At the appropriate place, insert the following:

SEC. ——. (a) FINDINGS.—Congress makes the following findings:

(1) Protecting the homeland against nuclear, radiological, biological, or chemical terrorism requires a layered defense drawing upon a full spectrum of capabilities and tools, beginning with a national strategy for an international and domestic effort to prevent the proliferation of weapons of mass destruction (WMD) before it affects Americans at home, as well as to harden America and manage the consequences of attacks while preserving fundamental liberties and economic activity.

(2) The National Strategy to Combat Weapons of Mass Destruction was published in December 2002.

(3) Since the development of the National Strategy—

(A) the nature of the weapons of mass destruction threats to the United States has evolved significantly;

(B) the understanding of likely future weapons of mass destruction threats has also progressed; and

(C) United States capabilities for detecting, preventing, and responding to weapons of mass destruction threats have also evolved.

(4) President George W. Bush enumerated in a speech on February 11, 2004, a number of new actions the United States would call for to address weaknesses in efforts to combat the proliferation of weapons of mass destnlction. Some of the most in July 11, 2005 important of these actions have not yet been undertaken or have met international resistance.

(5) Since the National Strategy ,vas developed, a significant intelligence failure has occurred with respect to the assessment of the weapons of mass destruction capabilities of Iraq, which failure has precipitated several efforts to identify systemic deficiencies in intelligence and identify recommended improvements.

(6) As required by the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108–458), and as recommended by the Commission on the Intelligence Capabilities of the United States Regarding Weapons of Mass Destruction, President George W. Bush announced in June 2005 the intent to establish a National Counter Proliferation Center (NCPC). The Center will exercise strategic oversight of the work of the intelligence community on threats posed by the proliferation of weapons of mass destruction and will playa unique leading role within the United States Government in addressing such threats.

(7) A number of other significant changes to United States policies, capabilities, and tools to combat the proliferation of weapons of mass destruction have been recommended, and in some cases, implemented since December 2002, in the absence of an updated national strategy on combatting the proliferation of weapons of mass destruction.

(b) UPDATE OF NATIONAL STRATEGY TO COMBAT WEAPONS OF MASS DESTRUCTION.—(1) Not later than 6 months after the date of the enactment of this Act, the President shall develop and submit to Congress an update to the National Strategy to Combat Weapons of Mass Destruction of December 2002.

(2) The update of the National Strategy shall take into account developments since the publication of the National Strategy.

(3) The update of the National Strategy shall include the following:

(A) INTELLIGENCE-BASED ASSESSMENT.—An intelligence-based assessment of the threat to United States territory, citizens, and interests from the proliferation of weapons of mass destruction and the threat of terrorist acquisition and use of weapons of mass destruction.

(B) OBJECTIVES.—A review of the objectives of United States policy, both domestically and internationally, regarding the proliferation of weapons of mass destruction and the threat of terrorist acquisition and use of weapons of mass destruction.

(C) CAPABILITIES, ROLES, MISSIONS, CONCEPTS OF OPERATIONS.—A review of the full spectrum of capabilities necessary, whether domestically or internationally, to address the proliferation of weapons of mass destruction and the threat of terrorist acquisition and use of weapons of mass destruction, and a description of the roles, missions, and concepts of operations for each of the organizations and programs responsible for providing such capabilities.

(D) POLICY, PROGRAM AND OPERATIONAL COORDINATION.—A review of the mechanisms for planning, coordinating, and implementing policy, programs, and operations, including government-wide strategic operational planning, across all agencies and entities undertaking work to combat the proliferation of weapons of mass destruction and to protect the homeland against weapons of mass destruction attacks.

(4) The update of the National Strategy shall address specific areas key to a successful national strategy to combat the proliferation of weapons of mass destruction, including, but not limited to the following:

(A) NATIONAL COUNTER PROLIFERATION CENTER.—A description of the roles, missions,

and concepts of operations for the National Counter Proliferation Center, including a plan and schedule for establishing the Center and developing it to full working capacity.

(B) INTERNATIONAL NONPROLIFERATION REGIMES.—A review of how the United States will seek to strengthen the international nonproliferation regimes, including, but not limited to, the Nuclear Nonproliferation Treaty and associated entities (such as the Nuclear Suppliers Group) in the wake of the 2005 Nuclear Nonproliferation Treaty review conference, the Missile Technology Control Regime, the Biological Weapons Convention, and the Chemical Weapons Convention and associated entities (such as the Australia Group).

(C) SECURITY OF NUCLEAR MATERIALS.—A review of how the United States will enhance programs to secure weapons-grade nuclear materials globally.

(D) DETECTION AND CHARACTERIZATION CAPABILITIES.—A review of how the United States will improve the array of weapons of mass destruction detection devices to ensure the homeland is protected from any means by which weapons of mass destruction could be delivered against the United States.

(E) INTERDICTION CAPABILITIES.—An assessment of the ability of the United States and the international community to interdict in transit illicit materials and personnel related to weapons of mass destruction, including—

(i) an assessment of the number and impact of interdictions under the Proliferation Security Initiative; and

(ii) an assessment of how the Initiative can be strengthened to achieve more concrete results.

(F) NUCLEAR INSPECTIONS AND SAFEGUARDS.—A review of how the United States will strengthen the ability of the International Atomic Energy Agency (IAEA) to monitor peaceful nuclear energy programs to ensure that such programs are not used as a cover for nuclear weapons development, including, but not limited to—

(i) how the United States will encourage the adoption and ratification by each nonnuclear weapon state of the Model Additional Protocol with the Agency; and

(ii) how the Executive Branch will implement the United States Additional Protocol with the Agency in light of its inability, thus far, to reach agreement on implementing legislation that would permit United States ratification of the Additional Protocol to which the United States Senate gave its advice and consent to ratification on March 31, 2004.

(G) INTELLIGENCE CAPABILITIES.—A plan for the implementation of intelligence reforms intended to improve intelligence capabilities relating to weapons of mass destruction.

(H) NORTH KOREA AND IRAN.—A plan for each of the following:

(i) Preventing further processing of nuclear weapons material in North Korea and ultimately verifiably eliminating the nuclear weapons programs of North Korea.

(ii) Preventing Iran from developing nuclear weapons.

(iii) Deterring other nations from pursuing nuclear weapons.

(5) The update required by paragraph (1) shall be submitted to Congress in unclassified form but may include a classified annex.

SA 1160. Mr. REID submitted an amendment intended to be proposed by him to the bill H.R. 2360, making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2006, and for other purposes; which was ordered to lie on the table; as follows:

On page 100, between lines 11 and 12, insert the following:

SEC. 519. (a) Congress makes the following findings:

(1) The Homeland Security Advisory System had been raised to threat level Code Orange, a level which indicates a high risk of terrorist attack, on six occasions since the Advisory System was created in March 2002, prior to the rasing of the threat level to Code Orange following the bombings that occurred in London on July 7, 2005.

(2) The Code Orange threat level remained in place for an average of 13 days on each of the first five occasions that it was raised to that level.

(3) The sixth elevation of the threat level to Code Orange occurred in August 2004 and ended 98 days later, making it four times longer than any other such alert and constituting half of the days that the United States has been under a high risk of terrorist attack.

(4) The Conference of Mayors estimates that cities in the United States spend some $70,000,000 per week to implement security measures associated with the Code Orange threat level.

(5) The recommendation to elevate the threat level is made by the Homeland Security Council, a group of Cabinet officials and senior advisors to the President and Vice President, (in this section referred to as the ''Council'').

(6) In May 2005, Secretary of Homeland Security Tom Ridge revealed that there was often considerable disagreement among the members of the Council as to whether or not the threat level should be raised.

(7) There remains considerable confusion among the public and State and local government officials as to the decision-making process and criteria used by the Council in deciding whether the threat level should be raised to Code Orange.

(b) Not later than 180 days after the date of the enactment of this Act, the Comptroller General of the United States shall conduct a study examining the six occasions in which the Homeland Security Advisory System was raised to Code Orange prior to July 2005 and submit to Congress a report on such study.

(c) The report required by subsection (b) shall include an explanation and analysis of the decision-making process used by the Council to raise the threat level to Code Orange in each of the six instances prior to July 2005, including—

(1) the criteria and standards used by the Council in reaching its decision;

(2) a description of deliberations and votes of the Council were conducted, and whether any of the deliberations and votes have been transcribed or were otherwise recorded in some manner;

(3) a description of the specific intelligence that led to the decision to raise the threat level to Code Orange on each of the six occasions, and what, if any, common factors or trends in the intelligence reporting were present in each of the previous decisions;

(4) an explanation for the decision, on the sixth occasion, for the threat level to remain elevated for 98 days, and what role, if any, staff of the White House played in the decision to raise the level on that occasion;

(5) a description of the direct and indirect costs incurred by cities, States, or the Federal Government after the threat level was raised to Code Orange on each of the six occasions; and

(6) the recommendations of the Comptroller General of the United States, if any, for improving the Homeland Security Advisory System, including recommendations regarding—

(A) measures that could be carried out to build greater public awareness and confidence in the work of the Council;

(B) whether the Council and the Secretary of Homeland Security could benefit from greater transparency and the development of more clearly articulated public standards in the threat level decision-making process;

(C) whether the current composition of the Council should be modified to include representatives from the States; and

(D) the measures that could be carried out to minimize the costs to States and municipalities during periods when the Homeland Security Advisory System is raised to level to Code Orange.

(d) The report required by subsection (b) shall be submitted in an unclassified form and may include a classified annex, if necessary.

(vii) EFFECT ON OTHER ACTIONS OR PROCEEDINGS.—Any finding of fact or law, judgment, conclusion, or final order made by an arbitrator in the proceeding before the Secretary shall not be conclusive or binding in any separate or subsequent action or proceeding between the employee and the employee's current or prior employer brought before an arbitrator, administrative agency, court, or judge of any State or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts, except that the arbitrator's specific finding of the number of days or hours of work lost by the employee as a result of the employment termination may be referred to the Secretary pursuant to clause (iv).

(C) CIVIL PENALTIES.—

(i) IN GENERAL.—If the Secretary finds, after notice and opportunity for a hearing, that an employer of an alien granted temporary resident status under subsection (a) has failed to provide the record of employment required under subsection (a)(5) or has provided a false statement of material fact in such a record, the employer shall be subject to a civil money penalty in an amount not to exceed $1,000 per violation.

(ii) LIMITATION.—The penalty applicable under clause (i) for failure to provide records shall not apply unless the alien has provided the employer with evidence of employment authorization granted under this section.

(c) ADJUSTMENT TO PERMANENT RESIDENCE.—

(1) AGRICULTURAL WORKERS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the Secretary shall adjust the status of an alien granted lawful temporary resident status under subsection (a) to that of an alien lawfully admitted for permanent residence if the Secretary determines that the following requirements are satisfied:

(i) QUALIFYING EMPLOYMENT.—The alien has performed at least 360 work days or 2,060 hours, but in no case less than 2,060 hours, of agricultural employment in the United States, during the 6-year period beginning after the date of enactment of this Act.

(ii) QUALIFYING YEARS.—The alien has performed at least 75 work days or 430 hours, but in no case less than 430 hours, of agricultural employment in the United States in at least 3 nonoverlapping periods of 12 consecutive months during the 6-year period beginning after the date of enactment of this Act. Qualifying periods under this clause may include nonconsecutive 12-month periods.

(iii) QUALIFYING WORK IN FIRST 3 YEARS.—The alien has performed at least 240 work days or 1,380 hours, but in no case less than 1,380 hours, of agricultural employment during the 3-year period beginning after the date of enactment of this Act.

(iv) APPLICATION PERIOD.—The alien applies for adjustment of status not later than 7 years after the date of enactment of this Act.

(v) PROOF.—In meeting the requirements of clauses (i), (ii), and (iii), an alien may submit the record of employment described in subsection (a)(5) or such documentation as may be submitted under subsection (d)(3).

(vi) DISABILITY.—In determining whether an alien has met the requirements of clauses (i), (ii), and (iii), the Secretary shall credit the alien with any work days lost because the alien was unable to work in agricultural employment due to injury or disease arising out of and in the course of the alien's agricultural employment, if the alien can establish such disabling injury or disease through medical records.

