ESTABLISHMENT.**—The Secretary shall establish an advisory committee to be known as the Advisory Committee on Interdisciplinary, Community-Based Linkages (in this section referred to as the “Advisory Committee”).

(b) **COMPOSITION.**—

(1) **IN GENERAL.**—The Secretary shall determine the appropriate number of individuals to serve on the Advisory Committee. Such individuals shall not be officers or employees of the Federal Government.

(2) **APPOINTMENT.**—Not later than 90 days after the date of enactment of this Act¹², the Secretary shall appoint the members of the Advisory Committee from among individuals who are health professionals from schools of the types described in sections 751(b)(1)(A), 753(b), and 755(b). In making such appointments, the Secretary shall ensure a fair balance between the health professions, that at least 75 percent of the members of the Advisory Committee are health professionals, a broad geographic representation of members and a balance between urban and rural members. Members shall be appointed based on their competence, interest, and knowledge of the mission of the profession involved.

(3) **MINORITY REPRESENTATION.**—In appointing the members of the Advisory Committee under paragraph (2), the Secretary shall ensure the adequate representation of women and minorities.

(c) **TERMS.**—

¹²So in law. The reference to “this Act” means the Public Health Service Act, which was enacted July 1, 1944. Probably should be a reference to the Health Professions Education Partnerships Act of 1998, which added section 756. That Act is Public Law 105–392, enacted November 13, 1998. (Section 103 of that Public Law (112 Stat. 3541) added section 756.)

(1) IN GENERAL.—A member of the Advisory Committee shall be appointed for a term of 3 years, except that of the members first appointed—

(A) $\frac{1}{3}$ of the members shall serve for a term of 1 year;

(B) $\frac{1}{3}$ of the members shall serve for a term of 2 years; and

(C) $\frac{1}{3}$ of the members shall serve for a term of 3 years.

(2) VACANCIES.—

(A) IN GENERAL.—A vacancy on the Advisory Committee shall be filled in the manner in which the original appointment was made and shall be subject to any conditions which applied with respect to the original appointment.

(B) FILLING UNEXPIRED TERM.—An individual chosen to fill a vacancy shall be appointed for the unexpired term of the member replaced.

(d) DUTIES.—The Advisory Committee shall—

(1) provide advice and recommendations to the Secretary concerning policy and program development and other matters of significance concerning the activities under this part;

(2) not later than 3 years after the date of enactment of this section, and annually thereafter, prepare and submit to the Secretary, and the Committee on Labor and Human Resources of the Senate, and the Committee on Commerce of the House of Representatives, a report describing the activities of the Committee, including findings and recommendations made by the Committee concerning the activities under this part;

(3) develop, publish, and implement performance measures for programs under this part;

(4) develop and publish guidelines for longitudinal evaluations (as described in section 761(d)(2)) for programs under this part; and

(5) recommend appropriation levels for programs under this part.

(e) MEETINGS AND DOCUMENTS.—

(1) MEETINGS.—The Advisory Committee shall meet not less than 3 times each year. Such meetings shall be held jointly with other related entities established under this title where appropriate.

(2) DOCUMENTS.—Not later than 14 days prior to the convening of a meeting under paragraph (1), the Advisory Committee shall prepare and make available an agenda of the matters to be considered by the Advisory Committee at such meeting. At any such meeting, the Advisory Council¹³ shall distribute materials with respect to the issues to be addressed at the meeting. Not later than 30 days after the adjourning of such a meeting, the Advisory Committee shall prepare and make available a summary of the meeting and any actions taken by the Committee based upon the meeting.

(f) COMPENSATION AND EXPENSES.—

¹³So in law. Probably should be “Advisory Committee”. See section 103 of Public Law 105–392 (112 Stat. 3541).

(1) **COMPENSATION.**—Each member of the Advisory Committee shall be compensated at a rate equal to the daily equivalent of the annual rate of basic pay prescribed for level IV of the Executive Schedule under section 5315 of title 5, United States Code, for each day (including travel time) during which such member is engaged in the performance of the duties of the Committee.

(2) **EXPENSES.**—The members of the Advisory Committee shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Committee.

(g) **CHAPTER 10 OF TITLE 5, UNITED STATES CODE.**—Chapter 10 of title 5, United States Code, shall apply to the Advisory Committee under this section only to the extent that the provisions of chapter 10 of title 5, United States Code, do not conflict with the requirements of this section.

[Note: Section 758 was repealed by section 501(b)(2) of Public Law 113–4; enacted March 7, 2013, 127 Stat. 54.]

SEC. 759. [294i] PROGRAM FOR EDUCATION AND TRAINING IN PAIN CARE.

(a) **IN GENERAL.**—The Secretary may make awards of grants, cooperative agreements, and contracts to health professions schools, hospices, tribal health programs (as defined in section 4 of the Indian Health Care Improvement Act), and other public and nonprofit private entities for the development and implementation of programs to provide education and training to health care professionals in pain care.

(b) **CERTAIN TOPICS.**—An entity receiving an award under this section shall develop a comprehensive education and training plan that includes information and education on—

(1) recognized means for assessing, diagnosing, preventing, treating, and managing pain and related signs and symptoms, including non-addictive medical products and non-pharmacologic treatments and the medically appropriate use of controlled substances;

(2) applicable Federal, State, and local laws, regulations, rules, and policies on controlled substances, including opioids;

(3) interdisciplinary approaches to the delivery of pain care, including delivery through specialized centers providing comprehensive pain care treatment expertise, integrated, evidence-based pain management, and, as appropriate, non-pharmacotherapy;

(4) cultural, linguistic, literacy, geographic, and other barriers to care in underserved populations;

(5) recent findings, developments, and advancements in pain care research and the provision of pain care, which may include non-addictive medical products and non-pharmacologic treatments intended to treat pain; and

(6) the dangers of opioid abuse and misuse, detection of early warning signs of opioid use disorders (which may include best practices related to screening for opioid use disorders,

training on screening, brief intervention, and referral to treatment), and safe disposal options for prescription medications (including such options provided by law enforcement or other innovative deactivation mechanisms).

(c) EVALUATION OF PROGRAMS.—The Secretary shall (directly or through grants or contracts) provide for the evaluation of programs implemented under subsection (a) in order to determine the effect of such programs on knowledge and practice of pain care.

(d) PAIN CARE DEFINED.—For purposes of this section the term “pain care” means the assessment, diagnosis, prevention, treatment, or management of acute or chronic pain regardless of causation or body location.

(e) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section, such sums as may be necessary for each of the fiscal years 2019 through 2023. Amounts appropriated under this subsection shall remain available until expended.

SEC. 760. [294k] TRAINING DEMONSTRATION PROGRAM.

(a) IN GENERAL.—The Secretary shall establish a training demonstration program to award grants to eligible entities to support—

(1) training for medical residents and fellows to practice psychiatry and addiction medicine in underserved, community-based settings that integrate primary care with mental health and substance use disorder prevention and treatment services;

(2) training (including for individuals completing clinical training requirements for licensure) for nurse practitioners, physician assistants, health service psychologists, counselors, nurses, and social workers to provide mental health and substance use disorder services in underserved community-based settings that integrate primary care and mental health and substance use disorder services, including such settings that serve pediatric populations; and

(3) establishing, maintaining, or improving academic units or programs that—

(A) provide training for students or faculty, including through clinical experiences and research, to improve the ability to be able to recognize, diagnose, and treat mental health and substance use disorders, with a special focus on addiction or pediatric populations; or

(B) develop evidence-based practices or recommendations for the design of the units or programs described in subparagraph (A), including curriculum content standards.

(b) ACTIVITIES.—

(1) TRAINING FOR RESIDENTS AND FELLOWS.—A recipient of a grant under subsection (a)(1)—

(A) shall use the grant funds—

(i)(I) to plan, develop, and operate a training program for medical psychiatry residents and fellows in addiction medicine practicing in eligible entities described in subsection (c)(1); or

(II) to train new psychiatric residents and fellows in addiction medicine to provide and expand access to

integrated mental health and substance use disorder services; and

(ii) to provide at least 1 training track that is—

(I) a virtual training track that includes an in-person rotation at a teaching health center or in a community-based setting, followed by a virtual rotation in which the resident or fellow continues to support the care of patients at the teaching health center or in the community-based setting through the use of health information technology and, as appropriate, telehealth services;

(II) an in-person training track that includes a rotation, during which the resident or fellow practices at a teaching health center or in a community-based setting; or

(III) an in-person training track that includes a rotation during which the resident practices in a community-based setting that specializes in the treatment of infants, children, adolescents, or pregnant or postpartum women; and

(B) may use the grant funds to provide additional support for the administration of the program or to meet the costs of projects to establish, maintain, or improve faculty development, or departments, divisions, or other units necessary to implement such training.

(2) TRAINING FOR OTHER PROVIDERS.—A recipient of a grant under subsection (a)(2)—

(A) shall use the grant funds to plan, develop, or operate a training program to provide mental health and substance use disorder services in underserved, community-based settings (including such settings that serve pediatric populations), as appropriate, that integrate primary care and mental health and substance use disorder prevention and treatment services; and

(B) may use the grant funds to provide additional support for the administration of the program or to meet the costs of projects to establish, maintain, or improve faculty development, or departments, divisions, or other units necessary to implement such program.

(3) ACADEMIC UNITS OR PROGRAMS.—A recipient of a grant under subsection (a)(3) shall enter into a partnership with organizations such as an education accrediting organization (such as the Liaison Committee on Medical Education, the Accreditation Council for Graduate Medical Education, the Commission on Osteopathic College Accreditation, the Accreditation Commission for Education in Nursing, the Commission on Collegiate Nursing Education, the Accreditation Council for Pharmacy Education, the Council on Social Work Education, American Psychological Association Commission on Accreditation, or the Accreditation Review Commission on Education for the Physician Assistant) to carry out activities under subsection (a)(3).

(c) ELIGIBLE ENTITIES.—

(1) TRAINING FOR RESIDENTS AND FELLOWS.—To be eligible to receive a grant under subsection (a)(1), an entity shall—

(A) be a consortium consisting of—

(i) at least one teaching health center; and

(ii) the sponsoring institution (or parent institution of the sponsoring institution) of—

(I) a psychiatry residency program that is accredited by the Accreditation Council of Graduate Medical Education (or the parent institution of such a program); or

(II) a fellowship in addiction medicine, as determined appropriate by the Secretary; or

(B) be an entity described in subparagraph (A)(ii) that provides opportunities for residents or fellows to train in community-based settings that integrate primary care with mental health and substance use disorder prevention and treatment services.

(2) TRAINING FOR OTHER PROVIDERS.—To be eligible to receive a grant under subsection (a)(2), an entity shall be—

(A) a teaching health center (as defined in section 749A(f));

(B) a Federally qualified health center (as defined in section 1905(l)(2)(B) of the Social Security Act);

(C) a community mental health center (as defined in section 1861(ff)(3)(B) of the Social Security Act);

(D) a rural health clinic (as defined in section 1861(aa) of the Social Security Act);

(E) a health center operated by the Indian Health Service, an Indian tribe, a tribal organization, or an urban Indian organization (as defined in section 4 of the Indian Health Care Improvement Act); or

(F) an entity with a demonstrated record of success in providing training for nurse practitioners, physician assistants, health service psychologists counselors, nurses,¹⁴ and social workers, including such entities that serve pediatric populations.

(3) ACADEMIC UNITS OR PROGRAMS.—To be eligible to receive a grant under subsection (a)(3), an entity shall be a school of medicine or osteopathic medicine, a nursing school, a physician assistant training program, a school of pharmacy, a school of social work, an accredited public or nonprofit private hospital, an accredited medical residency program, or a public or private nonprofit entity which the Secretary has determined is capable of carrying out such grant.

(d) PRIORITY.—

(1) IN GENERAL.—In awarding grants under subsection (a)(1) or (a)(2), the Secretary shall give priority to eligible entities that—

(A) demonstrate sufficient size, scope, and capacity to undertake the requisite training of an appropriate number of psychiatric residents, fellows, health service psycholo-

ministration, shall conduct a study on the results of the demonstration program under this section.

(B) DATA SUBMISSION.—Not later than 90 days after the completion of the first year of the training program and each subsequent year that the program is in effect, each recipient of a grant under subsection (a) shall submit to the Secretary such data as the Secretary may require for analysis for the report described in paragraph (2).

(2) REPORT TO CONGRESS.—Not later than 1 year after receipt of the data described in paragraph (1)(B), the Secretary shall submit to Congress a report that includes—

(A) an analysis of the effect of the demonstration program under this section on the quality, quantity, and distribution of mental health and substance use disorder services;

(B) an analysis of the effect of the demonstration program on the prevalence of untreated mental health and substance use disorders in the surrounding communities of health centers participating in the demonstration; and

(C) recommendations on whether the demonstration program should be expanded.

(g) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section, and \$31,700,000 for each of fiscal years 2023 through 2027.

PART E—HEALTH PROFESSIONS AND PUBLIC HEALTH WORKFORCE

Subpart 1—Health Professions Workforce Information and Analysis

SEC. 761. [294n] HEALTH PROFESSIONS WORKFORCE INFORMATION AND ANALYSIS.

(a) PURPOSE.—It is the purpose of this section to—

(1) provide for the development of information describing the health professions workforce and the analysis of workforce related issues; and

(2) provide necessary information for decision-making regarding future directions in health professions and nursing programs in response to societal and professional needs.

(b) NATIONAL CENTER FOR HEALTH CARE WORKFORCE ANALYSIS.—

(1) ESTABLISHMENT.—The Secretary shall establish the National Center for Health Workforce Analysis (referred to in this section as the “National Center”).

(2) PURPOSES.—The National Center, in coordination to the extent practicable with the National Health Care Workforce Commission (established in section 5101 of the Patient Protection and Affordable Care Act), and relevant regional and State centers and agencies, shall—

(A) provide for the development of information describing and analyzing the health care workforce and workforce related issues;

- (B) carry out the activities under section 792(a);
 - (C) annually evaluate programs under this title;
 - (D) develop and publish performance measures and benchmarks for programs under this title; and
 - (E) establish, maintain, and publicize a national Internet registry of each grant awarded under this title and a database to collect data from longitudinal evaluations (as described in subsection (d)(2)) on performance measures (as developed under sections 749(d)(3), 757(d)(3), and 762(a)(3)).
- (3) COLLABORATION AND DATA SHARING.—
 - (A) IN GENERAL.—The National Center shall collaborate with Federal agencies and relevant professional and educational organizations or societies for the purpose of linking data regarding grants awarded under this title.
 - (B) CONTRACTS FOR HEALTH WORKFORCE ANALYSIS.—For the purpose of carrying out the activities described in subparagraph (A), the National Center may enter into contracts with relevant professional and educational organizations or societies.
- (c) STATE AND REGIONAL CENTERS FOR HEALTH WORKFORCE ANALYSIS.—
 - (1) IN GENERAL.—The Secretary shall award grants to, or enter into contracts with, eligible entities for purposes of—
 - (A) collecting, analyzing, and reporting data regarding programs under this title to the National Center and to the public; and
 - (B) providing technical assistance to local and regional entities on the collection, analysis, and reporting of data.
 - (2) ELIGIBLE ENTITIES.—To be eligible for a grant or contract under this subsection, an entity shall—
 - (A) be a State, a State workforce investment board, a public health or health professions school, an academic health center, or an appropriate public or private nonprofit entity; and
 - (B) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.
- (d) INCREASE IN GRANTS FOR LONGITUDINAL EVALUATIONS.—
 - (1) IN GENERAL.—The Secretary shall increase the amount awarded to an eligible entity under this title for a longitudinal evaluation of individuals who have received education, training, or financial assistance from programs under this title.
 - (2) CAPABILITY.—A longitudinal evaluation shall be capable of—
 - (A) studying practice patterns; and
 - (B) collecting and reporting data on performance measures developed under sections 749(d)(3), 757(d)(3), and 762(a)(3).
 - (3) GUIDELINES.—A longitudinal evaluation shall comply with guidelines issued under sections 749(d)(4), 757(d)(4), and 762(a)(4).

(4) ELIGIBLE ENTITIES.—To be eligible to obtain an increase under this section, an entity shall be a recipient of a grant or contract under this title.

(e) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—

(A) NATIONAL CENTER.—To carry out subsection (b), there are authorized to be appropriated \$5,663,000 for each of fiscal years 2021 through 2025.

(B) STATE AND REGIONAL CENTERS.—To carry out subsection (c), there are authorized to be appropriated \$4,500,000 for each of fiscal years 2010 through 2014.

(C) GRANTS FOR LONGITUDINAL EVALUATIONS.—To carry out subsection (d), there are authorized to be appropriated such sums as may be necessary for fiscal years 2010 through 2014.

(2) RESERVATION.—Of the amounts appropriated under paragraph (1) for a fiscal year, the Secretary shall reserve not less than \$600,000 for conducting health professions research and for carrying out data collection and analysis in accordance with section 792.

(3) AVAILABILITY OF ADDITIONAL FUNDS.—Amounts otherwise appropriated for programs or activities under this title may be used for activities under subsection (b) with respect to the programs or activities from which such amounts were made available.

SEC. 762. [294o] ADVISORY COUNCIL ON GRADUATE MEDICAL EDUCATION.

(a) ESTABLISHMENT; DUTIES.—There is established the Council on Graduate Medical Education (in this section referred to as the “Council”). The Council shall—

(1) make recommendations to the Secretary of Health and Human Services (in this section referred to as the “Secretary”), and to the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, with respect to—

(A) the supply and distribution of physicians in the United States;

(B) current and future shortages or excesses of physicians in medical and surgical specialties and subspecialties;

(C) issues relating to foreign medical school graduates;

(D) appropriate Federal policies with respect to the matters specified in subparagraphs (A), (B), and (C), including policies concerning changes in the financing of undergraduate and graduate medical education programs and changes in the types of medical education training in graduate medical education programs;

(E) appropriate efforts to be carried out by hospitals, schools of medicine, schools of osteopathic medicine, and accrediting bodies with respect to the matters specified in subparagraphs (A), (B), and (C), including efforts for changes in undergraduate and graduate medical education programs; and

- (F) deficiencies in, and needs for improvements in, existing data bases concerning the supply and distribution of, and postgraduate training programs for, physicians in the United States and steps that should be taken to eliminate those deficiencies;
- (2) encourage entities providing graduate medical education to conduct activities to voluntarily achieve the recommendations of the Council under paragraph (1)(E);
- (3) develop, publish, and implement performance measures for programs under this title, except for programs under part C or D;
- (4) develop and publish guidelines for longitudinal evaluations (as described in section 761(d)(2)) for programs under this title, except for programs under part C or D; and
- (5) recommend appropriation levels for programs under this title, except for programs under part C or D.
- (b) COMPOSITION.—The Council shall be composed of—
- (1) the Assistant Secretary for Health or the designee of the Assistant Secretary;
- (2) the Administrator of the Centers for Medicare & Medicaid Services;
- (3) the Chief Medical Director of the Department of Veterans Affairs;
- (4) the Administrator of the Health Resources and Services Administration;
- (5) 6 members appointed by the Secretary to include representatives of practicing primary care physicians, national and specialty physician organizations, foreign medical graduates, and medical student and house staff associations;
- (6) 4 members appointed by the Secretary to include representatives of schools of medicine and osteopathic medicine and public and private teaching hospitals; and
- (7) 4 members appointed by the Secretary to include representatives of health insurers, business, and labor.
- (c) TERMS OF APPOINTED MEMBERS.—
- (1) IN GENERAL; STAGGERED ROTATION.—Members of the Council appointed under paragraphs (4), (5), and (6) of subsection (b) shall be appointed for a term of 4 years, except that the term of office of the members first appointed shall expire, as designated by the Secretary at the time of appointment, 4 at the end of 1 year, 4 at the end of 2 years, 3 at the end of 3 years, and 3 at the end of 4 years.
- (2) DATE CERTAIN FOR APPOINTMENT.—The Secretary shall appoint the first members to the Council under paragraphs (4), (5), and (6) of subsection (b) within 60 days after the date of enactment of this section.
- (d) CHAIR.—The Council shall elect one of its members as Chairman of the Council.
- (e) QUORUM.—Nine members of the Council shall constitute a quorum, but a lesser number may hold hearings.
- (f) VACANCIES.—Any vacancy in the Council shall not affect its power to function.
- (g) COMPENSATION.—Each member of the Council who is not otherwise employed by the United States Government shall receive

compensation at a rate equal to the daily rate prescribed for GS-18 under the General Schedule under section 5332 of title 5, United States Code, for each day, including traveltime, such member is engaged in the actual performance of duties as a member of the Council. A member of the Council who is an officer or employee of the United States Government shall serve without additional compensation. All members of the Council shall be reimbursed for travel, subsistence, and other necessary expenses incurred by them in the performance of their duties.

(h) CERTAIN AUTHORITIES AND DUTIES.—

(1) AUTHORITIES.—In order to carry out the provisions of this section, the Council is authorized to—

(A) collect such information, hold such hearings, and sit and act at such times and places, either as a whole or by subcommittee, and request the attendance and testimony of such witnesses and the production of such books, records, correspondence, memoranda, papers, and documents as the Council or such subcommittee may consider available; and

(B) request the cooperation and assistance of Federal departments, agencies, and instrumentalities, and such departments, agencies, and instrumentalities are authorized to provide such cooperation and assistance.

(2) COORDINATION OF ACTIVITIES.—The Council shall coordinate its activities with the activities of the Secretary under section 792 of the Public Health Service Act. The Secretary shall, in cooperation with the Council and pursuant to the recommendations of the Council, take such steps as are practicable to eliminate deficiencies in the data base established under such section 792 and shall make available in its reports such comprehensive data sets as are developed pursuant to this section.

(i) REPORTS.—Not later than September 30, 2023, and not less than every 5 years thereafter, the Council¹⁷ shall submit to the Secretary, and to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives, a report on the recommendations described in subsection (a).

(j) FUNDING.—Amounts otherwise appropriated under this title may be utilized by the Secretary to support the activities of the Council.

SEC. 763. [294p] TRAINING FOR HEALTH CARE PROVIDERS.

(a) GRANT PROGRAM.—The Secretary shall establish a program to award grants to accredited schools of allopathic medicine, osteopathic medicine, and nursing, and other health professional training programs for the training of health care professionals to improve the provision of prenatal care, labor care, birthing, and postpartum care for racial and ethnic minority populations, includ-

development, or departments, divisions, or other units necessary to implement such training.

(2) TRAINING PROGRAM REQUIREMENTS.—The recipient of a grant under subsection (a) shall ensure that training programs carried out under the grant are evidence-based and address improving prenatal care, labor care, birthing, and postpartum care in rural areas, and such programs may include training on topics such as—

(A) maternal mental health, including perinatal depression and anxiety;

(B) substance use disorders;

(C) social determinants of health that affect individuals living in rural areas; and

(D) improving the provision of prenatal care, labor care, birthing, and postpartum care for racial and ethnic minority populations, including with respect to perceptions and biases that may affect the approach to, and provision of, care.

(d) EVALUATION AND REPORT.—

(1) EVALUATION.—

(A) IN GENERAL.—The Secretary shall evaluate the outcomes of the demonstration program under this section.

(B) DATA SUBMISSION.—Recipients of a grant under subsection (a) shall submit to the Secretary performance metrics and other related data in order to evaluate the program for the report described in paragraph (2).

(2) REPORT TO CONGRESS.—Not later than January 1, 2026, the Secretary shall submit to Congress a report that includes—

(A) an analysis of the effects of the demonstration program under this section on the quality, quantity, and distribution of maternal health care services, including prenatal care, labor care, birthing, and postpartum care services, and the demographics of the recipients of those services;

(B) an analysis of maternal and infant health outcomes (including quality of care, morbidity, and mortality) before and after implementation of the program in the communities served by entities participating in the demonstration; and

(C) recommendations on whether the demonstration program should be continued.

(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2023 through 2027.

SEC. 764. [294t] PROGRAMS TO PROMOTE MENTAL HEALTH AMONG THE HEALTH PROFESSIONAL WORKFORCE.¹⁹

(a) PROGRAMS TO PROMOTE MENTAL HEALTH AMONG HEALTH CARE PROFESSIONALS.—

(1) IN GENERAL.—The Secretary shall award grants or contracts to health care entities, including entities that provide health care services, such as hospitals, community health centers, and rural health clinics, or to medical professional asso-

ciations, to establish or enhance evidence-based or evidence-informed programs dedicated to improving mental health and resiliency for health care professionals.

(2) **USE OF FUNDS.**—An eligible entity receiving a grant or contract under this subsection shall use funds received through the grant or contract to implement a new program or enhance an existing program to promote mental health among health care professionals, which may include—

(A) improving awareness among health care professionals about risk factors for, and signs of, suicide and mental health or substance use disorders, in accordance with evidence-based or evidence-informed practices;

(B) establishing new, or enhancing existing, evidence-based or evidence-informed programs for preventing suicide and improving mental health and resiliency among health care professionals;

(C) establishing new, or enhancing existing, peer-support programs among health care professionals; or

(D) providing mental health care, follow-up services and care, or referral for such services and care, as appropriate.

(3) **PRIORITY.**—In awarding grants and contracts under this subsection, the Secretary shall give priority to eligible entities in health professional shortage areas or rural areas.

(b) **TRAINING GRANTS.**—The Secretary may establish a program to award grants to health professions schools, academic health centers, State or local governments, Indian Tribes or Tribal organizations, or other appropriate public or private nonprofit entities (or consortia of entities, including entities promoting multidisciplinary approaches) to support the training of health care students, residents, or health care professionals in evidence-based or evidence-informed strategies to address mental and substance use disorders and improve mental health and resiliency among health care professionals.

(c) **GRANT TERMS.**—A grant or contract awarded under subsection (a) or (b) shall be for a period of 3 years.

(d) **APPLICATION SUBMISSION.**—An entity seeking a grant or contract under subsection (a) or (b) shall submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may require.

(e) **REPORTING.**—An entity awarded a grant or contract under subsection (a) or (b) shall periodically submit to the Secretary a report evaluating the activities supported by the grant or contract.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—To carry out this section and section 5 of the Dr. Lorna Breen Health Care Provider Protection Act, there are authorized to be appropriated \$35,000,000 for each of fiscal years 2022 through 2024.

Subpart 2—Public Health Workforce

SEC. 765. [295] GENERAL PROVISIONS.

(a) **IN GENERAL.**—The Secretary may award grants or contracts to eligible entities to increase the number of individuals in the public health workforce, to enhance the quality of such workforce, and

to enhance the ability of the workforce to meet national, State, and local health care needs.

(b) **ELIGIBILITY.**—To be eligible to receive a grant or contract under subsection (a) an entity shall—

(1) be—

(A) a health professions school, including an accredited school or program of public health, health administration, preventive medicine, or dental public health or a school providing health management programs;

(B) an academic health center;

(C) a State or local government; or

(D) any other appropriate public or private nonprofit entity; and

(2) prepare and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(c) **PREFERENCE.**—In awarding grants or contracts under this section the Secretary may grant a preference to entities—

(1) serving individuals who are from disadvantaged backgrounds (including underrepresented racial and ethnic minorities); and

(2) graduating large proportions of individuals who serve in underserved communities.

(d) **ACTIVITIES.**—Amounts provided under a grant or contract awarded under this section may be used for—

(1) the costs of planning, developing, or operating demonstration training programs;

(2) faculty development;

(3) trainee support;

(4) technical assistance;

(5) to meet the costs of projects—

(A) to plan and develop new residency training programs and to maintain or improve existing residency training programs in preventive medicine and dental public health, that have available full-time faculty members with training and experience in the fields of preventive medicine and dental public health; and

(B) to provide financial assistance to residency trainees enrolled in such programs;

(6) the retraining of existing public health workers as well as for increasing the supply of new practitioners to address priority public health, preventive medicine, public health dentistry, and health administration needs;

(7) preparing public health professionals for employment at the State and community levels;

(8) public health workforce loan repayment programs; or

(9) other activities that may produce outcomes that are consistent with the purposes of this section.

(e) **TRAINEESHIPS.**—

(1) **IN GENERAL.**—With respect to amounts used under this section for the training of health professionals, such training programs shall be designed to—

(A) make public health education more accessible to the public and private health workforce;

(B) increase the relevance of public health academic preparation to public health practice in the future;

(C) provide education or training for students from traditional on-campus programs in practice-based sites; or

(D) develop educational methods and distance-based approaches or technology that address adult learning requirements and increase knowledge and skills related to community-based cultural diversity in public health education.

(2) SEVERE SHORTAGE DISCIPLINES.—Amounts provided under grants or contracts under this section may be used for the operation of programs designed to award traineeships to students in accredited schools of public health who enter educational programs in fields where there is a severe shortage of public health professionals, including epidemiology, biostatistics, environmental health, toxicology, public health nursing, nutrition, preventive medicine, maternal and child health, and behavioral and mental health professions.

SEC. 766. [295a] PUBLIC HEALTH TRAINING CENTERS.

(a) IN GENERAL.—The Secretary may make grants or contracts for the operation of public health training centers.

(b) ELIGIBLE ENTITIES.—

(1) IN GENERAL.—A public health training center shall be an accredited school of public health, or another public or non-profit private institution accredited for the provision of graduate or specialized training in public health, that plans, develops, operates, and evaluates projects to improve preventive medicine, health promotion and disease prevention, or access to and quality of health care services in rural or medically underserved communities.

(2) PREFERENCE.—In awarding grants or contracts under this section the Secretary shall give preference to accredited schools of public health.

(c) CERTAIN REQUIREMENTS.—With respect to a public health training center, an award may not be made under subsection (a) unless the program agrees that it—

(1) will establish or strengthen field placements for students in public or nonprofit private health agencies or organizations;

(2) will involve faculty members and students in collaborative projects to enhance public health services to medically underserved communities;

(3) will specifically designate a geographic area or medically underserved population to be served by the center that shall be in a location removed from the main location of the teaching facility of the school that is participating in the program with such center; and

(4) will assess the health personnel needs of the area to be served by the center and assist in the planning and development of training programs to meet such needs.

SEC. 767. [295b] PUBLIC HEALTH TRAINEESHIPS.

(a) IN GENERAL.—The Secretary may make grants to accredited schools of public health, and to other public or nonprofit pri-

vate institutions accredited for the provision of graduate or specialized training in public health, for the purpose of assisting such schools and institutions in providing traineeships to individuals described in subsection (b)(3).

(b) CERTAIN REQUIREMENTS.—

(1) AMOUNT.—The amount of any grant under this section shall be determined by the Secretary.

(2) USE OF GRANT.—Traineeships awarded under grants made under subsection (a) shall provide for tuition and fees and such stipends and allowances (including travel and subsistence expenses and dependency allowances) for the trainees as the Secretary may deem necessary.

(3) ELIGIBLE INDIVIDUALS.—The individuals referred to in subsection (a) are individuals who are pursuing a course of study in a health professions field in which there is a severe shortage of health professionals (which fields include the fields of epidemiology, environmental health, biostatistics, toxicology, nutrition, and maternal and child health).

SEC. 768. [295c] PREVENTIVE MEDICINE AND PUBLIC HEALTH TRAINING GRANT PROGRAM.

(a) GRANTS.—The Secretary, acting through the Administrator of the Health Resources and Services Administration and in consultation with the Director of the Centers for Disease Control and Prevention, shall award grants to, or enter into contracts with, eligible entities to provide training to graduate medical residents in preventive medicine specialties.

(b) ELIGIBILITY.—To be eligible for a grant or contract under subsection (a), an entity shall be—

(1) an accredited school of public health or school of medicine or osteopathic medicine;

(2) an accredited public or private nonprofit hospital;

(3) a State, local, or tribal health department; or

(4) a consortium of 2 or more entities described in paragraphs (1) through (3).

(c) USE OF FUNDS.—Amounts received under a grant or contract under this section shall be used to—

(1) plan, develop (including the development of curricula), operate, or participate in an accredited residency or internship program in preventive medicine or public health;

(2) defray the costs of practicum experiences, as required in such a program; and

(3) establish, maintain, or improve—

(A) academic administrative units (including departments, divisions, or other appropriate units) in preventive medicine and public health; or

(B) programs that improve clinical teaching in preventive medicine and public health.

(d) REPORT.—The Secretary shall submit to the Congress an annual report on the program carried out under this section.

SEC. 769. [295d] HEALTH ADMINISTRATION TRAINEESHIPS AND SPECIAL PROJECTS.

(a) IN GENERAL.—The Secretary may make grants to State or local governments (that have in effect preventive medical and den-

tal public health residency programs) or public or nonprofit private educational entities (including graduate schools of social work and business schools that have health management programs) that offer a program described in subsection (b)—

(1) to provide traineeships for students enrolled in such a program; and

(2) to assist accredited programs health administration in the development or improvement of programs to prepare students for employment with public or nonprofit private entities.

(b) **RELEVANT PROGRAMS.**—The program referred to in subsection (a) is an accredited program in health administration, hospital administration, or health policy analysis and planning, which program is accredited by a body or bodies approved for such purpose by the Secretary of Education and which meets such other quality standards as the Secretary of Health and Human Services by regulation may prescribe.

(c) **PREFERENCE IN MAKING GRANTS.**—In making grants under subsection (a), the Secretary shall give preference to qualified applicants that meet the following conditions:

(1) Not less than 25 percent of the graduates of the applicant are engaged in full-time practice settings in medically underserved communities.

(2) The applicant recruits and admits students from medically underserved communities.

(3) For the purpose of training students, the applicant has established relationships with public and nonprofit providers of health care in the community involved.

(4) In training students, the applicant emphasizes employment with public or nonprofit private entities.

(d) **CERTAIN PROVISIONS REGARDING TRAINEESHIPS.**—

(1) **USE OF GRANT.**—Traineeships awarded under grants made under subsection (a) shall provide for tuition and fees and such stipends and allowances (including travel and subsistence expenses and dependency allowances) for the trainees as the Secretary may deem necessary.

(2) **PREFERENCE FOR CERTAIN STUDENTS.**—Each entity applying for a grant under subsection (a) for traineeships shall assure to the satisfaction of the Secretary that the entity will give priority to awarding the traineeships to students who demonstrate a commitment to employment with public or nonprofit private entities in the fields with respect to which the traineeships are awarded.

SEC. 770. [295e] AUTHORIZATION OF APPROPRIATIONS.

(a) **IN GENERAL.**—For the purpose of carrying out this subpart, there is authorized to be appropriated \$17,000,000 for each of fiscal years 2021 through 2025.

(b) **LIMITATION REGARDING CERTAIN PROGRAM.**—In obligating amounts appropriated under subsection (a), the Secretary may not obligate more than 30 percent for carrying out section 767.

Subpart 3—Recruitment and Retention Programs

SEC. 775. [295f] INVESTMENT IN TOMORROW'S PEDIATRIC HEALTH CARE WORKFORCE.

(a) **ESTABLISHMENT.**—The Secretary shall establish and carry out a pediatric specialty loan repayment program under which the eligible individual agrees to be employed full-time for a specified period (which shall not be less than 2 years) in providing pediatric medical subspecialty, pediatric surgical specialty, or child and adolescent mental and behavioral health care, including substance abuse prevention and treatment services.

(b) **PROGRAM ADMINISTRATION.**—Through the program established under this section, the Secretary shall enter into contracts with qualified health professionals under which—

(1) such qualified health professionals will agree to provide pediatric medical subspecialty, pediatric surgical specialty, or child and adolescent mental and behavioral health care in an area with a shortage of the specified pediatric subspecialty that has a sufficient pediatric population to support such pediatric subspecialty, as determined by the Secretary; and

(2) the Secretary agrees to make payments on the principal and interest of undergraduate, graduate, or graduate medical education loans of professionals described in paragraph (1) of not more than \$35,000 a year for each year of agreed upon service under such paragraph for a period of not more than 3 years during the qualified health professional's—

(A) participation in an accredited pediatric medical subspecialty, pediatric surgical specialty, or child and adolescent mental health subspecialty residency or fellowship; or

(B) employment as a pediatric medical subspecialist, pediatric surgical specialist, or child and adolescent mental health professional serving an area or population described in such paragraph.

(c) **IN GENERAL.**—

(1) **ELIGIBLE INDIVIDUALS.**—

(A) **PEDIATRIC MEDICAL SPECIALISTS AND PEDIATRIC SURGICAL SPECIALISTS.**—For purposes of contracts with respect to pediatric medical specialists and pediatric surgical specialists, the term “qualified health professional” means a licensed physician who—

(i) is entering or receiving training in an accredited pediatric medical subspecialty or pediatric surgical specialty residency or fellowship; or

(ii) has completed (but not prior to the end of the calendar year in which this section is enacted) the training described in subparagraph (B).

(B) **CHILD AND ADOLESCENT MENTAL AND BEHAVIORAL HEALTH.**—For purposes of contracts with respect to child and adolescent mental and behavioral health care, the term “qualified health professional” means a health care professional who—

(i) has received specialized training or clinical experience in child and adolescent mental health in psy-

chiatry, psychology, school psychology, behavioral pediatrics, psychiatric nursing, social work, school social work, substance abuse disorder prevention and treatment, marriage and family therapy, school counseling, or professional counseling;

(ii) has a license or certification in a State to practice allopathic medicine, osteopathic medicine, psychology, school psychology, psychiatric nursing, social work, school social work, marriage and family therapy, school counseling, or professional counseling; or

(iii) is a mental health service professional who completed (but not before the end of the calendar year in which this section is enacted) specialized training or clinical experience in child and adolescent mental health described in clause (i).

(2) **ADDITIONAL ELIGIBILITY REQUIREMENTS.**—The Secretary may not enter into a contract under this subsection with an eligible individual unless—

(A) the individual agrees to work in, or for a provider serving, a health professional shortage area or medically underserved area, or to serve a medically underserved population;

(B) the individual is a United States citizen or a permanent legal United States resident; and

(C) if the individual is enrolled in a graduate program, the program is accredited, and the individual has an acceptable level of academic standing (as determined by the Secretary).

(d) **PRIORITY.**—In entering into contracts under this subsection, the Secretary shall give priority to applicants who—

(1) are or will be working in a school or other pre-kindergarten, elementary, or secondary education setting;

(2) have familiarity with evidence-based methods and cultural and linguistic competence health care services; and

(3) demonstrate financial need.

(e) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated such sums as may be necessary for each of fiscal years 2021 through 2025.

SEC. 776. [295f-1] PUBLIC HEALTH WORKFORCE LOAN REPAYMENT PROGRAM.

(a) **ESTABLISHMENT.**—The Secretary shall establish the Public Health Workforce Loan Repayment Program (referred to in this section as the “Program”) to assure an adequate supply of, and encourage recruitment and retention of, public health professionals to eliminate critical public health workforce shortages in State, local, and Tribal public health agencies.

(b) **ELIGIBILITY.**—To be eligible to participate in the Program, an individual shall—

(1)(A)(i) be accepted for enrollment, or be enrolled, as a student in an accredited institution of higher education or school of public health in the final semester (or equivalent) of a program leading to a certificate or degree, including a master’s or doctoral degree, in public health, epidemiology, laboratory sciences, data systems, data science, data analytics,

informatics, statistics, or another subject matter related to public health; and

(ii) be employed by, or have accepted employment with, a State, local, or Tribal public health agency, or a related training fellowship at such State, local, or Tribal public health agency, as recognized by the Secretary, to commence upon graduation; or

(B)(i) have graduated, during the preceding 10-year period, from an accredited institution of higher education or school of public health and received a certificate or degree, including a master's or doctoral degree, in public health, epidemiology, laboratory sciences, data systems, data science, data analytics, informatics, statistics, or another subject matter related to public health; and

(ii) be employed by, or have accepted employment with, a State, local, or Tribal public health agency or a related training fellowship at such State, local, or Tribal public health agency, as recognized by the Secretary;

(2) be a United States citizen; and

(3)(A) submit an application to the Secretary to participate in the Program;

(B) execute a written contract as required in subsection (c); and

(4) not have received, for the same service, a reduction of loan obligations under section 455(m), 428J, 428K, 428L, or 460 of the Higher Education Act of 1965.

(c) CONTRACT.—The written contract (referred to in this section as the “written contract”) between the Secretary and an individual shall contain—

(1) an agreement on the part of the Secretary that the Secretary will repay on behalf of the individual loans incurred by the individual in the pursuit of the relevant degree or certificate in accordance with the terms of the contract;

(2) an agreement on the part of the individual that the individual will serve in the full-time employment of a State, local, or Tribal public health agency or a related fellowship program in a position related to the course of study or program for which the contract was awarded for a period of time (referred to in this section as the “period of obligated service”) of at least 3 consecutive years;

(3) an agreement, as appropriate, on the part of the individual to relocate to a priority service area (as determined by the Secretary) in exchange for an additional loan repayment incentive amount to be determined by the Secretary;

(4) a provision that any financial obligation of the United States arising out of a contract entered into under this section and any obligation of the individual that is conditioned thereon, is contingent on funds being appropriated for loan repayments under this section;

(5) a statement of the damages to which the United States is entitled, under this section for the individual's breach of the contract; and

(6) such other statements of the rights and liabilities of the Secretary and of the individual, not inconsistent with this section.

(d) PAYMENTS.—

(1) IN GENERAL.—A loan repayment provided for an individual under a written contract under the Program shall consist of payment, in accordance with paragraph (2), for the individual toward the outstanding principal and interest on education loans incurred by the individual in the pursuit of the relevant degree or certificate described in subsection (b)(1) in accordance with the terms of the contract.

(2) PAYMENTS FOR YEARS SERVED.—

(A) IN GENERAL.—For each year of obligated service that an individual contracts to serve under subsection (c) the Secretary may pay up to \$50,000 on behalf of the individual for loans described in paragraph (1). With respect to participants under the Program whose total eligible loans are less than \$150,000, the Secretary shall pay an amount that does not exceed $\frac{1}{3}$ of the eligible loan balance for each year of obligated service of the individual.

(B) CONSIDERATIONS.—The Secretary may take action in making awards under this section to ensure that—

(i) an appropriate proportion of contracts are awarded to individuals who are eligible to participate in the program pursuant to subsection (b)(1)(A); and

(ii) contracts awarded under this section are equitably distributed among—

(I) the geographical regions of the United States;

(II) local, State, and Tribal public health departments; and

(III) such public health departments under subclause (II) serving rural and urban areas.

(3) TAX LIABILITY.—For the purpose of providing reimbursements for tax liability resulting from payments under paragraph (2) on behalf of an individual, the Secretary shall, in addition to such payments, make payments to the individual in an amount not to exceed 39 percent of the total amount of loan repayments made for the taxable year involved.

(e) POSTPONING OBLIGATED SERVICE.—With respect to an individual with a contract to serve under subsection (c), the date of the initiation of the period of obligated service may be postponed as approved by the Secretary.

(f) BREACH OF CONTRACT.—An individual who fails to comply with the contract entered into under subsection (c) shall be subject to the same financial penalties as provided for under section 338E for breaches of loan repayment contracts under section 338B. In the event that a participant fails to either begin or complete the obligated service requirement of the loan repayment contract under this section, the Secretary may waive or suspend either the unfulfilled service or the assessed damages as provided for under section 338E(d), as appropriate.

(g) ELIGIBLE LOANS.—The loans eligible for repayment under this section are each of the following:

(1) Any loan for education or training for employment by a health department.

(2) Any loan under part E of title VIII (relating to nursing student loans).

(3) Any Federal Direct Stafford Loan, Federal Direct PLUS Loan, Federal Direct Unsubsidized Stafford Loan, or Federal Direct Consolidation Loan (as such terms are used in section 455 of the Higher Education Act of 1965).

(4) Any Federal Perkins Loan under part E of title I of the Higher Education Act of 1965.

(5) Any other Federal loan, as the Secretary determines appropriate.

(h) PILOT PROGRAM.—

(1) IN GENERAL.—The Secretary shall, as appropriate, establish a pilot program, to be known as the Bio-Preparedness Workforce Pilot Program, to provide for loan repayment for health professionals with expertise in infectious diseases and emergency preparedness and response activities to ensure an adequate supply of such professionals. Such program shall be administered consistent with the requirements of this section, except that, to be eligible to participate in the pilot program, an individual shall—

(A)(i) be accepted for enrollment, or be enrolled, as a student in an accredited institution of higher education in the final semester (or equivalent) of a program leading to a health professions degree or certificate program relevant to such program; or

(ii) have graduated, during the preceding 10-year period, from an accredited institution of higher education with a health professions degree or certificate program relevant to such program; and

(B) be employed by, or have accepted employment with—

(i) a Federal health care facility;

(ii) a nonprofit health care facility that is located in a health professional shortage area (as defined in section 332), a frontier health professional shortage area (as defined in section 799B), or a medically underserved community (as defined in section 799B);

(iii) an entity receiving assistance under title XXVI for the provision of clinical services;

(iv) a health program, or a facility, operated by an Indian Tribe or Tribal organization (as those terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act) or by an urban Indian organization (as defined in section 4 of the Indian Health Care Improvement Act); or

(v) another relevant entity determined appropriate by the Secretary, as a health professional with expertise in infectious diseases or emergency preparedness and response.

(2) NON-DUPLICATION OF EFFORT.—The Secretary shall ensure that the pilot program established under paragraph (1) does not unnecessarily duplicate the National Health Service

Corps Loan Repayment Program, or any other loan repayment program operated by the Department of Health and Human Services.

(3) EVALUATION AND REPORT TO CONGRESS.—

(A) IN GENERAL.—The Secretary shall evaluate the pilot program at the conclusion of the first cycle of recipients funded by the pilot program.

(B) REPORT.—

(i) IN GENERAL.—The Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the evaluation under subparagraph (A). The report shall include, at a minimum, outcomes information from the pilot program, including any impact on recruitment and retention of health professionals with expertise in infectious diseases and emergency preparedness and response activities.

(ii) RECOMMENDATION.—The report under this subparagraph shall include a recommendation by the Secretary as to whether the pilot program under this subsection should be extended.

(i) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$100,000,000 for each of fiscal years 2023 through 2025.

SEC. 777. [295f-2] TRAINING FOR MID-CAREER PUBLIC AND ALLIED HEALTH PROFESSIONALS.

(a) IN GENERAL.—The Secretary may make grants to, or enter into contracts with, any eligible entity to award scholarships to eligible individuals to enroll in degree or professional training programs for the purpose of enabling mid-career professionals in the public health and allied health workforce to receive additional training in the field of public health and allied health.

(b) ELIGIBILITY.—

(1) ELIGIBLE ENTITY.—The term “eligible entity” indicates an accredited educational institution that offers a course of study, certificate program, or professional training program in public or allied health or a related discipline, as determined by the Secretary

(2) ELIGIBLE INDIVIDUALS.—The term “eligible individuals” includes those individuals employed in public and allied health positions at the Federal, State, tribal, or local level who are interested in retaining or upgrading their education.

(c) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section, \$60,000,000 for fiscal year 2010 and such sums as may be necessary for each of fiscal years 2011 through 2015. Fifty percent of appropriated funds shall be allotted to public health mid-career professionals and 50 percent shall be allotted to allied health mid-career professionals.

SEC. 778. [295f-3] FELLOWSHIP TRAINING IN APPLIED PUBLIC HEALTH EPIDEMIOLOGY, PUBLIC HEALTH LABORATORY SCIENCE, PUBLIC HEALTH INFORMATICS, AND EXPANSION OF THE EPIDEMIC INTELLIGENCE SERVICE.

(a) **IN GENERAL.**—The Secretary may carry out activities to address documented workforce shortages in State and local health departments in the critical areas of applied public health epidemiology and public health laboratory science and informatics and may expand the Epidemic Intelligence Service.

(b) **SPECIFIC USES.**—In carrying out subsection (a), the Secretary shall provide for the expansion of existing fellowship programs operated through the Centers for Disease Control and Prevention in a manner that is designed to alleviate shortages of the type described in subsection (a).

(c) **OTHER PROGRAMS.**—The Secretary may provide for the expansion of other applied epidemiology training programs that meet objectives similar to the objectives of the programs described in subsection (b).

(d) **WORK OBLIGATION.**—Participation in fellowship training programs under this section shall be deemed to be service for purposes of satisfying work obligations stipulated in contracts under section 338I(j).

(e) **GENERAL SUPPORT.**—Amounts may be used from grants awarded under this section to expand the Public Health Informatics Fellowship Program at the Centers for Disease Control and Prevention to better support all public health systems at all levels of government.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to carry out this section \$39,500,000 for each of fiscal years 2010 through 2013, of which—

(1) \$5,000,000 shall be made available in each such fiscal year for epidemiology fellowship training program activities under subsections (b) and (c);

(2) \$5,000,000 shall be made available in each such fiscal year for laboratory fellowship training programs under subsection (b);

(3) \$5,000,000 shall be made available in each such fiscal year for the Public Health Informatics Fellowship Program under subsection (e); and

(4) \$24,500,000 shall be made available for expanding the Epidemic Intelligence Service under subsection (a).

PART F—SUBSTANCE USE DISORDER TREATMENT WORKFORCE

SEC. 781. [295h] LOAN REPAYMENT PROGRAM FOR SUBSTANCE USE DISORDER TREATMENT WORKFORCE.

(a) **IN GENERAL.**—The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall carry out a program under which—

(1) the Secretary enters into agreements with individuals to make payments in accordance with subsection (b) on the principal of and interest on any eligible loan; and

(2) the individuals each agree to the requirements of service in substance use disorder treatment employment, as described in subsection (d).

(b) PAYMENTS.—For each year of obligated service by an individual pursuant to an agreement under subsection (a), the Secretary shall make a payment to such individual as follows:

(1) SERVICE IN A SHORTAGE AREA.—The Secretary shall pay—

(A) for each year of obligated service by an individual pursuant to an agreement under subsection (a), $\frac{1}{6}$ of the principal of and interest on each eligible loan of the individual which is outstanding on the date the individual began service pursuant to the agreement; and

(B) for completion of the sixth and final year of such service, the remainder of such principal and interest.

(2) MAXIMUM AMOUNT.—The total amount of payments under this section to any individual shall not exceed \$250,000.

(c) ELIGIBLE LOANS.—The loans eligible for repayment under this section are each of the following:

(1) Any loan for education or training for a substance use disorder treatment employment.

(2) Any loan under part E of title VIII (relating to nursing student loans).

(3) Any Federal Direct Stafford Loan, Federal Direct PLUS Loan, Federal Direct Unsubsidized Stafford Loan, or Federal Direct Consolidation Loan (as such terms are used in section 455 of the Higher Education Act of 1965).

(4) Any Federal Perkins Loan under part E of title I of the Higher Education Act of 1965.

(5) Any other Federal loan as determined appropriate by the Secretary.

(d) REQUIREMENTS OF SERVICE.—Any individual receiving payments under this program as required by an agreement under subsection (a) shall agree to an annual commitment to full-time employment, with no more than 1 year passing between any 2 years of covered employment, in substance use disorder treatment employment in the United States in—

(1) a Mental Health Professional Shortage Area, as designated under section 332; or

(2) a county (or a municipality, if not contained within any county) where the mean drug overdose death rate per 100,000 people over the past 3 years for which official data is available from the State, is higher than the most recent available national average overdose death rate per 100,000 people, as reported by the Centers for Disease Control and Prevention.

(e) INELIGIBILITY FOR DOUBLE BENEFITS.—No borrower may, for the same service, receive a reduction of loan obligations or a loan repayment under both—

(1) this section; and

(2) any Federally supported loan forgiveness program, including under section 338B, 338I, or 846 of this Act, or section 428J, 428L, 455(m), or 460 of the Higher Education Act of 1965.

(f) BREACH.—

(1) LIQUIDATED DAMAGES FORMULA.—The Secretary may establish a liquidated damages formula to be used in the event of a breach of an agreement entered into under subsection (a).

(2) LIMITATION.—The failure by an individual to complete the full period of service obligated pursuant to such an agreement, taken alone, shall not constitute a breach of the agreement, so long as the individual completed in good faith the years of service for which payments were made to the individual under this section.

(g) ADDITIONAL CRITERIA.—The Secretary—

(1) may establish such criteria and rules to carry out this section as the Secretary determines are needed and in addition to the criteria and rules specified in this section; and

(2) shall give notice to the committees specified in subsection (h) of any criteria and rules so established.

(h) REPORT TO CONGRESS.—Not later than 5 years after the date of enactment of this section, and every other year thereafter, the Secretary shall prepare and submit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate a report on—

(1) the number and location of borrowers who have qualified for loan repayments under this section; and

(2) the impact of this section on the availability of substance use disorder treatment employees nationally and in shortage areas and counties described in subsection (d).

(i) DEFINITION.—In this section:

(1) The terms “Indian tribe” and “tribal organization” have the meanings given those terms in section 4 of the Indian Self-Determination and Education Assistance Act.

(2) The term “municipality” means a city, town, or other public body created by or pursuant to State law, or an Indian tribe.

(3) The term “substance use disorder treatment employment” means full-time employment (including a fellowship)—

(A) where the primary intent and function of the position is the direct treatment or recovery support of patients with or in recovery from a substance use disorder, including master’s level social workers, psychologists, counselors, marriage and family therapists, psychiatric mental health practitioners, occupational therapists, psychology doctoral interns, and behavioral health paraprofessionals and physicians, physician assistants, and nurses, who are licensed or certified in accordance with applicable State and Federal laws; and

(B) which is located at a substance use disorder treatment program, private physician practice, hospital or health system-affiliated inpatient treatment center or outpatient clinic (including an academic medical center-affiliated treatment program), correctional facility or program, youth detention center or program, inpatient psychiatric facility, crisis stabilization unit, community health center, community mental health or other specialty community behavioral health center, recovery center, school, community-

based organization, telehealth platform, migrant health center, health program or facility operated by an Indian tribe or tribal organization, Federal medical facility, or any other facility as determined appropriate for purposes of this section by the Secretary.

(j) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$25,000,000 for each of fiscal years 2019 through 2023.

PART G—GENERAL PROVISIONS

SEC. 791. [295j] PREFERENCES AND REQUIRED INFORMATION IN CERTAIN PROGRAMS.

(a) PREFERENCES IN MAKING AWARDS.—

(1) IN GENERAL.—Subject to paragraph (2), in making awards of grants or contracts under any of sections 747 and 750, the Secretary shall give preference to any qualified applicant that—

(A) has a high rate for placing graduates in practice settings having the principal focus of serving residents of medically underserved communities;

(B) during the 2-year period preceding the fiscal year for which such an award is sought, has achieved a significant increase in the rate of placing graduates in such settings; or

(C) utilizes a longitudinal evaluation (as described in section 761(d)(2)) and reports data from such system to the national workforce database (as established under section 761(b)(2)(E)).

(2) LIMITATION REGARDING PEER REVIEW.—For purposes of paragraph (1), the Secretary may not give an applicant preference if the proposal of the applicant is ranked at or below the 20th percentile of proposals that have been recommended for approval by peer review groups.

(b) DEFINITION.—For purposes of this section, the term “graduate” means, unless otherwise specified, an individual who has successfully completed all training and residency requirements necessary for full certification in the health profession selected by the individual.

(c) EXCEPTIONS FOR NEW PROGRAMS.—

(1) IN GENERAL.—To permit new programs to compete equitably for funding under this section, those new programs that meet at least 4 of the criteria described in paragraph (3) shall qualify for a funding preference under this section.

(2) DEFINITION.—As used in this subsection, the term “new program” means any program that has graduated less than three classes. Upon graduating at least three classes, a program shall have the capability to provide the information necessary to qualify the program for the general funding preferences described in subsection (a).

(3) CRITERIA.—The criteria referred to in paragraph (1) are the following:

(A) The mission statement of the program identifies a specific purpose of the program as being the preparation of health professionals to serve underserved populations.

(B) The curriculum of the program includes content which will help to prepare practitioners to serve underserved populations.

(C) Substantial clinical training experience is required under the program in medically underserved communities.

(D) A minimum of 20 percent of the clinical faculty of the program spend at least 50 percent of their time providing or supervising care in medically underserved communities.

(E) The entire program or a substantial portion of the program is physically located in a medically underserved community.

(F) Student assistance, which is linked to service in medically underserved communities following graduation, is available to the students in the program.

(G) The program provides a placement mechanism for deploying graduates to medically underserved communities.

SEC. 792. [295k] HEALTH PROFESSIONS DATA.

(a) IN GENERAL.—The Secretary shall establish a program, including a uniform health professions data reporting system, to collect, compile, and analyze data on health professions personnel which program shall initially include data respecting all physicians and dentists in the States. The Secretary is authorized to expand the program to include, whenever he determines it necessary, the collection, compilation, and analysis of data respecting pharmacists, optometrists, podiatrists, veterinarians, public health personnel, audiologists, speech pathologists, health care administration personnel, nurses, allied health personnel, medical technologists, chiropractors, clinical psychologists, professional counselors, and any other health personnel in States designated by the Secretary to be included in the program. Such data shall include data respecting the training, licensure status (including permanent, temporary, partial, limited, or institutional), place or places of practice, professional specialty, practice characteristics, place and date of birth, sex, and socioeconomic background of health professions personnel and such other demographic information regarding health professions personnel as the Secretary may require.

(b) CERTAIN AUTHORITIES AND REQUIREMENTS.—

(1) SOURCES OF INFORMATION.—In carrying out subsection (a), the Secretary shall collect available information from appropriate local, State, and Federal agencies and other appropriate sources.

(2) CONTRACTS FOR STUDIES OF HEALTH PROFESSIONS.—The Secretary shall conduct or enter into contracts for the conduct of analytic and descriptive studies of the health professions, including evaluations and projections of the supply of, and requirements for, the health professions by specialty and geographic location. Such studies shall include studies determining by specialty and geographic location the number of

health professionals (including allied health professionals and health care administration personnel) who are members of minority groups, including Hispanics, and studies providing by specialty and geographic location evaluations and projections of the supply of, and requirements for, health professionals (including allied health professionals and health care administration personnel) to serve minority groups, including Hispanics.

(3) GRANTS AND CONTRACTS REGARDING STATES.—The Secretary is authorized to make grants and to enter into contracts with States (or an appropriate nonprofit private entity in any State) for the purpose of participating in the program established under subsection (a). The Secretary shall determine the amount and scope of any such grant or contract. To be eligible for a grant or contract under this paragraph a State or entity shall submit an application in such form and manner and containing such information as the Secretary shall require. Such application shall include reasonable assurance, satisfactory to the Secretary, that—

(A) such State (or nonprofit entity within a State) will establish a program of mandatory annual registration of the health professions personnel described in subsection (a) who reside or practice in such State and of health institutions licensed by such State, which registration shall include such information as the Secretary shall determine to be appropriate;

(B) such State or entity shall collect such information and report it to the Secretary in such form and manner as the Secretary shall prescribe; and

(C) such State or entity shall comply with the requirements of subsection (e).

(d)²⁰ REPORTS TO CONGRESS.—The Secretary shall submit to the Congress on October 1, 1993, and biennially thereafter, the following reports:

(1) A comprehensive report regarding the status of health personnel according to profession, including a report regarding the analytic and descriptive studies conducted under this section.

(2) A comprehensive report regarding applicants to, and students enrolled in, programs and institutions for the training of health personnel, including descriptions and analyses of student indebtedness, student need for financial assistance, financial resources to meet the needs of students, student career choices such as practice specialty and geographic location and the relationship, if any, between student indebtedness and career choices.

(e)²¹ REQUIREMENTS REGARDING PERSONAL DATA.—

(1) IN GENERAL.—The Secretary and each program entity shall in securing and maintaining any record of individually identifiable personal data (hereinafter in this subsection referred to as “personal data”) for purposes of this section—

²⁰ So in law. Probably should be redesignated as (c).

²¹ So in law. Probably should be redesignated as (d).

(A) inform any individual who is asked to supply personal data whether he is legally required, or may refuse, to supply such data and inform him of any specific consequences, known to the Secretary or program entity, as the case may be, of providing or not providing such data;

(B) upon request, inform any individual if he is the subject of personal data secured or maintained by the Secretary or program entity, as the case may be, and make the data available to him in a form comprehensible to him;

(C) assure that no use is made of personal data which use is not within the purposes of this section unless an informed consent has been obtained from the individual who is the subject of such data; and

(D) upon request, inform any individual of the use being made of personal data respecting such individual and of the identity of the individuals and entities which will use the data and their relationship to the programs under this section.

(2) CONSENT AS PRECONDITION TO DISCLOSURE.—Any entity which maintains a record of personal data and which receives a request from the Secretary or a program entity for such data for purposes of this section shall not transfer any such data to the Secretary or to a program entity unless the individual whose personal data is to be so transferred gives an informed consent for such transfer.

(3) DISCLOSURE BY SECRETARY.—

(A) Notwithstanding any other provision of law, personal data collected by the Secretary or any program entity under this section may not be made available or disclosed by the Secretary or any program entity to any person other than the individual who is the subject of such data unless (i) such person requires such data for purposes of this section, or (ii) in response to a demand for such data made by means of compulsory legal process. Any individual who is the subject of personal data made available or disclosed under clause (ii) shall be notified of the demand for such data.

(B) Subject to all applicable laws regarding confidentiality, only the data collected by the Secretary under this section which is not personal data shall be made available to bona fide researchers and policy analysts (including the Congress) for the purposes of assisting in the conduct of studies respecting health professions personnel.

(4) DEFINITION.—For purposes of this subsection, the term “program entity” means any public or private entity which collects, compiles, or analyzes health professions data under a grant, contract, or other arrangement with the Secretary under this section.

(g)²² TECHNICAL ASSISTANCE.—The Secretary shall provide technical assistance to the States and political subdivisions thereof in the development of systems (including model laws) concerning

²²So in law. Probably should be redesignated as (e).

confidentiality and comparability of data collected pursuant to this section.

(h)²³ GRANTS AND CONTRACTS REGARDING NONPROFIT ENTITIES.—

(1) IN GENERAL.—In carrying out subsection (a), the Secretary may make grants, or enter into contracts and cooperative agreements with, and provide technical assistance to, any nonprofit entity in order to establish a uniform allied health professions data reporting system to collect, compile, and analyze data on the allied health professions personnel.

(2) REPORTS.—With respect to reports required in subsection (d), each such report made on or after October 1, 1991, shall include a description and analysis of data collected pursuant to paragraph (1).

SEC. 794.²⁴ [295m] PROHIBITION AGAINST DISCRIMINATION ON BASIS OF SEX.

The Secretary may not make a grant, loan guarantee, or interest subsidy payment under this title to, or for the benefit of, any school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, pharmacy, podiatric medicine, or public health or any training center for allied health personnel, or graduate program in clinical psychology, unless the application for the grant, loan guarantee, or interest subsidy payment contains assurances satisfactory to the Secretary that the school or training center will not discriminate on the basis of sex in the admission of individuals to its training programs. The Secretary may not enter into a contract under this title with any such school or training center unless the school, training center, or graduate program furnishes assurances satisfactory to the Secretary that it will not discriminate on the basis of sex in the admission of individuals to its training programs. In the case of a school of medicine which—

(1) on the date of the enactment of this sentence is in the process of changing its status as an institution which admits only female students to that of an institution which admits students without regard to their sex, and

(2) is carrying out such change in accordance with a plan approved by the Secretary,

the provisions of the preceding sentences of this section shall apply only with respect to a grant, contract, loan guarantee, or interest subsidy to, or for the benefit of such a school for a fiscal year beginning after June 30, 1979.

SEC. 796.²⁵ [295n-1] APPLICATION.

(a) IN GENERAL.—To be eligible to receive a grant or contract under this title, an eligible entity shall prepare and submit to the Secretary an application that meets the requirements of this section, at such time, in such manner, and containing such information as the Secretary may require.

(b) PLAN.—An application submitted under this section shall contain the plan of the applicant for carrying out a project with amounts received under this title. Such plan shall be consistent

²³ So in law. Probably should be redesignated as (f).

²⁴ Section 793 was repealed by section 106(a)(2)(C) of Public Law 105-392 (112 Stat. 3557).

²⁵ Section 795 was repealed by section 101(b)(1) of Public Law 105-392 (112 Stat. 3537).

with relevant Federal, State, or regional health professions program plans.

(c) **PERFORMANCE OUTCOME STANDARDS.**—An application submitted under this section shall contain a specification by the applicant entity of performance outcome standards that the project to be funded under the grant or contract will be measured against. Such standards shall address relevant health workforce needs that the project will meet. The recipient of a grant or contract under this section shall meet the standards set forth in the grant or contract application.

(d) **LINKAGES.**—An application submitted under this section shall contain a description of the linkages with relevant educational and health care entities, including training programs for other health professionals as appropriate, that the project to be funded under the grant or contract will establish. To the extent practicable, grantees under this section shall establish linkages with health care providers who provide care for underserved communities and populations.

SEC. 797. [295n-2] USE OF FUNDS.

(a) **IN GENERAL.**—Amounts provided under a grant or contract awarded under this title may be used for training program development and support, faculty development, model demonstrations, trainee support including tuition, books, program fees and reasonable living expenses during the period of training, technical assistance, workforce analysis, dissemination of information, and exploring new policy directions, as appropriate to meet recognized health workforce objectives, in accordance with this title.

(b) **MAINTENANCE OF EFFORT.**—With respect to activities for which a grant awarded under this title is to be expended, the entity shall agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the entity for the fiscal year preceding the fiscal year for which the entity receives such a grant.

SEC. 798. [295o] MATCHING REQUIREMENT.

The Secretary may require that an entity that applies for a grant or contract under this title provide non-Federal matching funds, as appropriate, to ensure the institutional commitment of the entity to the projects funded under the grant. As determined by the Secretary, such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

SEC. 799. [295o-1] GENERALLY APPLICABLE PROVISIONS.

(a) **AWARDING OF GRANTS AND CONTRACTS.**—The Secretary shall ensure that grants and contracts under this title are awarded on a competitive basis, as appropriate, to carry out innovative demonstration projects or provide for strategic workforce supplementation activities as needed to meet health workforce goals and in accordance with this title. Contracts may be entered into under this title with public or private entities as may be necessary.

(b) **ELIGIBLE ENTITIES.**—Unless specifically required otherwise in this title, the Secretary shall accept applications for grants or contracts under this title from health professions schools, academic

health centers, State or local governments, or other appropriate public or private nonprofit entities for funding and participation in health professions and nursing training activities. The Secretary may accept applications from for-profit private entities if determined appropriate by the Secretary.

(c) INFORMATION REQUIREMENTS.—

(1) IN GENERAL.—Recipients of grants and contracts under this title shall meet information requirements as specified by the Secretary.

(2) DATA COLLECTION.—The Secretary shall establish procedures to ensure that, with respect to any data collection required under this title, such data is collected in a manner that takes into account age, sex, race, and ethnicity.

(3) USE OF FUNDS.—The Secretary shall establish procedures to permit the use of amounts appropriated under this title to be used for data collection purposes.

(4) EVALUATIONS.—The Secretary shall establish procedures to ensure the annual evaluation of programs and projects operated by recipients of grants or contracts under this title. Such procedures shall ensure that continued funding for such programs and projects will be conditioned upon a demonstration that satisfactory progress has been made by the program or project in meeting the objectives of the program or project.

(d) TRAINING PROGRAMS.—Training programs conducted with amounts received under this title shall meet applicable accreditation and quality standards.

(e) DURATION OF ASSISTANCE.—

(1) IN GENERAL.—Subject to paragraph (2), in the case of an award to an entity of a grant, cooperative agreement, or contract under this title, the period during which payments are made to the entity under the award may not exceed 5 years. The provision of payments under the award shall be subject to annual approval by the Secretary of the payments and subject to the availability of appropriations for the fiscal year involved to make the payments. This paragraph may not be construed as limiting the number of awards under the program involved that may be made to the entity.

(2) LIMITATION.—In the case of an award to an entity of a grant, cooperative agreement, or contract under this title, paragraph (1) shall apply only to the extent not inconsistent with any other provision of this title that relates to the period during which payments may be made under the award.

(f) PEER REVIEW REGARDING CERTAIN PROGRAMS.—

(1) IN GENERAL.—Each application for a grant under this title, except any scholarship or loan program, including those under sections²⁶ 701, 721, or 723, shall be submitted to a peer review group for an evaluation of the merits of the proposals made in the application. The Secretary may not approve such an application unless a peer review group has recommended the application for approval.

²⁶ So in law. Probably should read “section”.

(2) COMPOSITION.—Each peer review group under this subsection shall be composed principally of individuals who are not officers or employees of the Federal Government. In providing for the establishment of peer review groups and procedures, the Secretary shall ensure sex, racial, ethnic, and geographic balance among the membership of such groups.

(3) ADMINISTRATION.—This subsection shall be carried out by the Secretary acting through the Administrator of the Health Resources and Services Administration.

(g) PREFERENCE OR PRIORITY CONSIDERATIONS.—In considering a preference or priority for funding which is based on outcome measures for an eligible entity under this title, the Secretary may also consider the future ability of the eligible entity to meet the outcome preference or priority through improvements in the eligible entity's program design.

(h) ANALYTIC ACTIVITIES.—The Secretary shall ensure that—

(1) cross-cutting workforce analytical activities are carried out as part of the workforce information and analysis activities under section 761; and

(2) discipline-specific workforce information and analytical activities are carried out as part of—

(A) the community-based linkage program under part D; and

(B) the health workforce development program under subpart 2 of part E.

(i) OSTEOPATHIC SCHOOLS.—For purposes of this title, any reference to—

(1) medical schools shall include osteopathic medical schools; and

(2) medical students shall include osteopathic medical students.

SEC. 799A. [295o-2] TECHNICAL ASSISTANCE.

Funds appropriated under this title may be used by the Secretary to provide technical assistance in relation to any of the authorities under this title.

SEC. 799B. [295p] DEFINITIONS.

For purposes of this title:

(1)(A) The terms “school of medicine”, “school of dentistry”, “school of osteopathic medicine”, “school of pharmacy”, “school of optometry”, “school of podiatric medicine”, “school of veterinary medicine”, “school of public health”, and “school of chiropractic” mean an accredited public or nonprofit private school in a State that provides training leading, respectively, to a degree of doctor of medicine, a degree of doctor of dentistry or an equivalent degree, a degree of doctor of osteopathy, a degree of bachelor of science in pharmacy or an equivalent degree or a degree of doctor of pharmacy or an equivalent degree, a degree of doctor of optometry or an equivalent degree, a degree of doctor of podiatric medicine or an equivalent degree, a degree of doctor of veterinary medicine or an equivalent degree, a graduate degree in public health or an equivalent degree, and a degree of doctor of chiropractic or an equivalent degree, and in-

cluding advanced training related to such training provided by any such school.

TITLE VIII—NURSING WORKFORCE DEVELOPMENT

PART A—GENERAL PROVISIONS

SEC. 801. [296] DEFINITIONS.

As used in this title:

(1) ELIGIBLE ENTITIES.—The term “eligible entities” means schools of nursing, nursing centers, academic health centers, State or local governments, and other public or private non-profit entities determined appropriate by the Secretary that submit to the Secretary an application in accordance with section 802.

(2) SCHOOL OF NURSING.—The term “school of nursing” means an accredited (as defined in paragraph 6) collegiate, associate degree, or diploma school of nursing in a State where graduates are—

(A) authorized to sit for the National Council Licensure EXamination-Registered Nurse (NCLEX–RN); or

(B) licensed registered nurses who will receive a graduate or equivalent degree or training to become an advanced education nurse as defined by section 811(b).

(3) COLLEGIATE SCHOOL OF NURSING.—The term “collegiate school of nursing” means a department, division, or other administrative unit in a college or university which provides primarily or exclusively a program of education in professional nursing and related subjects leading to the degree of bachelor

of arts, bachelor of science, bachelor of nursing, or to an equivalent degree, or to a graduate degree in nursing, or to an equivalent degree, and including advanced training related to such program of education provided by such school, but only if such program, or such unit, college or university is accredited.

(4) ASSOCIATE DEGREE SCHOOL OF NURSING.—The term “associate degree school of nursing” means a department, division, or other administrative unit in a junior college, community college, college, or university which provides primarily or exclusively a two-year program of education in professional nursing and allied subjects leading to an associate degree in nursing or to an equivalent degree, but only if such program, or such unit, college, or university is accredited.

(5) DIPLOMA SCHOOL OF NURSING.—The term “diploma school of nursing” means a school affiliated with a hospital or university, or an independent school, which provides primarily or exclusively a program of education in professional nursing and allied subjects leading to a diploma or to equivalent indicia that such program has been satisfactorily completed, but only if such program, or such affiliated school or such hospital or university or such independent school is accredited.

(6) ACCREDITED.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the term “accredited” when applied to any program of nurse education means a program accredited by a recognized body or bodies, or by a State agency, approved for such purpose by the Secretary of Education and when applied to a hospital, school, college, or university (or a unit thereof) means a hospital, school, college, or university (or a unit thereof) which is accredited by a recognized body or bodies, or by a State agency, approved for such purpose by the Secretary of Education. For the purpose of this paragraph, the Secretary of Education shall publish a list of recognized accrediting bodies, and of State agencies, which the Secretary of Education determines to be reliable authority as to the quality of education offered.

(B) NEW PROGRAMS.—A new program of nursing that, by reason of an insufficient period of operation, is not, at the time of the submission of an application for a grant or contract under this title, eligible for accreditation by such a recognized body or bodies or State agency, shall be deemed accredited for purposes of this title if the Secretary of Education finds, after consultation with the appropriate accreditation body or bodies, that there is reasonable assurance that the program will meet the accreditation standards of such body or bodies prior to the beginning of the academic year following the normal graduation date of students of the first entering class in such a program.

(7) NONPROFIT.—The term “nonprofit” as applied to any school, agency, organization, or institution means one which is a corporation or association, or is owned and operated by one or more corporations or associations, no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.

(8) STATE.—The term “State” means a State, the Commonwealth of Puerto Rico, the District of Columbia, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, the Virgin Islands, or the Trust Territory of the Pacific Islands.

(9) AMBULATORY SURGICAL CENTER.—The term “ambulatory surgical center” has the meaning applicable to such term under title XVIII of the Social Security Act.

(10) FEDERALLY QUALIFIED HEALTH CENTER.—The term “Federally qualified health center” has the meaning given such term under section 1861(aa)(4) of the Social Security Act.

(11) HEALTH CARE FACILITY.—The term “health care facility” means an Indian Health Service health center, a Native Hawaiian health center, a hospital, a Federally qualified health center, a rural health clinic, a nursing home, a home health agency, a hospice program, a public health clinic, a State or local department of public health, a skilled nursing facility, an ambulatory surgical center, or any other facility designated by the Secretary.

(12) HOME HEALTH AGENCY.—The term “home health agency” has the meaning given such term in section 1861(o) of the Social Security Act.

(13) HOSPICE PROGRAM.—The term “hospice program” has the meaning given such term in section 1861(dd)(2) of the Social Security Act.

(14) RURAL HEALTH CLINIC.—The term “rural health clinic” has the meaning given such term in section 1861(aa)(2) of the Social Security Act.

(15) SKILLED NURSING FACILITY.—The term “skilled nursing facility” has the meaning given such term in section 1819(a) of the Social Security Act.

(16) ACCELERATED NURSING DEGREE PROGRAM.—The term “accelerated nursing degree program” means a program of education in professional nursing offered by an accredited school of nursing in which an individual holding a bachelors degree in another discipline receives a BSN or MSN degree in an accelerated time frame as determined by the accredited school of nursing.

(17) BRIDGE OR DEGREE COMPLETION PROGRAM.—The term “bridge or degree completion program” means a program of education in professional nursing offered by an accredited school of nursing, as defined in paragraph (2), that leads to a baccalaureate degree in nursing. Such programs may include, Registered Nurse (RN) to Bachelor’s of Science of Nursing (BSN) programs, RN to MSN (Master of Science of Nursing) programs, or BSN to Doctoral programs.

(18) NURSE MANAGED HEALTH CLINIC.—The term “nurse managed health clinic” means a nurse-practice arrangement, managed by advanced practice nurses, that provides primary care or wellness services to underserved or vulnerable populations and that is associated with a school, college, university or department of nursing, federally qualified health center, or independent nonprofit health or social services agency.

SEC. 802. [296a] APPLICATION.

(a) **IN GENERAL.**—To be eligible to receive a grant or contract under this title, an eligible entity shall prepare and submit to the Secretary an application that meets the requirements of this section, at such time, in such manner, and containing such information as the Secretary may require.

(b) **PLAN.**—An application submitted under this section shall contain the plan of the applicant for carrying out a project with amounts received under this title. Such plan shall be consistent with relevant Federal, State, or regional program plans.

(c) **PERFORMANCE OUTCOME STANDARDS.**—An application submitted under this section shall contain a specification by the applicant entity of performance outcome standards that the project to be funded under the grant or contract will be measured against. Such standards shall address relevant national nursing needs that the project will meet, and how such project aligns with the goals in section 806(a). The recipient of a grant or contract under this section shall meet the standards set forth in the grant or contract application.

(d) **LINKAGES.**—An application submitted under this section shall contain a description of the linkages with relevant educational and health care entities, including training programs for other health professionals as appropriate, that the project to be funded under the grant or contract will establish.

SEC. 803. [296b] USE OF FUNDS.

(a) **IN GENERAL.**—Amounts provided under a grant or contract awarded under this title may be used for training program development and support, faculty development, model demonstrations, trainee support including tuition, books, program fees and reasonable living expenses during the period of training, technical assistance, workforce analysis, and dissemination of information, as appropriate to meet recognized nursing objectives, in accordance with this title.

(b) **MAINTENANCE OF EFFORT.**—With respect to activities for which a grant awarded under this title is to be expended, the entity shall agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the entity for the fiscal year preceding the fiscal year for which the entity receives such a grant. Such Federal funds are intended to supplement, not supplant, existing non-Federal expenditures for such activities.

SEC. 804. [296c] MATCHING REQUIREMENT.

The Secretary may require that an entity that applies for a grant or contract under this title provide non-Federal matching funds, as appropriate, to ensure the institutional commitment of the entity to the projects funded under the grant. Such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

SEC. 805. [296d] PREFERENCE.

In awarding grants or contracts under this title, the Secretary shall give preference to applicants with projects that will substan-

tially benefit rural or underserved populations, or help meet public health nursing needs in State or local health departments.

SEC. 806. [296e] GENERALLY APPLICABLE PROVISIONS.

(a) **AWARDING OF GRANTS AND CONTRACTS.**—The Secretary shall ensure that grants and contracts under this title are awarded on a competitive basis, as appropriate, to carry out innovative demonstration projects or provide for strategic workforce supplementation activities as needed to address national nursing needs, including—

(1) addressing challenges, including through supporting training and education of nursing students, related to the distribution of the nursing workforce and existing or projected nursing workforce shortages in geographic areas that have been identified as having, or that are projected to have, a nursing shortage;

(2) increasing access to and the quality of health care services, including by supporting the training of professional registered nurses, advanced practice registered nurses, and advanced education nurses within community based settings and in a variety of health delivery system settings; or

(3) addressing the strategic goals and priorities identified by the Secretary and that are in accordance with this title.

Contracts may be entered into under this title with public or private entities as determined necessary by the Secretary.

(b) **INFORMATION REQUIREMENTS.**—

(1) **IN GENERAL.**—Recipients of grants and contracts under this title shall meet information requirements as specified by the Secretary.

(2) **EVALUATIONS.**—The Secretary shall establish procedures to ensure the annual evaluation of programs and projects operated by recipients of grants under this title. Such procedures shall ensure that continued funding for such programs and projects will be conditioned upon the reporting of data and information demonstrating that satisfactory progress has been made by the program or project in meeting the performance outcome standards (as described in section 802) of such program or project.

(c) **TRAINING PROGRAMS.**—Training programs conducted with amounts received under this title shall meet applicable accreditation and quality standards.

(d) **DURATION OF ASSISTANCE.**—

(1) **IN GENERAL.**—Subject to paragraph (2), in the case of an award to an entity of a grant, cooperative agreement, or contract under this title, the period during which payments are made to the entity under the award may not exceed 5 years. The provision of payments under the award shall be subject to annual approval by the Secretary of the payments and subject to the availability of appropriations for the fiscal year involved to make the payments. This paragraph may not be construed as limiting the number of awards under the program involved that may be made to the entity.

(2) **LIMITATION.**—In the case of an award to an entity of a grant, cooperative agreement, or contract under this title,

paragraph (1) shall apply only to the extent not inconsistent with any other provision of this title that relates to the period during which payments may be made under the award.

(e) PEER REVIEW REGARDING CERTAIN PROGRAMS.—

(1) IN GENERAL.—Each application for a grant under this title, except advanced nurse traineeship grants under section 811(a)(2), shall be submitted to a peer review group for an evaluation of the merits of the proposals made in the application. The Secretary may not approve such an application unless a peer review group has recommended the application for approval.

