COMMITTEE RULES

Adopted January 23, 2007

RULE I. GENERAL PROVISIONS.

(A) *Applicability of the Rules of the U.S. House of Representatives.*—The Rules of the U.S. House of Representatives (the “House”) are the rules of the Committee on Homeland Security (the “Committee”) and its subcommittees insofar as applicable.

(B) *Applicability to Subcommittees.*—Except where the terms “Full Committee” and “subcommittee” are specifically mentioned, the following rules shall apply to the Committee’s subcommittees and their respective Chairmen and Ranking Minority Members to the same extent as they apply to the Full Committee and its Chairman and Ranking Minority Member.

(C) *Appointments by the Chairman.*—The Chairman shall designate a Member of the Majority party to serve as Vice Chairman of the Full Committee. The Vice Chairman of the Full Committee shall preside at any meeting or hearing of the Full Committee during the temporary absence of the Chairman. In the absence of both the Chairman and Vice Chairman, the Chairman’s designee shall preside.

(D) *Recommendation of Conferees.*—Whenever the Speaker of the House is to appoint a conference committee on a matter within the jurisdiction of the Full Committee, the Chairman shall recommend to the Speaker of the House conferees from the Full Committee. In making recommendations of Minority Members as conferees, the Chairman shall do so with the concurrence of the Ranking Minority Member of the Committee.

(E) *Motions To Disagree.*—The Chairman is directed to offer a motion under clause 1 of Rule XXII of the Rules of the House whenever the Chairman considers it appropriate.

(F) *Committee Website.*—The Chairman shall maintain an official Committee web site for the purposes of furthering the Committee’s legislative and oversight responsibilities, including communicating information about the Committee’s activities to Committee Members, other Members and the public at large. The Ranking Minority Member may maintain a similar website for the same purposes.

RULE II.—TIME OF MEETINGS.

(A) *Regular Meeting Date.*—The regular meeting date and time for the transaction of business of the Full Committee shall be on the first Wednesday that the House is in Session each month, unless otherwise directed by the Chairman.

(B) *Additional Meetings*.—At the discretion of the Chairman, additional meetings of the Committee may be scheduled for the consideration of any bill or other matters pending before the Committee or to conduct other Committee business. The Committee shall meet for such purposes pursuant to the call of the Chairman.

(C) *Consideration*.—Except in the case of a special meeting held under clause 2(c)(2) of House Rule XI, the determination of the business to be considered at each meeting of the Committee shall be made by the Chairman.

RULE III.—NOTICE AND PUBLICATION.

(A) Notice.—

(1) *Hearings*.—The date, time, place and subject matter of any hearing of the Committee shall, except as provided in the Committee rules, be announced by notice at least one week in advance of the commencement of such hearing. The names of all witnesses scheduled to appear at such hearing shall be provided to Members no later than 48 hours prior to the commencement of such hearing. These notice requirements may be waived by the Chairman with the concurrence of the Ranking Minority Member.

(2) *Meetings*. — The date, time, place and subject matter of any meeting, other than a hearing or a regularly scheduled meeting, shall be announced at least 36 hours in advance of a meeting to take place on a day the House is in session, and 72 hours in advance of a meeting to take place on a day the House is not in session, except in the case of a special meeting called under clause 2(c)(2) of House Rule XI. These notice requirements may be waived by the Chairman with the concurrence of the Ranking Minority Member.

(a) Copies of any measure to be considered for approval by the Committee at any meeting, including any mark, print or amendment in the nature of a substitute shall be provided to the Members at least 24 hours in advance.

(b) The requirement in subsection (a) may be waived or abridged by the Chairman, with advance notice to the Ranking Minority Member.

(3) *Publication*. — The meeting or hearing announcement shall be promptly published in the Daily Digest portion of the Congressional Record. To the greatest extent practicable, meeting announcements shall be entered into the Committee scheduling service of the House Information Resources.

RULE IV.—OPEN MEETINGS AND HEARINGS; BROADCASTING.

(A) *Open Meetings*. — All meetings and hearings of the Committee shall be open to the public including to radio, television and still photography coverage, except as provided by Rule XI of the Rules of the House or when the Committee, in open session and with a Majority present, determines by recorded vote

that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, compromise sensitive law enforcement information, tend to defame, degrade or incriminate a witness, or violate any law or rule of the House of Representatives.

(B) *Broadcasting.* — Whenever any hearing or meeting conducted by the Committee is open to the public, the Committee shall permit that hearing or meeting to be covered by television broadcast, internet broadcast, print media, and still photography, or by any of such methods of coverage, in accordance with the provisions of clause 4 of Rule XI of the Rules of the House. Operation and use of any Committee operated broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of Rule XI and all other applicable rules of the Committee and the House. Priority shall be given by the Committee to members of the Press Galleries.

(C) *Transcripts.*—A transcript shall be made of the testimony of each witness appearing before the Committee during a Committee hearing. All transcripts of meetings or hearings that are open to the public shall be made available.

RULE V.—PROCEDURES FOR MEETINGS AND HEARINGS.

(A) *Opening Statements.*—At any meeting of the Committee, the Chairman and Ranking Minority Member shall be entitled to present oral opening statements of five minutes each. Other Members may submit written opening statements for the record. The Chairman presiding over the meeting may permit additional opening statements by other Members of the Full Committee or of that subcommittee, with the concurrence of the Ranking Minority Member.

(B) *The Five-Minute Rule.*—The time any one Member may address the Committee on any bill, motion, or other matter under consideration by the Committee shall not exceed five minutes, and then only when the Member has been recognized by the Chairman, except that this time limit may be extended when permitted by unanimous consent.

(C) *Postponement of Vote.*—The Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman may resume proceedings on a postponed vote at any time, provided that all reasonable steps have been taken to notify Members of the resumption of such proceedings. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(D) *Contempt Procedures.*—No recommendation that a person be cited for contempt of Congress shall be forwarded to the House unless and until the Full Committee has, upon notice to all its Members, met and considered the alleged contempt. The person to be cited for contempt shall be afforded, upon notice

of at least 72 hours, an opportunity to state why he or she should not be held in contempt prior to a vote of the Full Committee, with a quorum being present, on the question whether to forward such recommendation to the House. Such statement shall be, in the discretion of the Chairman, either in writing or in person before the Full Committee.

RULE VI.—WITNESSES.

(A) *Questioning of Witnesses.*—

(1) Questioning of witnesses by Members will be conducted under the five-minute rule unless the Committee adopts a motion permitted by House Rule XI (2)(j)(2).

(2) In questioning witnesses under the 5-minute rule, the Chairman and the Ranking Minority Member shall first be recognized. In a subcommittee meeting or hearing, the Chairman and Ranking Minority Member of the Full Committee are then recognized. All other Members that arrive before the commencement of the meeting or hearing will be recognized in the order of seniority on the Committee, alternating between Majority and Minority Members. Committee Members arriving after the commencement of the hearing shall be recognized in order of appearance, alternating between Majority and Minority Members, after all Members present at the beginning of the hearing have been recognized. Each Member shall be recognized at least once before any Member is given a second opportunity to question a witness.

(3) The Chairman, in consultation with the Ranking Minority Member, or the Committee by motion may permit an extension of the period of questioning of a witness beyond five minutes but the time allotted must be equally apportioned to the Majority party and the Minority and may not exceed one hour in the aggregate.

(4) The Chairman, in consultation with the Ranking Minority Member, or the Committee by motion may permit Committee staff of the Majority and Minority to question a witness for a specified, total period that is equal for each side and not longer than 30 minutes for each side.

(B) *Minority Witnesses.*—Whenever a hearing is conducted by the Committee upon any measure or matter, the Minority party Members on the Committee shall be entitled, upon request to the Chairman by a Majority of those Minority Members before the completion of such hearing, to call witnesses selected by the Minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(C) *Oath or Affirmation.*—The Chairman of the Committee or any Member designated by the Chairman, may administer an oath to any witness.

(D) *Statements by Witnesses.*—

(1) Consistent with the notice given, witnesses shall submit a prepared or written statement for the record of the proceedings (including, where practicable, an electronic

copy) with the Clerk of the Committee no less than 48 hours in advance of the witness's appearance before the Committee. Unless the 48 hour requirement is waived or otherwise modified by the Chairman after consultation with the Ranking Minority Member, the failure to comply with this requirement may result in the exclusion of the written testimony from the hearing record and/or the barring of an oral presentation of the testimony.

(2) To the greatest extent practicable, the written testimony of each witness appearing in a non-governmental capacity shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or sub-contract thereof) received during the current fiscal year or either of the two preceding fiscal years by the witness or by an entity represented by the witness to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, the hearing.

RULE VII.—QUORUM.

Quorum Requirements.—Two Members shall constitute a quorum for purposes of taking testimony and receiving evidence. One-third of the Members of the Committee shall constitute a quorum for conducting business, except for (1) reporting a measure or recommendation; (2) closing Committee meetings to the public, pursuant to Committee Rule IV; (3) authorizing the issuance of subpoenas; and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law. The Chairman shall make reasonable efforts, including consultation with the Ranking Minority Member when scheduling meetings and hearings, to ensure that a quorum for any purpose will include at least one minority Member of the Committee.

RULE VIII.—DECORUM.

(A) *Breaches of Decorum.*—The Chairman may punish breaches of order and decorum, by censure and exclusion from the hearing; and the Committee may cite the offender to the House for contempt.

- (6) Subcommittee on Management, Investigations, and Oversight.

(B) *Selection and Ratio of Subcommittee Members.*—The Chairman and Ranking Member of the Full Committee shall select their respective Members of each subcommittee. The ratio of Majority to Minority Members shall be comparable to the ratio of Majority to Minority Members on the Full Committee, except that each subcommittee shall have at least two more Majority Members than Minority Members.

(C) *Ex Officio Members.*—The Chairman and Ranking Minority Member of the Full Committee shall be *ex officio* members of each subcommittee but are not authorized to vote on matters that arise before each subcommittee. The Chairman and Ranking Minority Member of the Full Committee shall not be counted to satisfy the quorum requirement for any purpose other than taking testimony unless they are regular members of that subcommittee.

(D) *Powers and Duties of Subcommittees.*—Except as otherwise directed by the Chairman of the Full Committee, each subcommittee is authorized to meet, hold hearings, receive testimony, mark up legislation, and report to the Full Committee on all matters within its purview. Subcommittee Chairmen shall set hearing and meeting dates only with the approval of the Chairman of the Full Committee. To the greatest extent practicable, no more than one meeting and hearing should be scheduled for a given time.

