SUBCHAPTER II—POPULATION, HOUSING, AGRICULTURE, IRRIGATION, DRAINAGE, AND UNEMPLOYMENT

§ 141. Population and other census information

(a) The Secretary shall, in the year 1980 and every 10 years thereafter, take a decennial census of population as of the first day of April of such year, which date shall be known as the "decennial census date", in such form and content as he may determine, including the use of sampling procedures and special surveys. In connection with any such census, the Secretary is authorized to obtain such other census information as necessary.

(b) The tabulation of total population by States under subsection (a) of this section as required for the apportionment of Representatives in Congress among the several States shall be completed within 9 months after the census date and reported by the Secretary to the President of the United States.

(c) The officers or public bodies having initial responsibility for the legislative apportionment or districting of each State may, not later than 3 years before the decennial census date, submit to the Secretary a plan identifying the geographic areas for which specific tabulations of population are desired. Each such plan shall be developed in accordance with criteria established by the Secretary, which he shall furnish to such officers or public bodies not later than April 1 of the fourth year preceding the decennial census date. Such criteria shall include requirements which assure that such plan shall be developed in a nonpartisan manner. Should the Secretary find that a plan submitted by such officers or public bodies does not meet the criteria established by him, he shall consult to the extent necessary with such officers or public bodies in order to achieve the alterations in such plan that he deems necessary to bring it into accord with such criteria. Any issues with respect to such plan remaining unresolved after such consultation shall be resolved by the Secretary, and in all cases he shall have final authority for determining the geographic format of such plan. Tabulations of population for the areas identified in any plan approved by the Secretary shall be completed by him as expeditiously as possible after the decennial census date and reported to the Governor of the State involved and to the officers or public bodies having responsibility for legislative apportionment or districting of such State, except that such tabulations of population of each State requesting a tabulation plan, and basic tabulations of population of each other State, shall, in any event, be completed, reported, and transmitted to each respective State within one year after the decennial census date.

(d) Without regard to subsections (a), (b), and (c) of this section, the Secretary, in the year 1985 and every 10 years thereafter, shall conduct a mid-decade census of population in such form and content as he may determine, including the use of sampling procedures and

special surveys, taking into account the extent to which information to be obtained from such census will serve in lieu of information collected annually or less frequently in surveys or other statistical studies. The census shall be taken as of the first day of April of each such year, which date shall be known as the "mid-decade census date".

(e) (1) If—

(A) in the administration of any program established by or under Federal law which provides benefits to State or local governments or to other recipients, eligibility for or the amount of such benefits would (without regard to this paragraph) be determined by taking into account data obtained in the most recent decennial census, and

(B) comparable data is obtained in a mid-decade census conducted after such decennial census,

then in the determination of such eligibility or amount of benefits the most recent data available from either the mid-decade or decennial census shall be used.

(2) Information obtained in any mid-decade census shall not be used for apportionment of Representatives in Congress among the several States, nor shall such information be used in prescribing congressional districts.

(f) With respect to each decennial and mid-decade census conducted under subsection (a) or (d) of this section, the Secretary shall submit to the committees of Congress having legislative jurisdiction over the census—

(1) not later than 3 years before the appropriate census date, a report containing the Secretary's determination of the subjects proposed to be included, and the types of information to be compiled, in such census;

(2) not later than 2 years before the appropriate census date, a report containing the Secretary's determination of the questions proposed to be included in such census; and

(3) after submission of a report under paragraph (1) or (2) of this subsection and before the appropriate census date, if the Secretary finds new circumstances exist which necessitate that the subjects, types of information, or questions contained in reports so submitted be modified, a report containing the Secretary's determination of the subjects, types of information, or questions as proposed to be modified.

(g) As used in this section, "census of population" means a census of population, housing, and matters relating to population and housing. (Aug. 31, 1954, ch. 1158, 68 Stat. 1019, amended Aug. 28, 1957, Pub. L. 85-207, § 9, 71 Stat. 483; Dec. 23, 1975, Pub. L. 94-171, § 1, 89 Stat. 1023; Oct. 17, 1976, Pub. L. 94-521, § 7, 90 Stat. 2461-62.)

