INTRODUCTION

This compilation includes the relevant Congressional procedures, statutes, rules, scorekeeping guidelines and other matter related to the budget making process of the United States. Congress estimates the spending, revenue, deficit and debt levels of the budget of the United States for each fiscal year. The fiscal years after the budget year are also included in that budget. A “budget year” is defined in law as the fiscal year encompassing October 1 through September 30 of the calendar year in which a session of Congress first meets which occurs early in January of each year.

The consideration, adoption, and enforcement of spending, revenue, deficit and debt limit legislation each year must comply with the parameters set by the budget.

Each year, Congress must adopt a budget. This takes the form as a “Concurrent Resolution on the Budget” for a fiscal year. This budget resolution, though its terms are set in law in the Congressional Budget Act of 1974, is tantamount, in application, to the Rules of both the House of Representatives and the Senate.

Statutory controls in law are enforcement procedures that uphold spending, revenue, deficits and debt levels after legislation has been adopted. If that legislation causes those levels to be exceeded, certain changes automatically take effect, a procedure known as sequestration.

The Congressional Budget and Impoundment Control Act of 1974

The Congressional Budget and Impoundment Control Act of 1974 (Public Law 93–344; 2 U.S.C. 621 et seq.) is the law that sets the foundation for the congressional budget process. It established the Committees on the Budget in the House of Representatives and the Senate and the Congressional Budget Office. It outlines their functions and duties, and established the requirements for adopting the concurrent resolution on the budget for each fiscal year.

Balanced Budget and Emergency Deficit Control Act of 1985

The Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA), also known as the Gramm-Rudman-Hollings Act, was enacted as title II of Public Law 99–177 (2 U.S.C. 900 et seq.). It was included in the law increasing the statutory debt limit. BBEDCA included several significant budget process changes including: the requirement of one budget resolution each year (rather than two), the requirement that budget resolution reports include committee allocations of spending, and points of order to enforce budget levels in an adopted budget resolution. BBEDCA notably established deficit targets for fiscal years 1985 through 1990 and se-

questration procedures to enforce those targets. The enforcement provisions were revised pursuant to the Balanced Budget and Emergency Deficit Control Reaffirmation Act of 1987 following the ruling in *Bowsher v. Synar* (478 U.S. 714) (1986) that found some aspects unconstitutional. However, in 1990, Congress effectively replaced deficit-target enforcement by adopting discretionary spending limits and Pay-As-You-Go Rules pursuant to the Budget Enforcement Act of 1990.

Budget Enforcement Act of 1990

The Budget Enforcement Act of 1990 (BEA) was enacted as title XIII of the Omnibus Budget Reconciliation Act of 1990 (Public Law 101–508). The BEA added new points of order and procedures to the budget process, which are included in this compilation, such as freestanding provisions on the off-budget status of Social Security. It also incorporated a modified version of the Senate’s reconciliation Rule on extraneous matter (Byrd Rule) into the CBA. The BEA also established Pay-As-You-Go (PAYGO) procedures, which required that direct spending increases and revenue decreases be offset with either direct spending decreases or revenue increases. In addition, the BEA established discretionary spending limits, which placed caps on appropriations. These provisions replaced the deficit-target procedures of BBEDCA. BEA enforcement was extended twice—first under title XIV of the Omnibus Budget Reconciliation Act of 1993 (Public Law 103–66) and last under title X of the Balanced Budget Act of 1997 (Public Law 105–33)—before ultimately terminating in 2002.

Unfunded Mandates Reform Act of 1995

The Unfunded Mandates Reform Act of 1995 (Public Law 104–4) established procedures to consider federal unfunded mandates imposed on state and local governments (intergovernmental mandates) and the private sector. Sections of the Unfunded Mandates Reform Act are incorporated in title IV of the CBA. This compilation also includes several selected freestanding provisions of the Unfunded Mandates Reform Act.

Line Item Veto Act of 1996

The Line Item Veto Act of 1996 (Public Law 104–130) established procedures to allow the President to cancel specific budgetary provisions in laws signed by the President without the approval of Congress. The United States Supreme Court found the Line Item Veto Act of 1996 unconstitutional in *Clinton, et al. v. City of New York, et al.*, 118 S.Ct. 2091 (1998).

Emergency Economic Stabilization Act of 2008

In 2008, Congress enacted the “Emergency Economic Stabilization Act of 2008” (EESA) (Public Law 110–343). It provided for the purchase of troubled mortgage-related assets by the Federal government pursuant to the Troubled Assets Relief Program (TARP). EESA included several budget-related provisions, such as providing that activities conducted under TARP be estimated under the Federal Credit Reform Act of 1990 (2 U.S.C. 661 et seq.) modified to use a risk-adjusted discount rate. It also included a requirement

that the Office of Management and Budget submit a proposal five years after enactment of the Act enabling Congress to recoup from the financial industry any losses to taxpayers and reporting requirements for the Office of Management and Budget and the Congressional Budget Office related to the Act.

Statutory Pay-As-You-Go Act of 2010

In 2010, Congress enacted the “Statutory Pay-As-You-Go Act of 2010.” (Public Law 111–139). It included new methods of enforcing certain sections of the “Balanced Budget and Emergency Deficit Control Act of 1985.” It amended certain sections of the Balanced Budget and Emergency Deficit Control Act of 1985 such as the sequestrable base and established pay as you go requirements.

Budget Control Act of 2011

The Budget Control Act of 2011 authorized an increase in the public debt limit of at least \$2.1 trillion (and up to \$2.4 trillion under certain conditions). The increase was subject to a disapproval process requiring the support of two-thirds of each chamber to prevent a debt limit increase.

The Act established statutory caps on discretionary spending through 2021. It established a Joint Select Committee on Deficit Reduction. This select committee was to report a bill reducing the federal deficit by \$1.2 trillion over a 10-year period ending in fiscal year 2021. The legislation from the joint committee would be considered under procedures that prevent amendment and limit debate.

Budget Submitted to Congress by the President

The Congressional Budget Act of 1974 requires the President to submit a budget by the first Monday in February of each calendar year. Chapter 11 of Title 31 of the United States Code sets out the specific items that the President must include in the budget submission.

Scorekeeping

The Congressional Budget Office, the Office of Management and Budget, and the House and Senate Budget Committees follow specific Rules for determining the budgetary effects of legislation known as scorekeeping guidelines. These guidelines are reviewed regularly but are only changed if Congress and the Administration are in agreement on proposed changes.

Advance Appropriations

Since 2001, the annual concurrent resolution on the budget has included limits on the amounts and uses of advance appropriations. This includes an overall spending level and a set number of accounts allowed to receive advance budget authority, each set out in the report or joint statement of managers of the budget resolution, as applicable.

(e) HEARINGS AND REPORT.—

(1) IN GENERAL.—In developing the concurrent resolution on the budget referred to in subsection (a) for each fiscal year, the Committee on the Budget of each House shall hold hearings and shall receive testimony from Members of Congress and such appropriate representatives of Federal departments and agencies, the general public, and national organizations as the committee deems desirable. Each of the recommendations as to short-term and medium-term goal set forth in the report submitted by the members of the Joint Economic Committee under subsection (d) may be considered by the Committee on the Budget of each House as part of its consideration of such concurrent resolution, and its report may reflect its views thereon, including its views on how the estimates of revenues and levels of budget authority and outlays set forth in such concurrent resolution are designed to achieve any goals it is recommending.

(2) REQUIRED CONTENTS OF REPORT.—The report accompanying the resolution shall include—

(2) After the Congress has expressed its opinion pursuant to paragraph (1) as to the year in which the goals for reducing unemployment set forth in section 4(b) of the Employment Act of 1946 can be achieved, if, pursuant to section 4(e) of such Act, the President recommends in the Economic Report that such goals be achieved in a year which is different from the year in which the Congress has expressed its opinion that such goals should be achieved, either in its action pursuant to paragraph (1) or in its most recent action pursuant to this paragraph, the concurrent resolution on the budget for the fiscal year beginning after the date on which such Economic Report is received by the Congress may set forth the year in which, in the opinion of the Congress, such goals can be achieved.

(3) It shall be in order to amend the provision of such resolution setting forth such year only if the amendment thereto also proposes to alter the estimates, amounts, and levels (as described in subsection (a)) set forth in such resolution in germane fashion in order to be consistent with the economic goals (as described in sections 3(a)(2) and (4)(b) of the Employment Act of 1946) which such amendment proposes can be achieved by the year specified in such amendment.

(g) ECONOMIC ASSUMPTIONS.—

(1) It shall not be in order in the Senate to consider any concurrent resolution on the budget for a fiscal year, or any amendment thereto, or any conference report thereon, that sets forth amounts and levels that are determined on the basis of more than one set of economic and technical assumptions.

(2) The joint explanatory statement accompanying a conference report on a concurrent resolution on the budget shall set forth the common economic assumptions upon which such joint statement and conference report are based, or upon which any amendment contained in the joint explanatory statement to be proposed by the conferees in the case of technical disagreement, is based.

(3) Subject to periodic reestimation based on changed economic conditions or technical estimates, determinations under titles III and IV of the Congressional Budget Act of 1974 shall be based upon such common economic and technical assumptions.

(h) BUDGET COMMITTEES CONSULTATION WITH COMMITTEES.—The Committee on the Budget of the House of Representatives shall consult with the committees of its House having legislative jurisdiction during the preparation, consideration, and enforcement of the concurrent resolution on the budget with respect to all matters which relate to the jurisdiction or functions of such committees.

(i) SOCIAL SECURITY POINT OF ORDER.—It shall not be in order in the Senate to consider any concurrent resolution on the budget (or amendment, motion, or conference report on the resolution) that would decrease the excess of social security revenues over social security outlays in any of the fiscal years covered by the concurrent resolution. No change in chapter 1 of the Internal Revenue Code of 1986 shall be treated as affecting the amount of social security revenues unless such provision changes the income tax treatment of social security benefits.

(1) ALLOCATION AMONG COMMITTEES.—The joint explanatory statement accompanying a conference report on a concurrent resolution on the budget shall include an allocation, consistent with the resolution recommended in the conference report, of the levels for the first fiscal year of the resolution, for at least each of the ensuing 4 fiscal years, and a total for that period of fiscal years (except in the case of the Committee on Appropriations only for the fiscal year of that resolution) of—

(A) total new budget authority; and

(B) total outlays;

among each committee of the House of Representatives or the Senate that has jurisdiction over legislation providing or creating such amounts.

(2) NO DOUBLE COUNTING.—In the House of Representatives, any item allocated to one committee may not be allocated to another committee.

(A) IN THE SENATE.—In the Senate, the amount allocated to the Committee on Appropriations shall be further divided among the categories specified in section 250(c)(4) of the Balanced Budget and Emergency Deficit Control Act of 1985 and shall not exceed the limits for each category set forth in section 251(c) of that Act.

(B) IN THE HOUSE.—In the House of Representatives, the amounts allocated to each committee for each fiscal year, other than the Committee on Appropriations, shall be further divided between amounts provided or required by law on the date of filing of that conference report and amounts not so provided or required. The amounts allocated to the Committee on Appropriations shall be further divided—

(i) between discretionary and mandatory amounts or programs, as appropriate; and

(ii) consistent with the categories specified in section 250(c)(4) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(5) ADJUSTING ALLOCATION OF DISCRETIONARY SPENDING IN THE HOUSE OF REPRESENTATIVES.—(A) If a concurrent resolution on the budget is not adopted by April 15, the chairman of the Committee on the Budget of the House of Representatives shall submit to the House, as soon as practicable, an allocation under paragraph (1) to the Committee on Appropriations consistent with the discretionary spending levels in the most recently agreed to concurrent resolution on the budget for the appropriate fiscal year covered by that resolution.

(B) As soon as practicable after an allocation under paragraph (1) is submitted under this section, the Committee on Appropriations shall make suballocations and report those suballocations to the House of Representatives.

(b) SUBALLOCATIONS BY APPROPRIATIONS COMMITTEES.—As soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations of each House (after consulting with the Committee on Appropriations of the other House) shall suballocate each amount allocated to it for the budget year under subsection (a) among its subcommittees. Each Committee on Appropriations shall promptly report to its House suballocations made or revised under this subsection. The Committee

on Appropriations of the House of Representatives shall further divide among its subcommittees the divisions made under subsection (a)(3)(B) and promptly report those divisions to the House.

(c) POINT OF ORDER.—After the Committee on Appropriations has received an allocation pursuant to subsection (a) for a fiscal year, it shall not be in order in the House of Representatives or the Senate to consider any bill, joint resolution, amendment, motion, or conference report within the jurisdiction of that committee providing new budget authority for that fiscal year, until that committee makes the suballocations required by subsection (b).

(d) SUBSEQUENT CONCURRENT RESOLUTIONS.—In the case of a concurrent resolution on the budget referred to in section 304, the allocations under subsection (a) and the subdivisions under subsection (b) shall be required only to the extent necessary to take into account revisions made in the most recently agreed to concurrent resolution on the budget.

(e) ALTERATION OF ALLOCATIONS.—At any time after a committee reports the allocations required to be made under subsection (b), such committee may report to its House an alteration of such allocations. Any alteration of such allocations must be consistent with any actions already taken by its House on legislation within the committee's jurisdiction.

(f) LEGISLATION SUBJECT TO POINT OF ORDER.—

(1) IN THE HOUSE OF REPRESENTATIVES.—After the Congress has completed action on a concurrent resolution on the budget for a fiscal year, it shall not be in order in the House of Representatives to consider any bill, joint resolution, or amendment providing new budget authority for any fiscal year, or any conference report on any such bill or joint resolution, if—

(A) the enactment of such bill or resolution as reported;

(B) the adoption and enactment of such amendment;

or

(C) the enactment of such bill or resolution in the form recommended in such conference report,

would cause the applicable allocation of new budget authority made under subsection (a) or (b) for the first fiscal year or the total of fiscal years to be exceeded.

(2) IN THE SENATE.—After a concurrent resolution on the budget is agreed to, it shall not be in order in the Senate to consider any bill, joint resolution, amendment, motion, or conference report that would cause—

(A) in the case of any committee except the Committee on Appropriations, the applicable allocation of new budget authority or outlays under subsection (a) for the first fiscal year or the total of fiscal years to be exceeded; or

(B) in the case of the Committee on Appropriations, the applicable suballocation of new budget authority or outlays under subsection (b) to be exceeded.

(g) PAY-AS-YOU-GO EXCEPTION IN THE HOUSE.—

(1) IN GENERAL.—(A) Subsection (f)(1) and, after April 15, section 303(a) shall not apply to any bill or joint resolution, as reported, amendment thereto, or conference report thereon if,

for each fiscal year covered by the most recently agreed to concurrent resolution on the budget—

- (i) the enactment of that bill or resolution as reported;
- (ii) the adoption and enactment of that amendment; or
- (iii) the enactment of that bill or resolution in the form

recommended in that conference report,

would not increase the deficit, and, if the sum of any revenue increases provided in legislation already enacted during the current session (when added to revenue increases, if any, in excess of any outlay increase provided by the legislation proposed for consideration) is at least as great as the sum of the amount, if any, by which the aggregate level of Federal revenues should be increased as set forth in that concurrent resolution and the amount, if any, by which revenues are to be increased pursuant to pay-as-you-go procedures under section 301(b)(8), if included in that concurrent resolution.

(B) Section 311(a), as that section applies to revenues, shall not apply to any bill, joint resolution, amendment thereto, or conference report thereon if, for each fiscal year covered by the most recently agreed to concurrent resolution on the budget—

- (i) the enactment of that bill or resolution as reported;
- (ii) the adoption and enactment of that amendment; or
- (iii) the enactment of that bill or resolution in the form

recommended in that conference report,

would not increase the deficit, and, if the sum of any outlay reductions provided in legislation already enacted during the current session (when added to outlay reductions, if any, in excess of any revenue reduction provided by the legislation proposed for consideration) is at least as great as the sum of the amount, if any, by which the aggregate level of Federal outlays should be reduced as required by that concurrent resolution and the amount, if any, by which outlays are to be reduced pursuant to pay-as-you-go procedures under section 301(b)(8), if included in that concurrent resolution.

(2) REVISED ALLOCATIONS.—(A) As soon as practicable after Congress agrees to a bill or joint resolution that would have been subject to a point of order under subsection (f)(1) but for the exception provided in paragraph (1)(A) or would have been subject to a point of order under section 311(a) but for the exception provided in paragraph (1)(B), the chairman of the committee on the Budget of the House of Representatives shall file with the House appropriately revised allocations under section 302(a) and revised functional levels and budget aggregates to reflect that bill.

(B) Such revised allocations, functional levels, and budget aggregates shall be considered for the purposes of this Act as allocations, functional levels, and budget aggregates contained in the most recently agreed to concurrent resolution on the budget.

SEC. 303.¹³ [2 U.S.C. 634] (a) IN GENERAL.—Until the concurrent resolution on the budget for a fiscal year has been agreed to, it shall not be in order in the House of Representatives, with respect to the first fiscal year covered by that resolution, or the Senate, with respect to any fiscal year covered by that resolution, to consider any bill or joint resolution, amendment or motion thereto, or conference report thereon that—

(c) APPLICATION TO APPROPRIATION MEASURES IN THE SENATE.—

- (1) IN GENERAL.—Until the concurrent resolution on the budget for a fiscal year has been agreed to and an allocation has been made to the Committee on Appropriations of the Senate under section 302(a) for that year, it shall not be in order in the Senate to consider any appropriation bill or joint resolution, amendment or motion thereto, or conference report thereon for that year or any subsequent year.

- (2) EXCEPTION.—Paragraph (1) does not apply to appropriations legislation making advance appropriations for the first or second fiscal year after the year the allocation referred to in that paragraph is made.

¹³In the House, the application of section 303 was modified for the 106th Congress by section 2(a)(3) of H. No amendment that is not germane to the provisions of such concurrent resolution shall be received. Such leaders, or either of them, may, from the time under their control on the passage of the concurrent resolution,

(4) Subject to the other limitations of this Act, only if a concurrent resolution on the budget reported by the Committee on the Budget of the Senate sets forth the economic goals (as described in sections 3(a)(2) and 4(b) of the Employment Act of 1946) which the estimates, amounts, and levels (as described in section 301(a)) set forth in such resolution are designed to achieve, shall it be in order to offer to such resolution an amendment relating to such goals, and such amendment shall be in order only if it also proposes to alter such estimates, amounts, and levels in germane fashion in order to be consistent with the goals proposed in such amendment.

(5) A motion to further limit debate is not debatable. A motion to recommit (except a motion to recommit with instructions to report back within a specified number of days, not to exceed 3, not counting any day on which the Senate is not in session) is not in order. Debate on any such motion to recommit shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the concurrent resolution.

(6) Notwithstanding any other rule, an amendment or series of amendments to a concurrent resolution on the budget proposed in the Senate shall always be in order if such amendment or series of amendments proposes to change any figure or figures then contained in such concurrent resolution so as to make such concurrent resolution mathematically consistent or so as to maintain such consistency.

(c) ACTION ON CONFERENCE REPORTS IN THE SENATE.—

(1) A motion to proceed to the consideration of the conference report on any concurrent resolution on the budget (or a reconciliation bill or resolution) may be made even though a previous motion to the same effect has been disagreed to.

(2) During the consideration in the Senate of the conference report (or a message between Houses) on any concurrent resolution on the budget, and all amendments in disagreement, and all amendments thereto, and debatable motions and appeals in connection therewith, debate shall be limited to 10 hours, to be equally divided between, and controlled by, the majority leader and minority leader or their designees. Debate on any debatable motion or appeal related to the conference report (or a message between Houses) shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the conference report (or a message between Houses).

(3) Should the conference report be defeated, debate on any request for a new conference and the appointment of conferees shall be limited to 1 hour, to be equally divided between, and controlled by, the manager of the conference report

and the minority leader or his designee, and should any motion be made to instruct the conferees before the conferees are named, debate on such motion shall be limited to one-half hour, to be equally divided between, and controlled by, the mover and the manager of the conference report. Debate on any amendment to any such instructions shall be limited to 20 minutes, to be equally divided between and controlled by the mover and the manager of the conference report. In all cases when the manager of the conference report is in favor of any motion, appeal, or amendment, the time in opposition shall be under the control of the minority leader or his designee.

(4) In any case in which there are amendments in disagreement, time on each amendment shall be limited to 30 minutes, to be equally divided between, and controlled by, the manager of the conference report and the minority leader or his designee. No amendment that is not germane to the provisions of such amendments shall be received.

(d) CONCURRENT RESOLUTION MUST BE CONSISTENT IN THE SENATE.—It shall not be in order in the Senate to vote on the question of agreeing to—

(1) a concurrent resolution on the budget unless the figures then contained in such resolution are mathematically consistent; or

It shall not be in order to consider a concurrent resolution on the budget, or an amendment thereto, or a conference report thereon that contains reconciliation directives under section 310 of the Congressional Budget Act of 1974 that specify changes in law such that the reconciliation legislation reported pursuant to such directives would cause an increase in net direct spending (as such term is defined in clause 10) for the period covered by such concurrent resolution.”

(2) It shall not be in order in the Senate to consider any amendment to a reconciliation bill or reconciliation resolution if such amendment would have the effect of decreasing any specific budget outlay reductions below the level of such outlay reductions provided (for the fiscal years covered) in the reconciliation instructions which relate to such bill or resolution set forth in a resolution providing for reconciliation, or would have the effect of reducing Federal revenue increases below the level of such revenue increases provided (for such fiscal years) in such instructions relating to such bill or resolution, unless such amendment makes a reduction in other specific budget outlays, an increase in other specific Federal revenues, or a combination thereof (for such fiscal years) at least equivalent to any increase in outlays or decrease in revenues provided by such amendment, except that a motion to strike a provision shall always be in order.

(3) Paragraphs (1) and (2) shall not apply if a declaration of war by the Congress is in effect.

(4) For purposes of this section, the levels of budget outlays and Federal revenues for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget of the House of Representatives or of the Senate, as the case may be.

(5) The Committee on Rules of the House of Representatives may make in order amendments to achieve changes specified by reconciliation directives contained in a concurrent resolution on the budget if a committee or committees of the House fail to submit recommended changes to its Committee on the Budget pursuant to its instruction.

(e) PROCEDURE IN THE SENATE.—

(1) Except as provided in paragraph (2), the provisions of section 305 for the consideration in the Senate of concurrent resolutions on the budget and conference reports thereon shall also apply to the consideration in the Senate of reconciliation bills reported under subsection (b) and conference reports thereon.

(2) Debate in the Senate on any reconciliation bill reported under subsection (b), and all amendments thereto and debatable motions and appeals in connection therewith, shall be limited to not more than 20 hours.

(f) COMPLETION OF RECONCILIATION PROCESS.—It shall not be in order in the House of Representatives to consider any resolution providing for an adjournment period of more than three calendar days during the month of July until the House of Representatives has completed action on the reconciliation legislation for the fiscal year beginning on October 1 of the calendar year to which the adjournment resolution pertains, if reconciliation legislation is required to be reported by the concurrent resolution on the budget for such fiscal year.

(g) LIMITATION ON CHANGES TO THE SOCIAL SECURITY ACT.—Notwithstanding any other provision of law, it shall not be in order in the Senate or the House of Representatives to consider any reconciliation bill or reconciliation resolution reported pursuant to a concurrent resolution on the budget agreed to under section 301 or 304, or a joint resolution pursuant to section 258C of the Balanced Budget and Emergency Deficit Control Act of 1985, or any amendment thereto or conference report thereon, that contains recommendations with respect to the old-age, survivors, and disability insurance program established under title II of the Social Security Act.

BUDGET-RELATED LEGISLATION MUST BE WITHIN APPROPRIATE
LEVELS

SEC. 311. [2 U.S.C. 642] (a) ENFORCEMENT OF BUDGET AGGREGATES.—

(1) IN THE HOUSE OF REPRESENTATIVES.—Except as provided by subsection (c), after the Congress has completed action on a concurrent resolution on the budget for a fiscal year, it shall not be in order in the House of Representatives to consider any bill, joint resolution, amendment, motion, or conference report providing new budget authority or reducing revenues, if—

(A) the enactment of that bill or resolution as reported;

(B) the adoption and enactment of that amendment; or

(C) the enactment of that bill or resolution in the form recommended in that conference report;

would cause the level of total new budget authority or total outlays set forth in the applicable concurrent resolution on the budget for the first fiscal year to be exceeded, or would cause revenues to be less than the level of total revenues set forth in that concurrent resolution for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided under section 302(a), except when a declaration of war by the Congress is in effect.

(2) **IN THE SENATE.**—After a concurrent resolution on the budget is agreed to, it shall not be in order in the Senate to consider any bill, joint resolution, amendment, motion, or conference report that—

(A) would cause the level of total new budget authority or total outlays set forth for the first fiscal year in the applicable resolution to be exceeded; or

(B) would cause revenues to be less than the level of total revenues set forth for that first fiscal year or for the total of that first fiscal year and the ensuing fiscal years in the applicable resolution for which allocations are provided under section 302(a).

(3) **ENFORCEMENT OF SOCIAL SECURITY LEVELS IN THE SENATE.**—After a concurrent resolution on the budget is agreed to, it shall not be in order in the Senate to consider any bill, joint resolution, amendment, motion, or conference report that would cause a decrease in social security surpluses or an increase in social security deficits relative to the levels set forth in the applicable resolution for the first fiscal year or for the total of that fiscal year and the ensuing fiscal years for which allocations are provided under section 302(a).

(b) **SOCIAL SECURITY LEVELS.**—

(1) **IN GENERAL.**—For purposes of subsection (a)(3), social security surpluses equal the excess of social security revenues over social security outlays in a fiscal year or years with such an excess and social security deficits equal the excess of social security outlays over social security revenues in a fiscal year or years with such an excess.

(2) **TAX TREATMENT.**—For purposes of subsection (a)(3), no provision of any legislation involving a change in chapter 1 of the Internal Revenue Code of 1986 shall be treated as affecting the amount of social security revenues or outlays unless that provision changes the income tax treatment of social security benefits.

(c) **EXCEPTION IN THE HOUSE OF REPRESENTATIVES.**—Subsection (a)(1) shall not apply in the House of Representatives to any bill, joint resolution, or amendment that provides new budget authority for a fiscal year or to any conference report on any such bill or resolution, if—

(1) the enactment of that bill or resolution as reported;

(2) the adoption and enactment of that amendment; or

(3) the enactment of that bill or resolution in the form recommended in that conference report; would not cause the appropriate allocation of new budget authority made pursuant to section 302(a) for that fiscal year to be exceeded.

DETERMINATIONS AND POINTS OF ORDER

SEC. 312. [2 U.S.C. 643] (a) BUDGET COMMITTEE DETERMINATIONS.—For purposes of this title and title IV, the levels of new budget authority, outlays, direct spending, new entitlement authority, and revenues for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget of the House of Representatives or the Senate, as applicable.

(b) DISCRETIONARY SPENDING POINT OF ORDER IN THE SENATE.—

(1) IN GENERAL.—Except as otherwise provided in this subsection, it shall not be in order in the Senate to consider any bill or resolution (or amendment, motion, or conference report on that bill or resolution) that would exceed any of the discretionary spending limits in section 251(c) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(2) EXCEPTIONS.—This subsection shall not apply if a declaration of war by the Congress is in effect or if a joint resolution pursuant to section 258 of the Balanced Budget and Emergency Deficit Control Act of 1985¹⁹ has been enacted.

(c) MAXIMUM DEFICIT AMOUNT POINT OF ORDER IN THE SENATE.—It shall not be in order in the Senate to consider any concurrent resolution on the budget for a fiscal year, or to consider any amendment to that concurrent resolution, or to consider a conference report on that concurrent resolution, if—

(1) the level of total outlays for the first fiscal year set forth in that concurrent resolution or conference report exceeds; or

(2) the adoption of that amendment would result in a level of total outlays for that fiscal year that exceeds; the recommended level of Federal revenues for that fiscal year, by an amount that is greater than the maximum deficit amount, if any, specified in the Balanced Budget and Emergency Deficit Control Act of 1985 for that fiscal year.

(d) TIMING OF POINTS OF ORDER IN THE SENATE.—A point of order under this Act may not be raised against a bill, resolution, amendment, motion, or conference report while an amendment or motion, the adoption of which would remedy the violation of this Act, is pending before the Senate.

