FOREWORD

This report is a compilation of information on the laws regarding veterans' benefits of the several States and the District of Columbia. It brings up to date and supplements the 1971 compilation of "State Veterans' Laws," published by the Committee on Veterans' Affairs as House Committee Print No. 160, 92d Congress, second session.

This report contains an analysis of existing State legislation affecting veterans' benefits and includes enactments of the 1972 session of the various State legislatures. Section B lists those States which have authorized the payment of a bonus to veterans of World War II, the Korean conflict, or the Vietnam era. Section C shows amounts spent for veterans' benefits in calendar year 1971.

The committee expresses its appreciation to the Office of the General Counsel and the chief attorneys of the Veterans' Administration for once again updating this important document.

OLIN E. TEAGUE,
Chairman, Committee on Veterans' Affairs.

FOREWORD

This report is a compilation of information on the laws regarding veterans' benefits and the Department of the Interior. It is based on the data and information the 1971 compilation of "State Veterans' Laws" published by the Committee on Veterans' Affairs as House Document 93-100, 93rd Congress, second session. This report contains an analysis of existing legislation affecting veterans' benefits and includes comments of the 1972 session of the House and the Senate. It lists those States which have enacted laws in the area of veterans' benefits since World War II, the House and Senate, and the House and Senate. It also contains a list of laws enacted in the calendar year 1971. The committee wishes to express its appreciation to the Office of the General Counsel and the Chief Counsel of the Veterans' Administration for their assistance in the preparation of this report.

Chairman, Committee on Veterans' Affairs,
Olin E. TEAGUE

Bonus—Con.	Existing law requires bonuses in the amounts of \$1,000 to be paid to the surviving parents, or parent, of each serviceman who died as a result of Vietnam service, as prescribed therein, provided said serviceman had no surviving children under the age of 18 years, or surviving unmarried widow. New law retains the above and defines "parent" to include a legitimate parent, natural parent, adoptive parent, step parent, foster parent, or any other person who stood in the relationship of parent to such serviceman. Provides if there are survivors in 2 or more of such classes or more than 1 set of parents in any 1 class, then the officer charged with payment of such bonuses is authorized to investigate the circumstances of parental control and responsibility and pay the bonus in the manner in which he feels best serves the intent of the provision. Also provides that such payment constitutes a full release of the State's obligation and that no further claim by any person against the State or the Department of Veterans' Affairs shall be valid. Employment preferences, privileges, etc.—Con.	Authorizes credit in the Morgan City police pension and relief fund for service in the military of the United States since World War II. Employer and employee contributions at the current rate plus 2 percent compound interest must be paid into the fund based on compensation at time of entry into service or, if not then employed in police department, on compensation would have received as beginner if employed in year entered service. Contribution to be paid in a lump sum any time before retirement. Authorizes up to 4-years military service credit for any member of the State employees' retirement system with 4 years of creditable service, provided application and proof of dates of military service is filed with the retirement system. Requires payment into the system of an amount equal to the current employee contributions and the member's agency or department shall pay an amount equal to the current employer contributions based on the member's current salary plus 2 percent compound interest per year from date of military service until paid. No member shall receive more than 5 years of total military service credit under this or other acts. Prior law authorized employees of the police departments of municipalities with populations between 7,500 and 250,000 to receive service credit in the police pension and relief fund for not to exceed 3 years of wartime military service whether rendered prior to or after employment in the police department, with the exception of the employees in certain named cities who are entitled to such service credit only if rendered after the commencement of employment. New law retains the above but, insofar as the city of Lafayette is concerned, deletes the requirement that such military service be during wartime. Prior law grants free tuition fees at any State college or university to children of World War I, World War II, and Korean war veterans who died in service.