(E) *Special Voting Provision.*—If a tie vote occurs in a subcommittee on the question of reporting any measure to the Full Committee, the measure shall be placed on the agenda for Full Committee consideration as if it had been ordered reported by the subcommittee without recommendation.

(F) *Task Forces or Select Subcommittees.*—The Chairman, with the concurrence of the Ranking Minority Member, may create task forces of limited duration to carry out specifically enumerated duties and functions within the jurisdiction of the Committee subject to any limitations provided for in the House Rules or other Caucus or Conference Rules. Any task force created under this rule shall be subject to all applicable Committee and House rules and other laws in the conduct of its duties and functions.

RULE X.—REFERRALS TO SUBCOMMITTEES.

Referral of Bills and Other Matters by Chairman.—Except for bills and other matters retained by the Chairman for Full

Committee consideration, each bill or other matters referred to the Full Committee shall be referred by the Chairman to one or more subcommittees. In referring any measure or matter to a subcommittee, the Chair may specify a date by which the subcommittee shall report thereon to the Full Committee. Bills or other matters referred to subcommittees may be reassigned or discharged by the Chairman.

RULE XI.—SUBPOENAS.

(A) *Authorization.*—Pursuant to clause 2(m) of Rule XI of the House, a subpoena may be authorized and issued under the seal of the House and attested by the Clerk of the House, and may be served by any person designated by the Full Committee for the furtherance of an investigation with authorization by—

(1) a majority of the Full Committee, a quorum being present; or

(2) the Chairman of the Full Committee, after consultation with the Ranking Minority Member of the Full Committee, during any period for which the House has adjourned for a period in excess of 3 days when, in the opinion of the Chairman of the Full Committee, authorization and issuance of the subpoena is necessary to obtain the material or testimony set forth in the subpoena. The Chairman of the Full Committee shall notify Members of the Committee of the authorization and issuance of a subpoena under this rule as soon as practicable, but in no event later than one week after service of such subpoena.

(B) *Disclosure.*—Provisions may be included in a subpoena with the concurrence of the Chairman and the Ranking Minority Member of the Full Committee, or by the Committee, to prevent the disclosure of the Full Committee's demands for information when deemed necessary for the security of information or the progress of an investigation, including but not limited to prohibiting the revelation by witnesses and their counsel of Full Committee's inquiries.

(C) *Subpoena duces tecum.*—A *subpoena duces tecum* may be issued whose return to the Committee Clerk shall occur at a time and place other than that of a regularly scheduled meeting.

(D) *Affidavits and Depositions.*—The Chairman of the Full Committee, in consultation with the Ranking Minority Member of the Full Committee, or the Committee may authorize the taking of an affidavit or deposition with respect to any person who is subpoenaed under these rules but who is unable to appear in person to testify as a witness at any hearing or meeting. Notices for the taking of depositions shall specify the date, time and place of examination. Depositions shall be taken under oath administered by a Member or a person otherwise authorized by law to administer oaths. Prior consultation with the Ranking Minority Member of the Full Committee shall include written notice three business days before any deposition

is scheduled to provide an opportunity for Minority staff to be present during the questioning.

RULE XII.—COMMITTEE STAFF.

(A) *Generally.*—Committee staff members are subject to the provisions of clause 9 of House Rule X and must be eligible to be considered for routine access to classified information.

(B) *Staff Assignments.*—For purposes of these rules, Committee staff means the employees of the Committee, detailees, fellows or any other person engaged by contract or otherwise to perform services for, or at the request of, the Committee. All such persons shall be either Majority, Minority, or shared staff. The Chairman shall appoint, determine remuneration of, supervise and may remove Majority staff. The Ranking Minority Member shall appoint, determine remuneration of, supervise and may remove Minority staff. In consultation with the Ranking Minority Member, the Chairman may appoint, determine remuneration of, supervise and may remove shared staff that is assigned to service of the Committee. The Chairman shall certify Committee staff appointments, including appointments by the Ranking Minority Member, as required.

(C) *Divulgence of Information.*—Prior to the public acknowledgement by the Chairman or the Committee of a decision to initiate an investigation of a particular person, entity, or subject, no member of the Committee staff shall knowingly divulge to any person any information, including non-classified information, which comes into his or her possession by virtue of his or her status as a member of the Committee staff, if the member of the Committee staff has a reasonable expectation that such information may alert the subject of a Committee investigation to the existence, nature, or substance of such investigation, unless authorized to do so by the Chairman or the Committee.

RULE XIII.—MEMBER AND STAFF TRAVEL

(A) *Approval of Travel.*—Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, travel to be reimbursed from funds set aside for the Committee for any Member or any Committee staff shall be paid only upon the prior authorization of the Chairman. Travel may be authorized by the Chairman for any Member and any Committee staff only in connection with official Committee business, such as the attendance of hearings conducted by the Committee and meetings, conferences, site visits, and investigations that involve activities or subject matter under the general jurisdiction of the Full Committee.

(1) *Proposed Travel by Majority Party Members and Staff.*—

In the case of proposed travel by Majority party Members or Committee staff, before such authorization is given, there shall be submitted to the Chairman in writing the following: (a) the purpose of the travel; (b) the dates during which the travel is to be made and the date or dates of the event for which the travel is being made; (c) the location of the event for which the travel is to be made; and

(d) the names of Members and staff seeking authorization. On the basis of that information, the Chairman shall determine whether the proposed travel is for official Committee business, concerns subject matter within the jurisdiction of the Full Committee, and is not excessively costly in view of the Committee business proposed to be conducted.

(2) Proposed Travel by Minority Party Members and Staff.—

In the case of proposed travel by Minority party Members or Committee staff, the Ranking Minority Member shall provide to the Chairman a written representation setting forth the information specified in items (a), (b), (c), and (d) of subparagraph (1) and his or her determination that such travel complies with the other requirements of subparagraph (1).

*(B) Foreign Travel.—*All Committee Member and staff requests for Committee-funded foreign travel must be submitted to the Chairman, through the Chief Financial Officer of the Committee, not less than seven business days prior to the start of the travel. Within 60 days of the conclusion of any such foreign travel authorized under this rule, there shall be submitted to the Chairman a written report summarizing the information gained as a result of the travel in question, or other Committee objectives served by such travel.

RULE XIV.—CLASSIFIED AND OTHER CONFIDENTIAL INFORMATION.

*(A) Security Precautions.—*Committee staff offices, including Majority and Minority offices, shall operate under strict security precautions administered by the Security Officer of the Committee. A security officer shall be on duty at all times during normal office hours. Classified documents and sensitive but unclassified (SBU) documents (including but not limited to those marked with dissemination restrictions such as Sensitive Security Information (SSI), Law Enforcement Sensitive (LES), For Official Use Only (FOUO), or Critical Infrastructure Information (CII)) may be examined only in an appropriately secure manner. Such documents may be removed from the Committee's offices in furtherance of official Committee business. Appropriate security procedures shall govern the handing of such documents removed from the Committee's offices.

*(B) Temporary Custody of Executive Branch Material.—*Executive branch documents or other materials containing classified information in any form that were not made part of the record of a Committee hearing, did not originate in the Committee or the House, and are not otherwise records of the Committee shall, while in the custody of the Committee, be segregated and maintained by the Committee in the same manner as Committee records that are classified. Such documents and other materials shall be returned to the Executive branch agency from which they were obtained at the earliest practicable time.

(C) *Access by Committee Staff.*—Access to classified information supplied to the Committee shall be limited to Committee staff members with appropriate security clearance and a need-to-know, as determined by the Chairman and Ranking Minority Member and under their direction of the Majority and Minority Staff Directors.

(D) *Maintaining Confidentiality.*—No Member of the Committee or Committee staff shall disclose, in whole or in part or by way of summary, to any person who is not a Member of the Committee or an authorized member of Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, any testimony given before the Committee in executive session. Classified information and sensitive but unclassified (SBU) information (including but not limited to documents marked with dissemination restrictions such as Sensitive Security Information (SSI), Law Enforcement Sensitive (LES), For Official Use Only (FOUO), or Critical Infrastructure Information (CII)) shall be handled in accordance with all applicable provisions of law and consistent with the provisions of these rules.

(E) *Oath.*—Before a Member or Committee staff member may have access to classified information, the following oath (or affirmation) shall be executed:

I do solemnly swear (or affirm) that I will not disclose any classified information received in the course of my service on the Committee on Homeland Security, except as authorized by the Committee or the House of Representatives or in accordance with the Rules of such Committee or the Rules of the House.

Copies of the executed oath (or affirmation) shall be retained by the Clerk as part of the records of the Committee.

(F) *Disciplinary Action.*—The Chairman shall immediately consider disciplinary action in the event any Committee Member or member of the Committee staff fails to conform to the provisions of these rules governing the disclosure of classified or unclassified information. Such disciplinary action may include, but shall not be limited to, immediate dismissal from the Committee staff, criminal referral to the Justice Department, and notification of the Speaker of the House. With respect to Minority party staff, the Chairman shall consider such disciplinary action in consultation with the Ranking Minority Member.

RULE XV.—COMMITTEE RECORDS

(A) *Committee Records.*—Committee Records shall constitute all data, charts and files in possession of the Committee and shall be maintained in accordance with House Rule XI, clause 2(e).

(B) *Legislative Calendar.*—The Clerk of the Committee shall maintain a printed calendar for the information of each Committee Member showing any procedural or legislative measures considered or scheduled to be considered by the Committee, and the status of such measures and such other matters as the

Committee determines shall be included. The calendar shall be revised from time to time to show pertinent changes. A copy of such revisions shall be made available to each Member of the Committee upon request.

(C) *Members Right To Access.*—Members of the Committee and of the House shall have access to all official Committee Records. Access to Committee files shall be limited to examination within the Committee offices at reasonable times. Access to Committee Records that contain classified information shall be provided in a manner consistent with these rules.

(D) *Removal of Committee Records.*—Files and records of the Committee are not to be removed from the Committee offices. No Committee files or records that are not made publicly available shall be photocopied by any Member.

(E) *Executive Session Records.*—Evidence or testimony received by the Committee in executive session shall not be released or made available to the public unless agreed to by the Committee. Members may examine the Committee's executive session records, but may not make copies of, or take personal notes from, such records.

(F) *Public Inspection.*—The Committee shall keep a complete record of all Committee action including recorded votes. Information so available for public inspection shall include a description of each amendment, motion, order or other proposition and the name of each Member voting for and each Member voting against each such amendment, motion, order, or proposition, as well as the names of those Members present but not voting. Such record shall be made available to the public at reasonable times within the Committee offices.

(G) *Separate and Distinct.*—All Committee records and files must be kept separate and distinct from the office records of the Members serving as Chairman and Ranking Minority Member. Records and files of Members' personal offices shall not be considered records or files of the Committee.