(e) POINTS OF ORDER IN THE SENATE AGAINST AMENDMENTS BETWEEN THE HOUSES.—Each provision of this Act that establishes a point of order against an amendment also establishes a point of order in the Senate against an amendment between the Houses. If a point of order under this Act is raised in the Senate against an amendment between the Houses and the point of order is sustained, the effect shall be the same as if the Senate had disagreed to the amendment.

¹⁹The Congressional Budget Office is not required to prepare a report under section 258 pursuant to section 104(b) of the Budget Control Act of 2011 (Public Law 112-25). See page 178.

(f) EFFECT OF A POINT OF ORDER IN THE SENATE.—In the Senate, if a point of order under this Act against a bill or resolution is sustained, the Presiding Officer shall then recommit the bill or resolution to the committee of appropriate jurisdiction for further consideration.

EXTRANEOUS MATTER IN RECONCILIATION LEGISLATION

SEC. 313. [2 U.S.C. 644] (a) IN GENERAL.—When the Senate is considering a reconciliation bill or a reconciliation resolution pursuant to section 310 (whether that bill or resolution originated in the Senate or the House) or section 258C of the Balanced Budget and Emergency Deficit Control Act of 1985, upon a point of order being made by any Senator against material extraneous to the instructions to a committee which is contained in any title or provision of the bill or resolution or offered as an amendment to the bill or resolution, and the point of order is sustained by the Chair, any part of said title or provision that contains material extraneous to the instructions to said Committee as defined in subsection (b) shall be deemed stricken from the bill and may not be offered as an amendment from the floor.

(b) EXTRANEOUS PROVISIONS.—(1)(A) Except as provided in paragraph (2), a provision of a reconciliation bill or reconciliation resolution considered pursuant to section 310 shall be considered extraneous if such provision does not produce a change in outlays or revenue, including changes in outlays and revenues brought about by changes in the terms and conditions under which outlays are made or revenues are required to be collected (but a provision in which outlay decreases or revenue increases exactly offset outlay increases or revenue decreases shall not be considered extraneous by virtue of this subparagraph); (B) any provision producing an increase in outlays or decrease in revenues shall be considered extraneous if the net effect of provisions reported by the Committee reporting the title containing the provision is that the Committee fails to achieve its reconciliation instructions; (C) a provision that is not in the jurisdiction of the Committee with jurisdiction over said title or provision shall be considered extraneous; (D) a provision shall be considered extraneous if it produces changes in outlays or revenues which are merely incidental to the non-budgetary components of the provision; (E) a provision shall be considered to be extraneous if it increases, or would increase, net outlays, or if it decreases, or would decrease, revenues during a fiscal year after the fiscal years covered by such reconciliation bill or reconciliation resolution, and such increases or decreases are greater than outlay reductions or revenue increases resulting from other provisions in such title in such year; and (F) a provision shall be considered extraneous if it violates section 310(g).

(2) A Senate-originated provision shall not be considered extraneous under paragraph (1)(A) if the Chairman and Ranking Minority Member of the Committee on the Budget and the Chairman and Ranking Minority Member of the Committee which reported the provision certify that: (A) the provision mitigates direct effects clearly attributable to a provision changing outlays or revenue and both provisions together produce a net reduction in the deficit; (B) the provision will result in a substantial reduction in outlays or a

substantial increase in revenues during fiscal years after the fiscal years covered by the reconciliation bill or reconciliation resolution; (C) a reduction of outlays or an increase in revenues is likely to occur as a result of the provision, in the event of new regulations authorized by the provision or likely to be proposed, court rulings on pending litigation, or relationships between economic indices and stipulated statutory triggers pertaining to the provision, other than the regulations, court rulings or relationships currently projected by the Congressional Budget Office for scorekeeping purposes; or (D) such provision will be likely to produce a significant reduction in outlays or increase in revenues but, due to insufficient data, such reduction or increase cannot be reliably estimated.

(3) A provision reported by a committee shall not be considered extraneous under paragraph (1)(C) if (A) the provision is an integral part of a provision or title, which if introduced as a bill or resolution would be referred to such committee, and the provision sets forth the procedure to carry out or implement the substantive provisions that were reported and which fall within the jurisdiction of such committee; or (B) the provision states an exception to, or a special application of, the general provision or title of which it is a part and such general provision or title if introduced as a bill or resolution would be referred to such committee.

(c) **EXTRANEIOUS MATERIALS.**—Upon the reporting or discharge of a reconciliation bill or resolution pursuant to section 310 in the Senate, and again upon the submission of a conference report on such a reconciliation bill or resolution, the Committee on the Budget of the Senate shall submit for the record a list of material considered to be extraneous under subsections (b)(1)(A), (b)(1)(B), and (b)(1)(E) of this section to the instructions of a committee as provided in this section. The inclusion or exclusion of a provision shall not constitute a determination of extraneousness by the Presiding Officer of the Senate.

(d) **CONFERENCE REPORTS.**—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a reconciliation bill or reconciliation resolution pursuant to section 310, upon—

(1) a point of order being made by any Senator against extraneous material meeting the definition of subsections (b)(1)(A), (b)(1)(B), (b)(1)(D), (b)(1)(E), or (b)(1)(F), and

(2) such point of order being sustained, such material contained in such conference report or amendment shall be deemed stricken, and the Senate shall proceed, without intervening action or motion, to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable for two hours. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

(e) **GENERAL POINT OF ORDER.**—Notwithstanding any other law or rule of the Senate, it shall be in order for a Senator to raise a

single point of order that several provisions of a bill, resolution, amendment, motion, or conference report violate this section. The Presiding Officer may sustain the point of order as to some or all of the provisions against which the Senator raised the point of order. If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the point of order, then only those provisions (including provisions of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section. Before the Presiding Officer rules on such a point of order, any Senator may move to waive such a point of order as it applies to some or all of the provisions against which the point of order was raised. Such a motion to waive is amendable in accordance with the rules and precedents of the Senate. After the Presiding Officer rules on such a point of order, any Senator may appeal the ruling of the Presiding Officer on such a point of order as it applies to some or all of the provisions on which the Presiding Officer ruled.

SEC. 314. [2 U.S.C. 645] (a) ADJUSTMENTS.—After the reporting of a bill or joint resolution or the offering of an amendment thereto or the submission of a conference report thereon, the chairman of the Committee on the Budget of the House of Representatives or the Senate may make appropriate budgetary adjustments of new budget authority and the outlays flowing therefrom in the same amount as required by section 251(b) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(b) APPLICATION OF ADJUSTMENTS.—The adjustments made pursuant to subsection (a) for legislation shall—

- (1) apply while that legislation is under consideration;
- (2) take effect upon the enactment of that legislation; and
- (3) be published in the Congressional Record as soon as practicable.

Title V—Credit Reform

SEC. 500. SHORT TITLE.

This title may be cited as the “Federal Credit Reform Act of 1990”.

SEC. 501. [2 U.S.C. 661] PURPOSES.

The purposes of this title are to—

- (1) measure more accurately the costs of Federal credit programs;
- (2) place the cost of credit programs on a budgetary basis equivalent to other Federal spending;
- (3) encourage the delivery of benefits in the form most appropriate to the needs of beneficiaries; and
- (4) improve the allocation of resources among credit programs and between credit and other spending programs.

SEC. 502. [2 U.S.C. 661a] DEFINITIONS.

For purposes of this title—

(1) The term “direct loan” means a disbursement of funds by the Government to a non-Federal borrower under a contract that requires the repayment of such funds with or without interest. The term includes the purchase of, or participation in, a loan made by another lender and financing arrangements that defer payment for more than 90 days, including the sale of a government asset on credit terms. The term does not include the acquisition of a federally guaranteed loan in satisfaction of default claims or the price support loans of the Commodity Credit Corporation.

(2) The term “direct loan obligation” means a binding agreement by a Federal agency to make a direct loan when specified conditions are fulfilled by the borrower.

(3) The term “loan guarantee” means any guarantee, insurance, or other pledge with respect to the payment of all or a part of the principal or interest on any debt obligation of a non-Federal borrower to a non-Federal lender, but does not include the insurance of deposits, shares, or other withdrawable accounts in financial institutions.

(4) The term “loan guarantee commitment” means a binding agreement by a Federal agency to make a loan guarantee when specified conditions are fulfilled by the borrower, the lender, or any other party to the guarantee agreement.

(5)(A) The term “cost” means the estimated long-term cost to the Government of a direct loan or loan guarantee or modification thereof, calculated on a net present value basis, excluding administrative costs and any incidental effects on governmental receipts or outlays.

(B) The cost of a direct loan shall be the net present value, at the time when the direct loan is disbursed, of the following estimated cash flows:

- (i) loan disbursements;
- (ii) repayments of principal; and
- (iii) payments of interest and other payments by or to the Government over the life of the loan after ad-

justing for estimated defaults, prepayments, fees, penalties, and other recoveries; including the effects of changes in loan terms resulting from the exercise by the borrower of an option included in the loan contract.

(C) The cost of a loan guarantee shall be the net present value, at the time when the guaranteed loan is disbursed, of the following estimated cash flows:

(i) payments by the Government to cover defaults and delinquencies, interest subsidies, or other payments; and

(ii) payments to the Government including origination and other fees, penalties and recoveries; including the effects of changes in loan terms resulting from the exercise by the guaranteed lender of an option included in the loan guarantee contract, or by the borrower of an option included in the guaranteed loan contract.

(D) The cost of a modification is the difference between the current estimate of the net present value of the remaining cash flows under the terms of a direct loan or loan guarantee contract, and the current estimate of the net present value of the remaining cash flows under the terms of the contract, as modified.

(E) In estimating net present values, the discount rate shall be the average interest rate on marketable Treasury securities of similar maturity to the cash flows of the direct loan or loan guarantee for which the estimate is being made.

(F) When funds are obligated for a direct loan or loan guarantee, the estimated cost shall be based on the current assumptions, adjusted to incorporate the terms of the loan contract, for the fiscal year in which the funds are obligated.

(6) The term "credit program account" means the budget account into which an appropriation to cover the cost of a direct loan or loan guarantee program is made and from which such cost is disbursed to the financing account.

(7) The term "financing account" means the non-budget account or accounts associated with each credit program account which holds balances, receives the cost payment from the credit program account, and also includes all other cash flows to and from the Government resulting from direct loan obligations or loan guarantee commitments made on or after October 1, 1991.

(8) The term "liquidating account" means the budget account that includes all cash flows to and from the Government resulting from direct loan obligations or loan guarantee commitments made prior to October 1, 1991. These accounts shall be shown in the budget on a cash basis.

(9) The term "modification" means any Government action that alters the estimated cost of an outstanding direct loan (or direct loan obligation) or an outstanding loan guarantee (or loan guarantee commitment) from the current estimate of cash flows. This includes the sale of loan assets, with or without re-

course, and the purchase of guaranteed loans. This also includes any action resulting from new legislation, or from the exercise of administrative discretion under existing law, that directly or indirectly alters the estimated cost of outstanding direct loans (or direct loan obligations) or loan guarantees (or loan guarantee commitments) such as a change in collection procedures.

(10) The term “current” has the same meaning as in section 250(c)(9) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(11) The term “Director” means the Director of the Office of Management and Budget.

SEC. 503. [2 U.S.C. 661b] OMB AND CBO ANALYSIS, COORDINATION, AND REVIEW.

(a) **IN GENERAL.**—For the executive branch, the Director shall be responsible for coordinating the estimates required by this title. The Director shall consult with the agencies that administer direct loan or loan guarantee programs.

(b) **DELEGATION.**—The Director may delegate to agencies authority to make estimates of costs. The delegation of authority shall be based upon written guidelines, regulations, or criteria consistent with the definitions in this title.

(c) **COORDINATION WITH THE CONGRESSIONAL BUDGET OFFICE.**—In developing estimation guidelines, regulations, or criteria to be used by Federal agencies, the Director shall consult with the Director of the Congressional Budget Office.

(d) **IMPROVING COST ESTIMATES.**—The Director and the Director of the Congressional Budget Office shall coordinate the development of more accurate data on historical performance of direct loan and loan guarantee programs. They shall annually review the performance of outstanding direct loans and loan guarantees to improve estimates of costs. The Office of Management and Budget and the Congressional Budget Office shall have access to all agency data that may facilitate the development and improvement of estimates of costs.

(e) **HISTORICAL CREDIT PROGRAM COSTS.**—The Director shall review, to the extent possible, historical data and develop the best possible estimates of adjustments that would convert aggregate historical budget data to credit reform accounting.

(f) **ADMINISTRATIVE COSTS.**—The Director and the Director of the Congressional Budget Office shall each analyze and report to Congress on differences in long-term administrative costs for credit programs versus grant programs by January 31, 1992. Their reports shall recommend to Congress any changes, if necessary, in the treatment of administrative costs under credit reform accounting.

SEC. 504. [2 U.S.C. 661c] BUDGETARY TREATMENT.

(a) **PRESIDENT'S BUDGET.**—Beginning with fiscal year 1992, the President's budget shall reflect the costs of direct loan and loan guarantee programs. The budget shall also include the planned level of new direct loan obligations or loan guarantee commitments associated with each appropriations request.

(b) APPROPRIATIONS REQUIRED.—Notwithstanding any other provision of law, new direct loan obligations may be incurred and new loan guarantee commitments may be made for fiscal year 1992 and thereafter only to the extent that—

(1) new budget authority to cover their costs is provided in advance in an appropriations Act;

(2) a limitation on the use of funds otherwise available for the cost of a direct loan or loan guarantee program has been provided in advance in an appropriations Act; or

(3) authority is otherwise provided in appropriation Acts.

(c) EXEMPTION FOR MANDATORY PROGRAMS.—Subsections (b) and (e) shall not apply to a direct loan or loan guarantee program that—

(1) constitutes an entitlement (such as the guaranteed student loan program or the veterans' home loan guaranty program); or

(2) all existing credit programs of the Commodity Credit Corporation on the date of enactment of this title.

(d) BUDGET ACCOUNTING.—

(1) The authority to incur new direct loan obligations, make new loan guarantee commitments, or modify outstanding direct loans (or direct loan obligations) or loan guarantees (or loan guarantee commitments) shall constitute new budget authority in an amount equal to the cost of the direct loan or loan guarantee in the fiscal year in which definite authority becomes available or indefinite authority is used. Such budget authority shall constitute an obligation of the credit program account to pay to the financing account.

(2) The outlays resulting from new budget authority for the cost of direct loans or loan guarantees described in paragraph (1) shall be paid from the credit program account into the financing account and recorded in the fiscal year in which the direct loan or the guaranteed loan is disbursed or its costs altered.

(3) All collections and payments of the financing accounts shall be a means of financing.

(e) MODIFICATIONS.—An outstanding direct loan (or direct loan obligation) or loan guarantee (or loan guarantee commitment) shall not be modified in a manner that increases its costs unless budget authority for the additional cost has been provided in advance in an appropriations Act.

(f) REESTIMATES.—When the estimated cost for a group of direct loans or loan guarantees for a given credit program made in a single fiscal year is reestimated in a subsequent year, the difference between the reestimated cost and the previous cost estimate shall be displayed as a distinct and separately identified subaccount in the credit program account as a change in program costs and a change in net interest. There is hereby provided permanent indefinite authority for these reestimates.

(g) ADMINISTRATIVE EXPENSES.—All funding for an agency's administration of a direct loan or loan guarantee program shall be displayed as distinct and separately identified subaccounts within the same budget account as the program's cost.

SEC. 505. [2 U.S.C. 661d] AUTHORIZATIONS.

For guaranteed loans financed by the Bank and treated as direct loans by a Federal agency pursuant to section 406(b),²⁸ any fee or interest surcharge (the amount by which the interest rate charged exceeds the rate determined pursuant to section 502(5)(E)) that the Bank charges to a private borrower pursuant to section 6(c) of the Federal Financing Bank Act of 1973 shall be considered a cash flow to the Government for the purposes of determining the cost of the direct loan pursuant to section 502(5). All such amounts shall be credited to the appropriate financing account. The Bank is authorized to require reimbursement from a Federal agency to cover the administrative expenses of the Bank that are attributable to the direct loans financed for that agency. All such payments by an agency shall be considered administrative expenses subject to section 504(g). This subsection shall apply to transactions related to direct loan obligations or loan guarantee commitments made on or after October 1, 1991. The authorities described above shall not be construed to supersede or override the authority of the head of a Federal agency to administer and operate a direct loan or loan guarantee program. All of the transactions provided in this subsection shall be subject to the provisions of subchapter II of chapter 15 of title 31, United States Code. Cash balances of the financing accounts in excess of current requirements shall be maintained in a form of uninvested funds and the Secretary of the Treasury shall pay interest on these funds.

(d) AUTHORIZATION FOR LIQUIDATING ACCOUNTS.—(1) Amounts in liquidating accounts shall be available only for payments resulting from direct loan obligations or loan guarantee commitments made prior to October 1, 1991, for—

(H) such other payments as are necessary for the liquidation of such direct loan obligations and loan guarantee commitments.

(2) Amounts credited to liquidating accounts in any year shall be available only for payments required in that year. Any unobligated balances in liquidating accounts at the end of a fiscal year shall be transferred to miscellaneous receipts as soon as practicable after the end of the fiscal year.

(3) If funds in liquidating accounts are insufficient to satisfy obligations and commitments of such accounts, there is hereby provided permanent, indefinite authority to make any payments required to be made on such obligations and commitments.

(e) **AUTHORIZATION OF APPROPRIATIONS FOR IMPLEMENTATION EXPENSES.**—There are authorized to be appropriated to existing accounts such sums as may be necessary for salaries and expenses to carry out the responsibilities under this title.

(f) **REINSURANCE.**—Nothing in this title shall be construed as authorizing or requiring the purchase of insurance or reinsurance on a direct loan or loan guarantee from private insurers. If any such reinsurance for a direct loan or loan guarantee is authorized, the cost of such insurance and any recoveries to the Government shall be included in the calculation of the cost.

(g) **ELIGIBILITY AND ASSISTANCE.**—Nothing in this title shall be construed to change the authority or the responsibility of a Federal agency to determine the terms and conditions of eligibility for, or the amount of assistance provided by a direct loan or a loan guarantee.

(b) **CREDITING OF COLLECTIONS.**—Collections resulting from direct loans obligated or loan guarantees committed prior to October 1, 1991, shall be credited to the liquidating accounts of Federal agencies. SEC. 1012. [2 U.S.C. 683] (a) TRANSMITTAL OF SPECIAL MESSAGE.—Whenever the President determines that all or part of any budget authority will not be required to carry out the full objectives or scope of programs for which it is provided or that such budget authority should be rescinded for fiscal policy or other reasons (including the determination of authorized projects or activities for which budget authority has been provided), or whenever all or part of budget authority provided for only one fiscal year is to be reserved from obligation for such fiscal year, the President shall transmit to both Houses of Congress a special message specifying—

(b) REQUIREMENT TO MAKE AVAILABLE FOR OBLIGATION.—Any amount of budget authority proposed to be rescinded or that is to be reserved as set forth in such special message shall be made available for obligation unless, within the prescribed 45-day period, the Congress has completed action on a rescission bill rescinding all or part of the amount proposed to be rescinded or that is to be reserved. Funds made available for obligation under this procedure may not be proposed for rescission again.

A special message may include one or more proposed deferrals of budget authority. A deferral may not be proposed for any period of time extending beyond the end of the fiscal year in which the special message proposing the deferral is transmitted to the House and the Senate.

Each special message so transmitted shall be referred to the appropriate committee of the House of Representatives and the Senate. Each such message shall be printed as a document of each House.

(b) DELIVERY TO COMPTROLLER GENERAL.—A copy of each special message transmitted under section 1012 or 1013 shall be transmitted to the Comptroller General on the same day it is transmitted to the House of Representatives and the Senate. In order to assist the Congress in the exercise of its functions under sections 1012 and 1013, the Comptroller General shall review each such message and inform the House of Representatives and the Senate as promptly as practicable with respect to—

(2) in the case of a special message transmitted under section 1013, (A) the facts surrounding each proposed deferral of budget authority (including the probable effects thereof) and (B) whether or not (or to what extent), in his judgment, such proposed deferral is in accordance with existing statutory authority.

(c) TRANSMISSION OF SUPPLEMENTARY MESSAGES.—If any information contained in a special message transmitted under section 1012 or 1013 is subsequently revised, the President shall transmit to both Houses of Congress and the Comptroller General a supplementary message stating and explaining such revision. Any such supplementary message shall be delivered, referred, and printed as provided in subsection (a). The Comptroller General shall promptly notify the House of Representatives and the Senate of any change in the information submitted by him under subsection (b) which may be necessitated by such revision.

(d) PRINTING IN FEDERAL REGISTER.—Any special message transmitted under section 1012 or 1013, and any supplementary message transmitted under subsection (c), shall be printed in the first issue of the Federal Register published after such transmittal.

REPORTS BY COMPTROLLER GENERAL

SEC. 1015. [2 U.S.C. 686] (a) **FAILURE TO TRANSMIT SPECIAL MESSAGE.**—If the Comptroller General finds that the President, the Director of the Office of Management and Budget, the head of any department or agency of the United States, or any other officer or employee of the United States—

(1) is to establish a reserve or proposes to defer budget authority with respect to which the President is required to transmit a special message under section 1012 or 1013; or

(2) has ordered, permitted, or approved the establishment of such a reserve or a deferral of budget authority;

and that the President has failed to transmit a special message with respect to such reserve or deferral, the Comptroller General shall make a report on such reserve or deferral and any available information concerning it to both Houses of Congress. The provisions of this part shall apply with respect to such reserve or deferral in the same manner and with the same effect as if such report of the Comptroller General were a special message transmitted by the President under section 1012 or 1013, and, for purposes of this part, such report shall be considered a special message transmitted under section 1012 or 1013.

(b) **INCORRECT CLASSIFICATION OF SPECIAL MESSAGE.**—If the President has transmitted a special message to both Houses of Congress in accordance with section 1012 or 1013, and the Comptroller General believes that the President so transmitted the special message in accordance with one of those sections when the special message should have been transmitted in accordance with the other of those sections, the Comptroller General shall make a report to both Houses of the Congress setting forth his reasons.

SUITS BY COMPTROLLER GENERAL

SEC. 1016. [2 U.S.C. 687] If, under this title, budget authority is required to be made available for obligation and such budget authority is not made available for obligation, the Comptroller General is hereby expressly empowered, through attorneys of his own selection, to bring a civil action in the United States District Court for the District of Columbia to require such budget authority to be

made available for obligation, and such court is hereby expressly empowered to enter in such civil action, against any department, agency, officer, or employee of the United States, any decree, judgment, or order, which may be necessary or appropriate to make such budget authority available for obligation. No civil action shall be brought by the Comptroller General under this section until the expiration of 25 calendar days of continuous session of the Congress following the date on which an explanatory statement by the Comptroller General of the circumstances giving rise to the action contemplated has been filed with the Speaker of the House of Representatives and the President of the Senate.

PROCEDURE IN HOUSE AND SENATE

SEC. 1017. [2 U.S.C. 688] (a) REFERRAL.—Any rescission bill introduced with respect to a special message or impoundment resolution introduced with respect to a proposed deferral of budget authority shall be referred to the appropriate committee of the House of Representatives or the Senate, as the case may be.

(b) DISCHARGE OF COMMITTEE.—

(1) If the committee to which a rescission bill or impoundment resolution has been referred has not reported it at the end of 25 calendar days of continuous session of the Congress after its introduction, it is in order to move either to discharge the committee from further consideration of the bill or resolution or to discharge the committee from further consideration of any other rescission bill with respect to the same special message or impoundment resolution with respect to the same proposed deferral, as the case may be, which has been referred to the committee.

(2) A motion to discharge may be made only by an individual favoring the bill or resolution, may be made only if supported by one-fifth of the Members of the House involved (a quorum being present), and is highly privileged in the House and privileged in the Senate (except that it may not be made after the committee has reported a bill or resolution with respect to the same special message or the same proposed deferral, as the case may be); and debate thereon shall be limited to not more than 1 hour, the time to be divided in the House equally between those favoring and those opposing the bill or resolution, and to be divided in the Senate equally between, and controlled by, the majority leader and the minority leader or their designees. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(c) FLOOR CONSIDERATION IN THE HOUSE.—

(1) When the committee of the House of Representatives has reported, or has been discharged from further consideration of a rescission bill or impoundment resolution, it shall at any time thereafter be in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the bill or resolution. The motion shall be highly privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move

to reconsider the vote by which the motion is agreed to or disagreed to.

(2) Debate on a rescission bill or impoundment resolution shall be limited to not more than 2 hours, which shall be divided equally between those favoring and those opposing the bill or resolution. A motion further to limit debate shall not be debatable. In the case of an impoundment resolution, no amendment to, or motion to recommit, the resolution shall be in order. It shall not be in order to move to reconsider the vote by which a rescission bill or impoundment resolution is agreed to or disagreed to.

(3) Motions to postpone, made with respect to the consideration of a rescission bill or impoundment resolution, and motions to proceed to the consideration of other business, shall be decided without debate.

(4) All appeals from the decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to any rescission bill or impoundment resolution shall be decided without debate.

(5) Except to the extent specifically provided in the preceding provisions of this subsection, consideration of any rescission bill or impoundment resolution and amendments thereto (or any conference report thereon) shall be governed by the Rules of the House of Representatives applicable to other bills and resolutions, amendments, and conference reports in similar circumstances.

(d) FLOOR CONSIDERATION IN THE SENATE.—

(1) Debate in the Senate on any rescission bill or impoundment resolution, and all amendments thereto (in the case of a rescission bill) and debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(2) Debate in the Senate on any amendment to a rescission bill shall be limited to 2 hours, to be equally divided between, and controlled by, the mover and the manager of the bill. Debate on any amendment to an amendment, to such a bill, and debate on any debatable motion or appeal in connection with such a bill or an impoundment resolution shall be limited to 1 hour, to be equally divided between, and controlled by, the mover and the manager of the bill or resolution, except that in the event the manager of the bill or resolution is in favor in any such amendment, motion, or appeal, the time in opposition thereto, shall be controlled by the minority leader or his designee. No amendment that is not germane to the provisions of a rescission bill shall be received. Such leaders, or either of them, may, from the time under their control on the passage of a rescission bill or impoundment resolution, allot additional time to any Senator during the consideration of any amendment, debatable motion, or appeal.

(3) A motion to further limit debate is not debatable. In the case of a rescission bill, a motion to recommit (except a motion to recommit with instructions to report back within a specified number of days, not to exceed 3, not counting any day on

which the Senate is not in session) is not in order. Debate on any such motion to recommit shall be limited to one hour, to be equally divided between, and controlled by, the mover and the manager of the concurrent resolution. In the case of an impoundment resolution, no amendment or motion to recommit is in order.

(4) The conference report on any rescission bill shall be in order in the Senate at any time after the third day (excluding Saturdays, Sundays, and legal holidays) following the day on which such a conference report is reported and is available to Members of the Senate. A motion to proceed to the consideration of the conference report may be made even though a previous motion to the same effect has been disagreed to.

(5) During the consideration in the Senate of the conference report on any rescission bill, debate shall be limited to 2 hours, to be equally divided between, and controlled by, the majority leader and minority leader or their designees. Debate on any debatable motion or appeal related to the conference report shall be limited to 30 minutes, to be equally divided between, and controlled by, the mover and the manager of the conference report.

(6) Should the conference report be defeated, debate on any request for a new conference and the appointment of conferees shall be limited to one hour, to be equally divided, between, and controlled by, the manager of the conference report and the minority leader or his designee, and should any motion be made to instruct the conferees before the conferees are named, debate on such motion shall be limited to 30 minutes, to be equally divided between, and controlled by, the mover and the manager of the conference report. Debate on any amendment to any such instructions shall be limited to 20 minutes, to be equally divided between, and controlled by the mover and the manager of the conference report. In all cases when the manager of the conference report is in favor of any motion, appeal, or amendment, the time in opposition shall be under the control of the minority leader or his designee.

(7) In any case in which there are amendments in disagreement, time on each amendment shall be limited to 30 minutes, to be equally divided between, and controlled by, the manager of the conference report and the minority leader or his designee. No amendment that is not germane to the provisions of such amendments shall be received.

SEC. 251. [2 U.S.C. 901] ENFORCING DISCRETIONARY SPENDING LIMITS.

(a) ENFORCEMENT.—

(1) SEQUESTRATION.—Within 15 calendar days after Congress adjourns to end a session there shall be a sequestration to eliminate a budget-year breach, if any, within any category.