(B) GROUNDS FOR DENIAL OF ADJUSTMENT OF STATUS.—The Secretary may deny an alien adjustment to permanent resident status, and provide for termination of the temporary resident status granted such alien under subsection (a), if—

(i) the Secretary finds by a preponderance of the evidence that the adjustment to temporary resident status was the result of fraud or willful misrepresentation, as described in section 212(a)(6)(C)(i) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(6)(C)(i)); or

(ii) the alien—

(I) commits an act that makes the alien inadmissible to the United States under section 212 of the Immigration and Nationality Act (8 U.S.C. 1182), except as provided under subsection (e)(2);

(II) is convicted of a felony or 3 or more misdemeanors committed in the United States; or

(III) is convicted of a single misdemeanor for which the actual sentence served is 6 months or longer.

(C) GROUNDS FOR REMOVAL.—Any alien granted temporary resident status under subsection (a) who does not apply for adjustment of status under this subsection before the expiration of the application period described in subparagraph (A)(iv), or who fails to meet the other requirements of subparagraph (A) by the end of the applicable period, is deportable and may be removed under section 240 of the Immigration and Nationality Act (8 U.S.C. 1229a). The Secretary shall issue regulations establishing grounds to waive subparagraph (A)(iii) with respect to an alien who has completed at least 200 days of the work requirement specified in such subparagraph in the event of a natural disaster which substantially limits the availability of agricultural employment or a personal emergency that prevents compliance with such subparagraph.

(2) SPOUSES AND MINOR CHILDREN.—

(A) IN GENERAL.—Notwithstanding any other provision of law, the Secretary shall confer the status of lawful permanent resident on the spouse and minor child of an alien granted status under paragraph (1), including any individual who was a minor child on the date such alien was granted temporary resident status, if the spouse or minor child applies for such status, or if the principal alien includes the spouse or minor child in an application for adjustment of status to that of a lawful permanent resident.

(B) TREATMENT OF SPOUSES AND MINOR CHILDREN BEFORE ADJUSTMENT OF STATUS.—A spouse and minor child of an alien granted temporary resident status under subsection (a) may not be—

(i) removed while such alien maintains such status, except as provided in subparagraph (C); and

(ii) granted authorization to engage in employment in the United States or be provided an ''employment authorized'' endorsement or other work permit, unless such employment authorization is granted under another provision of law.

(C) GROUNDS FOR DENIAL OF ADJUSTMENT OF STATUS AND REMOVAL.—The Secretary may deny an alien spouse or child adjustment of status under subparagraph (A) and may remove such spouse or child under section 240 of the Immigration and Nationality Act (8 U.S.C. 1229a) if the spouse or child—

(i) commits an act that makes the alien spouse or child inadmissible to the United States under section 212 of such Act (8 U.S.C. 1182), except as provided under subsection (e)(2);

(ii) is convicted of a felony or 3 or more misdemeanors committed in the United States; or

(d) APPLICATIONS.—

(1) TO WHOM MAY BE MADE.—

(A) WITHIN THE UNITED STATES.—The Secretary shall provide that—

(i) applications for temporary resident status under subsection (a) may be filed—

(I) with the Secretary, but only if the applicant is represented by an attorney; or

(II) with a qualified designated entity (designated under paragraph (2)), but only if the applicant consents to the forwarding of the application to the Secretary; and

(ii) applications for adjustment of status under subsection (c) shall be filed directly with the Secretary.

(B) OUTSIDE THE UNITED STATES.—The Secretary, in cooperation with the Secretary of State, shall establish a procedure whereby an alien may apply for temporary resident status under subsection (a) at an appropriate consular office outside the United States.

(C) PRELIMINARY APPLICATIONS.—

(i) IN GENERAL.—During the application period described in subsection (a)(1)(B), the Secretary may grant admission to the United States as a temporary resident and provide an ''employment authorized'' endorsement or other appropriate work permit to any alien who presents a preliminary application for such status under subsection (a) at a designated port of entry on the southern land border of the United States. An alien who does not enter through a port of entry is subject to deportation and removal as otherwise provided in this Act.

(ii) DEFINITION.—For purposes of clause (i), the term ''preliminary application'' means a fully completed and signed application which contains specific information concerning the performance of qualifying employment in the United States, together with the payment of the appropriate fee and the submission of photographs and the documentary evidence which the applicant intends to submit as proof of such employment.

(iii) ELIGIBILITY.—An applicant under clause (i) shall otherwise be admissible to the United States under subsection (e)(2) and shall establish to the satisfaction of the examining officer during an interview that the applicant's claim to eligibility for temporary resident status is credible.

(D) TRAVEL DOCUMENTATION.—The Secretary shall provide each alien granted status under this section with a counterfeit-resistant document of authorization to enter or reenter the United States that meets the requirements established by the Secretary.

(2) DESIGNATION OF ENTITIES TO RECEIVE APPLICATIONS.—

(A) IN GENERAL.—For purposes of receiving applications under subsection (a), the Secretary—

(i) shall designate qualified farm labor organizations and associations of employers; and

(ii) may designate such other persons as the Secretary determines are qualified and have substantial experience, demonstrate competence, and have traditional long-term involvement in the preparation and submission of applications for adjustment of status under section 209, 210, or 245 of the Immigration and Nationality Act, Public Law 8909732, Public Law 9509145, or the Immigration Reform and Control Act of 1986.

(B) REFERENCES.—Organizations, associations, and persons designated under subparagraph (A) are referred to in this Act as ''qualified designated entities''.

(3) PROOF OF ELIGIBILITY.—

(A) IN GENERAL.—An alien may establish that the alien meets the requirement of subsection (a)(1)(A) or (c)(1)(A) through government employment records or records supplied by employers or collective bargaining organizations, and other reliable documentation as the alien may provide. The Secretary shall establish special procedures to properly credit work in cases in which an alien was employed under an assumed name.

(B) DOCUMENTATION OF WORK HISTORY.—

(i) BURDEN OF PROOF.—An alien applying for status under subsection (a)(1) or (c)(1) has the burden of proving by a preponderance of the evidence that the alien has worked the requisite number of hours or days (as required under subsection (a)(1)(A) or (c)(1)(A)).

(ii) TIMELY PRODUCTION OF RECORDS.—If an employer or farm labor contractor employing such an alien has kept proper and adequate records respecting such employment, the alien's burden of proof under clause (i) may be met by securing timely production of those records under regulations to be promulgated by the Secretary.

(iii) SUFFICIENT EVIDENCE.—An alien can meet the burden of proof under clause (i) to establish that the alien has performed the work described in subsection (a)(1)(A) or (c)(1)(A) by producing sufficient evidence to show the extent of that employment as a matter of just and reasonable inference.

(4) TREATMENT OF APPLICATIONS BY QUALIFIED DESIGNATED ENTITIES.—Each qualified designated entity shall agree to forward to the Secretary applications filed with it in accordance with paragraph (1)(A)(i)(II) but shall not forward to the Secretary applications filed with it unless the applicant has consented to such forwarding. No such entity may make a determination required by this section to be made by the Secretary. Upon the request of the alien, a qualified designated entity shall assist the alien in obtaining documentation of the work history of the alien.

(5) LIMITATION ON ACCESS TO INFORMATION.—Files and records prepared for purposes of this subsection by qualified designated entities operating under this subsection are confidential and the Secretary shall not have access to such files or records relating to an alien without the consent of the alien, except as allowed by a court order issued pursuant to paragraph (6).

(6) CONFIDENTIALITY OF INFORMATION.—

(A) IN GENERAL.—Except as otherwise provided in this subsection, neither the Secretary, nor any other official or employee of the Department of Homeland Security, or bureau or agency thereof, may—

(i) use the information furnished by the applicant pursuant to an application filed under this section, the information provided to the applicant by a person designated under paragraph (2)(A), or any information provided by an employer or former employer, for any purpose other than to make a determination on the application, or for enforcement of paragraph (7);

(ii) make any publication whereby the information furnished by any particular individual can be identified; or

(iii) permit anyone other than the sworn officers and employees of the Department of Homeland Security, or bureau or agency thereof, or, with respect to applications filed with a qualified designated entity, that qualified designated entity, to examine individual applications.

(B) REQUIRED DISCLOSURES.—The Secretary shall provide the information furnished under this section, or any other information derived from such furnished information, to—

(i) a duly recognized law enforcement entity in connection with a criminal investigation or prosecution, if such information is requested in writing by such entity; or

(ii) an official coroner, for purposes of affirmatively identifying a deceased individual, whether or not the death of such individual resulted from a crime.

(C) CONSTRUCTION.—

(i) IN GENERAL.—Nothing in this paragraph shall be construed to limit the use, or release, for immigration enforcement purposes or law enforcement purposes of information contained in files or records of the Department of Homeland Security pertaining to an application filed under this section, other than information furnished by an applicant pursuant to the application, or any other information derived from the application, that is not available from any other source.

(ii) CRIMINAL CONVICTIONS.—Information concerning whether the applicant has at any time been convicted of a crime may be used or released for immigration enforcement or law enforcement purposes.

(D) CRIME.—Any person who knowingly uses, publishes, or permits information to be examined in violation of this paragraph shall be subject to a fine in an amount not to exceed $10,000.

(7) PENALTIES FOR FALSE STATEMENTS IN APPLICATIONS.—

(A) CRIMINAL PENALTY.—Any person who—

(i) files an application for status under subsection (a) or (c) and knowingly and willfully falsifies, conceals, or covers up a material fact or makes any false, fictitious, or fraudulent statements or representations, or makes or uses any false writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry; or

(ii) creates or supplies a false writing or document for use in making such an application,

shall be fined in accordance with title 18, United States Code, imprisoned not more than 5 years, or both.

(B) INADMISSIBILITY.—An alien who is convicted of a crime under subparagraph (A) shall be considered to be inadmissible to the United States on the ground described in section 212(a)(6)(C)(i) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(6)(C)(i)).

(8) ELIGIBILITY FOR LEGAL SERVICES.—Section 504(a)(11) of Public Law 10409134 (110 Stat. 13210953 et seq.) shall not be construed to prevent a recipient of funds under the Legal Services Corporation Act (42 U.S.C. 2996 et seq.) from providing legal assistance directly related to an application for adjustment of status under this section.

(C) DISPOSITION OF FEES.—

(i) IN GENERAL.—There is established in the general fund of the Treasury a separate account, which shall be known as the ''Agricultural Worker Immigration Status Adjustment Account''. Notwithstanding any other provision of law, there shall be deposited as offsetting receipts into the account all fees collected under subparagraph (A)(i).

(ii) USE OF FEES FOR APPLICATION PROCESSING.—Amounts deposited in the ''Agricultural Worker Immigration Status Adjustment Account'' shall remain available to the Secretary until expended for processing applications for status under subsections (a) and (c).

(e) WAIVER OF NUMERICAL LIMITATIONS AND CERTAIN GROUNDS FOR INADMISSIBILITY.—

(1) NUMERICAL LIMITATIONS DO NOT APPLY.—The numerical limitations of sections 201 and 202 of the Immigration and Nationality Act (8 U.S.C. 1151 and 1152) shall not apply to the adjustment of aliens to lawful permanent resident status under this section.

(2) WAIVER OF CERTAIN GROUNDS OF INADMISSIBILITY.—In the determination of an alien's eligibility for status under subsection (a)(1)(C) or an alien's eligibility for adjustment of status under subsection (c)(1)(B)(ii)(I), the following rules shall apply:

(A) GROUNDS OF EXCLUSION NOT APPLICABLE.—The provisions of paragraphs (5), (6)(A), (7)(A), and (9)(B) of section 212(a) of the Immigration and Nationality Act (8 U.S.C. 1182(a)) shall not apply.

(B) WAIVER OF OTHER GROUNDS.—

(i) IN GENERAL.—Except as provided in clause (ii), the Secretary may waive any other provision of such section 212(a) in the case of individual aliens for humanitarian purposes, to ensure family unity, or if otherwise in the public interest.

(C) SPECIAL RULE FOR DETERMINATION OF PUBLIC CHARGE.—An alien is not ineligible for status under this section by reason of a ground of inadmissibility under section 212(a)(4) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(4)) if the alien demonstrates a history of employment in the United States evidencing self-support without reliance on public cash assistance.