(2) COMPOSITION.—Each peer review group under this subsection shall be composed principally of individuals who are not officers or employees of the Federal Government, and have relevant expertise and experience. In providing for the establishment of peer review groups and procedures, the Secretary shall, except as otherwise provided, ensure sex, racial, ethnic, and geographic representation among the membership of such groups.

(3) ADMINISTRATION.—This subsection shall be carried out by the Secretary acting through the Administrator of the Health Resources and Services Administration.

(f) ANALYTIC ACTIVITIES.—The Secretary shall ensure that—

(1) cross-cutting workforce analytical activities are carried out as part of the workforce information and analysis activities under this title; and

(2) discipline-specific workforce information is developed and analytical activities are carried out as part of—

(A) the advanced education nursing activities under part B;

(B) the workforce diversity activities under part C; and

(C) basic nursing education and practice activities under part D.

(g) STATE AND REGIONAL PRIORITIES.—Activities under grants or contracts under this title shall, to the extent practicable, be consistent with related Federal, State, or regional nursing professions program plans and priorities.

(h) FILING OF APPLICATIONS.—

(1) IN GENERAL.—Applications for grants or contracts under this title may be submitted by health professions schools, schools of nursing, academic health centers, State or local governments, or other appropriate public or private non-profit entities as determined appropriate by the Secretary in accordance with this title.

(2) FOR-PROFIT ENTITIES.—Notwithstanding paragraph (1), a for-profit entity may be eligible for a grant or contract under this title as determined appropriate by the Secretary.

(i) BIENNIAL REPORT ON NURSING WORKFORCE PROGRAM IMPROVEMENTS.—Not later than September 30, 2020, and biennially thereafter, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives, a report that contains an assessment of the programs and activities of the

Department of Health and Human Services related to enhancing the nursing workforce, including the extent to which programs and activities under this title meet the identified goals and performance measures developed for the respective programs and activities, and the extent to which the Department coordinates with other Federal departments regarding programs designed to improve the nursing workforce.

SEC. 807. [296e-1] GRANTS FOR HEALTH PROFESSIONS EDUCATION.

(a) **CULTURAL COMPETENCY, PREVENTION, AND PUBLIC HEALTH AND INDIVIDUALS WITH DISABILITY GRANTS.**—The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make awards of grants, contracts, or cooperative agreements to eligible entities for the development, evaluation, and dissemination of research, demonstration projects, and model curricula for cultural competency, prevention, public health proficiency, reducing health disparities, and aptitude for working with individuals with disabilities training for use in health professions schools and continuing education programs, and for other purposes determined as appropriate by the Secretary. Grants under this section shall be the same as provided in section 741.

(b) **COLLABORATION.**—In carrying out subsection (a), the Secretary shall collaborate with the entities described in section 741(b). The Secretary shall coordinate with curricula and research and demonstration projects developed under such section 741.

(c) **DISSEMINATION.**—Model curricula developed under this section shall be disseminated and evaluated in the same manner as model curricula developed under section 741, as described in subsection (c) of such section.

(d) **AUTHORIZATION OF APPROPRIATIONS.**—There are to be appropriated to carry out this section such sums as may be necessary for each of the fiscal years 2010 through 2015.

SEC. 808. [296f] TECHNICAL ASSISTANCE.

Funds appropriated under this title may be used by the Secretary to provide technical assistance in relation to any of the authorities under this title.

PROHIBITION AGAINST DISCRIMINATION BY SCHOOLS ON THE BASIS OF SEX

SEC. 809. [296g] The Secretary may not make a grant, loan guarantee, or interest subsidy payment under this title to, or for the benefit of, any school of nursing unless the application for the grant, loan guarantee, or interest subsidy payment contains assurances satisfactory to the Secretary that the school will not discriminate on the basis of sex in the admission of individuals to its training programs. The Secretary may not enter into a contract under this title with any school unless the school furnishes assurances satisfactory to the Secretary that it will not discriminate on the basis of sex in the admission of individuals to its training programs.

PART B—NURSE PRACTITIONERS, NURSE MIDWIVES, NURSE ANESTHETISTS, AND OTHER ADVANCED EDUCATION NURSES

SEC. 811. [296j] ADVANCED EDUCATION NURSING GRANTS.

(a) IN GENERAL.—The Secretary may award grants to and enter into contracts with eligible entities to meet the costs of—

- (1) projects that support the enhancement of advanced nursing education and practice; and
- (2) traineeships for individuals in advanced nursing education programs.

(b) DEFINITION OF ADVANCED EDUCATION NURSES.—For purposes of this section, the term “advanced education nurses” means individuals trained in advanced degree programs including individuals in combined R.N./graduate degree programs, post-nursing master’s certificate programs, or, in the case of nurse midwives, in certificate programs in existence on the date that is one day prior to the date of enactment of this section, to serve as nurse practitioners, clinical nurse specialists, nurse midwives, nurse anesthetists, nurse educators, nurse administrators, clinical nurse leaders, or public health nurses, or in other nurse specialties determined by the Secretary to require advanced education.

(c) AUTHORIZED NURSE PRACTITIONER.—Nurse practitioner programs eligible for support under this section are educational programs for registered nurses (irrespective of the type of school of nursing in which the nurses received their training) that—

- (1) meet guidelines prescribed by the Secretary; and
- (2) have as their objective the education of nurses who will upon completion of their studies in such programs, be qualified to effectively provide primary health care, including primary health care in homes and in ambulatory care facilities, long-term care facilities, acute care, and other health care settings.

(d) AUTHORIZED NURSE-MIDWIFERY PROGRAMS.—Midwifery programs that are eligible for support under this section are educational programs that—

- (1) have as their objective the education of midwives; and
- (2) are accredited by the American College of Nurse-Midwives Accreditation Commission for Midwifery Education.

(e) AUTHORIZED NURSE ANESTHESIA PROGRAMS.—Nurse anesthesia programs eligible for support under this section are education programs that—

- (1) provide registered nurses with full-time anesthetist education; and
- (2) are accredited by the Council on Accreditation of Nurse Anesthesia Educational Programs.

(f) AUTHORIZED CLINICAL NURSE SPECIALIST PROGRAMS.—Clinical nurse specialist programs eligible for support under this section are education programs that—

- (1) provide registered nurses with full-time clinical nurse specialist education; and
- (2) have as their objective the education of clinical nurse specialists who will, upon completion of such a program, be qualified to effectively provide care through the wellness and

illness continuum to inpatients and outpatients experiencing acute and chronic illness.

(g) OTHER AUTHORIZED EDUCATIONAL PROGRAMS.—The Secretary shall prescribe guidelines as appropriate for other advanced nurse education programs eligible for support under this section.

(h) TRAINEESHIPS.—

(1) IN GENERAL.—The Secretary may not award a grant to an applicant under subsection (a) unless the applicant involved agrees that traineeships provided with the grant will only pay all or part of the costs of—

(A) the tuition, books, and fees of the program of advanced nurse education with respect to which the traineeship is provided; and

(B) the reasonable living expenses of the individual during the period for which the traineeship is provided.

(2) SPECIAL CONSIDERATION.—In making awards of grants and contracts under subsection (a)(2), the Secretary shall give special consideration to an eligible entity that agrees to expend the award to train advanced education nurses who will practice in health professional shortage areas designated under section 332.

PART C—INCREASING NURSING WORKFORCE DIVERSITY

SEC. 821. [296m] WORKFORCE DIVERSITY GRANTS.

(a)¹ IN GENERAL.—

(1) AUTHORITY.—The Secretary may award grants to and enter into contracts with eligible entities to meet the costs of special projects to increase nursing education opportunities for individuals who are from disadvantaged backgrounds (including racial and ethnic minorities underrepresented among registered nurses) by providing student scholarships or stipends, stipends for diploma or associate degree nurses to enter a bridge or degree completion program, student scholarships or stipends for accelerated nursing degree programs, pre-entry preparation, advanced education preparation, and retention activities.

(b) GUIDANCE.—In carrying out subsection (a), the Secretary shall take into consideration the recommendations of the National Advisory Council on Nurse Education and Practice and consult with nursing associations including the National Coalition of Ethnic Minority Nurse Associations, American Nurses Association, the National League for Nursing, the American Association of Colleges of Nursing, the National Black Nurses Association, the National Association of Hispanic Nurses, the Association of Asian American and Pacific Islander Nurses, the Native American Indian and Alaskan Nurses Association, and the National Council of State Boards of Nursing, and other organizations determined appropriate by the Secretary.

¹ So in law. There is no paragraph (2) in subsection (a).

(c) REQUIRED INFORMATION AND CONDITIONS FOR AWARD RECIPIENTS.—

(1) IN GENERAL.—Recipients of awards under this section may be required, where requested, to report to the Secretary concerning the annual admission, retention, and graduation rates for individuals from disadvantaged backgrounds and ethnic and racial minorities in the school or schools involved in the projects.

(2) FALLING RATES.—If any of the rates reported under paragraph (1) fall below the average of the two previous years, the grant or contract recipient shall provide the Secretary with plans for immediately improving such rates.

(3) INELIGIBILITY.—A recipient described in paragraph (2) shall be ineligible for continued funding under this section if the plan of the recipient fails to improve the rates within the 1-year period beginning on the date such plan is implemented.

PART D—STRENGTHENING CAPACITY FOR BASIC NURSE EDUCATION AND PRACTICE

SEC. 831. [296p] NURSE EDUCATION, PRACTICE, QUALITY, AND RETENTION GRANTS.

(a) EDUCATION PRIORITY AREAS.—The Secretary may award grants to or enter into contracts with eligible entities for—

(1) expanding the enrollment in baccalaureate nursing programs; or

(2) providing education in new technologies, including distance learning methodologies.

(b) PRACTICE PRIORITY AREAS.—The Secretary may award grants to or enter into contracts with eligible entities for—

(1) establishing or expanding nursing practice arrangements in noninstitutional settings to demonstrate methods to improve access to primary health care in medically underserved communities;

(2) providing care for underserved populations and high risk groups, such as the elderly, individuals with HIV/AIDS, individuals with mental health or substance use disorders, individuals who are homeless, and survivors of domestic violence;

(3) providing coordinated care, and other skills needed to practice in existing and emerging organized health care systems; or

(4) developing cultural competencies among nurses.

(c) RETENTION PRIORITY AREAS.—The Secretary may award grants to and enter into contracts with eligible entities to enhance the nursing workforce by initiating and maintaining nurse retention programs pursuant to paragraph (1) or (2).

(1) GRANTS FOR CAREER LADDER PROGRAMS.—The Secretary may award grants to and enter into contracts with eligible entities for programs—

(A) to promote career advancement for—

(i) nursing in a variety of training settings, cross training or specialty training among diverse population groups, and the advancement of individuals including to become professional registered nurses, ad-

vanced practice registered nurses, and nurses with graduate nursing education; and

(ii) individuals including licensed practical nurses, licensed vocational nurses, certified nurse assistants, home health aides, diploma degree or associate degree nurses, and other health professionals, such as health aides or community health practitioners certified under the Community Health Aide Program of the Indian Health Service, to become registered nurses with baccalaureate degrees or nurses with graduate nursing education;

(B) to assist individuals in obtaining education and training required to enter the nursing profession and advance within such profession, such as by providing career counseling and mentoring; and

(C) developing and implementing internships, accredited fellowships, and accredited residency programs in collaboration with one or more accredited schools of nursing, to encourage the mentoring and development of specialties.

(2) ENHANCING PATIENT CARE DELIVERY SYSTEMS.—

(A) GRANTS.—The Secretary may award grants to eligible entities to improve the retention of nurses and enhance patient care that is directly related to nursing activities by enhancing collaboration and communication among nurses and other health care professionals, and by promoting nurse involvement in the organizational and clinical decisionmaking processes of a health care facility.

(B) PREFERENCE.—In making awards of grants under this paragraph, the Secretary shall give a preference to applicants that have not previously received an award under this paragraph.

(C) CONTINUATION OF AN AWARD.—The Secretary shall make continuation of any award under this paragraph beyond the second year of such award contingent on the recipient of such award having demonstrated to the Secretary measurable and substantive improvement in nurse retention or patient care.

(d) OTHER PRIORITY AREAS.—The Secretary may award grants to or enter into contracts with eligible entities to address other areas that are of high priority to nurse education, practice, and retention, as determined by the Secretary.

(e) REPORT.—As part of the report on nursing workforce programs described in section 806(i), the Secretary shall include a report on the grants awarded and the contracts entered into under this section. Each such report shall identify the overall number of such grants and contracts and provide an explanation of why each such grant or contract will meet the priority need of the nursing workforce.

(f) ELIGIBLE ENTITY.—For purposes of this section, the term “eligible entity” includes an accredited school of nursing, as defined in section 801(2), a health care facility, including federally qualified health centers or nurse-managed health clinics, or a partnership of

such a school and facility a health care facility, or a partnership of such a school and facility².

PART E—STUDENT LOANS³

LOAN AGREEMENTS

SEC. 835. [297a] (a) The Secretary is authorized to enter into an agreement for the establishment and operation of a student loan fund in accordance with this part with any public or nonprofit private school of nursing which is located in a State.

(b) Each agreement entered into under this section shall—

(1) provide for establishment of a student loan fund by the school;

(2) provide for deposit in the fund, except as provided in section 871, of (A) the Federal capital contributions paid from allotments under section 838 to the school by the Secretary, (B) an additional amount from other sources equal to not less than one-ninth of such Federal capital contributions, (C) collections of principal and interest on loans made from the fund, (D) collections pursuant to section 836(f), and (E) any other earnings of the fund;

(3) provide that the fund, except as provided in section 871, shall be used only for loans to students of the school in accordance with the agreement and for costs of collection of such loans and interest thereon;

(4) provide that loans may be made from such fund only to students pursuing a full-time or half-time course of study at the school leading to a baccalaureate or associate degree in nursing or an equivalent degree or a diploma in nursing, or to a graduate degree in nursing; and

(5) contain such other provisions as are necessary to protect the financial interests of the United States.

(c)(1) Any standard established by the Secretary by regulation for the collection by schools of nursing of loans made pursuant to loan agreements under this part shall provide that the failure of any such school to collect such loans shall be measured in accordance with this subsection. With respect to the student loan fund established pursuant to such agreements, this subsection may not be construed to require such schools to reimburse such loan fund for loans that became uncollectable prior to 1983.

²So in law. The phrase “a health care facility, or a partnership of such a school and facility” probably should not appear. See amendment made by section 3404(a)(6)(G) of division A of Public Law 116–136.

³Section 936(e) of Public Law 94–63 repealed a section of this title that provided for a revolving fund. This former section was section 827. With respect to the revolving fund, such section 936(e) provided as follows: “The nurse training fund created within the Treasury by section 827(d)(1) of the Act shall remain available to the Secretary of Health, Education, and Welfare for the purpose of meeting his responsibilities respecting participations in obligations acquired under section 827 of the Act. The Secretary shall continue to deposit in such fund all amounts received by him as interest payments or repayments of principal on loans under such section 827. If at any time the Secretary determines the moneys in the funds exceed the present and any reasonable prospective further requirements of such fund, such excess may be transferred to the general fund of the Treasury.”. Such section further provided that “[t]here are authorized to be appropriated without fiscal year limitation such sums as may be necessary to enable the Secretary to make payments under agreements entered into under section 827(b) of the Act before”.

(2) The measurement of a school's failure to collect loans made under this part shall be the ratio (stated as a percentage) that the defaulted principal amount outstanding of such school bears to the matured loans of such school.

(3) For purposes of this subsection—

(A) the term “default” means the failure of a borrower of a loan made under this part to—

(i) make an installment payment when due; or

(ii) comply with any other term of the promissory note for such loan,

except that a loan made under this part shall not be considered to be in default if the loan is discharged in bankruptcy or if the school reasonably concludes from written contacts with the borrower that the borrower intends to repay the loan;

(B) the term “defaulted principal amount outstanding” means the total amount borrowed from the loan fund of a school that has reached the repayment stage (minus any principal amount repaid or cancelled) on loans—

(i) repayable monthly and in default for at least 120 days; and

(ii) repayable less frequently than monthly and in default for at least 180 days;

(C) the term “grace period” means the period of nine months beginning on the date on which the borrower ceases to pursue a full-time or half-time course of study at a school of nursing; and

(D) the term “matured loans” means the total principal amount of all loans made by a school of nursing under this part minus the total principal amount of loans made by such school to students who are—

(i) enrolled in a full-time or half-time course of study at such school; or

(ii) in their grace period.

LOAN PROVISIONS

SEC. 836. [297b] (a) The total of the loans for any academic year (or its equivalent, as determined under regulations of the Secretary) made by schools of nursing from loan funds established pursuant to agreements under this part may not exceed \$3,300 in the case of any student, except that for the final two academic years of the program involved, such total may not exceed \$5,200. The aggregate of the loans for all years from such funds may not exceed \$17,000 in the case of any student during fiscal years 2010 and 2011. After fiscal year 2011, such amounts shall be adjusted to provide for a cost-of-attendance increase for the yearly loan rate and the aggregate of the loans.

(b) Loans from any such student loan fund by any school shall be made on such terms and conditions as the school may determine; subject, however, to such conditions, limitations, and requirements as the Secretary may prescribe (by regulation or in the agreement with the school) with a view to preventing impairment of the capital of such fund to the maximum extent practicable in

the light of the objective of enabling the student to complete his course of study; and except that—

(1) such a loan may be made only to a student who (A) is in need of the amount of the loan to pursue a full-time or half-time course of study at the school leading to a baccalaureate or associate degree in nursing or an equivalent degree, or a diploma in nursing, or a graduate degree in nursing, (B) is capable, in the opinion of the school, of maintaining good standing in such course of study, and (C) with respect to any student enrolling in the school after June 30, 2000, is of financial need (as defined in regulations issued by the Secretary);

(2) such a loan shall be repayable in equal or graduated periodic installments (with the right of the borrower to accelerate repayment) over the ten-year period which begins nine months after the student ceases to pursue a full-time or half-time course of study at a school of nursing, excluding from such 10-year period all (A) periods (up to three years) of (i) active duty performed by the borrower as a member of a uniformed service, or (ii) service as a volunteer under the Peace Corps Act, (B) periods (up to ten years) during which the borrower is pursuing a full-time or half-time course of study at a collegiate school of nursing leading to baccalaureate degree in nursing or an equivalent degree, or to graduate degree in nursing, or is otherwise pursuing advanced professional training in nursing (or training to be a nurse anesthetist), and (C) such additional periods under the terms of paragraph (8) of this subsection;

(3) in the case of a student who received such a loan before September 29, 1995, an amount up to 85 per centum of any such loan made before such date (plus interest thereon) shall be canceled for full-time employment as a professional nurse (including teaching in any of the fields of nurse training and service as an administrator, supervisor, or consultant in any of the fields of nursing) in any public or nonprofit private agency, institution, or organization (including neighborhood health centers), at the rate of 15 per centum of the amount of such loan (plus interest) unpaid on the first day of such service for each of the first, second, and third complete year of such service, and 20 per centum of such amount (plus interest) for each complete fourth and fifth year of such service;

(4) the liability to repay the unpaid balance of such loan and accrued interest thereon shall be canceled upon the death of the borrower, or if the Secretary determines that he has become permanently and totally disabled;

(5) such a loan shall bear interest on the unpaid balance of the loan, computed only for periods during which the loan is repayable, at the rate of 5 percent per annum;

(6) such a loan shall be made without security or endorsement, except that if the borrower is a minor and the note or other evidence of obligation executed by him would not, under the applicable law, create a binding obligation, either security or endorsement may be required;

(7) no note or other evidence of any such loan may be transferred or assigned by the school making the loan except

that, if the borrower transfers to another school participating in the program under this part, such note or other evidence of a loan may be transferred to such other school; and

(8) pursuant to uniform criteria established by the Secretary, the repayment period established under paragraph (2) for any student borrower who during the repayment period failed to make consecutive payments and who, during the last 12 months of the repayment period, has made at least 12 consecutive payments may be extended for a period not to exceed 10 years.

(c) Where all or any part of a loan, or interest, is canceled under this section, the Secretary shall pay to the school an amount equal to the school's proportionate share of the canceled portion, as determined by the Secretary.

(d) Any loan for any year by a school from a student loan fund established pursuant to an agreement under this part shall be made in such installments as may be provided in regulations of the Secretary or such agreement and, upon notice to the Secretary by the school that any recipient of a loan is failing to maintain satisfactory standing, any or all further installments of his loans shall be withheld, as may be appropriate.

(e) An agreement under this part with any school shall include provisions designed to make loans from the student loan fund established thereunder reasonably available (to the extent of the available funds in such fund) to all eligible students in the school in need thereof.

(f) Subject to regulations of the Secretary and in accordance with this section, a school shall assess a charge with respect to a loan from the loan fund established pursuant to an agreement under this part for failure of the borrower to pay all or any part of an installment when it is due and, in the case of a borrower who is entitled to deferment of the loan under subsection (b)(2) or cancellation of part or all of the loan under subsection (b)(3), for any failure to file timely and satisfactory evidence of such entitlement. No such charge may be made if the payment of such installment or the filing of such evidence is made within 60 days after the date on which such installment or filing is due. The amount of any such charge may not exceed an amount equal to 6 percent of the amount of such installment. The school may elect to add the amount of any such charge to the principal amount of the loan as of the first day after the day on which such installment or evidence was due, or to make the amount of the charge payable to the school not later than the due date of the next installment after receipt by the borrower of notice of the assessment of the charge.

(g) A school may provide in accordance with regulations of the Secretary, that during the repayment period of a loan from a loan fund established pursuant to an agreement under this part payments of principal and interest by the borrower with respect to all the outstanding loans made to him from loan funds so established shall be at a rate equal to not less than \$40 per month.

(h) Notwithstanding the amendment made by section 6(b) of the Nurse Training Act of 1971 to this section—

(A) any person who obtained one or more loans from a loan fund established under this part, who before the date of the enactment of the Nurse Training Act of 1971 became eligible for cancellation of all or part of such loans (including accrued interest) under this section (as in effect on the day before such date), and who on such date was not engaged in a service for which loan cancellation was authorized under this section (as so in effect), may at any time elect to receive such cancellation in accordance with this subsection (as so in effect); and

(B) in the case of any person who obtained one or more loans from a loan fund established under this part and who on such date was engaged in a service for which cancellation of all or part of such loans (including accrued interest) was authorized under this section (as so in effect), this section (as so in effect) shall continue to apply to such person for purposes of providing such loan cancellation until he terminates such service.

(i) Upon application by a person who received and is under an obligation to repay, any loan made to such person as a nursing student, the Secretary may undertake to repay (without liability to the applicant) all or any part of such loan, and any interest or portion thereof outstanding thereon, upon his determination, pursuant to regulations establishing criteria therefor, that the applicant—

(1) failed to complete the nursing studies with respect to which such loan was made;

(2) is in exceptionally needy circumstances; and

(3) has not resumed, or cannot reasonably be expected to resume, such nursing studies within two years following the date upon which the applicant terminated the studies with respect to which such loan was made.

(j) The Secretary is authorized to attempt to collect any loan which was made under this part, which is in default, and which was referred to the Secretary by a school of nursing with which the Secretary has an agreement under this part, on behalf of that school under such terms and conditions as the Secretary may prescribe (including reimbursement from the school's student loan fund for expenses the Secretary may reasonably incur in attempting collection), but only if the school has complied with such requirements as the Secretary may specify by regulation with respect to the collection of loans under this part. A loan so referred shall be treated as a debt subject to section 5514 of title 5, United States Code. Amounts collected shall be deposited in the school's student loan fund. Whenever the Secretary desires the institution of a civil action regarding any such loan, the Secretary shall refer the matter to the Attorney General for appropriate action.

(k) ⁴ ELIMINATION OF STATUTE OF LIMITATION FOR LOAN COLLECTIONS.—

(1) PURPOSE.—It is the purpose of this subsection to ensure that obligations to repay loans under this section are enforced without regard to any Federal or State statutory, regu-

latory, or administrative limitation on the period within which debts may be enforced.

(2) PROHIBITION.—Notwithstanding any other provision of Federal or State law, no limitation shall terminate the period within which suit may be filed, a judgment may be enforced, or an offset, garnishment, or other action may be initiated or taken by a school of nursing that has an agreement with the Secretary pursuant to section 835 that is seeking the repayment of the amount due from a borrower on a loan made under this part after the default of the borrower on such loan.

ALLOTMENTS AND PAYMENTS OF FEDERAL CAPITAL CONTRIBUTIONS

SEC. 838. ⁵ [297d] (a)(1) The Secretary shall from time to time set dates by which schools of nursing in a State must file applications for Federal capital contributions.

(2)(A) If the total of the amounts requested for any fiscal year in such applications exceeds the total amount appropriated under section 837⁶ for that fiscal year, the allotment from such total amount to the loan fund of each school of nursing shall be reduced to whichever of the following is the smaller:

(i) The amount requested in its application.

(ii) An amount which bears the same ratio to the total amount appropriated as the number of students estimated by the Secretary to be enrolled on a full-time basis in such school during such fiscal year bears to the estimated total number of students enrolled in all such schools on a full-time basis during such year.

(B) Amounts remaining after allotment under subparagraph (A) shall be reallocated in accordance with clause (ii) of such subparagraph among schools whose applications requested more than the amounts so allotted to their loan funds, but with such adjustments as may be necessary to prevent the total allotted to any such school's loan fund under this paragraph and paragraph (3) from exceeding the total so requested by it.

(3) Funds which, pursuant to section 839(c) or pursuant to a loan agreement under section 835, are returned to the Secretary in any fiscal year, shall be available for allotment until expended. Funds described in the preceding sentence shall be allotted among schools of nursing in such manner as the Secretary determines will best carry out this part.

(b) Allotments to a loan fund of a school shall be paid to it from time to time in such installments as the Secretary determines will not result in unnecessary accumulations in the loan fund at such school.

(c) The Federal capital contributions to a loan fund of a school under this part shall be paid to it from time to time in such installments as the Secretary determines will not result in unnecessary accumulations in the loan fund at such school.

⁶ Section 837 was repealed by section 123(3) of Public Law 105–392 (112 Stat. 3562).

DISTRIBUTION OF ASSETS FROM LOAN FUNDS

SEC. 839. [297e] (a) If a school terminates a loan fund established under an agreement pursuant to section 835(b), or if the Secretary for good cause terminates the agreement with the school, there shall be a capital distribution as follows:

(1) The Secretary shall first be paid an amount which bears the same ratio to such balance in such fund on the date of termination of the fund as the total amount of the Federal capital contributions to such fund by the Secretary pursuant to section 835(b)(2)(A) bears to the total amount in such fund derived from such Federal capital contributions and from funds deposited therein pursuant to section 835(b)(2)(B).

(2) The remainder of such balance shall be paid to the school.

(b) If a capital distribution is made under subsection (a), the school involved shall, after such capital distribution, pay to the Secretary, not less often than quarterly, the same proportionate share of amounts received by the school in payment of principal or interest on loans made from the loan fund established under section 835(b) as determined by the Secretary under subsection (a).

(c)(1) Within 90 days after the termination of any agreement with a school under section 835 or the termination in any other manner of a school's participation in the loan program under this subpart⁷, such school shall pay to the Secretary from the balance of the loan fund of such school established under section 835, an amount which bears the same ratio to the balance in such fund on the date of such termination as the total amount of the Federal capital contributions to such fund by the Secretary pursuant to section 835(b)(2)(A) bears to the total amount in such fund on such date derived from such Federal capital contributions and from funds deposited in the fund pursuant to section 835(b)(2)(B). The remainder of such balance shall be paid to the school.

(2) A school to which paragraph (1) applies shall pay to the Secretary after the date on which payment is made under such paragraph and not less than quarterly, the same proportionate share of amounts received by the school after the date of termination referred to in paragraph (1) in payment of principal or interest on loans made from the loan fund as was determined for the Secretary under such paragraph.

ADMINISTRATIVE PROVISIONS

SEC. 840. [297g] The Secretary may agree to modifications of agreements made under this part, and may compromise, waive, or release any right, title, claim, or demand of the United States arising or acquired under this part.

PROCEDURES FOR APPEAL OF TERMINATIONS

SEC. 842.⁸ [297i] In any case in which the Secretary intends to terminate an agreement with a school of nursing under this part, the Secretary shall provide the school with a written notice specifying such intention and stating that the school may request a formal hearing with respect to such termination. If the school requests such a hearing within 30 days after the receipt of such notice, the Secretary shall provide such school with a hearing conducted by an administrative law judge.

LOAN REPAYMENT AND SCHOLARSHIP PROGRAMS

SEC. 846.⁹ [297n] (a) IN GENERAL.—In the case of any individual—

(1) who has received a baccalaureate or associate degree in nursing (or an equivalent degree), a diploma in nursing, or a graduate degree in nursing;

(2) who obtained (A) one or more loans from a loan fund established under subpart II¹⁰, or (B) any other educational loan for nurse training costs; and

(3) who enters into an agreement with the Secretary to serve as nurse for a period of not less than two years at a health care facility with a critical shortage of nurses, or in a accredited school of nursing, as defined by section 801(2), as nurse faculty;

the Secretary shall make payments in accordance with subsection (b), for and on behalf of that individual, on the principal of and interest on any loan of that individual described in paragraph (2) of this subsection which is outstanding on the date the individual begins the service specified in the agreement described in paragraph (3) of this subsection.

(b) MANNER OF PAYMENTS.—The payments described in subsection (a) shall be made by the Secretary as follows:

(1) Upon completion by the individual for whom the payments are to be made of the first year of the service specified in the agreement entered into with the Secretary under subsection (a), the Secretary shall pay 30 percent of the principal of, and the interest on each loan of such individual described in subsection (a)(2) which is outstanding on the date the individual began such practice.

(2) Upon completion by that individual of the second year of such service, the Secretary shall pay another 30 percent of the principal of, and the interest on each such loan.

(3) Upon completion by that individual of a third year of such service, the Secretary shall pay another 25 percent of the principal of, and the interest on each such loan.

(c) PAYMENT BY DUE DATE.—Notwithstanding the requirement of completion of practice specified in subsection (b), the Secretary shall, on or before the due date thereof, pay any loan or loan in-

stallment which may fall due within the period of service for which the borrower may receive payments under this subsection, upon the declaration of such borrower, at such times and in such manner as the Secretary may prescribe (and supported by such other evidence as the Secretary may reasonably require), that the borrower is then serving as described by subsection (a)(3), and that the borrower will continue to so serve for the period required (in the absence of this subsection) to entitle the borrower to have made the payments provided by this subsection for such period; except that not more than 85 percent of the principal of any such loan shall be paid pursuant to this subsection.

(d) SCHOLARSHIP PROGRAM.—

(1) IN GENERAL.—The Secretary shall (for fiscal years 2003 and 2004) and may (for fiscal years thereafter) carry out a program of entering into contracts with eligible individuals under which such individuals agree to serve as nurses for a period of not less than 2 years at a health care facility with a critical shortage of nurses, in consideration of the Federal Government agreeing to provide to the individuals scholarships for attendance at schools of nursing.

(2) ELIGIBLE INDIVIDUALS.—In this subsection, the term “eligible individual” means an individual who is enrolled or accepted for enrollment as a full-time or part-time student in a school of nursing.

(3) SERVICE REQUIREMENT.—

(A) IN GENERAL.—The Secretary may not enter into a contract with an eligible individual under this subsection unless the individual agrees to serve as a nurse at a health care facility with a critical shortage of nurses for a period of full-time service of not less than 2 years, or for a period of part-time service in accordance with subparagraph (B).

(B) PART-TIME SERVICE.—An individual may complete the period of service described in subparagraph (A) on a part-time basis if the individual has a written agreement that—

(i) is entered into by the facility and the individual and is approved by the Secretary; and

(ii) provides that the period of obligated service will be extended so that the aggregate amount of service performed will equal the amount of service that would be performed through a period of full-time service of not less than 2 years.

(4) APPLICABILITY OF CERTAIN PROVISIONS.—The provisions of subpart III of part D of title III shall, except as inconsistent with this section, apply to the program established in paragraph (1) in the same manner and to the same extent as such provisions apply to the National Health Service Corps Scholarship Program established in such subpart.

(e) PREFERENCES REGARDING PARTICIPANTS.—In entering into agreements under subsection (a) or (d), the Secretary shall give preference to qualified applicants with the greatest financial need.

(f) BREACH OF AGREEMENT.—The Secretary may make payments under subsection (a) on behalf of an individual only if the

agreement under such subsection provides that section 860(c) is applicable to the individual.

(g) BREACH OF AGREEMENT.—

(1) IN GENERAL.—In the case of any program under this section under which an individual makes an agreement to provide health services for a period of time in accordance with such program in consideration of receiving an award of Federal funds regarding education as a nurse (including an award for the repayment of loans), the following applies if the agreement provides that this subsection is applicable:

(A) In the case of a program under this section that makes an award of Federal funds for attending an accredited program of nursing (in this section referred to as a “nursing program”), the individual is liable to the Federal Government for the amount of such award (including amounts provided for expenses related to such attendance), and for interest on such amount at the maximum legal prevailing rate, if the individual—

(i) fails to maintain an acceptable level of academic standing in the nursing program (as indicated by the program in accordance with requirements established by the Secretary);

(ii) is dismissed from the nursing program for disciplinary reasons; or

(iii) voluntarily terminates the nursing program.

(B) The individual is liable to the Federal Government for the amount of such award (including amounts provided for expenses related to such attendance), and for interest on such amount at the maximum legal prevailing rate, if the individual fails to provide health services in accordance with the program under this section for the period of time applicable under the program.

(2) WAIVER OR SUSPENSION OF LIABILITY.—In the case of an individual or health facility making an agreement for purposes of paragraph (1), the Secretary shall provide for the waiver or suspension of liability under such subsection if compliance by the individual or the health facility, as the case may be, with the agreements involved is impossible, or would involve extreme hardship to the individual or facility, and if enforcement of the agreements with respect to the individual or facility would be unconscionable.

(3) DATE CERTAIN FOR RECOVERY.—Subject to paragraph (2), any amount that the Federal Government is entitled to recover under paragraph (1) shall be paid to the United States not later than the expiration of the 3-year period beginning on the date the United States becomes so entitled.

(4) AVAILABILITY.—Amounts recovered under paragraph (1) with respect to a program under this section shall be available for the purposes of such program, and shall remain available for such purposes until expended.

(h) REPORTS.—Not later than 18 months after the date of enactment of the Nurse Reinvestment Act, and annually thereafter, the Secretary shall prepare and submit to the Congress a report

describing the programs carried out under this section, including statements regarding—

- (1) the number of enrollees, scholarships, loan repayments, and grant recipients;
- (2) the number of graduates;
- (3) the amount of scholarship payments and loan repayments made;
- (4) which educational institution the recipients attended;
- (5) the number and placement location of the scholarship and loan repayment recipients at health care facilities with a critical shortage of nurses;
- (6) the default rate and actions required;
- (7) the amount of outstanding default funds of both the scholarship and loan repayment programs;
- (8) to the extent that it can be determined, the reason for the default;
- (9) the demographics of the individuals participating in the scholarship and loan repayment programs;
- (10) justification for the allocation of funds between the scholarship and loan repayment programs; and
- (11) an evaluation of the overall costs and benefits of the programs.

(i) ALLOCATIONS.—Of the amounts appropriated under section 871(b),¹¹ the Secretary may, as determined appropriate by the Secretary, allocate amounts between the program under subsection (a) and the program under subsection (d).

NURSE FACULTY LOAN PROGRAM

SEC. 846A. [297n-1] (a) SCHOOL OF NURSING STUDENT LOAN FUND.—The Secretary, acting through the Administrator of the Health Resources and Services Administration, may enter into an agreement with any accredited school of nursing for the establishment and operation of a student loan fund in accordance with this section, to increase the number of qualified nursing faculty.

(b) AGREEMENTS.—Each agreement entered into under subsection (a) shall—

- (1) provide for the establishment of a student loan fund by the school involved;
- (2) provide for deposit in the fund of—
 - (A) the Federal capital contributions to the fund;
 - (B) an amount equal to not less than one-ninth of such Federal capital contributions, contributed by such school;
 - (C) collections of principal and interest on loans made from the fund; and
 - (D) any other earnings of the fund;
- (3) provide that the fund will be used only for loans to students of the school in accordance with subsection (c) and for costs of collection of such loans and interest thereon;
- (4) provide that loans may be made from such fund only to students pursuing a full-time course of study or, at the dis-

cretion of the Secretary, a part-time course of study in an advanced degree program described in section 811(b); and

(5) contain such other provisions as are necessary to protect the financial interests of the United States.

(c) LOAN PROVISIONS.—Loans from any student loan fund established by a school pursuant to an agreement under subsection (a) shall be made to an individual on such terms and conditions as the school may determine, except that—

(1) such terms and conditions are subject to any conditions, limitations, and requirements prescribed by the Secretary;

(2) in the case of any individual, the total of the loans for any academic year made by schools of nursing from loan funds established pursuant to agreements under subsection (a) may not exceed \$35,500, during fiscal years 2010 and 2011 fiscal years (after fiscal year 2011, such amounts shall be adjusted to provide for a cost-of-attendance increase for the yearly loan rate and the aggregate loan;

(3) an amount up to 85 percent of any such loan (plus interest thereon) shall be canceled by the school as follows:

(A) upon completion by the individual of each of the first, second, and third year of full-time employment, required by the loan agreement entered into under this subsection, as a faculty member in an accredited a¹² school of nursing, the school shall cancel 20 percent of the principle of, and the interest on, the amount of such loan unpaid on the first day of such employment; and

(B) upon completion by the individual of the fourth year of full-time employment, required by the loan agreement entered into under this subsection, as a faculty member in a school of nursing, the school shall cancel 25 percent of the principle of, and the interest on, the amount of such loan unpaid on the first day of such employment;

(4) such a loan may be used to pay the cost of tuition, fees, books, laboratory expenses, and other reasonable education expenses;

(5) such a loan shall be repayable in equal or graduated periodic installments (with the right of the borrower to accelerate repayment) over the 10-year period that begins 9 months after the individual ceases to pursue a course of study at a school of nursing; and

(6) such a loan shall—

(A) beginning on the date that is 3 months after the individual ceases to pursue a course of study at a school of nursing, bear interest on the unpaid balance of the loan at the rate of 3 percent per annum; or

(B) subject to subsection (e), if the school of nursing determines that the individual will not complete such course of study or serve as a faculty member as required under the loan agreement under this subsection, bear in-

terest on the unpaid balance of the loan at the prevailing market rate.

(d) **PAYMENT OF PROPORTIONATE SHARE.**—Where all or any part of a loan, or interest, is canceled under this section, the Secretary shall pay to the school an amount equal to the school's proportionate share of the canceled portion, as determined by the Secretary.

(e) **REVIEW BY SECRETARY.**—At the request of the individual involved, the Secretary may review any determination by an accredited school of nursing under subsection (c)(6)(B).

SEC. 847. [297o] ELIGIBLE INDIVIDUAL STUDENT LOAN REPAYMENT.

(a) **IN GENERAL.**—The Secretary, acting through the Administrator of the Health Resources and Services Administration, may enter into an agreement with eligible individuals for the repayment of education loans, in accordance with this section, to increase the number of qualified nursing faculty.

(b) **AGREEMENTS.**—Each agreement entered into under this subsection shall require that the eligible individual shall serve as a full-time member of the faculty of an accredited school of nursing, for a total period, in the aggregate, of at least 4 years during the 6-year period beginning on the later of—

(1) the date on which the individual receives a master's or doctorate nursing degree from an accredited school of nursing; or

(2) the date on which the individual enters into an agreement under this subsection.

(c) **AGREEMENT PROVISIONS.**—Agreements entered into pursuant to subsection (b) shall be entered into on such terms and conditions as the Secretary may determine, except that—

(1) not more than 10 months after the date on which the 6-year period described under subsection (b) begins, but in no case before the individual starts as a full-time member of the faculty of an accredited school of nursing the Secretary shall begin making payments, for and on behalf of that individual, on the outstanding principal of, and interest on, any loan of that individual obtained to pay for such degree;

(2) for an individual who has completed a master's in nursing or equivalent degree in nursing—

(A) payments may not exceed \$10,000 per calendar year; and

(B) total payments may not exceed \$40,000 during the 2010 and 2011 fiscal years (after fiscal year 2011, such amounts shall be adjusted to provide for a cost-of-attendance increase for the yearly loan rate and the aggregate loan); and

(3) for an individual who has completed a doctorate or equivalent degree in nursing—

(A) payments may not exceed \$20,000 per calendar year; and

(B) total payments may not exceed \$80,000 during the 2010 and 2011 fiscal years (adjusted for subsequent fiscal years as provided for in the same manner as in paragraph (2)(B)).

(d) BREACH OF AGREEMENT.—

(1) IN GENERAL.—In the case of any agreement made under subsection (b), the individual is liable to the Federal Government for the total amount paid by the Secretary under such agreement, and for interest on such amount at the maximum legal prevailing rate, if the individual fails to meet the agreement terms required under such subsection.

(2) WAIVER OR SUSPENSION OF LIABILITY.—In the case of an individual making an agreement for purposes of paragraph (1), the Secretary shall provide for the waiver or suspension of liability under such paragraph if compliance by the individual with the agreement involved is impossible or would involve extreme hardship to the individual or if enforcement of the agreement with respect to the individual would be unconscionable.

(3) DATE CERTAIN FOR RECOVERY.—Subject to paragraph (2), any amount that the Federal Government is entitled to recover under paragraph (1) shall be paid to the United States not later than the expiration of the 3-year period beginning on the date the United States becomes so entitled.

(4) AVAILABILITY.—Amounts recovered under paragraph (1) shall be available to the Secretary for making loan repayments under this section and shall remain available for such purpose until expended.

(e) ELIGIBLE INDIVIDUAL DEFINED.—For purposes of this section, the term “eligible individual” means an individual who—

(1) is a United States citizen, national, or lawful permanent resident;

(2) holds an unencumbered license as a registered nurse; and

(3) has either already completed a master’s or doctorate nursing program at an accredited school of nursing or is currently enrolled on a full-time or part-time basis in such a program.

(f) PRIORITY.—For the purposes of this section and section 846A, funding priority will be awarded to School of Nursing Student Loans that support doctoral nursing students or Individual Student Loan Repayment that support doctoral nursing students.

PART F—NATIONAL ADVISORY COUNCIL ON NURSE EDUCATION AND PRACTICE

SEC. 851. [297t] NATIONAL ADVISORY COUNCIL ON NURSE EDUCATION AND PRACTICE.

(a) ESTABLISHMENT.—The Secretary shall establish an advisory council to be known as the National Advisory Council on Nurse Education and Practice (in this section referred to as the “Advisory Council”).

(b) COMPOSITION.—

(1) IN GENERAL.—The Advisory Council shall be composed of—

(A) not less than 21, nor more than 23 individuals, who are not officers or employees of the Federal Government, appointed by the Secretary without regard to the Federal civil service laws, of which—

(i) 2 shall be selected from full-time students enrolled in schools of nursing;

(ii) 2 shall be selected from the general public;

(iii) 2 shall be selected from practicing professional nurses; and

(iv) 9 shall be selected from among the leading authorities in the various fields of nursing, higher, secondary education, and associate degree schools of nursing, and from representatives of advanced education nursing groups (such as nurse practitioners, nurse midwives, nurse anesthetists, and clinical nurse specialists), hospitals, and other institutions and organizations which provide nursing services; and

(B) the Secretary (or the delegate of the Secretary (who shall be an ex officio member and shall serve as the Chairperson)).

(2) APPOINTMENT.—Not later than 90 days after the date of enactment of this Act¹³, the Secretary shall appoint the members of the Advisory Council and each such member shall serve a 4 year term. In making such appointments, the Secretary shall ensure a fair balance between the nursing professions, a broad geographic representation of members and a balance between urban and rural members. Members shall be appointed based on their competence, interest, and knowledge of the mission of the profession involved. A majority of the members shall be nurses.

(3) MINORITY REPRESENTATION.—In appointing the members of the Advisory Council under paragraph (1), the Secretary shall ensure the adequate representation of minorities.

(c) VACANCIES.—

(1) IN GENERAL.—A vacancy on the Advisory Council shall be filled in the manner in which the original appointment was made and shall be subject to any conditions which applied with respect to the original appointment.

(2) FILLING UNEXPIRED TERM.—An individual chosen to fill a vacancy shall be appointed for the unexpired term of the member replaced.

(d) DUTIES.—The Advisory Council shall—

(1) provide advice and recommendations to the Secretary and Congress concerning policy matters arising in the administration of this title, including the range of issues relating to the nurse workforce, education, and practice improvement;

(2) provide advice to the Secretary and Congress in the preparation of general regulations and with respect to policy matters arising in the administration of this title, including the range of issues relating to nurse supply, education and practice improvement; and

(3) not later than 2 years after the date of enactment of the Coronavirus Aid, Relief, and Economic Security Act, and annually thereafter, prepare and submit to the Secretary, the

Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, a report describing the activities of the Council, including findings and recommendations made by the Council concerning the activities under this title.

(e) MEETINGS AND DOCUMENTS.—

(1) MEETINGS.—The Advisory Council shall meet not less than 2 times each year. Such meetings shall be held jointly with other related entities established under this title where appropriate.

(2) DOCUMENTS.—Not later than 14 days prior to the convening of a meeting under paragraph (1), the Advisory Council shall prepare and make available an agenda of the matters to be considered by the Advisory Council at such meeting. At any such meeting, the Advisory Council shall distribute materials with respect to the issues to be addressed at the meeting. Not later than 30 days after the adjourning of such a meeting, the Advisory Council shall prepare and make available a summary of the meeting and any actions taken by the Council based upon the meeting.

(f) COMPENSATION AND EXPENSES.—

(1) COMPENSATION.—Each member of the Advisory Council shall be compensated at a rate equal to the daily equivalent of the annual rate of basic pay prescribed for level IV of the Executive Schedule under section 5315 of title 5, United States Code, for each day (including travel time) during which such member is engaged in the performance of the duties of the Council. All members of the Council who are officers or employees of the United States shall serve without compensation in addition to that received for their services as officers or employees of the United States.

(2) EXPENSES.—The members of the Advisory Council shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Council.

(g) FUNDING.—Amounts appropriated for carrying out parts B, C, and D may be utilized by the Secretary to support the nurse education and practice activities of the Council.

(h) CHAPTER 10 OF TITLE 5, UNITED STATES CODE.—Chapter 10 of title 5, United States Code, shall apply to the Advisory Committee under this section only to the extent that the provisions of chapter 10 of title 5, United States Code, do not conflict with the requirements of this section.

PART G—PUBLIC SERVICE ANNOUNCEMENTS

[Sections 861 and 862 were repealed by section 3404(a)(12) of division A of Public Law 116–136.]

PART H—COMPREHENSIVE GERIATRIC EDUCATION

SEC. 865. [298] COMPREHENSIVE GERIATRIC EDUCATION.

(a) **PROGRAM AUTHORIZED.**—The Secretary shall award grants to eligible entities to develop and implement, in coordination with programs under section 753, programs and initiatives to train and educate individuals in providing geriatric care for the elderly.

(b) **USE OF FUNDS.**—An eligible entity that receives a grant under subsection (a) shall use funds under such grant to—

(1) provide training to individuals who will provide geriatric care for the elderly;

(2) develop and disseminate curricula relating to the treatment of the health problems of elderly individuals;

(3) train faculty members in geriatrics;

(4) provide continuing education to individuals who provide geriatric care; or

(5) establish traineeships for individuals who are preparing for advanced education nursing degrees in geriatric nursing, long-term care, gero-psychiatric nursing or other nursing areas that specialize in the care of the elderly population.

(c) **APPLICATION.**—An eligible entity desiring a grant under subsection (a) shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require.

(d) **ELIGIBLE ENTITY.**—For purposes of this section, the term “eligible entity” includes a school of nursing, a health care facility, a program leading to certification as a certified nurse assistant, a partnership of such a school and facility, or a partnership of such a program and facility.

(e) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2010 through 2014.

PART I—FUNDING

SEC. 871. [298d] AUTHORIZATION OF APPROPRIATIONS.

(a) **IN GENERAL.**—For the purpose of carrying out parts B, C, and D (subject to section 851(g)), there are authorized to be appropriated \$137,837,000 for each of fiscal years 2021 through 2025.

(b) **PART E.**—For the purpose of carrying out part E, there are authorized to be appropriated \$117,135,000 for each of the fiscal years 2021 through 2025.

TITLE IX—AGENCY FOR HEALTHCARE RESEARCH AND QUALITY¹

PART A—ESTABLISHMENT AND GENERAL DUTIES

SEC. 901. [299] MISSION AND DUTIES.

(a) **IN GENERAL.**—There is established within the Public Health Service an agency to be known as the Agency for Healthcare Research and Quality, which shall be headed by a director appointed by the Secretary. The Secretary shall carry out this title acting through the Director.

(b) **MISSION.**—The purpose of the Agency is to enhance the quality, appropriateness, and effectiveness of health services, and access to such services, through the establishment of a broad base of scientific research and through the promotion of improvements in clinical and health system practices, including the prevention of diseases and other health conditions. The Agency shall promote health care quality improvement by conducting and supporting—

(1) research that develops and presents scientific evidence regarding all aspects of health care, including—

(A) the development and assessment of methods for enhancing patient participation in their own care and for facilitating shared patient-physician decision-making;

(B) the outcomes, effectiveness, and cost-effectiveness of health care practices, including preventive measures and long-term care;

(C) existing and innovative technologies;

(D) the costs and utilization of, and access to health care;

(E) the ways in which health care services are organized, delivered, and financed and the interaction and impact of these factors on the quality of patient care;

(F) methods for measuring quality and strategies for improving quality; and

(G) ways in which patients, consumers, purchasers, and practitioners acquire new information about best practices and health benefits, the determinants and impact of their use of this information;

(2) the synthesis and dissemination of available scientific evidence for use by patients, consumers, practitioners, providers, purchasers, policy makers, and educators; and

(3) initiatives to advance private and public efforts to improve health care quality.

(c) **REQUIREMENTS WITH RESPECT TO RURAL AND INNER-CITY AREAS AND PRIORITY POPULATIONS.**—

(1) **RESEARCH, EVALUATIONS AND DEMONSTRATION PROJECTS.**—In carrying out this title, the Director shall con-

¹Section 2 of Public Law 106–129 (113 Stat. 1653) designated the Agency as the Agency for Healthcare Research and Quality. Formerly it was designated as the Agency for Health Care Policy and Research. See section 6103 of Public Law 101–239 (103 Stat. 2189).

duct and support research and evaluations, and support demonstration projects, with respect to—

(A) the delivery of health care in inner-city areas, and in rural areas (including frontier areas); and

(B) health care for priority populations, which shall include—

(i) low-income groups;

(ii) minority groups;

(iii) women;

(iv) children;

(v) the elderly; and

(vi) individuals with special health care needs, including individuals with disabilities and individuals who need chronic care or end-of-life health care.

(2) PROCESS TO ENSURE APPROPRIATE RESEARCH.—The Director shall establish a process to ensure that the requirements of paragraph (1) are reflected in the overall portfolio of research conducted and supported by the Agency.

(3) OFFICE OF PRIORITY POPULATIONS.—The Director shall establish an Office of Priority Populations to assist in carrying out the requirements of paragraph (1).

SEC. 902. [299a] GENERAL AUTHORITIES.

(a) IN GENERAL.—In carrying out section 901(b), the Director shall conduct and support research, evaluations, and training, support demonstration projects, research networks, and multidisciplinary centers, provide technical assistance, and disseminate information on health care and on systems for the delivery of such care, including activities with respect to—

(1) the quality, effectiveness, efficiency, appropriateness and value of health care services;

(2) quality measurement and improvement;

(3) the outcomes, cost, cost-effectiveness, and use of health care services and access to such services;

(4) clinical practice, including primary care and practice-oriented research;

(5) health care technologies, facilities, and equipment;

(6) health care costs, productivity, organization, and market forces;

(7) health promotion and disease prevention, including clinical preventive services;

(8) health statistics, surveys, database development, and epidemiology; and

(9) medical liability.

(b) HEALTH SERVICES TRAINING GRANTS.—

(1) IN GENERAL.—The Director may provide training grants in the field of health services research related to activities authorized under subsection (a), to include pre- and post-doctoral fellowships and training programs, young investigator awards, and other programs and activities as appropriate. In carrying out this subsection, the Director shall make use of funds made available under section 487(d)(3) as well as other appropriated funds.

(2) REQUIREMENTS.—In developing priorities for the allocation of training funds under this subsection, the Director shall take into consideration shortages in the number of trained researchers who are addressing health care issues for the priority populations identified in section 901(c)(1)(B) and in addition, shall take into consideration indications of long-term commitment, amongst applicants for training funds, to addressing health care needs of the priority populations.

(c) MULTIDISCIPLINARY CENTERS.—The Director may provide financial assistance to assist in meeting the costs of planning and establishing new centers, and operating existing and new centers, for multidisciplinary health services research, demonstration projects, evaluations, training, and policy analysis with respect to the matters referred to in subsection (a).

(d) RELATION TO CERTAIN AUTHORITIES REGARDING SOCIAL SECURITY.—Activities authorized in this section shall be appropriately coordinated with experiments, demonstration projects, and other related activities authorized by the Social Security Act and the Social Security Amendments of 1967. Activities under subsection (a)(2) of this section that affect the programs under titles XVIII, XIX and XXI of the Social Security Act shall be carried out consistent with section 1142 of such Act.

(e) DISCLAIMER.—The Agency shall not mandate national standards of clinical practice or quality health care standards. Recommendations resulting from projects funded and published by the Agency shall include a corresponding disclaimer.

(f) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to imply that the Agency's role is to mandate a national standard or specific approach to quality measurement and reporting. In research and quality improvement activities, the Agency shall consider a wide range of choices, providers, health care delivery systems, and individual preferences.

SEC. 903. [299a-1] RESEARCH ON HEALTH DISPARITIES.

(a) IN GENERAL.—The Director shall—

(1) conduct and support research to identify populations for which there is a significant disparity in the quality, outcomes, cost, or use of health care services or access to and satisfaction with such services, as compared to the general population;

(2) conduct and support research on the causes of and barriers to reducing the health disparities identified in paragraph (1), taking into account such factors as socioeconomic status, attitudes toward health, the language spoken, the extent of formal education, the area or community in which the population resides, and other factors the Director determines to be appropriate;

(3) conduct and support research and support demonstration projects to identify, test, and evaluate strategies for reducing or eliminating health disparities, including development or identification of effective service delivery models, and disseminate effective strategies and models;

(4) develop measures and tools for the assessment and improvement of the outcomes, quality, and appropriateness of health care services provided to health disparity populations;

(5) in carrying out section 902(c), provide support to increase the number of researchers who are members of health disparity populations, and the health services research capacity of institutions that train such researchers; and

(6) beginning with fiscal year 2003, annually submit to the Congress a report regarding prevailing disparities in health care delivery as it relates to racial factors and socioeconomic factors in priority populations.

(b) RESEARCH AND DEMONSTRATION PROJECTS.—

(1) IN GENERAL.—In carrying out subsection (a), the Director shall conduct and support research and support demonstrations to—

(A) identify the clinical, cultural, socioeconomic, geographic, and organizational factors that contribute to health disparities, including minority health disparity populations, which research shall include behavioral research, such as examination of patterns of clinical decisionmaking, and research on access, outreach, and the availability of related support services (such as cultural and linguistic services);

(B) identify and evaluate clinical and organizational strategies to improve the quality, outcomes, and access to care for health disparity populations, including minority health disparity populations;

(C) test such strategies and widely disseminate those strategies for which there is scientific evidence of effectiveness; and

(D) determine the most effective approaches for disseminating research findings to health disparity populations, including minority populations.

(2) USE OF CERTAIN STRATEGIES.—In carrying out this section, the Director shall implement research strategies and mechanisms that will enhance the involvement of individuals who are members of minority health disparity populations or other health disparity populations, health services researchers who are such individuals, institutions that train such individuals as researchers, members of minority health disparity populations or other health disparity populations for whom the Agency is attempting to improve the quality and outcomes of care, and representatives of appropriate tribal or other community-based organizations with respect to health disparity populations. Such research strategies and mechanisms may include the use of—

(A) centers of excellence that can demonstrate, either individually or through consortia, a combination of multidisciplinary expertise in outcomes or quality improvement research, linkages to relevant sites of care, and a demonstrated capacity to involve members and communities of health disparity populations, including minority health disparity populations, in the planning, conduct, dissemination, and translation of research;

(B) provider-based research networks, including health plans, facilities, or delivery system sites of care (especially primary care), that make extensive use of health care providers who are members of health disparity populations or who serve patients in such populations and have the capacity to evaluate and promote quality improvement;

(C) service delivery models (such as health centers under section 330 and the Indian Health Service) to reduce health disparities; and

(D) innovative mechanisms or strategies that will facilitate the translation of past research investments into clinical practices that can reasonably be expected to benefit these populations.

(c) **QUALITY MEASUREMENT DEVELOPMENT.**—

(1) **IN GENERAL.**—To ensure that health disparity populations, including minority health disparity populations, benefit from the progress made in the ability of individuals to measure the quality of health care delivery, the Director shall support the development of quality of health care measures that assess the experience of such populations with health care systems, such as measures that assess the access of such populations to health care, the cultural competence of the care provided, the quality of the care provided, the outcomes of care, or other aspects of health care practice that the Director determines to be important.

(2) **EXAMINATION OF CERTAIN PRACTICES.**—The Director shall examine the practices of providers that have a record of reducing health disparities or have experience in providing culturally competent health services to minority health disparity populations or other health disparity populations. In examining such practices of providers funded under the authorities of this Act, the Director shall consult with the heads of the relevant agencies of the Public Health Service.

(3) **REPORT.**—Not later than 36 months after the date of the enactment of this section, the Secretary, acting through the Director, shall prepare and submit to the appropriate committees of Congress a report describing the state-of-the-art of quality measurement for minority and other health disparity populations that will identify critical unmet needs, the current activities of the Department to address those needs, and a description of related activities in the private sector.

(d) **DEFINITION.**—For purposes of this section:

(1) The term “health disparity population” has the meaning given such term in section 464z–3, except that in addition to the meaning so given, the Director may determine that such term includes populations for which there is a significant disparity in the quality, outcomes, cost, or use of health care services or access to or satisfaction with such services as compared to the general population.

(2) The term “minority”, with respect to populations, refers to racial and ethnic minority groups as defined in section 1707.

PART B—HEALTH CARE IMPROVEMENT RESEARCH

SEC. 911. [299b] HEALTH CARE OUTCOME IMPROVEMENT RESEARCH.

(a) **EVIDENCE RATING SYSTEMS.**—In collaboration with experts from the public and private sector, the Agency shall identify and disseminate methods or systems to assess health care research results, particularly methods or systems to rate the strength of the scientific evidence underlying health care practice, recommendations in the research literature, and technology assessments. The Agency shall make methods or systems for evidence rating widely available. Agency publications containing health care recommendations shall indicate the level of substantiating evidence using such methods or systems.

(b) **HEALTH CARE IMPROVEMENT RESEARCH CENTERS AND PROVIDER-BASED RESEARCH NETWORKS.**—

(1) **IN GENERAL.**—In order to address the full continuum of care and outcomes research, to link research to practice improvement, and to speed the dissemination of research findings to community practice settings, the Agency shall employ research strategies and mechanisms that will link research directly with clinical practice in geographically diverse locations throughout the United States, including—

(A) health care improvement research centers that combine demonstrated multidisciplinary expertise in outcomes or quality improvement research with linkages to relevant sites of care;

(B) provider-based research networks, including plan, facility, or delivery system sites of care (especially primary care), that can evaluate outcomes and evaluate and promote quality improvement; and

(C) other innovative mechanisms or strategies to link research with clinical practice.

(2) **REQUIREMENTS.**—The Director is authorized to establish the requirements for entities applying for grants under this subsection.

SEC. 912. [299b-1] PRIVATE-PUBLIC PARTNERSHIPS TO IMPROVE ORGANIZATION AND DELIVERY.

(a) **SUPPORT FOR EFFORTS TO DEVELOP INFORMATION ON QUALITY.**—

(1) **SCIENTIFIC AND TECHNICAL SUPPORT.**—In its role as the principal agency for health care research and quality, the Agency may provide scientific and technical support for private and public efforts to improve health care quality, including the activities of accrediting organizations.

(2) **ROLE OF THE AGENCY.**—With respect to paragraph (1), the role of the Agency shall include—

(A) the identification and assessment of methods for the evaluation of the health of—

(i) enrollees in health plans by type of plan, provider, and provider arrangements; and

(ii) other populations, including those receiving long-term care services;

(B) the ongoing development, testing, and dissemination of quality measures, including measures of health and functional outcomes;

(C) the compilation and dissemination of health care quality measures developed in the private and public sector;

(D) assistance in the development of improved health care information systems;

(E) the development of survey tools for the purpose of measuring participant and beneficiary assessments of their health care; and

(F) identifying and disseminating information on mechanisms for the integration of information on quality into purchaser and consumer decision-making processes.

(b) CENTERS FOR EDUCATION AND RESEARCH ON THERAPEUTICS.—

(1) IN GENERAL.—The Secretary, acting through the Director and in consultation with the Commissioner of Food and Drugs, shall establish a program for the purpose of making one or more grants for the establishment and operation of one or more centers to carry out the activities specified in paragraph (2).

(2) REQUIRED ACTIVITIES.—The activities referred to in this paragraph are the following:

(A) The conduct of state-of-the-art research for the following purposes:

(i) To increase awareness of—

(I) new uses of drugs, biological products, and devices;

(II) ways to improve the effective use of drugs, biological products, and devices; and

(III) risks of new uses and risks of combinations of drugs and biological products.

(ii) To provide objective clinical information to the following individuals and entities:

(I) Health care practitioners and other providers of health care goods or services.

(II) Pharmacists, pharmacy benefit managers and purchasers.

(III) Health maintenance organizations and other managed health care organizations.

(IV) Health care insurers and governmental agencies.

(V) Patients and consumers.

(iii) To improve the quality of health care while reducing the cost of health care through—

(I) an increase in the appropriate use of drugs, biological products, or devices; and

(II) the prevention of adverse effects of drugs, biological products, and devices and the consequences of such effects, such as unnecessary hospitalizations.

(B) The conduct of research on the comparative effectiveness, cost-effectiveness, and safety of drugs, biological products, and devices.

(C) Such other activities as the Secretary determines to be appropriate, except that a grant may not be expended to assist the Secretary in the review of new drugs, biological products, and devices.

(c) **REDUCING ERRORS IN MEDICINE.**—The Director shall, in accordance with part C, conduct and support research and build private-public partnerships to—

(1) identify the causes of preventable health care errors and patient injury in health care delivery;

(2) develop, demonstrate, and evaluate strategies for reducing errors and improving patient safety; and

(3) disseminate such effective strategies throughout the health care industry.

SEC. 913. [299b–2] INFORMATION ON QUALITY AND COST OF CARE.

(a) **IN GENERAL.**—The Director shall—

(1) conduct a survey to collect data on a nationally representative sample of the population on the cost, use and, for fiscal year 2001 and subsequent fiscal years, quality of health care, including the types of health care services Americans use, their access to health care services, frequency of use, how much is paid for the services used, the source of those payments, the types and costs of private health insurance, access, satisfaction, and quality of care for the general population including rural residents and also for populations identified in section 901(c); and

(2) develop databases and tools that provide information to States on the quality, access, and use of health care services provided to their residents.

(b) **QUALITY AND OUTCOMES INFORMATION.**—

(1) **IN GENERAL.**—Beginning in fiscal year 2001, the Director shall ensure that the survey conducted under subsection (a)(1) will—

(A) identify determinants of health outcomes and functional status, including the health care needs of populations identified in section 901(c), provide data to study the relationships between health care quality, outcomes, access, use, and cost, measure changes over time, and monitor the overall national impact of Federal and State policy changes on health care;

(B) provide information on the quality of care and patient outcomes for frequently occurring clinical conditions for a nationally representative sample of the population including rural residents; and

(C) provide reliable national estimates for children and persons with special health care needs through the use of supplements or periodic expansions of the survey.

In expanding the Medical Expenditure Panel Survey, as in existence on the date of the enactment of this title in fiscal year 2001 to collect information on the quality of care, the Director

shall take into account any outcomes measurements generally collected by private sector accreditation organizations.

(2) ANNUAL REPORT.—Beginning in fiscal year 2003, the Secretary, acting through the Director, shall submit to Congress an annual report on national trends in the quality of health care provided to the American people.

SEC. 914. [299b–3] INFORMATION SYSTEMS FOR HEALTH CARE IMPROVEMENT.

(a) IN GENERAL.—In order to foster a range of innovative approaches to the management and communication of health information, the Agency shall conduct and support research, evaluations, and initiatives to advance—

(1) the use of information systems for the study of health care quality and outcomes, including the generation of both individual provider and plan-level comparative performance data;

(2) training for health care practitioners and researchers in the use of information systems;

(3) the creation of effective linkages between various sources of health information, including the development of information networks;

(4) the delivery and coordination of evidence-based health care services, including the use of real-time health care decision-support programs;

(5) the utility and comparability of health information data and medical vocabularies by addressing issues related to the content, structure, definitions and coding of such information and data in consultation with appropriate Federal, State and private entities;

(6) the use of computer-based health records in all settings for the development of personal health records for individual health assessment and maintenance, and for monitoring public health and outcomes of care within populations; and

(7) the protection of individually identifiable information in health services research and health care quality improvement.

(b) DEMONSTRATION.—The Agency shall support demonstrations into the use of new information tools aimed at improving shared decision-making between patients and their care-givers.

(c) FACILITATING PUBLIC ACCESS TO INFORMATION.—The Director shall work with appropriate public and private sector entities to facilitate public access to information regarding the quality of and consumer satisfaction with health care.

SEC. 915. [299b–4] RESEARCH SUPPORTING PRIMARY CARE AND ACCESS IN UNDERSERVED AREAS.

(a) PREVENTIVE SERVICES TASK FORCE.—

(1) ESTABLISHMENT AND PURPOSE.—The Director shall convene an independent Preventive Services Task Force (referred to in this subsection as the “Task Force”) to be composed of individuals with appropriate expertise. Such Task Force shall review the scientific evidence related to the effectiveness, appropriateness, and cost-effectiveness of clinical preventive services for the purpose of developing recommendations for the health care community, and updating previous clinical preventive rec-

ommendations, to be published in the Guide to Clinical Preventive Services (referred to in this section as the “Guide”), for individuals and organizations delivering clinical services, including primary care professionals, health care systems, professional societies, employers, community organizations, non-profit organizations, Congress and other policy-makers, governmental public health agencies, health care quality organizations, and organizations developing national health objectives. Such recommendations shall consider clinical preventive best practice recommendations from the Agency for Healthcare Research and Quality, the National Institutes of Health, the Centers for Disease Control and Prevention, the Institute of Medicine, specialty medical associations, patient groups, and scientific societies.

(2) DUTIES.—The duties of the Task Force shall include—

(A) the development of additional topic areas for new recommendations and interventions related to those topic areas, including those related to specific sub-populations and age groups;

(B) at least once during every 5-year period, review interventions and update recommendations related to existing topic areas, including new or improved techniques to assess the health effects of interventions;

(C) improved integration with Federal Government health objectives and related target setting for health improvement;

(D) the enhanced dissemination of recommendations;

(E) the provision of technical assistance to those health care professionals, agencies and organizations that request help in implementing the Guide recommendations; and

(F) the submission of yearly reports to Congress and related agencies identifying gaps in research, such as preventive services that receive an insufficient evidence statement, and recommending priority areas that deserve further examination, including areas related to populations and age groups not adequately addressed by current recommendations.

(3) ROLE OF AGENCY.—The Agency shall provide ongoing administrative, research, and technical support for the operations of the Task Force, including coordinating and supporting the dissemination of the recommendations of the Task Force, ensuring adequate staff resources, and assistance to those organizations requesting it for implementation of the Guide’s recommendations.

(4) COORDINATION WITH COMMUNITY PREVENTIVE SERVICES TASK FORCE.—The Task Force shall take appropriate steps to coordinate its work with the Community Preventive Services Task Force and the Advisory Committee on Immunization Practices, including the examination of how each task force’s recommendations interact at the nexus of clinic and community.

(5) OPERATION.—Operation. In carrying out the duties under paragraph (2), the Task Force is not subject to the provisions of chapter 10 of title 5, United States Code.

(6) INDEPENDENCE.—All members of the Task Force convened under this subsection, and any recommendations made by such members, shall be independent and, to the extent practicable, not subject to political pressure.

(7) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated such sums as may be necessary for each fiscal year to carry out the activities of the Task Force.

(b) PRIMARY CARE RESEARCH.—

(1) IN GENERAL.—There is established within the Agency a Center for Primary Care Research (referred to in this subsection as the “Center”) that shall serve as the principal source of funding for primary care practice research in the Department of Health and Human Services. For purposes of this paragraph, primary care research focuses on the first contact when illness or health concerns arise, the diagnosis, treatment or referral to specialty care, preventive care, and the relationship between the clinician and the patient in the context of the family and community.

(2) RESEARCH.—In carrying out this section, the Center shall conduct and support research concerning—

(A) the nature and characteristics of primary care practice;

(B) the management of commonly occurring clinical problems;

(C) the management of undifferentiated clinical problems; and

(D) the continuity and coordination of health services.

SEC. 916. [299b-5] HEALTH CARE PRACTICE AND TECHNOLOGY INNOVATION.

(a) IN GENERAL.—The Director shall promote innovation in evidence-based health care practices and technologies by—

(1) conducting and supporting research on the development, diffusion, and use of health care technology;

(2) developing, evaluating, and disseminating methodologies for assessments of health care practices and technologies;

(3) conducting intramural and supporting extramural assessments of existing and new health care practices and technologies;

(4) promoting education and training and providing technical assistance in the use of health care practice and technology assessment methodologies and results; and

(5) working with the National Library of Medicine and the public and private sector to develop an electronic clearinghouse of currently available assessments and those in progress.

(b) SPECIFICATION OF PROCESS.—

(1) IN GENERAL.—Not later than December 31, 2000, the Director shall develop and publish a description of the methods used by the Agency and its contractors for health care practice and technology assessment.

(2) CONSULTATIONS.—In carrying out this subsection, the Director shall cooperate and consult with the Assistant Sec-

retary for Health, the Administrator of the Centers for Medicare & Medicaid Services, the Director of the National Institutes of Health, the Commissioner of Food and Drugs, and the heads of any other interested Federal department or agency, and shall seek input, where appropriate, from professional societies and other private and public entities.

(3) **METHODOLOGY.**—The Director shall, in developing the methods used under paragraph (1), consider—

- (A) safety, efficacy, and effectiveness;
- (B) legal, social, and ethical implications;
- (C) costs, benefits, and cost-effectiveness;
- (D) comparisons to alternate health care practices and technologies; and
- (E) requirements of Food and Drug Administration approval to avoid duplication.

(c) **SPECIFIC ASSESSMENTS.**—

(1) **IN GENERAL.**—The Director shall conduct or support specific assessments of health care technologies and practices.

(2) **REQUESTS FOR ASSESSMENTS.**—The Director is authorized to conduct or support assessments, on a reimbursable basis, for the Centers for Medicare & Medicaid Services, the Department of Defense, the Department of Veterans Affairs, the Office of Personnel Management, and other public or private entities.

(3) **GRANTS AND CONTRACTS.**—In addition to conducting assessments, the Director may make grants to, or enter into cooperative agreements or contracts with, entities described in paragraph (4) for the purpose of conducting assessments of experimental, emerging, existing, or potentially outmoded health care technologies, and for related activities.

(4) **ELIGIBLE ENTITIES.**—An entity described in this paragraph is an entity that is determined to be appropriate by the Director, including academic medical centers, research institutions and organizations, professional organizations, third party payers, governmental agencies, minority institutions of higher education (such as Historically Black Colleges and Universities, and Hispanic institutions), and consortia of appropriate research entities established for the purpose of conducting technology assessments.

(d) **MEDICAL EXAMINATION OF CERTAIN VICTIMS.**—

(1) **IN GENERAL.**—The Director shall develop and disseminate a report on evidence-based clinical practices for—

- (A) the examination and treatment by health professionals of individuals who are victims of sexual assault (including child molestation) or attempted sexual assault; and
- (B) the training of health professionals, in consultation with the Health Resources and Services Administration, on performing medical evidentiary examinations of individuals who are victims of child abuse or neglect, sexual assault, elder abuse, or domestic violence.

(2) **CERTAIN CONSIDERATIONS.**—In identifying the issues to be addressed by the report, the Director shall, to the extent practicable, take into consideration the expertise and experience of Federal and State law enforcement officials regarding

the victims referred to in paragraph (1), and of other appropriate public and private entities (including medical societies, victim services organizations, sexual assault prevention organizations, and social services organizations).

SEC. 917. [299b-6] COORDINATION OF FEDERAL GOVERNMENT QUALITY IMPROVEMENT EFFORTS.

(a) REQUIREMENT.—

(1) **IN GENERAL.**—To avoid duplication and ensure that Federal resources are used efficiently and effectively, the Secretary, acting through the Director, shall coordinate all research, evaluations, and demonstrations related to health services research, quality measurement and quality improvement activities undertaken and supported by the Federal Government.

(2) **SPECIFIC ACTIVITIES.**—The Director, in collaboration with the appropriate Federal officials representing all concerned executive agencies and departments, shall develop and manage a process to—

(A) improve interagency coordination, priority setting, and the use and sharing of research findings and data pertaining to Federal quality improvement programs, technology assessment, and health services research;

(B) strengthen the research information infrastructure, including databases, pertaining to Federal health services research and health care quality improvement initiatives;

(C) set specific goals for participating agencies and departments to further health services research and health care quality improvement; and

(D) strengthen the management of Federal health care quality improvement programs.

(b) STUDY BY THE INSTITUTE OF MEDICINE.—

(1) **IN GENERAL.**—To provide Congress, the Department of Health and Human Services, and other relevant departments with an independent, external review of their quality oversight, quality improvement and quality research programs, the Secretary shall enter into a contract with the Institute of Medicine—

(A) to describe and evaluate current quality improvement, quality research and quality monitoring processes through—

(i) an overview of pertinent health services research activities and quality improvement efforts conducted by all Federal programs, with particular attention paid to those under titles XVIII, XIX, and XXI of the Social Security Act; and

(ii) a summary of the partnerships that the Department of Health and Human Services has pursued with private accreditation, quality measurement and improvement organizations; and

(B) to identify options and make recommendations to improve the efficiency and effectiveness of quality improvement programs through—

(i) the improved coordination of activities across the medicare, medicaid and child health insurance programs under titles XVIII, XIX and XXI of the Social Security Act and health services research programs;

(ii) the strengthening of patient choice and participation by incorporating state-of-the-art quality monitoring tools and making information on quality available; and

(iii) the enhancement of the most effective programs, consolidation as appropriate, and elimination of duplicative activities within various Federal agencies.

(2) REQUIREMENTS.—

(A) IN GENERAL.—The Secretary shall enter into a contract with the Institute of Medicine for the preparation—

(i) not later than 12 months after the date of the enactment of this title, of a report providing an overview of the quality improvement programs of the Department of Health and Human Services for the medicare, medicaid, and CHIP programs under titles XVIII, XIX, and XXI of the Social Security Act; and

(ii) not later than 24 months after the date of the enactment of this title, of a final report containing recommendations.

(B) REPORTS.—The Secretary shall submit the reports described in subparagraph (A) to the Committee on Finance and the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Ways and Means and the Committee on Commerce of the House of Representatives.

PART C—PATIENT SAFETY IMPROVEMENT

SEC. 921. [299b–21] DEFINITIONS.

In this part:

(1) HIPAA CONFIDENTIALITY REGULATIONS.—The term “HIPAA confidentiality regulations” means regulations promulgated under section 264(c) of the Health Insurance Portability and Accountability Act of 1996 (Public Law 104–191; 110 Stat. 2033).

(2) IDENTIFIABLE PATIENT SAFETY WORK PRODUCT.—The term “identifiable patient safety work product” means patient safety work product that—

(A) is presented in a form and manner that allows the identification of any provider that is a subject of the work product, or any providers that participate in activities that are a subject of the work product;

(B) constitutes individually identifiable health information as that term is defined in the HIPAA confidentiality regulations; or

(C) is presented in a form and manner that allows the identification of an individual who reported information in the manner specified in section 922(e).

(3) NONIDENTIFIABLE PATIENT SAFETY WORK PRODUCT.—The term “nonidentifiable patient safety work product” means patient safety work product that is not identifiable patient safety work product (as defined in paragraph (2)).

(4) PATIENT SAFETY ORGANIZATION.—The term “patient safety organization” means a private or public entity or component thereof that is listed by the Secretary pursuant to section 924(d).

(5) PATIENT SAFETY ACTIVITIES.—The term “patient safety activities” means the following activities:

(A) Efforts to improve patient safety and the quality of health care delivery.

(B) The collection and analysis of patient safety work product.

(C) The development and dissemination of information with respect to improving patient safety, such as recommendations, protocols, or information regarding best practices.

(D) The utilization of patient safety work product for the purposes of encouraging a culture of safety and of providing feedback and assistance to effectively minimize patient risk.

(E) The maintenance of procedures to preserve confidentiality with respect to patient safety work product.

(F) The provision of appropriate security measures with respect to patient safety work product.

(G) The utilization of qualified staff.

(H) Activities related to the operation of a patient safety evaluation system and to the provision of feedback to participants in a patient safety evaluation system.

(6) PATIENT SAFETY EVALUATION SYSTEM.—The term “patient safety evaluation system” means the collection, management, or analysis of information for reporting to or by a patient safety organization.

(7) PATIENT SAFETY WORK PRODUCT.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the term “patient safety work product” means any data, reports, records, memoranda, analyses (such as root cause analyses), or written or oral statements—

(i) which—

(I) are assembled or developed by a provider for reporting to a patient safety organization and are reported to a patient safety organization; or

(II) are developed by a patient safety organization for the conduct of patient safety activities; and which could result in improved patient safety, health care quality, or health care outcomes; or

(ii) which identify or constitute the deliberations or analysis of, or identify the fact of reporting pursuant to, a patient safety evaluation system.

(B) CLARIFICATION.—

(i) Information described in subparagraph (A) does not include a patient’s medical record, billing and dis-

charge information, or any other original patient or provider record.

(ii) Information described in subparagraph (A) does not include information that is collected, maintained, or developed separately, or exists separately, from a patient safety evaluation system. Such separate information or a copy thereof reported to a patient safety organization shall not by reason of its reporting be considered patient safety work product.

(iii) Nothing in this part shall be construed to limit—

(I) the discovery of or admissibility of information described in this subparagraph in a criminal, civil, or administrative proceeding;

(II) the reporting of information described in this subparagraph to a Federal, State, or local governmental agency for public health surveillance, investigation, or other public health purposes or health oversight purposes; or

(III) a provider's recordkeeping obligation with respect to information described in this subparagraph under Federal, State, or local law.

(8) PROVIDER.—The term “provider” means—

(A) an individual or entity licensed or otherwise authorized under State law to provide health care services, including—

(i) a hospital, nursing facility, comprehensive outpatient rehabilitation facility, home health agency, hospice program, renal dialysis facility, ambulatory surgical center, pharmacy, physician or health care practitioner's office, long term care facility, behavior health residential treatment facility, clinical laboratory, or health center; or

(ii) a physician, physician assistant, nurse practitioner, clinical nurse specialist, certified registered nurse anesthetist, certified nurse midwife, psychologist, certified social worker, registered dietitian or nutrition professional, physical or occupational therapist, pharmacist, or other individual health care practitioner; or

(B) any other individual or entity specified in regulations promulgated by the Secretary.

SEC. 922. [299b–22] PRIVILEGE AND CONFIDENTIALITY PROTECTIONS.

(a) PRIVILEGE.—Notwithstanding any other provision of Federal, State, or local law, and subject to subsection (c), patient safety work product shall be privileged and shall not be—

(1) subject to a Federal, State, or local civil, criminal, or administrative subpoena or order, including in a Federal, State, or local civil or administrative disciplinary proceeding against a provider;

(2) subject to discovery in connection with a Federal, State, or local civil, criminal, or administrative proceeding, including

in a Federal, State, or local civil or administrative disciplinary proceeding against a provider;

(3) subject to disclosure pursuant to section 552 of title 5, United States Code (commonly known as the Freedom of Information Act) or any other similar Federal, State, or local law;

(4) admitted as evidence in any Federal, State, or local governmental civil proceeding, criminal proceeding, administrative rulemaking proceeding, or administrative adjudicatory proceeding, including any such proceeding against a provider; or

(5) admitted in a professional disciplinary proceeding of a professional disciplinary body established or specifically authorized under State law.

