MEMORANDUM

MAY 14, 1973.

To: Hon. Thomas E. Morgan, *Chairman, Committee on Foreign Affairs*
From: John J. Brady, Jr., *Staff Consultant*

The accompanying table shows the fiscal year 1974 international security and related assistance programs. This table has been prepared from information contained in the fiscal year 1974 congressional presentation documents.

For the first time, training is listed as a separate item. It should also be noted that reconstruction assistance has been included in a new part V to the Foreign Assistance Act. It is added to this table because the program objectives are similar to those of other supporting assistance programs.
