JURISDICTION OF THE COMMITTEE ON AGRICULTURE

Rules of the House of Representatives

Rule XI

Establishment and Jurisdiction of Standing Committees

1. There shall be in the House the following standing committees, each of which shall have the jurisdiction and related functions assigned to it by this clause and clauses 2, 3, and 4. All bills, resolutions, and other matters relating to subject within the jurisdiction of the standing committees listed in this clause shall be referred to those committees in accordance with clause 2 of rule XII, as follows:

(a) COMMITTEE ON AGRICULTURE

(1) Adulteration of seeds, insect pests, and protection of birds and animals in forest reserves.
(2) Agriculture generally.
(3) Agricultural and industrial chemistry.
(4) Agricultural colleges and experiment stations.
(5) Agricultural economics and research.
(6) Agricultural education extension services.
(7) Agricultural production and marketing and stabilization of prices of agricultural products, and commodities (not including distribution outside of the United States).
(8) Animal industry and diseases of animals.
(9) Commodity exchanges.
(10) Crop insurance and soil conservation.
(11) Dairy industry.
(12) Entomology and plant quarantine.
(13) Extension of farm credit and farm security.
(14) Inspection of livestock, poultry, meat products, and seafood and seafood products.
(15) Forestry in general, and forest reserves other than those created from the public domain.
(16) Human nutrition and home economics.
(17) Plant industry, soils, and agricultural engineering.
(18) Rural electrification.
(19) Rural development.
(20) Water conservation related to activities of the Department of Agriculture.

H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2451 To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

AGUILAR, Pete of California

H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7632 To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.

ALLEN, Rick W. of Georgia

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7026 To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

ALLRED, Colin Z. of Texas

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

AMODEI, Mark E. of Nevada

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3132 * To reauthorize the Lake Tahoe Restoration Act, and for other purposes.
H.R. 3330 To promote the development of renewable energy on public lands, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5243 * To modernize the Fallon Range Training Complex in Churchill County, Nevada, through the withdrawal and reservation of additional public lands for military use, to provide for transfer of ownership of certain Federal lands in northern Nevada, to authorize the disposal of certain Federal lands in northern Nevada for economic development, to promote conservation in northern Nevada, and for other purposes.
H.R. 9309 * To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.

ARMSTRONG, Kelly of North Dakota

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

ARMSTRONG, Kelly of North Dakota

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.
H.R. 1038 * To require the Secretary of the Interior and the Secretary of Agriculture to provide a plan to ensure adequate staffing throughout organizational units of the Department of the Interior and Department of Agriculture to review communications use authorizations in a timely manner.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3211 * To require the Secretary of Agriculture to establish a Joint Chiefs Landscape Restoration Partnership program, and for other purposes.
H.R. 3370 * To streamline the broadband permitting process for broadband services, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4710 * To require the Secretary of Agriculture to allow emergency haying under the conservation reserve program during the primary nesting season.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6337 * To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

ARRINGTON, Jodey C. of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.
H.R. 218 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 2244
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

BAIRD, James R. of Indiana

H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.
H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2606 * To amend the Food Security Act of 1985 with respect to the acceptance and use of contributions for public-private partnerships, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4999 To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 5490 * To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7752 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.

Author Index

BAIRD, James R. of Indiana

H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9035 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

BALDERSON, Troy of Ohio

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H.R. 498 * To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 1291 To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.
H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2518 To leverage incentives for the adoption of costly precision agriculture technology, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7060 To modify conditions of funding for the distance learning, telemedicine, and broadband program of the Rural Utilities Service, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

BALDWIN, Tammy of Wisconsin

S. 409 * To provide for the availability of amounts for customer education initiatives and non-awards expenses of the Commodity Futures Trading Commission Whistleblower Program, and for other purposes.

BANKS, Jim of Indiana

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

BARR, Andy of Kentucky

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

BARRAGÁN, Nanette Diaz of California

H. Res. 104 * Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

Author Index

BARRAGÁN, Nanette Diaz of California

H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.

H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.

H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

BARRAGÁN, Nanette Diaz of California

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.

H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6492 * To establish a climate resilience workforce, and for other purposes.

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

H.R. 7004 To amend the Animal Welfare Act to prohibit the confinement of pregnant pigs, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

Author Index

BARRAGÁN, Nanette Diaz of California

H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

BASS, Karen of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

BENTZ, Cliff of Oregon

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2562 * To address the nationwide shortage of tree seedlings, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

BENTZ, Cliff of Oregon

H.R. 4504 * To establish a biochar demonstration project for federally recognized Indian Tribes and Alaska Native corporations to support the development and commercialization of biochar.
H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4541 * To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.
H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.
H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.
H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.
H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

BERA, Ami of California

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

BISHOP, Dan of North Carolina

H. Res. 271 * Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 7012 * To provide appropriations for certain activities relating to Ukraine, prohibit the importation of certain petroleum products from Russia, Iran, and Venezuela, and for other purposes.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

BISHOP, JR., Sanford D. of Georgia

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".

BISHOP, JR., Sanford D. of Georgia

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2477 * To provide support for urban forests, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4252 * To provide additional funding for scholarships for students at 1890 institutions.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5309 To direct the Secretary of Agriculture to enter into contracts to provide individuals dealing with food and nutrition insecurity family-friendly fresh produce, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8432 * To authorize the National Detector Dog Training Center, and for other purposes.
H.R. 8707 * To provide increased financial assistance for farmers markets and farmers market nutrition programs, to increase local agricultural production through food bank in-house production and local farmer contracting; and for other purposes.

BLUNT ROCHESTER, Lisa of Delaware

H.R. 4162 To amend the Farm Security and Rural Investment Act of 2002 to improve the Rural Energy for America Program, and for other purposes.

H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6003 To amend the Consolidated Farm and Rural Development Act to improve and extend the appropriate technology transfer for rural areas program.

H.R. 6072 * To establish a program to assist States in establishing or enhancing community integration network infrastructure for health and social services.

H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.

H.R. 6390 To make financial assistance under the Rural Energy for America program available with respect to certain electric vehicle supply equipment expenses.

H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7792 * To provide for a national water data framework, and for other purposes.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.

H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

BOEBERT, Lauren of Colorado

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.

H.R. 2087 * To rescind amounts appropriated under the American Rescue Plan Act of 2021, and for other purposes.

BOEBERT, Lauren of Colorado

H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.

H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.

H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.

H.R. 4516 To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.

H.R. 4541 To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.

H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.

H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.

H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.

H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.

H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.

H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.

H.R. 7012 * To provide appropriations for certain activities relating to Ukraine, prohibit the importation of certain petroleum products from Russia, Iran, and Venezuela, and for other purposes.

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

BRADY, Kevin of Texas

H.R. 6144 * To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

BROOKS, Mo of Alabama

H.R. 488
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4842 To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

BROWN, Anthony G. of Maryland

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2757 To require the Natural Resources Conservation Service to review the national conservation practice standards, taking into consideration climate benefits, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

BROWN, Anthony G. of Maryland

H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

BROWN, Shontel M. of Ohio

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1051 Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1329 Recognizing the need for greater access to rural and agricultural media programming.

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.

H.R. 1617 * To establish a White House Rural Council, and for other purposes.

H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2361 * To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2468 * To ensure that certain materials used in carrying out Federal infrastructure aid programs are made in the United States, and for other purposes.

H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

BUSTOS, Cheri of Illinois

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

H.R. 6147 * To amend the Food Security Act of 1985 to reestablish the Driftless Area Landscape Conservation Initiative, and for other purposes.

H.R. 7019 To establish the Office of Rural Prosperity, and for other purposes.

H.R. 7155 * To prohibit the importation of petroleum and petroleum products from the Russian Federation, to amend the Internal Revenue Code of 1986 to establish an income tax credit for the sale or blending of certain fuels containing ethanol and to extend tax incentives for biodiesel and renewable diesel, to amend the Clean Air Act with respect to the ethanol waiver for Reid vapor pressure limitations under that Act, and for other purposes.

H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.

H.R. 7675 * To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 9047 * To amend the Food, Conservation, and Energy Act of 2008 to establish a precision agriculture loan program, and for other purposes.

H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

H. Con. Res. 103 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

BUTTERFIELD, G. K. of North Carolina

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

CARSON, André of Indiana

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 1051 Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

CARSON, André of Indiana

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2313 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for better protection of workers using registered pesticides, and for other purposes.

H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.

H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

Author Index

CARSON, André of Indiana

H.R. 5421 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.
H.R. 5863 To strengthen enforcement actions against unlawfully sourced palm oil and deforestation in developing countries, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 7155 To prohibit the importation of petroleum and petroleum products from the Russian Federation, to amend the Internal Revenue Code of 1986 to establish an income tax credit for the sale or blending of certain fuels containing ethanol and to extend tax incentives for biodiesel and renewable diesel, to amend the Clean Air Act with respect to the ethanol waiver for Reid vapor pressure limitations under that Act, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 7752 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

CARTER, Earl L. "Buddy" of Georgia

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

CARTER, Earl L. "Buddy" of Georgia

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6144 * To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6960 * To prohibit the importation of fossil fuels from the Russian Federation, and for other purposes.
H.R. 7266 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H.R. 9309 * To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.

CARTER, John R. of Texas

H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.

CARTER, Troy A. of Louisiana

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

Author Index

CARTER, Troy A. of Louisiana

H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 7513 To establish a Commission on the Federal Regulation of Cannabis to study a prompt and plausible pathway to the Federal regulation of cannabis, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.

H.R. 9309 * To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.

CARTWRIGHT, Matt of Pennsylvania

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1617 * To establish a White House Rural Council, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.

H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3378 * To amend the Social Security Act, the Food and Nutrition Act of 2008, and the Low-Income Home Energy Assistance Act of 1981 to require that the value of children's savings accounts be disregarded for the purpose of determining eligibility to receive benefits under such Acts, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 9233 To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.

CASE, Ed of Hawaii

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 775 Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 388 * To amend the Farm Security and Rural Investment Act of 2002 by requiring preclearance quarantine inspections for all movement to or from the State of Hawaii by either domestic or international travel, and for other purposes.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.

H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 1258 To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.

H.R. 1389 To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.

H.R. 1617 To establish a White House Rural Council, and for other purposes.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 2061 To establish an interagency One Health Program, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2456 To amend the Food Security Act of 1985 to provide for the establishment of climate change mitigation bundles, and for other purposes.

H.R. 2477 To provide support for urban forests, and for other purposes.

H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

CASE, Ed of Hawaii

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.
H.R. 3570 * To amend the Personal Responsibility and Work Opportunity Act of 1996 to clarify that citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau who are lawfully residing in the United States are eligible for certain Federal public benefits.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4690 * To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5421 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.
H.R. 5422 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to modify the macadamia tree health initiative, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7792 To provide for a national water data framework, and for other purposes.
H.R. 7812 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a floriculture and nursery plant health initiative, and for other purposes.
H.R. 7813 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a cacao tree health initiative, and for other purposes.

CASE, Ed of Hawaii

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8706 * To amend the Federal Crop Insurance Act with respect to education and risk management assistance, and for other purposes.
H.R. 9233 * To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.

CASTEN, Sean of Illinois

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

CASTRO, Joaquin of Texas

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 1225 * To improve diversity and inclusion in the workforce of national security agencies, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5749 * To impose natural gas trading limits during emergencies.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

CAWTHORN, Madison of North Carolina

H. Res. 937 * Recognizing the duty of the Federal Government to preserve liberty by operating within the enumerated powers in the Constitution of the United States and its founding principles.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

Author Index

CAWTHORN, Madison of North Carolina

H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 3654 * To expand access to electromagnetic spectrum for the provision of broadband service in rural areas, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7094 * To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports, and for other purposes.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

CHABOT, Steve of Ohio

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

CHENEY, Liz of Wyoming

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1679 To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 1998 * To amend the Federal Meat Inspection Act to allow the interstate sale of State-inspected meat, and for other purposes.

CHENEY, Liz of Wyoming

H.R. 2585 To conduct fire salvage on certain National Forest System lands burned by wildfire, and for other purposes.
H.R. 2612 To provide for forest landscape projects, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4231 * To direct the Secretary concerned to coordinate with impacted parties when conducting a forest management activity, and for other purposes.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5042 * To provide that section 216 of Executive Order 14008 shall have no force or effect, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5246 * To amend the Federal Meat Inspection Act to allow the interstate sale of State-inspected meat, and for other purposes.
H.R. 5631 * To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

CHERFILUS-McCORMICK, Sheila of Florida

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

CLEAVER, Emanuel of Missouri

H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3766 * To amend the Packers and Stockyards Act, 1921, to establish a cattle contract library, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4252 * To provide additional funding for scholarships for students at 1890 institutions.
H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6491 * To require the identification of salmon conservation areas and salmon strongholds, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.

CLINE, Ben of Virginia

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.

CLINE, Ben of Virginia

H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9035 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

CLOUD, Michael of Texas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1692 To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3314 To prohibit certain provisions of an Executive order pertaining to land conservation from taking effect, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.

CLYBURN, James E. of South Carolina

H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

CLYDE, Andrew S. of Georgia

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 7026 To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.

COHEN, Steve of Tennessee

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.

COHEN, Steve of Tennessee

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 736 * Honoring the Tennessee Farm Bureau Federation on its 100th anniversary.

H. Res. 1051 Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 943 To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1503 To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.

H.R. 1506 To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

COHEN, Steve of Tennessee

H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3625 To lift the trade embargo on Cuba, and for other purposes.

H.R. 3822 To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4291 To prohibit certain practices relating to certain commodity promotion programs, to require greater transparency by those programs, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.

H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

COHEN, Steve of Tennessee

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8514 * To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

COLE, Tom of Oklahoma

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1291 * To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.
H.R. 1692 To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 2061 To establish an interagency One Health Program, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.

COLE, Tom of Oklahoma

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4999 To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

COLLINS, Susan M. of Maine

S. 409 * To provide for the availability of amounts for customer education initiatives and non-awards expenses of the Commodity Futures Trading Commission Whistleblower Program, and for other purposes.

COMER, James of Kentucky

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 7399 * To amend the Land Between the Lakes Protection Act of 1998 to clarify the administration of the Land Between the Lakes National Recreation Area, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.

CONNOLLY, Gerald E. of Virginia

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

CORREA, J. Luis of California

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3534 * To direct the Secretary of Agriculture to select and implement landscape-scale forest restoration projects, to assist communities in increasing their resilience to wildfire, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

CORREA, J. Luis of California

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6432 * To amend the Food and Nutrition Act of 2008 to limit the use of business integrity and reputation factors in determining the eligibility of a retail food store or wholesale food concern to be approved to accept and redeem supplemental nutrition assistance program benefits.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

CORTEZ MASTO, Catherine of Nevada

S. 5328 * To amend the Farm Security and Rural Investment Act of 2002 to extend terminal lakes assistance.

COSTA, Jim of California

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".

COSTA, Jim of California

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 895 To provide for assistance to rural water, wastewater, and waste disposal systems affected by the COVID–19 pandemic, and for other purposes.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3442 To direct the Secretary of the Interior and the Secretary of Agriculture to encourage and expand the use of prescribed fire on land managed by the Department of the Interior or the Forest Service, with an emphasis on units of the National Forest System in the western United States, and for other purposes.
H.R. 3532 To require the Secretary of Agriculture to carry out a periodic wildfire assessment, and for other purposes.
H.R. 3534 * To direct the Secretary of Agriculture to select and implement landscape-scale forest restoration projects, to assist communities in increasing their resilience to wildfire, and for other purposes.
H.R. 4489 To amend the Act of June 20, 1958, to require that certain amounts collected by the United States with respect to lands under the administration of the Forest Service be invested into interest bearing obligations, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4552 To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 4763 To direct the Secretary of Agriculture to carry out a program to award grants to eligible entities to carry out projects that further agricultural resiliency and modernization, and for other purposes.
H.R. 5589 * To direct the Secretary of Agriculture to carry out a program to award grants to eligible entities to carry out projects with the potential to reduce or sequester greenhouse emissions that convert and valorize tree nut harvest by-products into multiple higher value biocarbon products, and for other purposes.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

COSTA, Jim of California

H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7675 To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.
H.R. 7764 To direct the Secretary of Agriculture to provide additional payments under the environmental quality incentives program for implementation of a nutrient management practice, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.
H.R. 9244 * To amend the Agricultural Trade Act of 1978 to increase the funds allocated to carry out the market access program and the foreign market development cooperator program of the Department of Agriculture.
H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

COURTNEY, Joe of Connecticut

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

CROW, Jason of Colorado

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2613 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.

H.R. 2682 * To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.

H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

CROW, Jason of Colorado

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3000 * To build on America's spirit of service to nurture, promote, and expand a culture of service to secure the Nation's future, address critical needs of the Nation, and strengthen the civic fabric of American society.

H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3670 To improve access for outdoor recreation through the use of special recreation permits on Federal recreational lands and waters, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 7706 To establish judicial ethics.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 9319 To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.

CUELLAR, Henry of Texas

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 547 * To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3028 * To establish the Land Port of Entry Modernization Trust Fund, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

CUELLAR, Henry of Texas

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4896 * To direct the Secretary of Agriculture to establish a program to provide reimbursement to agricultural producers for losses sustained due to illegal immigration.
H.R. 5346 To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.

CURTIS, John R. of Utah

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1038 To require the Secretary of the Interior and the Secretary of Agriculture to provide a plan to ensure adequate staffing throughout organizational units of the Department of the Interior and Department of Agriculture to review communications use authorizations in a timely manner.
H.R. 1046 * To require the Federal Communications Commission to provide broadband availability data to the Department of the Interior.
H.R. 1047 * To allow certain State and Tribal permitting authority to encourage expansion of broadband service to rural and Tribal communities, and for other purposes.
H.R. 1049 To require the Assistant Secretary of Commerce for Communications and Information to establish an interagency strike force to increase prioritization by the Department of the Interior and Department of Agriculture by senior management of the Department of the Interior and Department of Agriculture, or an organizational unit of reviews for communications use authorizations.
H.R. 2507 * To amend the Agricultural Credit Act of 1978 with respect to pre-agreement costs of emergency watershed protection measures, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3176 * To designate as wilderness certain National Forest System land in the State of Illinois, and for other purposes.
H.R. 3370 * To streamline the broadband permitting process for broadband services, and for other purposes.

CURTIS, John R. of Utah

H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 3686 * To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 4082 * To prevent catastrophic wildland fires by establishing a commission to study and recommend wildland fire prevention, mitigation, suppression, management, and rehabilitation policies for the Federal Government, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6337 * To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

DAVIDS, Sharice of Kansas

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.

Author Index

DAVIDSON, Warren of Ohio

H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1602 To direct the Commodity Futures Trading Commission and the Securities and Exchange Commission to jointly establish a digital asset working group, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5100 * To promote fair and transparent virtual currency markets by examining the potential for price manipulation.
H.R. 5101 * To promote United States competitiveness in the evolving global virtual currency marketplace.
H.R. 5688 * To establish the People-Centered Assistance Reform Effort Commission, to improve the social safety net and increase social mobility by increasing access to resources which address the underlying causes of poverty.
H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

DAVIS, Danny K. of Illinois

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

DAVIS, Danny K. of Illinois

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3246 To award funds to States and local areas for subsidized employment programs for youth.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5124 * To establish a new Manufacturing Reinvestment Corporation in the Department of Commerce, to develop and monitor a national manufacturing strategy, to identify and address supply chain weaknesses and align manufacturing with strategic opportunities and imperatives through local multi-stakeholder Manufacturing Renaissance Councils, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

DAVIS, Rodney of Illinois

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

DAVIS, Rodney of Illinois

H. Res. 745 * Expressing support for the designation of the week of October 24, 2021, to October 31, 2021, as "BatWeek".

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

H. Res. 1446 * Expressing support for the designation of the week of October 24, 2022, to October 31, 2022, as "Bat Week".

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".

H.R. 220 * To make supplemental appropriations to carry out farm stress programs, provide for expedited additional support under the farm and ranch stress assistance network, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 1363 * To amend the National Agricultural Research, Extension, and Teaching Policy Act of 1977 to provide for an additional goal of the Agriculture Advanced Research and Development Authority (AGARDA) to enhance the role of agriculture in innovative sustainability solutions.

H.R. 1413 * To amend the Food and Nutrition Act of 2008 to expand online benefit redemption options under the supplemental nutrition assistance program, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.

H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.

H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.

H.R. 2186 To amend the Agricultural Act of 1961 to modify the limitations applicable to qualified conservation loan guarantees, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2508 * To amend the Food Security Act of 1985 to optimize the sequestration of carbon and the reduction of net emissions through agricultural practices, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 2918 * To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.

H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

DAVIS, Rodney of Illinois

H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.

H.R. 4828 To secure the international borders of the United States, and for other purposes.

H.R. 5608 To support research and state management efforts on chronic wasting disease.

H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.

H.R. 6003 * To amend the Consolidated Farm and Rural Development Act to improve and extend the appropriate technology transfer for rural areas program.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.

H.R. 7768 * To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.

H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

H. Con. Res. 112 * Urging the administration to initiate the International Agreement to Prohibit the Eating of Dogs and Cats.

DEAN, Madeleine of Pennsylvania

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 * To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

DOYLE, Michael F. of Pennsylvania

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5124 To establish a new Manufacturing Reinvestment Corporation in the Department of Commerce, to develop and monitor a national manufacturing strategy, to identify and address supply chain weaknesses and align manufacturing with strategic opportunities and imperatives through local multi-stakeholder Manufacturing Renaissance Councils, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

DUNCAN, Jeff of South Carolina

H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1049 * To require the Assistant Secretary of Commerce for Communications and Information to establish an interagency strike force to increase prioritization by the Department of the Interior and Department of Agriculture by senior management of the Department of the Interior and Department of Agriculture, or an organizational unit of reviews for communications use authorizations.
H.R. 2087 * To rescind amounts appropriated under the American Rescue Plan Act of 2021, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

DUNCAN, Jeff of South Carolina

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

DUNN, Neal P. of Florida

H.R. 1291 To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

ELLZEY, Jake of Texas

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.
H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

EMMER, Tom of Minnesota

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 811 * Expressing support for the designation of November 18, 2021, as "National Rural Mental Health Day".

Author Index

EMMER, Tom of Minnesota

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H. Res. 1485 * Expressing support for the designation of November 17, 2022, as "National Rural Mental Health Day".

H.R. 220 * To make supplemental appropriations to carry out farm stress programs, provide for expedited additional support under the farm and ranch stress assistance network, and for other purposes.

H.R. 488 * To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

H.R. 843 To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.

H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.

H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.

H.R. 2186 To amend the Agricultural Act of 1961 to modify the limitations applicable to qualified conservation loan guarantees, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.

H.R. 3330 To promote the development of renewable energy on public lands, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4710 * To require the Secretary of Agriculture to allow emergency haying under the conservation reserve program during the primary nesting season.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

H.R. 4842 To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 5101 * To promote United States competitiveness in the evolving global virtual currency marketplace.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.

EMMER, Tom of Minnesota

H.R. 7614 * To provide for orderly and secure digital commodity exchange markets, and for other purposes.

H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.

H.R. 8425 * To amend the Food, Agriculture, and Trade Act of 1990 to establish a grant program for eligible institutions to carry out agriculture workforce training programs, and for other purposes.

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

ERNST, Joni of Iowa

S. 409 * To provide for the availability of amounts for customer education initiatives and non-awards expenses of the Commodity Futures Trading Commission Whistleblower Program, and for other purposes.

ESCOBAR, Veronica of Texas

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

H.R. 6492 * To establish a climate resilience workforce, and for other purposes.

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

H.R. 7004 * To amend the Animal Welfare Act to prohibit the confinement of pregnant pigs, and for other purposes.

H.R. 7706 * To establish judicial ethics.

H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 8707 * To provide increased financial assistance for farmers markets and farmers market nutrition programs, to increase local agricultural production through food bank in-house production and local farmer contracting; and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.
H.R. 9678 * To ensure 100 percent renewable electricity, zero emission vehicles, and regenerative agriculture by 2030 to address global warming caused by human activity.

