**HON. CAROLYN MCCARTHY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 25, 2003*

Mrs. MCCARTHY of New York. Mr. Speaker, I rise before you today to express my deep appreciation and recognition of Mr. Rao S. Anumolu of Hauppauge, NY for his tireless efforts in support of our nations defense. As President and CEO of ASR International Corporation, Mr. Anumolu has assisted the Department of Defense in its fight to protect our homeland since the attack on our country on September 11th and particularly during the Iraqi war. Since its conception in 1986, ASR International has developed cost effective technology and systems to protect our nations airports, waterways, railroads and highways. Most recently, ASR International has developed the "SAFETY/SECURITY ASSURANCE SYSTEM" in order to further support our efforts at Homeland Security in a comprehensive and cost effective manner.

In addition to Mr. Anumolu's arduous work with ASR International, he has made quite a name for himself outside their doors. Earning a MS in Industrial Engineering and a MBA in Management, Mr. Anumolu furthered his education in the field of Defense by enrolling in numerous courses at Defense Systems Management College as well as Harvard University and other esteemed institutions. With this stellar academic background, Mr. Anumolu entered the work force, holding such prestigious positions as Senior Engineer, Program Manager and Director of Prime Defense contractors before founding ASR International in 1986.

This is not the first time Mr. Anumolu has been recognized for his efforts. In 1993, Mr. Anumolu received the Business Excellence Award from the U.S. Small Business Administration for his work in the field of Defense. Now, it is my turn to say "Thanks."

Mr. Speaker, I ask my colleagues to join with me in expressing our gratitude to Mr. Anumolu for his exemplary work and dedication to the safety and protection of all Americans. His many accomplishments have helped make the United States a safe place for all.

HONORING FATHER WALTER L.  
DOLAN

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 26, 2003*

Mr. KUCINICH. Mr. Speaker, I rise today in honor and recognition of Father Walter L. Dolan, O.F.M., upon the occasion of his retirement from active ministry.

Father Dolan has served as President of Padua Franciscan High School in Parma for the past nine years. Under his leadership, the high school has flourished in many ways. Enrollment has steadily increased at Padua, and today the high school is the largest Catholic co-educational secondary school in northern Ohio. Additionally, it was because of Father Dolan that Padua Franciscan High School is now officially designated as a College Preparatory High School—making it only one of

fourteen with this status in the entire State of Ohio.

Not only has Father Dolan significantly raised the bar on academic standards and excellence at Padua, he also focused on the improvement of the school's athletic facilities. These significant exterior developments created new baseball and softball fields, new track fields and facilities, parking and roadway improvements, and a new football stadium. Father Dolan ensured that appropriate landscaping graced the boundaries of every new development.

Moreover, Father Dolan's goal for Padua included financial stability for the school, and aid for eligible students. During his tenure, Father Dolan secured a major funding effort to build a strong endowment, entitled "The Campaign For Tomorrow." This significant endeavor exists to increase the amount of financial aid to students in need. This endowment is also designed to maintain the school's technological level, and also provides teachers with cutting-edge educational training.

Mr. Speaker and Colleagues, please join me in honor and recognition of Father Walter L. Dolan as he retires as President of Padua Franciscan High School, and as he retires from active ministry. Father Dolan's contributions throughout his ministry are significant and immeasurable, and his work and service will be greatly missed. His leadership, expertise, guidance and concern for others have served to uplift the entire Padua community, and the entire Cleveland community, and his gift of faith and compassion will forever light our community.

IN HONOR OF ROY BOHNER

**HON. MARTIN FROST**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 26, 2003*

Mr. FROST. Mr. Speaker, I rise today in honor of Mr. Roy Orthmor Bohner, who recently celebrated his 51st anniversary working with Lockheed Martin Missiles and Fire Control in Dallas, TX.

Roy Bohner has been a dedicated employee of MFC since he began working there many years ago as an Engineering Trainee and a junior hydraulics design engineer. Some of his notable accomplishments include a design of an autopilot for a radio controlled drone aircraft, a successful R&D program to do flight control analysis, and design studies for a "fly-by-wire" control system named Electro-RAM. In addition to his service in Dallas, Roy spent some time at the General Dynamics plant, now Lockheed Martin Aeronautics in Fort Worth, as part of the Industry Assist program.

Prior to joining MFC, Roy served our country in World War II as a member in the 11th Army Division, and he continues to contribute to this Nation through his loyalty and dedication to his projects at Lockheed Martin. A man of ardor and great humor, Roy's objective is to be the oldest living employee at Missiles and Fire Control in Dallas.

Roy is an exemplary model of the American worker who is dedicated to continue serving this great Nation.

Mr. Speaker, Roy Bohner deserves special recognition for his tremendous achievement

and dedication. He serves as a role model to the rest of us, and I wish him success in his future endeavors.

GENERAL ERIC K. SHINSEKI

**HON. CURT WELDON**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 26, 2003*

Mr. WELDON of Pennsylvania. Mr. Speaker, I rise today to celebrate the outstanding service of one of America's true heroes, General Eric K. Shinseki.

General Shinseki retires from the Army after a career that spanned the globe and 38 years of service in peace and war. Let me be very clear, what General Shinseki has accomplished as chief is tied directly to the welfare of soldiers and their ability to remain the world's greatest warfighters and we owe him a debt of gratitude.

General Shinseki was just a young cadet at West Point, when General of the Army Douglas MacArthur, gave his distinguished Farewell Speech on the banks of the Hudson to the Corps of Cadets. General MacArthur's words embodied the creed of military service:

"Duty," "honor," "country"—Those three hallowed words reverently dictate what you