(H) *Disposition of Committee Records.*—At the conclusion of each Congress, non-current records of the Committee shall be delivered to the Archivist of the United States in accordance with Rule VII of the Rules of the House.

(I) *Archived Records.*—The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the Rules of the House. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the Rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee. COMMITTEE ON HOMELAND SECURITY SECURITY AND ACCESS CONTROL POLICY

March 5, 2007

In accordance with Executive Order 12958 (Classified National Security Information) and Rule XIV of the Committee on Homeland Security (“Committee”), the following Security and Access Control Policy is established. It shall apply to Members of Congress, as well as all Majority and Minority professional staff members, inter-agency detailees, and fellows (collectively “Committee personnel”). It is effective from the time of this writing through the end of the 110th Congress.

Section 1. Committee Security Officer

Subsection A. The Committee shall designate a professional staff member, interagency detailee, or fellow to serve as the Committee’s full-time Security Officer. The Security Officer shall serve as the principle security liaison for the Committee with the National Intelligence Council, the Office of the Director of National Intelligence, and the 16 members of the Intelligence Community.

Subsection B. The Committee Security Officer is the principle liaison with the Capitol Police, and coordinates security requests for classified hearings and briefings, as well as meetings and travel for the Members. In addition, the Security Officer shall serve as the point of contact regarding threats to Committee Members or witnesses, as appropriate, while Committee business is occurring.

Subsection C. The Security Officer provides properly justified requests for security clearances to the Sergeant at Arms, and tracks the completion of security clearances for staff. The Security Officer serves as the point-of-contact for the Sergeant of Arms on all security and clearance matters for the Committee.

Subsection D. The Security Officer is responsible for receiving, inventorying, distributing, tracking, and destroying the Committee’s classified holdings, in accordance with Department of Defense (DoD) and Central Intelligence Agency (CIA) procedures. Responsibilities also include SCIF access controls, clearance processing for meetings on and outside Capitol Hill, and clearance request processing and tracking.

Subsection E. The Security Officer is responsible for the enforcement of this Security and Access Control Policy. The Secu-

urity Officer is responsible for conducting investigations into the mishandling of classified or sensitive materials, violations of the Security and Access Control Policy, or any other breach of security in cooperation with the Sergeant at Arms or other relevant authorities. In this capacity, the Security Officer shall report to the Chairman and the Ranking Member, as appropriate, any violations of the policy, as well as Committee and House Rules relating to the protection of classified information.

Subsection F. The Security Officer shall arrange for all staff with clearances to receive a yearly mandatory training session on the proper use, storage, handling, and destruction of classified and sensitive materials.

Subsection G. The Security Officer shall carry out his/her duties in a fair and non-partisan manner, providing the same consideration and right of access to classified Committee holdings to Members and Committee personnel from both the majority and minority parties.

Section 2. Appropriate Committee Space; Access to SCIF

Subsection A. (1) Currently, the Sensitive Compartmented Information Facility (SCIF) located in H2-176A Ford House Office Building is the only Committee office area officially designated as secure for the purpose of processing, storing, discussing, transmitting, reproducing or disposing of classified information for the normal course of day-to-day Committee business.

(2) Any such processing, storing, discussing, transmitting, reproducing or disposing of classified information in the common areas of Committee offices or otherwise outside a SCIF or properly secured area is prohibited, except that 1) classified information may, as deemed appropriate, be displayed, disseminated, and discussed in a Committee hearing room during closed session pursuant to House Rule XI and Committee Rule IV, following a security sweep of the premises, and 2) certain classified materials may, as appropriate, be reviewed and discussed in an appropriately secured area or on a secure phone that has been approved by the Security Officer. Under no circumstances, however, should personnel or Members discuss classified information over unsecured telephones, in public conveyances or places, or in any other manner that permits interception by unauthorized persons.

(3) This policy applies to documents, material, and information provided to the Committee by congressional or executive branch entities or generated by the Committee in the course of its activities that bear a classification of Confidential, Secret or Top Secret, including all codeword and special access classified information.

(4) Electronic communication devices (including but not limited to BlackBerries, cellular phones, PDAs and/or pagers) cannot be taken into the SCIF. Committee personnel will make arrangements for the proper safekeeping of such devices outside the meeting room.

Subsection B. The Security Officer will arrange for the House Identification cards of the Majority and Minority Staff Directors, the Chief Clerk, and the Intelligence, Information Sharing and Terrorism Risk Assessment Subcommittee Majority and Minority Directors to unlock and access the SCIF during working hours. Access to the SCIF will include the ability to access and use the equipment, technology, and resources (e.g. designated safe(s), STE, and classified computer(s)) located in the SCIF. Any additional Committee staff SCIF ID access requests must be approved by the Majority Staff Director or Minority Staff Director. These individuals will also be provided individual access to the Committee's classified computer system for the creation and storage of classified Committee documents.

5. (a)(1) The standing committees specified in clause 1 shall be elected by the House within seven calendar days after the commencement of each Congress, from nominations submitted by the respective party caucus or conference. A resolution proposing to change the composition of a standing committee shall be privileged if offered by direction of the party caucus or conference concerned.

(b)(1) Membership on a standing committee during the course of a Congress shall be contingent on continuing membership in the party caucus or conference that nominated the Member, Delegate, or Resident Commissioner concerned for election to such committee. Should a Member, Delegate, or Resident Commissioner cease to be a member of a particular party caucus or conference, that Member, Delegate, or Resident Commissioner shall automatically cease to be a member of each standing committee to which he was elected on the basis of nomination by that caucus or conference. (C) In this subparagraph the term “subcommittee” includes a panel (other than a special oversight panel of the Committee on Armed Services), task force, special subcommittee, or other subunit of a standing committee that is established for a cumulative period longer than six months in a Congress.

(c)(1) One of the members of each standing committee shall be elected by the House, on the nomination of the majority party caucus or conference, as chairman thereof. In the temporary absence of the chairman, the member next in rank (and so on, as often as the case shall happen) shall act as chairman. Rank shall be determined by the order members are named in resolutions electing them to the committee. In the case of a permanent vacancy in the elected chairmanship of a committee, the House shall elect another chairman.

(2) Except in the case of the Committee on Rules, a member of a standing committee may not serve as chairman of the same standing committee, or of the same subcommittee of a standing committee, during more than three consecutive Congresses (disregarding for this purpose any service for less than a full session in a Congress).

(a)(1) Subject to subparagraph (2) and paragraph (f), each standing committee may appoint, by majority vote, not more than 30 professional staff members to be compensated from the funds provided for the appointment of committee staff by primary and additional expense resolutions. Each professional staff member appointed under this subparagraph shall be assigned to the chairman and the ranking minority member of the committee, as the committee considers advisable.

(2) Subject to paragraph (f) whenever a majority of the minority party members of a standing committee (other than the Committee on Standards of Official Conduct or the Permanent Select Committee on Intelligence) so request, not more than 10 persons (or one-third of the total professional committee staff appointed under this clause, whichever is fewer) may be selected, by majority vote of the minority party members, for appointment by the committee as professional staff members under subparagraph (1). The committee shall appoint persons so selected whose character and qualifications are acceptable to a majority of the committee. If the committee determines that the character and qualifications of a person so selected are unacceptable, a majority of the minority party members may select another person for appointment by the committee to the professional staff until such appointment is made. Each professional staff member appointed under this subparagraph shall be assigned to such committee business as the minority party members of the committee consider advisable.

(b)(1) The professional staff members of each standing committee—

(A) may not engage in any work other than committee business during congressional working hours; and

(B) may not be assigned a duty other than one pertaining to committee business.

(2)(A) Subparagraph (1) does not apply to staff designated by a committee as “associate” or “shared” staff who are not paid exclusively by the committee, provided that the chairman certifies that the compensation paid by the committee for any such staff is commensurate with the work performed for the committee in accordance with clause 8 of rule XXIII.

(B) The use of any “associate” or “shared” staff by a committee other than the Committee on Appropriations shall be subject to the review of, and to any terms, conditions, or limitations established by, the Committee on House Administration in connection with the reporting of any primary or additional expense resolution.

(c) Each employee on the professional or investigative staff of a standing committee shall be entitled to pay at a single gross per annum rate, to be fixed by the chairman and that does not exceed the maximum rate of pay as in effect from time to time under applicable provisions of law.

(d) Subject to appropriations hereby authorized, the Committee on Appropriations may appoint by majority vote such staff as it determines to be necessary (in addition to the clerk of the committee and assistants for the minority). The staff appointed under this paragraph, other than minority assistants, shall possess such qualifications as the committee may prescribe.

(e) A committee may not appoint to its staff an expert or other personnel detailed or assigned from a department or agency of the Government except with the written permission of the Committee on House Administration.

(f) If a request for the appointment of a minority professional staff member under paragraph (a) is made when no vacancy exists for such an appointment, the committee nevertheless may appoint under paragraph (a) a person selected by the minority and acceptable to the committee. A person so appointed shall serve as an additional member of the professional staff of the committee until such a vacancy occurs (other than a vacancy in the position of head of the professional staff, by whatever title designated), at which time that person is considered as appointed to that vacancy. Such a person shall be paid from the applicable accounts of the House described in clause 1(j)(1) of rule X. If such a vacancy occurs on the professional staff when seven or more persons have been so appointed who are eligible to fill that vacancy, a majority of the minority party members shall designate which of those persons shall fill the vacancy.

(g) Each staff member appointed pursuant to a request by minority party members under paragraph (a), and each staff member appointed to assist minority members of a committee pursuant to an expense resolution described in clause 6(a), shall be accorded equitable treatment with respect to the fixing of the rate of pay, the assignment of work facilities, and the accessibility of committee records.

(h) Paragraph (a) may not be construed to authorize the appointment of additional professional staff members of a committee pursuant to a request under paragraph (a) by the minority party members of that committee if 10 or more professional staff members provided for in paragraph (a)(1) who are satisfactory to a majority of the minority party members are otherwise assigned to assist the minority party members.

(i) Notwithstanding paragraph (a)(2), a committee may employ nonpartisan staff, in lieu of or in addition to committee staff designated exclusively for the majority or minority party, by an affirmative vote of a majority of the members of the majority party and of a majority of the members of the minority party.

(B) Each subcommittee is a part of its committee and is subject to the authority and direction of that committee and to its rules, so far as applicable.

(2) (A) In a committee or subcommittee

(i) a motion to recess from day to day, or to recess subject to the call of the Chair (within 24 hours), shall be privileged: and

(ii) a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available.

(B) A motion accorded privilege under this paragraph shall be decided without debate.

