SENSE OF HOUSE THAT PRESIDENT AND ADMINISTRATION FOCUS APPROPRIATE ATTENTION ON ISSUE OF NEIGHBORHOOD CRIME

Mr. SCARBOURGH. Mr. Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of the resolution (H. Res. 561) expressing the sense of the House of Representatives that the President and focus appropriate attention on the issue of neighborhood crime prevention, community policing and reduction of school crime by delivering speeches, convening meetings, and directing his Administration to make reducing crime an important priority.

As a former police officer who used to direct his Administration to make reducing crime an important priority, I ask for its immediate consideration in the House.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

Mr. STUPAK. Mr. Speaker, reserving the right to object, but I shall not object, as I have introduced this resolution to emphasize the importance of crime prevention at the local level and to recognize the efforts of National Night Out.

I am pleased to say that this bipartisan resolution has more than 75 co-sponsors. I would like to specifically thank the chairman and ranking member of the Committee on the Judiciary and the chairman and ranking member of the Subcommittee on Crime for their help in bringing this bill to the floor, and the gentleman from Minnesota, Mr. RAMSTAD, the cochair of the Law Enforcement Caucus, who has worked tirelessly with me on these important law enforcement issues.

My resolution calls upon the President to focus on neighborhood crime prevention programs, community policing, and reducing school crime. It also highlights National Night Out, which is coming up on August 1, as a successful national program, which exemplifies the goals of crime reduction through neighborhood and community efforts.

National Night Out is a nationwide event which combines a nationally coordinated crime prevention campaign with local communities and law enforcement organizations to take a stand against crime.

This year's National Night Out is the 10th annual event in the campaign by the National Association of Town Watch to fight crime. National Night Out has grown in 5 years, and now includes citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from 9,500 communities from all 50 states, the District of Columbia, U.S. territories, and international citizens.

In 1999, 32.5 million people participated in National Night Out. Those 32 million people joined together and sent a message, loud and clear, that they do not want crime in their neighborhoods and streets and that they want to keep working together until our communities are safe.

I firmly believe that a focus on neighborhood and community crime prevention is essential. It is for this reason that I have long supported the COPS Program in the Department of Justice, and I am a strong supporter of National Night Out.

Each of us will be returning next week to our districts for the August recess. I hope that each of us will take the opportunity to participate in National Night Out events in our communities, and show the strength of our national commitment to stop crime and keep our communities safe.

I also take this opportunity to urge President Clinton to continue to focus national attention on reducing crime and to continue his efforts to promote neighborhood crime prevention and community policing. It is true that crime has been going down under his watch, but we can and must do more.

National Night Out community events need not only happen once a year. I would like to see a time come when our communities get together with the same spirit and zeal as our four pread, youth events and cookouts, not because they are fighting crime, but because their communities are safe enough, close enough, and involved enough that their cooperation and unity is an everyday occurrence. That is the America of the past, and it can be the America of the future.

Mr. Speaker, I urge unanimous consent of this House resolution.

Mr. Speaker, I withdraw my reservation of the right.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

The Clerk read the resolution, as follows:

H. Res. 561

Whereas neighborhood crime is of continuing concern to the American people; whereas the fight against neighborhood crime requires people to work together in cooperation with law enforcement officials; whereas neighborhood crime watch organizations are effective in raising awareness about, and the participation of volunteers in, crime prevention activities at the local level; whereas neighborhood crime watch groups can contribute to the Nation's war on drugs by helping to prevent their communities from becoming market or drug distribution centers; whereas crime and violence in schools is of continuing concern to the American people due to the recent high-profile incidents that have resulted in fatalities at several schools across the United States; whereas community-based programs involving law enforcement, school administration, teachers, parents, and local communities work effectively to reduce school violence and crime; whereas citizens across America will soon take part in a "National Night Out", a unique crime prevention event which will demonstrate the importance and effectiveness of community participation in crime prevention efforts by having people spend the period from 7 to 10 o'clock P.M. on August 1, 2000, with their neighbors in their homes with their lights on; whereas schools that turn their lights on from 7 to 10 o'clock P.M. on August 1, 2000, would send a positive message to the participants of "National Night Out" and would show their commitment to reduce crime and violence in schools; now, therefore, be it

Resolved, That it is the sense of the House of Representatives that the President should focus appropriate attention on the issue of neighborhood crime prevention, community policing, and reduction of school crime by delivering speeches, convening meetings, and directing his Administration to make reducing crime an important priority.

The SPEAKER pro tempore. Without objection, the resolution was agreed to.

A motion to reconsider was laid on the table.

RELIGIOUS LAND USE AND INSTITUTIONALIZED PERSONS ACT OF 2000

Mr. CANADY of Florida. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the Senate bill (S. 2869) to protect religious liberty, and for other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the Senate bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

Mr. NADLER. Mr. Speaker, I reserve the right to object, and I will not object, but I ask the gentleman from Florida (Mr. CANADY) to explain the bill.

Mr. CANADY of Florida. Mr. Speaker, will the gentleman yield?

Mr. NADLER. I yield.

Mr. CANADY of Florida. Mr. Speaker, I thank the gentleman from New York for yielding.

The Religious Land Use and Institutionalized Persons Act is a bill designed to protect the free exercise of religion from unnecessary governmental interference. The legislation
I want to join the gentleman from Florida (Mr. CANADY) in thanking Senators KENNEDY and HATCH for their work. I want to thank the gentleman from Florida (Mr. CANADY) for his valuable work and leadership in bringing this bill to the floor, and I want to thank the staff of the Committee on the Judiciary. I want to thank the gentleman from Texas, (Mr. EDWARDS), who joins me as the lead Democratic sponsor of the bill and has been a staunch supporter of religious liberty.

I particularly want to thank a member of the committee staff on the minority side, David Lachmann, who worked on this issue when he was on my staff, when he was on Congressman Solarz' staff before I was here, and since he has been on the committee staff, and without whose efforts we probably would not be here today.

So I am very glad this is here today. I am glad one of the last things we do before our recess is to reaffirm the commitment of the Congress to religious liberty and send this on to the President. Again, I thank the gentleman.

Mr. Speaker, I certainly am very happy to withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection?

The Clerk read the Senate bill, as follows:

(g) LIMITATION.—If the only jurisdictional basis for a provision of this Act is a claim that a substantial burden by a government on religious exercise affects, or that removal of that substantial burden would affect, commerce with foreign nations, among the several States, or with Indian tribes, the provision shall not apply if the government demonstrates that all substantial burdens on, or the removal of all substantial burdens from, similar religious exercise throughout the Nation would not lead in the aggregate to a substantial effect on commerce with foreign nations, among the several States, or with Indian tribes.
