For a second violation occurring within 2 years of the first violation, the business or individual shall be subject to a civil penalty of not more than \$5,000. (A) LIMIT.—

(i) IN GENERAL.—Not sooner than the effective date of this section and subject to the requirements of clause (ii), the Attorney General may establish by regulation a single-transaction limit of 24 grams of phenylpropanolamine base for retail distributors. Notwithstanding any other provision of law, the single-transaction threshold quantity for phenylpropanolamine-containing compounds may not be lowered beyond that established in this paragraph.

(ii) CONDITIONS.—In order to establish a single-transaction limit of 24 grams of phenylpropanolamine base, the Attorney General shall establish, following notice, comment, and an informal hearing, that since the date of enactment of this Act there are a significant number of instances where ordinary over-the-counter phenylpropanolamine products as established in paragraph (45) of section 102 of the Controlled Substances Act (21 U.S.C. 802(45)), as added by this Act, sold by retail distributors as established in paragraph (46) in section 102 of the Controlled Substances Act (21 U.S.C. 802(46)), are being used as a significant source of precursor chemicals for illegal manufacture of a controlled substance in bulk.

(B) CONSIDERATIONS AND REPORT.—The Attorney General shall—

(i) in establishing a finding under paragraph (1)(A)(ii) or (2)(A)(ii) of this subsection, consult with the Secretary of Health and Human Services in order to consider the effects on public health that would occur from the establishment of new single transaction limits as provided in such paragraph; and