(b) CONFIDENTIALITY OF PATIENT SAFETY WORK PRODUCT.—Notwithstanding any other provision of Federal, State, or local law, and subject to subsection (c), patient safety work product shall be confidential and shall not be disclosed.

(c) EXCEPTIONS.—Except as provided in subsection (g)(3)—

(1) EXCEPTIONS FROM PRIVILEGE AND CONFIDENTIALITY.—Subsections (a) and (b) shall not apply to (and shall not be construed to prohibit) one or more of the following disclosures:

(A) Disclosure of relevant patient safety work product for use in a criminal proceeding, but only after a court makes an in camera determination that such patient safety work product contains evidence of a criminal act and that such patient safety work product is material to the proceeding and not reasonably available from any other source.

(B) Disclosure of patient safety work product to the extent required to carry out subsection (f)(4)(A).

(C) Disclosure of identifiable patient safety work product if authorized by each provider identified in such work product.

(2) EXCEPTIONS FROM CONFIDENTIALITY.—Subsection (b) shall not apply to (and shall not be construed to prohibit) one or more of the following disclosures:

(A) Disclosure of patient safety work product to carry out patient safety activities.

(B) Disclosure of nonidentifiable patient safety work product.

(C) Disclosure of patient safety work product to grantees, contractors, or other entities carrying out research, evaluation, or demonstration projects authorized, funded, certified, or otherwise sanctioned by rule or other means by the Secretary, for the purpose of conducting research to the extent that disclosure of protected health information would be allowed for such purpose under the HIPAA confidentiality regulations.

(D) Disclosure by a provider to the Food and Drug Administration with respect to a product or activity regulated by the Food and Drug Administration.

(E) Voluntary disclosure of patient safety work product by a provider to an accrediting body that accredits that provider.

(F) Disclosures that the Secretary may determine, by rule or other means, are necessary for business operations and are consistent with the goals of this part.

(G) Disclosure of patient safety work product to law enforcement authorities relating to the commission of a crime (or to an event reasonably believed to be a crime) if the person making the disclosure believes, reasonably under the circumstances, that the patient safety work product that is disclosed is necessary for criminal law enforcement purposes.

(H) With respect to a person other than a patient safety organization, the disclosure of patient safety work product that does not include materials that—

(i) assess the quality of care of an identifiable provider; or

(ii) describe or pertain to one or more actions or failures to act by an identifiable provider.

(3) EXCEPTION FROM PRIVILEGE.—Subsection (a) shall not apply to (and shall not be construed to prohibit) voluntary disclosure of nonidentifiable patient safety work product.

(d) CONTINUED PROTECTION OF INFORMATION AFTER DISCLOSURE.—

(1) IN GENERAL.—Patient safety work product that is disclosed under subsection (c) shall continue to be privileged and confidential as provided for in subsections (a) and (b), and such disclosure shall not be treated as a waiver of privilege or confidentiality, and the privileged and confidential nature of such work product shall also apply to such work product in the possession or control of a person to whom such work product was disclosed.

(2) EXCEPTION.—Notwithstanding paragraph (1), and subject to paragraph (3)—

(A) if patient safety work product is disclosed in a criminal proceeding, the confidentiality protections provided for in subsection (b) shall no longer apply to the work product so disclosed; and

(B) if patient safety work product is disclosed as provided for in subsection (c)(2)(B) (relating to disclosure of nonidentifiable patient safety work product), the privilege and confidentiality protections provided for in subsections (a) and (b) shall no longer apply to such work product.

(3) CONSTRUCTION.—Paragraph (2) shall not be construed as terminating or limiting the privilege or confidentiality protections provided for in subsection (a) or (b) with respect to patient safety work product other than the specific patient safety work product disclosed as provided for in subsection (c).

(4) LIMITATIONS ON ACTIONS.—

(A) PATIENT SAFETY ORGANIZATIONS.—

(i) IN GENERAL.—A patient safety organization shall not be compelled to disclose information collected or developed under this part whether or not such information is patient safety work product unless such information is identified, is not patient safety work

product, and is not reasonably available from another source.

(ii) NONAPPLICATION.—The limitation contained in clause (i) shall not apply in an action against a patient safety organization or with respect to disclosures pursuant to subsection (c)(1).

(B) PROVIDERS.—An accrediting body shall not take an accrediting action against a provider based on the good faith participation of the provider in the collection, development, reporting, or maintenance of patient safety work product in accordance with this part. An accrediting body may not require a provider to reveal its communications with any patient safety organization established in accordance with this part.

(e) REPORTER PROTECTION.—

(1) IN GENERAL.—A provider may not take an adverse employment action, as described in paragraph (2), against an individual based upon the fact that the individual in good faith reported information—

(A) to the provider with the intention of having the information reported to a patient safety organization; or

(B) directly to a patient safety organization.

(2) ADVERSE EMPLOYMENT ACTION.—For purposes of this subsection, an “adverse employment action” includes—

(A) loss of employment, the failure to promote an individual, or the failure to provide any other employment-related benefit for which the individual would otherwise be eligible; or

(B) an adverse evaluation or decision made in relation to accreditation, certification, credentialing, or licensing of the individual.

(f) ENFORCEMENT.—

(1) CIVIL MONETARY PENALTY.—Subject to paragraphs (2) and (3), a person who discloses identifiable patient safety work product in knowing or reckless violation of subsection (b) shall be subject to a civil monetary penalty of not more than \$10,000 for each act constituting such violation.

(2) PROCEDURE.—The provisions of section 1128A of the Social Security Act, other than subsections (a) and (b) and the first sentence of subsection (c)(1), shall apply to civil money penalties under this subsection in the same manner as such provisions apply to a penalty or proceeding under section 1128A of the Social Security Act.

(3) RELATION TO HIPAA.—Penalties shall not be imposed both under this subsection and under the regulations issued pursuant to section 264(c)(1) of the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. 1320d-2 note) for a single act or omission.

(4) EQUITABLE RELIEF.—

(A) IN GENERAL.—Without limiting remedies available to other parties, a civil action may be brought by any aggrieved individual to enjoin any act or practice that violates subsection (e) and to obtain other appropriate equitable relief (including reinstatement, back pay, and restoration of benefits) to redress such violation.

(B) AGAINST STATE EMPLOYEES.—An entity that is a State or an agency of a State government may not assert the privilege described in subsection (a) unless before the time of the assertion, the entity or, in the case of and with respect to an agency, the State has consented to be subject to an action described in subparagraph (A), and that consent has remained in effect.

(g) RULE OF CONSTRUCTION.—Nothing in this section shall be construed—

(1) to limit the application of other Federal, State, or local laws that provide greater privilege or confidentiality protections than the privilege and confidentiality protections provided for in this section;

(2) to limit, alter, or affect the requirements of Federal, State, or local law pertaining to information that is not privileged or confidential under this section;

(3) except as provided in subsection (i), to alter or affect the implementation of any provision of the HIPAA confidentiality regulations or section 1176 of the Social Security Act (or regulations promulgated under such section);

(4) to limit the authority of any provider, patient safety organization, or other entity to enter into a contract requiring greater confidentiality or delegating authority to make a disclosure or use in accordance with this section;

(5) as preempting or otherwise affecting any State law requiring a provider to report information that is not patient safety work product; or

(6) to limit, alter, or affect any requirement for reporting to the Food and Drug Administration information regarding the safety of a product or activity regulated by the Food and Drug Administration.

(h) CLARIFICATION.—Nothing in this part prohibits any person from conducting additional analysis for any purpose regardless of whether such additional analysis involves issues identical to or similar to those for which information was reported to or assessed by a patient safety organization or a patient safety evaluation system.

(i) CLARIFICATION OF APPLICATION OF HIPAA CONFIDENTIALITY REGULATIONS TO PATIENT SAFETY ORGANIZATIONS.—For purposes of applying the HIPAA confidentiality regulations—

(1) patient safety organizations shall be treated as business associates; and

(2) patient safety activities of such organizations in relation to a provider are deemed to be health care operations (as defined in such regulations) of the provider.

(j) REPORTS ON STRATEGIES TO IMPROVE PATIENT SAFETY.—

(1) DRAFT REPORT.—Not later than the date that is 18 months after any network of patient safety databases is operational, the Secretary, in consultation with the Director, shall prepare a draft report on effective strategies for reducing medical errors and increasing patient safety. The draft report shall include any measure determined appropriate by the Secretary to encourage the appropriate use of such strategies, including use in any federally funded programs. The Secretary shall

make the draft report available for public comment and submit the draft report to the Institute of Medicine for review.

(2) FINAL REPORT.—Not later than 1 year after the date described in paragraph (1), the Secretary shall submit a final report to the Congress.

SEC. 923. [299b–23] NETWORK OF PATIENT SAFETY DATABASES.

(a) IN GENERAL.—The Secretary shall facilitate the creation of, and maintain, a network of patient safety databases that provides an interactive evidence-based management resource for providers, patient safety organizations, and other entities. The network of databases shall have the capacity to accept, aggregate across the network, and analyze nonidentifiable patient safety work product voluntarily reported by patient safety organizations, providers, or other entities. The Secretary shall assess the feasibility of providing for a single point of access to the network for qualified researchers for information aggregated across the network and, if feasible, provide for implementation.

(b) DATA STANDARDS.—The Secretary may determine common formats for the reporting to and among the network of patient safety databases maintained under subsection (a) of nonidentifiable patient safety work product, including necessary work product elements, common and consistent definitions, and a standardized computer interface for the processing of such work product. To the extent practicable, such standards shall be consistent with the administrative simplification provisions of part C of title XI of the Social Security Act.

(c) USE OF INFORMATION.—Information reported to and among the network of patient safety databases under subsection (a) shall be used to analyze national and regional statistics, including trends and patterns of health care errors. The information resulting from such analyses shall be made available to the public and included in the annual quality reports prepared under section 913(b)(2).

SEC. 924. [299b–24] PATIENT SAFETY ORGANIZATION CERTIFICATION AND LISTING.

(a) CERTIFICATION.—

(1) INITIAL CERTIFICATION.—An entity that seeks to be a patient safety organization shall submit an initial certification to the Secretary that the entity—

(A) has policies and procedures in place to perform each of the patient safety activities described in section 921(5); and

(B) upon being listed under subsection (d), will comply with the criteria described in subsection (b).

(2) SUBSEQUENT CERTIFICATIONS.—An entity that is a patient safety organization shall submit every 3 years after the date of its initial listing under subsection (d) a subsequent certification to the Secretary that the entity—

(A) is performing each of the patient safety activities described in section 921(5); and

(B) is complying with the criteria described in subsection (b).

(b) CRITERIA.—

(1) IN GENERAL.—The following are criteria for the initial and subsequent certification of an entity as a patient safety organization:

(A) The mission and primary activity of the entity are to conduct activities that are to improve patient safety and the quality of health care delivery.

(B) The entity has appropriately qualified staff (whether directly or through contract), including licensed or certified medical professionals.

(C) The entity, within each 24-month period that begins after the date of the initial listing under subsection (d), has bona fide contracts, each of a reasonable period of time, with more than 1 provider for the purpose of receiving and reviewing patient safety work product.

(D) The entity is not, and is not a component of, a health insurance issuer (as defined in section 2791(b)(2)).

(E) The entity shall fully disclose—

(i) any financial, reporting, or contractual relationship between the entity and any provider that contracts with the entity; and

(ii) if applicable, the fact that the entity is not managed, controlled, and operated independently from any provider that contracts with the entity.

(F) To the extent practical and appropriate, the entity collects patient safety work product from providers in a standardized manner that permits valid comparisons of similar cases among similar providers.

(G) The utilization of patient safety work product for the purpose of providing direct feedback and assistance to providers to effectively minimize patient risk.

(2) ADDITIONAL CRITERIA FOR COMPONENT ORGANIZATIONS.—If an entity that seeks to be a patient safety organization is a component of another organization, the following are additional criteria for the initial and subsequent certification of the entity as a patient safety organization:

(A) The entity maintains patient safety work product separately from the rest of the organization, and establishes appropriate security measures to maintain the confidentiality of the patient safety work product.

(B) The entity does not make an unauthorized disclosure under this part of patient safety work product to the rest of the organization in breach of confidentiality.

(C) The mission of the entity does not create a conflict of interest with the rest of the organization.

(c) REVIEW OF CERTIFICATION.—

(1) IN GENERAL.—

(A) INITIAL CERTIFICATION.—Upon the submission by an entity of an initial certification under subsection (a)(1), the Secretary shall determine if the certification meets the requirements of subparagraphs (A) and (B) of such subsection.

(B) SUBSEQUENT CERTIFICATION.—Upon the submission by an entity of a subsequent certification under subsection (a)(2), the Secretary shall review the certification

with respect to requirements of subparagraphs (A) and (B) of such subsection.

(2) NOTICE OF ACCEPTANCE OR NON-ACCEPTANCE.—If the Secretary determines that—

(A) an entity's initial certification meets requirements referred to in paragraph (1)(A), the Secretary shall notify the entity of the acceptance of such certification; or

(B) an entity's initial certification does not meet such requirements, the Secretary shall notify the entity that such certification is not accepted and the reasons therefor.

(3) DISCLOSURES REGARDING RELATIONSHIP TO PROVIDERS.—The Secretary shall consider any disclosures under subsection (b)(1)(E) by an entity and shall make public findings on whether the entity can fairly and accurately perform the patient safety activities of a patient safety organization. The Secretary shall take those findings into consideration in determining whether to accept the entity's initial certification and any subsequent certification submitted under subsection (a) and, based on those findings, may deny, condition, or revoke acceptance of the entity's certification.

(d) LISTING.—The Secretary shall compile and maintain a listing of entities with respect to which there is an acceptance of a certification pursuant to subsection (c)(2)(A) that has not been revoked under subsection (e) or voluntarily relinquished.

(e) REVOCATION OF ACCEPTANCE OF CERTIFICATION.—

(1) IN GENERAL.—If, after notice of deficiency, an opportunity for a hearing, and a reasonable opportunity for correction, the Secretary determines that a patient safety organization does not meet the certification requirements under subsection (a)(2), including subparagraphs (A) and (B) of such subsection, the Secretary shall revoke the Secretary's acceptance of the certification of such organization.

(2) SUPPLYING CONFIRMATION OF NOTIFICATION TO PROVIDERS.—Within 15 days of a revocation under paragraph (1), a patient safety organization shall submit to the Secretary a confirmation that the organization has taken all reasonable actions to notify each provider whose patient safety work product is collected or analyzed by the organization of such revocation.

(3) PUBLICATION OF DECISION.—If the Secretary revokes the certification of an organization under paragraph (1), the Secretary shall—

(A) remove the organization from the listing maintained under subsection (d); and

(B) publish notice of the revocation in the Federal Register.

(f) STATUS OF DATA AFTER REMOVAL FROM LISTING.—

(1) NEW DATA.—With respect to the privilege and confidentiality protections described in section 922, data submitted to an entity within 30 days after the entity is removed from the listing under subsection (e)(3)(A) shall have the same status as data submitted while the entity was still listed.

(2) PROTECTION TO CONTINUE TO APPLY.—If the privilege and confidentiality protections described in section 922 applied to patient safety work product while an entity was listed, or to

data described in paragraph (1), such protections shall continue to apply to such work product or data after the entity is removed from the listing under subsection (e)(3)(A).

(g) DISPOSITION OF WORK PRODUCT AND DATA.—If the Secretary removes a patient safety organization from the listing as provided for in subsection (e)(3)(A), with respect to the patient safety work product or data described in subsection (f)(1) that the patient safety organization received from another entity, such former patient safety organization shall—

(1) with the approval of the other entity and a patient safety organization, transfer such work product or data to such patient safety organization;

(2) return such work product or data to the entity that submitted the work product or data; or

(3) if returning such work product or data to such entity is not practicable, destroy such work product or data.

SEC. 925. [299b-24a] ACTIVITIES REGARDING WOMEN'S HEALTH.

(a) ESTABLISHMENT.—There is established within the Office of the Director, an Office of Women's Health and Gender-Based Research (referred to in this section as the "Office"). The Office shall be headed by a director who shall be appointed by the Director of Healthcare and Research Quality.

(b) PURPOSE.—The official designated under subsection (a) shall—

(1) report to the Director on the current Agency level of activity regarding women's health, across, where appropriate, age, biological, and sociocultural contexts, in all aspects of Agency work, including the development of evidence reports and clinical practice protocols and the conduct of research into patient outcomes, delivery of health care services, quality of care, and access to health care;

(2) establish short-range and long-range goals and objectives within the Agency for research important to women's health and, as relevant and appropriate, coordinate with other appropriate offices on activities within the Agency that relate to health services and medical effectiveness research, for issues of particular concern to women;

(3) identify projects in women's health that should be conducted or supported by the Agency;

(4) consult with health professionals, nongovernmental organizations, consumer organizations, women's health professionals, and other individuals and groups, as appropriate, on Agency policy with regard to women; and

(5) serve as a member of the Department of Health and Human Services Coordinating Committee on Women's Health (established under section 229(b)(4)).

(c) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2010 through 2014.

SEC. 926. [299b-25] TECHNICAL ASSISTANCE.

The Secretary, acting through the Director, may provide technical assistance to patient safety organizations, including con-

vening annual meetings for patient safety organizations to discuss methodology, communication, data collection, or privacy concerns.

SEC. 927. [299b-26] SEVERABILITY.

If any provision of this part is held to be unconstitutional, the remainder of this part shall not be affected.

PART D—HEALTH CARE QUALITY IMPROVEMENT

Subpart I—Quality Measure Development

SEC. 931. [299b-31] QUALITY MEASURE DEVELOPMENT.

(a) **QUALITY MEASURE.**—In this subpart, the term “quality measure” means a standard for measuring the performance and improvement of population health or of health plans, providers of services, and other clinicians in the delivery of health care services.

(b) **IDENTIFICATION OF QUALITY MEASURES.**—

(1) **IDENTIFICATION.**—The Secretary, in consultation with the Director of the Agency for Healthcare Research and Quality and the Administrator of the Centers for Medicare & Medicaid Services, shall identify, not less often than triennially, gaps where no quality measures exist and existing quality measures that need improvement, updating, or expansion, consistent with the national strategy under section 399HH, to the extent available, for use in Federal health programs. In identifying such gaps and existing quality measures that need improvement, the Secretary shall take into consideration—

(A) the gaps identified by the entity with a contract under section 1890(a) of the Social Security Act and other stakeholders;

(B) quality measures identified by the pediatric quality measures program under section 1139A of the Social Security Act; and

(C) quality measures identified through the Medicaid Quality Measurement Program under section 1139B of the Social Security Act.

(2) **PUBLICATION.**—The Secretary shall make available to the public on an Internet website a report on any gaps identified under paragraph (1) and the process used to make such identification.

(c) **GRANTS OR CONTRACTS FOR QUALITY MEASURE DEVELOPMENT.**—

(1) **IN GENERAL.**—The Secretary shall award grants, contracts, or intergovernmental agreements to eligible entities for purposes of developing, improving, updating, or expanding quality measures identified under subsection (b).

(2) **PRIORITIZATION IN THE DEVELOPMENT OF QUALITY MEASURES.**—In awarding grants, contracts, or agreements under this subsection, the Secretary shall give priority to the development of quality measures that allow the assessment of—

(A) health outcomes and functional status of patients;

(B) the management and coordination of health care across episodes of care and care transitions for patients

across the continuum of providers, health care settings, and health plans;

(C) the experience, quality, and use of information provided to and used by patients, caregivers, and authorized representatives to inform decisionmaking about treatment options, including the use of shared decisionmaking tools and preference sensitive care (as defined in section 936);

(D) the meaningful use of health information technology;

(E) the safety, effectiveness, patient-centeredness, appropriateness, and timeliness of care;

(F) the efficiency of care;

(G) the equity of health services and health disparities across health disparity populations (as defined in section 485E) and geographic areas;

(H) patient experience and satisfaction;

(I) the use of innovative strategies and methodologies identified under section 933; and

(J) other areas determined appropriate by the Secretary.

(3) ELIGIBLE ENTITIES.—To be eligible for a grant or contract under this subsection, an entity shall—

(A) have demonstrated expertise and capacity in the development and evaluation of quality measures;

(B) have adopted procedures to include in the quality measure development process—

(i) the views of those providers or payers whose performance will be assessed by the measure; and

(ii) the views of other parties who also will use the quality measures (such as patients, consumers, and health care purchasers);

(C) collaborate with the entity with a contract under section 1890(a) of the Social Security Act and other stakeholders, as practicable, and the Secretary so that quality measures developed by the eligible entity will meet the requirements to be considered for endorsement by the entity with a contract under such section 1890(a);

(D) have transparent policies regarding governance and conflicts of interest; and

(E) submit an application to the Secretary at such time and in such manner, as the Secretary may require.

(4) USE OF FUNDS.—An entity that receives a grant, contract, or agreement under this subsection shall use such award to develop quality measures that meet the following requirements:

(A) Such measures support measures required to be reported under the Social Security Act, where applicable, and in support of gaps and existing quality measures that need improvement, as described in subsection (b)(1)(A).

(B) Such measures support measures developed under section 1139A of the Social Security Act and the Medicaid Quality Measurement Program under section 1139B of such Act, where applicable.

(C) To the extent practicable, data on such quality measures is able to be collected using health information technologies.

(D) Each quality measure is free of charge to users of such measure.

(E) Each quality measure is publicly available on an Internet website.

(d) OTHER ACTIVITIES BY THE SECRETARY.—The Secretary may use amounts available under this section to update and test, where applicable, quality measures endorsed by the entity with a contract under section 1890(a) of the Social Security Act or adopted by the Secretary.

(e) COORDINATION OF GRANTS.—The Secretary shall ensure that grants or contracts awarded under this section are coordinated with grants and contracts awarded under sections 1139A(5) and 1139B(4)(A) of the Social Security Act.

(f) DEVELOPMENT OF OUTCOME MEASURES.—

(1) IN GENERAL.—The Secretary shall develop, and periodically update (not less than every 3 years), provider-level outcome measures for hospitals and physicians, as well as other providers as determined appropriate by the Secretary.

(2) CATEGORIES OF MEASURES.—The measures developed under this subsection shall include, to the extent determined appropriate by the Secretary—

(A) outcome measurement for acute and chronic diseases, including, to the extent feasible, the 5 most prevalent and resource-intensive acute and chronic medical conditions; and

(B) outcome measurement for primary and preventative care, including, to the extent feasible, measurements that cover provision of such care for distinct patient populations (such as healthy children, chronically ill adults, or infirm elderly individuals).

(3) GOALS.—In developing such measures, the Secretary shall seek to—

(A) address issues regarding risk adjustment, accountability, and sample size;

(B) include the full scope of services that comprise a cycle of care; and

(C) include multiple dimensions.

(4) TIMEFRAME.—

(A) ACUTE AND CHRONIC DISEASES.—Not later than 24 months after the date of enactment of this Act, the Secretary shall develop not less than 10 measures described in paragraph (2)(A).

(B) PRIMARY AND PREVENTIVE CARE.—Not later than 36 months after the date of enactment of this Act, the Secretary shall develop not less than 10 measures described in paragraph (2)(B).

Subpart II—Health Care Quality Improvement Programs

SEC. 933. [299b–33] HEALTH CARE DELIVERY SYSTEM RESEARCH.

(a) PURPOSE.—The purposes of this section are to—

(1) enable the Director to identify, develop, evaluate, disseminate, and provide training in innovative methodologies and strategies for quality improvement practices in the delivery of health care services that represent best practices (referred to as “best practices”) in health care quality, safety, and value; and

(2) ensure that the Director is accountable for implementing a model to pursue such research in a collaborative manner with other related Federal agencies.

(b) GENERAL FUNCTIONS OF THE CENTER.—The Center for Quality Improvement and Patient Safety of the Agency for Healthcare Research and Quality (referred to in this section as the “Center”), or any other relevant agency or department designated by the Director, shall—

(1) carry out its functions using research from a variety of disciplines, which may include epidemiology, health services, sociology, psychology, human factors engineering, biostatistics, health economics, clinical research, and health informatics;

(2) conduct or support activities consistent with the purposes described in subsection (a), and for—

(A) best practices for quality improvement practices in the delivery of health care services; and

(B) that include changes in processes of care and the redesign of systems used by providers that will reliably result in intended health outcomes, improve patient safety, and reduce medical errors (such as skill development for health care providers in team-based health care delivery and rapid cycle process improvement) and facilitate adoption of improved workflow;

(3) identify health care providers, including health care systems, single institutions, and individual providers, that—

(A) deliver consistently high-quality, efficient health care services (as determined by the Secretary); and

(B) employ best practices that are adaptable and scalable to diverse health care settings or effective in improving care across diverse settings;

(4) assess research, evidence, and knowledge about what strategies and methodologies are most effective in improving health care delivery;

(5) find ways to translate such information rapidly and effectively into practice, and document the sustainability of those improvements;

(6) create strategies for quality improvement through the development of tools, methodologies, and interventions that can successfully reduce variations in the delivery of health care;

(7) identify, measure, and improve organizational, human, or other causative factors, including those related to the cul-

ture and system design of a health care organization, that contribute to the success and sustainability of specific quality improvement and patient safety strategies;

(8) provide for the development of best practices in the delivery of health care services that—

(A) have a high likelihood of success, based on structured review of empirical evidence;

(B) are specified with sufficient detail of the individual processes, steps, training, skills, and knowledge required for implementation and incorporation into workflow of health care practitioners in a variety of settings;

(C) are designed to be readily adapted by health care providers in a variety of settings; and

(D) where applicable, assist health care providers in working with other health care providers across the continuum of care and in engaging patients and their families in improving the care and patient health outcomes;

(9) provide for the funding of the activities of organizations with recognized expertise and excellence in improving the delivery of health care services, including children's health care, by involving multiple disciplines, managers of health care entities, broad development and training, patients, caregivers and families, and frontline health care workers, including activities for the examination of strategies to share best quality improvement practices and to promote excellence in the delivery of health care services; and

(10) build capacity at the State and community level to lead quality and safety efforts through education, training, and mentoring programs to carry out the activities under paragraphs (1) through (9).

(c) RESEARCH FUNCTIONS OF CENTER.—

(1) IN GENERAL.—The Center shall support, such as through a contract or other mechanism, research on health care delivery system improvement and the development of tools to facilitate adoption of best practices that improve the quality, safety, and efficiency of health care delivery services. Such support may include establishing a Quality Improvement Network Research Program for the purpose of testing, scaling, and disseminating of interventions to improve quality and efficiency in health care. Recipients of funding under the Program may include national, State, multi-State, or multi-site quality improvement networks.

(2) RESEARCH REQUIREMENTS.—The research conducted pursuant to paragraph (1) shall—

(A) address the priorities identified by the Secretary in the national strategic plan established under section 399HH;

(B) identify areas in which evidence is insufficient to identify strategies and methodologies, taking into consideration areas of insufficient evidence identified by the entity with a contract under section 1890(a) of the Social Security Act in the report required under section 399JJ;

(C) address concerns identified by health care institutions and providers and communicated through the Center pursuant to subsection (d);

(D) reduce preventable morbidity, mortality, and associated costs of morbidity and mortality by building capacity for patient safety research;

(E) support the discovery of processes for the reliable, safe, efficient, and responsive delivery of health care, taking into account discoveries from clinical research and comparative effectiveness research;

(F) allow communication of research findings and translate evidence into practice recommendations that are adaptable to a variety of settings, and which, as soon as practicable after the establishment of the Center, shall include—

(i) the implementation of a national application of Intensive Care Unit improvement projects relating to the adult (including geriatric), pediatric, and neonatal patient populations;

(ii) practical methods for addressing health care associated infections, including Methicillin-Resistant *Staphylococcus Aureus* and Vancomycin-Resistant *Enterococcus* infections and other emerging infections; and

(iii) practical methods for reducing preventable hospital admissions and readmissions;

(G) expand demonstration projects for improving the quality of children's health care and the use of health information technology, such as through Pediatric Quality Improvement Collaboratives and Learning Networks, consistent with provisions of section 1139A of the Social Security Act for assessing and improving quality, where applicable;

(H) identify and mitigate hazards by—

(i) analyzing events reported to patient safety reporting systems and patient safety organizations; and

(ii) using the results of such analyses to develop scientific methods of response to such events;

(I) include the conduct of systematic reviews of existing practices that improve the quality, safety, and efficiency of health care delivery, as well as new research on improving such practices; and

(J) include the examination of how to measure and evaluate the progress of quality and patient safety activities.

(d) DISSEMINATION OF RESEARCH FINDINGS.—

(1) PUBLIC AVAILABILITY.—The Director shall make the research findings of the Center available to the public through multiple media and appropriate formats to reflect the varying needs of health care providers and consumers and diverse levels of health literacy.

(2) LINKAGE TO HEALTH INFORMATION TECHNOLOGY.—The Secretary shall ensure that research findings and results generated by the Center are shared with the Office of the National

Coordinator of Health Information Technology and used to inform the activities of the health information technology extension program under section 3012, as well as any relevant standards, certification criteria, or implementation specifications.

(e) **PRIORITIZATION.**—The Director shall identify and regularly update a list of processes or systems on which to focus research and dissemination activities of the Center, taking into account—

- (1) the cost to Federal health programs;
- (2) consumer assessment of health care experience;
- (3) provider assessment of such processes or systems and opportunities to minimize distress and injury to the health care workforce;
- (4) the potential impact of such processes or systems on health status and function of patients, including vulnerable populations including children;
- (5) the areas of insufficient evidence identified under subsection (c)(2)(B); and
- (6) the evolution of meaningful use of health information technology, as defined in section 3000.

(f) **COORDINATION.**—The Center shall coordinate its activities with activities conducted by the Center for Medicare and Medicaid Innovation established under section 1115A of the Social Security Act.

(g) **FUNDING.**—There is authorized to be appropriated to carry out this section \$20,000,000 for fiscal years 2010 through 2014.

SEC. 934. [299b–34] QUALITY IMPROVEMENT TECHNICAL ASSISTANCE AND IMPLEMENTATION.

(a) **IN GENERAL.**—The Director, through the Center for Quality Improvement and Patient Safety of the Agency for Healthcare Research and Quality (referred to in this section as the “Center”), shall award—

(1) technical assistance grants or contracts to eligible entities to provide technical support to institutions that deliver health care and health care providers (including rural and urban providers of services and suppliers with limited infrastructure and financial resources to implement and support quality improvement activities, providers of services and suppliers with poor performance scores, and providers of services and suppliers for which there are disparities in care among subgroups of patients) so that such institutions and providers understand, adapt, and implement the models and practices identified in the research conducted by the Center, including the Quality Improvement Networks Research Program; and

(2) implementation grants or contracts to eligible entities to implement the models and practices described under paragraph (1).

(b) **ELIGIBLE ENTITIES.**—

(1) **TECHNICAL ASSISTANCE AWARD.**—To be eligible to receive a technical assistance grant or contract under subsection (a)(1), an entity—

(A) may be a health care provider, health care provider association, professional society, health care worker organization, Indian health organization, quality improve-

ment organization, patient safety organization, local quality improvement collaborative, the Joint Commission, academic health center, university, physician-based research network, primary care extension program established under section 399V-1, a Federal Indian Health Service program or a health program operated by an Indian tribe (as defined in section 4 of the Indian Health Care Improvement Act), or any other entity identified by the Secretary; and

(B) shall have demonstrated expertise in providing information and technical support and assistance to health care providers regarding quality improvement.

(2) IMPLEMENTATION AWARD.—To be eligible to receive an implementation grant or contract under subsection (a)(2), an entity—

(A) may be a hospital or other health care provider or consortium or providers, as determined by the Secretary; and

(B) shall have demonstrated expertise in providing information and technical support and assistance to health care providers regarding quality improvement.

(c) APPLICATION.—

(1) TECHNICAL ASSISTANCE AWARD.—To receive a technical assistance grant or contract under subsection (a)(1), an eligible entity shall submit an application to the Secretary at such time, in such manner, and containing—

(A) a plan for a sustainable business model that may include a system of—

(i) charging fees to institutions and providers that receive technical support from the entity; and

(ii) reducing or eliminating such fees for such institutions and providers that serve low-income populations; and

(B) such other information as the Director may require.

(2) IMPLEMENTATION AWARD.—To receive a grant or contract under subsection (a)(2), an eligible entity shall submit an application to the Secretary at such time, in such manner, and containing—

(A) a plan for implementation of a model or practice identified in the research conducted by the Center including—

(i) financial cost, staffing requirements, and timeline for implementation; and

(ii) pre- and projected post-implementation quality measure performance data in targeted improvement areas identified by the Secretary; and

(B) such other information as the Director may require.

(d) MATCHING FUNDS.—The Director may not award a grant or contract under this section to an entity unless the entity agrees that it will make available (directly or through contributions from other public or private entities) non-Federal contributions toward the activities to be carried out under the grant or contract in an

amount equal to \$1 for each \$5 of Federal funds provided under the grant or contract. Such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

(e) EVALUATION.—

(1) IN GENERAL.—The Director shall evaluate the performance of each entity that receives a grant or contract under this section. The evaluation of an entity shall include a study of—

(A) the success of such entity in achieving the implementation, by the health care institutions and providers assisted by such entity, of the models and practices identified in the research conducted by the Center under section 933;

(B) the perception of the health care institutions and providers assisted by such entity regarding the value of the entity; and

(C) where practicable, better patient health outcomes and lower cost resulting from the assistance provided by such entity.

(2) EFFECT OF EVALUATION.—Based on the outcome of the evaluation of the entity under paragraph (1), the Director shall determine whether to renew a grant or contract with such entity under this section.

(f) COORDINATION.—The entities that receive a grant or contract under this section shall coordinate with health information technology regional extension centers under section 3012(c) and the primary care extension program established under section 399V–1 regarding the dissemination of quality improvement, system delivery reform, and best practices information.

SEC. 935. [299b–35] GRANTS OR CONTRACTS TO IMPLEMENT MEDICATION MANAGEMENT SERVICES IN TREATMENT OF CHRONIC DISEASES.

(a) IN GENERAL.—The Secretary, acting through the Patient Safety Research Center established in section 933 (referred to in this section as the “Center”), shall establish a program to provide grants or contracts to eligible entities to implement medication management (referred to in this section as “MTM”) services provided by licensed pharmacists, as a collaborative, multidisciplinary, inter-professional approach to the treatment of chronic diseases for targeted individuals, to improve the quality of care and reduce overall cost in the treatment of such diseases. The Secretary shall commence the program under this section not later than May 1, 2010.

(b) ELIGIBLE ENTITIES.—To be eligible to receive a grant or contract under subsection (a), an entity shall—

(1) provide a setting appropriate for MTM services, as recommended by the experts described in subsection (e);

(2) submit to the Secretary a plan for achieving long-term financial sustainability;

(3) where applicable, submit a plan for coordinating MTM services through local community health teams established in section 3502 of the Patient Protection and Affordable Care Act

or in collaboration with primary care extension programs established in section 399V-1;

(4) submit a plan for meeting the requirements under subsection (c); and

(5) submit to the Secretary such other information as the Secretary may require.

(c) **MTM SERVICES TO TARGETED INDIVIDUALS.**—The MTM services provided with the assistance of a grant or contract awarded under subsection (a) shall, as allowed by State law including applicable collaborative pharmacy practice agreements, include—

(1) performing or obtaining necessary assessments of the health and functional status of each patient receiving such MTM services;

(2) formulating a medication treatment plan according to therapeutic goals agreed upon by the prescriber and the patient or caregiver or authorized representative of the patient;

(3) selecting, initiating, modifying, recommending changes to, or administering medication therapy;

(4) monitoring, which may include access to, ordering, or performing laboratory assessments, and evaluating the response of the patient to therapy, including safety and effectiveness;

(5) performing an initial comprehensive medication review to identify, resolve, and prevent medication-related problems, including adverse drug events, quarterly targeted medication reviews for ongoing monitoring, and additional followup interventions on a schedule developed collaboratively with the prescriber;

(6) documenting the care delivered and communicating essential information about such care, including a summary of the medication review, and the recommendations of the pharmacist to other appropriate health care providers of the patient in a timely fashion;

(7) providing education and training designed to enhance the understanding and appropriate use of the medications by the patient, caregiver, and other authorized representative;

(8) providing information, support services, and resources and strategies designed to enhance patient adherence with therapeutic regimens;

(9) coordinating and integrating MTM services within the broader health care management services provided to the patient; and

(10) such other patient care services allowed under pharmacist scopes of practice in use in other Federal programs that have implemented MTM services.

(d) **TARGETED INDIVIDUALS.**—MTM services provided by licensed pharmacists under a grant or contract awarded under subsection (a) shall be offered to targeted individuals who—

(1) take 4 or more prescribed medications (including over-the-counter medications and dietary supplements);

(2) take any “high risk” medications;

(3) have 2 or more chronic diseases, as identified by the Secretary; or

(4) have undergone a transition of care, or other factors, as determined by the Secretary, that are likely to create a high risk of medication-related problems.

(e) CONSULTATION WITH EXPERTS.—In designing and implementing MTM services provided under grants or contracts awarded under subsection (a), the Secretary shall consult with Federal, State, private, public-private, and academic entities, pharmacy and pharmacist organizations, health care organizations, consumer advocates, chronic disease groups, and other stakeholders involved with the research, dissemination, and implementation of pharmacist-delivered MTM services, as the Secretary determines appropriate. The Secretary, in collaboration with this group, shall determine whether it is possible to incorporate rapid cycle process improvement concepts in use in other Federal programs that have implemented MTM services.

(f) REPORTING TO THE SECRETARY.—An entity that receives a grant or contract under subsection (a) shall submit to the Secretary a report that describes and evaluates, as requested by the Secretary, the activities carried out under subsection (c), including quality measures endorsed by the entity with a contract under section 1890 of the Social Security Act, as determined by the Secretary.

(g) EVALUATION AND REPORT.—The Secretary shall submit to the relevant committees of Congress a report which shall—

(1) assess the clinical effectiveness of pharmacist-provided services under the MTM services program, as compared to usual care, including an evaluation of whether enrollees maintained better health with fewer hospitalizations and emergency room visits than similar patients not enrolled in the program;

(2) assess changes in overall health care resource use by targeted individuals;

(3) assess patient and prescriber satisfaction with MTM services;

(4) assess the impact of patient-cost sharing requirements on medication adherence and recommendations for modifications;

(5) identify and evaluate other factors that may impact clinical and economic outcomes, including demographic characteristics, clinical characteristics, and health services use of the patient, as well as characteristics of the regimen, pharmacy benefit, and MTM services provided; and

(6) evaluate the extent to which participating pharmacists who maintain a dispensing role have a conflict of interest in the provision of MTM services, and if such conflict is found, provide recommendations on how such a conflict might be appropriately addressed.

(h) GRANTS OR CONTRACTS TO FUND DEVELOPMENT OF PERFORMANCE MEASURES.—The Secretary may, through the quality measure development program under section 931 of the Public Health Service Act, award grants or contracts to eligible entities for the purpose of funding the development of performance measures that assess the use and effectiveness of medication therapy management services.

SEC. 936. [299b-36] PROGRAM TO FACILITATE SHARED DECISION-MAKING.

(a) **PURPOSE.**—The purpose of this section is to facilitate collaborative processes between patients, caregivers or authorized representatives, and clinicians that engages the patient, caregiver or authorized representative in decisionmaking, provides patients, caregivers or authorized representatives with information about trade-offs among treatment options, and facilitates the incorporation of patient preferences and values into the medical plan.

(b) **DEFINITIONS.**—In this section:

(1) **PATIENT DECISION AID.**—The term “patient decision aid” means an educational tool that helps patients, caregivers or authorized representatives understand and communicate their beliefs and preferences related to their treatment options, and to decide with their health care provider what treatments are best for them based on their treatment options, scientific evidence, circumstances, beliefs, and preferences.

(2) **PREFERENCE SENSITIVE CARE.**—The term “preference sensitive care” means medical care for which the clinical evidence does not clearly support one treatment option such that the appropriate course of treatment depends on the values of the patient or the preferences of the patient, caregivers or authorized representatives regarding the benefits, harms and scientific evidence for each treatment option, the use of such care should depend on the informed patient choice among clinically appropriate treatment options.

(c) **ESTABLISHMENT OF INDEPENDENT STANDARDS FOR PATIENT DECISION AIDS FOR PREFERENCE SENSITIVE CARE.**—

(1) **CONTRACT WITH ENTITY TO ESTABLISH STANDARDS AND CERTIFY PATIENT DECISION AIDS.**—

(A) **IN GENERAL.**—For purposes of supporting consensus-based standards for patient decision aids for preference sensitive care and a certification process for patient decision aids for use in the Federal health programs and by other interested parties, the Secretary shall have in effect a contract with the entity with a contract under section 1890 of the Social Security Act. Such contract shall provide that the entity perform the duties described in paragraph (2).

(B) **TIMING FOR FIRST CONTRACT.**—As soon as practicable after the date of the enactment of this section, the Secretary shall enter into the first contract under subparagraph (A).

(C) **PERIOD OF CONTRACT.**—A contract under subparagraph (A) shall be for a period of 18 months (except such contract may be renewed after a subsequent bidding process).

(2) **DUTIES.**—The following duties are described in this paragraph:

(A) **DEVELOP AND IDENTIFY STANDARDS FOR PATIENT DECISION AIDS.**—The entity shall synthesize evidence and convene a broad range of experts and key stakeholders to develop and identify consensus-based standards to evaluate patient decision aids for preference sensitive care.

(B) ENDORSE PATIENT DECISION AIDS.—The entity shall review patient decision aids and develop a certification process whether patient decision aids meet the standards developed and identified under subparagraph (A). The entity shall give priority to the review and certification of patient decision aids for preference sensitive care.

(d) PROGRAM TO DEVELOP, UPDATE AND PATIENT DECISION AIDS TO ASSIST HEALTH CARE PROVIDERS AND PATIENTS.—

(1) IN GENERAL.—The Secretary, acting through the Director, and in coordination with heads of other relevant agencies, such as the Director of the Centers for Disease Control and Prevention and the Director of the National Institutes of Health, shall establish a program to award grants or contracts—

(A) to develop, update, and produce patient decision aids for preference sensitive care to assist health care providers in educating patients, caregivers, and authorized representatives concerning the relative safety, relative effectiveness (including possible health outcomes and impact on functional status), and relative cost of treatment or, where appropriate, palliative care options;

(B) to test such materials to ensure such materials are balanced and evidence based in aiding health care providers and patients, caregivers, and authorized representatives to make informed decisions about patient care and can be easily incorporated into a broad array of practice settings; and

(C) to educate providers on the use of such materials, including through academic curricula.

(2) REQUIREMENTS FOR PATIENT DECISION AIDS.—Patient decision aids developed and produced pursuant to a grant or contract under paragraph (1)—

(A) shall be designed to engage patients, caregivers, and authorized representatives in informed decision-making with health care providers;

(B) shall present up-to-date clinical evidence about the risks and benefits of treatment options in a form and manner that is age-appropriate and can be adapted for patients, caregivers, and authorized representatives from a variety of cultural and educational backgrounds to reflect the varying needs of consumers and diverse levels of health literacy;

(C) shall, where appropriate, explain why there is a lack of evidence to support one treatment option over another; and

(D) shall address health care decisions across the age span, including those affecting vulnerable populations including children.

(3) DISTRIBUTION.—The Director shall ensure that patient decision aids produced with grants or contracts under this section are available to the public.

(4) NONDUPLICATION OF EFFORTS.—The Director shall ensure that the activities under this section of the Agency and other agencies, including the Centers for Disease Control and

Prevention and the National Institutes of Health, are free of unnecessary duplication of effort.

(e) GRANTS TO SUPPORT SHARED DECISIONMAKING IMPLEMENTATION.—

(1) IN GENERAL.—The Secretary shall establish a program to provide for the phased-in development, implementation, and evaluation of shared decisionmaking using patient decision aids to meet the objective of improving the understanding of patients of their medical treatment options.

(2) SHARED DECISIONMAKING RESOURCE CENTERS.—

(A) IN GENERAL.—The Secretary shall provide grants for the establishment and support of Shared Decisionmaking Resource Centers (referred to in this subsection as “Centers”) to provide technical assistance to providers and to develop and disseminate best practices and other information to support and accelerate adoption, implementation, and effective use of patient decision aids and shared decisionmaking by providers.

(B) OBJECTIVES.—The objective of a Center is to enhance and promote the adoption of patient decision aids and shared decisionmaking through—

(i) providing assistance to eligible providers with the implementation and effective use of, and training on, patient decision aids; and

(ii) the dissemination of best practices and research on the implementation and effective use of patient decision aids.

(3) SHARED DECISIONMAKING PARTICIPATION GRANTS.—

(A) IN GENERAL.—The Secretary shall provide grants to health care providers for the development and implementation of shared decisionmaking techniques and to assess the use of such techniques.

(B) PREFERENCE.—In order to facilitate the use of best practices, the Secretary shall provide a preference in making grants under this subsection to health care providers who participate in training by Shared Decisionmaking Resource Centers or comparable training.

(C) LIMITATION.—Funds under this paragraph shall not be used to purchase or implement use of patient decision aids other than those certified under the process identified in subsection (c).

(4) GUIDANCE.—The Secretary may issue guidance to eligible grantees under this subsection on the use of patient decision aids.

(f) FUNDING.—For purposes of carrying out this section there are authorized to be appropriated such sums as may be necessary for fiscal year 2010 and each subsequent fiscal year.

SEC. 937. [299b–37] DISSEMINATION AND BUILDING CAPACITY FOR RESEARCH.

(a) IN GENERAL.—

(1) DISSEMINATION.—The Office of Communication and Knowledge Transfer (referred to in this section as the “Office”) at the Agency for Healthcare Research and Quality (or any other relevant office designated by Agency for Healthcare Re-

search and Quality), in consultation with the National Institutes of Health, shall broadly disseminate the research findings that are published by the Patient Centered Outcomes Research Institute established under section 1181(b) of the Social Security Act (referred to in this section as the “Institute”) and other government-funded research relevant to comparative clinical effectiveness research. The Office shall create informational tools that organize and disseminate research findings for physicians, health care providers, patients, payers, and policy makers. The Office shall also develop a publicly available resource database that collects and contains government-funded evidence and research from public, private, not-for profit, and academic sources.

(2) REQUIREMENTS.—The Office shall provide for the dissemination of the Institute’s research findings and government-funded research relevant to comparative clinical effectiveness research to physicians, health care providers, patients, vendors of health information technology focused on clinical decision support, appropriate professional associations, and Federal and private health plans. Materials, forums, and media used to disseminate the findings, informational tools, and resource databases shall—

(A) include a description of considerations for specific subpopulations, the research methodology, and the limitations of the research, and the names of the entities, agencies, instrumentalities, and individuals who conducted any research which was published by the Institute; and

(B) not be construed as mandates, guidelines, or recommendations for payment, coverage, or treatment.

(b) INCORPORATION OF RESEARCH FINDINGS.—The Office, in consultation with relevant medical and clinical associations, shall assist users of health information technology focused on clinical decision support to promote the timely incorporation of research findings disseminated under subsection (a) into clinical practices and to promote the ease of use of such incorporation.

(c) FEEDBACK.—The Office shall establish a process to receive feedback from physicians, health care providers, patients, and vendors of health information technology focused on clinical decision support, appropriate professional associations, and Federal and private health plans about the value of the information disseminated and the assistance provided under this section.

(d) RULE OF CONSTRUCTION.—Nothing in this section shall preclude the Institute from making its research findings publicly available as required under section 1181(d)(8) of the Social Security Act.

(e) TRAINING OF RESEARCHERS.—The Agency for Health Care Research and Quality, in consultation with the National Institutes of Health, shall build capacity for comparative clinical effectiveness research by establishing a grant program that provides for the training of researchers in the methods used to conduct such research, including systematic reviews of existing research and primary research such as clinical trials. At a minimum, such training shall be in methods that meet the methodological standards adopted under section 1181(d)(9) of the Social Security Act.

(f) **BUILDING DATA FOR RESEARCH.**—The Secretary shall provide for the coordination of relevant Federal health programs to build data capacity for comparative clinical effectiveness research, including the development and use of clinical registries and health outcomes research data networks, in order to develop and maintain a comprehensive, interoperable data network to collect, link, and analyze data on outcomes and effectiveness from multiple sources, including electronic health records.

(g) **AUTHORITY TO CONTRACT WITH THE INSTITUTE.**—Agencies and instrumentalities of the Federal Government may enter into agreements with the Institute, and accept and retain funds, for the conduct and support of research described in this part, provided that the research to be conducted or supported under such agreements is authorized under the governing statutes of such agencies and instrumentalities.

PART E—GENERAL PROVISIONS

SEC. 941. [299c] ADVISORY COUNCIL FOR HEALTHCARE RESEARCH AND QUALITY.

(a) **ESTABLISHMENT.**—There is established an advisory council to be known as the National Advisory Council for Healthcare Research and Quality.

(b) **DUTIES.**—

(1) **IN GENERAL.**—The Advisory Council shall advise the Secretary and the Director with respect to activities proposed or undertaken to carry out the mission of the Agency under section 901(b).

(2) **CERTAIN RECOMMENDATIONS.**—Activities of the Advisory Council under paragraph (1) shall include making recommendations to the Director regarding—

(A) priorities regarding health care research, especially studies related to quality, outcomes, cost and the utilization of, and access to, health care services;

(B) the field of health care research and related disciplines, especially issues related to training needs, and dissemination of information pertaining to health care quality; and

(C) the appropriate role of the Agency in each of these areas in light of private sector activity and identification of opportunities for public-private sector partnerships.

(c) **MEMBERSHIP.**—

(1) **IN GENERAL.**—The Advisory Council shall, in accordance with this subsection, be composed of appointed members and ex officio members. All members of the Advisory Council shall be voting members other than the individuals designated under paragraph (3)(B) as ex officio members.

(2) **APPOINTED MEMBERS.**—The Secretary shall appoint to the Advisory Council 21 appropriately qualified individuals. At least 17 members of the Advisory Council shall be representatives of the public who are not officers or employees of the United States and at least 1 member who shall be a specialist in the rural aspects of 1 or more of the professions or fields described in subparagraphs (A) through (G). The Secretary shall

ensure that the appointed members of the Council, as a group, are representative of professions and entities concerned with, or affected by, activities under this title and under section 1142 of the Social Security Act. Of such members—

(A) three shall be individuals distinguished in the conduct of research, demonstration projects, and evaluations with respect to health care;

(B) three shall be individuals distinguished in the fields of health care quality research or health care improvement;

(C) three shall be individuals distinguished in the practice of medicine of which at least one shall be a primary care practitioner;

(D) three shall be individuals distinguished in the other health professions;

(E) three shall be individuals either representing the private health care sector, including health plans, providers, and purchasers or individuals distinguished as administrators of health care delivery systems;

(F) three shall be individuals distinguished in the fields of health care economics, information systems, law, ethics, business, or public policy; and

(G) three shall be individuals representing the interests of patients and consumers of health care.

(3) EX OFFICIO MEMBERS.—The Secretary shall designate as ex officio members of the Advisory Council—

(A) the Assistant Secretary for Health, the Director of the National Institutes of Health, the Director of the Centers for Disease Control and Prevention, the Administrator of the Centers for Medicare & Medicaid Services, the Commissioner of the Food and Drug Administration, the Director of the Office of Personnel Management, the Assistant Secretary of Defense (Health Affairs), and the Under Secretary for Health of the Department of Veterans Affairs; and

(B) such other Federal officials as the Secretary may consider appropriate.

(d) TERMS.—

(1) IN GENERAL.—Members of the Advisory Council appointed under subsection (c)(2) shall serve for a term of 3 years.

(2) STAGGERED TERMS.—To ensure the staggered rotation of one-third of the members of the Advisory Council each year, the Secretary is authorized to appoint the initial members of the Advisory Council for terms of 1, 2, or 3 years.

(3) SERVICE BEYOND TERM.—A member of the Council appointed under subsection (c)(2) may continue to serve after the expiration of the term of the members until a successor is appointed.

(e) VACANCIES.—If a member of the Advisory Council appointed under subsection (c)(2) does not serve the full term applicable under subsection (d), the individual appointed to fill the resulting vacancy shall be appointed for the remainder of the term of the predecessor of the individual.

(f) CHAIR.—The Director shall, from among the members of the Advisory Council appointed under subsection (c)(2), designate an individual to serve as the chair of the Advisory Council.

(g) MEETINGS.—The Advisory Council shall meet not less than once during each discrete 4-month period and shall otherwise meet at the call of the Director or the chair.

(h) COMPENSATION AND REIMBURSEMENT OF EXPENSES.—

(1) APPOINTED MEMBERS.—Members of the Advisory Council appointed under subsection (c)(2) shall receive compensation for each day (including travel time) engaged in carrying out the duties of the Advisory Council unless declined by the member. Such compensation may not be in an amount in excess of the daily equivalent of the annual rate of basic pay prescribed for level IV of the Executive Schedule under section 5315 of title 5, United States Code, for each day during which such member is engaged in the performance of the duties of the Advisory Council.

(2) EX OFFICIO MEMBERS.—Officials designated under subsection (c)(3) as ex officio members of the Advisory Council may not receive compensation for service on the Advisory Council in addition to the compensation otherwise received for duties carried out as officers of the United States.

(i) STAFF.—The Director shall provide to the Advisory Council such staff, information, and other assistance as may be necessary to carry out the duties of the Council.

(j) DURATION.—Notwithstanding section 14(a) of the Federal Advisory Committee Act,² the Advisory Council shall continue in existence until otherwise provided by law.

SEC. 942. [299c-1] PEER REVIEW WITH RESPECT TO GRANTS AND CONTRACTS.

(a) REQUIREMENT OF REVIEW.—

(1) IN GENERAL.—Appropriate technical and scientific peer review shall be conducted with respect to each application for a grant, cooperative agreement, or contract under this title.

(2) REPORTS TO DIRECTOR.—Each peer review group to which an application is submitted pursuant to paragraph (1) shall report its finding and recommendations respecting the application to the Director in such form and in such manner as the Director shall require.

(b) APPROVAL AS PRECONDITION OF AWARDS.—The Director may not approve an application described in subsection (a)(1) unless the application is recommended for approval by a peer review group established under subsection (c).

(c) ESTABLISHMENT OF PEER REVIEW GROUPS.—

(1) IN GENERAL.—The Director shall establish such technical and scientific peer review groups as may be necessary to carry out this section. Such groups shall be established without regard to the provisions of title 5, United States Code, that govern appointments in the competitive service, and without regard to the provisions of chapter 51, and subchapter III of

²Section 4(a)(242) of Public Law 117-286 provides for an amendment to “[s]ection 942(j) of the Public Health Service Act (42 U.S.C. 299c(j))” by striking “section 14(a) of the Federal Advisory Committee Act,” and inserting “section 1013(a) of title 5, United States Code,”. The stricken matter does not appear in section 942(j), however, it does appear in section 941(j).

chapter 53, of such title that relate to classification and pay rates under the General Schedule.

(2) MEMBERSHIP.—The members of any peer review group established under this section shall be appointed from among individuals who by virtue of their training or experience are eminently qualified to carry out the duties of such peer review group. Officers and employees of the United States may not constitute more than 25 percent of the membership of any such group. Such officers and employees may not receive compensation for service on such groups in addition to the compensation otherwise received for these duties carried out as such officers and employees.

(3) DURATION.—Notwithstanding section 14(a) of the Federal Advisory Committee Act³, peer review groups established under this section may continue in existence until otherwise provided by law.

(4) QUALIFICATIONS.—Members of any peer review group shall, at a minimum, meet the following requirements:

(A) Such members shall agree in writing to treat information received, pursuant to their work for the group, as confidential information, except that this subparagraph shall not apply to public records and public information.

(B) Such members shall agree in writing to recuse themselves from participation in the peer review of specific applications which present a potential personal conflict of interest or appearance of such conflict, including employment in a directly affected organization, stock ownership, or any financial or other arrangement that might introduce bias in the process of peer review.

(d) AUTHORITY FOR PROCEDURAL ADJUSTMENTS IN CERTAIN CASES.—In the case of applications for financial assistance whose direct costs will not exceed \$100,000, the Director may make appropriate adjustments in the procedures otherwise established by the Director for the conduct of peer review under this section. Such adjustments may be made for the purpose of encouraging the entry of individuals into the field of research, for the purpose of encouraging clinical practice-oriented or provider-based research, and for such other purposes as the Director may determine to be appropriate.

(e) REGULATIONS.—The Director shall issue regulations for the conduct of peer review under this section.

SEC. 943. [299c-2] CERTAIN PROVISIONS WITH RESPECT TO DEVELOPMENT, COLLECTION, AND DISSEMINATION OF DATA.

(a) STANDARDS WITH RESPECT TO UTILITY OF DATA.—

(1) IN GENERAL.—To ensure the utility, accuracy, and sufficiency of data collected by or for the Agency for the purpose described in section 901(b), the Director shall establish standard methods for developing and collecting such data, taking into consideration—

³Section 4(a)(243) of Public Law 117-286 provides for an amendment to “[s]ection 941(c)(3) of the Public Health Service Act (42 U.S.C. 299c-1(c)(3))” by striking “section 14(a) of the Federal Advisory Committee Act,” and inserting “section 1013(a) of title 5, United States Code.”. The stricken matter does not appear in section 941(c)(3), however, it does appear in section 942(c)(3).

(A) other Federal health data collection standards; and
(B) the differences between types of health care plans, delivery systems, health care providers, and provider arrangements.

(2) RELATIONSHIP WITH OTHER DEPARTMENT PROGRAMS.—In any case where standards under paragraph (1) may affect the administration of other programs carried out by the Department of Health and Human Services, including the programs under title XVIII, XIX or XXI of the Social Security Act, or may affect health information that is subject to a standard developed under part C of title XI of the Social Security Act, they shall be in the form of recommendations to the Secretary for such program.

(b) STATISTICS AND ANALYSES.—The Director shall—

(1) take appropriate action to ensure that statistics and analyses developed under this title are of high quality, timely, and duly comprehensive, and that the statistics are specific, standardized, and adequately analyzed and indexed; and

(2) publish, make available, and disseminate such statistics and analyses on as wide a basis as is practicable.

(c) AUTHORITY REGARDING CERTAIN REQUESTS.—Upon request of a public or private entity, the Director may conduct or support research or analyses otherwise authorized by this title pursuant to arrangements under which such entity will pay the cost of the services provided. Amounts received by the Director under such arrangements shall be available to the Director for obligation until expended.

SEC. 944. [299c-3] DISSEMINATION OF INFORMATION.

(a) IN GENERAL.—The Director shall—

(1) without regard to section 501 of title 44, United States Code, promptly publish, make available, and otherwise disseminate, in a form understandable and on as broad a basis as practicable so as to maximize its use, the results of research, demonstration projects, and evaluations conducted or supported under this title;

(2) ensure that information disseminated by the Agency is science-based and objective and undertakes consultation as necessary to assess the appropriateness and usefulness of the presentation of information that is targeted to specific audiences;

(3) promptly make available to the public data developed in such research, demonstration projects, and evaluations;

(4) provide, in collaboration with the National Library of Medicine where appropriate, indexing, abstracting, translating, publishing, and other services leading to a more effective and timely dissemination of information on research, demonstration projects, and evaluations with respect to health care to public and private entities and individuals engaged in the improvement of health care delivery and the general public, and undertake programs to develop new or improved methods for making such information available; and

(5) as appropriate, provide technical assistance to State and local government and health agencies and conduct liaison activities to such agencies to foster dissemination.

(b) PROHIBITION AGAINST RESTRICTIONS.—Except as provided in subsection (c), the Director may not restrict the publication or dissemination of data from, or the results of, projects conducted or supported under this title.

(c) LIMITATION ON USE OF CERTAIN INFORMATION.—No information, if an establishment or person supplying the information or described in it is identifiable, obtained in the course of activities undertaken or supported under this title may be used for any purpose other than the purpose for which it was supplied unless such establishment or person has consented (as determined under regulations of the Director) to its use for such other purpose. Such information may not be published or released in other form if the person who supplied the information or who is described in it is identifiable unless such person has consented (as determined under regulations of the Director) to its publication or release in other form.

(d) PENALTY.—Any person who violates subsection (c) shall be subject to a civil monetary penalty of not more than \$10,000 for each such violation involved. Such penalty shall be imposed and collected in the same manner as civil money penalties under subsection (a) of section 1128A of the Social Security Act are imposed and collected.

SEC. 945. [299c-4] ADDITIONAL PROVISIONS WITH RESPECT TO GRANTS AND CONTRACTS.

(a) FINANCIAL CONFLICTS OF INTEREST.—With respect to projects for which awards of grants, cooperative agreements, or contracts are authorized to be made under this title, the Director shall by regulation define—

(1) the specific circumstances that constitute financial interests in such projects that will, or may be reasonably expected to, create a bias in favor of obtaining results in the projects that are consistent with such interests; and

(2) the actions that will be taken by the Director in response to any such interests identified by the Director.

(b) REQUIREMENT OF APPLICATION.—The Director may not, with respect to any program under this title authorizing the provision of grants, cooperative agreements, or contracts, provide any such financial assistance unless an application for the assistance is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Director determines to be necessary to carry out the program involved.

(c) PROVISION OF SUPPLIES AND SERVICES IN LIEU OF FUNDS.—

(1) IN GENERAL.—Upon the request of an entity receiving a grant, cooperative agreement, or contract under this title, the Secretary may, subject to paragraph (2), provide supplies, equipment, and services for the purpose of aiding the entity in carrying out the project involved and, for such purpose, may detail to the entity any officer or employee of the Department of Health and Human Services.

(2) CORRESPONDING REDUCTION IN FUNDS.—With respect to a request described in paragraph (1), the Secretary shall reduce the amount of the financial assistance involved by an amount equal to the costs of detailing personnel and the fair market value of any supplies, equipment, or services provided by the Director. The Secretary shall, for the payment of expenses incurred in complying with such request, expend the amounts withheld.

(d) APPLICABILITY OF CERTAIN PROVISIONS WITH RESPECT TO CONTRACTS.—Contracts may be entered into under this part without regard to sections 3648 and 3709 of the Revised Statutes (31 U.S.C. 529 and 41 U.S.C. 5).

SEC. 946. [299c–5] CERTAIN ADMINISTRATIVE AUTHORITIES.

(a) DEPUTY DIRECTOR AND OTHER OFFICERS AND EMPLOYEES.—

(1) DEPUTY DIRECTOR.—The Director may appoint a deputy director for the Agency.

(2) OTHER OFFICERS AND EMPLOYEES.—The Director may appoint and fix the compensation of such officers and employees as may be necessary to carry out this title. Except as otherwise provided by law, such officers and employees shall be appointed in accordance with the civil service laws and their compensation fixed in accordance with title 5, United States Code.

(b) FACILITIES.—The Secretary, in carrying out this title—

(1) may acquire, without regard to the Act of March 3, 1877 (40 U.S.C. 34), by lease or otherwise through the Administrator of General Services, buildings or portions of buildings in the District of Columbia or communities located adjacent to the District of Columbia for use for a period not to exceed 10 years; and

(2) may acquire, construct, improve, repair, operate, and maintain laboratory, research, and other necessary facilities and equipment, and such other real or personal property (including patents) as the Secretary deems necessary.

(c) PROVISION OF FINANCIAL ASSISTANCE.—The Director, in carrying out this title, may make grants to public and nonprofit entities and individuals, and may enter into cooperative agreements or contracts with public and private entities and individuals.

(d) UTILIZATION OF CERTAIN PERSONNEL AND RESOURCES.—

(1) DEPARTMENT OF HEALTH AND HUMAN SERVICES.—The Director, in carrying out this title, may utilize personnel and equipment, facilities, and other physical resources of the Department of Health and Human Services, permit appropriate (as determined by the Secretary) entities and individuals to utilize the physical resources of such Department, and provide technical assistance and advice.

(2) OTHER AGENCIES.—The Director, in carrying out this title, may use, with their consent, the services, equipment, personnel, information, and facilities of other Federal, State, or local public agencies, or of any foreign government, with or without reimbursement of such agencies.

(e) CONSULTANTS.—The Secretary, in carrying out this title, may secure, from time to time and for such periods as the Director deems advisable but in accordance with section 3109 of title 5,

United States Code, the assistance and advice of consultants from the United States or abroad.

(f) EXPERTS.—

(1) IN GENERAL.—The Secretary may, in carrying out this title, obtain the services of not more than 50 experts or consultants who have appropriate scientific or professional qualifications. Such experts or consultants shall be obtained in accordance with section 3109 of title 5, United States Code, except that the limitation in such section on the duration of service shall not apply.

(2) TRAVEL EXPENSES.—

(A) IN GENERAL.—Experts and consultants whose services are obtained under paragraph (1) shall be paid or reimbursed for their expenses associated with traveling to and from their assignment location in accordance with sections 5724, 5724a(a), 5724a(c), and 5726(c) of title 5, United States Code.

(B) LIMITATION.—Expenses specified in subparagraph (A) may not be allowed in connection with the assignment of an expert or consultant whose services are obtained under paragraph (1) unless and until the expert agrees in writing to complete the entire period of assignment, or 1 year, whichever is shorter, unless separated or reassigned for reasons that are beyond the control of the expert or consultant and that are acceptable to the Secretary. If the expert or consultant violates the agreement, the money spent by the United States for the expenses specified in subparagraph (A) is recoverable from the expert or consultant as a statutory obligation owed to the United States. The Secretary may waive in whole or in part a right of recovery under this subparagraph.

(g) VOLUNTARY AND UNCOMPENSATED SERVICES.—The Director, in carrying out this title, may accept voluntary and uncompensated services.

SEC. 947. [299c-6] FUNDING.

(a) INTENT.—To ensure that the United States investment in biomedical research is rapidly translated into improvements in the quality of patient care, there must be a corresponding investment in research on the most effective clinical and organizational strategies for use of these findings in daily practice. The authorization levels in subsections (b) and (c) provide for a proportionate increase in health care research as the United States investment in biomedical research increases.

(b) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this title, there are authorized to be appropriated \$250,000,000 for fiscal year 2000, and such sums as may be necessary for each of the fiscal years 2001 through 2005.

(c) EVALUATIONS.—In addition to amounts available pursuant to subsection (b) for carrying out this title, there shall be made available for such purpose, from the amounts made available pursuant to section 241 (relating to evaluations), an amount equal to 40 percent of the maximum amount authorized in such section 241 to be made available for a fiscal year.

(d) HEALTH DISPARITIES RESEARCH.—For the purpose of carrying out the activities under section 903, there are authorized to be appropriated \$50,000,000 for fiscal year 2001, and such sums as may be necessary for each of the fiscal years 2002 through 2005.

(e) PATIENT SAFETY AND QUALITY IMPROVEMENT.—For the purpose of carrying out part C, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2006 through 2010.

SEC. 948. [299c-7] DEFINITIONS.

In this title:

(1) ADVISORY COUNCIL.—The term “Advisory Council” means the National Advisory Council on Healthcare Research and Quality established under section 941.

(2) AGENCY.—The term “Agency” means the Agency for Healthcare Research and Quality.

(3) DIRECTOR.—The term “Director” means the Director of the Agency for Healthcare Research and Quality.

**TITLE X—POPULATION RESEARCH AND VOLUNTARY
FAMILY PLANNING PROGRAMS**

PROJECT GRANTS AND CONTRACTS FOR FAMILY PLANNING SERVICES

SEC. 1001. [300] (a) The Secretary is authorized to make grants to and enter into contracts with public or nonprofit private entities to assist in the establishment and operation of voluntary family planning projects which shall offer a broad range of acceptable and effective family planning methods and services (including natural family planning methods, infertility services, and services for adolescents). To the extent practicable, entities which receive grants or contracts under this subsection shall encourage family¹ participation in projects assisted under this subsection.

(b) In making grants and contracts under this section the Secretary shall take into account the number of patients to be served, the extent to which family planning services are needed locally, the relative need of the applicant, and its capacity to make rapid and effective use of such assistance. Local and regional entities shall be assured the right to apply for direct grants and contracts under this section, and the Secretary shall by regulation fully provide for and protect such right.

(c) The Secretary, at the request of a recipient of a grant under subsection (a), may reduce the amount of such grant by the fair market value of any supplies or equipment furnished the grant recipient by the Secretary. The amount by which any such grant is so reduced shall be available for payment by the Secretary of the costs incurred in furnishing the supplies or equipment on which the reduction of such grant is based. Such amount shall be deemed as part of the grant and shall be deemed to have been paid to the grant recipient.

(d) For the purpose of making grants and contracts under this section, there are authorized to be appropriated \$30,000,000 for the fiscal year ending June 30, 1971; \$60,000,000 for the fiscal year

¹So in law. See section 931(b)(1) of Public Law 97-35 (95 Stat. 570). Probably should be “family”.

ending June 30, 1972; \$111,500,000 for the fiscal year ending June 30, 1973; \$111,500,000 each for the fiscal years ending June 30, 1974, and June 30, 1975; \$115,000,000 for fiscal year 1976; \$115,000,000 for the fiscal year ending September 30, 1977; \$136,400,000 for the fiscal year ending September 30, 1978; \$200,000,000 for the fiscal year ending September 30, 1979; \$230,000,000 for the fiscal year ending September 30, 1980; \$264,500,000 for the fiscal year ending September 30, 1981; \$126,510,000 for the fiscal year ending September 30, 1982; \$139,200,000 for the fiscal year ending September 30, 1983; \$150,030,000 for the fiscal year ending September 30, 1984; and \$158,400,000 for the fiscal year ending September 30, 1985.

FORMULA GRANTS TO STATES FOR FAMILY PLANNING SERVICES

SEC. 1002. [300a] (a) The Secretary is authorized to make grants, from allotments made under subsection (b), to State health authorities to assist in planning, establishing, maintaining, coordinating, and evaluating family planning services. No grant may be made to a State health authority under this section unless such authority has submitted, and had approved by the Secretary, a State plan for a coordinated and comprehensive program of family planning services.

(b) The sums appropriated to carry out the provisions of this section shall be allotted to the States by the Secretary on the basis of the population and the financial need of the respective States.

(c) For the purposes of this section, the term "State" includes the Commonwealth of Puerto Rico, the Northern Mariana Islands, Guam, American Samoa, the Virgin Islands, the District of Columbia, and the Trust Territory of the Pacific Islands.

(d) For the purpose of making grants under this section, there are authorized to be appropriated \$10,000,000 for the fiscal year ending June 30, 1971; \$15,000,000 for the fiscal year ending June 30, 1972; and \$20,000,000 for the fiscal year ending June 30, 1973.

TRAINING GRANTS AND CONTRACTS

SEC. 1003. [300a-1] (a) The Secretary is authorized to make grants to public or nonprofit private entities and to enter into contracts with public or private entities and individuals to provide the training for personnel to carry out family planning service programs described in section 1001 or 1002.

(b) For the purpose of making payments pursuant to grants and contracts under this section, there are authorized to be appropriated \$2,000,000 for the fiscal year ending June 30, 1971; \$3,000,000 for the fiscal year ending June 30, 1972; \$4,000,000 for the fiscal year ending June 30, 1973; and \$3,000,000 each for the fiscal years ending June 30, 1974, and June 30, 1975; \$4,000,000 for fiscal year 1976; \$5,000,000 for the fiscal year ending September 30, 1977; \$3,000,000 for the fiscal year ending September 30, 1978; \$3,100,000 for the fiscal year ending September 30, 1979; \$3,600,000 for the fiscal year ending September 30, 1980; \$4,100,000 for the fiscal year ending September 30, 1981; \$2,920,000 for the fiscal year ending September 30, 1982; \$3,200,000 for the fiscal year ending September 30, 1983;

\$3,500,000 for the fiscal year ending September 30, 1984; and \$3,500,000 for the fiscal year ending September 30, 1985.

RESEARCH

SEC. 1004. [300a-2] The Secretary may—

- (1) conduct, and
- (2) make grants to public or nonprofit private entities and enter into contracts with public or private entities and individuals for projects for, research in the biomedical, contraceptive development, behavioral, and program implementation fields related to family planning and population.

INFORMATIONAL AND EDUCATIONAL MATERIALS

SEC. 1005. [300a-3] (a) The Secretary is authorized to make grants to public or nonprofit private entities and to enter into contracts with public or private entities and individuals to assist in developing and making available family planning and population growth information (including educational materials) to all persons desiring such information (or materials).

(b) For the purpose of making payments pursuant to grants and contracts under this section, there are authorized to be appropriated \$750,000 for the fiscal year ending June 30, 1971; \$1,000,000 for the fiscal year ending June 30, 1972; \$1,250,000 for the fiscal year ending June 30, 1973; \$909,000 each for the fiscal years ending June 30, 1974, and June 30, 1975; \$2,000,000 for fiscal year 1976; \$2,500,000 for the fiscal year ending September 30, 1977; \$600,000 for the fiscal year ending September 30, 1978; \$700,000 for the fiscal year ending September 30, 1979; \$805,000 for the fiscal year ending September 30, 1980; \$926,000 for the fiscal year ending September 30, 1981; \$570,000 for the fiscal year ending September 30, 1982; \$600,000 for the fiscal year ending September 30, 1983; \$670,000 for the fiscal year ending September 30, 1984; and \$700,000 for the fiscal year ending September 30, 1985.

REGULATIONS AND PAYMENTS

SEC. 1006. [300a-4] (a) Grants and contracts made under this title shall be made in accordance with such regulations as the Secretary may promulgate. The amount of any grant under any section of this title shall be determined by the Secretary; except that no grant under any such section for any program or project for a fiscal year beginning after June 30, 1975, may be made for less than 90 per centum of its costs (as determined under regulations of the Secretary) unless the grant is to be made for a program or project for which a grant was made (under the same section) for the fiscal year ending June 30, 1975, for less than 90 per centum of its costs (as so determined), in which case a grant under such section for that program or project for a fiscal year beginning after that date may be made for a percentage which shall not be less than the percentage of its costs for which the fiscal year 1975 grant was made.

(b) Grants under this title shall be payable in such installments and subject to such conditions as the Secretary may determine to be appropriate to assure that such grants will be effectively utilized for the purposes for which made.

(c) A grant may be made or contract entered into under section 1001 or 1002 for a family planning service project or program only upon assurances satisfactory to the Secretary that—

(1) priority will be given in such project or program to the furnishing of such services to persons from low-income families; and

(2) no charge will be made in such project or program for services provided to any person from a low-income family except to the extent that payment will be made by a third party (including a government agency) which is authorized or is under legal obligation to pay such charge.

For purposes of this subsection, the term “low-income family” shall be defined by the Secretary in accordance with such criteria as he may prescribe so as to insure that economic status shall not be a deterrent to participation in the programs assisted under this title.

(d)(1) A grant may be made or a contract entered into under section 1001 or 1005 only upon assurances satisfactory to the Secretary that informational or educational materials developed or made available under the grant or contract will be suitable for the purposes of this title and for the population or community to which they are to be made available, taking into account the educational and cultural background of the individuals to whom such materials are addressed and the standards of such population or community with respect to such materials.

(2) In the case of any grant or contract under section 1001, such assurances shall provide for the review and approval of the suitability of such materials, prior to their distribution, by an advisory committee established by the grantee or contractor in accordance with the Secretary’s regulations. Such a committee shall include individuals broadly representative of the population or community to which the materials are to be made available.

VOLUNTARY PARTICIPATION

SEC. 1007. **[300a–5]** The acceptance by any individual of family planning services or family planning or population growth information (including educational materials) provided through financial assistance under this title (whether by grant or contract) shall be voluntary and shall not be a prerequisite to eligibility for or receipt of any other service or assistance from, or to participation in, any other program of the entity or individual that provided such service or information.

PROHIBITION OF ABORTION

SEC. 1008.² **[300a–6]** None of the funds appropriated under this title shall be used in programs where abortion is a method of family planning.

²Section 1009 was repealed by section 601(a)(1)(G) of Public Law 105–362 (112 Stat. 3285).

TITLE XI—GENETIC DISEASES, HEMOPHILIA PROGRAMS,
AND SUDDEN INFANT DEATH SYNDROME

PART A—GENETIC DISEASES

RESEARCH PROJECT GRANTS AND CONTRACTS

SEC. 1102. [300b–1] In carrying out section 301, the Secretary, may make grants to public and nonprofit private entities, and may enter into contracts with public and private entities and individuals, for projects for (1) basic or applied research leading to the understanding, diagnosis, treatment, and control of genetic diseases, (2) planning, establishing, demonstrating, and developing special programs for the training of genetic counselors, social and behavioral scientists, and other health professionals, (3) the development of programs to educate practicing physicians, other health professionals and the public regarding the nature of genetic processes, the inheritance patterns of genetic diseases, and the means, methods, and facilities available to diagnose, control, counsel, and treat genetic diseases, and (4) the development of counseling and testing programs and other programs for the diagnosis, control, and treatment of genetic diseases. In making grants and entering into contracts for projects described in clause (1) of the preceding sentence, the Secretary shall give priority to applications for such grants or contracts which are submitted for research on sickle cell anemia and for research on Cooley's anemia.

VOLUNTARY PARTICIPATION

SEC. 1103. [300b–2] The participation by any individual in any program or portion thereof under this part shall be wholly voluntary and shall not be a prerequisite to eligibility for or receipt of any other service or assistance from, or to participation in, any other program.

APPLICATION; ADMINISTRATION OF GRANTS AND CONTRACT PROGRAMS

SEC. 1104. [300b–3] (a) A grant or contract under this part may be made upon application submitted to the Secretary at such time, in such manner, and containing and accompanied by such information, as the Secretary may require including assurances for an evaluation whether performed by the applicant or by the Secretary. Such grant or contract may be made available on less than a state-wide or regional basis. Each applicant shall—

(1) provide that the programs and activities for which assistance under this part is sought will be administered by or under the supervision of the applicant;

(2) provide for strict confidentiality of all test results, medical records, and other information regarding testing, diagnosis, counseling, or treatment of any person treated, except for (A) such information as the patient (or his guardian) gives informed consent to be released, or (B) statistical data compiled without reference to the identity of any such patient;

(3) provide for community representation where appropriate in the development and operation of voluntary genetic

testing or counseling programs funded by a grant or contract under this part; and

(4) establish fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting of Federal funds paid to the applicant under this part.

(b) In making grants and entering into contracts for any fiscal year under section 301 for projects described in section 1102 the Secretary shall give special consideration to applications from entities that received grants from, or entered into contracts with, the Secretary for the preceding fiscal year for the conduct of comprehensive sickle cell centers or sickle cell screening and education clinics.

PUBLIC HEALTH SERVICE FACILITIES

SEC. 1105. **[300b-4]** The Secretary shall establish a program within the Service to provide voluntary testing, diagnosis, counseling, and treatment of individuals respecting genetic diseases. Services under such program shall be made available through facilities of the Service to persons requesting such services, and the program shall provide appropriate publicity of the availability and voluntary nature of such services.

SEC. 1106. **[300b-5] SICKLE CELL DISEASE AND OTHER HERITABLE BLOOD DISORDERS RESEARCH, SURVEILLANCE, PREVENTION, AND TREATMENT.**

(a) GRANTS.—

(1) IN GENERAL.—The Secretary may award grants related to heritable blood disorders, including sickle cell disease, for one or more of the following purposes:

(A) To collect and maintain data on such diseases and conditions, including subtypes as applicable, and their associated health outcomes and complications, including for the purpose of—

(i) improving national incidence and prevalence data;

(ii) identifying health disparities, including the geographic distribution, related to such diseases and conditions;

(iii) assessing the utilization of therapies and strategies to prevent complications; and

(iv) evaluating the effects of genetic, environmental, behavioral, and other risk factors that may affect such individuals.

(B) To conduct public health activities with respect to such conditions, which may include—

(i) developing strategies to improve health outcomes and access to quality health care for the screening for, and treatment and management of, such diseases and conditions, including through public-private partnerships;

(ii) providing support to community-based organizations and State and local health departments in conducting education and training activities for patients,

communities, and health care providers concerning such diseases and conditions;

(iii) supporting State health departments and regional laboratories, including through training, in testing to identify such diseases and conditions, including specific forms of sickle cell disease, in individuals of all ages; and

(iv) the identification and evaluation of best practices for treatment of such diseases and conditions, and prevention and management of their related complications.

(2) **POPULATION INCLUDED.**—The Secretary shall, to the extent practicable, award grants under this subsection to eligible entities across the United States to improve data on the incidence and prevalence of heritable blood disorders, including sickle cell disease, and the geographic distribution of such diseases and conditions.

(3) **APPLICATION.**—To seek a grant under this subsection, an eligible entity shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(4) **PRIORITY.**—In awarding grants under this subsection, the Secretary may give priority, as appropriate, to eligible entities that have a relationship with a community-based organization that has experience in, or is capable of, providing services to individuals with heritable blood disorders, including sickle cell disease.