ESTES, Ron of Kansas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.

ESTES, Ron of Kansas

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 5399 * To prohibit certain actions that impede border security on certain Federal land, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

EVANS, Dwight of Pennsylvania

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2649 * To decriminalize cannabis, to establish an Equitable Licensing Grant Program in the Small Business Administration, and for other purposes.

EVANS, Dwight of Pennsylvania

H.R. 2712 * To ensure that certain loan programs of the Small Business Administration are made available to cannabis-related legitimate businesses and service providers, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3782 To provide loan forgiveness for certain borrowers of Department of Agriculture direct farm loans, and for other purposes.

H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5309 To direct the Secretary of Agriculture to enter into contracts to provide individuals dealing with food and nutrition insecurity family-friendly fresh produce, and for other purposes.

H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7752 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.

H.R. 8707 To provide increased financial assistance for farmers markets and farmers market nutrition programs, to increase local agricultural production through food bank in-house production and local farmer contracting; and for other purposes.

EVANS, Dwight of Pennsylvania

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

FALLON, Pat of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H.R. 218 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.

H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.

H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.

H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.

H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4614 To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 5399 * To prohibit certain actions that impede border security on certain Federal land, and for other purposes.

H.R. 6028 To address the supply chain backlog in the freight network at United States ports, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6947 To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.

H.R. 8004 To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.

FEENSTRA, Randy of Iowa

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

FEENSTRA, Randy of Iowa

H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 1821 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
H.R. 2518 * To leverage incentives for the adoption of costly precision agriculture technology, and for other purposes.
H.R. 2606 * To amend the Food Security Act of 1985 with respect to the acceptance and use of contributions for public-private partnerships, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3784 * To promote scientific research and development opportunities for connected technologies that advance precision agriculture capabilities.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4999 * To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 5163 To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5490 To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 5992 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7019 * To establish the Office of Rural Prosperity, and for other purposes.
H.R. 7060 To modify conditions of funding for the distance learning, telemedicine, and broadband program of the Rural Utilities Service, and for other purposes.
H.R. 7155 * To prohibit the importation of petroleum and petroleum products from the Russian Federation, to amend the Internal Revenue Code of 1986 to establish an income tax credit for the sale or blending of certain fuels containing ethanol and to extend tax incentives for biodiesel and renewable diesel, to amend the Clean Air Act with respect to the ethanol waiver for Reid vapor pressure limitations under that Act, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7438 * To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.

FEENSTRA, Randy of Iowa

H.R. 7639 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7675 * To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.
H.R. 8596 * To amend the Agricultural Research, Extension, and Education Reform Act of 1998 to direct the Secretary of Agriculture to establish a national biochar research network, and for other purposes.
H.R. 8730 * To amend the Commodity Exchange Act to provide the Commodity Futures Trading Commission jurisdiction to oversee the spot digital commodity market, and for other purposes.
H.R. 9047 * To amend the Food, Conservation, and Energy Act of 2008 to establish a precision agriculture loan program, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

FERGUSON IV, A. Drew of Georgia

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4710 * To require the Secretary of Agriculture to allow emergency haying under the conservation reserve program during the primary nesting season.
H.R. 4842 To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6028 * To address the supply chain backlog in the freight network at United States ports, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7456 * To address the supply chain backlog in the freight network at United States ports, and for other purposes.
H.R. 7768 * To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8425 * To amend the Food, Agriculture, and Trade Act of 1990 to establish a grant program for eligible institutions to carry out agriculture workforce training programs, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

FITZGERALD, Scott of Wisconsin

H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.

FITZGERALD, Scott of Wisconsin

H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

FITZPATRICK, Brian K. of Pennsylvania

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1389 To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2789 * To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 * To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3039 * To amend the Internal Revenue Code of 1986 to eliminate certain fuel excise taxes and impose a tax on greenhouse gas emissions to provide revenue for maintaining and building American infrastructure, and for other purposes.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

Author Index

FITZPATRICK, Brian K. of Pennsylvania

H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6100 * To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6338 * To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.
H.R. 8860 * To direct the Attorney General to include certain additional information in the National Missing and Unidentified Persons System, and for other purposes.
H.R. 9309 * To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.
H.R. 9319 To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.
H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

FLEISCHMANN, Charles J. "Chuck" of Tennessee

H. Res. 736 * Honoring the Tennessee Farm Bureau Federation on its 100th anniversary.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.

FLEISCHMANN, Charles J. "Chuck" of Tennessee

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

FLETCHER, Lizzie of Texas

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

FLOOD, Mike of Nebraska

H.R. 9035 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.

FLORES, Mayra of Texas

H. Res. 885 Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.

FORTENBERRY, Jeff of Nebraska

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 885 Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 1258 * To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.

Author Index

FORTENBERRY, Jeff of Nebraska

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5992 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

FOSTER, Bill of Illinois

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1821 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

FOSTER, Bill of Illinois

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

FOXX, Virginia of North Carolina

H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1038 To require the Secretary of the Interior and the Secretary of Agriculture to provide a plan to ensure adequate staffing throughout organizational units of the Department of the Interior and Department of Agriculture to review communications use authorizations in a timely manner.
H.R. 1046 To require the Federal Communications Commission to provide broadband availability data to the Department of the Interior.
H.R. 1047 To allow certain State and Tribal permitting authority to encourage expansion of broadband service to rural and Tribal communities, and for other purposes.
H.R. 1049 To require the Assistant Secretary of Commerce for Communications and Information to establish an interagency strike force to increase prioritization by the Department of the Interior and Department of Agriculture by senior management of the Department of the Interior and Department of Agriculture, or an organizational unit of reviews for communications use authorizations.
H.R. 1156 To require the Assistant Secretary of Commerce for Communications and Information to report to Congress every 60 days on barriers to implementation by the Department of Interior and Department of Agriculture of an online portal to accept, process, and dispose of an application for the placement of communications facilities on certain Federal lands.
H.R. 1525 To require the Department of Interior and the Department of Agriculture to establish an online portal to accept, process, and dispose of an application for the placement of communications facilities on certain Federal lands.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

FRANKEL, Lois of Florida

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

Author Index

FRANKEL, Lois of Florida

H. Res. 1051 Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1413 * To amend the Food and Nutrition Act of 2008 to expand online benefit redemption options under the supplemental nutrition assistance program, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

FRANKLIN, C. Scott of Florida

H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

FULCHER, Russ of Idaho

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

FULCHER, Russ of Idaho

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2621 * To direct the Secretary of Agriculture to carry out a forestry education and workforce development grant program, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 3113 * To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4664 To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4705 * To amend the Agricultural Act of 2014 to modify the treatment of revenue from timber sale contracts and certain payments made by counties to the Secretary of Agriculture and the Secretary of the Interior under good neighbor agreements, and for other purposes.
H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8258 * To provide exceptions from permitting and fee requirements for content creation, regardless of distribution platform, including still photography, digital or analog video, and digital or analog audio recording activities, conducted on land under the jurisdiction of the Secretary of Agriculture and the Secretary of the Interior, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

GAETZ, Matt of Florida

H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

GAETZ, Matt of Florida

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

GALLAGHER, Mike of Wisconsin

H. Res. 1179 * Recognizing and promoting the role of demonstration farm networks in expanding the adoption of conservation farming practices that improve the health of watersheds and agricultural lands.
H.R. 2456 * To amend the Food Security Act of 1985 to provide for the establishment of climate change mitigation bundles, and for other purposes.
H.R. 4269 * To direct the Secretary of Agriculture to establish the Dairy Pricing and Policy Commission, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.

GALLEGO, Ruben of Arizona

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

GALLEGO, Ruben of Arizona

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3670 * To improve access for outdoor recreation through the use of special recreation permits on Federal recreational lands and waters, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4995 * To require the Secretary of the Interior to establish Tribal Wildlife Corridors, and for other purposes.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6960 To prohibit the importation of fossil fuels from the Russian Federation, and for other purposes.

GARCÍA, Jesús G. "Chuy" of Illinois

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.

GARCÍA, Jesús G. "Chuy" of Illinois

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1528 * Recognizing the duty of the Federal Government to protect the rights of restaurant workers.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1503 * To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.

GARCÍA, Jesús G. "Chuy" of Illinois

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3625 To lift the trade embargo on Cuba, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7632 To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 7827 To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

GARCIA, Mike of California

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

Author Index

GARCIA, Mike of California

H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.

H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

H.R. 4828 To secure the international borders of the United States, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

GARCIA, Sylvia R. of Texas

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

H.R. 7066 To require United States financial institutions to ensure entities and persons owned or controlled by the institution comply with financial sanctions on the Russian Federation and the Republic of Belarus to the same extent as the institution itself, and for other purposes.

H.R. 7585 To improve the health of minority individuals, and for other purposes.

H.R. 7706 * To establish judicial ethics.

GIBBS, Bob of Ohio

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

GIBBS, Bob of Ohio

H. Res. 775 Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

H.R. 1821 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4999 To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.

H.R. 5608 To support research and state management efforts on chronic wasting disease.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.

H.R. 7026 To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.

H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

GIMENEZ, Carlos A. of Florida

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

GOHMERT, Louie of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.

H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

GOHMERT, Louie of Texas

H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9701 * To direct the Secretary of the Interior to establish a program whereby the Secretary shall convey certain Federal land to individuals who permanently waive eligibility for certain welfare programs, and for other purposes.

GOLDEN, Jared F. of Maine

H.R. 498 * To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 5521 * To amend the Small Business Investment Act of 1958 to provide opportunities to rural business investment companies, and for other purposes.
H.R. 9186 * To authorize the Secretary of Agriculture to provide grants to States to address contamination by perfluoroalkyl and polyfluoroalkyl substances on farms, and for other purposes.

GOMEZ, Jimmy of California

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

GOMEZ, Jimmy of California

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4896 * To direct the Secretary of Agriculture to establish a program to provide reimbursement to agricultural producers for losses sustained due to illegal immigration.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

GONZALEZ, Vicente of Texas

H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.

GONZÁLEZ-COLÓN, Jenniffer of Puerto Rico

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2791 * To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4329 * To amend the Rural Electrification Act of 1936 to improve access to broadband telecommunications services in rural areas, including by encouraging the provision of broadband loans and grants to increase broadband service in rural ports, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5220 * To amend the Food and Nutrition Act of 2008 to transition the Commonwealth of Puerto Rico to the supplemental nutrition assistance program, and for other purposes.
H.R. 5421 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.
H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.
H.R. 7813 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a cacao tree health initiative, and for other purposes.
H.R. 8495 * To amend the Food and Nutrition Act of 2008 to transition the Commonwealth of Puerto Rico to the supplemental nutrition assistance program, and for other purposes.

GOOD, Bob of Virginia

H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2087 * To rescind amounts appropriated under the American Rescue Plan Act of 2021, and for other purposes.
H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3206 To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

Author Index

GOOD, Bob of Virginia

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6936 To provide for the issuance of a semipostal to benefit programs that combat invasive species.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

GOODEN, Lance of Texas

H. Res. 1329 Recognizing the need for greater access to rural and agricultural media programming.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5399 * To prohibit certain actions that impede border security on certain Federal land, and for other purposes.
H.R. 7026 To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.
H.R. 7291 * To amend the Agricultural Marketing Act of 1946 to establish country of origin labeling requirements for beef, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

GOSAR, Paul A. of Arizona

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.

GOSAR, Paul A. of Arizona

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 1779 * To improve the process for awarding grants under certain programs of the Department of Agriculture to certain counties in which the majority of land is owned or managed by the Federal Government and to other units of local government and Tribal governments in those counties, and for other purposes.
H.R. 2562 * To address the nationwide shortage of tree seedlings, and for other purposes.
H.R. 2581 * To establish a biochar demonstration project and biochar grant program, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3330 * To promote the development of renewable energy on public lands, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4383 * To amend the Rural Electrification Act of 1936 to provide requirements on the use of assistance for broadband deployment, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

GOTTHEIMER, Josh of New Jersey

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H. Res. 1329 Recognizing the need for greater access to rural and agricultural media programming.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

GOTTHEIMER, Josh of New Jersey

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5521 To amend the Small Business Investment Act of 1958 to provide opportunities to rural business investment companies, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 7675 To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.
H.R. 7765 To amend the Agricultural Marketing Act of 1946 to direct the Secretary of Agriculture to establish Supply Chain Regional Resource Centers, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8425 To amend the Food, Agriculture, and Trade Act of 1990 to establish a grant program for eligible institutions to carry out agriculture workforce training programs, and for other purposes.
H. Con. Res. 106 Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

GRANGER, Kay of Texas

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

GRAVES, Garret of Louisiana

H.R. 2500 * To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3075 * To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.

GRAVES, Garret of Louisiana

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.

GRAVES, Sam of Missouri

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9087 * To restart onshore and offshore oil and gas leasing, streamline permitting for energy infrastructure, ensure transparency in energy development on Federal lands, and for other purposes.

GREEN, Al of Texas

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

Author Index

GREEN, Mark E. of Tennessee

H. Res. 736 * Honoring the Tennessee Farm Bureau Federation on its 100th anniversary.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4415 * To direct the Secretary of Agriculture to release certain reversionary interests of the United States in and to a parcel of land located in Henderson, Tennessee.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.

GREENE, Marjorie Taylor of Georgia

H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

GRIFFITH, H. Morgan of Virginia

H.R. 247 * To provide for no net increase in the total acreage of certain Federal land under the jurisdiction of the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, or the Forest Service, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 932 * To require the Secretary of Agriculture to conduct a study on national forest volunteers, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7291 To amend the Agricultural Marketing Act of 1946 to establish country of origin labeling requirements for beef, and for other purposes.

GRIJALVA, Raúl M. of Arizona

H. Res. 104 * Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

GRIJALVA, Raúl M. of Arizona

H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1503 * To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.
H.R. 1506 * To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2713 * To provide for equitable treatment for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa.
H.R. 2791 * To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.

GRIJALVA, Raúl M. of Arizona

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3326 To promote the development of renewable energy on public lands, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3625 To lift the trade embargo on Cuba, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6492 * To establish a climate resilience workforce, and for other purposes.

H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.

H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7706 To establish judicial ethics.

H.R. 8108 * To protect Native cultural sites located on Federal land, to improve consultation with Indian Tribes, to bring parity to Indian Tribes with regard to Federal public land management laws, and for other purposes.

H.R. 8109 * To establish the Tribal Cultural Areas System, and for other purposes.

GRIJALVA, Raúl M. of Arizona

H.R. 8802 * To require the Secretary of the Interior and the Chief of the Forest Service to align management of public lands and waters with the President's greenhouse gas emission reduction goals, and for other purposes.

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.

H.R. 9597 * To create a coordinated domestic wildlife disease surveillance framework for State, Tribal, and local governments to monitor and respond to wildlife disease outbreaks to prevent pandemics, and for other purposes.

H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

GROTHMAN, Glenn of Wisconsin

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.

H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.

H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7026 * To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.

H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.

H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

H.R. 9472 * To amend the Food and Nutrition Act of 2008 to prohibit the use of supplemental nutrition assistance program benefits to purchase sugary beverages.

H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 1798 * To provide for emergency grants for essential community facilities and temporary installations needed in response to COVID–19 pandemic in rural areas.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4710 * To require the Secretary of Agriculture to allow emergency haying under the conservation reserve program during the primary nesting season.
H.R. 4999 To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

HARDER, Josh of California

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

Author Index

HARDER, Josh of California

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3534 * To direct the Secretary of Agriculture to select and implement landscape-scale forest restoration projects, to assist communities in increasing their resilience to wildfire, and for other purposes.

H.R. 4274 To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4763 * To direct the Secretary of Agriculture to carry out a program to award grants to eligible entities to carry out projects that further agricultural resiliency and modernization, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5589 * To direct the Secretary of Agriculture to carry out a program to award grants to eligible entities to carry out projects with the potential to reduce or sequester greenhouse emissions that convert and valorize tree nut harvest by-products into multiple higher value biocarbon products, and for other purposes.

H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.

H.R. 7019 To establish the Office of Rural Prosperity, and for other purposes.

H.R. 7764 * To direct the Secretary of Agriculture to provide additional payments under the environmental quality incentives program for implementation of a nutrient management practice, and for other purposes.

H.R. 8035 * To require the standardization of reciprocal fire suppression cost share agreements, and for other purposes.

H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.

HARRIS, Andy of Maryland

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4680 * To form the Federal sugar program, and for other purposes.

H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.

HARRIS, Andy of Maryland

H.R. 6144 * To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 7012 * To provide appropriations for certain activities relating to Ukraine, prohibit the importation of certain petroleum products from Russia, Iran, and Venezuela, and for other purposes.

H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

HARSHBARGER, Diana of Tennessee

H. Res. 736 * Honoring the Tennessee Farm Bureau Federation on its 100th anniversary.

H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.

H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.

H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

HARTZLER, Vicky of Missouri

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.

H.R. 2244 * To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

HARTZLER, Vicky of Missouri

H.R. 3766 * To amend the Packers and Stockyards Act, 1921, to establish a cattle contract library, and for other purposes.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4239 * To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 4999 To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 5992 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7438 * To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7639 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H. Con. Res. 43 Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

HASSAN, Margaret Wood of New Hampshire

S. 409 * To provide for the availability of amounts for customer education initiatives and non-awards expenses of the Commodity Futures Trading Commission Whistleblower Program, and for other purposes.

HASTINGS, Alcee L. of Florida

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

HASTINGS, Alcee L. of Florida

H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1506 To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.

HAYES, Jahana of Connecticut

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

HAYES, Jahana of Connecticut

H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1506 To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.

H.R. 1617 * To establish a White House Rural Council, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1848 To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

H.R. 2451 * To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3100 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3782 To provide loan forgiveness for certain borrowers of Department of Agriculture direct farm loans, and for other purposes.

H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

HAYES, Jahana of Connecticut

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4252 * To provide additional funding for scholarships for students at 1890 institutions.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.

H.R. 4456 * To provide for agricultural economic injury disaster loans, and for other purposes.

H.R. 5220 * To amend the Food and Nutrition Act of 2008 to transition the Commonwealth of Puerto Rico to the supplemental nutrition assistance program, and for other purposes.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.

H.R. 5591 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6250 To improve protections for meatpacking workers, and for other purposes.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.

H.R. 7272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

HERN, Kevin of Oklahoma

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 3428 * To strengthen the supplemental nutrition assistance program (SNAP) categorical eligibility for applicants who already receive supplemental assistance elsewhere and for those with assets high enough to not require assistance, and for other purposes.

H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.

H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

HERRELL, Yvette of New Mexico

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H.R. 218 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

H.R. 939 To exempt certain wildfire mitigation activities from certain environmental requirements, and for other purposes.

H.R. 940 To establish a categorical exclusion for electric utility rights-of-way, and for other purposes.

H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.

H.R. 1779 * To improve the process for awarding grants under certain programs of the Department of Agriculture to certain counties in which the majority of land is owned or managed by the Federal Government and to other units of local government and Tribal governments in those counties, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2581 * To establish a biochar demonstration project and biochar grant program, and for other purposes.

H.R. 2612 To provide for forest landscape projects, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3206 * To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4231 * To direct the Secretary concerned to coordinate with impacted parties when conducting a forest management activity, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4383 * To amend the Rural Electrification Act of 1936 to provide requirements on the use of assistance for broadband deployment, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

HERRELL, Yvette of New Mexico

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.

H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7060 * To modify conditions of funding for the distance learning, telemedicine, and broadband program of the Rural Utilities Service, and for other purposes.

H.R. 7450 To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

H.R. 7792 * To provide for a national water data framework, and for other purposes.

H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

H.R. 8475 * To amend the Agricultural Act of 2014 to provide emergency relief to producers of livestock with herds adversely affected by Mexican gray wolves, and for other purposes.

H.R. 9006 * To establish deadlines for the Secretary of the Interior and the Secretary of Agriculture to complete certain environmental reviews, to establish notification rules for receipt of onshore right-of-way applications, and for other purposes.

HERRERA BEUTLER, Jaime of Washington

H. Res. 542 * Expressing support for the designation of July 2021 as "American Grown Flower and Foliage Month".

H. Res. 1213 * Expressing support for the designation of July 2022 as "American Grown Flower and Foliage Month".

H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.

H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4828 To secure the international borders of the United States, and for other purposes.

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

HERRERA BEUTLER, Jaime of Washington

H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8035 * To require the standardization of reciprocal fire suppression cost share agreements, and for other purposes.

HICE, Jody B. of Georgia

H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

HIGGINS, Brian of New York

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

HIGGINS, Clay of Louisiana

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1291 To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.
H.R. 7094 * To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

HILL, J. French of Arkansas

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3428 To strengthen the supplemental nutrition assistance program (SNAP) categorical eligibility for applicants who already receive supplemental assistance elsewhere and for those with assets high enough to not require assistance, and for other purposes.

Author Index

HILL, J. French of Arkansas

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7066 To require United States financial institutions to ensure entities and persons owned or controlled by the institution comply with financial sanctions on the Russian Federation and the Republic of Belarus to the same extent as the institution itself, and for other purposes.

HIMES, James A. of Connecticut

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

HINSON, Ashley of Iowa

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.

HINSON, Ashley of Iowa

H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 2518 * To leverage incentives for the adoption of costly precision agriculture technology, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4999 * To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 5163 To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 5992 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 6147 * To amend the Food Security Act of 1985 to reestablish the Driftless Area Landscape Conservation Initiative, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7019 To establish the Office of Rural Prosperity, and for other purposes.
H.R. 7155 * To prohibit the importation of petroleum and petroleum products from the Russian Federation, to amend the Internal Revenue Code of 1986 to establish an income tax credit for the sale or blending of certain fuels containing ethanol and to extend tax incentives for biodiesel and renewable diesel, to amend the Clean Air Act with respect to the ethanol waiver for Reid vapor pressure limitations under that Act, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7639 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7675 * To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.
H.R. 8851 * To provide support and assistance to unborn children, pregnant women, parents, and families.
H.R. 9244 * To amend the Agricultural Trade Act of 1978 to increase the funds allocated to carry out the market access program and the foreign market development cooperator program of the Department of Agriculture.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

HOLLINGSWORTH, Trey of Indiana

H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

HOLLINGSWORTH, Trey of Indiana

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

HORSFORD, Steven of Nevada

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3132 * To reauthorize the Lake Tahoe Restoration Act, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6336 To improve Federal activities relating to wildfires, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7792 To provide for a national water data framework, and for other purposes.

HOULAHAN, Chrissy of Pennsylvania

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

HOULAHAN, Chrissy of Pennsylvania

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3000 * To build on America's spirit of service to nurture, promote, and expand a culture of service to secure the Nation's future, address critical needs of the Nation, and strengthen the civic fabric of American society.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5220 To amend the Food and Nutrition Act of 2008 to transition the Commonwealth of Puerto Rico to the supplemental nutrition assistance program, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 8495 * To amend the Food and Nutrition Act of 2008 to transition the Commonwealth of Puerto Rico to the supplemental nutrition assistance program, and for other purposes.

HOYER, Steny H. of Maryland

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

HUDSON, Richard of North Carolina

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.

HUDSON, Richard of North Carolina

H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 6072 * To establish a program to assist States in establishing or enhancing community integration network infrastructure for health and social services.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7450 To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

HUFFMAN, Jared of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1506 To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

HUFFMAN, Jared of California

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.
H.R. 2451 To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2816 To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3075 * To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3442 To direct the Secretary of the Interior and the Secretary of Agriculture to encourage and expand the use of prescribed fire on land managed by the Department of the Interior or the Forest Service, with an emphasis on units of the National Forest System in the western United States, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3625 To lift the trade embargo on Cuba, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.
H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

HUFFMAN, Jared of California

H.R. 4690 * To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6491 * To require the identification of salmon conservation areas and salmon strongholds, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6683 To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 6982 * To support the establishment and improvement of communications sites on or adjacent to Federal lands through the retention and use of rental fees associated with such sites, and for other purposes.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7632 To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8514 * To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.
H.R. 8802 * To require the Secretary of the Interior and the Chief of the Forest Service to align management of public lands and waters with the President's greenhouse gas emission reduction goals, and for other purposes.
H.R. 8825 * To provide authority for small cultivators of marijuana and small manufacturers of marijuana products to ship marijuana and marijuana products using the mail, and for other purpose.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.

