more effectively. The Treaty should be an effective tool to assist in the prosecution of a wide variety of crimes, including drug trafficking offenses. The Treaty is self-executing.

The Treaty provides for a broad range of cooperation in criminal matters. Mutual assistance for all purposes under the Treaty includes: taking of testimony or statements of persons; providing documents, records, and articles of evidence; serving documents; locating or identifying persons; transferring persons for custody for testimony or other purposes; executing requests for searches and seizures; assisting in proceedings related to immobilization and forfeiture of assets; restitution; collection of fines; and any other form of assistance not prohibited by the laws of the Requested State.

I recommend that the Senate give early and favorable consideration to the Treaty and related exchange of notes, and give its advice and consent to ratification.

WILLIAM J. CLINTON.

NATIONAL TARTAN DAY

There being no objection, the Senate proceeded to consider the resolution.

Mr. LOTT. Mr. President, I want to express my appreciation to Chairman Hatch and members of the Judiciary Committee for expediting this legislation, because the time was running out and we wanted to get this in effect before this April 6 date. On behalf of all of us of Scottish descent, we appreciate this recognition of Tartan Day.

The PRESIDING OFFICER. Without objection, the resolution is agreed to.

The resolution (S. Res. 155) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, is as follows:

WHEREAS April 6 has a special significance for all Americans, and especially those Americans of Scottish descent, because the Declaration of Arbroath, the Scottish Declaration of Independence, was signed on April 6, 1320 and the American Declaration of Independence was modeled on that inspirational document.

Whereas this resolution honors the major role that Scottish Americans played in the founding of this Nation, such as the fact that almost all of the signers of the Declaration of Independence were of Scottish descent, the Governors in 9 of the original 13 States were of Scottish ancestry, Scottish Americans successfully helped shape this country in its formative years and guide this Nation through its most troubled times;

Whereas this resolution recognizes the monumental achievements and invaluable contributions made by Scottish Americans that have led to America’s preeminence in the fields of science, technology, medicine, government, politics, economics, architecture, literature, media, and visual and performing arts;

Whereas this resolution commends the more than 200 organizations throughout the United States that honor Scottish heritage, tradition, and culture, representing the hundreds of thousands of Americans of Scottish descent, residing in every State, who already have made the observance of Tartan Day on April 6 a success; and

Whereas these numerous individuals, clans, societies, clubs, and fraternal organizations do not let the great contributions of the Scottish people go unnoticed: Now, therefore, be it

Resolved, That the Senate designates April 6 of each year as “National Tartan Day”.