(5) **ELIGIBLE ENTITY.**—In this subsection, the term “eligible entity” includes the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, the Federated States of Micronesia, the Republic of Marshall Islands, the Republic of Palau, Indian tribes, a State or local health department, an institution of higher education, or a nonprofit entity with appropriate experience to conduct the activities under this subsection.

(b) **DEMONSTRATION PROGRAM FOR THE DEVELOPMENT AND ESTABLISHMENT OF SYSTEMIC MECHANISMS FOR THE PREVENTION AND TREATMENT OF SICKLE CELL DISEASE.**—

(1) **AUTHORITY TO CONDUCT DEMONSTRATION PROGRAM.**—

(A) **IN GENERAL.**—The Administrator, through the Bureau of Primary Health Care and the Maternal and Child Health Bureau, shall continue efforts, including by awarding grants, to develop or establish mechanisms to improve the treatment of sickle cell disease, and to improve the prevention and treatment of complications of sickle cell disease, in populations with a high proportion of individuals with sickle cell disease, including through—

(i) the coordination of service delivery for individuals with sickle cell disease;

(ii) genetic counseling and testing;

(iii) bundling of technical services related to the prevention and treatment of sickle cell disease;

(iv) training of health professionals; and

(v) identifying and establishing other efforts related to the expansion and coordination of education, treatment, and continuity of care programs for individuals with sickle cell disease.

(B) GEOGRAPHIC DIVERSITY.—The Administrator shall, to the extent practicable, award grants under this section to eligible entities located in different regions of the United States.

(2) ADDITIONAL REQUIREMENTS.—An eligible entity awarded a grant under this subsection shall use funds made available under the grant to carry out, in addition to the activities described in paragraph (1)(A), the following activities:

(A) To facilitate and coordinate the delivery of education, treatment, and continuity of care for individuals with sickle cell disease under—

(i) the entity's collaborative agreement with a community-based sickle cell disease organization or a nonprofit entity that works with individuals who have sickle cell disease;

(ii) the sickle cell disease newborn screening program for the State in which the entity is located; and

(iii) the maternal and child health program under title V of the Social Security Act (42 U.S.C. 701 et seq.) for the State in which the entity is located.

(B) To train nursing and other health staff who provide care for individuals with sickle cell disease.

(C) To enter into a partnership with adult or pediatric hematologists in the region and other regional experts in sickle cell disease at tertiary and academic health centers and State and county health offices.

(D) To identify and secure resources for ensuring reimbursement under the medicaid program, State children's health insurance program, and other health programs for the prevention and treatment of sickle cell disease.

(E) To provide or coordinate services for adolescents with sickle cell disease making the transition to adult health care.

(3) NATIONAL COORDINATING CENTER.—

(A) ESTABLISHMENT.—The Administrator shall enter into a contract with an entity to serve as the National Coordinating Center for the demonstration program conducted under this subsection.

(B) ACTIVITIES DESCRIBED.—The National Coordinating Center shall—

(i) collect, coordinate, monitor, and distribute data, best practices, and findings regarding the activities funded under grants made to eligible entities under the demonstration program;

(ii) develop a model protocol for eligible entities with respect to the prevention and treatment of sickle cell disease;

(iii) develop educational materials regarding the prevention and treatment of sickle cell disease; and

(iv) prepare and submit to Congress a final report that includes recommendations regarding the effectiveness of the demonstration program conducted under this subsection and such direct outcome measures as—

(I) the number and type of health care resources utilized (such as emergency room visits, hospital visits, length of stay, and physician visits for individuals with sickle cell disease); and

(II) the number of individuals that were tested and subsequently received genetic counseling for the sickle cell trait.

(4) APPLICATION.—An eligible entity desiring a grant under this subsection shall submit an application to the Administrator at such time, in such manner, and containing such information as the Administrator may require.

(5) DEFINITIONS.—In this subsection:

(A) ADMINISTRATOR.—The term “Administrator” means the Administrator of the Health Resources and Services Administration.

(B) ELIGIBLE ENTITY.—The term “eligible entity” means a Federally-qualified health center, a nonprofit hospital or clinic, or a university health center that provides primary health care, that—

(i) has a collaborative agreement with a community-based sickle cell disease organization or a nonprofit entity with experience in working with individuals who have sickle cell disease; and

(ii) demonstrates to the Administrator that either the Federally-qualified health center, the nonprofit hospital or clinic, the university health center, the organization or entity described in clause (i), or the experts described in paragraph (2)(C), has at least 5 years of experience in working with individuals who have sickle cell disease.

(C) FEDERALLY-QUALIFIED HEALTH CENTER.—The term “Federally-qualified health center” has the meaning given that term in section 1905(l)(2)(B) of the Social Security Act (42 U.S.C. 1396d(l)(2)(B)).

(6) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this subsection, \$4,455,000 for each of fiscal years 2019 through 2023.

APPLIED TECHNOLOGY

SEC. 1107. [300b–6] The Secretary, acting through an identifiable administrative unit, shall—

(1) conduct epidemiological assessments and surveillance of genetic diseases to define the scope and extent of such diseases and the need for programs for the diagnosis, treatment, and control of such diseases, screening for such diseases, and the counseling of persons with such diseases;

(2) on the basis of the assessments and surveillance described in paragraph (1), develop for use by the States pro-

grams which combine in an effective manner diagnosis, treatment, and control of such diseases, screening for such diseases, and counseling of persons with such diseases; and

(3) on the basis of the assessments and surveillance described in paragraph (1), provide technical assistance to States to implement the programs developed under paragraph (2) and train appropriate personnel for such programs.

In carrying out this section, the Secretary may, from funds allotted for use under section 502(a) of the Social Security Act, make grants to or contracts with public or nonprofit private entities (including grants and contracts for demonstration projects).

TOURETTE SYNDROME

SEC. 1108. [300b-7] (a) **IN GENERAL.**—The Secretary shall develop and implement outreach programs to educate the public, health care providers, educators and community based organizations about the etiology, symptoms, diagnosis and treatment of Tourette Syndrome, with a particular emphasis on children with Tourette Syndrome. Such programs may be carried out by the Secretary directly and through awards of grants or contracts to public or nonprofit private entities.

(b) **CERTAIN ACTIVITIES.**—Activities under subsection (a) shall include—

(1) the production and translation of educational materials, including public service announcements;

(2) the development of training material for health care providers, educators and community based organizations; and

(3) outreach efforts directed at the misdiagnosis and underdiagnosis of Tourette Syndrome in children and in minority groups.

(c) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005.

SEC. 1109. [300b-8] IMPROVED NEWBORN AND CHILD SCREENING FOR HERITABLE DISORDERS.

(a) **AUTHORIZATION OF GRANT PROGRAM.**—From amounts appropriated under section 1117, the Secretary, acting through the Administrator of the Health Resources and Services Administration (referred to in this section as the “Administrator”) and taking into consideration the expertise of the Advisory Committee on Heritable Disorders in Newborns and Children (referred to in this section as the “Advisory Committee”), shall award grants to eligible entities to enable such entities—

(1) to enhance, improve or expand the ability of State and local public health agencies to provide screening, counseling, or health care services to newborns and children having or at risk for heritable disorders;

(2) to assist in providing health care professionals and newborn screening laboratory personnel with education in newborn screening, counseling, and training in—

(A) relevant and new technologies in newborn screening and congenital, genetic, and metabolic disorders;

- (B) the importance of the timeliness of collection, delivery, receipt, and screening of specimens; and
- (C) sharing of medical and diagnostic information with providers and families;
- (3) to develop and deliver educational programs (at appropriate literacy levels) about newborn screening counseling, testing, follow-up, treatment, and specialty services to parents, families, and patient advocacy and support groups;
- (4) to establish, maintain, and operate a system to assess and coordinate followup and treatment relating to congenital, genetic, and metabolic disorders; and
- (5) to improve the timeliness of—
 - (A) the collection, delivery, receipt, and screening of specimens; and
 - (B) the diagnosis of heritable disorders in newborns.
- (b) ELIGIBLE ENTITY.—In this section, the term “eligible entity” means—
 - (1) a State or a political subdivision of a State;
 - (2) a consortium of 2 or more States or political subdivisions of States;
 - (3) a territory;
 - (4) a health facility or program operated by or pursuant to a contract with or grant from the Indian Health Service; or
 - (5) any other entity with appropriate expertise in newborn screening, as determined by the Secretary.
- (c) APPROVAL FACTORS.—An application for a grant under this section shall not be approved by the Secretary unless the application contains assurances that the eligible entity has adopted and implemented, is in the process of adopting and implementing, or will use amounts received under such grant to adopt and implement the guidelines and recommendations of the Advisory Committee that are adopted by the Secretary and in effect at the time the grant is awarded or renewed under this section, which shall include the screening of each newborn for the heritable disorders recommended by the Advisory Committee and adopted by the Secretary.
- (d) COORDINATION.—The Secretary shall take all necessary steps to coordinate programs funded with grants received under this section and to coordinate with existing newborn screening activities.
- (e) LIMITATION.—An eligible entity may not use amounts received under this section to—
 - (1) provide cash payments to or on behalf of affected individuals;
 - (2) provide inpatient services;
 - (3) purchase land or make capital improvements to property; or
 - (4) provide for proprietary research or training.
- (f) VOLUNTARY PARTICIPATION.—The participation by any individual in any program or portion thereof established or operated with funds received under this section shall be wholly voluntary and shall not be a prerequisite to eligibility for or receipt of any other service or assistance from, or to participation in, another Federal or State program.

(g) **SUPPLEMENT NOT SUPPLANT.**—Funds appropriated under this section shall be used to supplement and not supplant other Federal, State, and local public funds provided for activities of the type described in this section.

(h) **PUBLICATION.**—

(1) **IN GENERAL.**—An application for a grant under this section shall be made public by the State in such a manner as to facilitate comment from any person, including through hearings and other methods used to facilitate comments from the public.

(2) **COMMENTS.**—Comments received by the State after the publication described in paragraph (1) shall be addressed in the application for a grant under this section.

(i) **TECHNICAL ASSISTANCE.**—The Secretary shall provide to entities receiving grants under subsection (a) such technical assistance as may be necessary to ensure the quality of programs conducted under this section.

SEC. 1110. [300b-9] EVALUATING THE EFFECTIVENESS OF NEWBORN AND CHILD SCREENING AND FOLLOWUP PROGRAMS.

(a) **IN GENERAL.**—The Secretary shall award grants to eligible entities to provide for the conduct of demonstration programs to evaluate the effectiveness, including with respect to timeliness, of screening, followup, counseling or health care services in reducing the morbidity and mortality caused by heritable disorders in newborns and children.

(b) **DEMONSTRATION PROGRAMS.**—A demonstration program conducted under a grant under this section shall be designed to evaluate and assess, within the jurisdiction of the entity receiving such grant—

(1) the effectiveness of screening, treatment, counseling, testing, followup, or specialty services for newborns and children at risk for heritable disorders in reducing the morbidity and mortality associated with such disorders, including, as appropriate, through the assessment of health and development outcomes for such children through adolescence;

(2) the effectiveness of screening, treatment, counseling, testing, followup, or specialty services in accurately and reliably diagnosing heritable disorders in newborns and children in a timely manner;

(3) the availability of screening, counseling, testing or specialty services for newborns and children at risk for heritable disorders;

(4) methods that may be identified to improve quality in the diagnosis, treatment, and disease management of heritable disorders based on gaps in services or care; or

(5) methods or best practices by which the eligible entities described in section 1109 can achieve in a timely manner—

(A) collection, delivery, receipt, and screening of newborn screening specimens; and

(B) diagnosis of heritable disorders in newborns.

(c) **ELIGIBLE ENTITIES.**—To be eligible to receive a grant under subsection (a) an entity shall be a State or political subdivision of a State, or a consortium of two or more States or political subdivisions of States.

SEC. 1111. [300b-10] ADVISORY COMMITTEE ON HERITABLE DISORDERS IN NEWBORNS AND CHILDREN.

(a) **ESTABLISHMENT.**—The Secretary shall establish an advisory committee to be known as the “Advisory Committee on Heritable Disorders in Newborns and Children” (referred to in this section as the “Advisory Committee”).

(b) **DUTIES.**—The Advisory Committee shall—

(1) provide advice and recommendations to the Secretary concerning grants and projects awarded or funded under section 1109;

(2) provide technical information to the Secretary for the development of policies and priorities for the administration of grants under section 1109;

(3) make systematic evidence-based and peer-reviewed recommendations that include the heritable disorders that have the potential to significantly impact public health for which all newborns should be screened, including secondary conditions that may be identified as a result of the laboratory methods used for screening;

(4) provide technical assistance, as appropriate, to individuals and organizations regarding the submission of nominations to the uniform screening panel, including prior to the submission of such nominations;

(5) take appropriate steps, at its discretion, to prepare for the review of nominations prior to their submission, including for conditions for which a screening method has been validated but other nomination criteria are not yet met, in order to facilitate timely action by the Advisory Committee once such submission has been received by the Committee;

(6) develop a model decision-matrix for newborn screening expansion, including an evaluation of the potential public health impact, including the cost of such expansion, and periodically update the recommended uniform screening panel, as appropriate, based on such decision-matrix;

(7) consider ways to ensure that all States attain the capacity to screen for the conditions described in paragraph (3), and include in such consideration the results of grant funding under section 1109; and

(8) provide such recommendations, advice or information as may be necessary to enhance, expand or improve the ability of the Secretary to reduce the mortality or morbidity from heritable disorders, which may include recommendations, advice, or information dealing with—

(A) follow-up activities, including those necessary to achieve best practices in rapid diagnosis and appropriate treatment in the short-term, and those that ascertain long-term case management outcomes and appropriate access to related services;

(B) implementation, monitoring, and evaluation of newborn screening activities, including diagnosis, screening, follow-up, and treatment activities;

(C) diagnostic and other technology used in screening;

(D) the availability and reporting of testing for conditions for which there is no existing treatment, including information on cost and incidence;

(E) conditions not included in the recommended uniform screening panel that are treatable with Food and Drug Administration-approved products or other safe and effective treatments, as determined by scientific evidence and peer review;

(F) minimum standards and related policies and procedures used by State newborn screening programs, such as language and terminology used by State newborn screening programs to include standardization of case definitions and names of disorders for which newborn screening tests are performed;

(G) quality assurance, oversight, and evaluation of State newborn screening programs, including ensuring that tests and technologies used by each State meet established standards for detecting and reporting positive screening results;

(H) public and provider awareness and education;

(I) the cost and effectiveness of newborn screening and medical evaluation systems and intervention programs conducted by State-based programs;

(J) identification of the causes of, public health impacts of, and risk factors for heritable disorders;

(K) coordination of surveillance activities, including standardized data collection and reporting, harmonization of laboratory definitions for heritable disorders and testing results, and confirmatory testing and verification of positive results, in order to assess and enhance monitoring of newborn diseases; and

(L) the timeliness of collection, delivery, receipt, and screening of specimens to be tested for heritable disorders in newborns in order to ensure rapid diagnosis and followup.

(c) MEMBERSHIP.—

(1) IN GENERAL.—The Secretary shall appoint not to exceed 15 members to the Advisory Committee. In appointing such members, the Secretary shall ensure that the total membership of the Advisory Committee is an odd number.

(2) REQUIRED MEMBERS.—The Secretary shall appoint to the Advisory Committee under paragraph (1)—

(A) the Administrator of the Health Resources and Services Administration;

(B) the Director of the Centers for Disease Control and Prevention;

(C) the Director of the National Institutes of Health;

(D) the Director of the Agency for Healthcare Research and Quality;

(E) the Commissioner of the Food and Drug Administration;

(F) medical, technical, or scientific professionals with special expertise in heritable disorders, or in providing

screening, counseling, testing or specialty services for newborns and children at risk for heritable disorders;

(G) individuals with expertise in ethics and infectious diseases who have worked and published material in the area of newborn screening;

(H) members of the public having special expertise about or concern with heritable disorders; and

(I) representatives from such Federal agencies, public health constituencies, and medical professional societies as determined to be necessary by the Secretary, to fulfill the duties of the Advisory Committee, as established under subsection (b).

(d) DECISION ON RECOMMENDATIONS.—

(1) IN GENERAL.—Not later than 120 days after the Advisory Committee issues a recommendation pursuant to this section, the Secretary shall adopt or reject such recommendation. If the Secretary is unable to make a determination to adopt or reject such recommendation within such 120-day period, the Secretary shall notify the Advisory Committee and the appropriate committees of Congress of such determination together with an explanation for why the Secretary was unable to comply within such 120-day period, as well as a plan of action for consideration of such pending recommendation.

(2) DETERMINATIONS TO BE MADE PUBLIC.—The Secretary shall publicize any determination on adopting or rejecting a recommendation of the Advisory Committee pursuant to this subsection, including the justification for the determination.

(3) DEADLINE FOR REVIEW.—For each condition nominated to be added to the recommended uniform screening panel in accordance with the requirements of this section, the Advisory Committee shall review and vote on the nominated condition within 9 months of the date on which the Advisory Committee referred the nominated condition to the condition review workgroup.

(e) ANNUAL REPORT.—Not later than 3 years after the date of enactment of the Newborn Screening Saves Lives Act of 2008, and each fiscal year thereafter, the Advisory Committee shall—

(1) publish a report on peer-reviewed newborn screening guidelines, including follow-up and treatment, in the United States;

(2) submit such report to the appropriate committees of Congress, the Secretary, the Interagency Coordinating Committee established under Section 1114, and the State departments of health; and

(3) disseminate such report on as wide a basis as practicable, including through posting on the internet clearinghouse established under section 1112.

(f) MEETINGS.—The Advisory Committee shall meet at least 4 times each calendar year, or at the discretion of the Designated Federal Officer in consultation with the Chair.

(g) CONTINUATION OF OPERATION OF COMMITTEE.—

(1) IN GENERAL.—Notwithstanding section 1013 of title 5, United States Code, the Advisory Committee shall continue to operate through the end of fiscal year 2019.

(2) CONTINUATION IF NOT REAUTHORIZED.—If at the end of fiscal year 2019 the duration of the Advisory Committee has not been extended by statute, the Advisory Committee may be deemed, for purposes of chapter 10 of title 5, United States Code, an advisory committee established by the President or an officer of the Federal Government under section 1008(a) of title 5, United States Code.

SEC. 1112. [300b-11] CLEARINGHOUSE OF NEWBORN SCREENING INFORMATION.

(a) IN GENERAL.—The Secretary, acting through the Administrator of the Health Resources and Services Administration (referred to in this part as the “Administrator”), in consultation with the Director of the Centers for Disease Control and Prevention and the Director of the National Institutes of Health, shall establish and maintain a central clearinghouse of current educational and family support and services information, materials, resources, research, and data on newborn screening to—

(1) enable parents and family members of newborns, health professionals, industry representatives, and other members of the public to increase their awareness, knowledge, and understanding of newborn screening;

(2) increase awareness, knowledge, and understanding of newborn diseases and screening services for expectant individuals and families;

(3) maintain current information on quality indicators to measure performance of newborn screening, such as false-positive rates and other quality indicators as determined by the Advisory Committee under section 1111;

(4) maintain current information on the number of conditions for which screening is conducted in each State; and

(5) disseminate available evidence-based guidelines related to diagnosis, counseling, and treatment with respect to conditions detected by newborn screening.

(b) INTERNET AVAILABILITY.—The Secretary, acting through the Administrator, shall ensure that the clearinghouse described under subsection (a)—

(1) is available on the Internet;

(2) includes an interactive forum;

(3) is updated on a regular basis, but not less than quarterly; and

(4) provides—

(A) links to Government-sponsored, non-profit, and other Internet websites of laboratories that have demonstrated expertise in newborn screening that supply research-based information on newborn screening tests currently available throughout the United States;

(B) information about newborn conditions and screening services available in each State from laboratories certified under subpart 2 of part F of title III, including information about supplemental screening that is available but not required, in the State where the infant is born;

(C) current research on both treatable and not-yet treatable conditions for which newborn screening tests are available;

(D) the availability of Federal funding for newborn and child screening for heritable disorders including grants authorized under the Newborn Screening Saves Lives Reauthorization Act of 2014; and

(E) other relevant information as determined appropriate by the Secretary.

(c) NONDUPLICATION.—In carrying out activities under this section, the Secretary shall ensure that such activities minimize duplication and supplement, not supplant, existing information sharing efforts.

SEC. 1113. [300b-12] LABORATORY QUALITY AND SURVEILLANCE.

(a) IN GENERAL.—The Secretary, acting through the Director of the Centers for Disease Control and Prevention and taking into consideration the expertise of the Advisory Committee on Heritable Disorders in Newborns and Children established under section 1111, shall provide for—

(1) quality assurance for laboratories involved in screening newborns and children for heritable disorders, including quality assurance for newborn-screening tests, timeliness for processing such tests, performance evaluation services, and technical assistance and technology transfer to newborn screening laboratories to ensure analytic validity and utility of screening tests; and

(2) appropriate quality control and other performance test materials to evaluate the performance of new screening tools.

(b) SURVEILLANCE ACTIVITIES.—The Secretary, acting through the Director of the Centers for Disease Control and Prevention, and taking into consideration the expertise of the Advisory Committee on Heritable Disorders in Newborns and Children established under section 1111, may provide, as appropriate, for the coordination of surveillance activities, including—

(1) through standardized data collection and reporting, as well as the use of electronic health records; and

(2) by promoting data sharing regarding newborn screening with State-based birth defects and developmental disabilities monitoring programs.

SEC. 1114. [300b-13] INTERAGENCY COORDINATING COMMITTEE ON NEWBORN AND CHILD SCREENING.

(a) PURPOSE.—It is the purpose of this section to—

(1) assess existing activities and infrastructure, including activities on birth defects and developmental disabilities authorized under section 317C, in order to make recommendations for programs to collect, analyze, and make available data on the heritable disorders recommended by the Advisory Committee on Heritable Disorders in Newborns and Children under section 1111, including data on the incidence and prevalence of, as well as poor health outcomes resulting from, such disorders; and

(2) make recommendations for the establishment of regional centers for the conduct of applied epidemiological research on effective interventions to promote the prevention of poor health outcomes resulting from such disorders as well as

providing information and education to the public on such effective interventions.

(b) **ESTABLISHMENT.**—The Secretary shall establish an Interagency Coordinating Committee on Newborn and Child Screening (referred to in this section as the “Interagency Coordinating Committee”) to carry out the purpose of this section.

(c) **COMPOSITION.**—The Interagency Coordinating Committee shall be composed of the Director of the Centers for Disease Control and Prevention, the Administrator of the Health Resources and Services Administration, the Director of the Agency for Healthcare Research and Quality, the Commissioner of Food and Drugs, and the Director of the National Institutes of Health, or their designees.

(d) **ACTIVITIES.**—The Interagency Coordinating Committee shall—

(1) report to the Secretary and the appropriate committees of Congress on its recommendations related to the purpose described in subsection (a); and

(2) carry out other activities determined appropriate by the Secretary.

SEC. 1115. [300b–14] NATIONAL CONTINGENCY PLAN FOR NEWBORN SCREENING.

(a) **IN GENERAL.**—Not later than 180 days after the date of enactment of this section, the Secretary, acting through the Director of the Centers for Disease Control and Prevention and in consultation with the Administrator and State departments of health (or related agencies), shall develop a national contingency plan for newborn screening for use by a State, region, or consortium of States in the event of a public health emergency. The plan shall be updated as needed and at least every five years.

(b) **CONTENTS.**—The contingency plan developed under subsection (a) shall include a plan for—

(1) the collection and transport of specimens;

(2) the shipment of specimens to State newborn screening laboratories;

(3) the processing of specimens;

(4) the reporting of screening results to physicians and families;

(5) the diagnostic confirmation of positive screening results;

(6) ensuring the availability of treatment and management resources;

(7) educating families about newborn screening; and

(8) carrying out other activities determined appropriate by the Secretary.

SEC. 1116. [300b–15] HUNTER KELLY RESEARCH PROGRAM.

(a) **NEWBORN SCREENING ACTIVITIES.**—

(1) **IN GENERAL.**—The Secretary, in conjunction with the Director of the National Institutes of Health and taking into consideration the recommendations of the Advisory Committee, may continue carrying out, coordinating, and expanding research in newborn screening (to be known as “Hunter Kelly Newborn Screening Research Program”) including—

(A) identifying, developing, and testing the most promising new screening technologies, in order to improve already existing screening tests, increase the specificity of newborn screening, and expand the number of conditions for which screening tests are available;

(B) experimental treatments and disease management strategies for additional newborn conditions, and other genetic, metabolic, hormonal, or functional conditions that can be detected through newborn screening for which treatment is not yet available;

(C) providing research findings and data for newborn conditions under review by the Advisory Committee on Heritable Disorders in Newborns and Children to be added to the recommended uniform screening panel;

(D) conducting pilot studies on conditions recommended by the Advisory Committee on Heritable Disorders in Newborns and Children to ensure that screenings are ready for nationwide implementation; and

(E) other activities that would improve newborn screening, as identified by the Director.

(2) **ADDITIONAL NEWBORN CONDITION.**—For purposes of this subsection, the term “additional newborn condition” means any condition that is not one of the core conditions recommended by the Advisory Committee and adopted by the Secretary.

(b) **FUNDING.**—In carrying out the research program under this section, the Secretary and the Director shall ensure that entities receiving funding through the program will provide assurances, as practicable, that such entities will work in consultation with the appropriate State departments of health, and, as practicable, focus their research on screening technology not currently performed in the States in which the entities are located, and the conditions on the uniform screening panel (or the standard test existing on the uniform screening panel).

(c) **REPORTS.**—The Director is encouraged to include information about the activities carried out under this section in the biennial report required under section 403. If such information is included, the Director shall make such information available to be included on the Internet Clearinghouse established under section 1112.

(d) **NONDUPLICATION.**—In carrying out programs under this section, the Secretary shall minimize duplication and supplement, not supplant, existing efforts of the type carried out under this section.

(e) **PEER REVIEW.**—Nothing in this section shall be construed to interfere with the scientific peer-review process at the National Institutes of Health.

SEC. 1117. [300b-16] AUTHORIZATION OF APPROPRIATIONS FOR NEWBORN SCREENING PROGRAMS AND ACTIVITIES.

There are authorized to be appropriated—

(1) to carry out sections 1109, 1110, 1111, and 1112, \$11,900,000 for each of fiscal years 2015 through 2019; and

(2) to carry out section 1113, \$8,000,000 for each of fiscal years 2015 through 2019.

PART B—SUDDEN UNEXPECTED INFANT DEATH, SUDDEN INFANT DEATH SYNDROME, AND SUDDEN UNEXPECTED DEATH IN CHILDHOOD³

SEC. 1121. [300c-11] ADDRESSING SUDDEN UNEXPECTED INFANT DEATH AND SUDDEN UNEXPECTED DEATH IN CHILDHOOD.

(a) IN GENERAL.—The Secretary may develop, support, or maintain programs or activities to address sudden unexpected infant death and sudden unexpected death in childhood, including by—

(1) continuing to support the Sudden Unexpected Infant Death and Sudden Death in the Young Case Registry of the Centers for Disease Control and Prevention and other fatality case reporting systems that include data pertaining to sudden unexpected infant death and sudden unexpected death in childhood, as appropriate, including such systems supported by the Health Resources and Services Administration, in order to—

(A) increase the number of States and jurisdictions participating in such registries or systems; and

(B) improve the utility of such registries or systems, which may include—

(i) making summary data available to the public in a timely manner on the internet website of the Department of Health and Human Services, in a manner that, at a minimum, protects personal privacy to the extent required by applicable Federal and State law; and

(ii) making the data submitted to such registries or systems available to researchers, in a manner that, at a minimum, protects personal privacy to the extent required by applicable Federal and State law; and

(2) awarding grants or cooperative agreements to States, Indian Tribes, and Tribal organizations for purposes of—

(A) supporting fetal and infant mortality and child death review programs for sudden unexpected infant death and sudden unexpected death in childhood, including by establishing such programs at the local level;

(B) improving data collection related to sudden unexpected infant death and sudden unexpected death in childhood, including by—

(i) improving the completion of death scene investigations and comprehensive autopsies that include a review of clinical history and circumstances of death with appropriate ancillary testing; and

(ii) training medical examiners, coroners, death scene investigators, law enforcement personnel, emergency medical technicians, paramedics, emergency department personnel, and others who perform death scene investigations with respect to the deaths of infants and children, as appropriate;

³Section 2(1) of Public Law 116–273 amends the heading for part B which has been carried out above. The formatting and casing provided for in both the stricken and inserted matter does not conform with the existing style of the heading of such part B; however, it was executed to reflect the probable intent of Congress.

(C) identifying, developing, and implementing best practices to reduce or prevent sudden unexpected infant death and sudden unexpected death in childhood, including practices to reduce sleep-related infant deaths;

(D) increasing the voluntary inclusion, in registries established for the purpose of conducting research on sudden unexpected infant death and sudden unexpected death in childhood, of samples of tissues or genetic materials from autopsies that have been collected pursuant to Federal or State law and for which the parent or guardian has provided informed consent for inclusion in such registries;

(E) disseminating information and materials to health care professionals and the public on risk factors that contribute to sudden unexpected infant death and sudden unexpected death in childhood, which may include information on risk factors that contribute to sleep-related sudden unexpected infant death or sudden unexpected death in childhood; or

(F) providing information, referrals, or peer or follow-up support services to families who have experienced sudden unexpected infant death or sudden unexpected death in childhood.

(b) APPLICATION.—To be eligible to receive a grant or cooperative agreement under subsection (a)(2), a State, Indian Tribe, or Tribal organization shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, including information on how such State will ensure activities conducted under this section are coordinated with other federally-funded programs to reduce infant and child mortality, as appropriate.

(c) TECHNICAL ASSISTANCE.—The Secretary shall provide technical assistance to States, Tribes, and Tribal organizations receiving a grant or cooperative agreement under subsection (a)(2) for purposes of carrying out the program in accordance with this section.

(d) REPORTING FORMS.—

(1) IN GENERAL.—The Secretary shall, as appropriate, encourage the use of sudden unexpected infant death and sudden unexpected death in childhood reporting forms developed in collaboration with the Centers for Disease Control and Prevention to improve the quality of data submitted to the Sudden Unexpected Infant Death and Sudden Death in the Young Case Registry, and other fatality case reporting systems that include data pertaining to sudden unexpected infant death and sudden unexpected death in childhood.

(2) UPDATE OF FORMS.—The Secretary shall assess whether updates are needed to the sudden unexpected infant death investigation reporting form used by the Centers for Disease Control and Prevention in order to improve the use of such form with other fatality case reporting systems supported by the Department of Health and Human Services, and shall make such updates as appropriate.

(e) DEFINITIONS.—In this section:

(1) **SUDDEN INFANT DEATH SYNDROME.**—The term “sudden infant death syndrome” means a sudden unexpected infant death that remains unexplained after a thorough case investigation.

(2) **SUDDEN UNEXPECTED INFANT DEATH.**—The term “sudden unexpected infant death” means the sudden death of an infant under 1 year of age that when first discovered did not have an obvious cause. Such term includes such deaths that are explained, as well as deaths that remain unexplained (which are known as sudden infant death syndrome).

(3) **SUDDEN UNEXPECTED DEATH IN CHILDHOOD.**—The term “sudden unexpected death in childhood” means the sudden death of a child who is at least 1 year of age but not more than 17 years of age that, when first discovered, did not have an obvious cause. Such term includes such deaths that are explained, as well as deaths that remain unexplained (which are known as sudden unexplained death in childhood).

(4) **SUDDEN UNEXPLAINED DEATH IN CHILDHOOD.**—The term “sudden unexplained death in childhood” means a sudden unexpected death in childhood that remains unexplained after a thorough case investigation.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this section, there is authorized to be appropriated \$12,000,000 for each of fiscal years 2022 through 2026.

SUDDEN INFANT DEATH SYNDROME RESEARCH AND RESEARCH REPORTS

SEC. 1122. [300c–12] From the sums appropriated to the Eunice Kennedy Shriver National Institute of Child Health and Human Development, the Secretary shall assure that there are applied to research of the type described in subparagraphs (A) and (B) of subsection (b)(1) of this section such amounts each year as will be adequate, given the leads and findings then available from such research, in order to make maximum feasible progress toward identification of infants at risk of sudden infant death syndrome and prevention of sudden infant death syndrome.

PART C—HEMOPHILIA PROGRAMS

BLOOD SEPARATION CENTERS

SEC. 1132. [300c–22] (a) The Secretary may make grants to and enter into contracts with public and nonprofit private entities for projects to develop and expand, within existing facilities, blood-separation centers to separate and make available for distribution blood components to providers of blood services and manufacturers of blood fractions. For purposes of this section—

(1) the term “blood components” means those constituents of whole blood which are used for therapy and which are obtained by physical separation processes which result in licensed products such as red blood cells, platelets, white blood cells, AHF-rich plasma, fresh-frozen plasma, cryoprecipitate, and single unit plasma for infusion; and

(2) the term “blood fractions” means those constituents of plasma which are used for therapy and which are obtained by licensed fractionation processes presently used in manufacturing which result in licensed products such as normal serum albumin, plasma, protein fraction, prothrombin complex, fibrinogen, AHF concentrate, immune serum globulin, and hyperimmune globulins.

(b) In the event the Secretary finds that there is an insufficient supply of blood fractions available to meet the needs for treatment of persons suffering from hemophilia, and that public and other nonprofit private centers already engaged in the production of blood fractions could alleviate such insufficiency with assistance under this subsection, he may make grants not to exceed \$500,000 to such centers for the purposes of alleviating the insufficiency.

(c) No grant or contract may be made under subsection (a) or (b) unless an application therefor has been submitted to and approved by the Secretary. Such an application shall be in such form, submitted in such manner, and contain such information as the Secretary shall by regulation prescribe.

(d) Contracts may be entered into under subsection (a) without regard to section 3648 and 3709 of the Revised Statutes (31 U.S.C. 529; 41 U.S.C. 5).

(e) For the purpose of making payments under grants and contracts under subsections (a) and (b), there are authorized to be appropriated \$4,000,000 for fiscal year 1976, \$5,000,000 for the fiscal year ending September 30, 1977, \$3,450,000 for the fiscal year ending September 30, 1978, \$2,500,000 for the fiscal year ending September 30, 1979, \$3,000,000 for the fiscal year ending September 30, 1980, \$3,500,000 for the fiscal year ending September 30, 1981.

TITLE XII—TRAUMA CARE

PART A—GENERAL AUTHORITY AND DUTIES OF SECRETARY

SEC. 1201. [300d] ESTABLISHMENT.

(a) IN GENERAL.—The Secretary shall, with respect to trauma care—

(1) conduct and support research, training, evaluations, and demonstration projects;

(2) foster the development of appropriate, modern systems of such care through the sharing of information among agencies and individuals involved in the study and provision of such care;

(3) collect, compile, analyze, and disseminate information on the achievements of, and problems experienced by, State and local agencies and private entities in providing trauma care and emergency medical services and, in so doing, give special consideration to the unique needs of rural areas and medically underserved areas;

(4) provide to State and local agencies technical assistance to enhance each State’s capability to develop, implement, and sustain the trauma care component of each State’s plan for the provision of emergency medical services; and

(5) promote the collection and categorization of trauma data in a consistent and standardized manner.

(b) **TRAUMA CARE READINESS AND COORDINATION.**—The Secretary, acting through the Assistant Secretary for Preparedness and Response, shall support the efforts of States and consortia of States to coordinate and improve emergency medical services and trauma care during a public health emergency declared by the Secretary pursuant to section 319 or a major disaster or emergency declared by the President under section 401 or 501, respectively, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act. Such support may include—

(1) developing, issuing, and updating guidance, as appropriate, to support the coordinated medical triage and evacuation to appropriate medical institutions based on patient medical need, taking into account regionalized systems of care;

(2) disseminating, as appropriate, information on evidence-based or evidence-informed trauma care practices, taking into consideration emergency medical services and trauma care systems, including such practices identified through activities conducted under subsection (a) and which may include the identification and dissemination of performance metrics, as applicable and appropriate; and

(3) other activities, as appropriate, to optimize a coordinated and flexible approach to the emergency response and medical surge capacity of hospitals, other health care facilities, critical care, and emergency medical systems.

(c) **GRANTS, COOPERATIVE AGREEMENTS, AND CONTRACTS.**—The Secretary may make grants, and enter into cooperative agreements and contracts, for the purpose of carrying out subsection (a).

SEC. 1202. [300d-3] GRANTS TO IMPROVE TRAUMA CARE IN RURAL AREAS.

(a) **IN GENERAL.**—The Secretary shall award grants to eligible entities for the purpose of carrying out research and demonstration projects to support the improvement of emergency medical services and trauma care in rural areas through the development of innovative uses of technology, training and education, transportation of seriously injured patients for the purposes of receiving such emergency medical services, access to prehospital care, evaluation of protocols for the purposes of improvement of outcomes and dissemination of any related best practices, activities to facilitate clinical research, as applicable and appropriate, and increasing communication and coordination with applicable State or Tribal trauma systems.

(b) **ELIGIBLE ENTITIES.**—

(1) **IN GENERAL.**—To be eligible to receive a grant under this section, an entity shall be a public or private entity that provides trauma care in a rural area.

(2) **PRIORITY.**—In awarding grants under this section, the Secretary shall give priority to eligible entities that will provide services under the grant in any rural area identified by a State under section 1214(d)(1).

(c) **REQUIREMENT OF APPLICATION.**—The Secretary may not make a grant under subsection (a) unless an application for the grant is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, as—

surances, and information as the Secretary determines to be necessary to carry out this section.

(d) **REPORTS.**—An entity that receives a grant under this section shall submit to the Secretary such reports as the Secretary may require to inform administration of the program under this section.

SEC. 1203. [300d-5] COMPETITIVE GRANTS FOR TRAUMA SYSTEMS FOR THE IMPROVEMENT OF TRAUMA CARE.

(a) **IN GENERAL.**—The Secretary, acting through the Assistant Secretary for Preparedness and Response, may make grants to States, political subdivisions, or consortia of States or political subdivisions for the purpose of improving access to and enhancing the development of trauma care systems.

(b) **USE OF FUNDS.**—The Secretary may make a grant under this section only if the applicant agrees to use the grant—

(1) to integrate and broaden the reach of a trauma care system, such as by developing innovative protocols to increase access to prehospital care;

(2) to strengthen, develop, and improve an existing trauma care system;

(3) to expand communications between the trauma care system and emergency medical services through improved equipment or a telemedicine system;

(4) to improve data collection and retention; or

(5) to increase education, training, and technical assistance opportunities, such as training and continuing education in the management of emergency medical services accessible to emergency medical personnel in rural areas through telehealth, home studies, and other methods.

(c) **PREFERENCE.**—In selecting among States, political subdivisions, and consortia of States or political subdivisions for purposes of making grants under this section, the Secretary shall give preference to applicants that—

(1) have developed a process, using national standards, for designating trauma centers;

(2) recognize protocols for the delivery of seriously injured patients to trauma centers;

(3) implement a process for evaluating the performance of the trauma system; and

(4) agree to participate in information systems described in section 1202 by collecting, providing, and sharing information.

(d) **PRIORITY.**—In making grants under this section, the Secretary shall give priority to applicants that will use the grants to focus on improving access to trauma care systems.

(e) **SPECIAL CONSIDERATION.**—In awarding grants under this section, the Secretary shall give special consideration to projects that demonstrate strong State or local support, including availability of non-Federal contributions.

SEC. 1204. [300d-6] COMPETITIVE GRANTS FOR TRAUMA CENTERS.

(a) **IN GENERAL.**—The Secretary, acting through the Assistant Secretary for Preparedness and Response, shall award not fewer than 4 multiyear contracts or competitive grants to eligible entities to support pilot projects to design, implement, and evaluate new or

existing innovative models of regionalized, comprehensive, and accountable emergency medical and trauma systems, and improve access to trauma care within such systems.

(b) ELIGIBLE ENTITY; REGION.—In this section:

(1) ELIGIBLE ENTITY.—The term “eligible entity” means—

(A) a State or consortia of States;

(B) an Indian Tribe or Tribal organization (as defined in section 4 of the Indian Self-Determination and Education Assistance Act);

(C) a consortium of level I, II, or III trauma centers designated by applicable State or local agencies within an applicable State or region, and, as applicable, other emergency services providers; or

(D) a consortium or partnership of nonprofit Indian Health Service, Indian Tribal, and urban Indian trauma centers.

(2) REGION.—The term “region” means an area within a State, an area that lies within multiple States, or a similar area (such as a multicounty area), as determined by the Secretary.

(3) EMERGENCY SERVICES.—The term “emergency services” includes acute, prehospital, and trauma care.

(c) PILOT PROJECTS.—The Secretary shall award a contract or grant under subsection (a) to an eligible entity to design, implement, and evaluate a new or existing emergency medical and trauma system. Such eligible entity shall use amounts awarded under this subsection to carry out 2 or more of the following activities:

(1) Strengthening coordination and communication with public health and safety services, emergency medical services, medical facilities, trauma centers, and other entities in a region to develop approaches to improve situational awareness and emergency medical and trauma system access.

(2) Providing a mechanism, such as a regional medical direction or transport communications system, that operates throughout the region to support patient movement to ensure that the patient is taken to the medically appropriate facility (whether an initial facility or a higher-level facility) in a timely fashion.

(3) Improving the tracking of prehospital and hospital resources, including inpatient bed capacity, emergency department capacity, trauma center capacity, on-call specialist coverage, ambulance diversion status, and the coordination of such tracking with regional communications and hospital destination decisions.

(4) Supporting a consistent region-wide prehospital, hospital, and interfacility data management system that—

(A) submits data to the National EMS Information System, the National Trauma Data Bank, and others;

(B) reports data to appropriate Federal and State databanks and registries; and

(C) contains information sufficient to evaluate key elements of prehospital care, hospital destination decisions, including initial hospital and interfacility decisions, and relevant health outcomes of hospital care.

(5) Establishing, implementing, and disseminating, or utilizing existing, as applicable, evidence-based or evidence-informed practices across facilities within such emergency medical and trauma system to improve health outcomes, including such practices related to management of injuries, and the ability of such facilities to surge.

(6) Conducting activities to facilitate clinical research, as applicable and appropriate.

(d) APPLICATION.—

(1) IN GENERAL.—An eligible entity that seeks a contract or grant described in subsection (a) shall submit to the Secretary an application at such time and in such manner as the Secretary may require.

(2) APPLICATION INFORMATION.—Each application shall include—

(A) an assurance from the eligible entity that the applicable emergency medical and trauma system system—

(i) has been coordinated with the applicable State Office of Emergency Medical Services (or equivalent State office or Tribal entity);

(ii) includes consistent indirect and direct medical oversight of prehospital, hospital, and interfacility transport throughout the region;

(iii) coordinates prehospital treatment and triage, hospital destination, and interfacility transport throughout the region;

(iv) includes a categorization or designation system for special medical facilities throughout the region that is integrated with transport and destination protocols;

(v) includes a regional medical direction, patient tracking, and resource allocation system that supports day-to-day emergency care and surge capacity and is integrated with other components of the national and State emergency preparedness system; and

(vi) addresses pediatric concerns related to integration, planning, preparedness, and coordination of emergency medical services for infants, children and adolescents;

(B) for eligible entities described in subparagraph (C) or (D) of subsection (b)(1), a description of, and evidence of, coordination with the applicable State Office of Emergency Medical Services (or equivalent State Office) or applicable such office for a Tribe or Tribal organization; and

(C) such other information as the Secretary may require.

(e) REQUIREMENT OF MATCHING FUNDS.—

(1) IN GENERAL.—The Secretary may not make a grant under this section unless the State (or consortia of States) involved agrees, with respect to the costs to be incurred by the State (or consortia) in carrying out the purpose for which such grant was made, to make available non-Federal contributions (in cash or in kind under paragraph (2)) toward such costs in an amount equal to not less than \$1 for each \$3 of Federal

funds provided in the grant. Such contributions may be made directly or through donations from public or private entities.

(2) NON-FEDERAL CONTRIBUTIONS.—Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including equipment or services (and excluding indirect or overhead costs). Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(3) EFFECTIVE DATE.—The matching requirement described in paragraph (1) shall take effect on October 1, 2025.

(f) PRIORITY.—The Secretary shall give priority for the award of the contracts or grants described in subsection (a) to any eligible entity that serves a medically underserved population (as defined in section 330(b)(3)).

(g) REPORT.—Not later than 90 days after the completion of a pilot project under subsection (a), the recipient of such contract or grant shall submit to the Secretary a report containing the results of an evaluation of the program, including an identification of—

(1) the impact of the regional, accountable emergency care and trauma system on patient health outcomes for various critical care categories, such as trauma, stroke, cardiac emergencies, neurological emergencies, and pediatric emergencies;

(2) opportunities for improvement, including recommendations for how to improve the effectiveness and efficiency of the program (or lack thereof);

(3) methods of assuring the long-term financial sustainability of the emergency care and trauma system;

(4) the barriers to developing regionalized, accountable emergency care and trauma systems, as well as the methods to overcome such barriers;

(5) recommendations on the utilization of available funding for future regionalization efforts; and

(6) any evidence-based or evidence-informed strategies developed or utilized pursuant to subsection (c)(5).

(h) DISSEMINATION OF FINDINGS.—Not later than 1 year after the completion of the final project under subsection (a), the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report describing the information contained in each report submitted pursuant to subsection (g) and any additional actions planned by the Secretary related to regionalized emergency care and trauma systems.

PART B—FORMULA GRANTS WITH RESPECT TO MODIFICATIONS OF STATE PLANS

SEC. 1211. [300d-11] ESTABLISHMENT OF PROGRAM.

(a) REQUIREMENT OF ALLOTMENTS FOR STATES.—The Secretary shall for each fiscal year make an allotment for each State in an amount determined in accordance with section 1218. The Secretary shall make payments, as grants, each fiscal year to each State from the allotment for the State if the Secretary approves for the fiscal

year involved an application submitted by the State pursuant to section 1217.

(b) **PURPOSE.**—Except as provided in section 1233, the Secretary may not make payments under this part for a fiscal year unless the State involved agrees that, with respect to the trauma care component of the State plan for the provision of emergency medical services, the payments will be expended only for the purpose of developing, implementing, and monitoring the modifications to such component described in section 1213.

SEC. 1212. [300d-12] REQUIREMENT OF MATCHING FUNDS FOR FISCAL YEARS SUBSEQUENT TO FIRST FISCAL YEAR OF PAYMENTS.

(a) **NON-FEDERAL CONTRIBUTIONS.**—

(1) **IN GENERAL.**—The Secretary may not make payments under section 1211(a) unless the State involved agrees, with respect to the costs described in paragraph (2), to make available non-Federal contributions (in cash or in kind under subsection (b)(1)) toward such costs in an amount that—

(A) for the second and third fiscal years of such payments to the State, is not less than \$1 for each \$1 of Federal funds provided in such payments for such fiscal years; and

(B) for the fourth and subsequent fiscal years of such payments to the State, is not less than \$2 for each \$1 of Federal funds provided in such payments for such fiscal years.

(2) **PROGRAM COSTS.**—The costs referred to in paragraph (1) are—

(A) the costs to be incurred by the State in carrying out the purpose described in section 1211(b); or

(B) the costs of improving the quality and availability of emergency medical services in rural areas of the State.

(3) **INITIAL YEAR OF PAYMENTS.**—The Secretary may not require a State to make non-Federal contributions as a condition of receiving payments under section 1211(a) for the first fiscal year of such payments to the State.

(b) **DETERMINATION OF AMOUNT OF NON-FEDERAL CONTRIBUTION.**—With respect to compliance with subsection (a) as a condition of receiving payments under section 1211(a)—

(1) a State may make the non-Federal contributions required in such subsection in cash or in kind, fairly evaluated, including plant, equipment, or services; and

(2) the Secretary may not, in making a determination of the amount of non-Federal contributions, include amounts provided by the Federal Government or services assisted or subsidized to any significant extent by the Federal Government.

SEC. 1213. [300d-13] REQUIREMENTS WITH RESPECT TO CARRYING OUT PURPOSE OF ALLOTMENTS.

(a) **TRAUMA CARE MODIFICATIONS TO STATE PLAN FOR EMERGENCY MEDICAL SERVICES.**—With respect to the trauma care component of a State plan for the provision of emergency medical services, the modifications referred to in section 1211(b) are such modifications to the State plan as may be necessary for the State in-

volved to ensure that the plan provides for access to the highest possible quality of trauma care, and that the plan—

(1) specifies that the modifications required pursuant to paragraphs (2) through (11) will be implemented by the principal State agency with respect to emergency medical services or by the designee of such agency;

(2) specifies a public or private entity that will designate trauma care regions and trauma centers in the State;

(3) subject to subsection (b), contains national standards and requirements of the American College of Surgeons or another appropriate entity for the designation of level I and level II trauma centers, and in the case of rural areas level III trauma centers (including trauma centers with specified capabilities and expertise in the care of pediatric trauma patients), by such entity, including standards and requirements for—

(A) the number and types of trauma patients for whom such centers must provide care in order to ensure that such centers will have sufficient experience and expertise to be able to provide quality care for victims of injury;

(B) the resources and equipment needed by such centers; and

(C) the availability of rehabilitation services for trauma patients;

(4) contains standards and requirements for the implementation of regional trauma care systems, including standards and guidelines (consistent with the provisions of section 1867 of the Social Security Act) for medically directed triage and transportation of trauma patients (including patients injured in rural areas) prior to care in designated trauma centers;

(5) subject to subsection (b), contains national standards and requirements, including those of the American Academy of Pediatrics and the American College of Emergency Physicians, for medically directed triage and transport of severely injured children to designated trauma centers with specified capabilities and expertise in the care of pediatric trauma patients;

(6) utilizes a program with procedures for the evaluation of designated trauma centers (including trauma centers described in paragraph (5)) and trauma care systems;

(7) provides for the establishment and collection of data in accordance with data collection requirements developed in consultation with surgical, medical, and nursing specialty groups, State and local emergency medical services directors, and other trained professionals in trauma care, from each designated trauma center in the State of a central data reporting and analysis system—

(A) to identify the number of severely injured trauma patients and the number of deaths from trauma within trauma care systems in the State;

(B) to identify the cause of the injury and any factors contributing to the injury;

(C) to identify the nature and severity of the injury;

(D) to monitor trauma patient care (including prehospital care) in each designated trauma center within regional trauma care systems in the State (including rel-

evant emergency-department discharges and rehabilitation information) for the purpose of evaluating the diagnosis, treatment, and treatment outcome of such trauma patients;

(E) to identify the total amount of uncompensated trauma care expenditures for each fiscal year by each designated trauma center in the State; and

(F) to identify patients transferred within a regional trauma system, including reasons for such transfer and the outcomes of such patients;

(8) provides for the use of procedures by paramedics and emergency medical technicians to assess the severity of the injuries incurred by trauma patients;

(9) provides for appropriate transportation and transfer policies to ensure the delivery of patients to designated trauma centers and other facilities within and outside of the jurisdiction of such system, including policies to ensure that only individuals appropriately identified as trauma patients are transferred to designated trauma centers, and to provide periodic reviews of the transfers and the auditing of such transfers that are determined to be appropriate;

(10) conducts public education activities concerning injury prevention and obtaining access to trauma care;

(11) coordinates planning for trauma systems with State disaster emergency planning and bioterrorism hospital preparedness planning; and

(12) with respect to the requirements established in this subsection, provides for coordination and cooperation between the State and any other State with which the State shares any standard metropolitan statistical area.

(b) CERTAIN STANDARDS WITH RESPECT TO TRAUMA CARE CENTERS AND SYSTEMS.—

(1) IN GENERAL.—The Secretary may not make payments under section 1211(a) for a fiscal year unless the State involved agrees that, in carrying out paragraphs (3) through (5) of subsection (a), the State will adopt standards for the designation of trauma centers, and for triage, transfer, and transportation policies, and that the State will, in adopting such standards—

(A) take into account national standards that outline resources for optimal care of injured patients;

(B) consult with medical, surgical, and nursing specialty groups, hospital associations, emergency medical services State and local directors, concerned advocates, and other interested parties;

(C) conduct hearings on the proposed standards after providing adequate notice to the public concerning such hearing; and

(D) beginning in fiscal year 2008, take into account the model plan described in subsection (c).

(2) QUALITY OF TRAUMA CARE.—The highest quality of trauma care shall be the primary goal of State standards adopted under this subsection.

(3) APPROVAL BY THE SECRETARY.—The Secretary may not make payments under section 1211(a) to a State if the Secretary determines that—

(A) in the case of payments for fiscal year 2008 and subsequent fiscal years, the State has not taken into account national standards, including those of the American College of Surgeons, the American College of Emergency Physicians, and the American Academy of Pediatrics, in adopting standards under this subsection; or

(B) in the case of payments for fiscal year 2008 and subsequent fiscal years, the State has not, in adopting such standards, taken into account the model plan developed under subsection (c).

(c) MODEL TRAUMA CARE PLAN.—

(1) IN GENERAL.—Not later than 1 year after the date of the enactment of the Trauma Care Systems Planning and Development Act of 2007, the Secretary shall update the model plan for the designation of trauma centers and for triage, transfer, and transportation policies that may be adopted for guidance by the State. Such plan shall—

(A) take into account national standards, including those of the American College of Surgeons, American College of Emergency Physicians, and the American Academy of Pediatrics;

(B) take into account existing State plans;

(C) be developed in consultation with medical, surgical, and nursing speciality groups, hospital associations, emergency medical services State directors and associations, and other interested parties; and

(D) include standards for the designation of rural health facilities and hospitals best able to receive, stabilize, and transfer trauma patients to the nearest appropriate designated trauma center, and for triage, transfer, and transportation policies as they relate to rural areas.

(2) APPLICABILITY.—Standards described in paragraph (1)(D) shall be applicable to all rural areas in the State, including both non-metropolitan areas and frontier areas that have populations of less than 6,000 per square mile.

(d) RULE OF CONSTRUCTION WITH RESPECT TO NUMBER OF DESIGNATED TRAUMA CENTERS.—With respect to compliance with subsection (a) as a condition of the receipt of a grant under section 1211(a), such subsection may not be construed to specify the number of trauma care centers designated pursuant to such subsection.

SEC. 1214. [300d-14] REQUIREMENT OF SUBMISSION TO SECRETARY OF TRAUMA PLAN AND CERTAIN INFORMATION.

(a) IN GENERAL.—For each fiscal year, the Secretary may not make payments to a State under section 1211(a) unless, subject to subsection (b), the State submits to the Secretary the trauma care component of the State plan for the provision of emergency medical services, including any changes to the trauma care component and any plans to address deficiencies in the trauma care component.

(b) INTERIM PLAN OR DESCRIPTION OF EFFORTS.—For each fiscal year, if a State has not completed the trauma care component of the State plan described in subsection (a), the State may provide,

in lieu of such completed component, an interim component or a description of efforts made toward the completion of the component.

(c) **INFORMATION RECEIVED BY STATE REPORTING AND ANALYSIS SYSTEM.**—The Secretary may not make payments to a State under section 1211(a) unless the State agrees that the State will, not less than once each year, provide to the Secretary the information received by the State pursuant to section 1213(a)(7).

(d) **AVAILABILITY OF EMERGENCY MEDICAL SERVICES IN RURAL AREAS.**—The Secretary may not make payments to a State under section 1211(a) unless—

(1) the State identifies any rural area in the State for which—

(A) there is no system of access to emergency medical services through the telephone number 911;

(B) there is no basic life-support system; or

(C) there is no advanced life-support system; and

(2) the State submits to the Secretary a list of rural areas identified pursuant to paragraph (1) or, if there are no such areas, a statement that there are no such areas.

SEC. 1215. [300d-15] RESTRICTIONS ON USE OF PAYMENTS.

(a) **IN GENERAL.**—The Secretary may not, except as provided in subsection (b), make payments under section 1211(a) for a fiscal year unless the State involved agrees that the payments will not be expended—

(1) for any purpose other than developing, implementing, and monitoring the modifications required by section 1211(b) to be made to the State plan for the provision of emergency medical services;

(2) to make cash payments to intended recipients of services provided pursuant to this section;

(3) to purchase or improve real property (other than minor remodeling of existing improvements to real property);

(4) to satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds; or

(5) to provide financial assistance to any entity other than a public or nonprofit private entity.

(b) **WAIVER.**—The Secretary may waive a restriction under subsection (a) only if the Secretary determines that the activities outlined by the State plan submitted under section 1214(a) by the State involved cannot otherwise be carried out.

SEC. 1217. [300d-17] REQUIREMENT OF SUBMISSION OF APPLICATION CONTAINING CERTAIN AGREEMENTS AND ASSURANCES.

The Secretary may not make payments under section 1211(a) to a State for a fiscal year unless—

(1) the State submits to the Secretary an application for the payments containing agreements in accordance with this part;

(2) the agreements are made through certification from the chief executive officer of the State;

(3) with respect to such agreements, the application provides assurances of compliance satisfactory to the Secretary;

(4) the application contains the plan provisions and the information required to be submitted to the Secretary pursuant to section 1214; and

(5) the application otherwise is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this part.

SEC. 1218. [300d-18] DETERMINATION OF AMOUNT OF ALLOTMENT.

(a) **MINIMUM ALLOTMENT.**—Subject to the extent of amounts made available in appropriations Acts, the amount of an allotment under section 1211(a) for a State for a fiscal year shall be the greater of—

(1) the amount determined under subsection (b)(1); and

(2) \$250,000 in the case of each of the several States, the District of Columbia, and the Commonwealth of Puerto Rico, and \$50,000 in the case of each of the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(b) **DETERMINATION UNDER FORMULA.**—

(1) **IN GENERAL.**—The amount referred to in subsection (a)(1) for a State for a fiscal year is the sum of—

(A) an amount determined under paragraph (2); and

(B) an amount determined under paragraph (3).

(2) **AMOUNT RELATING TO POPULATION.**—The amount referred to in subparagraph (A) of paragraph (1) for a State for a fiscal year is the product of—

(A) an amount equal to 80 percent of the amounts appropriated under section 1232(a) for the fiscal year and available for allotment under section 1211(a); and

(B) a percentage equal to the quotient of—

(i) an amount equal to the population of the State; divided by

(ii) an amount equal to the population of all States.

(3) **AMOUNT RELATING TO SQUARE MILEAGE.**—The amount referred to in subparagraph (B) of paragraph (1) for a State for a fiscal year is the product of—

(A) an amount equal to 20 percent of the amounts appropriated under section 1232(a) for the fiscal year and available for allotment under section 1211(a); and

(B) a percentage equal to the quotient of—

(i) an amount equal to the lesser of 266,807 and the amount of the square mileage of the State; divided by

(ii) an amount equal to the sum of the respective amounts determined for the States under clause (i).

(c) **DISPOSITION OF CERTAIN FUNDS APPROPRIATED FOR ALLOTMENTS.**—

(1) **IN GENERAL.**—Amounts described in paragraph (2) shall, in accordance with paragraph (3), be allotted by the Secretary to States receiving payments under section 1211(a) for the fiscal year (other than any State referred to in paragraph (2)(C)).

(2) TYPE OF AMOUNTS.—The amounts referred to in paragraph (1) are any amounts made available pursuant to 1232(b)(3) that are not paid under section 1211(a) to a State as a result of—

(A) the failure of the State to submit an application under section 1217;

(B) the failure, in the determination of the Secretary, of the State to prepare within a reasonable period of time such application in compliance with such section; or

(C) the State informing the Secretary that the State does not intend to expend the full amount of the allotment made for the State.

(3) AMOUNT.—The amount of an allotment under paragraph (1) for a State for a fiscal year shall be an amount equal to the product of—

(A) an amount equal to the amount described in paragraph (2) for the fiscal year involved; and

(B) the percentage determined under subsection (b)(2) for the State.

SEC. 1219. [300d-19] FAILURE TO COMPLY WITH AGREEMENTS.

(a) REPAYMENT OF PAYMENTS.—

(1) REQUIREMENT.—The Secretary may, in accordance with subsection (b), require a State to repay any payments received by the State pursuant to section 1211(a) that the Secretary determines were not expended by the State in accordance with the agreements required to be made by the State as a condition of the receipt of payments under such section.

(2) OFFSET OF AMOUNTS.—If a State fails to make a repayment required in paragraph (1), the Secretary may offset the amount of the repayment against any amount due to be paid to the State under section 1211(a).

(b) OPPORTUNITY FOR A HEARING.—Before requiring repayment of payments under subsection (a)(1), the Secretary shall provide to the State an opportunity for a hearing.

SEC. 1220. [300d-20] PROHIBITION AGAINST CERTAIN FALSE STATEMENTS.

(a) IN GENERAL.—

(1) FALSE STATEMENTS OR REPRESENTATIONS.—A person may not knowingly and willfully make or cause to be made any false statement or representation of a material fact in connection with the furnishing of items or services for which payments may be made by a State from amounts paid to the State under section 1211(a).

(2) CONCEALING OR FAILING TO DISCLOSE INFORMATION.—A person with knowledge of the occurrence of any event affecting the right of the person to receive any payments from amounts paid to the State under section 1211(a) may not conceal or fail to disclose any such event with the intent of fraudulently securing such amount.

(b) CRIMINAL PENALTY FOR VIOLATION OF PROHIBITION.—Any person who violates a prohibition established in subsection (a) may for each violation be fined in accordance with title 18, United States Code, or imprisoned for not more than 5 years, or both.

SEC. 1221. [300d-21] TECHNICAL ASSISTANCE AND PROVISION BY SECRETARY OF SUPPLIES AND SERVICES IN LIEU OF GRANT FUNDS.

(a) **TECHNICAL ASSISTANCE.**—The Secretary shall, without charge to a State receiving payments under section 1211(a), provide to the State (or to any public or nonprofit private entity designated by the State) technical assistance with respect to the planning, development, and operation of any program carried out pursuant to section 1211(b). The Secretary may provide such technical assistance directly, through contract, or through grants.

(b) **PROVISION BY SECRETARY OF SUPPLIES AND SERVICES IN LIEU OF GRANT FUNDS.**—

(1) **IN GENERAL.**—Upon the request of a State receiving payments under section 1211(a), the Secretary may, subject to paragraph (2), provide supplies, equipment, and services for the purpose of aiding the State in carrying out section 1211(b) and, for such purpose, may detail to the State any officer or employee of the Department of Health and Human Services.

(2) **REDUCTION IN PAYMENTS.**—With respect to a request described in paragraph (1), the Secretary shall reduce the amount of payments to the State under section 1211(a) by an amount equal to the costs of detailing personnel and the fair market value of any supplies, equipment, or services provided by the Secretary. The Secretary shall, for the payment of expenses incurred in complying with such request, expend the amounts withheld.

SEC. 1222. [300d-22] REPORT BY SECRETARY.

Not later than October 1, 2008, the Secretary shall report to the appropriate committees of Congress on the activities of the States carried out pursuant to section 1211. Such report shall include an assessment of the extent to which Federal and State efforts to develop systems of trauma care and to designate trauma centers have reduced the incidence of mortality, and the incidence of permanent disability, resulting from trauma. Such report may include any recommendations of the Secretary for appropriate administrative and legislative initiatives with respect to trauma care.

PART C—GENERAL PROVISIONS REGARDING PARTS A AND B**SEC. 1231. [300d-31] DEFINITIONS.**

For purposes of this part and parts A and B:

(1) **DESIGNATED TRAUMA CENTER.**—The term “designated trauma center” means a trauma center designated in accordance with the modifications to the State plan described in section 1213.

(2) **STATE PLAN REGARDING EMERGENCY MEDICAL SERVICES.**—The term “State plan”, with respect to the provision of emergency medical services, means a plan for a comprehensive, organized system to provide for the access, response, triage, field stabilization, transport, hospital stabilization, definitive care, and rehabilitation of patients of all ages with respect to emergency medical services.

(3) **STATE.**—The term “State” means each of the several States, the District of Columbia, the Commonwealth of Puerto

Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(4) TRAUMA.—The term “trauma” means an injury resulting from exposure to—

(A) a mechanical force; or

(B) another extrinsic agent, including an extrinsic agent that is thermal, electrical, chemical, or radioactive.

(5) TRAUMA CARE COMPONENT OF STATE PLAN.—The term “trauma care component”, with respect to components of the State plan for the provision of emergency medical services, means a plan for a comprehensive health care system, within rural and urban areas of the State, for the prompt recognition, prehospital care, emergency medical care, acute surgical and medical care, rehabilitation, and outcome evaluation of seriously injured patients.

SEC. 1232. [300d-32] FUNDING.

(a) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out parts A and B, subject to subsections (b) and (c), there are authorized to be appropriated \$24,000,000 for each of fiscal years 2023 through 2027.

(b) RESERVATION OF FUNDS.—If the amount appropriated under subsection (a) for a fiscal year is equal to or less than \$1,000,000, such appropriation is available only for the purpose of carrying out part A. If the amount so appropriated is greater than \$1,000,000, 50 percent of such appropriation shall be made available for the purpose of carrying out part A and 50 percent shall be made available for the purpose of carrying out part B.

(c) ALLOCATION OF PART A FUNDS.—Of the amounts appropriated under subsection (a) for a fiscal year to carry out part A—

(1) 10 percent of such amounts for such year shall be allocated for administrative purposes; and

(2) 10 percent of such amounts for such year shall be allocated for the purpose of carrying out section 1202.

(d) AUTHORITY.—For the purpose of carrying out parts A through C, beginning on the date of enactment of the Patient Protection and Affordable Care Act, the Secretary shall transfer authority in administering grants and related authorities under such parts from the Administrator of the Health Resources and Services Administration to the Assistant Secretary for Preparedness and Response.

**PART D—TRAUMA CENTERS OPERATING IN AREAS SEVERELY
AFFECTED BY DRUG-RELATED VIOLENCE**

SEC. 1241. [300d-41] GRANTS FOR CERTAIN TRAUMA CENTERS.

(a) IN GENERAL.—The Secretary shall establish 3 programs to award grants to qualified public, nonprofit Indian Health Service, Indian tribal, and urban Indian trauma centers—

(1) to assist in defraying substantial uncompensated care costs;

(2) to further the core missions of such trauma centers, including by addressing costs associated with patient stabilization and transfer, trauma education and outreach, coordination with local and regional trauma systems, essential personnel

and other fixed costs, and expenses associated with employee and non-employee physician services; and

(3) to provide emergency relief to ensure the continued and future availability of trauma services.

(b) MINIMUM QUALIFICATIONS OF TRAUMA CENTERS.—

(1) PARTICIPATION IN TRAUMA CARE SYSTEM OPERATING UNDER CERTAIN PROFESSIONAL GUIDELINES.—Except as provided in paragraph (2), the Secretary may not award a grant to a trauma center under subsection (a) unless the trauma center is a participant in a trauma system that substantially complies with section 1213.

(2) EXEMPTION.—Paragraph (1) shall not apply to trauma centers that are located in States with no existing trauma care system.

(3) QUALIFICATION FOR SUBSTANTIAL UNCOMPENSATED CARE COSTS.—The Secretary shall award substantial uncompensated care grants under subsection (a)(1) only to trauma centers meeting at least 1 of the criteria in 1 of the following 3 categories:

(A) CATEGORY A.—The criteria for category A are as follows:

(i) At least 40 percent of the visits in the emergency department of the hospital in which the trauma center is located were charity or self-pay patients.

(ii) At least 50 percent of the visits in such emergency department were Medicaid (under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.)) and charity and self-pay patients combined.

(B) CATEGORY B.—The criteria for category B are as follows:

(i) At least 35 percent of the visits in the emergency department were charity or self-pay patients.

(ii) At least 50 percent of the visits in the emergency department were Medicaid and charity and self-pay patients combined.

(C) CATEGORY C.—The criteria for category C are as follows:

(i) At least 20 percent of the visits in the emergency department were charity or self-pay patients.

(ii) At least 30 percent of the visits in the emergency department were Medicaid and charity and self-pay patients combined.

(4) TRAUMA CENTERS IN 1115 WAIVER STATES.—Notwithstanding paragraph (3), the Secretary may award a substantial uncompensated care grant to a trauma center under subsection (a)(1) if the trauma center qualifies for funds under a Low Income Pool or Safety Net Care Pool established through a waiver approved under section 1115 of the Social Security Act (42 U.S.C. 1315).

(5) DESIGNATION.—The Secretary may not award a grant to a trauma center unless such trauma center is verified by the American College of Surgeons or designated by an equivalent State or local agency.

(c) **ADDITIONAL REQUIREMENTS.**—The Secretary may not award a grant to a trauma center under subsection (a)(1) unless such trauma center—

(1) submits to the Secretary a plan satisfactory to the Secretary that demonstrates a continued commitment to serving trauma patients regardless of their ability to pay; and

(2) has policies in place to assist patients who cannot pay for part or all of the care they receive, including a sliding fee scale, and to ensure fair billing and collection practices.

SEC. 1242. [300d-42] PREFERENCES IN MAKING GRANTS.

(a) **SUBSTANTIAL UNCOMPENSATED CARE AWARDS.**—

(1) **IN GENERAL.**—The Secretary shall establish an award basis for each eligible trauma center for grants under section 1241(a)(1) according to the percentage described in paragraph (2), subject to the requirements of section 1241(b)(3).

(2) **PERCENTAGES.**—The applicable percentages are as follows:

(A) With respect to a category A trauma center, 100 percent of the uncompensated care costs.

(B) With respect to a category B trauma center, not more than 75 percent of the uncompensated care costs.

(C) With respect to a category C trauma center, not more than 50 percent of the uncompensated care costs.

(b)¹ **CORE MISSION AWARDS.**—

(1) **IN GENERAL.**—In awarding grants under section 1241(a)(2), the Secretary shall—

(A) reserve 25 percent of the amount allocated for core mission awards for Level III and Level IV trauma centers; and

(B) reserve 25 percent of the amount allocated for core mission awards for large urban Level I and II trauma centers—

(i) that have at least 1 graduate medical education fellowship in trauma or trauma related specialties for which demand is exceeding supply;

(ii) for which—

(I) annual uncompensated care costs exceed \$10,000,000; or

(II) at least 20 percent of emergency department visits are charity or self-pay or Medicaid patients; and

(iii) that are not eligible for substantial uncompensated care awards under section 1241(a)(1).

(c) **EMERGENCY AWARDS.**—In awarding grants under section 1241(a)(3), the Secretary shall—

(1) give preference to any application submitted by a trauma center that provides trauma care in a geographic area in which the availability of trauma care has significantly decreased or will significantly decrease if the center is forced to close or downgrade service or growth in demand for trauma services exceeds capacity; and

¹So in law. Subsection (b) includes a paragraph (1) but does not include subsequent paragraphs.

(2) reallocate any emergency awards funds not obligated due to insufficient, or a lack of qualified, applications to the significant uncompensated care award program.

SEC. 1243. [300d-43] CERTAIN AGREEMENTS.

(a) **MAINTENANCE OF FINANCIAL SUPPORT.**—The Secretary may require a trauma center receiving a grant under section 1241(a) to maintain access to trauma services at comparable levels to the prior year during the grant period.

(b) **TRAUMA CARE REGISTRY.**—The Secretary may require the trauma center receiving a grant under section 1241(a) to provide data to a national and centralized registry of trauma cases, in accordance with guidelines developed by the American College of Surgeons, and as the Secretary may otherwise require.

SEC. 1244. [300d-44] GENERAL PROVISIONS.

(a) **APPLICATION.**—The Secretary may not award a grant to a trauma center under section 1241(a) unless such center submits an application for the grant to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this part.

(b) **LIMITATION ON DURATION OF SUPPORT.**—The period during which a trauma center receives payments under a grant under section 1241(a)(3) shall be for 3 fiscal years, except that the Secretary may waive such requirement for a center and authorize such center to receive such payments for 1 additional fiscal year.

(c) **LIMITATION ON AMOUNT OF GRANT.**—Notwithstanding section 1242(a), a grant under section 1241 may not be made in an amount exceeding \$2,000,000 for each fiscal year.

(d) **ELIGIBILITY.**—Except as provided in section 1242(b)(1)(B)(iii), acquisition of, or eligibility for, a grant under section 1241(a) shall not preclude a trauma center from being eligible for other grants described in such section.

(e) **FUNDING DISTRIBUTION.**—Of the total amount appropriated for a fiscal year under section 1245, 70 percent shall be used for substantial uncompensated care awards under section 1241(a)(1), 20 percent shall be used for core mission awards under section 1241(a)(2), and 10 percent shall be used for emergency awards under section 1241(a)(3).

(f) **MINIMUM ALLOWANCE.**—Notwithstanding subsection (e), if the amount appropriated for a fiscal year under section 1245 is less than \$25,000,000, all available funding for such fiscal year shall be used for substantial uncompensated care awards under section 1241(a)(1).

(g) **SUBSTANTIAL UNCOMPENSATED CARE AWARD DISTRIBUTION AND PROPORTIONAL SHARE.**—Notwithstanding section 1242(a), of the amount appropriated for substantial uncompensated care grants for a fiscal year, the Secretary shall—

(1) make available—

(A) 50 percent of such funds for category A trauma center grantees;

(B) 35 percent of such funds for category B trauma center grantees; and

(C) 15 percent of such funds for category C trauma center grantees; and
(2) provide available funds within each category in a manner proportional to the award basis specified in section 1242(a)(2) to each eligible trauma center.
(h) REPORT.—Beginning 2 years after the date of enactment of the Patient Protection and Affordable Care Act, and every 2 years thereafter, the Secretary shall biennially report to Congress regarding the status of the grants made under section 1241 and on the overall financial stability of trauma centers.

SEC. 1245. [300d-45] AUTHORIZATION OF APPROPRIATIONS.

For the purpose of carrying out this part, there are authorized to be appropriated \$100,000,000 for fiscal year 2009, and such sums as may be necessary for each of fiscal years 2010 through 2015. Such authorization of appropriations is in addition to any other authorization of appropriations or amounts that are available for such purpose.

SEC. 1246. [300d-46] DEFINITION.

In this part, the term “uncompensated care costs” means unreimbursed costs from serving self-pay, charity, or Medicaid patients, without regard to payment under section 1923 of the Social Security Act, all of which are attributable to emergency care and trauma care, including costs related to subsequent inpatient admissions to the hospital.

Part E—Miscellaneous Programs

SEC. 1251. [300d-51] RESIDENCY TRAINING PROGRAMS IN EMERGENCY MEDICINE.

(a) IN GENERAL.—The Secretary may make grants to public and nonprofit private entities for the purpose of planning and developing approved residency training programs in emergency medicine.

(b) IDENTIFICATION AND REFERRAL OF DOMESTIC VIOLENCE.—The Secretary may make a grant under subsection (a) only if the applicant involved agrees that the training programs under subsection (a) will provide education and training in identifying and referring cases of domestic violence.

(c) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there is authorized to be appropriated \$400,000 for each of the fiscal years 2008 through 2012.

SEC. 1252. [300d-52] STATE GRANTS FOR PROJECTS REGARDING TRAUMATIC BRAIN INJURY.

(a) IN GENERAL.—The Secretary, acting through the Administrator for the Administration for Community Living, may make grants to States and American Indian consortia for the purpose of carrying out projects to improve access to rehabilitation and other services regarding traumatic brain injury.

(b) STATE ADVISORY BOARD.—

(1) IN GENERAL.—The Secretary may make a grant under subsection (a) only if the State or American Indian consortium involved agrees to establish an advisory board within the appropriate health department of the State or American Indian

consortium or within another department as designated by the chief executive officer of the State or American Indian consortium.

(2) FUNCTIONS.—An advisory board established under paragraph (1) shall advise and make recommendations to the State or American Indian consortium on ways to improve services coordination regarding traumatic brain injury. Such advisory boards shall encourage citizen participation through the establishment of public hearings and other types of community outreach programs. In developing recommendations under this paragraph, such boards shall consult with Federal, State, and local governmental agencies and with citizens groups and other private entities.

(3) COMPOSITION.—An advisory board established under paragraph (1) shall be composed of—

(A) representatives of—

(i) the corresponding State or American Indian consortium agencies involved;

(ii) public and nonprofit private health related organizations;

(iii) other disability advisory or planning groups within the State or American Indian consortium;

(iv) members of an organization or foundation representing individuals with traumatic brain injury in that State or American Indian consortium; and

(v) injury control programs at the State or local level if such programs exist; and

(B) a substantial number of individuals with traumatic brain injury, or the family members of such individuals.

(c) MATCHING FUNDS.—

(1) IN GENERAL.—With respect to the costs to be incurred by a State or American Indian consortium in carrying out the purpose described in subsection (a), the Secretary may make a grant under such subsection only if the State or American Indian consortium agrees to make available non-Federal contributions toward such costs in an amount that is not less than \$1 for each \$2 of Federal funds provided under the grant.

(2) DETERMINATION OF AMOUNT CONTRIBUTED.—Non-Federal contributions under paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such contributions.

(d) APPLICATION FOR GRANT.—The Secretary may make a grant under subsection (a) only if an application for the grant is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

(e) USE OF STATE AND AMERICAN INDIAN CONSORTIUM GRANTS.—

(1) COMMUNITY SERVICES AND SUPPORTS.—A State or American Indian consortium shall (directly or through awards

of contracts to nonprofit private entities) use amounts received under a grant under this section for the following:

(A) To develop, change, or enhance community-based service delivery systems that include timely access to comprehensive appropriate services and supports. Such service and supports—

(i) shall promote full participation by individuals with traumatic brain injury and their families in decision making regarding the services and supports; and

(ii) shall be designed for children, youth, and adults with traumatic brain injury.

(B) To focus on outreach to underserved and inappropriately served individuals, such as individuals in institutional settings, individuals with low socioeconomic resources, individuals in rural communities, and individuals in culturally and linguistically diverse communities.

(C) To award contracts to nonprofit entities for consumer or family service access training, consumer support, peer mentoring, and parent to parent programs.

(D) To develop individual and family service coordination or case management systems.

(E) To support other needs identified by the advisory board under subsection (b) for the State or American Indian consortium involved.

(2) BEST PRACTICES.—

(A) IN GENERAL.—State or American Indian consortium services and supports provided under a grant under this section shall reflect the best practices in the field of traumatic brain injury, shall be in compliance with title II of the Americans with Disabilities Act of 1990, and shall be supported by quality assurance measures as well as state-of-the-art health care and integrated community supports, regardless of the severity of injury.

(B) DEMONSTRATION BY STATE AGENCY.—The State or American Indian consortium agency responsible for administering amounts received under a grant under this section shall demonstrate that it has obtained knowledge and expertise of traumatic brain injury and the unique needs associated with traumatic brain injury.

(3) STATE CAPACITY BUILDING.—A State or American Indian consortium may use amounts received under a grant under this section to—

(A) educate consumers and families;

(B) train professionals in public and private sector financing (such as third party payers, State agencies, community-based providers, schools, and educators);

(C) develop or improve case management or service coordination systems;

(D) develop best practices in areas such as family or consumer support, return to work, housing or supportive living personal assistance services, assistive technology and devices, behavioral health services, substance abuse services, and traumatic brain injury treatment and rehabilitation;

(E) tailor existing State or American Indian consortium systems to provide accommodations to the needs of individuals with traumatic brain injury (including systems administered by the State or American Indian consortium departments responsible for health, mental health, labor/employment, education, intellectual disabilities or developmental disorders, transportation, and correctional systems);

(F) improve data sets coordinated across systems and other needs identified by a State or American Indian consortium plan supported by its advisory council; and

(G) develop capacity within targeted communities.

(f) **COORDINATION OF ACTIVITIES.**—The Secretary shall ensure that activities under this section are coordinated as appropriate with other Federal agencies that carry out activities regarding traumatic brain injury.

(g) **REPORT.**—Not less than biennially, the Secretary shall submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Health, Education, Labor, and Pensions of the Senate, a report describing the findings and results of the programs established under this section and section 1253, including measures of outcomes and consumer and surrogate satisfaction.

(h) **DEFINITIONS.**—For purposes of this section:

(1) The terms “American Indian consortium” and “State” have the meanings given to those terms in section 1253.

(2) The term “traumatic brain injury” means an acquired injury to the brain. Such term does not include brain dysfunction caused by congenital or degenerative disorders, nor birth trauma, but may include brain injuries caused by anoxia due to trauma. The Secretary may revise the definition of such term as the Secretary determines necessary, after consultation with States and other appropriate public or nonprofit private entities.

(i) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this section, there are authorized to be appropriated \$7,321,000 for each of fiscal years 2020 through 2024.

SEC. 1253. [300d-53] STATE GRANTS FOR PROTECTION AND ADVOCACY SERVICES.

(a) **IN GENERAL.**—The Secretary, acting through the Administrator for the Administration for Community Living, shall make grants to protection and advocacy systems for the purpose of enabling such systems to provide services to individuals with traumatic brain injury.