HUIZENGA, Bill of Michigan

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

ISSA, Darrell of California

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

JACKSON LEE, Sheila of Texas

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 487 To amend the Food and Nutrition Act of 2008 to expand the operation of the State employment and training programs under such Act, and for other purposes.

JACKSON LEE, Sheila of Texas

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 * To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4195 To amend the Consolidated Farm and Rural Development Act to encourage the construction of senior centers and community centers.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.
H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

JACKSON, Ronny of Texas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

JACKSON, Ronny of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 218 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5490 * To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6884 * To prioritize United States energy independence, and for other purposes.
H.R. 6947 To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.
H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

JACOBS, Chris of New York

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6203 To amend the Food and Nutrition Act of 2008 to allow for blended workforces to carry out the supplemental nutrition assistance program under certain conditions.

Author Index

JACOBS, Chris of New York

H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7752 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

JACOBS, Sara of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.

H.R. 4266 To prevent energy poverty in at-risk communities, and for other purposes.

H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5608 To support research and state management efforts on chronic wasting disease.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

KELLY, Mike of Pennsylvania

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

KELLY, Mike of Pennsylvania

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4680 * To form the Federal sugar program, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 8966 * To clarify regulatory certainty, and for other purposes.

H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

H.R. 9372 * To facilitate pipeline construction and limit regulatory and litigation delays under the Federal Water Pollution Control Act, the National Environmental Policy Act of 1969, and the Endangered Species Act of 1973, and for other purposes.

KELLY, Robin L. of Illinois

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1413 * To amend the Food and Nutrition Act of 2008 to expand online benefit redemption options under the supplemental nutrition assistance program, and for other purposes.

H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2186 * To amend the Agricultural Act of 1961 to modify the limitations applicable to qualified conservation loan guarantees, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

KELLY, Robin L. of Illinois

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 8860 To direct the Attorney General to include certain additional information in the National Missing and Unidentified Persons System, and for other purposes.

KELLY, Trent of Mississippi

H. Res. 1448 * Celebrating the 100th anniversary of the Mississippi Farm Bureau Federation.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3654 * To expand access to electromagnetic spectrum for the provision of broadband service in rural areas, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

KHANNA, Ro of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

KHANNA, Ro of California

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H. Res. 1234 * Expressing support for regenerative agriculture and other conservation practices to support more sustainable and resilient agriculture, and compensating farmers for providing environmental services.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

KHANNA, Ro of California

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4421 * To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5100 * To promote fair and transparent virtual currency markets by examining the potential for price manipulation.
H.R. 5101 * To promote United States competitiveness in the evolving global virtual currency marketplace.
H.R. 5124 * To establish a new Manufacturing Reinvestment Corporation in the Department of Commerce, to develop and monitor a national manufacturing strategy, to identify and address supply chain weaknesses and align manufacturing with strategic opportunities and imperatives through local multi-stakeholder Manufacturing Renaissance Councils, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6250 * To improve protections for meatpacking workers, and for other purposes.

KHANNA, Ro of California

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 6982 * To support the establishment and improvement of communications sites on or adjacent to Federal lands through the retention and use of rental fees associated with such sites, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7291 * To amend the Agricultural Marketing Act of 1946 to establish country of origin labeling requirements for beef, and for other purposes.
H.R. 7614 * To provide for orderly and secure digital commodity exchange markets, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 7763 * To direct the Secretary of Agriculture to support and incentivize domestic activities to address fertilizer shortages and deficiencies, diversify fertilizer sources, and reduce dependency on foreign sources for fertilizer, and for other purposes.
H.R. 7827 To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.
H. Con. Res. 103 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

KILDEE, Daniel T. of Michigan

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1542 To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2468 To ensure that certain materials used in carrying out Federal infrastructure aid programs are made in the United States, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

KILDEE, Daniel T. of Michigan

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4995 To require the Secretary of the Interior to establish Tribal Wildlife Corridors, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6072 * To establish a program to assist States in establishing or enhancing community integration network infrastructure for health and social services.
H.R. 6683 To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7792 To provide for a national water data framework, and for other purposes.
H.R. 8432 * To authorize the National Detector Dog Training Center, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

KILMER, Derek of Washington

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

KILMER, Derek of Washington

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2816 * To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3527 * To promote innovative approaches to outdoor recreation on Federal land and to increase opportunities for collaboration with non-Federal partners, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7019 To establish the Office of Rural Prosperity, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

KILMER, Derek of Washington

H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.
H.R. 9233 To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.
H.R. 9439 * To ensure progress toward the fulfillment by the Federal Government of its trust and treaty obligations to Native Americans and Tribal governments, to ensure funding for programs for Native Americans and Tribal governments, and for other purposes.

KIM, Andy of New Jersey

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3000 To build on America's spirit of service to nurture, promote, and expand a culture of service to secure the Nation's future, address critical needs of the Nation, and strengthen the civic fabric of American society.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 6683 To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 6844 * To prohibit Federal officials from owning covered investments, and for other purposes.

KIM, Young of California

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

KIM, Young of California

H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

KIND, Ron of Wisconsin

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1179 * Recognizing and promoting the role of demonstration farm networks in expanding the adoption of conservation farming practices that improve the health of watersheds and agricultural lands.
H.R. 1258 To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.
H.R. 1542 To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

KIND, Ron of Wisconsin

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2918 * To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 4269 * To direct the Secretary of Agriculture to establish the Dairy Pricing and Policy Commission, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5608 * To support research and state management efforts on chronic wasting disease.
H.R. 6147 * To amend the Food Security Act of 1985 to reestablish the Driftless Area Landscape Conservation Initiative, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

KINZINGER, Adam of Illinois

H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1542 To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

KIRKPATRICK, Ann of Arizona

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

KIRKPATRICK, Ann of Arizona

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3532 To require the Secretary of Agriculture to carry out a periodic wildfire assessment, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

KRISHNAMOORTHI, Raja of Illinois

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

KRISHNAMOORTHI, Raja of Illinois

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

KUSTER, Ann M. of New Hampshire

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 992 * Recognizing the contribution and importance of maple syrup producers and their families in the State of New Hampshire and supporting the designation of March 19 and 20, 2022, as "New Hampshire Maple Weekend".
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1329 Recognizing the need for greater access to rural and agricultural media programming.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1258 * To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1389 * To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.

KUSTER, Ann M. of New Hampshire

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.
H.R. 2816 To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3686 * To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 3782 To provide loan forgiveness for certain borrowers of Department of Agriculture direct farm loans, and for other purposes.
H.R. 3790 To authorize the Secretary of Agriculture to guarantee investments that will open new markets for forest owners in rural areas of the United States, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

KUSTER, Ann M. of New Hampshire

H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4443 * To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5122 * To amend the Farm Security and Rural Investment Act of 2002 to improve assistance to community wood facilities, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6003 * To amend the Consolidated Farm and Rural Development Act to improve and extend the appropriate technology transfer for rural areas program.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6390 To make financial assistance under the Rural Energy for America program available with respect to certain electric vehicle supply equipment expenses.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7060 * To modify conditions of funding for the distance learning, telemedicine, and broadband program of the Rural Utilities Service, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7675 To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.

KUSTER, Ann M. of New Hampshire

H.R. 7765 To amend the Agricultural Marketing Act of 1946 to direct the Secretary of Agriculture to establish Supply Chain Regional Resource Centers, and for other purposes.
H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8169 To establish a Rural Telehealth Access Task Force to determine how to address barriers to the adoption of telehealth technology and access to broadband internet access service in rural areas, and for other purposes.
H.R. 8596 * To amend the Agricultural Research, Extension, and Education Reform Act of 1998 to direct the Secretary of Agriculture to establish a national biochar research network, and for other purposes.

KUSTOFF, David of Tennessee

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 736 * Honoring the Tennessee Farm Bureau Federation on its 100th anniversary.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1542 To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

Author Index

LAHOOD, Darin of Illinois

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 1542 To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.

H.R. 2186 To amend the Agricultural Act of 1961 to modify the limitations applicable to qualified conservation loan guarantees, and for other purposes.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

LAMALFA, Doug of California

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 939 * To exempt certain wildfire mitigation activities from certain environmental requirements, and for other purposes.

H.R. 940 * To establish a categorical exclusion for electric utility rights-of-way, and for other purposes.

H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.

H.R. 1291 To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.

H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.

H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.

H.R. 2500 To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.

LAMALFA, Doug of California

H.R. 2581 To establish a biochar demonstration project and biochar grant program, and for other purposes.

H.R. 2585 * To conduct fire salvage on certain National Forest System lands burned by wildfire, and for other purposes.

H.R. 2612 * To provide for forest landscape projects, and for other purposes.

H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.

H.R. 3206 * To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.

H.R. 3314 To prohibit certain provisions of an Executive order pertaining to land conservation from taking effect, and for other purposes.

H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 3532 * To require the Secretary of Agriculture to carry out a periodic wildfire assessment, and for other purposes.

H.R. 3686 * To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.

H.R. 4231 * To direct the Secretary concerned to coordinate with impacted parties when conducting a forest management activity, and for other purposes.

H.R. 4274 To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.

H.R. 4489 * To amend the Act of June 20, 1958, to require that certain amounts collected by the United States with respect to lands under the administration of the Forest Service be invested into interest bearing obligations, and for other purposes.

H.R. 4504 * To establish a biochar demonstration project for federally recognized Indian Tribes and Alaska Native corporations to support the development and commercialization of biochar.

H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.

H.R. 4541 * To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.

H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.

H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.

H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.

H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.

Author Index

LAMALFA, Doug of California

H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6903 * To require the Secretary of Agriculture to carry out activities to suppress wildfires, and for other purposes.
H.R. 7026 To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7632 To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9035 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.
H.R. 9119 * To provide for a program within the Forest Service to remediate the environmental damages caused by trespass cannabis cultivation, amend the Federal Insecticide, Fungicide, and Rodenticide Act to include criminal penalties for illegal pesticide application on Government property, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

LATURNER, Jake of Kansas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

LATURNER, Jake of Kansas

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 713 To promote accountability and transparency in future executive orders.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3314 To prohibit certain provisions of an Executive order pertaining to land conservation from taking effect, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6203 To amend the Food and Nutrition Act of 2008 to allow for blended workforces to carry out the supplemental nutrition assistance program under certain conditions.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.

LAMB, Conor of Pennsylvania

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

LAMBORN, Doug of Colorado

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

LAMBORN, Doug of Colorado

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2789 * To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 3330 * To promote the development of renewable energy on public lands, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

LANGEVIN, James R. of Rhode Island

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

LANGEVIN, James R. of Rhode Island

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

LARSEN, Rick of Washington

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5346 To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 6337 To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 7933 To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

LARSEN, Rick of Washington

H.R. 8514 * To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.

LARSON, John B. of Connecticut

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3311 * To rebuild the Nation's infrastructure, provide a consumer rebate to the American people, assist coal country, reduce harmful pollution, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

LATTA, Robert E. of Ohio

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1179 Recognizing and promoting the role of demonstration farm networks in expanding the adoption of conservation farming practices that improve the health of watersheds and agricultural lands.
H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 * To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8981 * To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

LAWRENCE, Brenda L. of Michigan

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

LAWSON, JR., Al of Florida

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2698 * To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3100 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4252 To provide additional funding for scholarships for students at 1890 institutions.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.

H.R. 5591 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.

H.R. 6683 To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

LAWSON, JR., Al of Florida

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

H. Con. Res. 103 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

H. Con. Res. 106 Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

LEE, Barbara of California

H. Res. 104 * Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 267 * To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1503 * To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.

LEE, Barbara of California

H.R. 1506 * To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.

H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2456 To amend the Food Security Act of 1985 to provide for the establishment of climate change mitigation bundles, and for other purposes.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.

H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.

H.R. 3617 * To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 7792 * To provide for a national water data framework, and for other purposes.

LESKO, Debbie of Arizona

H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 247 To provide for no net increase in the total acreage of certain Federal land under the jurisdiction of the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, or the Forest Service, and for other purposes.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4516 To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4574 To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.
H.R. 4614 To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4623 To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4842 To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

LETLOW, Julia of Louisiana

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

LETLOW, Julia of Louisiana

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

LEVIN, Andy of Michigan

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2424 * To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3326 * To promote the development of renewable energy on public lands, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

LEVIN, Mike of California

H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7639 To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8802 * To require the Secretary of the Interior and the Chief of the Forest Service to align management of public lands and waters with the President's greenhouse gas emission reduction goals, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.

LIEU, Ted of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2791 * To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.

LIEU, Ted of California

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4180 * To amend the Animal Welfare Act to direct the Secretary of Agriculture to award grants to support the microchipping of dogs and cats in the care of animal shelters or similar establishments, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.
H.R. 6492 To establish a climate resilience workforce, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8860 * To direct the Attorney General to include certain additional information in the National Missing and Unidentified Persons System, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.

LOFGREN, Zoe of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 4995 To require the Secretary of the Interior to establish Tribal Wildlife Corridors, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

LONG, Billy of Missouri

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2424 * To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

LOUDERMILK, Barry of Georgia

H.R. 3412 * To amend the Dodd-Frank Wall Street Reform and Consumer Protection Act to provide relief to nonbanks from certain stress test requirements under such Act.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7266 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 8004 To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.

LOWENTHAL, Alan S. of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

LOWENTHAL, Alan S. of California

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1503 * To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.
H.R. 1506 * To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2816 To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

LOWENTHAL, Alan S. of California

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6491 * To require the identification of salmon conservation areas and salmon strongholds, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 8514 * To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8802 * To require the Secretary of the Interior and the Chief of the Forest Service to align management of public lands and waters with the President's greenhouse gas emission reduction goals, and for other purposes.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.
H.R. 9597 * To create a coordinated domestic wildlife disease surveillance framework for State, Tribal, and local governments to monitor and respond to wildlife disease outbreaks to prevent pandemics, and for other purposes.

LUCAS, Frank D. of Oklahoma

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

LUCAS, Frank D. of Oklahoma

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3570 To amend the Personal Responsibility and Work Opportunity Act of 1996 to clarify that citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau who are lawfully residing in the United States are eligible for certain Federal public benefits.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

LUETKEMEYER, Blaine of Missouri

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4232 * To require financial regulatory agencies to annually review guidance issued, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7163 * To impose sanctions on government officials of Russia and Belarus who directly enabled Russia's invasion of Ukraine on February 24, 2022.

LURIA, Elaine G. of Virginia

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1798 * To provide for emergency grants for essential community facilities and temporary installations needed in response to COVID–19 pandemic in rural areas.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3473 To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 5346 To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.

LYNCH, Stephen F. of Massachusetts

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1225 * To improve diversity and inclusion in the workforce of national security agencies, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1602 To direct the Commodity Futures Trading Commission and the Securities and Exchange Commission to jointly establish a digital asset working group, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

LYNCH, Stephen F. of Massachusetts

H.R. 3311 * To rebuild the Nation's infrastructure, provide a consumer rebate to the American people, assist coal country, reduce harmful pollution, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

MACE, Nancy of South Carolina

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2712 To ensure that certain loan programs of the Small Business Administration are made available to cannabis-related legitimate businesses and service providers, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4291 * To prohibit certain practices relating to certain commodity promotion programs, to require greater transparency by those programs, and for other purposes.
H.R. 5244 * To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5977 * To amend the controlled substances Act regarding marihuana, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6960 * To prohibit the importation of fossil fuels from the Russian Federation, and for other purposes.
H.R. 7004 * To amend the Animal Welfare Act to prohibit the confinement of pregnant pigs, and for other purposes.
H.R. 7266 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H.R. 9309 * To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.

MALINOWSKI, Tom of New Jersey

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

MALLIOTAKIS, Nicole of New York

H.R. 2477 * To provide support for urban forests, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4195 * To amend the Consolidated Farm and Rural Development Act to encourage the construction of senior centers and community centers.
H.R. 4500 * To incentivize States to provide robust qualified immunity to law enforcement officers, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6100 * To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 8950 * To amend the Commodity Exchange Act to provide the Commodity Futures Trading Commission jurisdiction to oversee the spot digital commodity market, and for other purposes.

MANN, Tracey of Kansas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1156 * Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 713 * To promote accountability and transparency in future executive orders.
H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

MANN, Tracey of Kansas

H.R. 3314 * To prohibit certain provisions of an Executive order pertaining to land conservation from taking effect, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7012 To provide appropriations for certain activities relating to Ukraine, prohibit the importation of certain petroleum products from Russia, Iran, and Venezuela, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9244 * To amend the Agricultural Trade Act of 1978 to increase the funds allocated to carry out the market access program and the foreign market development cooperator program of the Department of Agriculture.

MANNING, Kathy E. of North Carolina

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4552 To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

MANNING, Kathy E. of North Carolina

H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 8596 To amend the Agricultural Research, Extension, and Education Reform Act of 1998 to direct the Secretary of Agriculture to establish a national biochar research network, and for other purposes.

MASSIE, Thomas of Kentucky

H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.

MAST, Brian J. of Florida

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1821 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4680 To form the Federal sugar program, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.
H.R. 5977 * To amend the controlled substances Act regarding marihuana, and for other purposes.
H.R. 7513 * To establish a Commission on the Federal Regulation of Cannabis to study a prompt and plausible pathway to the Federal regulation of cannabis, and for other purposes.
H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.

MATSUI, Doris O. of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

MATSUI, Doris O. of California

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2612 * To provide for forest landscape projects, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

MCCAUL, Michael T. of Texas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

MCCAUL, Michael T. of Texas

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

MCCLAIN, Lisa C. of Michigan

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 885 Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4573 To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8432 To authorize the National Detector Dog Training Center, and for other purposes.

MCCLINTOCK, Tom of California

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 2612 To provide for forest landscape projects, and for other purposes.
H.R. 3014 To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3206 * To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

MCCLINTOCK, Tom of California

H.R. 4231 * To direct the Secretary concerned to coordinate with impacted parties when conducting a forest management activity, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 5977 * To amend the controlled substances Act regarding marihuana, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6903 * To require the Secretary of Agriculture to carry out activities to suppress wildfires, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

MCCOLLUM, Betty of Minnesota

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

MCCOLLUM, Betty of Minnesota

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1503 To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.
H.R. 1506 To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3246 To award funds to States and local areas for subsidized employment programs for youth.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

MCKINLEY, David B. of West Virginia

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 1156 * To require the Assistant Secretary of Commerce for Communications and Information to report to Congress every 60 days on barriers to implementation by the Department of Interior and Department of Agriculture of an online portal to accept, process, and dispose of an application for the placement of communications facilities on certain Federal lands.

H.R. 1291 To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.

H.R. 2400 * To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

H.R. 2527 * To establish a grant program to provide certain eligible entities engaged in food recovery with grants to support certain costs.

H.R. 3206 To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.

H.R. 3370 * To streamline the broadband permitting process for broadband services, and for other purposes.

H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6960 * To prohibit the importation of fossil fuels from the Russian Federation, and for other purposes.

H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

MCNERNEY, Jerry of California

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3784 * To promote scientific research and development opportunities for connected technologies that advance precision agriculture capabilities.

H.R. 4274 To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.

H.R. 7632 To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.

H.R. 7792 To provide for a national water data framework, and for other purposes.

H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.

MEEKS, Gregory W. of New York

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

MEEKS, Gregory W. of New York

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1225 * To improve diversity and inclusion in the workforce of national security agencies, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

MEIJER, Peter of Michigan

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5977 * To amend the controlled substances Act regarding marihuana, and for other purposes.
H.R. 6432 * To amend the Food and Nutrition Act of 2008 to limit the use of business integrity and reputation factors in determining the eligibility of a retail food store or wholesale food concern to be approved to accept and redeem supplemental nutrition assistance program benefits.
H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

MENG, Grace of New York

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

MENG, Grace of New York

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

MENG, Grace of New York

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3277 To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6338 * To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6492 To establish a climate resilience workforce, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

MENG, Grace of New York

H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.
H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

MEUSER, Daniel of Pennsylvania

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9087 To restart onshore and offshore oil and gas leasing, streamline permitting for energy infrastructure, ensure transparency in energy development on Federal lands, and for other purposes.

MFUME, Kweisi of Maryland

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 332 Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5521 To amend the Small Business Investment Act of 1958 to provide opportunities to rural business investment companies, and for other purposes.

MFUME, Kweisi of Maryland

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 9319 To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.

MILLER, Carol D. of West Virginia

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 1998 * To amend the Federal Meat Inspection Act to allow the interstate sale of State-inspected meat, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

MILLER, Mary E. of Illinois

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 3014 To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5490 * To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 7012 * To provide appropriations for certain activities relating to Ukraine, prohibit the importation of certain petroleum products from Russia, Iran, and Venezuela, and for other purposes.
H.R. 7094 * To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports, and for other purposes.

MILLER, Mary E. of Illinois

H.R. 9035 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

MILLER-MEEKS, Mariannette of Iowa

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 1542 To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2518 * To leverage incentives for the adoption of costly precision agriculture technology, and for other purposes.
H.R. 2581 To establish a biochar demonstration project and biochar grant program, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3206 To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4103 * To amend the Packers and Stockyards Act, 1921, to establish the Office of the Special Investigator for Competition Matters, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 4999 * To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.

MILLER-MEEKS, Mariannette of Iowa

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 5992 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7019 To establish the Office of Rural Prosperity, and for other purposes.
H.R. 7155 To prohibit the importation of petroleum and petroleum products from the Russian Federation, to amend the Internal Revenue Code of 1986 to establish an income tax credit for the sale or blending of certain fuels containing ethanol and to extend tax incentives for biodiesel and renewable diesel, to amend the Clean Air Act with respect to the ethanol waiver for Reid vapor pressure limitations under that Act, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7606 * To establish the Office of the Special Investigator for Competition Matters within the Department of Agriculture.
H.R. 7639 * To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7675 To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8596 * To amend the Agricultural Research, Extension, and Education Reform Act of 1998 to direct the Secretary of Agriculture to establish a national biochar research network, and for other purposes.
H.R. 9035 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

MOOLENAAR, John R. of Michigan

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

MOOLENAAR, John R. of Michigan

H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8432 To authorize the National Detector Dog Training Center, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

MOONEY, Alexander X. of West Virginia

H. Res. 1001 Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4232 * To require financial regulatory agencies to annually review guidance issued, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

MOORE, Barry of Alabama

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 840 * Recognizing the 100th anniversary of the Alabama Farmers Federation and celebrating the long history of the Alabama Farmers Federation serving as the voice for Alabama agriculture and forestry.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.

MOORE, Barry of Alabama

H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.

H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5608 To support research and state management efforts on chronic wasting disease.

H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.

H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.

H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.

H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.

H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

MOORE, Blake D. of Utah

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2500 * To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3113 * To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.

H.R. 3527 * To promote innovative approaches to outdoor recreation on Federal land and to increase opportunities for collaboration with non-Federal partners, and for other purposes.

H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

MOORE, Blake D. of Utah

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.

H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

H.R. 9183 * To facilitate the creation of designated shooting ranges on National Forest System land and public land administered by the Bureau of Land Management for the public to use for recreational target shooting, and for other purposes.

MOORE, Gwen of Wisconsin

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 351 * To amend the Food and Nutrition Act of 2008 to exclude from income, for the purpose of determining eligibility and benefits, income received from cost of living adjustments made under titles II and XVI of the Social Security Act and from supplementary payments received under section 1616 of such Act.

H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

MOORE, Gwen of Wisconsin

H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.

H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.

H.R. 5173 * To provide for the enhancement of urban agriculture, and for other purposes.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

MORELLE, Joseph D. of New York

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

MORELLE, Joseph D. of New York

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2336 * To authorize the establishment of HOPE Account Pilot Projects, HOPE Action Plans Pilot Projects, and competitive grants for pilot projects.

