Rules Committee record vote No. 293

Date: December 10, 2009.

Measure: H.R. 4173.

Motion by: Mr. Dreier.

Summary of motion: To make in order and provide appropriate waivers for the amendments, en bloc, each separately debatable for 10 minutes, by Rep. McCarthy, Kevin (CA), #167, which would restrict the CFPA from having authority over Veterans' benefits programs or the provisions of the Servicemembers Civil Relief Act; and by Rep. Bean, #141, which would provide that the Comptroller of the Currency may assess the individual state laws and/or regulations under the CFPA and if they provide a high protective standard, and may make a determination that such standard be the uniform national standard. If a majority of states file petitions, CFPA is forced to consider raising the federal standard. If an institution is not chartered federally as a national bank or Federal savings associations (non-bank subs and affiliates are state chartered), then it cannot receive federal preemption. The amendment does not seek to limit any of the new powers the State AGs receive under this bill (Section 4402) or limit the State AG visitorial sections beyond matching Cuomo. Makes changes to sections dealing with the relationship between national banks/Federal savings associations and state laws to match the true pre-2004 standard.
