(As adopted January 22, 2015, and revised on February 12, 2015)
RULES OF THE COMMITTEE ON AGRICULTURE FOR THE 114TH CONGRESS

RULE I.—GENERAL PROVISIONS

(a) Applicability of House Rules.—(1) The Rules of the House shall govern the procedure of the Committee and its subcommittees, and the Rules of the Committee on Agriculture so far as applicable shall be interpreted in accordance with the Rules of the House, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are non-debatable privileged motions in the Committee and its subcommittees. (See Appendix A for the applicable Rules of the U.S. House of Representatives.)

(2) As provided in clause 1(a)(2) of House Rule XI, each Subcommittee is part of the Committee and is subject to the authority and direction of the Committee and its Rules so far as applicable. (See also Committee Rules III, IV, V, VI, VII, VIII and XI, infra.)

(b) Authority to Conduct Investigations.—The Committee and its subcommittees, after consultation with the Chairman of the Committee, may conduct such investigations and studies as they may consider necessary or appropriate in the exercise of their responsibilities under Rule X of the Rules of the House and in accordance with clause 2(m) of House Rule XI.

(c) Authority to Print.—The Committee is authorized by the Rules of the House to have printed and bound testimony and other data presented at hearings held by the Committee and its subcommittees. All costs of stenographic services and transcripts in connection with any meeting or hearing of the Committee and its subcommittees shall be paid from applicable accounts of the House described in clause 1(i)(1) of House Rule X in accordance with clause 1(c) of House Rule XI. (See also paragraphs (d), (e) and (f) of Committee Rule IX.)

(d) Vice Chairman.—The Member of the majority party on the Committee or Subcommittee designated by the Chairman of the full Committee shall be the vice chairman of the Committee or Subcommittee in accordance with clause 2(d) of House Rule XI.

(e) Presiding Member.—If the Chairman of the Committee or Subcommittee is not present at any Committee or Subcommittee meeting or hearing, the vice chairman shall preside. If the Chairman and vice chairman of the Committee or Subcommittee are not present at a Committee or Subcommittee meeting or hearing the ranking Member of the majority party who is present shall preside in accordance with clause 2(d), House Rule XI.

(f) Publication of Rules.—The Committee's Rules shall be publicly available in electronic form and published in the Congressional Record not later than 30 days after the Chair is elected in each odd-numbered year as provided in clause 2(a) of House Rule XI.

(g) Joint Committee Reports of Investigation or Study.—A report of an investigation or study conducted jointly by more than one committee may be filed jointly, provided that each of the committees complies independently with all requirements for approval and filing of the report.

RULE II.—COMMITTEE BUSINESS MEETINGS—REGULAR, ADDITIONAL AND SPECIAL

(a) Regular Meetings.—Regular meetings of the Committee, in accordance with clause 2(b) of House Rule XI, shall be held on the first Wednesday of every month to transact its business if notice is given pursuant to clause 2(g)(3) of House Rule XI. The Chairman shall provide each Member of the Committee, as far in advance of the day of the regular meeting as practicable, a written agenda of such meeting. Items may be placed on the agenda by the Chairman or a majority of the Committee. (See paragraph (f) of Committee Rule XI for provisions that apply to
meetings of subcommittees.)

(b) Additional Meetings.—(1) The Chairman may call and convene, as he or she considers necessary, which may not commence earlier than the third day on which Members have notice thereof after consultation with the Ranking Minority Member of the Committee or after concurrence with the Ranking Minority Member, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such additional meetings pursuant to the notice from the Chairman.

(2) A hearing or meeting may begin sooner than specified in clause (1) (in which case the chair shall make the announcement specified at the earliest possible time) if the Committee so determines by majority vote in the presence of the number of Members required under the Rules of the Committee for the transaction of business.

(3) At least 24 hours prior to the commencement of a meeting for the markup of a measure or matter the Chair shall cause the text of such measure or matter to be made publicly available in electronic form.

(c) Special Meetings.—If at least three Members of the Committee desire that a special meeting of the Committee be called by the Chairman, those Members may file in the offices of the Committee their written request to the Chairman for such special meeting. Such request shall specify the measure or matters to be considered. Immediately upon the filing of the request, the Majority Staff Director (serving as the clerk of the Committee for such purpose) shall notify the Chairman of the filing of the request. If, within 3 calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within 7 calendar days after the filing of the request, a majority of the Members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour thereof, and the measures or matter to be considered at that special meeting in accordance with clause 2(c)(2) of House Rule XI. The Committee shall meet on that date and hour. Immediately upon the filing of the notice, the Majority Staff Director (serving as the clerk) of the Committee shall notify all Members of the Committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered, and only the measure or matter specified in that notice may be considered at that special meeting.

RULE III.—OPEN MEETINGS AND HEARINGS; BROADCASTING

(a) Open Meetings and Hearings.—Each meeting for the transaction of business, including the markup of legislation, and each hearing by the Committee or a Subcommittee shall be open to the public unless closed in accordance with clause 2(g) of House Rule XI. (See Appendix A.)

(b) Broadcasting and Photography.—Whenever a Committee or Subcommittee meeting for the transaction of business, including the markup of legislation, or a hearing is open to the public, that meeting or hearing shall:

(1) To the maximum extent practicable the Committee shall provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings and shall maintain the recordings of such coverage in a manner that is easily accessible to the public.

(2) Be open to coverage by television, radio, and still photography in accordance with clause 4 of House Rule XI (See Appendix A). When such radio coverage is conducted in the Committee or Subcommittee, written notice to that effect shall be placed on the desk of each
Member. The Chairman of the Committee or Subcommittee, shall not limit the number of television or still cameras permitted in a hearing or meeting room to fewer than two representatives from each medium (except for legitimate space or safety considerations, in which case pool coverage shall be authorized).

(c) Closed Meetings—Attendees.—No person other than Members of the Committee or Subcommittee and such congressional staff and departmental representatives as the Committee or Subcommittee may authorize shall be present at any business or markup session that has been closed to the public as provided in clause 2(g)(1) of House Rule XI.

(d) Addressing the Committee.—A Committee Member may address the Committee or a Subcommittee on any bill, motion, or other matter under consideration (See Committee Rule VIII (e) relating to questioning a witness at a hearing). The time a Member may address the Committee or Subcommittee for any such purpose shall be limited to 5 minutes, except that this time limit may be waived by unanimous consent. A Member shall also be limited in his or her remarks to the subject matter under consideration, unless the Member receives unanimous consent to extend his or her remarks beyond such subject.

(e) Meetings to Begin Promptly.—Subject to the presence of a quorum, each meeting or hearing of the Committee and its subcommittees shall begin promptly at the time so stipulated in the public announcement of the meeting or hearing.

(f) Prohibition on Proxy Voting.—No vote by any Member of the Committee or Subcommittee with respect to any measure or matter may be cast by proxy.

(g) Location of Persons at Meetings.—No person other than the Committee or Subcommittee Members and Committee or Subcommittee staff may be seated in the rostrum area during a meeting of the Committee or Subcommittee unless by unanimous consent of Committee or Subcommittee.

(h) Consideration of Amendments and Motions.—A Member, upon request, shall be recognized by the Chairman to address the Committee or Subcommittee at a meeting for a period limited to 5 minutes on behalf of an amendment or motion offered by the Member or another Member, or upon any other matter under consideration, unless the Member receives unanimous consent to extend the time limit. Every amendment or motion made in Committee or Subcommittee shall, upon the demand of any Member present, be reduced to writing, and a copy thereof shall be made available to all Members present. Such amendment or motion shall not be pending before the Committee or Subcommittee or voted on until the requirements of this paragraph have been met.

(i) Demanding Record Vote.—

1. A record vote of the Committee or Subcommittee on a question or action shall be ordered on a demand by one-fifth of the Members present.

2. The Chairman of the Committee or Subcommittee may postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment. If the Chairman postpones further proceedings:

   (A) the Chairman may resume such postponed proceedings, after giving Members adequate notice, at a time chosen in consultation with the Ranking Minority Member; and

   (B) notwithstanding any intervening order for the previous question, the underlying proposition on which proceedings were postponed shall remain subject to further debate or amendment to the same extent as when the question was postponed.
(j) Submission of Motions or Amendments In Advance of Business Meetings.—The Committee and Subcommittee Chairman may request and Committee and Subcommittee Members should, insofar as practicable, cooperate in providing copies of proposed amendments or motions to the Chairman and the Ranking Minority Member of the Committee or the Subcommittee twenty-four hours before a Committee or Subcommittee business meeting.

(k) Points of Order.—No point of order against the hearing or meeting procedures of the Committee or Subcommittee shall be entertained unless it is made in a timely fashion.

(l) Limitation on Committee Sittings.—The Committee or subcommittees may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

(m) Prohibition of Wireless Telephones.—Use of wireless phones during a Committee or Subcommittee hearing or meeting is prohibited.

RULE IV.—QUORUMS.

(a) Working Quorum.—One-third of the Members of the Committee or a Subcommittee shall constitute a quorum for taking any action, other than as noted in paragraphs (b) and (c).

(b) Majority Quorum.—A majority of the Members of the Committee or Subcommittee shall constitute a quorum for:

1. the reporting of a bill, resolution or other measure (See clause 2(h)(1) of House Rules XI, and Committee Rule IX);
2. the closing of a meeting or hearing to the public pursuant to clauses 2(g), 2(k)(5) and 2(k)(7) of the Rule XI of the Rules of the House;
3. the authorizing of a subpoena as provided in clause 2(m)(3), of House Rule XI (See also Committee Rule VII.); and
4. as where required by a Rule of the House.

(c) Quorum for Taking Testimony.—Two Members of the Committee or Subcommittee shall constitute a quorum for the purpose of taking testimony and receiving evidence.

RULE V.—RECORDS.

(a) Maintenance of Records.—The Committee shall keep a complete record of all Committee and Subcommittee action which shall include:

1. in the case of any meeting or hearing transcripts, a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical and typographical corrections authorized by the person making the remarks involved, and
2. written minutes shall include a record of all Committee and Subcommittee action and a record of all votes on any question and a tally on all record votes.

The result of each such record vote shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee and by telephone request and also made publicly available in electronic form within 48 hours of such record vote. Not later than 24 hours after adoption of an amendment to a measure or matter, the chair of the Committee shall cause the text of such amendment adopted thereto to be made publicly available in electronic form. Information so available for public inspection shall include a description of the
amendment, motion, order or other proposition and the name of each Member voting for and each Member voting against such amendment, motion, order, or proposition, and the names of those Members present but not voting.

(b) Access to and Correction of Records.—Any public witness, or person authorized by such witness, during Committee office hours in the Committee offices and within 10 calendar days of the close of hearings, may obtain a transcript copy of that public witness’s testimony and make such technical, grammatical and typographical corrections as authorized by the person making the remarks involved as will not alter the nature of testimony given. There shall be prompt return of such corrected copy of the transcript to the Committee. Members of the Committee or Subcommittee shall receive copies of transcripts for their prompt review and correction and prompt return to the Committee. The Committee or Subcommittee may order the printing of a hearing record without the corrections of any Member or witness if it determines that such Member or witness has been afforded a reasonable time in which to make such corrections and further delay would seriously impede the consideration of the legislative action that is subject of the hearing. The record of a hearing shall be closed 10 calendar days after the last oral testimony, unless the Committee or Subcommittee determines otherwise. Any person requesting to file a statement for the record of a hearing must so request before the hearing concludes and must file the statement before the record is closed unless the Committee or Subcommittee determines otherwise. The Committee or Subcommittee may reject any statement in light of its length or its tendency to defame, degrade, or incriminate any person.

(c) Property of the House.—All Committee and Subcommittee records (including hearings data, charts, and files) shall be kept separate and distinct from the congressional office records of the Members serving as Chairman and such records shall be the property of the House and all Members of the House shall have access thereto. The Majority Staff Director shall promptly notify the Chairman and the Ranking Minority Member of any request for access to such records.

(d) Availability of Archived Records.—The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with House Rule VII. The Chairman shall notify the Ranking Minority Member of the Committee of the need for a Committee order pursuant to clause 3(b)(3) or clause 4(b) of such House Rule, to withhold a record otherwise available.

(e) Special Rules for Certain Records and Proceedings.—A stenographic record of a business meeting of the Committee or Subcommittee may be kept and thereafter may be published if the Chairman of the Committee, after consultation with the Ranking Minority Member, determines there is need for such a record. The proceedings of the Committee or Subcommittee in a closed meeting, evidence or testimony in such meeting, shall not be divulged unless otherwise determined by a majority of the Committee or Subcommittee.

(f) Electronic Availability of Committee Publications.—To the maximum extent feasible, the Committee shall make its publications available in electronic form.

RULE VI.—POWER TO SIT AND ACT.
For the purpose of carrying out any of its function and duties under House Rules X and XI, the Committee and each of its subcommittees is authorized to sit and act at such times and places within the United States whether the House is in session, has recessed, or has adjourned and to hold such hearings.

RULE VII. –SUBPOENAS AND OATHS.
(a) **Issuance of Subpoenas.**—In accordance with clause House Rule XI, clause 2(m), a subpoena may be authorized and issued by a majority of the Committee or by the Chairman in consultation with the Ranking Minority Member. Such consultation shall occur at least 48 hours in advance of a subpoena being issued under such authority. Authorized subpoenas shall be signed by the Chairman of the Committee or by any Member designated by the Committee.

(b) **Oaths.**—The Chairman of the Committee, or any member of the Committee designated by the Chairman, may administer oaths to any witnesses.

**RULE VIII.**—**HEARING PROCEDURES.**

(a) **Power to Hear.**—For the purpose of carrying out any of its functions and duties under House Rule X and XI, the Committee and its subcommittees are authorized to sit and hold hearings at any time or place within the United States whether the House is in session, has recessed, or has adjourned. (See Committee Rule VI and paragraph (f) of Committee Rule XI for provisions relating to Subcommittee hearings and meetings.)

(b) **Announcement.**—The Chairman of the Committee shall after consultation with the Ranking Minority Member of the Committee, make a public announcement of the date, place and subject matter of any Committee hearing at least 1 week before the commencement of the hearing. The Chairman of a Subcommittee shall schedule a hearing only after consultation with the Chairman of the Committee and after consultation with the Ranking Minority Member of the Subcommittee, and the Chairmen of the other subcommittees after such consultation with the Committee Chairman, and shall request the Majority Staff Director to make a public announcement of the date, place, and subject matter of such hearing at least 1 week before the hearing. If the Chairman of the Committee or the Subcommittee, with concurrence of the Ranking Minority Member of the Committee or Subcommittee, determines there is good cause to begin the hearing sooner, or if the Committee or Subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairman of the Committee or Subcommittee, as appropriate, shall request the Majority Staff Director to make such public announcement at the earliest possible date. The clerk of the Committee shall promptly notify the Daily Digest Clerk of the Congressional Record, and shall promptly enter the appropriate information into the Committee scheduling service of the House Information Systems as soon as possible after such public announcement is made.

(c) **Scheduling of Witnesses.**—Except as otherwise provided in this rule, the scheduling of witnesses and determination of the time allowed for the presentation of testimony at hearings shall be at the discretion of the Chairman of the Committee or Subcommittee, unless a majority of the Committee or Subcommittee determines otherwise.

(d) **Written Statement; Oral Testimony.**—(1) Each witness who is to appear before the Committee or a Subcommittee, shall insofar as practicable file with the Majority Staff Director of the Committee, at least 2 working days before the day of his or her appearance, a written statement of proposed testimony. Witnesses shall provide sufficient copies of their statement for distribution to Committee or Subcommittee Members, staff, and the news media. Insofar as practicable, the Committee or Subcommittee staff shall distribute such written statements to all Members of the Committee or Subcommittee as soon as they are received as well as any official reports from departments and agencies on such subject matter. All witnesses may be limited in their oral presentations to brief summaries of their statements within the time allotted to them, at the discretion of the Chairman of the Committee or Subcommittee, in light of the nature of the testimony and the length of time available.

(2) As noted in paragraph (b) of Committee Rule VII, the Chairman of the Committee or any
Member designated by the Chairman, may administer an oath to any witness.

(3) To the greatest extent practicable, each witness appearing in a non-governmental capacity shall include with the written statement of proposed testimony:

(i) a curriculum vitae;

(ii) disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current calendar year or either of the 2 preceding calendar years by the witness or by an entity represented by the witness; and

(iii) disclosure of the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government received during the current calendar year or either of the 2 preceding calendar years by the witness or by an entity represented by the witness.

Such statements, with appropriate redactions to protect the privacy of witnesses, shall be made publicly available in electronic form not later than 1 day after the witness appears.

(e) Questioning of Witnesses.—Committee or Subcommittee Members may question witnesses only when they have been recognized by the Chairman of the Committee or Subcommittee for that purpose. Each Member so recognized shall be limited to questioning a witness for 5 minutes until such time as each Member of the Committee or Subcommittee who so desires has had an opportunity to question the witness for 5 minutes; and thereafter the Chairman of the Committee or Subcommittee may limit the time of a further round of questioning after giving due consideration to the importance of the subject matter and the length of time available. All questions put to witnesses shall be germane to the measure or matter under consideration. Unless a majority of the Committee or Subcommittee determines otherwise, no Committee or Subcommittee staff shall interrogate witnesses.

(f) Extended Questioning for Designated Members.—Notwithstanding paragraph (e), the Chairman and Ranking Minority Member may designate an equal number of Members from each party to question a witness for a period not longer than 60 minutes.

(g) Witnesses for the Minority.—When any hearing is conducted by the Committee or any Subcommittee upon any measure or matter, the minority party Members on the Committee or Subcommittee shall be entitled, upon request to the Chairman by a majority of those minority Members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least 1 day of hearing thereon as provided in clause 2(j)(1) of House Rule XI.

(h) Summary of Subject Matter.—Upon announcement of a hearing, to the extent practicable, the Committee shall make available immediately to all Members of the Committee a concise summary of the subject matter (including legislative reports and other material) under consideration. In addition, upon announcement of a hearing and subsequently as they are received, the Chairman of the Committee or Subcommittee shall, to the extent practicable, make available to the Members of the Committee any official reports from departments and agencies on such matter. (See Committee Rule XI(f).)

(i) Open Hearings.—Each hearing conducted by the Committee or Subcommittee shall be open to the public, including radio, television and still photography coverage, except as provided in clause 4 of House Rule XI (see also Committee Rule III(b).). In any event, no Member of the House may be excluded from nonparticipatory attendance at any hearing unless the House by majority vote shall authorize the Committee or Subcommittee, for purposes of a particular series of hearings on a particular bill or resolution or on a particular subject of investigation, to close its hearings to Members by means of the above procedure.
(j) **Hearings and Reports.**—(1)(i) The Chairman of the Committee or Subcommittee at a hearing shall announce in an opening statement the subject of the investigation. A copy of the Committee Rules (and the applicable provisions of clause 2 of House Rule XI, regarding hearing procedures, an excerpt of which appears in Appendix A thereto) shall be made available to each witness upon request. Witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights. The Chairman of the Committee or Subcommittee may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; but only the full Committee may cite the offender to the House for contempt.

(ii) Whenever it is asserted by a Member of the Committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness, such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (i) of this rule, if by a majority of those present, there being in attendance the requisite number required under the Rules of the Committee to be present for the purpose of taking testimony, the Committee or Subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person. The Committee or Subcommittee shall afford a person an opportunity voluntarily to appear as a witness; and the Committee or Subcommittee shall receive and shall dispose of requests from such person to subpoena additional witnesses.

(iii) No evidence or testimony taken in executive session may be released or used in public sessions without the consent of the Committee or Subcommittee. In the discretion of the Committee or Subcommittee, witnesses may submit brief and pertinent statements in writing for inclusion in the record. The Committee or Subcommittee is the sole judge of the pertinency of testimony and evidence adduced at its hearings. A witness may obtain a transcript copy of his or her testimony given at a public session or, if given at an executive session, when authorized by the Committee or Subcommittee. (See paragraph (c) of Committee Rule V.)

(2) A proposed investigative or oversight report shall be considered as read if it has been available to the Members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day) in advance of their consideration.

**RULE IX.**—**THE REPORTING OF BILLS AND RESOLUTIONS**

(a) **Filing of Reports.**—The Chairman shall report or cause to be reported promptly to the House any bill, resolution, or other measure approved by the Committee and shall take or cause to be taken all necessary steps to bring such bill, resolution, or other measure to a vote. No bill, resolution, or measure shall be reported from the Committee unless a majority of Committee is actually present. A Committee report on any bill, resolution, or other measure approved by the Committee shall be filed within 7 calendar days (not counting days on which the House is not in session) after the day on which there has been filed with the Majority Staff Director of the Committee a written request, signed by a majority of the Committee, for the reporting of that bill or resolution. The Majority Staff Director of the Committee shall notify the Chairman immediately when such a request is filed.

(b) **Content of Reports.**—Each Committee report on any bill or resolution approved by the Committee shall include as separately identified sections:

(1) a statement of the intent or purpose of the bill or resolution;
(2) a statement describing the need for such bill or resolution;

(3) a statement of Committee and Subcommittee consideration of the measure including a summary of amendments and motions offered and the actions taken thereon;

(4) the results of the each record vote on any amendment in the Committee and Subcommittee and on the motion to report the measure or matter, including the names of those Members and the total voting for and the names of those Members and the total voting against such amendment or motion (See clause 3(b) of House Rule XIII);

(5) the oversight findings and recommendations of the Committee with respect to the subject matter of the bill or resolution as required pursuant to clause 3(c)(1) of House Rule XIII and clause 2(b)(1) of House Rule X;

(6) the detailed statement described in House Rule XIII clause 3(c)(2) and section 308(a) of the Congressional Budget Act of 1974 if the bill or resolution provides new budget authority (other than continuing appropriations), new spending authority described in section 401(c)(2) of such Act, new credit authority, or an increase or decrease in revenues or tax expenditures, except that the estimates with respect to new budget authority shall include, when practicable, a comparison of the total estimated funding level for the relevant program (or programs) to the appropriate levels under current law;

(7) the estimate of costs and comparison of such estimates, if any, prepared by the Director of the Congressional Budget Office in connection with such bill or resolution pursuant to section 402 of the Congressional Budget Act of 1974 if submitted in timely fashion to the Committee;

(8) a statement of general performance goals and objectives, including outcome-related goals and objectives, for which the measure authorizes funding;

(9) an estimate by the Committee of the costs that would be incurred in carrying out such bill or joint resolution in the fiscal year in which it is reported and for its authorized duration or for each of the 5 fiscal years following the fiscal year of reporting, whichever period is less (see House Rule XIII, clause 3(d)(2), (3) and (h)(2), (3)), together with—(i) a comparison of these estimates with those made and submitted to the Committee by any Government agency when practicable, and (ii) a comparison of the total estimated funding level for the relevant program (or programs) with appropriate levels under current law (The provisions of this clause do not apply if a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 403 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and included in the report);

(10) a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the bill or in the report (and the name of any Member, Delegate, or Resident Commissioner who submitted a request to the Committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits;

(11) the changes in existing law (if any) shown in accordance with clause 3 of House Rule XIII;

(12) the determination required pursuant to section 5(b) of Public Law 92–463, if the legislation reported establishes or authorizes the establishment of an advisory committee;

(13) the information on Federal and intergovernmental mandates required by section 423(c) and (d) of the Congressional Budget Act of 1974, as added by the Unfunded Mandates Reform Act of 1995 (P.L. 104–4);

(14) a statement regarding the applicability of section 102(b)(3) of the Congressional
Accountability Act, Public Law 104-1;

(15) a statement indicating whether any provision of the measure establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program. The Statement shall at a minimum explain whether—

(A) any such program was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139; or
(B) the most recent catalog of Federal Domestic Assistance, published pursuant to the Federal Program Information Act (Public Law 95-220, as amended by Public Law 98-169), identified other programs related to the program established or reauthorized by the measure; and

(16) a statement estimating the number of directed rule makings required by the measure.

(c)

When time guaranteed by this paragraph has expired (or if sooner, when all separate views have been received), the Committee may arrange to file its report with the Clerk of the House not later than 1 hour after the expiration of such time. All such views (in accordance with House Rule XI, clause 2(l) and House Rule XIII, clause 3(a)(1)), as filed by one or more Members of the Committee, shall be included within and made a part of the report filed by the Committee with respect to that bill or resolution.

In developing such plans the Committee shall, to the maximum extent feasible—

1. consult with other committees of the House that have jurisdiction over the same or related laws, programs, or agencies within its jurisdiction, with the objective of ensuring that such laws, programs, or agencies are reviewed in the same Congress and that there is a maximum of coordination between such committees in the conduct of such reviews; and such plans shall include an explanation of what steps have been and will be taken to ensure such coordination and cooperation;

2. review specific problems with Federal rules, regulations, statutes, and court decisions that are ambiguous, arbitrary, or nonsensical, or that impose severe financial burdens on individuals;

3. give priority consideration to including in its plans the review of those laws, programs, or agencies operating under permanent budget authority or permanent statutory authority;

4. have a view toward ensuring that all significant laws, programs, or agencies within its jurisdiction are subject to review at least once every 10 years; and

The Committee and its appropriate subcommittees shall review and study, on a continuing
basis, the impact or probable impact of tax policies affecting subjects within its jurisdiction as provided in clause 2(d) of House Rule X. The Committee shall include in the report filed pursuant to clause 1(d) of House Rule XI a summary of the oversight plans submitted by the Committee under clause 2(d) of House Rule X, a summary of actions taken and recommendations made with respect to each such plan, and a summary of any additional oversight activities undertaken by the Committee and any recommendations made or actions taken thereon.

(b) **Annual Appropriations.**—The Committee shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, ensure that appropriations for continuing programs and activities of the Federal government and the District of Columbia government will be made annually to the maximum extent feasible and consistent with the nature, requirements, and objectives of the programs and activities involved. The Committee shall review, from time to time, each continuing program within its jurisdiction for which appropriations are not made annually in order to ascertain whether such program could be modified so that appropriations therefor would be made annually.

(c) **Budget Act Compliance: Views and Estimates** (See Appendix B).—Not later than 6 weeks after the President submits his budget under section 1105(a) of title 31, United State Code, or at such time as the Committee on the Budget may request, the Committee shall, submit to the Committee on the Budget (1) its views and estimates with respect to all matters to be set forth in the concurrent resolution on the budget for the ensuing fiscal year (under section 301 of the Congressional Budget Act of 1974—see Appendix B) that are within its jurisdiction or functions; and (2) an estimate of the total amounts of new budget authority, and budget outlays resulting therefrom, to be provided or authorized in all bills and resolutions within its jurisdiction that it intends to be effective during that fiscal year.

(d) **Budget Act Compliance: Recommended Changes.**—Whenever the Committee is directed in a concurrent resolution on the budget to determine and recommend changes in laws, bills, or resolutions under the reconciliation process, it shall promptly make such determination and recommendations, and report a reconciliation bill or resolution (or both) to the House or submit such recommendations to the Committee on the Budget, in accordance with the Congressional Budget Act of 1974 (See Appendix B).

(e) **Conference Committees.**—Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman shall, after consultation with the Ranking Minority Member, determine the number of conferees the Chairman deems most suitable and then recommend to the Speaker as conferees, in keeping with the number to be appointed by the Speaker as provided in House Rule I, clause 11, the names of those Members of the Committee of not less than a majority who generally supported the House position and who were primarily responsible for the legislation. The Chairman shall, to the fullest extent feasible, include those Members of the Committee who were the principal proponents of the major provisions of the bill as it passed the House and such other Committee Members of the majority party as the Chairman may designate in consultation with the Members of the majority party. Such recommendations shall provide a ratio of majority party Members to minority party Members no less favorable to the majority party than the ratio of majority party Members to minority party Members on the Committee. In making recommendations of Minority Party Members as conferees, the Chairman shall consult with the Ranking Minority Member of the Committee.

(f) **Hearing on Waste, Fraud, and Abuse.**—(1) The Committee, or a Subcommittee, shall hold at least one hearing during each 120-day period following the establishment of the Committee
on the topic of waste, fraud, abuse, or mismanagement in Government programs which the Committee may authorize.

(i) Activities Report.—(1) Not later than January 2 of each odd-numbered year, the Committee shall submit to the House a report on the activities of the Committee. After adjournment sine die of the last regular session of a Congress, or after December 15 of an even-numbered year, whichever occurs first, the Chair may file the report, a copy of which shall be made available to each Member of the Committee for at least 7 calendar days, with the Clerk of the House at any time.

(2) Such report shall include separate sections summarizing the legislative and oversight activities of the Committee during that Congress.

(3) The oversight section of such report shall include a summary of the oversight plans submitted by the Committee pursuant to clause 2(d) of House Rule X, a summary of the actions taken and recommendations made with respect to each such plan, and a summary of any additional oversight activities undertaken by the Committee, and any recommendations made or actions taken with respect thereto.

Subcommittee Chairmen and relevant Committee and Subcommittee Ranking Minority
Members in an effort to avoid simultaneously scheduling Committee and Subcommittee
meetings or hearings to the extent practicable.
(3) Notice of all Subcommittee meetings shall be provided to the Chairman and the Ranking
Minority Member of the Committee by the Majority Staff Director.

After consultation with the Ranking Minority Member, the Chairman shall include an amount budgeted to minority Members for staff under their direction and supervision. Thereafter, the Chairman shall combine such proposals into a consolidated Committee budget, and shall take whatever action is necessary to have such budget duly authorized by the House.

The professional and clerical staff assigned to the minority shall be under the general supervision and direction of the Ranking Minority Member of the Committee who may delegate such authority as he or she determines appropriate.

(3) From the funds made available for the appointment of Committee staff pursuant to any primary or additional expense resolution, the Chairman shall ensure that each Subcommittee is adequately funded and staffed to discharge its responsibilities and that the minority party is fairly treated in the appointment of such staff (See House Rule X, clause 6(d)).

(c) **Committee Travel.**—(1) Consistent with the primary expense resolution and such additional expense resolution as may have been approved, the provisions of this rule shall govern official travel of Committee Members and Committee staff regarding domestic and foreign travel (See House Rule XI, clause 2(n) and House Rule X, clause 8 (reprinted in Appendix A)). Official travel for any Member or any Committee staff member shall be paid only upon the prior authorization of the Chairman. Official travel may be authorized by the Chairman for any Committee Member and any Committee staff member in connection with the attendance of hearings conducted by the Committee and its subcommittees and meetings, conferences, facility inspections, and investigations which involve activities or subject matter
relevant to the general jurisdiction of the Committee. Before such authorization is given there shall be submitted to the Chairman in writing the following:

(i) The purpose of the official travel;
(ii) The dates during which the official travel is to be made and the date or dates of the event for which the official travel is being made;
(iii) The location of the event for which the official travel is to be made; and

All such individual reports shall be filed by the Chairman with the Committee on House Administration and shall be open to public inspection.

RULE XIII.—AMENDMENT OF RULES
These Rules may be amended by a majority vote of the Committee. A proposed change in these Rules shall not be considered by the Committee as provided in clause 2 of House Rule XI, unless written notice of the proposed change has been provided to each Committee Member 2 legislative days in advance of the date on which the matter is to be considered. RESOLVED, That the rules and practices of the Committee on Appropriations, House of Representatives, in the One Hundred Thirteenth Congress, except as otherwise provided hereinafter, shall be and are hereby adopted as the rules and practices of the Committee on Appropriations in the One Hundred Fourteenth Congress.

The foregoing resolution adopts the following rules:

Sec. 1: Power to Sit and Act

(a) For the purpose of carrying out any of its functions and duties under Rules X and XI of the Rules of the House of Representatives, the Committee and each of its subcommittees is authorized:

(1) To sit and act at such times and places within the United States whether the House is in session, has recessed, or has adjourned, and to hold such hearings as it deems necessary; and

(2) To require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, reports, correspondence, memorandums, papers, and documents as it deems necessary.

(b) The Chairman, or any Member designated by the Chairman, may administer oaths to any witness.

(c) A subpoena may be authorized and issued by the Committee or its subcommittees under subsection (a)(2) in the conduct of any investigation or activity or series of investigations or activities, only when authorized by a majority of the Members of the Committee voting, a majority being present. The power to authorize and issue subpoenas under subsection (a)(2) may be delegated to the Chairman pursuant to such rules and under such limitations as the Committee may prescribe. Authorized subpoenas shall be signed by the Chairman or by any Member designated by the Committee.

(d) Compliance with any subpoena issued by the Committee or its subcommittees may be enforced only as authorized or directed by the House.

Sec. 2: Subcommittees

(a) The Majority Caucus of the Committee shall establish the number of subcommittees and shall determine the jurisdiction of each subcommittee.

(b) Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the Committee all matters referred to it.
(c) All legislation and other matters referred to the Committee shall be referred to the subcommittee of appropriate jurisdiction within two weeks unless, by majority vote of the Majority Members of the full Committee, consideration is to be by the full Committee.

(d) The Majority Caucus of the Committee shall determine an appropriate ratio of Majority to Minority Members for each subcommittee. The Chairman is authorized to negotiate that ratio with the Minority; Provided, however, That party representation in each subcommittee, including ex-officio members, shall be no less favorable to the Majority than the ratio for the full Committee.

(e) The Chairman and Ranking Minority Member of the full Committee are each authorized to sit as a member of all subcommittees and to participate, including voting, in all of the work of the subcommittees.

Sec. 3: Staffing

(a) Committee Staff—The Chairman is authorized to appoint the staff of the Committee, and make adjustments in the job titles and compensation thereof subject to the maximum rates and conditions established in Clause 9(c) of Rule X of the Rules of the House of Representatives. In addition, he is authorized, in his discretion, to arrange for their specialized training. The Chairman is also authorized to employ additional personnel as necessary.

(b) Assistants to Members:

(1) Each Chairman and Ranking Minority Member of a Subcommittee or the Full Committee, including a Chairman Emeritus, may select and designate one staff member who shall serve at the pleasure of that Member.

(2) Notwithstanding (b)(1), the Chairman may prescribe such terms and conditions necessary to achieve a reduction in the number of Assistants to Members previously designated by a Member of the Committee prior to the adoption of the Rules of the House establishing the Committee for the 112th Congress.

(3) Staff members designated under this subsection shall be compensated at a rate, determined by the Member, not to exceed 75 per centum of the maximum established in Clause 9 (c) of Rule X of the Rules of the House of Representatives.

(4) Members designating staff members under this subsection must specifically certify by letter to the Chairman that the employees are needed and will be utilized for Committee work.

Sec. 4: Committee Meetings
(a) Regular Meeting Day—The regular meeting day of the Committee shall be the first Wednesday of each month while the House is in session if notice is given pursuant to paragraph (d)(3).

(b) Additional and Special Meetings:

(1) The Chairman may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to that call of the Chairman.