(2) ELIMINATING A BREACH.—Each non-exempt account within a category shall be reduced by a dollar amount calculated by multiplying the enacted level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to eliminate a breach within that category.

(3) MILITARY PERSONNEL.—If the President uses the authority to exempt any personnel account from sequestration under section 255(f), each account within subfunctional category 051 (other than those military personnel accounts for which the authority provided under section 255(f) has been exercised) shall be further reduced by a dollar amount calculated by multiplying the enacted level of non-exempt budgetary resources in that account at that time by the uniform percentage necessary to offset the total dollar amount by which outlays are not reduced in military personnel accounts by reason of the use of such authority.

(4) PART-YEAR APPROPRIATIONS.—If, on the date specified in paragraph (1), there is in effect an Act making or continuing appropriations for part of a fiscal year for any budget account, then the dollar sequestration calculated for that account under paragraphs (2) and (3) shall be subtracted from—

(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation for that account.

(5) LOOK-BACK.—If, after June 30, an appropriation for the fiscal year in progress is enacted that causes a breach within a category for that year (after taking into account any sequestration of amounts within that category), the discretionary

spending limits for that category for the next fiscal year shall be reduced by the amount or amounts of that breach.

(6) WITHIN-SESSION SEQUESTRATION.—If an appropriation for a fiscal year in progress is enacted (after Congress adjourns to end the session for that budget year and before July 1 of that fiscal year) that causes a breach within a category for that year (after taking into account any prior sequestration of amounts within that category), 15 days later there shall be a sequestration to eliminate that breach within that category following the procedures set forth in paragraphs (2) through (4).

(7) ESTIMATES.—

(A) CBO ESTIMATES.—As soon as practicable after Congress completes action on any discretionary appropriation, CBO, after consultation with the Committees on the Budget of the House of Representatives and the Senate, shall provide OMB with an estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation.

(B) OMB ESTIMATES AND EXPLANATION OF DIFFERENCES.—Not later than 7 calendar days (excluding Saturdays, Sundays, and legal holidays) after the date of enactment of any discretionary appropriation, OMB shall transmit a report to the House of Representatives and to the Senate containing the CBO estimate of that legislation, an OMB estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation, and an explanation of any difference between the 2 estimates. If during the preparation of the report OMB determines that there is a significant difference between OMB and CBO, OMB shall consult with the Committees on the Budget of the House of Representatives and the Senate regarding that difference and that consultation shall include, to the extent practicable, written communication to those committees that affords such committees the opportunity to comment before the issuance of the report.

(C) ASSUMPTIONS AND GUIDELINES.—OMB estimates under this paragraph shall be made using current economic and technical assumptions. Such changes shall equal the baseline levels of new budget authority and outlays using up-to-date concepts and definitions, minus those levels using the concepts and definitions in effect before such changes. Such changes may only be made after consultation with the Committees on Appropriations and the Budget of the House of Representatives and the Senate, and that consultation shall include written communication to such committees that affords such committees the opportunity to comment before official action is taken with respect to such changes.

(A) full funding of, and continuation of, the deposit insurance guarantee commitment in effect under current estimates; and

(B) emergency provisions as designated under subsection (e).

(5) SCOREKEEPING GUIDELINES.—OMB and CBO, after consultation with each other and the Committees on the Budget of the House of Representatives and the Senate, shall—

(A) determine common scorekeeping guidelines; and

(B) in conformance with such guidelines, prepare estimates under this section.

⁵²This paragraph, pursuant to section 252(d)(1) of the Budget Control Act of 2011, no longer applies to the Congressional Budget Office.

(e)⁵³ EMERGENCY LEGISLATION.—If a provision of direct spending or receipts legislation is enacted that the President designates as an emergency requirement and that the Congress so designates in statute, the amounts of new budget authority, outlays, and receipts in all fiscal years resulting from that provision shall be designated as an emergency requirement in the reports required under subsection (d). This subsection shall not apply to direct spending provisions to cover agricultural crop disaster assistance.

SEC. 253. [2 U.S.C. 903] ENFORCING DEFICIT TARGETS.⁵⁴

(a) SEQUESTRATION.—Within 15 calendar days after Congress adjourns to end a session (other than of the One Hundred First Congress) and on the same day as a sequestration (if any) under section 251 and section 252, but after any sequestration required by section 251 (enforcing discretionary spending limits) or section 252 (enforcing pay-as-you-go), there shall be a sequestration to eliminate the excess deficit (if any remains) if it exceeds the margin.

(b) EXCESS DEFICIT; MARGIN.—The excess deficit is, if greater than zero, the estimated deficit for the budget year, minus—

- (1) the maximum deficit amount for that year;
- (2) the amounts for that year designated as emergency direct spending or receipts legislation under section 252(e); and
- (3) for any fiscal year in which there is not a full adjustment for technical and economic reestimates, the deposit insurance reestimate for that year, if any, calculated under subsection (h).

The “margin” for fiscal year 1992 or 1993 is zero and for fiscal year 1994 or 1995 is \$15,000,000,000.

(c) DIVIDING THE SEQUESTRATION.—To eliminate the excess deficit in a budget year, half of the required outlay reductions shall be obtained from non-exempt defense accounts (accounts designated as function 050 in the President’s fiscal year 1991 budget submission) and half from non-exempt, non-defense accounts (all other non-exempt accounts).

(d) DEFENSE.—Each non-exempt defense account shall be reduced by a dollar amount calculated by multiplying the level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to carry out subsection (c), except that, if any military personnel are exempt, adjustments shall be made under the procedure set forth in section 251(a)(3).

(e) NON-DEFENSE.—Actions to reduce non-defense accounts shall be taken in the following order:

- (1) FIRST.—All reductions in automatic spending increases under section 256(a) shall be made.

⁵³ See page 271: Clause 2(e) of rule XXI of the Rules of the House of Representatives reads as follows:

“(e) A provision other than an appropriation designated an emergency under section 251(b)(2) or section 252(e) of the Balanced Budget and Emergency Deficit Control Act, a rescission of budget authority, or a reduction in direct spending or an amount for a designated emergency may not be reported in an appropriation bill or joint resolution containing an emergency designation under section 251(b)(2) or section 252(e) of such Act and may not be in order as an amendment thereto.”

⁵⁴ Section 253 is in force since BBEDCA was made permanent by the Budget Control Act of 2011 (Public Law 112–25), but the section is inoperable.

(2) SECOND.—If additional reductions in non-defense accounts are required to be made, the maximum reduction permissible under sections 256(b) (guaranteed student loans) and 256(c) (foster care and adoption assistance) shall be made.

(3) THIRD.—

(A) If additional reductions in non-defense accounts are required to be made, each remaining non-exempt, non-defense account shall be reduced by the uniform percentage necessary to make the reductions in non-defense outlays required by subsection (c), except that—

(i) the medicare program specified in section 256(d) shall not be reduced by more than 2 percent in total including any reduction of less than 2 percent made under section 252 or, if it has been reduced by 2 percent or more under section 252, it may not be further reduced under this section; and

(ii) the health programs set forth in section 256(e) shall not be reduced by more than 2 percent in total (including any reduction made under section 251), and the uniform percent applicable to all other programs under this subsection shall be increased (if necessary) to a level sufficient to achieve the required reduction in non-defense outlays.

(B) For purposes of determining reductions under subparagraph (A), outlay reduction (as a result of sequestration of Commodity Credit Corporation commodity price support contracts in the fiscal year of a sequestration) that would occur in the following fiscal year shall be credited as outlay reductions in the fiscal year of the sequestration.

(f) BASELINE ASSUMPTIONS; PART-YEAR APPROPRIATIONS.—

(1) BUDGET ASSUMPTIONS.—For purposes of subsections (b), (c), (d), and (e), accounts shall be assumed to be at the level in the baseline minus any reductions required to be made under sections 251 and 252.

(2) PART-YEAR APPROPRIATIONS.—If, on the date specified in subsection (a), there is in effect an Act making or continuing appropriations for part of a fiscal year for any non-exempt budget account, then the dollar sequestration calculated for that account under subsection (d) or (e), as applicable, shall be subtracted from—

(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation; except that the amount to be sequestered from that account shall be reduced (but not below zero) by the savings achieved by that appropriation when the enacted amount is less than the baseline for that account.

(g) ADJUSTMENTS TO MAXIMUM DEFICIT AMOUNTS.—

(1) ADJUSTMENTS.—

(A) When the President submits the budget for fiscal year 1992, the maximum deficit amounts for fiscal years

1992, 1993, 1994, and 1995 shall be adjusted to reflect up-to-date reestimates of economic and technical assumptions and any changes in concepts or definitions. When the President submits the budget for fiscal year 1993, the maximum deficit amounts for fiscal years 1993, 1994, and 1995 shall be further adjusted to reflect up-to-date reestimates of economic and technical assumptions and any changes in concepts or definitions.

(B) When submitting the budget for fiscal year 1994, the President may choose to adjust the maximum deficit amounts for fiscal years 1994 and 1995 to reflect up-to-date reestimates of economic and technical assumptions. If the President chooses to adjust the maximum deficit amount when submitting the fiscal year 1994 budget, the President may choose to invoke the same adjustment procedure when submitting the budget for fiscal year 1995. In each case, the President must choose between making no adjustment or the full adjustment described in paragraph (2). If the President chooses to make that full adjustment, then those procedures for adjusting discretionary spending limits described in sections 251(b)(1)(C) and 251(b)(2)(E), otherwise applicable through fiscal year 1993 or 1994 (as the case may be), shall be deemed to apply for fiscal year 1994 (and 1995 if applicable).

(C) When the budget for fiscal year 1994 or 1995 is submitted and the sequestration reports for those years under section 254 are made (as applicable), if the President does not choose to make the adjustments set forth in subparagraph (B), the maximum deficit amount for that fiscal year shall be adjusted by the amount of the adjustment to discretionary spending limits first applicable for that year (if any) under section 251(b).

(D) For each fiscal year the adjustments required to be made with the submission of the President's budget for that year shall also be made when OMB submits the sequestration update report and the final sequestration report for that year, but OMB shall continue to use the economic and technical assumptions in the President's budget for that year.

Each adjustment shall be made by increasing or decreasing the maximum deficit amounts set forth in section 601 of the Congressional Budget Act of 1974.

(2) CALCULATIONS OF ADJUSTMENTS.—The required increase or decrease shall be calculated as follows:

(A) The baseline deficit or surplus shall be calculated using up-to-date economic and technical assumptions, using up-to-date concepts and definitions, and, in lieu of the baseline levels of discretionary appropriations, using the discretionary spending limits set forth in section 601 of the Congressional Budget Act of 1974 as adjusted under section 251.

(B) The net deficit increase or decrease caused by all direct spending and receipts legislation enacted after the date of enactment of this section (after adjusting for any

sequestration of direct spending accounts) shall be calculated for each fiscal year by adding—

(i) the estimates of direct spending and receipts legislation transmitted under section 252(d) applicable to each such fiscal year; and

(ii) the estimated amount of savings in direct spending programs applicable to each such fiscal year resulting from the prior year's sequestration under this section or section 252 of direct spending, if any, as contained in OMB's final sequestration report for that year.

(C) The amount calculated under subparagraph (B) shall be subtracted from the amount calculated under subparagraph (A).

(D) The maximum deficit amount set forth in section 601 of the Congressional Budget Act of 1974 shall be subtracted from the amount calculated under subparagraph (C).

(E) The amount calculated under subparagraph (D) shall be the amount of the adjustment required by paragraph (1).

(h) TREATMENT OF DEPOSIT INSURANCE.—

(1) INITIAL ESTIMATES.—The initial estimates of the net costs of federal deposit insurance for fiscal year 1994 and fiscal year 1995 (assuming full funding of, and continuation of, the deposit insurance guarantee commitment in effect on the date of the submission of the budget for fiscal year 1993) shall be set forth in that budget.

(2) REESTIMATES.—For fiscal year 1994 and fiscal year 1995, the amount of the reestimate of deposit insurance costs shall be calculated by subtracting the amount set forth under paragraph (1) for that year from the current estimate of deposit insurance costs (but assuming full funding of, and continuation of, the deposit insurance guarantee commitment in effect on the date of submission of the budget for fiscal year 1993).

(g) FEDERAL PAY.—

(1) IN GENERAL.—For purposes of any order issued under section 254—

(A) Federal pay under a statutory pay system, and

(B) elements of military pay,

shall be subject to reduction under an order in the same manner as other administrative expense components of the Federal budget; except that no such order may reduce or have the effect of reducing the rate of pay to which any individual is entitled under any such statutory pay system (as increased by any

amount payable under section 5304 of title 5, United States Code, or section 302 of the Federal Employees Pay Comparability Act of 1990) or the rate of any element of military pay to which any individual is entitled under title 37, United States Code, or any increase in rates of pay which is scheduled to take effect under section 5303 of title 5, United States Code, section 1009 of title 37, United States Code, or any other provision of law.

(h) TREATMENT OF FEDERAL ADMINISTRATIVE EXPENSES.—

(1) Notwithstanding any other provision of this title, administrative expenses incurred by the departments and agencies, including independent agencies, of the Federal Government in connection with any program, project, activity, or account shall be subject to reduction pursuant to an order issued under section 254, without regard to any exemption, exception, limitation, or special rule which is otherwise applicable with respect to such program, project, activity, or account under this part.

(2) Notwithstanding any other provision of law, administrative expenses of any program, project, activity, or account which is self-supporting and does not receive appropriations shall be subject to reduction under a sequester order, unless specifically exempted in this part.

(3) Payments made by the Federal Government to reimburse or match administrative costs incurred by a State or political subdivision under or in connection with any program, project, activity, or account shall not be considered administrative expenses of the Federal Government for purposes of this section, and shall be subject to reduction or sequestration under this part to the extent (and only to the extent) that other payments made by the Federal Government under or in connection with that program, project, activity, or account are subject to such reduction or sequestration; except that Federal payments made to a State as reimbursement of administrative costs incurred by such State under or in connection with the unemployment compensation programs specified in subsection (h)(1) shall be subject to reduction or sequestration under this part notwithstanding the exemption otherwise granted to such programs under that subsection.

(4) Notwithstanding any other provision of law, this subsection shall not apply with respect to the following:

- (A) Comptroller of the Currency.
- (B) Federal Deposit Insurance Corporation.
- (C) Office of Thrift Supervision.

- (H) Farm Credit Administration.

(i) TREATMENT OF PAYMENTS AND ADVANCES MADE WITH RESPECT TO UNEMPLOYMENT COMPENSATION PROGRAMS.—

(1) For purposes of section 254—

(A) any amount paid as regular unemployment compensation by a State from its account in the Unemployment Trust Fund (established by section 904(a) of the Social Security Act),

(B) any advance made to a State from the Federal unemployment account (established by section 904(g) of such Act) under title XII of such Act and any advance appropriated to the Federal unemployment account pursuant to section 1203 of such Act, and

(C) any payment made from the Federal Employees Compensation Account (as established under section 909 of such Act) for the purpose of carrying out chapter 85 of title 5, United States Code, and funds appropriated or transferred to or otherwise deposited in such Account,

shall not be subject to reduction.

(2)(A) A State may reduce each weekly benefit payment made under the Federal-State Extended Unemployment Compensation Act of 1970 for any week of unemployment occurring during any period with respect to which payments are reduced under an order issued under section 254 by a percentage not to exceed the percentage by which the Federal payment to the State under section 204 of such Act is to be reduced for such week as a result of such order.

(B) A reduction by a State in accordance with subparagraph (A) shall not be considered as a failure to fulfill the requirements of section 3304(a)(11) of the Internal Revenue Code of 1954.

(j) COMMODITY CREDIT CORPORATION.—

(1) POWERS AND AUTHORITIES OF THE COMMODITY CREDIT CORPORATION.—This title shall not restrict the Commodity Credit Corporation in the discharge of its authority and responsibility as a corporation to buy and sell commodities in world trade, to use the proceeds as a revolving fund to meet other obligations and otherwise operate as a corporation, the purpose for which it was created.

(2) REDUCTION IN PAYMENTS MADE UNDER CONTRACTS.—

(A) Loan eligibility under any contract entered into with a person by the Commodity Credit Corporation prior to the time an order has been issued under section 254 shall not be reduced by an order subsequently issued. Sub-

ject to subparagraph (B), after an order is issued under such section for a fiscal year, any cash payments for loans or loan deficiencies made by the Commodity Credit Corporation shall be subject to reduction under the order.

(B) Each loan contract entered into with producers or producer cooperatives with respect to a particular crop of a commodity and subject to reduction under subparagraph (A) shall be reduced in accordance with the same terms and conditions. If some, but not all, contracts applicable to a crop of a commodity have been entered into prior to the issuance of an order under section 254, the order shall provide that the necessary reduction in payments under contracts applicable to the commodity be uniformly applied to all contracts for the next succeeding crop of the commodity, under the authority provided in paragraph (3).

(3) DELAYED REDUCTION IN OUTLAYS PERMISSIBLE.—Notwithstanding any other provision of this title, if an order under section 254 is issued with respect to a fiscal year, any reduction under the order applicable to contracts described in paragraph (1) may provide for reductions in outlays for the account involved to occur in the fiscal year following the fiscal year to which the order applies.

(4) UNIFORM PERCENTAGE RATE OF REDUCTION AND OTHER LIMITATIONS.—All reductions described in paragraph (2) which are required to be made in connection with an order issued under section 254 with respect to a fiscal year shall be made so as to ensure that outlays for each program, project, activity, or account involved are reduced by a percentage rate that is uniform for all such programs, projects, activities, and accounts, and may not be made so as to achieve a percentage rate of reduction in any such item exceeding the rate specified in the order.

(5) DAIRY PROGRAM.—Notwithstanding any other provision of this subsection, as the sole means of achieving any reduction in outlays under the milk price support program, the Secretary of Agriculture shall provide for a reduction to be made in the price received by producers for all milk produced in the United States and marketed by producers for commercial use. That price reduction (measured in cents per hundred weight of milk marketed) shall occur under section 201(d)(2)(A) of the Agricultural Act of 1949 (7 U.S.C. 1446(d)(2)(A)), shall begin on the day any sequestration order is issued under section 254, and shall not exceed the aggregate amount of the reduction in outlays under the milk price support program that otherwise would have been achieved by reducing payments for the purchase of milk or the products of milk under this subsection during the applicable fiscal year.

(6) CERTAIN AUTHORITY NOT TO BE LIMITED.—Nothing in this joint resolution shall limit or reduce, in any way, any appropriation that provides the Commodity Credit Corporation with budget authority to cover the Corporation's net realized losses.

(k) EFFECTS OF SEQUESTRATION.—The effects of sequestration shall be as follows:

(1) Budgetary resources sequestered from any account shall be permanently cancelled, except as provided in paragraph (6).

(2) Except as otherwise provided, the same percentage sequestration shall apply to all programs, projects, and activities within a budget account (with programs, projects, and activities as delineated in the appropriation Act or accompanying report for the relevant fiscal year covering that account, or for accounts not included in appropriation Acts, as delineated in the most recently submitted President's budget).

(3) Administrative regulations or similar actions implementing a sequestration shall be made within 120 days of the sequestration order. To the extent that formula allocations differ at different levels of budgetary resources within an account, program, project, or activity, the sequestration shall be interpreted as producing a lower total appropriation, with the remaining amount of the appropriation being obligated in a manner consistent with program allocation formulas in substantive law.

(4) Except as otherwise provided, obligations in sequestered accounts shall be reduced only in the fiscal year in which a sequester occurs.

(5) If an automatic spending increase is sequestered, the increase (in the applicable index) that was disregarded as a result of that sequestration shall not be taken into account in any subsequent fiscal year.

(6) Budgetary resources sequestered in revolving, trust, and special fund accounts and offsetting collections sequestered in appropriation accounts shall not be available for obligation during the fiscal year in which the sequestration occurs, but shall be available in subsequent years to the extent otherwise provided in law.

SEC. 257. [2 U.S.C. 907] THE BASELINE.

(a) **IN GENERAL.**—For any budget year, the baseline refers to a projection of current-year levels of new budget authority, outlays, revenues, and the surplus or deficit into the budget year and the outyears based on laws enacted through the applicable date.

(b) **DIRECT SPENDING AND RECEIPTS.**—For the budget year and each outyear, the baseline shall be calculated using the following assumptions:

(1) **IN GENERAL.**—Laws providing or creating direct spending and receipts are assumed to operate in the manner specified in those laws for each such year and funding for entitlement authority is assumed to be adequate to make all payments required by those laws.

(2) **EXCEPTIONS.**—

(A)(i) No program established by a law enacted on or before the date of enactment of the Balanced Budget Act of 1997 with estimated current year outlays greater than \$50,000,000 shall be assumed to expire in the budget year or the outyears. The scoring of new programs with estimated outlays greater than \$50,000,000 a year shall be based on scoring by the Committees on Budget or OMB, as

applicable. OMB, CBO, and the Budget Committees shall consult on the scoring of such programs where there are differences between CBO and OMB.

(ii) On the expiration of the suspension of a provision of law that is suspended under section 171 of Public Law 104-127 and that authorizes a program with estimated fiscal year outlays that are greater than \$50,000,000, for purposes of clause (i), the program shall be assumed to continue to operate in the same manner as the program operated immediately before the expiration of the suspension.

(B) The increase for veterans' compensation for a fiscal year is assumed to be the same as that required by law for veterans' pensions unless otherwise provided by law enacted in that session.

(C) Excise taxes dedicated to a trust fund, if expiring, are assumed to be extended at current rates.

(D) If any law expires before the budget year or any outyear, then any program with estimated current year outlays greater than \$50,000,000 that operates under that law shall be assumed to continue to operate under that law as in effect immediately before its expiration.

(3) HOSPITAL INSURANCE TRUST FUND.—Notwithstanding any other provision of law, the receipts and disbursements of the Hospital Insurance Trust Fund shall be included in all calculations required by this Act.

(c) DISCRETIONARY APPROPRIATIONS.—For the budget year and each outyear, the baseline shall be calculated using the following assumptions regarding all amounts other than those covered by subsection (b):

(1) INFLATION OF CURRENT-YEAR APPROPRIATIONS.—Budgetary resources other than unobligated balances shall be at the level provided for the budget year in full-year appropriation Acts. If for any account a full-year appropriation has not yet been enacted, budgetary resources other than unobligated balances shall be at the level available in the current year, adjusted sequentially and cumulatively for expiring housing contracts as specified in paragraph (2), for social insurance administrative expenses as specified in paragraph (3), to offset pay absorption and for pay annualization as specified in paragraph (4), for inflation as specified in paragraph (5), and to account for changes required by law in the level of agency payments for personnel benefits other than pay.

(2) EXPIRING HOUSING CONTRACTS.—New budget authority to renew expiring multiyear subsidized housing contracts shall be adjusted to reflect the difference in the number of such contracts that are scheduled to expire in that fiscal year and the number expiring in the current year, with the per-contract renewal cost equal to the average current-year cost of renewal contracts.

(3) SOCIAL INSURANCE ADMINISTRATIVE EXPENSES.—Budgetary resources for the administrative expenses of the following trust funds shall be adjusted by the percentage change in the beneficiary population from the current year to that fiscal year:

the Federal Hospital Insurance Trust Fund, the Supplementary Medical Insurance Trust Fund, the Unemployment Trust Fund, and the railroad retirement account.

(4) PAY ANNUALIZATION; OFFSET TO PAY ABSORPTION.—Current-year new budget authority for Federal employees shall be adjusted to reflect the full 12-month costs (without absorption) of any pay adjustment that occurred in that fiscal year.

(5) INFLATORS.—The inflator used in paragraph (1) to adjust budgetary resources relating to personnel shall be the percent by which the average of the Bureau of Labor Statistics Employment Cost Index (wages and salaries, private industry workers) for that fiscal year differs from such index for the current year. The inflator used in paragraph (1) to adjust all other budgetary resources shall be the percent by which the average of the estimated gross domestic product chain-type price index for that fiscal year differs from the average of such estimated index for the current year.

(6) CURRENT-YEAR APPROPRIATIONS.—If, for any account, a continuing appropriation is in effect for less than the entire current year, then the current-year amount shall be assumed to equal the amount that would be available if that continuing appropriation covered the entire fiscal year. If law permits the transfer of budget authority among budget accounts in the current year, the current-year level for an account shall reflect transfers accomplished by the submission of, or assumed for the current year in, the President's original budget for the budget year.

(d) UP-TO-DATE CONCEPTS.—In deriving the baseline for any budget year or outyear, current-year amounts shall be calculated using the concepts and definitions that are required for that budget year.

(e) ASSET SALES.—Amounts realized from the sale of an asset shall not be included in estimates under section 251, 252, or 253 if that sale would result in a financial cost to the Federal Government as determined pursuant to scorekeeping guidelines.

SEC. 258. [2 U.S.C. 907a] SUSPENSION IN THE EVENT OF WAR OR LOW GROWTH.⁶⁰

(a) PROCEDURES IN THE EVENT OF A LOW GROWTH REPORT.—

(1) TRIGGER.—Whenever CBO issues a low-growth report under section 254(j), the Majority Leader of the House of Representatives may, and the Majority Leader of the Senate shall, introduce a joint resolution (in the form set forth in paragraph (2)) declaring that the conditions specified in section 254(j) are met and suspending the relevant provisions of this title, titles III and VI of the Congressional Budget Act of 1974, and section 1103 of title 31, United States Code.

⁶⁰The Congressional Budget Office is not required to prepare a report under this section pursuant to section 104(b) of the Budget Control Act of 2011.

Emergency Deficit Control Act of 1985 are met, and the implementation of the Congressional Budget and Impoundment Control Act of 1974, chapter 11 of title 31, United States Code, and part C of the Balanced Budget and Emergency Deficit Control Act of 1985 are modified as described in section 258(b) of the Balanced Budget and Emergency Deficit Control Act of 1985.”

(B) The title of the joint resolution shall be “Joint resolution suspending certain provisions of law pursuant to section 258(a)(2) of the Balanced Budget and Emergency Deficit Control Act of 1985.”; and the joint resolution shall not contain any preamble.

(3) COMMITTEE ACTION.—Each joint resolution introduced pursuant to paragraph (1) shall be referred to the appropriate committees of the House of Representatives or the Committee on the Budget of the Senate, as the case may be; and such Committee shall report the joint resolution to its House without amendment on or before the fifth day on which such House is in session after the date on which the joint resolution is introduced. If the Committee fails to report the joint resolution within the five-day period referred to in the preceding sentence, it shall be automatically discharged from further consideration of the joint resolution, and the joint resolution shall be placed on the appropriate calendar.

(4) CONSIDERATION OF JOINT RESOLUTION.—

(A) A vote on final passage of a joint resolution reported to the Senate or discharged pursuant to paragraph (3) shall be taken on or before the close of the fifth calendar day of session after the date on which the joint resolution is reported or after the Committee has been discharged from further consideration of the joint resolution. If prior to the passage by one House of a joint resolution of that House, that House receives the same joint resolution from the other House, then—

(i) the procedure in that House shall be the same as if no such joint resolution had been received from the other House, but

(ii) the vote on final passage shall be on the joint resolution of the other House.

When the joint resolution is agreed to, the Clerk of the House of Representatives (in the case of a House joint resolution agreed to in the House of Representatives) or the Secretary of the Senate (in the case of a Senate joint resolution agreed to in the Senate) shall cause the joint resolution to be engrossed, certified, and transmitted to the other House of the Congress as soon as practicable.

(B)(i) In the Senate, a joint resolution under this paragraph shall be privileged. It shall not be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(ii) Debate in the Senate on a joint resolution under this paragraph, and all debatable motions and appeals in connection therewith, shall be limited to not more than five hours. The time shall be equally di-

vided between, and controlled by, the majority leader and the minority leader or their designees.

(iii) Debate in the Senate on any debatable motion or appeal in connection with a joint resolution under this paragraph shall be limited to not more than one hour, to be equally divided between, and controlled by, the mover and the manager of the joint resolution, except that in the event the manager of the joint resolution is in favor of any such motion or appeal, the time in opposition thereto shall be controlled by the minority leader or his designee.

(iv) A motion in the Senate to further limit debate on a joint resolution under this paragraph is not debatable. A motion to table or to recommit a joint resolution under this paragraph is not in order.

(C) No amendment to a joint resolution considered under this paragraph shall be in order in the Senate.