H.R. 2477 To provide support for urban forests, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.

H.R. 6072 To establish a program to assist States in establishing or enhancing community integration network infrastructure for health and social services.

H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 9591 * To require the Secretary of Agriculture to initiate hearings to review Federal milk marketing orders relating to pricing of Class I skim milk, and for other purposes.

MOULTON, Seth of Massachusetts

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.

NADLER, Jerrold of New York

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9319 To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

NAPOLITANO, Grace F. of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

NAPOLITANO, Grace F. of California

H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

NEAL, Richard E. of Massachusetts

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

NEGUSE, Joe of Colorado

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1363 * To amend the National Agricultural Research, Extension, and Teaching Policy Act of 1977 to provide for an additional goal of the Agriculture Advanced Research and Development Authority (AGARDA) to enhance the role of agriculture in innovative sustainability solutions.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2099 * To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2241 * To direct the Secretary of the Interior and the Secretary of Agriculture to establish a Civilian Climate Corps, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

NEGUSE, Joe of Colorado

H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 2613 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2816 * To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3113 * To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3211 * To require the Secretary of Agriculture to establish a Joint Chiefs Landscape Restoration Partnership program, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3670 * To improve access for outdoor recreation through the use of special recreation permits on Federal recreational lands and waters, and for other purposes.
H.R. 3686 * To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 4489 * To amend the Act of June 20, 1958, to require that certain amounts collected by the United States with respect to lands under the administration of the Forest Service be invested into interest bearing obligations, and for other purposes.
H.R. 4552 To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

NEGUSE, Joe of Colorado

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5282 * To establish a mental health program for Federal wildland firefighter, and for other purposes.
H.R. 5283 * To provide a housing allowance to Federal wildland firefighters, and for other purposes.
H.R. 5631 * To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6163 * To require the Secretary of Agriculture to direct a study on soil health of Federal lands, and for other purposes.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6317 * To amend the Small Business Act to address the participation of cooperatives in the program carried out under section 7(a) of that Act, and for other purposes.
H.R. 6334 * To amend the Indian Self-Determination and Education Assistance Act to allow the Secretary of Agriculture to enter into self-determination contracts with Indian Tribes and Tribal organizations to carry out supplemental nutrition assistance programs.
H.R. 6336 * To improve Federal activities relating to wildfires, and for other purposes.
H.R. 6337 * To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6435 * To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 7004 To amend the Animal Welfare Act to prohibit the confinement of pregnant pigs, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 7933 To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 8860 * To direct the Attorney General to include certain additional information in the National Missing and Unidentified Persons System, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9309 To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.
H.R. 9319 To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.

NEHLS, Troy E. of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.

NEHLS, Troy E. of Texas

H.R. 4302 To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

NEWHOUSE, Dan of Washington

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 271 Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month.
H. Res. 542 * Expressing support for the designation of July 2021 as "American Grown Flower and Foliage Month".
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1213 * Expressing support for the designation of July 2022 as "American Grown Flower and Foliage Month".
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 267 * To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 939 * To exempt certain wildfire mitigation activities from certain environmental requirements, and for other purposes.
H.R. 940 * To establish a categorical exclusion for electric utility rights-of-way, and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.

NEWHOUSE, Dan of Washington

H.R. 1291 To provide for loans to critical rural utility service providers to ensure continued service and safe operation of rural utility systems during certain emergencies, and for other purposes.

H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.

H.R. 1779 * To improve the process for awarding grants under certain programs of the Department of Agriculture to certain counties in which the majority of land is owned or managed by the Federal Government and to other units of local government and Tribal governments in those counties, and for other purposes.

H.R. 1798 To provide for emergency grants for essential community facilities and temporary installations needed in response to COVID–19 pandemic in rural areas.

H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2424 * To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.

H.R. 2500 * To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.

H.R. 2562 * To address the nationwide shortage of tree seedlings, and for other purposes.

H.R. 2581 * To establish a biochar demonstration project and biochar grant program, and for other purposes.

H.R. 2612 * To provide for forest landscape projects, and for other purposes.

H.R. 2613 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.

H.R. 2918 * To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.

H.R. 4504 * To establish a biochar demonstration project for federally recognized Indian Tribes and Alaska Native corporations to support the development and commercialization of biochar.

H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.

H.R. 4541 * To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.

NEWHOUSE, Dan of Washington

H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.

H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.

H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.

H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.

H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.

H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.

H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.

H.R. 6167 * To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.

H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 6408 * To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.

H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.

H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.

H.R. 7019 * To establish the Office of Rural Prosperity, and for other purposes.

H.R. 7060 To modify conditions of funding for the distance learning, telemedicine, and broadband program of the Rural Utilities Service, and for other purposes.

H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.

H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

NEWHOUSE, Dan of Washington

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

H.R. 8091 * To restore employment and educational opportunities in, and improve the economic stability of, counties containing National Forest System land, while also reducing Forest Service management costs, by ensuring that such counties have a dependable source of revenue from timber sales conducted on National Forest System land, to reduce payments under the Secure Rural Schools and Community Self-Determination Act of 2000 to reflect such counties receipt of timber sale revenues, to strengthen stewardship end result contracting, and for other purposes.

H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.

H.R. 8981 To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

H.R. 9035 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit new labeling changes on use of registered pesticides without notice, and for other purposes.

H.R. 9087 To restart onshore and offshore oil and gas leasing, streamline permitting for energy infrastructure, ensure transparency in energy development on Federal lands, and for other purposes.

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

H.R. 9184 * To codify the authority of the Secretary of Agriculture and the Secretary of the Interior to conduct certain landscape-scale forest restoration projects, and for other purposes.

H.R. 9244 * To amend the Agricultural Trade Act of 1978 to increase the funds allocated to carry out the market access program and the foreign market development cooperator program of the Department of Agriculture.

NEWMAN, Marie of Illinois

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1528 * Recognizing the duty of the Federal Government to protect the rights of restaurant workers.

H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.

NEWMAN, Marie of Illinois

H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2451 * To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2712 * To ensure that certain loan programs of the Small Business Administration are made available to cannabis-related legitimate businesses and service providers, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

NEWMAN, Marie of Illinois

H.R. 5124 * To establish a new Manufacturing Reinvestment Corporation in the Department of Commerce, to develop and monitor a national manufacturing strategy, to identify and address supply chain weaknesses and align manufacturing with strategic opportunities and imperatives through local multi-stakeholder Manufacturing Renaissance Councils, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.

NORCROSS, Donald of New Jersey

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

NORMAN, Ralph of South Carolina

H.R. 713 To promote accountability and transparency in future executive orders.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2087 * To rescind amounts appropriated under the American Rescue Plan Act of 2021, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3428 * To strengthen the supplemental nutrition assistance program (SNAP) categorical eligibility for applicants who already receive supplemental assistance elsewhere and for those with assets high enough to not require assistance, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

NORMAN, Ralph of South Carolina

H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 5490 To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 7026 To amend the Food and Nutrition Act of 2008 to require States to include a photograph on electronic benefit cards issued to provide supplemental nutrition assistance program benefits.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

NORTON, Eleanor Holmes of District of Columbia

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

NORTON, Eleanor Holmes of District of Columbia

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1503 * To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.

H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.

H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2816 * To provide for the Forest Service Legacy Roads and Trails Remediation Program.

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.

NORTON, Eleanor Holmes of District of Columbia

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3311 * To rebuild the Nation's infrastructure, provide a consumer rebate to the American people, assist coal country, reduce harmful pollution, and for other purposes.

H.R. 3378 * To amend the Social Security Act, the Food and Nutrition Act of 2008, and the Low-Income Home Energy Assistance Act of 1981 to require that the value of children's savings accounts be disregarded for the purpose of determining eligibility to receive benefits under such Acts, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.

H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4443 * To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.

H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.

H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.

H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.

H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

NORTON, Eleanor Holmes of District of Columbia

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6250 To improve protections for meatpacking workers, and for other purposes.
H.R. 6337 To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6362 * To amend Public Law 87–788 (commonly known as the McIntire-Stennis Cooperative Forestry Act; 16 U.S.C. 582a–7) to provide for equal treatment of the District of Columbia with respect to funds made available under that Act.
H.R. 6432 To amend the Food and Nutrition Act of 2008 to limit the use of business integrity and reputation factors in determining the eligibility of a retail food store or wholesale food concern to be approved to accept and redeem supplemental nutrition assistance program benefits.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 7004 To amend the Animal Welfare Act to prohibit the confinement of pregnant pigs, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9233 * To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.
H.R. 9552 To amend the Animal Health Protection Act to increase transparency with respect to livestock and poultry depopulation, and for other purposes.
H. Con. Res. 106 * Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

NUNES, Devin of California

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.

OBERNOLTE, Jay of California

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

OBERNOLTE, Jay of California

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4504 * To establish a biochar demonstration project for federally recognized Indian Tribes and Alaska Native corporations to support the development and commercialization of biochar.
H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4541 To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.
H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.
H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.
H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.
H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H.R. 9184 To codify the authority of the Secretary of Agriculture and the Secretary of the Interior to conduct certain landscape-scale forest restoration projects, and for other purposes.

OCASIO-CORTEZ, Alexandria of New York

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 943 To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2713 * To provide for equitable treatment for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

O'HALLERAN, Tom of Arizona

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

O'HALLERAN, Tom of Arizona

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2244 * To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3532 * To require the Secretary of Agriculture to carry out a periodic wildfire assessment, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4082 * To prevent catastrophic wildland fires by establishing a commission to study and recommend wildland fire prevention, mitigation, suppression, management, and rehabilitation policies for the Federal Government, and for other purposes.
H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

O'HALLERAN, Tom of Arizona

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 7019 * To establish the Office of Rural Prosperity, and for other purposes.
H.R. 7060 * To modify conditions of funding for the distance learning, telemedicine, and broadband program of the Rural Utilities Service, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 8084 * To amend the Watershed Protection and Flood Prevention Act to allow additional flood prevention measures on certain lands, and for other purposes.
H.R. 8085 * To direct the Secretary of Agriculture to establish a grant program to remove nonnative plant species that contribute to drought conditions, and for other purposes.
H.R. 8162 * To direct the Secretary of Agriculture to fill vacancies and increase the number of positions available in the Forest Service Law Enforcement and Investigations organization, and for other purposes.
H.R. 8475 * To amend the Agricultural Act of 2014 to provide emergency relief to producers of livestock with herds adversely affected by Mexican gray wolves, and for other purposes.

OMAR, Ilhan of Minnesota

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

OMAR, Ilhan of Minnesota

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 * To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3625 To lift the trade embargo on Cuba, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

OWENS, Burgess of Utah

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1779 * To improve the process for awarding grants under certain programs of the Department of Agriculture to certain counties in which the majority of land is owned or managed by the Federal Government and to other units of local government and Tribal governments in those counties, and for other purposes.
H.R. 2349 * To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.

Author Index

OWENS, Burgess of Utah

H.R. 2500 * To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3370 To streamline the broadband permitting process for broadband services, and for other purposes.
H.R. 4082 To prevent catastrophic wildland fires by establishing a commission to study and recommend wildland fire prevention, mitigation, suppression, management, and rehabilitation policies for the Federal Government, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 8836 * To amend the Commodity Exchange Act to exempt certain small companies that utilize foreign exchange from certain capital and margin requirements in order to enhance opportunities for small businesses to improve trade and export markets, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

PALAZZO, Steven M. of Mississippi

H. Res. 1448 * Celebrating the 100th anniversary of the Mississippi Farm Bureau Federation.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.

PANETTA, Jimmy of California

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".

H. Res. 1213 * Expressing support for the designation of July 2022 as "American Grown Flower and Foliage Month".

H. Res. 1329 Recognizing the need for greater access to rural and agricultural media programming.

H.R. 267 * To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.

H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2424 * To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.

H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.

H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

PANETTA, Jimmy of California

H.R. 2918 * To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.

H.R. 3000 * To build on America's spirit of service to nurture, promote, and expand a culture of service to secure the Nation's future, address critical needs of the Nation, and strengthen the civic fabric of American society.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3532 * To require the Secretary of Agriculture to carry out a periodic wildfire assessment, and for other purposes.

H.R. 3534 * To direct the Secretary of Agriculture to select and implement landscape-scale forest restoration projects, to assist communities in increasing their resilience to wildfire, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.

H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.

H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4763 To direct the Secretary of Agriculture to carry out a program to award grants to eligible entities to carry out projects that further agricultural resiliency and modernization, and for other purposes.

H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5421 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.

H.R. 5589 * To direct the Secretary of Agriculture to carry out a program to award grants to eligible entities to carry out projects with the potential to reduce or sequester greenhouse emissions that convert and valorize tree nut harvest by-products into multiple higher value biocarbon products, and for other purposes.

H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6336 To improve Federal activities relating to wildfires, and for other purposes.

H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.

H.R. 6492 To establish a climate resilience workforce, and for other purposes.

Author Index

PANETTA, Jimmy of California

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7438 * To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7752 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.
H.R. 7768 * To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

PAPPAS, Chris of New Hampshire

H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5521 To amend the Small Business Investment Act of 1958 to provide opportunities to rural business investment companies, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.
H. Con. Res. 106 Supporting the designation of the week of September 19 through September 23, 2022, as "Malnutrition Awareness Week".

PASCRELL, JR., Bill of New Jersey

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

PAYNE, JR., Donald M. of New Jersey

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

PAYNE, JR., Donald M. of New Jersey

H. Res. 180 Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3625 To lift the trade embargo on Cuba, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

PAYNE, JR., Donald M. of New Jersey

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6492 To establish a climate resilience workforce, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

PELTOLA, Mary Sattler of Alaska

H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.

PENCE, Greg of Indiana

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5506 * To establish a Rural Telehealth Access Task Force to determine how to address barriers to the adoption of telehealth technology and access to broadband internet access service in rural areas, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8004 To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8169 * To establish a Rural Telehealth Access Task Force to determine how to address barriers to the adoption of telehealth technology and access to broadband internet access service in rural areas, and for other purposes.

PERLMUTTER, Ed of Colorado

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

PERLMUTTER, Ed of Colorado

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2477 To provide support for urban forests, and for other purposes.
H.R. 2712 * To ensure that certain loan programs of the Small Business Administration are made available to cannabis-related legitimate businesses and service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3670 To improve access for outdoor recreation through the use of special recreation permits on Federal recreational lands and waters, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

PERRY, Scott of Pennsylvania

H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2349 To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3428 * To strengthen the supplemental nutrition assistance program (SNAP) categorical eligibility for applicants who already receive supplemental assistance elsewhere and for those with assets high enough to not require assistance, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

PERRY, Scott of Pennsylvania

H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.

PETERS, Scott H. of California

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4082 To prevent catastrophic wildland fires by establishing a commission to study and recommend wildland fire prevention, mitigation, suppression, management, and rehabilitation policies for the Federal Government, and for other purposes.
H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.
H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.

PETERS, Scott H. of California

H.R. 9119 * To provide for a program within the Forest Service to remediate the environmental damages caused by trespass cannabis cultivation, amend the Federal Insecticide, Fungicide, and Rodenticide Act to include criminal penalties for illegal pesticide application on Government property, and for other purposes.

H.R. 9184 * To codify the authority of the Secretary of Agriculture and the Secretary of the Interior to conduct certain landscape-scale forest restoration projects, and for other purposes.

PFLUGER, August of Texas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 218 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.

H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

H.R. 4896 * To direct the Secretary of Agriculture to establish a program to provide reimbursement to agricultural producers for losses sustained due to illegal immigration.

H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6884 To prioritize United States energy independence, and for other purposes.

H.R. 7094 * To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports, and for other purposes.

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

PHILLIPS, Dean of Minnesota

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

PHILLIPS, Dean of Minnesota

H.R. 2613 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.

H.R. 2712 To ensure that certain loan programs of the Small Business Administration are made available to cannabis-related legitimate businesses and service providers, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3000 * To build on America's spirit of service to nurture, promote, and expand a culture of service to secure the Nation's future, address critical needs of the Nation, and strengthen the civic fabric of American society.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

H.R. 9233 * To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.

PINGREE, Chellie of Maine

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 271 Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 542 * Expressing support for the designation of July 2021 as "American Grown Flower and Foliage Month".

H. Res. 1213 * Expressing support for the designation of July 2022 as "American Grown Flower and Foliage Month".

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.

H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1258 * To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1389 To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.

H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

PINGREE, Chellie of Maine

H.R. 1617 * To establish a White House Rural Council, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.

H.R. 2613 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2918 * To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

PINGREE, Chellie of Maine

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3652 To direct the Secretary of Agriculture to establish a food waste research and technical assistance program and grant program, and for other purposes.

H.R. 3782 * To provide loan forgiveness for certain borrowers of Department of Agriculture direct farm loans, and for other purposes.

H.R. 3790 * To authorize the Secretary of Agriculture to guarantee investments that will open new markets for forest owners in rural areas of the United States, and for other purposes.

H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.

H.R. 4443 * To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5122 * To amend the Farm Security and Rural Investment Act of 2002 to improve assistance to community wood facilities, and for other purposes.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6167 * To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.

H.R. 6645 * To promote the production of hemp and hemp products, and for other purposes.

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

H.R. 7585 To improve the health of minority individuals, and for other purposes.

H.R. 7752 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.

H.R. 7827 To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 8018 * To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.

H.R. 8425 * To amend the Food, Agriculture, and Trade Act of 1990 to establish a grant program for eligible institutions to carry out agriculture workforce training programs, and for other purposes.

H.R. 8596 * To amend the Agricultural Research, Extension, and Education Reform Act of 1998 to direct the Secretary of Agriculture to establish a national biochar research network, and for other purposes.

PINGREE, Chellie of Maine

H.R. 9186 * To authorize the Secretary of Agriculture to provide grants to States to address contamination by perfluoroalkyl and polyfluoroalkyl substances on farms, and for other purposes.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.
H.R. 9667 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a sustainable agriculture research and education resilience initiative, and for other purposes.

PLASKETT, Stacey E. of Virgin Islands

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1001 * Expressing support for the designation of March 24, 2022, as "National Women in Agriculture Day".
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.
H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2791 * To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4252 * To provide additional funding for scholarships for students at 1890 institutions.
H.R. 4329 * To amend the Rural Electrification Act of 1936 to improve access to broadband telecommunications services in rural areas, including by encouraging the provision of broadband loans and grants to increase broadband service in rural ports, and for other purposes.
H.R. 4337 * To modernize the authority of the Commodity Futures Trading Commission to conduct research, development, demonstration, and information programs.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 6258 To establish a regulatory system for sustainable offshore aquaculture in the United States exclusive economic zone, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 8950 * To amend the Commodity Exchange Act to provide the Commodity Futures Trading Commission jurisdiction to oversee the spot digital commodity market, and for other purposes.

POCAN, Mark of Wisconsin

H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.

POCAN, Mark of Wisconsin

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1542 * To amend the Farm Security and Rural Investment Act of 2002 to provide grants for deployment of renewable fuel infrastructure, to finalize proposed rules relating to requirements for E15 fuel dispenser labeling and underground storage tank compatibility, and for other purposes.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2468 * To ensure that certain materials used in carrying out Federal infrastructure aid programs are made in the United States, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

POCAN, Mark of Wisconsin

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4421 * To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6492 To establish a climate resilience workforce, and for other purposes.
H.R. 6645 To promote the production of hemp and hemp products, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7182 To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7706 To establish judicial ethics.
H.R. 7827 * To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8514 To amend the Marine Mammal Protection Act of 1972 and the Animal Welfare Act to prohibit the taking, importation, exportation, and breeding of certain cetaceans for public display, and for other purposes.
H.R. 9395 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 to require additional reporting and public disclosure of information.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

POCAN, Mark of Wisconsin

H. Con. Res. 103 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

PORTER, Katie of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1503 * To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.
H.R. 1506 * To provide for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2816 To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 5282 * To establish a mental health program for Federal wildland firefighter, and for other purposes.
H.R. 5283 * To provide a housing allowance to Federal wildland firefighters, and for other purposes.
H.R. 5631 * To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 6167 To establish requirements for quality and discard dates that are, at the option of food labelers, included in food packaging, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7606 To establish the Office of the Special Investigator for Competition Matters within the Department of Agriculture.
H.R. 7639 To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7706 * To establish judicial ethics.
H.R. 7792 To provide for a national water data framework, and for other purposes.
H.R. 7827 To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

PORTER, Katie of California

H.R. 8802 * To require the Secretary of the Interior and the Chief of the Forest Service to align management of public lands and waters with the President's greenhouse gas emission reduction goals, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9233 * To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.
H.R. 9597 * To create a coordinated domestic wildlife disease surveillance framework for State, Tribal, and local governments to monitor and respond to wildlife disease outbreaks to prevent pandemics, and for other purposes.

POSEY, Bill of Florida

H. Res. 1329 * Recognizing the need for greater access to rural and agricultural media programming.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4500 * To incentivize States to provide robust qualified immunity to law enforcement officers, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

PRESSLEY, Ayanna of Massachusetts

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

PRESSLEY, Ayanna of Massachusetts

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 * To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6492 To establish a climate resilience workforce, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 9309 * To amend the Animal Welfare Act to provide for greater protection of roosters, and for other purposes.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.

RADEWAGEN, Aumua Amata Coleman of American Samoa

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

RADEWAGEN, Aumua Amata Coleman of American Samoa

H.R. 3570 * To amend the Personal Responsibility and Work Opportunity Act of 1996 to clarify that citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau who are lawfully residing in the United States are eligible for certain Federal public benefits.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 5421 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.

H.R. 5422 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to modify the macadamia tree health initiative, and for other purposes.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.

H.R. 7272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.

H.R. 8495 * To amend the Food and Nutrition Act of 2008 to transition the Commonwealth of Puerto Rico to the supplemental nutrition assistance program, and for other purposes.

RASKIN, Jamie of Maryland

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

RASKIN, Jamie of Maryland

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4421 * To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

RASKIN, Jamie of Maryland

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

REED, Tom of New York

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.

RESCHENTHALER, Guy of Pennsylvania

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2840 * To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8981 To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

RICE, Kathleen M. of New York

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6390 * To make financial assistance under the Rural Energy for America program available with respect to certain electric vehicle supply equipment expenses.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

RICE, Tom of South Carolina

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

RODGERS, Cathy McMorris of Washington

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 2099 * To extend the Secure Rural Schools and Community Self-Determination Act of 2000.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3435 * To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.

H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 6144 * To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 6232 To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.

H.R. 6435 * To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

H.R. 8091 * To restore employment and educational opportunities in, and improve the economic stability of, counties containing National Forest System land, while also reducing Forest Service management costs, by ensuring that such counties have a dependable source of revenue from timber sales conducted on National Forest System land, to reduce payments under the Secure Rural Schools and Community Self-Determination Act of 2000 to reflect such counties receipt of timber sale revenues, to strengthen stewardship end result contracting, and for other purposes.

H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

H.R. 8981 * To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

H.R. 9069 * To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

RODGERS, Cathy McMorris of Washington

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

ROGERS, Harold of Kentucky

H.R. 498 To authorize the Secretary of Agriculture to subsidize payments on loans made under certain rural development loan programs, and for other purposes.

H.R. 1617 * To establish a White House Rural Council, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.

ROGERS, Mike of Alabama

H. Res. 840 * Recognizing the 100th anniversary of the Alabama Farmers Federation and celebrating the long history of the Alabama Farmers Federation serving as the voice for Alabama agriculture and forestry.

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4350 * To authorize appropriations for fiscal year 2022 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes.

H.R. 4828 * To secure the international borders of the United States, and for other purposes.

ROSE, John W. of Tennessee

H. Res. 736 * Honoring the Tennessee Farm Bureau Federation on its 100th anniversary.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

ROSE, John W. of Tennessee

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.