(b) (1) Each committee may conduct at any time such investigations and studies as it considers necessary or appropriate in the exercise of its responsibilities under rule X. Subject to the adoption of expense resolutions as required by clause 6 of rule X, each committee may incur expenses, including travel expenses, in connection with such investigations and studies.

(2) A proposed investigative or oversight report shall be considered as read in committee if it has been available to the members for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day).

(3) A report of an investigation or study conducted jointly by more than one committee may be filed jointly, provided that each of the committees complies independently with all requirements for approval and filing of the report.

(4) After an adjournment sine die of the last regular session of a Congress, an investigative or oversight report may be filed with the Clerk at any time, provided that a member who gives timely notice of intention to file supplemental, minority, or additional views shall be entitled to not less than seven calendar days in which to submit such views for inclusion in the report.

(c) Each committee may have printed and bound such testimony and other data as may be presented at hearings held by the committee or its subcommittees. All costs of stenographic services and transcripts in connection with a meeting or hearing of a committee shall be paid from the applicable accounts of the House described in clause 1(j)(1) of rule X.

(d) (1) Each committee shall submit to the House not later than January 2 of each odd-numbered year a report on the activities of that committee under this rule and rule X dur-

ing the Congress ending at noon on January 3 of such year.

(2) Such report shall include separate sections summarizing the legislative and oversight activities of that committee during that Congress.

(3) The oversight section of such report shall include a summary of the oversight plans submitted by the committee under clause 2(d) of rule X, a summary of the actions taken and recommendations made with respect to each such plan, a summary of any additional oversight activities undertaken by that committee, and any recommendations made or actions taken thereon.

(4) After an adjournment sine die of the last regular session of a Congress, the chairman of a committee may file an activities report under subparagraph (1) with the Clerk at any time and without approval of the committee, provided that

(A) a copy of the report has been available to each member of the committee for at least seven calendar days; and

(B) the report includes any supplemental, minority, or additional views submitted by a member of the committee.

Adoption of written rules

2. (a)(1) Each standing committee shall adopt written rules governing its procedure. Such rules—

(A) shall be adopted in a meeting that is open to the public unless the committee, in open session and with a quorum present, determines by record vote that all or part of the meeting on that day shall be closed to the public;

(B) may not be inconsistent with the Rules of the House or with those provisions of law having the force and effect of Rules of the House; and

(C) shall in any event incorporate all of the succeeding provisions of this clause to the extent applicable.

(2) Each committee shall submit its rules for publication in the Congressional Record not later than 30 days after the committee is elected in each odd-numbered year.

(3) A committee may adopt a rule providing that the chairman be directed to offer a motion under clause 1 of rule XXII whenever the chairman considers it appropriate.

Regular meeting days

(b) Each standing committee shall establish regular meeting days for the conduct of its business, which shall be not less frequent than monthly. Each such committee shall meet for the consideration of a bill or resolution pending before the committee or the transaction of other committee business on all regular meeting days fixed by the committee unless otherwise provided by written rule adopted by the committee.

Additional and special meetings

(c)(1) The chairman of each standing committee may call and convene, as he considers necessary, additional and special meetings of the committee for the consideration of a bill or resolution pending before the committee or for the conduct of other committee business, subject to such rules as the committee may adopt. The committee shall meet for such purpose under that call of the chairman.

(2) Three or more members of a standing committee may file in the offices of the committee a written request that the chairman call a special meeting of the committee. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the committee shall notify the chairman of the filing of the request. If the chairman does not call the requested special meeting within three calendar days after the filing of the request (to be held within seven calendar days after the filing of the request) a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held. The written notice shall specify the date and hour of the special meeting and the measure or matter to be considered. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered. Only the measure or matter specified in that notice may be considered at that special meeting.

Temporary absence of chairman

(d) A member of the majority party on each standing committee or subcommittee thereof shall be designated by the chairman of the full committee as the vice chairman of the committee or subcommittee, as the case may be, and shall preside during the absence of the chairman from any meeting. If the chairman and vice chairman of a committee or subcommittee are not present at any meeting of the committee or subcommittee, the ranking majority member who is present shall preside at that meeting.

Committee records

(e)(1)(A) Each committee shall keep a complete record of all committee action which shall include—

- (i) in the case of a meeting or hearing transcript, a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical, and typographical corrections authorized by the person making the remarks involved; and
- (ii) a record of the votes on any question on which a record vote is demanded.

(B)(i) Except as provided in subdivision (B)(ii) and subject to paragraph (k)(7), the result of each such

record vote shall be made available by the committee for inspection by the public at reasonable times in its offices. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition, the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members of the committee present but not voting.

(ii) The result of any record vote taken in executive session in the Committee on Standards of Official Conduct may not be made available for inspection by the public without an affirmative vote of a majority of the members of the committee.

(2)(A) Except as provided in subdivision (B), all committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the member serving as its chairman. Such records shall be the property of the House, and each Member, Delegate, and the Resident Commissioner shall have access thereto.

(B) A Member, Delegate, or Resident Commissioner, other than members of the Committee on Standards of Official Conduct, may not have access to the records of that committee respecting the conduct of a Member, Delegate, Resident Commissioner, officer, or employee of the House without the specific prior permission of that committee.

(3) Each committee shall include in its rules standards for availability of records of the committee delivered to the Archivist of the United States under rule VII. Such standards shall specify procedures for orders of the committee under clause 3(b)(3) and clause 4(b) of rule VII, including a requirement that nonavailability of a record for a period longer than the period otherwise applicable under that rule shall be approved by vote of the committee.

(4) Each committee shall make its publications available in electronic form to the maximum extent feasible.

Resolutions of inquiry

7. A report on a resolution of inquiry addressed to the head of an executive department may be filed from the floor as privileged. If such a resolution is not reported to the House within 14 legislative days after its introduction, a motion to discharge a committee from its consideration shall be privileged.

Prohibition against proxy voting

(f) A vote by a member of a committee or subcommittee with respect to any measure or matter may not be cast by proxy.

Open meetings and hearings

(g)(1) Each meeting for the transaction of business, including the markup of legislation, by a standing committee or subcommittee thereof (other than the Committee on Standards of Official Conduct or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be in executive session because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, would tend to defame, degrade, or incriminate any person, or otherwise would violate a law or rule of the House. Persons, other than members of the committee and such noncommittee Members, Delegates, Resident Commissioner, congressional staff, or departmental representatives as the committee may authorize, may not be present at a business or markup session that is held in executive session. This subparagraph does not apply to open committee hearings, which are governed by clause 4(a)(1) of rule X or by subparagraph (2).

(2)(A) Each hearing conducted by a committee or subcommittee (other than the Committee on Standards of Official Conduct or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would violate a law or rule of the House.

(B) Notwithstanding the requirements of subdivision (A), in the presence of the number of members required under the rules of the committee for the purpose of taking testimony, a majority of those present may—

(i) agree to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger national security, would compromise sensitive law enforcement information, or would violate clause 2(k)(5); or

(ii) agree to close the hearing as provided in clause 2(k)(5).

(C) A Member, Delegate, or Resident Commissioner may not be excluded from nonparticipatory attendance at a hearing of a committee or subcommittee (other than the Committee on Standards of Official Conduct or its subcommittees) unless the House by majority vote authorizes a par-

particular committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures specified in this subparagraph for closing hearings to the public.

(D) The committee or subcommittee may vote by the same procedure described in this subparagraph to close one subsequent day of hearing, except that the Committee on Appropriations, the Committee on Armed Services, and the Permanent Select Committee on Intelligence, and the subcommittees thereof, may vote by the same procedure to close up to five additional, consecutive days of hearings.

(3) The chairman of each committee (other than the Committee on Rules) shall make public announcement of the date, place, and subject matter of a committee hearing at least one week before the commencement of the hearing. If the chairman of the committee, with the concurrence of the ranking minority member, determines that there is good cause to begin a hearing sooner, or if the committee so determines by majority vote in the presence of the number of members required under the rules of the committee for the transaction of business, the chairman shall make the announcement at the earliest possible date. An announcement made under this subparagraph shall be published promptly in the Daily Digest and made available in electronic form.

(4) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness.

(5)(A) Except as provided in subdivision (B), a point of order does not lie with respect to a measure reported by a committee on the ground that hearings on such measure were not conducted in accordance with this clause.

(B) A point of order on the ground described in subdivision (A) may be made by a member of the committee that reported the measure if such point of order was timely made and improperly disposed of in the committee.

(6) This paragraph does not apply to hearings of the Committee on Appropriations under clause 4(a)(1) of rule X.

Quorum requirements

(h)(1) A measure or recommendation may not be reported by a committee unless a majority of the committee is actually present.

(2) Each committee may fix the number of its members to constitute a quorum for taking testimony and receiving evidence, which may not be less than two.

(3) Each committee (other than the Committee on Appropriations, the Committee on the Budget, and the Committee on Ways and Means) may fix the number of its members to constitute a quorum for taking any action other than one for which the presence of a majority of the committee is otherwise required, which may not be less than one-third of the members.

(4)(A) Each committee may adopt a rule authorizing the chairman of a committee or subcommittee—

(i) to postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment; and

(ii) to resume proceedings on a postponed question at any time after reasonable notice.

(B) A rule adopted pursuant to this subparagraph shall provide that when proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Limitation on committee sittings

(i) A committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

Calling and questioning of witnesses

(j)(1) Whenever a hearing is conducted by a committee on a measure or matter, the minority members of the committee shall be entitled, upon request to the chairman by a majority of them before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(2)(A) Subject to subdivisions (B) and (C), each committee shall apply the five-minute rule during the questioning of witnesses in a hearing until such time as each member of the committee who so desires has had an opportunity to question each witness.

(B) A committee may adopt a rule or motion permitting a specified number of its members to question a witness for longer than five minutes. The time for extended questioning of a witness under this subdivision

shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate. (C) A committee may adopt a rule or motion permitting committee staff for its majority and minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

Hearing procedures

(k)(1) The chairman at a hearing shall announce in an opening statement the subject of the hearing.

(2) A copy of the committee rules and of this clause shall be made available to each witness on request.

(3) Witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(4) The chairman may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the committee may cite the offender to the House for contempt.

(5) Whenever it is asserted by a member of the committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness—

(A) notwithstanding paragraph (g)(2), such testimony or evidence shall be presented in executive session if, in the presence of the number of members required under the rules of the committee for the purpose of taking testimony, the committee determines by vote of a majority of those present that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the committee shall proceed to receive such testimony in open session only if the committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person. In either case the committee shall afford such person an opportunity voluntarily to appear as a witness, and receive and dispose of requests from such person to subpoena additional witnesses.