(b) **SUSPENSION OF SEQUESTRATION PROCEDURES.**—Upon the enactment of a declaration of war—

(1) the subsequent issuance of any sequestration report or any sequestration order is precluded;

(2) sections 302(f), 310(d), 311(a), and title VI of the Congressional Budget Act of 1974 are suspended; and

(3) section 1103 of title 31, United States Code, is suspended.

(c) **RESTORATION OF SEQUESTRATION PROCEDURES.**—

(1) In the event of a suspension of sequestration procedures due to a declaration of war, then, effective with the first fiscal year that begins in the session after the state of war is concluded by Senate ratification of the necessary treaties, the provisions of subsection (b) triggered by that declaration of war are no longer effective.

(2) In the event of a suspension of sequestration procedures due to the enactment of a joint resolution described in subsection (a), then, effective with regard to the first fiscal year beginning at least 12 months after the enactment of that resolution, the provisions of subsection (b) triggered by that resolution are no longer effective.

SEC. 258A. [2 U.S.C. 907b] MODIFICATION OF PRESIDENTIAL ORDER.

(a) **INTRODUCTION OF JOINT RESOLUTION.**—At any time after the Director of OMB issues a final sequestration report under section 254 for a fiscal year, but before the close of the twentieth calendar day of the session of Congress beginning after the date of issuance of such report, the majority leader of either House of Congress may introduce a joint resolution which contains provisions directing the President to modify the most recent order issued under section 254 or provide an alternative to reduce the deficit for such fiscal year. After the introduction of the first such joint resolution in either House of Congress in any calendar year, then no other joint resolution introduced in such House in such calendar year shall be subject to the procedures set forth in this section.

(b) **PROCEDURES FOR CONSIDERATION OF JOINT RESOLUTIONS.**—

(1) REFERRAL TO COMMITTEE.—A joint resolution introduced in the Senate under subsection (a) shall not be referred to a committee of the Senate and shall be placed on the calendar pending disposition of such joint resolution in accordance with this subsection.

(2) CONSIDERATION IN THE SENATE.—On or after the third calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution is introduced under subsection (a), notwithstanding any rule or precedent of the Senate, including Rule XXII of the Standing Rules of the Senate, it is in order (even though a previous motion to the same effect has been disagreed to) for any Member of the Senate to move to proceed to the consideration of the joint resolution. The motion is not in order after the eighth calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution (to which the motion applies) is introduced. The joint resolution is privileged in the Senate. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the Senate shall immediately proceed to consideration of the joint resolution without intervening motion, order, or other business, and the joint resolution shall remain the unfinished business of the Senate until disposed of.

(3) DEBATE IN THE SENATE.—

(A) In the Senate, debate on a joint resolution introduced under subsection (a), amendments thereto, and all debatable motions and appeals in connection therewith shall be limited to not more than 10 hours, which shall be divided equally between the majority leader and the minority leader (or their designees).

(B) A motion to postpone, or a motion to proceed to the consideration of other business is not in order. A motion to reconsider the vote by which the joint resolution is agreed to or disagreed to is not in order, and a motion to recommit the joint resolution is not in order.

(C)(i) No amendment that is not germane to the provisions of the joint resolution or to the order issued under section 254 shall be in order in the Senate. In the Senate, an amendment, any amendment to an amendment, or any debatable motion or appeal is debatable for not to exceed 30 minutes to be equally divided between, and controlled by, the mover and the majority leader (or their designees), except that in the event that the majority leader favors the amendment, motion, or appeal, the minority leader (or the minority leader's designee) shall control the time in opposition to the amendment, motion, or appeal.

(ii) In the Senate, an amendment that is otherwise in order shall be in order notwithstanding the fact that it amends the joint resolution in more than one place or amends language previously amended. It shall not be in order in the Senate to vote on the question of agreeing to such a joint resolution or any amendment thereto unless the figures then contained

in such joint resolution or amendment are mathematically consistent.

(4) VOTE ON FINAL PASSAGE.—Immediately following the conclusion of the debate on a joint resolution introduced under subsection (a), a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate, and the disposition of any pending amendments under paragraph (3), the vote on final passage of the joint resolution shall occur.

(5) APPEALS.—Appeals from the decisions of the Chair shall be decided without debate.

(6) CONFERENCE REPORTS.—In the Senate, points of order under titles III, IV, and VI of the Congressional Budget Act of 1974 are applicable to a conference report on the joint resolution or any amendments in disagreement thereto.

(7) RESOLUTION FROM OTHER HOUSE.—If, before the passage by the Senate of a joint resolution of the Senate introduced under subsection (a), the Senate receives from the House of Representatives a joint resolution introduced under subsection (a), then the following procedures shall apply:

(A) The joint resolution of the House of Representatives shall not be referred to a committee and shall be placed on the calendar.

(B) With respect to a joint resolution introduced under subsection (a) in the Senate—

(i) the procedure in the Senate shall be the same as if no joint resolution had been received from the House; but

(ii)(I) the vote on final passage shall be on the joint resolution of the House if it is identical to the joint resolution then pending for passage in the Senate; or

(II) if the joint resolution from the House is not identical to the joint resolution then pending for passage in the Senate and the Senate then passes the Senate joint resolution, the Senate shall be considered to have passed the House joint resolution as amended by the text of the Senate joint resolution.

(C) Upon disposition of the joint resolution received from the House, it shall no longer be in order to consider the resolution originated in the Senate.

(8) SENATE ACTION ON HOUSE RESOLUTION.—If the Senate receives from the House of Representatives a joint resolution introduced under subsection (a) after the Senate has disposed of a Senate originated resolution which is identical to the House passed joint resolution, the action of the Senate with regard to the disposition of the Senate originated joint resolution shall be deemed to be the action of the Senate with regard to the House originated joint resolution. If it is not identical to the House passed joint resolution, then the Senate shall be considered to have passed the joint resolution of the House as amended by the text of the Senate joint resolution.

SEC. 258B. [2 U.S.C. 907c] FLEXIBILITY AMONG DEFENSE PROGRAMS, PROJECTS, AND ACTIVITIES.

(a) Subject to subsections (b), (c), and (d), new budget authority and unobligated balances for any programs, projects, or activities within major functional category 050 (other than a military personnel account) may be further reduced beyond the amount specified in an order issued by the President under section 254 for such fiscal year. To the extent such additional reductions are made and result in additional outlay reductions, the President may provide for lesser reductions in new budget authority and unobligated balances for other programs, projects, or activities within major functional category 050 for such fiscal year, but only to the extent that the resulting outlay increases do not exceed the additional outlay reductions, and no such program, project, or activity may be increased above the level actually made available by law in appropriation Acts (before taking sequestration into account). In making calculations under this subsection, the President shall use account outlay rates that are identical to those used in the report by the Director of OMB under section 254.

(b) No actions taken by the President under subsection (a) for a fiscal year may result in a domestic base closure or realignment that would otherwise be subject to section 2687 of title 10, United States Code.

(c) The President may not exercise the authority provided by this paragraph for a fiscal year unless—

(1) the President submits a single report to Congress specifying, for each account, the detailed changes proposed to be made for such fiscal year pursuant to this section;

(2) that report is submitted within 5 calendar days of the start of the next session of Congress; and

(3) a joint resolution affirming or modifying the changes proposed by the President pursuant to this paragraph becomes law.

(d) Within 5 calendar days of session after the President submits a report to Congress under subsection (c)(1) for a fiscal year, the majority leader of each House of Congress shall (by request) introduce a joint resolution which contains provisions affirming the changes proposed by the President pursuant to this paragraph.

(e)(1) The matter after the resolving clause in any joint resolution introduced pursuant to subsection (d) shall be as follows: "That the report of the President as submitted on [Insert Date] under section 258B is hereby approved."

(2) The title of the joint resolution shall be "Joint resolution approving the report of the President submitted under section 258B of the Balanced Budget and Emergency Deficit Control Act of 1985."

(3) Such joint resolution shall not contain any preamble.

(f)(1) A joint resolution introduced in the Senate under subsection (d) shall be referred to the Committee on Appropriations, and if not reported within 5 calendar days (excluding Saturdays, Sundays, and legal holidays) from the date of introduction shall be considered as having been discharged therefrom and shall be placed on the appropriate calendar pending disposition of such joint resolution in accordance with this subsection. In the Senate, no

amendment proposed in the Committee on Appropriations shall be in order other than an amendment (in the nature of a substitute) that is germane or relevant to the provisions of the joint resolution or to the order issued under section 254. For purposes of this paragraph, an amendment shall be considered to be relevant if it relates to function 050 (national defense).

(2) On or after the third calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after a joint resolution is placed on the Senate calendar, notwithstanding any rule or precedent of the Senate, including Rule XXII of the Standing Rules of the Senate, it is in order (even though a previous motion to the same effect has been disagreed to) for any Member of the Senate to move to proceed to the consideration of the joint resolution. The motion is not in order after the eighth calendar day (excluding Saturdays, Sundays, and legal holidays) beginning after such joint resolution is placed on the appropriate calendar. The motion is not debatable. The joint resolution is privileged in the Senate. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the joint resolution is agreed to, the Senate shall immediately proceed to consideration of the joint resolution without intervening motion, order, or other business, and the joint resolution shall remain the unfinished business of the Senate until disposed of.

(g)(1) In the Senate, debate on a joint resolution introduced under subsection (d), amendments thereto, and all debatable motions and appeals in connection therewith shall be limited to not more than 10 hours, which shall be divided equally between the majority leader and the minority leader (or their designees).

(2) A motion to postpone, or a motion to proceed to the consideration of other business is not in order. A motion to reconsider the vote by which the joint resolution is agreed to or disagreed to is not in order. In the Senate, a motion to recommit the joint resolution is not in order.

(h)(1) No amendment that is not germane or relevant to the provisions of the joint resolution or to the order issued under section 254 shall be in order in the Senate. For purposes of this paragraph, an amendment shall be considered to be relevant if it relates to function 050 (national defense). In the Senate, an amendment, any amendment to an amendment, or any debatable motion or appeal is debatable for not to exceed 30 minutes to be equally divided between, and controlled by, the mover and the majority leader (or their designees), except that in the event that the majority leader favors the amendment, motion, or appeal, the minority leader (or the minority leader's designee) shall control the time in opposition to the amendment, motion, or appeal.

(2) In the Senate, an amendment that is otherwise in order shall be in order notwithstanding the fact that it amends the joint resolution in more than one place or amends language previously amended, so long as the amendment makes or maintains mathematical consistency. It shall not be in order in the Senate to vote on the question of agreeing to such a joint resolution or any amendment thereto unless the figures then

contained in such joint resolution or amendment are mathematically consistent.

(3) It shall not be in order in the Senate to consider any amendment to any joint resolution introduced under subsection (d) or any conference report thereon if such amendment or conference report would have the effect of decreasing any specific budget outlay reductions below the level of such outlay reductions provided in such joint resolution unless such amendment or conference report makes a reduction in other specific budget outlays at least equivalent to any increase in outlays provided by such amendment or conference report.

(4) For purposes of the application of paragraph (3), the level of outlays and specific budget outlay reductions provided in an amendment shall be determined on the basis of estimates made by the Committee on the Budget of the Senate.

(i) Immediately following the conclusion of the debate on a joint resolution introduced under subsection (d), a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate, and the disposition of any pending amendments under subsection (h), the vote on final passage of the joint resolution shall occur.

(j) Appeals from the decisions of the Chair relating to the application of the rules of the Senate to the procedure relating to a joint resolution described in subsection (d) shall be decided without debate.

(k) In the Senate, points of order under titles III and IV of the Congressional Budget Act of 1974 (including points of order under sections 302(c), 303(a), 306, and 401(b)(1)) are applicable to a conference report on the joint resolution or any amendments in disagreement thereto.

(l) If, before the passage by the Senate of a joint resolution of the Senate introduced under subsection (d), the Senate receives from the House of Representatives a joint resolution introduced under subsection (d), then the following procedures shall apply:

(1) The joint resolution of the House of Representatives shall not be referred to a committee.

(2) With respect to a joint resolution introduced under subsection (d) in the Senate—

(A) the procedure in the Senate shall be the same as if no joint resolution had been received from the House; but

(B)(i) the vote on final passage shall be on the joint resolution of the House if it is identical to the joint resolution then pending for passage in the Senate; or

(ii) if the joint resolution from the House is not identical to the joint resolution then pending for passage in the Senate and the Senate then passes the Senate joint resolution, the Senate shall be considered to have passed the House joint resolution as amended by the text of the Senate joint resolution.

(3) Upon disposition of the joint resolution received from the House, it shall no longer be in order to consider the joint resolution originated in the Senate.

(m) If the Senate receives from the House of Representatives a joint resolution introduced under subsection (d) after the Senate has disposed of a Senate originated joint resolution which is identical to the House passed joint resolution, the action of the Senate with regard to the disposition of the Senate originated joint resolution shall be deemed to be the action of the Senate with regard to the House originated joint resolution. If it is not identical to the House passed joint resolution, then the Senate shall be considered to have passed the joint resolution of the House as amended by the text of the Senate joint resolution.

SEC. 258C. [2 U.S.C. 907d] SPECIAL RECONCILIATION PROCESS.

(a) REPORTING OF RESOLUTIONS AND RECONCILIATION BILLS AND RESOLUTIONS, IN THE SENATE.—

(1) COMMITTEE ALTERNATIVES TO PRESIDENTIAL ORDER.—

After the submission of an OMB sequestration update report under section 254 that envisions a sequestration under section 252 or 253, each standing committee of the Senate may, not later than October 10, submit to the Committee on the Budget of the Senate information of the type described in section 301(d) of the Congressional Budget Act of 1974 with respect to alternatives to the order envisioned by such report insofar as such order affects laws within the jurisdiction of the committee.

(2) INITIAL BUDGET COMMITTEE ACTION.—After the submission of such a report, the Committee on the Budget of the Senate may, not later than October 15, report to the Senate a resolution. The resolution may affirm the impact of the order envisioned by such report, in whole or in part. To the extent that any part is not affirmed, the resolution shall state which parts are not affirmed and shall contain instructions to committees of the Senate of the type referred to in section 310(a) of the Congressional Budget Act of 1974, sufficient to achieve at least the total level of deficit reduction contained in those sections which are not affirmed.

(3) RESPONSE OF COMMITTEES.—Committees instructed pursuant to paragraph (2), or affected thereby, shall submit their responses to the Budget Committee no later than 10 days after the resolution referred to in paragraph (2) is agreed to, except that if only one such Committee is so instructed such Committee shall, by the same date, report to the Senate a reconciliation bill or reconciliation resolution containing its recommendations in response to such instructions. A committee shall be considered to have complied with all instructions to it pursuant to a resolution adopted under paragraph (2) if it has made recommendations with respect to matters within its jurisdiction which would result in a reduction in the deficit at least equal to the total reduction directed by such instructions.

(4) BUDGET COMMITTEE ACTION.—Upon receipt of the recommendations received in response to a resolution referred to in paragraph (2), the Budget Committee shall report to the Senate a reconciliation bill or reconciliation resolution, or both, carrying out all such recommendations without any substantive revisions. In the event that a committee instructed in

a resolution referred to in paragraph (2) fails to submit any recommendation (or, when only one committee is instructed, fails to report a reconciliation bill or resolution) in response to such instructions, the Budget Committee shall include in the reconciliation bill or reconciliation resolution reported pursuant to this subparagraph legislative language within the jurisdiction of the noncomplying committee to achieve the amount of deficit reduction directed in such instructions.

(5) POINT OF ORDER.—It shall not be in order in the Senate to consider any reconciliation bill or reconciliation resolution reported under paragraph (4) with respect to a fiscal year, any amendment thereto, or any conference report thereon if—

(A) the enactment of such bill or resolution as reported;

(B) the adoption and enactment of such amendment;

or

(C) the enactment of such bill or resolution in the form recommended in such conference report,

would cause the amount of the deficit for such fiscal year to exceed the maximum deficit amount for such fiscal year, unless the low-growth report submitted under section 254 projects negative real economic growth for such fiscal year, or for each of any two consecutive quarters during such fiscal year.

(6) TREATMENT OF CERTAIN AMENDMENTS.—In the Senate, an amendment which adds to a resolution reported under paragraph (2) an instruction of the type referred to in such paragraph shall be in order during the consideration of such resolution if such amendment would be in order but for the fact that it would be held to be non-germane on the basis that the instruction constitutes new matter.

(7) DEFINITION.—For purposes of paragraphs (1), (2), and (3), the term “day” shall mean any calendar day on which the Senate is in session.

(b) PROCEDURES.—

(1) IN GENERAL.—Except as provided in paragraph (2), in the Senate the provisions of sections 305 and 310 of the Congressional Budget Act of 1974 for the consideration of concurrent resolutions on the budget and conference reports thereon shall also apply to the consideration of resolutions, and reconciliation bills and reconciliation resolutions reported under this paragraph and conference reports thereon.

(2) LIMIT ON DEBATE.—Debate in the Senate on any resolution reported pursuant to subsection (a)(2), and all amendments thereto and debatable motions and appeals in connection therewith, shall be limited to 10 hours.

(3) LIMITATION ON AMENDMENTS.—Section 310(d)(2) of the Congressional Budget Act shall apply to reconciliation bills and reconciliation resolutions reported under this subsection.

(4) BILLS AND RESOLUTIONS RECEIVED FROM THE HOUSE.—Any bill or resolution received in the Senate from the House, which is a companion to a reconciliation bill or reconciliation resolution of the Senate for the purposes of this subsection, shall be considered in the Senate pursuant to the provisions of this subsection.

(5) DEFINITION.—For purposes of this subsection, the term “resolution” means a simple, joint, or concurrent resolution.

(a) EXPEDITED REVIEW.—

(1) Any Member of Congress may bring an action, in the United States District Court for the District of Columbia, for declaratory judgment and injunctive relief on the ground that any order that might be issued pursuant to section 254 violates the Constitution.

(2) Any Member of Congress, or any other person adversely affected by any action taken under this title, may bring an action, in the United States District Court for the District of Columbia, for declaratory judgment and injunctive relief concerning the constitutionality of this title.

(3) Any Member of Congress may bring an action, in the United States District Court for the District of Columbia, for declaratory and injunctive relief on the ground that the terms of an order issued under section 254 do not comply with the requirements of this title.

(4) A copy of any complaint in an action brought under paragraph (1), (2), or (3) shall be promptly delivered to the Secretary of the Senate and the Clerk of the House of Representatives, and each House of Congress shall have the right to intervene in such action.

⁶¹ Section 13301 of the Budget Enforcement Act of 1990 amended the language in this section as enacted.

⁶² Section, Public Law 99-177, title II, Sec. 273, Dec. 12, 1985, 99 Stat. 1098, which related to revenue estimates, was redesignated as Section 201(g) of Pub. L. 93-344 by section 13202(b) of Public Law 101-508 and is classified to section 601(f) of this title. Section 13202(b) of the Budget Enforcement Act of 1990 transferred the text of what used to be section 273 of the Balanced Budget and Emergency Deficit Control Act of 1985 to section 301 of the Congressional Budget Act of 1974. Before enactment of the Budget Control Act of 1990, section 273 read as follows:

For the purposes of revenue legislation which is income, estate and gift, excise, and payroll taxes (i.e. Social Security), considered or enacted in any session of Congress, the Congressional Budget Office shall use exclusively during that session of Congress revenue estimates provided to it by the Joint Committee on Taxation. During that session of Congress such revenue estimates shall be transmitted by the Congressional Budget Office to any committee of the House of Representatives or the Senate requesting such estimates, and shall be used by such Committees in determining such estimates. The Budget Committees of the Senate and the House shall determine all estimates with respect to scoring points of order and with respect to the purposes of this Act.

(5) Any action brought under paragraph (1), (2), or (3) shall be heard and determined by a three-judge court in accordance with section 2284 of title 28, United States Code.

Nothing in this section or in any other law shall infringe upon the right of the House of Representatives to intervene in an action brought under paragraph (1), (2), or (3) without the necessity of adopting a resolution to authorize such intervention.

(b) APPEAL TO SUPREME COURT.—Notwithstanding any other provision of law, any order of the United States District Court for the District of Columbia which is issued pursuant to an action brought under paragraph (1), (2), or (3) of subsection (a) shall be reviewable by appeal directly to the Supreme Court of the United States. Any such appeal shall be taken by a notice of appeal filed within 10 days after such order is entered; and the jurisdictional statement shall be filed within 30 days after such order is entered. No stay of an order issued pursuant to an action brought under paragraph (1), (2), or (3) of subsection (a) shall be issued by a single Justice of the Supreme Court.

(c) EXPEDITED CONSIDERATION.—It shall be the duty of the District Court for the District of Columbia and the Supreme Court of the United States to advance on the docket and to expedite to the greatest possible extent the disposition of any matter brought under subsection (a).

(d) NONCOMPLIANCE WITH SEQUESTRATION PROCEDURES.—

(1) If it is finally determined by a court of competent jurisdiction that an order issued by the President under section 254 for any fiscal year—

(A) does not reduce automatic spending increases under any program specified in section 256(a) if such increases are required to be reduced by part C of this title (or reduces such increases by a greater extent than is so required), or

(B) does not sequester the amount of budgetary resources which is required to be sequestered by such part (or sequesters more than that amount) with respect to any program, project, activity, or account,

the President shall, within 20 days after such determination is made, revise the order in accordance with such determination.

(2) If the order issued by the President under section 254 for any fiscal year—

(A) does not reduce any automatic spending increase to the extent that such increase is required to be reduced by part C of this title,

(B) does not sequester any amount of new budget authority, new loan guarantee commitments, new direct loan obligations, or spending authority which is required to be sequestered by such part, or

(C) does not reduce any obligation limitation by the amount by which such limitation is required to be reduced under such part,

on the claim or defense that the constitutional powers of the President prevent such sequestration or reduction or permit the avoidance of such sequestration or reduction, and such claim or defense is finally determined by the Supreme Court

of the United States to be valid, then the entire order issued pursuant to section 254 for such fiscal year shall be null and void.

(e) **TIMING OF RELIEF.**—No order of any court granting declaratory or injunctive relief from the order of the President issued under section 254, including but not limited to relief permitting or requiring the expenditure of funds sequestered by such order, shall take effect during the pendency of the action before such court, during the time appeal may be taken, or, if appeal is taken, during the period before the court to which such appeal is taken has entered its final order disposing of such action.

(f) **PRESERVATION OF OTHER RIGHTS.**—The rights created by this section are in addition to the rights of any person under law, subject to subsection (e).

(g) **ECONOMIC DATA, ASSUMPTIONS, AND METHODOLOGIES.**—The economic data and economic assumptions used by the Director of OMB in computing the figures specified in any report issued by the Director of OMB under section 254, shall not be subject to review in any judicial or administrative proceeding.

SEC. 13301. OFF-BUDGET STATUS OF OASDI TRUST FUNDS.

(a) EXCLUSION OF SOCIAL SECURITY FROM ALL BUDGETS.—Notwithstanding any other provision of law, the receipts and disbursements of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund shall not be counted as new budget authority, outlays, receipts, or deficit or surplus for purposes of—

(1) the budget of the United States Government as submitted by the President,

(2) the congressional budget, or

(3) the Balanced Budget and Emergency Deficit Control Act of 1985.

(b) EXCLUSION OF SOCIAL SECURITY FROM CONGRESSIONAL BUDGET.—Section 301(a) of the Congressional Budget Act of 1974 is amended by adding at the end the following: “The concurrent resolution shall not include the outlays and revenue totals of the old age, survivors, and disability insurance program established under title II of the Social Security Act or the related provisions of the Internal Revenue Code of 1986 in the surplus or deficit totals required by this subsection or in any other surplus or deficit totals required by this title.”

SEC. 13302. PROTECTION OF OASDI TRUST FUNDS IN THE HOUSE OF REPRESENTATIVES.

(a) IN GENERAL.—It shall not be in order in the House of Representatives to consider any bill or joint resolution, as reported, or any amendment thereto or conference report thereon, if, upon enactment—

(1)(A) such legislation under consideration would provide for a net increase in OASDI benefits of at least 0.02 percent of the present value of future taxable payroll for the 75-year period utilized in the most recent annual report of the Board of Trustees provided pursuant to section 201(c)(2) of the Social Security Act, and

(B) such legislation under consideration does not provide at least a net increase, for such 75-year period, in OASDI taxes of the amount by which the net increase in such benefits exceeds 0.02 percent of the present value of future taxable payroll for such 75-year period,

(2)(A) such legislation under consideration would provide for a net increase in OASDI benefits (for the 5-year estimating period for such legislation under consideration),

(B) such net increase, together with the net increases in OASDI benefits resulting from previous legislation enacted during that fiscal year or any of the previous 4 fiscal years (as estimated at the time of enactment) which are attributable to those portions of the 5-year estimating periods for such previous legislation that fall within the 5-year estimating period for such legislation under consideration, exceeds \$250,000,000, and

(C) such legislation under consideration does not provide at least a net increase, for the 5-year estimating period for such legislation under consideration, in OASDI taxes which, together with net increases in OASDI taxes resulting from such previous legislation which are attributable to those portions of the 5-year estimating periods for such previous legislation that fall within the 5-year estimating period for such legislation under consideration, equals the amount by which the net increase derived under subparagraph (B) exceeds \$250,000,000;

(3)(A) such legislation under consideration would provide for a net decrease in OASDI taxes of at least 0.02 percent of the present value of future taxable payroll for the 75-year period utilized in the most recent annual report of the Board of Trustees provided pursuant to section 201(c)(2) of the Social Security Act, and

(B) such legislation under consideration does not provide at least a net decrease, for such 75-year period, in OASDI benefits of the amount by which the net decrease in such taxes exceeds 0.02 percent of the present value of future taxable payroll for such 75-year period, or

(4)(A) such legislation under consideration would provide for a net decrease in OASDI taxes (for the 5-year estimating period for such legislation under consideration),

(B) such net decrease, together with the net decreases in OASDI taxes resulting from previous legislation enacted

during that fiscal year or any of the previous 4 fiscal years (as estimated at the time of enactment) which are attributable to those portions of the 5-year estimating periods for such previous legislation that fall within the 5-year estimating period for such legislation under consideration, exceeds \$250,000,000, and

(C) such legislation under consideration does not provide at least a net decrease, for the 5-year estimating period for such legislation under consideration, in OASDI benefits which, together with net decreases in OASDI benefits resulting from such previous legislation which are attributable to those portions of the 5-year estimating periods for such previous legislation that fall within the 5-year estimating period for such legislation under consideration, equals the amount by which the net decrease derived under subparagraph (B) exceeds \$250,000,000.

(b) APPLICATION.—In applying paragraph (3) or (4) of subsection (a), any provision of any bill or joint resolution, as reported, or any amendment thereto, or conference report thereon, the effect of which is to provide for a net decrease for any period in taxes described in subsection (c)(2)(A) shall be disregarded if such bill, joint resolution, amendment, or conference report also includes a provision the effect of which is to provide for a net increase of at least an equivalent amount for such period in medicare taxes.

(c) DEFINITIONS.—For purposes of this subsection:

STATUTORY PAY-AS-YOU-GO ACT OF 2010

STATUTORY PAY-AS-YOU-GO ACT OF 2010

[Public Law 111–139; Enacted February 12, 2010; 124 Stat. 8]

JOINT RESOLUTION Increasing the statutory limit on the public debt.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That subsection (b) of section 3101 of title 31, United States Code, is amended by striking out the dollar limitation contained in such subsection and inserting in lieu thereof \$14,294,000,000,000.

Title I—Statutory Pay-As-You-Go Act of 2010

SEC. 1. [2 U.S.C. 931 note] SHORT TITLE.

This title may be cited as the “Statutory Pay-As-You-Go Act of 2010”.

SEC. 2. [2 U.S.C. 931] PURPOSE.

The purpose of this title is to reestablish a statutory procedure to enforce a rule of budget neutrality on new revenue and direct spending legislation.

SEC. 3. [2 U.S.C. 932] DEFINITIONS AND APPLICATIONS.

As used in this title—

(1) The term “BBEDCA” means the Balanced Budget and Emergency Deficit Control Act of 1985.

(2) The definitions set forth in section 3⁶⁵ of the Congressional Budget and Impoundment Control Act of 1974 and in section 250 of BBEDCA⁶⁶ shall apply to this title, except to the extent that they are specifically modified as follows:

(A) The term “outyear” means a fiscal year one or more years after the budget year.

(B) In section 250(c)(8)(C),⁶⁷ the reference to the food stamp program shall be deemed to be a reference to the Supplemental Nutrition Assistance Program.

