* Date of appointment to Senate Committee on Armed Services.

The Senate Committees on Military Affairs, on the Militia, and Naval Affairs were established on December 10, 1816. The Committee on the Militia was merged with the Committee on Military Affairs in 1858 to form the Military Affairs and Militia Committee. However, in 1872 the Committee dropped "Militia" from its name. The Military Affairs and Naval Affairs Committee existed until 1947 when they were combined by the Legislative Reorganization Act of 1946 into a new standing committee, the current Armed Services Committee.

ARMED SERVICES COMMITTEE RULES OF PROCEDURE

(Adopted February 25, 1993)

1. *Regular Meeting Day and Time.* The regular meeting day of the committee shall be each Thursday at 10:00 a.m., unless the committee or the chairman directs otherwise.

2. *Additional Meetings.* The chairman may call such additional meetings as he deems necessary.

3. *Special Meetings.* Special meetings of the committee may be called by a majority of the members of the committee in accordance with paragraph 3 of Rule XXVI of the Standing Rules of the Senate.

4. *Open Meetings.* Each meeting of the committee, or any subcommittee thereof, including meetings to conduct hearings, shall be open to the public, except that a meeting or series of meetings by the committee or a subcommittee thereof on the same subject for a period of no more than fourteen (14) calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated below in clauses (a) through (f) would require the meeting to be closed, followed immediately by a record vote in open session by a majority of the members of the committee or subcommittee when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(a) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the foreign relations of the United States;

(b) will relate solely to matters of committee staff personnel or internal staff management or procedure;

(c) will tend to charge an individual with a crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise to expose an individual to public contempt or obloquy or will represent a clearly unwarranted invasion of the privacy of an individual;

(d) will disclose the identity of any informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(e) will disclose information relating to the trade secrets or financial or commercial information pertaining specifically to a given person if—

(1) an Act of Congress requires the information to be kept confidential by Government officers and employees;

or

(2) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(f) may divulge matters required to be kept confidential under other provisions of law or Government regulations.

5. *Presiding Officer.* The chairman shall preside at all meetings and hearings of the committee except that in his absence the ranking majority member present at the meeting or hearing shall preside unless by majority vote the committee provides otherwise.

6. *Quorum.* (a) A majority of the members of the committee are required to be actually present to report a matter or measure from the committee.

(b) Except as provided in subsections (a) and (c), and other than for the conduct of hearings, seven members of the committee shall constitute a quorum for the transaction of such business as may be considered by the committee.

(c) Three members of the committee, one of whom shall be a member of the minority party, shall constitute a quorum for the purpose of taking sworn testimony, unless otherwise ordered by a majority of the full committee.

(d) Proxy votes may not be considered for the purpose of establishing a quorum.

7. *Proxy Voting.* Proxy voting shall be allowed on all measures and matters before the committee. The vote by proxy of any member of the committee may be counted for the purpose of reporting any measure or matter to the Senate if the absent member casting such vote has been informed of the matter on which he is being recorded and has affirmatively requested that he be so recorded.

8. *Announcement of Votes.* The results of all rollcall votes taken in any meeting of the committee on any measure, or amendment thereto, shall be announced in the committee report, unless previously announced by the committee. The announcement shall include a tabulation of the votes cast in favor and votes cast in opposition to each such measure and amendment by each member of the committee who was present at such meeting. The chairman may hold open a rollcall vote on any measure or matter which is before the committee until no later than midnight of the day on which the committee votes on such measure or matter.

9. *Subpoenas.* Subpoenas for attendance of witnesses and for the production of memoranda, documents, records, and the like may be issued by the chairman or any other member designated by him, but only when authorized by a majority

of the members of the committee. The subpoena shall briefly state the matter to which the witness is expected to testify or the documents to be produced.

10. *Hearings.* (a) Public notice shall be given of the date, place, and subject matter of any hearing to be held by the committee, or any subcommittee thereof, at least 1 week in advance of such hearing, unless the committee or subcommittee determines that good cause exists for beginning such hearings at an earlier time.

(b) Hearings may be initiated only by the specified authorization of the committee or subcommittee.

(c) Hearings shall be held only in the District of Columbia unless specifically authorized to be held elsewhere by a majority vote of the committee or subcommittee conducting such hearings.

(d) Witnesses appearing before the committee shall file with the clerk of the committee a written statement of his proposed testimony at least 24 hours not including weekends or holidays prior to a hearing at which he is to appear unless the chairman and the ranking minority member determines that there is good cause for the failure of the witness to file such a statement.

(e) Confidential testimony taken or confidential material presented in a closed hearing of the committee or subcommittee or any report of the proceedings of such hearing shall not be made public in whole or in part or by way of summary unless authorized by a majority vote of the committee or subcommittee.

(f) Any witness summoned to give testimony or evidence at a public or closed hearing of the committee or subcommittee may be accompanied by counsel of his own choosing who shall be permitted at all times during such hearing to advise such witness of his legal rights.

(g) Witnesses providing unsworn testimony to the committee may be given a transcript of such testimony for the purpose of making minor grammatical corrections. Such witnesses will not, however, be permitted to alter the substance of their testimony. Any question involving such corrections shall be decided by the chairman.

11. *Nominations.* Unless otherwise ordered by the committee, nominations referred to the committee shall be held for at least seven (7) days before being voted on by the committee. Each member of the committee shall be furnished a copy of all nominations referred to the committee.

12. *Real Property Transactions.* Each member of the committee shall be furnished with a copy of the proposals of the Secretaries of the Army, Navy, and Air Force, submitted pursuant to 10 U.S.C. 2662 and with a copy of the proposals of the Director of the Federal Emergency Management Agency, submitted pursuant to 50 U.S.C. App. 2285, regarding the proposed acquisition or disposition of property of an estimated price or rental of more than \$50,000. Any member of the committee objecting to or requesting information on a proposed acquisition or disposal shall communicate his objection or request to the chairman of the committee within thirty (30) days from the date of submission.

13. *Legislative Calendar.* (a) The clerk of the committee shall keep a printed calendar for the information of each committee member showing the bills introduced and referred to the committee and the status of such bills. Such calendar shall be revised from time to time to show pertinent changes in such bills, the current status thereof, and new bills introduced and referred to the committee. A copy of each new revision shall be furnished to each member of the committee.

(b) Unless otherwise ordered, measures referred to the committee shall be referred by the clerk of the committee to the appropriate department or agency of the Government for reports thereon.

14. Except as otherwise specified herein, the Standing Rules of the Senate shall govern the actions of the committee. Each subcommittee of the committee is part of the committee, and is therefore subject to the committee's rules so far as applicable.

15. *Powers and Duties of Subcommittees.* Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full committee on all matters referred to it. Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of full committee and subcommittee meetings or hearings whenever possible.