(2) If at least three Committee Members desire that a special meeting of the Committee be called by the Chairman, those Members may file in the Committee Offices a written request to the Chairman for that special meeting. Such request shall specify the measure or matter to be considered. Upon the filing of the request, the Committee Clerk shall notify the Chairman.

(3) If within three calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within seven calendar days after the filing of the request, a majority of the Committee Members may file in the Committee Offices their written notice that a special meeting will be held, specifying the date and hour of such meeting, and the measure or matter to be considered. The Committee shall meet on that date and hour.

(4) Immediately upon the filing of the notice, the Committee Clerk shall notify all Committee Members that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered. Such notice shall also be made publicly available in electronic form and shall be deemed to satisfy paragraph (d)(3). Only the measure or matter specified in that notice may be considered at the special meeting.

(c) Vice Chairman To Preside in Absence of Chairman—A member of the majority party on the Committee or subcommittee thereof designated by the Chairman of the full Committee shall be vice chairman of the Committee or subcommittee, as the case may be, and shall preside at any meeting during the temporary absence of the chairman. If the chairman and vice chairman of the Committee or subcommittee are not present at any meeting of the Committee or subcommittee, the ranking member of the majority party who is present shall preside at that meeting.

(d) Business Meetings:

(1) Each meeting for the transaction of business, including the markup of legislation, of the Committee and its subcommittees shall be open to the public except when the Committee or the subcommittee concerned, in open session and with a majority present, determines by roll call vote that all or part of the remainder of the meeting on that day shall be closed.
(2) No person other than Committee Members and such congressional staff and departmental representatives as they may authorize shall be present at any business or markup session which has been closed.

(3) The Chairman shall announce the date, place, and subject matter of each committee meeting for the transaction of business, which may not commence earlier than the third day on which members have notice thereof, unless the Chairman, with the concurrence of the Ranking Minority Member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the meeting sooner, in which case the Chairman shall make the announcement at the earliest possible date. An announcement shall be published promptly in the Daily Digest and made publicly available in electronic form.

(4) At least 24 hours prior to the commencement of a meeting for the markup of a bill or resolution, or at the time an announcement is made pursuant to the preceding subparagraph within 24 hours before such meeting, the Chairman shall cause the text of such bill or resolution to be made publicly available in electronic form.

(e) Committee Records:

(1) The Committee shall keep a complete record of all Committee action, including a record of the votes on any question on which a roll call is taken. The result of each roll call vote shall be available for inspection by the public during regular business hours in the Committee Offices and also made available in electronic form within 48 hours of such record vote. The information made available for public inspection shall include a description of the amendment, motion, or other proposition, and the name of each Member voting for and each Member voting against, and the names of those Members present but not voting.

(2) Committee records (including hearings, data, charts, and files) shall be kept separate and distinct from the congressional office records of the Chairman of the Committee. Such records shall be the property of the House, and all Members of the House shall have access thereto.

(3) The records of the Committee at the National Archives and Records Administration shall be made available in accordance with Rule VII of the Rules of the House, except that the Committee authorizes use of any record to which Clause 3 (b)(4) of Rule VII of the Rules of the House would otherwise apply after such record has been in existence for 20 years. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to Clause 3 (b)(3) or Clause 4 (b) of Rule VII of the Rules of the House, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination upon the written request of any Member of the Committee.

(f) Availability of Amendments Adopted—Not later than 24 hours after the adoption of an amendment to a bill or resolution, the Chairman shall cause the text of any amendment adopted thereto to be made publicly available in electronic form.
Sec. 5: Committee and Subcommittee Hearings

(a) **Overall Budget Hearings**—Overall budget hearings by the Committee, including the hearing required by Section 242 (c) of the Legislative Reorganization Act of 1970 and Clause 4 (a)(1) of Rule X of the Rules of the House of Representatives, shall be conducted in open session except when the Committee in open session and with a majority present, determines by roll call vote that the testimony to be taken at that hearing on that day may be related to a matter of national security; except that the Committee may by the same procedure close one subsequent day of hearing. A transcript of all such hearings shall be printed and a copy furnished to each Member, Delegate, and the Resident Commissioner from Puerto Rico.

(b) **Other Hearings:**

(1) All other hearings conducted by the Committee or its subcommittees shall be open to the public except when the Committee or subcommittee in open session and with a majority present determines by roll call vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security or would violate any law or Rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, a majority of those present at a hearing conducted by the Committee or any of its subcommittees, there being in attendance the number required under Section 5 (c) of these Rules to be present for the purpose of taking testimony, (1) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security or violate Clause 2 (k)(5) of Rule XI of the Rules of the House of Representatives or (2) may vote to close the hearing, as provided in Clause 2 (k)(5) of such Rule. No Member of the House of Representatives may be excluded from nonparticipatory attendance at any hearing of the Committee or its subcommittees unless the House of Representatives shall by majority vote authorize the Committee or any of its subcommittees, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public; Provided, however, That the Committee or its subcommittees may by the same procedure vote to close five subsequent days of hearings.

(2) Subcommittee chairmen shall coordinate the development of schedules for meetings or hearings after consultation with the Chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings.

(3) Each witness who is to appear before the Committee or any of its subcommittees as the case may be, insofar as is practicable, shall file in advance of such appearance, a written statement of the proposed testimony and shall limit the oral presentation at
such appearance to a brief summary, except that this provision shall not apply to any witness appearing before the Committee in the overall budget hearings.

(4) Each witness appearing in a nongovernmental capacity before the Committee, or any of its subcommittees as the case may be, shall to the greatest extent practicable, submit a written statement including a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof), or contracts or payments originating from a foreign government, received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness and related to the subject matter of the hearing. Such statements, with appropriate redactions to protect the privacy of witnesses, shall be made publicly available in electronic form not later than one day after the witness appears. The disclosure referred to in this paragraph shall include the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to he subject matter of the hearing, and the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government.

(c) Quorum for Taking Testimony—The number of Members of the Committee which shall constitute a quorum for taking testimony and receiving evidence in any hearing of the Committee shall be two.

(d) Calling and Interrogation of Witnesses:

(1) The Minority Members of the Committee or its subcommittees shall be entitled, upon request to the Chairman or subcommittee chairman, by a majority of them before completion of any hearing, to call witnesses selected by the Minority to testify with respect to the matter under consideration during at least one day of hearings thereon.

(2) The Committee and its subcommittees shall observe the five-minute rule during the interrogation of witnesses until such time as each Member of the Committee or subcommittee who so desires has had an opportunity to question the witness.

(e) Broadcasting and Photographing of Committee Meetings and Hearings—Whenever a hearing or meeting conducted by the full Committee or any of its subcommittees is open to the public, those proceedings shall be open to coverage by television, radio, and still photography, and shall be conducted in accordance with the requirements set forth in Clause (4)(f) of Rule XI of the Rules of the House of Representatives. Neither the full Committee Chairman or subcommittee chairman shall limit the number of television or still cameras to fewer than two representatives from each medium (except for legitimate space or safety, in which case pool coverage shall be authorized). To the maximum practicable, the Committee shall provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings and shall
maintain the recordings of such coverage in a manner that is easily accessible to the public.

(f) **Subcommittee Meetings**—No subcommittee shall sit while the House is reading an appropriation measure for amendment under the five-minute rule or while the Committee is in session.

(g) **Public Notice of Committee Hearings**—The Chairman of the Committee shall make public announcement of the date, place, and subject matter of any Committee or subcommittee hearing at least one week before the commencement of the hearing. If the Chairman of the Committee or subcommittee, with the concurrence of the ranking minority member of the Committee or respective subcommittee, determines there is good cause to begin the hearing sooner, or if the Committee or subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairman or subcommittee chairman shall make the announcement at the earliest possible date. Any announcement made under this subsection shall be promptly published in the Daily Digest and made publicly available in electronic form.

**Sec. 6: Procedures for Reporting Bills and Resolutions**

(2) In any event, a report on a bill or resolution which the Committee has approved shall be filed within seven calendar days (exclusive of days in which the House is not in session) after the day on which there has been filed with the Committee Clerk a written request, signed by a majority of Committee Members, for the reporting of such bill or resolution. Upon the filing of any such request, the Committee Clerk shall notify the Chairman immediately of the filing of the request. This subsection does not apply to the reporting of a regular appropriation bill or to the reporting of a resolution of inquiry addressed to the head of an executive department.

(c) **Roll Call Votes**—With respect to each roll call vote on a motion to report any measure or matter of a public character, and on any amendment offered to the measure of matter, the total number of votes cast for and against, and the names of those Members voting for and against, shall be included in the Committee report on the measure or matter.

(d) **Compliance With Congressional Budget Act**—A Committee report on a bill or resolution which has been approved by the Committee shall include the statement

(f) Rescissions and Transfers—Each bill or resolution reported by the Committee shall include separate headings for rescissions and transfers of unexpended balances with all proposed rescissions and transfers listed therein. The report of the Committee accompanying such a bill or resolution shall include a separate section with respect to such rescissions or transfers.

(g) Listing of Unauthorized Appropriations—Each Committee report on a general appropriation bill shall contain a list of all appropriations contained in the bill for any expenditure not currently authorized by law for the period concerned (except for classified intelligence or national security programs, projects, or activities) along with a statement of the last year for which such expenditures were authorized, the level of expenditures authorized for that year, the actual level of expenditures for that year, and the level of appropriations in the bill for such expenditures.

(h) Supplemental or Minority Views:

(1) If, at the time the Committee approves any measure or matter, any Committee Member gives notice of intention to file supplemental, minority, additional, or dissenting views, all Members shall be entitled to not less than two additional calendar days after the day of such notice (excluding Saturdays, Sundays, and legal holidays) in which to file such views in writing and signed by the Member, with the Clerk of the Committee. All such views so filed shall be included in and shall be a part of the report filed by the Committee with respect to that measure or matter.

   (ii) shall have on its cover a recital that any such supplemental, minority, additional, or dissenting views are included as part of the report.

(3) This subsection does not preclude—

   (i) the immediate filing or printing of a Committee report unless timely request for the opportunity to file supplemental, minority, additional, or dissenting views has been made as provided by such subsection; or
(ii) the filing by the Committee of a supplemental report on a measure or matter which may be required for correction of any technical error in a previous report made by the Committee on that measure or matter.

(4) If, at the time a subcommittee approves any measure or matter for recommendation to the full Committee, any Member of that subcommittee who gives notice of intention to offer supplemental, minority, additional, or dissenting views shall be entitled, insofar as is practicable and in accordance with the printing requirements as determined by the subcommittee, to include such views in the Committee Print with respect to that measure or matter.

(i) Availability of Reports—A copy of each bill, resolution, or report shall be made available to each Member of the Committee at least three calendar days (excluding Saturdays, Sundays, and legal holidays) in advance of the date on which the Committee is to consider each bill, resolution, or report; Provided, That this subsection may be waived by agreement between the Chairman and the Ranking Minority Member of the full Committee.

(As adopted January 14, 2015)
RULE 1. GENERAL PROVISIONS

(a) The Rules of the House of Representatives are the rules of the Committee on Armed Services (hereinafter referred to in these rules as the "Committee") and its subcommittees so far as applicable.

(b) Pursuant to clause 2(a)(2) of rule XI of the Rules of the House of Representatives, the Committee's rules shall be publicly available in electronic form and published in the Congressional Record not later than 30 days after the chair of the committee is elected in each odd-numbered year.

RULE 2. FULL COMMITTEE MEETING DATE

(a) The Committee shall meet every Wednesday at 10:00 a.m., when the House of Representatives is in session, and at such other times as may be fixed by the Chairman of the Committee (hereinafter referred to as the "Chairman"), or by written request of members of the Committee pursuant to clause 2(c) of rule XI of the Rules of the House of Representatives.

(b) A Wednesday meeting of the Committee may be dispensed with by the Chairman, but such action may be reversed by a written request of a majority of the members of the Committee.

RULE 3. SUBCOMMITTEE MEETING DATES

Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the Committee on all matters referred to it. Insofar as possible, meetings of the Committee and its subcommittees shall not conflict. A subcommittee Chairman shall set meeting dates after consultation with the Chairman, other subcommittee Chairmen, and the Ranking Minority Member of the subcommittee with a view toward avoiding, whenever possible, simultaneous scheduling of Committee and subcommittee meetings or hearings.

RULE 4. JURISDICTION AND MEMBERSHIP OF COMMITTEE AND SUBCOMMITTEES

(a) Jurisdiction

(1) The Committee retains jurisdiction of all subjects listed in clause 1(c) and clause 3(b) of rule X of the Rules of the House of Representatives and retains exclusive jurisdiction for: defense policy generally, ongoing military operations, the organization and reform of the Department of Defense and Department of Energy, counter-drug programs, security and humanitarian assistance (except special operations-related activities) of the Department of Defense, acquisition and industrial base policy, technology transfer and export controls, joint interoperability, detainee affairs and policy, force protection policy and inter-agency reform as it pertains to the Department of Defense and the nuclear weapons programs of the Department of Energy. In addition the committee will be responsible for intelligence policy (including coordination of military intelligence programs), national intelligence programs, and Department
of Defense elements that are part of the Intelligence Community. While subcommittees are provided jurisdictional responsibilities in subparagraph (2), the Committee retains the right to exercise oversight and legislative jurisdiction over all subjects within its purview under rule X of the Rules of the House of Representatives.

(2) The Committee shall be organized to consist of seven standing subcommittees with the following jurisdictions:

Subcommittee on Tactical Air and Land Forces: All Army, Air Force and Marine Corps acquisition programs (except Marine Corps amphibious assault vehicle programs, strategic missiles, space, lift programs, special operations, science and technology programs, and information technology accounts) and the associated weapons systems sustainment. In addition, the subcommittee will be responsible for Navy and Marine Corps aviation programs and the associated weapons systems sustainment, National Guard and Army, Air Force and Marine Corps Reserve modernization, and ammunition programs.

Subcommittee on Military Personnel: Military personnel policy, Reserve Component integration and employment issues, military health care, military education, and POW/MIA issues. In addition, the subcommittee will be responsible for Morale, Welfare and Recreation issues and programs.

Subcommittee on Readiness: Military readiness, training, logistics and maintenance issues and programs. In addition, the subcommittee will be responsible for all military construction, depot policy, civilian personnel policy, environmental policy, installations and family housing issues, including the base closure process, and energy policy and programs of the Department of Defense.

Subcommittee on Seapower and Projection Forces: Navy acquisition programs, Naval Reserve equipment, and Marine Corps amphibious assault vehicle programs (except strategic weapons, space, special operations, science and technology programs, and information technology programs), deep strike bombers and related systems, lift programs, seaborne unmanned aerial systems and the associated weapons systems sustainment. In addition, the subcommittee will be responsible for Maritime programs under the jurisdiction of the Committee as delineated in paragraphs 5 and 9 of clause 1(c) of rule X of the Rules of the House of Representatives.

Subcommittee on Strategic Forces: Strategic weapons (except deep strike bombers and related systems), space programs (including national intelligence space programs), ballistic missile defense, the associated weapons systems sustainment, the Cooperative Threat Reduction program, and Department of Energy national security programs.

Subcommittee on Emerging Threats and Capabilities: Defense-wide and joint enabling activities and programs to include: Special Operations Forces; counter-proliferation and counter-terrorism programs and initiatives; science and technology policy and programs; information technology programs; homeland defense and Department of Defense related consequence management programs; related intelligence support; and other enabling
programs and activities to include cyber operations, strategic communications, and information operations.

Subcommittee on Oversight and Investigations: Any matter within the jurisdiction of the Committee, subject to the concurrence of the Chairman of the Committee and, as appropriate, affected subcommittee chairmen. The subcommittee shall have no legislative jurisdiction.

(b) Membership of the Subcommittees

(1) Subcommittee memberships, with the exception of membership on the Subcommittee on Oversight and Investigations, shall be filled in accordance with the rules of the Majority party's conference and the Minority party's caucus, respectively.

(2) The Chairman and Ranking Minority Member of the Subcommittee on Oversight and Investigations shall be filled in accordance with the rules of the Majority party's conference and the Minority party's caucus, respectively. Consistent with the party ratios established by the Majority party, all other Majority members of the subcommittee shall be appointed by the Chairman of the Committee, and all other Minority members shall be appointed by the Ranking Minority Member of the Committee.

(3) The Chairman of the Committee and Ranking Minority Member thereof may sit as ex officio members of all subcommittees. Ex officio members shall not vote in subcommittee hearings or meetings or be taken into consideration for the purpose of determining the ratio of the subcommittees or establishing a quorum at subcommittee hearings or meetings.

(4) A member of the Committee who is not a member of a particular subcommittee may sit with the subcommittee and participate during any of its hearings but shall not have authority to vote, cannot be counted for the purpose of achieving a quorum, and cannot raise a point of order at the hearing.

RULE 5. COMMITTEE PANELS AND TASK FORCES

(a) Committee Panels

(1) The Chairman may designate a panel of the Committee consisting of members of the Committee to inquire into and take testimony on a matter or matters that fall within the jurisdiction of more than one subcommittee and to report to the Committee.

(2) No panel appointed by the Chairman shall continue in existence for more than six months after the appointment. A panel so appointed may, upon the expiration of six months, be reappointed by the Chairman for a period of time which is not to exceed six months.

(3) Consistent with the party ratios established by the Majority party, all Majority members of the panels shall be appointed by the Chairman of the Committee, and all Minority members shall be appointed by the Ranking Minority Member of the Committee.
The Chairman of the Committee shall choose one of the Majority members so appointed who does not currently chair another subcommittee of the Committee to serve as Chairman of the panel. The Ranking Minority Member of the Committee shall similarly choose the Ranking Minority Member of the panel.

(4) No panel shall have legislative jurisdiction.

(b) Committee and Subcommittee Task Forces

(1) The Chairman of the Committee, or a Chairman of a subcommittee with the concurrence of the Chairman of the Committee, may designate a task force to inquire into and take testimony on a matter that falls within the jurisdiction of the Committee or subcommittee, respectively. The Chairman and Ranking Minority Member of the Committee or subcommittee shall each appoint an equal number of members to the task force. The Chairman of the Committee or subcommittee shall choose one of the members so appointed, who does not currently chair another subcommittee of the Committee, to serve as Chairman of the task force. The Ranking Minority Member of the Committee or subcommittee shall similarly appoint the Ranking Minority Member of the task force.

(2) No task force appointed by the Chairman of the Committee or subcommittee shall continue in existence for more than three months. A task force may only be reappointed for an additional three months with the written concurrence of the Chairman and Ranking Minority Member of the Committee or subcommittee whose Chairman appointed the task force.

(3) No task force shall have legislative jurisdiction.

RULE 6.REFERENCE AND CONSIDERATION OF LEGISLATION

(a) The Chairman shall refer legislation and other matters to the appropriate subcommittee or to the full Committee.

(b) Legislation shall be taken up for a hearing or markup only when called by the Chairman of the Committee or subcommittee, as appropriate, or by a majority of the Committee or subcommittee, as appropriate.

(c) The Chairman, with approval of a majority vote of a quorum of the Committee, shall have authority to discharge a subcommittee from consideration of any measure or matter referred thereto and have such measure or matter considered by the Committee.

(d) Reports and recommendations of a subcommittee may not be considered by the Committee until after the intervention of three calendar days from the time the report is approved by the subcommittee and available to the members of the Committee, except that this rule may be waived by a majority vote of a quorum of the Committee.

(e) The Chairman, in consultation with the Ranking Minority Member, shall establish criteria for recommending legislation and other matters to be considered by the House of
Representatives, pursuant to clause 1 of rule XV of the Rules of the House of Representatives. Such criteria shall not conflict with the Rules of the House of Representatives and other applicable rules.

RULE 7. PUBLIC ANNOUNCEMENT OF HEARINGS AND MEETINGS

(a) Pursuant to clause 2(g)(3) of rule XI of the Rules of the House of Representatives, the Chairman of the Committee, or of any subcommittee, panel, or task force, shall make a public announcement of the date, place, and subject matter of any hearing or meeting before that body at least one week before the commencement of a hearing and at least three days before the commencement of a meeting. However, if the Chairman of the Committee, or of any subcommittee, panel, or task force, with the concurrence of the respective Ranking Minority Member, determines that there is good cause to begin the hearing or meeting sooner, or if the Committee, subcommittee, panel, or task force so determines by majority vote, a quorum being present for the transaction of business, such chairman shall make the announcement at the earliest possible date. Any announcement made under this rule shall be promptly published in the Daily Digest, promptly entered into the committee scheduling service of the House Information Resources, and promptly made publicly available in electronic form.

(b) At least 24 hours prior to the commencement of a meeting for the markup of legislation, or at the time of an announcement under paragraph (a) made within 24 hours before such meeting, the Chairman of the Committee, or of any subcommittee, panel, or task force shall cause the text of such measure or matter to be made publicly available in electronic form as provided in clause 2(g)(4) of rule XI of the Rules of the House of Representatives.

RULE 8. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

(a) Pursuant to clause 2(e)(5) of rule XI of the Rules of the House of Representatives, the Committee shall, to the maximum extent practicable, provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings. The Committee shall maintain the recordings of such coverage in a manner that is easily accessible to the public.

(b) Clause 4 of rule XI of the Rules of the House of Representatives shall apply to the Committee.

RULE 9. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

(a) Each hearing and meeting for the transaction of business, including the markup of legislation, conducted by the Committee, or any subcommittee, panel, or task force, to the extent that the respective body is authorized to conduct markups, shall be open to the public except when the Committee, subcommittee, panel, or task force in open session and with a majority being present, determines by record vote that all or part of the remainder of that hearing or meeting on that day shall be in executive session because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or would violate any law or rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, a majority of
those present, there being in attendance no fewer than two members of the Committee, subcommittee, panel, or task force may vote to close a hearing or meeting for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or would violate any law or rule of the House of Representatives. If the decision is to proceed in executive session, the vote must be by record vote and in open session, a majority of the Committee, subcommittee, panel, or task force being present.

(b) Whenever it is asserted by a member of the Committee or subcommittee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness, notwithstanding the requirements of (a) and the provisions of clause 2(g)(2) of rule XI of the Rules of the House of Representatives, such evidence or testimony shall be presented in executive session, if by a majority vote of those present, there being in attendance no fewer than two members of the Committee or subcommittee, the Committee or subcommittee determines that such evidence may tend to defame, degrade, or incriminate any person. A majority of those present, there being in attendance no fewer than two members of the Committee or subcommittee may also vote to close the hearing or meeting for the sole purpose of discussing whether evidence or testimony to be received would tend to defame, degrade, or incriminate any person. The Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee or subcommittee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(c) Notwithstanding the foregoing, and with the approval of the Chairman, each member of the Committee may designate by letter to the Chairman, one member of that member’s personal staff, and an alternate, which may include fellows, with Top Secret security clearance to attend hearings of the Committee, or that member’s subcommittee(s), panel(s), or task force(s) (excluding briefings or meetings held under the provisions of committee rule 9(a)), which have been closed under the provisions of rule 9(a) above for national security purposes for the taking of testimony. The attendance of such a staff member or fellow at such hearings is subject to the approval of the Committee, subcommittee, panel, or task force as dictated by national security requirements at that time. The attainment of any required security clearances is the responsibility of individual members of the Committee.

(d) Pursuant to clause 2(g)(2) of rule XI of the Rules of the House of Representatives, no Member, Delegate, or Resident Commissioner may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee, unless the House of Representatives shall by majority vote authorize the Committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures designated in this rule for closing hearings to the public.

(e) The Committee or the subcommittee may vote, by the same procedure, to meet in executive session for up to five additional consecutive days of hearings.

RULE 10. QUORUM
(a) For purposes of taking testimony and receiving evidence, two members shall constitute a quorum.

(b) One-third of the members of the Committee or subcommittee shall constitute a quorum for taking any action, with the following exceptions, in which case a majority of the Committee or subcommittee shall constitute a quorum:

(1) Reporting a measure or recommendation;

(2) Closing Committee or subcommittee meetings and hearings to the public;

(3) Authorizing the issuance of subpoenas;

(4) Authorizing the use of executive session material; and

(5) Voting to proceed in open session after voting to close to discuss whether evidence or testimony to be received would tend to defame, degrade, or incriminate any person.

(c) No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present.

RULE 11. THE FIVE-MINUTE RULE

(a) Subject to rule 15, the time any one member may address the Committee or subcommittee on any measure or matter under consideration shall not exceed five minutes and then only when the member has been recognized by the Chairman or subcommittee chairman, as appropriate, except that this time limit may be exceeded by unanimous consent. Any member, upon request, shall be recognized for not more than five minutes to address the Committee or subcommittee on behalf of an amendment which the member has offered to any pending bill or resolution. The five-minute limitation shall not apply to the Chairman and Ranking Minority Member of the Committee or subcommittee.

(b)(1) Members who are present at a hearing of the Committee or subcommittee when a hearing is originally convened shall be recognized by the Chairman or subcommittee chairman, as appropriate, in order of seniority. Those members arriving subsequently shall be recognized in order of their arrival. Notwithstanding the foregoing, the Chairman and the Ranking Minority Member will take precedence upon their arrival. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the Majority to Minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of either party.

(2) Pursuant to rule 4 and subject to rule 15, a member of the Committee who is not a member of a subcommittee may be recognized by a subcommittee chairman in order of their arrival and after all present subcommittee members have been recognized.
(3) The Chairman of the Committee or a subcommittee, with the concurrence of the respective Ranking Minority Member, may depart with the regular order for questioning which is specified in paragraphs (a) and (b) of this rule provided that such a decision is announced prior to the hearing or prior to the opening statements of the witnesses and that any such departure applies equally to the Majority and the Minority.

(c) No person other than a Member, Delegate, or Resident Commissioner of Congress and committee staff may be seated in or behind the dais area during Committee, subcommittee, panel, or task force hearings and meetings.

**RULE 12. POWER TO SIT AND ACT; SUBPOENA POWER**

(a) For the purpose of carrying out any of its functions and duties under rules X and XI of the Rules of the House of Representatives, the Committee and any subcommittee is authorized (subject to subparagraph (b)(1) of this paragraph):

(1) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold hearings, and

(2) to require by subpoena, or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers and documents, including, but not limited to, those in electronic form, as it considers necessary.

(b)(1) A subpoena may be authorized and issued by the Committee, or any subcommittee with the concurrence of the full Committee Chairman and after consultation with the Ranking Minority Member of the Committee, under subparagraph (a)(2) in the conduct of any investigation, or series of investigations or activities, only when authorized by a majority of the members voting, a majority of the Committee or subcommittee being present. Authorized subpoenas shall be signed only by the Chairman, or by any member designated by the Committee.

(2) Pursuant to clause 2(m) of rule XI of the Rules of the House of Representatives, compliance with any subpoena issued by the Committee or any subcommittee under subparagraph (a)(2) may be enforced only as authorized or directed by the House of Representatives.

**RULE 13. WITNESS STATEMENTS**

(a) Any prepared statement to be presented by a witness to the Committee or a subcommittee shall be submitted to the Committee or subcommittee at least 48 hours in advance of presentation and shall be distributed to all members of the Committee or subcommittee as soon as practicable but not less than 24 hours in advance of presentation. A copy of any such prepared statement shall also be submitted to the Committee in electronic form. If a prepared statement contains national security information bearing a classification of Confidential or higher, the statement shall be made available in the Committee rooms to all members of the Committee or subcommittee as soon as practicable but not less than 24 hours in advance of presentation; however, no such statement shall be removed from the Committee offices. The
requirement of this rule may be waived by a majority vote of the Committee or subcommittee, a quorum being present. In cases where a witness does not submit a statement by the time required under this rule, the Chairman of the Committee or subcommittee, as appropriate, with the concurrence of the respective Ranking Minority Member, may elect to exclude the witness from the hearing.

(b) The Committee and each subcommittee shall require each witness who is to appear before it to file with the Committee in advance of his or her appearance a written statement of the proposed testimony and to limit the oral presentation at such appearance to a brief summary of the submitted written statement.

(c) Pursuant to clause 2(g)(5) of rule XI of the Rules of the House of Representatives, written witness statements, with appropriate redactions to protect the privacy of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

RULE 14. ADMINISTERING OATHS TO WITNESSES

(a) The Chairman, or any member designated by the Chairman, may administer oaths to any witness.

(b) Witnesses, when sworn, shall subscribe to the following oath:

"Do you solemnly swear (or affirm) that the testimony you will give before this Committee (or subcommittee) in the matters now under consideration will be the truth, the whole truth, and nothing but the truth, so help you God?"

RULE 15. QUESTIONING OF WITNESSES

(a) When a witness is before the Committee or a subcommittee, members of the Committee or subcommittee may put questions to the witness only when recognized by the Chairman or subcommittee chairman, as appropriate, for that purpose according to rule 11 of the Committee.

(b) Members of the Committee or subcommittee who so desire shall have not more than five minutes to question each witness or panel of witnesses, the responses of the witness or witnesses being included in the five-minute period, until such time as each member has had an opportunity to question each witness or panel of witnesses. Thereafter, additional rounds for questioning witnesses by members are within the discretion of the Chairman or subcommittee chairman, as appropriate.

(c) Questions put to witnesses before the Committee or subcommittee shall be pertinent to the measure or matter that may be before the Committee or subcommittee for consideration.

RULE 16. PUBLICATION OF COMMITTEE HEARINGS AND MARKUPS

The transcripts of those hearings conducted by the Committee, subcommittee, or panel will be published officially in substantially verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. The transcripts of
markups conducted by the Committee or any subcommittee may be published officially in verbatim form. Any requests to correct any errors, other than those in transcription, will be appended to the record, and the appropriate place where the change is requested will be footnoted. Any transcript published under this rule shall include the results of record votes conducted in the session covered by the transcript and shall also include materials that have been submitted for the record and are covered under rule 19. The handling and safekeeping of these materials shall fully satisfy the requirements of rule 20. No transcript of an executive session conducted under rule 9 shall be published under this rule.

RULE 17.  VOTING AND ROLLCALLS

(a) Voting on a measure or matter may be by record vote, division vote, voice vote, or unanimous consent.

(b) A record vote shall be ordered upon the request of one-fifth of those members present.

(c) No vote by any member of the Committee or a subcommittee with respect to any measure or matter shall be cast by proxy.

(d) In the event of a vote or votes, when a member is in attendance at any other committee, subcommittee, or conference committee meeting during that time, the necessary absence of that member shall be so noted in the record vote record, upon timely notification to the Chairman by that member.

(e) The Chairman of the Committee or a subcommittee, as appropriate, with the concurrence of the Ranking Minority Member or the most senior Minority member who is present at the time, may elect to postpone requested record votes until such time or point at a markup as is mutually decided. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, the underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

RULE 18.  COMMITTEE REPORTS

(a) If, at the time of approval of any measure or matter by the Committee, any member of the Committee gives timely notice of intention to file supplemental, Minority, additional or dissenting views, all members shall be entitled to not less than two calendar days (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such days) in which to file such written and signed views with the Staff Director of the Committee, or the Staff Director’s designee. All such views so filed by one or more members of the Committee shall be included within, and shall be a part of, the report filed by the Committee with respect to that measure or matter.

(b) With respect to each record vote on a motion to report any measure or matter, and on any amendment offered to the measure or matter, the total number of votes cast for and against, the names of those voting for and against, and a brief description of the question, shall be included in the Committee report on the measure or matter.
(c) Not later than 24 hours after the adoption of any amendment to a measure or matter considered by the Committee, the Chairman shall cause the text of each such amendment to be made publicly available in electronic form as provided in clause 2(e)(6) of rule XI of the Rules of the House of Representatives.

RULE 19. PUBLIC INSPECTION OF COMMITTEE ROLL CALLS

The result of each record vote in any meeting of the Committee shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee and also made publicly available in electronic form within 48 hours of such record vote pursuant to clause 2(e)(1)B(i) of rule XI of the Rules of the House of Representatives. Information so available shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition and the names of those members present but not voting.

RULE 20. PROTECTION OF NATIONAL SECURITY AND OTHER INFORMATION

(a) Except as provided in clause 2(g) of rule XI of the Rules of the House of Representatives, all national security information bearing a classification of Confidential or higher which has been received by the Committee or a subcommittee shall be deemed to have been received in executive session and shall be given appropriate safekeeping.

(b) The Chairman of the Committee shall, with the approval of a majority of the Committee, establish such procedures as in his judgment may be necessary to prevent the unauthorized disclosure of any national security information that is received which is classified as Confidential or higher. Such procedures shall, however, ensure access to this information by any member of the Committee or any other Member, Delegate, or Resident Commissioner of the House of Representatives, staff of the Committee, or staff designated under rule 9(c) who have the appropriate security clearances and the need to know, who has requested the opportunity to review such material.

(c) The Chairman of the Committee shall, in consultation with the Ranking Minority Member, establish such procedures as in his judgment may be necessary to prevent the unauthorized disclosure of any proprietary information that is received by the Committee, subcommittee, panel, or task force. Such procedures shall be consistent with the Rules of the House of Representatives and applicable law.

RULE 21. COMMITTEE STAFFING

The staffing of the Committee, the standing subcommittees, and any panel or task force designated by the Chairman or chairmen of the subcommittees shall be subject to the Rules of the House of Representatives.

RULE 22. COMMITTEE RECORDS

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with rule VII of the Rules of the House of
Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of rule VII, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee.

RULE 23. HEARING PROCEDURES

Clause 2(k) of rule XI of the Rules of the House of Representatives shall apply to the Committee.

RULE 24. COMMITTEE ACTIVITY REPORTS

Not later than January 2nd of each odd-numbered year the Committee shall submit to the House a report on its activities, pursuant to clause 1(d) of rule XI of the Rules of the House of Representatives.

RULES OF THE COMMITTEE ON THE BUDGET FOR THE 114TH CONGRESS

GENERAL APPLICABILITY

Rule 1—Applicability of House Rules

(a) Except as otherwise specified herein, the Rules of the House are the rules of the Committee so far as applicable, except that a motion to recess from day to day, or a motion to recess subject to the call of the Chair (within 24 hours), or a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a non-debatable motion of privilege in the Committee. A proposed investigative or oversight report shall be considered as read if it has been available to the members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day).

(b) The Committee’s rules shall be publicly available in electronic form and published in the Congressional Record not later than 30 days after the Chair of the Committee is elected in each odd-numbered year.

MEETINGS

Rule 2—Regular Meetings

(a) The regular meeting day of the Committee shall be the second Wednesday of each month at 11 a.m., while the House is in session, if notice is given pursuant to paragraph (c) and paragraph (g)(3) of clause 2 of rule XI of House Rules.

(b) Regular meetings shall be canceled when they conflict with meetings of either party’s caucus or conference.

(c) The Chair shall give written notice of the date, place, and subject matter of any Committee meeting, which may not commence earlier than the third day on which members have notice thereof, unless the Chair, with the concurrence of the Ranking Minority Member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the hearing sooner, in which case the Chair shall make the announcement at the earliest possible date. An announcement shall be published promptly in the Daily Digest and made publicly available in electronic form.