(6) Except as provided in subparagraph (5), the chairman shall receive and the committee shall dispose of requests to subpoena additional witnesses.

(7) Evidence or testimony taken in executive session, and proceedings conducted in executive session, may be released or used in public sessions only when authorized by the committee, a majority being present.

(8) In the discretion of the committee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The committee is the sole judge of the pertinence of testimony and evidence adduced at its hearing.

(9) A witness may obtain a transcript copy of his testimony given at a public session or, if given at an executive session, when authorized by the committee.

Supplemental, minority, or additional views

(1) If at the time of approval of a measure or matter by a committee (other than the Committee on Rules) a member of the committee gives notice of intention to file supplemental, minority, or additional views for inclusion in the report to the House thereon, that member shall be entitled to not less than two additional calendar days after the day of such notice (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such a day) to file such views, in writing and signed by that member, with the clerk of the committee.

Power to sit and act; subpoena power

(m)(1) For the purpose of carrying out any of its functions and duties under this rule and rule X (including any matters referred to it under clause 2 of rule XII), a committee or subcommittee is authorized (subject to subparagraph (3)(A)—

(A) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings as it considers necessary; and

(B) to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memoranda, papers, and documents as it considers necessary.

(2) The chairman of the committee, or a member designated by the chairman, may administer oaths to witnesses.

(3)(A)(i) Except as provided in subdivision (A)(ii), a subpoena may be authorized and issued by a committee or subcommittee under subparagraph (1)(B) in the conduct of an investigation or series of investigations or activities only when authorized by the committee or subcommittee, a majority being present. The power to authorize and issue subpoenas under subparagraph (1)(B) may be delegated to the chairman of the committee under such rules and under such limitations as the committee may prescribe. Authorized subpoenas shall be signed by the chairman of the committee or by a member designated by the committee.

(ii) In the case of a subcommittee of the Committee on Standards of Official Conduct, a subpoena may be authorized and issued only

by an affirmative vote of a majority of its members.

(B) A subpoena duces tecum may specify terms of return other than at a meeting or hearing of the committee or subcommittee authorizing the subpoena.

(C) Compliance with a subpoena issued by a committee or subcommittee under subparagraph (1)(B) may be enforced only as authorized or directed by the House.

*RULE XII**RECEIPT AND REFERRAL OF MEASURES AND MATTERS***Referral**

2. (a) The Speaker shall refer each bill, resolution, or other matter that relates to a subject listed under a standing committee named in clause 1 of rule X in accordance with the provisions of this clause.

(b) The Speaker shall refer matters under paragraph (a) in such manner as to ensure to the maximum extent feasible that each committee that has jurisdiction under clause 1 of rule X over the subject matter of a provision thereof may consider such provision and report to the House thereon. Precedents, rulings, or procedures in effect before the Ninety-Fourth Congress shall be applied to referrals under this clause only to the extent that they will contribute to the achievement of the objectives of this clause.

(c) In carrying out paragraphs (a) and (b) with respect to the referral of a matter, the Speaker—(1) shall designate a committee of primary jurisdiction (except where he determines that extraordinary circumstances justify review by more than one committee as though primary);

(2) may refer the matter to one or more additional committees for consideration in sequence, either initially or after the matter has been reported by the committee of primary jurisdiction;

(3) may refer portions of the matter reflecting different subjects and jurisdictions to one or more additional committees;

(4) may refer the matter to a special, ad hoc committee appointed by the Speaker with the approval of the House, and including members of the committees of jurisdiction, for the specific purpose of considering that matter and reporting to the House thereon;

(5) may subject a referral to appropriate time limitations; and

(6) may make such other provision as may be considered appropriate.

(d) A bill for the payment or adjudication of a private claim against the Government may not be referred to a committee other than the Committee on Foreign Affairs or the Committee on the Judiciary, except by unanimous consent.

Petitions, memorials, and private bills

3. If a Member, Delegate, or Resident Commissioner has a petition, memorial, or private bill to present, he shall endorse his name, deliver it to the Clerk, and may specify the reference or disposition to be made thereof. Such petition, memorial, or private bill (except when judged by the Speaker to be obscene or insulting) shall be entered on the Journal with the name of the Member, Delegate, or Resident Commissioner presenting it and shall be printed in the Congressional Record.

4. A private bill or private resolution (including an omnibus claim or pension bill), or amendment thereto, may not be received or considered in the House if it authorizes or directs—

(a) the payment of money for property damages, for personal injuries or death for which suit may be instituted under the Tort Claims Procedure provided in title 28, United States Code, or for a pension (other than to carry out a provision of law or treaty stipulation);

(b) the construction of a bridge across a navigable stream; or

(c) the correction of a military or naval record.

Prohibition on commemorations

5. (a) A bill or resolution, or an amendment thereto, may not be introduced or considered in the House if it establishes or expresses a commemoration.

(b) In this clause the term “commemoration” means a remembrance, celebration, or recognition for any purpose through the designation of a specified period of time.

Excluded matters

6. A petition, memorial, bill, or resolution excluded under this rule shall be returned to the Member, Delegate, or Resident Commissioner from whom it was received. A petition or private bill that has been inappropriately referred may, by direction of the committee having possession of it, be properly referred in the manner originally presented. An erroneous reference of a petition or private bill under this clause does not confer jurisdiction on a committee to consider or report it.

Sponsorship

7. (a) Bills, memorials, petitions, and resolutions, endorsed with the names of Members, Delegates, or the Resident Commissioner introducing them, may be delivered to the Speaker to be referred. The titles and references of all bills, memorials, petitions, resolutions, and other documents referred under this rule shall be entered on the Journal and printed in the Congressional Record. An erroneous reference may be corrected by the House in accordance with rule X on any day immediately after the Pledge of Allegiance to the Flag by unanimous consent or motion. Such a motion shall be privileged if offered by direction of a committee to which the bill has been erroneously referred or by direction of a committee claiming jurisdiction and shall be decided without debate.

(b)(1) The primary sponsor of a public bill or public resolution may name cosponsors. The name of a cosponsor added after the initial printing of a bill or resolution shall appear in the next printing of the bill or resolution on the written request of the primary sponsor. Such a request may be submitted to the Speaker at any time until the last committee authorized to consider and report the bill or resolution reports it to the House or is discharged from its consideration.

(2) The name of a cosponsor of a bill or resolution may be deleted by unanimous consent. The Speaker may entertain such a request only by the Member, Dele-

gate, or Resident Commissioner whose name is to be deleted or by the primary sponsor of the bill or resolution, and only until the last committee authorized to consider and report the bill or resolution reports it to the House or is discharged from its consideration. The Speaker may not entertain a request to delete the name of the primary sponsor of a bill or resolution. A deletion shall be indicated by date in the next printing of the bill or resolution.

(3) The addition or deletion of the name of a cosponsor of a bill or resolution shall be entered on the Journal and printed in the Congressional Record of that day.

(4) A bill or resolution shall be reprinted on the written request of the primary sponsor. Such a request may be submitted to the Speaker only when 20 or more cosponsors have been added since the last printing of the bill or resolution.

(5) When a bill or resolution is introduced by request," those words shall be entered on the Journal and printed in the Congressional Record.

*RULE XIII**CALENDARS AND COMMITTEE REPORTS***Calendars****Filing and printing of reports**

2. (a)(1) Except as provided in subparagraph (2), all reports of committees (other than those filed from the floor as privileged) shall be delivered to the Clerk for printing and reference to the proper calendar under the direction of the Speaker in accordance with clause 1. The title or subject of each report shall be entered on the Journal and printed in the Congressional Record.

(2) A bill or resolution reported adversely shall be laid on the table unless a committee to which the bill or resolution was referred requests at the time of the report its referral to an appropriate calendar under clause 1 or unless, within three days thereafter, a Member, Delegate, or Resident Commissioner makes such a request.

(b)(1) It shall be the duty of the chairman of each committee to report or cause to be reported promptly to the House a measure or matter approved by the committee and to take or cause to be taken steps necessary to bring the measure or matter to a vote.

(2) In any event, the report of a committee on a measure that has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which a written request for the filing of the report, signed by a majority of the members of the committee, has been filed with the clerk of the committee. The clerk of the committee shall immediately notify the chairman of the filing of such a request. This subparagraph does not apply to a report of the Committee on Rules with respect to a rule, joint rule, or order of business of the House, or to the reporting of a resolution of inquiry addressed to the head of an executive department.

(c) All supplemental, minority, or additional views filed under clause 2(l) of rule XI by one or more members of a committee shall be included in, and shall be a part of, the report filed by the committee with respect to a measure or matter. When time guaranteed by clause 2(l) of rule XI has expired (or, if sooner, when all separate views have been received), the committee may arrange to file its report with the Clerk not later than one hour after the expiration of such time. This clause and provisions of clause 2(l) of rule XI do not preclude the immediate filing or printing of a committee report in the absence of a timely request for the opportunity to file supplemental, minority, or additional views as provided in clause 2(l) of rule XI.

Content of reports

3. (a)(1) Except as provided in subparagraph (2), the report of a committee on a measure or matter shall be printed in a single volume that—

(A) shall include all supplemental, minority, or additional views that have been submitted by the time of the filing of the report; and

(B) shall bear on its cover a recital that any such supplemental, minority, or additional views (and any material submitted under paragraph (c)(3)) are included as part of the report.

(2) A committee may file a supplemental report for the correction of a technical error in its previous report on a measure or matter. A supplemental report only correcting errors in the depiction of record votes under paragraph (b) may be filed under this subparagraph and shall not be subject to the requirement in clause 4 or clause 6 concerning the availability of reports.

(b) With respect to each record vote on a motion to report a measure or matter of a public nature, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of members voting for and against, shall be included in the committee report. The preceding sentence does not apply to a report by the Committee on Rules on a rule, joint rule, or the order of business or to votes taken in executive session by the Committee on Standards of Official Conduct.

(c) The report of a committee on a measure that has been approved by the committee shall include, separately set out and clearly identified, the following:

(1) Oversight findings and recommendations under clause 2(b)(1) of rule X.

(2) The statement required by section 308(a) of the Congressional Budget Act of 1974, except that an estimate of new budget authority shall include, when practicable, a comparison of the total estimated funding level for the relevant programs to the appropriate levels under current law.

(b) In this rule the term “honorarium” means a payment of money or a thing of value for an appearance, speech, or article (including a series of appearance, speeches, or articles) by a Member, Delegate, Resident Commissioner, officer, or employee of the House, excluding any actual and necessary travel expenses incurred by that Member, Delegate, Resident Commissioner, officer, or employee (and one relative) to the extent that such expenses are paid or reimbursed by any other person. The amount otherwise determined shall be reduced by the amount of any such expenses to the extent that such expenses are not so paid or reimbursed.

