### TEXT OF AMENDMENTS

SA 383. Mr. WARNER (for himself, Ms. COLLINS, and Mr. ALLEN) proposed an amendment to amendment SA 358 proposed by Mr. JEFFORDS to the bill (S. 1) to extend programs and activities under the Elementary and Secondary Education Act of 1965; as follows:

At the appropriate place, insert the following:

#### SEC. . SENSE OF THE SENATE REGARDING TAX RELIEF FOR ELEMENTARY AND SECONDARY EDUCATORS.

(a) **FINDINGS.**—The Senate finds the following:

(1) The average salary for an elementary and secondary school teacher in the United States with a Master's degree and 16 years of experience is approximately \$40,582.

(2) The average starting salary for teachers in the United States is \$26,000.

(3) Our educators make many personal and financial sacrifices to educate our youth.

(4) Teachers spend on average \$408 a year, out of their own money, to bring educational supplies into their classrooms.

(5) Educators spend significant money out of their own pocket every year on professional development expenses so they can better educate our youth.

(6) Many educators accrue significant higher education student loans that must be repaid and whereas these loans are accrued by educators in order for them to obtain degrees necessary to become qualified to serve in our nation's schools.

(7) As a result of these numerous out of pocket expenses that our teachers spend every year, and other factors, 6% of the nation's teaching force leaves the profession every year, and 20% of all new hires leave the teaching profession within three years.

(8) This country is in the midst of a teacher shortage, with estimates that 2.4 million new teachers will be needed by 2009 because of teacher attrition, teacher retirement, and increased student enrollment.

(9) The federal government can and should play a role to help alleviate the nation's teaching shortage.

(10) The current tax code provides little recognition of the fact that our educators spend significant money out of their own pocket to better the education of our children.

(11) President Bush has recognized the importance of providing teachers with additional tax relief, in recognition of the many financial sacrifices our teachers make.

(b) **SENSE OF THE SENATE.**—It is the sense of the Senate that Congress and the President should—

(1) should pass legislation providing elementary and secondary level educators with additional tax relief in recognition of the many out of pocket unreimbursed expenses educators incur to improve the education of our Nation's students.

SA 384. Mr. MCCONNELL (for himself, Mr. MILLER, Mr. SESSIONS, and Mr. INHOFE) proposed an amendment to amendment SA 358 proposed by Mr. JEFFORDS to the bill (S. 1) to extend programs and activities under the Elementary and Secondary Education Act of 1965; as follows:

At the end, add the following:

#### TITLE \_\_\_\_—TEACHER PROTECTION

##### SEC. \_\_\_\_ 1. TEACHER PROTECTION.

The Act (20 U.S.C. 6301 et seq.) is amended by adding at the end the following:

#### "TITLE \_\_\_\_—TEACHER PROTECTION

##### "SEC. \_\_\_\_ 1. SHORT TITLE.

"This title may be cited as the 'Paul D. Coverdell Teacher Protection Act of 2001'.

##### "SEC. \_\_\_\_ 2. FINDINGS AND PURPOSE.

"(a) **FINDINGS.**—Congress makes the following findings:

"(1) The ability of teachers, principals and other school professionals to teach, inspire and shape the intellect of our Nation's elementary and secondary school students is deterred and hindered by frivolous lawsuits and litigation.

"(2) Each year more and more teachers, principals and other school professionals face lawsuits for actions undertaken as part of their duties to provide millions of school children quality educational opportunities.

“(3) Too many teachers, principals and other school professionals face increasingly severe and random acts of violence in the classroom and in schools.

“(4) Providing teachers, principals and other school professionals a safe and secure environment is an important part of the effort to improve and expand educational opportunities, which are critical for the continued economic development of the United States.

“(5) Frivolous lawsuits against teachers maintaining order in the classroom impose significant financial burdens on local educational agencies, and deprive the agencies of funds that would best be used for educating students.

“(6) Clarifying and limiting the liability of teachers, principals and other school professionals who undertake reasonable actions to maintain order, discipline and an appropriate educational environment is an appropriate subject of Federal legislation because—

“(A) the scope of the problems created by the legitimate fears of teachers, principals and other school professionals about frivolous, arbitrary or capricious lawsuits against teachers is of national importance; and

“(B) millions of children and their families across the Nation depend on teachers, principals and other school professionals for the intellectual development of children.

“(b) PURPOSE.—The purpose of this title is to provide teachers, principals and other school professionals the tools they need to undertake reasonable actions to maintain order, discipline, and an appropriate educational environment.

**“SEC. 3. PREEMPTION AND ELECTION OF STATE NONAPPLICABILITY.**

“(a) PREEMPTION.—This title preempts the laws of any State to the extent that such laws are inconsistent with this title, except that this title shall not preempt any State law that provides additional protection from liability relating to teachers.

“(b) ELECTION OF STATE REGARDING NON-APPLICABILITY.—This title shall not apply to any civil action in a State court against a teacher with respect to claims arising within that State if such State enacts a statute in accordance with State requirements for enacting legislation—

“(1) citing the authority of this subsection;

“(2) declaring the election of such State that this title shall not apply, as of a date certain, to such civil action in the State; and

“(3) containing no other provisions.