(3) The term “AMT” means the Alternative Minimum Tax for individuals under sections 55–59 of the Internal Revenue Code of 1986, 26 U.S.C. 55–59, the term “EGTRRA” means the Economic Growth and Tax Relief Reconciliation Act of 2001 (Public Law 107–16), and the term “JGTRRA” means the Jobs and Growth Tax Relief and Reconciliation Act of 2003 (Public Law 108–27).

⁶⁵ 2 U.S.C. 622.

⁶⁶ 2 U.S.C. 900.

⁶⁷ 2 U.S.C. 900(c)(8)(C).

(4)(A) The term “budgetary effects” means the amount by which PAYGO legislation changes outlays flowing from direct spending or revenues relative to the baseline and shall be determined on the basis of estimates prepared under section 4. Budgetary effects that increase outlays flowing from direct spending or decrease revenues are termed “costs” and budgetary effects that increase revenues or decrease outlays flowing from direct spending are termed “savings”. Budgetary effects shall not include any costs associated with debt service.

(B) For purposes of these definitions, off-budget effects shall not be counted as budgetary effects.

(C) Solely for purposes of recording entries on a PAYGO scorecard, provisions in appropriation Acts are also considered to be budgetary effects for purposes of this title if such provisions make outyear modifications to substantive law, except that provisions for which the outlay effects net to zero over a period consisting of the current year, the budget year, and the 4 subsequent years shall not be considered budgetary effects. For purposes of this paragraph, the term, “modifications to substantive law” refers to changes to or restrictions on entitlement law or other mandatory spending contained in appropriations Acts, notwithstanding section 250(c)(8) of BBEDCA. Provisions in appropriations Acts that are neither outyear modifications to substantive law nor changes in revenues have no budgetary effects for purposes of this title.

(5) The term “debit” refers to the net total amount, when positive, by which costs recorded on the PAYGO scorecards for a fiscal year exceed savings recorded on those scorecards for that year.

(6) The term “entitlement law” refers to a section of law which provides entitlement authority.

(7) The term “PAYGO legislation” or a “PAYGO Act” refers to a bill or joint resolution that affects direct spending or revenue relative to the baseline. The budgetary effects of changes in revenues and outyear modifications to substantive law included in appropriation Acts as defined in paragraph (4) shall be treated as if they were contained in PAYGO legislation or a PAYGO Act.

(8) The term “timing shift” refers to a delay of the date on which outlays flowing from direct spending would otherwise occur from the ninth outyear to the tenth outyear or an acceleration of the date on which revenues would otherwise occur from the tenth outyear to the ninth outyear.

SEC. 4. [2 U.S.C. 933] PAYGO ESTIMATES AND PAYGO SCORECARDS.

(a) PAYGO ESTIMATES.—

(1) REQUIRED DESIGNATION IN PAYGO ACTS.—

(A) HOUSE OF REPRESENTATIVES.—To establish the budgetary effects of a PAYGO Act consistent with the determination made by the Chairman of the House Budget Committee, a PAYGO Act originated in or amended by the House of Representatives may include the following statement: “The budgetary effects of this Act, for the purpose

of complying with the Statutory Pay-As-You-Go-Act of 2010, shall be determined by reference to the latest statement titled ‘Budgetary Effects of PAYGO Legislation’ for this Act, submitted for printing in the Congressional Record by the Chairman of the House Budget Committee, provided that such statement has been submitted prior to the vote on passage.”.

(B) SENATE.—To establish the budgetary effects of a PAYGO Act consistent with the determination made by the Chairman of the Senate Budget Committee, a PAYGO Act originated in or amended by the Senate shall include the following statement: “The budgetary effects of this Act, for the purpose of complying with the Statutory Pay-As-You-Go-Act of 2010, shall be determined by reference to the latest statement titled ‘Budgetary Effects of PAYGO Legislation’ for this Act, submitted for printing in the Congressional Record by the Chairman of the Senate Budget Committee, provided that such statement has been submitted prior to the vote on passage.”.

(2) DETERMINATION OF BUDGETARY EFFECTS OF PAYGO ACTS.—

(A) ORIGINAL LEGISLATION.—

(i) STATEMENT AND ESTIMATE.—Prior to a vote on passage of a PAYGO Act originated or amended by one House, the Chairman of the Budget Committee of that House may submit for printing in the Congressional Record a statement titled “Budgetary Effects of PAYGO Legislation” which shall include an estimate of the budgetary effects of that Act, if available prior to passage of the Act by that House and shall submit, if applicable, an identification of any current policy adjustments made pursuant to section 7 of this Act. The timely submission of such a statement, in conjunction with the appropriate designation made pursuant to paragraph (1)(A) or (1)(B), as applicable, shall establish the budgetary effects of the PAYGO Act for the purposes of this Act.

(ii) EFFECT.—The latest statement submitted by the Chairman of the Budget Committee of that House prior to passage shall supersede any prior statements submitted in the Congressional Record and shall be valid only if the PAYGO Act is not further amended by either House.

(iii) FAILURE TO SUBMIT ESTIMATE.—If—

(I) the estimate required by clause (i) has not been submitted prior to passage by that House;

(II) such estimate has been submitted but is no longer valid due to a subsequent amendment to the PAYGO Act; or

(III) the designation required pursuant to this subsection has not been made;

the budgetary effects of the PAYGO Act shall be determined under subsection (d)(3), provided that this clause shall not apply if a valid designation is subsequently included in that PAYGO Act pursuant to paragraph (1)(C) and a statement is submitted pursuant to subparagraph (B).

(B) CONFERENCE REPORTS AND AMENDMENTS BETWEEN HOUSES.—

(i) IN GENERAL.—Prior to the adoption of a report of a committee of conference on a PAYGO Act in either House, or disposition of an amendment to an amendment between Houses on a PAYGO Act, the Chairmen of the Budget Committees of the House and Senate may jointly submit for printing in the Congressional Record a statement titled “Budgetary Effects of PAYGO Legislation” which shall include an estimate of the budgetary effects of that Act if available prior to passage of the Act by the House acting first on the legislation and shall submit, if applicable, an identification of any current policy adjustments made pursuant to section 7 of this title. The timely submission of such a statement, in conjunction with the appropriate designation made pursuant to paragraph (1)(C), shall establish the budgetary effects of the PAYGO Act for the purposes of this Act.

(ii) FAILURE TO SUBMIT ESTIMATE.—If such estimate has not been submitted prior to the adoption of a report of a committee of conference by either House, or if the designation required pursuant to this subsection has not been made, the budgetary effects of the PAYGO Act shall be determined under subsection (d)(3).

(3) PROCEDURE IN THE SENATE.—In the Senate, upon submission of a statement titled “Budgetary Effects of PAYGO Legislation” by the Chairman of the Senate Budget Committee for printing in the Congressional Record, the Legislative Clerk shall read the statement.

(4) JURISDICTION OF THE BUDGET COMMITTEES.—For the purposes of enforcing section 306 of the Congressional Budget Act of 1974, a designation made pursuant to paragraph (1)(A),

(1)(B), or (1)(C), that includes only the language specifically prescribed therein, shall not be considered a matter within the jurisdiction of either the Senate or House Committees on the Budget.

(b) CBO PAYGO ESTIMATES.—

(1) IN GENERAL.—

(A) ESTIMATES.—Section 308(a) of the Congressional Budget Act of 1974 is amended by adding at the end the following new paragraph:

“(B) Estimates shall be prepared using baseline estimates supplied by the Congressional Budget Office, consistent with section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985.

(B) SIDEHEADING.—The side heading of section 308(a) of the Congressional Budget Act of 1974 is amended by striking “Reports on”.

(2) GUIDELINES.—Section 308 of the Congressional Budget Act of 1974 is amended by adding at the end the following new subsection:

“(d) SCOREKEEPING GUIDELINES.—Estimates under this section shall be provided in accordance with the scorekeeping guidelines determined under section 252(d)(5) of the Balanced Budget and Emergency Deficit Control Act of 1985.”.

(c) CURRENT POLICY ADJUSTMENTS FOR CERTAIN LEGISLATION.—

(1) IN GENERAL.—For any provision of legislation that meets the criteria in subsection (c), (d), (e) or (f) of section 7, the Chairs of the Committees on the Budget of the House and Senate, as applicable, shall request that CBO adjust the estimate of budgetary effects of that legislation pursuant to paragraph (2) for the purposes of this title. A single piece of legislation may contain provisions that meet criteria in more than one of the subsections referred to in the preceding sentence. CBO shall adjust estimates for legislation designated under subsection (a) and estimated under subsection (b). OMB shall adjust estimates for legislation estimated under subsection (d)(3).

(2) ADJUSTMENTS.—

(A) ESTIMATES.—CBO or OMB, as applicable, shall exclude from the estimate of budgetary effects any budgetary effects of a provision that meets the criteria in subsection (c), (d), (e) or (f) of section 7, to the extent that those budgetary effects, when combined with all other excluded budgetary effects of any other previously designated provisions of enacted legislation under the same subsection of section

7, do not exceed the maximum applicable current policy adjustment defined under the applicable subsection of section 7 for the applicable 10-year period.

(B) **BASELINE.**—Any estimate made pursuant to subparagraph (A) shall be prepared using baseline estimates supplied by the Congressional Budget Office, consistent with section 257 of the BBEDCA. CBO estimates of legislation adjusted for current policy shall include a separate presentation of costs excluded from the calculation of budgetary effects for the legislation, as well as an updated total of all excluded costs of provisions within subsection (c), (d), or (e) of section 7, as applicable, and in the case of paragraph (1) of section 7(f), within any of the subparagraphs (A) through (L) of such paragraph, as applicable.

(3) **LIMITATION ON AVAILABILITY OF EXCESS SAVINGS.**—

(A) **PROHIBITION ON USE OF EXCESS SAVING FOR INELIGIBLE POLICIES.**—To the extent the adjustment for current policy of any provision estimated under this subsection exceeds the estimated budgetary effects of that provision, these excess savings shall not be available to offset the costs of any provisions not otherwise eligible for a current policy adjustment under section 7, and shall not be counted on the PAYGO scorecards established pursuant to subsections (d)(4) and (d)(5).

(B) **PROHIBITION ON USE OF EXCESS SAVINGS ACROSS BUDGET AREAS.**—For provisions eligible for a current policy adjustment under subsections (c) through (f) of section 7, to the extent the adjustment for current policy of any provision exceeds the estimated budgetary effects of that same provision, the excess savings shall be available only to offset the costs of other provisions that qualify for a current policy adjustment in that same subsection. Each paragraph in section 7(f)(1) shall be considered a separate subsection for purposes of this section.

(4) **FURTHER GUIDANCE ON ESTIMATING BUDGETARY EFFECTS.**—Estimates of budgetary effects under this subsection shall be consistent with the guidance provided at section 7(h).

(5) **INCLUSION OF STATEMENT.**—For PAYGO legislation adjusted pursuant to section 7, the Chairman of the House or Senate Budget Committee, as applicable, shall include in any statement titled “Budgetary Effects of PAYGO Legislation”, submitted for that legislation pursuant to section 4, an explanation of the current policy designation and adjustments.

(d) **OMB PAYGO SCORECARDS.**—

(1) **IN GENERAL.**—OMB shall maintain and make publicly available a continuously updated document containing two PAYGO scorecards displaying the budgetary effects of PAYGO legislation as determined under section 308 of the Congressional Budget Act of 1974, applying the look-back requirement in subsection (e) and the averaging requirement in subsection (f), and a separate addendum displaying the estimates of the costs of provisions designated in statute as emergency requirements.

(2) ESTIMATES IN LEGISLATION.—Except as provided in paragraph (3), in making the calculations for the PAYGO scorecards, OMB shall use the budgetary effects included by reference in the applicable legislation pursuant to subsection (a).

(3) OMB PAYGO ESTIMATES.—If a PAYGO Act does not contain a valid reference to its budgetary effects consistent with subsection (a), OMB shall estimate the budgetary effects of that legislation upon its enactment. The OMB estimate shall be based on the approaches to scorekeeping set forth in section 308 of the Congressional Budget Act of 1974, as amended by this title, and subsection (g)(4), and shall use the same economic and technical assumptions as used in the most recent budget submitted by the President under section 1105(a) of title 31 of the United States Code.

(4) 5-YEAR SCORECARD.—The first scorecard shall display the budgetary effects of PAYGO legislation in each year over the 5-year period beginning in the budget year.

(5) 10-YEAR SCORECARD.—The second scorecard shall display the budgetary effects of PAYGO legislation in each year over the 10-year period beginning in the budget year.

(6) COMMUNITY LIVING ASSISTANCE SERVICES AND SUPPORTS ACT.—Neither scorecard maintained by OMB pursuant to this subsection shall include net savings from any provisions of legislation titled “Community Living Assistance Services and Supports Act”, which establishes a Federal insurance program for long-term care, if such legislation is enacted into law, or amended, subsequent to the date of enactment of this title.

(e) LOOK-BACK TO CAPTURE CURRENT-YEAR EFFECTS.—For purposes of this section, OMB shall treat the budgetary effects of PAYGO legislation enacted during a session of Congress that occur during the current year as though they occurred in the budget year.

(f) AVERAGING USED TO MEASURE COMPLIANCE OVER 5-YEAR AND 10-YEAR PERIODS.—OMB shall cumulate the budgetary effects of a PAYGO Act over the budget year (which includes any look-back effects under subsection (e)) and—

(1) for purposes of the 5-year scorecard referred to in subsection (d)(4), the four subsequent outyears, divide that cumulative total by five, and enter the quotient in the budget-year column and in each subsequent column of the 5-year PAYGO scorecard; and

(2) for purposes of the 10-year scorecard referred to in subsection (d)(5), the nine subsequent outyears, divide that cumulative total by ten, and enter the quotient in the budget-year column and in each subsequent column of the 10-year PAYGO scorecard.

(g) EMERGENCY LEGISLATION.—

(1) DESIGNATION IN STATUTE.—If a provision of direct spending or revenue legislation in a PAYGO Act is enacted as an emergency requirement that the Congress so designates in statute pursuant to this section, the amounts of new budget authority, outlays, and revenue in all fiscal years resulting

from that provision shall be treated as an emergency requirement for the purposes of this Act.

(2) DESIGNATION IN THE HOUSE OF REPRESENTATIVES.—If a PAYGO Act includes a provision expressly designated as an emergency for the purposes of this title, the Chair shall put the question of consideration with respect thereto.

(3) POINT OF ORDER IN THE SENATE.—

(A) IN GENERAL.—When the Senate is considering a PAYGO Act, if a point of order is made by a Senator against an emergency designation in that measure, that provision making such a designation shall be stricken from the measure and may not be offered as an amendment from the floor.

(B) SUPERMAJORITY WAIVER AND APPEALS.—

(i) WAIVER.—Subparagraph (A) may be waived or suspended in the Senate only by an affirmative vote of three-fifths of the Members, duly chosen and sworn.

(ii) APPEALS.—Appeals in the Senate from the decisions of the Chair relating to any provision of this subsection shall be limited to 1 hour, to be equally divided between, and controlled by, the appellant and the manager of the bill or joint resolution, as the case may be. An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required to sustain an appeal of the ruling of the Chair on a point of order raised under this subsection.

(C) DEFINITION OF AN EMERGENCY DESIGNATION.—For purposes of subparagraph (A), a provision shall be considered an emergency designation if it designates any item as an emergency requirement pursuant to this subsection.

(D) FORM OF THE POINT OF ORDER.—A point of order under subparagraph (A) may be raised by a Senator as provided in section 313 (e) of the Congressional Budget Act of 1974.

(E) CONFERENCE REPORTS.—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a PAYGO Act, upon a point of order being made by any Senator pursuant to this section, and such point of order being sustained, such material contained in such conference report shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

(4) EFFECT OF DESIGNATION ON SCORING.—If a provision is designated as an emergency requirement under this Act, CBO

or OMB, as applicable, shall not include the budgetary effects of such a provision in its estimate of the budgetary effects of that PAYGO legislation.

SEC. 5. [2 U.S.C. 934] ANNUAL REPORT AND SEQUESTRATION ORDER.

(a) ANNUAL REPORT.—Not later than 14 days (excluding weekends and holidays) after Congress adjourns to end a session, OMB shall make publicly available and cause to be printed in the Federal Register an annual PAYGO report. The report shall include an up-to-date document containing the PAYGO scorecards, a description of any current policy adjustments made under section 4(c), information about emergency legislation (if any) designated under section 4(g), information about any sequestration if required by subsection (b), and other data and explanations that enhance public understanding of this title and actions taken under it.

(b) SEQUESTRATION ORDER.—If the annual report issued at the end of a session of Congress under subsection (a) shows a debit on either PAYGO scorecard for the budget year, OMB shall prepare and the President shall issue and include in that report a sequestration order that, upon issuance, shall reduce budgetary resources of direct spending programs by enough to offset that debit as prescribed in section 6. If there is a debit on both scorecards, the order shall fully offset the larger of the two debits. OMB shall transmit the order and the report to the House of Representatives and the Senate. If the President issues a sequestration order, the annual report shall contain, for each budget account to be sequestered, estimates of the baseline level of budgetary resources subject to sequestration, the amount of budgetary resources to be sequestered, and the outlay reductions that will occur in the budget year and the subsequent fiscal year because of that sequestration.

SEC. 6. [2 U.S.C. 935] CALCULATING A SEQUESTRATION.

(a) REDUCING NONEXEMPT BUDGETARY RESOURCES BY A UNIFORM PERCENTAGE.—

(1) IN GENERAL.—OMB shall calculate the uniform percentage by which the budgetary resources of nonexempt direct spending programs are to be sequestered such that the outlay savings resulting from that sequestration, as calculated under subsection (b), shall offset the budget-year debit, if any, on the applicable PAYGO scorecard. If the uniform percentage calculated under the prior sentence exceeds 4 percent, the Medicare programs described in section 256(d) of BBEDCA shall be reduced by 4 percent and the uniform percentage by which the budgetary resources of all other nonexempt direct spending programs are to be sequestered shall be increased, as necessary, so that the sequestration of Medicare and of all other nonexempt direct spending programs together produce the required outlay savings.

(2) PROGRAMS AND ACTIVITIES IN UNIFIED BUDGET ONLY.—Subject to the exemptions set forth in section 11, OMB shall determine the uniform percentage required under paragraph (1) with respect to programs and activities contained in the unified budget only.

(b) OUTLAY SAVINGS.—In determining the amount by which a sequestration offsets a budget-year debit, OMB shall count—

(1) the amount by which the sequestration in a crop year of crop support payments, pursuant to section 256(j) of BBEDCA, reduces outlays in the budget year and the subsequent fiscal year;

(2) the amount by which the sequestration of Medicare payments in the 12-month period following the sequestration order, pursuant to section 256(d) of BBEDCA, reduces outlays in the budget year and the subsequent fiscal year; and

(3) the amount by which the sequestration in the budget year of the budgetary resources of other nonexempt mandatory programs reduces outlays in the budget year and in the subsequent fiscal year.

SEC. 7. [2 U.S.C. 936] ADJUSTMENT FOR CURRENT POLICIES.

(a) **PURPOSE.**—The purpose of this section is to provide for adjustments of estimates of budgetary effects of PAYGO legislation for legislation affecting 4 areas of the budget—

(1) payments made under section 1848 of the Social Security Act (referred to in this section as “Payment for Physicians’ Services”);

(2) the Estate and Gift Tax under subtitle B of the Internal Revenue Code of 1986;

(3) the AMT; and

Title I—Ten-Year Discretionary Caps With Sequester

SEC. 101. ENFORCING DISCRETIONARY SPENDING LIMITS.

Section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985 is amended to read as follows:

“SEC. 251. ENFORCING DISCRETIONARY SPENDING LIMITS.

“(a) ENFORCEMENT.—

“(1) SEQUESTRATION.—Within 15 calendar days after Congress adjourns to end a session there shall be a sequestration to eliminate a budget-year breach, if any, within any category.

“(2) ELIMINATING A BREACH.—Each non-exempt account within a category shall be reduced by a dollar amount calculated by multiplying the enacted level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to eliminate a breach within that category.

“(3) MILITARY PERSONNEL.—If the President uses the authority to exempt any personnel account from sequestration under section 255(f), each account within subfunctional category 051 (other than those military personnel accounts for which the authority provided under section 255(f) has been exercised) shall be further reduced by a dollar amount calculated by multiplying the enacted level of non-exempt budgetary resources in that account at that time by the uniform percentage necessary to offset the total dollar amount by which outlays are not reduced in military personnel accounts by reason of the use of such authority.

“(4) PART-YEAR APPROPRIATIONS.—If, on the date specified in paragraph (1), there is in effect an Act making or continuing appropriations for part of a fiscal year for any budget account, then the dollar sequestration calculated for that account under paragraphs (2) and (3) shall be subtracted from—

“(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

“(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation for that account.

“(5) LOOK-BACK.—If, after June 30, an appropriation for the fiscal year in progress is enacted that causes a breach within a category for that year (after taking into account any sequestration of amounts within that category), the discretionary spending limits for that category for the next fiscal year shall be reduced by the amount or amounts of that breach.

“(6) WITHIN-SESSION SEQUESTRATION.—If an appropriation for a fiscal year in progress is enacted (after Congress adjourns to end the session for that budget year and before July 1 of that fiscal year) that causes a breach within a category for that year (after taking into account any prior sequestration of amounts within that category), 15 days later there shall be a

sequestration to eliminate that breach within that category following the procedures set forth in paragraphs (2) through (4).

“(7) ESTIMATES.—

“(A) CBO ESTIMATES.—As soon as practicable after Congress completes action on any discretionary appropriation, CBO, after consultation with the Committees on the Budget of the House of Representatives and the Senate, shall provide OMB with an estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation.

“(B) OMB ESTIMATES AND EXPLANATION OF DIFFERENCES.—Not later than 7 calendar days (excluding Saturdays, Sundays, and legal holidays) after the date of enactment of any discretionary appropriation, OMB shall transmit a report to the House of Representatives and to the Senate containing the CBO estimate of that legislation, an OMB estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation, and an explanation of any difference between the 2 estimates. If during the preparation of the report OMB determines that there is a significant difference between OMB and CBO, OMB shall consult with the Committees on the Budget of the House of Representatives and the Senate regarding that difference and that consultation shall include, to the extent practicable, written communication to those committees that affords such committees the opportunity to comment before the issuance of the report.

“(C) ASSUMPTIONS AND GUIDELINES.—OMB estimates under this paragraph shall be made using current economic and technical assumptions. OMB shall use the OMB estimates transmitted to the Congress under this paragraph. OMB and CBO shall prepare estimates under this paragraph in conformance with scorekeeping guidelines determined after consultation among the Committees on the Budget of the House of Representatives and the Senate, CBO, and OMB.

“(D) ANNUAL APPROPRIATIONS.—For purposes of this paragraph, amounts provided by annual appropriations shall include any discretionary appropriations for the current year, if any, and the budget year in accounts for which funding is provided in that legislation that result from previously enacted legislation.

“(b) ADJUSTMENTS TO DISCRETIONARY SPENDING LIMITS.—

“(1) CONCEPTS AND DEFINITIONS.—When the President submits the budget under section 1105 of title 31, United States Code, OMB shall calculate and the budget shall include adjustments to discretionary spending limits (and those limits as cumulatively adjusted) for the budget year and each outyear to reflect changes in concepts and definitions. Such changes shall equal the baseline levels of new budget authority and outlays using up-to-date concepts and definitions, minus those levels using the concepts and definitions in effect before such

changes. Such changes may only be made after consultation with the Committees on Appropriations and the Budget of the House of Representatives and the Senate, and that consultation shall include written communication to such committees that affords such committees the opportunity to comment before official action is taken with respect to such changes.

“(2) SEQUESTRATION REPORTS.—When OMB submits a sequestration report under section 254(e), (f), or (g) for a fiscal year, OMB shall calculate, and the sequestration report and subsequent budgets submitted by the President under section 1105(a) of title 31, United States Code, shall include adjustments to discretionary spending limits (and those limits as adjusted) for the fiscal year and each succeeding year, as follows:

(c) When the President makes a basic change in the form of the budget, the President shall submit with the budget information showing where items in the budget for the prior fiscal year are contained in the present budget. However, the President may change the functional categories in the budget only in consultation with the Committees on Appropriations and on the Budget of both Houses of Congress. Committees of the House of Representatives and Senate shall receive prompt notification of all such changes.

SEC. 3101A. PRESIDENTIAL MODIFICATION OF THE DEBT CEILING.

(a) IN GENERAL.—

(1) \$900 BILLION.—

(A) CERTIFICATION.—If, not later than December 31, 2011, the President submits a written certification to Congress that the President has determined that the debt subject to limit is within \$100,000,000,000 of the limit in section 3101(b) and that further borrowing is required to meet existing commitments, the Secretary of the Treasury may exercise authority to borrow an additional \$900,000,000,000, subject to the enactment of a joint resolution of disapproval enacted pursuant to this section.

⁸⁶Section 3101A provides for revisions to this number, and is set forth on this page. This section was added by the Budget Control Act of 2011 (Public Law 112–25).

⁸⁷Rule XLIX was recodified as Rule XXIII, later changed to Rule XXVIII, which automatically enrolled a Joint Resolution increasing the debt limit upon the adoption of a conference report on the budget. This Rule was repealed at the beginning of the 112th Congress.

Upon submission of such certification, the limit on debt provided in section 3101(b) (referred to in this section as the “debt limit”) is increased by \$400,000,000,000.

(B) RESOLUTION OF DISAPPROVAL.—Congress may consider a joint resolution of disapproval of the authority under subparagraph (A) as provided in subsections (b) through (f). The joint resolution of disapproval considered under this section shall contain only the language provided in subsection (b)(2). If the time for disapproval has lapsed without enactment of a joint resolution of disapproval under this section, the debt limit is increased by an additional \$500,000,000,000.

(2) ADDITIONAL AMOUNT.—

(A) CERTIFICATION.—If, after the debt limit is increased by \$900,000,000,000 under paragraph (1), the President submits a written certification to Congress that the President has determined that the debt subject to limit is within \$100,000,000,000 of the limit in section 3101(b) and that further borrowing is required to meet existing commitments, the Secretary of the Treasury may, subject to the enactment of a joint resolution of disapproval enacted pursuant to this section, exercise authority to borrow an additional amount equal to—

(i) \$1,200,000,000,000, unless clause (ii) or (iii) applies;

(ii) \$1,500,000,000,000 if the Archivist of the United States has submitted to the States for their ratification a proposed amendment to the Constitution of the United States pursuant to a joint resolution entitled “Joint resolution proposing a balanced budget amendment to the Constitution of the United States”; or

(iii) if a joint committee bill to achieve an amount greater than \$1,200,000,000,000 in deficit reduction as provided in section 401(b)(3)(B)(i)(II) of the Budget Control Act of 2011 is enacted, an amount equal to the amount of that deficit reduction, but not greater than \$1,500,000,000,000, unless clause (ii) applies.

(B) RESOLUTION OF DISAPPROVAL.—Congress may consider a joint resolution of disapproval of the authority under subparagraph (A) as provided in subsections (b) through (f). The joint resolution of disapproval considered under this section shall contain only the language provided in subsection (b)(2). If the time for disapproval has lapsed without enactment of a joint resolution of disapproval under this section, the debt limit is increased by the amount authorized under subparagraph (A).

(b) JOINT RESOLUTION OF DISAPPROVAL.—

(1) IN GENERAL.—Except for the \$400,000,000,000 increase in the debt limit provided by subsection (a)(1)(A), the debt limit may not be raised under this section if, within 50 calendar days after the date on which Congress receives a certification described in subsection (a)(1) or within 15 calendar days after Congress receives the certification described in subsection

(a)(2) (regardless of whether Congress is in session), there is enacted into law a joint resolution disapproving the President's exercise of authority with respect to such additional amount.

(2) CONTENTS OF JOINT RESOLUTION.—For the purpose of this section, the term “joint resolution” means only a joint resolution—

(A)(i) for the certification described in subsection (a)(1), that is introduced on September 6, 7, 8, or 9, 2011 (or, if the Senate was not in session, the next calendar day on which the Senate is in session); and

(ii) for the certification described in subsection (a)(2), that is introduced between the date the certification is received and 3 calendar days after that date;

(B) which does not have a preamble;

(C) the title of which is only as follows: “Joint resolution relating to the disapproval of the President's exercise of authority to increase the debt limit, as submitted under section 3101A of title 31, United States Code, on _____” (with the blank containing the date of such submission); and

(D) the matter after the resolving clause of which is only as follows: “That Congress disapproves of the President's exercise of authority to increase the debt limit, as exercised pursuant to the certification under section 3101A(a) of title 31, United States Code.”.