(f) TEMPORARY STAY OF REMOVAL AND WORK AUTHORIZATION FOR CERTAIN APPLICANTS.—

(1) BEFORE APPLICATION PERIOD.—Effective on the date of enactment of this Act, the Secretary shall provide that, in the case of an alien who is apprehended before the beginning of the application period described in subsection (a)(1)(B) and who can establish a nonfrivolous case of eligibility for temporary resident status under subsection (a) (but for the fact that the alien may not apply for such status until the beginning of such period), until the alien has had the opportunity during the first 30 days of the application period to complete the filing of an application for temporary resident status, the alien—

(A) may not be removed; and

(B) shall be granted authorization to engage in employment in the United States and be provided an ''employment authorized'' endorsement or other appropriate work permit for such purpose.

(2) DURING APPLICATION PERIOD.—The Secretary shall provide that, in the case of an alien who presents a nonfrivolous application for temporary resident status under subsection (a) during the application period described in subsection (a)(1)(B), including an alien who files such an application within 30 days of the alien's apprehension, and until a final determination on the application has been made in accordance with this section, the alien—

(A) may not be removed; and

(B) shall be granted authorization to engage in employment in the United States and be provided an ''employment authorized'' endorsement or other appropriate work permit for such purpose.

(2) ADMINISTRATIVE REVIEW.—

(A) SINGLE LEVEL OF ADMINISTRATIVE APPELLATE REVIEW.—The Secretary shall establish an appellate authority to provide for a single level of administrative appellate review of such a determination.

(B) STANDARD FOR REVIEW.—Such administrative appellate review shall be based solely upon the administrative record established at the time of the determination on the application and upon such additional or newly discovered evidence as may not have been available at the time of the determination.

(3) JUDICIAL REVIEW.—

(A) LIMITATION TO REVIEW OF REMOVAL.—There shall be judicial review of such a determination only in the judicial review of an order of removal under section 242 of the Immigration and Nationality Act (8 U.S.C. 1252).

(B) STANDARD FOR JUDICIAL REVIEW.—Such judicial review shall be based solely upon the administrative record established at the time of the review by the appellate authority and the findings of fact and determinations contained in such record shall be conclusive unless the applicant can establish abuse of discretion or that the findings are directly contrary to clear and convincing facts contained in the record considered as a whole.

(h) DISSEMINATION OF INFORMATION ON ADJUSTMENT PROGRAM.—Beginning not later than the first day of the application period described in subsection (a)(1)(B), the Secretary, in cooperation with qualified designated entities, shall broadly disseminate information respecting the benefits that aliens may receive under this section and the requirements to be satisfied to obtain such benefits.

''(3) OBLIGATIONS UNDER OTHER STATUTES.—Any obligation incurred by an employer under any other law or regulation as a result of the recruitment of United States workers or H–2A workers under an offer of terms and conditions of employment required as a result of making an application under subsection (a) is unaffected by withdrawal of such application.

''(e) REVIEW AND APPROVAL OF APPLICATIONS.—

''(1) RESPONSIBILITY OF EMPLOYERS.—The employer shall make available for public examination, within 1 working day after the date on which an application under subsection (a) is filed, at the employer's principal place of business or work site, a copy of each such application (and such accompanying documents as are necessary).

The Secretary of Labor shall make such list available for examination in the District of Columbia.

''(B) REVIEW OF APPLICATIONS.—The Secretary of Labor shall review such an application only for completeness and obvious inaccuracies. Unless the Secretary of Labor finds that the application is incomplete or obviously inaccurate, the Secretary of Labor shall certify that the intending employer has filed with the Secretary of Labor an application as described in subsection (a). Such certification shall be provided within 7 days of the filing of the application.

''H–2A EMPLOYMENT REQUIREMENTS

''SEC. 218A. (a) PREFERENTIAL TREATMENT OF ALIENS PROHIBITED.—Employers seeking to hire United States workers shall offer the United States workers no less than the same benefits, wages, and working conditions that the employer is offering, intends to offer, or will provide to H–2A workers. Conversely, no job offer may impose on United States workers any restrictions or obligations which will not be imposed on the employer's H–2A workers.

''(b) MINIMUM BENEFITS, WAGES, AND WORKING CONDITIONS.—Except in cases where higher benefits, wages, or working conditions are required by the provisions of subsection (a), in order to protect similarly employed United States workers from adverse effects with respect to benefits, wages, and working conditions, every job offer which shall accompany an application under section 218(b)(2) shall include each of the following benefit, wage, and working condition provisions:

''(1) REQUIREMENT TO PROVIDE HOUSING OR A HOUSING ALLOWANCE.—

''(A) IN GENERAL.—An employer applying under section 218(a) for H–2A workers shall offer to provide housing at no cost to all workers in job opportunities for which the employer has applied under that section and to all other workers in the same occupation at the place of employment, whose place of residence is beyond normal commuting distance.

''(B) TYPE OF HOUSING.—In complying with subparagraph (A), an employer may, at the employer's election, provide housing that meets applicable Federal standards for temporary labor camps or secure housing that meets applicable local standards for rental or public accommodation housing or other substantially similar class of habitation, or in the absence of applicable local standards, State standards for rental or public accommodation housing or other substantially similar class of habitation. In the absence of applicable local or State standards, Federal temporary labor camp standards shall apply.

''(C) FAMILY HOUSING.—When it is the prevailing practice in the occupation and area of intended employment to provide family housing, family housing shall be provided to workers with families who request it.

''(D) WORKERS ENGAGED IN THE RANGE PRODUCTION OF LIVESTOCK.—The Secretary of Labor shall issue regulations that address the specific requirements for the provision of housing to workers engaged in the range production of livestock.

''(E) LIMITATION.—Nothing in this paragraph shall be construed to require an employer to provide or secure housing for persons who were not entitled to such housing under the temporary labor certification regulations in effect on June 1, 1986.

''(F) CHARGES FOR HOUSING.—

''(i) CHARGES FOR PUBLIC HOUSING.—If public housing provided for migrant agricultural workers under the auspices of a local, county, or State government is secured by an employer, and use of the public housing unit normally requires charges from migrant workers, such charges shall be paid by the employer directly to the appropriate individual or entity affiliated with the housing's management.

''(ii) DEPOSIT CHARGES.—Charges in the form of deposits for bedding or other similar incidentals related to housing shall not be levied upon workers by employers who provide housing for their workers. An employer may require a worker found to have been responsible for damage to such housing which is not the result of normal wear and tear related to habitation to reimburse the employer for the reasonable cost of repair of such damage.

''(G) HOUSING ALLOWANCE AS ALTERNATIVE.—

''(i) IN GENERAL.—If the requirement under clause (ii) is satisfied, the employer may provide a reasonable housing allowance instead of offering housing under subparagraph (A). Upon the request of a worker seeking assistance in locating housing, the employer shall make a good faith effort to assist the worker in identifying and locating housing in the area of intended employment. An employer who offers a housing allowance to a worker, or assists a worker in locating housing which the worker occupies, pursuant to this clause shall not be deemed a housing provider under section 203 of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1823) solely by virtue of providing such housing allowance. No housing allowance may be used for housing which is owned or controlled by the employer.

''(ii) CERTIFICATION.—The requirement of this clause is satisfied if the Governor of the State certifies to the Secretary of Labor that there is adequate housing available in the area of intended employment for migrant farm workers, and H–2A workers, who are seeking temporary housing while employed at farm work. Such certification shall expire after 3 years unless renewed by the Governor of the State.

''(iii) AMOUNT OF ALLOWANCE.—

''(I) NONMETROPOLITAN COUNTIES.—If the place of employment of the workers provided an allowance under this subparagraph is a nonmetropolitan county, the amount of the housing allowance under this subparagraph shall be equal to the statewide average fair market rental for existing housing for nonmetropolitan counties for the State, as established by the Secretary of Housing and Urban Development pursuant to section 8(c) of the United States Housing Act of 1937 (42 U.S.C. 1437f(c)), based on a 2 bedroom dwelling unit and an assumption of 2 persons per bedroom.

''(II) METROPOLITAN COUNTIES.—If the place of employment of the workers provided an allowance under this paragraph is in a metropolitan county, the amount of the housing allowance under this subparagraph shall be equal to the statewide average fair market rental for existing housing for metropolitan counties for the State, as established by the Secretary of Housing and Urban Development pursuant to section 8(c) of the United States Housing Act of 1937 (42 U.S.C. 1437f(c)), based on a 2-bedroom dwelling unit and an assumption of 2 persons per bedroom.

''(2) REIMBURSEMENT OF TRANSPORTATION.—

''(A) TO PLACE OF EMPLOYMENT.—A worker who completes 50 percent of the period of employment of the job opportunity for which the worker was hired shall be reimbursed by the employer for the cost of the worker's transportation and subsistence from the place from which the worker came to work for the employer (or place of last employment, if the worker traveled from such place) to the place of employment.

''(B) FROM PLACE OF EMPLOYMENT.—A worker who completes the period of employment for the job opportunity involved shall be reimbursed by the employer for the cost of the worker's transportation and subsistence from the place of employment to the place from which the worker, disregarding intervening employment, came to work for the employer, or to the place of next employment, if the worker has contracted with a subsequent employer who has not agreed to provide or pay for the worker's transportation and subsistence to such subsequent employer's place of employment.

''(C) LIMITATION.—

''(i) AMOUNT OF REIMBURSEMENT.—Except as provided in clause (ii), the amount of reimbursement provided under subparagraph (A) or (B) to a worker or alien shall not exceed the lesser of—

''(I) the actual cost to the worker or alien of the transportation and subsistence involved; or

''(II) the most economical and reasonable common carrier transportation charges and subsistence costs for the distance involved.

''(ii) DISTANCE TRAVELED.—No reimbursement under subparagraph (A) or (B) shall be required if the distance traveled is 100 miles or less, or the worker is not residing in employer-provided housing or housing secured through an allowance as provided in paragraph (1)(G).

''(D) EARLY TERMINATION.—If the worker is laid off or employment is terminated for contract impossibility (as described in paragraph (4)(D)) before the anticipated ending date of employment, the employer shall provide the transportation and subsistence required by subparagraph (B) and, notwithstanding whether the worker has completed 50 percent of the period of employment, shall provide the transportation reimbursement required by subparagraph (A).

''(E) TRANSPORTATION BETWEEN LIVING QUARTERS AND WORK SITE.—The employer shall provide transportation between the worker's living quarters and the employer's work site without cost to the worker, and such transportation will be in accordance with applicable laws and regulations.

''(3) REQUIRED WAGES.—

''(A) IN GENERAL.—An employer applying for workers under section 218(a) shall offer to pay, and shall pay, all workers in the occupation for which the employer has applied for workers, not less (and is not required to pay more) than the greater of the prevailing wage in the occupation in the area of intended employment or the adverse effect wage rate. No worker shall be paid less than the greater of the hourly wage prescribed under section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) or the applicable State minimum wage.

''(B) LIMITATION.—Effective on the date of enactment of the Agricultural Job Opportunity, Benefits, and Security Act of 2005 and continuing for 3 years thereafter, no adverse effect wage rate for a State may be more than the adverse effect wage rate for that State in effect on January 1, 2003, as established by section 655.107 of title 20, Code of Federal Regulations.

''(C) REQUIRED WAGES AFTER 3-YEAR FREEZE.—

''(i) FIRST ADJUSTMENT.—If Congress does not set a new wage standard applicable to this section before the first March 1 that is not less than 3 years after the date of enactment of this section, the adverse effect wage rate for each State beginning on such March 1 shall be the wage rate that would have resulted if the adverse effect wage rate in effect on January 1, 2003, had been annually

adjusted, beginning on March 1, 2006, by the lesser of—

''(I) the 12 month percentage change in the Consumer Price Index for All Urban Consumers between December of the second preceding year and December of the preceding year; and

''(II) 4 percent.

''(ii) SUBSEQUENT ANNUAL ADJUSTMENTS.—Beginning on the first March 1 that is not less than 4 years after the date of enactment of this section, and each March 1 thereafter, the adverse effect wage rate then in effect for each State shall be adjusted by the lesser of—

''(I) the 12 month percentage change in the Consumer Price Index for All Urban Consumers between December of the second preceding year and December of the preceding year; and

''(II) 4 percent.

''(D) DEDUCTIONS.—The employer shall make only those deductions from the worker's wages that are authorized by law or are reasonable and customary in the occupation and area of employment. The job offer shall specify all deductions not required by law which the employer will make from the worker's wages.

''(E) FREQUENCY OF PAY.—The employer shall pay the worker not less frequently than twice monthly, or in accordance with the prevailing practice in the area of employment, whichever is more frequent.