(c) In this rule the term “travel expenses” means, with respect to a Member Delegate, Resident Commissioner, officer, or employee of the House, or a relative of such Member, Delegate, Resident Commissioner, officer, or employee, the cost of transportation, and the cost of lodging and meals while away from his residence or principal place of employment.

(d)(1) In this rule the term “outside earned income” means, with respect to a Member, Delegate, Resident Commissioner, officer, or employee of the House, wages, salaries, fees, and other amounts received or to be received as compensation for personal services actually rendered, but does not include—

(A) the salary of a Member, Delegate, Resident Commissioner, officer, or employee;

(B) any compensation derived by a Member, Delegate, Resident Commissioner, officer, or employee of the House for personal services actually rendered before the adoption of this rule or before he or she became a Member, Delegate, Resident Commissioner, officer, or employee;

(C) any amount paid by, or on behalf of, a Member, Delegate, Resident Commissioner, officer, or employee of the House to a tax qualified pension, profit-sharing, or stock bonus plan and received by him or her from such a plan;

(D) in the case of a Member, Delegate, Resident Commissioner, officer, or employee of the House engaged in a trade or business in which he or his

family holds a controlling interest and in which both personal services actually rendered by him in the trade or business do not generate a significant amount of income; or
 (E) copyright royalties received from established publishers under usual and customary contractual terms; and

(2) outside earned income shall be determined without regard to community property law.

(e) In this rule the term “charitable organization” means an organization described in section 170(c) of the Internal Revenue code of 1986.

Gifts

5. (a)(1)(A)(i) A Member, Delegate, Resident Commissioner, officer, or employee of the House may not knowingly accept a gift except as provided in this clause.

(ii) A Member, Delegate, Resident Commissioner, officer, or employee of the House may not knowingly accept a gift from a registered lobbyist or agent of a foreign principal or from a private entity that retains or employs registered lobbyists or agents of a foreign principal except as provided in subparagraph (3) of this paragraph.

(B)(i) A Member, Delegate, Resident Commissioner, officer, or employee of the House may accept a gift (other than cash or cash equivalent) not prohibited by subdivision (A)(ii) that the Member, Delegate, Resident Commissioner, officer, or employee reasonably and in good faith believes to have a value of less than \$50 and a cumulative value from one source during a calendar year of less than \$100. A gift having a value of less than \$10 does not count toward the \$100 annual limit. The value of perishable food sent to an office shall be allocated among the individual recipients and not to the Member, Delegate, or Resident Commissioner. Formal recordkeeping is not required by this subdivision, but a Member, Delegate, Resident Commissioner, officer, or employee of the House shall make a good faith effort to comply with this subdivision.

(ii) A gift of a ticket to a sporting or entertainment event shall be valued at the face value of the ticket or, in the case of a ticket without a face value, at the highest cost of a ticket with a face value for the event. The price printed on a ticket to an event shall be deemed its face value only if it also is the price at which the issuer offers that ticket for sale to the public.

(2)(A) In this clause the term “gift” means a gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. The

term includes gifts of services, training, transportation, lodging, and meals, whether provided in kind, by purchase of a ticket, payment in advance, or reimbursement after the expense has been incurred.

(B)(i) A gift to a family member of a Member, Delegate, Resident Commissioner, officer, or employee of the House, or a gift to any other individual based on that individual's relationship with the Member, Delegate, Resident Commissioner, officer, or employee, shall be considered a gift to the Member, Delegate, Resident Commissioner, officer, or employee if it is given with the knowledge and acquiescence of the Member, Delegate, Resident Commissioner, officer, or employee and the Member, Delegate, Resident Commissioner, officer, or employee has reason to believe the gift was given because of his official position.

(ii) If food or refreshment is provided at the same time and place to both a Member, Delegate, Resident Commissioner, officer, or employee of the House and the spouse or dependent thereof, only the food or refreshment provided to the Member, Delegate, Resident Commissioner, officer, or employee shall be treated as a gift for purposes of this clause.

(3) The restrictions in subparagraph (1) do not apply to the following:

(A) Anything for which the Member, Delegate, Resident Commissioner, officer, or employee of the House pays the market value, or does not use and promptly returns to the donor.

(B) A contribution, as defined in section 301(8) of the Federal Election Campaign Act of 1971 (2 U.S.C. 431) that is lawfully made under that Act, a lawful contribution for election to a State or local government office, or attendance at a fundraising event sponsored by a political organization described in section 527(e) of the Internal Revenue Code of 1986.

(C) A gift from a relative as described in section 109(16) of title I of the Ethics in Government Act of 1978 (5 U.S.C. App. 109(16)).

(D)(i) Anything provided by an individual on the basis of a personal friendship unless the Member, Delegate, Resident Commissioner, officer, or employee of the House has reason to believe that, under the circumstances, the gift was provided because of his official position and not because of the personal friendship.

(ii) In determining whether a gift is provided on the basis of personal friendship, the Member, Delegate, Resident Commissioner, officer, or employee of the House shall consider the

circumstances under which the gift was offered, such as:

(I) The history of his relationship with the individual giving the gift, including any previous exchange of gifts between them.

(II) Whether to his actual knowledge the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.

(III) Whether to his actual knowledge the individual who gave the gift also gave the same or similar gifts to other Members, Delegates, the Resident Commissioners, officers, or employees of the House.

(E) Except as provided in paragraph (e)(3), a contribution or other payment to a legal expense fund established for the benefit of a Member, Delegate, Resident Commissioner, officer, or employee of the House that is otherwise lawfully made in accordance with the restrictions and disclosure requirements of the Committee on Standards of Official Conduct.

(F) A gift from another Member, Delegate, Resident Commissioner, officer, or employee of the House or Senate.

(G) Food, refreshments, lodging, transportation, and other benefits—

(i) resulting from the outside business or employment activities of the Member, Delegate, Resident Commissioner, officer, or employee of the House (or other outside activities that are not connected to his duties as an officeholder), or of his spouse, if such benefits have not been offered or enhanced because of his official position and are customarily provided to others in similar circumstances;

(ii) customarily provided by a prospective employer in connection with bona fide employment discussions; or

(iii) provided by a political organization described in section 527(e) of the Internal Revenue Code of 1986 in connection with a fundraising or campaign event sponsored by such organization.

(H) Pension and other benefits resulting from continued participation in an employee welfare and benefits plan maintained by a former employer.

(I) Informational materials that are sent to the office of the Member, Delegate, Resident Commissioner, officer, or employee of the House in the form of books, articles, periodicals, other written materials, audiotapes, videotapes, or other forms of communication.

(J) Awards or prizes that are given to competitors in contests or events open to the public, including random drawings.

(K) Honorary degrees (and associated travel, food, refreshments, and entertainment) and other bona fide, nonmonetary awards presented in recognition of public service (and associated food, refreshments, and entertainment provided in the presentation of such degrees and awards).

(L) Training (including food and refreshments furnished to all attendees as an integral part of the training) if such training is in the interest of the House.

(M) Bequests, inheritances, and other transfers at death.

(N) An item, the receipt of which is authorized by the Foreign Gifts and Decorations Act, the Mutual Educational and Cultural Exchange Act, or any other statute.

(O) Anything that is paid for by the Federal Government, by a State or local government, or secured by the Government under a Government contract.

(P) A gift of personal hospitality (as defined in section 109(14) of the Ethics in Government Act) of an individual other than a registered lobbyist or agent of a foreign principal.

(Q) Free attendance at a widely attended event permitted under subparagraph (4).

(R) Opportunities and benefits that are—

(i) available to the public or to a class consisting of all Federal employees, whether or not restricted on the basis of geographic consideration;

(ii) offered to members of a group or class in which membership is unrelated to congressional employment;

(iii) offered to members of an organization, such as an employees' association or congressional credit union, in which membership is related to congressional employment and similar opportunities are available to large segments of the public through organizations of similar size;

(iv) offered to a group or class that is not defined in a manner that specifically discriminates among Government employees on the basis of branch of Government or type of responsibility, or on a basis that favors those of higher rank or rate of pay;

(v) in the form of loans from banks and other financial institutions on terms generally available to the public; or

(vi) in the form of reduced membership or other fees for participation in organization activities offered to all Government employees by professional organizations if the only restrictions on membership relate to professional qualifications.

(S) A plaque, trophy, or other item that is substantially commemorative in nature and that is intended for presentation.

(T) Anything for which, in an unusual case, a waiver is granted by the Committee on Standards of Official Conduct.

(U) Food or refreshments of a nominal value offered other than as a part of a meal.

(V) Donations of products from the district or State that the Member, Delegate, or Resident Commissioner represents that are intended primarily for promotional purposes, such as display or free distribution, and are of minimal value to any single recipient.

(W) An item of nominal value such as a greeting card, baseball cap, or a T-shirt.

(4)(A) A Member, Delegate, Resident Commissioner, officer, or employee of the House may accept an offer of free attendance at a widely attended convention, conference, symposium, forum, panel discussion, dinner, viewing, reception, or similar event, provided by the sponsor of the event, if—

(i) the Member, Delegate, Resident Commissioner, officer, or employee of the House participates in the event as a speaker or a panel participant, by presenting information related to Congress or matters before Congress, or by performing a ceremonial function appropriate to his official position; or

(ii) attendance at the event is appropriate to the performance of the official duties or representative function of the Member, Delegate, Resident Commissioner, officer, or employee of the House.

(B) A Member, Delegate, Resident Commissioner, officer, or employee of the House who attends an event described in subdivision (A) may accept a sponsor's unsolicited offer of free attendance at the event for an accompanying individual.

(C) A Member, Delegate, Resident Commissioner, officer, or employee of the House, or the spouse or dependent thereof, may accept a sponsor's unsolicited offer of free attendance at a charity event, except that reimbursement for transportation and lodging may not be accepted in connection with the event unless—

(i) all of the net proceeds of the event are for the benefit of an organization described in

section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from taxation under section 501(a) of such Code;

(ii) reimbursement for the transportation and lodging in connection with the event is paid by such organization; and

(iii) the offer of free attendance at the event is made by such organization.

(D) In this paragraph the term “free attendance” may include waiver of all or part of a conference or other fee, the provision of local transportation, or the provision of food, refreshments, entertainment, and instructional materials furnished to all attendees as an integral part of the event. The term does not include entertainment collateral to the event, nor does it include food or refreshments taken other than in a group setting with all or substantially all other attendees.