(c) EXPEDITED CONSIDERATION IN HOUSE OF REPRESENTATIVES.—

(1) RECONVENING.—Upon receipt of a certification described in subsection (a)(2), the Speaker, if the House would otherwise be adjourned, shall notify the Members of the House that, pursuant to this section, the House shall convene not later than the second calendar day after receipt of such certification.

(2) REPORTING AND DISCHARGE.—Any committee of the House of Representatives to which a joint resolution is referred shall report it to the House without amendment not later than 5 calendar days after the date of introduction of a joint resolution described in subsection (a). If a committee fails to report the joint resolution within that period, the committee shall be discharged from further consideration of the joint resolution and the joint resolution shall be referred to the appropriate calendar.

(3) PROCEEDING TO CONSIDERATION.—After each committee authorized to consider a joint resolution reports it to the House or has been discharged from its consideration, it shall be in order, not later than the sixth day after introduction of a joint resolution under subsection (a), to move to proceed to consider the joint resolution in the House. All points of order against the motion are waived. Such a motion shall not be in order after the House has disposed of a motion to proceed on a joint resolution addressing a particular submission. The previous question shall be considered as ordered on the motion to its adoption without intervening motion. The motion shall not be

debatable. A motion to reconsider the vote by which the motion is disposed of shall not be in order.

(4) CONSIDERATION.—The joint resolution shall be considered as read. All points of order against the joint resolution and against its consideration are waived. The previous question shall be considered as ordered on the joint resolution to its passage without intervening motion except two hours of debate equally divided and controlled by the proponent and an opponent. A motion to reconsider the vote on passage of the joint resolution shall not be in order.

(d) EXPEDITED PROCEDURE IN SENATE.—

(1) RECONVENING.—Upon receipt of a certification under subsection (a)(2), if the Senate has adjourned or recessed for more than 2 days, the majority leader of the Senate, after consultation with the minority leader of the Senate, shall notify the Members of the Senate that, pursuant to this section, the Senate shall convene not later than the second calendar day after receipt of such message.

(2) PLACEMENT ON CALENDAR.—Upon introduction in the Senate, the joint resolution shall be immediately placed on the calendar.

(3) FLOOR CONSIDERATION.—

(A) IN GENERAL.—Notwithstanding Rule XXII of the Standing Rules of the Senate, it is in order at any time during the period beginning on the day after the date on which Congress receives a certification under subsection (a) and, for the certification described in subsection (a)(1), ending on September 14, 2011, and for the certification described in subsection (a)(2), on the 6th day after the date on which Congress receives a certification under subsection (a) (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the joint resolution, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived. The motion to proceed is not debatable. The motion is not subject to a motion to postpone. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the resolution is agreed to, the joint resolution shall remain the unfinished business until disposed of.

(B) CONSIDERATION.—Consideration of the joint resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours, which shall be divided equally between the majority and minority leaders or their designees. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the joint resolution is not in order.

(C) VOTE ON PASSAGE.—If the Senate has voted to proceed to a joint resolution, the vote on passage of the joint resolution shall occur immediately following the conclusion of consideration of the joint resolution, and a single

quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate.

(D) RULINGS OF THE CHAIR ON PROCEDURE.—Appeals from the decisions of the Chair relating to the application of the rules of the Senate, as the case may be, to the procedure relating to a joint resolution shall be decided without debate.

(e) AMENDMENT NOT IN ORDER.—A joint resolution of disapproval considered pursuant to this section shall not be subject to amendment in either the House of Representatives or the Senate.

(f) COORDINATION WITH ACTION BY OTHER HOUSE.—

(1) IN GENERAL.—If, before passing the joint resolution, one House receives from the other a joint resolution—

(A) the joint resolution of the other House shall not be referred to a committee; and

(B) the procedure in the receiving House shall be the same as if no joint resolution had been received from the other House until the vote on passage, when the joint resolution received from the other House shall supplant the joint resolution of the receiving House.

(2) TREATMENT OF JOINT RESOLUTION OF OTHER HOUSE.—If the Senate fails to introduce or consider a joint resolution under this section, the joint resolution of the House shall be entitled to expedited floor procedures under this section.

(3) TREATMENT OF COMPANION MEASURES.—If, following passage of the joint resolution in the Senate, the Senate then receives the companion measure from the House of Representatives, the companion measure shall not be debatable.

(4) CONSIDERATION AFTER PASSAGE.—

(A) If Congress passes a joint resolution, the period beginning on the date the President is presented with the joint resolution and ending on the date the President signs, allows to become law without his signature, or vetoes and returns the joint resolution (but excluding days when either House is not in session) shall be disregarded in computing the appropriate calendar day period described in subsection (b)(1).

(B) Debate on a veto message in the Senate under this section shall be 1 hour equally divided between the majority and minority leaders or their designees.

(5) VETO OVERRIDE.—If within the appropriate calendar day period described in subsection (b)(1), Congress overrides a veto of the joint resolution with respect to authority exercised pursuant to paragraph (1) or (2) of subsection (a), the limit on debt provided in section 3101(b) shall not be raised, except for the \$400,000,000,000 increase in the limit provided by subsection (a)(1)(A).

(6) SEQUESTRATION.—

(A) If within the 50-calendar day period described in subsection (b)(1), the President signs the joint resolution, the President allows the joint resolution to become law without his signature, or Congress overrides a veto of the joint resolution with respect to authority exercised pursuant to paragraph (1) of subsection (a), there shall be a se-

questration to reduce spending by \$400,000,000,000. OMB shall implement the sequestration forthwith.

(B) OMB shall implement each half of such sequestration in accordance with section 255, section 256, and subsections (c), (d), (e), and (f) of section 253 of the Balanced Budget and Emergency Deficit Control Act of 1985, and for the purpose of such implementation the term “excess deficit” means the amount specified in subparagraph (A).

(g) RULES OF HOUSE OF REPRESENTATIVES AND SENATE.—This subsection and subsections (b), (c), (d), (e), and (f) (other than paragraph (6)) are enacted by Congress—

(1) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a joint resolution, and it supersedes other rules only to the extent that it is inconsistent with such rules; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

UNFUNDED MANDATES REFORM ACT OF 1995

UNFUNDED MANDATES REFORM ACT OF 1995

AN ACT To curb the practice of imposing unfunded Federal mandates on States and local governments; to strengthen the partnership between the Federal Government and State, local and tribal governments; to end the imposition, in the absence of full consideration by Congress, of Federal mandates on State, local, and tribal governments without adequate funding, in a manner that may displace other essential governmental priorities; and to ensure that the Federal Government pays the costs incurred by those governments in complying with certain requirements under Federal statutes and regulations, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SEC. 1. [2 U.S.C. 1501 note] SHORT TITLE.

This Act may be cited as the “Unfunded Mandates Reform Act of 1995”.

SEC. 2. [2 U.S.C. 1501 note] PURPOSES.

The purposes of this Act are—

(1) to strengthen the partnership between the Federal Government and State, local, and tribal governments;

(2) to end the imposition, in the absence of full consideration by Congress, of Federal mandates on State, local, and tribal governments without adequate Federal funding, in a manner that may displace other essential State, local, and tribal governmental priorities;

(3) to assist Congress in its consideration of proposed legislation establishing or revising Federal programs containing Federal mandates affecting State, local, and tribal governments, and the private sector by—

(A) providing for the development of information about the nature and size of mandates in proposed legislation; and

(B) establishing a mechanism to bring such information to the attention of the Senate and the House of Representatives before the Senate and the House of Representatives vote on proposed legislation;

(4) to promote informed and deliberate decisions by Congress on the appropriateness of Federal mandates in any particular instance;

(5) to require that Congress consider whether to provide funding to assist State, local, and tribal governments in complying with Federal mandates, to require analyses of the impact of private sector mandates, and through the dissemination of that information provide informed and deliberate decisions by Congress and Federal agencies and retain competitive balance between the public and private sectors;

(6) to establish a point-of-order vote on the consideration in the Senate and House of Representatives of legislation con-

taining significant Federal intergovernmental mandates without providing adequate funding to comply with such mandates;

(7) to assist Federal agencies in their consideration of proposed regulations affecting State, local, and tribal governments, by—

(A) requiring that Federal agencies develop a process to enable the elected and other officials of State, local, and tribal governments to provide input when Federal agencies are developing regulations; and

(B) requiring that Federal agencies prepare and consider estimates of the budgetary impact of regulations containing Federal mandates upon State, local, and tribal governments and the private sector before adopting such regulations, and ensuring that small governments are given special consideration in that process; and

(8) to begin consideration of the effect of previously imposed Federal mandates, including the impact on State, local, and tribal governments of Federal court interpretations of Federal statutes and regulations that impose Federal intergovernmental mandates.

SEC. 3. [2 U.S.C. 1502. note] DEFINITIONS.

(2) the term “Director” means the Director of the Congressional Budget Office.

SEC. 4. [2 U.S.C. 1503] EXCLUSIONS.

This Act shall not apply to any provision in a bill, joint resolution, amendment, motion, or conference report before Congress and any provision in a proposed or final Federal regulation that—

(1) enforces constitutional rights of individuals;

(2) establishes or enforces any statutory rights that prohibit discrimination on the basis of race, color, religion, sex, national origin, age, handicap, or disability;

(3) requires compliance with accounting and auditing procedures with respect to grants or other money or property provided by the Federal Government;

(4) provides for emergency assistance or relief at the request of any State, local, or tribal government or any official of a State, local, or tribal government;

(5) is necessary for the national security or the ratification or implementation of international treaty obligations;

(6) the President designates as emergency legislation and that the Congress so designates in statute; or

(7) relates to the old-age, survivors, and disability insurance program under title II of the Social Security Act (including taxes imposed by sections 3101(a) and 3111(a) of the Internal Revenue Code of 1986 (relating to old-age, survivors, and disability insurance)).

SEC. 5. [2 U.S.C. 1504] AGENCY ASSISTANCE.

Each agency shall provide to the Director such information and assistance as the Director may reasonably request to assist the Director in carrying out this Act.

SEC. 102. ASSISTANCE TO COMMITTEES AND STUDIES.

[Omitted]

SEC. 103. [2 U.S.C. 1511] COST OF REGULATIONS.

(a) **SENSE OF THE CONGRESS.**—It is the sense of the Congress that Federal agencies should review and evaluate planned regulations to ensure that the cost estimates provided by the Congressional Budget Office will be carefully considered as regulations are promulgated.

(b) **STATEMENT OF COST.**—At the request of a committee chairman or ranking minority member, the Director shall, to the extent practicable, prepare a comparison between—

(1) an estimate by the relevant agency, prepared under section 202 of this Act, of the costs of regulations implementing an Act containing a Federal mandate; and

(2) the cost estimate prepared by the Congressional Budget Office for such Act when it was enacted by the Congress.

(c) **COOPERATION OF OFFICE OF MANAGEMENT AND BUDGET.**—At the request of the Director of the Congressional Budget Office, the Director of the Office of Management and Budget shall provide data and cost estimates for regulations implementing an Act containing a Federal mandate covered by part B of title IV of the Congressional Budget and Impoundment Control Act of 1974 (as added by section 101 of this Act).

[Omitted]

SEC. 105. [2 U.S.C. 1512] CONSIDERATION FOR FEDERAL FUNDING.

Nothing in this Act shall preclude a State, local, or tribal government that already complies with all or part of the Federal intergovernmental mandates included in the bill, joint resolution, amendment, motion, or conference report from consideration for Federal funding under section 425(a)(2) of the Congressional Budget and Impoundment Control Act of 1974 (as added by section 101 of this Act) for the cost of the mandate, including the costs the State, local, or tribal government is currently paying and any additional costs necessary to meet the mandate.

SEC. 106. [2 U.S.C. 1513] IMPACT ON LOCAL GOVERNMENTS.

(a) **FINDINGS.**—The Senate finds that—

(1) the Congress should be concerned about shifting costs from Federal to State and local authorities and should be

equally concerned about the growing tendency of States to shift costs to local governments;

(2) cost shifting from States to local governments has, in many instances, forced local governments to raise property taxes or curtail sometimes essential services; and

(3) increases in local property taxes and cuts in essential services threaten the ability of many citizens to attain and maintain the American dream of owning a home in a safe, secure community.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the Federal Government should not shift certain costs to the State, and States should end the practice of shifting costs to local governments, which forces many local governments to increase property taxes;

(2) States should end the imposition, in the absence of full consideration by their legislatures, of State issued mandates on local governments without adequate State funding, in a manner that may displace other essential government priorities; and

(3) one primary objective of this Act and other efforts to change the relationship among Federal, State, and local governments should be to reduce taxes and spending at all levels and to end the practice of shifting costs from one level of government to another with little or no benefit to taxpayers.

SEC. 107. [2 U.S.C. 1514] ENFORCEMENT IN THE HOUSE OF REPRESENTATIVES.

(a) MOTIONS TO STRIKE IN THE COMMITTEE OF THE WHOLE.—Clause 5 of rule XXIII of the Rules of the House of Representatives is amended by adding at the end the following:

“(c) In the consideration of any measure for amendment in the Committee of the Whole containing any Federal mandate the direct costs of which exceed the threshold in section 424(a)(1) of the Unfunded Mandate Reform Act of 1995, it shall always be in order, unless specifically waived by terms of a rule governing consideration of that measure, to move to strike such Federal mandate from the portion of the bill then open to amendment.”

(b) COMMITTEE ON RULES REPORTS ON WAIVED POINTS OF ORDER.—The Committee on Rules shall include in the report required by clause 1(d) of rule XI (relating to its activities during the Congress) of the Rules of the House of Representatives a separate item identifying all waivers of points of order relating to Federal mandates, listed by bill or joint resolution number and the subject matter of that measure.

SEC. 108. [2 U.S.C. 1515] EXERCISE OF RULEMAKING POWERS.

The provisions of sections 101 and 107 are enacted by Congress—

(1) as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be considered as part of the rules of such House, respectively, and such rules shall supersede other rules only to the extent that they are inconsistent therewith; and

(2) with full recognition of the constitutional right of either House to change such rules (so far as relating to such House)

at any time, in the same manner, and to the same extent as in the case of any other rule of each House.

(a) **IN GENERAL.**—Unless otherwise prohibited by law, before promulgating any general notice of proposed rulemaking that is likely to result in promulgation of any rule that includes any Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more (adjusted annually for inflation) in any 1 year, and before promulgating any final rule for which a general notice of proposed rulemaking was published, the agency shall prepare a written statement containing—

(1) an identification of the provision of Federal law under which the rule is being promulgated;

(2) a qualitative and quantitative assessment of the anticipated costs and benefits of the Federal mandate, including the costs and benefits to State, local, and tribal governments or the private sector, as well as the effect of the Federal mandate on health, safety, and the natural environment and such an assessment shall include—

(4) estimates by the agency of the effect on the national economy, such as the effect on productivity, economic growth, full employment, creation of productive jobs, and international competitiveness of United States goods and services, if and to the extent that the agency in its sole discretion determines that accurate estimates are reasonably feasible and that such effect is relevant and material; and

(5)(A) a description of the extent of the agency's prior consultation with elected representatives (under section 204) of the affected State, local, and tribal governments;

(B) a summary of the comments and concerns that were presented by State, local, or tribal governments either orally or in writing to the agency; and

(C) a summary of the agency's evaluation of those comments and concerns.

The title or subject of each report shall be entered on the Journal and printed in the Congressional Record.

(2) A bill or resolution reported adversely (other than those filed as privileged) shall be laid on the table unless a committee to which the bill or resolution was referred requests at the time of the report its referral to an appropriate calendar under clause 1 or unless, within three days thereafter, a Member, Delegate, or Resident Commissioner makes such a request.

(b)(1) It shall be the duty of the chair of each committee to report or cause to be reported promptly to the House a measure or matter approved by the committee and to take or cause to be taken steps necessary to bring the measure or matter to a vote.

(2) In any event, the report of a committee on a measure that has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which a written request for the filing of the report, signed by a majority of the members of the committee, has been filed with the clerk of the committee. (b) It shall not be in order in the House or in the Committee of the Whole House on the state of the Union to consider an amendment to a concurrent resolution on the budget, or an amendment thereto, unless the concurrent resolution, as amended by such amendment or amendments—

⁹¹Clause 10 of Rule XVIII requires that, with certain exceptions, that amendments to concurrent resolutions on the budget be mathematically consistent. Under this rule, amendments making changes in budget authority and outlay aggregate totals must be accompanied by comparable changes in functional categories. A point of order will lie against an amendment to the resolution increasing the aggregates and a functional category for budget authority and outlays but not changing the amount of the deficit. However, an amendment that only transfers an amount of budget authority from one functional category to another—that is, reduces one category by a certain amount and adds the same amount to another category—need make no changes in the aggregates to achieve mathematical consistency. 96-1, May 8, 1979, p 10271.

RULE XXI

RESTRICTIONS ON CERTAIN BILLS.

Reservation of certain points of order

1. At the time a general appropriation bill is reported, all points of order against provisions therein shall be considered as reserved.

General appropriation bills and amendments

2. (a)(1) An appropriation may not be reported in a general appropriation bill, and may not be in order as an amendment thereto, for an expenditure not previously authorized by law, except to continue appropriations for public works and objects that are already in progress.

(2) A reappropriation of unexpended balances of appropriations may not be reported in a general appropriation bill, and may not be in order as an amendment thereto, except to continue appropriations for public works and objects that are already in progress. This subparagraph does not apply to transfers of unexpended balances within the department or agency for which they were originally appropriated that are reported by the Committee on Appropriations.

(b) A provision changing existing law may not be reported in a general appropriation bill, including a provision making the availability of funds contingent on the receipt or possession of information not required by existing law for the period of the appropriation, except germane provisions that retrench expenditures by the reduction of amounts of money covered by the bill (which may include those recommended to the Committee on Appropriations by direction of a legislative committee having jurisdiction over the subject matter) and except rescissions of appropriations contained in appropriation Acts.

(c) An amendment to a general appropriation bill shall not be in order if changing existing law, including an amendment making the availability of funds contingent on the receipt or possession of information not required by existing law for the period of the appropriation. Except as provided in paragraph (d), an amendment proposing a limitation not specifically contained or authorized in existing law for the period of the limitation shall not be in order during consideration of a general appropriation bill.

(d) After a general appropriation bill has been read for amendment, a motion that the Committee of the Whole House on the state of the Union rise and report the bill to the House with such amendments as may have been adopted shall, if offered by the Majority Leader or a designee, have precedence over motions to amend the bill. If such a motion to rise and report is rejected or not offered, amendments proposing limitations not specifically contained or authorized in existing law for the period of the limitation or proposing germane amendments that retrench expenditures by reductions of amounts of money covered by the bill may be considered.

Such points of order shall operate with respect to (as the case may be)—

(a) the form of a measure recommended by the reporting committee where the statute uses the term “as reported” (in the case of a measure that has been so reported);

(b) the form of the measure made in order as an original bill or joint resolution for the purpose of amendment; or

(2) a bill or joint resolution not reported by a committee unless the chair of each committee of initial referral has caused a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the bill (and the name of any Member, Delegate, or Resident Commissioner who submitted a request to the committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits to be printed in the Congressional Record prior to its consideration;

The question of consideration shall be debatable for 10 minutes by the Member initiating the point of order and for 10 minutes by an opponent, but shall otherwise be decided without intervening motion except one that the House adjourn.

(d) In order to be cognizable by the Chair, a point of order raised under paragraph (a) may be based only on the failure of a report, submission to the Congressional Record, or joint explanatory statement to include a list required by paragraph (a) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(e) For the purpose of this clause, the term “congressional earmark” means a provision or report language included primarily at the request of a Member, Delegate, Resident Commissioner, or Senator providing, authorizing or recommending a specific amount of discretionary budget authority, credit authority, or other spending authority for a contract, loan, loan guarantee, grant, loan authority, or other expenditure with or to an entity, or targeted to a specific State, locality or Congressional district, other than through a statutory or administrative formula driven or competitive award process.

(A) the current year, the budget year, and the four fiscal years following that budget year; or

(B) the current year, the budget year, and the nine fiscal years following that budget year.

(2) For the purpose of this clause, the terms ‘budget year’ and ‘current year’ have the meanings specified in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985, and the term ‘mandatory spending’ has the meaning of ‘direct spending’ specified in such section 250 except that such term shall also include provisions in appropriation Acts that make outyear modifications to substantive law as described in section 3(4)(C) of the Statutory Pay-As-You-Go Act of 2010.

(b) If a bill or joint resolution, or an amendment thereto, is considered pursuant to a special order of the House directing the Clerk to add as new matter at the end of such bill or joint resolution the entire text of a separate measure or measures as passed by the House, the new matter proposed to be added shall be included in the evaluation under paragraph (a) of the bill, joint resolution, or amendment.

(c)(1) Except as provided in subparagraph (2), the evaluation under paragraph (a) shall exclude a provision expressly designated as an emergency for the Statutory Pay-As-You-Go Act of 2010, in the case of a point of order under this clause against consideration of—

(B) an amendment made in order as original text by a special order of business;

(C) a conference report; or

(D) an amendment between the Houses.

(2) In the case of an amendment (other than one specified in subparagraph (1)) to a bill or joint resolution, the evaluation under paragraph (a) shall give no cognizance to any designation of emergency.⁹⁴

⁹⁴The following language was deleted by H. Res. 5, the “rules package,” adopted in the 112th Congress: “(3) If a bill, a joint resolution, an amendment made in order as original text by a special order of business, a conference report, or an amendment between the Houses includes

portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this paragraph), no further amendment shall be in order.

SEC. 208. APPLICATION OF PREVIOUS ALLOCATIONS IN THE SENATE.

Section 7035 of Public Law 109–234 shall no longer apply in the Senate.

SEC. 209. SENATE POINT OF ORDER AGAINST PROVISIONS OF APPROPRIATIONS LEGISLATION THAT CONSTITUTE CHANGES IN MANDATORY PROGRAMS WITH NET COSTS.

(a) IN GENERAL.—In the Senate, it shall not be in order to consider any appropriations legislation, including any amendment thereto, motion in relation thereto, or conference report thereon, that includes any provision which constitutes a change in a mandatory program producing net costs, as defined in subsection (b), that would have been estimated as affecting direct spending or receipts under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985 (as in effect prior to September 30, 2002) were they included in legislation other than appropriations legislation. A point of order pursuant to this section shall be raised against such provision or provisions as described in subsections (e) and (f).

(b) CHANGES IN MANDATORY PROGRAMS PRODUCING NET COSTS.—A provision or provisions shall be subject to a point of order pursuant to this section if—

(1) the provision would increase budget authority in at least 1 of the 9 fiscal years that follow the budget year and over the period of the total of the budget year and the 9 fiscal years following the budget year;

(2) the provision would increase net outlays over the period of the total of the 9 fiscal years following the budget year; and

(3) the sum total of all changes in mandatory programs in the legislation would increase net outlays as measured over the period of the total of the 9 fiscal years following the budget year.

The Presiding Officer may sustain the point of order as to some or all of the provisions against which the Senator raised the point of order. If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the point of order, then only those provisions (including provision of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section. Before the Presiding Officer rules on such a point of order, any Senator may move to waive such a point of order as it applies to some or all of the provisions against which the point of order was raised. Such a motion to waive is amendable in accordance with rules and precedents of the Senate. After the Presiding Officer rules on such a point of order, any Senator may appeal the ruling of the Presiding Officer on such a point of order as it applies to some or all of the provisions on which the Presiding Officer ruled.

(b) POINT OF ORDER.—It shall not be in order in the Senate to consider any bill, joint resolution, amendment, motion, or conference report that would cause a net increase in deficits in excess of \$5,000,000,000 in any of the 4 consecutive 10-year periods described in subsection (a).

SEC. 314. SENATE POINT OF ORDER AGAINST PROVISIONS OF APPROPRIATIONS LEGISLATION THAT CONSTITUTE CHANGES IN MANDATORY PROGRAMS WITH NET COSTS.

(a) IN GENERAL.—In the Senate, it shall not be in order to consider any appropriations legislation, including any amendment thereto, motion in relation thereto, or conference report thereon, that includes any provision which constitutes a change in a mandatory program producing net costs, as defined in subsection (b), that would have been estimated as affecting direct spending or receipts under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985 (as in effect prior to September 30, 2002) were they included in legislation other than appropriations legislation. A point of order pursuant to this section shall be raised against such provision or provisions as described in subsections (e) and (f).

(b) CHANGES IN MANDATORY PROGRAMS PRODUCING NET COSTS.—A provision or provisions shall be subject to a point of order pursuant to this section if—

(1) the provision would increase budget authority in at least 1 of the 9 fiscal years that follow the budget year and over the period of the total of the budget year and the 9 fiscal years following the budget year;

(2) the provision would increase net outlays over the period of the total of the 9 fiscal years following the budget year; and

(e) GENERAL POINT OF ORDER.—It shall be in order for a Senator to raise a single point of order that several provisions of a bill, resolution, amendment, motion, or conference report violate this section. The Presiding Officer may sustain the point of order as to some or all of the provisions against which the Senator raised the point of order. If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the

point of order, then only those provisions (including provision of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section. Before the Presiding Officer rules on such a point of order, any Senator may move to waive such a point of order as it applies to some or all of the provisions against which the point of order was raised. Such a motion to waive is amendable in accordance with rules and precedents of the Senate. After the Presiding Officer rules on such a point of order, any Senator may appeal the ruling of the Presiding Officer on such a point of order as it applies to some or all of the provisions on which the Presiding Officer ruled.

(f) **FORM OF THE POINT OF ORDER.**—When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a bill, upon a point of order being made by any Senator pursuant to this section, and such point of order being sustained, such material contained in such conference report or amendment shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

JURISDICTION: IN GENERAL

Prior to the 104th Congress, the Budget Committee did not have jurisdiction over legislation other than budget resolutions and reconciliation bills. Substantive jurisdiction was formally lodged with the Committees on Rules and Government Oversight and Reform, although the Budget Committee was unofficially responsible for drafting the original Balanced Budget and Emergency Deficit Control Act of 1985 and amendments to both that Act and the Congressional Budget Act of 1974.

With the adoption of the Rules of the House of Representatives for the 104th Congress (H. Res. 6) on January 5, 1995, the Budget Committee achieved for the first time legislative jurisdiction over major elements of the congressional budget process and various statutory controls over the Federal budget. The pertinent sections of clause 1(d) read as follows:

(2) * * * other measures setting forth appropriate levels of budget totals for the United States Government.

(3) Measures relating to the congressional budget process, generally.

(4) Measures relating to the establishment, extension, and enforcement of special controls over the Federal budget, including the budgetary treatment of off-budget Federal agencies and measures providing exemption from reduction under any order issued under part C of the Balanced Budget and Emergency Deficit Control Act of 1985.

The addition to (d)(2) was intended to ensure that the Budget Committee have substantive jurisdiction over any statement providing for a balanced budget required under the proposed amendment to the U.S. Constitution amendment. The proposed amendment, which passed the House but failed to achieve the necessary margin in the Senate, envisioned a legislative vehicle other than the concurrent budget resolution which would be presented to the President.

The intent of paragraph (d)(3) was discussed in a memorandum of understanding between Mr. Kasich and Mr. Solomon, the chairman of the Committee on Rules. The memorandum states that the Budget Committee would have primary jurisdiction over budget terminology and the discretionary spending limits. The memorandum provided that the Budget Committee was to have secondary jurisdiction over such other elements of the congressional budget process. Essentially, the Budget Committee has primary jurisdiction over both budgetary levels and budgetary concepts and secondary jurisdiction over purely procedural aspects of the congressional budget process.

The scope of the jurisdiction of the Committee on the Budget was elucidated in an agreement between Representative John Kasich, Chairman of the Committee on the Budget, and Representative William Clinger, the Chairman of the Committee on Government Reform and Oversight (now named the Committee on Oversight and Government Reform), and was inserted into the Congressional Record by Majority Leader Richard ArmeY. The agreement stipulated that the Budget Committee would have jurisdiction over the establishment, extension, and enforcement of mandatory and discretionary spending limits, PAYGO requirements, and other special budgetary mechanisms to control spending, the deficit, or the Federal budgets.