''(F) HOURS AND EARNINGS STATEMENTS.—The employer shall furnish to the worker, on or before each payday, in 1 or more written statements—

''(i) the worker's total earnings for the pay period;

''(ii) the worker's hourly rate of pay, piece rate of pay, or both;

''(iii) the hours of employment which have been offered to the worker (broken out by hours offered in accordance with and over and above the three-quarters guarantee described in paragraph (4);

''(iv) the hours actually worked by the worker;

''(v) an itemization of the deductions made from the worker's wages; and

''(vi) if piece rates of pay are used, the units produced daily.

''(G) REPORT ON WAGE PROTECTIONS.—Not later than June 1, 2007, the Comptroller General of the United States shall prepare and transmit to the Secretary of Labor, the Committee on the Judiciary of the Senate, and Committee on the Judiciary of the House of Representatives, a report that addresses—

''(i) whether the employment of H–2A or unauthorized aliens in the United States agricultural work force has depressed United States farm worker wages below the levels that would otherwise have prevailed if alien farm workers had not been employed in the United States;

''(ii) whether an adverse effect wage rate is necessary to prevent wages of United States farm workers in occupations in which H–2A workers are employed from falling below the wage levels that would have prevailed in the absence of the employment of H–2A workers in those occupations;

''(iii) whether alternative wage standards, such as a prevailing wage standard, would be sufficient to prevent wages in occupations in which H–2A workers are employed from falling below the wage level that would have prevailed in the absence of H–2A employment;

''(iv) whether any changes are warranted in the current methodologies for calculating the adverse effect wage rate and the prevailing wage; and

''(v) recommendations for future wage protection under this section.

''(H) COMMISSION ON WAGE STANDARDS.—

''(i) ESTABLISHMENT.—There is established the Commission on Agricultural Wage Standards under the H–2A program (in this subparagraph referred to as the 'Commission').

''(ii) COMPOSITION.—The Commission shall consist of 10 members as follows:

''(I) 4 representatives of agricultural employers and 1 representative of the Department of Agriculture, each appointed by the Secretary of Agriculture.

''(II) 4 representatives of agricultural workers and 1 representative of the Department of Labor, each appointed by the Secretary of Labor.

''(iii) FUNCTIONS.—The Commission shall conduct a study that shall address—

''(I) whether the employment of H–2A or unauthorized aliens in the United States agricultural workforce has depressed United States farm worker wages below the levels that would otherwise have prevailed if alien farm workers had not been employed in the United States;

''(II) whether an adverse effect wage rate is necessary to prevent wages of United States farm workers in occupations in which H–2A workers are employed from falling below the wage levels that would have prevailed in the absence of the employment of H–2A workers in those occupations;

''(III) whether alternative wage standards, such as a prevailing wage standard, would be sufficient to prevent wages in occupations in which H–2A workers are employed from falling below the wage level that would have prevailed in the absence of H–2A employment;

''(IV) whether any changes are warranted in the current methodologies for calculating the adverse effect wage rate and the prevailing wage rate; and

''(V) recommendations for future wage protection under this section.

''(iv) FINAL REPORT.—Not later than June 1, 2007, the Commission shall submit a report to the Congress setting forth the findings of the study conducted under clause (iii).

''(v) TERMINATION DATE.—The Commission shall terminate upon submitting its final report.

''(4) GUARANTEE OF EMPLOYMENT.—

''(A) OFFER TO WORKER.—The employer shall guarantee to offer the worker employment for the hourly equivalent of at least three-fourths of the work days of the total period of employment, beginning with the first work day after the arrival of the worker at the place of employment and ending on the expiration date specified in the job offer. For purposes of this subparagraph, the hourly equivalent means the number of hours in the work days as stated in the job offer and shall exclude the worker's Sabbath and Federal holidays. If the employer affords the United States or H–2A worker less employment than that required under this paragraph, the employer shall pay such worker the amount which the worker would have earned had the worker, in fact, worked for the guaranteed number of hours.

''(B) FAILURE TO WORK.—Any hours which the worker fails to work, up to a maximum of the number of hours specified in the job offer for a work day, when the worker has been offered an opportunity to do so, and all hours of work actually performed (including voluntary work in excess of the number of hours specified in the job offer in a work day, on the worker's Sabbath, or on Federal holidays) may be counted by the employer in calculating whether the period of guaranteed employment has been met.

''(C) ABANDONMENT OF EMPLOYMENT, TERMINATION FOR CAUSE.—If the worker voluntarily abandons employment before the end of the contract period, or is terminated for cause, the worker is not entitled to the 'three-fourths guarantee' described in subparagraph (A).

''(D) CONTRACT IMPOSSIBILITY.—If, before the expiration of the period of employment specified in the job offer, the services of the worker are no longer required for reasons beyond the control of the employer due to any form of natural disaster, including but not limited to a flood, hurricane, freeze, earthquake, fire, drought, plant or animal disease or pest infestation, or regulatory drought, before the guarantee in subparagraph (A) is fulfilled, the employer may terminate the worker's employment. In the event of such termination, the employer shall fulfill the employment guarantee in subparagraph (A) for the work days that have elapsed from the first work day after the arrival of the worker to the termination of employment. In such cases, the employer will make efforts to transfer the United States worker to other comparable employment acceptable to the worker. If such transfer is not effected, the employer shall provide the return transportation required in paragraph (2)(D).

''(5) MOTOR VEHICLE SAFETY.—

''(A) MODE OF TRANSPORTATION SUBJECT TO COVERAGE.—

''(i) IN GENERAL.—Except as provided in clauses (iii) and (iv), this subsection applies to any H–2A employer that uses or causes to be used any vehicle to transport an H–2A worker within the United States.

''(ii) DEFINED TERM.—In this paragraph, the term 'uses or causes to be used'—

''(I) applies only to transportation provided by an H–2A employer to an H–2A worker, or by a farm labor contractor to an H–2A worker at the request or direction of an H–2A employer; and

''(II) does not apply to—

''(aa) transportation provided, or transportation arrangements made, by an H–2A worker, unless the employer specifically requested or arranged such transportation; or

''(bb) car pooling arrangements made by H–2A workers themselves, using 1 of the workers' own vehicles, unless specifically requested by the employer directly or through a farm labor contractor.

''(iii) CLARIFICATION.—Providing a job offer to an H–2A worker that causes the worker to travel to or from the place of employment, or the payment or reimbursement of the transportation costs of an H–2A worker by an H–2A employer, shall not constitute an arrangement of, or participation in, such transportation.

''(iv) AGRICULTURAL MACHINERY AND EQUIPMENT EXCLUDED.—This subsection does not apply to the transportation of an H–2A worker on a tractor, combine, harvester, picker, or other similar machinery or equipment while such worker is actually engaged in the planting, cultivating, or harvesting of agricultural commodities or the care of livestock or poultry or engaged in transportation incidental thereto.

''(v) COMMON CARRIERS EXCLUDED.—This subsection does not apply to common carrier motor vehicle transportation in which the provider holds itself out to the general public as engaging in the transportation of passengers for hire and holds a valid certification of authorization for such purposes from an appropriate Federal, State, or local agency.

''(B) APPLICABILITY OF STANDARDS, LICENSING, AND INSURANCE REQUIREMENTS.—

''(i) IN GENERAL.—When using, or causing to be used, any vehicle for the purpose of providing transportation to which this subparagraph applies, each employer shall—

''(I) ensure that each such vehicle conforms to the standards prescribed by the Secretary of Labor under section 401(b) of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1841(b)) and other

applicable Federal and State safety standards;

''(II) ensure that each driver has a valid and appropriate license, as provided by State law, to operate the vehicle; and

''(III) have an insurance policy or a liability bond that is in effect which insures the employer against liability for damage to persons or property arising from the ownership, operation, or causing to be operated, of any vehicle used to transport any H–2A worker.

''(ii) AMOUNT OF INSURANCE REQUIRED.—The level of insurance required shall be determined by the Secretary of Labor pursuant to regulations to be issued under this subsection.

''(iii) EFFECT OF WORKERS' COMPENSATION COVERAGE.—If the employer of any H–2A worker provides workers' compensation coverage for such worker in the case of bodily injury or death as provided by State law, the following adjustments in the requirements of subparagraph (B)(i)(III) relating to having an insurance policy or liability bond apply:

''(I) No insurance policy or liability bond shall be required of the employer, if such workers are transported only under circumstances for which there is coverage under such State law.

''(II) An insurance policy or liability bond shall be required of the employer for circumstances under which coverage for the transportation of such workers is not provided under such State law.

''(c) COMPLIANCE WITH LABOR LAWS.—An employer shall assure that, except as otherwise provided in this section, the employer will comply with all applicable Federal, State, and local labor laws, including laws affecting migrant and seasonal agricultural workers, with respect to all United States workers and alien workers employed by the employer, except that a violation of this assurance shall not constitute a violation of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1801 et seq.).

''(d) COPY OF JOB OFFER.—The employer shall provide to the worker, not later than the day the work commences, a copy of the employer's application and job offer described in section 218(a), or, if the employer will require the worker to enter into a separate employment contract covering the employment in question, such separate employment contract.

''(e) RANGE PRODUCTION OF LIVESTOCK.—Nothing in this section, section 218, or section 218B shall preclude the Secretary of Labor and the Secretary from continuing to apply special procedures and requirements to the admission and employment of aliens in occupations involving the range production of livestock.

''PROCEDURE FOR ADMISSION AND EXTENSION OF STAY OF H–2A WORKERS

''SEC. 218B. (a) PETITIONING FOR ADMISSION.—An employer, or an association acting as an agent or joint employer for its members, that seeks the admission into the United States of an H–2A worker may file a petition with the Secretary. ''(b) EXPEDITED ADJUDICATION BY THE SECRETARY.—The Secretary shall establish a procedure for expedited adjudication of petitions filed under subsection (a) and within 7 working days shall, by fax, cable, or other means assuring expedited delivery, transmit a copy of notice of action on the petition to the petitioner and, in the case of approved petitions, to the appropriate immigration officer at the port of entry or United States consulate (as the case may be) where the petitioner has indicated that the alien beneficiary (or beneficiaries) will apply for a visa or admission to the United States.

''(c) CRITERIA FOR ADMISSIBILITY.—

''(1) IN GENERAL.—An H–2A worker shall be considered admissible to the United States if the alien is otherwise admissible under this section, section 218, and section 218A, and the alien is not ineligible under paragraph (2).

''(2) DISQUALIFICATION.—An alien shall be considered inadmissible to the United States and ineligible for nonimmigrant status under section 101(a)(15)(H)(ii)(a) if the alien has, at any time during the past 5 years—

''(B) otherwise violated a term or condition of admission into the United States as a nonimmigrant, including overstaying the period of authorized admission as such a nonimmigrant.

''(3) WAIVER OF INELIGIBILITY FOR UNLAWFUL PRESENCE.—

''(A) IN GENERAL.—An alien who has not previously been admitted into the United States pursuant to this section, and who is otherwise eligible for admission in accordance with paragraphs (1) and (2), shall not be deemed inadmissible by virtue of section 212(a)(9)(B). If an alien described in the preceding sentence is present in the United States, the alien may apply from abroad for H–2A status, but may not be granted that status in the United States.

''(B) MAINTENANCE OF WAIVER.—An alien provided an initial waiver of ineligibility pursuant to subparagraph (A) shall remain eligible for such waiver unless the alien violates the terms of this section or again becomes ineligible under section 212(a)(9)(B) by virtue of unlawful presence in the United States after the date of the initial waiver of ineligibility pursuant to subparagraph (A).

''(d) PERIOD OF ADMISSION.—

''(1) IN GENERAL.—The alien shall be admitted for the period of employment in the application certified by the Secretary of Labor pursuant to section 218(e)(2)(B), not to exceed 10 months, supplemented by a period of not more than 1 week before the beginning of the period of employment for the purpose of travel to the work site and a period of 14 days following the period of employment for the purpose of departure or extension based on a subsequent offer of employment, except that—

''(A) the alien is not authorized to be employed during such 14-day period except in the employment for which the alien was previously authorized; and

''(B) the total period of employment, including such 14-day period, may not exceed 10 months.

''(2) CONSTRUCTION.—Nothing in this subsection shall limit the authority of the Secretary to extend the stay of the alien under any other provision of this Act.