(b) **SERVICES PROVIDED.**—Services provided under this section may include the provision of—

(1) information, referrals, and advice;

(2) individual and family advocacy;

(3) legal representation; and

(4) specific assistance in self-advocacy.

(c) **APPLICATION.**—To be eligible to receive a grant under this section, a protection and advocacy system shall submit an application to the Secretary at such time, in such form and manner, and

accompanied by such information and assurances as the Secretary may require.

(d) APPROPRIATIONS LESS THAN \$2,700,000.—

(1) IN GENERAL.—With respect to any fiscal year in which the amount appropriated under subsection (l) to carry out this section is less than \$2,700,000, the Secretary shall make grants from such amount to individual protection and advocacy systems within States to enable such systems to plan for, develop outreach strategies for, and carry out services authorized under this section for individuals with traumatic brain injury.

(2) AMOUNT.—The amount of each grant provided under paragraph (1) shall be determined as set forth in paragraphs (2) and (3) of subsection (e).

(e) APPROPRIATIONS OF \$2,700,000 OR MORE.—

(1) POPULATION BASIS.—Except as provided in paragraph (2), with respect to each fiscal year in which the amount appropriated under subsection (l) to carry out this section is \$2,700,000 or more, the Secretary shall make a grant to a protection and advocacy system within each State.

(2) AMOUNT.—The amount of a grant provided to a system under paragraph (1) shall be equal to an amount bearing the same ratio to the total amount appropriated for the fiscal year involved under subsection (l) as the population of the State in which the grantee is located bears to the population of all States.

(3) MINIMUMS.—Subject to the availability of appropriations, the amount of a grant a protection and advocacy system under paragraph (1) for a fiscal year shall—

(A) in the case of a protection and advocacy system located in American Samoa, Guam, the United States Virgin Islands, or the Commonwealth of the Northern Mariana Islands, and the protection and advocacy system serving the American Indian consortium, not be less than \$20,000; and

(B) in the case of a protection and advocacy system in a State not described in subparagraph (A), not be less than \$50,000.

(4) INFLATION ADJUSTMENT.—For each fiscal year in which the total amount appropriated under subsection (l) to carry out this section is \$5,000,000 or more, and such appropriated amount exceeds the total amount appropriated to carry out this section in the preceding fiscal year, the Secretary shall increase each of the minimum grants amount described in subparagraphs (A) and (B) of paragraph (3) by a percentage equal to the percentage increase in the total amount appropriated under subsection (l) to carry out this section between the preceding fiscal year and the fiscal year involved.

(f) CARRYOVER.—Any amount paid to a protection and advocacy system that serves a State or the American Indian consortium for a fiscal year under this section that remains unobligated at the end of such fiscal year shall remain available to such system for obligation during the next fiscal year for the purposes for which such amount was originally provided.

(g) **DIRECT PAYMENT.**—Notwithstanding any other provision of law, each fiscal year not later than October 1, the Secretary shall pay directly to any protection and advocacy system that complies with the provisions of this section, the total amount of the grant for such system, unless the system provides otherwise for such payment.

(h) **REPORTING.**—²

(1) **REPORTS BY SYSTEMS.**—Each protection and advocacy system that receives a payment under this section shall submit an annual report to the Secretary concerning the services provided to individuals with traumatic brain injury by such system.

(2) **REPORT BY SECRETARY.**—Not later than 1 year after the date of enactment of the Traumatic Brain Injury Reauthorization Act of 2014, the Secretary shall prepare and submit to the appropriate committees of Congress a report describing the services and activities carried out under this section during the period for which the report is being prepared.

(i) **DATA COLLECTION.**—The Secretary shall facilitate agreements to coordinate the collection of data by agencies within the Department of Health and Human Services regarding protection and advocacy services.

(j) **TRAINING AND TECHNICAL ASSISTANCE.**—

(1) **GRANTS.**—For any fiscal year for which the amount appropriated to carry out this section is \$6,000,000 or greater, the Secretary shall use 2 percent of such amount to make a grant to an eligible national association for providing for training and technical assistance to protection and advocacy systems.

(2) **DEFINITION.**—In this subsection, the term “eligible national association” means a national association with demonstrated experience in providing training and technical assistance to protection and advocacy systems.

(k) **SYSTEM AUTHORITY.**—In providing services under this section, a protection and advocacy system shall have the same authorities, including access to records, as such system would have for purposes of providing services under subtitle C of title I of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15041 et seq.).

(l) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to carry out this section \$4,000,000 for each of fiscal years 2020 through 2024.

(m) **DEFINITIONS.**—In this section:

(1) **AMERICAN INDIAN CONSORTIUM.**—The term “American Indian consortium” means a consortium established under subtitle C of title I of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15041 et seq.).

(2) **PROTECTION AND ADVOCACY SYSTEM.**—The term “protection and advocacy system” means a protection and advocacy system established under subtitle C of title I of the Develop-

mental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15041 et seq.).

(3) STATE.—The term “State”, unless otherwise specified, means the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

SEC. 1254. [300d–54] STOP, OBSERVE, ASK, AND RESPOND TO HEALTH AND WELLNESS TRAINING PROGRAM.

(a) IN GENERAL.—The Secretary shall establish a program to be known as the Stop, Observe, Ask, and Respond to Health and Wellness Training Program or the SOAR to Health and Wellness Training Program (in this section referred to as the “Program”) to provide training to health care and social service providers on human trafficking in accordance with this section.

(b) ACTIVITIES.—

(1) IN GENERAL.—The Program shall include the Stop, Observe, Ask, and Respond to Health and Wellness Training Program’s activities existing on the day before the date of enactment of this section and the authorized initiatives described in paragraph (2).

(2) AUTHORIZED INITIATIVES.—The authorized initiatives of the Program shall include—

(A) engaging stakeholders, including victims of human trafficking and Federal, State, local, and tribal partners, to develop a flexible training module—

(i) for supporting activities under subsection (c); and

(ii) that adapts to changing needs, settings, health care providers, and social service providers;

(B) providing technical assistance to grantees related to implementing activities described in subsection (c) and reporting on any best practices identified by the grantees;

(C) developing a reliable methodology for collecting data, and reporting such data, on the number of human trafficking victims identified and served by grantees in a manner that, at a minimum, prevents disclosure of individually identifiable information consistent with all applicable privacy laws and regulations; and

(D) integrating, as appropriate, the training described in paragraphs (1) through (4) of subsection (c) with training programs, in effect on the date of enactment of this section, for health care and social service providers for victims of intimate partner violence, sexual assault, stalking, child abuse, child neglect, child maltreatment, and child sexual exploitation.

(c) GRANTS.—The Secretary may award grants to appropriate entities to train health care and social service providers to—

(1) identify potential human trafficking victims;

(2) implement best practices for working with law enforcement to report and facilitate communication with human trafficking victims, in accordance with all applicable Federal, State, local, and tribal laws, including legal confidentiality re-

quirements for patients and health care and social service providers;

(3) implement best practices for referring such victims to appropriate health care, social, or victims service agencies or organizations; and

(4) provide such victims with coordinated, age-appropriate, culturally relevant, trauma-informed, patient-centered, and evidence-based care.

(d) CONSIDERATION IN AWARDING GRANTS.—The Secretary, in making awards under this section, shall give consideration to—

(1) geography;

(2) the demographics of the population to be served;

(3) the predominant types of human trafficking cases involved; and

(4) health care and social service provider profiles.

(e) DATA COLLECTION AND REPORTING.—

(1) IN GENERAL.—The Secretary shall collect data and report on the following:

(A) The total number of entities that received a grant under this section.

(B) The total number and geographic distribution of health care and social service providers trained through the Program.

(2) INITIAL REPORT.—In addition to the data required to be collected under paragraph (1), for purposes of the initial report to be submitted under paragraph (3), the Secretary shall collect data on the total number of facilities and health care professional organizations that were operating under, and the total number of health care and social service providers trained through, the Stop, Observe, Ask, and Respond to Health and Wellness Training Program existing prior to the establishment of the Program under this section.

(3) ANNUAL REPORT.—Not later than 1 year after the date of enactment of this section, and annually thereafter, the Secretary shall submit an annual report to Congress on the data collected under this subsection in a manner that, at a minimum, prevents the disclosure of individually identifiable information consistent with all applicable privacy laws and regulations.

(f) SHARING BEST PRACTICES.—The Secretary shall make available, on the Internet website of the Department of Health and Human Services, a description of the best practices and procedures used by entities that receive a grant for carrying out activities under this section.

(g) DEFINITION.—In this section, the term “human trafficking” has the meaning given the term “severe forms of trafficking in persons” as defined in section 103 of the Trafficking Victims Protection Act of 2000.

(h) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this Act, \$4,000,000 for each of fiscal years 2020 through 2024.

PART F—INTERAGENCY PROGRAM FOR TRAUMA RESEARCH

SEC. 1261. [300d-61] ESTABLISHMENT OF PROGRAM.

(a) **IN GENERAL.**—The Secretary, acting through the Director of the National Institutes of Health (in this section referred to as the “Director”), shall establish a comprehensive program of conducting basic and clinical research on trauma (in this section referred to as the “Program”). The Program shall include research regarding the diagnosis, treatment, rehabilitation, and general management of trauma.

(b) **PLAN FOR PROGRAM.**—

(1) **IN GENERAL.**—The Director, in consultation with the Trauma Research Interagency Coordinating Committee established under subsection (g), shall establish and implement a plan for carrying out the activities of the Program, including the activities described in subsection (d). All such activities shall be carried out in accordance with the plan. The plan shall be periodically reviewed, and revised as appropriate.

(2) **SUBMISSION TO CONGRESS.**—Not later than December 1, 1993, the Director shall submit the plan required in paragraph (1) to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Health, Education, Labor, and Pensions of the Senate, together with an estimate of the funds needed for each of the fiscal years 1994 through 1996 to implement the plan.

(c) **PARTICIPATING AGENCIES; COORDINATION AND COLLABORATION.**—The Director—

(1) shall provide for the conduct of activities under the Program by the Directors of the agencies of the National Institutes of Health involved in research with respect to trauma;

(2) shall ensure that the activities of the Program are coordinated among such agencies; and

(3) shall, as appropriate, provide for collaboration among such agencies in carrying out such activities.

(d) **CERTAIN ACTIVITIES OF PROGRAM.**—The Program shall include—

(1) studies with respect to all phases of trauma care, including prehospital, resuscitation, surgical intervention, critical care, infection control, wound healing, nutritional care and support, and medical rehabilitation care;

(2) basic and clinical research regarding the response of the body to trauma and the acute treatment and medical rehabilitation of individuals who are the victims of trauma;

(3) basic and clinical research regarding trauma care for pediatric and geriatric patients; and

(4) the authority to make awards of grants or contracts to public or nonprofit private entities for the conduct of basic and applied research regarding traumatic brain injury, which research may include—

(A) the development of new methods and modalities for the more effective diagnosis, measurement of degree of brain injury, post-injury monitoring and prognostic assessment of head injury for acute, subacute and later phases of care;

(B) the development, modification and evaluation of therapies that retard, prevent or reverse brain damage after acute head injury³, that arrest further deterioration following injury and that provide the restitution of function for individuals with long-term injuries;

(C) the development of research on a continuum of care from acute care through rehabilitation, designed, to the extent practicable, to integrate rehabilitation and long-term outcome evaluation with acute care research;

(D) the development of programs that increase the participation of academic centers of excellence in brain injury treatment and rehabilitation research and training; and

(E) carrying out subparagraphs (A) through (D) with respect to cognitive disorders and neurobehavioral consequences arising from traumatic brain injury, including the development, modification, and evaluation of therapies and programs of rehabilitation toward reaching or restoring normal capabilities in areas such as reading, comprehension, speech, reasoning, and deduction.

(e) **MECHANISMS OF SUPPORT.**—In carrying out the Program, the Director, acting through the Directors of the agencies referred to in subsection (c)(1), may make grants to public and nonprofit entities, including designated trauma centers.

(f) **RESOURCES.**—The Director shall assure the availability of appropriate resources to carry out the Program, including the plan established under subsection (b) (including the activities described in subsection (d)).

(g) **COORDINATING COMMITTEE.**—

(1) **IN GENERAL.**—There shall be established a Trauma Research Interagency Coordinating Committee (in this section referred to as the “Coordinating Committee”).

(2) **DUTIES.**—The Coordinating Committee shall make recommendations regarding—

(A) the activities of the Program to be carried out by each of the agencies represented on the Committee and the amount of funds needed by each of the agencies for such activities; and

(B) effective collaboration among the agencies in carrying out the activities.

(3) **COMPOSITION.**—The Coordinating Committee shall be composed of the Directors of each of the agencies that, under subsection (c), have responsibilities under the Program, and any other individuals who are practitioners in the trauma field as designated by the Director of the National Institutes of Health.

(h) **DEFINITIONS.**—For purposes of this section:

(1) The term “designated trauma center” has the meaning given such term in section 1231(1).

³Section 1303(a)(2) of Public Law 106–310 (114 Stat. 1138) provides that subparagraph (B) is amended by striking “acute injury” and inserting “acute brain injury”. The amendment cannot be executed because the term to be struck does not appear in subparagraph (B). (Compare “acute injury” and “acute head injury”).

(2) The term “Director” means the Director of the National Institutes of Health.

(3) The term “trauma” means an injury resulting from exposure to—

(A) a mechanical force; or

(B) another extrinsic agent, including an extrinsic agent that is thermal, electrical, chemical, or radioactive.

(4) The term “traumatic brain injury” means an acquired injury to the brain. Such term does not include brain dysfunction caused by congenital or degenerative disorders, nor birth trauma, but may include brain injuries caused by anoxia due to trauma. The Secretary may revise the definition of such term as the Secretary determines necessary, after consultation with States and other appropriate public or nonprofit private entities.

(i) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005, and such sums as may be necessary for each of the fiscal years 2009 through 2012.

PART G—POISON CONTROL

SEC. 1271. [300d-71] MAINTENANCE OF THE NATIONAL TOLL-FREE NUMBER AND OTHER COMMUNICATION CAPABILITIES.

(a) **IN GENERAL.**—The Secretary—

(1) shall provide coordination and assistance to poison control centers for the establishment and maintenance of a nationwide toll-free phone number, to be used to access such centers; and

(2) may provide coordination and assistance to poison control centers and consult with professional organizations for the establishment, implementation, and maintenance of other communication technologies to be used to access such centers.

(b) **ROUTING CONTACTS WITH POISON CONTROL CENTERS.**—Not later than 18 months after the date of enactment of this subsection, the Secretary shall coordinate with the Chairman of the Federal Communications Commission, to the extent technically and economically feasible, to ensure that communications with the national toll-free number are routed to the appropriate poison control center based on the physical location of the contact rather than the area code of the contact device.

(c) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this section, \$700,000 for each of fiscal years 2025 through 2029 for the establishment, implementation, and maintenance activities carried out under subsections (a) and (b).

SEC. 1272. [300d-72] PROMOTING POISON CONTROL CENTER UTILIZATION.

(a) **IN GENERAL.**—The Secretary shall carry out, and expand upon, a national media campaign to educate and support outreach to the public and health care providers about poisoning and toxic exposure prevention and the availability of poison control center resources in local communities and to conduct advertising campaigns

concerning the nationwide toll-free number and other available communication technologies established, implemented, or maintained under section 1271(a).

(b) **CONTRACT WITH ENTITY.**—The Secretary may carry out subsection (a) by entering into contracts with one or more public or private entities, including nationally recognized organizations in the field of poison control and national media firms, for the development and implementation of a nationwide poisoning and toxic exposure prevention and poison control center awareness campaign, which may include—

(1) the development and distribution of poisoning and toxic exposure prevention awareness materials, applicable public health emergency preparedness and response information, and poison control center awareness materials;

(2) television, radio, Internet, and newspaper public service announcements; and

(3) other activities to provide for public and professional awareness and education.

(c) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this section, \$800,000 for each of fiscal years 2025 through 2029.

SEC. 1273. [300d-73] MAINTENANCE OF THE POISON CONTROL CENTER GRANT PROGRAM.

(a) **AUTHORIZATION OF PROGRAM.**—The Secretary shall award grants to poison control centers accredited under subsection (c) (or granted a waiver under subsection (d)) and professional organizations in the field of poison control for the purposes of preventing, and providing treatment recommendations for, poisonings and toxic exposures and complying with the operational requirements needed to sustain the accreditation of the center under subsection (c).

(b) **ADDITIONAL USES OF FUNDS.**—In addition to the purposes described in subsection (a), a poison center or professional organization awarded a grant, contract, or cooperative agreement under such subsection may also use amounts received under such grant, contract, or cooperative agreement—

(1) to research, establish, implement, and evaluate best practices in the United States for poisoning and toxic exposure prevention, poison control center outreach, and emergency preparedness and response programs;

(2) to research, develop, implement, revise, and communicate standard patient management guidelines for commonly encountered toxic exposures;

(3) to improve national toxic exposure surveillance by enhancing cooperative activities between poison control centers in the United States, the Centers for Disease Control and Prevention, and other government agencies as determined to be appropriate and nonduplicative by the Secretary;

(4) to research, improve, and enhance the communications and response capability and capacity of the nation's network of poison control centers to facilitate increased access to the centers through the integration and modernization of the current poison control centers communications and data system, including enhancing the network's telephony, Internet, data and social networking technologies;

(5) to develop, support, and enhance technology and capabilities of professional organizations in the field of poison control to collect national poisoning, toxic occurrence, and related public health data;

(6) to develop initiatives to foster the enhanced public health utilization of national poison data collected by organizations described in paragraph (5);

(7) to support and expand the toxicologic expertise within poison control centers; and

(8) to improve the capacity of poison control centers to answer high volumes of contacts and Internet communications, and to sustain and enhance the poison control center's network capability to respond during times of national crisis or other public health emergencies.

(c) ACCREDITATION.—Except as provided in subsection (d), the Secretary may award a grant to a poison control center under subsection (a) only if—

(1) the center has been accredited by a professional organization in the field of poison control, and the Secretary has approved the organization as having in effect standards for accreditation that reasonably provide for the protection of the public health with respect to poisoning; or

(2) the center has been accredited by a State government, and the Secretary has approved the State government as having in effect standards for accreditation that reasonably provide for the protection of the public health with respect to poisoning.

(d) WAIVER OF ACCREDITATION REQUIREMENTS.—

(1) IN GENERAL.—The Secretary may grant a waiver of the accreditation requirements of subsection (c) with respect to a nonaccredited poison control center that applies for a grant under this section if such center can reasonably demonstrate that the center will obtain such an accreditation within a reasonable period of time as determined appropriate by the Secretary.

(2) RENEWAL.—The Secretary may renew a waiver under paragraph (1).

(3) LIMITATION.—

(A) IN GENERAL.—The sum of the number of years for a waiver under paragraph (1) and a renewal under paragraph (2) may not exceed 5 years.

(B) PUBLIC HEALTH EMERGENCY.—Notwithstanding any previous waivers, in the case of a poison control center whose accreditation is affected by a public health emergency declared pursuant to section 319, the Secretary may, as the circumstances of the emergency reasonably require, provide a waiver under paragraph (1) or a renewal under paragraph (2), not to exceed 2 years. The Secretary may require quarterly reports and other information related to such a waiver or renewal under this paragraph.

(e) SUPPLEMENT NOT SUPPLANT.—Amounts made available to a poison control center under this section shall be used to supplement and not supplant other Federal, State or local funds provided for such center.

(f) **MAINTENANCE OF EFFORT.**—With respect to activities for which a grant is awarded under this section, the Secretary may require that poison control centers agree to maintain the expenditures of the center for such activities at a level that is not less than the level of expenditures maintained by the center for the fiscal year preceding the fiscal year for which the grant is received.

(g) **AUTHORIZATION OF APPROPRIATIONS.**—There is authorized to be appropriated to carry out this section, \$28,600,000 for each of fiscal years 2025 through 2029. The Secretary may utilize an amount not to exceed 6 percent of the amount appropriated under this preceding sentence in each fiscal year for coordination, dissemination, technical assistance, program evaluation, data activities, and other program administration functions, which are determined by the Secretary to be appropriate for carrying out the program under this section.

(h) **BIENNIAL REPORT TO CONGRESS.**—Not later than 2 years after the date of enactment of this subsection, and every 2 years thereafter, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and Committee on Energy and Commerce of the House of Representatives a report concerning the operations of, and trends identified by, the Poison Control Network. Such report shall include—

(1) descriptions of the activities carried out pursuant to sections 1271, 1272, and 1273, and the alignment of such activities with the purposes provided under subsection (a);

(2) a description of trends in volume of contacts to poison control centers;

(3) a description of trends in poisonings and toxic exposures reported to poison control centers, as applicable and appropriate;

(4) an assessment of the impact of the public awareness campaign, including any geographic variations;

(5) a description of barriers, if any, preventing poison control centers from achieving the purposes and programs under this section and sections 1271 and 1272;

(6) a description of the standards for accreditation described in subsection (c), including any variations in those standards, and any efforts to create and maintain consistent standards across organizations that accredit poison control centers; and

(7) the number of and reason for any waivers provided under subsection (d).

SEC. 1274. [300d-74] RULE OF CONSTRUCTION.

Nothing in this part may be construed to ease any restriction in Federal law applicable to the amount or percentage of funds appropriated to carry out this part that may be used to prepare or submit a report.

PART H—TRAUMA SERVICE AVAILABILITY

SEC. 1281. [300d-81] GRANTS TO STATES.

(a) **ESTABLISHMENT.**—To promote universal access to trauma care services provided by trauma centers and trauma-related physi-

cian specialties, the Secretary shall provide funding to States to enable such States to award grants to eligible entities for the purposes described in this section.

(b) AWARDING OF GRANTS BY STATES.—Each State may award grants to eligible entities within the State for the purposes described in subparagraph (d).

(c) ELIGIBILITY.—

(1) IN GENERAL.—To be eligible to receive a grant under subsection (b) an entity shall—

(A) be—

(i) a public or nonprofit trauma center or consortium thereof that meets that requirements of paragraphs (1), (2), and (5) of section 1241(b);

(ii) a safety net public or nonprofit trauma center that meets the requirements of paragraphs (1) through (5) of section 1241(b); or

(iii) a hospital in an underserved area (as defined by the State) that seeks to establish new trauma services; and

(B) submit to the State an application at such time, in such manner, and containing such information as the State may require.

(2) LIMITATION.—A State shall use at least 40 percent of the amount available to the State under this part for a fiscal year to award grants to safety net trauma centers described in paragraph (1)(A)(ii).

(d) USE OF FUNDS.—The recipient of a grant under subsection (b) shall carry out 1 or more of the following activities consistent with subsection (b):

(1) Providing trauma centers with funding to support physician compensation in trauma-related physician specialties where shortages exist in the region involved, with priority provided to safety net trauma centers described in subsection (c)(1)(A)(ii).

(2) Providing for individual safety net trauma center fiscal stability and costs related to having service that is available 24 hours a day, 7 days a week, with priority provided to safety net trauma centers described in subsection (c)(1)(A)(ii) located in urban, border, and rural areas.

(3) Reducing trauma center overcrowding at specific trauma centers related to throughput of trauma patients.

(4) Establishing new trauma services in underserved areas as defined by the State.

(5) Enhancing collaboration between trauma centers and other hospitals and emergency medical services personnel related to trauma service availability.

(6) Making capital improvements to enhance access and expedite trauma care, including providing helipads and associated safety infrastructure.

(7) Enhancing trauma surge capacity at specific trauma centers.

(8) Ensuring expedient receipt of trauma patients transported by ground or air to the appropriate trauma center.

(9) Enhancing interstate trauma center collaboration.

(e) LIMITATION.—

(1) IN GENERAL.—A State may use not more than 20 percent of the amount available to the State under this part for a fiscal year for administrative costs associated with awarding grants and related costs.

(2) MAINTENANCE OF EFFORT.—The Secretary may not provide funding to a State under this part unless the State agrees that such funds will be used to supplement and not supplant State funding otherwise available for the activities and costs described in this part.

(f) DISTRIBUTION OF FUNDS.—The following shall apply with respect to grants provided in this part:

(1) LESS THAN \$10,000,000.—If the amount of appropriations for this part in a fiscal year is less than \$10,000,000, the Secretary shall divide such funding evenly among only those States that have 1 or more trauma centers eligible for funding under section 1241(b)(3)(A).

(2) LESS THAN \$20,000,000.—If the amount of appropriations in a fiscal year is less than \$20,000,000, the Secretary shall divide such funding evenly among only those States that have 1 or more trauma centers eligible for funding under subparagraphs (A) and (B) of section 1241(b)(3).

(3) LESS THAN \$30,000,000.—If the amount of appropriations for this part in a fiscal year is less than \$30,000,000, the Secretary shall divide such funding evenly among only those States that have 1 or more trauma centers eligible for funding under section 1241(b)(3).

(4) \$30,000,000 OR MORE.—If the amount of appropriations for this part in a fiscal year is \$30,000,000 or more, the Secretary shall divide such funding evenly among all States.

SEC. 1282. [300d-82] AUTHORIZATION OF APPROPRIATIONS.

For the purpose of carrying out this part, there is authorized to be appropriated \$100,000,000 for each of fiscal years 2010 through 2015.

PART I—MILITARY AND CIVILIAN PARTNERSHIP FOR TRAUMA READINESS GRANT PROGRAM

SEC. 1291. [300d-91] MILITARY AND CIVILIAN PARTNERSHIP FOR TRAUMA READINESS GRANT PROGRAM.

(a) MILITARY TRAUMA TEAM PLACEMENT PROGRAM.—

(1) IN GENERAL.—The Secretary, acting through the Assistant Secretary for Preparedness and Response and in consultation with the Secretary of Defense, shall award grants to not more than 20 eligible high-acuity trauma centers to enable military trauma teams to provide, on a full-time basis, trauma care and related acute care at such trauma centers.

(2) LIMITATIONS.—In the case of a grant awarded under paragraph (1) to an eligible high-acuity trauma center, such grant—

(A) shall be for a period of at least 3 years and not more than 5 years (and may be renewed at the end of such period); and

(B) shall be in an amount that does not exceed \$1,000,000 per year.

(3) AVAILABILITY OF FUNDS.—Notwithstanding section 1552 of title 31, United States Code, or any other provision of law, funds available to the Secretary for obligation for a grant under this subsection shall remain available for expenditure for 100 days after the last day of the performance period of such grant.

(b) MILITARY TRAUMA CARE PROVIDER PLACEMENT PROGRAM.—

(1) IN GENERAL.—The Secretary, acting through the Assistant Secretary for Preparedness and Response and in consultation with the Secretary of Defense, shall award grants to eligible trauma centers to enable military trauma care providers to provide trauma care and related acute care at such trauma centers.

(2) LIMITATIONS.—In the case of a grant awarded under paragraph (1) to an eligible trauma center, such grant—

(A) shall be for a period of at least 1 year and not more than 3 years (and may be renewed at the end of such period); and

(B) shall be in an amount that does not exceed, in a year—

(i) \$100,000 for each military trauma care provider that is a physician at such eligible trauma center; and

(ii) \$50,000 for each other military trauma care provider at such eligible trauma center.

(c) GRANT REQUIREMENTS.—

(1) DEPLOYMENT AND PUBLIC HEALTH EMERGENCIES.—As a condition of receipt of a grant under this section, a grant recipient shall agree to allow military trauma care providers providing care pursuant to such grant to—

(A) be deployed by the Secretary of Defense for military operations, for training, or for response to a mass casualty incident; and

(B) be deployed by the Secretary of Defense, in consultation with the Secretary of Health and Human Services, for response to a public health emergency pursuant to section 319.

(2) USE OF FUNDS.—Grants awarded under this section to an eligible trauma center may be used to train and incorporate military trauma care providers into such trauma center, including incorporation into operational exercises and training drills related to public health emergencies, expenditures for malpractice insurance, office space, information technology, specialty education and supervision, trauma programs, research, and applicable license fees for such military trauma care providers.

(d) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to affect any other provision of law that preempts State

licensing requirements for health care professionals, including with respect to military trauma care providers.

(e) REPORTING REQUIREMENTS.—

(1) REPORT TO THE SECRETARY AND THE SECRETARY OF DEFENSE.—Each eligible trauma center or eligible high-acuity trauma center awarded a grant under subsection (a) or (b) for a year shall submit to the Secretary and the Secretary of Defense a report for such year that includes information on—

(A) the number and types of trauma cases managed by military trauma teams or military trauma care providers pursuant to such grant during such year;

(B) the ability to maintain the integration of the military trauma providers or teams of providers as part of the trauma center, including the financial effect of such grant on the trauma center;

(C) the educational effect on resident trainees in centers where military trauma teams are assigned;

(D) any research conducted during such year supported by such grant; and

(E) any other information required by the Secretaries for the purpose of evaluating the effect of such grant.

(2) REPORT TO CONGRESS.—Not less than once every 2 years, the Secretary, in consultation with the Secretary of Defense, shall submit a report to the congressional committees of jurisdiction that includes information on the effect of placing military trauma care providers in trauma centers awarded grants under this section on—

(A) maintaining military trauma care providers' readiness and ability to respond to and treat battlefield injuries;

(B) providing health care to civilian trauma patients in urban and rural settings;

(C) the capability of trauma centers and military trauma care providers to increase medical surge capacity, including as a result of a large-scale event;

(D) the ability of grant recipients to maintain the integration of the military trauma providers or teams of providers as part of the trauma center;

(E) efforts to incorporate military trauma care providers into operational exercises and training and drills for public health emergencies; and

(F) the capability of military trauma care providers to participate as part of a medical response during or in advance of a public health emergency, as determined by the Secretary, or a mass casualty incident.

(f) DEFINITIONS.—For purposes of this part:

(1) ELIGIBLE HIGH-ACUITY TRAUMA CENTER.—The term “eligible high-acuity trauma center” means a Level I trauma center that satisfies each of the following:

(A) Such trauma center has an agreement with the Secretary of Defense to enable military trauma teams to provide trauma care and related acute care at such trauma center.

(B) At least 20 percent of patients treated at such trauma center in the most recent 3-month period for which

data are available are treated for a major trauma at such trauma center.

(C) Such trauma center utilizes a risk-adjusted benchmarking system and metrics to measure performance, quality, and patient outcomes.

(D) Such trauma center is an academic training center—

(i) affiliated with a medical school;

(ii) that maintains residency programs and fellowships in critical trauma specialties and subspecialties, and provides education and supervision of military trauma team members according to those specialties and subspecialties; and

(iii) that undertakes research in the prevention and treatment of traumatic injury.

(E) Such trauma center serves as a medical and public health preparedness and response leader for its community, such as by participating in a partnership for State and regional hospital preparedness established under section 319C-2 or 319C-3.

(2) ELIGIBLE TRAUMA CENTER.—The term “eligible trauma center” means a Level I, II, or III trauma center that satisfies each of the following:

(A) Such trauma center has an agreement with the Secretary of Defense to enable military trauma care providers to provide trauma care and related acute care at such trauma center.

(B) Such trauma center utilizes a risk-adjusted benchmarking system and metrics to measure performance, quality, and patient outcomes.

(C) Such trauma center demonstrates a need for integrated military trauma care providers to maintain or improve the trauma clinical capability of such trauma center.

(3) MAJOR TRAUMA.—The term “major trauma” means an injury that is greater than or equal to 15 on the injury severity score.

(4) MILITARY TRAUMA TEAM.—The term “military trauma team” means a complete military trauma team consisting of military trauma care providers.

(5) MILITARY TRAUMA CARE PROVIDER.—The term “military trauma care provider” means a member of the Armed Forces who furnishes emergency, critical care, and other trauma acute care services (including a physician, surgeon, physician assistant, nurse, nurse practitioner, respiratory therapist, flight paramedic, combat medic, or enlisted medical technician) or other military trauma care provider as the Secretary determines appropriate.

(g) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there is authorized to be appropriated \$11,500,000 for each of fiscal years 2019 through 2023.

TITLE XIII—HEALTH MAINTENANCE ORGANIZATIONS

REQUIREMENTS FOR HEALTH MAINTENANCE ORGANIZATIONS

SEC. 1301. [300e] (a) For purposes of this title, the term “health maintenance organization” means a public or private entity which is organized under the laws of any State and which (1) provides basic and supplemental health services to its members in the manner prescribed by subsection (b), and (2) is organized and operated in the manner prescribed by subsection (c).

(b) A health maintenance organization shall provide, without limitations as to time or cost other than those prescribed by or under this title, basic and supplemental health services to its members in the following manner:

(1) Each member is to be provided basic health services for a basic health services payment which (A) is to be paid on a periodic basis without regard to the dates health services (within the basic health services) are provided; (B) is fixed without regard to the frequency, extent, or kind of health service (within the basic health services) actually furnished; (C) except in the case of basic health services provided a member who is a full-time student (as defined by the Secretary) at an accredited institution of higher education, is fixed under a community rating system; and (D) may be supplemented by additional nominal payments which may be required for the provision of specific services (within the basic health services), except that such payments may not be required where or in such a manner that they serve (as determined under regulations of the Secretary) as a barrier to the delivery of health services. Such additional nominal payments shall be fixed in accordance with the regulations of the Secretary. If a health maintenance organization offers to its members the opportunity to obtain basic health services through a physician not described in subsection (b)(3)(A), the organization may require, in addition to payments described in clause (D) of this paragraph, a reasonable deductible to be paid by a member when obtaining a basic health service from such a physician. A health maintenance organization may include a health service, defined as a supplemental health service by section 1302(2), in the basic health services provided its members for a basic health services payment described in the first sentence. In the case of an entity which before it became a qualified health maintenance organization (within the meaning of section 1310(d)) provided comprehensive health services on a prepaid basis, the requirement of clause (C) shall not apply to such entity until the expiration of the forty-eight month period beginning with the month following the month in which the entity became such a qualified health organization. The requirements of this paragraph respecting the basic health services payment shall not apply to the provision of basic health services to a member for an illness or injury for which the member is entitled to benefits under a workmen’s compensation law or an insurance policy but only to the extent such benefits apply to such services. For the provision of such services for an illness or injury for which

a member is entitled to benefits under such a law, the health maintenance organization may, if authorized by such law, charge or authorize the provider of such services to charge, in accordance with the charges allowed under such law, the insurance carrier, employer, or other entity which under such law is to pay for the provision of such services or, to the extent that such member has been paid under such law for such services, such member. For the provision of such services for an illness or injury for which a member is entitled to benefits under an insurance policy, a health maintenance organization may charge or authorize the provider of such services to charge the insurance carrier under such policy or, to the extent that such member has been paid under such policy for such services, such member.

(2) For such payment or payments (hereinafter in this title referred to as "supplemental health services payments") as the health maintenance organization may require in addition to the basic health services payment, the organization may provide to each of its members any of the health services which are included in supplemental health services (as defined in section 1302(2)). Supplemental health services payments which are fixed on a prepayment basis shall be fixed under a community rating system unless the supplemental health services payment is for a supplemental health service provided a member who is a full-time student (as defined by the Secretary) at an accredited institution of higher education, except that, in the case of an entity which before it became a qualified health maintenance organization (within the meaning of section 1310(d)) provided comprehensive health services on a prepaid basis, the requirement of this sentence shall not apply to such entity during the forty-eight month period beginning with the month following the month in which the entity became such a qualified health maintenance organization.

(3)(A) Except as provided in subparagraph (B), at least 90 percent of the services of a physician which are provided as basic health services shall be provided through—

(i) members of the staff of the health maintenance organization,

(ii) a medical group (or groups),

(iii) an individual practice association (or associations),

(iv) physicians or other health professionals who have contracted with the health maintenance organization for the provision of such services, or

(v) any combination of such staff, medical group (or groups), individual practice association (or associations) or physicians or other health professionals under contract with the organization.

(B) Subparagraph (A) does not apply to the provision of the services of a physician—

(i) which the health maintenance organization determines, in conformity with regulations of the Secretary, are unusual or infrequently used, or

(ii) which are provided a member of the organization in a manner other than that prescribed by subparagraph

(A) because of an emergency which made it medically necessary that the service be provided to the member before it could be provided in a manner prescribed by subparagraph (A).

(C) Contracts between a health maintenance organization and health professionals for the provision of basic and supplemental health services shall include such provisions as the Secretary may require (including provisions requiring appropriate continuing education).

(D) Contracts between a health maintenance organization and health professionals for the provision of basic and supplemental health services shall include such provisions as the Secretary may require, but only to the extent that such requirements are designed to insure the delivery of quality health care services and sound fiscal management.

(4) Basic health services (and only such supplemental health services as members have contracted for) shall within the area served by the health maintenance organization be available and accessible to each of its members with reasonable promptness and in a manner which assures continuity, and when medically necessary be available and accessible twenty-four hours a day and seven days a week, except that a health maintenance organization which has a service area located wholly in a nonmetropolitan area may make a basic health service available outside its service area if that basic health service is not a primary care or emergency health care service and if there is an insufficient number of providers of that basic health service within the service area who will provide such service to members of the health maintenance organization. A member of a health maintenance organization shall be reimbursed by the organization for his expenses in securing basic and supplemental health services other than through the organization if the services were medically necessary and immediately required because of an unforeseen illness, injury, or condition.

(5) To the extent that a natural disaster, war, riot, civil insurrection, or any other similar event not within the control of a health maintenance organization (as determined under regulations of the Secretary) results in the facilities, personnel, or financial resources of a health maintenance organization not being available to provide or arrange for the provision of a basic or supplemental health service in accordance with the requirements of paragraphs (1) through (4) of this subsection, such requirements only require the organization to make a good-faith effort to provide or arrange for the provision of such service within such limitation on its facilities, personnel, or resources.

(6) A health maintenance organization that otherwise meets the requirements of this title may offer a high-deductible health plan (as defined in section 220(c)(2) of the Internal Revenue Code of 1986).

(c) Each health maintenance organization shall—

(1)(A) have—

(i) a fiscally sound operation, and

(ii) adequate provision against the risk of insolvency, which is satisfactory to the Secretary, and (B) have administrative and managerial arrangements satisfactory to the Secretary;

(2) assume full financial risk on a prospective basis for the provision of basic health services, except that a health maintenance organization may (A) obtain insurance or make other arrangements for the cost of providing to any member basic health services the aggregate value of which exceeds \$5,000 in any year, (B) obtain insurance or make other arrangements for the cost of basic health services provided to its members other than through the organization because medical necessity required their provision before they could be secured through the organization, (C) obtain insurance or make other arrangements for not more than 90 per centum of the amount by which its costs for any of its fiscal years exceed 115 per centum of its income for such fiscal year, and (D) make arrangements with physicians or other health professionals, health care institutions, or any combination of such individuals or institutions to assume all or part of the financial risk on a prospective basis for the provision of basic health services by the physicians or other health professionals or through the institutions;

(3)(A) enroll persons who are broadly representative of the various age, social, and income groups within the area it serves, except that in the case of a health maintenance organization which has a medically underserved population located (in whole or in part) in the area it serves, not more than 75 per centum of the members of that organization may be enrolled from the medically underserved population unless the area in which such population resides is also a rural area (as designated by the Secretary), and (B) carry out enrollment of members who are entitled to medical assistance under a State plan approved under title XIX of the Social Security Act in accordance with procedures approved under regulations promulgated by the Secretary;

(4) not expel or refuse to re-enroll any member because of his health status or his requirements for health services;

(5) be organized in such a manner that provides meaningful procedures for hearing and resolving grievances between the health maintenance organization (including the medical group or groups and other health delivery entities providing health services for the organization) and the members of the organization;

(6) have organizational arrangements, established in accordance with regulations of the Secretary, for an ongoing quality assurance program for its health services which program (A) stresses health outcomes, and (B) provides review by physicians and other health professionals of the process followed in the provision of health services;

(7) adopt at least one of the following arrangements to protect its members from incurring liability for payment of any fees which are the legal obligation of such organization—

(A) a contractual arrangement with any hospital that is regularly used by the members of such organization pro-

hibiting such hospital from holding any such member liable for payment of any fees which are the legal obligation of such organization;

(B) insolvency insurance, acceptable to the Secretary;

(C) adequate financial reserve, acceptable to the Secretary; and

(D) other arrangements, acceptable to the Secretary, to protect members,

except that the requirements of this paragraph shall not apply to a health maintenance organization if applicable State law provides the members of such organization with protection from liability for payment of any fees which are the legal obligation of such organization; and

(8) provide, in accordance with regulations of the Secretary (including safeguards concerning the confidentiality of the doctor-patient relationship), an effective procedure for developing, compiling, evaluating, and reporting to the Secretary, statistics and other information (which the Secretary shall publish and disseminate on an annual basis and which the health maintenance organization shall disclose, in a manner acceptable to the Secretary, to its members and the general public) relating to (A) the cost of its operations, (B) the patterns of utilization of its services, (C) the availability, accessibility, and acceptability of its services, (D) to the extent practical, developments in the health status of its members, and (E) such other matters as the Secretary may require.

The Secretary shall issue regulations stating the circumstances under which the Secretary, in administering paragraph (1)(A), will consider the resources of an organization which owns or controls a health maintenance organization. Such regulations shall require as a condition to consideration of resources that an organization which owns or controls a health maintenance organization shall provide satisfactory assurances that it will assume the financial obligations of the health maintenance organization.

(d) An organization that offers health benefits coverage shall not be considered as failing to meet the requirements of this section notwithstanding that it provides, with respect to coverage offered in connection with a group health plan in the small or large group market (as defined in section 2791(e)), an affiliation period consistent with the provisions of section 2701(g).

DEFINITIONS

SEC. 1302. [300e-1] For purposes of this title:

(1) The term “basic health services” means—

(A) physician services (including consultant and referral services by a physician);

(B) inpatient and outpatient hospital services;

(C) medically necessary emergency health services;

(D) short-term (not to exceed twenty visits), outpatient evaluative and crisis intervention mental health services;

(E) medical treatment and referral services (including referral services to appropriate ancillary services) for the abuse of or addiction to alcohol and drugs;

(F) diagnostic laboratory and diagnostic and therapeutic radiologic services;

(G) home health services; and

(H) preventive health services (including (i) immunizations, (ii) well-child care from birth, (iii) periodic health evaluations for adults, (iv) voluntary family planning services, (v) infertility services, and (vi) children's eye and ear examinations conducted to determine the need for vision and hearing correction).

Such term does not include a health service which the Secretary, upon application of a health maintenance organization, determines is unusual and infrequently provided and not necessary for the protection of individual health. The Secretary shall publish in the Federal Register each determination made by him under the preceding sentence. If a service of a physician described in the preceding sentence may also be provided under applicable State law by a dentist, optometrist, podiatrist, psychologist, or other health care personnel a health maintenance organization may provide such service through a dentist, optometrist, podiatrist, psychologist, or other health care personnel (as the case may be) licensed to provide such service. Such term includes a health service directly associated with an organ transplant only if such organ transplant was required to be included in basic health services on April 15, 1985. For purposes of this paragraph, the term "home health services" means health services provided at a member's home by health care personnel, as prescribed or directed by the responsible physician or other authority designated by the health maintenance organization.

(2) The term "supplemental health services" means any health service which is not included as a basic health service under paragraph (1) of this section. If a health service provided by a physician may also be provided under applicable State law by a dentist, optometrist, podiatrist, psychologist, or other health care personnel, a health maintenance organization may provide such service through an optometrist, dentist, podiatrist, psychologist, or other health care personnel (as the case may be) licensed to provide such service.

(3) The term "member" when used in connection with a health maintenance organization means an individual who has entered into a contractual agreement, or on whose behalf a contractual arrangement has been entered into, with the organization under which the organization assumes the responsibility for the provision to such individual of basic health services and of such supplemental health services as may be contracted for.

(4) The term "medical group" means a partnership, association, or other group—

(A) which is composed of health professionals licensed to practice medicine or osteopathy and of such other licensed health professionals (including dentists, optometrists, podiatrists, and psychologists) as are necessary for the provision of health services for which the group is responsible;

(B) a majority of the members of which are licensed to practice medicine or osteopathy; and

(C) the members of which (i) as their principal professional activity engage in the coordinated practice of their profession

and as a group responsibility have substantial responsibility for the delivery of health services to members of a health maintenance organization, except that this clause does not apply before the end of the forty-eight month period beginning after the month in which the health maintenance organization¹ becomes a qualified health maintenance organization as defined in section 1310(d), or as authorized by the Secretary in accordance with regulations that take into consideration the usual circumstances of the group; (ii) pool their income from practice as members of the group and distribute it among themselves according to a prearranged salary or drawing account or other similar plan unrelated to the provision of specific health services; (iii) share medical and other records and substantial portions of major equipment and of professional, technical, and administrative staff; (iv) arrange for and encourage continuing education in the field of clinical medicine and related areas for the members of the group; and (v) establish an arrangement whereby a member's enrollment status is not known to the health professional who provides health services to the member.

(5) The term "individual practice association" means a partnership, corporation, association, or other legal entity which has entered into a services arrangement (or arrangements) with persons who are licensed to practice medicine, osteopathy, dentistry, podiatry, optometry, psychology, or other health profession in a State and a majority of whom are licensed to practice medicine or osteopathy. Such an arrangement shall provide—

(A) that such persons shall provide their professional services in accordance with a compensation arrangement established by the entity; and

(B) to the extent feasible, for the sharing by such persons of medical and other records, equipment, and professional, technical, and administrative staff.

(6) The term "health systems agency" means an entity which is designated in accordance with section 1515 of this Act.

(7) The term "medically underserved population" means the population of an urban or rural area designated by the Secretary as an area with a shortage of personal health services or a population group designated by the Secretary as having a shortage of such services. Such a designation may be made by the Secretary only after consideration of the comments (if any) of (A) each State health planning and development agency which covers (in whole or in part) such urban or rural area or the area in which such population group resides, and (B) each health systems agency designated for a health service area which covers (in whole or in part) such urban or rural area or the area in which such population group resides.

(8)(A) The term "community rating system" means the systems, described in subparagraphs (B) and (C), of fixing rates of payments for health services. A health maintenance organization may fix its rates of payments under the system described in subparagraph (B) or (C) or under both such systems, but a health

¹ So in law. Probably should be "organization".

maintenance organization may use only one such system for fixing its rates of payments for any one group.

(B) A system of fixing rates of payment for health services may provide that the rates shall be fixed on a per-person or per-family basis and may authorize the rates to vary with the number of persons in a family, but, except as authorized in subparagraph (D), such rates must be equivalent for all individuals and for all families of similar composition.

(C) A system of fixing rates of payment for health services may provide that the rates shall be fixed for individuals and families by groups. Except as authorized in subparagraph (D), such rates must be equivalent for all individuals in the same group and for all families of similar composition in the same group. If a health maintenance organization is to fix rates of payment for individuals and families by groups, it shall—

(i)(I) classify all of the members of the organization into classes based on factors which the health maintenance organization determines predict the differences in the use of health services by the individuals or families in each class and which have not been disapproved by the Secretary,

(II) determine its revenue requirements for providing services to the members of each class established under subclause (I), and

(III) fix the rates of payments for the individuals and families of a group on the basis of a composite of the organization's revenue requirements determined under subclause (II) for providing services to them as members of the classes established under subclause (I), or

(ii) fix the rates of payments for the individuals and families of a group on the basis of the organization's revenue requirements for providing services to the group, except that the rates of payments for the individuals and families of a group of less than 100 persons may not be fixed at rates greater than 110 percent of the rate that would be fixed for such individuals and families under subparagraph (B) or clause (i) of this subparagraph.

The Secretary shall review the factors used by each health maintenance organization to establish classes under clause (i). If the Secretary determines that any such factor may not reasonably be used to predict the use of the health services by individuals and families, the Secretary shall disapprove such factor for such purpose. If a health maintenance organization is to fix rates of payment for a group under clause (ii), it shall, upon request of the entity with which it contracts to provide services to such group, disclose to that entity the method and data used in calculating the rates of payment.

(D) The following differentials in rates of payments may be established under the systems described in subparagraphs (B) and (C):

(i) Nominal differentials in such rates may be established to reflect differences in marketing costs and the different administrative costs of collecting payments from the following categories of members:

- (I) Individual members (including their families).
- (II) Small groups of members (as determined under regulations of the Secretary).
- (III) Large groups of members (as determined under regulations of the Secretary).
- (ii) Nominal differentials in such rates may be established to reflect the compositing of the rates of payment in a systematic manner to accommodate group purchasing practices of the various employers.
- (iii) Differentials in such rates may be established for members enrolled in a health maintenance organization pursuant to a contract with a governmental authority under section 1079 or 1086 of title 10, United States Code, or under any other governmental program (other than the health benefits program authorized by chapter 89 of title 5, United States Code) or any health benefits program for employees of States, political subdivision of States, and other public entities.
- (9) The term "non-metropolitan area" means an area no part of which is within an area designated as a standard metropolitan statistical area by the Office of Management and Budget and which does not contain a city whose population exceeds fifty thousand individuals.

LOANS AND LOAN GUARANTEES FOR INITIAL COSTS OF OPERATION

SEC. 1305. [300e-4] (a) The Secretary may—

(1) make loans to public or private health maintenance organizations to assist them in meeting the amount by which their costs of operation during a period not to exceed the first sixty months of their operation exceed their revenues in that period;

(2) make loans to public or private health maintenance organizations to assist them in meeting the amount by which their costs of operation, which the Secretary determines are attributable to significant expansion in their membership or area served and which are incurred during a period not to exceed the first sixty months of their operation after such expansion, exceed their revenues in that period which the Secretary determines are attributable to such expansion; and

(3) guarantee to non-Federal lenders payment of the principal of and the interest on loans made to private health maintenance organizations for the amounts referred to in paragraphs (1) and (2).

No loan or loan guarantee may be made under this subsection for the costs of operation of a health maintenance organization unless the Secretary determines that the organization has made all reasonable attempts to meet such costs, and unless the Secretary has made a grant or loan to, entered into a contract with, or guaranteed a loan for, the organization in fiscal year 1981, 1982, 1983, 1984, or 1985 under this section or section 1304(b) (as in effect before October 1, 1985).

(b)(1) Except as provided in paragraph (2), the aggregate amount of principal of loans made or guaranteed, or both, under subsection (a) for a health maintenance organization may not ex-

ceed \$7,000,000. In any twelve-month period the amount disbursed to a health maintenance organization under this section (either directly by the Secretary, by an escrow agent under the terms of an escrow agreement, or by a lender under a guaranteed loan) may not exceed \$3,000,000.

(2) The cumulative total of the principal of the loans outstanding at any time which have been directly made or with respect to which guarantees have been issued under subsection (a) may not exceed such limitations as may be specified in appropriation Acts.

(c) Loans under this section shall be made from the fund established under section 1308(e).

(d) No loan may be made or guaranteed under this section after September 30, 1986.

(e) Of the sums used for loans under this section in any fiscal year from the loan fund established under section 1308(e), not less than 20 per centum shall be used for loans for projects (1) for the initial operation of health maintenance organizations which the Secretary determines have not less than 66 per centum of their membership drawn from residents of nonmetropolitan areas, and (2) the applications for which meet the requirements of this title for approval.

(f) In considering applications for loan guarantees under this section, the Secretary shall give special consideration to applications for health maintenance organizations which will serve medically underserved populations.

APPLICATION REQUIREMENTS

SEC. 1306. [300e-5] (a) No loan or loan guarantee may be made under this title unless an application therefor has been submitted to and approved by the Secretary.

(b) The Secretary may not approve an application for a loan or loan guarantee under this title unless—

(1) such application meets the requirements of section 1308;

(2) in the case of an application for assistance under section 1305, he determines that the applicant making the application would not be able to complete the project or undertaking for which the application is submitted without the assistance applied for;

(3) the application contains satisfactory specification of the existing or anticipated (A) population group or groups to be served by the proposed or existing health maintenance organization described in the application, (B) membership of such organization, (C) methods, terms, and periods of the enrollment of members of such organization, (D) estimated costs per member of the health and educational services to be provided by such organization and the nature of such costs, (E) sources of professional services for such organization, and organizational arrangements of such organization for providing health and educational services, (F) organizational arrangements of such organization for an ongoing quality assurance program in conformity with the requirements of section 1301(c), (G) sources of

prepayment and other forms of payment for the services to be provided by such organization, (H) facilities, and additional capital investments and sources of financing therefor, available to such organization to provide the level and scope of services proposed, (I) administrative, managerial, and financial arrangements and capabilities of such organization, (J) role for members in the planning and policymaking for such organization, (K) grievance procedures for members of such organization, and (L) evaluations of the support for and acceptance of such organization by the population to be served, the sources of operating support, and the professional groups to be involved or affected thereby;

(4) contains or is supported by assurances satisfactory to the Secretary that the applicant making the application will, in accordance with such criteria as the Secretary shall by regulation prescribe, enroll, and maintain an enrollment of the maximum number of members that its available and potential resources (as determined under regulations of the Secretary) will enable it to effectively serve;

(5) in the case of an application made for a project which previously received a grant, contract, loan, or loan guarantee under this title, such application contains or is supported by assurances satisfactory to the Secretary that the applicant making the application has the financial capability to adequately carry out the purposes of such project and has developed and operated such project in accordance with the requirements of this title and with the plans contained in previous applications for such assistance;

(6) the application contains such assurances as the Secretary may require respecting the intent and the ability of the applicant to meet the requirements of paragraphs (1) and (2) of section 1301(b) respecting the fixing of basic health services payments and supplemental health services payments under a community rating system; and

(7) the application is submitted in such form and manner, and contains such additional information, as the Secretary shall prescribe in regulations.

An organization making multiple applications for more than one loan or loan guarantee under this title, simultaneously or over the course of time, shall not be required to submit duplicate or redundant information but shall be required to update the specifications (required by paragraph (3)) respecting the existing or proposed health maintenance organization in such manner and with such frequency as the Secretary may by regulation prescribe. In determining, for purposes of paragraph (2), whether an applicant would be able to complete a project or undertaking without the assistance applied for, the Secretary shall not consider any asset of the applicant the obligation of which for such undertaking or project would jeopardize the fiscal soundness of the applicant.

(c) The Secretary shall by regulation establish standards and procedures for health systems agencies to follow in reviewing and commenting on applications for loans and loan guarantees under this title.

ADMINISTRATION OF ASSISTANCE PROGRAMS

SEC. 1307. **[300e–6]** (a)(1) Each recipient of a loan or loan guarantee under this title shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and disposition by such recipient of the proceeds of the loan (directly made or guaranteed), the total cost of the undertaking in connection with which the loan was given or used, the amount of that portion of the cost of the undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(2) The Secretary, or any of his duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of the recipients of a loan or loan guarantee under this title which relate to such assistance.

(b) Upon expiration of the period for which a loan or loan guarantee was provided an entity under this title, such entity shall make a full and complete report to the Secretary in such manner as he may by regulation prescribe. Each such report shall contain, among such other matters as the Secretary may by regulation require, descriptions of plans, developments, and operations relating to the matters referred to in section 1306(b)(3).

(d)² An entity which provides health services to a defined population on a prepaid basis and which has members who are entitled to insurance benefits under title XVIII of the Social Security Act or to medical assistance under a State plan approved under title XIX of such Act may be considered as a health maintenance organization for purposes of receiving assistance under this title if—

(1) with respect to its members who are entitled to such insurance benefits or to such medical assistance it (A) provides health services in accordance with section 1301(b), except that (i) it does not furnish to those members the health services (within the basic health services) for which it may not be compensated under such title XVIII or such State plan, and (ii) it does not fix the basic or supplemental health services payment for such members under a community rating system, and (B) is organized and operated in the manner prescribed by section 1301(c), except that it does not assume full financial risk on a prospective basis for the provision to such members of basic or supplemental health services with respect to which it is not required under such title XVIII or such State plan to assume such financial risk; and

(2) with respect to its other members it provides health services in accordance with section 1301(b) and is organized and operated in the manner prescribed by section 1301(c).

An entity which provides health services to a defined population on a prepaid basis and which has members who are enrolled under the health benefits program authorized by chapter 89 of title 5, United States Code, may be considered as a health maintenance organization for purposes of receiving assistance under this title if with respect to its other members it provides health services in ac-

cordance with section 1301(b) and is organized and operated in the manner prescribed by section 1301(c).

GENERAL PROVISIONS RELATING TO LOAN GUARANTEES AND LOANS

SEC. 1308. ~~300e-7~~ (a)(1) The Secretary may not approve an application for a loan guarantee under this title unless he determines that (A) the terms, conditions, security (if any), and schedule and amount of repayments with respect to the loan are sufficient to protect the financial interests of the United States and are otherwise reasonable, including a determination that the rate of interest does not exceed such per centum per annum on the principal obligation outstanding as the Secretary determines to be reasonable, taking into account the range of interest rates prevailing in the private market for loans with similar maturities, terms, conditions, and security and the risks assumed by the United States, and (B) the loan would not be available on reasonable terms and conditions without the guarantee under this title.

(2)(A) The United States shall be entitled to recover from the applicant for a loan guarantee under this title the amount of any payment made pursuant to such guarantee, unless the Secretary for good cause waives such right of recovery; and, upon making any such payment, the United States shall be subrogated to all of the rights of the recipient of the payments with respect to which the guarantee was made.

(B) To the extent permitted by subparagraph (C), any terms and conditions applicable to a loan guarantee under this title (including terms and conditions imposed under subparagraph (D)) may be modified by the Secretary to the extent he determines it to be consistent with the financial interest of the United States.

(C) Any loan guarantee made by the Secretary under this title shall be incontestable (i) in the hands of an applicant on whose behalf such guarantee is made unless the applicant engaged in fraud or misrepresentation in securing such guarantee, and (ii) as to any person (or his successor in interest) who makes or contracts to make a loan to such applicant in reliance thereon unless such person (or his successor in interest) engaged in fraud or misrepresentation in making or contracting to make such loan.

(D) guarantees of loans under this title shall be subject to such further terms and conditions as the Secretary determines to be necessary to assure that the purposes of this title will be achieved.

(b)(1) The Secretary may not approve an application for a loan under this title unless—

(A) the Secretary is reasonably satisfied that the applicant therefor will be able to make payments of principal and interest thereon when due, and

(B) the applicant provides the Secretary with reasonable assurances that there will be available to it such additional funds as may be necessary to complete the project or undertaking with respect to which such loan is requested.

(2) Any loan made under this title shall (A) have such security, (B) have such maturity date, (C) be repayable in such installments, (D) on the date the loan is made, bear interest at a rate comparable to the rate of interest prevailing on such date with respect

to marketable obligations of the United States of comparable maturities, adjusted to provide for appropriate administrative charges, and (E) be subject to such other terms and conditions (including provisions for recovery in case of default), as the Secretary determines to be necessary to carry out the purposes of this title while adequately protecting the financial interests of the United States. On the date disbursements are made under a loan after the initial disbursement under the loan, the Secretary may change the rate of interest on the amount of the loan disbursed on that date to a rate which is comparable to the rate of interest prevailing on the date the subsequent disbursement is made with respect to marketable obligations of the United States of comparable maturities, adjusted to provide for appropriate administrative charges.

(3) The Secretary may, for good cause but with due regard to the financial interests of the United States, waive any right of recovery which he has by reason of the failure of a borrower to make payments of principal of and interest on a loan made under this title, except that if such loan is sold and guaranteed, any such waiver shall have no effect upon the Secretary's guarantee of timely payment of principal and interest.

(c)(1) The Secretary may from time to time, but with due regard to the financial interests of the United States, sell loans made by him under this title.

(2) The Secretary may agree, prior to his sale of any such loan, to guarantee to the purchaser (and any successor in interest of the purchaser) compliance by the borrower with the terms and conditions of such loan. Any such agreement shall contain such terms and conditions as the Secretary considers necessary to protect the financial interests of the United States or as otherwise appropriate. Any such agreement may (A) provide that the Secretary shall act as agent of any such purchaser for the purpose of collecting from the borrower to which such loan was made and paying over to such purchaser, any payments of principal and interest payable by such organization under such loan; and (B) provide for the repurchase by the Secretary of any such loan on such terms and conditions as may be specified in the agreement. The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guarantee under this paragraph.

(3) After any loan under this title to a public health maintenance organization has been sold and guaranteed under this subsection, interest paid on such loan which is received by the purchaser thereof (or his successor in interest) shall be included in the gross income of the purchaser of the loan (or his successor in interest) for the purpose of chapter 1 of the Internal Revenue Code of 1954.

(4) Amounts received by the Secretary as proceeds from the sale of loans under this subsection shall be deposited in the loan fund established under subsection (e).

(5) Any reference in this title (other than in this subsection and in subsection (d)) to a loan guarantee under this title does not include a loan guarantee made under this subsection.

(d)(1) There is established in the Treasury a loan guarantee fund (hereinafter in this subsection referred to as the "fund") which shall be available to the Secretary without fiscal year limitation, in

such amounts as may be specified from time to time in appropriation Acts, to enable him to discharge his responsibilities under loan guarantees issued by him under this title and to take the action authorized by subsection (f). There are authorized to be appropriated from time to time such amounts as may be necessary to provide the sums required for the fund. To the extent authorized in appropriation Acts, there shall also be deposited in the fund amounts received by the Secretary in connection with loan guarantees under this title and other property or assets derived by him from his operations respecting such loan guarantees, including any money derived from the sale of assets.

(2) If at any time the sums in the funds are insufficient to enable the Secretary to discharge his responsibilities under guarantees issued by him before October 1, 1986, under this title and to take the action authorized by subsection (f), he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the notes or other obligations. The Secretary of the Treasury shall purchase any notes and other obligations issued under this paragraph and for that purpose he may use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, and the purposes for which the securities may be issued under that Act are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this paragraph. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. Sums borrowed under this paragraph shall be deposited in the fund and redemption of such notes and obligations shall be made by the Secretary from the fund.

(e) There is established in the Treasury a loan fund (hereinafter in this subsection referred to as the "fund") which shall be available to the Secretary without fiscal year limitation, in such amounts as may be specified from time to time in appropriation Acts, to enable him to make loans under this title and to take the action authorized by subsection (f). There shall also be deposited in the fund amounts received by the Secretary as interest payments and repayment of principal on loans made under this title and other property or assets derived by him from his operations respecting such loans, from the sale of loans under subsection (c) of this section, or from the sale of assets.

(f) The Secretary may take such action as he deems appropriate to protect the interest of the United States in the event of a default on a loan made or guaranteed under this title, including taking possession of, holding, and using real property pledged as security for such a loan or loan guarantee.

AUTHORIZATIONS OF APPROPRIATIONS

SEC. 1309. ~~300e-8~~ (a) For grants under section 1317 there is authorized to be appropriated \$1,000,000 for each of the fiscal years 1982, 1983, and 1984.

(b) To meet the obligations of the loan fund established under section 1308(e) resulting from defaults on loans made from the fund and to meet the other obligations of the fund, there is authorized to be appropriated to the loan fund for fiscal years 1987, 1988, and 1989, such sums as may be necessary.

EMPLOYEES' HEALTH BENEFITS PLANS

SEC. 1310. ³ ~~300e-9~~ (a) In accordance with regulations which the Secretary shall prescribe—

(1) each employer—

(A) which is required during any calendar quarter to pay its employees the minimum wage prescribed by section 6 of the Fair Labor Standards Act of 1938 (or would be required to pay its employees such wage but for section 13(a) of such Act), and

(B) which during such calendar quarter employed an average number of employees of not less than 25, and

(2) any State and each political subdivision thereof which during any calendar quarter employed an average number of employees of not less than 25, as a condition of payment to the State of funds under section 317, 318, or 1002,

which offers to its employees in the calendar year beginning after such calendar quarter the option of membership in a qualified health maintenance organization which is engaged in the provision of basic health services in a health maintenance organization service area in which at least 25 of such employees reside shall meet the requirements of subsection (b) with respect to any qualified health maintenance organization offered by the employer or State or political subdivision.

(b)(1) If a health benefits plan offered by an employer or a State or political subdivision includes contributions for services offered under the plan, the employer or State or political subdivision shall make a contribution under the plan for services offered by a qualified health maintenance organization in an amount which does not financially discriminate against an employee who enrolls in such organization. For purposes of the preceding sentence, an employer's or a State's or political subdivision's contribution does not financially discriminate if the employer's or State's or political subdivision's method of determining the contributions on behalf of

Section 7(a)(3) of such Public Law provides that nothing in section 1310 shall be construed to supersede any provision of a collective bargaining agreement in effect on [October 24, 1988].

Section 9 of such Public Law provides as follows: "With respect to abortion services, the Secretary of Health and Human Services shall not promulgate or issue any regulations, policy statements, or interpretations or develop any practices concerning the performance of medically necessary procedures if such regulations, policy statements, interpretations, or practices would be inconsistent with those in effect on [October 24, 1988].".

all employees is reasonable and is designed to assure employees a fair choice among health benefits plans.

(2) Each employer or State or political subdivision which provides payroll deductions as a means of paying employees' contributions for health benefits or which provides a health benefits plan to which an employee contribution is not required shall, with the consent of an employee who exercises option of membership in a qualified health maintenance organization, arrange for the employee's contribution for membership in the organization to be paid through payroll deductions.

(3) No employer or State or political subdivision shall be required to pay more for health benefits as a result of the application of this subsection than would otherwise be required by any prevailing collective bargaining agreement or other legally enforceable contract for the provision of health benefits between the employer or State or political subdivision and its employees.

(c) For purposes of this section, the term "qualified health maintenance organization" means (1) a health maintenance organization which has provided assurances satisfactory to the Secretary that it provides basic and supplemental health services to its members in the manner prescribed by section 1301(b) and that it is organized and operated in the manner prescribed by section 1301(c), and (2) an entity which proposes to become a health maintenance organization and which the Secretary determines will when it becomes operational provide basic and supplemental health services to its members in the manner prescribed by section 1301(b) and will be organized and operated in the manner prescribed by section 1301(c).

(d)(1) Any employer who knowingly does not comply with one or more of the requirements of paragraph (1) or (2) of subsection (b) shall be subject to a civil penalty of not more than \$10,000. If such noncompliance continues, a civil penalty may be assessed and collected under this subsection for each thirty-day period such noncompliance continues. Such penalty may be assessed by the Secretary and collected in a civil action brought by the United States in a United States district court.

(2) In any proceeding by the Secretary to assess a civil penalty under this subsection, no penalty shall be assessed until the employer charged shall have been given notice and an opportunity to present its views on such charge. In determining the amount of the penalty, or the amount agreed upon in compromise, the Secretary shall consider the gravity of the noncompliance and the demonstrated good faith of the employer charged in attempting to achieve rapid compliance after notification by the Secretary of a noncompliance.

(3) In any civil action brought to review the assessment of a civil penalty assessed under this subsection, the court shall, at the request of any party to such action, hold a trial de novo on the assessment of such civil penalty and in any civil action to collect such a civil penalty, the court shall, at the request of any party to such action, hold a trial de novo on the assessment of such civil penalty unless in a prior civil action to review the assessment of such penalty the court held a trial de novo on such assessment.

(e) For purposes of this section, the term “employer” does not include (1) the Government of the United States, the government of the District of Columbia or any territory or possession of the United States, a State or any political subdivision thereof, or any agency or instrumentality (including the United States Postal Service and Postal Rate Commission) of any of the foregoing, except that such term includes nonappropriated fund instrumentalities of the Government of the United States; or (2) a church, convention or association of churches, or any organization operated, supervised or controlled by a church, convention or association of churches which organization (A) is an organization described in section 501(c)(3) of the Internal Revenue Code of 1986, and (B) does not discriminate (i) in the employment, compensation, promotion, or termination of employment of any personnel, or (ii) in the extension of staff or other privileges to any physician or other health personnel, because such persons seek to obtain or obtained health care, or participate in providing health care, through a health maintenance organization.

(f) If the Secretary, after reasonable notice and opportunity for a hearing to a State, finds that it or any of its political subdivisions has failed to comply with paragraph (1) or (2) of subsection (b), the Secretary shall terminate payments to such State under sections 317, 318, and 1002 and notify the Governor of such State that further payments under such sections will not be made to the State until the Secretary is satisfied that there will no longer be any such failure to comply.

RESTRICTIVE STATE LAWS AND PRACTICES

SEC. 1311. [300e–10] (a) In the case of any entity—

(1) which cannot do business as a health maintenance organization in a State in which it proposes to furnish basic and supplemental health services because that State by law, regulation, or otherwise—

(A) requires as a condition to doing business in that State that a medical society approve the furnishing of services by the entity,

(B) requires that physicians constitute all or a percentage of its governing body,

(C) requires that all physicians or a percentage of physicians in the locale participate or be permitted to participate in the provision of services for the entity,

(D) requires that the entity meet requirements for insurers of health care services doing business in that State respecting initial capitalization and establishment of financial reserves against insolvency, or

(E) imposes requirements which would prohibit the entity from complying with the requirements of this title, and

(2) for which a grant, contract, loan, or loan guarantee was made under this title or which is a qualified health maintenance organization for purposes of section 1310 (relating to employees’ health benefits plans),

such requirements shall not apply to that entity so as to prevent it from operating as a health maintenance organization in accordance with section 1301.

(b) No State may establish or enforce any law which prevents a health maintenance organization for which a grant, contract, loan, or loan guarantee was made under this title or which is a qualified health maintenance organization for purposes of section 1310 (relating to employees' health benefits plans), from soliciting members through advertising its services, charges, or other non-professional aspects of its operation. This subsection does not authorize any advertising which identifies, refers to, or makes any qualitative judgment concerning, any health professional who provides services for a health maintenance organization.

(c) The Secretary shall, within 6 months after the date of the enactment of this subsection, develop a digest of State laws, regulations, and practices pertaining to development, establishment, and operation of health maintenance organizations which shall be updated at least annually and relevant sections of which shall be provided to the Governor of each State annually. Such digest shall indicate which State laws, regulations, and practices appear to be inconsistent with the operation of this section. The Secretary shall also insure that appropriate legal consultative assistance is available to the States for the purpose of complying with the provisions of this section.

CONTINUED REGULATION OF HEALTH MAINTENANCE ORGANIZATIONS

SEC. 1312. ~~300e-11~~ (a) If the Secretary determines that an entity which received a grant, contract, loan, or loan guarantee under this title as a health maintenance organization or which was included in a health benefits plan offered to employees pursuant to section 1310—

(1) fails to provide basic and supplemental services to its members,

(2) fails to provide such services in the manner prescribed by section 1301(b), or

(3) is not organized or operated in the manner prescribed by section 1301(c),

the Secretary may take the action authorized by subsection (b).

(b)(1) If the Secretary makes, with respect to any entity which provided assurances to the Secretary under section 1310(d)(1), a determination described in subsection (a), the Secretary shall notify the entity in writing of the determination. Such notice shall specify the manner in which the entity has not complied with such assurances and direct that the entity initiate (within 30 days of the date the notice is issued by the Secretary or within such longer period as the Secretary determines is reasonable) such action as may be necessary to bring (within such period as the Secretary shall prescribe) the entity into compliance with the assurances. If the entity fails to initiate corrective action within the period prescribed by the notice or fails to comply with the assurances within such period as the Secretary prescribes, then after the Secretary provides the entity a reasonable opportunity for reconsideration of his determination, including, at the entity's election, a fair hearing (A) the entity

shall not be a qualified health maintenance organization for purposes of section 1310 until such date as the Secretary determines that it is in compliance with the assurances, and (B) each employer which has offered membership in the entity in compliance with section 1310, each lawfully recognized collective bargaining representative or other employee representative which represents the employees of each such employer, and the members of such entity shall be notified by the entity that the entity is not a qualified health maintenance organization for purposes of such section. The notice required by clause (B) of the preceding sentence shall contain, in readily understandable language, the reasons for the determination that the entity is not a qualified health maintenance organization. The Secretary shall publish in the Federal Register each determination referred to in this paragraph.

(2) If the Secretary makes, with respect to an entity which has received a grant, contract, loan, or loan guarantee under this title, a determination described in subsection (a), the Secretary may, in addition to any other remedies available to him, bring a civil action in the United States district court for the district in which such entity is located to enforce its compliance with the assurances it furnished respecting the provision of basic and supplemental health services or its organization or operation, as the case may be, which assurances were made in connection with its application under this title for the grant, contract, loan, or loan guarantee.

LIMITATION ON SOURCE OF FUNDING FOR HEALTH MAINTENANCE ORGANIZATIONS

SEC. 1313. [300e-12] No funds appropriated under any provision of this Act (except as provided in sections 329 and 330) other than this title may be used—

(1) for grants or contracts for surveys or other activities to determine the feasibility of developing or expanding health maintenance organizations or other entities which provide, directly or indirectly, health services to a defined population on a prepaid basis;

(2) for grants or contracts, or for payments under loan guarantees, for planning projects for the establishment or expansion of such organizations or entities;

(3) for grants or contracts, or for payments under loan guarantees, for projects for the initial development or expansion of such organizations or entities; or

(4) for loans, or for payments under loan guarantees, to assist in meeting the costs of the initial operation after establishment or expansion of such organizations or entities or in meeting the costs of such organizations in acquiring or constructing ambulatory health care facilities.

ANNUAL REPORT

SEC. 1315. [300e-14] (a) The Secretary shall periodically review the programs of assistance authorized by this title and make an annual report to the Congress of a summary of the activities under each program. The Secretary shall include in such summary—

(1) a summary of each grant, contract, loan, or loan guarantee made under this title in the period covered by the report and a list of the health maintenance organizations which during such period became qualified health maintenance organizations for purposes of section 1310;

(2) the statistics and other information reported in such period to the Secretary in accordance with section 1301(c)(11);

(3) findings with respect to the ability of the health maintenance organizations assisted under this title—

(A) to operate on a fiscally sound basis without continued Federal financial assistance,

(B) to meet the requirements of section 1301(c) respecting their organization and operation,

(C) to provide basic and supplemental health services in the manner prescribed by section 1301(b),

(D) to include indigent and high-risk individuals in their membership, and

(E) to provide services to medically underserved populations; and

(4) findings with respect to—

(A) the operation of distinct categories of health maintenance organizations in comparison with each other,

(B) health maintenance organizations as a group in comparison with alternative forms of health care delivery, and

(C) the impact that health maintenance organizations, individually, by category, and as a group, have on the health of the public.

(b) The Office of Management and Budget may review the Secretary's report under subsection (a) before its submission to the Congress, but the Office may not revise the report or delay its submission, and it may submit to the Congress its comments (and those of other departments or agencies of the Government) respecting such report.

TRAINING AND TECHNICAL ASSISTANCE

SEC. 1317. [300e–16] (a)(1) The Secretary shall establish a National Health Maintenance Organization Intern Program (hereinafter in this subsection referred to as the “Program”) for the purpose of providing training to individuals to become administrators and medical directors of health maintenance organizations or to assume other managerial positions with health maintenance organizations. Under the Program the Secretary may directly provide internships for such training and may make grants to or enter into contracts with health maintenance organizations and other entities to provide such internships.

(2) No internship may be provided by the Secretary and no grant may be made or contract entered into by the Secretary for the provision of internships unless an application therefor has been submitted to and approved by the Secretary. Such an application shall be in such form and contain such information, and be submitted to the Secretary in such manner, as the Secretary shall pre-

scribe. Section 1306 does not apply to an application submitted under this section.

(3) Internships under the Program shall provide for such stipends and allowances (including travel and subsistence expenses and dependency allowances) for the recipients of the internships as the Secretary deems necessary. An internship provided an individual for training at a health maintenance organization or any other entity shall also provide for payments to be made to the organization or other entity for the cost of support services (including the cost of salaries, supplies, equipment, and related items) provided such individual by such organization or other entity. The amount of any such payments to any organization or other entity shall be determined by the Secretary and shall bear a direct relationship to the reasonable costs of the organization or other entity for establishing and maintaining its training programs.

(4) Payments under grants under the Program may be made in advance or by way of reimbursement, and at such intervals and on such conditions, as the Secretary finds necessary.

(b) The Secretary shall provide technical assistance (1) to entities intending to become a qualified health maintenance organization within the meaning of section 1310(d), and (2) to health maintenance organizations. The Secretary may provide such technical assistance through grants to public and nonprofit private entities and contracts with public and private entities.

(c) The authority of the Secretary to enter into contracts under subsections (a) and (b) shall be effective for any fiscal year only to such extent or in such amounts as are provided in advance by appropriation Acts.

FINANCIAL DISCLOSURE

SEC. 1318. [300e-17] (a) Each health maintenance organization shall, in accordance with regulations of the Secretary, report to the Secretary financial information which shall include the following:

(1) Such information as the Secretary may require demonstrating that the health maintenance organization has a fiscally sound operation.

(2) A copy of the report, if any, filed with the Centers for Medicare & Medicaid Services containing the information required to be reported under section 1124 of the Social Security Act by disclosing entities and the information required to be supplied under section 1902(a)(38) of such Act.

(3) A description of transactions, as specified by the Secretary, between the health maintenance organization and a party in interest. Such transactions shall include—

(A) any sale or exchange, or leasing of any property between the health maintenance organization and a party in interest;

(B) any furnishing for consideration of goods, services (including management services), or facilities between the health maintenance organization and a party in interest, but not including salaries paid to employees for services provided in the normal course of their employment and

health services provided to members by hospitals and other providers and by staff, medical group (or groups), individual practice association (or associations), or any combination thereof; and

(C) any lending of money or other extension of credit between a health maintenance organization and a party in interest.

The Secretary may require that information reported respecting a health maintenance organization which controls, is controlled by, or is under common control with, another entity be in the form of a consolidated financial statement for the organization and such entity.

(b) For the purposes of this section the term “party in interest” means:

(1) any director, officer, partner, or employee responsible for management or administration of a health maintenance organization, any person who is directly or indirectly the beneficial owner of more than 5 per centum of the equity of the organization, any person who is the beneficial owner of a mortgage, deed of trust, note, or other interest secured by, and valuing more than 5 per centum of the health maintenance organization, and, in the case of a health maintenance organization organized as a nonprofit corporation, an incorporator or member of such corporation under applicable State corporation law;

(2) any entity in which a person described in paragraph (1)—

(A) is an officer or director;

(B) is a partner (if such entity is organized as a partnership);

(C) has directly or indirectly a beneficial interest of more than 5 per centum of the equity; or

(D) has a mortgage, deed of trust, note, or other interest valuing more than 5 per centum of the assets of such entity;

(3) any person directly or indirectly controlling, controlled by, or under common control with a health maintenance organization; and

(4) any spouse, child, or parent of an individual described in paragraph (1).

(c) Each health maintenance organization shall make the information reported pursuant to subsection (a) available to its enrollees upon reasonable request.

(d) The Secretary shall, as he deems necessary, conduct an evaluation of transactions reported to the Secretary under subsection (a)(3) for the purpose of determining their adverse impact, if any, on the fiscal soundness and reasonableness of charges to the health maintenance organization with respect to which they transpired. The Secretary shall evaluate the reported transactions of not less than five, or if there are more than twenty health maintenance organizations reporting such transactions, not less than one-fourth of the health maintenance organizations reporting any such transactions under subsection (a)(3).

(f)⁴ Nothing in this section shall be construed to confer upon the Secretary any authority to approve or disapprove the rates charged by any health maintenance organization.

(g) Any health maintenance organization failing to file with the Secretary the annual financial statement required in subsection (a) shall be ineligible for any Federal assistance under this title until such time as such statement is received by the Secretary and shall not be a qualified health maintenance organization for purposes of section 1310.

(h) Whoever knowingly and willfully makes or causes to be made any false statement or representation of a material fact in any statement filed pursuant to this section shall be guilty of a felony and upon conviction thereof shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.

TITLE XV—PREVENTIVE HEALTH MEASURES WITH RESPECT TO BREAST AND CERVICAL CANCERS

SEC. 1501. [300k] ESTABLISHMENT OF PROGRAM OF GRANTS TO STATES.

(a) IN GENERAL.—The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to States on the basis of an established competitive review process for the purpose of carrying out programs—

(1) to screen women for breast and cervical cancer as a preventive health measure;

(2) to provide appropriate referrals for medical treatment of women screened pursuant to paragraph (1) and to ensure, to the extent practicable, the provision of appropriate follow-up services and support services such as case management;

(3) to develop and disseminate public information and education programs for the detection and control of breast and cervical cancer;

(4) to improve the education, training, and skills of health professionals (including allied health professionals) in the detection and control of breast and cervical cancer;

(5) to establish mechanisms through which the States can monitor the quality of screening procedures for breast and cervical cancer, including the interpretation of such procedures; and

(6) to evaluate activities conducted under paragraphs (1) through (5) through appropriate surveillance or program-monitoring activities.

(b) GRANT AND CONTRACT AUTHORITY OF STATES.—

⁴ Subsection (e) was repealed by section 810 of Public Law 99–660.

(1) IN GENERAL.—A State receiving a grant under subsection (a) may, subject to paragraphs (2) and (3), expend the grant to carry out the purpose described in such subsection through grants to public and nonprofit private entities and through contracts with public and private entities.