Rule 3—Additional and Special Meetings

(a) The Chair may call and convene additional meetings of the Committee as the Chair considers necessary or special meetings at the request of a majority of the members of the Committee in accordance with clause 2(c) of rule XI of House Rules.

(b) In the absence of exceptional circumstances, the Chair shall provide public electronic notice of additional meetings to the office of each member at least 24 hours in advance while Congress is in session, and at least 3 days in advance when Congress is not in session.
Rule 4—Open Business Meetings

(a) Meetings and hearings of the Committee shall be called to order and presided over by the Chair or, in the Chair’s absence, by the member designated by the Chair as the Vice Chair of the Committee, or by the Ranking majority member of the Committee present as Acting Chair.

(b) Each meeting for the transaction of Committee business, including the markup of measures, shall be open to the public except when the Committee, in open session and with a quorum present, determines by roll call vote that all or part of the remainder of the meeting on that day shall be closed to the public in accordance with clause 2(g)(1) of rule XI of the House Rules.

(c) No person, other than members of the Committee and such congressional staff and departmental representatives as the Committee may authorize, shall be present at any business or markup session which has been closed to the public.

(d) Not later than 24 hours after commencing a meeting to consider a measure or matter, the Chair of the Committee shall cause the text of such measure or matter and any amendment adopted thereto to be made publicly available in electronic form.

Rule 5—Quorums

(a) A majority of the Committee shall constitute a quorum. No business shall be transacted and no measure or recommendation shall be reported unless a quorum is actually present.

Rule 6—Recognition

Any member, when recognized by the Chair, may address the Committee on any bill, motion, or other matter under consideration before the Committee. The time of such member shall be limited to 5 minutes until all members present have been afforded an opportunity to comment.

Rule 7—Consideration of Business

Measures or matters may be placed before the Committee, for its consideration, by the Chair or by a majority vote of the Committee members, a quorum being present.

Rule 8—Availability of Legislation

(a) The Committee shall consider no bill, joint resolution, or concurrent resolution unless copies of the measure have been made available to all Committee members at least 24 hours prior to the time at which such measure is to be considered. When considering concurrent resolutions on the budget, this requirement shall be satisfied by making available copies of the complete Chairman’s mark (or such material as will provide the basis for Committee consideration). The provisions of this rule may be suspended with the concurrence of the Chair and Ranking Minority Member.
(b) At least 24 hours prior to the commencement of a meeting for the markup of legislation, the Chair shall cause the text of such legislation to be made publicly available in electronic form.

Rule 9—Procedure for Consideration of Budget Resolution

(a) It shall be the policy of the Committee that the starting point for any deliberations on a concurrent resolution on the budget should be the estimated or actual levels for the fiscal year preceding the budget year.

(b) In the consideration of a concurrent resolution on the budget, the Committee shall first proceed, unless otherwise determined by the Committee, to consider budget aggregates, functional categories, and other appropriate matters on a tentative basis, with the document before the Committee open to amendment. Subsequent amendments may be offered to aggregates, functional categories, or other appropriate matters, which have already been amended in their entirety.

(c) Following adoption of the aggregates, functional categories, and other matters, the text of a concurrent resolution on the budget incorporating such aggregates, functional categories, and other appropriate matters shall be considered for amendment and a final vote.

Rule 10—Roll Call Votes

(a) A roll call of the members may be had upon the request of at least one-fifth of those present. In the apparent absence of a quorum, a roll call may be had on the request of any member.

(b) No vote may be conducted on any measure or motion pending before the Committee unless a quorum is present for such purpose.

(c) No vote by any member of the Committee on any measure or matter may be cast by proxy.

(d) In accordance with clause 2(e)(1)(B) of rule XI of the House Rules, a record of the vote of each Committee member on each recorded vote shall be available for public inspection at the offices of the Committee and also made publicly available in electronic form within 48 hours of such record vote, and, with respect to any roll call vote on any motion to amend or report, shall be included in the report of the Committee showing the total number of votes cast for and against and the names of those members voting for and against.

HEARINGS

Rule 11—Announcement of Hearings

The Chair shall make a public announcement of the date, place, and subject matter of any Committee hearing at least one week before the hearing, beginning with the day in which the announcement is made and ending the day preceding the scheduled hearing unless the
Chair, with the concurrence of the Ranking Minority Member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the hearing sooner, in which case the Chair shall make the announcement at the earliest possible date. Such announcement shall be published promptly in the Daily Digest and made publicly available in electronic form.

Rule 12—Open Hearings

(a) Each hearing conducted by the Committee or any of its task forces shall be open to the public except when the Committee or task force, in open session and with a quorum present, determines by roll call vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, or would compromise sensitive law enforcement information, or would tend to defame, degrade, or incriminate any person, or would violate any law or rule of the House of Representatives. The Committee or task forces may by the same procedure vote to close one subsequent day of hearing.

(b) For the purposes clause 2(g)(2) of rule XI of House Rules, the task forces of the Committee are considered to be subcommittees.

Rule 13—Quorums

For the purpose of hearing testimony, not less than two members of the Committee shall constitute a quorum.

Rule 14—Questioning Witnesses

(a) Questioning of witnesses will be conducted under the 5-minute rule unless the Committee adopts a motion pursuant to clause 2(j) of rule XI of the House Rules.

(b) In questioning witnesses under the 5-minute rule:

(1) First, the Chair and the Ranking Minority Member shall be recognized;

(2) Next, the Committee members present at the time the hearing is called to order shall be recognized in order of seniority; and

(3) Finally, the Committee members not present at the time the hearing is called to order may be recognized in the order of their arrival at the hearing.

(c) In recognizing Committee members to question witnesses, the Chair may take into consideration the ratio of majority members to minority members and the number of majority and minority members present and shall apportion the recognition for questioning in such a manner as not to disadvantage the members of the majority.

(d) Notwithstanding the provisions of subparagraph (A), the Chair and Ranking Minority Member may designate an equal number of members from each party to question
a witness for a period not longer than 30 minutes, or may designate staff from each party to
question a witness for a period not longer than 30 minutes.

Rule 15—Subpoenas and Oaths

(a) In accordance with clause 2(m) of rule XI of the House Rules, subpoenas authorized by
a majority of the Committee or by the Chair (pursuant to such rules and limitations as the
Committee may prescribe) may be issued over the signature of the Chair or of any member of
the Committee designated by him, and may be served by any person designated by the Chair
or such member.

(b) The Chair, or any member of the Committee designated by the Chair, may administer
oaths to witnesses.

Rule 16—Witnesses' Statements

(a) So far as practicable, any prepared statement to be presented by a witness shall be
submitted to the Committee at least 24 hours in advance of presentation, and shall be
distributed to all members of the Committee in advance of presentation.

(b) To the greatest extent possible, each witness appearing in a nongovernmental
capacity shall include with the written statement of proposed testimony a curriculum
vitae and a disclosure of the amount and source (by agency and program) of any Federal
grant (or sub-grant thereof) or contract (or subcontract thereof) received during the
current fiscal year or either of the two preceding fiscal years.

(c) Such statements, with appropriate redactions to protect the privacy of witnesses,
shall be made publicly available in electronic form not later than one day after the witness
appears.

PRINTS AND PUBLICATIONS

Rule 17—Committee Prints

All Committee prints and other materials prepared for public distribution shall be approved
by the Committee prior to any distribution, unless such print or other material shows clearly
on its face that it has not been approved by the Committee.

Rule 18—Committee Publications on the Internet

(a) To the maximum extent feasible, the Committee shall make its publications available in
electronic form.

STAFF

Rule 19—Committee Staff
(a) Subject to approval by the Committee and to the provisions of the following paragraphs, the professional and clerical staff of the Committee shall be appointed, and may be removed, by the Chair.

(c) All Committee staff shall be entitled to equitable treatment, including comparable salaries, facilities, access to official Committee records, leave, and hours of work.

(d) Notwithstanding paragraphs a, b, and c, staff shall be employed in compliance with House rules, the Employment and Accountability Act, the Fair Labor Standards Act of 1938, and any other applicable Federal statutes.

Rule 20—Staff Supervision

(a) Staff shall be under the general supervision and direction of the Chair, who shall establish and assign their duties and responsibilities, delegate such authority as he deems appropriate, fix and adjust staff salaries (in accordance with House Rule X, clause 9(c)) and job titles, and, at his discretion, arrange for their specialized training.

(b) Staff assigned to the minority shall be under the general supervision and direction of the minority members of the Committee, who may delegate such authority, as they deem appropriate.

Rule 21—Preparation and Maintenance of Committee Records

(a) A substantially verbatim account of remarks actually made during the proceedings shall be made of all hearings and business meetings subject only to technical, grammatical, and typographical corrections.

(b) The proceedings of the Committee shall be recorded in a journal, which shall among other things, include a record of the votes on any question on which a record vote is taken.

(c) Members of the Committee shall correct and return transcripts of hearings as soon as practicable after receipt thereof, except that any changes shall be limited to technical, grammatical, and typographical corrections.

(d) Any witness may examine the transcript of his own testimony and make grammatical, technical, and typographical corrections.

(e) The Chair may order the printing of a hearing record without the corrections of any member or witness if he determines that such member or witness has been afforded a reasonable time for correction, and that further delay would seriously impede the Committee's
responsibility for meeting its deadlines under the Congressional Budget Act of 1974.

(f) Transcripts of hearings and meetings may be printed if the Chair decides it is appropriate, or if a majority of the members so request.

Rule 22—Access to Committee Records

(a) (1) The Chair shall promulgate regulations to provide for public inspection of roll call votes and to provide access by members to Committee records (in accordance with clause 2(e) of rule XI of the House Rules).

(2) Access to classified testimony and information shall be limited to Members of Congress and to House Budget Committee staff and staff of the Office of Official Reporters who have appropriate security clearance.

(3) Notice of the receipt of such information shall be sent to the Committee members. Such information shall be kept in the Committee safe, and shall be available to members in the Committee office.

(b) The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with rule VII of the House Rules. Rule 25—Report on the Budget Resolution

The report of the Committee to accompany a concurrent resolution on the budget shall include a comparison of the estimated or actual levels for the year preceding the budget year with the proposed spending and revenue levels for the budget year and each out year along with the appropriate percentage increase or decrease for each budget function and aggregate. The report shall include any roll call vote on any motion to amend or report any measure.

Such estimates shall be prepared by the staff of the Committee, transmitted to the Speaker in the form of a Parliamentarian’s Status Report, and printed in the Congressional Record.

(2) The Committee authorizes the Chair, in consultation with the Ranking Minority Member, to transmit to the Speaker the Parliamentarian’s Status Report described above.

(b) (1) In order to carry out its duty under sections 302 and 312 of the Congressional Budget Act of 1974 to advise the House of Representatives as to the current level of spending within the jurisdiction of Committees as compared to the appropriate allocations made pursuant to the Budget Act in conformity with the latest agreed-upon concurrent resolution on the budget, the Committee shall, as necessary, advise the Speaker as to its estimate of the current level of spending within the jurisdiction of appropriate Committees. Such estimates shall be prepared by the staff of the Committee and transmitted to the Speaker in the form of a Section 302 Status Report.

(As adopted January 22, 2015)
RULES OF THE COMMITTEE ON EDUCATION AND THE WORKFORCE
FOR THE 114TH CONGRESS

RULE 1. REGULAR, ADDITIONAL, AND SPECIAL MEETINGS

(a) Regular meetings of the Committee shall be held on the second Wednesday of each month at 10:00 a.m., while the House is in session. The Committee shall meet for the consideration of a bill or resolution pending before the Committee or the transaction of other committee business on regular meeting days fixed by the Committee if notice is given in accordance with paragraph (g)(3) of Rule XI of the Rules of the House of Representatives.

(b) The Chair may call and convene, as he or she considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business.

(c) If at least three members of the Committee desire that a special meeting of the Committee be called by the Chair, those members may file in the offices of the Committee their written request to the Chair for that special meeting. Immediately upon the filing of the request, the staff director of the Committee shall notify the Chair of the filing of the request. If, within three calendar days after the filing of the request, the Chair does not call the requested special meeting to be held within seven calendar days after the filing of the request, a majority of the members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour thereof, and the measure or matter to be considered at that special meeting. Immediately upon the filing of the notice, the staff director of the Committee shall notify all members of the Committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered. Such notice shall also be made publicly available in electronic form and shall satisfy the notice requirements in clause (g)(3)(A)(ii) of Rule XI of the Rules of the House of Representatives. The Committee shall meet on that date and hour and only the measure or matter specified in that notice may be considered at that special meeting.

(d) Legislative meetings of the Committee and its subcommittees shall be open to the public, including radio, television, and still photography coverage, unless such meetings are closed pursuant to the requirements of the Rules of the House of Representatives. No business meeting of the Committee, other than regularly scheduled meetings, may be held without each member being given reasonable notice.

(e) The Chair of the Committee or of a subcommittee, as appropriate, shall preside at meetings or hearings. In the absence of the Chair of the Committee or of a subcommittee, members shall preside as provided in clause 2(d) of Rule XI of the Rules of the House of Representatives. No person other than a Member of Congress or Congressional staff may walk in, stand in, or be seated at the rostrum area during a meeting or hearing of the Committee or subcommittee unless authorized by the Chair.

RULE 2. STANDING SUBCOMMITTEES AND JURISDICTION
(a) There shall be four standing subcommittees. In addition to conducting oversight in the area of their respective jurisdictions as required in clause 2 of Rule X of the Rules of the House of Representatives, each subcommittee shall have the following jurisdiction:

Subcommittee on Early Childhood, Elementary, and Secondary Education.—Education from early learning through the high school level, including but not limited to elementary and secondary education, special education, homeless education, and migrant education; overseas dependent schools; career and technical education; school safety and alcohol and drug abuse prevention; school lunch and child nutrition programs; educational research and improvement including the Institute of Education Sciences; environmental education; pre-service and in-service teacher professional development including Title II of the Elementary and Secondary Education Act and Title II of the Higher Education Act; early care and education programs including the Head Start Act and the Child Care and Development Block Grant Act; adolescent development and training programs, including but not limited to those providing for the care and treatment of certain at-risk youth, including the Juvenile Justice and Delinquency Prevention Act and the Runaway and Homeless Youth Act; and all matters dealing with child abuse and domestic violence, including the Child Abuse Prevention and Treatment Act and child adoption.

Subcommittee on Higher Education and Workforce Training.—Education and training beyond the high school level, including but not limited to higher education generally, postsecondary student assistance and employment services, and the Higher Education Act; Title IX of the Education Amendments of 1972; all domestic volunteer programs; all programs related to the arts and humanities, museum and library services, and arts and artifacts indemnity; postsecondary career and technical education, apprenticeship programs, and job training, including the Workforce Innovation and Opportunity Act, vocational rehabilitation, and training programs from immigration funding; science and technology programs; adult basic education (family literacy); all welfare reform programs, including work incentive programs and welfare-to-work requirements; poverty programs, including the Community Services Block Grant Act and the Low Income Home Energy Assistance Program (LIHEAP); the Native American Programs Act; the Institute of Peace; and all matters dealing with programs and services for the elderly including nutrition programs and the Older Americans Act.

Subcommittee on Workforce Protections.—Wages and hours of workers, including but not limited to the Davis-Bacon Act, the Walsh-Healey Act, the Service Contract Act, and the Fair Labor Standards Act; workers’ compensation including the Federal Employees’ Compensation Act, the Longshore and Harbor Workers’ Compensation Act, and the Black Lung Benefits Act; the Migrant and Seasonal Agricultural Worker Protection Act; the Family and Medical Leave Act; the Worker Adjustment and Retraining Notification Act; the Employee Polygraph Protection Act of 1988; trade and immigration issues as they affect employers and workers; workers’ safety and health, including but not limited to occupational safety and health, mine safety and health, and migrant and agricultural worker safety and health; and all matters related to equal employment opportunity and civil rights in employment.

Subcommittee on Health, Employment, Labor, and Pensions.—All matters dealing with relationships between employers and employees, including but not limited to the National Labor Relations Act, the Labor-Management Relations Act, and the Labor-Management Reporting and Disclosure Act; the Bureau of Labor Statistics; and
employment-related health and retirement security, including pension, health, and other employee benefits and the Employee Retirement Income Security Act (ERISA).

(b) The majority party members of the Committee may provide for such temporary, ad hoc subcommittees as determined to be appropriate.

**RULE 3. EX OFFICIO MEMBERSHIP**

The Chair of the Committee and the ranking minority party member (“Ranking Member”) shall be ex officio members, but not voting members, of each subcommittee to which such Chair or Ranking Member has not been assigned.

**RULE 4. SUBCOMMITTEE SCHEDULING**

(a) Subcommittee chair shall set meeting or hearing dates after consultation with the Chair and other subcommittee chair with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings, wherever possible. No such meetings or hearings, however, shall be held outside of Washington, D.C., or during a recess or adjournment of the House of Representatives without the prior authorization of the Committee Chair. Where practicable, 14 days’ notice will be given of such meeting or hearing.

(b) Available dates for subcommittee meetings during the session shall be assigned by the Chair to the subcommittees as nearly as practicable in rotation and in accordance with their workloads. As far as practicable, the Chair shall not schedule simultaneous subcommittee markups, a subcommittee markup during a full Committee markup, or any hearing during a markup.

**RULE 5. SUBCOMMITTEE RULES**

The rules of the Committee shall be the rules of its subcommittees.

**RULE 6. SPECIAL ASSIGNMENT OF MEMBERS**

To facilitate the oversight and other legislative and investigative activities of the Committee, the Chair of the Committee may, at the request of a subcommittee chair, make a temporary assignment of any member of the Committee to such subcommittee for the purpose of constituting a quorum and of enabling such member to participate in any public hearing, investigation, or study by such subcommittee to be held outside of Washington, D.C. Any member of the Committee may attend public hearings of any subcommittee and any member of the Committee may question witnesses only when they have been recognized by the Chair for that purpose.

**RULE 7. HEARING PROCEDURE**

(a) The Chair, in the case of hearings to be conducted by the Committee, and the appropriate subcommittee chair, in the case of hearings to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or matter at least one week before the commencement of that hearing unless the
Chair of the Committee, with the concurrence of the Ranking Member, determines that there is good cause to begin such hearing at an earlier date or the Committee so determines by majority vote in the presence of the number of members required under the rules of the Committee for the transaction of business. In the latter event, the Chair or the subcommittee chair, as the case may be, shall have such an announcement promptly published in the Daily Digest and made publicly available in electronic form. To the extent practicable, the Chair or the subcommittee chair shall make public announcement of the final list of witnesses scheduled to testify at least 48 hours before the commencement of the hearing. The staff director of the Committee shall promptly notify the Daily Digest Clerk of the Congressional Record as soon as practicable after such public announcement is made.

(b) Subcommittees are authorized to hold hearings, receive exhibits, hear witnesses, and report to the Committee for final action, together with such recommendations as may be agreed upon by the subcommittee.

(c) All opening statements at hearings conducted by the Committee or any subcommittee will be made part of the permanent written record. Opening statements by members may not be presented orally, unless the Chair of the Committee or any subcommittee determines that one statement from the Chair or a designee will be presented, in which case the Ranking Member or a designee may also make a statement. If a witness scheduled to testify at any hearing of the Committee or any subcommittee is a constituent of a member of the Committee or subcommittee, such member shall be entitled to briefly introduce such witness at the hearing.

(d) To the extent practicable, witnesses who are to appear before the Committee or a subcommittee shall file with the staff director of the Committee, at least 48 hours in advance of their appearance, a written statement of their proposed testimony, together with a brief summary thereof, and shall limit their oral presentation to a summary thereof. The staff director of the Committee shall promptly furnish to the staff director of the minority a copy of such testimony submitted to the Committee pursuant to this rule. The Chair of the Committee, or a member designated by the Chair, may administer oaths to witnesses.

(e) When any hearing is conducted by the Committee or any subcommittee upon any measure or matter, the minority party members on the Committee shall be entitled, upon request to the Chair by a majority of those minority party members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon. The minority party may waive this right by calling at least one witness during a Committee hearing or subcommittee hearing.

(f) In the conduct of hearings of subcommittees sitting jointly, the rules otherwise applicable to all subcommittees shall likewise apply to joint subcommittee hearings for purposes of such shared consideration.

RULE 8. QUESTIONING OF HEARING WITNESSES

(a) Subject to clauses (b), (c), and (d), a Committee member may question hearing witnesses only when the member has been recognized by the Chair for that purpose, and only for a five-minute period until all members present have had an opportunity to question a witness. The questioning of witnesses in both Committee and subcommittee hearings shall be initiated by the

61
Chair, followed by the Ranking Member and all other members alternating between the majority and minority party. The Chair shall exercise discretion in determining the order in which members will be recognized. In recognizing members to question witnesses in this fashion, the Chair shall take into consideration the ratio of the majority to minority party members present and shall establish the order of recognition for questioning in such a manner as not to place the members of the majority party in a disadvantageous position.

(b) The Chair may permit a specified number of members to question a witness for longer than five minutes. The time for extended questioning of a witness under this clause shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(c) The Chair may permit Committee staff for the majority and the minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this clause shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(d) In an investigative hearing or in an executive session, the Chair’s authority to extend questioning under subsection (b) and (c) of this rule shall be equal for the majority and the minority party and may not exceed one hour in the aggregate, and shall only be conducted by counsel for the majority and the minority party when authorized under subsection (c) of this rule.

RULE 9. SUBPOENA AUTHORITY

The power to authorize and issue subpoenas is delegated to the Chair of the full Committee, as provided for under clause 2(m)(3)(A)(i) of Rule XI of the Rules of the House of Representatives. The Chair shall notify the Ranking Member prior to issuing any subpoena under such authority. To the extent practicable, the Chair shall consult with the Ranking Member at least 24 hours in advance of a subpoena being issued under such authority, excluding Saturdays, Sundays, and federal holidays. As soon as practicable after issuing any subpoena under such authority, the Chair shall notify in writing all members of the Committee of the issuance of the subpoena.

RULE 10. DEPOSITION PROCEDURE

(a) In accordance with the Committee receiving authorization by the House of Representatives for the taking of depositions in furtherance of a Committee investigation, the Chair, upon consultation with the Ranking Member, may order the taking of depositions pursuant to notice or subpoena as contemplated by this rule.

(b) The Chair or majority staff shall consult with the Ranking Member or minority staff no less than three business days before any notice or subpoena for a deposition is issued. After such consultation, all members shall receive written notice that a notice or subpoena for a deposition will be issued.
(c) A notice or subpoena issued under this rule shall specify the date, time, and place of the deposition and the method or methods by which the deposition will be recorded. Prior to testifying, a deponent shall be provided with a copy of the Committee’s rules, the House Resolution authorizing the taking of the deposition, and Rule X of the Rules of the House of Representatives.

(d)  

(1) A deposition shall be conducted by one or more members or Committee counsel as designated by the Chair or Ranking Member.

(2) A deposition shall be taken under oath or affirmation administered by a member or a person otherwise authorized to administer oaths and affirmations.

(3) A deposition shall be, unless waived by the deponent, attended by a member of the Committee.

(e) A deponent may be accompanied at a deposition by counsel to advise the deponent of the deponent’s rights. Only members and Committee counsel, however, may examine the deponent. No one may be present at a deposition other than members, Committee staff designated by the Chair or Ranking Member, such individuals as may be required to administer the oath or affirmation and transcribe or record the proceedings, the deponent, and the deponent’s counsel (including personal counsel and counsel for the entity employing the deponent if the scope of the deposition is expected to cover actions taken as part of the deponent’s employment). Observers or counsel for other persons or entities may not attend.

(f)  

(1) Unless the majority, minority, and deponent agree otherwise, questions in a deposition shall be propounded in rounds, alternating between the majority and minority. A single round shall not exceed 60 minutes per side, unless the members or counsel conducting the deposition agree to a different length of questioning. In each round, a member or Committee counsel designated by the Chair shall ask questions first, and the member or Committee counsel designated by the Ranking Member shall ask questions second.

(2) Any objection made during a deposition must be stated concisely and in a non-argumentative and non-suggestive manner. Deponent may refuse to answer a question only to preserve a privilege. When the deponent has objected and refused to answer a question to preserve a privilege, the Chair may rule on any such objection after the deposition has adjourned. If the Chair overrules any such objection and thereby orders a deponent to answer any question to which a privilege objection was lodged, such ruling shall be filed with the clerk of the Committee and shall be provided to members and the deponent no less than three days before the ruling is enforced at a reconvened deposition. If a member of the Committee appeals in writing the ruling of the Chair, the appeal shall be preserved for Committee consideration. A deponent who refuses to answer a question after being directed to answer by the Chair in writing may be subject to sanction, except that no sanctions may be imposed if the ruling of the Chair is reversed on appeal. In all cases, when deposition testimony for which an objection has been made is offered for admission in evidence before the Committee, all properly lodged
objections then made shall be timely and shall be considered by the Committee prior to admission in evidence before the Committee.

(g) Deposition testimony shall be transcribed by stenographic means and may also be video recorded. The clerk of the Committee shall receive the transcript and any video recording and promptly forward such to minority staff at the same time the clerk distributes such to other majority staff.

(h) The individual administering the oath shall certify on the transcript that the deponent was duly sworn. The transcriber shall certify that the transcript is a true, verbatim record of the testimony, and the transcript and any exhibits shall be filed, as shall any video recording, with the clerk of the Committee. In no case shall any video recording be considered the official transcript of a deposition or otherwise supersede the certified written transcript.

(i) After receiving the transcript, majority staff shall make available the transcript for review by the deponent or deponent’s counsel. No later than ten business days thereafter, the deponent may submit suggested changes to the Chair. Committee majority staff may direct the clerk of the Committee to note any typographical errors, including any requested by the deponent or minority staff, via an errata sheet appended to the transcript. Any proposed substantive changes, modifications, clarifications, or amendments to the deposition testimony must be submitted by the deponent as an affidavit that includes the deponent’s reasons therefore. Any substantive changes, modifications, clarifications, or amendments shall be included as an appendix to the transcript, a copy of which shall be promptly forwarded to minority staff.

(j) The Chair and Ranking Member shall consult regarding the release of deposition transcript or electronic recordings. If either objects in writing to a proposed release of a deposition transcript or electronic recording or a portion thereof, the matter shall be promptly referred to the Committee for resolution.

RULE 11. QUORUMS

One-third of the members of the Committee or subcommittee shall constitute a quorum for taking any action other than amending Committee rules, closing a meeting from the public, reporting a measure or recommendation, or in the case of the Committee or a subcommittee authorizing a subpoena. For the enumerated actions, a majority of the Committee or subcommittee shall constitute a quorum. Any two members shall constitute a quorum for the purpose of taking testimony and receiving evidence.

RULE 12. REFERRAL OF BILLS, RESOLUTIONS, AND OTHER MATTERS

(a) The Chair shall consult with subcommittee chair regarding referral to the appropriate subcommittees of such bills, resolutions, and other matters that have been referred to the Committee. Once copies of a bill, resolution, or other matter are available to the Committee, the Chair shall, within three weeks of such availability, provide notice of referral, if any, to the appropriate subcommittee.

(b) Referral to a subcommittee shall not be made until three days have elapsed after written notification of such proposed referral to all subcommittee chair, at which time such proposed
referral shall be made unless one or more subcommittee chair shall have given written notice to
the Chair of the full Committee and to the chair of each subcommittee that he or she intends to
question such proposed referral at the next regularly scheduled meeting of the Committee, or at
a special meeting of the Committee called for that purpose, at which time referral shall be made
by the majority members of the Committee. All bills shall be referred under this rule to the
subcommittee of proper jurisdiction without regard to whether the author is or is not a member
of the subcommittee. Upon a majority vote of the Committee, a bill, resolution, or other matter
referred to a subcommittee in accordance with this rule may be recalled at any time for the
Committee’s direct consideration or for reference to another subcommittee.

(c) The Chair shall announce the date, place, and subject matter of a Committee meeting, which
may not commence earlier than the third day on which members have notice thereof; but this
requirement may be waived if the Chair of the Committee, with the concurrence of the Ranking
Member, determines that there is good cause or the Committee so determines by majority vote
in the presence of the number of members required under the rules of the Committee for the
transaction of such business.

(d) When a bill or resolution is being considered by the Committee or a subcommittee, members
shall provide the clerk in a timely manner a sufficient number of written copies of any
amendment offered, so as to enable each member present to receive a copy thereof prior to
taking action. A point of order may be made against any amendment not reduced to writing. A
copy of each such amendment shall be maintained in the public records of the
Committee or subcommittee, as the case may be.

(e) In determining the order in which amendments to a matter pending before the Committee or
a subcommittee will be considered, the Chair may give priority to:

1. The Chair’s mark, and

2. Amendments, otherwise in order, that have been filed with the Committee at least 24
   hours prior to the Committee or subcommittee business meeting on said measure or
   matter.

RULE 13. VOTES

(a) With respect to each roll call vote on a motion to report any bill, resolution, or matter of a
public character, and on any amendment offered thereto, the total number of votes cast for and
against, and the names of those members voting for and against, shall be included in the
Committee report on the measure or matter.

(b) In accordance with clause 2(h) of Rule XI of the Rules of the House of Representatives, the
Chair of the Committee or a subcommittee is authorized to postpone further proceedings when a
record vote is ordered on the question of approving a measure or matter or on adopting an
amendment. Such Chair may resume proceedings on a postponed request at any time after
reasonable notice. When proceedings resume on a postponed question, notwithstanding any
intervening order for the previous question, an underlying proposition shall remain subject to
further debate or amendment to the same extent as when the question was postponed.
RULE 14. RECORDS AND ROLLCALLS

(a) Written records shall be kept of the proceedings of the Committee and of each subcommittee, including a record of the votes on any question on which a roll call is demanded. The result of each such roll call vote shall be made available by the Committee or subcommittee for inspection by the public at reasonable times in the offices of the Committee or subcommittee and shall be made available on the Committee’s website within 48 hours of such record vote. Information so available for public inspection and on the Committee’s website shall include a description of the amendment, motion, order, or other proposition; the name of each member voting for and each member voting against such amendment, motion, order, or proposition; and the names of those members present but not voting. The text of an amendment offered to a measure or matter considered in Committee shall be made publicly available in electronic form not later than 24 hours after its final disposition in Committee. A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member.

(b) In accordance with Rule VII of the Rules of the House of Representatives, any official permanent record of the Committee (including any record of a legislative, oversight, or other activity of the Committee or any subcommittee) shall be made available for public use if such record has been in existence for 30 years, except that-

(1) any record that the Committee (or a subcommittee) makes available for public use before such record is delivered to the Archivist under clause 2 of Rule VII of the Rules of the House of Representatives shall be made available immediately, including any record described in subsection (a) of this Rule;

(2) any investigative record that contains personal data relating to a specific living individual (the disclosure of which would be an unwarranted invasion of personal privacy), any administrative record with respect to personnel, and any record with respect to a hearing closed pursuant to clause 2(g)(2) of Rule XI of the Rules of the House of Representatives shall be available if such record has been in existence for 50 years; or

(3) except as otherwise provided by order of the House of Representatives, any record of the Committee for which a time, schedule, or condition for availability is specified by order of the Committee (entered during the Congress in which the record is made or acquired by the Committee) shall be made available in accordance with the order of the Committee.

(c) The official permanent records of the Committee include noncurrent records of the Committee (including subcommittees) delivered by the Clerk of the House of Representatives to the Archivist of the United States for preservation at the National Archives and Records Administration, which are the property of and remain subject to the rules and orders of the House of Representatives.

(d) Any order of the Committee with respect to any matter described in paragraph (2) of this subsection shall be adopted only if the notice requirements of Committee Rule 12(c)
have been met, a quorum consisting of a majority of the members of the Committee is present at the time of the vote, and a majority of those present and voting approve the adoption of the order, which shall be submitted to the Clerk of the House of Representatives, together with any accompanying report.

(2) This subsection applies to any order of the Committee which-

(A) provides for the non-availability of any record subject to subsection (b) of this rule for a period longer than the period otherwise applicable; or

(B) is subsequent to, and constitutes a later order under clause 4(b) of Rule VII of the Rules of the House of Representatives, regarding a determination of the Clerk of the House of Representatives with respect to authorizing the Archivist of the United States to make available for public use the records delivered to the Archivist under clause 2 of Rule VII of the Rules of the House of Representatives; or

(C) specifies a time, schedule, or condition for availability pursuant to subsection (b) (3) of this Rule.

RULE 15. REPORTS

(a) Reports of the Committee. All Committee reports on bills or resolutions shall comply with the provisions of clause 2 of Rule XI and clauses 2, 3, and 4 of Rule XIII of the Rules of the House of Representatives.

(1) No such report shall be filed until copies of the proposed report have been available to all members at least 36 hours prior to such filing in the House of Representatives. No material change shall be made in the report distributed to members unless agreed to by the Ranking Member; but any member or members of the Committee may file, as part of the printed report, individual, minority, or dissenting views, without regard to the preceding provisions of this rule.

(2) Such 36-hour period shall not conclude earlier than the end of the period provided under clause 4 of Rule XIII of the Rules of the House of Representatives after the Committee approves a measure or matter if a member, at the time of such approval, gives notice of intention to file supplemental, minority, or additional views for inclusion as part of the printed report.

(3) To the extent practicable, any report prepared pursuant to a Committee or subcommittee study or investigation shall be available to members no later than 48 hours prior to consideration of any such report by the Committee or subcommittee, as the case may be.

(b) Disclaimers.
(1) A report on activities of the Committee required under clause 1 of Rule XI of the Rules of the House of Representatives shall include the following disclaimer in the document transmitting the report to the Clerk of the House of Representatives:

This report has not been officially adopted by the Committee on Education and the Workforce or any subcommittee thereof and therefore may not necessarily reflect the views of its members.

Such disclaimer need not be included if the report was circulated to all members of the Committee at least seven days prior to its submission to the House of Representatives and provision is made for the filing by any member, as part of the printed report, of individual, minority, or dissenting views.

(2) All Committee or subcommittee reports printed pursuant to legislative study or investigation and not approved by a majority vote of the Committee or subcommittee, as appropriate, shall contain the following disclaimer on the cover of such report:

This report has not been officially adopted by the Committee on Education and the Workforce (or pertinent subcommittee thereof) and therefore may not necessarily reflect the views of its members.

The minority party members of the Committee or subcommittee shall have three calendar days, excluding weekends and holidays, to file, as part of the printed report, supplemental, minority, or additional views.

(c) Reports of Subcommittees. Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the Committee, the chair of the subcommittee reporting the bill, resolution, or matter to the Committee, or any member authorized by the subcommittee to do so, may report such bill, resolution, or matter to the Committee. It shall be the duty of the chair of the subcommittee to report or cause to be reported promptly such bill, resolution, or matter, and to take or cause to be taken the necessary steps to bring such bill, resolution, or matter to a vote.