ROSENDALE, Sr., Matthew M. of Montana

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.
H.R. 1779 * To improve the process for awarding grants under certain programs of the Department of Agriculture to certain counties in which the majority of land is owned or managed by the Federal Government and to other units of local government and Tribal governments in those counties, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2500 To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.
H.R. 3314 To prohibit certain provisions of an Executive order pertaining to land conservation from taking effect, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4383 * To amend the Rural Electrification Act of 1936 to provide requirements on the use of assistance for broadband deployment, and for other purposes.
H.R. 4489 * To amend the Act of June 20, 1958, to require that certain amounts collected by the United States with respect to lands under the administration of the Forest Service be invested into interest bearing obligations, and for other purposes.
H.R. 4504 * To establish a biochar demonstration project for federally recognized Indian Tribes and Alaska Native corporations to support the development and commercialization of biochar.
H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4541 To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.

ROSENDALE, Sr., Matthew M. of Montana

H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.
H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.
H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.
H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4973 * To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5399 * To prohibit certain actions that impede border security on certain Federal land, and for other purposes.
H.R. 6678 * To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7094 To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

ROSS, Deborah K. of North Carolina

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

ROSS, Deborah K. of North Carolina

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1389 To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

ROUZER, David of North Carolina

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.

ROUZER, David of North Carolina

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 895 * To provide for assistance to rural water, wastewater, and waste disposal systems affected by the COVID–19 pandemic, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3428 * To strengthen the supplemental nutrition assistance program (SNAP) categorical eligibility for applicants who already receive supplemental assistance elsewhere and for those with assets high enough to not require assistance, and for other purposes.
H.R. 3678 * To require certain welfare programs to deny benefits to persons who fail a drug test, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4999 To prevent States and local jurisdictions from interfering with the production and distribution of agricultural products in interstate commerce, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6947 To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8018 * To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.

ROUZER, David of North Carolina

H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8432 To authorize the National Detector Dog Training Center, and for other purposes.

ROY, Chip of Texas

H.R. 218 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3835 * To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.

ROYBAL-ALLARD, Lucille of California

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

ROYBAL-ALLARD, Lucille of California

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

RUIZ, Raul of California

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4580 * To amend the Specialty Crops Competitiveness Act of 2004 to provide recovery payments to seasonal and perishable crop growers who experienced low prices caused by imports, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

RUPPERSBERGER, C. A. Dutch of Maryland

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

RUPPERSBERGER, C. A. Dutch of Maryland

H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 9319 * To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.

RUSH, Bobby L. of Illinois

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

RUSH, Bobby L. of Illinois

H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3220 * To establish a Restore Employment in Natural and Environmental Work Conservation Corps in the Department of the Interior and the Department of Agriculture, and for other purposes.
H.R. 3473 To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3625 * To lift the trade embargo on Cuba, and for other purposes.
H.R. 3794 * To direct the Secretary of Agriculture to track the distribution of all farm subsidies by race, gender, and size of the farm operation and to make such information about farm subsidies available to the public.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4341 To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5173 * To provide for the enhancement of urban agriculture, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6338 * To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6390 To make financial assistance under the Rural Energy for America program available with respect to certain electric vehicle supply equipment expenses.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

RUTHERFORD, John H. of Florida

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H.R. 9483 To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

RYAN, Patrick of New York

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

RYAN, Tim of Ohio

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1313 * To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 1815 To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.

RYAN, Tim of Ohio

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2468 * To ensure that certain materials used in carrying out Federal infrastructure aid programs are made in the United States, and for other purposes.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4552 * To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 5124 * To establish a new Manufacturing Reinvestment Corporation in the Department of Commerce, to develop and monitor a national manufacturing strategy, to identify and address supply chain weaknesses and align manufacturing with strategic opportunities and imperatives through local multi-stakeholder Manufacturing Renaissance Councils, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 7663 * To amend the Food Security Act of 1985 to require the Secretary of Agriculture to establish a Great Lakes basin initiative for agricultural nonpoint source pollution prevention.
H.R. 7827 To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.
H.R. 8432 To authorize the National Detector Dog Training Center, and for other purposes.
H.R. 8707 * To provide increased financial assistance for farmers markets and farmers market nutrition programs, to increase local agricultural production through food bank in-house production and local farmer contracting; and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

SABLAN, Gregorio Kilili Camacho of Northern Mariana Islands

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

SABLAN, Gregorio Kilili Camacho of Northern Mariana Islands

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.
H.R. 3570 * To amend the Personal Responsibility and Work Opportunity Act of 1996 to clarify that citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau who are lawfully residing in the United States are eligible for certain Federal public benefits.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5421 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.
H.R. 5422 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to modify the macadamia tree health initiative, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.

SALAZAR, Maria Elvira of Florida

H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2451 To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.
H.R. 2477 To provide support for urban forests, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

SALAZAR, Maria Elvira of Florida

H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5421 To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.
H.R. 5490 * To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.
H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.

SAN NICOLAS, Michael F. Q. of Guam

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 487 To amend the Food and Nutrition Act of 2008 to expand the operation of the State employment and training programs under such Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1313 To amend the Internal Revenue Code of 1986 to establish a new tax credit and grant program to stimulate investment and healthy nutrition options in food deserts, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2713 To provide for equitable treatment for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa.
H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.

SAN NICOLAS, Michael F. Q. of Guam

H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3570 * To amend the Personal Responsibility and Work Opportunity Act of 1996 to clarify that citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau who are lawfully residing in the United States are eligible for certain Federal public benefits.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5421 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants, and for other purposes.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

SÁNCHEZ, Linda T. of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

SÁNCHEZ, Linda T. of California

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.

SARBANES, John P. of Maryland

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2816 To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4077 To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

SCALISE, Steve of Louisiana

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

SCANLON, Mary Gay of Pennsylvania

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

SCANLON, Mary Gay of Pennsylvania

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

SCHAKOWSKY, Janice D. of Illinois

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

SCHAKOWSKY, Janice D. of Illinois

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 568 Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.

H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2468 * To ensure that certain materials used in carrying out Federal infrastructure aid programs are made in the United States, and for other purposes.

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

SCHAKOWSKY, Janice D. of Illinois

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

H.R. 5124 * To establish a new Manufacturing Reinvestment Corporation in the Department of Commerce, to develop and monitor a national manufacturing strategy, to identify and address supply chain weaknesses and align manufacturing with strategic opportunities and imperatives through local multi-stakeholder Manufacturing Renaissance Councils, and for other purposes.

H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6492 * To establish a climate resilience workforce, and for other purposes.

H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7706 * To establish judicial ethics.

H.R. 7827 To impose a moratorium on large agribusiness, food and beverage manufacturing, and grocery retail mergers.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

H.R. 9319 To amend the Food and Nutrition Act of 2008 to provide for the reissuance to households supplemental nutrition assistance program benefits to replace benefits stolen by identity theft or typical skimming practices, and for other purposes.

SCHAKOWSKY, Janice D. of Illinois

H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

SCHIFF, Adam B. of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

SCHRADER, Kurt of Oregon

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 421 * To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2061 * To establish an interagency One Health Program, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2477 * To provide support for urban forests, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.

SCHRADER, Kurt of Oregon

H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3442 * To direct the Secretary of the Interior and the Secretary of Agriculture to encourage and expand the use of prescribed fire on land managed by the Department of the Interior or the Forest Service, with an emphasis on units of the National Forest System in the western United States, and for other purposes.
H.R. 3790 To authorize the Secretary of Agriculture to guarantee investments that will open new markets for forest owners in rural areas of the United States, and for other purposes.
H.R. 4239 * To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

SCHRIER, Kim of Washington

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.

SCHRIER, Kim of Washington

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2918 To require the Secretary of Agriculture to initiate and complete notice and comment rulemaking to implement recommendations approved by the National Organic Standards Board, and for other purposes.
H.R. 3113 * To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.
H.R. 3442 * To direct the Secretary of the Interior and the Secretary of Agriculture to encourage and expand the use of prescribed fire on land managed by the Department of the Interior or the Forest Service, with an emphasis on units of the National Forest System in the western United States, and for other purposes.
H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4489 * To amend the Act of June 20, 1958, to require that certain amounts collected by the United States with respect to lands under the administration of the Forest Service be invested into interest bearing obligations, and for other purposes.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8449 * To establish and maintain a coordinated program within the National Oceanic and Atmospheric Administration that improves wildfire, fire weather, fire risk, and smoke related forecasting, detection, modeling, observations, and service delivery, and to address growing needs in the wildland-urban interface, and for other purposes.
H.R. 8596 * To amend the Agricultural Research, Extension, and Education Reform Act of 1998 to direct the Secretary of Agriculture to establish a national biochar research network, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.
H.R. 9244 * To amend the Agricultural Trade Act of 1978 to increase the funds allocated to carry out the market access program and the foreign market development cooperator program of the Department of Agriculture.
H.R. 9667 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a sustainable agriculture research and education resilience initiative, and for other purposes.
H.R. 9672 * To amend the Emergency Food Assistance Act of 1983 to provide additional agricultural products for distribution by emergency feeding organizations; and for other purposes.

SCHWEIKERT, David of Arizona

H. Res. 427 * Encouraging the Department of Agriculture to lead efforts, in partnerships with States, localities, universities, and various farming and ranching groups, to prepare for the disruptive transformation of the entire agriculture industry.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8084 * To amend the Watershed Protection and Flood Prevention Act to allow additional flood prevention measures on certain lands, and for other purposes.

SCOTT, Austin of Georgia

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 843 * To amend the Commodity Credit Corporation Charter Act to raise the borrowing limit of the Commodity Credit Corporation.
H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3014 To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4337 * To modernize the authority of the Commodity Futures Trading Commission to conduct research, development, demonstration, and information programs.
H.R. 4580 * To amend the Specialty Crops Competitiveness Act of 2004 to provide recovery payments to seasonal and perishable crop growers who experienced low prices caused by imports, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

SCOTT, Austin of Georgia

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H. Con. Res. 43 * Expressing the sense of Congress that all direct and indirect subsidies that benefit the production or export of sugar by all major sugar-producing and -consuming countries should be eliminated.

SCOTT, David of Georgia

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4169 * To increase market access for Black farmers and socially disadvantaged farmers and ranchers, to ensure civil rights accountability, and for other purposes.
H.R. 4252 * To provide additional funding for scholarships for students at 1890 institutions.
H.R. 4374 * To bolster certain rural broadband programs of the Department of Agriculture.
H.R. 5290 * To extend authorization for livestock mandatory reporting.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 8590 * To provide assistance to certain small family farmers and ranchers, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.
H. Con. Res. 103 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

SCOTT, Robert C. "Bobby" of Virginia

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.

SCOTT, Robert C. "Bobby" of Virginia

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 7272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 8150 * To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.

SESSIONS, Pete of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 5163 To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5399 To prohibit certain actions that impede border security on certain Federal land, and for other purposes.
H.R. 6637 * To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.

SEWELL, Terri A. of Alabama

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 840 * Recognizing the 100th anniversary of the Alabama Farmers Federation and celebrating the long history of the Alabama Farmers Federation serving as the voice for Alabama agriculture and forestry.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1393 * To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 3822 * To eliminate asset limits employed by certain federally funded means-tested public assistance programs, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H. Con. Res. 48 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.
H. Con. Res. 103 * Expressing the sense of Congress that August 30, 2021, be observed as the 131st anniversary of the 1890 Institutions.

SHERMAN, Brad of California

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").

SHERMAN, Brad of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1225 * To improve diversity and inclusion in the workforce of national security agencies, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 7066 * To require United States financial institutions to ensure entities and persons owned or controlled by the institution comply with financial sanctions on the Russian Federation and the Republic of Belarus to the same extent as the institution itself, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.

SHERRILL, Mikie of New Jersey

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4552 To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

SIMPSON, Michael K. of Idaho

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2500 * To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2682 * To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2816 * To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3442 * To direct the Secretary of the Interior and the Secretary of Agriculture to encourage and expand the use of prescribed fire on land managed by the Department of the Interior or the Forest Service, with an emphasis on units of the National Forest System in the western United States, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8981 To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

SIRES, Albio of New Jersey

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2451 To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.

H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.

SIRES, Albio of New Jersey

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 7933 To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

SLOTKIN, Elissa of Michigan

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4552 To establish a Department of Agriculture loan program to support mentorship and apprenticeship opportunities for veterans of the Armed Forces to become farmers or ranchers.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 7639 To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.

H.R. 8432 To authorize the National Detector Dog Training Center, and for other purposes.

H.R. 9186 To authorize the Secretary of Agriculture to provide grants to States to address contamination by perfluoroalkyl and polyfluoroalkyl substances on farms, and for other purposes.

SMITH, Adam of Washington

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H.R. 2241 * To direct the Secretary of the Interior and the Secretary of Agriculture to establish a Civilian Climate Corps, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2361 * To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.
H.R. 2534 * To provide incentives for agricultural producers to carry out climate stewardship practices, to provide for increased reforestation across the United States, to establish the Coastal and Estuary Resilience Grant Program, and for other purposes.
H.R. 2613 * To amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.
H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3211 * To require the Secretary of Agriculture to establish a Joint Chiefs Landscape Restoration Partnership program, and for other purposes.
H.R. 3790 To authorize the Secretary of Agriculture to guarantee investments that will open new markets for forest owners in rural areas of the United States, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4103 * To amend the Packers and Stockyards Act, 1921, to establish the Office of the Special Investigator for Competition Matters, and for other purposes.
H.R. 4140 * To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4162 * To amend the Farm Security and Rural Investment Act of 2002 to improve the Rural Energy for America Program, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4443 To require the designation of composting as a conservation practice and activity, and to provide grants and loan guarantees for composting facilities and programs, and for other purposes.
H.R. 5609 * To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6390 * To make financial assistance under the Rural Energy for America program available with respect to certain electric vehicle supply equipment expenses.

SPANBERGER, Abigail Davis of Virginia

H.R. 7606 * To establish the Office of the Special Investigator for Competition Matters within the Department of Agriculture.
H.R. 7765 * To amend the Agricultural Marketing Act of 1946 to direct the Secretary of Agriculture to establish Supply Chain Regional Resource Centers, and for other purposes.
H.R. 7768 * To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.

SPARTZ, Victoria of Indiana

H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

SPEIER, Jackie of California

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

SPEIER, Jackie of California

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

STANSBURY, Melanie A. of New Mexico

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4995 To require the Secretary of the Interior to establish Tribal Wildlife Corridors, and for other purposes.
H.R. 5048 To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

STANSBURY, Melanie A. of New Mexico

H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 5724 To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6337 To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.

STANTON, Greg of Arizona

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5346 To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 7933 To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

STAUBER, Pete of Minnesota

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

STAUBER, Pete of Minnesota

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 488 * To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 895 To provide for assistance to rural water, wastewater, and waste disposal systems affected by the COVID–19 pandemic, and for other purposes.

H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 3014 To preserve access to Federal lands, control fires, and for other purposes.

H.R. 3206 * To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.

H.R. 3330 * To promote the development of renewable energy on public lands, and for other purposes.

H.R. 4231 * To direct the Secretary concerned to coordinate with impacted parties when conducting a forest management activity, and for other purposes.

H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.

H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4569 To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.

H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.

H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.

H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.

STAUBER, Pete of Minnesota

H.R. 4710 * To require the Secretary of Agriculture to allow emergency haying under the conservation reserve program during the primary nesting season.

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5608 To support research and state management efforts on chronic wasting disease.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

H.R. 8928 * To improve the permitting process for mining on Federal land, and for other purposes.

H.R. 8981 * To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

STEEL, Michelle of California

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.

H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

STEFANIK, Elise M. of New York

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.

H.R. 1258 To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.

H.R. 1389 * To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.

H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

STEFANIK, Elise M. of New York

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2518 To leverage incentives for the adoption of costly precision agriculture technology, and for other purposes.
H.R. 2606 To amend the Food Security Act of 1985 with respect to the acceptance and use of contributions for public-private partnerships, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3370 To streamline the broadband permitting process for broadband services, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 3790 * To authorize the Secretary of Agriculture to guarantee investments that will open new markets for forest owners in rural areas of the United States, and for other purposes.
H.R. 4300 To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4500 * To incentivize States to provide robust qualified immunity to law enforcement officers, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9087 To restart onshore and offshore oil and gas leasing, streamline permitting for energy infrastructure, ensure transparency in energy development on Federal lands, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.
H.R. 9483 * To amend the Agricultural Foreign Investment Disclosure Act of 1978 with respect to certain agricultural land transactions, and for other purposes.

STEIL, Bryan of Wisconsin

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.

STEIL, Bryan of Wisconsin

H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.

STEUBE, W. Gregory of Florida

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1329 Recognizing the need for greater access to rural and agricultural media programming.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3206 To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.
H.R. 3314 To prohibit certain provisions of an Executive order pertaining to land conservation from taking effect, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4500 * To incentivize States to provide robust qualified immunity to law enforcement officers, and for other purposes.
H.R. 4614 To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

STEUBE, W. Gregory of Florida

H.R. 5609 To amend the Agricultural Marketing Act of 1946, to establish a cattle contract library, and for other purposes.
H.R. 7266 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7498 * To amend the Federal Crop Insurance Act to direct the Federal Crop Insurance Corporation to conduct research and development on frost or cold weather insurance, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

STEVENS, Haley M. of Michigan

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.

STEWART, Chris of Utah

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

STEWART, Chris of Utah

H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 1679 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from conditioning any permit, lease, or other use agreement on the transfer of any water right to the United States, and for other purposes.
H.R. 1779 * To improve the process for awarding grants under certain programs of the Department of Agriculture to certain counties in which the majority of land is owned or managed by the Federal Government and to other units of local government and Tribal governments in those counties, and for other purposes.
H.R. 2176 * To provide for the continued and uninterrupted production of domestic minerals in the United States.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6232 * To delay the implementation of a rule relating to the importation of sheep and goats and products derived from sheep and goats, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8091 To restore employment and educational opportunities in, and improve the economic stability of, counties containing National Forest System land, while also reducing Forest Service management costs, by ensuring that such counties have a dependable source of revenue from timber sales conducted on National Forest System land, to reduce payments under the Secure Rural Schools and Community Self-Determination Act of 2000 to reflect such counties receipt of timber sale revenues, to strengthen stewardship end result contracting, and for other purposes.

STIVERS, Steve of Ohio

H. Res. 150 Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

STRICKLAND, Marilyn of Washington

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.

STRICKLAND, Marilyn of Washington

H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2789 To direct the Secretary of Veterans Affairs to administer a pilot program to employ veterans in positions that relate to conservation and resource management activities.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2816 To provide for the Forest Service Legacy Roads and Trails Remediation Program.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3378 To amend the Social Security Act, the Food and Nutrition Act of 2008, and the Low-Income Home Energy Assistance Act of 1981 to require that the value of children's savings accounts be disregarded for the purpose of determining eligibility to receive benefits under such Acts, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.

STRICKLAND, Marilyn of Washington

H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 9069 To amend the Food and Nutrition Act of 2008 to exclude from income for purposes of eligibility for the supplemental nutrition assistance program the basic allowance for housing received by members of the uniformed services.

SUOZZI, Thomas R. of New York

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

SUOZZI, Thomas R. of New York

H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4690 To reauthorize and amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

SWALWELL, Eric of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 279 To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 351 To amend the Food and Nutrition Act of 2008 to exclude from income, for the purpose of determining eligibility and benefits, income received from cost of living adjustments made under titles II and XVI of the Social Security Act and from supplementary payments received under section 1616 of such Act.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

SWALWELL, Eric of California

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4492 * To establish an interagency forum for biodefense preparedness, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5406 * To require the development of a plan for the establishment of an interagency biodefense task force on the attribution of certain biological events, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7614 To provide for orderly and secure digital commodity exchange markets, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8653 To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.

TAKANO, Mark of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

TAKANO, Mark of California

H.R. 1983 To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

TAYLOR, Van of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.

TENNEY, Claudia of New York

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4500 * To incentivize States to provide robust qualified immunity to law enforcement officers, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 4973 To amend the Federal Meat Inspection Act to modify requirements for a meat food product of cattle to bear a "Product of U.S.A." label, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

THOMPSON, Bennie G. of Mississippi

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1448 * Celebrating the 100th anniversary of the Mississippi Farm Bureau Federation.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

THOMPSON, Bennie G. of Mississippi

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1225 To improve diversity and inclusion in the workforce of national security agencies, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.
H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.
H.R. 3378 * To amend the Social Security Act, the Food and Nutrition Act of 2008, and the Low-Income Home Energy Assistance Act of 1981 to require that the value of children's savings accounts be disregarded for the purpose of determining eligibility to receive benefits under such Acts, and for other purposes.
H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 9281 * To direct the Secretary of Agriculture to make grants to States to support the establishment and operation of grocery stores in underserved communities, and for other purposes.

THOMPSON, Glenn of Pennsylvania

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

THOMPSON, Glenn of Pennsylvania

H. Res. 775 * Recognizing the 125th anniversary of the National Grain and Feed Association and celebrating the history and longstanding efforts of the Association and its members in transforming the American farmer's bounty into safe, nutritious, sustainable, and affordable human and animal food.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 1602 To direct the Commodity Futures Trading Commission and the Securities and Exchange Commission to jointly establish a digital asset working group, and for other purposes.
H.R. 2606 * To amend the Food Security Act of 1985 with respect to the acceptance and use of contributions for public-private partnerships, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 * To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4379 * To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5608 * To support research and state management efforts on chronic wasting disease.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7614 * To provide for orderly and secure digital commodity exchange markets, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 9088 To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

THOMPSON, Mike of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 267 * To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 1258 To amend the Poultry Products Inspection Act and the Federal Meat Inspection Act to support small and very small meat and poultry processing establishments, and for other purposes.
H.R. 1389 To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.

THOMPSON, Mike of California

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 1983 * To encourage and facilitate efforts by States and other stakeholders to conserve and sustain the western population of monarch butterflies, and for other purposes.
H.R. 2400 To allow Rural Utilities Service telecommunications grants to be made for the collection of broadband infrastructure data by local governments, economic development or other community organizations, electric or telephone cooperatives, and small internet providers.
H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3113 To require the Secretary of the Interior, the Secretary of Agriculture, and the Assistant Secretary of the Army for Civil Works to digitize and make publicly available geographic information system mapping data relating to public access to Federal land and waters for outdoor recreation, and for other purposes.
H.R. 3534 * To direct the Secretary of Agriculture to select and implement landscape-scale forest restoration projects, to assist communities in increasing their resilience to wildfire, and for other purposes.
H.R. 3954 * To amend the Internal Revenue Code of 1986 to provide disaster tax relief, exclude from gross income amounts received from State-based catastrophe loss mitigation programs, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4274 * To waive limitations on overtime and premium pay for wildland firefighters, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5631 To reform and enhance the pay and benefits of Federal wildland firefighters, and for other purposes.
H.R. 6337 To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6491 * To require the identification of salmon conservation areas and salmon strongholds, and for other purposes.
H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.
H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.

TIFFANY, Thomas P. of Wisconsin

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H. Res. 932 Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2349 * To provide for equal protection of the law and to prohibit discrimination and preferential treatment on the basis of race, color, national origin, or sex in the administration of programs of the Department of Agriculture, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3014 To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4302 * To address the bark beetle epidemic, to reduce catastrophic wildfires in the highest risk areas, to restore and improve the ecological integrity of forest, grassland, rangeland, and watershed ecosystems across the United States through public and private partnerships with Federal, State, local, and Tribal governments and private partners, and for other purposes.
H.R. 4516 To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4541 * To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.
H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.
H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.
H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

TIFFANY, Thomas P. of Wisconsin

H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.

H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.

H.R. 4705 To amend the Agricultural Act of 2014 to modify the treatment of revenue from timber sale contracts and certain payments made by counties to the Secretary of Agriculture and the Secretary of the Interior under good neighbor agreements, and for other purposes.

H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.

H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7012 * To provide appropriations for certain activities relating to Ukraine, prohibit the importation of certain petroleum products from Russia, Iran, and Venezuela, and for other purposes.

H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

H.R. 7768 To affirm that the Farm Credit Administration is the sole and independent regulator of the Farm Credit System.