**“SEC. 4. LIMITATION ON LIABILITY FOR TEACHERS.**

“(a) LIABILITY PROTECTION FOR TEACHERS.—Except as provided in subsections (b) and (c), no teacher in a school shall be liable for harm caused by an act or omission of the teacher on behalf of the school if—

“(1) the teacher was acting within the scope of the teacher’s employment or responsibilities related to providing educational services;

“(2) the actions of the teacher were carried out in conformity with local, State, and Federal laws, rules and regulations in furtherance of efforts to control, discipline, expel, or suspend a student or maintain order or control in the classroom or school;

“(3) if appropriate or required, the teacher was properly licensed, certified, or authorized by the appropriate authorities for the activities or practice in the State in which the harm occurred, where the activities were or practice was undertaken within the scope of the teacher’s responsibilities;

“(4) the harm was not caused by willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed by the teacher; and

“(5) the harm was not caused by the teacher operating a motor vehicle, vessel, aircraft, or other vehicle for which the State requires the operator or the owner of the vehicle, craft, or vessel to—

“(A) possess an operator’s license; or

“(B) maintain insurance.

“(b) CONCERNING RESPONSIBILITY OF TEACHERS TO SCHOOLS AND GOVERNMENTAL ENTITIES.—Nothing in this section shall be construed to affect any civil action brought by any school or any governmental entity against any teacher of such school.

“(c) EXCEPTIONS TO TEACHER LIABILITY PROTECTION.—If the laws of a State limit teacher liability subject to one or more of the following conditions, such conditions shall not be construed as inconsistent with this section:

“(1) A State law that requires a school or governmental entity to adhere to risk management procedures, including mandatory training of teachers.

“(2) A State law that makes the school or governmental entity liable for the acts or omissions of its teachers to the same extent as an employer is liable for the acts or omissions of its employees.

“(3) A State law that makes a limitation of liability inapplicable if the civil action was brought by an officer of a State or local government pursuant to State or local law.

“(d) LIMITATION ON PUNITIVE DAMAGES BASED ON THE ACTIONS OF TEACHERS.—

“(1) GENERAL RULE.—Punitive damages may not be awarded against a teacher in an action brought for harm based on the action or omission of a teacher acting within the scope of the teacher’s responsibilities to a school or governmental entity unless the claimant establishes by clear and convincing evidence that the harm was proximately caused by an action or omission of such teacher which constitutes willful or criminal misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed.

“(2) CONSTRUCTION.—Paragraph (1) does not create a cause of action for punitive damages and does not preempt or supersede any Federal or State law to the extent that such law would further limit the award of punitive damages.

“(e) EXCEPTIONS TO LIMITATIONS ON LIABILITY.—

“(1) IN GENERAL.—The limitations on the liability of a teacher under this title shall not apply to any misconduct that—

“(A) constitutes a crime of violence (as that term is defined in section 16 of title 18, United States Code) or act of international terrorism (as that term is defined in section 2331 of title 18, United States Code) for which the defendant has been convicted in any court;

“(B) involves a sexual offense, as defined by applicable State law, for which the defendant has been convicted in any court;

“(C) involves misconduct for which the defendant has been found to have violated a Federal or State civil rights law; or

“(D) where the defendant was under the influence (as determined pursuant to applicable State law) of intoxicating alcohol or any drug at the time of the misconduct.

“(2) HIRING.—The limitations on the liability of a teacher under this title shall not apply to misconduct during background investigations, or during other actions, involved in the hiring of a teacher.

**“SEC. 5. LIABILITY FOR NONECONOMIC LOSS.**

“(a) GENERAL RULE.—In any civil action against a teacher, based on an action or omission of a teacher acting within the scope of the teacher’s responsibilities to a school or governmental entity, the liability of the teacher for noneconomic loss shall be determined in accordance with subsection (b).

“(b) AMOUNT OF LIABILITY.—

“(1) IN GENERAL.—Each defendant who is a teacher, shall be liable only for the amount of noneconomic loss allocated to that defendant in direct proportion to the percentage of responsibility of that defendant (determined in accordance with paragraph (2)) for the harm to the claimant with respect to which that defendant is liable. The court shall render a separate judgment against each defendant in an amount determined pursuant to the preceding sentence.

“(2) PERCENTAGE OF RESPONSIBILITY.—For purposes of determining the amount of noneconomic loss allocated to a defendant who is a teacher under this section, the trier of fact shall determine the percentage of responsibility of each person responsible for the claimant’s harm, whether or not such person is a party to the action.

“(c) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to preempt or supersede any Federal or State law that further limits the application of joint liability in a civil action described in subsection (a), beyond the limitations established in this section.

**“SEC. 6. DEFINITIONS.**

“For purposes of this title:

“(1) ECONOMIC LOSS.—The term ‘economic loss’ means any pecuniary loss resulting from harm (including the loss of earnings or other benefits related to employment, medical expense loss, replacement services loss, loss due to death, burial costs, and loss of business or employment opportunities) to the extent recovery for such loss is allowed under applicable State law.

“(b) APPLICATION.—This title applies to any claim for harm caused by an act or omission of a teacher if that claim is filed on or after the effective date of the Paul D. “(f) SUPPLEMENT NOT SUPPLANT.—Each such agency shall use funds under this section only to supplement, and not supplant, State and local funds that, in the absence of such funds, would otherwise be spent for activities under this section.