(1) In any event, the report, described in the proviso in subsection (c)(2) of this rule, of any subcommittee on a measure which has been approved by the subcommittee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the staff director of the Committee a written request, signed by a majority of the members of the subcommittee, for the reporting of that measure. Upon the filing of any such request, the staff director of the Committee shall transmit immediately to the chair of the subcommittee a notice of the filing of that request.

(2) Bills, resolutions, or other matters favorably reported by a subcommittee shall automatically be placed upon the agenda of the Committee as of the time they are reported. No bill or resolution or other matter reported by a subcommittee shall be considered by the full Committee unless it has been delivered or electronically sent to all members and notice of its prior transmission has been in the hands of all members at least 48 hours prior to such consideration. A member of the Committee shall receive,
upon his or her request, a paper copy of such bill, resolution, or other matter reported. When a bill is reported from a subcommittee, such measure shall be accompanied by a section-by-section analysis; and, if the Chair of the Committee so requires (in response to a request from the Ranking Member of the Committee or for other reasons), a comparison showing proposed changes in existing law.

RULE 16. APPOINTMENT OF CONFEREES, NOTICE OF CONFERENCE MEETINGS, AND CONFERENCE MOTION

(a) Whenever in the legislative process it becomes necessary to appoint conferees, the Chair shall recommend to the Speaker as conferees the names of those members of the subcommittee which handled the legislation in the order of their seniority upon such subcommittee and such other Committee members as the Chair may designate with the approval of the majority party members. Recommendations of the Chair to the Speaker shall provide a ratio of majority party members to minority party members no less favorable to the majority party than the ratio of majority members to minority party members on the full Committee. In making assignments of minority party members as conferees, the Chair shall consult with the Ranking Member of the Committee.

(b) After the appointment of conferees pursuant to clause 11 of Rule I of the Rules of the House of Representatives for matters within the jurisdiction of the Committee, the Chair shall notify all members appointed to the conference of meetings at least 48 hours before the commencement of the meeting. If such notice is not possible, then notice shall be given as soon as possible.

(c) The Chair is directed to offer a motion under clause 1 of Rule XXII of the Rules of the House of Representatives whenever the Chair considers it appropriate.

RULE 17. MEASURES TO BE CONSIDERED UNDER SUSPENSION

A member of the Committee may not seek to suspend the Rules of the House of Representatives on any bill, resolution, or other matter which has been modified after such measure is ordered reported, unless notice of such action has been given to the Chair and Ranking Member of the full Committee.

RULE 18. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

(a) Television, Radio and Still Photography.—

(1) Whenever a hearing or meeting conducted by the Committee or any subcommittee is open to the public, those proceedings shall be open to coverage by television, radio, and still photography subject to the requirements of clause 4 of Rule XI of the Rules of the House of Representatives and except when the hearing or meeting is closed pursuant to the Rules of the House of Representatives and of the Committee. The coverage of any hearing or meeting of the Committee or any subcommittee thereof by television, radio, or still photography shall be under the direct supervision of the Chair of the Committee, the subcommittee chair, or other member of the Committee presiding at such hearing or
meeting and may be terminated by such member in accordance with the Rules of the House of Representatives.

(2) Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents’ Galleries.

(3) Personnel providing coverage by still photography shall be then accredited to the Press Photographers’ Gallery.

(b) Audio and Video Coverage of Committee Hearings and Meetings.—To the maximum extent practicable, the Committee shall provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings and shall maintain the recordings of such coverage in a manner that is easily accessible to the public. Such coverage shall be fair and nonpartisan in accordance with clause 4(b) of Rule XI of the Rules of the House of Representatives and other applicable rules of the House of Representatives and of the Committee. Personnel providing such coverage shall be employees of the House of Representatives or currently accredited to the Radio and Television Correspondents’ Galleries.

RULE 19. COMMITTEE STAFF

(a) The employees of the Committee shall be appointed by the Chair in consultation with subcommittee chair and other majority party members of the Committee within the budget approved for such purposes by the Committee.

(b) The staff appointed by the minority shall have their remuneration determined in such manner as the minority party members of the Committee shall determine within the budget approved for such purposes by the Committee.

RULE 20. SUPERVISION AND DUTIES OF COMMITTEE STAFF

The staff of the Committee shall be under the general supervision and direction of the Chair, who shall establish and assign the duties and responsibilities of such staff members and delegate authority as he or she determines appropriate. The staff appointed by the minority shall be under the general supervision and direction of the minority party members of the Committee, who may delegate such authority as they determine appropriate. All Committee staff shall be assigned to Committee business and no other duties may be assigned to them.

RULE 21. AUTHORIZATION FOR TRAVEL

(a) Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, the provisions of this rule shall govern travel of Committee members and staff. Travel to be paid from funds set aside for the full Committee for any member or any staff member shall be paid only upon the prior authorization of the Chair. Travel may be authorized by the Chair for any member and any staff member in connection with the attendance of hearings conducted by the Committee or any subcommittee thereof and meetings, conferences, and investigations that involve activities or subject matter under the general jurisdiction of the Committee. The Chair shall review travel requests to assure the validity to
Committee business. Before such authorization is given, there shall be submitted to the Chair in writing the following:

(1) In the case of travel outside the United States of members and staff of the Committee for the purpose of conducting hearings, investigations, studies, or attending meetings and conferences involving activities or subject matter under the legislative assignment of the Committee or pertinent subcommittees, prior authorization must be obtained from the Chair, or, in the case of a subcommittee, from the subcommittee chair and the Chair. Before such authorization is given, there shall be submitted to the Chair, in writing, a request for such authorization. Each request, which shall be filed in a manner that allows for a reasonable period of time for review before such travel is scheduled to begin, shall include the following:

(A) The purpose of travel;

(B) The dates during which the travel will occur;

(C) The names of the countries to be visited and the length of time to be spent in each;

(D) an agenda of anticipated activities for each country for which travel is authorized together with a description of the purpose to be served and the areas of Committee jurisdiction involved; and

(E) The names of members and staff for whom authorization is sought.

(2) Requests for travel outside the United States may be initiated by the Chair or the chair of a subcommittee (except that individuals may submit a request to the Chair for the purpose of attending a conference or meeting) and shall be limited to members and permanent employees of the Committee.

(3) The Chair shall not approve a request involving travel outside the United States while the House is in session (except in the case of attendance at meetings and conferences or where circumstances warrant an exception).

(4) At the conclusion of any hearing, investigation, study, meeting, or conference for which travel outside the United States has been authorized pursuant to this rule, each subcommittee (or members and staff attending meetings or conferences) shall submit a
written report to the Chair covering the activities of the subcommittee and containing the results of these activities and other pertinent observations or information gained as a result of such travel.

(c) Members and staff of the Committee performing authorized travel on official business shall be governed by applicable laws, resolutions, or regulations of the House of Representatives and of the Committee on House Administration pertaining to such travel, including rules, procedures, and limitations prescribed by the Committee on House Administration with respect to domestic and foreign expense allowances.

(d) Prior to the Chair’s authorization for any travel, the Ranking Member shall be given a copy of the written request therefor.

RULE 22. BUDGET AND EXPENSES

(a) The Chair, in consultation with the majority party members of the Committee, shall prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, for necessary travel, investigation, and other expenses of the Committee; and, after consultation with the minority party membership, the Chair shall include amounts budgeted to the minority party members for staff personnel to be under the direction and supervision of the minority party, travel expenses of minority party members and staff, and minority party office expenses. All travel expenses of minority party members and staff shall be paid for out of the amounts so set aside and budgeted. The Chair shall take whatever action is necessary to have the budget as finally approved by the Committee duly authorized by the House of Representatives. After such budget shall have been adopted, no change shall be made in such budget unless approved by the Committee. The Chair or the chair of any standing subcommittee may initiate necessary travel requests as provided in Committee Rule 21 within the limits of their portion of the consolidated budget as approved by the House, and the Chair may execute necessary vouchers therefor.

(b) Subject to the Rules of the House of Representatives and procedures prescribed by the Committee on House Administration, and with the prior authorization of the Chair of the Committee in each case, there may be expended in any one session of Congress for necessary travel expenses of witnesses attending hearings in Washington, D.C.:

    (1) Out of funds budgeted and set aside for each subcommittee, not to exceed $5,000 for expenses of witnesses attending hearings of each such subcommittee;

    (2) Out of funds budgeted for the full Committee majority, not to exceed $5,000 for expenses of witnesses attending full Committee hearings; and

RULE 2. MEETINGS

(a) Regular Meeting Days. The Committee shall meet on the fourth Tuesday of each month at 10 a.m., for the consideration of bills, resolutions, and other business, if the House is in session on that day. If the House is not in session on that day and the Committee has not met during such month, the Committee shall meet at the earliest practicable opportunity when the House is again in session. The chairman of the Committee may, at his discretion, cancel, delay, or defer any meeting required under this section, after consultation with the ranking minority member.

(b) Additional Meetings. The chairman may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purposes pursuant to that call of the chairman.

(c) Notice. The date, time, place, and subject matter of any meeting of the Committee scheduled on a Tuesday, Wednesday, or Thursday when the House will be in session shall be announced at least 36 hours (exclusive of Saturdays, Sundays, and legal holidays except when the House is in session on such days) in advance of the commencement of such meeting. The date, time, place, and subject matter of other meetings when the House is in session shall be announced to allow Members to have at least three days notice (exclusive of Saturdays, Sundays, and legal holidays except when the House is in session on such days) of such meeting. The date, time, place, and subject matter of all other meetings shall be announced at least 72 hours in advance of the commencement of such meeting.

(d) Agenda. The agenda for each Committee meeting, setting out all items of business to be considered, shall be provided to each member of the Committee at least 36 hours in advance of such meeting.

(e) Availability of Texts. No bill, recommendation, or other matter shall be considered by the Committee unless the text of the matter, together with an explanation, has been available to members of the Committee for three days (or 24 hours in the case of a substitute for introduced legislation). Such explanation shall include a summary of the major provisions of the legislation,
an explanation of the relationship of the matter to present law, and a summary of the need for the legislation.

(f) Waiver. The requirements of subsections (c), (d), and (e) may be waived by a majority of those present and voting (a majority being present) of the Committee or by the chairman with the concurrence of the ranking member, as the case may be.

RULE 3. HEARINGS

(a) Notice. The date, time, place, and subject matter of any hearing of the Committee shall be announced at least one week in advance of the commencement of such hearing, unless a determination is made in accordance with clause 2(g)(3) of Rule XI of the Rules of the House that there is good cause to begin the hearing sooner.

(b) Memorandum. Each member of the Committee shall be provided, except in the case of unusual circumstances, with a memorandum at least 48 hours before each hearing explaining (1) the purpose of the hearing and (2) the names of any witnesses.

(c) Witnesses. (1) Each witness who is to appear before the Committee shall file with the clerk of the Committee, at least two working days in advance of his or her appearance, sufficient copies, as determined by the chairman of the Committee of a written statement of his or her proposed testimony to provide to members and staff of the Committee, the news media, and the general public. Each witness shall, to the greatest extent practicable, also provide a copy of such written testimony in an electronic format prescribed by the chairman. Each witness shall limit his or her oral presentation to a brief summary of the argument. The chairman of the Committee or the presiding member may waive the requirements of this paragraph or any part thereof.

(2) To the greatest extent practicable, the written testimony of each witness appearing in a nongovernmental capacity shall include a curriculum vitae and a disclosure of any federal grant or contract or foreign government contracts and payments related to the subject matter of the hearing received during the current calendar year or either of the two preceding calendar years by the witness or by an entity represented by the witness. The disclosure shall include (i) the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing; and (ii) the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government.

(d) Questioning. (1) The right to interrogate the witnesses before the Committee shall alternate between majority and minority members. Each member shall be limited to 5 minutes in the interrogation of witnesses until such time as each member who so desires has had an opportunity to question witnesses. No member shall be recognized for a second period of 5 minutes to interrogate a witness until each member of the Committee present has been recognized once for that purpose. The chairman shall recognize in order of appearance members who were not present when the meeting was called to order after all members who were present when the meeting was called to order have been recognized in the order of seniority on the Committee.

(2) The chairman, with the concurrence of the ranking minority member, or the Committee by
motion, may permit an equal number of majority and minority members to question a witness for a specified, total period that is equal for each side and not longer than thirty minutes for each side. The chairman with the concurrence of the ranking minority member, or the Committee by motion, may also permit committee staff of the majority and minority to question a witness for a specified, total period that is equal for each side and not longer than thirty minutes for each side.

(3) Each member may submit to the chairman of the Committee additional questions for the record, to be answered by the witnesses who have appeared. Each member shall provide a copy of the questions in an electronic format to the clerk of the Committee no later than ten business days following a hearing. The chairman shall transmit all questions received from members of the Committee to the appropriate witness and include the transmittal letter and the responses from the witnesses in the hearing record. After consultation with the ranking minority member, the chairman is authorized to close the hearing record no earlier than 120 days from the date the questions were transmitted to the appropriate witness.

RULE 4. VICE CHAIRMEN; PRESIDING MEMBER

The chairman shall designate a member of the majority party to serve as vice chairman of the Committee, and shall designate a majority member of each subcommittee to serve as vice chairman of each subcommittee. A copy of the journal shall be furnished to the ranking minority member.
(2) Record Votes. A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member. No demand for a record vote shall be made or obtained except for the purpose of procuring a record vote or in the apparent absence of a quorum. The result of each record vote in any meeting of the Committee shall be made publicly available in electronic form on the Committee's website and in the Committee office for inspection by the public, as provided in Rule XI, clause 2(e) of the Rules of the House, within 24 hours. Such result shall include a description of the amendment, motion, order, or other proposition, the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members of the committee present but not voting. (b) Archived Records. The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the Rules of the House. The chairman shall notify the ranking minority member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the Rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee. (c) Ratio of Subcommittees. The majority caucus of the Committee shall determine an appropriate ratio of majority to minority party members for each subcommittee and the chairman shall negotiate that ratio with the minority party, provided that the ratio of party members on each subcommittee shall be no less favorable to the majority than that of the full Committee, nor shall such ratio provide for a majority of less than two majority members.

(d) Selection of Subcommittee Members. Prior to any organizational meeting held by the Committee, the majority and minority caucuses shall select their respective members of the standing subcommittees.

(e) Ex Officio Members. The chairman and ranking minority member of the Committee shall be

All legislation and other matters referred to the Committee shall be referred to the subcommittee of appropriate jurisdiction within two weeks of the date of receipt by the Committee unless action is taken by the full Committee within those two weeks, or by majority vote of the members of the Committee, consideration is to be by the full Committee. In the case of legislation or other matter within the jurisdiction of more than one subcommittee, the chairman of the Committee may, in his discretion, refer the matter simultaneously to two or more subcommittees for concurrent consideration, or may designate a subcommittee of primary jurisdiction and also refer the matter to one or more additional subcommittees for consideration in sequence (subject to appropriate time limitations), either on its initial referral or after the matter has been reported by the subcommittee of primary jurisdiction. Such authority shall include the authority to refer such legislation or matter to an ad hoc subcommittee appointed by the chairman, with the approval of the Committee, from the members of the subcommittees having legislative or oversight jurisdiction.

RULE 11. MANAGING LEGISLATION ON THE HOUSE FLOOR

The chairman, in his discretion, shall designate which member shall manage legislation reported by the Committee to the House.

RULE 12. COMMITTEE PROFESSIONAL AND CLERICAL STAFF APPOINTMENTS

(a) Delegation of Staff. Whenever the chairman of the Committee determines that any professional staff member appointed pursuant to the provisions of clause 9 of Rule X of the House of Representatives, who is assigned to such chairman and not to the ranking minority
member, by reason of such professional staff member's expertise or qualifications will be of assistance to one or more subcommittees in carrying out their assigned responsibilities, he may delegate such member to such subcommittees for such purpose. A delegation of a member of the professional staff pursuant to this subsection shall be made after consultation with subcommittee chairmen and with the approval of the subcommittee chairman or chairmen involved.

Such approval shall not be deemed to have been given if at least one-third of the members of the Committee request in writing that the Committee formally act on such a contract, if the request is made within 10 days after the latest date on which such chairman or chairmen, and such ranking minority member or members, approve such contract.
RULE 13. SUPERVISION, DUTIES OF STAFF

RULE 14. COMMITTEE BUDGET

(a) Administration of Committee Budget. The chairman of the Committee, in consultation with the ranking minority member, shall for the 114th Congress attempt to ensure that the Committee receives necessary amounts for professional and clerical staff, travel, investigations, equipment and miscellaneous expenses of the Committee and the subcommittees, which shall be adequate to fully discharge the Committee’s responsibilities for legislation and oversight.

(b) Monthly Expenditures Report. Committee members shall be furnished a copy of each monthly report, prepared by the chairman for the Committee on House Administration, which shows expenditures made during the reporting period and cumulative for the year by the Committee and subcommittees, anticipated expenditures for the projected Committee program, and detailed information on travel.

RULE 15. BROADCASTING OF COMMITTEE HEARINGS

Any meeting or hearing that is open to the public may be covered in whole or in part by radio or television or still photography, subject to the requirements of clause 4 of Rule XI of the Rules of the House. A private sponsor offering officially-connected travel to a Member, officer, or employee must complete and sign a Private Sponsor Certification Form, and provide a copy of that form to the invitee(s).

(3) Any individual who knowingly and willfully falsifies, or who knowingly and willfully fails to file, a Traveler Form or Private Sponsor Certification Form may be subject to civil penalties and criminal sanctions pursuant to 18 U.S.C. § 1001.
(g) The Office of Advice and Education shall prepare for the Committee a response to each written request for an opinion from a Member, officer, or employee. Each response shall discuss all applicable laws, rules, regulations, or other standards.

(h) Where a request is unclear or incomplete, the Office of Advice and Education may seek additional information from the requester.

(i) The Chair and Ranking Minority Member are authorized to take action on behalf of the Committee on any proposed written opinion that they determine does not require consideration by the Committee. If the Chair or Ranking Minority Member requests a written opinion, or seeks a waiver, extension, or approval pursuant to Rules 3(m), 4(c), 4(e), or 4(h), the next ranking member of the requester’s party is authorized to act in lieu of the requester.

(j) The Committee shall keep confidential any request for advice from a Member, officer, or employee, as well as any response thereto. Upon request of any Member, officer, or employee who has submitted a written request for an opinion or submitted a request for privately-sponsored travel, the Committee may release to the requesting individual a copy of their own written request for advice or submitted travel forms, any subsequent written communications between such individual and Committee staff regarding the request, and any Committee advisory opinion or travel letter issued to that individual in response. The Committee shall not release any internal Committee staff work product, communications, or notes in response to such a request, except as authorized by the Committee.

(k) The Committee may take no adverse action in regard to any conduct that has been undertaken in reliance on a written opinion if the conduct conforms to the specific facts addressed in the opinion.

(l) Information provided to the Committee by a Member, officer, or employee seeking advice regarding prospective conduct may not be used as the basis for initiating an investigation under clause 3(a)(2) or clause 3(b) of Rule XI of the Rules of the House of Representatives, if such Member, officer, or employee acts in good faith in accordance with the written advice of the Committee.

(m) A written request for a waiver of clause 5 of House Rule XXV (the House gift rule), or for any other waiver or approval, shall be treated in all respects like any other request for a written opinion.

(n) A written request for a waiver of clause 5 of House Rule XXV (the House gift rule) shall specify the nature of the waiver being sought and the specific circumstances justifying the waiver.

(o) An employee seeking a waiver of time limits applicable to travel paid for by a private source shall include with the request evidence that the employing authority is aware of the request. In any other instance where proposed employee conduct may reflect on the performance of official duties, the Committee may require that the requester submit evidence that the employing authority knows of the conduct.

Rule 4. Financial Disclosure

(a) In matters relating to Title I of the Ethics in Government Act of 1978, the Committee shall coordinate with the Clerk of the House of Representatives, Legislative Resource Center, to assure that appropriate individuals are notified of their obligation to file reports required to be filed under Title I of the Ethics in Government Act and that such individuals are provided in a timely fashion with filing instructions and forms developed by the Committee.
(b) The Committee shall coordinate with the Legislative Resource Center to assure that information that the Ethics in Government Act requires to be placed on the public record is made public.

(c) Any reports required to be filed under Title I of the Ethics in Government Act filed by Members of the Board of the Office of Congressional Ethics that are forwarded to the Committee by the Clerk shall not be subject to paragraphs (d) through (q) of this Rule. The Office of Congressional Ethics retains jurisdiction over review of the timeliness and completeness of filings by Members of the Board as the Board’s supervising ethics office.

(d) The Chair and Ranking Minority Member are authorized to grant on behalf of the Committee requests for reasonable extensions of time for the filing of Financial Disclosure Statements. Any such request must be received by the Committee no later than the date on which the Statement in question is due. A request received after such date may be granted by the Committee only in extraordinary circumstances. Such extensions for one individual in a calendar year shall not exceed a total of 90 days. No extension shall be granted authorizing a nonincumbent candidate to file a statement later than 30 days prior to a primary or general election in which the candidate is participating.

(e) An individual who takes legally sufficient action to withdraw as a candidate before the date on which that individual’s Financial Disclosure Statement is due under the Ethics in Government Act shall not be required to file a Statement. An individual shall not be excused from filing a Financial Disclosure Statement when withdrawal as a candidate occurs after the date on which such Statement was due.

(f) Any individual who files a report required to be filed under Title I of the Ethics in Government Act more than 30 days after the later of—

1. the date such report is required to be filed, or
2. if a filing extension is granted to such individual, the last day of the filing extension period, is required by such Act to pay a late filing fee of $200. The Chair and Ranking Minority Member are authorized to approve requests that the fee be waived based on extraordinary circumstances.

(g) Any late report that is submitted without a required filing fee shall be deemed procedurally deficient and not properly filed.

(h) The Chair and Ranking Minority Member are authorized to approve requests for waivers of the aggregation and reporting of gifts as provided by section 102(a)(2)(C) of the Ethics in Government Act. If such a request is approved, both the incoming request and the Committee response shall be forwarded to the Legislative Resource Center for placement on the public record.

(i) The Chair and Ranking Minority Member are authorized to approve blind trusts as qualifying under section 102(f)(3) of the Ethics in Government Act. The correspondence relating to formal approval of a blind trust, the trust document, the list of assets transferred to the trust, and any other documents required by law to be made public, shall be forwarded to the Legislative Resource Center for such purpose.

(j) The Committee shall designate staff counsel who shall review reports required to be filed under Title I of the Ethics in Government Act and, based upon information contained therein, indicate in a form and manner prescribed by the Committee whether the Statement appears substantially accurate and complete and the filer appears to be in compliance with applicable laws and rules.

(k) Each report required to be filed under Title I of the Ethics in Government Act shall be reviewed within 60 days after the date of filing.
(l) If the reviewing counsel believes that additional information is required because (1) the report required to be filed under Title I of the Ethics in Government Act appears not substantially accurate or complete, or (2) the filer may not be in compliance with applicable laws or rules, then the reporting individual shall be notified in writing of the additional information believed to be required, or of the law or rule with which the reporting individual does not appear to be in compliance. Such notice shall also state the time within which a response is to be submitted. Any such notice shall remain confidential.

(m) Within the time specified, including any extension granted in accordance with clause (d), a reporting individual who concurs with the Committee's notification that the report required to be filed under Title I of the Ethics in Government Act is not complete, or that other action is required, shall submit the necessary information or take appropriate action. Any amendment may be in the form of a revised report required to be filed under Title I of the Ethics in Government Act or an explanatory letter addressed to the Clerk of the House of Representatives.

(n) Any amendment shall be placed on the public record in the same manner as other reports required to be filed under Title I of the Ethics in Government Act. The individual designated by the Committee to review the original report required to be filed under Title I of the Ethics in Government Act shall review any amendment thereto.

(o) Within the time specified, including any extension granted in accordance with clause (d), a reporting individual who does not agree with the Committee that the report required to be filed under Title I of the Ethics in Government Act is deficient or that other action is required, shall be provided an opportunity to respond orally or in writing. If the explanation is accepted, a copy of the response, if written, or a note summarizing an oral response, shall be retained in Committee files with the original report.

(p) The Committee shall be the final arbiter of whether any report required to be filed under Title I of the Ethics in Government Act requires clarification or amendment.

(q) If the Committee determines, by vote of a majority of its members, that there is reason to believe that an individual has willfully failed to file a report required to be filed under Title I of the Ethics in Government Act or has willfully falsified or willfully failed to file information required to be reported, then the Committee shall refer the name of the individual, together with the evidence supporting its finding, to the Attorney General pursuant to section 104(b) of the Ethics in Government Act. Such referral shall not preclude the Committee from initiating such other action as may be authorized by other provisions of law or the Rules of the House of Representatives.

Rule 5. Meetings

(a) The regular meeting day of the Committee shall be the second Tuesday of each month, except when the House of Representatives is not meeting on that day. When the Committee Chair determines that there is sufficient reason, meetings may be called on additional days. A regularly scheduled meeting need not be held when the Chair determines there is no business to be considered.

(b) The Chair shall establish the agenda for meetings of the Committee and the Ranking Minority Member may place additional items on the agenda.

(c) All meetings of the Committee or any subcommittee shall occur in executive session unless the Committee or subcommittee, by an affirmative vote of a majority of its members, opens the meeting to the public.
(d) Any hearing held by an adjudicatory subcommittee or any sanction hearing held by the Committee shall be open to the public unless the Committee or subcommittee, by an affirmative vote of a majority of its members, closes the hearing to the public.

(e) A subcommittee shall meet at the discretion of its Chair.

(f) Insofar as practicable, notice for any Committee or subcommittee meeting shall be provided at least seven days in advance of the meeting. The Chair of the Committee or subcommittee may waive such time period for good cause.

Rule 6. Committee Staff

(a) The staff is to be assembled and retained as a professional, nonpartisan staff.

(b) Each member of the staff shall be professional and demonstrably qualified for the position for which the individual is hired.

(c) The staff as a whole and each individual member of the staff shall perform all official duties in a nonpartisan manner.

(d) No member of the staff shall engage in any partisan political activity directly affecting any congressional or presidential election.

(e) No member of the staff or outside counsel may accept public speaking engagements or write for publication on any subject that is in any way related to the employment or duties with the Committee of such individual without specific prior approval from the Chair and Ranking Minority Member.

(f) All staff members shall be appointed by an affirmative vote of a majority of the members of the Committee. Such vote shall occur at the first meeting of the membership of the Committee during each Congress and as necessary during the Congress.

(g) Subject to the approval of the Committee on House Administration, the Committee may retain counsel not employed by the House of Representatives whenever the Committee determines, by an affirmative vote of a majority of the members of the Committee, that the retention of outside counsel is necessary and appropriate.

(h) If the Committee determines that it is necessary to retain staff members for the purpose of a particular investigation or other proceeding, then such staff shall be retained only for the duration of that particular investigation or proceeding.

(i) Outside counsel may be dismissed prior to the end of a contract between the Committee and such counsel only by a majority vote of the members of the Committee.

(j) In addition to any other staff provided for by law, rule, or other authority, with respect to the Committee, the Chair and Ranking Minority Member each may appoint one individual as a shared staff member from the respective personal staff of the Chair or Ranking Minority Member to perform service for the Committee. Such shared staff may assist the Chair or Ranking Minority Member on any subcommittee on which the Chair or Ranking Minority Member serves. Only paragraphs (c) and (e) of this Rule and Rule 7(b) shall apply to shared staff.

Rule 7. Confidentiality

(a) Before any Member or employee of the Committee, including members of an investigative subcommittee selected under clause 5(a)(4) of Rule X of the House of Representatives and shared staff designated pursuant to Committee Rule 6(j), may have access to information that is confidential under the rules of the Committee, the following oath (or affirmation) shall be executed in writing:

---

89
“I do solemnly swear (or affirm) that I will not disclose, to any person or entity outside the Committee on Ethics, any information received in the course of my service with the Committee, except as authorized by the Committee or in accordance with its rules.”

Copies of the executed oath shall be provided to the Clerk of the House as part of the records of the House. Breaches of confidentiality shall be investigated by the Committee and appropriate action shall be taken.

(b) No member of the staff or outside counsel may make public, unless approved by an affirmative vote of a majority of the members of the Committee, any information, document, or other material that is confidential, derived from executive session, or classified and that is obtained during the course of employment with the Committee.

(c) Committee members and staff shall not disclose any evidence relating to an investigation to any person or organization outside the Committee unless authorized by the Committee.

(d) Members and staff of the Committee shall not disclose to any person or organization outside the Committee, unless authorized by the Committee, any information regarding the Committee’s or a subcommittee’s investigative, adjudicatory, or other proceedings, including but not limited to: (i) the fact or nature of any complaints; (ii) executive session proceedings; (iii) information pertaining to or copies of any Committee or subcommittee report, study or other document which purports to express the views, findings, conclusions or recommendations of the Committee or subcommittee in connection with any of its activities or proceedings; or (iv) any other information or allegation respecting the conduct of a Member, officer, or employee of the House. This rule shall not prohibit the Chair or Ranking Minority Member from disclosing to the Board of the Office of Congressional Ethics the existence of a Committee investigation, the name of the Member, officer or employee of the House who is the subject of that investigation, and a brief statement of the scope of that investigation in a written request for referral pursuant to Rule 17A(k). Such disclosures will only be made subject to written confirmation from the Board that the information provided by the Chair or Ranking Minority Member will be kept confidential by the Board.

(e) Except as otherwise specifically authorized by the Committee, no Committee member or staff member shall disclose to any person outside the Committee, the name of any witness subpoenaed to testify or to produce evidence.

(f) Except as provided in Rule 17A, the Committee shall not disclose to any person or organization outside the Committee any information concerning the conduct of a respondent until it has transmitted a Statement of Alleged Violation to such respondent and the respondent has been given full opportunity to respond pursuant to Rule 22. The Statement of Alleged Violation and any written response thereto shall be made public at the first meeting or hearing on the matter that is open to the public after such opportunity has been provided. Any other materials in the possession of the Committee regarding such statement may be made public as authorized by the Committee to the extent consistent with the Rules of the House of Representatives. If no public hearing is held on the matter, the Statement of Alleged Violation and any written response thereto shall be included in the Committee’s final report on the matter to the House of Representatives.

(g) Unless otherwise determined by a vote of the Committee, only the Chair or Ranking Minority Member of the Committee, after consultation with each other, may make public statements regarding matters before the Committee or any subcommittee.

(h) The Committee may establish procedures necessary to prevent the unauthorized disclosure of any testimony or other information received by the Committee or its staff.
Rule 8. Subcommittees—General Policy and Structure

(a) Notwithstanding any other provision of these Rules, the Chair and Ranking Minority Member of the Committee may consult with an investigative subcommittee either on their own initiative or on the initiative of the subcommittee, shall have access to evidence and information before a subcommittee with whom they so consult, and shall not thereby be precluded from serving as full, voting members of any adjudicatory subcommittee. Except for the Chair and Ranking Minority Member of the Committee pursuant to this paragraph, evidence in the possession of an investigative subcommittee shall not be disclosed to other Committee members except by a vote of the subcommittee.

(b) The Committee may establish other noninvestigative and nonadjudicatory subcommittees and may assign to them such functions as it may deem appropriate. The membership of each subcommittee shall provide equal representation for the majority and minority parties.

(c) The Chair may refer any bill, resolution, or other matter before the Committee to an appropriate subcommittee for consideration. Any such bill, resolution, or other matter may be discharged from the subcommittee to which it was referred by a majority vote of the Committee.

(d) Any member of the Committee may sit with any noninvestigative or nonadjudicatory subcommittee, but only regular members of such subcommittee may vote on any matter before that subcommittee.

Rule 9. Quorums and Member Disqualification

(a) The quorum for the Committee or an investigative subcommittee to take testimony and to receive evidence shall be two members, unless otherwise authorized by the House of Representatives.

(b) The quorum for an adjudicatory subcommittee to take testimony, receive evidence, or conduct business shall consist of a majority plus one of the members of the adjudicatory subcommittee.

(c) Except as stated in clauses (a) and (b) of this rule, a quorum for the purpose of conducting business consists of a majority of the members of the Committee or subcommittee.

(d) A member of the Committee shall be ineligible to participate in any Committee or subcommittee proceeding in which such Member is the respondent.

(e) A member of the Committee may seek disqualification from participating in any investigation of the conduct of a Member, officer, or employee of the House of Representatives upon the submission in writing and under oath of an affidavit of disqualification stating that the member cannot render an impartial and unbiased decision. If the Committee approves and accepts such affidavit of disqualification, the Chair shall so notify the Speaker and ask the Speaker to designate a Member of the House of Representatives from the same political party as the disqualified member of the Committee to act as a member of the Committee in any Committee proceeding relating to such investigation.

Rule 10. Vote Requirements

(a) The following actions shall be taken only upon an affirmative vote of a majority of the members of the Committee or subcommittee, as appropriate:

1. Issuing a subpoena.
2. Adopting a full Committee motion to create an investigative subcommittee.
3. Adopting or amending of a Statement of Alleged Violation.
(4) Finding that a count in a Statement of Alleged Violation has been proved by clear and convincing evidence.

(7) Adopting a report relating to the conduct of a Member, officer, or employee.

(8) Issuing an advisory opinion of general applicability establishing new policy.

(b) Except as stated in clause (a), action may be taken by the Committee or any subcommittee thereof by a simple majority, a quorum being present.

(c) No motion made to take any of the actions enumerated in clause (a) of this Rule may be entertained by the Chair unless a quorum of the Committee is present when such motion is made.

Rule 11. Committee Records

(a) All communications and all pleadings pursuant to these rules shall be filed with the Committee at the Committee’s office or such other place as designated by the Committee.

(b) All records of the Committee which have been delivered to the Archivist of the United States shall be made available to the public in accordance with Rule VII of the Rules of the House of Representatives.

Rule 12. Broadcasts of Committee and Subcommittee Proceedings

(a) Television or radio coverage of a Committee or subcommittee hearing or meeting shall be without commercial sponsorship.

(b) Not more than four television cameras, operating from fixed positions, shall be permitted in a hearing or meeting room. The Committee may allocate the positions of permitted television cameras among the television media in consultation with the Executive Committee of the Radio and Television Correspondents’ Galleries.

(c) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the Committee, or the visibility of that witness and that member to each other.

(d) Television cameras shall not be placed in positions that unnecessarily obstruct the coverage of the hearing or meeting by the other media.

PART II—INVESTIGATIVE AUTHORITY

Rule 13. House Resolution

Whenever the House of Representatives, by resolution, authorizes or directs the Committee to undertake an inquiry or investigation, the provisions of the resolution, in conjunction with these Rules, shall govern. To the extent the provisions of the resolution differ from these Rules, the resolution shall control.