H.R. 8592 * To establish a 1-year moratorium on the enrollment of land in the conservation reserve program under the Food Security Act of 1985 and to prohibit the enrollment of prime farmland in such program, and for other purposes.

H.R. 9024 * To direct the Secretary of the Interior to submit a report and maintain publicly available data on expressions of interests, applications for permits to drill, and offshore geological and geophysical survey licenses, and for other purposes.

H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

TIMMONS IV, William R. of South Carolina

H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 3790 To authorize the Secretary of Agriculture to guarantee investments that will open new markets for forest owners in rural areas of the United States, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.

H.R. 4828 To secure the international borders of the United States, and for other purposes.

TIMMONS IV, William R. of South Carolina

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.

H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.

TITUS, Dina of Nevada

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H.R. 1352 To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2682 To establish an Outdoor Restoration Fund for restoration and resilience projects, and for other purposes.

H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.

H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.

H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3075 To address seafood slavery and combat illegal, unreported, or unregulated fishing, and for other purposes.

H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3132 * To reauthorize the Lake Tahoe Restoration Act, and for other purposes.

H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 3277 To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.

TITUS, Dina of Nevada

H.R. 4291 * To prohibit certain practices relating to certain commodity promotion programs, to require greater transparency by those programs, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 4951 To prohibit the use of M–44 devices, commonly known as "cyanide bombs", on public land, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7004 To amend the Animal Welfare Act to prohibit the confinement of pregnant pigs, and for other purposes.
H.R. 7272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of disabled veterans to receive supplemental nutrition assistance program benefits.
H.R. 7398 * To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.
H.R. 9233 * To improve the service delivery of agencies and public perception of agency interactions, and for other purposes.

TLAIB, Rashida of Michigan

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

TLAIB, Rashida of Michigan

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H. Res. 1528 * Recognizing the duty of the Federal Government to protect the rights of restaurant workers.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 * To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 2021 * To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2757 To require the Natural Resources Conservation Service to review the national conservation practice standards, taking into consideration climate benefits, and for other purposes.
H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3246 * To award funds to States and local areas for subsidized employment programs for youth.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

TLAIB, Rashida of Michigan

H.R. 3473 * To establish an expansive infrastructure program to create local jobs and raise the quality of life in every community, to launch middle class career pathways in infrastructure, and to invest in high-quality American jobs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 3687 * To require the Secretary of the Interior and the Secretary of Agriculture to complete an interagency report on the effects of special recreation permits on environmental justice communities, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4421 * To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6492 * To establish a climate resilience workforce, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7182 * To amend the Commodity Exchange Act to prohibit trading of water and water rights for future delivery, and for other purposes.
H.R. 7398 To prohibit wildlife killing contests on public lands, and for other purposes.
H.R. 7585 To improve the health of minority individuals, and for other purposes.
H.R. 7792 * To provide for a national water data framework, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.
H.R. 9388 * To require the Administrator of the Environmental Protection Agency to carry out certain activities to protect communities from the harmful effects of plastics, and for other purposes.
H.R. 9474 * To extend immigration benefits to survivors of domestic violence, sexual assault, human trafficking, and other gender-based violence, and for other purposes.

TONKO, Paul of New York

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

TONKO, Paul of New York

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2049 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.
H.R. 2468 * To ensure that certain materials used in carrying out Federal infrastructure aid programs are made in the United States, and for other purposes.
H.R. 2803 To address the impact of climate change on agriculture, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3115 To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4379 To amend the Richard B. Russell National School Lunch Act to require the Secretary of Agriculture to make loan guarantees and grants to finance certain improvements to school lunch facilities, to train school food service personnel, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6272 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6337 To require the Secretary of the Interior and the Secretary of Agriculture to develop long-distance bike trails on Federal land, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 6678 To prohibit stock trading and ownership by Members of Congress and spouses of Members of Congress, and for other purposes.

TONKO, Paul of New York

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 8109 To establish the Tribal Cultural Areas System, and for other purposes.

TORRES, Norma J. of California

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3100 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5591 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

TORRES, Ritchie of New York

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2102 To eliminate certain subsidies for fossil-fuel production.
H.R. 2451 To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.

TORRES, Ritchie of New York

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2713 * To provide for equitable treatment for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa.
H.R. 2791 To direct the Secretary of Agriculture to establish a renewable energy grant program for Puerto Rico and the Virgin Islands of the United States, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8275 * To direct the Secretary of Agriculture to submit to Congress a report on improving supply chain shortfalls and infrastructure needs at wholesale produce markets, and for other purposes.

TRAHAN, Lori of Massachusetts

H. Res. 304 Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

TRAHAN, Lori of Massachusetts

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2837 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3100 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 5048 * To amend the Food and Nutrition Act of 2008 to permit States to record in writing that applicants for supplemental nutrition assistance benefits have signed an application through a recorded verbal assent over the telephone.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5591 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, establish college student food insecurity demonstration programs, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

TRONE, David J. of Maryland

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 150 Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

UPTON, Fred of Michigan

H. Res. 271 * Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month.
H.R. 487 * To amend the Food and Nutrition Act of 2008 to expand the operation of the State employment and training programs under such Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1525 * To require the Department of Interior and the Department of Agriculture to establish an online portal to accept, process, and dispose of an application for the placement of communications facilities on certain Federal lands.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3370 * To streamline the broadband permitting process for broadband services, and for other purposes.
H.R. 6000 * To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6960 * To prohibit the importation of fossil fuels from the Russian Federation, and for other purposes.
H.R. 8981 * To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.

VALADAO, David G. of California

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

VALADAO, David G. of California

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 547 To amend the Federal Meat Inspection Act and the Poultry Products Inspection Act to allow for the interstate internet sales of certain State-inspected meat and poultry, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4162 * To amend the Farm Security and Rural Investment Act of 2002 to improve the Rural Energy for America Program, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4516 To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 5309 To direct the Secretary of Agriculture to enter into contracts to provide individuals dealing with food and nutrition insecurity family-friendly fresh produce, and for other purposes.
H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6408 To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7266 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 7438 To direct the Secretary of Agriculture to amend certain regulations to clarify that livestock auction owners may have an interest in small meat packing businesses, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.
H.R. 8018 To amend the Consolidated Farm and Rural Development Act to establish a grant program to assist with the purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.

VALADAO, David G. of California

H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8653 * To authorize appropriations to carry out payments with respect to qualified losses of covered crops occurring in calendar year 2022, and for other purposes.
H.R. 9025 * To direct the Secretary of the Interior and the Secretary of Agriculture to use certain previously completed environmental assessments and environmental impact statements to satisfy the review requirements of the National Environmental Policy Act of 1969, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

VAN DREW, Jefferson of New Jersey

H.R. 543 To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1815 * To direct the Secretary of Agriculture to suspend increases in line speeds at meat and poultry establishments, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2698 To extend the jurisdiction of the Commodity Futures Trading Commission to include oversight of markets which set reference prices for aluminum premiums, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 6144 * To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

VAN DUYNE, Beth of Texas

H. Res. 581 * Honoring Mr. Steve Verett for more than 24 years of dedicated service to the cotton industry and to Plains Cotton Growers, Inc.
H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 4792 To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.

VAN DUYNE, Beth of Texas

H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 6947 * To prohibit the importation of crude oil, petroleum, petroleum products, and liquefied natural gas from the Russian Federation, and for other purposes.

VARGAS, Juan of California

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.
H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
H.R. 794 To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2451 * To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 2919 To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.
H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3187 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.
H.R. 4375 To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 * To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

VARGAS, Juan of California

H.R. 7632 * To provide access to reliable, clean, and drinkable water on Tribal lands, and for other purposes.
H.R. 8168 To improve the health and resiliency of giant sequoias, and for other purposes.

VEASEY, Marc A. of Texas

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1721 * To amend the Consolidated Appropriations Act, 2021 to authorize additional funds for the Emergency Broadband Connectivity Fund, to provide grants to States and Tribal Entities to strengthen the National Lifeline Eligibility Verifier, to provide for Federal coordination between the National Lifeline Eligibility Verifier and the National Accuracy Clearinghouse, and for other purposes.
H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

VELA, Filemon of Texas

H.R. 895 * To provide for assistance to rural water, wastewater, and waste disposal systems affected by the COVID–19 pandemic, and for other purposes.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 5490 * To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.

VELA, Filemon of Texas

H.R. 5907 * To authorize the provision of water and waste facility direct loans and grants to communities with greater populations under certain circumstances.

VELÁZQUEZ, Nydia M. of New York

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.

H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.

H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.

H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.

H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1919 To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2336 To authorize the establishment of HOPE Account Pilot Projects, HOPE Action Plans Pilot Projects, and competitive grants for pilot projects.

VELÁZQUEZ, Nydia M. of New York

H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2712 * To ensure that certain loan programs of the Small Business Administration are made available to cannabis-related legitimate businesses and service providers, and for other purposes.

H.R. 2713 * To provide for equitable treatment for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.

H.R. 3453 * To provide community-based nonprofit feeding and anti-hunger groups with funding to partner with small and mid-sized restaurants to expand meal access and delivery for low-income and vulnerable populations during, and through 1 year following the end of, a pandemic or public health emergency.

H.R. 3617 * To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 4079 * To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

H.R. 4421 To place a moratorium on large concentrated animal feeding operations, to strengthen the Packers and Stockyards Act, 1921, to require country of origin labeling on beef, pork, and dairy products, and for other purposes.

H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 7585 * To improve the health of minority individuals, and for other purposes.

H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

WAGNER, Ann of Missouri

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

WAGNER, Ann of Missouri

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5163 * To facilitate support and services to women who find themselves with an unexpected pregnancy, to meet the emotional, physical, social, financial, and other needs women encounter during pregnancy, childbirth, and child-rearing, and for other purposes.
H.R. 5680 * To repeal the sugar program under the Federal Agriculture Improvement and Reform Act of 1996 and certain other programs relating to sugar, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.

WALBERG, Tim of Michigan

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7663 * To amend the Food Security Act of 1985 to require the Secretary of Agriculture to establish a Great Lakes basin initiative for agricultural nonpoint source pollution prevention.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

WALORSKI, Jackie of Indiana

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

WALORSKI, Jackie of Indiana

H. Res. 271 Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 4828 * To secure the international borders of the United States, and for other purposes.
H.R. 5608 To support research and state management efforts on chronic wasting disease.
H.R. 5724 * To authorize a White House Conference on Food, Nutrition, Hunger, and Health, and for other purposes.
H.R. 6072 * To establish a program to assist States in establishing or enhancing community integration network infrastructure for health and social services.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

WALTZ, Michael of Florida

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3000 * To build on America's spirit of service to nurture, promote, and expand a culture of service to secure the Nation's future, address critical needs of the Nation, and strengthen the civic fabric of American society.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 7892 To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

WASSERMAN SCHULTZ, Debbie of Florida

H. Res. 121 * Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.

H.R. 1692 * To extend and expand the Wildfire Hurricane Indemnity Program to cover losses due to high winds, polar vortexes, and hailstorms.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3014 * To preserve access to Federal lands, control fires, and for other purposes.
H.R. 3428 * To strengthen the supplemental nutrition assistance program (SNAP) categorical eligibility for applicants who already receive supplemental assistance elsewhere and for those with assets high enough to not require assistance, and for other purposes.
H.R. 4266 * To prevent energy poverty in at-risk communities, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

WEBER, SR., Randy K. of Texas

H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 5399 * To prohibit certain actions that impede border security on certain Federal land, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7450 * To remove legal impediments preventing construction of a border barrier along the international border between the United States and Mexico, improve the construction requirements for such barrier, make previously appropriated funds available for constructing such barrier until expended, and for other purposes.
H.R. 7892 * To prohibit certain persons from purchasing agricultural real estate in the United States, and for other purposes.

WEBSTER, Daniel of Florida

H.R. 713 To promote accountability and transparency in future executive orders.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3835 To amend the Federal Meat Inspection Act to exempt from inspection the slaughter of animals and the preparation of carcasses conducted at a custom slaughter facility, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 6144 To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

WELCH, Peter of Vermont

H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 745 * Expressing support for the designation of the week of October 24, 2021, to October 31, 2021, as "BatWeek".

Author Index

WELCH, Peter of Vermont

H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.

H. Res. 1156 Expressing the commitment of the House of Representatives to building on the twenty years of success of the George McGovern-Robert Dole Food for Education and Child Nutrition Program.

H. Res. 1446 * Expressing support for the designation of the week of October 24, 2022, to October 31, 2022, as "Bat Week".

H.R. 279 * To provide lasting protection for inventoried roadless areas within the National Forest System.

H.R. 421 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.

H.R. 869 * To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.

H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.

H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.

H.R. 1389 * To amend the Plant Protection Act for purposes of mitigating the threat of invasive species, and for other purposes.

H.R. 1393 To address the history of discrimination against Black farmers and ranchers, to require reforms within the Department of Agriculture to prevent future discrimination, and for other purposes.

H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.

H.R. 1503 To amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling, and for other purposes.

H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.

H.R. 1753 * To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.

H.R. 1783 * To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.

H.R. 1848 * To rebuild and modernize the Nation's infrastructure to expand access to broadband and Next Generation 9–1–1, rehabilitate drinking water infrastructure, modernize the electric grid and energy supply infrastructure, redevelop brownfields, strengthen health care infrastructure, create jobs, and protect public health and the environment, and for other purposes.

H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.

H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.

H.R. 2102 To eliminate certain subsidies for fossil-fuel production.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2361 To amend the Department of Agriculture Reorganization Act of 1994 to establish the Rural Innovation and Partnership Administration and to amend the Consolidated Farm and Rural Development Act to establish the Rural Future Partnership Fund to invest in the rural areas of the United States to achieve their preferred future while maximizing their contribution to the well-being of the United States, and for other purposes.

WELCH, Peter of Vermont

H.R. 2424 To direct the Secretary of Agriculture to establish a program under which the Secretary awards grants to States or State departments of agriculture for the purposes of providing support to agricultural fairs for losses sustained due to COVID–19.

H.R. 2644 To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 2803 * To address the impact of climate change on agriculture, and for other purposes.

H.R. 2837 * To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal a certain disqualification to receive benefits under title IV of the Social Security Act and benefits under the Food and Nutrition Act of 2008; and to amend the Food and Nutrition Act of 2008 to provide that incarcerated individuals who are scheduled to be released from an institution within 30 days shall be considered to be a household for purposes of such Act.

H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.

H.R. 2919 * To establish a Federal agenda to transform, heal, and renew the United States by investing in a vibrant economy, to provide funds to certain Federal investment programs that meet related labor, equity, and environmental standards, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.

H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.

H.R. 3686 To amend the Omnibus Parks and Public Lands Management Act of 1996 to provide for the establishment of a Ski Area Fee Retention Account, and for other purposes.

H.R. 3782 * To provide loan forgiveness for certain borrowers of Department of Agriculture direct farm loans, and for other purposes.

H.R. 4077 * To amend the Food and Nutrition Act of 2008 to require that supplemental nutrition assistance program benefits be calculated using the value of the low-cost food plan, and for other purposes.

H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.

H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.

H.R. 5595 To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

H.R. 6100 To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.

H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.

H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.

H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

WENSTRUP, Brad R. of Ohio

H.R. 1625 * To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

H.R. 2639 To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

WENSTRUP, Brad R. of Ohio

H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6144 * To delay and offset the sequester to occur in January 2022 under the Statutory Pay-As-You-Go Act of 2010, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7437 To prohibit the importation of wood and related articles from the Russian Federation and the Republic of Belarus, and for other purposes.

WESTERMAN, Bruce of Arkansas

H. Res. 150 * Expressing support for the designation of February 20 to February 27, 2021, as "National FFA Week", recognizing the important role of the National FFA (FFA) Organization in developing the next generation of leaders who will change the world, and celebrating 50 years of National FFA Alumni and Supporters.
H. Res. 932 * Expressing support for the designation of February 19 through February 26, 2022, as "National FFA Week", recognizing the important role of the National Future Farmers of America (referred to in this resolution as "FFA") Organization in developing the next generation of leaders who will change the world, and celebrating 70 years of the National FFA Organization's membership magazine, The National Future Farmer, now called New Horizons.
H.R. 267 To extend the wildfire and hurricane indemnity program to cover certain crop losses in calendar year 2020, and for other purposes.
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1174 * To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and the Federal Land Policy and Management Act of 1976 to provide that the Secretary of Agriculture and the Secretary of the Interior are not required to reinitiate consultation on a land management plan or land use plan under certain circumstances, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2477 * To provide support for urban forests, and for other purposes.
H.R. 2500 * To direct the Secretary of Agriculture to assess the use of new technologies across reforestation activities, and for other purposes.
H.R. 2562 * To address the nationwide shortage of tree seedlings, and for other purposes.
H.R. 2581 * To establish a biochar demonstration project and biochar grant program, and for other purposes.
H.R. 2585 * To conduct fire salvage on certain National Forest System lands burned by wildfire, and for other purposes.
H.R. 2612 * To provide for forest landscape projects, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3330 * To promote the development of renewable energy on public lands, and for other purposes.
H.R. 3370 * To streamline the broadband permitting process for broadband services, and for other purposes.
H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

WESTERMAN, Bruce of Arkansas

H.R. 4504 * To establish a biochar demonstration project for federally recognized Indian Tribes and Alaska Native corporations to support the development and commercialization of biochar.
H.R. 4516 * To establish a categorical exclusion to expedite certain critical response actions, and for other purposes.
H.R. 4541 * To amend the Healthy Forests Restoration Act of 2003 to provide clarification with respect to certain categorical exclusion authority relating to insect and disease infestation and wildfire resilience projects, and for other purposes.
H.R. 4569 * To require that only two alternatives be considered with respect to certain proposed collaborative forest management activities, and for other purposes.
H.R. 4573 * To establish a categorical exclusion to improve or restore National Forest System land or public land or reduce the risk of wildfire, and for other purposes.
H.R. 4574 * To expedite certain activities related to salvage operations and reforestation activities on National Forest System lands or public lands in response to catastrophic events, and for other purposes.
H.R. 4579 * To establish an arbitration process pilot program as an alternative dispute resolution process for certain objections or protests to qualified forest management activities, and for other purposes.
H.R. 4584 * To establish a categorical exclusion for certain forest management activities relating to early successional forests and a categorical exclusion for certain activities relating to outdoor recreation, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4623 * To establish a categorical exclusion for forest management activities carried out by the Secretary of Agriculture jointly with another Federal agency if such forest management activities received a categorical exclusion with respect to such other Federal agency, and for other purposes.
H.R. 4664 * To amend the Healthy Forests Restoration Act of 2003 to establish emergency fireshed management areas, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8004 * To amend the Food and Nutrition Act of 2008 to restore and standardize work requirements for able-bodied adults enrolled in the supplemental nutrition assistance program.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 8168 * To improve the health and resiliency of giant sequoias, and for other purposes.
H.R. 8928 * To improve the permitting process for mining on Federal land, and for other purposes.
H.R. 8981 * To streamline hardrock mine permitting on Federal lands, support technological and scientific advancements for mineral development, expand the mining workforce, track global supply chains, strengthen domestic refining and processing capacity, and for other purposes.
H.R. 9006 * To establish deadlines for the Secretary of the Interior and the Secretary of Agriculture to complete certain environmental reviews, to establish notification rules for receipt of onshore right-of-way applications, and for other purposes.
H.R. 9024 * To direct the Secretary of the Interior to submit a report and maintain publicly available data on expressions of interests, applications for permits to drill, and offshore geological and geophysical survey licenses, and for other purposes.

WESTERMAN, Bruce of Arkansas

H.R. 9025 * To direct the Secretary of the Interior and the Secretary of Agriculture to use certain previously completed environmental assessments and environmental impact statements to satisfy the review requirements of the National Environmental Policy Act of 1969, and for other purposes.
H.R. 9087 * To restart onshore and offshore oil and gas leasing, streamline permitting for energy infrastructure, ensure transparency in energy development on Federal lands, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

WEXTON, Jennifer of Virginia

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4140 To make improvements with respect to the pricing of cattle in the United States, and for other purposes.
H.R. 6408 * To establish, in the Department of Agriculture, an Office of Agritourism, and for other purposes.

WILD, Susan of Pennsylvania

H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1579 To prohibit Members of Congress from purchasing or selling certain investments, and for other purposes.
H.R. 2049 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to promote reforestation following unplanned events on Federal land, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 4079 To direct the Administrator of the Environmental Protection Agency to take certain actions related to pesticides that may affect pollinators, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5346 * To amend the Food and Nutrition Act of 2008 to provide for the direct certification and enrollment of households of active members of the Armed Forces of the United States in the supplemental nutrition assistance program; and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

WILD, Susan of Pennsylvania

H.R. 6100 * To amend the Animal Welfare Act to increase enforcement with respect to violations of that Act, and for other purposes.
H.R. 6338 To amend the Food and Nutrition Act of 2008 to permit supplemental nutrition assistance program benefits to be used to purchase additional types of food items.
H.R. 7639 To amend the Agricultural Marketing Act of 1946 to establish a cattle contract library, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.

WILLIAMS, Nikema of Georgia

H. Res. 104 Recognizing the duty of the Federal Government to implement an agenda to Transform, Heal, and Renew by Investing in a Vibrant Economy ("THRIVE").
H. Res. 121 Recognizing that the United States needs a Marshall Plan for Moms in order to revitalize and restore mothers in the workforce.
H. Res. 180 * Expressing the sense of the House of Representatives that it is the duty of the Federal Government to dramatically expand and strengthen the care economy.
H. Res. 304 * Recognizing the designation of the week of April 11 through April 17, 2021, as "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H. Res. 332 * Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 568 * Expressing that the United States is obligated to permanently end the unhoused crisis by 2025 and uphold, protect, and enforce the civil and human rights of unhoused individuals, including the human rights to housing, universal health care, livable wages, education, employment opportunities, access to public facilities, free movement in public spaces, privacy, confidentiality, internet access, vote, freedom from harassment by law enforcement, private businesses, property owners, and housed residents, and equal rights to health care, legal representation, and social services without discrimination based on housing status.
H. Res. 1051 * Expressing support for the designation of the week of April 11 through April 17, 2022, as the fifth annual "Black Maternal Health Week" to bring national attention to the maternal health crisis in the United States and the importance of reducing maternal mortality and morbidity among Black women and birthing persons.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 943 * To address social determinants of maternal health with respect to pregnant and postpartum individuals, and for other purposes.
H.R. 959 * To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1442 To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1753 To amend the Food and Nutrition Act of 2008 to repeal the particular work requirement that disqualifies able-bodied adults for eligibility to participate in the supplemental nutrition assistance program.
H.R. 1919 * To amend the Food and Nutrition Act of 2008 to treat attendance at an institution of higher education the same as work for the purpose of determining eligibility to participate in the supplemental nutrition assistance program.
H.R. 2021 To restore, reaffirm, and reconcile environmental justice and civil rights, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2451 * To amend the Internal Revenue Code of 1986 to establish a carbon fee to reduce greenhouse gas emissions, and for other purposes.
H.R. 2644 * To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and for other purposes.

H.R. 3115 * To amend the Child Nutrition Act of 1966 and the Richard B. Russell National School Lunch Act to make breakfasts and lunches free for all children, and for other purposes.
H.R. 3617 To decriminalize and deschedule cannabis, to provide for reinvestment in certain persons adversely impacted by the War on Drugs, to provide for expungement of certain cannabis offenses, and for other purposes.
H.R. 4521 To provide for a coordinated Federal research initiative to ensure continued United States leadership in engineering biology.
H.R. 5227 To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to provide certain benefits to noncitizens, and for other purposes.
H.R. 5595 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6272 * To amend the Food and Nutrition Act of 2008 to expand the eligibility of students to participate in the supplemental nutrition assistance program, and for other purposes.
H.R. 6683 * To establish an AmeriCorps Administration to carry out the national and volunteer service programs, to expand participation in such programs, and for other purposes.
H.R. 7585 * To improve the health of minority individuals, and for other purposes.
H.R. 7933 * To amend the Federal Food, Drug, and Cosmetic Act to improve the safety and supply of infant formula, and for other purposes.
H.R. 8150 To amend the Families First Coronavirus Response Act to extend child nutrition waiver authority, and for other purposes.
H.R. 8862 * To invest in real pro-life policies that support the American family, and for other purposes.