Furthermore, jurisdiction over the sequestration process would migrate from the Government Reform and Oversight Committee to the Budget Committee. The agreement also recognized that the Government Reform and Oversight Committee would retain, for the duration of the 104th Congress, jurisdiction over certain budget process already in the legislative pipeline, most notably rescission authority, performance budgeting, regulatory budgets, and capital budgeting.

In addition to its legislative duties, the Budget Committee has responsibilities for oversight and studies. These responsibilities include oversight of the Congressional Budget Office; study of the outlay effects of existing and proposed legislation; study of off-budget entities; study of tax expenditures; and study of proposals to improve and facilitate the congressional budget process.

DEBATE ON H. RES. 6, RULES PACKAGE FOR THE 104TH CONGRESS
CONGRESSIONAL RECORD—HOUSE

[PAGE: H45—JANUARY 4, 1995]

Mr. ARMEY. Mr. Speaker, this agreement addresses the intent of the Chairman of the Committee on the Budget and the Chairman of the Committee on Government Reform and Oversight concerning the jurisdiction of each committee over the congressional

budget process. It is not intended to address jurisdictional issues involving the budget process between the Committee on the Budget and the Committee on Rules.

Clause (1)(d)(2) of rule X, relating to all concurrent resolutions on the budget and other measures setting forth budget totals for the United States, affords the Budget Committee legislative jurisdiction over the establishment and adoption of the congressional budget resolution, whether joint or concurrent. This extends to any statement setting forth a balanced budget as required by an amendment to the United States Constitution, or a capital budget or joint/capital operating budget, if mandated.

Clause (1)(d)(3) of rule X affirms the Budget Committee's primary jurisdiction over budget terminology and secondary jurisdiction over other elements of the congressional budget process, such as those currently provided for in the Congressional Budget Act. This includes: The budget resolution, timetable and accompanying report language; committee allocations; and the reconciliation process. This paragraph is not, however, intended to provide the Budget Committee with jurisdiction over the following: process changes in Federal rescission or impoundment authority; process changes in the submission of agency performance plans or reports, or agency regulatory plans, reports or reviews as part of the budget process; or process changes leading to the required adoption of a Federal capital budget or joint capital/operating budget which accounts for the fixed assets of the United States Government. In addition, this paragraph is not intended to provide the Budget Committee with jurisdiction over special funds, accounts or spending set asides created to reduce the deficit.

Clause (1)(d)(4) of rule X is intended to provide the Budget Committee with jurisdiction over measures to control spending, the deficit, or the Federal budget. The Budget Committee's jurisdiction will include the establishment, extension and enforcement of mandatory and discretionary spending limits; Pay-As-You-Go requirements for legislation that increases the deficit; and special budgetary mechanisms to control spending, the deficit or the Federal budget. The Budget Committee will have jurisdiction over Federal sequestrations, including sequestration rules, special rules and exemptions. The Budget Committee is intended to have jurisdiction over the selection of programs subject to spending controls, the determination of the numerical level of those controls, and the enforcement of the controls.

Clause (1)(g)(4) of rule X is intended to retain the Committee on Government Reform and Oversight's legislative jurisdiction over: measures relating to process changes in Federal rescission or impoundment authority; measures relating to Executive agency budgeting, including the submission of agency performance reports or plans, or agency regulatory plans, reports or reviews as part of the Federal budget process; measures relating to Executive agency financial management; and process changes leading to the required adoption of a Federal capital budget or joint capital/operating budget which accounts for the fixed assets of the United States Government. In addition, the Committee on Government Reform and Oversight retains jurisdiction over special funds, accounts and spending set asides created to reduce the deficit.

I submit today the following Memorandum of Understanding between the distinguished chairman of the Committee on Rules, Gerald B.H. Solomon, and I on the intent of subparagraph (1)(d)(3) as it pertains to the Committee on Rules and the Committee on the Budget. The distinguished chairman of the Committee on Government Reform, and Oversight, William F. Clinger, shall submit a similar Memorandum of Understanding on budget process reform as it pertains to the Committee on Government Reform and Oversight and the Committee on the Budget.

HOUSE OF REPRESENTATIVES,
Washington, DC.

This statement addresses the intent of subparagraph (1)(d)(3) as it pertains to the Committee on the Budget and the Committee on Rules.

Such jurisdiction shall include the budget timetable, the budget resolution and its report, committee allocations, the reconciliation process, and related enforcement procedures. It is understood that the Committee on Rules will remain the Committee of primary jurisdiction over all aspects of the Congressional budget process that are within the joint rule-making authority of Congress except for budgetary terminology and the discretionary spending limits.

SCOREKEEPING

SCOREKEEPING¹⁰¹

These budget scorekeeping guidelines are to be used by the House and Senate Budget Committees, the Congressional Budget Office, and the Office of Management and Budget (the “scorekeepers”) in measuring compliance with the Congressional Budget Act of 1974 (CBA), as amended, and GRH¹⁰² as amended, and Statutory Pay-go as amended and the Budget Control Act of 2011 as amended. The purpose of the guidelines is to ensure that the scorekeepers measure the effects of legislation on the deficit consistent with established scorekeeping conventions and with the specific requirements in those Acts regarding discretionary spending, direct spending, and receipts. These rules shall be reviewed annually by the scorekeepers and revised as necessary to adhere to the purpose. These rules shall not be changed unless all of the scorekeepers agree. New accounts or activities shall be classified only after consultation among the scorekeepers. Accounts and activities shall not be reclassified unless all of the scorekeepers agree.

1. Classifications of appropriations

Following the guidelines (pages 1014–1053 of the conference report)¹⁰³ is a list of appropriations that are normally enacted in Appropriations Acts. The list identifies appropriated entitlements and other mandatory spending in appropriations acts, and it identifies discretionary appropriations by category.

2. Outlays prior

Outlays from prior-year appropriations will be classified consistent with the discretionary mandatory classification of the account from which the outlays occur.

3. Direct spending programs

Entitlements and other mandatory programs (including offsetting receipts) will be scored at current law levels as defined in section 257 of GRH, unless Congressional action modifies the authorization legislation. Substantive changes to or restrictions on entitlement law or other mandatory spending law in appropriations laws will be scored against the Appropriations Committee section 302(b) allocations in the House and the Senate. For the purpose of CBA¹⁰⁴ scoring, direct spending savings that are included in both an appropriation bill and a reconciliation bill will be scored to the reconciliation bill and not to the appropriation bill. For scoring

¹⁰¹ These scorekeeping guidelines are set out in the joint statement of managers that accompanies the Conference Report on the Balanced Budget Act of 1997 (House Report 105–217—Balanced Budget Act of 1997).

¹⁰² “GRH” refers to the Balanced Budget and Emergency Deficit Control Act of 1985 (Public Law 99–177, December 12, 1985, 99 Stat. 1037), also known as the Gramm-Rudman-Hollings Act.

¹⁰⁴ CBA refers to the Congressional Budget Act of 1974 (Public Law 93–344).

under sections 251 or 252 of GRH,¹⁰⁵ such provisions will be scored to the first bill enacted.

4. *Transfer of budget authority from a mandatory account to a discretionary account*

The transfer of budget authority to a discretionary account will be scored as an increase in discretionary budget authority and outlays in the gaining account. The losing account will not show an offsetting reduction if the account is an entitlement or mandatory.

5. *Permissive transfer authority*

Permissive transfers will be assumed to occur (in full or in part) unless sufficient evidence exists to the contrary. Outlays from such transfers will be estimated based on the best information available, primarily historical experience and, where applicable, indications of executive or congressional intent. This guideline will apply both to specific transfers (transfers where the gaining and losing accounts and the amounts subject to transfer can be ascertained) and general transfer authority.

6. *Reappropriations*

Reappropriations of expiring balances of budget authority will be scored as new budget authority in the fiscal year in which the balances become newly available.

7. *Advance appropriations*

Advance appropriations of budget authority will be scored as new budget authority in the fiscal year in which the funds become newly available for obligation, not when the appropriations are enacted.

8. *Rescissions and transfers of unobligated balances*

Rescissions of unobligated balances will be scored as reductions in current budget authority and outlays in the year the money is rescinded.

Transfers of unobligated balances will be scored as reductions in current budget authority and outlays in the account from which the funds are being transferred, and as increases in budget authority and outlays in the account to which these funds are being transferred.

In certain instances, these transactions will result in a net negative budget authority amounts in the source accounts. For purposes of section 257 of GRH, such amounts of budget authority will be projected at zero. Outlay estimates for both the transferring and receiving accounts will be based on the spending patterns appropriate to the respective accounts.

9. *Delay of obligations*

Appropriation acts specify a date when funds will become available for obligation. It is this date that determines the year for which new budget authority is scored. In the absence of such a date, the act is assumed to be effective upon enactment.

If a new appropriation provides that a portion of the budget authority shall not be available for obligation until a future fiscal year, that portion shall be treated as an advance appropriation of budget authority. If a law defers existing budget authority (or unobligated balances) from a year in which it was available for obliga-

tion to a year in which it was not available for obligation, that law shall be scored as a rescission in the current year and a reappropriation in the year in which obligational authority is extended.

10. *Contingent legislation*

If the authority to obligate is contingent on the enactment of a subsequent appropriation, new budget authority and outlays will be scored with the subsequent appropriation. If a discretionary appropriation is contingent on enactment of a subsequent authorization, new budget authority and outlays will be scored with the appropriation. If a discretionary appropriation is contingent on the fulfillment of some action by the Executive Branch or some other event normally estimated, new budget authority will be scored with the appropriation and outlays will be estimated based on the best information about when (or if) the contingency will be met. Nonlaw making contingencies within the control of the Congress are not scoreable events.

11. *Scoring purchases, lease-purchases, capital leases, and operating leases*

When a law provides the authority for an agency to enter into a contract for the purchase, lease-purchase, or lease of an asset, budget authority and outlays will be scored as follows:

For lease-purchases and capital leases, budget authority will be scored against the legislation in the year in which the budget authority is first made available in the amount of the estimated net present value of the government's total estimated legal obligations over the life of the contract, except for imputed interest costs calculated at Treasury rates for marketable debt instruments of similar maturity to the lease period and identifiable annual operating expenses that would be paid by the government as owner (such as utilities, maintenance, and insurance). Property taxes will not be considered to be an operating cost. Imputed interest costs will be classified as mandatory and will not be scored against the legislation or for current level but will count for other purposes.

For operating leases, budget authority will be scored against the legislation in the year in which the budget authority is first made available in the amount necessary to cover the government's legal obligations. The amount scored will include the estimated total payments expected to arise under the full term of a lease contract or, if the contract will include a cancellation clause, an amount sufficient to cover the lease payments for the first fiscal year during which the contract is in effect, plus an amount sufficient to cover the costs associated with cancellation of the contract.

For funds that are self-insuring under existing authority, only budget authority to cover the annual lease payment is required to be scored.

Outlays for lease-purchase in which the Federal government assumes substantial risk—for example, through an explicit government guarantee of third party financing—will be spread across the period during which the contractor constructs, manufactures, or purchases the asset.

Outlays for an operating lease, a capital lease, or a lease-purchase in which the private sector retains substantial risk, will be spread across the lease period. In all cases, the total amount of out-

lays scored over time against legislation will equal the amount of budget authority scored against that legislation.

No special rules apply to scoring purchases of assets (whether the asset is exiting or is to be manufactured or constructed). Budget authority is scored in the year in which the authority to purchase is first made available in the amount of the government's estimated legal obligations.

Outlays scored will equal the estimated disbursements by the government based on the particular purchase arrangement, and over time will equal the amount of budget authority scored against that legislation.

Existing contracts will not be rescored.

To distinguish lease purchases and capital leases from operating leases, the following criteria will be used for defining an operating lease:

Ownership of the asset remains with the lessor during the term of the lease and is not transferred to the government at or shortly after the end of the lease period.

The lease does not contain a bargain-price purchase option.

The lease term does not exceed 75 percent of the estimated economic lifetime of the asset.

The present value of the minimum lease payments over the life of the lease does not exceed 90 percent of the fair market value of the asset at the inception of the lease.

The asset is a general purpose asset rather than being for a special purpose of the government and is not built to unique specification for the government as lessee.

There is a private-sector market for the asset.

Risks of ownership of the asset should remain with the lessor.

Risk is defined in terms of how governmental in nature the project is. If a project is less governmental in nature, the private sector risk is considered to be higher. To evaluate the level of private-sector risk associated with a lease-purchase, legislation and lease-purchase contracts will be considered against the following type of illustrative criteria, which indicate ways in which the project is less governmental:

There should be no provision of government financing and no explicit government guarantee of third party financing.

Risks of ownership of the asset should remain with the lessor unless the Government was at fault for such losses.

The asset should be a general purpose asset rather than for a special purpose of the Government and should not be built to unique specification for the Government as lessee.

There should be a private-sector market for the asset.

The project should not be constructed on Government land.

Language that attempts to waive the Anti-Deficiency Act, or to limit the amount or timing of obligations recorded, does not change the government's obligations or obligational authority, and so will not affect the scoring of budget authority or outlays.

Unless language that authorizes a project clearly states that no obligations are allowed unless budget authority is provided specifically for that project in an appropriations bill in advance of the obligation, the legislation will be interpreted as providing obligation authority, in an amount to be estimated by the scorekeepers.

12. Write-offs of uncashed checks, unredeemed food stamps, and similar instruments

Exceptional write-offs of uncashed checks, unredeemed food stamps, and similar instruments (i.e., cumulative balances that have built up over several years or have been on the books for several years) shall be scored as an adjustment to the means of financing the deficit rather than as an offset. An estimate of write-offs or similar adjustments that are part of a continuing routing process shall be netted against outlays in the year in which the writeoff will occur. Such write-offs shall be recorded in the account in which the outlay was originally recorded.

13. Reclassification after an agreement

Except to the extent assumed in a budget agreement, a law that has the effect of altering the classification of spending and revenues (e.g., from discretionary to mandatory, special fund to revolving fund, on-budget to off-budget, revenue to offsetting receipt), will not be scored as reclassified for the purpose of enforcing a budget agreement.

14. Scoring of receipt increases or direct spending reductions for additional administration or program management expenses

No increase in receipts or decrease in direct spending will be scored as a result of provisions of a law that provides direct spending for administration or program management activities.

15. Asset sales

If the net financial cost to the government of an asset sale is zero or negative (a savings), the amount scored shall be the estimated change in receipts and mandatory outlays in each fiscal year on a cost basis.

If the cost to the government is positive (a loss), the proceeds from the sale shall not be scored for the purposes of the CBA¹⁰⁶ or GRH.¹⁰⁷

The net financial cost to the Federal government of an asset sale shall be the net present value of the cash flows from:

- (1) estimated proceeds from the asset sale;
- (2) the net effect on Federal revenues, if any, based on special tax treatments specified in the legislation;
- (3) the loss of future offsetting receipts that would otherwise be collected under continued government ownership (using baseline levels for the projection period and estimated levels thereafter); and
- (4) changes in future spending, both discretionary and mandatory, from levels that would otherwise occur under continued government ownership (using baseline levels for the projection period and at levels estimated to be necessary to operate and maintain the asset thereafter).

The discount rate used to estimate the net present value shall be the average interest rate on marketable Treasury securities of similar maturity to the expected remaining useful life of the asset for which the estimate is being made, plus 2 percentage points to

¹⁰⁶ Congressional Budget Act of 1974.

reflect the economic effects of continued ownership by the Government.

16. Indefinite borrowing authority and limits on outstanding debt

If legislation imposes or changes a limit on outstanding debt for an account financed by indefinite budget authority in the form of borrowing authority, the legislation will be scored as changing budget authority only if and to the extent the imposition of a limit or the change in the existing limit alters the estimated amount of obligations that will be incurred.

17. Pell Scoring Rule

Pell Scoring Rule: In addition to the scorekeeping rules, the following rule from S.Con.Res.18 (109th Congress) remains in effect in the Senate:

SEC. 406. ADJUSTMENTS TO REFLECT CHANGES IN CONCEPTS AND DEFINITIONS.

* * * * *

(b) PELL GRANTS.—

(1) BUDGET AUTHORITY.—In the Senate, if appropriations of discretionary new budget authority enacted for the Federal Pell Grant Program are insufficient to cover the full cost of Pell Grants in the upcoming award year, adjusted for any cumulative funding surplus or shortfall from prior years, the budget authority counted against the bill for the Pell Grant Program shall be equal to the adjusted full cost.

(2) APPLICATION.—This subsection shall apply only to new Pell Grant awards approved in legislation for award year 2006-2007 and subsequent award years and shall not apply to the cumulative shortfall through award year 2005-2006.

(3) ESTIMATES.—The estimate of the budget authority associated with the full cost of Pell Grants shall be based on the maximum award and any changes in eligibility requirements, using current economic and technical assumptions and as determined pursuant to scorekeeping guidelines, if any.

(1) **DISCRETIONARY BUDGET AUTHORITY.**—OMB shall, for each dollar amount of discretionary budget authority and for each item of new direct spending canceled from an appropriation law under section 1021(a)—

(A) reflect the reduction that results from such cancellation in the estimates required by section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985 in accordance with that Act, including an estimate of the reduction of the budget authority and the reduction in outlays flowing from such reduction of budget authority for each outyear; and

(B) include a reduction to the discretionary spending limits for budget authority and outlays in accordance with the Balanced Budget and Emergency Deficit Control Act of 1985 for each applicable fiscal year set forth in section 251(c) of the Balanced Budget and Emergency Deficit Control Act of 1985 by amounts equal to the amounts for each fiscal year estimated pursuant to subparagraph (A).

(2) **DIRECT SPENDING AND LIMITED TAX BENEFITS.**—(A) OMB shall, for each item of new direct spending or limited tax benefit canceled from a law under section 1021(a), estimate the deficit decrease caused by the cancellation of such item or benefit in that law and include such estimate as a separate entry in the report prepared pursuant to section 252(d) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(B) OMB shall not include any change in the deficit resulting from a cancellation of any item of new direct spending or limited tax benefit, or the enactment of a disapproval bill for any such cancellation, under this part in the estimates and reports required by sections 252(b) and 254 of the Balanced Budget and Emergency Deficit Control Act of 1985.

(b) ADJUSTMENTS TO SPENDING LIMITS.—After ten calendar days (excluding Sundays) after the expiration of the time period in section 1025(b)(1) for expedited congressional consideration of a disapproval bill for a special message containing a cancellation of discretionary budget authority, OMB shall make the reduction included in subsection (a)(1)(B) as part of the next sequester report required by section 254 of the Balanced Budget and Emergency Deficit Control Act of 1985.

(c) EXCEPTION.—Subsection (b) shall not apply to a cancellation if a disapproval bill or other law that disapproves that cancellation is enacted into law prior to 10 calendar days (excluding Sundays) after the expiration of the time period set forth in section 1025(b)(1).

(d) CONGRESSIONAL BUDGET OFFICE ESTIMATES.—As soon as practicable after the President makes a cancellation from a law under section 1021(a), the Director of the Congressional Budget Office shall provide the Committees on the Budget of the House of Representatives and the Senate with an estimate of the reduction of the budget authority and the reduction in outlays flowing from such reduction of budget authority for each outyear.

SEC. 1025. [2 U.S.C. 691d] EXPEDITED CONGRESSIONAL CONSIDERATION OF DISAPPROVAL BILLS.

(a) RECEIPT AND REFERRAL OF SPECIAL MESSAGE.—Each special message transmitted under this part shall be referred to the Committee on the Budget and the appropriate committee or committees of the Senate and the Committee on the Budget and the appropriate committee or committees of the House of Representatives. Each such message shall be printed as a document of the House of Representatives.

(b) TIME PERIOD FOR EXPEDITED PROCEDURES.—

(1) There shall be a congressional review period of 30 calendar days of session, beginning on the first calendar day of session after the date on which the special message is received in the House of Representatives and the Senate, during which the procedures contained in this section shall apply to both Houses of Congress.

(2) In the House of Representatives the procedures set forth in this section shall not apply after the end of the period described in paragraph (1).

(3) If Congress adjourns at the end of a Congress prior to the expiration of the period described in paragraph (1) and a disapproval bill was then pending in either House of Congress or a committee thereof (including a conference committee of the two Houses of Congress), or was pending before the President, a disapproval bill for the same special message may be introduced within the first five calendar days of session of the next Congress and shall be treated as a disapproval bill under

this part, and the time period described in paragraph (1) shall commence on the day of introduction of that disapproval bill.

(c) INTRODUCTION OF DISAPPROVAL BILLS.—

(1) In order for a disapproval bill to be considered under the procedures set forth in this section, the bill must meet the definition of a disapproval bill and must be introduced no later than the fifth calendar day of session following the beginning of the period described in subsection (b)(1).

(2) In the case of a disapproval bill introduced in the House of Representatives, such bill shall include in the first blank space referred to in section 1026(6)(C) a list of the reference numbers for all cancellations made by the President in the special message to which such disapproval bill relates.

(d) CONSIDERATION IN THE HOUSE OF REPRESENTATIVES.—

(1) Any committee of the House of Representatives to which a disapproval bill is referred shall report it without amendment, and with or without recommendation, not later than the seventh calendar day of session after the date of its introduction. If any committee fails to report the bill within that period, it is in order to move that the House discharge the committee from further consideration of the bill, except that such a motion may not be made after the committee has reported a disapproval bill with respect to the same special message. A motion to discharge may be made only by a Member favoring the bill (but only at a time or place designated by the Speaker in the legislative schedule of the day after the calendar day on which the Member offering the motion announces to the House his intention to do so and the form of the motion). The motion is highly privileged. Debate thereon shall be limited to not more than one hour, the time to be divided in the House equally between a proponent and an opponent. The previous question shall be considered as ordered on the motion to its adoption without intervening motion. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order.

(2) After a disapproval bill is reported or a committee has been discharged from further consideration, it is in order to move that the House resolve into the Committee of the Whole House on the State of the Union for consideration of the bill. If reported and the report has been available for at least one calendar day, all points of order against the bill and against consideration of the bill are waived. If discharged, all points of order against the bill and against consideration of the bill are waived. The motion is highly privileged. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. During consideration of the bill in the Committee of the Whole, the first reading of the bill shall be dispensed with. General debate shall proceed, shall be confined to the bill, and shall not exceed one hour equally divided and controlled by a proponent and an opponent of the bill. The bill shall be considered as read for amendment under the five-minute rule. Only one motion to rise shall be in order, except if offered by the manager. No amendment to the bill is in order, except any Member if supported by 49 other Members

(a quorum being present) may offer an amendment striking the reference number or numbers of a cancellation or cancellations from the bill. Consideration of the bill for amendment shall not exceed one hour excluding time for recorded votes and quorum calls. No amendment shall be subject to further amendment, except pro forma amendments for the purposes of debate only. At the conclusion of the consideration of the bill for amendment, the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion. A motion to reconsider the vote on passage of the bill shall not be in order.

(3) Appeals from decisions of the Chair regarding application of the rules of the House of Representatives to the procedure relating to a disapproval bill shall be decided without debate.

(4) It shall not be in order to consider under this subsection more than one disapproval bill for the same special message except for consideration of a similar Senate bill (unless the House has already rejected a disapproval bill for the same special message) or more than one motion to discharge described in paragraph (1) with respect to a disapproval bill for that special message.

(e) CONSIDERATION IN THE SENATE.—

(1) REFERRAL AND REPORTING.—Any disapproval bill introduced in the Senate shall be referred to the appropriate committee or committees. A committee to which a disapproval bill has been referred shall report the bill not later than the seventh day of session following the date of introduction of that bill. If any committee fails to report the bill within that period, that committee shall be automatically discharged from further consideration of the bill and the bill shall be placed on the Calendar.

(2) DISAPPROVAL BILL FROM HOUSE.—When the Senate receives from the House of Representatives a disapproval bill, such bill shall not be referred to committee and shall be placed on the Calendar.

(3) CONSIDERATION OF SINGLE DISAPPROVAL BILL.—After the Senate has proceeded to the consideration of a disapproval bill for a special message, then no other disapproval bill originating in that same House relating to that same message shall be subject to the procedures set forth in this subsection.

(4) AMENDMENTS.—

(A) AMENDMENTS IN ORDER.—The only amendments in order to a disapproval bill are—

(i) an amendment that strikes the reference number of a cancellation from the disapproval bill; and

(ii) an amendment that only inserts the reference number of a cancellation included in the special message to which the disapproval bill relates that is not already contained in such bill.

(B) WAIVER OR APPEAL.—An affirmative vote of three-fifths of the Senators, duly chosen and sworn, shall be required in the Senate—

(i) to waive or suspend this paragraph; or

(ii) to sustain an appeal of the ruling of the Chair on a point of order raised under this paragraph.

(5) MOTION NONDEBATABLE.—A motion to proceed to consideration of a disapproval bill under this subsection shall not be debatable. It shall not be in order to move to reconsider the vote by which the motion to proceed was adopted or rejected, although subsequent motions to proceed may be made under this paragraph.

(6) LIMIT ON CONSIDERATION.—

(A) After no more than 10 hours of consideration of a disapproval bill, the Senate shall proceed, without intervening action or debate (except as permitted under paragraph (9)), to vote on the final disposition thereof to the exclusion of all amendments not then pending and to the exclusion of all motions, except a motion to reconsider or to table.

(B) A single motion to extend the time for consideration under subparagraph (A) for no more than an additional five hours is in order prior to the expiration of such time and shall be decided without debate.

(C) The time for debate on the disapproval bill shall be equally divided between the Majority Leader and the Minority Leader or their designees.

(7) DEBATE ON AMENDMENTS.—Debate on any amendment to a disapproval bill shall be limited to one hour, equally divided and controlled by the Senator proposing the amendment and the majority manager, unless the majority manager is in favor of the amendment, in which case the minority manager shall be in control of the time in opposition.

(8) NO MOTION TO RECOMMIT.—A motion to recommit a disapproval bill shall not be in order.

(9) DISPOSITION OF SENATE DISAPPROVAL BILL.—If the Senate has read for the third time a disapproval bill that originated in the Senate, then it shall be in order at any time thereafter to move to proceed to the consideration of a disapproval bill for the same special message received from the House of Representatives and placed on the Calendar pursuant to paragraph (2), strike all after the enacting clause, substitute the text of the Senate disapproval bill, agree to the Senate amendment, and vote on final disposition of the House disapproval bill, all without any intervening action or debate.

(10) CONSIDERATION OF HOUSE MESSAGE.—Consideration in the Senate of all motions, amendments, or appeals necessary to dispose of a message from the House of Representatives on a disapproval bill shall be limited to not more than four hours. Debate on each motion or amendment shall be limited to 30 minutes. Debate on any appeal or point of order that is submitted in connection with the disposition of the House message shall be limited to 20 minutes. Any time for debate shall be equally divided and controlled by the proponent and the major-

ity manager, unless the majority manager is a proponent of the motion, amendment, appeal, or point of order, in which case the minority manager shall be in control of the time in opposition.

(f) CONSIDERATION IN CONFERENCE.—

(1) CONVENING OF CONFERENCE.—In the case of disagreement between the two Houses of Congress with respect to a disapproval bill passed by both Houses, conferees should be promptly appointed and a conference promptly convened, if necessary.

(2) HOUSE CONSIDERATION.—

(A) Notwithstanding any other rule of the House of Representatives, it shall be in order to consider the report of a committee of conference relating to a disapproval bill provided such report has been available for one calendar day (excluding Saturdays, Sundays, or legal holidays, unless the House is in session on such a day) and the accompanying statement shall have been filed in the House.

(B) Debate in the House of Representatives on the conference report and any amendments in disagreement on any disapproval bill shall each be limited to not more than one hour equally divided and controlled by a proponent and an opponent. A motion to further limit debate is not debatable. A motion to recommit the conference report is not in order, and it is not in order to move to reconsider the vote by which the conference report is agreed to or disagreed to.

(3) SENATE CONSIDERATION.—Consideration in the Senate of the conference report and any amendments in disagreement on a disapproval bill shall be limited to not more than four hours equally divided and controlled by the Majority Leader and the Minority Leader or their designees. A motion to recommit the conference report is not in order.

(4) LIMITS ON SCOPE.—

(A) When a disagreement to an amendment in the nature of a substitute has been referred to a conference, the conferees shall report those cancellations that were included in both the bill and the amendment, and may report a cancellation included in either the bill or the amendment, but shall not include any other matter.

(B) When a disagreement on an amendment or amendments of one House to the disapproval bill of the other House has been referred to a committee of conference, the conferees shall report those cancellations upon which both Houses agree and may report any or all of those cancellations upon which there is disagreement, but shall not include any other matter.