Rule 14. Committee Authority to Investigate—General Policy

(a) Pursuant to clause 3(b) of Rule XI of the Rules of the House of Representatives, the Committee may exercise its investigative authority when:

(1) information offered as a complaint by a Member of the House of Representatives is transmitted directly to the Committee;

(2) information offered as a complaint by an individual not a Member of the House is transmitted to the Committee, provided that a Member of the House certifies in writing that
such Member believes the information is submitted in good faith and warrants the review and consideration of the Committee;

(3) the Committee, on its own initiative, undertakes an investigation;

(4) a Member, officer, or employee is convicted in a Federal, State, or local court of a felony;

(5) the House of Representatives, by resolution, authorizes or directs the Committee to undertake an inquiry or investigation; or

(6) a referral from the Board is transmitted to the Committee.

(b) The Committee also has investigatory authority over:

(1) certain unauthorized disclosures of intelligence-related information, pursuant to House Rule X, clauses 11(g)(4) and (g)(5); or

(2) reports received from the Office of the Inspector General pursuant to House Rule II, clause 6(c)(5).

Rule 15. Complaints

(a) A complaint submitted to the Committee shall be in writing, dated, and properly verified (a document will be considered properly verified where a notary executes it with the language, “Signed and sworn to (or affirmed) before me on (date) by (the name of the person)” setting forth in simple, concise, and direct statements—

(1) the name and legal address of the party filing the complaint (hereinafter referred to as the “complainant”);

(2) the name and position or title of the respondent;

(3) the nature of the alleged violation of the Code of Official Conduct or of other law, rule, regulation, or other standard of conduct applicable to the performance of duties or discharge of responsibilities; and

(4) the facts alleged to give rise to the violation. The complaint shall not contain innuendo, speculative assertions, or conclusory statements.

(b) Any documents in the possession of the complainant that relate to the allegations may be submitted with the complaint.

(c) Information offered as a complaint by a Member of the House of Representatives may be transmitted directly to the Committee.

(d) Information offered as a complaint by an individual not a Member of the House may be transmitted to the Committee, provided that a Member of the House certifies in writing that such Member believes the information is submitted in good faith and warrants the review and consideration of the Committee.

(e) A complaint must be accompanied by a certification, which may be unsworn, that the complainant has provided an exact copy of the filed complaint and all attachments to the respondent.

(f) The Committee may defer action on a complaint against a Member, officer, or employee of the House of Representatives when the complaint alleges conduct that the Committee has reason to believe is being reviewed by appropriate law enforcement or regulatory authorities, or when the Committee determines that it is appropriate for the conduct alleged in the complaint to be reviewed initially by law enforcement or regulatory authorities.

(g) A complaint may not be amended without leave of the Committee. Otherwise, any new allegations of improper conduct must be submitted in a new complaint that independently meets the procedural requirements of the Rules of the House of Representatives and the Committee’s Rules.
(h) The Committee shall not accept, and shall return to the complainant, any complaint submitted within the 60 days prior to an election in which the subject of the complaint is a candidate.

(i) The Committee shall not consider a complaint, nor shall any investigation be undertaken by the Committee, of any alleged violation which occurred before the third previous Congress unless the Committee determines that the alleged violation is directly related to an alleged violation which occurred in a more recent Congress.

Rule 16. Duties of Committee Chair and Ranking Minority Member

(a) Whenever information offered as a complaint is submitted to the Committee, the Chair and Ranking Minority Member shall have 14 calendar days or 5 legislative days, whichever occurs first, to determine whether the information meets the requirements of the Committee’s rules for what constitutes a complaint.

(b) Whenever the Chair and Ranking Minority Member jointly determine that information submitted to the Committee meets the requirements of the Committee’s rules for what constitutes a complaint, they shall have 45 calendar days or 5 legislative days, whichever is later, after the date that the Chair and Ranking Minority Member determine that information filed meets the requirements of the Committee’s rules for what constitutes a complaint, unless the Committee by an affirmative vote of a majority of its members votes otherwise, to –

(1) recommend to the Committee that it dispose of the complaint, or any portion thereof, in any manner that does not require action by the House, which may include dismissal of the complaint or resolution of the complaint by a letter to the Member, officer, or employee of the House against whom the complaint is made;
(2) establish an investigative subcommittee; or
(3) request that the Committee extend the applicable 45-day period when they determine more time is necessary in order to make a recommendation under paragraph (1) or (2) of Rule 16(b).

(c) The Chair and Ranking Minority Member may jointly gather additional information concerning alleged conduct which is the basis of a complaint or of information offered as a complaint until they have established an investigative subcommittee or the Chair or Ranking Minority Member has placed on the agenda the issue of whether to establish an investigative subcommittee.

(d) If the Chair and Ranking Minority Member jointly determine that information submitted to the Committee meets the requirements of the Committee rules for what constitutes a complaint, and the complaint is not disposed of within 45 calendar days or 5 legislative days, whichever is later, and no additional 45-day extension is made, then they shall establish an investigative subcommittee and forward the complaint, or any portion thereof, to that subcommittee for its consideration. If at any time during the time period either the Chair or Ranking Minority Member places on the agenda the issue of whether to establish an investigative subcommittee, then an investigative subcommittee may be established only by an affirmative vote of a majority of the members of the Committee.

(e) Whenever the Chair and Ranking Minority Member jointly determine that information submitted to the Committee does not meet the requirements for what constitutes a complaint set forth in the Committee rules, they may (1) return the information to the complainant with a statement that it fails to meet the requirements for what constitutes a complaint set forth in the Committee’s rules; or (2) recommend to the Committee that it authorize the establishment of an investigative subcommittee.
Rule 17. Processing of Complaints

(a) If a complaint is in compliance with House and Committee Rules, a copy of the complaint and the Committee Rules shall be forwarded to the respondent within 5 days with notice that the complaint conforms to the applicable rules.

(b) The respondent may, within 30 days of the Committee’s notification, provide to the Committee any information relevant to a complaint filed with the Committee. The respondent may submit a written statement in response to the complaint. Such a statement shall be signed by the respondent. If the statement is prepared by counsel for the respondent, the respondent shall sign a representation that the respondent has reviewed the response and agrees with the factual assertions contained therein.

(c) The Committee staff may request information from the respondent or obtain additional information relevant to the case from other sources prior to the establishment of an investigative subcommittee only when so directed by the Chair and Ranking Minority Member.

(d) The respondent shall be notified in writing regarding the Committee’s decision either to dismiss the complaint or to create an investigative subcommittee.

Rule 17A. Referrals from the Board of the Office of Congressional Ethics

(a) The Committee has exclusive jurisdiction over the interpretation, administration, and enforcement of the Code of Official Conduct pursuant to clause 1(g) of House Rule X. Receipt of referrals from the Board under this rule does not limit the Committee’s discretion to address referrals in any way through the appropriate procedures authorized by Committee Rules. The Committee shall review the report and findings transmitted by the Board without prejudice or presumptions as to the merit of the allegations.

(b)(1) Whenever the Committee receives either (A) a referral containing a written report and any findings and supporting documentation from the Board; or (B) a referral from the Board pursuant to a request under Rule 17A(k), the Chair shall have 45 calendar days or 5 legislative days after the date the referral is received, whichever is later, to make public the report and findings of the Board unless the Chair and Ranking Minority Member jointly decide, or the Committee votes, to withhold such information for not more than one additional 45-day period.

(2) At least one calendar day before the Committee makes public any report and findings of the Board the Chair shall notify in writing the Board and the Member, officer, or employee who is the subject of the referral of the impending public release of these documents. At the same time, the Chair shall transmit a copy of any public statement on the Committee’s disposition of the matter and any accompanying Committee report to the individual who is the subject of the referral.

(c) If the OCE report and findings are withheld for an additional 45-day period pursuant to paragraph (b)(1), the Chair shall—

(1) make a public statement on the day of such decision or vote that the matter referred from the Board has been extended; and

(2) make public the written report and findings pursuant to paragraph (b) upon the termination of such additional period.

(d) If the Board transmits a report with a recommendation to dismiss or noting a matter as unresolved due to a tie vote, and the matter is extended for an additional period as provided in paragraph (b), the Committee is not required to make a public statement that the matter has been extended pursuant to paragraph (b)(1).
(e) If the Committee votes to dismiss a matter referred from the Board, the Committee is not required to make public the written report and findings of the Board pursuant to paragraph (c) unless the Committee’s vote is inconsistent with the recommendation of the Board. A vote by the Committee to dismiss a matter is not considered inconsistent with a report from the Board that the matter is unresolved by the Board due to a tie vote.

(f) Except as provided by paragraph (g):

(1) If the Committee establishes an investigative subcommittee respecting any matter referred by the Board, then the report and findings of the Board shall not be made public until the conclusion of the investigative subcommittee process. The Committee shall issue a public statement noting the establishment of an investigative subcommittee, which shall include the name of the Member, officer, or employee who is the subject of the inquiry, and shall set forth the alleged violation.

(2) If any such investigative subcommittee does not conclude its review within one year after the Board’s referral, then the Committee shall make public the report of the Board no later than one year after the referral. If the investigative subcommittee does not conclude its review before the end of the Congress in which the report of the Board is made public, the Committee shall make public any findings of the Board on the last day of that Congress.

(g) If the vote of the Committee is a tie or the Committee fails to act by the close of any applicable period(s) under this rule, the report and the findings of the Board shall be made public by the Committee, along with a public statement by the Chair explaining the status of the matter.

(h)(1) If the Committee agrees to a request from an appropriate law enforcement or regulatory authority to defer taking action on a matter referred by the Board under paragraph (b) –

(A) The Committee is not required to make public the written report and findings of the Board pursuant to paragraph (c), except that if the recommendation of the Board is that the matter requires further review, the Committee shall make public the written report of the Board but not the findings; and

(B) The Committee shall make a public statement that it is deferring taking action on the matter at the request of such law enforcement or regulatory authority within one day (excluding weekends and public holidays) of the day that the Committee agrees to the request.

(2) If the Committee has not acted on the matter within one year of the date the public statement described in paragraph (h)(1)(B) is released, the Committee shall make a public statement that it continues to defer taking action on the matter. The Committee shall make a new statement upon the expiration of each succeeding one-year period during which the Committee has not acted on the matter.

(i) The Committee shall not accept, and shall return to the Board, any referral from the Board within 60 days before a Federal, State, or local election in which the subject of the referral is a candidate.

(j) The Committee may postpone any reporting requirement under this rule that falls within that 60-day period until after the date of the election in which the subject of the referral is a candidate. For purposes of calculating any applicable period under this Rule, any days within the 60-day period before such an election shall not be counted.

(k)(1) At any time after the Committee receives written notification from the Board of the Office of Congressional Ethics that the Board is undertaking a review of alleged conduct of any Member, officer, or employee of the House at a time when the Committee is investigating, or has completed an investigation of the same matter, the Committee may so notify the Board in writing and request that the Board cease its review and refer the matter to the Committee for
its consideration immediately. The Committee shall also notify the Board in writing if the Committee has not reached a final resolution of the matter or has not referred the matter to the appropriate Federal or State authorities by the end of any applicable time period specified in Rule 17A (including any permissible extension).

(2) The Committee may not request a second referral of the matter from the Board if the Committee has notified the Board that it is unable to resolve the matter previously requested pursuant to this section. The Board may subsequently send a referral regarding a matter previously requested and returned by the Committee after the conclusion of the Board's review process.

Rule 18. Committee-Initiated Inquiry or Investigation

(a) Notwithstanding the absence of a filed complaint, the Committee may consider any information in its possession indicating that a Member, officer, or employee may have committed a violation of the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, officer, or employee in the performance of the duties or the discharge of the responsibilities of such individual. The Chair and Ranking Minority Member may jointly gather additional information concerning such an alleged violation by a Member, officer, or employee unless and until an investigative subcommittee has been established. The Chair and Ranking Minority Member may also jointly take appropriate action consistent with Committee Rules to resolve the matter.

(b) If the Committee votes to establish an investigative subcommittee, the Committee shall proceed in accordance with Rule 19.

(c) Any written request by a Member, officer, or employee of the House of Representatives that the Committee conduct an investigation into such person's own conduct shall be considered in accordance with subsection (a) of this Rule.

(d) An inquiry shall not be undertaken regarding any alleged violation that occurred before the third previous Congress unless a majority of the Committee determines that the alleged violation is directly related to an alleged violation that occurred in a more recent Congress.

(e)(1) An inquiry shall be undertaken by an investigative subcommittee with regard to any felony conviction of a Member, officer, or employee of the House of Representatives in a Federal, State, or local court who has been sentenced. Notwithstanding this provision, the Committee has the discretion to initiate an inquiry upon an affirmative vote of a majority of the members of the Committee at any time prior to conviction or sentencing.

(2) Not later than 30 days after a Member of the House is indicted or otherwise formally charged with criminal conduct in any Federal, State, or local court, the Committee shall either initiate an inquiry upon a majority vote of the members of the Committee or submit a report to the House describing its reasons for not initiating an inquiry and describing the actions, if any, that the Committee has taken in response to the allegations.

Rule 19. Investigative Subcommittee

(a)(1) Upon the establishment of an investigative subcommittee, the Chair and Ranking Minority Member of the Committee shall designate four members (with equal representation from the majority and minority parties) to serve as an investigative subcommittee to undertake an inquiry. Members of the Committee and Members of the House selected pursuant to clause 5(a)(4)(A) of Rule X of the House of Representatives are eligible for appointment to an investigative subcommittee, as determined by the Chair and Ranking Minority Member of the Committee. At the time of appointment, the Chair shall designate one member of the
subcommittee to serve as the Chair and the Ranking Minority Member shall designate one member of the subcommittee to serve as the ranking minority member of the investigative subcommittee. The Chair and Ranking Minority Member of the Committee may serve as members of an investigative subcommittee, but may not serve as non-voting, ex-officio members.

(2) The respondent shall be notified of the membership of the investigative subcommittee and shall have 10 days after such notice is transmitted to object to the participation of any subcommittee member. Such objection shall be in writing and must be on the grounds that the subcommittee member cannot render an impartial and unbiased decision. The members of the Committee shall engage in a collegial discussion regarding such objection. The subcommittee member against whom the objection is made shall be the sole judge of any disqualification and may choose to seek disqualification from participating in the inquiry pursuant to Rule 9(e).

(b) In an inquiry undertaken by an investigative subcommittee—

(1) All proceedings, including the taking of testimony, shall be conducted in executive session and all testimony taken by deposition or things produced pursuant to subpoena or otherwise shall be deemed to have been taken or produced in executive session.

(2) The Chair of the investigative subcommittee shall ask the respondent and all witnesses whether they intend to be represented by counsel. If so, the respondent or witnesses or their legal representatives shall provide written designation of counsel. A respondent or witness who is represented by counsel shall not be questioned in the absence of counsel unless an explicit waiver is obtained.

(3) The subcommittee shall provide the respondent an opportunity to present, orally or in writing, a statement, which must be under oath or affirmation, regarding the allegations and any other relevant questions arising out of the inquiry.

(4) The staff may interview witnesses, examine documents and other evidence, and request that submitted statements be under oath or affirmation and that documents be certified as to their authenticity and accuracy.

(5) The subcommittee, by a majority vote of its members, may require, by subpoena or otherwise, the attendance and testimony of witnesses and the production of such books, records, correspondence, memoranda, papers, documents, and other items as it deems necessary to the conduct of the inquiry. Unless the Committee otherwise provides, the subpoena power shall rest in the Chair and Ranking Minority Member of the Committee and a subpoena shall be issued upon the request of the investigative subcommittee.

(6) The subcommittee shall require that testimony be given under oath or affirmation. The form of the oath or affirmation shall be: “Do you solemnly swear (or affirm) that the testimony you will give before this subcommittee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?” The oath or affirmation shall be administered by the Chair or subcommittee member designated by the Chair to administer oaths.

(c) During the inquiry, the procedure respecting the admissibility of evidence and rulings shall be as follows:

(1) Any relevant evidence shall be admissible unless the evidence is privileged under the precedents of the House of Representatives.

(2) The Chair of the subcommittee or other presiding member at any investigative subcommittee proceeding shall rule upon any question of admissibility or relevance of evidence, motion, procedure, or any other matter, and may direct any witness to answer any question under penalty of contempt. A witness, witness counsel, or a member of the subcommittee may
appeal any rulings to the members present at that proceeding. A majority vote of the members present at such proceeding on such appeal shall govern the question of admissibility, and no appeal shall lie to the Committee.

(3) Whenever a person is determined by a majority vote to be in contempt of the subcommittee, the matter may be referred to the Committee to determine whether to refer the matter to the House of Representatives for consideration.

(4) Committee counsel may, subject to subcommittee approval, enter into stipulations with the respondent and/or the respondent’s counsel as to facts that are not in dispute.

(d) Upon an affirmative vote of a majority of the subcommittee members, and an affirmative vote of a majority of the full Committee, an investigative subcommittee may expand the scope of its inquiry.

(e) Upon completion of the inquiry, the staff shall draft for the investigative subcommittee a report that shall contain a comprehensive summary of the information received regarding the alleged violations.

(f) Upon completion of the inquiry, an investigative subcommittee, by a majority vote of its members, may adopt a Statement of Alleged Violation if it determines that there is substantial reason to believe that a violation of the Code of Official Conduct, or of a law, rule, regulation, or other standard of conduct applicable to the performance of official duties or the discharge of official responsibilities by a Member, officer, or employee of the House of Representatives has occurred. If more than one violation is alleged, such Statement shall be divided into separate counts. Each count shall relate to a separate violation, shall contain a plain and concise statement of the alleged facts of such violation, and shall include a reference to the provision of the Code of Official Conduct or law, rule, regulation, or other applicable standard of conduct governing the performance of duties or discharge of responsibilities alleged to have been violated. A copy of such Statement shall be transmitted to the respondent and the respondent’s counsel.

(g) If the investigative subcommittee does not adopt a Statement of Alleged Violation, it shall transmit to the Committee a report containing a summary of the information received in the inquiry, its conclusions and reasons therefore, and any appropriate recommendation.

Rule 20. Amendments to Statements of Alleged Violation

(a) An investigative subcommittee may, upon an affirmative vote of a majority of its members, amend its Statement of Alleged Violation anytime before the Statement of Alleged Violation is transmitted to the Committee; and

(b) If an investigative subcommittee amends its Statement of Alleged Violation, the respondent shall be notified in writing and shall have 30 calendar days from the date of that notification to file an answer to the amended Statement of Alleged Violation.

Rule 21. Committee Reporting Requirements

(a) Whenever an investigative subcommittee does not adopt a Statement of Alleged Violation and transmits a report to that effect to the Committee, the Committee may by an affirmative vote of a majority of its members transmit such report to the House of Representatives;

(b) Whenever an investigative subcommittee adopts a Statement of Alleged Violation but recommends that no further action be taken, it shall transmit a report to the Committee regarding the Statement of Alleged Violation; and
Whenever an investigative subcommittee adopts a Statement of Alleged Violation, the respondent admits to the violations set forth in such Statement, the respondent waives the right to an adjudicatory hearing, and the respondent’s waiver is approved by the Committee—

1. the subcommittee shall prepare a report for transmittal to the Committee, a final draft of which shall be provided to the respondent not less than 15 calendar days before the subcommittee votes on whether to adopt the report;

2. the respondent may submit views in writing regarding the final draft to the subcommittee within 7 calendar days of receipt of that draft;

3. the subcommittee shall transmit a report to the Committee regarding the Statement of Alleged Violation together with any views submitted by the respondent pursuant to subparagraph (2), and the Committee shall make the report, together with the respondent’s views, available to the public before the commencement of any sanction hearing; and

4. the Committee shall by an affirmative vote of a majority of its members issue a report and transmit such report to the House of Representatives, together with the respondent’s views previously submitted pursuant to subparagraph (2) and any additional views respondent may submit for attachment to the final report; and

(d) Members of the Committee shall have not less than 72 hours to review any report transmitted to the Committee by an investigative subcommittee before both the commencement of a sanction hearing and the Committee vote on whether to adopt the report.

Rule 22. Respondent’s Answer

(a)(1) Within 30 days from the date of transmittal of a Statement of Alleged Violation, the respondent shall file with the investigative subcommittee an answer, in writing and under oath, signed by respondent and respondent’s counsel. Failure to file an answer within the time prescribed shall be considered by the Committee as a denial of each count.

(2) The answer shall contain an admission to or denial of each count set forth in the Statement of Alleged Violation and may include negative, affirmative, or alternative defenses and any supporting evidence or other relevant information.

(b) The respondent may file a Motion for a Bill of Particulars within 10 days of the date of transmittal of the Statement of Alleged Violation. If a Motion for a Bill of Particulars is filed, the respondent shall not be required to file an answer until 20 days after the subcommittee has replied to such motion.

(c)(1) The respondent may file a Motion to Dismiss within 10 days of the date of transmittal of the Statement of Alleged Violation or, if a Motion for a Bill of Particulars has been filed, within 10 days of the date of the subcommittee’s reply to the Motion for a Bill of Particulars. If a Motion to Dismiss is filed, the respondent shall not be required to file an answer until 20 days after the subcommittee has replied to the Motion to Dismiss, unless the respondent previously filed a Motion for a Bill of Particulars, in which case the respondent shall not be required to file an answer until 10 days after the subcommittee has replied to the Motion to Dismiss. The investigative subcommittee shall rule upon any motion to dismiss filed during the period between the establishment of the subcommittee and the subcommittee’s transmittal of a report or Statement of Alleged Violation to the Committee or to the Chair and Ranking Minority Member at the conclusion of an inquiry, and no appeal of the subcommittee’s ruling shall lie to the Committee.

(2) A Motion to Dismiss may be made on the grounds that the Statement of Alleged Violation fails to state facts that constitute a violation of the Code of Official Conduct or other
applicable law, rule, regulation, or standard of conduct, or on the grounds that the Committee 
lacks jurisdiction to consider the allegations contained in the Statement.

(d) Any motion filed with the subcommittee pursuant to this rule shall be accompanied 
by a Memorandum of Points and Authorities.

(e)(1) The Chair of the investigative subcommittee, for good cause shown, may permit 
the respondent to file an answer or motion after the day prescribed above.

(2) If the ability of the respondent to present an adequate defense is not adversely 
affected and special circumstances so require, the Chair of the investigative subcommittee may 
direct the respondent to file an answer or motion prior to the day prescribed above.

(f) If the day on which any answer, motion, reply, or other pleading must be filed falls 
on a Saturday, Sunday, or holiday, such filing shall be made on the first business day 
thereafter.

(g) As soon as practicable after an answer has been filed or the time for such filing has 
expired, the Statement of Alleged Violation and any answer, motion, reply, or other pleading 
connected therewith shall be transmitted by the Chair of the investigative subcommittee to the 
Chair and Ranking Minority Member of the Committee.

Rule 23. Adjudicatory Hearings

(a) If a Statement of Alleged Violation is transmitted to the Chair and Ranking Minority 
Member pursuant to Rule 22, and no waiver pursuant to Rule 26(b) has occurred, the Chair 
shall designate the members of the Committee who did not serve on the investigative 
subcommittee to serve on an adjudicatory subcommittee. The Chair and Ranking Minority 
Member of the Committee shall be the Chair and Ranking Minority Member of the adjudicatory 
subcommittee unless they served on the investigative subcommittee. The respondent shall be 
notified of the designation of the adjudicatory subcommittee and shall have 10 days after such 
notice is transmitted to object to the participation of any subcommittee member. Such objection 
shall be in writing and shall be on the grounds that the member cannot render an impartial and 
unbiased decision. The members of the Committee shall engage in a collegial discussion 
regarding such objection. The member against whom the objection is made shall be the sole 
judge of any disqualification and may choose to seek disqualification from serving on the 
subcommittee pursuant to Rule 9(e).

(b) A majority of the adjudicatory subcommittee membership plus one must be present 
at all times for the conduct of any business pursuant to this rule.

(c) The adjudicatory subcommittee shall hold a hearing to determine whether any 
counts in the Statement of Alleged Violation have been proved by clear and convincing evidence 
and shall make findings of fact, except where such violations have been admitted by respondent.

(d) The subcommittee may require, by subpoena or otherwise, the attendance and 
testimony of such witnesses and production of such books, records, correspondence, memoranda, 
papers, documents, and other items as it deems necessary. A subpoena for documents may 
specify terms of return other than at a meeting or hearing of the subcommittee. Depositions, 
interrogatories, and sworn statements taken under any investigative subcommittee direction 
may be accepted into the hearing record.

(e) The procedures set forth in clause 2(g)(1)-(4), (6)-(7) and (k) of Rule XI of the Rules of 
the House of Representatives shall apply to adjudicatory hearings. All such hearings shall be 
open to the public unless the adjudicatory subcommittee, pursuant to such clause, determines 
that the hearings or any part thereof should be closed.

(f)(1) The adjudicatory subcommittee shall, in writing, notify the respondent that the 
respondent and respondent’s counsel have the right to inspect, review, copy, or photograph
books, papers, documents, photographs, or other tangible objects that committee counsel intends to use as evidence against the respondent in an adjudicatory hearing. The respondent shall be given access to such evidence, and shall be provided the names of witnesses committee counsel intends to call, and a summary of their expected testimony, no less than 15 calendar days prior to any such hearing. Except in extraordinary circumstances, no evidence may be introduced or witness called in an adjudicatory hearing unless the respondent has been afforded a prior opportunity to review such evidence or has been provided the name of the witness.

(2) After a witness has testified on direct examination at an adjudicatory hearing, the Committee, at the request of the respondent, shall make available to the respondent any statement of the witness in the possession of the Committee which relates to the subject matter as to which the witness has testified.

(3) Any other testimony, statement, or documentary evidence in the possession of the Committee which is material to the respondent’s defense shall, upon request, be made available to the respondent.

(g) No less than 5 days prior to the hearing, the respondent or counsel shall provide the adjudicatory subcommittee with the names of witnesses expected to be called, summaries of their expected testimony, and copies of any documents or other evidence proposed to be introduced.

(h) The respondent or counsel may apply to the subcommittee for the issuance of subpoenas for the appearance of witnesses or the production of evidence. The application shall be granted upon a showing by the respondent that the proposed testimony or evidence is relevant and not otherwise available to respondent. The application may be denied if not made at a reasonable time or if the testimony or evidence would be merely cumulative.

(i) No later than two weeks or 5 legislative days after the Chair of the Committee designates members to serve on an adjudicatory subcommittee, whichever is later, the Chair of the adjudicatory subcommittee shall establish a schedule and procedure for the hearing and for prehearing matters. The procedures may be changed either by the Chair of the adjudicatory subcommittee or a by a majority vote of the members of the subcommittee. If the Chair makes prehearing rulings upon any question of admissibility or relevance of evidence, motion, procedure, or any other matter, the Chair shall make available those rulings to all subcommittee members at the time of the ruling.

(j) The procedures regarding the admissibility of evidence and rulings shall be as follows:

(1) Any relevant evidence shall be admissible unless the evidence is privileged under the precedents of the House of Representatives.

(2) The Chair of the subcommittee or other presiding member at an adjudicatory subcommittee hearing shall rule upon any question of admissibility or relevance of evidence, motion, procedure, or any other matter, and may direct any witness to answer any question under penalty of contempt. A witness, witness counsel, or a member of the subcommittee may appeal any ruling to the members present at that proceeding. A majority vote of the members present at such proceeding on such an appeal shall govern the question of admissibility and no appeal shall lie to the Committee.

(3) Whenever a witness is deemed by a Chair or other presiding member to be in contempt of the subcommittee, the matter may be referred to the Committee to determine whether to refer the matter to the House of Representatives for consideration.

(4) Committee counsel may, subject to subcommittee approval, enter into stipulations with the respondent and/or the respondent’s counsel as to facts that are not in dispute.

(k) Unless otherwise provided, the order of an adjudicatory hearing shall be as follows:
(1) The Chair and Ranking Minority Member of the subcommittee shall open the hearing with equal time and during which time, the Chair shall state the adjudicatory subcommittee’s authority to conduct the hearing and the purpose of the hearing.

(2) The Chair shall then recognize Committee counsel and the respondent’s counsel, in turn, for the purpose of giving opening statements.

(3) Testimony from witnesses and other relevant evidence shall be received in the following order whenever possible:
   (i) witnesses (deposition transcripts and affidavits obtained during the inquiry may be used in lieu of live witnesses) and other evidence offered by the Committee counsel,
   (ii) witnesses and other evidence offered by the respondent,
   (iii) rebuttal witnesses, as permitted by the Chair.

(4) Witnesses at a hearing shall be examined first by counsel calling such witness. The opposing counsel may then cross-examine the witness. Redirect examination and recross examination by counsel may be permitted at the Chair’s discretion. Subcommittee members may then question witnesses. Unless otherwise directed by the Chair, questions by Subcommittee members shall be conducted under the five-minute rule.

(5) The Chair shall then recognize Committee counsel and respondent’s counsel, in turn, for the purpose of giving closing arguments. Committee counsel may reserve time for rebuttal argument, as permitted by the Chair.

(l) A subpoena to a witness to appear at a hearing shall be served sufficiently in advance of that witness’ scheduled appearance to allow the witness a reasonable period of time, as determined by the Chair of the adjudicatory subcommittee, to prepare for the hearing and to employ counsel.

(m) Each witness appearing before the subcommittee shall be furnished a printed copy of the Committee rules, the relevant provisions of the Rules of the House of Representatives applicable to the rights of witnesses, and a copy of the Statement of Alleged Violation.

(n) Testimony of all witnesses shall be taken under oath or affirmation. The form of the oath or affirmation shall be: “Do you solemnly swear (or affirm) that the testimony you will give before this subcommittee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?” The oath or affirmation shall be administered by the Chair or Committee member designated by the Chair to administer oaths.

(o) At an adjudicatory hearing, the burden of proof rests on Committee counsel to establish the facts alleged in the Statement of Alleged Violation by clear and convincing evidence. However, Committee counsel need not present any evidence regarding any count that is admitted by the respondent or any fact stipulated. Committee counsel or respondent’s counsel may move the adjudicatory subcommittee to make a finding that there is no material fact at issue. If the adjudicatory subcommittee finds that there is no material fact at issue, the burden of proof will be deemed satisfied.

(p) As soon as practicable after all testimony and evidence have been presented, the subcommittee shall consider each count contained in the Statement of Alleged Violation and shall determine by a majority vote of its members whether each count has been proved. If a majority of the subcommittee does not vote that a count has been proved, a motion to reconsider that vote may be made only by a member who voted that the count was not proved. A count that is not proved shall be considered as dismissed by the subcommittee.

(q) The findings of the adjudicatory subcommittee shall be reported to the Committee.
Rule 24. Sanction Hearing and Consideration of Sanctions or Other Recommendations

(a) If no count in a Statement of Alleged Violation is proved, the Committee shall prepare a report to the House of Representatives, based upon the report of the adjudicatory subcommittee.

(b) If an adjudicatory subcommittee completes an adjudicatory hearing pursuant to Rule 23 and reports that any count of the Statement of Alleged Violation has been proved, a hearing before the Committee shall be held to receive oral and/or written submissions by counsel for the Committee and counsel for the respondent as to the sanction the Committee should recommend to the House of Representatives with respect to such violations. Testimony by witnesses shall not be heard except by written request and vote of a majority of the Committee.

(c) Upon completion of any proceeding held pursuant to clause (b), the Committee shall consider and vote on a motion to recommend to the House of Representatives that the House take disciplinary action. If a majority of the Committee does not vote in favor of the recommendation that the House of Representatives take action, a motion to reconsider that vote may be made only by a member who voted against the recommendation. The Committee may also, by majority vote, adopt a motion to issue a Letter of Reproval or take other appropriate Committee action.

(d) If the Committee determines a Letter of Reproval constitutes sufficient action, the Committee shall include any such letter as a part of its report to the House of Representatives.

(e) With respect to any proved counts against a Member of the House of Representatives, the Committee may recommend to the House one or more of the following sanctions:

   (1) Expulsion from the House of Representatives.
   (2) Censure.
   (3) Reprimand.
   (4) Fine.
   (5) Denial or limitation of any right, power, privilege, or immunity of the Member if under the Constitution the House of Representatives may impose such denial or limitation.
   (6) Any other sanction determined by the Committee to be appropriate.

(f) With respect to any proved counts against an officer or employee of the House of Representatives, the Committee may recommend to the House one or more of the following sanctions:

   (1) Dismissal from employment.
   (2) Reprimand.
   (3) Fine.
   (4) Any other sanction determined by the Committee to be appropriate.

(g) With respect to the sanctions that the Committee may recommend, reprimand is appropriate for serious violations, censure is appropriate for more serious violations, and expulsion of a Member or dismissal of an officer or employee is appropriate for the most serious violations. A recommendation of a fine is appropriate in a case in which it is likely that the violation was committed to secure a personal financial benefit; and a recommendation of a denial or limitation of a right, power, privilege, or immunity of a Member is appropriate when the violation bears upon the exercise or holding of such right, power, privilege, or immunity. This clause sets forth general guidelines and does not limit the authority of the Committee to recommend other sanctions.
(h) The Committee report shall contain an appropriate statement of the evidence supporting the Committee's findings and a statement of the Committee's reasons for the recommended sanction.

Rule 25. Disclosure of Exculpatory Information to Respondent

If the Committee, or any investigative or adjudicatory subcommittee at any time receives any exculpatory information respecting a Complaint or Statement of Alleged Violation concerning a Member, officer, or employee of the House of Representatives, it shall make such information known and available to the Member, officer, or employee as soon as practicable, but in no event later than the transmittal of evidence supporting a proposed Statement of Alleged Violation pursuant to Rule 26(c). If an investigative subcommittee does not adopt a Statement of Alleged Violation, it shall identify any exculpatory information in its possession at the conclusion of its inquiry and shall include such information, if any, in the subcommittee's final report to the Committee regarding its inquiry. For purposes of this rule, exculpatory evidence shall be any evidence or information that is substantially favorable to the respondent with respect to the allegations or charges before an investigative or adjudicatory subcommittee.

Rule 26. Rights of Respondents and Witnesses

(a) A respondent shall be informed of the right to be represented by counsel, to be provided at the respondent's own expense.

(b) A respondent may seek to waive any procedural rights or steps in the disciplinary process. A request for waiver must be in writing, signed by the respondent, and must detail what procedural steps the respondent seeks to waive. Any such request shall be subject to the acceptance of the Committee or subcommittee, as appropriate.

(c) Not less than 10 calendar days before a scheduled vote by an investigative subcommittee on a Statement of Alleged Violation, the subcommittee shall provide the respondent with a copy of the Statement of Alleged Violation it intends to adopt together with all evidence it intends to use to prove those charges which it intends to adopt, including documentary evidence, witness testimony, memoranda of witness interviews, and physical evidence, unless the subcommittee by an affirmative vote of a majority of its members decides to withhold certain evidence in order to protect a witness, but if such evidence is withheld, the subcommittee shall inform the respondent that evidence is being withheld and of the count to which such evidence relates.