(5) A Member, Delegate, Resident Commissioner, officer, or employee of the House may not accept a gift of value which exceeds \$250 on the basis of the personal friendship exception in subparagraph (3)(D) unless the Committee on Standards of Official Conduct issues a written determination that such exception applies. A determination under this subparagraph is not required for gifts given on the basis of the family relationship exception in subparagraph (3)(C).

(6) When it is not practicable to return a tangible item because it is perishable, the item may, at the discretion of the recipient, be given to an appropriate charity or destroyed.

(b)(1)(A) A reimbursement (including payment in kind) to a Member, Delegate, Resident Commissioner, officer, or employee of the House for necessary transportation, lodging, and related expenses for travel to a meeting, speaking engagement, factfinding trip, or similar event in connection with his duties as an officeholder shall be considered as a reimbursement to the House and not a gift prohibited by this clause when it is from a private source other than a registered lobbyist or agent of a foreign principal or a private entity that retains or employs registered lobbyists or agents of a foreign principal (except as provided in subdivision (C)), if the Member, Delegate, Resident Commissioner, officer, or employee—

(i) in the case of an employee, receives advance authorization, from the Member, Delegate, Resident Commissioner, or officer under whose direct supervision the employee works, to accept reimbursement; and

(ii) discloses the expenses reimbursed or to be reimbursed and the authorization to the Clerk within 15 days after the travel is completed.

(B) For purposes of subdivision (A), events, the activities of which are substantially recreational in

nature, are not considered to be in connection with the duties of a Member, Delegate, Resident Commissioner, officer, or employee of the House as an officeholder.

(C) A reimbursement (including payment in kind) to a Member, Delegate, Resident Commissioner, officer, or employee of the House for any purpose described in subdivision (A) also shall be considered as a reimbursement to the House and not a gift prohibited by this clause (without regard to whether the source retains or employs registered lobbyists or agents of a foreign principal) if it is, under regulations prescribed by the Committee on Standards of Official Conduct to implement this provision—

- (i) directly from an institution of higher education within the meaning of section 101 of the Higher Education Act of 1965; or
- (ii) provided only for attendance at or participation in a one-day event (exclusive of travel time and an overnight stay).

Regulations prescribed to implement this provision may permit a two-night stay when determined by the committee on a case-by-case basis to be practically required to participate in the one-day event.

(2) Each advance authorization to accept reimbursement shall be signed by the Member, Delegate, Resident Commissioner, or officer of the House under whose direct supervision the employee works and shall include—

- (A) the name of the employee;
- (B) the name of the person who will make the reimbursement;
- (C) the time, place, and purpose of the travel; and
- (D) a determination that the travel is in connection with the duties of the employee as an officeholder and would not create the appearance that the employee is using public office for private gain.

(3) Each disclosure made under subparagraph (1)(A) shall be signed by the Member, Delegate, Resident Commissioner, or officer (in the case of travel by that Member, Delegate, Resident Commissioner, or officer) or by the Member, Delegate, Resident Commissioner, or officer under whose direct supervision the employee works (in the case of travel by an employee) and shall include—

- (A) a good faith estimate of total transportation expenses reimbursed or to be reimbursed;
- (B) a good faith estimate of total lodging expenses reimbursed or to be reimbursed;
- (C) a good faith estimate of total meal expenses reimbursed or to be reimbursed;

(D) a good faith estimate of the total of other expenses reimbursed or to be reimbursed;

(E) a determination that all such expenses are necessary transportation, lodging, and related expenses as defined in subparagraph (4);

(F) a description of meetings and events attended; and

(G) in the case of a reimbursement to a Member, Delegate, Resident Commissioner, or officer, a determination that the travel was in connection with his duties as an officeholder and would not create the appearance that the Member, Delegate, Resident Commissioner, or officer is using public office for private gain.

(4) In this paragraph the term “necessary transportation, lodging, and related expenses”—

(A) includes reasonable expenses that are necessary for travel for a period not exceeding four days within the United States or seven days exclusive of travel time outside of the United States unless approved in advance by the Committee on Standards of Official Conduct;

(B) is limited to reasonable expenditures for transportation, lodging, conference fees and materials, and food and refreshments, including reimbursement for necessary transportation, whether or not such transportation occurs within the periods described in subdivision (A);

(C) does not include expenditures for recreational activities, nor does it include entertainment other than that provided to all attendees as an integral part of the event, except for activities or entertainment otherwise permissible under this clause; and

(D) may include travel expenses incurred on behalf of a relative of the Member, Delegate, Resident Commissioner, officer, or employee.

(5) The Clerk of the House shall make all advance authorizations, certifications, and disclosures filed pursuant to this paragraph available for public inspection as soon as possible after they are received.

(c)(1)(A) Except as provided in subdivision (B), a Member, Delegate, Resident Commissioner, officer, or employee of the House may not accept a reimbursement (including payment in kind) for transportation, lodging, or related expenses for a trip on which the traveler is accompanied on any segment by a registered lobbyist or agent of a foreign principal.

(B) Subdivision (A) does not apply to a trip for which the source of reimbursement is an institution of higher education within the meaning of section 101 of the Higher Education Act of 1965.

(2) A Member, Delegate, Resident Commissioner, officer, or employee of the House may not accept a reimbursement (including payment in kind) for transpor-

tation, lodging, or related expenses under the exception in paragraph (b)(1)(C)(ii) of this clause for a trip that is financed in whole or in part by a private entity that retains or employs registered lobbyists or agents of a foreign principal unless any involvement of a registered lobbyist or agent of a foreign principal in the planning, organization, request, or arrangement of the trip is de minimis under rules prescribed by the Committee on Standards of Official Conduct to implement paragraph (b)(1)(C) of this clause.

(3) A Member, Delegate, Resident Commissioner, officer, or employee of the House may not accept a reimbursement (including payment in kind) for transportation, lodging, or related expenses for a trip (other than a trip permitted under paragraph (b)(1)(C) of this clause) if such trip is in any part planned, organized, requested, or arranged by a registered lobbyist or agent of a foreign principal.

(d) A Member, Delegate, Resident Commissioner, officer, or employee of the House shall, before accepting travel otherwise permissible under paragraph (b)(1) of this clause from any private source—

(1) provide to the Committee on Standards of Official Conduct before such trip a written certification signed by the source or (in the case of a corporate person) by an officer of the source—

(A) that the trip will not be financed in any part by a registered lobbyist or agent of a foreign principal;

(B) that the source either—

(i) does not retain or employ registered lobbyists or agents of a foreign principal; or

(ii) is an institution of higher education within the meaning of section 101 of the Higher Education Act of 1965; or

(iii) certifies that the trip meets the requirements specified in rules prescribed by the Committee on Standards of Official Conduct to implement paragraph (b)(1)(C)(ii) of this clause and specifically details the extent of any involvement of a registered lobbyist or agent of a foreign principal in the planning, organization, request, or arrangement of the trip considered to qualify as de minimis under such rules;

(C) that the source will not accept from another source any funds earmarked directly or indirectly for the purpose of financing any aspect of the trip;

(D) that the traveler will not be accompanied on any segment of the trip by a registered lobbyist or agent of a foreign principal (except in the case of a trip for which the source of reimbursement is an institution of higher education within the meaning

of section 101 of the Higher Education Act of 1965); and

(E) that (except as permitted in paragraph (b)(1)(C) of this clause) the trip will not in any part be planned, organized, requested, or arranged by a registered lobbyist or agent of a foreign principal; and

(2) after the Committee on Standards of Official Conduct has promulgated the regulations mandated in paragraph (i)(1)(B) of this clause, obtain the prior approval of the committee for such trip.

(e) A gift prohibited by paragraph (a)(1) includes the following:

(1) Anything provided by a registered lobbyist or an agent of a foreign principal to an entity that is maintained or controlled by a Member, Delegate, Resident Commissioner, officer, or employee of the House.

(2) A charitable contribution (as defined in section 170(c) of the Internal Revenue Code of 1986) made by a registered lobbyist or an agent of a foreign principal on the basis of a designation, recommendation, or other specification of a Member, Delegate, Resident Commissioner, officer, or employee of the House (not including a mass mailing or other solicitation directed to a broad category of persons or entities), other than a charitable contribution permitted by paragraph (f).

(3) A contribution or other payment by a registered lobbyist or an agent of a foreign principal to a legal expense fund established for the benefit of a Member, Delegate, Resident Commissioner, officer, or employee of the House.

(4) A financial contribution or expenditure made by a registered lobbyist or an agent of a foreign principal relating to a conference, retreat, or similar event, sponsored by or affiliated with an official congressional organization, for or on behalf of Members, Delegates, the Resident Commissioner, officers, or employees of the House.

(f)(1) A charitable contribution (as defined in section 170(c) of the Internal Revenue Code of 1986) made by a registered lobbyist or an agent of a foreign principal in lieu of an honorarium to a Member, Delegate, Resident Commissioner, officer, or employee of the House is not considered a gift under this clause if it is reported as provided in subparagraph (2).

(2) A Member, Delegate, Resident Commissioner, officer, or employee who designates or recommends a contribution to a charitable organization in lieu of an honorarium described in subparagraph (1) shall report within 30 days after such designation or recommendation to the Clerk—

(A) the name and address of the registered lobbyist who is making the contribution in lieu of an honorarium;

(B) the date and amount of the contribution; and
 (C) the name and address of the charitable organization designated or recommended by the Member, Delegate, or Resident Commissioner. The Clerk shall make public information received under this subparagraph as soon as possible after it is received.

(g) In this clause—

(1) the term “registered lobbyist” means a lobbyist registered under the Federal Regulation of Lobbying Act or any successor statute;

(2) the term “agent of a foreign principal” means an agent of a foreign principal registered under the Foreign Agents Registration Act; and

(3) the terms “officer” and “employee” have the same meanings as in rule XXIII.

(h) All the provisions of this clause shall be interpreted and enforced solely by the Committee on Standards of Official Conduct. The Committee on Standards of Official Conduct is authorized to issue guidance on any matter contained in this clause.

(i)(1) Not later than 45 days after the date of adoption of this paragraph and at annual intervals thereafter, the Committee on Standards of Official Conduct shall develop and revise, as necessary—

(A) guidelines on judging the reasonableness of an expense or expenditure for purposes of this clause, including the factors that tend to establish—

(i) a connection between a trip and official duties;

(ii) the reasonableness of an amount spent by a sponsor;

(iii) a relationship between an event and an officially connected purpose; and

(iv) a direct and immediate relationship between a source of funding and an event; and

(B) regulations describing the information it will require individuals subject to this clause to submit to the committee in order to obtain the prior approval of the committee for any travel covered by this clause, including any required certifications.

(2) In developing and revising guidelines under paragraph (1)(A), the committee shall take into account the maximum per diem rates for official Government travel published annually by the General Services Administration, the Department of State, and the Department of Defense.