(2) CERTAIN APPLICATIONS.—If a nonprofit private entity and a private entity that is not a nonprofit entity both submit applications to a State to receive an award of a grant or contract pursuant to paragraph (1), the State may give priority to the application submitted by the nonprofit private entity in any case in which the State determines that the quality of such application is equivalent to the quality of the application submitted by the other private entity.

(3) PAYMENTS FOR SCREENINGS.—The amount paid by a State to an entity under this subsection for a screening procedure under subsection (a)(1) may not exceed the amount that would be paid under part B of title XVIII of the Social Security Act if payment were made under such part for furnishing the procedure to a woman enrolled under such part.

(c) SPECIAL CONSIDERATION FOR CERTAIN STATES.—In making grants under subsection (a) to States whose initial grants under such subsection are made for fiscal year 1995 or any subsequent fiscal year, the Secretary shall give special consideration to any State whose proposal for carrying out programs under such subsection—

(1) has been approved through a process of peer review; and

(2) is made with respect to geographic areas in which there is—

(A) a substantial rate of mortality from breast or cervical cancer; or

(B) a substantial incidence of either of such cancers.

(d) COORDINATING COMMITTEE REGARDING YEAR 2020 HEALTH OBJECTIVES.—The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish a committee to coordinate the activities of the agencies of the Public Health Service (and other appropriate Federal agencies) that are carried out toward achieving the objectives established by the Secretary for reductions in the rate of mortality from breast and cervical cancer in the United States by the year 2020. Such committee shall be comprised of Federal officers or employees designated by the heads of the agencies involved to serve on the committee as representatives of the agencies, and such representatives from other public or private entities as the Secretary determines to be appropriate.

SEC. 1502. [3001] REQUIREMENT OF MATCHING FUNDS.

(a) IN GENERAL.—The Secretary may not make a grant under section 1501 unless the State involved agrees, with respect to the costs to be incurred by the State in carrying out the purpose described in such section, to make available non-Federal contributions (in cash or in kind under subsection (b)) toward such costs in an amount equal to not less than \$1 for each \$3 of Federal funds

provided in the grant. Such contributions may be made directly or through donations from public or private entities.

(b) DETERMINATION OF AMOUNT OF NON-FEDERAL CONTRIBUTION.—

(1) IN GENERAL.—Non-Federal contributions required in subsection (a) may be in cash or in kind, fairly evaluated, including equipment or services (and excluding indirect or overhead costs). Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(2) MAINTENANCE OF EFFORT.—In making a determination of the amount of non-Federal contributions for purposes of subsection (a), the Secretary may include only non-Federal contributions in excess of the average amount of non-Federal contributions made by the State involved toward the purpose described in section 1501 for the 2-year period preceding the first fiscal year for which the State is applying to receive a grant under such section.

(3) INCLUSION OF RELEVANT NON-FEDERAL CONTRIBUTIONS FOR MEDICAID.—In making a determination of the amount of non-Federal contributions for purposes of subsection (a), the Secretary shall, subject to paragraphs (1) and (2) of this subsection, include any non-Federal amounts expended pursuant to title XIX of the Social Security Act by the State involved toward the purpose described in paragraphs (1) and (2) of section 1501(a).

SEC. 1502A. [300l-1] REQUIREMENT REGARDING MEDICAID.

The Secretary may not make a grant under section 1501 for a program in a State unless the State plan under title XIX of the Social Security Act for the State includes the screening procedures specified in subparagraphs (A) and (B) of section 1503(a)(2) as medical assistance provided under the plan.

SEC. 1503. [300m] REQUIREMENTS WITH RESPECT TO TYPE AND QUALITY OF SERVICES.

(a) REQUIREMENT OF PROVISION OF ALL SERVICES BY DATE CERTAIN.—The Secretary may not make a grant under section 1501 unless the State involved agrees—

(1) to ensure that, initially and throughout the period during which amounts are received pursuant to the grant, not less than 60 percent of the grant is expended to provide each of the services or activities described in paragraphs (1) and (2) of section 1501(a), including making available screening procedures for both breast and cervical cancers;

(2) subject to subsection (b), to ensure that—

(A) in the case of breast cancer, both a physical examination of the breasts and the screening procedure known as a mammography are conducted; and

(B) in the case of cervical cancer, both a pelvic examination and the screening procedure known as a pap smear are conducted;

(3) to ensure that, by the end of any second fiscal year of payments pursuant to the grant, each of the services or activities described in section 1501(a) is provided; and

(4) to ensure that not more than 40 percent of the grant is expended to provide the services or activities described in paragraphs (3) through (6) of such section.

(b) **USE OF IMPROVED SCREENING PROCEDURES.**—The Secretary may not make a grant under section 1501 unless the State involved agrees that, if any screening procedure superior to a procedure described in subsection (a)(2) becomes commonly available and is recommended for use, any entity providing screening procedures pursuant to the grant will utilize the superior procedure rather than the procedure described in such subsection.

(c)¹ **QUALITY ASSURANCE REGARDING SCREENING PROCEDURES.**—The Secretary may not make a grant under section 1501 unless the State involved agrees that the State will, in accordance with applicable law, assure the quality of screening procedures conducted pursuant to such section.

(d) **WAIVER OF SERVICES REQUIREMENT ON DIVISION OF FUNDS.**—

(1) **IN GENERAL.**—The Secretary shall establish a demonstration project under which the Secretary may waive the requirements of paragraphs (1) and (4) of subsection (a) for not more than 5 States, if—

(A) the State involved will use the waiver to leverage non-Federal funds to supplement each of the services or activities described in paragraphs (1) and (2) of section 1501(a);

(B) the application of such requirement would result in a barrier to the enrollment of qualifying women;

(C) the State involved—

(i) demonstrates, to the satisfaction of the Secretary, the manner in which the State will use such waiver to expand the level of screening and follow-up services provided immediately prior to the date on which the waiver is granted; and

(ii) provides assurances, satisfactory to the Secretary, that the State will, on an annual basis, demonstrate, through such documentation as the Secretary may require, that the State has used such waiver as described in clause (i);

(D) the State involved submits to the Secretary—

(i) assurances, satisfactory to the Secretary, that the State will maintain the average annual level of State fiscal year expenditures for the services and activities described in paragraphs (1) and (2) of section 1501(a) for the period for which the waiver is granted,

¹ Section 101(c)(2) of Public Law 103–183 (107 Stat. 2228) provides as follows:

“(2) **TRANSITION RULE REGARDING MAMMOGRAPHIES.**—With respect to the screening procedure for breast cancer known as a mammography, the requirements in effect on the day before the date of the enactment of this Act under section 1503(c) of the Public Health Service Act remain in effect (for an individual or facility conducting such procedures pursuant to a grant to a State under section 1501 of such Act) until there is in effect for the facility a certificate (or provisional certificate) issued under section 354 of such Act.”

and for the period for which any extension of such waiver is granted, at a level that is not less than—

(I) the level of the State fiscal year expenditures for such services and activities for the fiscal year preceding the first fiscal year for which the waiver is granted; or

(II) at the option of the State and upon approval by the Secretary, the average level of the State expenditures for such services and activities for the 3-fiscal year period preceding the first fiscal year for which the waiver is granted; and

(ii) a plan, satisfactory to the Secretary, for maintaining the level of activities carried out under the waiver after the expiration of the waiver and any extension of such waiver;

(E) the Secretary finds that granting such a waiver to a State will increase the number of women in the State that receive each of the services or activities described in paragraphs (1) and (2) of section 1501(a), including making available screening procedures for both breast and cervical cancers; and

(F) the Secretary finds that granting such a waiver to a State will not adversely affect the quality of each of the services or activities described in paragraphs (1) and (2) of section 1501(a).

(2) DURATION OF WAIVER.—

(A) IN GENERAL.—In granting waivers under paragraph (1), the Secretary—

(i) shall grant such waivers for a period that is not less than 1 year but not more than 2 years; and

(ii) upon request of a State, may extend a waiver for an additional period that is not less than 1 year but not more than 2 years in accordance with subparagraph (B).

(B) ADDITIONAL PERIOD.—The Secretary, upon the request of a State that has received a waiver under paragraph (1), shall, at the end of the waiver period described in subparagraph (A)(i), review performance under the waiver and may extend the waiver for an additional period if the Secretary determines that—

(i) without an extension of the waiver, there will be a barrier to the enrollment of qualifying women;

(ii) the State requesting such extended waiver will use the waiver to leverage non-Federal funds to supplement the services or activities described in paragraphs (1) and (2) of section 1501(a);

(iii) the waiver has increased, and will continue to increase, the number of women in the State that receive the services or activities described in paragraphs (1) and (2) of section 1501(a);

(iv) the waiver has not, and will not, result in lower quality in the State of the services or activities described in paragraphs (1) and (2) of section 1501(a); and

(v) the State has maintained the average annual level of State fiscal expenditures for the services and activities described in paragraphs (1) and (2) of section 1501(a) for the period for which the waiver was granted at a level that is not less than—

(I) the level of the State fiscal year expenditures for such services and activities for the fiscal year preceding the first fiscal year for which the waiver is granted; or

(II) at the option of the State and upon approval by the Secretary, the average level of the State expenditures for such services and activities for the 3-fiscal year period preceding the first fiscal year for which the waiver is granted.

(3) REPORTING REQUIREMENTS.—The Secretary shall include as part of the evaluations and reports required under section 1508, the following:

(A) A description of the total amount of dollars leveraged annually from Non-Federal entities in States receiving a waiver under paragraph (1) and how these amounts were used.

(B) With respect to States receiving a waiver under paragraph (1), a description of the percentage of the grant that is expended on providing each of the services or activities described in—

(i) paragraphs (1) and (2) of section 1501(a); and
(ii) paragraphs (3) through (6) of section 1501(a).

(C) A description of the number of States receiving waivers under paragraph (1) annually.

(D) With respect to States receiving a waiver under paragraph (1), a description of—

(i) the number of women receiving services under paragraphs (1), (2), and (3) of section 1501(a) in programs before and after the granting of such waiver; and

(ii) the average annual level of State fiscal expenditures for the services and activities described in paragraphs (1) and (2) of section 1501(a) for the year preceding the first year for which the waiver was granted.

(4) LIMITATION.—Amounts to which a waiver applies under this subsection shall not be used to increase the number of salaried employees.

(5) DEFINITIONS.—In this subsection:

(A) INDIAN TRIBE.—The term “Indian tribe” has the meaning given the term in section 4 of the Indian Health Care Improvement Act (25 U.S.C. 1603).

(B) TRIBAL ORGANIZATION.—The term “tribal organization” has the meaning given the term in section 4 of the Indian Health Care Improvement Act.

(C) STATE.—The term “State” means each of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, the Commonwealth of the Northern Mariana Islands, the Re-

public of the Marshall Islands, the Federated States of Micronesia, the Republic of Palau, an Indian tribe, and a tribal organization.

(6) SUNSET.—The Secretary may not grant a waiver or extension under this subsection after September 30, 2012.

SEC. 1504. [300n] ADDITIONAL REQUIRED AGREEMENTS.

(a) PRIORITY FOR LOW-INCOME WOMEN.—The Secretary may not make a grant under section 1501 unless the State involved agrees that low-income women will be given priority in the provision of services and activities pursuant to paragraphs (1) and (2) of section 1501(a).

(b) LIMITATION ON IMPOSITION OF FEES FOR SERVICES.—The Secretary may not make a grant under section 1501 unless the State involved agrees that, if a charge is imposed for the provision of services or activities under the grant, such charge—

(1) will be made according to a schedule of charges that is made available to the public;

(2) will be adjusted to reflect the income of the woman involved; and

(3) will not be imposed on any woman with an income of less than 100 percent of the official poverty line, as established by the Director of the Office of Management and Budget and revised by the Secretary in accordance with section 673(2) of the Omnibus Budget Reconciliation Act of 1981.

(c) STATEWIDE PROVISION OF SERVICES.—

(1) IN GENERAL.—The Secretary may not make a grant under section 1501 unless the State involved agrees that services and activities under the grant will be made available throughout the State, including availability to members of any Indian tribe or tribal organization (as such terms are defined in section 4 of the Indian Self-Determination and Education Assistance Act).

(2) WAIVER.—The Secretary may waive the requirement established in paragraph (1) for a State if the Secretary determines that compliance by the State with the requirement would result in an inefficient allocation of resources with respect to carrying out the purpose described in section 1501(a).

(3) GRANTS TO TRIBES AND TRIBAL ORGANIZATIONS.—

(A) The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to tribes and tribal organizations (as such terms are used in paragraph (1)) for the purpose of carrying out programs described in section 1501(a). This title applies to such a grant (in relation to the jurisdiction of the tribe or organization) to the same extent and in the same manner as such title applies to a grant to a State under section 1501 (in relation to the jurisdiction of the State).

(B) If a tribe or tribal organization is receiving a grant under subparagraph (A) and the State in which the tribe or organization is located is receiving a grant under section 1501, the requirement established in paragraph (1) for the State regarding the tribe or organization is deemed to have been waived under paragraph (2).

(d) RELATIONSHIP TO ITEMS AND SERVICES UNDER OTHER PROGRAMS.—The Secretary may not make a grant under section 1501 unless the State involved agrees that the grant will not be expended to make payment for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to such item or service—

(1) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(2) by an entity that provides health services on a prepaid basis.

(e) COORDINATION WITH OTHER BREAST AND CERVICAL CANCER PROGRAMS.—The Secretary may not make a grant under section 1501 unless the State involved agrees that the services and activities funded through the grant shall be coordinated with other Federal, State, and local breast and cervical cancer programs.

(f) LIMITATION ON ADMINISTRATIVE EXPENSES.—The Secretary may not make a grant under section 1501 unless the State involved agrees that not more than 10 percent of the grant will be expended for administrative expenses with respect to the grant.

(g) RESTRICTIONS ON USE OF GRANT.—The Secretary may not make a grant under section 1501 unless the State involved agrees that the grant will not be expended to provide inpatient hospital services for any individual.

(h) RECORDS AND AUDITS.—The Secretary may not make a grant under section 1501 unless the State involved agrees that—

(1) the State will establish such fiscal control and fund accounting procedures as may be necessary to ensure the proper disbursement of, and accounting for, amounts received by the State under such section; and

(2) upon request, the State will provide records maintained pursuant to paragraph (1) to the Secretary or the Comptroller of the United States for purposes of auditing the expenditures by the State of the grant.

(i) REPORTS TO SECRETARY.—The Secretary may not make a grant under section 1501 unless the State involved agrees to submit to the Secretary such reports as the Secretary may require with respect to the grant.

SEC. 1505. [300n-1] DESCRIPTION OF INTENDED USES OF GRANT.

The Secretary may not make a grant under section 1501 unless—

(1) the State involved submits to the Secretary a description of the purposes for which the State intends to expend the grant;

(2) the description identifies the populations, areas, and localities in the State with a need for the services or activities described in section 1501(a);

(3) the description provides information relating to the services and activities to be provided, including a description of the manner in which the services and activities will be coordinated with any similar services or activities of public and private entities; and

(4) the description provides assurances that the grant funds will be used in the most cost-effective manner.

SEC. 1506. [300n-2] REQUIREMENT OF SUBMISSION OF APPLICATION.

The Secretary may not make a grant under section 1501 unless an application for the grant is submitted to the Secretary, the application contains the description of intended uses required in section 1505, and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this title.

SEC. 1507. [300n-3] TECHNICAL ASSISTANCE AND PROVISION OF SUPPLIES AND SERVICES IN LIEU OF GRANT FUNDS.

(a) **TECHNICAL ASSISTANCE.**—The Secretary may provide training and technical assistance with respect to the planning, development, and operation of any program or service carried out pursuant to section 1501. The Secretary may provide such technical assistance directly or through grants to, or contracts with, public and private entities.

(b) **PROVISION OF SUPPLIES AND SERVICES IN LIEU OF GRANT FUNDS.**—

(1) **IN GENERAL.**—Upon the request of a State receiving a grant under section 1501, the Secretary may, subject to paragraph (2), provide supplies, equipment, and services for the purpose of aiding the State in carrying out such section and, for such purpose, may detail to the State any officer or employee of the Department of Health and Human Services.

(2) **CORRESPONDING REDUCTION IN PAYMENTS.**—With respect to a request described in paragraph (1), the Secretary shall reduce the amount of payments under the grant under section 1501 to the State involved by an amount equal to the costs of detailing personnel (including pay, allowances, and travel expenses) and the fair market value of any supplies, equipment, or services provided by the Secretary. The Secretary shall, for the payment of expenses incurred in complying with such request, expend the amounts withheld.

SEC. 1508. [300n-4] EVALUATIONS AND REPORTS.

(a) **EVALUATIONS.**—The Secretary shall, directly or through contracts with public or private entities, provide for annual evaluations of programs carried out pursuant to section 1501. Such evaluations shall include evaluations of—

(1) the extent to which States carrying out such programs are in compliance with section 1501(a)(2) and with section 1504(c); and

(2) the extent to which each State receiving a grant under this title is in compliance with section 1502, including identification of—

(A) the amount of the non-Federal contributions by the State for the preceding fiscal year, disaggregated according to the source of the contributions; and

(B) the proportion of such amount of non-Federal contributions relative to the amount of Federal funds provided through the grant to the State for the preceding fiscal year.

(b) **REPORT TO CONGRESS.**—The Secretary shall, not later than 1 year after the date of the enactment of the National Breast and Cervical Cancer Early Detection Program Reauthorization of 2007, and annually thereafter, submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report summarizing evaluations carried out pursuant to subsection (a) during the preceding fiscal year and making such recommendations for administrative and legislative initiatives with respect to this title as the Secretary determines to be appropriate, including recommendations regarding compliance by the States with section 1501(a)(2) and with section 1504(c).

SEC. 1509. [300n–4a] SUPPLEMENTAL GRANTS FOR ADDITIONAL PREVENTIVE HEALTH SERVICES.

(a) **DEMONSTRATION PROJECTS.**—In the case of States receiving grants under section 1501, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to not more than 3 such States to carry out demonstration projects for the purpose of—

(1) providing preventive health services in addition to the services authorized in such section, including screenings regarding blood pressure and cholesterol, and including health education;

(2) providing appropriate referrals for medical treatment of women receiving services pursuant to paragraph (1) and ensuring, to the extent practicable, the provision of appropriate follow-up services; and

(3) evaluating activities conducted under paragraphs (1) and (2) through appropriate surveillance or program-monitoring activities.

(b) **STATUS AS PARTICIPANT IN PROGRAM REGARDING BREAST AND CERVICAL CANCER.**—The Secretary may not make a grant under subsection (a) unless the State involved agrees that services under the grant will be provided only through entities that are screening women for breast or cervical cancer pursuant to a grant under section 1501.

(c) **APPLICABILITY OF PROVISIONS OF GENERAL PROGRAM.**—This title applies to a grant under subsection (a) to the same extent and in the same manner as such title applies to a grant under section 1501.

(d) **FUNDING.**—

(1) **IN GENERAL.**—Subject to paragraph (2), for the purpose of carrying out this section, there are authorized to be appropriated \$3,000,000 for fiscal year 1994, and such sums as may be necessary for each of the fiscal years 1995 through 2003.

(2) **LIMITATION REGARDING FUNDING WITH RESPECT TO BREAST AND CERVICAL CANCER.**—The authorization of appropriations established in paragraph (1) is not effective for a fiscal year unless the amount appropriated under section 1510(a) for the fiscal year is equal to or greater than \$100,000,000.

SEC. 1510. [300n–5] FUNDING FOR GENERAL PROGRAM.

(a) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this title, there are authorized to be appropriated

\$50,000,000 for fiscal year 1991, such sums as may be necessary for each of the fiscal years 1992 and 1993, \$150,000,000 for fiscal year 1994, such sums as may be necessary for each of the fiscal years 1995 through 2003, \$225,000,000 for fiscal year 2008, \$245,000,000 for fiscal year 2009, \$250,000,000 for fiscal year 2010, \$255,000,000 for fiscal year 2011, and \$275,000,000 for fiscal year 2012.

(b) SET-ASIDE FOR TECHNICAL ASSISTANCE AND PROVISION OF SUPPLIES AND SERVICES.—Of the amounts appropriated under subsection (a) for a fiscal year, the Secretary shall reserve not more than 20 percent for carrying out section 1507.

TITLE XVI—HEALTH RESOURCES DEVELOPMENT

PART A—LOANS AND LOAN GUARANTEES

AUTHORITY FOR LOANS AND LOAN GUARANTEES

SEC. 1601. [300q] (a)(1) The Secretary, during the period ending September 30, 1982, may, in accordance with this part, make loans from the fund established under section 1602(d) to any public or nonprofit private entity for projects for—

(A) the discontinuance of unneeded hospital services or facilities;

(B) the conversion of unneeded hospital services and facilities to needed health services and medical facilities, including outpatient medical facilities and facilities for long-term care;

(C) the renovation and modernization of medical facilities, particularly projects for the prevention or elimination of safety hazards, projects to avoid noncompliance with licensure or accreditation standards, or projects to replace obsolete facilities;

(D) the construction of new outpatient medical facilities; and

(E) the construction of new inpatient medical facilities in areas which have experienced (as determined by the Secretary) recent rapid population growth.

(2)(A) The Secretary, during the period ending September 30, 1982, may, in accordance with this part, guarantee to—

(i) non-Federal lenders for their loans to public and nonprofit private entities for medical facilities projects described in paragraph (1), and

(ii) the Federal Financing Bank for its loans to public and nonprofit private entities for such projects, payment of principal and interest on such loans.

(B) In the case of a guarantee of any loan to a public or nonprofit private entity under subparagraph (A)(i) which is located in an urban or rural poverty area, the Secretary may pay, to the holder of such loan and for and on behalf of the project for which the loan was made, amounts sufficient to reduce by not more than one-half the net effective interest rate otherwise payable on such loan if the Secretary finds that without such assistance the project could not be undertaken.

(b) The principal amount of a loan directly made or guaranteed under subsection (a) for a medical facilities project, when added to any other assistance provided such project under part B, may not

exceed 90 per centum of the cost of such project unless the project is located in an area determined by the Secretary to be an urban or rural poverty area, in which case the principal amount, when added to other assistance under part B, may cover up to 100 per centum of such costs.

(c) The cumulative total of the principal of the loans outstanding at any time with respect to which guarantees have been issued, or which have been directly made, may not exceed such limitations as may be specified in appropriation Acts.

(d) The Secretary, with the consent of the Secretary of Housing and Urban Development, shall obtain from the Department of Housing and Urban Development such assistance with respect to the administration of this part as will promote efficiency and economy thereof.

GENERAL PROVISIONS RELATING TO LOAN GUARANTEES AND LOANS

SEC. 1602. [300q-2] (a)(1) The Secretary may not approve a loan guarantee for a project under this part unless he determines that (A) the terms, conditions, security (if any), and schedule and amount of repayments with respect to the loan are sufficient to protect the financial interests of the United States and are otherwise reasonable, including a determination that the rate of interest does not exceed such per centum per annum on the principal obligation outstanding as the Secretary determines to be reasonable, taking into account the range of interest rates prevailing in the private market for similar loans and the risks assumed by the United States, and (B) the loan would not be available on reasonable terms and conditions without the guarantee under this part.

(2)(A) The United States shall be entitled to recover from the applicant for a loan guarantee under this part the amount of any payment made pursuant to such guarantee, unless the Secretary for good cause waives such right of recovery; and, upon making any such payment, the United States shall be subrogated to all of the rights of the recipient of the payments with respect to which the guarantee was made.

(B) To the extent permitted by subparagraph (C), any terms and conditions applicable to a loan guarantee under this part (including terms and conditions imposed under subparagraph (D)) may be modified by the Secretary to the extent he determines it to be consistent with the financial interest of the United States.

(C) Any loan guarantee made by the Secretary under this part shall be incontestable (i) in the hands of an applicant on whose behalf such guarantee is made unless the applicant engaged in fraud or misrepresentation in securing such guarantee, and (ii) as to any person (or his successor in interest) who makes or contracts to make a loan to such applicant in reliance thereon unless such person (or his successor in interest) engaged in fraud or misrepresentation in making or contracting to make such loan.

(D) Guarantees of loans under this part shall be subject to such further terms and conditions as the Secretary determines to be necessary to assure that the purposes of this title will be achieved.

(b)(1) The Secretary may not approve a loan under this part unless—

(A) the Secretary is reasonably satisfied that the applicant under the project for which the loan would be made will be able to make payments of principal and interest thereon when due, and

(B) the applicant provides the Secretary with reasonable assurances that there will be available to it such additional funds as may be necessary to complete the project or undertaking with respect to which such loan is requested.

(2) Any loan made under this part shall (A) have such security, (B) have such maturity date, (C) be repayable in such installments, (D) bear interest at a rate comparable to the current rate of interest prevailing, on the date the loan is made, with respect to loans guaranteed under this part, minus any interest subsidy made in accordance with section 1601(a)(2)(B) with respect to a loan made for a project located in an urban or rural poverty area, and (E) be subject to such other terms and conditions (including provisions for recovery in case of default), as the Secretary determines to be necessary to carry out the purposes of this title while adequately protecting the financial interests of the United States.

(3) The Secretary may, for good cause but with due regard to the financial interests of the United States, waive any right of recovery which he has by reasons of the failure of a borrower to make payments of principal of and interest on a loan made under this part, except that if such loan is sold and guaranteed, any such waiver shall have no effect upon the Secretary's guarantee of timely payment of principal and interest.

(c)(1) The Secretary shall from time to time, but with due regard to the financial interests of the United States, sell loans made under this part either on the private market or to the Federal National Mortgage Association in accordance with section 302 of the Federal National Mortgage Association Charter Act or to the Federal Financing Bank.

(2) Any loan so sold shall be sold for an amount which is equal (or approximately equal) to the amount of the unpaid principal of such loans as of time of sale.

(3)(A) The Secretary is authorized to enter into an agreement with the purchaser of any loan sold under this part under which the Secretary agrees—

(i) to guarantee to such purchaser (and any successor in interest to such purchaser) payments of the principal and interest payable under such loan, and

(ii) to pay as an interest subsidy to such purchaser (and any successor in interest of such purchaser) amounts which, when added to the amount of interest payable on such loan, are equivalent to a reasonable rate of interest on such loan as determined by the Secretary after taking into account the range of prevailing interest rates in the private market on similar loans and the risks assumed by the United States.

(B) Any agreement under subparagraph (A)—

(i) may provide that the Secretary shall act as agent of any such purchaser, for the purpose of collecting from the entity to which such loan was made and paying over to such purchaser

any payments of principal and interest payable by such entity under such loan;

(ii) may provide for the repurchase by the Secretary of any such loan on such terms and conditions as may be specified in the agreement;

(iii) shall provide that, in the event of any default by the entity to which such loan was made in payment of principal or interest due on such loan, the Secretary shall, upon notification to the purchaser (or to the successor in interest of such purchaser), have the option to close out such loan (and any obligations of the Secretary with respect thereto) by paying to the purchaser (or his successor in interest) the total amount of outstanding principal and interest due thereon at the time of such notification; and

(iv) shall provide that, in the event such loan is closed out as provided in clause (iii), or in the event of any other loss incurred by the Secretary by reason of the failure of such entity to make payments of principal or interest on such loan, the Secretary shall be subrogated to all rights of such purchaser for recovery of such loss from such entity.

(4) Amounts received by the Secretary as proceeds from the sale of loans under this subsection shall be deposited in the fund established under subsection (d).

(5) If any loan to a public entity under this part is sold and guaranteed by the Secretary under this subsection, interest paid on such loan after its sale and any interest subsidy paid, under paragraph (3)(A)(ii), by the Secretary with respect to such loan which is received by the purchaser of the loan (or the purchaser's successor in interest) shall be included in the gross income of the purchaser or successor for the purpose of chapter 1 of the Internal Revenue Code of 1954.

(d)(1) There is established in the Treasury a loan and loan guarantee fund (hereinafter in this subsection referred to as the "fund") which shall be available to the Secretary without fiscal year limitation, in such amounts as may be specified from time to time in appropriation Acts—

(A) to enable him to make loans under this part,

(B) to enable him to discharge his responsibilities under loan guarantees issued by him under this part,

(C) for payment of interest under section 1601(a)(2)(B) on loans guaranteed under this part,

(D) for repurchase of loans under subsection (c)(3)(B),

(E) for payment of interest on loans which are sold and guaranteed, and

(F) to enable the Secretary to take the action authorized by subsection (f).

There are authorized to be appropriated from time to time such amounts as may be necessary to provide the sums required for the fund. There shall also be deposited in the fund amounts received by the Secretary in connection with loans and loan guarantees under this part and other property or assets derived by him from his operations respecting such loans and loan guarantees, including any money derived from the sale of assets.

(2) If at any time the sums in the funds are insufficient to enable the Secretary—

(A) to make payments of interest under section 1601(a)(2)(B),

(B) to otherwise comply with guarantees under this part of loans to nonprofit private entities,

(C) in the case of a loan which was made, sold, and guaranteed under this part, to make to the purchaser of such loan payments of principal and interest on such loan after default by the entity to which the loan was made, or

(D) to repurchase loans under subsection (c)(3)(B),

(E) to make payments of interest on loans which are sold and guaranteed, and

(F) to enable the Secretary to take the action authorized by subsection (f),

he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the notes or other obligations. The Secretary of the Treasury shall purchase any notes and other obligations issued under this paragraph and for that purpose he may use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, and the purposes for which the securities may be issued under that Act are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this paragraph. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. Sums borrowed under this paragraph shall be deposited in the fund and redemption of such notes and obligations shall be made by the Secretary from the fund.

(e)(1) The assets, commitments, obligations, and outstanding balances of the loan guarantee and loan fund established in the Treasury by section 626 shall be transferred to the fund established by subsection (d) of this section.

(2) To provide additional capitalization for the fund established under subsection (d) there are authorized to be appropriated to the fund, such sums as may be necessary for the fiscal years ending June 30, 1975, June 30, 1976, September 30, 1977, September 30, 1978, September 30, 1979, September 30, 1980, September 30, 1981, and September 30, 1982.

(f)(1) The Secretary may take such action as may be necessary to prevent a default on a loan made or guaranteed under this part or under title VI, including the waiver of regulatory conditions, deferral of loan payments, renegotiation of loans, and the expenditure of funds for technical and consultative assistance, for the temporary payment of the interest and principal on such a loan, and

for other purposes. Any such expenditure made under the preceding sentence on behalf of a medical facility shall be made under such terms and conditions as the Secretary shall prescribe, including the implementation of such organizational, operational, and financial reforms as the Secretary determines are appropriate and the disclosure of such financial or other information as the Secretary may require to determine the extent of the implementation of such reforms.

(2) The Secretary may take such action, consistent with State law respecting foreclosure procedures, as he deems appropriate to protect the interest of the United States in the event of a default on a loan made or guaranteed under this part or under title VI, including selling real property pledged as security for such a loan or loan guarantee and for a reasonable period of time taking possession of, holding, and using real property pledged as security for such a loan or loan guarantee.

PART B—PROJECT GRANTS

PROJECT GRANTS

SEC. 1610. [300r] (a)(1)(A) The Secretary may make grants for construction or modernization projects designed to—

(i) eliminate or prevent in medical facilities imminent safety hazards as defined by Federal, State, or local fire, building, or life safety codes or regulations, or

(ii) avoid noncompliance by medical facilities with State or voluntary licensure or accreditation standards.

(B) A grant under subparagraph (A) may only be made to—

(i) a State or political subdivision of a State, including any city, town, county, borough, hospital district authority, or public or quasi-public corporation, for any medical facility owned or operated by the State or political subdivision; and

(ii) a nonprofit private entity for any medical facility owned or operated by the entity but only if the Secretary determines—

(I) the level of community service provided by the facility and the proportion of its patients who are unable to pay for services rendered in the facility is similar to such level and proportion in a medical facility of a State or political subdivision, and

(II) that without a grant under subparagraph (A) there would be a disruption of the provision of health care to low-income individuals.

(2) The amount of any grant under paragraph (1) may not exceed 75 per centum of the cost of the project for which the grant is made unless the project is located in an area determined by the Secretary to be an urban or rural poverty area, in which case the grant may cover up to 100 per centum of such costs.

(3) There are authorized to be appropriated for grants under paragraph (1) \$40,000,000 for the fiscal year ending September 30, 1980, \$50,000,000 for the fiscal year ending September 30, 1981, and \$50,000,000 for the fiscal year ending September 30, 1982. Funds available for obligation under this subsection (as in effect before the date of the enactment of the Health Planning and Re-

sources Development Amendments of 1979) in the fiscal year ending September 30, 1979, shall remain available for obligation under this subsection in the succeeding fiscal year.

(b)(1) The Secretary may make grants to public and nonprofit private entities for projects for (A) construction or modernization of outpatient medical facilities which are located apart from hospitals and which will provide services for medically underserved populations, and (B) conversion of existing facilities into outpatient medical facilities or facilities for long-term care to provide services for such populations.

(2) The amount of any grant under paragraph (1) may not exceed 80 per centum of the cost of the project for which the grant is made unless the project is located in an area determined by the Secretary to be an urban or rural poverty area, in which case the grant may cover up to 100 per centum of such costs.

(3) There are authorized to be appropriated for grants under paragraph (1) \$15,000,000 for the fiscal year ending September 30, 1981, and \$15,000,000 for the fiscal year ending September 30, 1982.

PART C—GENERAL PROVISIONS

GENERAL REGULATIONS

SEC. 1620. [300s] The Secretary shall by regulation—

(1) prescribe the manner in which he shall determine the priority among projects for which assistance is available under part A or B, based on the relative need of different areas for such projects and giving special consideration—

(A) to projects for medical facilities serving areas with relatively small financial resources and for medical facilities serving rural communities,

(B) in the case of projects for modernization of medical facilities, to projects for facilities serving densely populated areas,

(C) in the case of projects for construction of outpatient medical facilities, to projects that will be located in, and provide services for residents of, areas determined by the Secretary to be rural or urban poverty areas,

(D) to projects designed to (i) eliminate or prevent imminent safety hazards as defined by Federal, State, or local fire, building, or life safety codes or regulations, or (ii) avoid noncompliance with State or voluntary licensure or accreditation standards, and

(E) to projects for medical facilities which, alone or in conjunction with other facilities, will provide comprehensive health care, including outpatient and preventive care as well as hospitalization;

(2) prescribe for medical facilities projects assisted under part A or B general standards of construction, modernization, and equipment, which standards may vary on the basis of the class of facilities and their location; and

(3) prescribe the general manner in which any entity which receives financial assistance under part A or B or has received financial assistance under part A or B or title VI shall

be required to comply with the assurances required to be made at the time such assistance was received and the means by which such entity shall be required to demonstrate compliance with such assurances.

An entity subject to the requirements prescribed pursuant to paragraph (3) respecting compliance with assurances made in connection with receipt of financial assistance shall submit periodically to the Secretary data and information which reasonably supports the entity's compliance with such assurances. The Secretary may not waive the requirement of the preceding sentence.

APPLICATIONS

SEC. 1621. [300s-1] (a) No loan, loan guarantee, or grant may be made under part A or B for a medical facilities project unless an application for such project has been submitted to and approved by the Secretary. If two or more entities join in a project, an application for such project may be filed by any of such entities or by all of them.

(b)(1) An application for a medical facilities project shall be submitted in such form and manner as the Secretary shall by regulation prescribe and shall, except as provided in paragraph (2), set forth—

(A) in the case of a modernization project for a medical facility for continuation of existing health services, a finding by the State Agency of a continued need for such services, and, in the case of any other project for a medical facility, a finding by the State Agency of the need for the new health services to be provided through the medical facility upon completion of the project;

(B) in the case of an application for a grant, assurances satisfactory to the Secretary that (i) the applicant making the application would not be able to complete the project for which the application is submitted without the grant applied for, and (ii) in the case of a project to construct a new medical facility, it would be inappropriate to convert an existing medical facility to provide the services to be provided through the new medical facility;

(C) in the case of a project for the discontinuance of a service or facility or the conversion of a service or a facility, an evaluation of the impact of such discontinuance or conversion on the provision of health care in the health service area in which such service was provided or facility located;

(D) a description of the site of such project;

(E) plans and specifications therefor which meet the requirements of the regulations prescribed under section 1620(2);

(F) reasonable assurance that title to such site is or will be vested in one or more of the entities filing the application or in a public or other nonprofit entity which is to operate the facility on completion of the project;

(G) reasonable assurance that adequate financial support will be available for the completion of the project and for its maintenance and operation when completed, and, for the purpose of determining if the requirements of this subparagraph

are met, Federal assistance provided directly to a medical facility which is located in an area determined by the Secretary to be an urban or rural poverty area or through benefits provided individuals served at such facility shall be considered as financial support;

(H) the type of assistance being sought under part A or B for the project;

(I) reasonable assurance that all laborers and mechanics employed by contractors or subcontractors in the performance of work on a project will be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Act of March 3, 1931 (40 U.S.C. 276a—276a-5, known as the Davis-Bacon Act), and the Secretary of Labor shall have with respect to such labor standards the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 FR 3176; 5 U.S.C. Appendix) and section 2 of the Act of June 13, 1934 (40 U.S.C. 276c);

(J) in the case of a project for the construction or modernization of an outpatient facility, reasonable assurance that the services of a general hospital will be available to patients at such facility who are in need of hospital care; and

(K) reasonable assurance that at all times after such application is approved (i) the facility or portion thereof to be constructed, modernized, or converted will be made available to all persons residing or employed in the area served by the facility, and (ii) there will be made available in the facility or portion thereof to be constructed, modernized, or converted a reasonable volume of services to persons unable to pay therefor and the Secretary, in determining the reasonableness of the volume of services provided, shall take into consideration the extent to which compliance is feasible from a financial viewpoint.

(2)(A) The Secretary may waive—

(i) the requirements of subparagraph (D) of paragraph (1) for compliance with modernization and equipment standards prescribed pursuant to section 1620(2), and

(ii) the requirement of subparagraph (E) of paragraph (1) respecting title to a project site,

in the case of an application for a project described in subparagraph (B) of this paragraph.

(B) A project referred to in subparagraph (A) is a project—

(i) for the modernization of an outpatient medical facility which will provide general purpose health services, which is not part of a hospital, and which will serve a medically underserved population as defined in section 1624 or as designated by a health systems agency, and

(ii) for which the applicant seeks a loan under part A the principal amount of which does not exceed \$20,000.

RECOVERY

SEC. 1622. [300s-1a] (a) If any facility with respect to which funds have been paid under this title shall, at any time within 20 years after the completion of construction or modernization—

(1) be sold or transferred to any entity (A) which is not qualified to file an application under section 1621 or 1642 or (B) which is not approved as a transferee by the State Agency of the State in which such facility is located, or its successor, or

(2) cease to be a public health center or a public or other nonprofit hospital, outpatient facility, facility for long-term care, or rehabilitation facility,

the United States shall be entitled to recover, whether from the transferor or the transferee (or, in the case of a facility which has ceased to be public or nonprofit, from the owners thereof) an amount determined under subsection (c).

(b) The transferor of a facility which is sold or transferred as described in subsection (a)(1), or the owner of a facility the use of which is changed as described in subsection (a)(2), shall provide the Secretary written notice of such sale, transfer, or change not later than the expiration of 10 days from the date on which such sale, transfer, or change occurs.

(c)(1) Except as provided in paragraph (2), the amount the United States shall be entitled to recover under subsection (a) is an amount bearing the same ratio to the then value (as determined by the agreement of the parties or in an action brought in the district court of the United States for the district for which the facility involved is situated) of so much of the facility as constituted an approved project or projects as the amount of the Federal participation bore to the cost of the construction or modernization of such project or projects.

(2)(A) After the expiration of—

(i) 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b) in the case of a facility which is sold or transferred or the use of which changes after the date of the enactment of this subsection, or

(ii) thirty days after the date of enactment of this subsection or if later 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b), in the case of a facility which was sold or transferred or the use of which changed before the date of the enactment of this subsection,

the amount which the United States is entitled to recover under paragraph (1) with respect to a facility shall be the amount prescribed by paragraph (1) plus interest, during the period described in subparagraph (B), at a rate (determined by the Secretary) based on the average of the bond equivalent of the weekly 90-day Treasury bill auction rate.

(B) The period referred to in subparagraph (A) is the period beginning—

(i) in the case of a facility which was sold or transferred or the use of which changed before the date of the enactment of this subsection, thirty days after such date or if later 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b),

(ii) in the case of a facility with respect to which notice is provided in accordance with subsection (b), upon the expiration of 180 days after the receipt of such notice, or

(iii) in the case of a facility with respect to which such notice is not provided as prescribed by subsection (b), on the date of the sale, transfer, or changes of use for which such notice was to be provided,

and ending on the date the amount the United States is entitled to under paragraph (1) is collected.

(d)(1) The Secretary may waive the recovery rights of the United States under subsection (a)(1) with respect to a facility in any State if the Secretary determines, in accordance with regulations, that the entity to which the facility was sold or transferred—

(A) has established an irrevocable trust—

(i) in an amount equal to the greater of twice the cost of the remaining obligation of the facility under clause (ii) of section 1621(b)(1)(K) or the amount, determined under subsection (c), that the United States is entitled to recover, and

(ii) which will only be used by the entity to provide the care required by clause (ii) of section 1621(b)(1)(K); and

(B) will meet the obligation of the facility under clause (i) of section 1621(b)(1)(K).

(2) The Secretary may waive the recovery rights of the United States under subsection (a)(2) with respect to a facility in any State if the Secretary determines, in accordance with regulations, that there is good cause for waiving such rights with respect to such facility.

(e) The right of recovery of the United States under subsection (a) shall not constitute a lien on any facility with respect to which funds have been paid under this title.

CONTROL OF OPERATIONS

SEC. 1623. **[300s–2]** Except as otherwise specifically provided, nothing in this title shall be construed as conferring on any Federal officer, or employee the right to exercise any supervision or control over the administration, personnel, maintenance, or operation of any facility with respect to which any funds have been or may be expended under this title.

DEFINITIONS

SEC. 1624. **[300s–3]** Except as provided in section 1642(e), for purposes of this title—

(1) The term “hospital” includes general, tuberculosis, and other types of hospitals, and related facilities, such as laboratories, outpatient departments, nurses’ home facilities, extended care facilities, facilities related to programs for home health services, self-care units, and central service facilities, operated in connection with hospitals, and also includes education or training facilities for health professional¹ personnel

¹ So in law. Probably should be “professional”.

operated as an integral part of a hospital, but does not include any hospital furnishing primarily domiciliary care.

(2) The term “public health center” means a publicly owned facility for the provision of public health services, including related publicly owned facilities such as laboratories, clinics, and administrative offices operated in connection with such a facility.

(3) The term “nonprofit” as applied to any facility means a facility which is owned and operated by one or more non-profit corporations or associations no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.

(4) The term “outpatient medical facility” means a medical facility (located in or apart from a hospital) for the diagnosis or diagnosis and treatment of ambulatory patients (including ambulatory inpatients)—

(A) which is operated in connection with a hospital;

(B) in which patient care is under the professional supervision of persons licensed to practice medicine or surgery in the State, or in the case of dental diagnosis or treatment, under the professional supervision of persons licensed to practice dentistry in the State; or

(C) which offers to patients not requiring hospitalization the services of licensed physicians in various medical specialties and which provides to its patients a reasonably full range of diagnostic and treatment services.

(5) The term “rehabilitation facility” means a facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons through an integrated program of—

(A) medical evaluation and services, and

(B) psychological, social, or vocational evaluation and services,

under competent professional supervision, and in the case of which the major portion of the required evaluation and services is furnished within the facility; and either the facility is operated in connection with a hospital, or all medical and related health services are prescribed by, or are under the general direction of, persons licensed to practice medicine or surgery in the State.

(6) The term “facility for long-term care” means a facility (including a skilled nursing or intermediate care facility) providing in-patient care for convalescent or chronic disease patients who required skilled nursing or intermediate care and related medical services—

(A) which is a hospital (other than a hospital primarily for the care and treatment of mentally ill or tuberculosis patients) or is operated in connection with a hospital, or

(B) in which such care and medical services are prescribed by, or are performed under the general direction of, persons licensed to practice medicine or surgery in the State.

(7) The term “construction” means construction of new buildings and initial equipment of such buildings and, in any case in which it will help to provide a service not previously

provided in the community, equipment of any buildings; including architects' fees, but excluding the cost of off-site improvements and, except with respect to public health centers, the cost of the acquisition of land

(8) The term "cost" as applied to construction modernization, or conversion means the amount found by the Secretary to be necessary for construction, modernization, or conversion, respectively, under a project, except that, in the case of a modernization project or a project assisted under part D, such term does not include any amount found by the Secretary to be attributable to expansion of the bed capacity of any facility.

(9) The term "modernization" includes the alteration, expansion, major repair (to the extent permitted by regulations), remodeling, replacement, and renovation of existing buildings (including initial equipment thereof), and the replacement of obsolete equipment of existing buildings.

(10) The term "title,"² when used with reference to a site for a project, means a fee simple, or such other estate or interest (including a leasehold on which the rental does not exceed 4 per centum of the value of the land) as the Secretary finds sufficient to assure for a period of not less than twenty-five years' undisturbed use and possession for the purposes of construction, modernization, or conversion and operation of the project for a period of not less than (A) twenty years in the case of a project assisted under an allotment or grant under this title, or (B) the term of repayment of a loan made or guaranteed under this title in the case of a project assisted by a loan or loan guarantee.

(11) The term "medical facility" means a hospital, public health center, outpatient medical facility, rehabilitation facility, facility for long-term care, or other facility (as may be designated by the Secretary) for the provision of health care to ambulatory patients.

(12) The term "State Agency" means the State health planning and development agency of a State designated under title XV.

(13) The term "urban or rural poverty area" means an urban or rural geographical area (as defined by the Secretary) in which a percentage (as defined by the Secretary in accordance with the next sentence) of the residents of the area have incomes below the poverty level (as defined by the Secretary of Commerce). The percentage referred to in the preceding sentence shall be defined so that the percentage of the population of the United States residing in urban and rural poverty areas is—

(A) not more than the percentage of the total population of the United States with incomes below the poverty level (as so defined) plus five per centum, and

(B) not less than such percentage minus five per centum.

(14) The term "medically underserved population" means the population of an urban or rural area designated by the Sec-

² So in law. The comma probably should follow the ending quotations.

retary as an area with a shortage of health facilities or a population group designated by the Secretary as having a shortage of such facilities.

FINANCIAL STATEMENTS; RECORDS AND AUDIT

SEC. 1625. [300s-4] (a) In the case of any facility for which an allotment payment, grant, loan, or loan guarantee has been made under this title, the applicant for such payment, grant, loan, or loan guarantee (or, if appropriate, such other person as the Secretary may prescribe) shall file at least annually with the State Agency for the State in which the facility is located a statement which shall be in such form, and contain such information, as the Secretary may require to accurately show—

- (1) the financial operations of the facility, and
 - (2) the costs to the facility of providing health services in the facility and the charges made by the facility for providing such services,
- during the period with respect to which the statement is filed.

(b)(1) Each entity receiving Federal assistance under this title shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and disposition by such entity of the proceeds of such assistance, the total cost of the project in connection with which such assistance is given or used, the amount of that portion of the cost of the project supplied by other sources, and such other records as will facilitate an effective audit.

(2) The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of such entities which in the opinion of the Secretary or the Comptroller General may be related or pertinent to the assistance referred to in paragraph (1).

(c) Each such entity shall file at least annually with the Secretary a statement which shall be in such form, and contain such information, as the Secretary may require to accurately show—

- (1) the financial operations of the facility constructed or modernized with such assistance, and
- (2) the costs to such facility of providing health services in such facility, and the charges made for such services, during the period with respect to which the statement is filed.

TECHNICAL ASSISTANCE

SEC. 1626. [300s-5] The Secretary shall provide (either through the Department of Health, Education, and Welfare or by contract) all necessary technical and other nonfinancial assistance to any public or other entity which is eligible to apply for assistance under this title to assist such entity in developing applications to be submitted to the Secretary under section 1621 or 1642. The Secretary shall make every effort to inform eligible applicants of the availability of assistance under this title.

ENFORCEMENT OF ASSURANCES

SEC. 1627. [300s-6] The Secretary shall investigate and ascertain, on a periodic basis, with respect to each entity which is re-

ceiving financial assistance under this title or which has received financial assistance under title VI or this title, the extent of compliance by such entity with the assurances required to be made at the time such assistance was received. If the Secretary finds that such an entity has failed to comply with any such assurance, the Secretary shall report such noncompliance to the health systems agency for the health service area in which such entity is located and the State health planning and development agency of the State in which the entity is located and shall take any action authorized by law (including an action for specific performance brought by the Attorney General upon request of the Secretary) which will effect compliance by the entity with such assurances. An action to effectuate compliance with any such assurance may be brought by a person other than the Secretary only if a complaint has been filed by such person with the Secretary and the Secretary has dismissed such complaint or the Attorney General has not brought a civil action for compliance with such assurance within six months after the date on which the complaint was filed with the Secretary.

PART D—AREA HEALTH SERVICES DEVELOPMENT FUNDS

DEVELOPMENT GRANTS FOR AREA HEALTH SERVICES DEVELOPMENT FUNDS

SEC. 1640. [300t] (a) The Secretary shall make in each fiscal year a grant to each health systems agency—

(1) with which there is in effect a designation agreement under section 1515(c),

(2) which has in effect an HSP and AIP reviewed by the Statewide Health Coordinating Council, and

(3) which, as determined under the review made under section 1535(c), is organized and operated in the manner prescribed by section 1512(b) and is performing its functions under section 1513 in a manner satisfactory to the Secretary, to enable the agency to establish and maintain an Area Health Services Development Fund from which it may make grants and enter into contracts in accordance with section 1513(c)(3).

(b)(1) Except as provided in paragraph (2), the amount of any grant under subsection (a) shall be determined by the Secretary after taking into consideration the population of the health service area for which the health systems agency is designated, the average family income of the area, and the supply of health services in the area.

(2) The amount of any grant under subsection (a) to a health systems agency for any fiscal year may not exceed the product of \$1 and the population of the health service area for which such agency is designated.

(c) No grant may be made under subsection (a) unless an application therefor has been submitted to, and approved by, the Secretary. Such an application shall be submitted in such form and manner and contain such information as the Secretary may require.

(d) For the purpose of making payments pursuant to grants under subsection (a), there are authorized to be appropriated \$25,000,000 for the fiscal year ending June 30, 1975, \$75,000,000

for the fiscal year ending June 30, 1976, \$120,000,000 each for the fiscal years ending September 30, 1977, and September 30, 1978, \$20,000,000 for the fiscal year ending September 30, 1981, and \$30,000,000 for the fiscal year ending September 30, 1982.

PART E—PROGRAM TO ASSIST AND ENCOURAGE THE VOLUNTARY DISCONTINUANCE OF UNNEEDED HOSPITAL SERVICES AND THE CONVERSION OF UNNEEDED HOSPITAL SERVICES TO OTHER HEALTH SERVICES NEEDED BY THE COMMUNITY

ESTABLISHMENT OF PROGRAM

SEC. 1641. [300t–11] The Secretary shall, by April 1, 1980, establish a program under which—

(1) grants and technical assistance may be provided to hospitals in operation on the date of the enactment of this part (A) for the discontinuance of unneeded hospital services, and (B) for the conversion of unneeded hospital services to other health services needed by the community; and

(2) grants may be provided to State Agencies designated under section 1521(b)(3) for reducing excesses in resources and facilities of hospitals.

GRANTS FOR DISCONTINUANCE AND CONVERSION

SEC. 1642. [300t–12] (a)(1) A grant to a hospital under the program shall be subject to such terms and conditions as the Secretary may by regulation prescribe to assure that the grant is used for the purpose for which it was made.

(2) The amount of any such grant shall be determined by the Secretary. The recipient of such a grant may use the grant—

(A) in the case of a grantee which discontinues the provision of all hospital services or all inpatient hospital services or an identifiable part of a hospital facility which provides inpatient hospital services, for the liquidation of the outstanding debt on the facilities of the grantee used for the provision of the services or for the liquidation of the outstanding debt of the grantee on such identifiable part;

(B) in the case of a grantee which is discontinuing the provision of an inpatient hospital service converts or proposes to convert an identifiable part of a hospital facility used in the provision of the discontinued service to the delivery of other health services, for the planning, development (including construction and acquisition of equipment), and delivery of the health service;

(C) to provide reasonable termination pay for personnel of the grantee who will lose employment because of the discontinuance of hospital services made by the grantee, retraining of such personnel, assisting such personnel in securing employment, and other costs of implementing arrangements described in subsection (c); and

(D) for such other costs which the Secretary determines may need to be incurred by the grantee in discontinuing hospital services.

(b)(1) No grant may be made to a hospital unless an application therefor is submitted to and approved by the Secretary. Such an application shall be in such form and submitted in such manner as the Secretary may prescribe and shall include—

(A) a description of each service to be discontinued and, if a part of a hospital is to be discontinued or converted to another use in connection with such discontinuance, a description of such part;

(B) an evaluation of the impact of such discontinuance and conversion on the provision of health care in the health service area in which such service is provided;

(C) an estimate of the change in the applicant's costs which will result from such discontinuance and conversion; and

(D) reasonable assurance that all laborers and mechanics employed by contractors or subcontractors in the performance of work on a project will be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Act of March 3, 1931 (40 U.S.C. 276a—276a-5, known as the Davis-Bacon Act), and the Secretary of Labor shall have with respect to such labor standards the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 FR 3176; 5 U.S.C. Appendix) and section 2 of the Act of June 13, 1934 (40 U.S.C. 276c);

(E) such other information as the Secretary may require.

(2)(A) The health systems agency for the health service area in which is located a hospital applying for a grant under the program shall (i) in making the review of the applicant's application under section 1513(e), determine the need for each service or part proposed to be discontinued by the applicant, (ii) in the case of an application for the conversion of a facility, determine the need for each service which will be provided as a result of a conversion, and (iii) make a recommendation to the State Agency for the State in which the applicant is located respecting approval by the Secretary of the applicant's application.

(B) A State Agency which has received a recommendation from a health systems agency under subparagraph (A) respecting an application shall, after consideration of such recommendation, make a recommendation to the Secretary respecting the approval by the Secretary of the application. A State Agency's recommendation under this subparagraph respecting the approval of an application (i) shall be based upon (I) the need for each service or part proposed to be discontinued by the applicant, (II) in the case of an application for the conversion of a facility, the need for each service which will be provided as a result of the conversion, and (III) such other criteria as the Secretary may prescribe, and (ii) shall be accompanied by the health systems agency's recommendation made with respect to the approval of the application.

(C) In determining, under subparagraphs (A) and (B), the need for the service (or services) or part proposed to be discontinued or converted by an applicant for a grant, a health systems agency and State Agency shall give special consideration to the unmet needs and existing access patterns of urban or rural poverty populations.

(3)(A) The Secretary may not approve an application of a hospital for a grant—

(i) if a State Agency recommended that the application not be approved, or

(ii) if the Secretary is unable to determine that the cost of providing inpatient health services in the health service area in which the applicant is located will be less than if the inpatient health services proposed to be discontinued were not discontinued.

(B) In considering applications of hospitals for grants the Secretary shall consider the recommendations of health systems agencies and State Agencies and shall give special consideration to applications (i) which will assist health systems agencies and State Agencies to meet the goals in their health systems plans and State health plans, or (ii) which will result in the greatest reduction in hospital costs within a health service area.

(c)(1) Except as provided in paragraph (3), the Secretary may not approve an application submitted under subsection (b) unless the Secretary of Labor has certified that fair and equitable arrangements have been made to protect the interests of employees affected by the discontinuance of services against a worsening of their positions with respect to their employment, including arrangements to preserve the rights of employees under collective-bargaining agreements, continuation of collective-bargaining rights consistent with the provisions of the National Labor Relations Act, reassignment of affected employees to other jobs, retraining programs, protecting pension, health benefits, and other fringe benefits of affected employees, and arranging adequate severance pay, if necessary.

(2) The Secretary of Labor shall by regulation prescribe guidelines for arrangements for the protection of the interests of employees affected by the discontinuance of hospital services. The Secretary of Labor shall consult with the Secretary of Health, Education, and Welfare in the promulgation of such guidelines. Such guidelines shall first be promulgated not later than the promulgation of regulations by the Secretary for the administration of the grants authorized by section 1641.

(3) The Secretary of Labor shall review each application submitted under subsection (b) to determine if the arrangements described in paragraph (1) have been made and if they are satisfactory and shall notify the Secretary respecting his determination. Such review shall be completed within—

(A) ninety days from the date of the receipt of the application from the Secretary of Health, Education, and Welfare, or

(B) one hundred and twenty days from such date if the Secretary of Labor has by regulation prescribed the circumstances under which the review will require at least one hundred and twenty days.

If within the applicable period, the Secretary of Labor does not notify the Secretary of Health, Education, and Welfare respecting his determination, the Secretary of Health, Education, and Welfare shall review the application to determine if the applicant has made the arrangements described in paragraph (1) and if such arrangements are satisfactory. The Secretary may not approve the applica-

tion unless he determines that such arrangements have been made and that they are satisfactory.

(d) The records and audits requirements of section 705 shall apply with respect to grants made under subsection (a).

(e) For purposes of this part, the term “hospital” means, with respect to any fiscal year, an institution (including a distinct part of an institution participating in the programs established under title XVIII of the Social Security Act)—

(1) which satisfies paragraphs (1) and (7) of section 1861(e) of such Act,

(2) imposes charges or accepts payments for services provided to patients, and

(3) the average duration of a patient’s stay in which was thirty days or less in the preceding fiscal year,

but such term does not include a Federal hospital or a psychiatric hospital (as described in section 1861(f)(1) of the Social Security Act).

GRANTS TO STATES FOR REDUCTION OF EXCESS HOSPITAL CAPACITY

SEC. 1643. **[300t–13]** (a) For the purpose of demonstrating the effectiveness of various means for reducing excesses in resources and facilities of hospitals (referred to in this section as “excess hospital capacity”), the Secretary may make grants to State Agencies designated under section 1521(b)(3) to assist such Agencies in—

(1) identifying (by geographic region or by health service) excess hospital capacity,

(2) developing programs to inform the public of the costs associated with excess hospital capacity,

(3) developing programs to reduce excess hospital capacity in a manner which will produce the greatest savings in the cost of health care delivery,

(4) developing means to overcome barriers to the reduction of excess hospital capacity,

(5) in planning, evaluating, and carrying out programs to decertify health care facilities providing health services that are not appropriate, and

(6) any other activity related to the reduction of excess hospital capacity.

(b) Grants under subsection (a) shall be made on such terms and conditions as the Secretary may prescribe.

AUTHORIZATION OF APPROPRIATIONS

SEC. 1644. **[300t–14]** To make payments under grants under sections 1642 and 1643 there are authorized to be appropriated \$30,000,000 for the fiscal year ending September 30, 1980, \$50,000,000 for the fiscal year ending September 30, 1981, and \$75,000,000 for the fiscal year ending September 30, 1982, except that in any fiscal year not more than 10 percent of the amount appropriated under this section may be obligated for grants under section 1643.

TITLE XVII—HEALTH INFORMATION AND HEALTH PROMOTION

GENERAL AUTHORITY

SEC. 1701. [300u] (a) The Secretary shall—

(1) formulate national goals, and a strategy to achieve such goals, with respect to health information and health promotion, preventive health services, and education in the appropriate use of health care;

(2) analyze the necessary and available resources for implementing the goals and strategy formulated pursuant to paragraph (1), and recommend appropriate educational and quality assurance policies for the needed manpower resources identified by such analysis;

(3) undertake and support necessary activities and programs to—

(A) incorporate appropriate health education components into our society, especially into all aspects of education and health care,

(B) increase the application and use of health knowledge, skills, and practices by the general population in its patterns of daily living, and

(C) establish systematic processes for the exploration, development, demonstration, and evaluation of innovative health promotion concepts;

(4) undertake and support research and demonstrations respecting health information and health promotion, preventive health services, and education in the appropriate use of health care;

(5) undertake and support appropriate training in the operation of programs concerned with, health information and health promotion, preventive health services, and education in the appropriate use of health care;

(6) undertake and support, through improved planning and implementation of tested models and evaluation of results, effective and efficient programs respecting health information and health promotion, preventive health services, and education in the appropriate use of health care;

(7)(A) develop model programs through which employers in the public sector, and employers that are small businesses (as defined in section 3 of the Small Business Act), can provide for their employees a program to promote healthy behaviors and to discourage participation in unhealthy behaviors;

(B) provide technical assistance to public and private employers in implementing such programs (including private employers that are not small businesses and that will implement programs other than the programs developed by the Secretary pursuant to subparagraph (A)); and

(C) in providing such technical assistance, give preference to small businesses;

(8) foster the exchange of information respecting, and foster cooperation in the conduct of, research, demonstration, and training programs respecting health information and health

promotion, preventive health services, and education in the appropriate use of health care;

(9) provide technical assistance in the programs referred to in paragraph (8);

(10) use such other authorities for programs respecting health information and health promotion, preventive health services, and education in the appropriate use of health care as are available and coordinate such use with programs conducted under this title; and

(11) establish in the Office of the Assistant Secretary for Health an Office of Disease Prevention and Health Promotion, which shall—

(A) coordinate all activities within the Department which relate to disease prevention, health promotion, preventive health services, and health information and education with respect to the appropriate use of health care;

(B) coordinate such activities with similar activities in the private sector;

(C) establish a national information clearinghouse to facilitate the exchange of information concerning matters relating to health information and health promotion, preventive health services (which may include information concerning models and standards for insurance coverage of such services), and education in the appropriate use of health care, to facilitate access to such information, and to assist in the analysis of issues and problems relating to such matters; and

(D) support projects, conduct research, and disseminate information relating to preventive medicine, health promotion, and physical fitness and sports medicine.

The Secretary shall appoint a Director for the Office of Disease Prevention and Health Promotion established pursuant to paragraph (11) of this subsection. The Secretary shall administer this title in cooperation with health care providers, educators, voluntary organizations, businesses, and State and local health agencies in order to encourage the dissemination of health information and health promotion activities.

(b) For the purpose of carrying out this section and sections 1702 through 1705, there are authorized to be appropriated \$10,000,000 for fiscal year 1992, and such sums as may be necessary for each of the fiscal years 1993 through 2002.

(c) No grant may be made or contract entered into under this title unless an application therefor has been submitted to and approved by the Secretary. Such an application shall be submitted in such form and manner and contain such information as the Secretary may prescribe. Contracts may be entered into under this title without regard to sections 3648 and 3709 of the Revised Statutes (31 U.S.C. 529; 41 U.S.C. 5).

RESEARCH PROGRAMS

SEC. 1702. [300u-1] (a) The Secretary is authorized to conduct and support by grant or contract (and encourage others to support) research in health information and health promotion, preventive

health services, and education in the appropriate use of health care. Applications for grants and contracts under this section shall be subject to appropriate peer review. The Secretary shall also—

(1) provide consultation and technical assistance to persons who need help in preparing research proposals or in actually conducting research;

(2) determine the best methods of disseminating information concerning personal health behavior, preventive health services and the appropriate use of health care and of affecting behavior so that such information is applied to maintain and improve health, and prevent disease, reduce its risk, or modify its course or severity;

(3) determine and study environmental, occupational, social, and behavioral factors which affect and determine health and ascertain those programs and areas for which educational and preventive measures could be implemented to improve health as it is affected by such factors;

(4) develop (A) methods by which the cost and effectiveness of activities respecting health information and health promotion, preventive health services, and education in the appropriate use of health care, can be measured, including methods for evaluating the effectiveness of various settings for such activities and the various types of persons engaged in such activities, (B) methods for reimbursement or payment for such activities, and (C) models and standards for the conduct of such activities, including models and standards for the education, by providers of institutional health services, of individuals receiving such services respecting the nature of the institutional health services provided the individuals and the symptoms, signs, or diagnoses which led to provision of such services;

(5) develop a method for assessing the cost and effectiveness of specific medical services and procedures under various conditions of use, including the assessment of the sensitivity and specificity of screening and diagnostic procedures; and

(6) enumerate and assess, using methods developed under paragraph (5), preventive health measures and services with respect to their cost and effectiveness under various conditions of use (which measures and services may include blood pressure screening, cholesterol screening and control, smoking cessation programs, substance abuse programs, cancer screening, dietary and nutritional counseling, diabetes screening and education, intraocular pressure screening, and stress management).

(b) The Secretary shall make a periodic survey of the needs, interest, attitudes, knowledge, and behavior of the American public regarding health and health care. The Secretary shall take into consideration the findings of such surveys and the findings of similar surveys conducted by national and community health education organizations, and other organizations and agencies for formulating policy respecting health information and health promotion, preventive health services, and education in the appropriate use of health care.

COMMUNITY PROGRAMS

SEC. 1703. [300u-2] (a) The Secretary is authorized to conduct and support by grant or contract (and encourage others to support) new and innovative programs in health information and health promotion, preventive health services, and education in the appropriate use of health care, and may specifically—

(1) support demonstration and training programs in such matters which programs (A) are in hospitals, ambulatory care settings, home care settings, schools, day care programs for children, and other appropriate settings representative of broad cross sections of the population, and include public education activities of voluntary health agencies, professional medical societies, and other private nonprofit health organizations, (B) focus on objectives that are measurable, and (C) emphasize the prevention or moderation of illness or accidents that appear controllable through individual knowledge and behavior;

(2) provide consultation and technical assistance to organizations that request help in planning, operating, or evaluating programs in such matters;

(3) develop health information and health promotion materials and teaching programs including (A) model curriculums for the training of educational and health professionals and paraprofessionals in health education by medical, dental, and nursing schools, schools of public health, and other institutions engaged in training of educational or health professionals, (B) model curriculums to be used in elementary and secondary schools and institutions of higher learning, (C) materials and programs for the continuing education of health professionals and paraprofessionals in the health education of their patients, (D) materials for public service use by the printed and broadcast media, and (E) materials and programs to assist providers of health care in providing health education to their patients; and

(4) support demonstration and evaluation programs for individual and group self-help programs designed to assist the participant in using his individual capacities to deal with health problems, including programs concerned with obesity, hypertension, and diabetes.

(b) The Secretary is authorized to make grants to States and other public and nonprofit entities to assist them in meeting the costs of demonstrating and evaluating programs which provide information respecting the costs and quality of health care or information respecting health insurance policies and prepaid health plans, or information respecting both. After the development of models pursuant to sections 1704(4) and 1704(5) for such information, no grant may be made under this subsection for a program unless the information to be provided under the program is provided in accordance with one of such models applicable to the information.

(c) The Secretary is authorized to support by grant or contract (and to encourage others to support) private nonprofit entities working in health information and health promotion, preventive health services, and education in the appropriate use of health

care. The amount of any grant or contract for a fiscal year beginning after September 30, 1978, for an entity may not exceed 25 per centum of the expenses of entity for such fiscal year for health information and health promotion, preventive health services, and education in the appropriate use of health care.

INFORMATION PROGRAMS

SEC. 1704. [300u-3] The Secretary is authorized to conduct and support by grant or contract (and encourage others to support) such activities as may be required to make information respecting health information and health promotion, preventive health services, and education in the appropriate use of health care available to the consumers of medical care, providers of such care, schools, and others who are or should be informed respecting such matters. Such activities may include at least the following:

(1) The publication of information, pamphlets, and other reports which are specially suited to interest and instruct the health consumer, which information, pamphlets, and other reports shall be updated annually, shall pertain to the individual's ability to improve and safeguard his own health; shall include material, accompanied by suitable illustrations, on child care, family life and human development, disease prevention (particularly prevention of pulmonary disease, cardiovascular disease, and cancer), physical fitness, dental health, environmental health, nutrition, safety and accident prevention, drug abuse and alcoholism, mental health, management of chronic diseases (including diabetes and arthritis), and venereal diseases; and shall be designed to reach populations of different languages and of different social and economic backgrounds.

(2) Securing the cooperation of the communication media, providers of health care, schools, and others in activities designed to promote and encourage the use of health maintaining information and behavior.

(3) The study of health information and promotion in advertising and the making to concerned Federal agencies and others such recommendations respecting such advertising as are appropriate.

(4) The development of models and standards for the publication by States, insurance carriers, prepaid health plans, and others (except individual health practitioners) of information for use by the public respecting the cost and quality of health care, including information to enable the public to make comparisons of the cost and quality of health care.

(5) The development of models and standards for the publication by States, insurance carriers, prepaid health plans, and others of information for use by the public respecting health insurance policies and prepaid health plans, including information on the benefits provided by the various types of such policies and plans, the premium charges for such policies and plans, exclusions from coverage or eligibility for coverage, cost sharing requirements, and the ratio of the amounts paid as benefits to the amounts received as premiums and information

to enable the public to make relevant comparisons of the costs and benefits of such policies and plans.

REPORT AND STUDY

SEC. 1705. [300u-4] (a) The Secretary shall, not later than two years after the date of the enactment of this title and biannually thereafter, submit to the President for transmittal to Congress a report on the status of health information and health promotion, preventive health services, and education in the appropriate use of health care. Each such report shall include—

(1) a statement of the activities carried out under this title since the last report and the extent to which each such activity achieves the purposes of this title;

(2) an assessment of the manpower resources needed to carry out programs relating to health information and health promotion, preventive health services, and education in the appropriate use of health care, and a statement describing the activities currently being carried out under this title designed to prepare teachers and other manpower for such programs;

(3) the goals and strategy formulated pursuant to section 1701(a)(1), the models and standards developed under this title, and the results of the study required by subsection (b) of this section; and

(4) such recommendations as the Secretary considers appropriate for legislation respecting health information and health promotion, preventive health services, and education in the appropriate use of health care, including recommendations for revisions to and extension of this title.

(b) The Secretary shall conduct a study of health education services and preventive health services to determine the coverage of such services under public and private health insurance programs, including the extent and nature of such coverage and the cost sharing requirements required by such programs for coverage of such services.

CENTERS FOR RESEARCH AND DEMONSTRATION OF HEALTH
PROMOTION AND DISEASE PREVENTION

SEC. 1706. [300u-5] (a) The Secretary shall make grants or enter into contracts with academic health centers for the establishment, maintenance, and operation of centers for research and demonstration with respect to health promotion and disease prevention. Centers established, maintained, or operated under this section shall undertake research and demonstration projects in health promotion, disease prevention, and improved methods of appraising health hazards and risk factors, and shall serve as demonstration sites for the use of new and innovative research in public health techniques to prevent chronic diseases.

(b) Each center established, maintained, or operated under this section shall—

(1) be located in an academic health center with—

(A) a multidisciplinary faculty with expertise in public health and which has working relationships with relevant

groups in such fields as medicine, psychology, nursing, social work, education and business;

(B) graduate training programs relevant to disease prevention;

(C) a core faculty in epidemiology, biostatistics, social sciences, behavioral and environmental health sciences, and health administration;

(D) a demonstrated curriculum in disease prevention;

(E) a capability for residency training in public health or preventive medicine; and

(F) such other qualifications as the Secretary may prescribe;

(2) conduct—

(A) health promotion and disease prevention research, including retrospective studies and longitudinal prospective studies in population groups and communities;

(B) demonstration projects for the delivery of services relating to health promotion and disease prevention to defined population groups using, as appropriate, community outreach and organization techniques and other methods of educating and motivating communities; and

(C) evaluation studies on the efficacy of demonstration projects conducted under subparagraph (B) of this paragraph.

The design of any evaluation study conducted under subparagraph (C) shall be established prior to the commencement of the demonstration project under subparagraph (B) for which the evaluation will be conducted.

(c)(1) In making grants and entering into contracts under this section, the Secretary shall provide for an equitable geographical distribution of centers established, maintained, and operated under this section and for the distribution of such centers among areas containing a wide range of population groups which exhibit incidences of diseases which are most amenable to preventive intervention.

(2) The Secretary, through the Director of the Centers for Disease Control and Prevention and in consultation with the Director of the National Institutes of Health, shall establish procedures for the appropriate peer review of applications for grants and contracts under this section by peer review groups composed principally of non-Federal experts.

(d) For purposes of this section, the term “academic health center” means a school of medicine, a school of osteopathy, or a school of public health, as such terms are defined in section 701(4).

(e) For the purpose of carrying out this section, there are authorized to be appropriated \$10,000,000 for fiscal year 1992, and such sums as may be necessary for each of the fiscal years 1993 through 2003.

OFFICE OF MINORITY HEALTH

SEC. 1707. [300u-6] (a) IN GENERAL.—There is established an Office of Minority Health. The Office of Minority Health as existing on the date of enactment of the Patient Protection and Affordable

Care Act shall be transferred to the Office of the Secretary in such manner that there is established in the Office of the Secretary, the Office of Minority Health, which shall be headed by the Deputy Assistant Secretary for Minority Health who shall report directly to the Secretary, and shall retain and strengthen authorities (as in existence on such date of enactment) for the purpose of improving minority health and the quality of health care minorities receive, and eliminating racial and ethnic disparities. In carrying out this subsection, the Secretary, acting through the Deputy Assistant Secretary, shall award grants, contracts, enter into memoranda of understanding, cooperative, interagency, intra-agency and other agreements with public and nonprofit private entities, agencies, as well as Departmental and Cabinet agencies and organizations, and with organizations that are indigenous human resource providers in communities of color to assure improved health status of racial and ethnic minorities, and shall develop measures to evaluate the effectiveness of activities aimed at reducing health disparities and supporting the local community. Such measures shall evaluate community outreach activities, language services, workforce cultural competence, and other areas as determined by the Secretary.

(b) DUTIES.—With respect to improving the health of racial and ethnic minority groups, the Secretary, acting through the Deputy Assistant Secretary for Minority Health (in this section referred to as the “Deputy Assistant Secretary”), shall carry out the following:

(1) Establish short-range and long-range goals and objectives and coordinate all other activities within the Public Health Service that relate to disease prevention, health promotion, service delivery, and research concerning such individuals. The heads of each of the agencies of the Service shall consult with the Deputy Assistant Secretary to ensure the coordination of such activities.

(2) Enter into interagency agreements with other agencies of the Public Health Service.

(3) Support research, demonstrations and evaluations to test new and innovative models.

(4) Increase knowledge and understanding of health risk factors.

(5) Develop mechanisms that support better information dissemination, education, prevention, and service delivery to individuals from disadvantaged backgrounds, including individuals who are members of racial or ethnic minority groups.

(6) Ensure that the National Center for Health Statistics collects data on the health status of each minority group.

(7) With respect to individuals who lack proficiency in speaking the English language, enter into contracts with public and nonprofit private providers of primary health services for the purpose of increasing the access of the individuals to such services by developing and carrying out programs to provide bilingual or interpretive services.

(8) Support a national minority health resource center to carry out the following:

(A) Facilitate the exchange of information regarding matters relating to health information and health pro-

motion, preventive health services, and education in the appropriate use of health care.

(B) Facilitate access to such information.

(C) Assist in the analysis of issues and problems relating to such matters.

(D) Provide technical assistance with respect to the exchange of such information (including facilitating the development of materials for such technical assistance).

(9) Carry out programs to improve access to health care services for individuals with limited proficiency in speaking the English language. Activities under the preceding sentence shall include developing and evaluating model projects.

(10) Advise in matters related to the development, implementation, and evaluation of health professions education in decreasing disparities in health care outcomes, including cultural competency as a method of eliminating health disparities.

(c) ADVISORY COMMITTEE.—

(1) IN GENERAL.—The Secretary shall establish an advisory committee to be known as the Advisory Committee on Minority Health (in this subsection referred to as the “Committee”).

(2) DUTIES.—The Committee shall provide advice to the Deputy Assistant Secretary carrying out this section, including advice on the development of goals and specific program activities under paragraphs (1) through (10) of subsection (b) for each racial and ethnic minority group.

(3) CHAIR.—The chairperson of the Committee shall be selected by the Secretary from among the members of the voting members of the Committee. The term of office of the chairperson shall be 2 years.

(4) COMPOSITION.—

(A) The Committee shall be composed of 12 voting members appointed in accordance with subparagraph (B), and nonvoting, ex officio members designated in subparagraph (C).

(B) The voting members of the Committee shall be appointed by the Secretary from among individuals who are not officers or employees of the Federal Government and who have expertise regarding issues of minority health. The racial and ethnic minority groups shall be equally represented among such members.

(C) The nonvoting, ex officio members of the Committee shall be such officials of the Department of Health and Human Services as the Secretary determines to be appropriate.

(5) TERMS.—Each member of the Committee shall serve for a term of 4 years, except that the Secretary shall initially appoint a portion of the members to terms of 1 year, 2 years, and 3 years.

(6) VACANCIES.—If a vacancy occurs on the Committee, a new member shall be appointed by the Secretary within 90 days from the date that the vacancy occurs, and serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy shall not affect the power of

the remaining members to execute the duties of the Committee.

(7) COMPENSATION.—Members of the Committee who are officers or employees of the United States shall serve without compensation. Members of the Committee who are not officers or employees of the United States shall receive compensation, for each day (including travel time) they are engaged in the performance of the functions of the Committee. Such compensation may not be in an amount in excess of the daily equivalent of the annual maximum rate of basic pay payable under the General Schedule (under title 5, United States Code) for positions above GS–15.

(d) CERTAIN REQUIREMENTS REGARDING DUTIES.—

(1) RECOMMENDATIONS REGARDING LANGUAGE.—

(A) PROFICIENCY IN SPEAKING ENGLISH.—The Deputy Assistant Secretary shall consult with the Director of the Office of International and Refugee Health, the Director of the Office of Civil Rights, and the Directors of other appropriate departmental entities regarding recommendations for carrying out activities under subsection (b)(9).

(B) HEALTH PROFESSIONS EDUCATION REGARDING HEALTH DISPARITIES.—The Deputy Assistant Secretary shall carry out the duties under subsection (b)(10) in collaboration with appropriate personnel of the Department of Health and Human Services, other Federal agencies, and other offices, centers, and institutions, as appropriate, that have responsibilities under the Minority Health and Health Disparities Research and Education Act of 2000.

(2) EQUITABLE ALLOCATION REGARDING ACTIVITIES.—In carrying out subsection (b), the Secretary shall ensure that services provided under such subsection are equitably allocated among all groups served under this section by the Secretary.

(3) CULTURAL COMPETENCY OF SERVICES.—The Secretary shall ensure that information and services provided pursuant to subsection (b) are provided in the language, educational, and cultural context that is most appropriate for the individuals for whom the information and services are intended.

(e) GRANTS AND CONTRACTS REGARDING DUTIES.—

(1) IN GENERAL.—In carrying out subsection (b), the Secretary acting through the Deputy Assistant Secretary may make awards of grants, cooperative agreements, and contracts to public and nonprofit private entities.

(2) PROCESS FOR MAKING AWARDS.—The Deputy Assistant Secretary shall ensure that awards under paragraph (1) are made, to the extent practical, only on a competitive basis, and that a grant is awarded for a proposal only if the proposal has been recommended for such an award through a process of peer review.

(3) EVALUATION AND DISSEMINATION.—The Deputy Assistant Secretary, directly or through contracts with public and private entities, shall provide for evaluations of projects carried out with awards made under paragraph (1) during the preceding 2 fiscal years. The report shall be included in the report required under subsection (f) for the fiscal year involved.

(f) REPORTS.—

(1) IN GENERAL.—Not later than February 1 of fiscal year 1999 and of each second year thereafter, the Secretary shall submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report describing the activities carried out under this section during the preceding 2 fiscal years and evaluating the extent to which such activities have been effective in improving the health of racial and ethnic minority groups. Each such report shall include the biennial reports submitted under sections 201(e)(3) and 201(f)(2) for such years by the heads of the Public Health Service agencies.

(2) AGENCY REPORTS.—Not later than February 1, 1999, and biennially thereafter, the heads of the Public Health Service agencies shall submit to the Deputy Assistant Secretary a report summarizing the minority health activities of each of the respective agencies.

(g) DEFINITION.—For purposes of this section:

(1) The term “racial and ethnic minority group” means American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.

(2) The term “Hispanic” means individuals whose origin is Mexican, Puerto Rican, Cuban, Central or South American, or any other Spanish-speaking country.

(h) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of fiscal years 2011 through 2016.

SEC. 1707A. [300u-6a] INDIVIDUAL OFFICES OF MINORITY HEALTH WITHIN THE DEPARTMENT.

(a) IN GENERAL.—The head of each agency specified in subsection (b)(1) shall establish within the agency an office to be known as the Office of Minority Health. The head of each such Office shall be appointed by the head of the agency within which the Office is established, and shall report directly to the head of the agency. The head of such agency shall carry out this section (as this section relates to the agency) acting through such Director.

(b) SPECIFIED AGENCIES.—The agencies referred to in subsection (a) are the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the Substance Abuse and Mental Health Services Administration, the Agency for Healthcare Research and Quality, the Food and Drug Administration, and the Centers for Medicare & Medicaid Services.