(d) Neither the respondent nor respondent's counsel shall, directly or indirectly, contact the subcommittee or any member thereof during the period of time set forth in paragraph (c) except for the sole purpose of settlement discussions where counsels for the respondent and the subcommittee are present.

(e) If, at any time after the issuance of a Statement of Alleged Violation, the Committee or any subcommittee thereof determines that it intends to use evidence not provided to a respondent under paragraph (c) to prove the charges contained in the Statement of Alleged Violation (or any amendment thereof), such evidence shall be made immediately available to the respondent, and it may be used in any further proceeding under the Committee's rules.

(f) Evidence provided pursuant to paragraph (c) or (e) shall be made available to the respondent and respondent's counsel only after each agrees, in writing, that no document, information, or other materials obtained pursuant to that paragraph shall be made public until—

(1) such time as a Statement of Alleged Violation is made public by the Committee if the respondent has waived the adjudicatory hearing; or
(2) the commencement of an adjudicatory hearing if the respondent has not waived an adjudicatory hearing; but the failure of respondent and respondent’s counsel to so agree in writing, and therefore not receive the evidence, shall not preclude the issuance of a Statement of Alleged Violation at the end of the period referenced to in (c).

(g) A respondent shall receive written notice whenever:

(1) the Chair and Ranking Minority Member determine that information the Committee has received constitutes a complaint;

(2) a complaint or allegation is transmitted to an investigative subcommittee;

(3) that subcommittee votes to authorize its first subpoena or to take testimony under oath, whichever occurs first; and

(4) the Committee votes to expand the scope of the inquiry of an investigative subcommittee.

(h) Whenever an investigative subcommittee adopts a Statement of Alleged Violation and a respondent enters into an agreement with that subcommittee to settle a complaint on which the Statement is based, that agreement, unless the respondent requests otherwise, shall be in writing and signed by the respondent and the respondent’s counsel, the Chair and Ranking Minority Member of the subcommittee, and outside counsel, if any.

(i) Statements or information derived solely from a respondent or respondent’s counsel during any settlement discussions between the Committee or a subcommittee thereof and the respondent shall not be included in any report of the subcommittee or the Committee or otherwise publicly disclosed without the consent of the respondent.

(j) Whenever a motion to establish an investigative subcommittee does not prevail, the Committee shall promptly send a letter to the respondent informing the respondent of such vote.

(k) Witnesses shall be afforded a reasonable period of time, as determined by the Committee or subcommittee, to prepare for an appearance before an investigative subcommittee or for an adjudicatory hearing and to obtain counsel.

(l) Prior to their testimony, witnesses shall be furnished a printed copy of the Committee’s Rules of Procedure and the provisions of the Rules of the House of Representatives applicable to the rights of witnesses.

(m) Witnesses may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights. The Chair may punish breaches of order and decorum, and of professional responsibility on the part of counsel, by censure and exclusion from the hearings; and the Committee may cite the offender to the House of Representatives for contempt.

(n) Each witness subpoenaed to provide testimony or other evidence shall be provided the same per diem rate as established, authorized, and regulated by the Committee on House Administration for Members, officers and employees of the House, and, as the Chair considers appropriate, actual expenses of travel to or from the place of examination. No compensation shall be authorized for attorney’s fees or for a witness’ lost earnings. Such per diem may not be paid if a witness had been summoned at the place of examination.

(o) With the approval of the Committee, a witness, upon request, may be provided with a transcript of the witness’ own deposition or other testimony taken in executive session, or, with the approval of the Chair and Ranking Minority Member, may be permitted to examine such transcript in the office of the Committee. Any such request shall be in writing and shall include a statement that the witness, and counsel, agree to maintain the confidentiality of all executive session proceedings covered by such transcript.
Rule 27. Frivolous Filings

If a complaint or information offered as a complaint is deemed frivolous by an affirmative vote of a majority of the members of the Committee, the Committee may take such action as it, by an affirmative vote of a majority deems appropriate in the circumstances.

Rule 28. Referrals to Federal or State Authorities

Referrals made under clause 3(a)(3) of Rule XI of the Rules of the House of Representatives may be made by an affirmative vote of two-thirds of the members of the Committee.

(As adopted January 14, 2015)
RULES OF THE COMMITTEE ON FINANCIAL SERVICES
FOR THE 114TH CONGRESS

RULE 1
GENERAL PROVISIONS

(a) The rules of the House are the rules of the Committee on Financial Services (hereinafter in these rules referred to as the “Committee”) and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are privileged motions in the Committee and shall be considered without debate. A proposed investigative or oversight report shall be considered as read if it has been available to the members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day).

(b) Each subcommittee is a part of the Committee, and is subject to the authority and direction of the Committee and to its rules so far as applicable.

(3) At least 24 hours prior to the commencement of a meeting for the markup of legislation, the Chair shall cause the text of such legislation to be made publicly available in electronic form.

(3) Any meeting or hearing of the Committee that is open to the public shall be open to coverage by television broadcast, radio broadcast, and still photography in accordance with the provisions of clause 4 of rule XI of the Rules of the House (which are incorporated by reference as part of these rules). Operation and use of any Committee operated broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of rule XI and all other applicable rules of the Committee and the House.

(4) To the extent feasible, members and witnesses may use the Committee equipment for the purpose of presenting information electronically during a meeting or hearing, provided the information is transmitted to the appropriate Committee staff in an appropriate electronic format at least one business day before the meeting or hearing so as to ensure display capacity and quality. The content of all materials must relate to the pending business of the Committee and conform to the rules of the House. The confidentiality of the material will be maintained by the technical staff until its official presentation to the Committee members. For the purposes of maintaining the official records of the committee, printed copies of all materials presented, to the extent practicable, must accompany the presentations.

(5) No person, other than a Member of Congress, Committee staff, or an employee of a Member when that Member has an amendment under consideration, may stand in or be seated at the rostrum area of the Committee rooms unless the Chair determines otherwise.

Quorum

(b)(1) For the purpose of taking testimony and receiving evidence, two members of the Committee shall constitute a quorum.

(2) A majority of the members of the Committee shall constitute a quorum for the purposes of reporting any measure or matter, of authorizing a subpoena (other than a subpoena authorized and issued by the Chair pursuant to subsection (e)(1)), of closing a meeting or hearing pursuant to clause 2(g) of rule XI of the rules of the House (except as provided in clause 2(g)(2)(A) and (B)) or of releasing executive session material pursuant to clause 2(k)(7) of rule XI of the rules of the House.

(3) No vote by any member of the Committee on any measure or matter may be cast by proxy.

(4) In addition to any other requirement of these rules or the Rules of the House, including clause 2(e)(1)(B) of rule XI, the Chair shall make the record of the votes on any question on which a record vote is demanded publicly available for inspection at the offices of the Committee and in electronic form on the Committee’s Web site not later than one business day after such vote is taken. Such record shall include in electronic form the text of the amendment, motion, order, or other proposition, the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members of the committee present but not voting. With respect to any record vote on any motion to report or record vote on any amendment, a record of such votes shall be included in the report of the Committee showing the total number of votes cast for and against and the names of those members of the committee present but not voting.

(5) POSTPONED RECORD VOTES.—(A) Subject to subparagraph (B), the Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman may resume proceedings on a postponed request at any time, but no later than the next meeting day.

(B) In exercising postponement authority under subparagraph (A), the Chairman shall take all reasonable steps necessary to notify members on the resumption of proceedings on any postponed record vote.

(C) When proceedings resume on a postponed question, not withstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(D) The Chair’s authority to postpone recorded votes will not be used to prejudice a member with regard to the offering of another amendment. In the application of this rule, the Chair will consult regularly with the ranking minority member regarding the scheduling of the resumption of postponed votes.

**Hearing Procedures**

(d)(1)(A) The Chair shall make public announcement of the date, place, and subject matter of any committee hearing at least one week before the commencement of the hearing, unless the Chair, with the concurrence of the ranking minority member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the hearing sooner, in which case the Chair shall make the announcement at the earliest possible date.

(B) Not less than three days before the commencement of a hearing (excluding Saturdays, Sundays, and legal holidays except when the House is in session on any such day) announced under this paragraph, the Chair shall provide to the members of the Committee a concise summary of the subject of the hearing, or, in the case of a hearing on a measure or matter, a copy of the measure or materials relating to the matter in question and a concise explanation of the measure or matter to be considered. At the same time the Chair provides the information required by the preceding sentence, the Chair shall also provide to the members of the Committee a list of the witnesses expected to appear before the Committee at that hearing. The witness list may not be modified within 24 hours of a hearing, unless the Chair, with the
concurrency of the ranking minority member, determines there is good cause for such modification.

(2) To the greatest extent practicable—

(A) each witness who is to appear before the Committee shall file with the Committee two business days in advance of the appearance sufficient copies (including a copy in electronic form), as determined by the Chair, of a written statement of proposed testimony and shall limit the oral presentation to the Committee to brief summary thereof; and

(B) each witness appearing in a non-governmental capacity shall include with the written statement of proposed testimony a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant hereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years. Such disclosure statements, with appropriate redactions to protect the privacy of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(3) The requirements of paragraph (2)(A) may be modified or waived by the Chair when the Chair determines it to be in the best interest of the Committee.

(4) (A) Subject to subparagraph (B), the five-minute rule shall be observed in the interrogation of witnesses before the Committee or any of its subcommittees until each present member thereof has had an opportunity to question the witnesses. No member shall be recognized for a second period of five minutes to interrogate witnesses until each present member of the Committee or such subcommittee has been recognized once for that purpose.

(B) The Chair may permit a specified number of members to question one or more witnesses for a specified period of time not to exceed 60 minutes in the aggregate, equally divided between and controlled by the Chair and the ranking minority member.

(5) Whenever any hearing is conducted by the Committee on any measure or matter, the minority party members of the Committee shall be entitled, upon the request of a majority of them before the completion of the hearing, to call witnesses with respect to that measure or matter during at least one day of hearing thereon. The Chair, with the concurrence of the ranking minority member, will determine the date, time, and place of such hearing.

(6) At any hearing of the Committee, opening statements by members of the Committee shall be limited to 10 minutes in the aggregate. The Chair shall control five minutes and recognize members in the Chair’s sole discretion. The ranking minority member shall control five minutes; the Chair shall recognize members for such five minutes according to the direction of the ranking minority member as communicated to the Chair.

(7) Notwithstanding any member’s oral delivery of an opening statement, written opening statements by any member of the Committee submitted to the Chair within 5 legislative days after the adjournment of a hearing shall be made a part of the official hearing record thereof.

Subpoenas and Oaths

(e)(1) The power to authorize and issue subpoenas is delegated to the Chair. The Chair will provide written notice to the ranking minority member at least 48 hours in advance of the authorization and issuance of a subpoena, except when exigent circumstances exist that do not permit such amount of notice, in which case the Chair shall provide such notice as soon as possible.

(2) Authorized subpoenas shall be signed by the Chair or by any member designated by the Committee, and may be served by any person designated by the Chair or such member.

(3) The Chair, or any member of the Committee designated by the Chair, may administer oaths to witnesses before the Committee.

(c) The report of the Committee on a measure which has been approved by the Committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the Committee a written request, signed by a majority of the members of the Committee, for the reporting of that measure pursuant to the provisions of clause 2(b)(2) of rule XIII of the Rules of the House.

(d) All reports printed by the Committee pursuant to a legislative study or investigation and not approved by a majority vote of the Committee shall contain the following disclaimer on the cover of such report: “This report has not been officially adopted by the Committee on Financial Services and may not necessarily reflect the views of its Members.”

(As adopted January 21, 2015)

(a) The Rules of the House of Representatives, and in particular, the committee rules enumerated in clause 2 of rule XI, are the rules of the Committee on Foreign Affairs (hereafter referred to as the “Committee”), to the extent applicable.

(b) A motion to recess and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are privileged non-debatable motions in Committee.

(c) The Chairman of the Committee on Foreign Affairs shall consult the Ranking Minority Member to the extent possible with respect to the business of the Committee. Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee and to its rules, to the extent applicable.

2. Date of Meeting

The regular meeting date of the Committee shall be the first Tuesday of every month when the House of Representatives is in session pursuant to clause 2(b) of rule XI of the House of Representatives. Additional meetings may be called by the Chairman as the Chairman may deem necessary or at the request of a majority of the Members of the Committee in accordance with clause 2(c) of rule XI of the House of Representatives. The determination of the business to be considered at each meeting shall be made by the Chairman subject to clause 2(c) of rule XI of the House of Representatives. A regularly scheduled meeting need not be held if, in the judgment of the Chairman, there is no business to be considered.

3. Quorum

For purposes of taking testimony and receiving evidence, two Members shall constitute a quorum, and the Chairman of the full Committee or a subcommittee shall make every effort to ensure that the relevant Ranking Minority Member or another Minority Member is present at the time a hearing is convened. One-third of the Members of the Committee or subcommittee shall constitute a quorum for taking any action, except: (1) reporting a measure or recommendation; (2) closing Committee meetings and hearings to the public; (3) authorizing the issuance of subpoenas; and (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law. No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present. No measure or recommendation shall be reported to the full Committee by a subcommittee unless half of the subcommittee is actually present. A record vote may be demanded by one-fifth of the Members present or, in the apparent absence of a quorum, by any one Member.

4. Meetings and Hearings Open to the Public
(a) Meetings

(1) Each meeting for the transaction of business, including the markup of legislation, of the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be closed to the public, because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise violate any labor rule of the House of Representatives. No person other than Members of the Committee and such congressional staff and departmental representatives as the Committee or subcommittee may authorize shall be present at any business or markup session which has been closed to the public. This subsection does not apply to open Committee hearings which are provided for by subsection (b) of this rule.

(2) The Chairman of the full Committee or a subcommittee may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter, or adopting an amendment. The relevant Chairman may resume proceedings on a postponed request at any time. When exercising postponement authority, the relevant Chairman shall take all reasonable steps necessary to notify Members on the resumption of proceedings on any postponed record vote. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(b) Hearings

(1) Each hearing conducted by the Committee or a subcommittee shall be open to the public except when the Committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day should be closed to the public because disclosure of testimony, evidence or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or otherwise would violate any law or rule of the House of Representatives. Notwithstanding the preceding sentence, a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony—

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or violate paragraph (2) of this subsection; or

(B) may vote to close the hearing, as provided in paragraph (2) of this subsection.

(2) Whenever it is asserted by a Member of the Committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is
asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness—

(A) such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (1) of this subsection, if by a majority of those present, there being in attendance the requisite number required under the rules of the Committee to be present for the purpose of taking testimony, the Committee or subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

(3) No Member of the House of Representatives may be excluded from non-participatory attendance at any hearing of the Committee or a subcommittee unless the House of Representatives has by majority vote authorized the Committee or subcommittee, for purposes of a particular series of hearings, on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this subsection for closing hearings to the public.

(4) A Member of the House of Representatives who is not a Member of the Committee may not be recognized to participate in a Committee or Subcommittee hearing except by the unanimous consent of Committee Members present at such hearing. Participatory recognition of a non-Committee Member shall occur only after all Committee Members seeking recognition, both majority and minority, have had their opportunity to participate and question any witnesses.

(5) The Committee or a subcommittee may by the procedure designated in this subsection vote to close one (1) subsequent day of hearing.

(6) No congressional staff shall be present at any meeting or hearing of the Committee or a subcommittee that has been closed to the public, and at which classified information will be involved, unless such person is authorized access to such classified information in accordance with rule XX of the House of Representatives.

5. Convening Hearings and Markups

(a) Hearings. Public announcement shall be made of the date, place, and subject matter of any hearing to be conducted by the Committee or a subcommittee at the earliest possible date, and in any event at least one (1) week before the commencement of that hearing. If the Chairman of the full Committee or a subcommittee, with the concurrence of the relevant Ranking Minority Member, determines that there is good cause to begin a hearing sooner, or if the Committee or subcommittee so determines by majority vote in the presence of the number of members
required under the rules of the Committee for the taking of action, the Chairman of the full Committee, if concurring, shall make the announcement at the earliest possible date.

(b) Markups and Other Meetings to Transact Business

(1) Convening. The Chairman of the full Committee or a subcommittee may call or convene, as the relevant Chairman considers necessary, meetings of the Committee or subcommittee for the consideration of a bill or resolution pending before the Committee or subcommittee, as the case may be, or for the conduct of other Committee or subcommittee business.

(2) Notice. Public announcement shall be made by the Chairman of the full Committee of the date, place, and subject matter of any markup or other meeting to conduct business at the earliest possible date, and in any event at least one (1) week before the commencement of such markup or meeting, unless the relevant Chairman determines, in consultation with the relevant Ranking Minority Member, that there is good cause to begin such a markup or meeting on an earlier date. If such determination is made, the Chairman of the full Committee, if concurring in that determination, shall make the announcement at the earliest possible date.

(3) Agenda and Texts. The relevant Chairman shall provide to all Committee or subcommittee Members an agenda for each Committee and subcommittee markup or other meeting to transact business, setting out all items of business to be considered, including whenever possible a copy of any measure scheduled for markup, at least 48 hours (excluding Saturdays, Sundays, and legal holidays) before the meeting.

Bills on subjects not listed on such agenda shall be subject to a point of order unless their consideration is agreed to by a two-thirds vote of the Committee or subcommittee, or by the Chairman of the full Committee with the concurrence of the Ranking Minority Member. The text of any measure to be marked up shall be made publicly available in electronic form at least 24 hours prior to the commencement of the markup meeting, or at the time of an announcement under subparagraph (b)(2) made within 24 hours before such meeting.

(c) Publication. Public announcement of all hearings and markups shall be published in the Daily Digest portion of the Congressional Record and made publicly available in electronic form. No staff member other than a Committee or subcommittee staff director, counsel, or professional staff member may occupy a chair on the dais, unless authorized by the Chairman of the full Committee, after consultation with the Ranking Member of the Full Committee. Only one staff member each from the majority and the minority may occupy chairs on the dais at any time during a hearing or markup.
6. Witnesses

(a) Interrogation of Witnesses

(1) In so far as practicable, witnesses shall be permitted to present their oral statements without interruption subject to reasonable time constraints imposed by the Chairman of the full Committee or a subcommittee, with questioning by the Committee Members taking place afterward. Members should refrain from questions until such statements are completed.

(2) In recognizing Members, the relevant Chairman shall, to the extent practicable, give preference to the Members on the basis of their arrival at the hearing, taking into consideration the majority and minority ratio of the Members actually present. A Member desiring to speak or ask a question shall address the relevant Chairman and not the witness.

(3) Subject to paragraph (4), each Member may interrogate the witness for 5 minutes, the reply of the witness being included in the 5-minute period. After all Members have had an opportunity to ask questions, the round shall begin again under the 5-minute rule.

(4) Notwithstanding paragraph (3), the relevant Chairman, with the concurrence of the Ranking Minority Member, may permit one (1) or more majority Members of the Committee designated by the relevant Chairman to question a witness for a specified period of not longer than 30 minutes. On such occasions, an equal number of minority Members of the Committee designated by the Ranking Minority Member shall be permitted to question the same witness for the same period of time. Committee staff may be permitted to question a witness for equal specified periods either with the concurrence of the Chairman and Ranking Minority Member of the full Committee or by motion. However, in no case may questioning by Committee staff proceed before each Member of the Committee who wishes to speak under the 5-minute rule has had one opportunity to do so.

(b) Testimony of Witnesses

(1) Advance Filing Requirement. Each witness who is to appear before the Committee or a subcommittee is required to file testimony with the Committee or subcommittee at least two (2) business days in advance of that appearance. For purposes of this subsection, testimony includes the written statement of a witness, as well as any video, photographs, audio-visual matter, posters, or other supporting materials that the witness intends to present or display before the Committee. Such testimony should be provided in electronic form to the extent practicable. The Committee or subcommittee shall notify Members at least two business days in advance of a hearing of the availability of testimony submitted by witnesses. In addition, each witness shall provide sufficient copies, as determined by the Chairman of the full Committee or a subcommittee, of his or her proposed written statement to be provided to Members and staff of the Committee or subcommittee, the news media, and the general public. The
text of the written statement provided pursuant to this paragraph shall be considered final, and may not be revised by the witness after the Committee meeting at which the witness appears.

(2) Witness Preclusion and Waiver. The requirements of paragraph (1) or any part thereof may be waived by the Chairman of the full Committee or a subcommittee, or the presiding Member, or the Ranking Member of the Committee or subcommittee as it relates to witnesses who are called by the minority to testify, provided that the witness or the relevant Chairman or Ranking Minority Member has submitted, prior to the witness’s appearance, a written explanation to the reasons testimony has not been made available to the Committee or subcommittee. If a witness who is not an official of the U.S. Government has not submitted testimony as required by paragraph (1) and no such written explanation has been submitted, the witness shall be released from testifying unless a majority of the Committee or subcommittee votes to accept his or her testimony.

(3) Remote Witness Participation. The Chairman of the full Committee or a subcommittee shall promptly, and not later than 48 hours beforehand if possible, notify the relevant Ranking Member of any witness who is likely to present testimony other than in person, such as by videoconference. A witness may not testify via telephone or other audio-only medium without the concurrence of the Chairman and Ranking Member of the Committee or subcommittee. The relevant Chairman shall make reasonable efforts to verify the identity of any witness participating remotely.

(4) ‘Truth In Testimony’ Disclosure. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall, to the extent practicable, include: a curriculum vitae; a disclosure of the amount and source of any Federal grant (or subgrant thereof) or contract (or subcontract thereof), or of any contract or payment originating with a foreign government, received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness, to the extent that such information is relevant to the subject matter of, and the witness’ representational capacity at, the hearing; and a disclosure of whether the witness is an active registrant under the Foreign Agents Registration Act (FARA). Such statements, with appropriate redactions to protect the privacy, safety, or security of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(5) Witness Presentation. A witness shall limit his or her oral presentation to a brief summary of his or her written statement.

(6) Translation. A witness requiring an interpreter or translator should include in the testimony provided pursuant to paragraph (1) the identity of the interpreter or translator that the witness intends to use. Unless properly noticed as a separate witness, an interpreter or translator appearing before the Committee should not present views or statements other than those expressed by the witness.
(c) **Oaths.** The Chairman of the full Committee or a subcommittee, or any Member of the Committee designated by the relevant Chairman, may administer oaths to any witness appearing before the Committee.

7. **Preparation and Maintenance of Committee Records**

An accurate stenographic record shall be made of all hearings and markup sessions. Members of the Committee and any witness may examine the transcript of his or her own remarks and may make any grammatical or technical changes that do not substantively alter the record. Any such Member or witness shall return the transcript to the Committee offices within seven (7) calendar days (not including Saturdays, Sundays, and legal holidays) after receipt of the transcript, or as soon thereafter as is practicable.

Any information supplied for the record at the request of a Member of the Committee shall be provided to the Member when received by the Committee.

Transcripts of hearings and markup sessions (except for the record of a meeting or hearing which is closed to the public) shall be printed as soon as is practicable after receipt of the corrected versions, except that the Chairman may order the transcript of a hearing to be printed without the corrections of a Member or witness if the Chairman determines that such Member or witness has been afforded a reasonable time to correct such transcript and such transcript has not been returned within such time.

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with rule VII of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any Member of the Committee.

The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

8. **Extraneous Materials in Committee Hearings Prints**

No extraneous material shall be printed in either the body or appendices of any Committee or subcommittee hearing, except matter which has been accepted for inclusion in the record during the hearing or by agreement of the Chairman of the full Committee or a subcommittee and Ranking Minority Member of the Committee or subcommittee within five (5) calendar days of the hearing. Copies of bills and other legislation under consideration and responses to written questions submitted by Members shall not be considered extraneous material.

Extraneous material in either the body or appendices of any hearing to be printed which would be in excess of eight (8) printed pages (for any one submission) shall be accompanied by a written request to the relevant Chairman. Such written request shall contain an estimate in
writing from the Public Printer of the probable cost of publishing such material.

9. Information on Committee Action

(a) Record Votes. The result of each record vote in any meeting of the Committee outside of executive session shall be made publicly available in electronic form within 48 hours of such record vote. Such result shall include a description of the amendment, motion, order, or other proposition, the name of each Member voting for and against, and the Members present but not voting.

(b) Adopted Amendments. Not later than 24 hours after the adoption of any amendment to a measure or matter considered by the Committee, the text of each such amendment shall be made publicly available in electronic form.

With respect to each record vote on a motion to report any measure or matter of a public character, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of those Members voting for and against, shall be included in any Committee report on the measure or matter.

(b) Prior Approval of Certain Reports. No Committee, subcommittee, or staff report, study, or other document which purports to express publicly the views, findings, conclusions, or recommendations of the Committee or a subcommittee may be released to the public or filed with the Clerk of the House unless approved by a majority of the Committee or subcommittee, as appropriate. A proposed investigative or oversight report shall be considered as read if it has been available to Members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day). In any case in which clause 2(l) of rule XI and clause 3(a)(1) of rule XIII of the House of Representatives does
not apply, each Member of the Committee or subcommittee shall be given an opportunity to have views or a disclaimer included as part of the material filed or released, as the case may be.

(c) Foreign Travel Reports. At the same time that the report required by clause 8(b)(3) of rule X of the House of Representatives, regarding foreign travel reports, is submitted to the Chairman, Members and employees of the Committee shall provide a report to the Chairman listing all official meetings, interviews, inspection tours and other official functions in which the individual participated, by country and date. Under extraordinary circumstances, the Chairman may waive the listing in such report of an official meeting, interview, inspection tour, or other official function. The report shall be maintained in the Committee offices and shall be available for public inspection during normal business hours. Except in extraordinary circumstances, no Member or employee of the Committee will be authorized for additional Committee travel until the reports described in this subsection have been submitted to the Chairman for that person's prior Committee travel.

Except in extraordinary circumstances, bills and resolutions will not be considered by the Committee unless and until the appropriate subcommittee has recommended the bill or resolution for Committee action, and will not be taken to the House of Representatives for action unless and until the Committee or a relevant subcommittee has ordered reported such bill or resolution, a quorum being present.

Except in extraordinary circumstances, a bill or resolution originating in the House of Representatives that contains exclusively findings and policy declarations or expressions of the sense of the House of Representatives or the sense of the Congress shall not be considered by the Committee or a subcommittee unless such bill or resolution has at least 25 House co-sponsors, at least 10 of whom are Members of the Committee.

For purposes of this rule, extraordinary circumstances will be determined by the Chairman, after consultation with the Ranking Minority Member and such other Members of the Committee as the Chairman deems appropriate.

The Committee or a subcommittee shall not consider a bill or resolution originating in the House of Representatives that expresses appreciation, commends, congratulates, celebrates, recognizes the accomplishments of, or celebrates the anniversary of, an entity, event, group, individual, institution, team, or government program, or that acknowledges or recognizes a period of time for such purposes, except in circumstances determined by the Chairman with the concurrence of the Ranking Minority Member.

The Chairman is directed to offer a motion under clause 1 of rule XXII of the Rules of the House whenever the Chairman considers it appropriate.

(As adopted January 21, 2015)
RULES OF THE COMMITTEE ON THE JUDICIARY FOR THE 114TH CONGRESS

Rule I. The Rules of the House of Representatives are the rules of the Committee on the Judiciary and its Subcommittees with the following specific additions thereto.

Rule II. Committee Meetings

(a) The regular meeting day of the Committee on the Judiciary for the conduct of its business shall be on Wednesday of each week while the House is in session.

(b) Additional meetings may be called by the Chairman and a regular meeting of the Committee may be dispensed with when, in the judgment of the Chairman, there is no need therefor.

(c) The Chairman shall furnish each Member of the Committee or Subcommittee with the date, place, and a list of bills and subjects to be considered at a Committee or Subcommittee meeting, which may not commence earlier than the third day on which Members have notice thereof (excluding Saturdays, Sundays and legal holidays when the House is not in session).

(d) At least 48 hours prior to the commencement of a meeting for the markup of legislation, the text of such legislation shall be made publicly available in electronic form.

(e) In an emergency that does not reasonably allow for the notice as requirements in (c) and (d), the Chairman may waive the notice requirements with the concurrence of the Ranking Minority Member.

(f) To the maximum extent practicable, amendments to a measure or matter shall be submitted in writing or electronically to the designee of both the Chairman and Ranking Member at least 24 hours prior to the consideration of the measure or matter. The Chairman may use his discretion to give priority to amendments submitted in advance.

(g) Committee and Subcommittee meetings for the transaction of business, i.e. meetings other than those held for the purpose of taking testimony, shall be open to the public except when the Committee or Subcommittee determines by majority vote to close the meeting because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise would violate any law or rule of the House.

(h) Every motion made to the Committee and entertained by the Chairman shall be reduced to writing upon demand of any Member, and a copy made available to each Member present.

(i) For purposes of taking any action at a meeting of the full Committee or any Subcommittee thereof for which a majority is not required, a quorum shall be constituted by the presence of not less than one-third of the Members of the Committee or Subcommittee, respectively.

(j)(1) Subject to subparagraph (2), the Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman may resume proceedings on a postponed request at any time.

(2) In exercising postponement authority under subparagraph (1), the Chairman shall take all reasonable steps necessary to notify Members on the resumption of proceedings on any postponed record vote.
(3) When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(k) Transcripts of markups shall be recorded and may be published in the same manner as hearings before the Committee.

(l) Without further action of the Committee, the Chairman is directed to offer a motion under clause 1 of rule XXII of the Rules of the House of Representatives whenever the Chairman considers it appropriate.

Rule III. Hearings

(a) The Committee Chairman or any Subcommittee Chairman shall make public announcement of the date, place, and subject matter of any hearing to be conducted by it on any measure or matter at least one week before the commencement of that hearing. If the Chairman of the Committee, or Subcommittee, with the concurrence of the Ranking Minority Member, determines there is good cause to begin the hearing sooner, or if the Committee or Subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairman or Subcommittee Chairman shall make the announcement at the earliest possible date.

(b) Committee and Subcommittee hearings shall be open to the public except when the Committee or Subcommittee determines by majority vote to close the meeting because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise would violate any law or rule of the House.

(c) For purposes of taking testimony and receiving evidence before the Committee or any Subcommittee, a quorum shall be constituted by the presence of two Members.

(d) In the course of any hearing each Member shall be allowed five minutes for the interrogation of a witness until such time as each Member who so desires has had an opportunity to question the witness.

(e) The transcripts of those hearings conducted by the Committee which are decided to be printed shall be published in verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. Individuals, including Members of Congress, whose comments are to be published as part of a Committee document shall be given the opportunity to verify the accuracy of the transcription in advance of publication. Any requests by those Members, staff or witnesses to correct any errors other than errors in the transcription, or disputed errors in transcription, shall be appended to the record, and the appropriate place where the change is requested will be footnoted. Prior to approval by the Chairman of hearings conducted jointly with another congressional Committee, a memorandum of understanding shall be prepared which incorporates an agreement for the publication of the verbatim transcript.

Rule IV. Subpoenas

(a) A subpoena may be authorized and issued by the Chairman, in accordance with clause 2(m) of rule XI of the House of Representatives, in the conduct of any investigation or activity or series of investigations or activities within the jurisdiction of the Committee, following consultation with the Ranking Minority Member.
(b) In addition, a subpoena may be authorized and issued by the Committee or its Subcommittees in accordance with clause 2(m) of rule XI of the House of Representatives, in the conduct of any investigation or activity or series of investigations or activities, when authorized by a majority of the Members voting, a majority of the Committee or Subcommittee being present. Authorized subpoenas shall be signed by the Chairman or by any Member designated by the Committee.

(c) At least two business days before issuing any subpoena pursuant to subsection (a), the Chair shall consult with the Ranking Member regarding the authorization and issuance of such subpoena, and the Chair shall provide a full copy of the proposed subpoena, including any proposed document schedule, at that time.

(d) The requirements of subsection (c) may be waived in the event of an emergency that does not reasonably allow for advance written notice.

**Rule V. Broadcasting**

Whenever a hearing or meeting conducted by the Committee or any Subcommittee is open to the public, those proceedings shall be open to coverage by television, radio and still photography subject to the requirements of clause 4 of Rule XI of the Rules of the House of Representatives.

**Rule VI. Standing Subcommittees**

Ex officio Members shall not be counted as present for purposes of constituting a quorum at any hearing or meeting of such Subcommittee.

Rule VII. Powers and Duties of Subcommittees

Each Subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full Committee on all matters referred to it or under its jurisdiction. Subcommittee chairmen shall set dates for hearings and meetings of their respective Subcommittees after consultation with the Chairman and other Subcommittee chairmen with a view toward avoiding simultaneous scheduling of full Committee and Subcommittee meetings or hearings whenever possible.

Rule VIII. Non-Legislative Reports

No report of the Committee or Subcommittee which does not accompany a measure or matter for consideration by the House shall be published unless all Members of the Committee or Subcommittee issuing the report shall have been apprised of such report and given the opportunity to give notice of intention to file supplemental, additional, or dissenting views as part of the report. In no case shall the time in which to file such views be less than three calendar days (excluding Saturdays, Sundays and legal holidays when the House is not in session).

Rule IX. Committee Records

The records of the Committee at the National Archives and Records Administration shall be made available for public use according to the Rules of the House. RULE 1. RULES OF THE HOUSE; VICE CHAIRMEN

(a) Applicability of House Rules.

(1) The Rules of the House of Representatives, so far as they are applicable, are the rules of the Committee on Natural Resources (hereinafter in these rules referred to as the “Committee”) and its Subcommittees.

(2) Each Subcommittee is part of the Committee and is subject to the authority, direction and rules of the Committee. References in these rules to “Committee” and “Chairman” shall apply to each Subcommittee and its Chairman wherever applicable.

(3) House Rule XI is incorporated and made a part of the rules of the Committee to the extent applicable.

(b) Vice Chairmen.—Unless inconsistent with other rules, the Chairman shall appoint Vice Chairmen of the Committee and the Subcommittees. If the Chairman of the Committee or Subcommittee is not present at any meeting of the Committee or Subcommittee, as the case may be, the Vice Chairman shall preside. If the Vice Chairman is not present, the ranking Member of the Majority party on the Committee or Subcommittee who is present shall preside at that meeting.

RULE 2. MEETINGS IN GENERAL

(a) Scheduled Meetings.—The Committee shall meet at 10 a.m. the first Wednesday of each month when the House is in session if so noticed by the Chairman under Committee Rule 3(a). The Committee shall also meet at the call of the Chairman subject to advance notice to all Members of the Committee. Special meetings shall be called and convened by the Chairman as provided in clause 2(c)(1) of House Rule XI. Any Committee meeting or hearing that conflicts with a party caucus, conference, or similar party meeting shall be rescheduled at the discretion of the Chairman, in consultation with the Ranking Minority Member. The Committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

(b) Open Meetings.—Each meeting for the transaction of business, including the markup of legislation, and each hearing of the Committee or a Subcommittee shall be open to the public, except as provided by clause 2(g) and clause 2(k) of House Rule XI.