NOTE.—(a) Pub. L. 94-311 requires the Department of Commerce, in cooperation with appropriate Federal, State and local agencies and various population study groups and experts, to undertake a study to determine what steps would be necessary for developing creditable estimates of undercounts of Americans of Spanish origin or descent in future censuses.

(b) Pub. L. 94-311 also requires that the Secretary of Commerce ensure that, in the Bureau of the Census data-collection activities, the needs and concerns of the Spanish-origin population are given full recognition through the use of Spanish language questionnaires, bilingual enumerators, and other such methods as deemed appropriate by the Secretary.

§ 142. Agriculture, irrigation, and drainage

(a) The Secretary shall in 1979, in 1983, and in every fifth year beginning after 1983, take a census of agriculture.

(b) In conjunction with the census to be taken under subsection (a) of this section in 1979, in 1988, and every tenth year beginning after 1988, the Secretary shall take a census of irrigation and drainage.

(c) The data collected in each of the censuses taken under this section shall relate to the year immediately preceding the year in which such census is taken. (Aug. 31, 1954, ch. 1158, 68 Stat. 1020, amended Aug. 28, 1957, Pub. L. 85-207, § 10, 71 Stat. 483; Mar. 15, 1976, Pub. L. 94-229, § 1, 90 Stat. 210.)

NOTE.—The statistical classification of farms in effect on January 1, 1975, with respect to censuses taken under section 142 of title 13, United States Code, shall be effective through June 30, 1976, and any statistical report issued on or before June 30, 1976, with respect to any such census shall reflect such classification, but may also include additional classifications as deemed appropriate by the Secretary.

§ 302. Rules, regulations, and orders

The Secretary may make such rules, regulations, and orders as he deems necessary or appropriate to carry out the provisions of this chapter. Any rules, regulations, or orders issued pursuant to this authority may be established in such form or manner, may contain such classifications or differentiations, and may provide for such adjustments and reasonable exceptions as in the judgment of the Secretary are necessary or proper to effectuate the purpose of this chapter, or to prevent circumvention or evasion of any rule, regulation, or order issued hereunder. The Secretary may also provide by rule or regulation, for such confidentiality, publication, or disclosure, of information collected hereunder as he may deem necessary or appropriate in the public interest. Rules, regulations, and orders, or amendments thereto shall have the concurrence of the Secretary of the Treasury prior to promulgation. (Added Pub. L. 87-826, § 2, Oct. 15, 1962, 76 Stat. 951.)

§ 303. Secretary of Treasury functions

(Added Pub. L. 87-826, § 2, Oct. 15, 1962, 76 Stat. 951.)

§ 304. Filing export information, delayed filings, penalties for failure to file

(a) The information or reports in connection with the exportation or transportation of cargo required to be filed by carriers with the Secretary of the Treasury under any rule, regulation, or order issued pursuant to this chapter may be filed after the departure of such carrier from the port or place of exportation or transportation, whether such departing carrier is destined directly to a foreign port

or place or to a noncontiguous area, or proceeds by way of other ports or places of the United States, provided that a bond in an approved form in the penal sum of \$1,000 is filed with the Secretary of the Treasury. The Secretary of Commerce may, by a rule, regulation, or order issued in conformity herewith, prescribe a maximum period after such departure during which the required information or reports may be filed. In the event any such information or report is not filed within such prescribed period, a penalty not to exceed \$100 for each day's delinquency beyond the prescribed period, but not more than \$1,000, shall be exacted. Civil suit may be instituted in the name of the United States against the principal and surety for the recovery of any penalties that may accrue and be exacted in accordance with the terms of the bond.

(b) The Secretary may remit or mitigate any penalty incurred for violations of this section and regulations issued pursuant thereto if, in his opinion, they were incurred without willful negligence or fraud, or other circumstances justify a remission or mitigation. (Added Pub. L. 87-826, § 2, Oct. 15, 1962, 76 Stat. 952.)

§ 305. Violations, penalties

Any person, including the owners or operators of carriers, violating the provisions of this chapter, or any rule, regulation, or order issued thereunder, except as provided in section 304 above, shall be liable to a penalty not to exceed \$1,000 in addition to any other penalty imposed by law.