(c) DIRECTOR; APPOINTMENT.—Each Office of Minority Health established in an agency listed in subsection (a) shall be headed by a director, with documented experience and expertise in minority health services research and health disparities elimination.

(d) REFERENCES.—Except as otherwise specified, any reference in Federal law to an Office of Minority Health (in the Department of Health and Human Services) is deemed to be a reference to the Office of Minority Health in the Office of the Secretary.

(e) FUNDING.—

(1) ALLOCATIONS.—Of the amounts appropriated for a specified agency for a fiscal year, the Secretary must designate an appropriate amount of funds for the purpose of carrying out activities under this section through the minority health office of the agency. In reserving an amount under the preceding sentence for a minority health office for a fiscal year, the Secretary shall reduce, by substantially the same percentage, the amount that otherwise would be available for each of the programs of the designated agency involved.

(2) AVAILABILITY OF FUNDS FOR STAFFING.—The purposes for which amounts made available under paragraph may be expended by a minority health office include the costs of employing staff for such office.

OFFICE OF ADOLESCENT HEALTH

SEC. 1708. [300u-7] (a) IN GENERAL.—There is established an Office of Adolescent Health within the Office of the Assistant Secretary for Health, which office shall be headed by a director appointed by the Secretary. The Secretary shall carry out this section acting through the Director of such Office.

(b) DUTIES.—With respect to adolescent health, the Secretary shall—

(1) coordinate all activities within the Department of Health and Human Services that relate to disease prevention, health promotion, preventive health services, and health information and education with respect to the appropriate use of health care, including coordinating—

(A) the design of programs, support for programs, and the evaluation of programs;

(B) the monitoring of trends;

(C) projects of research (including multidisciplinary projects) on adolescent health; and

(D) the training of health providers who work with adolescents, particularly nurse practitioners, physician assistants, and social workers;

(2) coordinate the activities described in paragraph (1) with similar activities in the private sector; and

(3) support projects, conduct research, and disseminate information relating to preventive medicine, health promotion, and physical fitness and sports medicine.

(c) CERTAIN DEMONSTRATION PROJECTS.—

(1) IN GENERAL.—In carrying out subsection (b)(3), the Secretary may make grants to carry out demonstration projects for the purpose of improving adolescent health, including—

(A) projects to train health care providers in providing services to adolescents; and

(B) projects to reduce the incidence of violence among adolescents, particularly violence related to teen dating, which shall include projects to develop and implement educational program to increase abuse awareness and prevention.

(2) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out paragraph (1), there are authorized to be appropriated \$8,000,000 for each of fiscal years 2023 through 2027.

(d) INFORMATION CLEARINGHOUSE.—In carrying out subsection (b), the Secretary shall establish and maintain a National Information Clearinghouse on Adolescent Health to collect and disseminate to health professionals and the general public information on adolescent health.

(e) NATIONAL PLAN.—In carrying out subsection (b), the Secretary shall develop a national plan for improving adolescent health. The plan shall be consistent with the applicable objectives established by the Secretary for the health status of the people of the United States for the year 2000, and shall be periodically reviewed, and as appropriate, revised. The plan, and any revisions in the plan, shall be submitted to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate.

(f) ADOLESCENT HEALTH.—For purposes of this section, the term “adolescent health”, with respect to adolescents of all ethnic and racial groups, means all diseases, disorders, and conditions (including with respect to mental health)—

(1) unique to adolescents, or more serious or more prevalent in adolescents;

(2) for which the factors of medical risk or types of medical intervention are different for adolescents, or for which it is unknown whether such factors or types are different for adolescents; or

(3) with respect to which there has been insufficient clinical research involving adolescents as subjects or insufficient clinical data on adolescents.

(g) INTERAGENCY WORK GROUP.—

(1) ESTABLISHMENT.—The Secretary shall establish the Federal Interagency Work Group on Teen Dating Violence (referred to in this section as the “Work Group”).

(2) IN GENERAL.—

(A) COMPOSITION.—Not later than 120 days after the date of enactment of Bree’s Law, the Secretary shall appoint representatives to the Work Group from the Administration for Children and Families, the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the Department of Education, the Department of Justice, and other Federal agencies as determined appropriate by the Secretary.

(B) CONSULTATION.—The Work Group shall consult with—

(i) experts at the State, Tribal, and local levels with relevant backgrounds in reducing and preventing the incidence of teen dating violence;

(ii) victims of teen dating violence; and

(iii) family members of teens who were killed by a dating partner.

(3) DUTIES.—The Work Group shall—

(A) examine all Federal efforts directed towards reducing and preventing teen dating violence;

(B) identify strategies, resources, and supports to improve State, Tribal, and local responses to the incidence of teen dating violence;

(C) make recommendations to Congress for improving Federal programs and efforts and coordination across such programs and efforts to reduce and prevent teen dating violence; and

(D) make recommendations for educating middle and high school students on teen dating violence.

(4) ANNUAL REPORT TO SECRETARY.—The Work Group shall annually prepare and submit to the Secretary, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Education and Labor of the House of Representatives, a report on the activities carried out by the Work Group under subsection (c), including recommendations to reduce and prevent teen dating violence.

BIENNIAL REPORT REGARDING NUTRITION AND HEALTH

SEC. 1709. [300u-8] (a) BIENNIAL REPORT.—The Secretary shall require the Surgeon General of the Public Health Service to prepare biennial reports on the relationship between nutrition and health. Such reports may, with respect to such relationship, include any recommendations of the Secretary and the Surgeon General.

(b) SUBMISSION TO CONGRESS.—The Secretary shall ensure that, not later than February 1 of 1995 and of every second year thereafter, a report under subsection (a) is submitted to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate.

EDUCATION REGARDING DES

SEC. 1710. [300u-9] (a) IN GENERAL.—The Secretary, acting through the heads of the appropriate agencies of the Public Health Service, shall carry out a national program for the education of health professionals and the public with respect to the drug diethylstilbestrol (commonly known as DES). To the extent appropriate, such national program shall use methodologies developed through the education demonstration program carried out under section 403C. In developing and carrying out the national program, the Secretary shall consult closely with representatives of nonprofit private entities that represent individuals who have been exposed to DES and that have expertise in community-based information campaigns for the public and for health care providers. The implementation of the national program shall begin during fiscal year 1999.

(b) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 1999 through 2003. The authorization of appropriations established in the preceding sentence is in addition to any other authorization of appropriation that is available for such purpose.

SEC. 1711. [300u-16] ESTABLISHMENT OF SUBSTANCE USE DISORDER INFORMATION DASHBOARD.

(a) **IN GENERAL.**—Not later than 6 months after the date of the enactment of this section, the Secretary of Health and Human Services shall, in consultation with the Director of National Drug Control Policy, establish and periodically update, on the Internet website of the Department of Health and Human Services, a public information dashboard that—

(1) provides links to information on programs within the Department of Health and Human Services related to the reduction of opioid and other substance use disorders;

(2) provides access, to the extent practicable and appropriate, to publicly available data, which may include data from agencies within the Department of Health and Human Services and—

(A) other Federal agencies;

(B) State, local, and Tribal governments;

(C) nonprofit organizations;

(D) law enforcement;

(E) medical experts;

(F) public health educators; and

(G) research institutions regarding prevention, treatment, recovery, and other services for opioid and other substance use disorders;

(3) provides data on substance use disorder prevention and treatment strategies in different regions of and populations in the United States;

(4) identifies information on alternatives to controlled substances for pain management, such as approaches studied by the National Institutes of Health Pain Consortium, the National Center for Complimentary and Integrative Health, and other institutes and centers at the National Institutes of Health, as appropriate; and

(5) identifies guidelines and best practices for health care providers regarding treatment of substance use disorders.

(b) **CONTROLLED SUBSTANCE DEFINED.**—In this section, the term “controlled substance” has the meaning given that term in section 102 of the Controlled Substances Act (21 U.S.C. 802).

TITLE XVIII—PRESIDENT’S COMMISSION FOR THE STUDY OF ETHICAL PROBLEMS IN MEDICINE AND BIOMEDICAL AND BEHAVIORAL RESEARCH**ESTABLISHMENT OF COMMISSION**

SEC. 1801. [300v] (a) **ESTABLISHMENT.**—(1) There is established the President’s Commission for the Study of Ethical Problems in Medicine and Biomedical and Behavioral Research¹ (hereinafter in this title referred to as the “Commission”) which shall be composed of eleven members appointed by the President. The members of the Commission shall be appointed as follows:

¹Such a Commission was established on December 17, 1979, by Executive Order No. 12184 (44 Fed. Reg. 75091). The Executive Order was revoked on February 25, 1986, by Executive Order No. 12553 (51 Fed. Reg. 7237).

(A) Three of the members shall be appointed from individuals who are distinguished in biomedical or behavioral research.

(B) Three of the members shall be appointed from individuals who are distinguished in the practice of medicine or otherwise distinguished in the provision of health care.

(C) Five of the members shall be appointed from individuals who are distinguished in one or more of the fields of ethics, theology, law, the natural sciences (other than a biomedical or behavioral science), the social sciences, the humanities, health administration, government, and public affairs.

(2) No individual who is a full-time officer or employee of the United States may be appointed as a member of the Commission. The Secretary of Health, Education, and Welfare, the Secretary of Defense, the Director of Central Intelligence, the Director of the Office of Science and Technology Policy, the Administrator of Veterans' Affairs, and the Director of the National Science Foundation shall each designate an individual to provide liaison with the Commission.

(3) No individual may be appointed to serve as a member of the Commission if the individual has served for two terms of four years each as such a member.

(4) A vacancy in the Commission shall be filled in the manner in which the original appointment was made.

(b) TERMS.—(1) Except as provided in paragraphs (2) and (3), members shall be appointed for terms of four years.

(2) Of the members first appointed—

(A) four shall be appointed for terms of three years, and

(B) three shall be appointed for terms of two years, as designated by the President at the time of appointment.

(3) Any member appointed to fill a vacancy occurring before the expiration of the term for which his predecessor was appointed shall be appointed only for the remainder of such term. A member may serve after the expiration of his term until his successor has taken office.

(c) CHAIRMAN.—The Chairman of the Commission shall be appointed by the President, by and with the advice and consent of the Senate, from members of the Commission.

(d) MEETINGS.—(1) Seven members of the Commission shall constitute a quorum for business, but a lesser number may conduct hearings.

(2) The Commission shall meet at the call of the Chairman or at the call of a majority of its members.

(e) COMPENSATION.—(1) Members of the Commission shall each be entitled to receive the daily equivalent of the annual rate of basic pay in effect for grade GS-18 of the General Schedule for each day (including travel time) during which they are engaged in the actual performance of duties vested in the Commission.

(2) While away from their homes or regular places of business in the performance of services for the Commission, members of the Commission shall be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under section 5703 of title 5 of the United States Code.

DUTIES OF THE COMMISSION

SEC. 1802. [300v-1] (a) STUDIES.—(1) The Commission shall undertake studies of the ethical and legal implications of—

(A) the requirements for informed consent to participation in research projects and to otherwise undergo medical procedures;

(B) the matter of defining death, including the advisability of developing a uniform definition of death;

(C) voluntary testing, counseling, and information and education programs with respect to genetic diseases and conditions, taking into account the essential equality of all human beings, born and unborn;

(D) the differences in the availability of health services as determined by the income or residence of the persons receiving the services;

(E) current procedures and mechanisms designed (i) to safeguard the privacy of human subjects of behavioral and biomedical research, (ii) to ensure the confidentiality of individually identifiable patient records, and (iii) to ensure appropriate access of patients to information continued² in such records,³ and

(F) such other matters relating to medicine or biomedical or behavioral research as the President may designate for study by the Commission.

The Commission shall determine the priority and order of the studies required under this paragraph.

(2) The Commission may undertake an investigation or study of any other appropriate matter which relates to medicine or biomedical or behavioral research (including the protection of human subjects of biomedical or behavioral research) and which is consistent with the purposes of this title on its own initiative or at the request of the head of the Federal agency.

(3) In order to avoid duplication of effort, the Commission may, in lieu of, or as part of, any study or investigation required or otherwise conducted under this subsection, use a study or investigation conducted by another entity if the Commission sets forth its reasons for such use.

(4) Upon the completion of each investigation or study undertaken by the Commission under this subsection (including a study or investigation which merely uses another study or investigation), it shall report its findings (including any recommendations for legislation or administrative action) to the President and the Congress and to each Federal agency to which a recommendation in the report applies.

(b) RECOMMENDATIONS TO AGENCIES.—(1) Within 60 days of the date a Federal agency receives a recommendation from the Commission that the agency take any action with respect to its rules, policies, guidelines, or regulations, the agency shall publish such recommendation in the Federal Register and shall provide opportunity for interested persons to submit written data, views, and arguments with respect to adoption of the recommendation.

²So in law. Probably should be “contained”.

³So in law. The comma should probably be a semicolon.

(2) Within the 180-day period beginning on the date of such publication, the agency shall determine whether the action proposed by such recommendation is appropriate, and, to the extent that it determines that—

(A) such action is not appropriate, the agency shall, within such time period, provide the Commission with, and publish in the Federal Register, a notice of such determination (including an adequate statement of the reasons for the determination), or

(B) such action is appropriate, the agency shall undertake such action as expeditiously as feasible and shall notify the Commission of the determination and the action undertaken.

(c) **REPORT ON PROTECTION OF HUMAN SUBJECTS.**—The Commission shall biennially report to the President, the Congress, and appropriate Federal agencies on the protection of human subjects of biomedical and behavioral research. Each such report shall include a review of the adequacy and uniformity (1) of the rules, policies, guidelines, and regulations of all Federal agencies regarding the protection of human subjects of biomedical or behavioral research which such agencies conduct or support, and (2) of the implementation of such rules, policies, guidelines, and regulations by such agencies, and may include such recommendations for legislation and administrative action as the Commission deems appropriate.

(d) **ANNUAL REPORT.**—Not later than December 15 of each year (beginning with 1979) the Commission shall report to the President, the Congress, and appropriate Federal agencies on the activities of the Commission during the fiscal year ending in such year. Each such report shall include a complete list of all recommendations described in subsection (b)(1) made to Federal agencies by the Commission during the fiscal year and the actions taken, pursuant⁴ to subsection (b)(2), by the agencies upon such recommendations, and may include such recommendations for legislation and administrative action as the Commission deems appropriate.

(e) **PUBLICATIONS.**—The Commission may at any time publish and disseminate to the public reports respecting its activities.

(f) **DEFINITIONS.**—For purposes of this section:

(1) The term “Federal agency” means an authority of the government of the United States, but does not include (A) the Congress, (B) the courts of the United States, and (C) the government of the Commonwealth of Puerto Rico, the government of the District of Columbia, or the government of any territory or possession of the United States.

(2) The term “protection of human subjects” includes the protection of the health, safety, and privacy of individuals.

ADMINISTRATIVE PROVISIONS

SEC. 1803. [300v-2] (a) **HEARINGS.**—The Commission may for the purpose of carrying out this title hold such hearings, sit and act at such times and places, take such testimony, and receive such evidence, as the Commission may deem advisable.

⁴ So in law. Probably should be “pursuant”.

(b) **STAFF.**—(1) The Commission may appoint and fix the pay of such staff personnel as it deems desirable. Such personnel shall be appointed subject to the provisions of title 5, United States Code, governing appointments in the competitive service, and shall be paid in accordance with the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates.

(2) The Commission may procure temporary and intermittent services to the same extent as is authorized by section 3109(b) of title 5 of the United States Code, but at rates for individuals not to exceed the daily equivalent of the annual rate of basis pay in effect for grade GS-18 of the General Schedule.

(3) Upon request of the Commission, the head of any Federal agency is authorized to detail, on a reimbursable basis, any of the personnel of such agency to the Commission to assist it in carrying out its duties under this title.

(c) **CONTRACTS.**—The Commission, in performing its duties and functions under this title, may enter into contracts with appropriate public or nonprofit private entities. The authority of the Commission to enter into such contracts is effective for any fiscal year only to such extent or in such amounts as are provided in advance in appropriation Acts.

(d) **INFORMATION.**—(1) The Commission may secure directly from any Federal agency information necessary to enable it to carry out this title. Upon request of the Chairman of the Commission, the head of such agency shall furnish such information to the Commission.

(2) The Commission shall promptly arrange for such security clearances for its members and appropriate staff as are necessary to obtain access to classified information needed to carry out its duties under this title.

(3) The Commission shall not disclose any information reported to or otherwise obtained by the Commission which is exempt from disclosure under subsection (a) of section 552 of title 5, United States Code, by reason of paragraphs (4) and (6) of subsection (b) of such section.

(e) **SUPPORT SERVICES.**—The Administrator of General Services shall provide to the Commission on a reimbursable basis such administrative support services as the Commission may request.

AUTHORIZATION OF APPROPRIATIONS; TERMINATION OF COMMISSION

SEC. 1804. [300v-3] (a) **AUTHORIZATIONS.**—To carry out this title there are authorized to be appropriated \$5,000,000 for the fiscal year ending September 30, 1979, \$5,000,000 for the fiscal year ending September 30, 1980, \$5,000,000 for the fiscal year ending September 30, 1981, and \$5,000,000 for the fiscal year ending September 30, 1982.

(b) **FEDERAL ADVISORY COMMITTEE ACT; TERMINATION.**—The Commission shall be subject to the Federal Advisory Committee Act, except that, under section 14(a)(1)(B) of such Act, the Commission shall terminate on December 31, 1982.

TITLE XIX—BLOCK GRANTS

PART A—PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT

AUTHORIZATION OF APPROPRIATIONS

SEC. 1901. [300w] (a) For the purpose of allotments under section 1902, there are authorized to be appropriated \$205,000,000 for fiscal year 1993, and such sums as may be necessary for each of the fiscal years 1994 through 1998.

(b) Of the amount appropriated for any fiscal year under subsection (a), at least \$7,000,000 shall be made available for allotments under section 1902(b).

ALLOTMENTS

SEC. 1902. [300w-1] (a)(1) From the amounts appropriated under section 1901 for any fiscal year and available for allotment under this subsection, the Secretary shall allot to each State an amount which bears the same ratio to the available amounts for that fiscal year as the amounts provided by the Secretary under the provisions of law listed in paragraph (2) to the State and entities in the State for fiscal year 1981 bore to the total amount appropriated for such provisions of law for fiscal year 1981.

(2) The provisions of law referred to in paragraph (1) are the following provisions of law as in effect on September 30, 1981:

(A) The authority for grants under section 317 for preventive health service programs for the control of rodents.

(B) The authority for grants under section 317 for establishing and maintaining community and school-based fluoridation programs.

(C) The authority for grants under section 317 for preventive health service programs for hypertension.

(D) Sections 401 and 402 of the Health Services and Centers Amendments of 1978.

(E) Section 314(d).

(F) Section 339(a).

(G) Sections 1202, 1203, and 1204.

(b) From the amount required to be made available under section 1901(b) for allotments under this subsection for any fiscal year, the Secretary shall make allotments to each State on the basis of the population of the State.

(c) To the extent that all the funds appropriated under section 1901 for a fiscal year and available for allotment in such fiscal year are not otherwise allotted to States because—

(1) one or more States have not submitted an application or description of activities in accordance with section 1905 for the fiscal year;

(2) one or more States have notified the Secretary that they do not intend to use the full amount of their allotment; or

(3) some State allotments are offset or repaid under section 1906(b)(3);

such excess shall be allotted among each of the remaining States in proportion to the amount otherwise allotted to such States for the fiscal year without regard to this subsection.

(d)(1) If the Secretary—

(A) receives a request from the governing body of an Indian tribe or tribal organization within any State that funds under this part be provided directly by the Secretary to such tribe or organization, and

(B) determines that the members of such tribe or tribal organization would be better served by means of grants made directly by the Secretary under this part,

the Secretary shall reserve from amounts which would otherwise be allotted to such State under subsection (a) for the fiscal year the amount determined under paragraph (2).

(2) The Secretary shall reserve for the purpose of paragraph (1) from amounts that would otherwise be allotted to such State under subsection (a) an amount equal to the amount which bears the same ratio to the State's allotment for the fiscal year involved as the total amount provided or allotted for fiscal year 1981 by the Secretary to such tribe or tribal organization under the provisions of law referred to in subsection (a) bore to the total amount provided or allotted for such fiscal year by the Secretary to the State and entities (including Indian tribes and tribal organizations) in the State under such provisions of law.

(3) The amount reserved by the Secretary on the basis of a determination under this subsection shall be granted to the Indian tribe or tribal organization serving the individuals for whom such a determination has been made.

(4) In order for an Indian tribe or tribal organization to be eligible for a grant for a fiscal year under this subsection, it shall submit to the Secretary a plan for such fiscal year which meets such criteria as the Secretary may prescribe.

(5) The terms "Indian tribe" and "tribal organization" have the same meaning given such terms in section 4(b) and section 4(c) of the Indian Self-Determination and Education Assistance Act.

(e) The Secretary shall conduct a study for the purpose of devising a formula for the equitable distribution of funds available for allotment to the States under this section. In conducting the study, the Secretary shall take into account—

(1) the financial resources of the various States,

(2) the populations of the States, and

(3) any other factor which the Secretary may consider appropriate.

Before June 30, 1982, the Secretary shall submit a report to the Congress respecting the development of a formula and make such recommendations as the Secretary may deem appropriate in order to ensure the most equitable distribution of funds under allotments under this section.

PAYMENTS UNDER ALLOTMENTS TO STATES

SEC. 1903. [300w-2] (a)(1) For each fiscal year, the Secretary shall make payments, as provided by section 203 of the Intergovernmental Cooperation Act of 1968 (42 U.S.C. 4213), to each State

from its allotment under section 1902 (other than any amount reserved under section 1902(d)) from amounts appropriated for that fiscal year.

(2) Any amount paid to a State for a fiscal year and remaining unobligated at the end of such year shall remain available for the next fiscal year to such State for the purposes for which it was made.

(b) The Secretary, at the request of a State, may reduce the amount of payments under subsection (a) by—

(1) the fair market value of any supplies or equipment furnished the State, and

(2) the amount of the pay, allowances, and travel expenses of any officer or employee of the Government when detailed to the State and the amount of any other costs incurred in connection with the detail of such officer or employee, when the furnishing of supplies or equipment or the detail of an officer or employee is for the convenience of and at the request of the State and for the purpose of conducting activities described in section 1904. The amount by which any payment is so reduced shall be available for payment by the Secretary of the costs incurred in furnishing the supplies or equipment or in detailing the personnel, on which the reduction of the payment is based, and the amount shall be deemed to be part of the payment and shall be deemed to have been paid to the State.

USE OF ALLOTMENTS

SEC. 1904. [300w-3] (a)(1) Except as provided in subsections (b) and (c), payments made to a State under section 1903 may be used for the following:

(A) Activities consistent with making progress toward achieving the objectives established by the Secretary for the health status of the population of the United States for the year 2000 (in this part referred to as “year 2000 health objectives”).

(B) Preventive health service programs for the control of rodents and for community and school-based fluoridation programs.

(C) Feasibility studies and planning for emergency medical services systems and the establishment, expansion, and improvement of such systems. Amounts for such systems may not be used for the costs of the operation of the systems or the purchase of equipment for the systems, except that such amounts may be used for the payment of not more than 50 percent of the costs of purchasing communications equipment for the systems. Amounts may be expended for feasibility studies or planning for the trauma-care components of such systems only if the studies or planning, respectively, is consistent with the requirements of section 1213(a).

(D) Providing services to victims of sex offenses and for prevention of sex offenses.

(E) The establishment, operation, and coordination of effective and cost-efficient systems to reduce the prevalence of illness due to asthma and asthma-related illnesses, especially

among children, by reducing the level of exposure to cockroach allergen or other known asthma triggers through the use of integrated pest management, as applied to cockroaches or other known allergens. Amounts expended for such systems may include the costs of building maintenance and the costs of programs to promote community participation in the carrying out at such sites of integrated pest management, as applied to cockroaches or other known allergens. For purposes of this subparagraph, the term “integrated pest management” means an approach to the management of pests in public facilities that combines biological, cultural, physical, and chemical tools in a way that minimizes economic, health, and environmental risks.

(F) With respect to activities described in any of subparagraphs (A) through (E), related planning, administration, and educational activities.

(G) Monitoring and evaluation of activities carried out under any of subparagraphs (A) through (F).

(2) Except as provided in subsection (b), amounts paid to a State under section 1903 from its allotment under section 1902(b) may only be used for providing services to rape victims and for rape prevention.

(3) The Secretary may provide technical assistance to States in planning and operating activities to be carried out under this part.

(b) A State may not use amounts paid to it under section 1903 to—

- (1) provide inpatient services,
- (2) make cash payments to intended recipients of health services,
- (3) purchase or improve land, purchase, construct, or permanently improve (other than minor remodeling) any building or other facility, or purchase major medical equipment,
- (4) satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds, or
- (5) provide financial assistance to any entity other than a public or nonprofit private entity.

Except as provided in subsection (a)(1)(E), the Secretary may waive the limitation contained in paragraph (3) upon the request of a State if the Secretary finds that there are extraordinary circumstances to justify the waiver and that granting the waiver will assist in carrying out this part.

(c) A State may transfer not more than 7 percent of the amount allotted to the State under section 1902(a) for any fiscal year for use by the State under part B of this title and title V of the Social Security Act in such fiscal year as follows: At any time in the first three quarters of the fiscal year a State may transfer not more than 3 percent of the allotment of the State for the fiscal year for such use, and in the last quarter of a fiscal year a State may transfer for such use not more than the remainder of the amount of its allotment which may be transferred.

(d) Of the amount paid to any State under section 1903, not more than 10 percent paid from each of its allotments under subsections (a) and (b) of section 1902 may be used for administering the funds made available under section 1903. The State will pay

from non-Federal sources the remaining costs of administering such funds.

APPLICATION FOR PAYMENTS; STATE PLAN

SEC. 1905. [300w-4] (a) IN GENERAL.—The Secretary may make payments under section 1903 to a State for a fiscal year only if—

(1) the State submits to the Secretary an application for the payments;

(2) the application contains a State plan in accordance with subsection (b);

(3) the application contains the certification described in subsection (c);

(4) the application contains such assurances as the Secretary may require regarding the compliance of the State with the requirements of this part (including assurances regarding compliance with the agreements described in subsection (c)); and

(5) the application is in such form and is submitted by such date as the Secretary may require.

(b) STATE PLAN.—A State plan required in subsection (a)(2) for a fiscal year is in accordance with this subsection if the plan meets the following conditions:

(1) The plan is developed by the State agency with principal responsibility for public health programs, in consultation with the advisory committee established pursuant to subsection (c)(2).

(2) The plan specifies the activities authorized in section 1904 that are to be carried out with payments made to the State under section 1903, including a specification of the year 2000 health objectives for which the State will expend the payments.

(3) The plan specifies the populations in the State for which such activities are to be carried out.

(4) The plan specifies any populations in the State that have a disparate need for such activities.

(5) With respect to each population specified under paragraph (3), the plan contains a strategy for expending such payments to carry out such activities to make progress toward improving the health status of the population, which strategy includes—

(A) a description of the programs and projects to be carried out;

(B) an estimate of the number of individuals to be served by the programs and projects; and

(C) an estimate of the number of public health personnel needed to carry out the strategy.

(6) The plan specifies the amount of such payments to be expended for each of such activities and, with respect to the activity involved—

(A) the amount to be expended for each population specified under paragraph (3); and

(B) the amount to be expended for each population specified under paragraph (4).

(c) STATE CERTIFICATION.—The certification referred to in subsection (a)(3) for a fiscal year is a certification to the Secretary by the chief executive officer of the State involved as follows:

(1)(A) In the development of the State plan required in subsection (a)(2)—

(i) the chief health officer of the State held public hearings on the plan; and

(ii) proposals for the plan were made public in a manner that facilitated comments from public and private entities (including Federal and other public agencies).

(B) The State agrees that, if any revisions are made in such plan during the fiscal year, the State will, with respect to the revisions, hold hearings and make proposals public in accordance with subparagraph (A), and will submit to the Secretary a description of the revisions.

(2) The State has established an advisory committee in accordance with subsection (d).

(3) The State agrees to expend payments under section 1903 only for the activities authorized in section 1904.

(4) The State agrees to expend such payments in accordance with the State plan submitted under subsection (a)(2) (with any revisions submitted to the Secretary under paragraph (1)(B)), including making expenditures to carry out the strategy contained in the plan pursuant to subsection (b)(5).

(5)(A) The State agrees that, in the case of each population for which such strategy is carried out, the State will measure the extent of progress being made toward improving the health status of the population.

(B) The State agrees that—

(i) the State will collect and report data in accordance with section 1906(a); and

(ii) for purposes of subparagraph (A), progress will be measured through use of each of the applicable uniform data items developed by the Secretary under paragraph (2) of such section, or if no such items are applicable, through use of the uniform criteria developed by the Secretary under paragraph (3) of such section.

(6) With respect to the activities authorized in section 1904, the State agrees to maintain State expenditures for such activities at a level that is not less than the average level of such expenditures maintained by the State for the 2-year period preceding the fiscal year for which the State is applying to receive payments under section 1903.

(7) The State agrees to establish reasonable criteria to evaluate the effective performance of entities that receive funds from such payments and procedures for procedural and substantive independent State review of the failure by the State to provide funds for any such entity.

(8) The State agrees to permit and cooperate with Federal investigations undertaken in accordance with section 1907.

(9) The State has in effect a system to protect from inappropriate disclosure patient and sex offense victim records

maintained by the State in connection with an activity funded under this part or by any entity which is receiving payments from the allotment of the State under this part.

(10) The State agrees to provide the officer of the State government responsible for the administration of the State highway safety program with an opportunity to—

(A) participate in the development of any plan by the State relating to emergency medical services, as such plan relates to highway safety; and

(B) review and comment on any proposal by any State agency to use any Federal grant or Federal payment received by the State for the provision of emergency medical services as such proposal relates to highway safety.

(d) STATE ADVISORY COMMITTEE.—

(1) IN GENERAL.—For purposes of subsection (c)(2), an advisory committee is in accordance with this subsection if such committee is known as the State Preventive Health Advisory Committee (in this subsection referred to as the “Committee”) and the Committee meets the conditions described in the subsequent paragraphs of this subsection.

(2) DUTIES.—A condition under paragraph (1) for a State is that the duties of the Committee are—

(A) to hold public hearings on the State plan required in subsection (a)(2); and

(B) to make recommendations pursuant to subsection (b)(1) regarding the development and implementation of such plan, including recommendations on—

(i) the conduct of assessments of the public health;

(ii) which of the activities authorized in section 1904 should be carried out in the State;

(iii) the allocation of payments made to the State under section 1903;

(iv) the coordination of activities carried out under such plan with relevant programs of other entities; and

(v) the collection and reporting of data in accordance with section 1906(a).

(3) COMPOSITION.—

(A) A condition under paragraph (1) for a State is that the Committee is composed of such members of the general public, and such officials of the health departments of political subdivisions of the State, as may be necessary to provide adequate representation of the general public and of such health departments.

(B) With respect to compliance with subparagraph (A), the membership of advisory committees established pursuant to subsection (c)(2) may include representatives of community-based organizations (including minority community-based organizations), schools of public health, and entities to which the State involved awards grants or contracts to carry out activities authorized in section 1904.

(4) CHAIR; MEETINGS.—A condition under paragraph (1) for a State is that the State public health officer serves as the

chair of the Committee, and that the Committee meets not less than twice each fiscal year.

REPORTS, DATA, AND AUDITS

SEC. 1906. [300w-5] (a)(1) For purposes of section 1905(c)(5)(B)(i), a State is collecting and reporting data for a fiscal year in accordance with this subsection if the State submits to the Secretary, not later than February 1 of the succeeding fiscal year, a report that—

(A) describes the purposes for which the State expended payments made to the State under section 1903;

(B) pursuant to section 1905(c)(5)(A), describes the extent of progress made by the State for purposes of such section;

(C) meets the conditions described in the subsequent paragraphs of this subsection; and

(D) contains such additional information regarding activities authorized in section 1904, and is submitted in such form, as the Secretary may require.

(2)(A) The Secretary, in consultation with the States, shall develop sets of data for uniformly defining health status for purposes of the year 2000 health objectives (which sets are in this subsection referred to as “uniform data sets”). Each of such sets shall consist of one or more categories of information (in this subsection individually referred to as a “uniform data item”). The Secretary shall develop formats for the uniform collecting and reporting of information on such items.

(B) A condition under paragraph (1)(C) for a fiscal year is that the State involved will, in accordance with the applicable format under subparagraph (A), collect during such year, and include in the report under paragraph (1), the necessary information for one uniform data item from each of the uniform data sets, which items are selected for the State by the Secretary.

(C) In the case of fiscal year 1995 and each subsequent fiscal year, a condition under paragraph (1) for a State is that the State will, in accordance with the applicable format under subparagraph (A), collect during such year, and include in the report under paragraph (1), the necessary information for each of the uniform data sets appropriate to the year 2000 health objectives that the State has, in the State plan submitted under section 1905 for the fiscal year, specified as a purpose for which payments under section 1903 are to be expended.

(3) The Secretary, in consultation with the States, shall establish criteria for the uniform collection and reporting of data on activities authorized in section 1904 with respect to which no uniform data items exist.

(4) A condition under paragraph (1) for a fiscal year is that the State involved will make copies of the report submitted under such paragraph for the fiscal year available for public inspection, and will upon request provide a copy of the report to any individual for a charge not exceeding the cost of providing the copy.

(b)(1) Each State shall establish fiscal control and fund accounting procedures as may be necessary to assure the proper disbursement of and accounting for Federal funds paid to the State under

section 1903 and funds transferred under section 1904(c) for use under this part.

(2) Each State shall annually audit its expenditures from payments received under section 1903. Such State audits shall be conducted by an entity independent of any agency administering a program funded under this part and, in so far as practical, in accordance with the Comptroller General's standards for auditing governmental organizations, programs, activities, and functions. Within 30 days following the date each audit is completed, the chief executive officer of the State shall transmit a copy of that audit to the Secretary.

(3) Each State shall, after being provided by the Secretary with adequate notice and opportunity for a hearing within the State, repay to the United States amounts found not to have been expended in accordance with the requirements of this part or the certification provided by the State under section 1905. If such repayment is not made, the Secretary shall, after providing the State with adequate notice and opportunity for a hearing within the State, offset such amounts against the amount of any allotment to which the State is or may become entitled under this part.

(4) The State shall make copies of the reports and audits required by this section available for public inspection within the State.

(5) The Comptroller General of the United States shall, from time to time, evaluate the expenditures by States of grants under this part in order to assure that expenditures are consistent with the provisions of this part and the certification provided by the State under section 1905.

(6) Not later than October 1, 1990, the Secretary shall report to the Congress on the activities of the States that have received funds under this part and may include in the report any recommendations for appropriate changes in legislation.

(c) Title XVII of the Omnibus Budget Reconciliation Act of 1981 shall not apply with respect to audits of funds allotted under this part.

WITHHOLDING

SEC. 1907. [300w-6] (a)(1) The Secretary shall, after adequate notice and an opportunity for a hearing conducted within the affected State, withhold funds from any State which does not use its allotment in accordance with the requirements of this part or the certification provided under section 1905. The Secretary shall withhold such funds until the Secretary finds that the reason for the withholding has been removed and there is reasonable assurance that it will not recur.

(2) The Secretary may not institute proceedings to withhold funds under paragraph (1) unless the Secretary has conducted an investigation concerning whether the State has used its allotment in accordance with the requirements of this part or the certification provided under section 1905. Investigations required by this paragraph shall be conducted within the affected State by qualified investigators.

(3) The Secretary shall respond in an expeditious manner to complaints of a substantial or serious nature that a State has failed to use funds in accordance with the requirements of this part or certifications provided under section 1905.

(4) The Secretary may not withhold funds under paragraph (1) from a State for a minor failure to comply with the requirements of this part or certifications provided under section 1905.

(b)(1) The Secretary shall conduct in several States in each fiscal year investigations of the use of funds received by the States under this part in order to evaluate compliance with the requirements of this part and certifications provided under section 1905.

(2) The Comptroller General of the United States may conduct investigations of the use of funds received under this part by a State in order to insure compliance with the requirements of this part and certifications provided under section 1905.

(c) Each State, and each entity which has received funds from an allotment made to a State under this part, shall make appropriate books, documents, papers, and records available to the Secretary or the Comptroller General of the United States, or any of their duly authorized representatives, for examination, copying, or mechanical reproduction on or off the premises of the appropriate entity upon a reasonable request therefor.

(d)(1) In conducting any investigation in a State, the Secretary or the Comptroller General of the United States may not make a request for any information not readily available to such State or an entity which has received funds from an allotment made to the State under this part or make an unreasonable request for information to be compiled, collected, or transmitted in any form not readily available.

(2) Paragraph (1) does not apply to the collection, compilation, or transmittal of data in the course of a judicial proceeding.

NONDISCRIMINATION

SEC. 1908. [300w-7] (a)(1) For the purpose of applying the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975, on the basis of handicap under section 504 of the Rehabilitation Act of 1973, on the basis of sex under title IX of the Education Amendments of 1972, or on the basis of race, color, or national origin under title VI of the Civil Rights Act of 1964, programs and activities funded in whole or in part with funds made available under this part are considered to be programs and activities receiving Federal financial assistance.

(2) No person shall on the ground of sex or religion be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with funds made available under this part.

(b) Whenever the Secretary finds that a State, or an entity that has received a payment from an allotment to a State under section 1902, has failed to comply with a provision of law referred to in subsection (a)(1), with subsection (a)(2), or with an applicable regulation (including one prescribed to carry out subsection (a)(2)), the Secretary shall notify the chief executive officer of the State and shall request him to secure compliance. If within a reasonable

period of time, not to exceed sixty days, the chief executive officer fails or refuses to secure compliance, the Secretary may—

(1) refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted,

(2) exercise the powers and functions provided by title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, or section 504 of the Rehabilitation Act of 1973, as may be applicable, or

(3) take such other action as may be provided by law.

(c) When a matter is referred to the Attorney General pursuant to subsection (b)(1), or whenever he has reason to believe that a State or an entity is engaged in a pattern or practice in violation of a provision of law referred to in subsection (a)(1) or in violation of subsection (a)(2), the Attorney General may bring a civil action in any appropriate district court of the United States for such relief as may be appropriate, including injunctive relief.

CRIMINAL PENALTY FOR FALSE STATEMENTS

SEC. 1909. [300w–8] Whoever—

(1) knowingly and willfully makes or causes to be made any false statement or representation of a material fact in connection with the furnishing of items or services for which payment may be made by a State from funds allotted to the State under this part, or

(2) having knowledge of the occurrence of any event affecting his initial or continued right to any such payment conceals or fails to disclose such event with an intent fraudulently to secure such payment either in a greater amount than is due or when no such payment is authorized,

shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.

EMERGENCY MEDICAL SERVICES FOR CHILDREN

SEC. 1910. [300w–9] (a) For activities in addition to the activities which may be carried out by States under section 1904(a)(1)(F), the Secretary may make grants to States or accredited schools of medicine in States to support a program of demonstration projects for the expansion and improvement of emergency medical services for children who need treatment for trauma or critical care. Any grant made under this subsection shall be for not more than a 4-year period (with an optional 5th year based on performance), subject to annual evaluation by the Secretary. Only 3 grants under this subsection may be made in a State (to a State or to a school of medicine in such State) in any fiscal year.

(b) The Secretary may renew a grant made under subsection (a) for one additional one-year period only if the Secretary determines that renewal of such grant will provide significant benefits through the collection, analysis, and dissemination of information or data which will be useful to States in which grants under such subsection have not been made.

(c) For purposes of this section—

(1) the term “school of medicine” has the same meaning as in section 701(4); and

(2) the term “accredited” has the same meaning as in section 701(5).

(d) To carry out this section, there are authorized to be appropriated \$2,000,000 for fiscal year 1985 and for each of the two succeeding fiscal years, \$3,000,000 for fiscal year 1989, \$4,000,000 for fiscal year 1990, \$5,000,000 for each of the fiscal years 1991 and 1992, such sums as may be necessary for each of the fiscal years 1993 through 2005, \$25,000,000 for fiscal year 2010, \$26,250,000 for fiscal year 2011, \$27,562,500 for fiscal year 2012, \$28,940,625 for fiscal year 2013, \$30,387,656 for fiscal year 2014, \$20,213,000 for each of fiscal years 2015 through 2019, \$22,334,000 for each of fiscal years 2020 through 2024, and \$24,334,000 for each of fiscal years 2025 through 2029.

PART B—BLOCK GRANTS REGARDING MENTAL HEALTH AND
SUBSTANCE USE

**Subpart I—Block Grants for Community Mental
Health Services**

SEC. 1911. [300x] FORMULA GRANTS TO STATES.

(a) IN GENERAL.—For the purpose described in subsection (b), the Secretary, acting through the Director of the Center for Mental Health Services, shall make an allotment each fiscal year for each State in an amount determined in accordance with section 1918. The Secretary shall make a grant to the State of the allotment made for the State for the fiscal year if the State submits to the Secretary an application in accordance with section 1917.

(b) PURPOSE OF GRANTS.—A funding agreement for a grant under subsection (a) is that, subject to section 1916, the State involved will expend the grant only for the purpose of—

- (1) providing community mental health services for adults with a serious mental illness and children with a serious emotional disturbance as defined in accordance with section 1912(c);
- (2) carrying out the plan submitted under section 1912(a) by the State for the fiscal year involved;
- (3) evaluating programs and services carried out under the plan; and
- (4) planning, administration, and educational activities related to providing services under the plan.

SEC. 1912. [300x-1] STATE PLAN FOR COMPREHENSIVE COMMUNITY MENTAL HEALTH SERVICES FOR CERTAIN INDIVIDUALS.

(a) IN GENERAL.—The Secretary may make a grant under section 1911 only if—

- (1) the State involved submits to the Secretary a plan for providing comprehensive community mental health services to adults with a serious mental illness and to children with a serious emotional disturbance;
- (2) the plan meets the criteria specified in subsection (b); and
- (3) the plan is approved by the Secretary.

(b) **CRITERIA FOR PLAN.**—In accordance with subsection (a), a State shall submit to the Secretary a plan every two years that, at a minimum, includes each of the following:

(1) **SYSTEM OF CARE.**—A description of the State's system of care that contains the following:

(A) **COMPREHENSIVE COMMUNITY-BASED HEALTH SYSTEMS.**—The plan shall—

(i) identify the single State agency to be responsible for the administration of the program under the grant, including any third party who administers mental health services and is responsible for complying with the requirements of this part with respect to the grant;

(ii) provide for an organized community-based system of care for individuals with mental illness, and describe available services and resources in a comprehensive system of care, including services for individuals with co-occurring disorders;

(iii) include a description of the manner in which the State and local entities will coordinate services to maximize the efficiency, effectiveness, quality, and cost-effectiveness of services and programs to produce the best possible outcomes (including health services, rehabilitation services, employment services, housing services, educational services, substance use disorder services, legal services, law enforcement services, social services, child welfare services, medical and dental care services, and other support services to be provided with Federal, State, and local public and private resources) with other agencies to enable individuals receiving services to function outside of inpatient or residential institutions, to the maximum extent of their capabilities, including services to be provided by local school systems under the Individuals with Disabilities Education Act;

(iv) include a description of how the State promotes evidence-based practices, including those evidence-based programs that address the needs of individuals with early serious mental illness regardless of the age of the individual at onset, provide comprehensive individualized treatment, or integrate mental and physical health services;

(v) include a description of case management services;

(vi) include a description of activities that seek to engage adults with a serious mental illness or children with a serious emotional disturbance and their caregivers where appropriate in making health care decisions, including activities that enhance communication among individuals, families, caregivers, and treatment providers; and

(vii) as appropriate to, and reflective of, the uses the State proposes for the block grant funds, include—

(I) a description of the activities intended to reduce hospitalizations and hospital stays using the block grant funds;

(II) a description of the activities intended to reduce incidents of suicide using the block grant funds;

(III) a description of how the State integrates mental health and primary care using the block grant funds, which may include providing, in the case of individuals with co-occurring mental and substance use disorders, both mental and substance use disorders services in primary care settings or arrangements to provide primary and specialty care services in community-based mental and substance use disorders settings; and

(IV) a description of recovery and recovery support services for adults with a serious mental illness and children with a serious emotional disturbance.

(B) MENTAL HEALTH SYSTEM DATA AND EPIDEMIOLOGY.—The plan shall contain an estimate of the incidence and prevalence in the State of serious mental illness among adults and serious emotional disturbance among children and present quantitative targets and outcome measures for programs and services provided under this subpart.

(C) CHILDREN'S SERVICES.—In the case of children with a serious emotional disturbance (as defined pursuant to subsection (c)), the plan shall provide for a system of integrated social services, educational services, child welfare services, juvenile justice services, law enforcement services, and substance use disorder services that, together with health and mental health services, will be provided in order for such children to receive care appropriate for their multiple needs (such system to include services provided under the Individuals with Disabilities Education Act).

(D) TARGETED SERVICES TO RURAL AND HOMELESS POPULATIONS.—The plan shall describe the State's outreach to and services for individuals who are homeless and how community-based services will be provided to individuals residing in rural areas.

(E) MANAGEMENT SERVICES.—The plan shall describe the financial resources available, the existing mental health workforce, and the workforce trained in treating individuals with co-occurring mental and substance use disorders, and shall provide for the training of providers of emergency health services regarding mental health. The plan shall further describe the manner in which the State intends to expend the grant under section 1911 for the fiscal year involved, and the manner in which the State intends to comply with each of the funding agreements in this subpart and subpart III.

(2) GOALS AND OBJECTIVES.—The establishment of goals and objectives for the period of the plan, including targets and milestones that are intended to be met, and the activities that will be undertaken to achieve those targets.

(c) DEFINITIONS REGARDING MENTAL ILLNESS AND EMOTIONAL DISTURBANCE; METHODS FOR ESTIMATE OF INCIDENCE AND PREVALENCE.—

(1) ESTABLISHMENT BY SECRETARY OF DEFINITIONS; DISSEMINATION.—For purposes of this subpart, the Secretary shall establish definitions for the terms “adults with a serious mental illness” and “children with a serious emotional disturbance”. The Secretary shall disseminate the definitions to the States.

(2) STANDARDIZED METHODS.—The Secretary shall establish standardized methods for making the estimates required in subsection (b)(11) with respect to a State. A funding agreement for a grant under section 1911 for the State is that the State will utilize such methods in making the estimates.

(3) DATE CERTAIN FOR COMPLIANCE BY SECRETARY.—Not later than 90 days after the date of the enactment of the ADAMHA Reorganization Act¹, the Secretary shall establish the definitions described in paragraph (1), shall begin dissemination of the definitions to the States, and shall establish the standardized methods described in paragraph (2).

(d) REQUIREMENT OF IMPLEMENTATION OF PLAN.—

(1) COMPLETE IMPLEMENTATION.—Except as provided in paragraph (2), in making a grant under section 1911 to a State for a fiscal year, the Secretary shall make a determination of the extent to which the State has implemented the plan required in subsection (a). If the Secretary determines that a State has not completely implemented the plan, the Secretary shall reduce the amount of the allotment under section 1911 for the State for the fiscal year involved by an amount equal to 10 percent of the amount determined under section 1918 for the State for the fiscal year.

(2) SUBSTANTIAL IMPLEMENTATION AND GOOD FAITH EFFORT REGARDING FISCAL YEAR 1993.—

(A) In making a grant under section 1911 to a State for fiscal year 1993, the Secretary shall make a determination of the extent to which the State has implemented the plan required in subsection (a). If the Secretary determines that the State has not substantially implemented the plan, the Secretary shall, subject to subparagraph (B), reduce the amount of the allotment under section 1911 for the State for such fiscal year by an amount equal to 10 percent of the amount determined under section 1918 for the State for the fiscal year.

(B) In carrying out subparagraph (A), if the Secretary determines that the State is making a good faith effort to implement the plan required in subsection (a), the Secretary may make a reduction under such subparagraph in an amount that is less than the amount specified in such

¹ Enacted July 10, 1992.

subparagraph, except that the reduction may not be made in an amount that is less than 5 percent of the amount determined under section 1918 for the State for fiscal year 1993.

SEC. 1913. [300x-2] CERTAIN AGREEMENTS.

(a) ALLOCATION FOR SYSTEMS OF INTEGRATED SERVICES FOR CHILDREN.—

(1) IN GENERAL.—With respect to children with a serious emotional disturbance, a funding agreement for a grant under section 1911 is that—

(A) in the case of a grant for fiscal year 1993, the State involved will expend not less than 10 percent of the grant to increase (relative to fiscal year 1992) funding for the system of integrated services described in section 1912(b)(9);

(B) in the case of a grant for fiscal year 1994, the State will expend not less than 10 percent of the grant to increase (relative to fiscal year 1993) funding for such system; and

(C) in the case of a grant for any subsequent fiscal year, the State will expend for such system not less than an amount equal to the amount expended by the State for fiscal year 1994.

(2) WAIVER.—

(A) Upon the request of a State, the Secretary may provide to the State a waiver of all or part of the requirement established in paragraph (1) if the Secretary determines that the State is providing an adequate level of comprehensive community mental health services for children with a serious emotional disturbance², as indicated by a comparison of the number of such children for which such services are sought with the availability in the State of the services.

(B) The Secretary shall approve or deny a request for a waiver under subparagraph (A) not later than 120 days after the date on which the request is made.

(C) Any waiver provided by the Secretary under subparagraph (A) shall be applicable only to the fiscal year involved.

(b) PROVIDERS OF SERVICES.—A funding agreement for a grant under section 1911 for a State is that, with respect to the plan submitted under section 1912(a) for the fiscal year involved—

(1) services under the plan will be provided only through appropriate, qualified community programs (which may include community mental health centers, child mental-health programs, psychosocial rehabilitation programs, mental health peer-support programs, and mental-health primary consumer-directed programs); and

(2) services under the plan will be provided through community mental health centers only if the centers meet the criteria specified in subsection (c).

²So in law. See section 201 of Public Law 102-321 (106 Stat. 381). Probably should be “disturbance”.

(c) **CRITERIA FOR MENTAL HEALTH CENTERS.**—The criteria referred to in subsection (b)(2) regarding community mental health centers are as follows:

(1) With respect to mental health services, the centers provide services as follows:

(A) Services principally to individuals residing in a defined geographic area (hereafter in this subsection referred to as a “service area”).

(B) Outpatient services, including specialized outpatient services for children, the elderly, individuals with a serious mental illness, and residents of the service areas of the centers who have been discharged from inpatient treatment at a mental health facility.

(C) 24-hour-a-day emergency care services.

(D) Day treatment or other partial hospitalization services, or psychosocial rehabilitation services.

(E) Screening for patients being considered for admission to State mental health facilities to determine the appropriateness of such admission.

(2) The mental health services of the centers are provided, within the limits of the capacities of the centers, to any individual residing or employed in the service area of the center regardless of ability to pay for such services.

(3) The mental health services of the centers are available and accessible promptly, as appropriate and in a manner which preserves human dignity and assures continuity and high quality care.

SEC. 1914. [300x-3] STATE MENTAL HEALTH PLANNING COUNCIL.

(a) **IN GENERAL.**—A funding agreement for a grant under section 1911 is that the State involved will establish and maintain a State mental health planning council in accordance with the conditions described in this section.

(b) **DUTIES.**—A condition under subsection (a) for a Council is that the duties of the Council are—

(1) to review plans provided to the Council pursuant to section 1915(a) by the State involved and to submit to the State any recommendations of the Council for modifications to the plans;

(2) to serve as an advocate for adults with a serious mental illness, children with a severe emotional disturbance, and other individuals with mental illnesses or emotional problems; and

(3) to monitor, review, and evaluate, not less than once each year, the allocation and adequacy of mental health services within the State.

(c) **MEMBERSHIP.**—

(1) **IN GENERAL.**—A condition under subsection (a) for a Council is that the Council be composed of residents of the State, including representatives of—

(A) the principal State agencies with respect to—

(i) mental health, education, vocational rehabilitation, criminal justice, housing, and social services; and

- (ii) the development of the plan submitted pursuant to title XIX of the Social Security Act;
 - (B) public and private entities concerned with the need, planning, operation, funding, and use of mental health services and related support services;
 - (C) adults with serious mental illnesses who are receiving (or have received) mental health services; and
 - (D) the families of such adults or families of children with emotional disturbance.
- (2) CERTAIN REQUIREMENTS.—A condition under subsection (a) for a Council is that—
- (A) with respect to the membership of the Council, the ratio of parents of children with a serious emotional disturbance to other members of the Council is sufficient to provide adequate representation of such children in the deliberations of the Council; and
 - (B) not less than 50 percent of the members of the Council are individuals who are not State employees or providers of mental health services.
- (d) DEFINITION.—For purposes of this section, the term “Council” means a State mental health planning council.

SEC. 1915. [300x-4] ADDITIONAL PROVISIONS.

(a) REVIEW OF STATE PLAN BY MENTAL HEALTH PLANNING COUNCIL.—The Secretary may make a grant under section 1911 to a State only if—

(1) the plan submitted under section 1912(a) with respect to the grant and the report of the State under section 1942(a) concerning the preceding fiscal year has been reviewed by the State mental health planning council under section 1914; and

(2) the State submits to the Secretary any recommendations received by the State from such council for modifications to the plan (without regard to whether the State has made the recommended modifications) and any comments concerning the annual report.

(b) MAINTENANCE OF EFFORT REGARDING STATE EXPENDITURES FOR MENTAL HEALTH.—

(1) IN GENERAL.—A funding agreement for a grant under section 1911 is that the State involved will maintain State expenditures for community mental health services at a level that is not less than the average level of such expenditures maintained by the State for the 2-year period preceding the fiscal year for which the State is applying for the grant.

(2) EXCLUSION OF CERTAIN FUNDS.—The Secretary may exclude from the aggregate State expenditures under subsection (a), funds appropriated to the principle agency for authorized activities which are of a non-recurring nature and for a specific purpose.

(3) WAIVER.—

(A) IN GENERAL.—The Secretary may, upon the request of a State, waive the requirement established in paragraph (1) in whole or in part if the Secretary determines that extraordinary economic conditions in the State

in the fiscal year involved or in the previous fiscal year justify the waiver³

(B) DATE CERTAIN FOR ACTION UPON REQUEST.—The Secretary shall approve or deny a request for a waiver under this paragraph not later than 120 days after the date on which the request is made.

(C) APPLICABILITY OF WAIVER.—A waiver provided by the Secretary under this paragraph shall be applicable only to the fiscal year involved.

(4) NONCOMPLIANCE BY STATE.—

(A) IN GENERAL.—

(i) DETERMINATION.—In making a grant under section 1911 to a State for a fiscal year, the Secretary shall make a determination of whether, for the previous fiscal year, the State maintained material compliance with the agreement made under paragraph (1). If the Secretary determines that a State has failed to maintain such compliance, the Secretary shall reduce the amount of the allotment under section 1911 for the State for the fiscal year for which the grant is being made by an amount equal to the amount constituting such failure for the previous fiscal year.

(ii) ALTERNATIVE.—A State that has failed to comply with paragraph (1) and would otherwise be subject to a reduction in the State's allotment under section 1911 may, upon request by the State, in lieu of having the amount of the allotment under section 1911 for the State reduced for the fiscal year of the grant, agree to comply with a negotiated agreement that is approved by the Secretary and carried out in accordance with guidelines issued by the Secretary. If a State fails to enter into or comply with a negotiated agreement, the Secretary may take action under this paragraph or the terms of the negotiated agreement.

(B) SUBMISSION OF INFORMATION TO THE SECRETARY.—

The Secretary may make a grant under section 1911 for a fiscal year only if the State involved submits to the Secretary information sufficient for the Secretary to make the determination required in subparagraph (A)(i).

SEC. 1916. [300x-5] RESTRICTIONS ON USE OF PAYMENTS.

(a) IN GENERAL.—A funding agreement for a grant under section 1911 is that the State involved will not expend the grant—

- (1) to provide inpatient services;
 - (2) to make cash payments to intended recipients of health services;
 - (3) to purchase or improve land, purchase, construct, or permanently improve (other than minor remodeling) any building or other facility, or purchase major medical equipment;
 - (4) to satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds;
- or

³ So in law. There probably should be a period at the end of paragraph (3)(A). See amendment made by section 8001(d)(1)(C) of Public Law 114-255.

(5) to provide financial assistance to any entity other than a public or nonprofit private entity.

(b) **LIMITATION ON ADMINISTRATIVE EXPENSES.**—A funding agreement for a grant under section 1911 is that the State involved will not expend more than 5 percent of the grant for administrative expenses with respect to the grant.

SEC. 1917. [300x-6] APPLICATION FOR GRANT.

(a) **IN GENERAL.**—For purposes of section 1911, an application for a grant under such section for a fiscal year in accordance with⁴ this section if, subject to subsection (b)—

(1) the plan is received by the Secretary not later than September 1 of the fiscal year prior to the fiscal year for which a State is seeking funds, and the report from the previous fiscal year as required under section 1942(a) is received by December 1 of the fiscal year of the grant;

(2) the application contains each funding agreement that is described in this subpart or subpart III for such a grant (other than any such agreement that is not applicable to the State);

(3) the agreements are made through certification from the chief executive officer of the State;

(4) with respect to such agreements, the application provides assurances of compliance satisfactory to the Secretary;

(5) the application contains the plan required in section 1912(a), the information required in section 1915(b), and the report required in section 1942(a);

(6) the application contains recommendations in compliance with section 1915(a), or if no such recommendations are received by the State, the application otherwise demonstrates compliance with such section; and

(7) the application (including the plan under section 1912(a)) is otherwise in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this subpart.

(b) **WAIVERS REGARDING CERTAIN TERRITORIES.**—In the case of any territory of the United States except Puerto Rico, the Secretary may waive such provisions of this subpart and subpart III as the Secretary determines to be appropriate, other than the provisions of section 1916.

SEC. 1918. [300x-7] DETERMINATION OF AMOUNT OF ALLOTMENT.

(a) **STATES.**—

(1) **DETERMINATION UNDER FORMULA.**—Subject to subsection (b), the Secretary shall determine the amount of the allotment required in section 1911 for a State for a fiscal year in accordance with the following formula:

$$A = \left(\frac{X}{U} \right)$$

⁴So in law. See section 201 of Public Law 102-321 (106 Stat. 384). Probably should be “is in accordance with”.

(2) DETERMINATION OF TERM “A”.—For purposes of paragraph (1), the term “A” means the difference between—

(A) the amount appropriated under section 1920(a) for allotments under section 1911 for the fiscal year involved; and

(B) an amount equal to 1.5 percent of the amount referred to in subparagraph (A).

(3) DETERMINATION OF TERM “U”.—For purposes of paragraph (1), the term “U” means the sum of the respective terms “X” determined for the States under paragraph (4).

(4) DETERMINATION OF TERM “X”.—For purposes of paragraph (1), the term “X” means the product of—

(A) an amount equal to the product of—

(i) the term “P”, as determined for the State involved under paragraph (5); and

(ii) the factor determined under paragraph (8) for the State; and

(B) the greater of—

(i) 0.4; and

(ii) an amount equal to an amount determined for the State in accordance with the following formula:

$$1 - .35 \left(\frac{R\%}{P\%} \right)$$

(5) DETERMINATION OF TERM “P”.—

(A) For purposes of paragraph (4), the term “P” means the sum of—

(i) an amount equal to the product of 0.107 and the number of individuals in the State who are between 18 and 24 years of age (inclusive);

(ii) an amount equal to the product of 0.166 and the number of individuals in the State who are between 25 and 44 years of age (inclusive);

(iii) an amount equal to the product of 0.099 and the number of individuals in the State who are between 45 and 64 years of age (inclusive); and

(iv) an amount equal to the product of 0.082 and the number of individuals in the State who are 65 years of age or older.

(B) With respect to data on population that is necessary for purposes of making a determination under subparagraph (A), the Secretary shall use the most recent data that is available from the Secretary of Commerce pursuant to the decennial census and pursuant to reasonable estimates by such Secretary of changes occurring in the data in the ensuing period.

(6) DETERMINATION OF TERM “R%”.—

(A) For purposes of paragraph (4), the term “R%”, except as provided in subparagraph (D), means the percentage constituted by the ratio of the amount determined under subparagraph (B) for the State involved to the amount determined under subparagraph (C).

(B) The amount determined under this subparagraph for the State involved is the quotient of—

(i) the most recent 3-year arithmetic mean of the total taxable resources of the State, as determined by the Secretary of the Treasury; divided by

(ii) the factor determined under paragraph (8) for the State.

(C) The amount determined under this subparagraph is the sum of the respective amounts determined for the States under subparagraph (B) (including the District of Columbia).

(D)(i) In the case of the District of Columbia, for purposes of paragraph (4), the term “R%” means the percentage constituted by the ratio of the amount determined under clause (ii) for such District to the amount determined under clause (iii).

(ii) The amount determined under this clause for the District of Columbia is the quotient of—

(I) the most recent 3-year arithmetic mean of total personal income in such District, as determined by the Secretary of Commerce; divided by

(II) the factor determined under paragraph (8) for the District.

(iii) The amount determined under this clause is the sum of the respective amounts determined for the States (including the District of Columbia) by making, for each State, the same determination as is described in clause (ii) for the District of Columbia.

(7) DETERMINATION OF TERM “P%”.—For purposes of paragraph (4), the term “P%” means the percentage constituted by the ratio of the term “P” determined under paragraph (5) for the State involved to the sum of the respective terms “P” determined for the States.

(8) DETERMINATION OF CERTAIN FACTOR.—

(A) The factor determined under this paragraph for the State involved is a factor whose purpose is to adjust the amount determined under clause (i) of paragraph (4)(A), and the amounts determined under each of subparagraphs (B)(i) and (D)(ii)(I) of paragraph (6), to reflect the differences that exist between the State and other States in the costs of providing comprehensive community mental health services to adults with a serious mental illness and to children with a serious emotional disturbance.

(B) Subject to subparagraph (C), the factor determined under this paragraph and in effect for the fiscal year involved shall be determined according to the methodology described in the report entitled “Adjusting the Alcohol, Drug Abuse and Mental Health Services Block Grant Allocations for Poverty Populations and Cost of Service”, dated March 30, 1990, and prepared by Health Economics Research, a corporation, pursuant to a contract with the National Institute on Drug Abuse.

(C) The factor determined under this paragraph for the State involved may not for any fiscal year be greater than 1.1 or less than 0.9.

(D)(i) Not later than October 1, 1992, the Secretary, after consultation with the Comptroller General, shall in accordance with this section make a determination for each State of the factor that is to be in effect for the State under this paragraph. The factor so determined shall remain in effect through fiscal year 1994, and shall be recalculated every third fiscal year thereafter.

(ii) After consultation with the Comptroller General, the Secretary shall, through publication in the Federal Register, periodically make such refinements in the methodology referred to in subparagraph (B) as are consistent with the purpose described in subparagraph (A).

(b) MINIMUM ALLOTMENTS FOR STATES.—With respect to fiscal year 2000, and subsequent fiscal years, the amount of the allotment of a State under section 1911 shall not be less than the amount the State received under such section for fiscal year 1998.

(c) TERRITORIES.—

(1) DETERMINATION UNDER FORMULA.—Subject to paragraphs (2) and (4), the amount of an allotment under section 1911 for a territory of the United States for a fiscal year shall be the product of—

(A) an amount equal to the amounts reserved under paragraph (3) for the fiscal year; and

(B) a percentage equal to the quotient of—

(i) the civilian population of the territory, as indicated by the most recently available data; divided by

(ii) the aggregate civilian population of the territories of the United States, as indicated by such data.

(2) MINIMUM ALLOTMENT FOR TERRITORIES.—The amount of an allotment under section 1911 for a territory of the United States for a fiscal year shall be the greater of—

(A) the amount determined under paragraph (1) for the territory for the fiscal year;

(B) \$50,000; and

(C) with respect to fiscal years 1993 and 1994, an amount equal to 20.6 percent of the amount received by the territory from allotments made pursuant to this part for fiscal year 1992.

(3) RESERVATION OF AMOUNTS.—The Secretary shall each fiscal year reserve for the territories of the United States 1.5 percent of the amounts appropriated under section 1920(a) for allotments under section 1911 for the fiscal year.

(4) AVAILABILITY OF DATA ON POPULATION.—With respect to data on the civilian population of the territories of the United States, if the Secretary determines for a fiscal year that recent such data for purposes of paragraph (1)(B) do not exist regarding a territory, the Secretary shall for such purposes estimate the civilian population of the territory by modifying the data on the territory to reflect the average extent of change occurring during the ensuing period in the population of all territories with respect to which recent such data do exist.

(5) APPLICABILITY OF CERTAIN PROVISIONS.—For purposes of subsection (a), the term “State” does not include the territories of the United States.

SEC. 1919. [300x-8] DEFINITIONS.

For purposes of this subpart:

(1) The terms “adults with a serious mental illness” and “children with a serious emotional disturbance” have the meanings given such terms under section 1912(c)(1).

(2) The term “funding agreement”, with respect to a grant under section 1911 to a State, means that the Secretary may make such a grant only if the State makes the agreement involved.

SEC. 1920. [300x-9] FUNDING.

(a) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this subpart, and subpart III and section 505(c) with respect to mental health, there are authorized to be appropriated \$857,571,000 for each of fiscal years 2023 through 2027.

(b) ALLOCATIONS FOR TECHNICAL ASSISTANCE, DATA COLLECTION, AND PROGRAM EVALUATION.—

(1) IN GENERAL.—For the purpose of carrying out section 1948(a) with respect to mental health and the purposes specified in paragraphs (2) and (3), the Secretary shall obligate 5 percent of the amounts appropriated under subsection (a) for a fiscal year.

(2) DATA COLLECTION.—The purpose specified in this paragraph is carrying out sections 505(c) and 1971 with respect to mental health.

(3) PROGRAM EVALUATION.—The purpose specified in this paragraph is the conduct of evaluations of prevention and treatment programs and services with respect to mental health to determine methods for improving the availability and quality of such programs and services.

(c) EARLY SERIOUS MENTAL ILLNESS.—

(1) IN GENERAL.—Except as provided in paragraph (2), a State shall expend not less than 10 percent of the amount the State receives for carrying out this section for each fiscal year to support evidence-based programs that address the needs of individuals with early serious mental illness, including psychotic disorders, regardless of the age of the individual at onset.

(2) STATE FLEXIBILITY.—In lieu of expending 10 percent of the amount the State receives under this section for a fiscal year as required under paragraph (1), a State may elect to expend not less than 20 percent of such amount by the end of such succeeding fiscal year.

(d) CRISIS CARE.—

(1) IN GENERAL.—Except as provided in paragraph (3), a State shall expend at least 5 percent of the amount the State receives pursuant to section 1911 for each fiscal year to support evidenced-based programs that address the crisis care needs of individuals with serious mental illnesses and children with serious emotional disturbances, which may include individuals (including children and adolescents) experiencing men-

tal health crises demonstrating serious mental illness or serious emotional disturbance, as applicable.

(2) CORE ELEMENTS.—At the discretion of the single State agency responsible for the administration of the program of the State under a grant under section 1911, funds expended pursuant to paragraph (1) may be used to fund some or all of the core crisis care service components, as applicable and appropriate, including the following:

(A) Crisis call centers.

(B) 24/7 mobile crisis services.

(C) Crisis stabilization programs offering acute care or subacute care in a hospital or appropriately licensed facility, as determined by such State, with referrals to inpatient or outpatient care.

(3) STATE FLEXIBILITY.—In lieu of expending 5 percent of the amount the State receives pursuant to section 1911 for a fiscal year to support evidence-based programs as required by paragraph (1), a State may elect to expend not less than 10 percent of such amount to support such programs by the end of two consecutive fiscal years.

(4) RULE OF CONSTRUCTION.—Section 1912(b)(1)(A)(vi) shall not be construed as limiting the provision of crisis care services pursuant to paragraph (1).

Subpart II—Block Grants for Substance Use Prevention, Treatment, and Recovery Services

SEC. 1921. [300x-21] FORMULA GRANTS TO STATES.

(a) IN GENERAL.—For the purpose described in subsection (b), the Secretary, acting through the Center for Substance Abuse Treatment, shall make an allotment each fiscal year for each State in an amount determined in accordance with section 1933. The Secretary shall make a grant to the State of the allotment made for the State for the fiscal year if the State submits to the Secretary an application in accordance with section 1932.

(b) AUTHORIZED ACTIVITIES.—A funding agreement for a grant under subsection (a) is that, subject to section 1931, the State involved will expend the grant only for the purpose of carrying out the plan developed in accordance with section 1932(b) and for planning, carrying out, and evaluating activities to prevent, treat, and provide recovery support services for substance use disorders and for related activities authorized in section 1924.

SEC. 1922. [300x-22] CERTAIN ALLOCATIONS.

(a) ALLOCATION REGARDING PRIMARY PREVENTION PROGRAMS.—A funding agreement for a grant under section 1921 is that, in expending the grant, the State involved—

(1) will expend not less than 20 percent for programs for individuals who do not require treatment for substance use disorders, which programs—

(A) educate and counsel the individuals on such disorders; and

(B) provide for activities to reduce the risk of such disorders by the individuals;

(2) will, in carrying out paragraph (1)—

(A) give priority to programs for populations that are at risk of developing a pattern of such disorders; and

(B) ensure that programs receiving priority under subparagraph (A) develop community-based strategies for the prevention of such disorders, including strategies to discourage the use of alcoholic beverages and tobacco products by individuals to whom it is unlawful to sell or distribute such beverages or products.

(b)⁵ ALLOCATIONS REGARDING WOMEN.—

(1) IN GENERAL.—Subject to paragraph (2), a funding agreement for a grant under section 1921 for a fiscal year is that—

(A) in the case of a grant for fiscal year 1993, the State involved will expend not less than 5 percent of the grant to increase (relative to fiscal year 1992) the availability of treatment services designed for pregnant women and women with dependent children (either by establishing new programs or expanding the capacity of existing programs);

(B) in the case of a grant for fiscal year 1994, the State will expend not less than 5 percent of the grant to so increase (relative to fiscal year 1993) the availability of such services for such women; and

(C) in the case of a grant for any subsequent fiscal year, the State will expend for such services for such women not less than an amount equal to the amount expended by the State for fiscal year 1994.

(2) WAIVER.—

(A) Upon the request of a State, the Secretary may provide to the State a waiver of all or part of the requirement established in paragraph (1) if the Secretary determines that the State is providing an adequate level of treatments services for women described in such paragraph, as indicated by a comparison of the number of such women seeking the services with the availability in the State of the services.

(B) The Secretary shall approve or deny a request for a waiver under subparagraph (A) not later than 120 days after the date on which the request is made.

(C) Any waiver provided by the Secretary under subparagraph (A) shall be applicable only to the fiscal year involved.

(3) CHILDCARE AND PRENATAL CARE.—A funding agreement for a grant under section 1921 for a State is that each entity

⁵ Paragraph (2)(A) of section 3303(f) of Public Law 106–310 (114 Stat. 1211) provides as follows:

(2) CONFORMING AMENDMENTS.—Effective upon the publication of the regulations developed in accordance with section 1932(e)(1) of the Public Health Service Act (42 U.S.C. 300x–32(d))—

(A) section 1922(c) of the Public Health Service Act (42 U.S.C. 300x–22(c)) is amended by—

(i) striking paragraph (2); and
(ii) redesignating paragraph (3) as paragraph (2); and

The reference to section 1922(c) probably should be a reference to section 1922(b), as amended by section 3303(a) of such Public Law.

providing treatment services with amounts reserved under paragraph (1) by the State will, directly or through arrangements with other public or nonprofit private entities, make available prenatal care to women receiving such services and, while the women are receiving the services, childcare.

SEC. 1923. [300x-23] INTRAVENOUS SUBSTANCE USE.

(a) CAPACITY OF TREATMENT PROGRAMS.—

(1) **NOTIFICATION OF REACHING CAPACITY.**—A funding agreement for a grant under section 1921 is that the State involved will, in the case of programs of treatment for intravenous substance use disorders⁶, require that any such program receiving amounts from the grant, upon reaching 90 percent of its capacity to admit individuals to the program, provide to the State a notification of such fact.

(2) **PROVISION OF TREATMENT.**—A funding agreement for a grant under section 1921 is that the State involved will, with respect to notifications under paragraph (1), ensure that each individual who requests and is in need of treatment for intravenous substance use disorders⁶ is admitted to a program of such treatment not later than—

(A) 14 days after making the request for admission to such a program; or

(B) 120 days after the date of such request, if no such program has the capacity to admit the individual on the date of such request and if interim services are made available to the individual not later than 48 hours after such request.

(b) **OUTREACH TO PERSONS WHO INJECT DRUGS.**—A funding agreement for a grant under section 1921 is that the State involved, in providing amounts from the grant to any entity for treatment services for persons who inject drugs, will require the entity to carry out activities to encourage individuals in need of such treatment to undergo treatment.

SEC. 1924. [300x-24] REQUIREMENTS REGARDING TUBERCULOSIS AND HUMAN IMMUNODEFICIENCY VIRUS.

(a) TUBERCULOSIS.—

(1) **IN GENERAL.**—A funding agreement for a grant under section 1921 is that the State involved will require that any entity receiving amounts from the grant for operating a program of treatment for substance use disorders—

(A) will, directly or through arrangements with other public or nonprofit private entities, routinely make available tuberculosis services to each individual receiving treatment for such disorders; and

(B) in the case of an individual in need of such treatment who is denied admission to the program on the basis of the lack of the capacity of the program to admit the individual, will refer the individual to another provider of tuberculosis services.

⁶ Section 1241(a)(4)(B) of division FF of Public Law 117-328 amends section 1923(a) by striking “drug abuse” and inserting “substance use disorders”. However the term “drug abuse” appears twice in subsection (a) and thus the amendment was carried out in both instances due to the probable intent of Congress.

(2) TUBERCULOSIS SERVICES.—For purposes of paragraph (1), the term “tuberculosis services”, with respect to an individual, means—

(A) counseling the individual with respect to tuberculosis;

(B) testing to determine whether the individual has contracted such disease and testing to determine the form of treatment for the disease that is appropriate for the individual; and

(C) providing such treatment to the individual.

(b) HUMAN IMMUNODEFICIENCY VIRUS.—

(1) REQUIREMENT FOR CERTAIN STATES.—In the case of a State described in paragraph (2), a funding agreement for a grant under section 1921 is that—

(A) with respect to individuals undergoing treatment for substance use disorders, the State will, subject to paragraph (3), carry out 1 or more projects to make available to the individuals early intervention services for HIV disease at the sites at which the individuals are undergoing such treatment;

(B) for the purpose of providing such early intervention services through such projects, the State will make available from the grant the percentage that is applicable for the State under paragraph (4); and

(C) the State will, subject to paragraph (5), carry out such projects only in geographic areas of the State that have the greatest need for the projects.

(2) DESIGNATED STATES.—For purposes of this subsection, a State described in this paragraph is any State whose rate of cases of acquired immune deficiency syndrome is 10 or more such cases per 100,000 individuals (as indicated by the number of such cases reported to and confirmed by the Director of the Centers for Disease Control and Prevention for the most recent calendar year for which such data are available).

(3) USE OF EXISTING PROGRAMS REGARDING SUBSTANCE USE DISORDERS.—With respect to programs that provide treatment services for substance use disorders, a funding agreement for a grant under section 1921 for a designated State is that each such program participating in a project under paragraph (1) will be a program that began operation prior to the fiscal year for which the State is applying to receive the grant. A program that so began operation may participate in a project under paragraph (1) without regard to whether the program has been providing early intervention services for HIV disease.

(4) APPLICABLE PERCENTAGE REGARDING EXPENDITURES FOR SERVICES.—

(A)(i) For purposes of paragraph (1)(B), the percentage that is applicable under this paragraph for a designated State is, subject to subparagraph (B), the percentage by which the amount of the grant under section 1921 for the State for the fiscal year involved is an increase over the amount specified in clause (ii).

(ii) The amount specified in this clause is the amount that was reserved by the designated State involved from

the allotment of the State under section 1912A for fiscal year 1991 in compliance with section 1916(c)(6)(A)(ii) (as such sections were in effect for such fiscal year).

(B) If the percentage determined under subparagraph (A) for a designated State for a fiscal year is less than 2 percent (including a negative percentage, in the case of a State for which there is no increase for purposes of such subparagraph), the percentage applicable under this paragraph for the State is 2 percent. If the percentage so determined is 2 percent or more, the percentage applicable under this paragraph for the State is the percentage determined under subparagraph (A), subject to not exceeding 5 percent.

(5) REQUIREMENT REGARDING RURAL AREAS.—

(A) A funding agreement for a grant under section 1921 for a designated State is that, if the State will carry out 2 or more projects under paragraph (1), the State will carry out 1 such project in a rural area of the State, subject to subparagraph (B).

(B) The Secretary shall waive the requirement established in subparagraph (A) if the State involved certifies to the Secretary that—

(i) there is insufficient demand in the State to carry out a project under paragraph (1) in any rural area of the State; or

(ii) there are no rural areas in the State.

(6) MANNER OF PROVIDING SERVICES.—With respect to the provision of early intervention services for HIV disease to an individual, a funding agreement for a grant under section 1921 for a designated State is that—

(A) such services will be undertaken voluntarily by, and with the informed consent of, the individual; and

(B) undergoing such services will not be required as a condition of receiving treatment services for substance use disorders or any other services.

(7) DEFINITIONS.—For purposes of this subsection:

(A) The term “designated State” means a State described in paragraph (2).

(B) The term “early intervention services”, with respect to HIV disease, means—

(i) appropriate pretest counseling;

(ii) testing individuals with respect to such disease, including tests to confirm the presence of the disease, tests to diagnose the extent of the deficiency in the immune system, and tests to provide information on appropriate therapeutic measures for preventing and treating the deterioration of the immune system and for preventing and treating conditions arising from the disease;

(iii) appropriate post-test counseling; and

(iv) providing the therapeutic measures described in clause (ii).

(C) The term “HIV disease” means infection with the etiologic agent for acquired immune deficiency syndrome.

(c) EXPENDITURE OF GRANT FOR COMPLIANCE WITH AGREEMENTS.—

(1) IN GENERAL.—A grant under section 1921 may be expended for purposes of compliance with the agreements required in this section, subject to paragraph (2).

(2) LIMITATION.—A funding agreement for a grant under section 1921 for a State is that the grant will not be expended to make payment for any service provided for purposes of compliance with this section to the extent that payment has been made, or can reasonably be expected to be made, with respect to such service—

(A) under any State compensation program, under any insurance policy, or under any Federal or State health benefits program (including the program established in title XVIII of the Social Security Act and the program established in title XIX of such Act); or

(B) by an entity that provides health services on a prepaid basis.

(d) APPLICABILITY OF CERTAIN PROVISION.—Section 1931 applies to this section (and to each other provision of this subpart).

SEC. 1925. [300x-25] GROUP HOMES FOR PERSONS IN RECOVERY FROM SUBSTANCE USE DISORDERS.

(a) STATE REVOLVING FUNDS FOR ESTABLISHMENT OF HOMES.—A State, using funds available under section 1921, may establish and maintain the ongoing operation of a revolving fund in accordance with this section to support group homes for persons in recovery from substance use disorders as follows:

(1) The purpose of the fund is to make loans for the costs of establishing programs for the provision of housing in which individuals recovering from alcohol or other substance use disorders may reside in groups of not less than 6 individuals. The fund is established directly by the State or through the provision of a grant or contract to a nonprofit private entity.

(2) The programs are carried out in accordance with guidelines issued under subsection (b).

(3) Not less than \$100,000 is available for the fund.

(4) Loans made from the revolving fund do not exceed \$4,000 and each such loan is repaid to the revolving fund by the residents of the housing involved not later than 2 years after the date on which the loan is made.

(5) Each such loan is repaid by such residents through monthly installments, and a reasonable penalty is assessed for each failure to pay such periodic installments by the date specified in the loan agreement involved.

(6) Such loans are made only to nonprofit private entities agreeing that, in the operation of the program established pursuant to the loan—

(A) the use of alcohol or any illegal drug in the housing provided by the program will be prohibited;

(B) any resident of the housing who violates such prohibition will be expelled from the housing;

(C) the costs of the housing, including fees for rent and utilities, will be paid by the residents of the housing; and

(D) the residents of the housing will, through a majority vote of the residents, otherwise establish policies governing residence in the housing, including the manner in which applications for residence in the housing are approved.

(b) **ISSUANCE BY SECRETARY OF GUIDELINES.**—The Secretary shall ensure that there are in effect guidelines under this subpart for the operation of programs described in subsection (a).