(c) Broadcasting.—Whenever a meeting for the transaction of business, including the markup of legislation, or a hearing is open to the public, that meeting or hearing shall be open to coverage by television, radio, and still photography in accordance with clauses 2(a)(1) and 4 of House Rule XI. The provisions of clause 4(f) of House Rule XI are specifically made part of these rules by reference. To the maximum extent practicable, the Committee shall provide audio and visual coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings, and maintain the recordings of such coverage in a manner that is easily accessible to the public. Operation and use of any Committee Internet broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of House Rule XI and all other applicable rules of the Committee and the House.
(d) Oversight Plan.—No later than February 15 of the first session of each Congress, the Committee shall adopt its oversight plans for that Congress in accordance with clause 2(d)(1) of House Rule X.

RULE 3. MEETING AND HEARING PROCEDURES IN GENERAL

(a) Notice and Information for Members and the Public.

(1) The Chairman shall publicly announce the date, place and subject matter of: (i) a Committee hearing, which may not commence earlier than one week after such notice; or (ii) a Committee meeting, which may not commence earlier than the third day on which Members have notice thereof.

(2) A hearing or meeting may begin sooner if the Chairman, with the concurrence of the Ranking Minority Member, determines that there is good cause to begin the meeting or hearing sooner, or if the Committee so determines by majority vote. In these cases, the Chairman shall publicly announce the meeting or hearing at the earliest possible time. The Committee shall promptly notify the Daily Digest Clerk of the Congressional Record and shall promptly make publicly available in electronic form the appropriate information as soon as possible after the public announcement is made.

(3) To the extent practicable, a background memorandum prepared by the Majority staff summarizing the major provisions of any bill being considered by the Committee, including the need for the bill and its effect on current law, will be available for the Members of the Committee and the public no later than 48 hours before the meeting.

(b) Public Availability of Markup Text.—At least 24 hours prior to the markup of any legislation (or at the time of an announcement under paragraph (a)(2) above made within 24 hours before such meeting), the Chairman shall cause the text of such legislation to be made publicly available in electronic form.

(c) Meetings and Hearings to Begin Promptly.—Each meeting or hearing of the Committee shall begin promptly at the time stipulated in the public announcement of the meeting or hearing.

(d) Addressing the Committee.—A Committee Member may address the Committee or a Subcommittee on any bill, motion, or other matter under consideration or may question a witness at a hearing only when recognized by the Chairman for that purpose. The time a Member may address the Committee or Subcommittee for any purpose or to question a witness shall be limited to five minutes, except as provided in Committee Rule 4(f). A Member shall limit his remarks to the subject matter under consideration. The Chairman shall enforce the preceding provision.

(e) Quorums.

(1) A majority of the Members of the Committee shall constitute a quorum for the reporting of any measure or recommendation, the authorizing of a subpoena, the closing of any meeting or hearing to the public under clause 2(g)(1), clause 2(g)(2)(A) and clause 2(k)(5)(B) of House Rule XI, and the releasing of executive session materials under clause 2(k)(7) of House Rule X. Testimony and evidence may be received at any hearing at which there are at least two Members of the Committee present. For the purpose of transacting all other business of the Committee, one third of the Members shall constitute a quorum.

(2) When a call of the roll is required to ascertain the presence of a quorum, the offices of all Members shall be notified and the Members shall have not less than 15 minutes to prove their attendance. The Chairman shall have the discretion to waive this requirement when a
quorum is actually present or whenever a quorum is secured and may direct the relevant Committee Staff to note the names of all Members present within the 15-minute period.

(f) Participation of Members in Committee and Subcommittees.—Any Member of the Committee may sit with any Subcommittee during any meeting or hearing, and by unanimous consent of the Members of the Subcommittee, may participate in such meeting or hearing. However, a Member who is not a Member of the Subcommittee may not vote on any matter before the Subcommittee, be counted for purposes of establishing a quorum or raise points of order.

(g) Proxies.—No vote in the Committee or its Subcommittees may be cast by proxy.

(h) Record Votes.—Record votes shall be ordered on the demand of one-fifth of the Members present, or by any Member in the apparent absence of a quorum.

(i) Postponed Record Votes.

(1) Subject to paragraph (2), the Chairman may, after consultation with the Ranking Minority Member, postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman shall resume proceedings on a postponed request at any time after reasonable notice, but no later than the next meeting day.

(2) Notwithstanding any intervening order for the previous question, when proceedings resume on a postponed question under paragraph (1), an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(3) This rule shall apply to Subcommittee proceedings.

(j) Privileged Motions.—A motion to recess from day to day, a motion to recess subject to the call of the Chairman (within 24 hours), and a motion to dispense with the first reading (in full) of a bill or resolution if printed copies are available, are nondebatable motions of high privilege.

(k) Layover and Copy of Bill.—No measure or recommendation reported by a Subcommittee shall be considered by the Committee until two calendar days from the time of Subcommittee action. No bill shall be considered by the Committee unless a copy has been delivered to the office of each Member of the Committee requesting a copy. These requirements may be waived by a majority vote of the Committee at the time of consideration of the measure or recommendation.

(l) Access to Dais and Conference Room.—Access to the hearing rooms' daises (and to the conference rooms adjacent to the Committee hearing rooms) shall be limited to Members of Congress and employees of the Committee during a meeting or hearing of the Committee, except that Committee Members' personal staff may be present on the daises if their employing Member is the author of a bill or amendment under consideration by the Committee, but only during the time that the bill or amendment is under active consideration by the Committee. Access to the conference rooms adjacent to the Committee hearing rooms shall be limited to Members of Congress and employees of Congress during a meeting or hearing of the Committee.

(m) Cellular Telephones.—The use of cellular telephones is prohibited on the Committee dais or in the Committee hearing rooms during a meeting or hearing of the Committee.

(n) Motion to go to Conference with the Senate.—The Chairman may offer a motion under clause 1 of Rule XXII whenever the Chairman considers it appropriate.
RULE 4. HEARING PROCEDURES

(a) Written Statement; Oral Testimony.—Each witness who is to appear before the Committee or a Subcommittee shall file with the relevant Full Committee Staff or Subcommittee Clerk, at least two working days before the day of his or her appearance, a written statement of their proposed testimony. Each witness shall limit his or her oral presentation to a five-minute summary of the written statement, unless the Chairman, in consultation with the Ranking Minority Member, extends this time period. Subject to the approval of the Committee, the Chairman may waive oral testimony of any witness who has submitted written testimony for the record. In addition, a witness appearing in a nongovernmental capacity shall include a curriculum vitae and a disclosure of any Federal grants or contracts, or contracts or payments originating with a foreign government, received during the current calendar year or either of the previous calendar years by the witness or by the entity represented by the witness and related to the subject matter of the hearing. The disclosure shall include the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing and the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government. Failure to comply with these disclosure requirements may result in the exclusion of the written testimony from the hearing record and/or the barring of an oral presentation of the testimony.

(b) Minority Witnesses.—When any hearing is conducted by the Committee or any Subcommittee upon any measure or matter, the Minority party Members on the Committee or Subcommittee shall be entitled, upon request to the Chairman by a majority of those Minority Members before the completion of the hearing, to call witnesses selected by the Minority to testify with respect to that measure or matter during at least one day of hearings thereon.

(c) Information for Members.—After announcement of a hearing, the Committee shall make available as soon as practicable to all Members of the Committee a tentative witness list and to the extent practicable the Majority staff shall make publicly available a memorandum explaining the subject matter of the hearing (including relevant legislative reports and other necessary material). In addition, the Chairman shall make available to the Members of the Committee any official reports from departments and agencies on the subject matter as they are received.

(d) Subpoenas.—The Committee or a Subcommittee may authorize and issue a subpoena under clause 2(m) of House Rule XI if authorized by a majority of the Members voting. In addition, the Chairman of the Committee may authorize and issue subpoenas during any period of time in which the House of Representatives has adjourned for more than three days. Subpoenas shall be signed only by the Chairman of the Committee, or any Member of the Committee authorized by the Committee, and may be served by any person designated by the Chairman or Member.

(e) Oaths.—The Chairman of the Committee, the Chairmen of the Subcommittees or any Member designated by the Chairman may administer oaths to any witness before the Committee. All witnesses appearing in hearings may be administered the following oath by the Chairman or his designee prior to receiving the testimony: “Do you solemnly swear or affirm that the testimony that you are about to give is the truth, the whole truth, and nothing but the truth, so help you God?”

(f) Opening Statements; Questioning of Witnesses.
(1) Opening statements by Members may not be presented orally, unless the Chairman or his designee makes a statement, in which case the Ranking Minority Member or his designee may also make a statement. In addition, the Vice Chairman may make a statement, in which case, a designee of the Ranking Minority Member may also make a statement. If a witness scheduled to testify at any hearing of the Committee is a constituent of a Member of the Committee, that Member shall be entitled to briefly introduce the witness at the hearing.

(2) The questioning of witnesses in Committee and Subcommittee hearings shall be initiated by the Chairman, followed by the Ranking Minority Member and all other Members alternating between the Majority and Minority parties. In recognizing Members to question witnesses, the Chairman shall take into consideration the ratio of the Majority to Minority Members present and shall establish the order of recognition for questioning in a manner so as not to disadvantage the Members of the Majority or the Members of the Minority. A motion is in order to allow designated Majority and Minority party Members to question a witness for a specified period to be equally divided between the Majority and Minority parties. This period shall not exceed one hour in the aggregate.

(g) Materials for Hearing Record.—Any materials submitted specifically for inclusion in the hearing record must address the announced subject matter of the hearing and be submitted to the relevant Full Committee Staff or Subcommittee Clerk no later than 10 business days following the last day of the hearing.

(h) Claims of Privilege.—Claims of common-law privileges made by witnesses in hearings, or by interviewees or deponents in investigations or inquiries, are applicable only at the discretion of the Chairman, subject to appeal to the Committee.

RULE 5. FILING OF COMMITTEE REPORTS

(a) Duty of Chairman.—Whenever the Committee authorizes the favorable reporting of a measure from the Committee, the Chairman or his designee shall report the same to the House of Representatives and shall take all steps necessary to secure its passage without any additional authority needing to be set forth in the motion to report each individual measure. In appropriate cases, the authority set forth in this rule shall extend to moving in accordance with the Rules of the House of Representatives that the House be resolved into the Committee of the Whole House on the State of the Union for the consideration of the measure; and to moving in accordance with the Rules of the House of Representatives for the disposition of a Senate measure that is substantially the same as the House measure as reported.

(b) Filing.—A report on a measure which has been approved by the Committee shall be filed within seven calendar days (exclusive of days on which the House of Representatives is not in session) after the day on which there has been filed with the relevant Full Committee Staff a written request, signed by a majority of the Members of the Committee, for the reporting of that measure. Upon the filing with the relevant Full Committee Staff of this request, the Staff shall transmit immediately to the Chairman notice of the filing of that request.

(c) Supplemental, Additional, Dissenting or Minority Views.—Any Member may, if notice is given by any Member at the time a measure or matter is approved by the Committee, file supplemental, additional, dissenting or minority views. These views must be in writing and signed by each Member joining therein and be filed with the Committee Chief Counsel not less than two additional calendar days (excluding Saturdays, Sundays and legal holidays except when the House is in session on those days) of the time the bill or resolution is approved by the Committee. This paragraph shall not preclude the filing of any supplemental report on any
measure or matter that may be required for the correction of any technical error in a previous report made by the Committee on that bill or resolution.

(d) Review by Members.—Each Member of the Committee shall be given an opportunity to review each proposed Committee report before it is filed with the Clerk of the House of Representatives. Nothing in this paragraph extends the time allowed for filing supplemental, additional or minority views under paragraph (c).

(e) Disclaimer.—All Committee or Subcommittee reports printed and not approved by a majority vote of the Committee or Subcommittee, as appropriate, shall contain the following disclaimer on the cover of the report:

(d) Powers and Duties of Subcommittees.—Each Subcommittee is authorized to meet, hold hearings, receive evidence and report to the Committee on all matters within its jurisdiction. Each Subcommittee shall review and study, on a continuing basis, the application, administration, execution and effectiveness of those statutes, or parts of statutes, the subject matter of which is within that Subcommittee’s jurisdiction; and the organization, operation, and regulations of any Federal agency or entity having responsibilities in or for the administration of such statutes, to determine whether these statutes are being implemented and carried out in accordance with the intent of Congress. Each Subcommittee shall review and study any conditions or circumstances indicating the need of enacting new or supplemental legislation within the jurisdiction of the Subcommittee. Each Subcommittee shall have general and continuing oversight and investigative authority over activities, policies and programs within the jurisdiction of the Subcommittee.

(e) Referral to Subcommittees; Recall.

(1) Except as provided in paragraph (2) and for those measures or matters retained at the Full Committee, every legislative measure or other matter referred to the Committee shall be referred to the maximum extent possible to the Subcommittee of jurisdiction within two weeks of the date of its referral to the Committee. If any measure or matter is within or affects the jurisdiction of one or more Subcommittees, the Chairman may refer that measure or matter simultaneously to two or more Subcommittees for concurrent consideration or for consideration in sequence subject to appropriate time limits, or divide the matter into two or more parts and refer each part to a Subcommittee.

(2) The Chairman, with the approval of a majority of the Majority Members of the Committee, may refer a legislative measure or other matter to a select or special Subcommittee. A legislative measure or other matter referred by the Chairman to a Subcommittee may be recalled from the Subcommittee for direct consideration by the Full Committee, or for referral to another Subcommittee, provided Members of the Committee receive one week written notice of the recall and a majority of the Members of the Committee do not object. In addition, a legislative measure or other matter referred by the Chairman to a Subcommittee may be recalled from the Subcommittee at any time by majority vote of the Committee for direct consideration by the Full Committee or for referral to another Subcommittee.

(f) Consultation.—Each Subcommittee Chairman shall consult with the Chairman of the Full Committee prior to setting dates for Subcommittee meetings and hearings with a view towards avoiding whenever possible conflicting Committee and Subcommittee meetings and hearings.

(g) Vacancy.—A vacancy in the membership of a Subcommittee shall not affect the power of the remaining Members to execute the functions of the Subcommittee.

These records shall be the property of the House and all Members shall have access to them in accordance with clause 2(e)(2) of House Rule XI.

(b) **Availability.**—The Committee shall make available to the public for review at reasonable times in the Committee office transcripts of public meetings and hearings, except those that are unrevised or unedited and intended solely for the use of the Committee.

(c) **Archived Records.**—Records of the Committee which are deposited with the National Archives shall be made available for public use pursuant to House Rule VII. The Chairman of the Committee shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of House Rule VII, to withhold, or to provide a time, schedule or condition for availability of any record otherwise available. At the written request of any Member of the Committee, the matter shall be presented to the Committee for a determination and shall be subject to the same notice and quorum requirements for the conduct of business under Committee Rule 3.

(d) **Records of Closed Meetings.**—Notwithstanding the other provisions of this rule, no records of Committee meetings or hearings which were closed to the public pursuant to the Rules of the House of Representatives shall be released to the public unless the Committee votes to release those records in accordance with the procedure used to close the Committee meeting.

(e) **Classified Materials.**—All classified materials shall be maintained in an appropriately secured location and shall be released only to authorized persons for review, who shall not remove the material from the Committee offices without the written permission of the Chairman.

RULE 10. COMMITTEE BUDGET AND EXPENSES

(a) Budget.—At the beginning of each Congress, after consultation with the Chairman of each Subcommittee and the Ranking Minority Member, the Chairman shall present to the Committee for its approval a budget covering the funding required for staff, travel, and miscellaneous expenses.

(b) Expense Resolution.—Upon approval by the Committee of each budget, the Chairman, acting pursuant to clause 6 of House Rule X, shall prepare and introduce in the House a supporting expense resolution, and take all action necessary to bring about its approval by the Committee on House Administration and by the House of Representatives.

Rule 1 — Application of Rules
Except where the terms “full committee” and “subcommittee” are specifically referred to, the following rules shall apply to the Committee on Oversight and Government Reform and its subcommittees as well as to the respective chairs and ranking minority members.

Rule 2 — Meetings
The regular meetings of the full committee shall be held on the second Thursday of each month at 10 a.m., when the House is in session. The chairman is authorized to dispense with a regular meeting or to change the date thereof, and to call and convene additional meetings, when circumstances warrant. A special meeting of the committee may be requested by members of the committee pursuant to the provisions of House Rule XI, clause 2(c)(2). Subcommittees shall meet at the call of the subcommittee chairs. Every member of the committee, unless prevented by unusual circumstances, shall be provided with a memorandum at least three calendar days before each meeting or hearing explaining: (1) the purpose of the meeting or hearing; and (2) the names, titles, background and reasons for appearance of any witnesses. The ranking minority member shall be responsible for providing the same information on witnesses whom the minority may request.

Rule 3 — Quorums
(a) A majority of the members of the committee shall form a quorum, except that two members shall constitute a quorum for taking testimony and receiving evidence, and one third of the members shall form a quorum for taking any action other than for which the presence of a majority of the committee is otherwise required. If the chairman is not present at any meeting of the committee or subcommittee, the ranking member of the majority party on the committee who is present shall preside at that meeting.

(b) The chairman of the full committee may, at the request of a subcommittee chair, make a temporary assignment of any member of the full committee to such subcommittee for the purpose of constituting a quorum at and participating in any public hearing by such subcommittee to be held outside of Washington, DC. Members appointed to such temporary positions shall not be voting members. The chairman shall give reasonable notice of such temporary assignment to the ranking minority members of the committee.

Rule 4 — Committee Reports
(a) Bills and resolutions approved by the full committee shall be reported by the chairman pursuant to House Rule XIII, clauses 2-4.

(b) A proposed investigative or oversight report shall not be considered in the committee unless the proposed report has been available to the members of the committee for at least three calendar days (excluding Saturdays, Sundays, and legal holidays, unless the House is in session on such days) before consideration of such proposed report in the committee. If hearings have been held on the matter reported upon, every reasonable effort shall be made to have such hearings printed and available to the members of the committee before the consideration of the proposed report in the committee.

(c) Every investigative or oversight report shall be approved by a majority vote of the committee at a meeting at which a quorum is present. If at the time of approval of such a report a member of the committee gives notice of intent to file supplemental, minority, additional, or
dissenting views that member shall be entitled to file such views following House Rule XI, clause 2(l) and Rule XIII, clause 3(a)(1).

(d) Only those investigative or oversight reports approved by a majority vote of the committee may be ordered printed, unless otherwise required by the Rules of the House of Representatives.

Rule 5 — Record Votes

(a) A record vote of the members may be had upon the request of any member upon approval of a one-fifth vote of the members present.

(b) Pursuant to House Rule XI, clause 2(h)(4), the chairman is authorized to postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment and to resume proceedings on a postponed question at any time after reasonable notice. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed. After consultation with the ranking minority member, the chairman shall take reasonable steps to notify members on the resumption of proceedings on any postponed record vote.

Rule 6 — Subcommittees; Referrals

(a) There shall be six standing subcommittees with appropriate party ratios. The chairman shall assign members to the subcommittees. Minority party assignments shall be made only with the concurrence of the ranking minority member. The subcommittees shall have the following fixed jurisdictions:

(a)

(1) The Subcommittee on Government Operations – Legislative and oversight jurisdiction over government management and accounting measures; the economy, efficiency, and management of government operations and activities; procurement; federal property; public information, including the Freedom of Information Act and Federal Advisory Committee Act; federal records (including the National Archives and Records Administration and the Presidential Records Act); federal civil service; the U.S. Postal Service; the Census Bureau; and the District of Columbia. The Subcommittee also has legislative jurisdiction over drug policy and the Office of Information and Regulatory Affairs.

(b)

(2) The Subcommittee on National Security – Oversight jurisdiction over national security, homeland security, foreign operations, immigration, defense, and criminal justice.

(c)

(3) The Subcommittee on Healthcare, Benefits, and Administrative Rules – Oversight jurisdiction over health care policy, administration, and programs; regulatory affairs; government-wide rules and regulations; Social Security; and the administration and solvency of benefit and entitlement programs.

(d)

(4) The Subcommittee on the Interior – Oversight jurisdiction over food and drug safety, energy policy, public lands, the Environmental Protection Agency, and the Department of the Interior.

(5) The Subcommittee on Information Technology – Oversight jurisdiction over information security management, cybersecurity, information technology policy and
procurement, emerging technologies, intellectual property, telecommunications, and privacy.

(6) The Subcommittee on Transportation and Public Assets – Oversight jurisdiction over federal real property, the General Services Administration, the Department of Housing and Urban Development, the Federal Emergency Management Agency, the Transportation Security Administration, and the Department of Transportation.

(b) Bills, resolutions, and other matters shall be expeditiously referred by the chairman to subcommittees for consideration or investigation in accordance with their fixed jurisdictions. Where the subject matter of the referral involves the jurisdiction of more than one subcommittee or does not fall within any previously assigned jurisdiction, the chairman shall refer the matter as he may deem advisable. Bills, resolutions, and other matters referred to subcommittees may be re-referred or discharged by the chairman when, in his judgment, the subcommittee is not able to complete its work or cannot reach agreement therein.

(c) The chairman and the ranking minority member of the full committee shall be ex officio members of all subcommittees. They are authorized to vote on subcommittee matters; but, unless they are regular members of the subcommittee, they shall not be counted in determining a subcommittee quorum other than a quorum for taking testimony.

Rule 7 — Subcommittee Scheduling

(a) Each subcommittee is authorized to meet, hold hearings, receive testimony, mark up legislation, and report to the full committee on any measure or matter referred to it.

(b) No subcommittee may meet or hold a hearing at the same time as a meeting or hearing of the full committee.

(c) The chair of each subcommittee shall set hearing and meeting dates only with the approval of the full committee chairman with a view toward assuring the availability of meeting rooms and avoiding simultaneous scheduling of committee meetings or hearings.

(d) Each subcommittee chair shall notify the chairman of any hearing plans at least two weeks before the date of commencement of the hearings, including the date, place, subject matter, and the names of witnesses, willing and unwilling, who would be called to testify, including, to the extent the chair is advised thereof, witnesses whom the minority members may request.

Rule 8 — Staff

(a) Except as otherwise provided by House Rule X, clauses 6, 7 and 9, the chairman of the full committee shall have the authority to hire and discharge employees of the professional and clerical staff of the committee.

(b) Except as otherwise provided by House Rule X, clauses 6, 7 and 9, the staff of the committee shall be subject to the direction of the chairman of the full committee and shall perform such duties as he or she may assign.

Rule 9 — Hearings

(a) A committee member may question witnesses only when recognized by the chairman for that purpose. In accordance with House Rule XI, clause 2(j)(2), the five-minute rule shall apply during the questioning of witnesses in a hearing. The chairman shall, so far as practicable, recognize alternately based on seniority of those majority and minority members present at the time the hearing was called to order and others based on their arrival at the hearing. After that, additional time may be extended at the direction of the chairman.
(b) The chairman, or the committee by motion, may permit a specified number of majority and minority members to question a witness for a specified, total period that is equal for each side and not longer than thirty minutes for each side.

(c) The chairman, or the committee by motion, may permit committee staff of the majority and minority to question a witness for a specified, total period that is equal for each side and not longer than thirty minutes for each side.

(d) Nothing in paragraph (b) or (c) affects the rights of a member (other than a member designated under paragraph (b)) to question a witness for 5 minutes in accordance with paragraph (a). In any extended questioning permitted under paragraph (b) or (c), the chairman shall determine how to allocate the time permitted for extended questioning by majority members or majority committee staff, and the ranking minority member shall determine how to allocate the time permitted for extended questioning by minority members or minority committee staff.

(e) Hearings shall be conducted according to the procedures in House Rule XI, clause 2(k). All questions put to witnesses before the committee shall be relevant to the subject matter before the Committee for consideration, and the chairman shall rule on the relevance of any questions put to the witnesses.

(f) Witnesses appearing before the committee shall so far as practicable, submit written statements at least 24 hours before their appearance. Witnesses appearing in a non-governmental capacity shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of each federal grant (or subgrant thereof) or contract (or subcontract thereof), as well as the amount and source of payments or contracts originating from foreign governments, insofar as they relate to the subject matter of the hearing, received during the current fiscal year or either of the two previous fiscal years, by the witness or by an entity represented by the witness.

(g) The chairman or any member designated by the chairman may administer oaths to any witness before the committee. All witnesses appearing in hearings may be administered the following oath by the chairman or his designee prior to receiving the testimony: ``Do you solemnly swear or affirm that the testimony that you are about to give is the truth, the whole truth, and nothing but the truth, so help you God?''.

(h) To the maximum extent practicable, amendments to a measure or matter shall be submitted in writing or electronically to the designee of both the chairman and ranking minority member at least 24 hours prior to the consideration of the measure or matter. The chairman may use his discretion to give priority to amendments submitted in advance.

Rule 10 – Committee Records, Open Meetings, Transparency

(a) The committee staff shall maintain in the committee offices a complete record of committee actions from the current Congress including a record of the roll call votes taken at committee business meetings. The original records, or true copies thereof, as appropriate, shall be available for public inspection whenever the committee offices are open for public business. The staff shall assure that such original records are preserved with no unauthorized alteration, additions, or defacement.

(b) A stenographic record of all testimony shall be kept of public hearings and shall be made available on such conditions as the chairman may prescribe.

(c) Meetings for the transaction of business and hearings of the committee shall be open to the public or closed in accordance with the Rules of the House of Representatives.

(d) The chairman of the full committee shall maintain an official website on behalf of the committee for the purpose of furthering the committee’s legislative and oversight responsibilities, including communicating information about the committee’s activities to
committee members and other members of the House. To the greatest extent practicable, the chairman shall ensure that committee records are made available on the committee's official website in appropriate formats.

(e) The ranking minority member of the full committee is authorized to maintain a similar official website on behalf of the committee minority for the same purpose, including communicating information about the activities of the minority to committee members and other members of the House.

Rule 11 — Audio and Visual Coverage of Committee Proceedings

(a) An open meeting or hearing of the committee may be covered, in whole or in part, by television broadcast, radio broadcast, internet broadcast, and still photography, unless closed subject to the provisions of House Rules. Any such coverage shall conform to the provisions of House Rule XI, clause 4.

(b) Use of the Committee Broadcast System shall be fair and nonpartisan, and in accordance with House Rule XI, clause 4(b), and all other applicable rules of the House of Representatives and the Committee on Oversight and Government Reform. Members of the committee shall have prompt access to a copy of coverage by the Committee Broadcast System, to the extent that such coverage is maintained.

(c) Personnel providing coverage of an open meeting or hearing of the committee by internet broadcast, other than through the Committee Broadcast System shall be currently accredited to the Radio and Television Correspondents' Galleries. If the Committee Broadcast System is not available, the chairman may, with the concurrence of the ranking minority member, direct staff to provide coverage in a manner that is fair and nonpartisan and in accordance with House Rule XI, clause 4.

Rule 12 — Additional Duties of Chairman

The chairman of the full committee shall:

(a) Make available to other committees the findings and recommendations resulting from the investigations of the committee as required by House Rule X, clause 4(c)(2);

(b) Direct such review and studies on the impact or probable impact of tax policies affecting subjects within the committee's jurisdiction as required by House Rule X, clause 2(c);

(c) Submit to the Committee on the Budget views and estimates required by House Rule X, clause 4(f), and to file reports with the House as required by the Congressional Budget Act;

(d) Authorize and issue subpoenas as provided in House Rule XI, clause 2(m), in the conduct of any investigation or activity or series of investigations or activities within the jurisdiction of the Committee;

(e) Prepare, after consultation with the ranking minority member, a budget for the Committee;

(f) Make any necessary technical and conforming changes to legislation reported by the committee upon unanimous consent; and

(g) Offer motions under clause 1 of Rule XXII of the Rules of the House (motion to request or agree to a conference) whenever the chairman considers it appropriate.

Rule 13 — Consideration of Certain Bills and Resolutions

(a) The determination of the subject matter of commemorative stamps and new semi-postal issues is properly for consideration by the Postmaster General and the committee will not give consideration to legislative proposals specifying the subject matter of commemorative stamps and new semi-postal issues. It is suggested that recommendations for the subject matter of stamps be submitted to the Postmaster General.
(b) The consideration of bills designating facilities of the United States Postal Service shall be conducted so as to minimize the time spent on such matters by the committee and the House of Representatives.
(c) The chairman shall not request to have scheduled any resolution for consideration under suspension of the Rules, which expresses appreciation, commends, congratulates, celebrates, recognizes the accomplishments of, or celebrates the anniversary of, an entity, event, group, individual, institution, team or government program; or acknowledges or recognizes a period of time for such purposes.

Rule 14 — Panels and Task Forces
(a) The chairman of the full committee is authorized to appoint panels or task forces to carry out the duties and functions of the committee.
(b) The chairman and ranking minority member of the full committee may serve as ex-officio members of each panel or task force.
(c) The chairman of any panel or task force shall be appointed by the chairman of the full committee. The ranking minority member of the full committee shall select a ranking minority member for each panel or task force.
(d) The House and committee rules applicable to subcommittee meetings, hearings, recommendations, and reports shall apply to the meetings, hearings, recommendations, and reports of panels and task forces.
(e) No panel or task force so appointed shall continue in existence for more than six months. A panel or task force so appointed may, upon the expiration of six months, be reappointed by the chairman.

Rule 15 — Deposition Authority
(a) The chairman of the full committee, upon consultation with the ranking minority member of the full committee, may order the taking of depositions, under oath and pursuant to notice or subpoena.
(b) Notices for the taking of depositions shall specify the date, time, and place of examination (if other than within the committee offices). Depositions shall be taken under oath administered by a member or a person otherwise authorized to administer oaths.
(c) Consultation with the ranking minority member shall include three business days notice before any deposition is taken. All members shall also receive three business days notice that a deposition has been scheduled.
(d) Witnesses may be accompanied at a deposition by counsel to advise them of their rights. No one may be present at depositions except members, committee staff designated by the chairman or ranking minority member of the full committee, an official reporter, the witness, and the witness’s counsel. Observers or counsel for other persons, or for agencies under investigation, may not attend.
(e) At least one member of the committee shall be present at each deposition taken by the committee, unless the witness to be deposed agrees in writing to waive this requirement.
(f) A deposition shall be conducted by any member or staff attorney designated by the chairman or ranking minority member. When depositions are conducted by committee staff attorneys, there shall be no more than two committee staff attorneys permitted to question a witness per round. One of the committee staff attorneys shall be designated by the chairman and the other by the ranking minority member. Other committee staff members designated by the chairman or ranking minority member may attend, but may not pose questions to the witness.
(g) Questions in the deposition shall be propounded in rounds, alternating between the majority and minority. A single round shall not exceed 60 minutes per side, unless the
members or staff attorneys conducting the deposition agree to a different length of questioning. In each round, a member or committee staff attorney designated by the chairman shall ask questions first, and the member or committee staff attorney designated by the ranking minority member shall ask questions second.

(h) Any objection made during a deposition must be stated concisely and in a non-argumentative and non-suggestive manner. The witness may refuse to answer a question only to preserve a privilege. When the witness has objected and refused to answer a question to preserve a privilege, the full committee chairman may rule on any such objection after the deposition has adjourned. If the chairman overrules any such objection and thereby orders a witness to answer any question to which a privilege objection was lodged, such ruling shall be filed with the clerk of the committee and shall be provided to the members and the witness no less than three days before the reconvened deposition. If a member of the committee appeals in writing the ruling of the chairman, the appeal shall be preserved for committee consideration. A deponent who refuses to answer a question after being directed to answer by the chairman in writing may be subject to sanction, except that no sanctions may be imposed if the ruling of the chairman is reversed on appeal.

(i) Committee staff shall ensure that the testimony is either transcribed or electronically recorded or both. If a witness's testimony is transcribed, the witness or the witness's counsel shall be afforded an opportunity to review a copy. No later than five days thereafter, the witness may submit suggested changes to the chairman. Committee staff may make any typographical and technical changes. Substantive changes, modifications, clarifications, or amendments to the deposition transcript submitted by the witness must be accompanied by a letter signed by the witness requesting the changes and a statement of the witness’s reasons for each proposed change. Any substantive changes, modifications, clarifications, or amendments shall be included as an appendix to the transcript conditioned upon the witness signing the transcript.

(j) The individual administering the oath, if other than a member, shall certify on the transcript that the witness was duly sworn. The transcriber shall certify that the transcript is a true record of the testimony, and the transcript shall be filed, together with any electronic recording, with the clerk of the Committee in Washington, DC. Depositions shall be considered to have been taken in Washington, DC, as well as the location actually taken once filed there with the clerk of the Committee for the Committee’s use. The chairman and the ranking minority member of the full committee shall be provided with a copy of the transcripts of the deposition at the same time.

(k) The chairman and ranking minority member of the full committee shall consult regarding the release of depositions. If either objects in writing to a proposed release of a deposition or a portion thereof, the matter shall be promptly referred to the full committee for resolution.

(l) A witness shall not be required to testify unless the witness has been provided with a copy of the committee’s rules.

(As adopted January 27, 2015)
RULES OF THE COMMITTEE ON SCIENCE, SPACE, AND TECHNOLOGY
FOR THE 114TH CONGRESS

Rule I. General

(a) Application of Rules.
   (1) The Rules of the House of Representatives (“House Rules”) are the rules of the
       Committee on Science, Space, and Technology and its Subcommittees with the
       specific additions thereto contained in these rules.
   (2) Except where the term “Subcommittee” is specifically referred to, the following rules
       shall apply to the Committee and its Subcommittees as well as to the respective
       Chairs and Ranking Minority Members.

(b) Other Procedures. The Chair may establish such other procedures and take such
    actions as may be necessary to carry out these rules or to facilitate the effective
    operation of the Committee.

(c) Use of Hearing Rooms. In consultation with the Ranking Minority Member, the
    Chair of the Committee shall establish guidelines for the use of Committee hearing
    rooms.

Rule II. Regular, Additional, and Special Meetings

(a) Regular Meetings. The regular meeting day of the Committee for the conduct of its
    business shall be on the first Thursday of each month, if the House is in session. If the
    House is not in session on that day, then the Committee shall meet on the next
    Thursday of such month on which the House is in session, or at another practicable time
    as determined by the Chair.
    (1) A regular meeting of the Committee may be dispensed with if, in the judgment of the
        Chair, there is no need for the meeting.
    (2) The Chair may call and convene, as he considers necessary and in accordance with
        the notice requirements contained in these rules, additional meetings of the
        Committee for the consideration of any bill or resolution pending before the
        Committee or for the conduct of other Committee business.