¹⁰⁸ *Automatic Second Budget Resolution*: The Congressional Budget Act originally provided for first and second resolutions on the budget for each fiscal year. Budget resolutions were considered to be the second resolution if the Congress did not adopt the second one. Those provisions also provided an exception in the House to the aggregate point of order under section 311 of the Congressional Budget Act. See: First Concurrent Resolution on the Budget—Fiscal Year 1986, S.Con.Res. 32, 99th Congress, 1st Session, Section 3, 99 Stat. 1941 (1985); First Concurrent Resolution on the Budget—Fiscal Year 1985, H.Con.Res. 280, 98th Congress, 2d Session, Section 4, 98 Stat. 3484 (1984); First Concurrent Resolution on the Budget—Fiscal Year 1984, H.Con.Res. 91, 98th Congress, 1st Session Section 5, 97 Stat. 1501 (1983)

¹⁰⁹ The Budget Control Act of 2011 (Public Law 112–25) provided for a concurrent resolution on the budget for enforcement purposes in the Senate for Fiscal Years 2012 and 2013.

¹¹⁰House: A budget resolution “deemed” to be in force means a resolution that was not adopted by both Houses of Congress, but in one House has been treated as if had been passed by both Houses for enforcement purposes of the Congressional Budget Act. Two exceptions were for fiscal year 1999 and fiscal year 2011 when the deeming resolution adopted only had the effect, mainly, of providing the Appropriations Committee of the House with a section 302(a) allocation for enforcement purposes, but did not, in their entirety, have the nature of budget resolutions under the terms of section 301 of the Congressional Budget Act.

¹¹¹House: H. Res. 413 deemed H. Con. Res. 310 as passed by the House on May 1, 1990, to be in force until the conference report on the budget was adopted (it was so adopted on October 9, 1990).

¹¹²House: The initial deeming resolution was section 2 of H. Res. 477, a special rule for the consideration of the Military Construction Appropriations Act for FY1999. At the beginning of the 106th Congress, a second deeming resolution was included in the organizing resolution, H. Res. 5, authorizing the Chairman of the House Budget Committee to put enforceable allocations into the Congressional Record.

¹¹³Senate: Two deeming resolutions were Senate resolutions directed to that purpose.

¹¹⁴House: A follow-up measure in the next session was part of the opening-day rules package (section 2(a) of H. Res. 5)

¹¹⁵House: The initial deeming resolution was section 2 of H. Res. 428, special rule for the consideration of a supplemental appropriations act for FY2002 (H.R. 4775).

Appendix E

Rule XXVIII of the House of Representatives was repealed at the beginning of the 112th Congress and is hence no longer in force. When it was in force, beginning in the 96th Congress, it provided for a Joint Resolution increasing the public debt limit to be sent to the Senate upon the adoption of a concurrent resolution on the budget.

RULE XXVIII¹²⁸

STATUTORY LIMIT ON PUBLIC DEBT

1. Upon adoption by Congress of a concurrent resolution on the budget under section 301 or 304 of the Congressional Budget Act of 1974 that sets forth, as the appropriate level of the public debt for the period to which the concurrent resolution relates, an amount that is different from the amount of the statutory limit on the public debt that otherwise would be in effect for that period, the Clerk shall prepare an engrossment of a joint resolution increasing or decreasing, as the case may be, the statutory limit on the public debt in the form prescribed in clause 2. Upon engrossment of the joint resolution, the vote by which the concurrent resolution on the budget was finally agreed to in the House shall also be considered as a vote on passage of the joint resolution in the House, and the joint resolution shall be considered as passed by the House and duly certified and examined. The engrossed copy shall be signed by the Clerk and transmitted to the Senate for further legislative action.

2. The matter after the resolving clause in a joint resolution described in clause 1 shall be as follows: “That subsection (b) of section 3101 of title 31, United States Code, is amended by striking out the dollar limitation contained in such subsection and inserting in lieu thereof “\$_____”, with the blank being filled with a dollar limitation equal to the appropriate level of the public debt set forth pursuant to section 301(a)(5) of the Congressional Budget Act of 1974 in the relevant concurrent resolution described in clause 1. If an adopted concurrent resolution under clause 1 sets forth different appropriate levels of the public debt for separate periods, only one engrossed joint resolution shall be prepared under clause 1; and the blank referred to in the preceding sentence shall be filled with the limitation that is to apply for each period.

¹²⁸The public debt limit is fixed by law at 31 U.S.C. Sec. 3101. The debt limit may be changed by the enactment of a bill or joint resolution. Under Rule XXVIII, when it was in force, such a joint resolution could be generated automatically upon adoption by Congress of a concurrent resolution on the budget that set a level of the public debt. Rule XXVIII was first adopted in the 96th Congress. It was repealed in the 107th Congress and reinstated in the 108th Congress. It was again repealed at the beginning of the 112th Congress.

3. (a) The report of the Committee on the Budget on a concurrent resolution described in clause 1 and the joint explanatory statement of the managers on a conference report to accompany such a concurrent resolution each shall contain a clear statement of the effect the eventual enactment of a joint resolution engrossed under this rule would have on the statutory limit on the public debt.

(b) It shall not be in order for the House to consider a concurrent resolution described in clause 1, or a conference report thereon, unless the report of the Committee on the Budget or the joint explanatory statement of the managers complies with paragraph (a).

4. Nothing in this rule shall be construed as limiting or otherwise affecting—

(a) the power of the House or the Senate to consider and pass bills or joint resolutions, without regard to the procedures under clause 1, that would change the statutory limit on the public debt; or

(b) the rights of Members, Delegates, the Resident Commissioner, or committees with respect to the introduction, consideration, and reporting of such bills or joint resolutions.

5. In this rule the term “statutory limit on the public debt” means the maximum face amount of obligations issued under authority of chapter 31 of title 31, United States Code, and obligations guaranteed as to principal and interest by the United States (except such guaranteed obligations as may be held by the Secretary of the Treasury), as determined under section 3101(b) of such title after the application of section 3101(a) of such title, that may be outstanding at any one time.

SEC. 507. CONGRESSIONAL BUDGET OFFICE ESTIMATES.

(a) FAIR VALUE ESTIMATES.—

(1) REQUEST FOR SUPPLEMENTAL ESTIMATES.—Upon the request of the chair or ranking member of the Committee on the Budget, any estimate prepared for a measure under the terms of title V of the Congressional Budget Act of 1974, ‘credit reform’, as a supplement to such estimate of the Congressional Budget Office shall, to the extent practicable, also provide an estimate of the current actual or estimated market values rep-

representing the 'fair value' of assets and liabilities affected by such measure.

(2) ENFORCEMENT.—If the Congressional Budget Office provides an estimate pursuant to subsection (a), the chair of the Committee on the Budget may use such estimate to determine compliance with the Congressional Budget Act of 1974 and other budgetary enforcement controls.

(b) BUDGETARY EFFECTS OF THE NATIONAL FLOOD INSURANCE PROGRAM.—The Congressional Budget Office shall estimate the change in net income to the National Flood Insurance Program by this Act if such income is included in a reconciliation bill provided for in section 201, as if such income were deposited in the general fund of the Treasury.

SEC. 508. BUDGET RULE RELATING TO TRANSFERS FROM THE GENERAL FUND OF THE TREASURY TO THE HIGHWAY TRUST FUND THAT INCREASE PUBLIC INDEBTEDNESS.

For purposes of the Congressional Budget Act of 1974, the Balanced Budget and Emergency Deficit Control Act of 1985, or the Rules of the House of Representatives, a bill or joint resolution, or an amendment thereto or conference report thereon, or any Act that transfers funds from the general fund of the Treasury to the Highway Trust Fund shall be counted as new budget authority and outlays equal to the amount of the transfer in the fiscal year the transfer occurs.

SEC. 509. SEPARATE ALLOCATION FOR OVERSEAS CONTINGENCY OPERATIONS/GLOBAL WAR ON TERRORISM.

(a) ALLOCATION.—In the House, there shall be a separate allocation to the Committee on Appropriations for overseas contingency operations and the global war on terrorism. For purposes of enforcing such separate allocation under section 302(f) of the Congressional Budget Act of 1974, the 'first fiscal year' and the 'total of fiscal years' shall be deemed to refer to fiscal year 2013. Such separate allocation shall be the exclusive allocation for overseas contingency operations and the global war on terrorism under section 302(a) of such Act. Section 302(c) of such Act does not apply to such separate allocation. The Committee on Appropriations may provide suballocations of such separate allocation under section 302(b) of such Act. Spending that counts toward the allocation established by this section shall be designated pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(b) ADJUSTMENT.—In the House, for purposes of subsection (a) for fiscal year 2013, no adjustment shall be made under section 314(a) of the Congressional Budget Act of 1974 if any adjustment would be made under section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985.

SEC. 510. EXERCISE OF RULEMAKING POWERS.

(a) IN GENERAL.—The House adopts the provisions of this title—

(1) as an exercise of the rulemaking power of the House of Representatives and as such they shall be considered as part of the rules of the House of Representatives, and these rules

shall supersede other rules only to the extent that they are inconsistent with other such rules; and

(2) with full recognition of the constitutional right of the House of Representatives to change those rules at any time, in the same manner, and to the same extent as in the case of any other rule of the House of Representatives.

(b) **LIMITATION ON APPLICATION.**—The following provisions of H. Res. 5 (112th Congress) shall no longer have force or effect:

(1) Section 3(e) relating to advance appropriations.

(2) Section 3(f) relating to the treatment of off-budget administrative expenses.

Title VI—Policy

SEC. 601. POLICY STATEMENT ON MEDICARE.

(a) **FINDINGS.**—The House finds the following:

(1) More than 50 million Americans depend on Medicare for their health security.

(2) The Medicare Trustees Report has repeatedly recommended that Medicare's long-term financial challenges be addressed soon. Each year without reform, the financial condition of Medicare becomes more precarious and the threat to those in and near retirement becomes more pronounced. According to the Congressional Budget Office—

(A) the Hospital Insurance Trust Fund will be exhausted in 2022 and unable to pay scheduled benefits; and

(B) Medicare spending is growing faster than the economy and Medicare outlays are currently rising at a rate of 6.3 percent per year, and under the Congressional Budget Office's alternative fiscal scenario, direct spending on Medicare is projected to reach 7 percent of GDP by 2035 and 14 percent of GDP by 2085.

(3) Failing to address this problem will leave millions of American seniors without adequate health security and younger generations burdened with enormous debt to pay for spending levels that cannot be sustained.

(b) **POLICY ON MEDICARE REFORM.**—It is the policy of this resolution to protect those in and near retirement from any disruptions to their Medicare benefits and offer future beneficiaries the same health care options available to Members of Congress.

(c) **ASSUMPTIONS.**—This resolution assumes reform of the Medicare program such that:

(1) Current Medicare benefits are preserved for those in and near retirement, without changes.

(2) For future generations, when they reach eligibility, Medicare is reformed to provide a premium support payment and a selection of guaranteed health coverage options from which recipients can choose a plan that best suits their needs.

(3) Medicare will provide additional assistance for lower-income beneficiaries and those with greater health risks.

(4) Medicare spending is put on a sustainable path and the Medicare program becomes solvent over the long-term.

SEC. 602. POLICY STATEMENT ON SOCIAL SECURITY.

(a) **FINDINGS.**—The House finds the following:

(1) More than 55 million retirees, individuals with disabilities, and survivors depend on Social Security. Since enactment, Social Security has served as a vital leg on the ‘three-legged stool’ of retirement security, which includes employer provided pensions as well as personal savings.

(2) The Social Security Trustees report has repeatedly recommended that Social Security’s long-term financial challenges be addressed soon. Each year without reform, the financial condition of Social Security becomes more precarious and the threat to seniors and those receiving Social Security disability benefits becomes more pronounced:

(A) In 2016, according to the Congressional Budget Office, the Federal Disability Insurance Trust Fund will be exhausted and will be unable to pay scheduled benefits.

(B) In 2036, according to the Social Security Trustees Report the combined Federal Old-Age and Survivors Insurance Trust Fund and Federal Disability Insurance Trust Fund will be exhausted, and will be unable to pay scheduled benefits.

(C) With the exhaustion of the trust funds in 2036, benefits will be cut 23 percent across the board, devastating those currently in or near retirement and those who rely on Social Security the most.

(3) The current recession has exacerbated the crisis to Social Security. The Congressional Budget Office continues to project permanent cash deficits.

(4) Lower-income Americans rely on Social Security for a larger proportion of their retirement income. Therefore, reforms should take into consideration the need to protect lower-income Americans’ retirement security.

(5) Americans deserve action by their elected officials on Social Security reform. It is critical that the Congress and the administration work together in a bipartisan fashion to address the looming insolvency of Social Security. In this spirit, this resolution creates a bipartisan opportunity to find solutions by requiring policymakers to ensure that Social Security remains a critical part of the safety net.

(b) POLICY ON SOCIAL SECURITY.—It is the policy of this resolution that Congress should work on a bipartisan basis to make Social Security permanently solvent. This resolution assumes reform of a current law trigger, such that—

(1)(A) if in any year the Board of Trustees of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund in its annual Trustees’ Report determines that the 75-year actuarial balance of the Social Security Trust Funds is in deficit, and the annual balance of the Social Security Trust Funds in the 75th year is in deficit, the Board of Trustees should, not later than September 30 of the same calendar year, submit to the President recommendations for statutory reforms necessary to achieve a positive 75-year actuarial balance and a positive annual balance in the 75th year; and

(B) such recommendations provided to the President should be agreed upon by both Public Trustees of the Board of Trustees;

(2)(A) not later than December 1 of the same calendar year in which the Board of Trustees submits its recommendations, the President shall promptly submit implementing legislation to both Houses of Congress, including recommendations necessary to achieve a positive 75-year actuarial balance and a positive annual balance in the 75th year; and

(B) the Majority Leader of the Senate and the Majority Leader of the House should introduce such legislation upon receipt;

(3) within 60 days of the President submitting legislation, the committees of jurisdiction to which the legislation has been referred should report such legislation, which should be considered by the full House or Senate under expedited procedures; and

(4) legislation submitted by the President should—

(A) protect those in and near retirement;

(B) preserve the safety net for those who rely on Social Security, including survivors and those with disabilities;

(C) improve fairness for participants; and

(D) reduce the burden on, and provide certainty for, future generations.

SEC. 603. POLICY STATEMENT ON DEFICIT REDUCTION THROUGH THE CANCELLATION OF UNOBLIGATED BALANCES.

(a) FINDINGS.—The House finds the following:

(1) According to the Office of Management and Budget, Federal agencies will hold \$698 billion in unobligated balances at the close of fiscal year 2013.

(2) These funds represent direct and discretionary spending made available by Congress that remain available for expenditure beyond the fiscal year for which they are provided.

(3) In some cases, agencies are granted funding and it remains available for obligation indefinitely.

(4) The Congressional Budget and Impoundment Control Act of 1974 requires the Office of Management and Budget to make funds available to agencies for obligation and prohibits the Administration from withholding or cancelling unobligated funds unless approved by an act of Congress.

(5) Greater congressional oversight is required to review and identify potential savings from unneeded balances of funds.

(b) POLICY ON DEFICIT REDUCTION THROUGH THE CANCELLATION OF UNOBLIGATED BALANCES.—Congressional committees shall through their oversight activities identify and achieve savings through the cancellation or rescission of unobligated balances that neither abrogate contractual obligations of the Federal Government nor reduce or disrupt Federal commitments under programs such as Social Security, veterans' affairs, national security, and Treasury authority to finance the national debt.

(c) DEFICIT REDUCTION.—Congress, with the assistance of the Government Accountability Office, the Inspectors General, and

other appropriate agencies should make it a high priority to review unobligated balances and identify savings for deficit reduction.

SEC. 604. RECOMMENDATIONS FOR THE ELIMINATION OF WASTE, FRAUD, AND ABUSE IN FEDERAL PROGRAMS.

(a) FINDINGS.—The House finds the following:

(1) The Government Accountability Office is required by law to identify examples of waste, duplication, and overlap in Federal programs, and has so identified dozens of such examples.

(2) In testimony before the Committee on Oversight and Government Reform, the Comptroller General has stated that addressing the identified waste, duplication, and overlap in Federal programs ‘could potentially save tens of billions of dollars’.

(3) The Rules of the House of Representatives require each standing committee to hold at least one hearing every four months on waste, fraud, abuse, or mismanagement in Government programs.

(4) The findings resulting from congressional oversight of Federal Government programs should result in programmatic changes in both authorizing statutes and program funding levels.

(b) POLICY ON DEFICIT REDUCTION THROUGH THE REDUCTION OF UNNECESSARY AND WASTEFUL SPENDING.—Each authorizing committee annually shall include in its Views and Estimates letter required under section 301(d) of the Congressional Budget Act of 1974 recommendations to the Committee on the Budget of programs within the jurisdiction of such committee whose funding should be reduced or eliminated. Such recommendations shall be made publicly available.

Appendix G

THE CONSTITUTION OF THE UNITED STATES

Article I, Section 7, First Clause¹³⁰

All Bills for raising Revenue shall originate in the House of Representatives; but the Senate may propose or concur with Amendments as on other Bills.¹³¹

Article I, Section 8, First Clause¹³²

The Congress shall have Power To lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defense and general Welfare of the United States; but all Duties, Imposts and Excises shall be uniform throughout the United States;

Article I, Section 8, Second Clause¹³³

To borrow Money on the credit of the United States; Article I, Section 9, Seventh Clause.¹³⁴

¹³⁰*Revenue Bills*: The insertion of this clause was another of the devices sanctioned by the Framers to preserve and enforce the separation of powers. It applies, in the context of the permissibility of Senate amendments to a House-passed bill, to all bills for collecting revenue—revenue decreasing as well as revenue increasing—rather than simply to just those bills that increase revenue.

¹³¹*Appropriations Act*: The Article of the Constitution extends to Appropriation Acts, which must also originate in the House of Representatives. Any bill providing for an appropriation of funds must begin its consideration in the House or it will be “blue slipped” and returned to the Senate without House consideration.

¹³²*Kinds of Taxes Permitted*: By the terms of the Constitution, the power of Congress to levy taxes is subject to but one exception and two qualifications. Articles exported from any State may not be taxed at all. Direct taxes must be levied by the rule of apportionment and indirect taxes by the rule of uniformity. The Court has emphasized the sweeping character of this power by saying from time to time that it “reaches every subject,” that it is “exhaustive” or that it “embraces every conceivable power of taxation.” Despite these generalizations, the power has been at times substantially curtailed by judicial decision with respect to the subject matter of taxation, the manner in which taxes are imposed, and the objects for which they may be levied.

¹³³*Purposes Served by the Grant*: This clause serves a two-fold purpose: it is the direct source of the most important powers that the Federal Government exercises in peacetime, and, except for the due process and equal protection clauses of the Fourteenth Amendment, it is the most important limitation imposed by the Constitution on the exercise of state power. The latter, restrictive operation of the clause was long the more important one from the point of view of the constitutional lawyer. Of the approximately 1400 cases that reached the Supreme Court under the clause prior to 1900, the overwhelming proportion stemmed from state legislation. The result was that, generally, the guiding lines in construction of the clause were initially laid down in the context of curbing state power rather than in that of its operation as a source of national power. The consequence of this historical progression was that the word “commerce” came to dominate the clause while the word “regulate” remained in the background. The so-called “constitutional revolution” of the 1930s, however, brought the latter word to its present prominence.

¹³⁴*Appropriations*: This clause is a limitation upon the power of the Executive Department and does not restrict Congress in appropriating moneys in the Treasury. That body may recognize and pay a claim of an equitable, moral, or honorary nature. When it directs a specific sum to be paid to a certain person, neither the Secretary of the Treasury nor any court has discretion to determine whether the person is entitled to receive it. In making appropriations to pay claims arising out of the Civil War, Congress could, the Court held, lawfully provide that certain persons, i.e., those who had aided the Rebellion, should not be paid out of the funds made available by the general appropriation, but that such persons should seek relief from Congress. The Court has also recognized that Congress has a wide discretion with regard to the extent to which it shall prescribe details of expenditures for which it appropriates funds and has approved the frequent practice of making general appropriations of large amounts to be allotted and expended as directed by designated government agencies. Citing as an example that act of June 17, 1902, where all moneys received from the sale and disposal of public lands in a large number of States and territories were set aside as a special fund to be expended under the direction of the Secretary of the Interior upon such projects as he determined to be practicable and advisable for the reclamation of arid and semi-arid lands within those States and territories, the Court declared: “The constitutionality of this delegation of authority has never been seriously questioned.”

No Money shall be drawn from the Treasury, but in Consequence of Appropriations made by Law; and a regular Statement and Account of the Receipts and Expenditures of all public Money shall be published from time to time.

Amendment XVI¹³⁵

The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration.¹³⁶

¹³⁵*History and Purpose of the Amendment:* The ratification of this Amendment was the direct consequence of the Court's decision in 1895 in *Pollock v. Farmers' Loan & Trust Co.*, whereby the attempt of Congress the previous year to tax incomes uniformly throughout the United States was held by a divided court to be unconstitutional. A tax on incomes derived from property, the Court declared, was a "direct tax" which Congress under the terms of Article I, Sec. 2, and Sec. 9, could impose only by the rule of apportionment according to population, although scarcely fifteen years prior the Justices had unanimously sustained the collection of a similar tax during the Civil War, the only other occasion preceding the Sixteenth Amendment in which Congress had ventured to utilize this method of raising revenue.

During the interim between the Pollock decision in 1895 and the ratification of the Sixteenth Amendment in 1913, the Court gave evidence of a greater awareness of the dangerous consequences to national solvency which that holding threatened, and partially circumvented the threat, either by taking refuge in redefinitions of "direct tax" or, and more especially, by emphasizing, virtually to the exclusion of the former, the history of excise taxation.

¹³⁶Passed by Congress July 2, 1909. Ratified February 3, 1913, Amendment XVI modified Article I, section 9, of the Constitution.

(a) IN GENERAL.—Section 1105 of title 31, United States Code, is amended by adding at the end the following new subsection:

“(h)(1) If there is a medicare funding warning under section 801(a)(2) of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 made in a year, the President shall submit to Congress, within the 15-day period beginning on the date of the budget submission to Congress under subsection (a) for the succeeding year, proposed legislation to respond to such warning.

“(2) Paragraph (1) does not apply if, during the year in which the warning is made, legislation is enacted which eliminates excess general revenue medicare funding (as defined in section 801(c) of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003) for the 7-fiscal-year reporting period, as certified by the Board of Trustees of each medicare trust fund (as defined in section 801(c)(5) of such Act) not later than 30 days after the date of the enactment of such legislation.”

(b) SENSE OF CONGRESS.—It is the sense of Congress that legislation submitted pursuant to section 1105(h) of title 31, United States Code, in a year should be designed to eliminate excess general revenue medicare funding (as defined in section 801(c)) for the 7-fiscal-year period that begins in such year.

SEC. 803. PROCEDURES IN THE HOUSE OF REPRESENTATIVES.

(a) INTRODUCTION AND REFERRAL OF PRESIDENT’S LEGISLATIVE PROPOSAL.—

(1) INTRODUCTION.—In the case of a legislative proposal submitted by the President pursuant to section 1105(h) of title 31, United States Code, within the 15-day period specified in paragraph (1) of such section, the Majority Leader of the House of Representatives (or his designee) and the Minority Leader of the House of Representatives (or his designee) shall introduce such proposal (by request), the title of which is as follows: “A bill to respond to a medicare funding warning.” Such bill shall be introduced within 3 legislative days after Congress receives such proposal.

(2) REFERRAL.—Any legislation introduced pursuant to paragraph (1) shall be referred to the appropriate committees of the House of Representatives.

(b) DIRECTION TO THE APPROPRIATE HOUSE COMMITTEES.—

(1) IN GENERAL.—In the House, in any year during which the President is required to submit proposed legislation to Congress under section 1105(h) of title 31, United States Code, the appropriate committees shall report medicare funding legislation by not later than June 30 of such year.

(2) MEDICARE FUNDING LEGISLATION.—For purposes of this section, the term “medicare funding legislation” means—

(A) legislation introduced pursuant to subsection (a)(1), but only if the legislative proposal upon which the legislation is based was submitted within the 15-day period referred to in such subsection; or

(B) any bill the title of which is as follows: “A bill to respond to a medicare funding warning.”.

(3) CERTIFICATION.—With respect to any medicare funding legislation or any amendment to such legislation to respond to a medicare funding warning, the chairman of the Committee on the Budget of the House shall certify—

(A) whether or not such legislation eliminates excess general revenue medicare funding (as defined in section 801(c)) for each fiscal year in the 7-fiscal-year reporting period; and

(B) with respect to such an amendment, whether the legislation, as amended, would eliminate excess general revenue medicare funding (as defined in section 801(c)) for each fiscal year in such 7-fiscal-year reporting period.

(c) FALLBACK PROCEDURE FOR FLOOR CONSIDERATION IF THE HOUSE FAILS TO VOTE ON FINAL PASSAGE BY JULY 30.—

(1) After July 30 of any year during which the President is required to submit proposed legislation to Congress under section 1105(h) of title 31, United States Code, unless the House of Representatives has voted on final passage of any medicare funding legislation for which there is an affirmative certification under subsection (b)(3)(A), then, after the expiration of not less than 30 calendar days (and concurrently 5 legislative days), it is in order to move to discharge any committee to which medicare funding legislation which has such a certification and which has been referred to such committee for 30 calendar days from further consideration of the legislation.

(2) A motion to discharge may be made only by an individual favoring the legislation, may be made only if supported by one-fifth of the total membership of the House (a quorum being present), and is highly privileged in the House. Debate thereon shall be limited to not more than one hour, the time to be divided in the House equally between those favoring and those opposing the motion. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(3) Only one motion to discharge a particular committee may be adopted under this subsection in any session of a Congress.

(4) Notwithstanding paragraph (1), it shall not be in order to move to discharge a committee from further consideration of medicare funding legislation pursuant to this subsection during a session of a Congress if, during the previous session of the Congress, the House passed medicare funding legislation for which there is an affirmative certification under subsection (b)(3)(A).

(d) FLOOR CONSIDERATION IN THE HOUSE OF DISCHARGED LEGISLATION.—

(1) In the House, not later than 3 legislative days after any committee has been discharged from further consideration of

legislation under subsection (c), the Speaker shall resolve the House into the Committee of the Whole for consideration of the legislation.

(2) The first reading of the legislation shall be dispensed with. All points of order against consideration of the legislation are waived. General debate shall be confined to the legislation and shall not exceed five hours, which shall be divided equally between those favoring and those opposing the legislation. After general debate the legislation shall be considered for amendment under the five-minute rule. During consideration of the legislation, no amendments shall be in order in the House or in the Committee of the Whole except those for which there has been an affirmative certification under subsection (b)(3)(B). All points of order against consideration of any such amendment in the Committee of the Whole are waived. The legislation, together with any amendments which shall be in order, shall be considered as read. During the consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of Rule XVIII of the Rules of the House of Representatives. Debate on any amendment shall not exceed one hour, which shall be divided equally between those favoring and those opposing the amendment, and no pro forma amendments shall be offered during the debate. The total time for debate on all amendments shall not exceed 10 hours. At the conclusion of consideration of the legislation for amendment, the Committee shall rise and report the legislation to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the legislation and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions. (3) All appeals from the decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to any such legislation shall be decided without debate.

(4) Except to the extent specifically provided in the preceding provisions of this subsection, consideration of any such legislation and amendments thereto (or any conference report thereon) shall be governed by the Rules of the House of Representatives applicable to other bills and resolutions, amendments, and conference reports in similar circumstances.

(e) LEGISLATIVE DAY DEFINED.—As used in this section, the term “legislative day” means a day on which the House of Representatives is in session.

(1) as an exercise of the rulemaking power of the House of Representatives and, as such, shall be considered as part of the rules of that House and shall supersede other rules only to the extent that they are inconsistent therewith; and

(2) with full recognition of the constitutional right of that House to change the rules (so far as they relate to the procedures of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

(c) **QUALIFICATION FOR SPECIAL PROCEDURES.**—

(1) **IN GENERAL.**—The special procedures set forth in subsections (d) and (e) shall apply to medicare funding legislation, as described in subsection (b), only if the legislation—

(2) with full recognition of the constitutional right of the Senate to change the rules (so far as relating to the procedure of the Senate) at any time, in the same manner, and to the same extent as in the case of any other rule of the Senate.