''(e) ABANDONMENT OF EMPLOYMENT.—

''(1) IN GENERAL.—An alien admitted or provided status under section 101(a)(15)(H)(ii)(a) who abandons the employment which was the basis for such admission or status shall be considered to have failed to maintain nonimmigrant status as an H–2A worker and shall depart the United States or be subject to removal under section 237(a)(1)(C)(i).

''(2) REPORT BY EMPLOYER.—The employer, or association acting as agent for the employer, shall notify the Secretary not later than 7 days after an H–2A worker prematurely abandons employment.

''(3) REMOVAL BY THE SECRETARY.—The Secretary shall promptly remove from the United States any H–2A worker who violates any term or condition of the worker's nonimmigrant status.

''(4) VOLUNTARY TERMINATION.—Notwithstanding paragraph (1), an alien may voluntarily terminate his or her employment if the alien promptly departs the United States upon termination of such employment.

''(f) REPLACEMENT OF ALIEN.—

''(1) IN GENERAL.—Upon presentation of the notice to the Secretary required by subsection (e)(2), the Secretary of State shall promptly issue a visa to, and the Secretary shall admit into the United States, an eligible alien designated by the employer to replace an H–2A worker—

''(A) who abandons or prematurely terminates employment; or

''(B) whose employment is terminated after a United States worker is employed pursuant to section 218(b)(2)(H)(iii), if the United States worker voluntarily departs before the end of the period of intended employment or if the employment termination is for a lawful job-related reason.

''(2) CONSTRUCTION.—Nothing in this subsection is intended to limit any preference required to be accorded United States workers under any other provision of this Act.

''(g) IDENTIFICATION DOCUMENT.—

''(1) IN GENERAL.—Each alien authorized to be admitted under section 101(a)(15)(H)(ii)(a) shall be provided an identification and employment eligibility document to verify eligibility for employment in the United States and verify such person's proper identity.

''(2) REQUIREMENTS.—No identification and employment eligibility document may be issued which does not meet the following requirements:

''(A) The document shall be capable of reliably determining whether—

''(i) the individual with the identification and employment eligibility document whose eligibility is being verified is in fact eligible for employment;

''(ii) the individual whose eligibility is being verified is claiming the identity of another person; and

''(iii) the individual whose eligibility is being verified is authorized to be admitted into, and employed in, the United States as an H–2A worker.

''(B) The document shall be in a form that is resistant to counterfeiting and to tampering.

''(C) The document shall—

''(ii) be compatible with law enforcement databases to determine if the alien has been convicted of criminal offenses.

''(h) EXTENSION OF STAY OF H–2A ALIENS IN THE UNITED STATES.—

''(1) EXTENSION OF STAY.—If an employer seeks approval to employ an H–2A alien who is lawfully present in the United States, the petition filed by the employer or an association pursuant to subsection (a), shall request an extension of the alien's stay and a change in the alien's employment.

''(2) LIMITATION ON FILING A PETITION FOR EXTENSION OF STAY.—A petition may not be filed for an extension of an alien's stay—

''(A) for a period of more than 10 months; or

''(B) to a date that is more than 3 years after the date of the alien's last admission to the United States under this section.

''(3) WORK AUTHORIZATION UPON FILING A PETITION FOR EXTENSION OF STAY.—

''(A) IN GENERAL.—An alien who is lawfully present in the United States may commence the employment described in a petition

under paragraph (1) on the date on which the petition is filed.

''(B) DEFINITION.—For purposes of subparagraph (A), the term 'file' means sending the petition by certified mail via the United States Postal Service, return receipt requested, or delivered by guaranteed commercial delivery which will provide the employer with a documented acknowledgment of the date of receipt of the petition.

''(C) HANDLING OF PETITION.—The employer shall provide a copy of the employer's petition to the alien, who shall keep the petition with the alien's identification and employment eligibility document as evidence that the petition has been filed and that the alien is authorized to work in the United States.

''(D) APPROVAL OF PETITION.—Upon approval of a petition for an extension of stay or change in the alien's authorized employment, the Secretary shall provide a new or updated employment eligibility document to the alien indicating the new validity date, after which the alien is not required to retain a copy of the petition.

''(4) LIMITATION ON EMPLOYMENT AUTHORIZATION OF ALIENS WITHOUT VALID IDENTIFICATION AND EMPLOYMENT ELIGIBILITY DOCUMENT.—An expired identification and employment eligibility document, together with a copy of a petition for extension of stay or change in the alien's authorized employment that complies with the requirements of paragraph (1), shall constitute a valid work authorization document for a period of not more than 60 days beginning on the date on which such petition is filed, after which time only a currently valid identification and employment eligibility document shall be acceptable.

''(5) LIMITATION ON AN INDIVIDUAL'S STAY IN STATUS.—

''(A) MAXIMUM PERIOD.—The maximum continuous period of authorized status as an H–2A worker (including any extensions) is 3 years.

''(B) REQUIREMENT TO REMAIN OUTSIDE THE UNITED STATES.—

''(i) IN GENERAL.—Subject to clause (ii), in the case of an alien outside the United States whose period of authorized status as an H–2A worker (including any extensions) has expired, the alien may not again apply for admission to the United States as an H–2A worker unless the alien has remained outside the United States for a continuous period equal to at least ⅙ the duration of the alien's previous period of authorized status as an H–2A worker (including any extensions).

''(ii) EXCEPTION.—Clause (i) shall not apply in the case of an alien if the alien's period of authorized status as an H–2A worker (including any extensions) was for a period of not more than 10 months and such alien has been outside the United States for at least 2 months during the 12 months preceding the date the alien again is applying for admission to the United States as an H–2A worker.

''(i) SPECIAL RULES FOR ALIENS EMPLOYED AS SHEEPHERDERS.—Notwithstanding any provision of the Agricultural Job Opportunity, Benefits, and Security Act of 2005, aliens admitted under section 101(a)(15)(H)(ii)(a) for employment as sheepherders—

''WORKER PROTECTIONS AND LABOR STANDARDS ENFORCEMENT

''SEC. 218C. (a) ENFORCEMENT AUTHORITY.—

''(1) INVESTIGATION OF COMPLAINTS.—

''(A) AGGRIEVED PERSON OR THIRD-PARTY COMPLAINTS.—The Secretary of Labor shall establish a process for the receipt, investigation, and disposition of complaints respecting a petitioner's failure to meet a condition specified in section 218(b), or an employer's misrepresentation of material facts in an application under section 218(a). Complaints may be filed by any aggrieved person or organization (including bargaining representatives). No investigation or hearing shall be conducted on a complaint concerning such a failure or misrepresentation unless the complaint was filed not later than 12 months after the date of the failure, or misrepresentation, respectively. The Secretary of Labor shall conduct an investigation under this subparagraph if there is reasonable cause to believe that such a failure or misrepresentation has occurred.

''(B) DETERMINATION ON COMPLAINT.—Under such process, the Secretary of Labor shall provide, within 30 days after the date such a complaint is filed, for a determination as to whether or not a reasonable basis exists to make a finding described in subparagraph (C), (D), (E), or (H). If the Secretary of Labor determines that such a reasonable basis exists, the Secretary of Labor shall provide for notice of such determination to the interested parties and an opportunity for a hearing on the complaint, in accordance with section 556 of title 5, United States Code, within 60 days after the date of the determination. If such a hearing is requested, the Secretary of Labor shall make a finding concerning the matter not later than 60 days after the date of the hearing. In the case of similar complaints respecting the same applicant, the Secretary of Labor may consolidate the hearings under this subparagraph on such complaints.

''(C) FAILURES TO MEET CONDITIONS.—If the Secretary of Labor finds, after notice and opportunity for a hearing, a failure to meet a condition of paragraph (1)(A), (1)(B), (1)(D), (1)(F), (2)(A), (2)(B), or (2)(G) of section 218(b), a substantial failure to meet a condition of paragraph (1)(C), (1)(E), (2)(C), (2)(D), (2)(E), or (2)(H) of section 218(b), or a material misrepresentation of fact in an application under section 218(a)—

''(i) the Secretary of Labor shall notify the Secretary of such finding and may, in addition, impose such other administrative remedies (including civil money penalties in an amount not to exceed $1,000 per violation) as the Secretary of Labor determines to be appropriate; and

''(ii) the Secretary may disqualify the employer from the employment of aliens described in section 101(a)(15)(H)(ii)(a) for a period of 1 year.

''(D) WILLFUL FAILURES AND WILLFUL MISREPRESENTATIONS.—If the Secretary of Labor finds, after notice and opportunity for hearing, a willful failure to meet a condition of section 218(b), a willful misrepresentation of a material fact in an application under section 218(a), or a violation of subsection (d)(1)—

The back wages or other required benefits under section 218A(b) shall be equal to the difference between the amount that should have been paid and the amount that actually was paid to such worker.

''(2) STATUTORY CONSTRUCTION.—Nothing in this section shall be construed as limiting the authority of the Secretary of Labor to conduct any compliance investigation under any other labor law, including any law affecting migrant and seasonal agricultural workers, or, in the absence of a complaint under this section, under section 218 or 218A.

''(b) RIGHTS ENFORCEABLE BY PRIVATE RIGHT OF ACTION.—H–2A workers may enforce the following rights through the private right of action provided in subsection (c), and no other right of action shall exist under Federal or State law to enforce such rights:

''(6) The motor vehicle safety requirements under section 218A(b)(5).

''(7) The prohibition of discrimination under subsection (d)(2).

''(c) PRIVATE RIGHT OF ACTION.—

''(1) MEDIATION.—Upon the filing of a complaint by an H–2A worker aggrieved by a violation of rights enforceable under subsection (b), and within 60 days of the filing of proof of service of the complaint, a party to the action may file a request with the Federal Mediation and Conciliation Service to assist the parties in reaching a satisfactory resolution of all issues involving all parties to the dispute. Upon a filing of such request and

giving of notice to the parties, the parties shall attempt mediation within the period specified in subparagraph (B).

''(ii) MEDIATION.—Notwithstanding any other provision of law, the Director of the Federal Mediation and Conciliation Service is authorized to conduct the mediation or other dispute resolution activities from any other appropriated funds available to the Director and to reimburse such appropriated funds when the funds are appropriated pursuant to this authorization, such reimbursement to be credited to appropriations currently available at the time of receipt.

''(2) MAINTENANCE OF CIVIL ACTION IN DISTRICT COURT BY AGGRIEVED PERSON.—An H–2A worker aggrieved by a violation of rights enforceable under subsection (b) by an agricultural employer or other person may file suit in any district court of the United States having jurisdiction of the parties, without regard to the amount in controversy, without regard to the citizenship of the parties, and without regard to the exhaustion of any alternative administrative remedies under this Act, not later than 3 years after the date the violation occurs.

''(3) ELECTION.—An H–2A worker who has filed an administrative complaint with the Secretary of Labor may not maintain a civil action under paragraph (2) unless a complaint based on the same violation filed with the Secretary of Labor under subsection (a)(1) is withdrawn before the filing of such action, in which case the rights and remedies available under this subsection shall be exclusive.

''(4) PREEMPTION OF STATE CONTRACT RIGHTS.—Nothing in this Act shall be construed to diminish the rights and remedies of an H–2A worker under any other Federal or State law or regulation or under any collective bargaining agreement, except that no court or administrative action shall be available under any State contract law to enforce the rights created by this Act.

''(5) WAIVER OF RIGHTS PROHIBITED.—Agreements by employees purporting to waive or modify their rights under this Act shall be void as contrary to public policy, except that a waiver or modification of the rights or obligations in favor of the Secretary of Labor shall be valid for purposes of the enforcement of this Act. The preceding sentence may not be construed to prohibit agreements to settle private disputes or litigation.

''(6) AWARD OF DAMAGES OR OTHER EQUITABLE RELIEF.—

''(A) If the court finds that the respondent has intentionally violated any of the rights enforceable under subsection (b), it shall award actual damages, if any, or equitable relief.

''(B) Any civil action brought under this section shall be subject to appeal as provided in chapter 83 of title 28, United States Code.

''(7) WORKERS' COMPENSATION BENEFITS; EXCLUSIVE REMEDY.—

''(A) Notwithstanding any other provision of this section, where a State's workers' compensation law is applicable and coverage is provided for an H–2A worker, the workers' compensation benefits shall be the exclusive remedy for the loss of such worker under this section in the case of bodily injury or death in accordance with such State's workers' compensation law.