(b) Bills and Subjects to be Considered.
   (1) The Chair shall announce the date, place, and subject matter of any Committee
       meeting, which may not commence earlier than the third day on which Members
       have notice thereof, unless the Chair, with the concurrence of the Ranking Minority
       Member, or the Committee by majority vote with a quorum present for the
       transaction of business, determines there is good cause to begin the meeting sooner,
       in which case the Chair shall make the announcement at the earliest possible date.
   (2) At least 48 hours prior to the commencement of a meeting for the markup of
       legislation, the Chair shall cause the text of such legislation to be made publicly
       available in electronic form.
   (3) To the maximum extent practicable, amendments to a measure or matter shall be
       submitted in writing or electronically to the designee of both the Chair and Ranking
Minority Member at least 24 hours prior to the consideration of the measure or matter, and the Chair may oppose any amendment not so submitted.

(c) OPEN MEETINGS.
(1) Meetings for the transaction of business and hearings of the Committee shall be open to the public or closed in accordance with the House Rules.
(2) Any Member who is not a Member of the Committee (or any Committee Member who is not a Member of the Subcommittee) may have the privilege of nonparticipatory attendance at Committee or Subcommittee hearings or meetings in accordance with clause 2(g)(2) of House Rule XI. Such Member may not:
   i. vote on any matter;
   ii. be counted for the purpose of establishing a quorum;
   iii. participate in questioning a witness under the 5-Minute Rule, unless permitted to do so by the Chair;
   iv. raise points of order; or
   v. offer amendments or motions.

(d) QUORUMS. A majority of the Committee shall form a quorum, except that two Members shall constitute a quorum for taking testimony and receiving evidence, and one third of the Members shall form a quorum for taking any action other than for which the presence of a majority of the Committee is otherwise required. If the Chair is not present at any meeting of the Committee or Subcommittee, the Vice Chair on the Committee who is present shall preside at the meeting, unless another Member of the Committee is designated by the Chair.

(e) POSTPONEMENT OF PROCEEDINGS.
(1) Pursuant to clause 2(h)(4) of House Rule XI, the Chair may postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment. The Chair may resume proceedings on a postponed vote at any time after reasonable notice.
(2) When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(f) Time for Statements and Debate.
(1) Insofar as is practicable, the Chair, after consultation with the Ranking Minority Member, shall limit the total time of opening statements by Members at a Committee meeting to no more than ten minutes, the time to be divided equally between the Chair and Ranking Minority Member. When requested, ex officio Members of any Subcommittee shall also be recognized at a Subcommittee hearing for five minutes each to present an opening statement.
(2) The time any one Member may address the Committee on any bill, amendment, motion, or other matter under consideration by the Committee will be limited to five minutes, and then only when the Member has been recognized by the Chair. This time limit may
be waived by the Chair pursuant to unanimous consent.

(g) **REQUESTS FOR RECORDED VOTE.** A record vote of the Committee shall be provided on any question before the Committee upon the request of one-fifth of the Members present.

(h) **TRANSCRIPTS.** Transcripts of markups shall be recorded and may be published in the same manner as hearings before the Committee. Transcripts shall be included as part of the legislative report unless waived by the Chair of the Committee.

(i) **MOTION TO GO TO CONFERENCE.** Without further action of the Committee, the Chair is authorized to offer a motion under clause 1 of House Rule XXII whenever the Chair considers it appropriate.

**Rule III. Hearings**

(a) **NOTICE OF HEARINGS.**

(1) The Chair shall publicly announce the date, place, and subject matter of any hearing to be conducted by the Committee on any measure or matter at least one week before the commencement of that hearing. If the Chair, with the concurrence of the Ranking Minority Member, determines there is good cause to begin the hearing sooner, or if the Committee so determines by majority vote, a quorum being present for the transaction of business, the Chair shall make the announcement at the earliest possible date.

(2) The Chair shall publicly announce a list of witnesses to testify at a hearing as soon as a complete list of witnesses, including those to be called by the minority, is compiled. When practicable, the Chair and the Ranking Minority Member will seek to have a complete list of witnesses compiled at or as soon as practicable after the time that the hearing is publicly announced.

(b) **WITNESSES.**

(1) Insofar as is practicable, no later than 48 hours in advance of his or her appearance, each witness who is to appear before the Committee shall file, in printed copy and in electronic form, a written statement of his or her proposed testimony and a curriculum vitae.

(2) Each witness shall limit his or her presentation to a five minute summary, however additional time may be granted by the Chair when appropriate.

(3) The Chair, or any Member of the Committee designated by the Chair, may administer oaths to witnesses before the Committee.

(4) Whenever any hearing is conducted by the Committee on any measure or matter, the Minority Members of the Committee shall be entitled, upon request to the Chair by a majority of them before the completion of the hearing, to call witnesses selected by the Minority to testify with respect to the measure or matter during at least one day of hearing thereon.

(5) In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of any Federal grants, cooperative agreements, or contracts, or contracts or payments
originating with a foreign government, received during the current calendar year or either of the two previous calendar years by the witness or by an entity represented by the witness and related to the subject matter of the hearing. The disclosure shall include the amount and source of each Federal grant (or subgrant thereof), cooperative agreement, or contract (or subcontract thereof) related to the subject matter of the hearing; and the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government. Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(c) **QUESTIONING OF WITNESSES.**

(1) The right to interrogate a witness before the Committee shall alternate between Majority and Minority Members of the Committee. Each Member shall be limited to five minutes in the interrogation of witnesses. No Member may be recognized for a second period of interrogation until each Member present, who wishes to be recognized, has been recognized at least once.

(2) Notwithstanding clause 1, upon a motion the Chair, in consultation with the Ranking Minority Member, may:

i. Designate a specified number of Members of the Committee from each party to question a witness for a period of time equally divided between the majority party and the minority party, not to exceed one hour in the aggregate; or

ii. Designate staff from each party to question a witness for a period of time equally divided between the majority party and the minority party, not to exceed one hour in the aggregate.

(3) Members of the Committee have two weeks from the date of a hearing to submit additional questions in writing for the record to be answered by witnesses who have appeared in person. The letters of transmittal and any responses thereto shall be included in the hearing record.

(d) **CLAIMS OF PRIVILEGE.** Claims of common-law privileges made by witnesses in hearings, or by interviewees or deponents in investigations or inquiries, are applicable only at the discretion of the Chair, subject to appeal to the Committee.

(e) **PUBLICATION OF TRANSCRIPTS.** The transcripts of those hearings conducted by the Committee, when it is decided they will be printed, shall be published in substantially verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. Individuals, including Members, whose comments are to be published as part of a Committee document shall be given the opportunity to verify the accuracy of the transcription in advance of publication. Any requests by those Members, staff, or witnesses to correct any errors other than errors in the transcript, or disputed errors in transcription, shall be appended to the record, and the appropriate place where the change is requested will be footnoted. Prior to approval by the Chair of hearings conducted jointly with another Congressional Committee, a memorandum of understanding shall be prepared which incorporates an agreement for the publication of the transcript.
(f) **Pertinence of Testimony.** At the discretion of the Committee, brief and pertinent statements may be submitted in writing for inclusion in the record. The Committee is the sole judge of the pertinence of testimony and evidence adduced at its hearing.

**Rule IV. Reports**

(a) Bills and resolutions approved by the Committee shall be reported by the Chair pursuant to clauses 2-4 of House Rule XIII.

(b) A proposed investigative or oversight report shall be considered as read if it has been available to the Members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such days).

(c) Every investigative or oversight report shall be approved by a majority vote of the Committee at a meeting at which a quorum is present. If at the time of approval of such a report a Member of the Committee gives notice of intent to file supplemental, minority, additional, or dissenting views that Member shall be entitled to file such views.

(d) Only those investigative or oversight reports approved by a majority vote of the Committee may be ordered printed, unless otherwise required by House Rules.

**Rule V. Broadcasting**

(a) Whenever a meeting for the transaction of business, including the markup of legislation or a hearing is open to the public, that meeting or hearing shall be open to coverage by television, radio, and still photography in accordance with clause 4 of House Rule XI.

(b) To the maximum extent practicable, the Committee shall provide audio and visual coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings, and maintain the recordings of such coverage in a manner that is easily accessible to the public. (b) SUBCOMMITTEES – Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable.
(c) INCORPORATION OF HOUSE RULE ON COMMITTEE PROCEDURE – Rule XI of the Rules of the House, which pertains entirely to Committee procedure, is incorporated and made part of the rules of the Committee to the extent applicable. RULE 2 – REGULAR AND ADDITIONAL MEETINGS

(b) ADDITIONAL MEETINGS – The Chairman of the Committee may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to the call of the Chairman.
(c) NOTICE – The Chairman shall notify each member of the Committee of the agenda of each regular and additional meeting of the Committee at least 24 hours before the time of the meeting, except under circumstances the Chairman determines to be of an emergency nature. Under such circumstances, the Chairman shall make an effort to consult the ranking minority member, or in such member's absence, the next ranking minority party member of the Committee.

RULE 3 – MEETINGS AND HEARINGS GENERALLY
(a) OPEN MEETINGS AND HEARINGS – Meetings and hearings of the Committee and each of its subcommittees shall be open to the public unless closed in accordance with clause 2(g) of Rule XI of the Rules of the House.
(b) ANNOUNCEMENT OF HEARING – The Chairman, in the case of a hearing to be conducted by the Committee, and the subcommittee Chairman, in the case of a hearing to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or matter at least one week before the commencement of that hearing unless the Committee or the subcommittee determines that there is good cause to begin the hearing at an earlier date. In the latter event, the Chairman or the subcommittee Chairman, as the case may be, shall consult with the ranking minority member and make such public announcement at the earliest possible date. The clerk of the Committee shall promptly notify the Daily Clerk of the Congressional Record and the
Committee scheduling service of the House Information Resources as soon as possible after such public announcement is made.

(c) WIRELESS TELEPHONE USE PROHIBITED – No person may use a wireless telephone during a Committee or subcommittee meeting or hearing.

(d) MEDIA COVERAGE – Any meeting of the Committee or its subcommittees that is open to the public shall be open to coverage by radio, television, and still photography in accordance with the provisions of clause 4(f) of House rule XI as follows:

1. If audio or visual coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

2. The allocation among the television media of the positions or the number of television cameras permitted by a committee or subcommittee chair in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents’ Galleries.

3. Television cameras shall be placed so as not to obstruct in any way the space between a witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

4. Television cameras shall operate from fixed positions but may not be placed in positions that obstruct unnecessarily the coverage of the hearing or meeting by the other media.

5. Equipment necessary for coverage by the television and radio media may not be installed in, or removed from, the hearing or meeting room while the committee is in session.

6. (A) Except as provided in subdivision (B), floodlights, spotlights, strobelights, and flashguns may not be used in providing any method of coverage of the hearing or meeting.

   (B) The television media may install additional lighting in a hearing or meeting room, without cost to the Government, in order to raise the ambient lighting level in a hearing or meeting room to the lowest level necessary to provide adequate television coverage of a hearing or meeting at the current state of the art of television coverage.

7. If requests are made by more of the media than will be permitted by a committee or subcommittee chair for coverage of a hearing or meeting by still photography, that coverage shall be permitted on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

8. Photographers may not position themselves between the witness table and the members of the committee at any time during the course of a hearing or meeting.

9. Photographers may not place themselves in positions that obstruct unnecessarily the coverage of the hearing by the other media.

10. Personnel providing coverage by the television and radio media shall be currently accredited to the Radio and Television Correspondents’ Galleries.

11. Personnel providing coverage by still photography shall be currently accredited to the Press Photographers’ Gallery.

12. Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

(e) REQUIREMENTS FOR TESTIMONY

1. Each witness who is to appear before the Committee or a subcommittee shall file with the clerk of the Committee, at least 48 hours in advance of his or her appearance, or at such other time as designated by the Chairman after consultation with the Ranking Member, a written statement of his or her proposed testimony. Each witness shall, to the greatest extent
practicable, also provide a copy of such written testimony in an electronic format prescribed by the Chairman. Each witness shall limit any oral presentation to a summary of the written statement. (2) Pursuant to clause 2(g)(5) of Rule XI of the Rules of the House:

(A) In the case of a witness appearing in a non-governmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of any Federal grants or contracts, or contracts or payments originating with a foreign government, received during the current calendar year or either of the two previous calendar years by the witness and related to the subject matter of the hearing.

(B) The disclosure required by this Rule shall include the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing and the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government.

(f) CALLING AND QUESTIONING WITNESSES

(1) Committee and subcommittee members may question witnesses only when they have been recognized by the Chairman of the Committee or subcommittee for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one member may be extended only with the unanimous consent of all members present. The questioning of witnesses in both Committee and subcommittee hearings shall be initiated by the Chairman, followed by the ranking minority party member and all other members alternating between the majority and minority. Except as otherwise announced by the Chairman at the beginning of a hearing, members who are present at the start of the hearing will be recognized before other members who arrive after the hearing has begun. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority.

(2) Notwithstanding the provisions of paragraph (1) regarding the 5-minute rule, the Chairman after consultation with the ranking minority member may designate an equal number of members of the Committee or subcommittee majority and minority party to question a witness for a period not longer than 30 minutes. In no event shall the Chairman allow a member to question a witness for an extended period under this rule until all members present have had the opportunity to ask questions under the 5-minute rule. The Chairman after consultation with the ranking minority member may permit Committee staff for its majority and minority party members to question a witness for equal specified periods of time.

(3) Non-Committee Members may be invited to sit at the dais for Committee hearings with the unanimous consent of all Members present. Further, non-Committee Members may be recognized for questioning of witnesses but only after all Committee Members have first been recognized.

(4) When a hearing is conducted by the Committee or a subcommittee on any measure or matter, the minority party members on the Committee shall be entitled, upon request to the Chairman of a majority of those minority members before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of the hearing thereon.

(g) SUBPOENAS – Pursuant to clause 2(m) of Rule XI of the Rules of the House, a subpoena may be authorized and issued by the Committee or a subcommittee in the conduct of any investigation or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present.
(h) NOTICE REQUIREMENTS –

(1) The text of all bills or resolutions for markup, and any amendments in the nature of
a substitute to such bills or resolution to be first recognized by the Chairman, shall be made
available, via written or electronic notice, to Committee members at least 48 hours prior to a
scheduled markup, except as agreed to by unanimous consent.

(2) Subject to the second sentence of this paragraph, it shall not be in order for the
Committee to consider any amendment proposed to a bill or resolution under consideration by
the Committee, or proposed to an amendment in the nature of a substitute noticed under
paragraph (1), unless a written or electronic copy of such amendment has been delivered to each
Member of the Committee (or Subcommittee for purposes of Subcommittee markups) at least 24
hours before the meeting at which the amendment is to be proposed. This paragraph may be
waived by unanimous consent and shall apply only when the 48-hour written notice has been
provided in accordance with paragraph (1).

(i) CONGRESSIONAL BUDGET OFFICE SCORING -- The Committee shall not include any
bill or resolution for consideration during a committee markup which is not accompanied by an
accounting from the Congressional Budget Office of the mandatory and discretionary costs or
savings associated with such bill or resolution.
The accounting from the Congressional Budget Office need not be official, but is expected to
provide Committee members with an approximation of the budgetary impact a bill or resolution
may have prior to any vote to favorably forward or report such bill or resolution. The
requirements of this paragraph may be waived by a majority of Committee members, a quorum
being present.

RULE 4 – QUORUM AND RECORD VOTES; POSTPONEMENT OF PROCEEDINGS
(a) WORKING QUORUM – A majority of the members of the Committee shall constitute a
quorum for business and a majority of the members of any subcommittee shall constitute a
quorum thereof for business, except that two members shall constitute a quorum for the
purpose of taking testimony and receiving evidence.
(b) QUORUM FOR REPORTING – No measure or recommendation shall be reported to the
House of Representatives unless a majority of the Committee was actually present.
(c) RECORD VOTES – A record vote may be demanded by one-fifth of the members present or,
in the apparent absence of a quorum, by any one member. With respect to any record vote on
any motion to amend or report, the total number of votes cast for and against, and the names of
those members voting for and against, shall be included in the report of the Committee on the
bill or resolution.
(d) PROHIBITION AGAINST PROXY VOTING – No vote by any member of the Committee or
a subcommittee with respect to any measure or matter may be cast by proxy.
(e) POSTPONING PROCEEDINGS – Committee and subcommittee chairmen may postpone
further proceedings when a record vote is ordered on the question of approving a measure or
matter or on adopting an amendment, and may resume proceedings within two legislative days
on a postponed question after reasonable notice. When proceedings resume on a postponed
question, notwithstanding any intervening order for the previous question, an underlying
proposition shall remain subject to further debate or amendment to the same extent as when
the question was postponed.

RULE 5 – SUBCOMMITTEES

Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the Chairman of the Committee and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings whenever possible.

(2) Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the Committee, the Chairman of the subcommittee reporting the bill, resolution, or matter to the full Committee, or any member authorized by the subcommittee to do so shall notify the Chairman and the ranking minority party member of the Committee of the Subcommittee’s action.

(4) Non-Committee Members may be invited to sit at the dais for subcommittee hearings with the unanimous consent of all Members present. Further, non-Committee Members may be recognized for questioning of witnesses but only after all subcommittee Members have first been recognized for questioning.

(5) Each subcommittee shall provide the Committee with copies of such record votes taken in subcommittee and such other records with respect to the subcommittee as the Chairman of the Committee deems necessary for the Committee to comply with all rules and regulations of the House.

RULE 6 – GENERAL OVERSIGHT RESPONSIBILITY
(a) PURPOSE – Pursuant to clause 2 of Rule X of the Rules of the House, the Committee shall carry out oversight responsibilities. In order to assist the House in –

(As adopted January 21, 2015)
RULES OF THE COMMITTEE ON WAYS AND MEANS FOR THE 114TH CONGRESS

A. General

Rule 1. Application of House Rules

The rules of the House are the rules of the Committee on Ways and Means and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a non-debatable motion of high privilege in the Committee.

Each subcommittee of the Committee is part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable. Written rules adopted by the Committee, not inconsistent with the Rules of the House, shall be binding on each subcommittee of the Committee.

The provisions of rule XI of the Rules of the House are incorporated by reference as the rules of the Committee to the extent applicable.

Rule 2. Meeting Date and Quorums

The regular meeting day of the Committee on Ways and Means shall be on the second Wednesday of each month while the House is in session. However, the Committee shall not meet on the regularly scheduled meeting day if there is no business to be considered.

A majority of the Committee constitutes a quorum for business; provided however, that two Members shall constitute a quorum at any regularly scheduled hearing called for the purpose of taking testimony and receiving evidence. In establishing a quorum for purposes of a public hearing, every effort shall be made to secure the presence of at least one Member each from the majority and the minority.

The Chairman of the Committee may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet pursuant to the call of the Chair.

Rule 3. Committee Budget

For each Congress, the Chairman, in consultation with the Majority Members of the Committee, shall prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, travel, investigation, and other expenses of the Committee. After consultation with the Minority Members, the Chairman shall include an amount budgeted by Minority Members for staff under their direction and supervision.

Rule 4. Publication of Committee Documents

Any Committee or Subcommittee print, document, or similar material prepared for
public distribution shall either be approved by the Committee or Subcommittee prior to distribution and opportunity afforded for the inclusion of supplemental, minority or additional views, or such document shall prominently display near the top of its cover the following:
“Majority [or Minority] Staff Report,” as appropriate.

The requirements of this rule shall apply only to the publication of policy-oriented, analytical documents, and not to the publication of public hearings, legislative documents, documents which are administrative in nature or reports which are required to be submitted to the Committee under public law. The appropriate characterization of a document subject to this rule shall be determined after consultation with the Minority.

Rule 5. Official Travel

Consistent with the primary expense resolution and such additional expense resolution as may have been approved, the provisions of this rule shall govern official travel of Committee Members and Committee staff. Official travel to be reimbursed from funds set aside for the full Committee for any Member or any Committee staff member shall be paid only upon the prior authorization of the Chairman. Official travel may be authorized by the Chairman for any Member and any Committee staff member in connection with the attendance of hearings conducted by the Committee, its Subcommittees, or any other Committee or Subcommittee of the Congress on matters relevant to the general jurisdiction of the Committee, and meetings, conferences, facility inspections, and investigations which involve activities or subject matter relevant to the general jurisdiction of the Committee. Before such authorization is given, there shall be submitted to the Chairman in writing the following:

(1) The purpose of the official travel;
(2) The dates during which the official travel is to be made and the date or dates of the event for which the official travel is being made;
(3) The location of the event for which the official travel is to be made; and
(4) The names of the Members and Committee staff seeking authorization.

In the case of official travel of Members and staff of a Subcommittee to hearings, meetings, conferences, facility inspections and investigations involving activities or subject matter under the jurisdiction of such Subcommittee, prior authorization must be obtained from the Subcommittee Chairman and the full Committee Chairman. Such prior authorization shall be given by the full Committee Chairman only upon the representation in writing setting forth those items enumerated above.

Within 60 days of the conclusion of any official travel authorized under this rule, there shall be submitted to the full Committee Chairman a written report covering the information gained as a result of the hearing, meeting, conference, facility inspection or investigation attended pursuant to such official travel.

Rule 6. Availability of Committee Records and Publications

The records of the Committee at the National Archives and Records Administration
shall be made available for public use in accordance with Rule VII of the Rules of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of Rule VII, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any Member of the Committee. The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

**Rule 7. Committee Website**

The Chairman shall maintain an official Committee website for the purpose of furthering the Committee’s legislative and oversight responsibilities, including communicating information about the Committee’s activities to Committee members and other members of the House. The ranking minority member may maintain a similar website for the same purpose, including communicating information about the activities of the minority to Committee members and other members of the House.

**B. SUBCOMMITTEES**

**Rule 8. Subcommittee Ratios and Jurisdiction**

All matters referred to the Committee on Ways and Means involving revenue measures, except those revenue measures referred to Subcommittees under paragraphs 1, 2, 3, 4, 5 or 6 shall be considered by the full Committee and not in Subcommittee. There shall be six standing Subcommittees as follows: a Subcommittee on Trade; a Subcommittee on Oversight; a Subcommittee on Health; a Subcommittee on Social Security; a Subcommittee on Human Resources; and a Subcommittee on Select Revenue Measures. The ratio of Republicans to Democrats on any Subcommittee of the Committee shall be consistent with the ratio of Republicans to Democrats on the full Committee.

1. **The Subcommittee on Trade** shall consist of 16 Members, 10 of whom shall be Republicans and 6 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Trade shall include bills and matters referred to the Committee on Ways and Means that relate to customs and customs administration including tariff and import fee structure, classification, valuation of and special rules applying to imports, and special tariff provisions and procedures which relate to customs operation affecting exports and imports; import trade matters, including import impact, industry relief from injurious imports, adjustment assistance and programs to encourage competitive responses to imports, unfair import practices including antidumping and countervailing duty provisions, and import policy which relates to dependence on foreign sources of supply; commodity agreements and reciprocal trade agreements involving multilateral and bilateral trade negotiations and implementation of agreements involving tariff and non-tariff trade barriers to and distortions of international trade; international rules, organizations and institutional aspects of international trade agreements; budget authorizations for the customs revenue functions of the Department of Homeland Security, the U.S. International Trade
Commission, and the U.S. Trade Representative; and special trade-related problems involving market access, competitive conditions of specific industries, export policy and promotion, access to materials in short supply, bilateral trade relations including trade with developing countries, operations of multinational corporations, and trade with non-market economies.

2. The Subcommittee on Oversight shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Oversight shall include all matters within the scope of the full Committee's jurisdiction but shall be limited to existing law. Said oversight jurisdiction shall not be exclusive but shall be concurrent with that of the other Subcommittees. With respect to matters involving the Internal Revenue Code and other revenue issues, said concurrent jurisdiction shall be shared with the full Committee. Before undertaking any investigation or hearing, the Chairman of the Subcommittee on Oversight shall confer with the Chairman of the full Committee and the Chairman of any other Subcommittee having jurisdiction.

3. The Subcommittee on Health shall consist of 16 Members, 10 of whom shall be Republicans and 6 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Health shall include bills and matters referred to the Committee on Ways and Means that relate to programs providing payments (from any source) for health care, health delivery systems, or health research. More specifically, the jurisdiction of the Subcommittee on Health shall include bills and matters that relate to the health care programs of the Social Security Act (including titles V, XI (Part B), XVIII, and XIX thereof) and, concurrent with the full Committee, tax credit and deduction provisions of the Internal Revenue Code dealing with health insurance premiums and health care costs.

4. The Subcommittee on Social Security shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Social Security shall include bills and matters referred to the Committee on Ways and Means that relate to the Federal Old Age, Survivors’ and Disability Insurance System, the Railroad Retirement System, and employment taxes and trust fund operations relating to those systems. More specifically, the jurisdiction of the Subcommittee on Social Security shall include bills and matters involving title II of the Social Security Act and Chapter 22 of the Internal Revenue Code (the Railroad Retirement Tax Act), as well as provisions in title VII and title XI of the Act relating to procedure and administration involving the Old Age, Survivors’ and Disability Insurance System.

5. The Subcommittee on Human Resources shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Human Resources shall include bills and matters referred to the Committee on Ways and Means that relate to the public assistance provisions of the Social Security Act, including temporary assistance for needy families, child care, child and family services, child support, foster care, adoption, supplemental security
income, social services, eligibility of welfare recipients for food stamps, and low-income energy assistance. More specifically, the jurisdiction of the Subcommittee on Human Resources shall include bills and matters relating to titles I, IV, VI, X, XIV, XVI, XVII, XX and related provisions of titles VII and XI of the Social Security Act.

The jurisdiction of the Subcommittee on Human Resources shall also include bills and matters referred to the Committee on Ways and Means that relate to the Federal-State system of unemployment compensation, and the financing thereof, including the programs for extended and emergency benefits. More specifically, the jurisdiction of the Subcommittee on Human Resources shall also include all bills and matters pertaining to the programs of unemployment compensation under titles III, IX and XII of the Social Security Act, Chapters 23 and 23A of the Internal Revenue Code, and the Federal-State Extended Unemployment Compensation Act of 1970, and provisions relating thereto.

6. **The Subcommittee on Select Revenue Measures** shall consist of 11 Members, 7 of whom shall be Republicans and 4 of whom shall be Democrats.

The jurisdiction of the Subcommittee on Select Revenue Measures shall consist of those revenue measures that, from time to time, shall be referred to it specifically by the Chairman of the full Committee.

**Rule 9. Ex-Officio Members of Subcommittees**

The Chairman of the full Committee and the Ranking Minority Member may sit as ex-officio Members of all Subcommittees. They may be counted for purposes of assisting in the establishment of a quorum for a Subcommittee. However, their absence shall not count against the establishment of a quorum by the regular Members of the Subcommittee. Ex-officio Members shall neither vote in the Subcommittee nor be taken into consideration for the purposes of determining the ratio of the Subcommittee.

**Rule 10. Subcommittee Meetings**

Insofar as practicable, meetings of the full Committee and its Subcommittees shall not conflict. Subcommittee Chairmen shall set meeting dates after consultation with the Chairman of the full Committee and other Subcommittee Chairmen with a view towards avoiding, wherever possible, simultaneous scheduling of full Committee and Subcommittee meetings or hearings.

**Rule 11. Reference of Legislation and Subcommittee Reports**

Except for bills or measures retained by the Chairman of the full Committee for full Committee consideration, every bill or other measure referred to the Committee shall be referred by the Chairman of the full Committee to the appropriate Subcommittee in a timely manner. A Subcommittee shall, within three legislative days of the referral, acknowledge same to the full Committee.

After a measure has been pending in a Subcommittee for a reasonable period of time, the
Chairman of the full Committee may make a request in writing to the Subcommittee that the Subcommittee forthwith report the measure to the full Committee with its recommendations. If within seven legislative days after the Chairman's written request, the Subcommittee has not so reported the measure, then there shall be in order in the full Committee a motion to discharge the Subcommittee from further consideration of the measure. If such motion is approved by a majority vote of the full Committee, the measure may thereafter be considered only by the full Committee.

No measure reported by a Subcommittee shall be considered by the full Committee unless it has been presented to all Members of the full Committee at least two legislative days prior to the full Committee’s meeting, together with a comparison with present law, a section-by-section analysis of the proposed change, a section-by-section justification, and a draft statement of the budget effects of the measure that is consistent with the requirements for reported measures under clause 3(d)(1) of Rule XIII of the Rules of the House of Representatives.

**Rule 12. Recommendation for Appointment of Conferees**

Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman of the full Committee shall recommend to the Speaker as conferees the names of those Committee Members as the Chairman may designate. In making recommendations of Minority Members as conferees, the Chairman shall consult with the Ranking Minority Member of the Committee.

**C. HEARINGS**

**Rule 13. Witnesses**

In order to assure the most productive use of the limited time available to question hearing witnesses, a witness who is scheduled to appear before the full Committee or a Subcommittee shall file with the Clerk of the Committee at least 48 hours in advance of his or her appearance a written statement of their proposed testimony. In addition, all witnesses shall comply with formatting requirements as specified by the Committee and the Rules of the House. Failure to comply with the 48-hour rule may result in a witness being denied the opportunity to testify in person. Failure to comply with the formatting requirements may result in a witness’ statement being rejected for inclusion in the published hearing record. In addition to the requirements of clause 2(g)(5) of Rule XI of the Rules of the House regarding information required of public witnesses, a witness shall limit his or her oral presentation to a summary of their position and shall provide sufficient copies of their written statement to the Clerk for distribution to Members, staff and news media.

A witness appearing at a public hearing, or submitting a statement for the record of a public hearing, or submitting written comments in response to a published request for comments by the Committee must include in their statement or submission, a list of all clients, persons or organizations on whose behalf the witness appears. Oral testimony and statements for the record, or written comments in response to a request for comments by the Committee,
will be accepted only from citizens of the United States or corporations or associations organized under the laws of one of the 50 States of the United States or the District of Columbia, unless otherwise directed by the Chairman of the full Committee or Subcommittee involved. Written statements from non-citizens may be considered for acceptance in the record if transmitted to the Committee in writing by Members of Congress.

**Rule 14. Questioning of Witnesses**

Committee Members may question witnesses only when recognized by the Chairman for that purpose. All Members shall be limited to five minutes on the initial round of questioning. In questioning witnesses under the five minute rule, the Chairman and the Ranking Minority Member shall be recognized first, after which Members who are in attendance at the beginning of a hearing will be recognized in the order of their seniority on the Committee. Other Members shall be recognized in the order of their appearance at the hearing. In recognizing Members to question witnesses, the Chairman may take into consideration the ratio of Majority Members to Minority Members and the number of Majority and Minority Members present and shall apportion the recognition for questioning in such a manner as not to disadvantage Members of the majority.

**Rule 15. Subpoena Power**

The power to authorize and issue subpoenas is delegated to the Chairman of the full Committee, as provided for under clause 2(m)(3)(A)(i) of Rule XI of the Rules of the House of Representatives.

**Rule 16. Records of Hearings**

An accurate stenographic record shall be kept of all testimony taken at a public hearing. The staff shall transmit to a witness the transcript of his or her testimony for correction and immediate return to the Committee offices. Only changes in the interest of clarity, accuracy and corrections in transcribing errors will be permitted. Changes that substantially alter the actual testimony will not be permitted. Members shall have the opportunity to correct their own remarks before publication. The Chairman of the full Committee may order the printing of a hearing without the corrections of a witness or Member if he determines that a reasonable time has been afforded to make corrections and that further delay would impede the consideration of the legislation or other measure that is the subject of the hearing.

**Rule 17. Broadcasting of Hearings**

The provisions of clause 4(f) of Rule XI of the Rules of the House of Representatives are specifically made a part of these rules by reference. In addition, the following policy shall apply to media coverage of any meeting of the full Committee or a Subcommittee:

(1) An appropriate area of the Committee’s hearing room will be designated for members of the media and their equipment.

(2) No interviews will be allowed in the Committee room while the Committee is in
Individual interviews must take place before the gavel falls for the convening of a meeting or after the gavel falls for adjournment.

(3) Day-to-day notification of the next day's electronic coverage shall be provided by the media to the Chairman of the full Committee through an appropriate designee.

(4) Still photography during a Committee meeting will not be permitted to disrupt the proceedings or block the vision of Committee Members or witnesses.

(5) Further conditions may be specified by the Chairman.

D. MARKUPS

Rule 18. Previous Question

The Chairman shall not recognize a Member for the purpose of moving the previous question unless the Member has first advised the Chair and the Committee that this is the purpose for which recognition is being sought.

Rule 19. Postponement of Proceedings

The Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment.

The Chairman may resume proceedings on a postponed request at any time. In exercising postponement authority the Chairman shall take reasonable steps to notify Members on the resumption of proceedings on any postponed record vote.

When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Rule 20. Motion to go to Conference

The Chairman is authorized to offer a motion under clause 1 of rule XXII of the Rules of the House of Representatives whenever the Chairman considers it appropriate.

Rule 21. Official Transcripts of Markups and Other Committee Meetings

An official stenographic transcript shall be kept accurately reflecting all markups and other official meetings of the full Committee and the Subcommittees, whether they be open or closed to the public. This official transcript, marked as “uncorrected,” shall be available for inspection by the public (except for meetings closed pursuant to clause 2(g)(1) of Rule XI of the Rules of the House), by Members of the House, or by Members of the Committee together with their staffs, during normal business hours in the full Committee or Subcommittee office under such controls as the Chairman of the full Committee deems necessary. Official transcripts shall not be removed from the Committee or Subcommittee office.
If, however, (1) in the drafting of a Committee or Subcommittee decision, the Office of the House Legislative Counsel or (2) in the preparation of a Committee report, the Chief of Staff of the Joint Committee on Taxation determines (in consultation with appropriate majority and minority committee staff) that it is necessary to review the official transcript of a markup, such transcript may be released upon the signature and to the custody of an appropriate committee staff person. Such transcript shall be returned immediately after its review in the drafting session.

The official transcript of a markup or Committee meeting other than a public hearing shall not be published or distributed to the public in any way except by a majority vote of the Committee. Before any public release of the uncorrected transcript, Members must be given a reasonable opportunity to correct their remarks. In instances in which a stenographic transcript is kept of a conference committee proceeding, all of the requirements of this rule shall likewise be observed.

Rule 22. Publication of Decisions and Legislative Language

A press release describing any tentative or final decision made by the full Committee or a Subcommittee on legislation under consideration shall be made available to each Member of the Committee as soon as possible, but no later than the next day. However, the legislative draft of any tentative or final decision of the full Committee or a Subcommittee shall not be publicly released until such draft is made available to each Member of the Committee.

E. STAFF

Rule 23. Supervision of Committee Staff

The staff of the Committee shall be under the general supervision and direction of the Chairman of the full Committee except as provided in clause 9 of Rule X of the Rules of the House of Representatives concerning Committee expenses and staff.

Pursuant to clause 6(d) of Rule X of the Rules of the House of Representatives, the Chairman of the full Committee, from the funds made available for the appointment of Committee staff pursuant to primary and additional expense resolutions, shall ensure that each Subcommittee receives sufficient staff to carry out its responsibilities under the rules of the Committee, and that the minority party is fairly treated in the appointment of such staff.