Claims against the Government

6. A person may not be an officer or employee of the House, or continue in its employment, if he acts as an agent for the prosecution of a claim against the Government or if he is interested in such claim, except as an original claimant or in the proper discharge of official duties.

Legislative History To Accompany Changes to Rule X
109th Congress

[Congressional Record H25 January 4, 2005]

Rule X and the Committee on Homeland Security

Legislative history

Overall homeland security policy—The jurisdiction of the Committee on Homeland Security over “overall homeland security policy” is to be interpreted on a government-wide or multi-agency basis similar to the Committee on Government Reform’s jurisdiction over “overall economy, efficiency, and management of government operations and activities. . . .” Surgical addresses of homeland security policy in sundry areas of jurisdiction occupied by other committees would not be referred to the Committee on Homeland Security on the basis of “overall” homeland security policy jurisdiction. For example, the Committee on Homeland Security shall have jurisdiction over a bill coordinating the homeland security efforts by all of the critical infrastructure protection sectors. Jurisdiction over a bill addressing the protection of a particular sector would lie with the committee otherwise having jurisdiction over that sector. Organization and administration of the Department of Homeland Security—The jurisdiction of the Committee on Homeland Security would apply only to organizational or administrative aspects of the Department where another committee’s jurisdiction did not clearly apply. The Committee’s jurisdiction is to be confined to organizational and administrative efforts and would not apply to programmatic efforts within the Department of Homeland Security within the jurisdiction of other committees. Homeland Security Oversight—this would vest the Committee on Homeland Security with oversight jurisdiction over the homeland security community of the United States. Nothing in this clause shall be construed as prohibiting or otherwise restricting the authority of any other committee to study and review homeland security activities to the extent that such activity directly affects a matter otherwise within the jurisdiction of that committee.

Individual committee concerns

Agriculture—The jurisdiction of the Committee on Homeland Security over “border and port security” shall be limited to agricultural importation and entry inspection activities of the Department of Homeland Security under section 421 of the Homeland Security Act of 2002. The Committee on Agriculture shall retain jurisdiction over animal and plant disease policy including the authority reserved to the Department of Agriculture to regulate policy under section 421 of the Homeland Security Act of 2002, and the Animal Health Protection Act, the Plant Protection Act, the Plant Quarantine Act, and the Agriculture Quarantine Inspection User Fee Account. The Committee on Agriculture shall retain jurisdiction over the agricultural research and diagnosis mission at the Plum Island Animal Disease Center.

Armed Services—The Committee on Armed Services shall retain jurisdiction over warfighting, the military defense of the United

States, and other military activities, including any military response to terrorism, pursuant to section 876 of the Homeland Security Act of 2002.

Energy and Commerce—The Committee on Homeland Security shall have jurisdiction over measures that address the Department of Homeland Security’s activities for domestic preparedness and collective response to terrorism. The words “to terrorism” require a direct relation to terrorism. The Committee on Homeland Security’s jurisdiction over “collective response to terrorism” means that it shall receive referrals of bills addressing the Department of Homeland Security’s responsibilities for, and assistance to, first responders as a whole. The Committee on Energy and Commerce (and other relevant committees) shall retain their jurisdiction over bills addressing the separate entities that comprise the first responders. For example, the Committee on Energy and Commerce shall retain its jurisdiction over a bill directing the Department of Health and Human Services to train emergency medical personnel.

Financial Services—The Committee on Financial Services shall retain jurisdiction over the National Flood Insurance Program and Emergency Food and Shelter Program of FEMA, and the Defense Production Act. The Committee on Financial Services shall retain its jurisdiction over the anti-money laundering, terrorist financing, and anti-counterfeiting activities within the Department of the Treasury and the financial regulators.

Government Reform—The Committee on Homeland Security shall have jurisdiction over “the organization and administration of the Department of Homeland Security.” The Committee on Government Reform shall retain jurisdiction over federal civil service, the overall economy, efficiency, and management of government operations and activities, including Federal procurement, and federal paperwork reduction. The Committee on Government Reform shall retain jurisdiction over government-wide information management efforts including the Federal Information Security Management Act. The Committee on Homeland Security shall have jurisdiction over integration, analysis, and dissemination of homeland security information by the Department of Homeland Security, and the Committee on Government Reform shall retain jurisdiction over measures addressing public information and records generally including the Privacy Act and the Freedom of Information Act. The Committee on Government Reform shall have jurisdiction over the policy coordination responsibilities of the Office of Counternarcotics Enforcement.

Intelligence—The Permanent Select Committee on Intelligence shall retain jurisdiction over the intelligence and intelligence-related activities of all departments and agencies of the Federal Government, including the Office of the Director of National Intelligence and the National Counterterrorism Center as defined in the Intelligence Reform and Terrorism Prevention Act of 2004.

Judiciary—The Committee on the Judiciary shall retain jurisdiction over immigration policy and non-border enforcement of the immigration laws. Its jurisdiction over immigration policy shall include matters such as the immigration and naturalization process, numbers of aliens (including immigrants and non-immigrants) allowed, classifications and lengths of allowable stay, the adjudica-

tion of immigration petitions and the requirements for the same, the domestic adjudication of immigration petitions and applications submitted to the Department of Labor or the Department of Homeland Security and setting policy with regard to visa issuance and acceptance. Its jurisdiction over non-border enforcement shall be limited to those aspects of immigration enforcement not associated with the immediate entry of individuals into the country, including those aspects of the Bureau of Immigration and Customs Enforcement. The Committee on Homeland Security shall have jurisdiction over border and port security including the immigration responsibilities of inspectors at ports of entry and the border patrol. As used in the new Rule X(1)(1)(9) and this legislative history, the word “immigration” shall be construed to include “naturalization” and no substantive change is intended by the new rule’s not containing the word “naturalization.”

Science—The Committee on Science shall retain some jurisdiction over the research and development activities of the Department of Homeland Security as such matters are incidental to the Committee on Science’s existing jurisdiction (except where those activities are in the jurisdiction of another committee).

Transportation and Infrastructure—The Committee on Transportation and Infrastructure shall retain jurisdiction over the Coast Guard. However, the Committee on Homeland Security has jurisdiction over port security, and some Coast Guard responsibilities in that area will fall within the jurisdiction of both committees. Jurisdiction over emergency preparedness will be split between the Committee on Transportation and Infrastructure and the Committee on Homeland Security. The Committee on Transportation and Infrastructure shall retain its jurisdiction under clause 1(r)(2) over “federal management of emergencies and natural disasters.” This means that the committee retains its general jurisdiction over the emergency preparedness and response operations of the Federal Emergency Management Agency (FEMA). Bills addressing FEMA’s general preparation for disaster from any cause shall be referred to the Committee on Transportation and Infrastructure. The Committee on Homeland Security shall have jurisdiction over the Department of Homeland Security’s responsibilities with regard to emergency preparedness only as they relate to acts of terrorism. Thus, the Committee on Homeland Security shall have jurisdiction over the responsibilities of the Office for Domestic Preparedness, in accordance with section 430 of the Homeland Security Act of 2002. As indicated earlier, the Committee on Homeland Security’s jurisdiction over “collective response to terrorism” means that it would receive referrals of bills addressing the Department of Homeland Security’s responsibilities for, and assistance to, first responders as a whole and not over measures addressing first responder communities individually. The Committee on Homeland Security shall have jurisdiction over the functions of the Department of Homeland Security relating to transportation security, while the Committee on Transportation and Infrastructure shall retain its jurisdiction over transportation safety. In general, the Committee on Homeland Security would have jurisdiction over bills addressing the Transportation Security Administration and the Committee on Transportation and Infrastructure would have jurisdiction over bills ad-

addressing the various entities within the Department of Transportation having responsibility for transportation safety, such as the Federal Aviation Administration and the Federal Motor Carrier Safety Administration. The jurisdiction of the Committee on Homeland Security does not include expenditures from trust funds under the jurisdiction of other committees, including but not limited to the Highway Trust Fund, the Airport and Airway Trust Fund, the Harbor Maintenance Trust Fund, the Federal Buildings Fund, and the Inland Waterways Trust Fund.

Ways and Means—The jurisdiction of the Committee on Ways and Means over “customs revenue” is intended to include those functions contemplated in section 412(b)(2) of the Homeland Security Act of 2002 and includes those functions as carried out in collection districts and ports of entry and delivery.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE COMMITTEE ON TRANSPORTATION AND
INFRASTRUCTURE AND
THE COMMITTEE ON HOMELAND SECURITY
[Congressional Record H15, January 4, 2007]

On January 4, 2005, the U.S. House of Representatives adopted H. Res. 5, establishing the Rules of the House for the 109th Congress. Section 2(a) established the Committee on Homeland Security as a standing committee of the House of Representatives with specific legislative jurisdiction under House Rule X. A legislative history to accompany the changes to House Rule X was inserted in the Congressional Record on January 4, 2005.

The Committee on Transportation and Infrastructure and the Committee on Homeland Security (hereinafter "Committees") jointly agree to the January 4, 2005 legislative history as the authoritative source of legislative history of section 2(a) of H. Res. 5 with the following two clarifications.

First, with regard to the Federal Emergency Management Agency's, FEMA, emergency preparedness and response programs, the Committee on Homeland Security has jurisdiction over the Department of Homeland Security's responsibilities with regard to emergency preparedness and collective response only as they relate to terrorism. However, in light of the federal emergency management reforms that were enacted as title VI of Public Law 109(295, a bill amending FEMA's all-hazards emergency preparedness programs that necessarily addresses FEMA's terrorism preparedness programs would be referred to the Committee on Transportation and Infrastructure; in addition, the Committee on Homeland Security would have a jurisdictional interest in such bill. Nothing in this Memorandum of Understanding affects the jurisdiction of the Committee on Transportation and Infrastructure of the Robert T. Stafford Disaster Relief and Emergency Assistance Act and the Federal Fire Prevention and Control Act of 1974.

Second, with regard to port security, the Committee on Homeland Security has jurisdiction over port security, and some Coast Guard responsibilities in that area fall within the jurisdiction of both Committees. A bill addressing the activities, programs, assets, and personnel of the Coast Guard as they relate to port security and non-port security missions would be referred to the Committee on Transportation and Infrastructure; in addition, the Committee on Homeland Security would have a jurisdictional interest in such bill.

This Memorandum of Understanding between the Committee on Transportation and Infrastructure and the Committee on Homeland Security provides further clarification to the January 4, 2005 legislative history of the jurisdiction of the Committees only with regard to these two specific issues. The Memorandum does not ad-

dress any other issues and does not affect the jurisdiction of other committees.