WILSON, Joe of South Carolina

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.

WILSON, Joe of South Carolina

H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 4792 * To counter the malign influence and theft perpetuated by the People's Republic of China and the Chinese Communist Party.

WITTMAN, Robert J. of Virginia

H. Res. 885 * Recognizing the importance of broadband in rural areas throughout the United States and the critical need to invest in broadband expansion in an increasingly connected and digitally dependent world.
H.R. 1625 To establish the Office of Intelligence in the Department of Agriculture, and for other purposes.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 2820 * To authorize the Secretary of Agriculture to develop a program to reduce barriers to entry for farmers, ranchers, and private forest landowners in certain voluntary markets, and for other purposes.
H.R. 3369 To codify the ReConnect Program, to expand rural broadband assistance, and to improve the administration and accountability of the broadband programs at the Department of Agriculture.
H.R. 3370 * To streamline the broadband permitting process for broadband services, and for other purposes.
H.R. 3435 To establish a broadband expansion grant program, to streamline the permitting process for fixed and mobile broadband services, and for other purposes.
H.R. 4239 To amend the Animal Health Protection Act with respect to the importation of live dogs, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4828 To secure the international borders of the United States, and for other purposes.
H.R. 6858 * To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 7266 To amend the Federal Insecticide, Fungicide, and Rodenticide Act to prohibit the local regulation of pesticide use, and for other purposes.
H.R. 8069 * To reduce farm input costs and barriers to domestic production, and for other purposes.
H.R. 9088 * To prohibit the Secretary of the Interior and the Secretary of Agriculture from prohibiting the use of lead ammunition or tackle on certain Federal land or water under the jurisdiction of the Secretary of the Interior and the Secretary of Agriculture, and for other purposes.

WOMACK, Steve of Arkansas

H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.

WOMACK, Steve of Arkansas

H.R. 3570 * To amend the Personal Responsibility and Work Opportunity Act of 1996 to clarify that citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau who are lawfully residing in the United States are eligible for certain Federal public benefits.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4341 * To provide support with respect to the prevention of, treatment for, and recovery from, substance use disorder.
H.R. 4680 * To form the Federal sugar program, and for other purposes.
H.R. 5490 * To amend the Defense Production Act of 1950 to prevent harm and disruption to the United States agriculture industry by protecting against foreign influence over agriculture production and supply chains, and for other purposes.
H.R. 6858 To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas, and for other purposes.
H.R. 8069 To reduce farm input costs and barriers to domestic production, and for other purposes.

WRIGHT, Ron of Texas

H.R. 218 To prohibit the Secretary of the Interior and the Secretary of Agriculture from issuing moratoriums on issuing new oil and gas leases and drill permits on certain Federal lands.
H.R. 488 To prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land, and for other purposes.

YARMUTH, John A. of Kentucky

H. Res. 332 Recognizing the duty of the Federal Government to create a Green New Deal.
H. Res. 1151 * Providing for budget allocations, and for other purposes.
H.R. 794 * To require the President to declare a national climate emergency under the National Emergencies Act, and for other purposes.
H.R. 869 To authorize appropriations to offset costs resulting from reductions in research productivity in connection with the Coronavirus Disease 2019 (COVID–19), and for other purposes.
H.R. 959 To end preventable maternal mortality and severe maternal morbidity in the United States and close disparities in maternal health outcomes, and for other purposes.
H.R. 1319 To provide for reconciliation pursuant to title II of S. Con. Res. 5.
H.R. 1352 * To establish a trust fund to provide for adequate funding for water and sewer infrastructure, and for other purposes.
H.R. 1442 * To amend the Animal Welfare Act to require that covered persons develop and implement emergency contingency plans.
H.R. 1783 To make high-speed broadband internet service accessible and affordable to all Americans, and for other purposes.
H.R. 2840 To amend the Animal Welfare Act to provide for the humane treatment of dogs, and for other purposes.
H.R. 3277 * To amend the Animal Welfare Act to increase protections for animals, and for other purposes.
H.R. 4252 * To provide additional funding for scholarships for students at 1890 institutions.
H.R. 5244 To amend the Animal Welfare Act to allow for the adoption or non-laboratory placement of certain animals used in Federal research, and for other purposes.
H.R. 5999 To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.

YOUNG, Don of Alaska

H. Res. 542 * Expressing support for the designation of July 2021 as "American Grown Flower and Foliage Month".
H.R. 543 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 633 * To authorize States to select and acquire certain National Forest System lands to be managed and operated by the State for timber production and for other purposes under the laws of the State, and for other purposes.
H.R. 806 To establish a Clean Energy and Sustainability Accelerator, and for other purposes.
H.R. 859 * To prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land, and for other purposes.
H.R. 1617 * To establish a White House Rural Council, and for other purposes.
H.R. 2099 To extend the Secure Rural Schools and Community Self-Determination Act of 2000.
H.R. 2244 To provide for the adjustment or modification by the Secretary of Agriculture of loans for critical rural utility service providers, and for other purposes.
H.R. 2477 * To provide support for urban forests, and for other purposes.
H.R. 2639 * To establish forest conservation practices through management, reforestation, and utilization which lead to the sequestration of greenhouse gases, and for other purposes.
H.R. 3206 * To amend the Federal Lands Recreation Enhancement Act to provide for a lifetime National Recreational Pass for law enforcement officers.
H.R. 3527 * To promote innovative approaches to outdoor recreation on Federal land and to increase opportunities for collaboration with non-Federal partners, and for other purposes.
H.R. 4300 * To direct the Secretary of the Interior to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.
H.R. 4375 * To provide funding to rehabilitate, retrofit, and remove the Nation's dams to improve the health of the Nation's rivers, improve public safety, and increase clean energy production, and for other purposes.
H.R. 4614 * To expedite under the National Environmental Policy Act of 1969 and improve forest management activities on National Forest System lands, on public lands under the jurisdiction of the Bureau of Land Management, and on Tribal lands to return resilience to overgrown, fire-prone forested lands, and for other purposes.
H.R. 4842 * To require the Secretary of Agriculture, acting through the Chief of the Forest Service, and the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to take actions to mitigate tree spiking devices on certain Federal land, and for other purposes.
H.R. 5977 * To amend the controlled substances Act regarding marihuana, and for other purposes.
H.R. 6000 To continue the acceleration of the discovery, development, and delivery of 21st century cures, and for other purposes.
H.R. 6435 To provide for the application of certain provisions of the Secure Rural Schools and Community Self-Determination Act of 2000 for fiscal year 2021.
H.R. 6637 To amend the Immigration and Nationality Act to make mandatory and permanent requirements relating to use of an electronic employment eligibility verification system, and for other purposes.
H.R. 6936 * To provide for the issuance of a semipostal to benefit programs that combat invasive species.

PRINTED HEARINGS

(By Serial Number)

For purchase from the Superintendent of Documents, Congressional Sales Office, U.S. Government Publishing Office, Washington, D.C. so long as they remain available.

117–1 CLIMATE CHANGE AND THE U.S. AGRICULTURE AND FORESTRY SECTORS
117–2 A LOOK AT FOOD INSECURITY IN AMERICA
117–3 A HEARING TO REVIEW THE STATE OF BLACK FARMERS IN THE U.S.
117–4 RURAL BROADBAND—EXAMINING INTERNET CONNECTIVITY NEEDS AND OPPORTUNITIES IN RURAL AMERICA
117–5 TITLE II CONSERVATION PROGRAMS: EXPLORING CLIMATE SMART PRACTICES
117–6 MEMBER DAY
117–7 THE FUTURE OF SNAP: MOVING PAST THE PANDEMIC
117–8 EXAMINING OPPORTUNITIES FOR GROWTH AND INVESTMENT IN RURAL AMERICA
117–9 1890 LAND-GRANT INSTITUTIONS: INVESTING FOR AGRICULTURAL RESILIENCY, EQUITY, AND GLOBAL IMPACT
117–10 A HEARING TO REVIEW THE EFFICACY OF THE FARM SAFETY NET
117–11 SUPPLY CHAIN RECOVERY AND RESILIENCY: SMALL PRODUCERS AND LOCAL AGRICULTURAL MARKETS
117–12 EXAMINING THE SNAP BENEFIT CLIFF
117–13 THE U.S. WOOD PRODUCTS INDUSTRY: FACILITATING THE POST COVID–19 RECOVERY
117–14 STATE OF THE BEEF SUPPLY CHAIN: SHOCKS, RECOVERY, AND REBUILDING
117–15 21ST CENTURY FOOD SYSTEMS: CONTROLLED ENVIRONMENT AGRICULTURE'S ROLE IN PROTECTING DOMESTIC FOOD SUPPLY CHAINS AND INFRASTRUCTURE
117–16 VOLUNTARY CARBON MARKETS IN AGRICULTURE AND FORESTRY
117–17 THE 2021 WILDLAND FIRE YEAR: RESPONDING TO AND MITIGATING THREATS TO COMMUNITIES
117–18 A HEARING TO REVIEW THE STATE OF THE LIVESTOCK INDUSTRY
117–19 AGRICULTURAL BIOTECHNOLOGY: 21ST CENTURY ADVANCEMENTS AND APPLICATIONS
117–20 THE IMMEDIATE CHALLENGES TO OUR NATION'S FOOD SUPPLY CHAIN
117–21 HUNGER AMONG VETERANS AND SERVICEMEMBERS: UNDERSTANDING THE PROBLEM AND EVALUATING SOLUTIONS
117–22 A LOOK AT THE RENEWABLE ECONOMY IN RURAL AMERICA
117–23 TRADE POLICY AND PRIORITIES
117–24 REVIEW OF USDA NUTRITION DISTRIBUTION PROGRAMS
117–25 IMPLICATIONS OF ELECTRIC VEHICLE INVESTMENTS FOR AGRICULTURE AND RURAL AMERICA
117–26 TO REVIEW THE STATE OF THE RURAL ECONOMY WITH AGRICULTURE SECRETARY TOM VILSACK
117–27 A 2022 REVIEW OF FARM BILL: CONSERVATION PROGRAMS
117–27 A 2022 REVIEW OF THE FARM BILL: COMMODITY GROUP PERSPECTIVES ON TITLE I
117–27 A 2022 REVIEW OF THE FARM BILL: RURAL DEVELOPMENT
117–27 A 2022 REVIEW OF THE FARM BILL: THE ROLE OF USDA PROGRAMS IN ADDRESSING CLIMATE CHANGE
117–27 A 2022 REVIEW OF THE FARM BILL: HORTICULTURE AND URBAN AGRICULTURE
117–27 A 2022 REVIEW OF THE FARM BILL: ENERGY—RENEWABLE ENERGY OPPORTUNITIES IN RURAL AMERICA
117–27 A 2022 REVIEW OF THE FARM BILL: INTERNATIONAL TRADE AND FOOD ASSISTANCE PROGRAMS
117–27 A 2022 REVIEW OF THE FARM BILL: THE SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM
117–27 A 2022 REVIEW OF THE FARM BILL: STAKEHOLDER PERSPECTIVES ON SNAP
117–27 A 2022 REVIEW OF THE FARM BILL: ECONOMIC PERSPECTIVES ON TITLE I COMMODITIES AND TITLE XI CROP INSURANCE
117–27 A 2022 REVIEW OF THE FARM BILL: STAKEHOLDER PERSPECTIVES ON NON-SNAP USDA NUTRITION PROGRAMS
117–27 A 2022 REVIEW OF THE FARM BILL: DAIRY PROVISIONS
117–27 A 2022 REVIEW OF THE FARM BILL: FORESTRY
117–27 A 2022 REVIEW OF THE FARM BILL: THE STATE OF CREDIT FOR YOUNG, BEGINNING, AND UNDERSERVED PRODUCERS
117–27 A 2022 REVIEW OF THE FARM BILL: STAKEHOLDER PERSPECTIVES ON TITLE XI CROP INSURANCE
117–27 A 2022 REVIEW OF THE FARM BILL: BROADBAND
117–27 A 2022 REVIEW OF THE FARM BILL: STAKEHOLDER PERSPECTIVES ON TITLE II CONSERVATION PROGRAMS
117–27 A 2022 REVIEW OF THE FARM BILL: TITLE XII—DEPARTMENT OPERATIONS AND OUTREACH
117–28 SUSTAINABILITY IN THE LIVESTOCK SECTOR: ENVIRONMENTAL GAIN AND ECONOMIC VIABILITY
117–29 A HEARING TO REVIEW FARM POLICY WITH UNDER SECRETARY ROBERT BONNIE
117–30 REVIEW OF THE OFFICE OF THE INSPECTOR GENERAL REPORT ON *USDA OVERSIGHT OF CIVIL RIGHTS COMPLAINTS*
117–31 STATE OF THE CFTC
117–32 AN EXAMINATION OF PRICE DISCREPANCIES, TRANSPARENCY, AND ALLEGED UNFAIR PRACTICES IN CATTLE MARKETS
117–33 CHANGING MARKET ROLES: THE FTX PROPOSAL AND TRENDS IN NEW CLEARINGHOUSE MODELS

117–34 SUPPORTING CAREERS IN CONSERVATION: WORKFORCE TRAINING, EDUCATION, AND JOB OPPORTUNITIES
117–35 THE ROLE OF CLIMATE RESEARCH IN SUPPORTING AGRICULTURAL RESILIENCY
117–36 THE FUTURE OF DIGITAL ASSET REGULATION
117–37 AN EXAMINATION OF THE USDA HEMP PRODUCTION PROGRAM
117–38 SOIL HEALTH PRACTICES AND PROGRAMS THAT SUPPORT REGENERATIVE AGRICULTURE

CHRONOLOGICAL LIST OF MEETINGS

FULL COMMITTEE

First Session

DATE	SUBJECT
February 10, 2021	Business Meeting: Markup of organizational matters of the Committee on Agriculture for the 117th Congress and to consider a proposal to satisfy the Committee's reconciliation instructions as required by S. Con. Res. 5.
February 25, 2021	Hearing: Climate Change and the U.S. Agriculture and Forestry Sectors, Serial No. 117–1.
March 11, 2021	Hearing: A Look at Food Insecurity in America. Serial No. 117–2.
March 25, 2021	Hearing: A Hearing to Review the State of Black Farmers in the U.S. Serial No. 117–3.
April 20, 2021	Business Meeting: Business Meeting on the Budget Views and Estimates Letter for Fiscal Year 2022.
April 20, 2021	Hearing: Rural Broadband—Examining Internet Connectivity Needs and Opportunities in Rural America. Serial No. 117–4.
May 18, 2021	Hearing: Member Day. Serial No. 117–6.
June 16, 2021	Business Meeting: To consider a committee print to provide for the availability of amounts for customer education initiatives and non-awards expenses of the Commodity Futures Trading Commission Whistleblower Program, and for other purposes.
June 16, 2021	Hearing: 1890 Land-Grant Institutions: Investing for Agricultural Resiliency, Equity, and Global Impact. Serial No. 117–9.
July 14, 2021	Business Meeting: To consider H.R. 4374, the Broadband Internet Connections for Rural America Act.
July 27, 2021	Business Meeting: To consider H.R. 267, 2020 WHIP+ Reauthorization Act.
July 29, 2021	Hearing: 21st Century Food Systems: Controlled Environment Agriculture's Role in Protecting Domestic Food Supply Chains and Infrastructure. Serial No. 117–15.
September 10, 2021	Business Meeting: To consider a proposal to satisfy the Committee's reconciliation instructions required by S. Con. Res. 14—Part 1.
September 13, 2021	Business Meeting: To consider a proposal to satisfy the Committee's reconciliation instructions required by S. Con. Res. 14—Part 2.
September 21, 2021	Business Meeting: Markup of H. Res. 271, Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month, and H.R. 2424, the Agricultural Fairs Rescue Act.
September 23, 2021	Hearing: Voluntary Carbon Markets in Agriculture and Forestry. Serial No. 117–16.
October 7, 2021	Hearing: A Hearing to Review the State of the Livestock Industry. Serial No. 117–18.
October 21, 2021	Business Meeting: Markup of H.R. 4252, to provide additional funding for scholarships for students at 1890's institutions; H.R. 5608, the Chronic Wasting Disease Research and Management Act; H.R. 4489, the National Forest Restoration and Remediation Act; H.R. 5609, the Cattle Contract Library Act of 2021; and H.R. 5589, the Pyrolysis Innovation Grants Act.
November 3, 2021	Hearing: The Immediate Challenges to our Nation's Food Supply Chain. Serial No. 117–20.

Second Session

DATE	SUBJECT
January 12, 2022	Hearing: Implications of Electric Vehicle Investments for Agriculture and Rural America. Serial No. 117–25.
January 20, 2022	Hearing: To Review the State of the Rural Economy with Agriculture Secretary Tom Vilsack. Serial No. 117–26.

Chronological List of Meetings

March 1, 2022	Hearing: A 2022 Review of the Farm Bill: Commodity Group Perspectives on Title I. Serial No. 117–27.
March 16, 2022	Hearing: A 2022 Review of the Farm Bill: The Role of USDA Programs in Addressing Climate Change. Serial No. 117–27.
March 31, 2022	Hearing: State of the CFTC. Serial No. 117–31.
April 5, 2022	Hearing: A 2022 Review of the Farm Bill: Energy—Renewable Energy Opportunities in Rural America. Serial No. 117–27.
April 27, 2022	Hearing: An Examination of Price Discrepancies, Transparency, and Alleged Unfair Practices in Cattle Markets. Serial No. 117–32.
April 28, 2022	Hearing: A 2022 Review of the Farm Bill: The Supplemental Nutrition Assistance Program. Serial No. 117–27.
May 12, 2022	Hearing: Changing Market Roles: The FTX Proposal and Trends in New Clearinghouse Models. Serial No. 117–33.
May 17–18, 2022	Business Meeting: Markup of the Budget Views and Estimates Letter of the Committee on Agriculture for the agencies and programs under the jurisdiction of the Committee for Fiscal Year 2023; H.R. 7764, A bill to direct the Secretary of Agriculture to provide additional payments under the environmental quality incentives program for implementation of a nutrient management practice, and for other purposes.; H.R. 2518, "Producing Responsible Energy and Conservation Incentives and Solutions for the Environment Act or the PRECISE Act"; H.R. 2606, "Sponsoring USDA Sustainability Targets in Agriculture to Incentivize Natural Solutions Act of 2021, or the 'SUSTAINS' Act"; H.R. 4140, "Butcher Block Act"; H.R. 7675, To amend the Department of Agriculture Reorganization Act of 1994 to establish an Agricultural and Food System Supply Chain Resilience and Crisis Response Task Force, and for other purposes.; H.R. 7606, "Meat and Poultry Special Investigator Act of 2022"; H.R. 7763, To direct the Secretary of Agriculture to support and incentivize domestic activities to address fertilizer shortages and deficiencies, diversity fertilizer sources, and reduce depending on foreign sources for fertilizer, and other purposes; H.R. 7765, "American Food Supply Chain Resiliency Act of 2022"
June 14, 2022	Hearing: A 2022 Review of the Farm Bill: Stakeholder Perspectives on Non-SNAP USDA Nutrition Programs. Serial No. 117–27.
June 15, 2022	Hearing: The Role of Climate Research in Supporting Agricultural Resiliency. Serial No. 117–35.
June 22, 2022	Hearing: A 2022 Review of the Farm Bill: Dairy Provisions. Serial No. 117–27.
July 14, 2022	Hearing: A 2022 Review of the Farm Bill: The State of Credit for Young, Beginning, and Underserved Producers. Serial No. 117–27.
September 14, 2022	Hearing: Soil Health Practices and Programs that Support Regenerative Agriculture. Serial No. 38.
September 15, 2022	Hearing: A 2022 Review of the Farm Bill: Broadband. Serial No. 117–27.

SUBCOMMITTEE ON BIOTECHNOLOGY, HORTICULTURE, AND RESEARCH

First Session

DATE	SUBJECT
June 30, 2021	Hearing: Supply Chain Recovery and Resiliency: Small Producers and Local Agricultural Markets. Serial No. 117–11.
October 26, 2021	Joint Hearing: Agricultural Biotechnology: 21st Century Advancements and Applications. (with Subcommittee on Livestock and Foreign Agriculture) Serial No. 117–19.

Second Session

DATE	SUBJECT
March 29, 2022	Hearing: A 2022 Review of the Farm Bill: Horticulture and Urban Agriculture. Serial No. 117–27.
July 28, 2022	Hearing: An Examination of the USDA Hemp Production Program. Serian No. 117–37.

SUBCOMMITTEE ON COMMODITY EXCHANGES, ENERGY, AND CREDIT

First Session

DATE	SUBJECT
June 15, 2021	Hearing: Examining Opportunities for Growth and Investment in Rural America. Serial No. 117–8.
November 16, 2021	Hearing: A Look at the Renewable Economy in Rural America. Serial No. 117–22.

Second Session

DATE	SUBJECT
March 8, 2022	Hearing: A 2022 Review of the Farm Bill: Rural Development. Serial No. 117–27.
June 23, 2022	Hearing: The Future of Digital Asset Regulation. Serial No. 117–36.

SUBCOMMITTEE ON CONSERVATION and FORESTRY

First Session

DATE	SUBJECT
May 12, 2021	Hearing: Title II Conservation Programs: Exploring Climate Smart Practices. Serial No. 116–5.
July 21, 2021	Hearing: The U.S. Wood Products Industry: Facilitating the Post COVID—19 Recovery. Serial No. 117–13.
September 29, 2021	Hearing: The 2021 Wildland Fire Year: Responding to and Mitigating Threats to Communities. Serial No. 117–17.

Second Session

DATE	SUBJECT
February 2, 2022	Hearing: A 2022 Review of Farm Bill Conservation Programs. Serial No. 117–27.
May 25, 2022	Hearing: Supporting Careers in Conservation: Workforce Training, Education, and Job Opportunities. Serial No. 117–34.
July 13, 2022	Hearing: A 2022 Review of the Farm Bill: Forestry. Serial No. 117–27.
September 20, 2022	Hearing: A 2022 Review of the Farm Bill: Stakeholder Perspectives on Title II Conservation Programs. Serial No. 117–27.

SUBCOMMITTEE ON GENERAL FARM COMMODITIES AND RISK MANAGEMENT

First Session

DATE	SUBJECT
June 23, 2021	Hearing: A Hearing to Review the Efficacy of the Farm Safety Net. Serial No. 117–10.

Second Session

DATE	SUBJECT
February 8, 2022	Hearing: A Hearing to Review Farm Policy with Under Secretary Robert Bonnie. Serial No. 117–29.
June 9, 2022	Hearing: A 2022 Review of the Farm Bill: Economic Perspectives on Title I Commodities and Title XI Crop Insurance. Serial No. 117–27.
July 20, 2022	Hearing: A 2022 Review of the Farm Bill: Stakeholder Perspectives on Title XI Crop Insurance. Serial No. 117–27.

SUBCOMMITTEE ON LIVESTOCK AND FOREIGN AGRICULTURE

First Session

DATE	SUBJECT
July 28, 2021	Hearing: State of the Beef Supply Chain: Shocks, Recovery, and Rebuilding. Serial No. 117–14.
October 26, 2021	Joint Hearing: Agricultural Biotechnology: 21st Century Advancements and Applications. (with Subcommittee on Biotechnology, Horticulture, and Research) Serial No. 117–19.
November 17, 2021	Hearing: Trade Policy and Priorities, Serial No. 117–23.

Second Session

DATE	SUBJECT
February 3, 2022	Hearing: Sustainability in the Livestock Sector: Environmental Gain and Economic Viability. Serial No. 117–28.
April 6, 2022	Hearing: A 2022 Review of the Farm Bill: International Trade and Food Assistance Programs. Serial No. 117–27.

