PREFACE

The figures in this document have been provided by the Office of Revenue Sharing at the request of the Government Operations Committee to indicate the annual allocation of funds to State and local governments under the bill, H.R. 13367, the Fiscal Assistance Amendments of 1976, as reported by the committee. The figures herein show a distribution of $6.65 billion per year, the amount of the entitlement provided in the committee bill. The data elements used in arriving at this distribution are the most recent available and do not necessarily indicate the exact amount of funds the State or local governments would receive at the time H.R. 13367 would become effective.