''(B) The exclusive remedy prescribed in subparagraph (A) precludes the recovery under paragraph (6) of actual damages for loss from an injury or death but does not preclude other equitable relief, except that such relief shall not include back or front pay or in any manner, directly or indirectly, expand or otherwise alter or affect—

''(i) a recovery under a State workers' compensation law; or

''(ii) rights conferred under a State workers' compensation law.

''(8) TOLLING OF STATUTE OF LIMITATIONS.—If it is determined under a State workers' compensation law that the workers' compensation law is not applicable to a claim for bodily injury or death of an H–2A worker, the statute of limitations for bringing an action for actual damages for such injury or death under subsection (c) shall be tolled for the period during which the claim for such injury or death under such State workers' compensation law was pending. The statute of limitations for an action for actual damages or other equitable relief arising out of the same transaction or occurrence as the injury or death of the H–2A worker shall be tolled for the period during which the claim for such injury or death was pending under the State workers' compensation law.

''(9) PRECLUSIVE EFFECT.—Any settlement by an H–2A worker and H–2A employer reached through the mediation process required under subsection (c)(1) shall preclude any right of action arising out of the same facts between the parties in any Federal or State court or administrative proceeding, unless specifically provided otherwise in the settlement agreement.

''(10) SETTLEMENTS.—Any settlement by the Secretary of Labor with an H–2A employer on behalf of an H–2A worker of a complaint filed with the Secretary of Labor under this section or any finding by the Secretary of Labor under subsection (a)(1)(B) shall preclude any right of action arising out of the same facts between the parties under any Federal or State court or administrative proceeding, unless specifically provided otherwise in the settlement agreement.

''(d) DISCRIMINATION PROHIBITED.—

''(1) IN GENERAL.—It is a violation of this subsection for any person who has filed an application under section 218(a), to intimidate, threaten, restrain, coerce, blacklist, discharge, or in any other manner discriminate against an employee (which term, for purposes of this subsection, includes a former employee and an applicant for employment) because the employee has disclosed information to the employer, or to any other person, that the employee reasonably believes evidences a violation of section 218 or 218A or any rule or regulation pertaining to section 218 or 218A, or because the employee cooperates or seeks to cooperate in an investigation or other proceeding concerning the employer's compliance with the requirements of section 218 or 218A or any rule or regulation pertaining to either of such sections.

''(2) DISCRIMINATION AGAINST H–2A WORKERS.—It is a violation of this subsection for any person who has filed an application under section 218(a), to intimidate, threaten, restrain, coerce, blacklist, discharge, or in any manner discriminate against an H–2A employee because such worker has, with just cause, filed a complaint with the Secretary of Labor regarding a denial of the rights enumerated and enforceable under subsection (b) or instituted, or caused to be instituted, a private right of action under subsection (c) regarding the denial of the rights enumerated under subsection (b), or has testified or is about to testify in any court proceeding brought under subsection (c).

''(e) AUTHORIZATION TO SEEK OTHER APPROPRIATE EMPLOYMENT.—The Secretary of Labor and the Secretary shall establish a process under which an H–2A worker who files a complaint regarding a violation of subsection (d) and is otherwise eligible to remain and work in the United States may be allowed to seek other appropriate employment in the United States for a period not to exceed the maximum period of stay authorized for such nonimmigrant classification.

''(f) ROLE OF ASSOCIATIONS.—

''(1) VIOLATION BY A MEMBER OF AN ASSOCIATION.—An employer on whose behalf an application is filed by an association acting as its agent is fully responsible for such application, and for complying with the terms and conditions of sections 218 and 218A, as though the employer had filed the application itself. If such an employer is determined, under this section, to have committed a violation, the penalty for such violation shall apply only to that member of the association unless the Secretary of Labor determines that the association or other member participated in, had knowledge, or reason to know, of the violation, in which case the penalty shall be invoked against the association or other association member as well.

''(2) VIOLATIONS BY AN ASSOCIATION ACTING AS AN EMPLOYER.—If an association filing an application as a sole or joint employer is determined to have committed a violation under this section, the penalty for such violation shall apply only to the association unless the Secretary of Labor determines that an association member or members participated in or had knowledge, or reason to know of the violation, in which case the penalty shall be invoked against the association member or members as well.

(B) GROUNDS FOR TERMINATION OF TEMPORARY RESIDENT STATUS.—Before any alien becomes eligible for adjustment of status under subsection (c), the Secretary may deny adjustment to permanent resident status and provide for termination of the temporary resident status granted such alien under paragraph (1) if—

(i) the Secretary finds, by a preponderance of the evidence, that the adjustment to temporary resident status was the result of fraud or willful misrepresentation (as described in section 212(a)(6)(C)(i) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(6)(C)(i)); or

(ii) the alien—

(ii) provide a copy of such record to the Secretary.

(2) DELAYED ELIGIBILITY FOR CERTAIN FEDERAL PUBLIC BENEFITS.—An alien who acquires the status of an alien lawfully admitted for temporary residence under subsection (a) as described in paragraph (1) shall not be eligible, by reason of such acquisition of that status, for any form of assistance or benefit described in section 403(a) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (8 U.S.C. 1613(a)) until 5 years after the date on which the Secretary confers permanent resident status upon that alien under subsection (a).

(B) TREATMENT OF COMPLAINTS.—

(i) ESTABLISHMENT OF PROCESS.—The Secretary shall establish a process for the receipt, initial review, and disposition in accordance with this subparagraph of complaints by aliens granted temporary resident status under subsection (a) who allege that they have been terminated without just cause. No proceeding shall be conducted under this subparagraph with respect to a termination unless the Secretary determines that the complaint was filed not later than 6 months after the date of the termination.

(ii) INITIATION OF ARBITRATION.—If the Secretary finds that a complaint has been filed in accordance with clause (i) and there is reasonable cause to believe that the complainant was terminated without just cause, the Secretary shall initiate binding arbitration proceedings by requesting the Federal Mediation and Conciliation Service to appoint a mutually agreeable arbitrator from the roster of arbitrators maintained by such Service for the geographical area in which the employer is located. The procedures and rules of such Service shall be applicable to the selection of such arbitrator and to such arbitration proceedings. The Secretary shall pay the fee and expenses of the arbitrator, subject to the availability of appropriations for such purpose.

The arbitrator shall make findings respecting whether the termination was for just cause. The arbitrator may not find that the termination was for just cause unless the employer so demonstrates by a preponderance of the evidence. If the arbitrator finds that the termination was not for just cause, the arbitrator shall make a specific finding of the number of days or hours of work lost by the employee as a result of the termination. The arbitrator shall have no authority to order any other remedy, including, but not limited to, reinstatement, back pay, or front pay to the affected employee. Within 30 days from the conclusion of the arbitration proceeding, the arbitrator shall transmit the findings in the form of a written opinion to the parties to the arbitration and the Secretary. Such findings shall be final and conclusive, and no official or court of the United States shall have the power or jurisdiction to review any such findings.

(iv) EFFECT OF ARBITRATION FINDINGS.—If the Secretary receives a finding of an arbitrator that an employer has terminated an alien granted temporary resident status under subsection (a) without just cause, the Secretary shall credit the alien for the number of days or hours of work lost for purposes of the requirement of subsection (c)(1).

(v) TREATMENT OF ATTORNEY'S FEES.—The parties shall bear the cost of their own attorney's fees involved in the litigation of the complaint.

(vi) NONEXCLUSIVE REMEDY.—The complaint process provided for in this subparagraph is in addition to any other rights an employee may have in accordance with applicable law.

(vii) EFFECT ON OTHER ACTIONS OR PROCEEDINGS.—Any finding of fact or law, judgment, conclusion, or final order made by an arbitrator in the proceeding before the Secretary shall not be conclusive or binding in any separate or subsequent action or proceeding between the employee and the employee's current or prior employer brought before an arbitrator, administrative agency, court, or judge of any State or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts, except that the arbitrator's specific finding of the number of days or hours of work lost by the employee as a result of the employment termination may be referred to the Secretary pursuant to clause (iv).

(C) CIVIL PENALTIES.—

(i) IN GENERAL.—If the Secretary finds, after notice and opportunity for a hearing, that an employer of an alien granted temporary resident status under subsection (a) has failed to provide the record of employment required under subsection (a)(5) or has provided a false statement of material fact in such a record, the employer shall be subject to a civil money penalty in an amount not to exceed $1,000 per violation.

(A) IN GENERAL.—Except as provided in subparagraph (B), the Secretary shall adjust the status of an alien granted lawful temporary resident status under subsection (a) to that of an alien lawfully admitted for permanent residence if the Secretary determines that the following requirements are satisfied:

(i) QUALIFYING EMPLOYMENT.—The alien has performed at least 360 work days or 2,060 hours, but in no case less than 2,060 hours, of agricultural employment in the United States, during the 6-year period beginning after the date of enactment of this Act.

(ii) QUALIFYING YEARS.—The alien has performed at least 75 work days or 430 hours, but in no case less than 430 hours, of agricultural employment in the United States in at least 3 nonoverlapping periods of 12 consecutive months during the 6-year period beginning after the date of enactment of this Act. Qualifying periods under this clause may include nonconsecutive 12-month periods.

(iii) QUALIFYING WORK IN FIRST 3 YEARS.—The alien has performed at least 240 work days or 1,380 hours, but in no case less than 1,380 hours, of agricultural employment during the 3-year period beginning after the date of enactment of this Act.

(iv) APPLICATION PERIOD.—The alien applies for adjustment of status not later than 7 years after the date of enactment of this Act.

(v) PROOF.—In meeting the requirements of clauses (i), (ii), and (iii), an alien may submit the record of employment described in subsection (a)(5) or such documentation as may be submitted under subsection (d)(3).

(vi) DISABILITY.—In determining whether an alien has met the requirements of clauses (i), (ii), and (iii), the Secretary shall credit the alien with any work days lost because the alien was unable to work in agricultural employment due to injury or disease arising out of and in the course of the alien's agricultural employment, if the alien can establish such disabling injury or disease through medical records.

(B) GROUNDS FOR DENIAL OF ADJUSTMENT OF STATUS.—The Secretary may deny an alien adjustment to permanent resident status, and provide for termination of the temporary resident status granted such alien under subsection (a), if—

(i) the Secretary finds by a preponderance of the evidence that the adjustment to temporary resident status was the result of fraud or willful misrepresentation, as described in section 212(a)(6)(C)(i) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(6)(C)(i)); or

(ii) the alien—

(I) commits an act that makes the alien inadmissible to the United States under section 212 of the Immigration and Nationality Act (8 U.S.C. 1182), except as provided under subsection (e)(2);

(II) is convicted of a felony or 3 or more misdemeanors committed in the United States; or

(III) is convicted of a single misdemeanor for which the actual sentence served is 6 months or longer.

(C) GROUNDS FOR REMOVAL.—Any alien granted temporary resident status under subsection (a) who does not apply for adjustment of status under this subsection before the expiration of the application period described in subparagraph (A)(iv), or who fails to meet the other requirements of subparagraph (A) by the end of the applicable period, is deportable and may be removed under section 240 of the Immigration and Nationality Act (8 U.S.C. 1229a). The Secretary shall issue regulations establishing grounds to waive subparagraph (A)(iii) with respect to an alien who has completed at least 200 days of the work requirement specified in such subparagraph in the event of a natural disaster which substantially limits the availability of agricultural employment or a personal emergency that prevents compliance with such subparagraph.

(2) SPOUSES AND MINOR CHILDREN.—

(A) IN GENERAL.—Notwithstanding any other provision of law, the Secretary shall confer the status of lawful permanent resident on the spouse and minor child of an alien granted status under paragraph (1), including any individual who was a minor child on the date such alien was granted temporary resident status, if the spouse or minor child applies for such status, or if the principal alien includes the spouse or minor child in an application for adjustment of status to that of a lawful permanent resident.

(B) TREATMENT OF SPOUSES AND MINOR CHILDREN BEFORE ADJUSTMENT OF STATUS.—A spouse and minor child of an alien granted temporary resident status under subsection (a) may not be—

(i) removed while such alien maintains such status, except as provided in subparagraph (C); and

(ii) granted authorization to engage in employment in the United States or be provided an ''employment authorized'' endorsement or other work permit, unless such employment authorization is granted under another provision of law.

