CONGRESSIONAL RECORD—HOUSE

SPENCER, IOWA: THE NUMBER ONE PLACE TO LIVE IN AMERICA

[Mr. KING of Iowa asked and was given permission to address the House for 1 minute and to revise and extend his remarks.]

Mr. KING of Iowa. Mr. Speaker, this is a mission of joy for me. On the floor of this Congress, I am pleased to recognize the city of Spencer, Iowa, as the number one place to live in America.

This is not just appealing to the folks in western Iowa. America is now aware of what we have known for a long time. Spencer is not just a great town to raise a family; it is an excellent place to live. Tucked away in fields as far as the eye can see, Spencer is a town full of services, recreation, culture, entertainment and wonderful people.

I just celebrated with the people of Spencer the opening of my office on Grand Avenue.

Large enough to offer many of the services of a larger city and still small enough that people know and trust their neighbors, it is the kind of trusting place where people leave their doors open and the keys in their cars while they park them outside the coffee shop.

In this town, if you were to walk into the Sisters Cafe or Carroll's Bakery on any given morning, you would see the citizens of Spencer making time for each other. It is the kind of place where you know your neighbors and strangers are just friends you have not yet met.

Congratulations, Spencer, Iowa. You are number one.

We also know that by ensuring protection for our ideas, we provide significant incentive for inventors to continue to come up with new concepts that improve our lives, whether it is a machine that raises productivity or a pharmaceutical drug that saves a life-threatening disease. The efforts of the PTO in aiding such accomplishments are certainly noteworthy.

I commend the gentleman from Michigan (Mr. CONYERS), the Motor City, for introducing this resolution and congratulating DaimlerChrysler as the recipient of this landmark number 500,000 design patent.
