Buchtels retired from teaching, and they're still going strong. Frank turned 100 on July 2, and he and Rossie celebrated their 75th wedding anniversary on August 26. In light of these important milestones, the Rotary Club in Princeton is renaming its scholarship in honor of Frank. Additionally, Mercer County, MO, has designed a special stamp to honor both Frank and Rossie Buchtel.

Rossie's family had long been established in the area when Frank accepted a teaching and coaching position in Princeton in 1927. Rossie's parents were long-time Princeton residents, and her grandparents were pioneer citizens of Mercer County. Frank had an immediate impact on Princeton though, as he coached the Princeton football Tigers to an undefeated season in 1928. After that unbelievable season, Frank probably thought that life couldn't get much better, but he soon fell in love with Rossie; they were married in 1929. Shortly after their wedding, the Buchtels set out for Scottsbluff, NE, where Frank had accepted a coaching job at the junior college. Every summer, the Buchtels would venture to Evanston, IL, where Frank earned his master's degree at Northwestern University. In 1930, their daughter Barbara was born.

In 1936 Frank was appointed athletic director at Aurora College in Illinois. During the 5 years that Frank served as athletic director, Rossie completed her AB degree. Rossie's passion for library science, which she developed in Aurora, later led her to a graduate degree in the field at the University of Chicago.

In the fall of 1941, Frank, Rossie, and Barbara moved to Chicago Heights, IL. Frank served as coach and athletic director Bloom Township High School for the next 27 years, while Rossie was a librarian at a nearby school. Barbara graduated from Bloom and then DePauw University during these years. Barbara later married Eimer Duerst, and Frank and Rossie became proud grandparents of Dan and Debra, Barbara and Eimer's two children. In 1964, Frank and Rossie retired from their respective careers to settle in Princeton.

Mr. Speaker, I proudly ask you to join me in commending Frank and Rossie Buchtel, two remarkable citizens of Northwest Missouri who so exemplify the qualities of dedication and service. I am honored to call Frank and Rossie Buchtel constituents of Missouri's Sixth District.

REPLIES TO TOBACCO INDUSTRY MAILINGS

HON. HENRY A. WAXMAN
CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, September 21, 2004

Mr. WAXMAN. Mr. Speaker, the tobacco industry distributes millions of coupons, surveys, and offers in the mail to its prospective customers. Sometimes, these customers or their loved ones write back. For years, these letters have been buried in secret industry files. As a result of tobacco litigation, they are now available to read on the internet.

Here are a few examples:

One New Jersey wife wrote, “Please do not send anything about smoking. My husband . . . does not smoke any more. He has emphysema as a direct result of smoking. He is terminally ill. He will not get better and will eventually die from a lack of oxygen. . . . [he] is only 57 years old.”

An Arizona husband wrote, “My wife of 28 years has been diagnosed with terminal lung cancer, caused by use of your product. . . . She is unable to go to the mailbox, much less read your self-serving propaganda.”

A son or daughter in New York wrote, “This is to let you know that you can never get to know my father any better—he died from emphysema because of smoking most of his life. My mother, who passed away four months prior to my Dad, and never smoked, had the lungs of a smoker because of living with him all her life. Don’t ever send literature like this to me again. . . . You have my permission to use this in your advertising program.”

A mother in Texas wrote, “I will be delighted to tell you about my daughter. . . . She lost her life to lung cancer at the age of 40. Caused from smoking . . . . Hope you think again before you send out such a letter. You don’t know how you hurt someone who has lost a loved one. A grieving mother.”

I urge all my colleagues to read these letters. You can find many of them on a new web site run called www.nightingalesnurses.org, and you can also search for more at http://legacy.library.ucsf.edu/index.html.