(C) GROUNDS FOR DENIAL OF ADJUSTMENT OF STATUS AND REMOVAL.—The Secretary may deny an alien spouse or child adjustment of status under subparagraph (A) and may remove such spouse or child under section 240 of the Immigration and Nationality Act (8 U.S.C. 1229a) if the spouse or child—

(i) commits an act that makes the alien spouse or child inadmissible to the United States under section 212 of such Act (8 U.S.C. 1182), except as provided under subsection (e)(2);

(ii) is convicted of a felony or 3 or more misdemeanors committed in the United States; or

(d) APPLICATIONS.—

(1) TO WHOM MAY BE MADE.—

(A) WITHIN THE UNITED STATES.—The Secretary shall provide that—

(i) applications for temporary resident status under subsection (a) may be filed—

(I) with the Secretary, but only if the applicant is represented by an attorney; or

(II) with a qualified designated entity (designated under paragraph (2)), but only if the applicant consents to the forwarding of the application to the Secretary; and

(ii) applications for adjustment of status under subsection (c) shall be filed directly with the Secretary.

(B) OUTSIDE THE UNITED STATES.—The Secretary, in cooperation with the Secretary of State, shall establish a procedure whereby an alien may apply for temporary resident status under subsection (a) at an appropriate consular office outside the United States.

(C) PRELIMINARY APPLICATIONS.—

(i) IN GENERAL.—During the application period described in subsection (a)(1)(B), the Secretary may grant admission to the United States as a temporary resident and provide an ''employment authorized'' endorsement or other appropriate work permit to any alien who presents a preliminary application for such status under subsection (a) at a designated port of entry on the southern land border of the United States. An alien who does not enter through a port of entry is subject to deportation and removal as otherwise provided in this Act.

(ii) DEFINITION.—For purposes of clause (i), the term ''preliminary application'' means a fully completed and signed application which contains specific information concerning the performance of qualifying employment in the United States, together with the payment of the appropriate fee and the submission of photographs and the documentary evidence which the applicant intends to submit as proof of such employment.

(iii) ELIGIBILITY.—An applicant under clause (i) shall otherwise be admissible to the United States under subsection (e)(2) and shall establish to the satisfaction of the examining officer during an interview that the applicant's claim to eligibility for temporary resident status is credible.

(D) TRAVEL DOCUMENTATION.—The Secretary shall provide each alien granted status under this section with a counterfeit-resistant document of authorization to enter or reenter the United States that meets the requirements established by the Secretary.

(2) DESIGNATION OF ENTITIES TO RECEIVE APPLICATIONS.—

(A) IN GENERAL.—For purposes of receiving applications under subsection (a), the Secretary—

(i) shall designate qualified farm labor organizations and associations of employers; and

(ii) may designate such other persons as the Secretary determines are qualified and have substantial experience, demonstrate competence, and have traditional long-term involvement in the preparation and submission of applications for adjustment of status under section 209, 210, or 245 of the Immigration and Nationality Act, Public Law 8909732, Public Law 9509145, or the Immigration Reform and Control Act of 1986.

(B) REFERENCES.—Organizations, associations, and persons designated under subparagraph (A) are referred to in this Act as ''qualified designated entities''.

The Secretary shall establish special procedures to properly credit work in cases in which an alien was employed under an assumed name.

(B) DOCUMENTATION OF WORK HISTORY.—

(i) BURDEN OF PROOF.—An alien applying for status under subsection (a)(1) or (c)(1) has the burden of proving by a preponderance of the evidence that the alien has worked the requisite number of hours or days (as required under subsection (a)(1)(A) or (c)(1)(A)).

(ii) TIMELY PRODUCTION OF RECORDS.—If an employer or farm labor contractor employing such an alien has kept proper and adequate records respecting such employment, the alien's burden of proof under clause (i) may be met by securing timely production of those records under regulations to be promulgated by the Secretary.

(iii) SUFFICIENT EVIDENCE.—An alien can meet the burden of proof under clause (i) to establish that the alien has performed the work described in subsection (a)(1)(A) or (c)(1)(A) by producing sufficient evidence to show the extent of that employment as a matter of just and reasonable inference.

(4) TREATMENT OF APPLICATIONS BY QUALIFIED DESIGNATED ENTITIES.—Each qualified designated entity shall agree to forward to the Secretary applications filed with it in accordance with paragraph (1)(A)(i)(II) but shall not forward to the Secretary applications filed with it unless the applicant has consented to such forwarding. No such entity may make a determination required by this section to be made by the Secretary. Upon the request of the alien, a qualified designated entity shall assist the alien in obtaining documentation of the work history of the alien.

(5) LIMITATION ON ACCESS TO INFORMATION.—Files and records prepared for purposes of this subsection by qualified designated entities operating under this subsection are confidential and the Secretary shall not have access to such files or records relating to an alien without the consent of the alien, except as allowed by a court order issued pursuant to paragraph (6).

(6) CONFIDENTIALITY OF INFORMATION.—

(A) IN GENERAL.—Except as otherwise provided in this subsection, neither the Secretary, nor any other official or employee of the Department of Homeland Security, or bureau or agency thereof, may—

(i) use the information furnished by the applicant pursuant to an application filed under this section, the information provided to the applicant by a person designated under paragraph (2)(A), or any information provided by an employer or former employer, for any purpose other than to make a determination on the application, or for enforcement of paragraph (7);

(ii) make any publication whereby the information furnished by any particular individual can be identified; or

(i) a duly recognized law enforcement entity in connection with a criminal investigation or prosecution, if such information is requested in writing by such entity; or

(ii) an official coroner, for purposes of affirmatively identifying a deceased individual, whether or not the death of such individual resulted from a crime.

(C) CONSTRUCTION.—

(i) IN GENERAL.—Nothing in this paragraph shall be construed to limit the use, or release, for immigration enforcement purposes or law enforcement purposes of information contained in files or records of the Department of Homeland Security pertaining to an application filed under this section, other than information furnished by an applicant pursuant to the application, or any other information derived from the application, that is not available from any other source.

(ii) CRIMINAL CONVICTIONS.—Information concerning whether the applicant has at any time been convicted of a crime may be used or released for immigration enforcement or law enforcement purposes.

(7) PENALTIES FOR FALSE STATEMENTS IN APPLICATIONS.—

(A) CRIMINAL PENALTY.—Any person who—

(i) files an application for status under subsection (a) or (c) and knowingly and willfully falsifies, conceals, or covers up a material fact or makes any false, fictitious, or fraudulent statements or representations, or makes or uses any false writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry; or

(ii) creates or supplies a false writing or document for use in making such an application,

shall be fined in accordance with title 18, United States Code, imprisoned not more than 5 years, or both.

(B) INADMISSIBILITY.—An alien who is convicted of a crime under subparagraph (A) shall be considered to be inadmissible to the United States on the ground described in section 212(a)(6)(C)(i) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(6)(C)(i)).

(C) DISPOSITION OF FEES.—

(i) IN GENERAL.—There is established in the general fund of the Treasury a separate account, which shall be known as the ''Agricultural Worker Immigration Status Adjustment Account''. Notwithstanding any other provision of law, there shall be deposited as offsetting receipts into the account all fees collected under subparagraph (A)(i).

(ii) USE OF FEES FOR APPLICATION PROCESSING.—Amounts deposited in the ''Agricultural Worker Immigration Status Adjustment Account'' shall remain available to the Secretary until expended for processing applications for status under subsections (a) and (c).

(e) WAIVER OF NUMERICAL LIMITATIONS AND CERTAIN GROUNDS FOR INADMISSIBILITY.—

(1) NUMERICAL LIMITATIONS DO NOT APPLY.—The numerical limitations of sections 201 and 202 of the Immigration and Nationality Act (8 U.S.C. 1151 and 1152) shall not apply to the adjustment of aliens to lawful permanent resident status under this section.

(2) WAIVER OF CERTAIN GROUNDS OF INADMISSIBILITY.—In the determination of an alien's eligibility for status under subsection (a)(1)(C) or an alien's eligibility for adjustment of status under subsection (c)(1)(B)(ii)(I), the following rules shall apply:

(A) GROUNDS OF EXCLUSION NOT APPLICABLE.—The provisions of paragraphs (5), (6)(A), (7)(A), and (9)(B) of section 212(a) of the Immigration and Nationality Act (8 U.S.C. 1182(a)) shall not apply.

(B) WAIVER OF OTHER GROUNDS.—

(i) IN GENERAL.—Except as provided in clause (ii), the Secretary may waive any other provision of such section 212(a) in the case of individual aliens for humanitarian purposes, to ensure family unity, or if otherwise in the public interest.

(C) SPECIAL RULE FOR DETERMINATION OF PUBLIC CHARGE.—An alien is not ineligible for status under this section by reason of a ground of inadmissibility under section 212(a)(4) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(4)) if the alien demonstrates a history of employment in the United States evidencing self-support without reliance on public cash assistance.

(f) TEMPORARY STAY OF REMOVAL AND WORK AUTHORIZATION FOR CERTAIN APPLICANTS.—

(1) BEFORE APPLICATION PERIOD.—Effective on the date of enactment of this Act, the Secretary shall provide that, in the case of an alien who is apprehended before the beginning of the application period described in subsection (a)(1)(B) and who can establish a nonfrivolous case of eligibility for temporary resident status under subsection (a) (but for the fact that the alien may not apply for such status until the beginning of such period), until the alien has had the opportunity during the first 30 days of the application period to complete the filing of an application for temporary resident status, the alien—

(A) may not be removed; and

(B) shall be granted authorization to engage in employment in the United States and be provided an ''employment authorized'' endorsement or other appropriate work permit for such purpose.

(3) JUDICIAL REVIEW.—

(A) LIMITATION TO REVIEW OF REMOVAL.—There shall be judicial review of such a determination only in the judicial review of an order of removal under section 242 of the Immigration and Nationality Act (8 U.S.C. 1252).

(B) STANDARD FOR JUDICIAL REVIEW.—Such judicial review shall be based solely upon the administrative record established at the time of the review by the appellate authority and the findings of fact and determinations contained in such record shall be conclusive unless the applicant can establish abuse of discretion or that the findings are directly contrary to clear and convincing facts contained in the record considered as a whole.

(h) DISSEMINATION OF INFORMATION ON ADJUSTMENT PROGRAM.—Beginning not later than the first day of the application period described in subsection (a)(1)(B), the Secretary, in cooperation with qualified designated entities, shall broadly disseminate information respecting the benefits that aliens may receive under this section and the requirements to be satisfied to obtain such benefits.

''(b) MINIMUM BENEFITS, WAGES, AND WORKING CONDITIONS.—Except in cases where higher benefits, wages, or working conditions are required by the provisions of subsection (a), in order to protect similarly employed United States workers from adverse effects with respect to benefits, wages, and working conditions, every job offer which shall accompany an application under section 218(b)(2) shall include each of the following benefit, wage, and working condition provisions:

''(1) REQUIREMENT TO PROVIDE HOUSING OR A HOUSING ALLOWANCE.—

''(A) IN GENERAL.—An employer applying under section 218(a) for H–2A workers shall offer to provide housing at no cost to all workers in job opportunities for which the employer has applied under that section and to all other workers in the same occupation at the place of employment, whose place of residence is beyond normal commuting distance.

''(B) TYPE OF HOUSING.—In complying with subparagraph (A), an employer may, at the employer's election, provide housing that meets applicable Federal standards for temporary labor camps or secure housing that meets applicable local standards for rental or public accommodation housing or other substantially similar class of habitation, or in the absence of applicable local standards, State standards for rental or public accommodation housing or other substantially similar class of habitation. In the absence of applicable local or State standards, Federal temporary labor camp standards shall apply.

''(C) FAMILY HOUSING.—When it is the prevailing practice in the occupation and area of intended employment to provide family housing, family housing shall be provided to workers with families who request it.

''(D) WORKERS ENGAGED IN THE RANGE PRODUCTION OF LIVESTOCK.—The Secretary of Labor shall issue regulations that address the specific requirements for the provision of housing to workers engaged in the range production of livestock.

''(E) LIMITATION.—Nothing in this paragraph shall be construed to require an employer to provide or secure housing for persons who were not entitled to such housing under the temporary labor certification regulations in effect on June 1, 1986.

''(F) CHARGES FOR HOUSING.—

''(i) CHARGES FOR PUBLIC HOUSING.—If public housing provided for migrant agricultural workers under the auspices of a local, county, or State government is secured by an employer, and use of the public housing unit normally requires charges from migrant workers, such charges shall be paid by the employer directly to the appropriate individual or entity affiliated with the housing's management.