SUBCOMMITTEE ON NUTRITION, OVERSIGHT, AND DEPARTMENT OPERATIONS

First Session

DATE	SUBJECT
May 26, 2021	Hearing: The Future of SNAP: Moving Past the Pandemic. Serial No. 117–7.
July 12, 2021	Hearing: Examining the SNAP Benefit Cliff. Serial No. 117–12.
November 10, 2021	Hearing: Hunger Among Veterans and Servicemembers: Understanding the Problem and Evaluating Solutions. Serial No. 117–21.
December 8, 2021	Hearing: Review of USDA Nutrition Distribution Programs. Serial No. 117–24.

Second Session

DATE	SUBJECT
February 15, 2022	Hearing: Review of the Office of the Inspector General Report on *USDA Oversight of Civil Rights Complaints.* Serial No. 117–30.
June 8, 2022	Hearing: A 2022 Review of the Farm Bill: Stakeholder Perspectives on SNAP. Serial No. 117–27.
September 29, 2022	Hearing: A 2022 Review of the Farm Bill: Title XII—Department Operations and Outreach. Serial No. 117–27

COMMITTEE PRINTS

Committee on Agriculture Rules. Print No. 117–1.

COMMITTEE ACTIVITIES REPORT

Report on Activities During the 117th Congress, Committee on Agriculture. January 3, 2021 to January 3, 2023. H. Rept. 117–707.

February 10, 2021—Full Committee. Open business meeting. Organizational meeting for the 117th Congress and to consider a proposal to satisfy the Committee's reconciliation instructions as required by S. Con. Res. 5. Approval by voice vote of the Committee Rules and oversight plan.

June 16, 2021—Full Committee. Open business meeting. To consider a committee print to provide for the availability of amounts for customer education initiatives and non-awards expenses of the Commodity Futures Trading Commission Whistleblower Program, and for other purposes.

July 14, 2021—Full Committee. Open business meeting. To consider H.R. 4374, The Broadband Internet Connections for Rural America Act. Approval by voice vote as amended.

July 27, 2021— Full Committee. Open business meeting. To consider H.R. 267, 2020 WHIP+ Reauthorization Act. Approval by voice vote as amended.

September 10, 13, 2021—Full Committee. Open business Meeting: To consider a proposal to satisfy the Committee's reconciliation instructions required by S. Con. Res. 14. Approval by roll call vote as amended.

September 20, 2021—Full Committee. Open business meeting. To consider H. Res. 271, Recognizing the importance of the blueberry industry to the United States and supporting the designation of July 2021 as National Blueberry Month, and H.R. 2424, the Agricultural Fairs Rescue Act.

October 21, 2021—Full Committee. Open business meeting. PRESIDENTIAL PROCLAMATIONS, MESSAGES AND HOUSE DOCUMENTS OF INTERESTS

EXECUTIVE COMMUNICATIONS *

Also includes Reports from the Comptroller General

Executive Communications transmitting reports are also listed in Special Reports Index

Executive Communications are received pursuant to 5 U.S.C. 801(a)(1)(A); Pub. L. 104–121, § 251; (110 Stat. 868), unless otherwise noted.

*** Note:** In August 2013 the Parliamentarian's office altered its procedures concerning the referral of Executive Communications. In prior Congresses the Communications concerning pesticide tolerances submitted from the Environmental Protection Agency were referred to the Committee on Agriculture; however, beginning in August 2013 this type of Communication was referred to the Committee on Energy and Commerce. The Parliamentarian's office was notified of this discrepancy on November 24, 2014. There has been no response as of the printing of this report. The following is a list of the Executive Communication's numbers along with the date of publication in the *Congressional Record* are for Communications concerning an exemption from the requirement of a tolerance, which were historically referred to the Committee on Agriculture):

March 17, 2021: EC–622, EC–623, EC–627. **March 18, 2021:** EC–649, EC–656, EC–657. **March 23, 2021:** EC–672, EC–675, EC–676, EC–677, EC–689, EC–693, EC–699. **April 20, 2021:** EC–877, EC–878, EC–879. **April 21, 2021:** EC–906. **April 26, 2021:** EC–949. **May 7, 2021:** EC–1035. **May 11, 2021:** EC–1076. **June 17, 2021:** EC–1404. **June 25, 2021:** EC–1495. **June 29, 2021:** EC–1499. **July 26, 2021:** EC–1698. **August 13, 2021:** EC–1928, EC–1929. **August 31, 2021:** EC–2073, EC–2074. **September 22, 2021:** EC–2195. **September 23, 2021:** EC–2209. **September 27, 2021:** EC–2233, EC–2235, EC–2238. **September 30, 2021:** EC–2286. **October 12, 2021:** EC–2394, EC–2397. **October 22, 2021:** EC–2498. **October 26, 2021:** EC–2526. **December 2, 2021:** EC–2802. **December 7, 2021:** EC–2854. **December 16, 2021:** EC–2982. **December 20, 2021:** EC–3002. **December 30, 2021:** EC–3031, EC–3033, EC–3035. **January 20, 2022:** EC–3228. **January 28, 2022:** EC–3281, EC–3284. **February 2, 2022:** EC–3342, EC–3345, EC–3353. **February 9, 2022:** EC–3404. **February 18, 2022:** EC–3437. **March 2, 2022:** EC–3540. **March 15, 2022:** EC–3613, EC–3620. **March 24, 2022:** EC–3681, EC–3684. **April 25, 2022:** EC–3774. **May 19, 2022:** EC–4241, EC–4246. **June 7, 2022:** EC–4297. **June 16, 2022:** EC–4377, EC–4379. **June 28, 2022:** EC–4441, EC–4442. **July 1, 2022:** EC–4474, EC–4481. **July 14, 2022:** EC–4656. **July 26, 2022:** EC–4869, EC–4876, EC–4877. **August 5, 2022:** EC–5011. **September 20, 2022:** EC–5266. **October 7, 2022:** EC–5437, EC–5438. **October 25, 2022:** EC–5570, EC–5572. **November 10, 2022:** EC–5819. **December 1, 2022:** EC–6052, EC–6053. **December 20, 2022:** EC–6144. **December 30, 2022:** EC–6243.

EC–183 **Feb. 8, 2021**

Letter from the Deputy Administrator for Policy Support, Department of Agriculture, transmitting the Department's final rule—Employment and Training Opportunities in the Supplemental Nutrition Assistance Program [FNS–2019–0008 RIN: 0584–AE68] received February 2, 2021.

EC–318 **Feb. 22, 2021**

Letter from the Secretary, Commodity Futures Trading Commission, transmitting the Commission's final rule—Exemptions From Swap Trade Execution Requirement (RIN: 3038–AE25) received February 2, 2021.

EC–319 **Feb. 22, 2021**

Letter from the Congressional Review Coordinator, Animal and Plant Health Inspection Service, Department of Agriculture, transmitting the Department's final rule—Amendments to the Pale Cyst Nematode Regulations [Doc. No.: APHIS–2018–0041] (RIN: 0579–AE48) received February 2, 2021.

EC–359 **Feb. 23, 2021**

Letter from the Congressional Review Coordinator, Animal and Plant Health Inspection Service, Department of Agriculture, transmitting the Department's final rule—Amendments to the Pale Cyst Nematode Regulations [Doc. No.: APHIS–2018–0041] (RIN: 0579–AE48) received February 2, 2021.

EC–360 **Feb. 23, 2021**

Letter from the Congressional Review Coordinator, Animal and Plant Health Inspection Service, Department of Agriculture, transmitting the Department's final rule—Amendments to the Pale Cyst Nematode Regulations [Doc. No.: APHIS–2018–0041] (RIN: 0579–AE48) received February 2, 2021.

EC–361 **Feb. 23, 2021**

Letter from the Congressional Review Coordinator, Animal and Plant Health Inspection Service, Department of Agriculture, transmitting the Department's final rule—Amendments to the Pale Cyst Nematode Regulations [Doc. No.: APHIS–2018–0041] (RIN: 0579–AE48) received February 2, 2021.

EC–612 **Mar. 17, 2021**

Letter from the Deputy Secretary, Division of Clearing and Risk, Commodity Futures Trading Commission, transmitting the Commission's final rule—Exemption from Derivatives Clearing Organization Registration (RIN: 3038–AE65) received February 24, 2021.

EC–613 **Mar. 17, 2021**

Letter from the Deputy Secretary, Division of Clearing and Risk, Commodity Futures Trading Commission, transmitting the Commission's joint final rule—Customer Margin Rules Relating to Security Futures [Release No.: 34–90244; File No.: S7–09–19] (RIN: 3235–AM55) received February 25, 2021.

EC–614 **Mar. 17, 2021**

Letter from the Deputy Secretary, Division of Swap Dealer and Intermediary Oversight, Commodity Futures Trading Commission, transmitting the Commission's final rule—Compliance Requirements for Commodity Pool Operators on Form CPO–PQR (RIN: 3038–AE98) received February 24, 2021.

EC–615 **Mar. 17, 2021**

Letter from the Deputy Secretary, Market Participants Division, Commodity Futures Trading Commission, transmitting the Commission's interim final rule—Portfolio Reconciliation Requirements for Swap Dealers and Major Swap Participants—Revision of "Material Terms" Definition (RIN: 3038–AF08) received February 24, 2021.

EC–783 **Apr. 14, 2021**

Letter from the Deputy Secretary, Commodity Futures Trading Commission, transmitting the Commission's final rule—Exemption from Registration for Certain Foreign Intermediaries (RIN: 3038–AE46) received March 17, 2021.

EC–784 **Apr. 14, 2021**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Department of Agriculture, transmitting the Department's Major final rule—Rural eConnectivity Program [RUS–20–Telecom–0023] (RIN: 0572–AC51) received March 16, 2021.

EC–804 **Apr. 15, 2021**

Letter from the Director, Regulations Management Division, Innovation Center, Rural Development-Rural Utilities Service, Department of Agriculture, transmitting the Department's final rule—Revolving Fund Program—Water and Environmental Provisions of the Agricultural Improvement Act of 2018 [Doc. No.: RUS–20–WATER–0033] (RIN: 0572–AC52) received March 26, 2021.

EC–805 **Apr. 15, 2021**

Letter from the Administrator, Agricultural Marketing Service, Specialty Crops Program, Department of Agriculture, transmitting the Department's final rule—Establishment of a Domestic Hemp Production Program [Doc. No.: AMS–SC–19–0042; SC19–990–2 FR] received February 23, 2021.

EC–1027 **May 7, 2021**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Rural Development, Department of Agriculture, transmitting the Department's final rule—Rural Energy for America Program [Doc. No.: RBS–20–BUSINESS–0027] (RIN: 0570–AA98) received April 28, 2021.

EC–1220 **May 19, 2021**

Letter from the Acting General Counsel, Farm Credit Administration, transmitting the Administration's proposed rule—Collateral Evaluation Requirements (RIN: 3052–AC94) received May 12, 2021.

EC–1308 **May 25, 2021**

Letter from the Director, Regulations Management Division, Rules Development Innovation Center, Department of Agriculture, transmitting the Department's final rule—Rural Microentrepreneur Assistance Program [Doc. No.: RBS–20–BUSINESS–0044] (RIN: 0570–AB02) received May 19, 2021.

EC–1393 **Jun. 17, 2021**

Letter from the General Counsel, Farm Credit Administration, transmitting the Administration's direct final rule—Federal Agricultural Mortgage Corporation Disclosure and Reporting (RIN: 3052–AD47) received June 14, 2021.

EC–1482 **Jun. 25, 2021**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Department of Agriculture, transmitting the Department's final rule—Rural Innovation Stronger Economy (RISE) Grant Program [Doc. No.: RBS–21–BUSINESS–0007] (RIN: 0570–AB06) received June 23, 2021.

EC–1638 **Jul. 20, 2021**

Letter from the Deputy Administrator for Policy Support, Food and Nutrition Service, Department of Agriculture, transmitting the Department's final rule—Supplemental Nutrition Assistance Program: Rescission of Requirements for Able-Bodied Adults Without Dependents: Notice of Vacatur [NS–2021–0012] (RIN: 0584–AE87) received July 13, 2021.

EC–1663 **Jul. 22, 2021**

Letter from the Director, Regulations and Management Division, Rural Utilities Service, Department of Agriculture, transmitting the Department's final rule—Streamlining Electric Program Procedures [RUS–21–ELECTRIC–0003] (RIN: 0572–AC53) received July 16, 2021.

EC–1805 **Jul. 30, 2021**

Letter from the Director, Regulations Development Staff, Food Safety and Inspection Service, Department of Agriculture, transmitting the Department's final rule—Inspection of Yak and Other *Bovidae, Cervidae*, and *Camelidae* Species [Doc. No.: FSIS–2019–0028] (RIN: 0583–AD73) received July 20, 2021.

EC–1806 **Jul. 30, 2021**

Letter from the Director, Regulations Development Staff, Food Safety and Inspection Service, Department of Agriculture, transmitting the Department's final rule—Elimination of the Requirement To Defibrinate Livestock Blood Saved as an Edible Product [Doc. No.: FSIS–2020–0005] (RIN: 0583–AD81) received July 20, 2021.

EC–1850 **Aug. 3, 2021**

Letter from the Board Chairman and Chief Executive Officer, Farm Credit Administration, transmitting the Administration's Fiscal Year 2022 Proposed Budget and Performance Plan, pursuant to 31 U.S.C. 1115(b); Public Law 111–352, Sec. 3; (124 Stat. 3867).

Letter from the Chief of Planning and Regulatory Affairs Office, Food and Nutrition Service, Department of Agriculture, transmitting the Department's final rule—Supplemental Nutrition Assistance Program: Civil Rights Update to the Federal-State Agreement [FNS–2016–0078] (RIN: 0584–AE56) received June 24, 2022.

EC–5112 **Aug. 26, 2022**

Letter from the Director, Regulations Management Division, Rural Development, Department of Agriculture, transmitting the Department's Major rule—Rural eConnectivity Program [Doc. No.: RUS–22–Telecom–0010] received August 16, 2022.

EC–5230 **Sep. 19, 2022**

Letter from the Associate Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Pesticides; Certification of Pesticide Applicators; Further Extension to Expiration Date of Certification Plans [EPA–HQ–OPP–2021–0831; FRL–9134.1–04–OCSPP] (RIN: 2070-AL01) received August 17, 2022.

EC–5303 **Sep. 26, 2022**

Letter from the Acting Director, Regulations Development Staff, Food Safety and Inspection Service, Department of Agriculture, transmitting the Department's final rule—Rescission of Dual Labeling Requirements for Certain Packages of Meat and Poultry [Doc. No.: FSIS–2018–0012] (RIN: 0583–AD71) received September 9, 2022.

EC–5304 **Sep. 26, 2022**

Letter from the Acting Director, Regulations and Development Staff, Food Safety and Inspection Service, Department of Agriculture, transmitting the Department's final rule—Changes to Accreditation of Non-Federal Analytical Testing Laboratories [Doc. No.: FSIS–2021–0013] (RIN: 0583–AD70) received September 9, 2022.

EC–5390 **Oct. 4, 2022**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Department of Agriculture, transmitting the Department's funding opportunity announcement—Notice of Funding Opportunity for the Higher Blends Infrastructure Incentive Program (HBIIP) for Fiscal Year 2022 [Doc. No.: RBS–22–BUSINESS–0006] received September 9, 2022.

EC–5421 **Oct. 7, 2022**

Letter from the Secretary of the Commission, Division of Clearing and Risk, Commodity Futures Trading Commission, transmitting the Commission's final rule—Clearing Requirement Determination Under Section 2(h) of the Commodity Exchange Act for Interest Rate Swaps to Account for the Transition from LIBOR and Other IBORs to Alternative Reference Rates (RIN: 3038–AF18) received September 9, 2022.

EC–5514 **Oct. 18, 2022**

Letter from the Chief, Planning and Regulatory Affairs Office, Food and Nutrition Service, Department of Agriculture, transmitting the Department's Major interim final rule—Supplemental Nutrition Assistance Program: Requirement for Interstate Data Matching To Prevent Duplicate Issuances [FNS–2019–0055] (RIN: 0584–AE75] received October 14, 2022.

EC–5515 **Oct. 18, 2022**

Letter from the Chief Innovation Officer, Rural Development Innovation Center, Rural Development—Rural Utilities Service, Department of Agriculture, transmitting the Departments Major notice—Rural eConnectivity Program, Correction [Doc. No.: RUS–22–Telecom–0010] received October 14, 2022.

EC–5682 **Nov. 2, 2022**

Letter from the Chairman and Chief Executive Officer, Farm Credit Administration, transmitting the Administration's notification of its 2022 compensation program adjustments, pursuant to 12 U.S.C. 1833b(a); Public Law 101–73, Sec. 1206(a); (103 Stat. 523).

EC–5683 **Nov. 2, 2022**

Letter from the Board Chairman and Chief Executive Officer, Farm Credit Administration, transmitting the 2021 Annual Report of the Farm Credit Administration.

EC–5898 **Nov. 16, 2022**

Letter from the Associate Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Pesticides; Addition of Chitosan (Including Chitosan Salts) to the List of Active Ingredients Permitted in Exempted Minimum Risk Pesticide Products [EPA–HQ–OPP–2019–0701; FRL–7542–05–OCSPP] (RIN: 2070–AK56) received November 3, 2022.

EC–5936 **Nov. 22, 2022**

Letter from the Administrator, National Organic Program, Agricultural Marketing Service, Department of Agriculture, transmitting the Department's final rule—Amendments to the National List of Allowed and Prohibited Substances per October 2020 and April 2021 NOSB Recommendations (Handling, Crops) [Doc. No.: AMS–NOP–21–0060] (RIN: 0581–AE11) received November 18, 2022.

EC–5937 **Nov. 22, 2022**

Letter from the Administrator, Cotton and Tobacco—Research and Promotion, Agricultural Marketing Service, Department of Agriculture, transmitting the Department's direct final rule—Cotton Board Rules and Regulations: Adjusting Supplemental Assessment on Imports (2022 Amendments) [Doc. No.: AMS–CN–22–0003] received November 16, 2022.

EC–5938 **Nov. 22, 2022**

Letter from the Administrator, Livestock and Poultry Program, Agricultural Marketing Service, Department of Agriculture, transmitting the Department's final rule—Pork Promotion, Research, and Consumer Information Order—Decrease in Assessment Rate and Importer Assessments [Doc. No.: AMS–LP–22–0032] received November 16, 2022.

EC–6119 **Dec. 12, 2022**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Rural Utilities Service, Department of Agriculture, transmitting the Department's final rule—Rural Broadband Loans, Loan/Grant Combinations, and Loan Guarantees [Doc. No.: RUS–19–Telecom–0003] (RIN: 0572–AC46) received December 5, 2022.

EC–6156 **Dec. 21, 2022**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Rural Utilities Service, Department of Agriculture, transmitting the Department's final rule—Implementing Provisions of the Agriculture Improvement Act of 2018 [Doc. No.: RUS–21–ELECTRIC–0016] (RIN: 0572–AC49) received December 12, 2022.

EC–6157 **Dec. 21, 2022**

Letter from the Associate Administrator, Livestock and Poultry, Department of Agriculture, transmitting the Department's final rule—Cattle Contracts Library Pilot Program [Doc. No.: AMS–LP–22–0065] (RIN: 0581–AE22) received December 12, 2022.

EC–6188 **Dec. 23, 2022**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Department of Agriculture, transmitting the Department's Major final rule—Implementing Provisions of the Agriculture Improvement Act of 2018 [Doc. No.: RUS–21–ELECTRIC–0016] (RIN: 0572–AC49) received December 20, 2022.

EC–6209 **Dec. 30, 2022**

Letter from the Chairman, Farm Credit System Insurance Corporation, transmitting the Corporation's annual report for calendar year 2021.

EC–6230 **Dec. 30, 2022**

Letter from the Director, Regulations Management Division, Rural Development Innovation Center, Rural Utilities Service, Department of Agriculture, transmitting the Department's final rule—Electronic Program Streamlining and Improvement [Doc. No.: RUS–22–ELECTRIC–0031] (RIN: 0572–AC57) received December 20, 2022.

MEMORIALS

ML–8 **Apr. 16, 2021**

Memorial of the Legislature of the State of Maine, relative to Resolution S.P. 312, memorializing the United States Department of Agriculture, Food and Nutrition Service to include certain nonfood essentials in the Supplemental Nutrition Assistance Program.

ML–41 **Jun. 24, 2021**

Memorial of the House of Representatives of the State of Arizona, relative to House Concurrent Memorial 2001, urging the Congress of the United States to appropriate monies to eradicate Salt Cedars from Arizona's waterway.

ML–45 **Jun. 30, 2021**

Memorial of the House of Representatives of the State of Louisiana, relative to House Concurrent Resolution No. 24, memorializing the United States Congress and the Louisiana congressional delegation to take such actions as are necessary to fully fund the Livestock Indemnity Program in response to the negative impact created by losses to the Louisiana livestock industry as a result of Hurricane Laura and Hurricane Delta.

ML–72 **Aug. 6, 2021**

Memorial of the House of Representatives of the State of Illinois, relative to House Resolution No. 5, urging the U.S. Congress to expand the Public Service Loan Forgiveness Program so that it includes farming as an applicable career for loan forgiveness.

ML–75 **Aug. 6, 2021**

Memorial of the Senate of the State of New Jersey, relative to Senate Resolution No. 102, urging the United States Fish and Wildlife Service to list the monarch butterfly as a threatened species under the federal Endangered Species Act.

ML–103 **Sep. 27, 2021**

Memorial of the Legislature of the State of Oregon, relative to Senate Joint Memorial 3, urging the President and Congress of the United States to provide and fund an expedient and efficient system to fully reimburse state and local government property owners and private property owners for damage to real property that results from the spreading of wildfires originating on federal lands.

ML–116 **Sep. 29, 2021**

Memorial of the Legislature of the State of Arkansas, relative to House Concurrent Resolution 1019, to encourage the United States Congress to review issues related to dairy products and make changes to improve federal milk marketing orders in order to better support dairy farmers.

ML–151 **Mar. 31, 2022**

Memorial of the House of Representatives of Arkansas, relative to House Concurrent Resolution No. 1001, expressing support of requests for federal grant funding for companies creating innovative technologies that benefit Arkansas' agricultural value chain through mitigating bio-security risks

ML–211 **Jul. 22, 2022**

Memorial of the House of Representatives of the State of Michigan, relative to House Resolution No. 205, urging the U.S. Congress, federal agencies, and state departments to address the ongoing fertilizer price increases and shortages that are impacting Michigan farmers.

ML–221 **Jul. 29, 2022**

Memorial of the General Assembly of the State of New Jersey, relative to Assembly Resolution No. 141, urging the Congress to reconcile United States Innovation and Competition Act and American COMPETES Act to expedite funding for semiconductor production and innovation; jointly to the Committees on Intelligence (Permanent Select), Agriculture, and Energy and Commerce.

ML-234 **Sep. 14, 2022**

Memorial of the Senate of the State of Michigan, relative to Senate Resolution No. 150, opposing the designation of additional wilderness areas in Michigan's Upper Peninsula; jointly to the Committees on Natural Resources and Agriculture.

PETITIONS

PT–58 **Sep. 23, 2021**

Petition of the California Olive Committee, Clovis, California, relative to the 2019–2020 California Olive Committee Annual Report.

PT–66 **Sep. 28, 2021**

Petition from Illinois State Senator Cristina H. Pacione-Zayas, relative to bringing attention to Illinois Senate Resolution 168 which encourages Congress to expand the Public Service Loan Forgiveness Program to include farming as an applicable career for loan forgiveness.

PT–148 **Sep. 21, 2022**

Petition from the New York City Council, relative to Resolution No. 92, calling on the United States Congress to pass and President Joseph Biden to sign the Black Maternal Health Momnibus Act of 2021; jointly to the Committees on Energy and Commerce, Financial Services, Transportation and Infrastructure, Education and Labor, the Judiciary, Natural Resources, Agriculture, and Veterans' Affairs.