(c) **APPLICABILITY TO TERRITORIES.**—The requirements established in subsection (a) shall not apply to any territory of the United States other than the Commonwealth of Puerto Rico.

SEC. 1926. [300x-26] SALE OF TOBACCO PRODUCTS TO INDIVIDUALS UNDER AGE OF 21.

(a) **IN GENERAL.**—A funding agreement for a grant under section 1921 is that the State involved will—

(1) annually conduct random, unannounced inspections to ensure that retailers do not sell tobacco products to individuals under the age of 21; and

(2) annually submit to the Secretary a report describing—

(A) the activities carried out by the State to ensure that retailers do not sell tobacco products to individuals under the age of 21;

(B) the extent of success the State has achieved in ensuring that retailers do not sell tobacco products to individuals under the age of 21; and

(C) the strategies to be utilized by the State to ensure that retailers do not sell tobacco products to individuals under the age of 21 during the fiscal year for which the grant is sought.

(b) **NONCOMPLIANCE OF STATE.**—

(1) **IN GENERAL.**—Before making a grant under section 1921 to a State, the Secretary shall make a determination of whether the State has maintained compliance with subsection (a). If, after notice to the State and an opportunity for a hearing, the Secretary determines that the State is not in compliance with such subsections, the Secretary shall reduce the amount of the allotment under such section for the State for the fiscal year involved by an amount up to 10 percent of the amount determined under section 1933 for the State for the applicable fiscal year.

(2) **LIMITATION.**—

(A) **IN GENERAL.**—A State shall not have funds withheld pursuant to paragraph (1) if such State for which the Secretary has made a determination of noncompliance under such paragraph—

(i) certifies to the Secretary by May 1 of the fiscal year for which the funds are appropriated, consistent with subparagraph (B), that the State will commit additional State funds, in accordance with paragraph (1), to ensure that retailers do not sell tobacco products to individuals under 21 years of age;

(ii) agrees to comply with a negotiated agreement for a corrective action plan that is approved by the

Secretary and carried out in accordance with guidelines issued by the Secretary; or

(iii) is a territory that receives less than \$1,000,000 for a fiscal year under section 1921.

(B) CERTIFICATION.—

(i) IN GENERAL.—The amount of funds to be committed by a State pursuant to subparagraph (A)(i) shall be equal to 1 percent of such State's allocation determined under section 1933 for each percentage point by which the State misses the retailer compliance rate goal established by the Secretary.

(ii) STATE EXPENDITURES.—For a fiscal year in which a State commits funds as described in clause (i), such State shall maintain State expenditures for tobacco prevention programs and for compliance activities at a level that is not less than the level of such expenditures maintained by the State for the preceding fiscal year, plus the additional funds for tobacco compliance activities required under clause (i). The State shall submit a report to the Secretary on all State obligations of funds for such fiscal year and all State expenditures for the preceding fiscal year for tobacco prevention and compliance activities by program activity by July 31 of such fiscal year.

(iii) DISCRETION.—The Secretary shall exercise discretion in enforcing the timing of the State obligation of the additional funds required by the certification described in subparagraph (A)(i) as late as July 31 of such fiscal year.

(C) FAILURE TO CERTIFY.—If a State described in subparagraph (A) fails to certify to the Secretary pursuant to subparagraph (A)(i) or enter into, or comply with, a negotiated agreement under subparagraph (A)(ii), the Secretary may take action pursuant to paragraph (1).

(c) IMPLEMENTATION OF REPORTING REQUIREMENTS.—

(1) TRANSITION PERIOD.—The Secretary shall—

(A) not withhold amounts under subsection (b) for the 3-year period immediately following the date of enactment of division N of the Further Consolidated Appropriations Act, 2020; and

(B) use discretion in exercising its authority under subsection (b) during the 2-year period immediately following the 3-year period described in subparagraph (A), to allow for a transition period for implementation of the reporting requirements under subsection (a)(2).

(2) REGULATIONS OR GUIDANCE.—Not later than 180 days after the date of enactment of division N of the Further Consolidated Appropriations Act, 2020, the Secretary shall update regulations under part 96 of title 45, Code of Federal Regulations or guidance on the retailer compliance rate goal under subsection (b), the use of funds provided under section 1921 for purposes of meeting the requirements of this section, and reporting requirements under subsection (a)(2).

(3) COORDINATION.—The Secretary shall ensure the Assistant Secretary for Mental Health and Substance Use coordinates, as appropriate, with the Commissioner of Food and Drugs to ensure that the technical assistance provided to States under subsection (e) is consistent with applicable regulations for retailers issued under part 1140 of title 21, Code of Federal Regulations.

(d) TRANSITIONAL GRANTS.—

(1) IN GENERAL.—The Secretary shall award grants under this subsection to each State that receives funding under section 1921 to ensure compliance of each such State with this section.

(2) USE OF FUNDS.—A State receiving a grant under this subsection—

(A) shall use amounts received under such grant for activities to plan for or ensure compliance in the State with subsection (a); and

(B) in the case of a State for which the Secretary has made a determination under subsection (b) that the State is prepared to meet, or has met, the requirements of subsection (a), may use such funds for tobacco cessation activities, strategies to prevent the use of tobacco products by individuals under the age of 21, or allowable uses under section 1921.

(3) SUPPLEMENT NOT SUPPLANT.—Grants under this subsection shall be used to supplement and not supplant other Federal, State, and local public funds provided for activities under paragraph (2).

(4) AUTHORIZATION OF APPROPRIATIONS.—To carry out this subsection, there are authorized to be appropriated \$18,580,790 for each of fiscal years 2020 through 2024.

(5) SUNSET.—This subsection shall have no force or effect after September 30, 2024.

(e) TECHNICAL ASSISTANCE.—The Secretary shall provide technical assistance to States related to the activities required under this section.

SEC. 1927. [300x-27] TREATMENT SERVICES FOR PREGNANT WOMEN.

(a) IN GENERAL.—A funding agreement for a grant under section 1921 is that the State involved—

(1) will ensure that each pregnant woman in the State who seeks or is referred for and would benefit from such services is given preference in admissions to treatment facilities receiving funds pursuant to the grant; and

(2) will, in carrying out paragraph (1), publicize the availability to such women of services from the facilities and the fact that the women receive such preference.

(b) REFERRALS REGARDING STATES.—A funding agreement for a grant under section 1921 is that, in carrying out subsection (a)(1)—

(1) the State involved will require that, in the event that a treatment facility has insufficient capacity to provide treatment services to any woman described in such subsection who

seeks the services from the facility, the facility refer the woman to the State; and

(2) the State, in the case of each woman for whom a referral under paragraph (1) is made to the State—

(A) will refer the woman to a treatment facility that has the capacity to provide treatment services to the woman; or

(B) will, if no treatment facility has the capacity to admit the woman, make interim services available to the woman not later than 48 hours after the woman⁷ seeks the treatment services.

SEC. 1928. [300x-28] ADDITIONAL AGREEMENTS.

(a) **IMPROVEMENT OF PROCESS FOR APPROPRIATE REFERRALS FOR TREATMENT.**—With respect to individuals seeking treatment services, a funding agreement for a grant under section 1921 is that the State involved will improve the process in the State for referring the individuals to treatment facilities that can provide to the individuals the treatment modality that is most appropriate for the individuals.

(b) **PROFESSIONAL DEVELOPMENT.**—A funding agreement for a grant under section 1921 is that the State involved will ensure that prevention, treatment, and recovery personnel operating in the State's substance use disorder prevention, treatment, and recovery systems have an opportunity to receive training, on an ongoing basis, concerning—

(1) recent trends in substance use disorders in the State;

(2) improved methods and evidence-based practices for providing substance use disorder prevention and treatment services;

(3) performance-based accountability;

(4) data collection and reporting requirements; and

(5) any other matters that would serve to further improve the delivery of substance use disorder prevention and treatment services within the State.

(c) **COORDINATION OF VARIOUS ACTIVITIES AND SERVICES.**—A funding agreement for a grant under section 1921 is that the State involved will coordinate prevention and treatment activities with the provision of other appropriate services (including health, social, correctional and criminal justice, educational, vocational rehabilitation, and employment services).

(d)⁸ **WAIVER OF REQUIREMENT.**—

(1) **IN GENERAL.**—Upon the request of a State, the Secretary may provide to a State a waiver of any or all of the requirements established in this section if the Secretary determines that, with respect to services for the prevention and

(B) section 1928(d) of the Public Health Service Act (42 U.S.C. 300x-28(d)) is repealed.

treatment of substance use disorders, the requirement involved is unnecessary for maintaining quality in the provision of such services in the State.

(2) **DATE CERTAIN FOR ACTING UPON REQUEST.**—The Secretary shall approve or deny a request for a waiver under paragraph (1) not later than 120 days after the date on which the request is made.

(3) **APPLICABILITY OF WAIVER.**—Any waiver provided by the Secretary under paragraph (1) shall be applicable only to the fiscal year involved.

[Section 1929 was repealed by section 8002(f) of Public Law 114–255.]

SEC. 1930. [300x–30] MAINTENANCE OF EFFORT REGARDING STATE EXPENDITURES.

(a) **IN GENERAL.**—With respect to the principal agency of a State for carrying out authorized activities, a funding agreement for a grant under section 1921 for the State for a fiscal year is that such agency will for such year maintain aggregate State expenditures for authorized activities at a level that is not less than the average level of such expenditures maintained by the State for the 2-year period preceding the fiscal year for which the State is applying for the grant.

(b) **EXCLUSION OF CERTAIN FUNDS.**—The Secretary may exclude from the aggregate State expenditures under subsection (a), funds appropriated to the principle agency for authorized activities which are of a non-recurring nature and for a specific purpose.

(c) **WAIVER.**—

(1) **IN GENERAL.**—Upon the request of a State, the Secretary may waive all or part of the requirement established in subsection (a) if the Secretary determines that extraordinary economic conditions exist in the State, or any part of the State, to justify the waiver.

(2) **DATE CERTAIN FOR ACTING UPON REQUEST.**—The Secretary shall approve or deny a request for a waiver under paragraph (1) not later than 120 days after the date on which the request is made.

(3) **APPLICABILITY OF WAIVER.**—Any waiver provided by the Secretary under paragraph (1) shall be applicable only to the fiscal year involved.

(d) **NONCOMPLIANCE BY STATE.**—

(1) **IN GENERAL.**—In making a grant under section 1921 to a State for a fiscal year, the Secretary shall make a determination of whether, for the previous fiscal year, the State maintained material compliance with any agreement made under subsection (a). If the Secretary determines that a State has failed to maintain such compliance, the Secretary shall reduce the amount of the allotment under section 1921 for the State for the fiscal year for which the grant is being made by an amount equal to the amount constituting such failure for the previous fiscal year.

(2) **SUBMISSION OF INFORMATION TO SECRETARY.**—The Secretary may make a grant under section 1921 for a fiscal year only if the State involved submits to the Secretary information

sufficient for the Secretary to make the determination required in paragraph (1).

(3) **ALTERNATIVE.**—A State that has failed to comply with this section and would otherwise be subject to a reduction in the State's allotment under section 1921, may, upon request by the State, in lieu of having the State's allotment under section 1921 reduced, agree to comply with a negotiated agreement that is approved by the Secretary and carried out in accordance with guidelines issued by the Secretary. If a State fails to enter into or comply with a negotiated agreement, the Secretary may take action under this paragraph or the terms of the negotiated agreement.

SEC. 1931. [300x-31] RESTRICTIONS ON EXPENDITURE OF GRANT.

(a) **IN GENERAL.**—

(1) **CERTAIN RESTRICTIONS.**—A funding agreement for a grant under section 1921 is that the State involved will not expend the grant—

(A) to provide inpatient hospital services, except as provided in subsection (b);

(B) to make cash payments to intended recipients of health services;

(C) to purchase or improve land, purchase, construct, or permanently improve (other than minor remodeling) any building or other facility, or purchase major medical equipment;

(D) to satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds;

(E) to provide financial assistance to any entity other than a public or nonprofit private entity; or

(F) to carry out any program prohibited by section 256(b) of the Health Omnibus Programs Extension of 1988 (42 U.S.C. 300ee-5).

(2) **LIMITATION ON ADMINISTRATIVE EXPENSES.**—A funding agreement for a grant under section 1921 is that the State involved will not expend more than 5 percent of the grant to pay the costs of administering the grant.

(3) **LIMITATION REGARDING PENAL AND CORRECTIONAL INSTITUTIONS.**—A funding agreement for a State for a grant under section 1921 is that, in expending the grant for the purpose of providing treatment services in penal or correctional institutions of the State, the State will not expend more than an amount equal to the amount expended for such purpose by the State from the grant made under section 1912A to the State for fiscal year 1991 (as section 1912A was in effect for such fiscal year).

(b) **EXCEPTION REGARDING INPATIENT HOSPITAL SERVICES.**—

(1) **MEDICAL NECESSITY AS PRECONDITION.**—With respect to compliance with the agreement made under subsection (a), a State may expend a grant under section 1921 to provide inpatient hospital services as treatment for substance use disorders only if it has been determined, in accordance with guidelines issued by the Secretary, that such treatment is a medical ne-

cessity for the individual involved, and that the individual cannot be effectively treated in a community-based, nonhospital, residential program of treatment.

(2) **RATE OF PAYMENT.**—In the case of an individual for whom a grant under section 1921 is expended to provide inpatient hospital services described in paragraph (1), a funding agreement for the grant for the State involved is that the daily rate of payment provided to the hospital for providing the services to the individual will not exceed the comparable daily rate provided for community-based, nonhospital, residential programs of treatment for substance use disorders.

(c) **WAIVER REGARDING CONSTRUCTION OF FACILITIES.**—

(1) **IN GENERAL.**—The Secretary may provide to any State a waiver of the restriction established in subsection (a)(1)(C) for the purpose of authorizing the State to expend a grant under section 1921 for the construction of a new facility or rehabilitation of an existing facility, but not for land acquisition.

(2) **STANDARD REGARDING NEED FOR WAIVER.**—The Secretary may approve a waiver under paragraph (1) only if the State demonstrates to the Secretary that adequate treatment cannot be provided through the use of existing facilities and that alternative facilities in existing suitable buildings are not available.

(3) **AMOUNT.**—In granting a waiver under paragraph (1), the Secretary shall allow the use of a specified amount of funds to construct or rehabilitate a specified number of beds for residential treatment and a specified number of slots for outpatient treatment, based on reasonable estimates by the State of the costs of construction or rehabilitation. In considering waiver applications, the Secretary shall ensure that the State has carefully designed a program that will minimize the costs of additional beds.

(4) **MATCHING FUNDS.**—The Secretary may grant a waiver under paragraph (1) only if the State agrees, with respect to the costs to be incurred by the State in carrying out the purpose of the waiver, to make available non-Federal contributions in cash toward such costs in an amount equal to not less than \$1 for each \$1 of Federal funds provided under section 1921.

(5) **DATE CERTAIN FOR ACTING UPON REQUEST.**—The Secretary shall act upon a request for a waiver under paragraph (1) not later than 120 days after the date on which the request is made.

SEC. 1932. [300x-32] APPLICATION FOR GRANT; APPROVAL OF STATE PLAN.

(a) **IN GENERAL.**—For purposes of section 1921, an application for a grant under such section for a fiscal year is in accordance with this section if, subject to subsection (c)—

(1) the application is received by the Secretary not later than October 1 of the fiscal year for which the State is seeking funds;

(2) the application contains each funding agreement that is described in this subpart or subpart III for such a grant (other than any such agreement that is not applicable to the State);

(3) the agreements are made through certification from the chief executive officer of the State;

(4) with respect to such agreements, the application provides assurances of compliance satisfactory to the Secretary;

(5) the application contains the report required in section 1942(a);

(6)(A) the application contains a plan in accordance with subsection (b) and the plan is approved by the Secretary; and

(B) the State provides assurances satisfactory to the Secretary that the State complied with the provisions of the plan under subparagraph (A) that was approved by the Secretary for the most recent fiscal year for which the State received a grant under section 1921; and

(7) the application (including the plan under paragraph (6)) is otherwise in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this subpart.

(b) STATE PLAN.—

(1) IN GENERAL.—In order for a State to be in compliance with subsection (a)(6), the State shall submit to the Secretary a plan that, at a minimum, includes the following:

(A) A description of the State's system of care that—

(i) identifies the single State agency responsible for the administration of the program, including any third party who administers substance use disorder services and is responsible for complying with the requirements of the grant;

(ii) provides information on the need for substance use disorder prevention and treatment services in the State, including estimates on the number of individuals who need treatment, who are pregnant women, women with dependent children, individuals with a co-occurring mental health and substance use disorder, persons who inject drugs, and persons who are experiencing homelessness;

(iii) provides aggregate information on the number of individuals in treatment within the State, including the number of such individuals who are pregnant women, women with dependent children, individuals with a co-occurring mental health and substance use disorder, persons who inject drugs, and persons who are experiencing homelessness;

(iv) provides a description of the system that is available to provide services by modality, including the provision of recovery support services;

(v) provides a description of the State's comprehensive statewide prevention efforts, including the number of individuals being served in the system, target populations, and priority needs, and provides a description of the amount of funds from the prevention set-aside expended on primary prevention;

(vi) provides a description of—

(I) the State's comprehensive statewide recovery support services activities, including the num-

ber of individuals being served, target populations, workforce capacity (consistent with clause (viii)), and priority needs; and

(II) the amount of funds received under this subpart expended on recovery support services, disaggregated by the amount expended for type of service activity;

(vii) provides a description of the financial resources available;

(viii) describes the existing substance use disorders workforce, including with respect to prevention, treatment, and recovery, and workforce trained in treating co-occurring substance use and mental disorders;

(ix) includes a description of how the State promotes evidence-based practices; and

(x) describes how the State integrates substance use disorder services and primary health care, which in the case of those individuals with co-occurring mental health and substance use disorders may include providing both mental health and substance use disorder services in primary care settings or providing primary and specialty care services in community-based mental health and substance use disorder service settings.

(B) The establishment of goals and objectives for the period of the plan, including targets and milestones that are intended to be met, and the activities that will be undertaken to achieve those targets.

(C) A description of how the State will comply with each funding agreement for a grant under section 1921 that is applicable to the State, including a description of the manner in which the State intends to expend grant funds.

(2) MODIFICATIONS.—

(A) AUTHORITY OF SECRETARY.—As a condition;⁹ of making a grant under section 1921 to a State for a fiscal year, the Secretary may require that the State modify any provision of the plan submitted by the State under subsection (a)(6) (including provisions on priorities in carrying out authorized activities). If the Secretary approves the plan and makes the grant to the State for the fiscal year, the Secretary may not during such year require the State to modify the plan.

(B) STATE REQUEST FOR MODIFICATION.—If the State determines that a modification to such plan is necessary, the State may request the Secretary to approve the modification. Any such modification shall be in accordance with paragraph (1) and section 1941.

(3) AUTHORITY OF CENTER FOR SUBSTANCE ABUSE PREVENTION.—With respect to plans submitted by the States under

⁹The semicolon after “a condition” in paragraph (2)(A) probably should not appear. See amendment made by section 8002(i)(2)(B)(ii) of Public Law 114–255.

subsection (a)(6), including any modification under paragraph (2), the Secretary, acting through the Director of the Center for Substance Abuse Prevention, shall review and approve or disapprove the provisions of the plans that relate to prevention activities.

(c) **WAIVERS REGARDING CERTAIN TERRITORIES.**—In the case of any territory of the United States except Puerto Rico, the Secretary may waive such provisions of this subpart and subpart III as the Secretary determines to be appropriate, other than the provisions of section 1931.

(d) **ISSUANCE OF REGULATIONS; PRECONDITION TO MAKING GRANTS.**—

(1) **REGULATIONS.**—Not later than August 25, 1992, the Secretary, acting as appropriate through the Director of the Center for Treatment Improvement or the Director of the Center for Substance Abuse Prevention, shall by regulation establish standards specifying the circumstances in which the Secretary will consider an application for a grant under section 1921 to be in accordance with this section.

(2) **ISSUANCE AS PRECONDITION TO MAKING GRANTS.**—The Secretary may not make payments under any grant under section 1921 for fiscal year 1993 on or after January 1, 1993, unless the Secretary has issued standards under paragraph (1).

(e) **WAIVER AUTHORITY FOR CERTAIN REQUIREMENTS.**—

(1) **IN GENERAL.**—Upon the request of a State, the Secretary may waive the requirements of all or part of the sections described in paragraph (2) using objective criteria established by the Secretary by regulation after consultation with the States and other interested parties including consumers and providers.

(2) **SECTIONS.**—The sections described in paragraph (1) are sections 1922(b)¹⁰, 1923, 1924 and 1928.

(3) **DATE CERTAIN FOR ACTING UPON REQUEST.**—The Secretary shall approve or deny a request for a waiver under paragraph (1) and inform the State of that decision not later than 120 days after the date on which the request and all the information needed to support the request are submitted.

(4) **ANNUAL REPORTING REQUIREMENT.**—The Secretary shall annually report to the general public on the States that receive a waiver under this subsection.

SEC. 1933. [300x-33] DETERMINATION OF AMOUNT OF ALLOTMENT.

(a) **STATES.**—

(1) **IN GENERAL.**—Subject to subsection (b), the Secretary shall determine the amount of the allotment required in section 1921 for a State for a fiscal year as follows:

(A) The formula established in paragraph (1) of section 1918(a) shall apply to this subsection to the same extent and in the same manner as the formula applies for purposes of section 1918(a), except that, in the application of

¹⁰ Section 8002(i)(3) of Public Law 114-255 provides for an amendment to subsection (e)(2) by striking “section 1922(c)” and inserting “section 1922(b)”. Such amendment was carried out above by striking “section[s] 1922(c)” and inserting “section[s] 1922(b)” in order to effectuate the probable intent of Congress.

such formula for purposes of this subsection, the modifications described in subparagraph (B) shall apply.

(B) For purposes of subparagraph (A), the modifications described in this subparagraph are as follows:

(i) The amount specified in paragraph (2)(A) of section 1918(a) is deemed to be the amount appropriated under section 1935(a) for allotments under section 1921 for the fiscal year involved.

(ii) The term “P” is deemed to have the meaning given in paragraph (2) of this subsection. Section 1918(a)(5)(B) applies to the data used in determining such term for the States.

(iii) The factor determined under paragraph (8) of section 1918(a) is deemed to have the purpose of reflecting the differences that exist between the State involved and other States in the costs of providing authorized services.

(2) DETERMINATION OF TERM “P”.—For purposes of this subsection, the term “P” means the percentage that is the arithmetic mean of the percentage determined under subparagraph (A) and the percentage determined under subparagraph (B), as follows:

(A) The percentage constituted by the ratio of—

(i) an amount equal to the sum of the total number of individuals who reside in the State involved and are between 18 and 24 years of age (inclusive) and the number of individuals in the State who reside in urbanized areas of the State and are between such years of age; to

(ii) an amount equal to the total of the respective sums determined for the States under clause (i).

(B) The percentage constituted by the ratio of—

(i) the total number of individuals in the State who are between 25 and 64 years of age (inclusive); to

(ii) an amount equal to the sum of the respective amounts determined for the States under clause (i).

(b) MINIMUM ALLOTMENTS FOR STATES.—

(1) IN GENERAL.—With respect to fiscal year 2000, and each subsequent fiscal year, the amount of the allotment of a State under section 1921 shall not be less than the amount the State received under such section for the previous fiscal year increased by an amount equal to 30.65 percent of the percentage by which the aggregate amount allotted to all States for such fiscal year exceeds the aggregate amount allotted to all States for the previous fiscal year.

(2) LIMITATIONS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), a State shall not receive an allotment under section 1921 for a fiscal year in an amount that is less than an amount equal to 0.375 percent of the amount appropriated under section 1935(a) for such fiscal year.

(B) EXCEPTION.—In applying subparagraph (A), the Secretary shall ensure that no State receives an increase in its allotment under section 1921 for a fiscal year (as

compared to the amount allotted to the State in the prior fiscal year) that is in excess of an amount equal to 300 percent of the percentage by which the amount appropriated under section 1935(a) for such fiscal year exceeds the amount appropriated for the prior fiscal year.

(3) DECREASE IN OR EQUAL APPROPRIATIONS.—If the amount appropriated under section 1935(a) for a fiscal year is equal to or less than the amount appropriated under such section for the prior fiscal year, the amount of the State allotment under section 1921 shall be equal to the amount that the State received under section 1921 in the prior fiscal year decreased by the percentage by which the amount appropriated for such fiscal year is less than the amount appropriated or such section for the prior fiscal year.

(c) TERRITORIES.—

(1) DETERMINATION UNDER FORMULA.—Subject to paragraphs (2) and (4), the amount of an allotment under section 1921 for a territory of the United States for a fiscal year shall be the product of—

(A) an amount equal to the amounts reserved under paragraph (3) for the fiscal year; and

(B) a percentage equal to the quotient of—

(i) the civilian population of the territory, as indicated by the most recently available data; divided by

(ii) the aggregate civilian population of the territories of the United States, as indicated by such data.

(2) MINIMUM ALLOTMENT FOR TERRITORIES.—The amount of an allotment under section 1921 for a territory of the United States for a fiscal year shall be the greater of—

(A) the amount determined under paragraph (1) for the territory for the fiscal year;

(B) \$50,000; and

(C) with respect to fiscal years 1993 and 1994, an amount equal to 79.4 percent of the amount received by the territory from allotments made pursuant to this part for fiscal year 1992.

(3) RESERVATION OF AMOUNTS.—The Secretary shall each fiscal year reserve for the territories of the United States 1.5 percent of the amounts appropriated under section 1935(a) for allotments under section 1921 for the fiscal year.

(4) AVAILABILITY OF DATA ON POPULATION.—With respect to data on the civilian population of the territories of the United States, if the Secretary determines for a fiscal year that recent such data for purposes of paragraph (1)(B) do not exist regarding a territory, the Secretary shall for such purposes estimate the civilian population of the territory by modifying the data on the territory to reflect the average extent of change occurring during the ensuing period in the population of all territories with respect to which recent such data do exist.

(5) APPLICABILITY OF CERTAIN PROVISIONS.—For purposes of subsections (a) and (b), the term “State” does not include the territories of the United States.

(d) INDIAN TRIBES AND TRIBAL ORGANIZATIONS.—

(1) IN GENERAL.—If the Secretary—

(A) receives a request from the governing body of an Indian Tribe or Tribal organization within any State that funds under this subpart be provided directly by the Secretary to such Tribe or organization; and

(B) makes a determination that the members of such Tribe or Tribal organization would be better served by means of grants made directly by the Secretary under this subpart;

the Secretary shall reserve from the allotment under section 1921 for the State for the fiscal year involved an amount that bears the same ratio to the allotment as the amount provided under this subpart to the Tribe or Tribal organization for fiscal year 1991 for activities relating to the prevention and treatment of the use of substances bore to the amount of the portion of the allotment under this subpart for the State for such fiscal year that was expended for such activities.

(2) INDIAN TRIBE OR TRIBAL ORGANIZATION AS GRANTEE.—The amount reserved by the Secretary on the basis of a determination under this subsection shall be granted to the Indian Tribe or Tribal organization serving the individuals for whom such a determination has been made.

(3) APPLICATION.—In order for an Indian Tribe or Tribal organization to be eligible for a grant for a fiscal year under this paragraph, it shall submit to the Secretary a plan for such fiscal year that meets such criteria as the Secretary may prescribe.

(4) DEFINITIONS.—The terms “Indian Tribe” and “Tribal organization” have the meanings given the terms “Indian tribe” and “tribal organization” in subsections (b) and (c) of section 4 of the Indian Self-Determination and Education Assistance Act.

SEC. 1934. [300x-34] DEFINITIONS.

(2) The term “funding agreement”, with respect to a grant under section 1921 to a State, means that the Secretary may make such a grant only if the State makes the agreement involved.

(3) The term “prevention activities”, subject to section 1931, means activities to prevent substance use disorders.

(4) The term “substance use disorder” means the recurrent use of alcohol or other drugs that causes clinically significant impairment.

(5) The term “treatment activities” means treatment services and, subject to section 1931, authorized activities that are related to treatment services.

(6) The term “treatment facility” means an entity that provides treatment services.

(7) The term “treatment services”, subject to section 1931, means treatment for substance use disorders.

SEC. 1935. [300x-35] FUNDING.

(a) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this subpart, subpart III and section 505(d) with respect to substance use disorders, and section 515(d), there are authorized to be appropriated \$1,908,079,000 for each of fiscal years 2023 through 2027.

(b) ALLOCATIONS FOR TECHNICAL ASSISTANCE, NATIONAL DATA BASE, DATA COLLECTION, AND PROGRAM EVALUATIONS.—

(1) IN GENERAL.—

(A) For the purpose of carrying out section 1948(a) with respect to substance use disorders, section 515(d), and the purposes specified in subparagraphs (B) and (C), the Secretary shall obligate 5 percent of the amounts appropriated under subsection (a) each fiscal year.

(B) The purpose specified in this subparagraph is carrying out sections 505(d) and 1971 with respect to substance use disorders.

(C) The purpose specified in this subparagraph is the conduct of evaluations of authorized activities to determine methods for improving the availability and quality of such activities.

(2) ACTIVITIES OF CENTER FOR SUBSTANCE ABUSE PREVENTION.—Of the amounts reserved under paragraph (1) for a fiscal year, the Secretary, acting through the Director of the Center for Substance Abuse Prevention, shall obligate 20 percent for carrying out paragraph (1)(C), section 1948(a) with respect to prevention activities, and section 515(d).

(3) CORE DATA SET.—A State that receives a new grant, contract, or cooperative agreement from amounts available to the Secretary under paragraph (1), for the purposes of improving the data collection, analysis and reporting capabilities of the State, shall be required, as a condition of receipt of funds, to collect, analyze, and report to the Secretary for each fiscal year subsequent to receiving such funds a core data set to be determined by the Secretary in conjunction with the States.

Subpart III—General Provisions

SEC. 1941. [300x-51] OPPORTUNITY FOR PUBLIC COMMENT ON STATE PLANS.

A funding agreement for a grant under section 1911 or 1921 is that the State involved will make the plan required in section 1912, and the plan required in section 1932, respectively, public within the State in such manner as to facilitate comment from any person (including any Federal or other public agency) during the development of the plan (including any revisions) and after the submission of the plan to the Secretary.

SEC. 1942. [300x-52] REQUIREMENT OF REPORTS AND AUDITS BY STATES.

(a) REPORT.—A funding agreement for a grant under section 1911 or 1921 is that the State involved will submit to the Secretary a report in such form and containing such information as the Secretary determines (after consultation with the States) to be necessary for securing a record and a description of—

(1) the purposes for which the grant received by the State for the preceding fiscal year under the program involved were expended and a description of the activities of the State under the program;

(2) the recipients of amounts provided in the grant; and

(3) the amount provided to each recipient in the previous fiscal year.

(b) AUDITS.—A funding agreement for a grant under section 1911 or 1921 is that the State will, with respect to the grant, comply with chapter 75 of title 31, United States Code.

(c) AVAILABILITY TO PUBLIC.—A funding agreement for a grant under section 1911 or 1921 is that the State involved will—

(1) make copies of the reports and audits described in this section available for public inspection within the State; and

(2) provide copies of the report under subsection (a), upon request, to any interested person (including any public agency).

SEC. 1943. [300x-53] ADDITIONAL REQUIREMENTS.

(a) IN GENERAL.—A funding agreement for a grant under section 1911 or 1921 is that the State involved will—

(1)(A) for the fiscal year for which the grant involved is provided, provide for independent peer review to assess the quality, appropriateness, and efficacy of treatment services provided in the State to individuals under the program involved; and

(B) ensure that, in the conduct of such peer review, not fewer than 5 percent of the entities providing services in the State under such program are reviewed (which 5 percent is representative of the total population of such entities);

(2) permit and cooperate with Federal investigations undertaken in accordance with section 1945; and

(3) provide to the Secretary any data required by the Secretary pursuant to subsections (c) and (d) of section 505 and will cooperate with the Secretary in the development of uniform criteria for the collection of data pursuant to such section.

(b) PATIENT RECORDS.—The Secretary may make a grant under section 1911 or 1921 only if the State involved has in effect a system to protect from inappropriate disclosure patient records maintained by the State in connection with an activity funded under the program involved or by any entity which is receiving amounts from the grant.

SEC. 1944. [300x-54] DISPOSITION OF CERTAIN FUNDS APPROPRIATED FOR ALLOTMENTS.

(a) IN GENERAL.—Amounts described in subsection (b) and available for a fiscal year pursuant to section 1911 or 1921, as the case may be, shall be allotted by the Secretary and paid to the States receiving a grant under the program involved, other than any State referred to in subsection (b) with respect to such program. Such amounts shall be allotted in a manner equivalent to the manner in which the allotment under the program involved was determined.

(b) SPECIFICATION OF AMOUNTS.—The amounts referred to in subsection (a) are any amounts that—

(1) are not paid to States under the program involved as a result of—

(A) the failure of any State to submit an application in accordance with the program;

(B) the failure of any State to prepare such application in compliance with the program; or

(C) any State informing the Secretary that the State does not intend to expend the full amount of the allotment made to the State under the program;

(2) are terminated, repaid, or offset under section 1945;

(3) in the case of the program established in section 1911, are available as a result of reductions in allotments under such section pursuant to section 1912(d) or 1915(b); or

(4) in the case of the program established in section 1921, are available as a result of reductions in allotments under such section pursuant to section 1926 or 1930.

SEC. 1945. [300x-55] FAILURE TO COMPLY WITH AGREEMENTS.

(a) **SUSPENSION OR TERMINATION OF PAYMENTS.**—Subject to subsection (e), if the Secretary determines that a State has materially failed to comply with the agreements or other conditions required for the receipt of a grant under the program involved, the Secretary may in whole or in part suspend payments under the grant, terminate the grant for cause, or employ such other remedies (including the remedies provided for in subsections (b) and (c)) as may be legally available and appropriate in the circumstances involved.

(b) **REPAYMENT OF PAYMENTS.**—

(1) **IN GENERAL.**—Subject to subsection (e), the Secretary may require a State to repay with interest any payments received by the State under section 1911 or 1921 that the Secretary determines were not expended by the State in accordance with the agreements required under the program involved.

(2) **OFFSET AGAINST PAYMENTS.**—If a State fails to make a repayment required in paragraph (1), the Secretary may offset the amount of the repayment against the amount of any payment due to be paid to the State under the program involved.

(c) **WITHHOLDING OF PAYMENTS.**—

(1) **IN GENERAL.**—Subject to subsections (e) and (g)(3), the Secretary may withhold payments due under section 1911 or 1921 if the Secretary determines that the State involved is not expending amounts received under the program involved in accordance with the agreements required under the program.

(2) **TERMINATION OF WITHHOLDING.**—The Secretary shall cease withholding payments from a State under paragraph (1) if the Secretary determines that there are reasonable assurances that the State will expend amounts received under the program involved in accordance with the agreements required under the program.

(d) **APPLICABILITY OF REMEDIES TO CERTAIN VIOLATIONS.**—

(1) **IN GENERAL.**—With respect to agreements or other conditions for receiving a grant under the program involved, in the case of the failure of a State to maintain material compli-

ance with a condition referred to in paragraph (2), the provisions for noncompliance with the condition that are provided in the section establishing the condition shall apply in lieu of subsections (a) through (c) of this section.

(2) RELEVANT CONDITIONS.—For purposes of paragraph (1):

(A) In the case of the program established in section 1911, a condition referred to in this paragraph is the condition established in section 1912(d) and the condition established in section 1915(b).

(B) In the case of the program established in section 1921, a condition referred to in this paragraph is the condition established in section 1926 and the condition established in section 1930.

(e) OPPORTUNITY FOR HEARING.—Before taking action against a State under any of subsections (a) through (c) (or under a section referred to in subsection (d)(2), as the case may be), the Secretary shall provide to the State involved adequate notice and an opportunity for a hearing.

(f) REQUIREMENT OF HEARING IN CERTAIN CIRCUMSTANCES.—

(1) IN GENERAL.—If the Secretary receives a complaint that a State has failed to maintain material compliance with the agreements or other conditions required for receiving a grant under the program involved (including any condition referred to for purposes of subsection (d)), and there appears to be reasonable evidence to support the complaint, the Secretary shall promptly conduct a hearing with respect to the complaint.

(2) FINDING OF MATERIAL NONCOMPLIANCE.—If in a hearing under paragraph (1) the Secretary finds that the State involved has failed to maintain material compliance with the agreement or other condition involved, the Secretary shall take such action under this section as may be appropriate to ensure that material compliance is so maintained, or such action as may be required in a section referred to in subsection (d)(2), as the case may be.

(g) CERTAIN INVESTIGATIONS.—

(1) REQUIREMENT REGARDING SECRETARY.—The Secretary shall in fiscal year 1994 and each subsequent fiscal year conduct in not less than 10 States investigations of the expenditure of grants received by the States under section 1911 or 1921 in order to evaluate compliance with the agreements required under the program involved.

(2) PROVISION OF RECORDS ETC. UPON REQUEST.—Each State receiving a grant under section 1911 or 1921, and each entity receiving funds from the grant, shall make appropriate books, documents, papers, and records available to the Secretary or the Comptroller General, or any of their duly authorized representatives, for examination, copying, or mechanical reproduction on or off the premises of the appropriate entity upon a reasonable request therefor.

(3) LIMITATIONS ON AUTHORITY.—The Secretary may not institute proceedings under subsection (c) unless the Secretary has conducted an investigation concerning whether the State has expended payments under the program involved in accordance with the agreements required under the program. Any

such investigation shall be conducted within the State by qualified investigators.

SEC. 1946. [300x-56] PROHIBITIONS REGARDING RECEIPT OF FUNDS.

(a) ESTABLISHMENT.—

(1) CERTAIN FALSE STATEMENTS AND REPRESENTATIONS.—A person shall not knowingly and willfully make or cause to be made any false statement or representation of a material fact in connection with the furnishing of items or services for which payments may be made by a State from a grant made to the State under section 1911 or 1921.

(2) CONCEALING OR FAILING TO DISCLOSE CERTAIN EVENTS.—A person with knowledge of the occurrence of any event affecting the initial or continued right of the person to receive any payments from a grant made to a State under section 1911 or 1921 shall not conceal or fail to disclose any such event with an intent fraudulently to secure such payment either in a greater amount than is due or when no such amount is due.

(b) CRIMINAL PENALTY FOR VIOLATION OF PROHIBITION.—Any person who violates any prohibition established in subsection (a) shall for each violation be fined in accordance with title 18, United States Code, or imprisoned for not more than 5 years, or both.

SEC. 1947. [300x-57] NONDISCRIMINATION.

(a) IN GENERAL.—

(1) RULE OF CONSTRUCTION REGARDING CERTAIN CIVIL RIGHTS LAWS.—For the purpose of applying the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975, on the basis of handicap under section 504 of the Rehabilitation Act of 1973, on the basis of sex under title IX of the Education Amendments of 1972, or on the basis of race, color, or national origin under title VI of the Civil Rights Act of 1964, programs and activities funded in whole or in part with funds made available under section 1911 or 1921 shall be considered to be programs and activities receiving Federal financial assistance.

(2) PROHIBITION.—No person shall on the ground of sex (including, in the case of a woman, on the ground that the woman is pregnant), or on the ground of religion, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with funds made available under section 1911 or 1921.

(b) ENFORCEMENT.—

(1) REFERRALS TO ATTORNEY GENERAL AFTER NOTICE.—Whenever the Secretary finds that a State, or an entity that has received a payment pursuant to section 1911 or 1921, has failed to comply with a provision of law referred to in subsection (a)(1), with subsection (a)(2), or with an applicable regulation (including one prescribed to carry out subsection (a)(2)), the Secretary shall notify the chief executive officer of the State and shall request the chief executive officer to secure compliance. If within a reasonable period of time, not to exceed

60 days, the chief executive officer fails or refuses to secure compliance, the Secretary may—

(A) refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;

(B) exercise the powers and functions provided by the Age Discrimination Act of 1975, section 504 of the Rehabilitation Act of 1973, title IX of the Education Amendments of 1972, or title VI of the Civil Rights Act of 1964, as may be applicable; or

(C) take such other actions as may be authorized by law.

(2) **AUTHORITY OF ATTORNEY GENERAL.**—When a matter is referred to the Attorney General pursuant to paragraph (1)(A), or whenever the Attorney General has reason to believe that a State or an entity is engaged in a pattern or practice in violation of a provision of law referred to in subsection (a)(1) or in violation of subsection (a)(2), the Attorney General may bring a civil action in any appropriate district court of the United States for such relief as may be appropriate, including injunctive relief.

SEC. 1948. [300x-58] TECHNICAL ASSISTANCE AND PROVISION OF SUPPLIES AND SERVICES IN LIEU OF GRANT FUNDS.

(a) **TECHNICAL ASSISTANCE.**—The Secretary shall, without charge to a State receiving a grant under section 1911 or 1921, provide to the State (or to any public or nonprofit private entity within the State) technical assistance with respect to the planning, development, and operation of any program or service carried out pursuant to the program involved. The Secretary may provide such technical assistance directly, through contract, or through grants.

(b) **PROVISION OF SUPPLIES AND SERVICES IN LIEU OF GRANT FUNDS.**—

(1) **IN GENERAL.**—Upon the request of a State receiving a grant under section 1911 or 1921, the Secretary may, subject to paragraph (2), provide supplies, equipment, and services for the purpose of aiding the State in carrying out the program involved and, for such purpose, may detail to the State any officer or employee of the Department of Health and Human Services.

(2) **CORRESPONDING REDUCTION IN PAYMENTS.**—With respect to a request described in paragraph (1), the Secretary shall reduce the amount of payments under the program involved to the State by an amount equal to the costs of detailing personnel and the fair market value of any supplies, equipment, or services provided by the Secretary. The Secretary shall, for the payment of expenses incurred in complying with such request, expend the amounts withheld.

SEC. 1949. ¹¹ [300x-59] PLANS FOR PERFORMANCE PARTNERSHIPS.

(a) **DEVELOPMENT.**—The Secretary in conjunction with States and other interested groups shall develop separate plans for the

programs authorized under subparts I and II for creating more flexibility for States and accountability based on outcome and other performance measures. The plans shall each include—

(1) a description of the flexibility that would be given to the States under the plan;

(2) the common set of performance measures that would be used for accountability, including measures that would be used for the program under subpart II for pregnant addicts, HIV transmission, tuberculosis, and those with a co-occurring substance use disorders and mental disorders, and for programs under subpart I for children with serious emotional disturbance and adults with serious mental illness and for individuals with co-occurring mental health and substance use disorders disorders;

(3) the definitions for the data elements to be used under the plan;

(4) the obstacles to implementation of the plan and the manner in which such obstacles would be resolved;

(5) the resources needed to implement the performance partnerships under the plan; and

(6) an implementation strategy complete with recommendations for any necessary legislation.

(b) SUBMISSION.—Not later than 2 years after the date of the enactment of this Act¹², the plans developed under subsection (a) shall be submitted to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Commerce of the House of Representatives.

(c) INFORMATION.—As the elements of the plans described in subsection (a) are developed, States are encouraged to provide information to the Secretary on a voluntary basis.

(d) PARTICIPANTS.—The Secretary shall include among those interested groups that participate in the development of the plan consumers of mental health or substance use disorders services, providers, representatives of political divisions of States, and representatives of racial and ethnic groups including Native Americans.

SEC. 1950. [300x-60] RULE OF CONSTRUCTION REGARDING DELEGATION OF AUTHORITY TO STATES.

With respect to States receiving grants under section 1911 or 1921, this part may not be construed to authorize the Secretary to delegate to the States the primary responsibility for interpreting the governing provisions of this part.

SEC. 1951. [300x-61] SOLICITATION OF VIEWS OF CERTAIN ENTITIES.

In carrying out this part, the Secretary, as appropriate, shall solicit the views of the States and other appropriate entities.

amendatory instructions were then given, but a substitute text was provided. The amendment probably should have instructed that section 1949 “is amended to read as follows:”.

¹²The probable intent of the Congress was that the reference to “this Act” be a reference to the Children’s Health Act of 2000 (Public Law 106-310), which provided a substitute text for section 1949 (see footnote 1), including subsection (b) above. That Act was enacted October 17, 2000. (A reference to “this Act” is a reference to the Public Health Service Act, which was enacted July 1, 1944.)

SEC. 1952.¹³ [300x-62] AVAILABILITY TO STATES OF GRANT PAYMENTS.

Any amounts paid to a State for a fiscal year under section 1911 or 1921 shall be available for obligation and expenditure until the end of the fiscal year following the fiscal year for which the amounts were paid.

SEC. 1953. [300x-63] CONTINUATION OF CERTAIN PROGRAMS.

(a) IN GENERAL.—Of the amount allotted to the State of Hawaii under section 1911, and the amount allotted to such State under section 1921, an amount equal to the proportion of Native Hawaiians residing in the State to the total population of the State shall be available, respectively, for carrying out the program involved for Native Hawaiians.

(b) EXPENDITURE OF AMOUNTS.—The amount made available under subsection (a) may be expended only through contracts entered into by the State of Hawaii with public and private nonprofit organizations to enable such organizations to plan, conduct, and administer comprehensive substance use disorder and treatment programs for the benefit of Native Hawaiians. In entering into contracts under this section, the State of Hawaii shall give preference to Native Hawaiian organizations and Native Hawaiian health centers.

(c) DEFINITIONS.—For the purposes of this subsection¹⁴, the terms “Native Hawaiian”, “Native Hawaiian organization”, and “Native Hawaiian health center” have the meaning given such terms in section 2308 of subtitle D of title II of the Anti-Drug Abuse Act of 1988.

SEC. 1954. [300x-64] DEFINITIONS.

(a) DEFINITIONS FOR SUBPART III.—For purposes of this subpart:

(1) The term “program involved” means the program of grants established in section 1911 or 1921, or both, as indicated by whether the State involved is receiving or is applying to receive a grant under section 1911 or 1921, or both.

(2)(A) The term “funding agreement”, with respect to a grant under section 1911, has the meaning given such term in section 1919.

(B) The term “funding agreement”, with respect to a grant under section 1921, has the meaning given such term in section 1934.

(b) DEFINITIONS FOR PART B.—For purposes of this part:

(1) The term “Comptroller General” means the Comptroller General of the United States.

(2) The term “State”, except as provided in sections 1918(c)(5) and 1933(c)(5), means each of the several States, the District of Columbia, and each of the territories of the United States.

(3) The term “territories of the United States” means each of the Commonwealth of Puerto Rico, American Samoa, Guam,

¹³ Section 1952 appears according to the probable intent of the Congress. Section 3403(b) of Public Law 106-310 (114 Stat. 1220) provides that the section “is amended as follows:”. No amendatory instructions were then given, but a substitute text was provided. The amendment probably should have instructed that section 1952 “is amended to read as follows:”.

¹⁴ So in law. See section 203 of Public Law 102-321 (106 Stat. 409). Probably should be “section”.

the Commonwealth of the Northern Mariana Islands, the Virgin Islands, Palau, the Marshall Islands, and Micronesia.

(4) The term “interim services”, in the case of an individual in need of treatment for substance use disorders who has been denied admission to a program of such treatment on the basis of the lack of the capacity of the program to admit the individual, means services for reducing the adverse health effects of such disorders, for promoting the health of the individual, and for reducing the risk of transmission of disease, which services are provided until the individual is admitted to such a program.

SEC. 1955. [300x-65] SERVICES PROVIDED BY NONGOVERNMENTAL ORGANIZATIONS.¹⁵

(a) PURPOSES.—The purposes of this section are—

(1) to prohibit discrimination against nongovernmental organizations and certain individuals on the basis of religion in the distribution of government funds to provide substance abuse services under this title and title V, and the receipt of services under such titles; and

(2) to allow the organizations to accept the funds to provide the services to the individuals without impairing the religious character of the organizations or the religious freedom of the individuals.

(b) RELIGIOUS ORGANIZATIONS INCLUDED AS NONGOVERNMENTAL PROVIDERS.—

(1) IN GENERAL.—A State may administer and provide substance abuse services under any program under this title or title V through grants, contracts, or cooperative agreements to provide assistance to beneficiaries under such titles with nongovernmental organizations.

(2) REQUIREMENT.—A State that elects to utilize nongovernmental organizations as provided for under paragraph (1) shall consider, on the same basis as other nongovernmental organizations, religious organizations to provide services under substance abuse programs under this title or title V, so long as the programs under such titles are implemented in a manner consistent with the Establishment Clause of the first amendment to the Constitution. Neither the Federal Government nor a State or local government receiving funds under such programs shall discriminate against an organization that provides services under, or applies to provide services under, such programs, on the basis that the organization has a religious character.

(c) RELIGIOUS CHARACTER AND INDEPENDENCE.—

(1) IN GENERAL.—A religious organization that provides services under any substance abuse program under this title or title V shall retain its independence from Federal, State, and local governments, including such organization’s control over

¹⁵Part G of title V of this Act (the second part G; see page 677) also relates to religious organizations as providers of substance abuse services. That part was added by section 144 of the Community Renewal Tax Relief Act of 2000 (as enacted into law by section 1(a)(7) of Public Law 106-554; 114 Stat. 2763A-619). Section 1955 above was added by section 3305 of Public Law 106-310 (114 Stat. 1212).

the definition, development, practice, and expression of its religious beliefs.

(2) ADDITIONAL SAFEGUARDS.—Neither the Federal Government nor a State or local government shall require a religious organization—

(A) to alter its form of internal governance; or

(B) to remove religious art, icons, scripture, or other symbols,
in order to be eligible to provide services under any substance abuse program under this title or title V.

(d) EMPLOYMENT PRACTICES.—

(1) SUBSTANCE ABUSE.—A religious organization that provides services under any substance abuse program under this title or title V may require that its employees providing services under such program adhere to rules forbidding the use of drugs or alcohol.

(2) TITLE VII EXEMPTION.—The exemption of a religious organization provided under section 702 or 703(e)(2) of the Civil Rights Act of 1964 (42 U.S.C. 2000e–1, 2000e–2(e)(2)) regarding employment practices shall not be affected by the religious organization's provision of services under, or receipt of funds from, any substance abuse program under this title or title V.

(e) RIGHTS OF BENEFICIARIES OF ASSISTANCE.—

(1) IN GENERAL.—If an individual described in paragraph (3) has an objection to the religious character of the organization from which the individual receives, or would receive, services funded under any substance abuse program under this title or title V, the appropriate Federal, State, or local governmental entity shall provide to such individual (if otherwise eligible for such services) within a reasonable period of time after the date of such objection, services that—

(A) are from an alternative provider that is accessible to the individual; and

(B) have a value that is not less than the value of the services that the individual would have received from such organization.

(2) NOTICE.—The appropriate Federal, State, or local governmental entity shall ensure that notice is provided to individuals described in paragraph (3) of the rights of such individuals under this section.

(3) INDIVIDUAL DESCRIBED.—An individual described in this paragraph is an individual who receives or applies for services under any substance abuse program under this title or title V.

(f) NONDISCRIMINATION AGAINST BENEFICIARIES.—A religious organization providing services through a grant, contract, or cooperative agreement under any substance abuse program under this title or title V shall not discriminate, in carrying out such program, against an individual described in subsection (e)(3) on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to actively participate in a religious practice.

(g) FISCAL ACCOUNTABILITY.—

(1) IN GENERAL.—Except as provided in paragraph (2), any religious organization providing services under any substance

abuse program under this title or title V shall be subject to the same regulations as other nongovernmental organizations to account in accord with generally accepted accounting principles for the use of such funds provided under such program.

(2) LIMITED AUDIT.—Such organization shall segregate government funds provided under such substance abuse program into a separate account. Only the government funds shall be subject to audit by the government.

(h) COMPLIANCE.—Any party that seeks to enforce such party's rights under this section may assert a civil action for injunctive relief exclusively in an appropriate Federal or State court against the entity, agency or official that allegedly commits such violation.

(i) LIMITATIONS ON USE OF FUNDS FOR CERTAIN PURPOSES.—No funds provided through a grant or contract to a religious organization to provide services under any substance abuse program under this title or title V shall be expended for sectarian worship, instruction, or proselytization.

(j) EFFECT ON STATE AND LOCAL FUNDS.—If a State or local government contributes State or local funds to carry out any substance abuse program under this title or title V, the State or local government may segregate the State or local funds from the Federal funds provided to carry out the program or may commingle the State or local funds with the Federal funds. If the State or local government commingles the State or local funds, the provisions of this section shall apply to the commingled funds in the same manner, and to the same extent, as the provisions apply to the Federal funds.

(k) TREATMENT OF INTERMEDIATE CONTRACTORS.—If a nongovernmental organization (referred to in this subsection as an “intermediate organization”), acting under a contract or other agreement with the Federal Government or a State or local government, is given the authority under the contract or agreement to select nongovernmental organizations to provide services under any substance abuse program under this title or title V, the intermediate organization shall have the same duties under this section as the government but shall retain all other rights of a nongovernmental organization under this section.

SEC. 1956. [300x-66] SERVICES FOR INDIVIDUALS WITH CO-OCCURRING DISORDERS.

States may use funds available for treatment under sections 1911 and 1921 to treat persons with co-occurring substance use disorders and mental disorders as long as funds available under such sections are used for the purposes for which they were authorized by law and can be tracked for accounting purposes.

SEC. 1957. [300x-67] PUBLIC HEALTH EMERGENCIES.

In the case of a public health emergency (as determined under section 319), the Secretary, on a State by State basis, may, as the circumstances of the emergency reasonably require and for the period of the emergency, grant an extension, or waive application deadlines or compliance with any other requirement, of a grant authorized under section 521, 1911, or 1921 or an allotment authorized under Public Law 99–319 (42 U.S.C. 10801 et seq.).

SEC. 1958. [300x-68] JOINT APPLICATIONS.

The Secretary, acting through the Assistant Secretary for Mental Health and Substance Use, shall permit a joint application to be submitted for grants under subpart I and subpart II upon the request of a State. Such application may be jointly reviewed and approved by the Secretary with respect to such subparts, consistent with the purposes and authorized activities of each such grant program. A State submitting such a joint application shall otherwise meet the requirements with respect to each such subpart.

**PART C—CERTAIN PROGRAMS REGARDING
MENTAL HEALTH AND SUBSTANCE USE****Subpart I—Data Infrastructure Development****SEC. 1971. [300y] DATA INFRASTRUCTURE DEVELOPMENT.**

(a) IN GENERAL.—The Secretary may make grants to, and enter into contracts or cooperative agreements with States for the purpose of developing and operating mental health or substance use data collection, analysis, and reporting systems with regard to performance measures including capacity, process, and outcomes measures.

(b) PROJECTS.—The Secretary shall establish criteria to ensure that services will be available under this section to States that have a fundamental basis for the collection, analysis, and reporting of mental health and substance use performance measures and States that do not have such basis. The Secretary will establish criteria for determining whether a State has a fundamental basis for the collection, analysis, and reporting of data.

(c) CONDITION OF RECEIPT OF FUNDS.—As a condition of the receipt of an award under this section a State shall agree to collect, analyze, and report to the Secretary within 2 years of the date of the award on a core set of performance measures to be determined by the Secretary in conjunction with the States.

(d) MATCHING REQUIREMENT.—

(1) IN GENERAL.—With respect to the costs of the program to be carried out under subsection (a) by a State, the Secretary may make an award under such subsection only if the applicant agrees to make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount that is not less than 50 percent of such costs.

(2) DETERMINATION OF AMOUNT CONTRIBUTED.—Non-Federal contributions under paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such contributions.

(e) DURATION OF SUPPORT.—The period during which payments may be made for a project under subsection (a) may be not less than 3 years nor more than 5 years.

(f) AUTHORIZATION OF APPROPRIATION.—

(1) IN GENERAL.—For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001, 2002 and 2003.

(2) ALLOCATION.—Of the amounts appropriated under paragraph (1) for a fiscal year, 50 percent shall be expended to support data infrastructure development for mental health and 50 percent shall be expended to support data infrastructure development for substance use.

Subpart II—Interim Maintenance Treatment of Narcotics Dependence

SEC. 1976. [300y–11] INTERIM MAINTENANCE TREATMENT.

(a) REQUIREMENT REGARDING SECRETARY.—Subject to the following subsections of this section, for the purpose of reducing the incidence of the transmission of HIV disease pursuant to the intravenous use of heroin or other morphine-like drugs, the Secretary, in establishing conditions for the use of methadone in public or nonprofit private programs of treatment for dependence on such drugs, shall authorize such programs—

(1) to dispense methadone for treatment purposes to individuals who—

(A) meet the conditions for admission to such programs that dispense methadone as part of comprehensive treatment for such dependence; and

(B) are seeking admission to such programs that so dispense methadone, but as a result of the limited capacity of the programs, will not gain such admission until 14 or more days after seeking admission to the programs; and

(2) in dispensing methadone to such individuals, to provide only minimum ancillary services during the period in which the individuals are waiting for admission to programs of comprehensive treatment.

(b) INAPPLICABILITY OF REQUIREMENT IN CERTAIN CIRCUMSTANCES.—

(1) IN GENERAL.—The requirement established in subsection (a) for the Secretary does not apply if any or all of the following conditions are met:

(A) The preponderance of scientific research indicates that the risk of the transmission of HIV disease pursuant to the intravenous use of drugs is minimal.

(B) The preponderance of scientific research indicates that the medically supervised dispensing of methadone is not an effective method of reducing the extent of dependence on heroin and other morphine-like drugs.

(C) The preponderance of available data indicates that, of treatment programs that dispense methadone as part of comprehensive treatment, a substantial majority admit all individuals seeking services to the programs not later than 14 days after the individuals seek admission to the programs.

(2) EVALUATION BY SECRETARY.—In evaluating whether any or all of the conditions described in paragraph (1) have been met, the Secretary shall consult with the National Commission on Acquired Immune Deficiency Syndrome.

(c) CONDITIONS FOR OBTAINING AUTHORIZATION FROM SECRETARY.—

(1) IN GENERAL.—In carrying out the requirement established in subsection (a), the Secretary shall, after consultation with the National Commission on Acquired Immune Deficiency Syndrome, by regulation issue such conditions for treatment programs to obtain authorization from the Secretary to provide interim maintenance treatment as may be necessary to carry out the purpose described in such subsection. Such conditions shall include conditions for preventing the unauthorized use of methadone.

(2) COUNSELING ON HIV DISEASE.—The regulations issued under paragraph (1) shall provide that an authorization described in such paragraph may not be issued to a treatment program unless the program provides to recipients of the treatment counseling on preventing exposure to and the transmission of HIV disease.

(3) PERMISSION OF RELEVANT STATE AS CONDITION OF AUTHORIZATION.—The regulations issued under paragraph (1) shall provide that the Secretary may not provide an authorization described in such paragraph to any treatment program in a State unless the chief public health officer of the State has certified to the Secretary that—

(A) such officer does not object to the provision of such authorizations to treatment programs in the State; and

(B) the provision of interim maintenance services in the State will not reduce the capacity of comprehensive treatment programs in the State to admit individuals to the programs (relative to the date on which such officer so certifies).

(4) DATE CERTAIN FOR ISSUANCE OF REGULATIONS; FAILURE OF SECRETARY.—The Secretary shall issue the final rule for purposes of the regulations required in paragraph (1), and such rule shall be effective, not later than the expiration of the 180-day period beginning on the date of the enactment of the ADAMHA Reorganization Act¹⁶. If the Secretary fails to meet the requirement of the preceding sentence, the proposed rule issued on March 2, 1989, with respect to part 291 of title 21, Code of Federal Regulations (docket numbered 88N-0444; 54 Fed. Reg. 8973 et seq.) is deemed to take effect as a final rule upon the expiration of such period, and the provisions of paragraph (3) of this subsection are deemed to be incorporated into such rule.

(d) DEFINITIONS.—For purposes of this section:

(1) The term “interim maintenance services” means the provision of methadone in a treatment program under the circumstances described in paragraphs (1) and (2) of subsection (a).

¹⁶Enacted July 10, 1992.

(2) The term “HIV disease” means infection with the etiologic agent for acquired immune deficiency syndrome.

(3) The term “treatment program” means a public or non-profit private program of treatment for dependence on heroin or other morphine-like drugs.

TITLE XX—ADOLESCENT FAMILY LIFE DEMONSTRATION PROJECTS

FINDINGS AND PURPOSES

SEC. 2001. [300z] (a) The Congress finds that—

(1) in 1978, an estimated one million one hundred thousand teenagers became pregnant, more than five hundred thousand teenagers carried their babies to term, and over one-half of the babies born to such teenagers were born out of wedlock;

(2) adolescents aged seventeen and younger accounted for more than one-half of the out of wedlock births to teenagers;

(3) in a high proportion of cases, the pregnant adolescent is herself the product of an unmarried parenthood during adolescence and is continuing the pattern in her own lifestyle;

(4) it is estimated that approximately 80 per centum of unmarried teenagers who carry their pregnancies to term live with their families before and during their pregnancy and remain with their families after the birth of the child;

(5) pregnancy and childbirth among unmarried adolescents, particularly young adolescents, often results in severe adverse health, social, and economic consequences including: a higher percentage of pregnancy and childbirth complications; a higher incidence of low birth weight babies; a higher infant mortality and morbidity; a greater likelihood that an adolescent marriage will end in divorce; a decreased likelihood of completing schooling; and higher risks of unemployment and welfare dependency; and therefore, education, training, and job research services are important for adolescent parents;

(6)(A) adoption is a positive option for unmarried pregnant adolescents who are unwilling or unable to care for their children since adoption is a means of providing permanent families for such children from available approved couples who are unable or have difficulty in conceiving or carrying children of their own to term; and

(B) at present, only 4 per centum of unmarried pregnant adolescents who carry their babies to term enter into an adoption plan or arrange for their babies to be cared for by relatives or friends;

(7) an unmarried adolescent who becomes pregnant once is likely to experience recurrent pregnancies and childbearing, with increased risks;

(8)(A) the problems of adolescent premarital sexual relations, pregnancy, and parenthood are multiple and complex and are frequently associated with or are a cause of other troublesome situations in the family; and

(B) such problems are best approached through a variety of integrated and essential services provided to adolescents and

their families by other family members, religious and charitable organizations, voluntary associations, and other groups in the private sector as well as services provided by publicly sponsored initiatives;

(9) a wide array of educational, health, and supportive services are not available to adolescents with such problems or to their families, or when available frequently are fragmented and thus are of limited effectiveness in discouraging adolescent premarital sexual relations and the consequences of such relations;

(10)(A) prevention of adolescent sexual activity and adolescent pregnancy depends primarily upon developing strong family values and close family ties, and since the family is the basic social unit in which the values and attitudes of adolescents concerning sexuality and pregnancy are formed, programs designed to deal with issues of sexuality and pregnancy will be successful to the extent that such programs encourage and sustain the role of the family in dealing with adolescent sexual activity and adolescent pregnancy;

(B) Federal policy therefore should encourage the development of appropriate health, educational, and social services where such services are now lacking or inadequate, and the better coordination of existing services where they are available; and

(C) services encouraged by the Federal Government should promote the involvement of parents with their adolescent children, and should emphasize the provision of support by other family members, religious and charitable organizations, voluntary associations, and other groups in the private sector in order to help adolescents and their families deal with complex issues of adolescent premarital sexual relations and the consequences of such relations; and

(11)(A) there has been limited research concerning the societal causes and consequences of adolescent pregnancy;

(B) there is limited knowledge concerning which means of intervention are effective in mediating or eliminating adolescent premarital sexual relations and adolescent pregnancy; and

(C) it is necessary to expand and strengthen such knowledge in order to develop an array of approaches to solving the problems of adolescent premarital sexual relations and adolescent pregnancy in both urban and rural settings.

(b) Therefore, the purposes of this title are—

(1) to find effective means, within the context of the family, of reaching adolescents before they become sexually active in order to maximize the guidance and support available to adolescents from parents and other family members, and to promote self discipline and other prudent approaches to the problem of adolescent premarital sexual relations, including adolescent pregnancy;

(2) to promote adoption as an alternative for adolescent parents;

(3) to establish innovative, comprehensive, and integrated approaches to the delivery of care services both for pregnant adolescents, with primary emphasis on unmarried adolescents

who are seventeen years of age or under, and for adolescent parents, which shall be based upon an assessment of existing programs and, where appropriate, upon efforts to establish better coordination, integration, and linkages among such existing programs in order to—

(A) enable pregnant adolescents to obtain proper care and assist pregnant adolescents and adolescent parents to become productive independent contributors to family and community life; and

(B) assist families of adolescents to understand and resolve the societal causes which are associated with adolescent pregnancy;

(4) to encourage and support research projects and demonstration projects concerning the societal causes and consequences of adolescent premarital sexual relations, contraceptive use, pregnancy, and child rearing;

(5) to support evaluative research to identify effective services which alleviate, eliminate, or resolve any negative consequences of adolescent premarital sexual relations and adolescent childbearing for the parents, the child, and their families; and

(6) to encourage and provide for the dissemination of results, findings, and information from programs and research projects relating to adolescent premarital sexual relations, pregnancy, and parenthood.

DEFINITIONS

SEC. 2002. [300z-1] (a) For the purposes of this title, the term—

(1) “Secretary” means the Secretary of Health and Human Services;

(2) “eligible person” means—

(A) with regard to the provision of care services, a pregnant adolescent, an adolescent parent, or the family of a pregnant adolescent or an adolescent parent; or

(B) with regard to the provision of prevention services and referral to such other services which may be appropriate, a nonpregnant adolescent;

(3) “eligible grant recipient” means a public or nonprofit private organization or agency which demonstrates, to the satisfaction of the Secretary—

(A) in the case of an organization which will provide care services, the capability of providing all care services in a single setting or the capability of creating a network through which all care services would be provided; or

(B) in the case of an organization which will provide prevention services, the capability of providing such services;

(4) “necessary services” means services which may be provided by grantees which are—

(A) pregnancy testing and maternity counseling;

(B) adoption counseling and referral services which present adoption as an option for pregnant adolescents, in-

cluding referral to licensed adoption agencies in the community if the eligible grant recipient is not a licensed adoption agency;

(C) primary and preventive health services including prenatal and postnatal care;

(D) nutrition information and counseling;

(E) referral for screening and treatment of venereal disease;

(F) referral to appropriate pediatric care;

(G) educational services relating to family life and problems associated with adolescent premarital sexual relations, including—

(i) information about adoption;

(ii) education on the responsibilities of sexuality and parenting;

(iii) the development of material to support the role of parents as the provider of sex education; and

(iv) assistance to parents, schools, youth agencies, and health providers to educate adolescents and pre-adolescents concerning self-discipline and responsibility in human sexuality;

(H) appropriate educational and vocational services;

(I) referral to licensed residential care or maternity home services; and

(J) mental health services and referral to mental health services and to other appropriate physical health services;

(K) child care sufficient to enable the adolescent parent to continue education or to enter into employment;

(L) consumer education and homemaking;

(M) counseling for the immediate and extended family members of the eligible person;

(N) transportation;

(O) outreach services to families of adolescents to discourage sexual relations among unemancipated minors;

(P) family planning services; and

(Q) such other services consistent with the purposes of this title as the Secretary may approve in accordance with regulations promulgated by the Secretary;

(5) “core services” means those services which shall be provided by a grantee, as determined by the Secretary by regulation;

(6) “supplemental services” means those services which may be provided by a grantee, as determined by the Secretary by regulation;

(7) “care services” means necessary services for the provision of care to pregnant adolescents and adolescent parents and includes all core services with respect to the provision of such care prescribed by the Secretary by regulation;

(8) “prevention services” means necessary services to prevent adolescent sexual relations, including the services described in subparagraphs (A), (D), (E), (G), (H), (M), (N), (O), and (Q) of paragraph (4);

(9) “adolescent” means an individual under the age of nineteen; and

(10) “unemancipated minor” means a minor who is subject to the control, authority, and supervision of his or her parents or guardians, as determined under State law.

(b) Until such time as the Secretary promulgates regulations pursuant to the second sentence of this subsection, the Secretary shall use the regulations promulgated under title VI of the Health Services and Centers Amendments of 1978 which were in effect on the date of enactment of this title, to determine which necessary services are core services for purposes of this title. The Secretary may promulgate regulations to determine which necessary services are core services for purposes of this title based upon an evaluation of and information concerning which necessary services are essential to carry out the purposes of this title and taking into account (1) factors such as whether services are to be provided in urban or rural areas, the ethnic groups to be served, and the nature of the populations to be served, and (2) the results of the evaluations required under section 2006(b). The Secretary may from time to time revise such regulations.

AUTHORITY TO MAKE GRANTS FOR DEMONSTRATION PROJECTS

SEC. 2003. [300z–2] (a) The Secretary may make grants to further the purposes of this title to eligible grant recipients which have submitted an application which the Secretary finds meets the requirements of section 2006 for demonstration projects which the Secretary determines will help communities provide appropriate care and prevention services in easily accessible locations. Demonstration projects shall, as appropriate, provide, supplement, or improve the quality of such services. Demonstration projects shall use such methods as will strengthen the capacity of families to deal with the sexual behavior, pregnancy, or parenthood of adolescents and to make use of support systems such as other family members, friends, religious and charitable organizations, and voluntary associations.

(b) Grants under this title for demonstration projects may be for the provision of—

- (1) care services;
- (2) prevention services; or
- (3) a combination of care services and prevention services.

USES OF GRANTS FOR DEMONSTRATION PROJECTS FOR SERVICES

SEC. 2004. [300z–3] (a) Except as provided in subsection (b), funds provided for demonstration projects for services under this title may be used by grantees only to—

- (1) provide to eligible persons—
 - (A) care services;
 - (B) prevention services; or
 - (C) care and prevention services (in the case of a grantee who is providing a combination of care and prevention services);

(2) coordinate, integrate, and provide linkages among providers of care, prevention, and other services for eligible persons in furtherance of the purposes of this title;

(3) provide supplemental services where such services are not adequate or not available to eligible persons in the community and which are essential to the care of pregnant adolescents and to the prevention of adolescent premarital sexual relations and adolescent pregnancy;

(4) plan for the administration and coordination of pregnancy prevention services and programs of care for pregnant adolescents and adolescent parents which will further the objectives of this title; and

(5) fulfill assurances required for grant approval by section 2006.

(b)(1) No funds provided for a demonstration project for services under this title may be used for the provision of family planning services (other than counseling and referral services) to adolescents unless appropriate family planning services are not otherwise available in the community.

(2) Any grantee who receives funds for a demonstration project for services under this title and who, after determining under paragraph (1) that appropriate family planning services are not otherwise available in the community, provides family planning services (other than counseling and referral services) to adolescents may only use funds provided under this title for such family planning services if all funds received by such grantee from all other sources to support such family planning services are insufficient to support such family planning services.

(c) Grantees who receive funds for a demonstration project for services under this title shall charge fees for services pursuant to a fee schedule approved by the Secretary as a part of the application described in section 2006 which bases fees charged by the grantee on the income of the eligible person or the parents or legal guardians of the eligible person and takes into account the difficulty adolescents face in obtaining resources to pay for services. A grantee who receives funds for a demonstration project for services under this title may not, in any case, discriminate with regard to the provision of services to any individual because of that individual's inability to provide payment for such services, except that in determining the ability of an unemancipated minor to provide payment for services, the income of the family of an unemancipated minor shall be considered in determining the ability of such minor to make such payments unless the parents or guardians of the unemancipated minor refuse to make such payments.

PRIORITIES, AMOUNTS, AND DURATION OF GRANTS FOR
DEMONSTRATION PROJECTS FOR SERVICES

SEC. 2005. [300z-4] (a) In approving applications for grants for demonstration projects for services under this title, the Secretary shall give priority to applicants who—

(1) serve an area where there is a high incidence of adolescent pregnancy;

(2) serve an area with a high proportion of low-income families and where the availability of programs of care for pregnant adolescents and adolescent parents is low;

(3) show evidence—

(A) in the case of an applicant who will provide care services, of having the ability to bring together a wide range of needed core services and, as appropriate, supplemental services in comprehensive single-site projects, or to establish a well-integrated network of such services (appropriate for the target population and geographic area to be served including the special needs of rural areas) for pregnant adolescents or adolescent parents; or

(B) in the case of an applicant who will provide prevention services, of having the ability to provide prevention services for adolescents and their families which are appropriate for the target population and the geographic area to be served, including the special needs of rural areas;

(4) will utilize to the maximum extent feasible existing available programs and facilities such as neighborhood and primary health care centers, maternity homes which provide or can be equipped to provide services to pregnant adolescents, agencies serving families, youth, and children with established programs of service to pregnant adolescents and vulnerable families, licensed adoption agencies, children and youth centers, maternal and infant health centers, regional rural health facilities, school and other educational programs, mental health programs, nutrition programs, recreation programs, and other ongoing pregnancy prevention services and programs of care for pregnant adolescents and adolescent parents;

(5) make use, to the maximum extent feasible, of other Federal, State, and local funds, programs, contributions, and other third-party reimbursements;

(6) can demonstrate a community commitment to the program by making available to the demonstration project non-Federal funds, personnel, and facilities;

(7) have involved the community to be served, including public and private agencies, adolescents, and families, in the planning and implementation of the demonstration project; and

(8) will demonstrate innovative and effective approaches in addressing the problems of adolescent premarital sexual relations, pregnancy, or parenthood, including approaches to provide pregnant adolescents with adequate information about adoption.

(b)(1) The amount of a grant for a demonstration project for services under this title shall be determined by the Secretary, based on factors such as the incidence of adolescent pregnancy in the geographic area to be served, and the adequacy of pregnancy prevention services and programs of care for pregnant adolescents and adolescent parents in such area.

(2) In making grants for demonstration projects for services under this title, the Secretary shall consider the special needs of rural areas and, to the maximum extent practicable, shall dis-

tribute funds taking into consideration the relative number of adolescents in such areas in need of such services.

(c)(1) A grantee may not receive funds for a demonstration project for services under this title for a period in excess of 5 years.

(2)(A) Subject to paragraph (3), a grant for a demonstration project for services under this title may not exceed—

(i) 70 per centum of the costs of the project for the first and second years of the project;

(ii) 60 per centum of such costs for the third year of the project;

(iii) 50 per centum of such costs for the fourth year of the project; and

(iv) 40 per centum of such costs for the fifth year of the project.

(B) Non-Federal contributions required by subparagraph (A) may be in cash or in kind, fairly evaluated, including plant, equipment, or services.

(3) The Secretary may waive the limitation specified in paragraph (2)(A) for any year in accordance with criteria established by regulation.

REQUIREMENTS FOR APPLICATIONS

SEC. 2006. [300z-5] (a) An application for a grant for a demonstration project for services under this title shall be in such form and contain such information as the Secretary may require, and shall include—

(1) an identification of the incidence of adolescent pregnancy and related problems;

(2) a description of the economic conditions and income levels in the geographic area to be served;

(3) a description of existing pregnancy prevention services and programs of care for pregnant adolescents and adolescent parents (including adoption services), and including where, how, by whom, and to which population groups such services are provided, and the extent to which they are coordinated in the geographic area to be served;

(4) a description of the major unmet needs for services for adolescents at risk of initial or recurrent pregnancies and an estimate of the number of adolescents not being served in the area;

(5)(A) in the case of an applicant who will provide care services, a description of how all core services will be provided in the demonstration project using funds under this title or will otherwise be provided by the grantee in the area to be served, the population to which such services will be provided, how such services will be coordinated, integrated, and linked with other related programs and services and the source or sources of funding of such core services in the public and private sectors; or

(B) in the case of an applicant who will provide prevention services, a description of the necessary services to be provided and how the applicant will provide such services;

(6) a description of the manner in which adolescents needing services other than the services provided directly by the applicant will be identified and how access and appropriate referral to such other services (such as medicaid; licensed adoption agencies; maternity home services; public assistance; employment services; child care services for adolescent parents; and other city, county, and State programs related to adolescent pregnancy) will be provided, including a description of a plan to coordinate such other services with the services supported under this title;

(7) a description of the applicant's capacity to continue services as Federal funds decrease and in the absence of Federal assistance;

(8) a description of the results expected from the provision of services, and the procedures to be used for evaluating those results;

(9) a summary of the views of public agencies, providers of services, and the general public in the geographic area to be served, concerning the proposed use of funds provided for a demonstration project for services under this title and a description of procedures used to obtain those views, and, in the case of applicants who propose to coordinate services administered by a State, the written comments of the appropriate State officials responsible for such services;

(10) assurances that the applicant will have an ongoing quality assurance program;

(11) assurances that, where appropriate, the applicant shall have a system for maintaining the confidentiality of patient records in accordance with regulations promulgated by the Secretary;

(12) assurances that the applicant will demonstrate its financial responsibility by the use of such accounting procedures and other requirements as may be prescribed by the Secretary;

(13) assurances that the applicant (A) has or will have a contractual or other arrangement with the agency of the State (in which the applicant provides services) that administers or supervises the administration of a State plan approved under title XIX of the Social Security Act for the payment of all or a part of the applicant's costs in providing health services to persons who are eligible for medical assistance under such a State plan, or (B) has made or will make every reasonable effort to enter into such an arrangement;

(14) assurances that the applicant has made or will make and will continue to make every reasonable effort to collect appropriate reimbursement for its costs in providing health services to persons who are entitled to benefits under title V of the Social Security Act, to medical assistance under a State plan approved under title XIX of such Act, or to assistance for medical expenses under any other public assistance program or private health insurance program;

(15) assurances that the applicant has or will make and will continue to make every reasonable effort to collect appropriate reimbursement for its costs in providing services to per-

sons entitled to services under parts B and E of title IV and title XX of the Social Security Act;

(16)(A) a description of—

(i) the schedule of fees to be used in the provision of services, which shall comply with section 2004(c) and which shall be designed to cover all reasonable direct and indirect costs incurred by the applicant in providing services; and

(ii) a corresponding schedule of discounts to be applied to the payment of such fees, which shall comply with section 2004(c) and which shall be adjusted on the basis of the ability of the eligible person to pay;

(B) assurances that the applicant has made and will continue to make every reasonable effort—

(i) to secure from eligible persons payment for services in accordance with such schedules;

(ii) to collect reimbursement for health or other services provided to persons who are entitled to have payment made on their behalf for such services under any Federal or other government program or private insurance program; and

(iii) to seek such reimbursement on the basis of the full amount of fees for services without application of any discount; and

(C) assurances that the applicant has submitted or will submit to the Secretary such reports as the Secretary may require to determine compliance with this paragraph;

(17) assurances that the applicant will make maximum use of funds available under title X of this Act;

(18) assurances that the acceptance by any individual of family planning services or family planning information (including educational materials) provided through financial assistance under this title shall be voluntary and shall not be a prerequisite to eligibility for or receipt of any other service furnished by the applicant;

(19) assurances that fees collected by the applicant for services rendered in accordance with this title shall be used by the applicant to further the purposes of this title;

(20) assurances that the applicant, if providing both prevention and care services will not exclude or discriminate against any adolescent who receives prevention services and subsequently requires care services as a pregnant adolescent;

(21) a description of how the applicant will, as appropriate in the provision of services—

(A) involve families of adolescents in a manner which will maximize the role of the family in the solution of problems relating to the parenthood or pregnancy of the adolescent;

(B) involve religious and charitable organizations, voluntary associations, and other groups in the private sector as well as services provided by publicly sponsored initiatives;

(22)(A) assurances that—

- (i) except as provided in subparagraph (B) and subject to clause (ii), the applicant will notify the parents or guardians of any unemancipated minor requesting services from the applicant and, except as provided in subparagraph (C), will obtain the permission of such parents or guardians with respect to the provision of such services; and
- (ii) in the case of a pregnant unemancipated minor requesting services from the applicant, the applicant will notify the parents or guardians of such minor under clause (i) within a reasonable period of time;
- (B) assurances that the applicant will not notify or request the permission of the parents or guardian of any unemancipated minor without the consent of the minor—
- (i) who solely is requesting from the applicant pregnancy testing or testing or treatment for venereal disease;
- (ii) who is the victim of incest involving a parent; or
- (iii) if an adult sibling of the minor or an adult aunt, uncle, or grandparent who is related to the minor by blood certifies to the grantee that notification of the parents or guardians of such minor would result in physical injury to such minor; and
- (C) assurances that the applicant will not require, with respect to the provision of services, the permission of the parents or guardians of any pregnant unemancipated minor if such parents or guardians are attempting to compel such minor to have an abortion;
- (23) assurances that primary emphasis for services supported under this title shall be given to adolescents seventeen and under who are not able to obtain needed assistance through other means;
- (24) assurances that funds received under this title shall supplement and not supplant funds received from any other Federal, State, or local program or any private sources of funds; and
- (25) a plan for the conduct of, and assurances that the applicant will conduct, evaluations of the effectiveness of the services supported under this title in accordance with subsection (b).