''(ii) DEPOSIT CHARGES.—Charges in the form of deposits for bedding or other similar incidentals related to housing shall not be levied upon workers by employers who provide housing for their workers. An employer may require a worker found to have been responsible for damage to such housing which is not the result of normal wear and tear related to habitation to reimburse the employer for the reasonable cost of repair of such damage.

''(G) HOUSING ALLOWANCE AS ALTERNATIVE.—

''(i) IN GENERAL.—If the requirement under clause (ii) is satisfied, the employer may provide a reasonable housing allowance instead of offering housing under subparagraph (A). Upon the request of a worker seeking assistance in locating housing, the employer shall make a good faith effort to assist the worker in identifying and locating housing in the area of intended employment. An employer who offers a housing allowance to a worker, or assists a worker in locating housing which the worker occupies, pursuant to this clause shall not be deemed a housing provider under section 203 of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1823) solely by virtue of providing such housing allowance. No housing allowance may be used for housing which is owned or controlled by the employer.

''(ii) CERTIFICATION.—The requirement of this clause is satisfied if the Governor of the State certifies to the Secretary of Labor that there is adequate housing available in the area of intended employment for migrant farm workers, and H–2A workers, who are seeking temporary housing while employed at farm work. Such certification shall expire after 3 years unless renewed by the Governor of the State.

''(iii) AMOUNT OF ALLOWANCE.—

''(I) NONMETROPOLITAN COUNTIES.—If the place of employment of the workers provided an allowance under this subparagraph is a nonmetropolitan county, the amount of the housing allowance under this subparagraph shall be equal to the statewide average fair market rental for existing housing for nonmetropolitan counties for the State, as established by the Secretary of Housing and Urban Development pursuant to section 8(c) of the United States Housing Act of 1937 (42 U.S.C. 1437f(c)), based on a 2 bedroom dwelling unit and an assumption of 2 persons per bedroom.

''(II) METROPOLITAN COUNTIES.—If the place of employment of the workers provided an allowance under this paragraph is in a metropolitan county, the amount of the housing allowance under this subparagraph shall be equal to the statewide average fair market rental for existing housing for metropolitan counties for the State, as established by the Secretary of Housing and Urban Development pursuant to section 8(c) of the United States Housing Act of 1937 (42 U.S.C. 1437f(c)), based on a 2-bedroom dwelling unit and an assumption of 2 persons per bedroom.

''(2) REIMBURSEMENT OF TRANSPORTATION.—

''(A) TO PLACE OF EMPLOYMENT.—A worker who completes 50 percent of the period of employment of the job opportunity for which the worker was hired shall be reimbursed by the employer for the cost of the worker's transportation and subsistence from the place from which the worker came to work for the employer (or place of last employment, if the worker traveled from such place) to the place of employment.

''(B) FROM PLACE OF EMPLOYMENT.—A worker who completes the period of employment for the job opportunity involved shall be reimbursed by the employer for the cost of the worker's transportation and subsistence from the place of employment to the place from which the worker, disregarding intervening employment, came to work for

the employer, or to the place of next employment, if the worker has contracted with a subsequent employer who has not agreed to provide or pay for the worker's transportation and subsistence to such subsequent employer's place of employment.

''(C) LIMITATION.—

''(i) AMOUNT OF REIMBURSEMENT.—Except as provided in clause (ii), the amount of reimbursement provided under subparagraph (A) or (B) to a worker or alien shall not exceed the lesser of—

''(I) the actual cost to the worker or alien of the transportation and subsistence involved; or

''(II) the most economical and reasonable common carrier transportation charges and subsistence costs for the distance involved.

''(ii) DISTANCE TRAVELED.—No reimbursement under subparagraph (A) or (B) shall be required if the distance traveled is 100 miles or less, or the worker is not residing in employer-provided housing or housing secured through an allowance as provided in paragraph (1)(G).

''(D) EARLY TERMINATION.—If the worker is laid off or employment is terminated for contract impossibility (as described in paragraph (4)(D)) before the anticipated ending date of employment, the employer shall provide the transportation and subsistence required by subparagraph (B) and, notwithstanding whether the worker has completed 50 percent of the period of employment, shall provide the transportation reimbursement required by subparagraph (A).

''(E) TRANSPORTATION BETWEEN LIVING QUARTERS AND WORK SITE.—The employer shall provide transportation between the worker's living quarters and the employer's work site without cost to the worker, and such transportation will be in accordance with applicable laws and regulations.

''(3) REQUIRED WAGES.—

''(A) IN GENERAL.—An employer applying for workers under section 218(a) shall offer to pay, and shall pay, all workers in the occupation for which the employer has applied for workers, not less (and is not required to pay more) than the greater of the prevailing wage in the occupation in the area of intended employment or the adverse effect wage rate. No worker shall be paid less than the greater of the hourly wage prescribed under section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) or the applicable State minimum wage.

''(B) LIMITATION.—Effective on the date of enactment of the Agricultural Job Opportunity, Benefits, and Security Act of 2005 and continuing for 3 years thereafter, no adverse effect wage rate for a State may be more than the adverse effect wage rate for that State in effect on January 1, 2003, as established by section 655.107 of title 20, Code of Federal Regulations.

''(C) REQUIRED WAGES AFTER 3-YEAR FREEZE.—

''(i) FIRST ADJUSTMENT.—If Congress does not set a new wage standard applicable to this section before the first March 1 that is not less than 3 years after the date of enactment of this section, the adverse effect wage rate for each State beginning on such March 1 shall be the wage rate that would have resulted if the adverse effect wage rate in effect on January 1, 2003, had been annually adjusted, beginning on March 1, 2006, by the lesser of—

''(I) the 12 month percentage change in the Consumer Price Index for All Urban Consumers between December of the second preceding year and December of the preceding year; and

''(II) 4 percent.

''(ii) SUBSEQUENT ANNUAL ADJUSTMENTS.—Beginning on the first March 1 that is not less than 4 years after the date of enactment of this section, and each March 1 thereafter, the adverse effect wage rate then in effect for each State shall be adjusted by the lesser of—

''(I) the 12 month percentage change in the Consumer Price Index for All Urban Consumers between December of the second preceding year and December of the preceding year; and

''(II) 4 percent.

''(D) DEDUCTIONS.—The employer shall make only those deductions from the worker's wages that are authorized by law or are reasonable and customary in the occupation and area of employment. The job offer shall specify all deductions not required by law which the employer will make from the worker's wages.

''(E) FREQUENCY OF PAY.—The employer shall pay the worker not less frequently than twice monthly, or in accordance with the prevailing practice in the area of employment, whichever is more frequent.

''(F) HOURS AND EARNINGS STATEMENTS.—The employer shall furnish to the worker, on or before each payday, in 1 or more written statements—

''(i) the worker's total earnings for the pay period;

''(ii) the worker's hourly rate of pay, piece rate of pay, or both;

''(iii) the hours of employment which have been offered to the worker (broken out by hours offered in accordance with and over and above the three-quarters guarantee described in paragraph (4);

''(iv) the hours actually worked by the worker;

''(v) an itemization of the deductions made from the worker's wages; and

''(vi) if piece rates of pay are used, the units produced daily.

''(G) REPORT ON WAGE PROTECTIONS.—Not later than June 1, 2007, the Comptroller General of the United States shall prepare and transmit to the Secretary of Labor, the Committee on the Judiciary of the Senate, and Committee on the Judiciary of the House of Representatives, a report that addresses—

''(i) whether the employment of H–2A or unauthorized aliens in the United States agricultural work force has depressed United States farm worker wages below the levels that would otherwise have prevailed if alien farm workers had not been employed in the United States;

''(ii) whether an adverse effect wage rate is necessary to prevent wages of United States farm workers in occupations in which H–2A workers are employed from falling below the wage levels that would have prevailed in the absence of the employment of H–2A workers in those occupations;

''(iii) whether alternative wage standards, such as a prevailing wage standard, would be sufficient to prevent wages in occupations in which H–2A workers are employed from falling below the wage level that would have prevailed in the absence of H–2A employment;

''(iv) whether any changes are warranted in the current methodologies for calculating the adverse effect wage rate and the prevailing wage; and

''(v) recommendations for future wage protection under this section.

''(H) COMMISSION ON WAGE STANDARDS.—

''(i) ESTABLISHMENT.—There is established the Commission on Agricultural Wage Standards under the H–2A program (in this subparagraph referred to as the 'Commission').

''(ii) COMPOSITION.—The Commission shall consist of 10 members as follows:

''(I) 4 representatives of agricultural employers and 1 representative of the Department of Agriculture, each appointed by the Secretary of Agriculture.

''(II) 4 representatives of agricultural workers and 1 representative of the Department of Labor, each appointed by the Secretary of Labor.

''(iii) FUNCTIONS.—The Commission shall conduct a study that shall address—

''(I) whether the employment of H–2A or unauthorized aliens in the United States agricultural workforce has depressed United States farm worker wages below the levels that would otherwise have prevailed if alien farm workers had not been employed in the United States;

''(II) whether an adverse effect wage rate is necessary to prevent wages of United States farm workers in occupations in which H–2A workers are employed from falling below the wage levels that would have prevailed in the absence of the employment of H–2A workers in those occupations;

''(III) whether alternative wage standards, such as a prevailing wage standard, would be sufficient to prevent wages in occupations in which H–2A workers are employed from falling below the wage level that would have prevailed in the absence of H–2A employment;

''(IV) whether any changes are warranted in the current methodologies for calculating the adverse effect wage rate and the prevailing wage rate; and

''(V) recommendations for future wage protection under this section.

''(iv) FINAL REPORT.—Not later than June 1, 2007, the Commission shall submit a report to the Congress setting forth the findings of the study conducted under clause (iii).

''(v) TERMINATION DATE.—The Commission shall terminate upon submitting its final report.

''(4) GUARANTEE OF EMPLOYMENT.—

''(A) OFFER TO WORKER.—The employer shall guarantee to offer the worker employment for the hourly equivalent of at least three-fourths of the work days of the total period of employment, beginning with the first work day after the arrival of the worker at the place of employment and ending on the expiration date specified in the job offer. For purposes of this subparagraph, the hourly equivalent means the number of hours in the work days as stated in the job offer and shall exclude the worker's Sabbath and Federal holidays. If the employer affords the United States or H–2A worker less employment than that required under this paragraph, the employer shall pay such worker the amount which the worker would have earned had the worker, in fact, worked for the guaranteed number of hours.

''(B) FAILURE TO WORK.—Any hours which the worker fails to work, up to a maximum of the number of hours specified in the job offer for a work day, when the worker has been offered an opportunity to do so, and all hours of work actually performed (including voluntary work in excess of the number of hours specified in the job offer in a work day, on the worker's Sabbath, or on Federal holidays) may be counted by the employer in calculating whether the period of guaranteed employment has been met.

''(C) ABANDONMENT OF EMPLOYMENT, TERMINATION FOR CAUSE.—If the worker voluntarily abandons employment before the end of the contract period, or is terminated for cause, the worker is not entitled to the 'three-fourths guarantee' described in subparagraph (A).

''(D) CONTRACT IMPOSSIBILITY.—If, before the expiration of the period of employment specified in the job offer, the services of the worker are no longer required for reasons beyond the control of the employer due to any form of natural disaster, including but not limited to a flood, hurricane, freeze, earthquake, fire, drought, plant or animal disease or pest infestation, or regulatory drought,

before the guarantee in subparagraph (A) is fulfilled, the employer may terminate the worker's employment. In the event of such termination, the employer shall fulfill the employment guarantee in subparagraph (A) for the work days that have elapsed from the first work day after the arrival of the worker to the termination of employment. In such cases, the employer will make efforts to transfer the United States worker to other comparable employment acceptable to the worker. If such transfer is not effected, the employer shall provide the return transportation required in paragraph (2)(D).

''(5) MOTOR VEHICLE SAFETY.—

''(A) MODE OF TRANSPORTATION SUBJECT TO COVERAGE.—

''(i) IN GENERAL.—Except as provided in clauses (iii) and (iv), this subsection applies to any H–2A employer that uses or causes to be used any vehicle to transport an H–2A worker within the United States.

''(ii) DEFINED TERM.—In this paragraph, the term 'uses or causes to be used'—

''(I) applies only to transportation provided by an H–2A employer to an H–2A worker, or by a farm labor contractor to an H–2A worker at the request or direction of an H–2A employer; and

''(II) does not apply to—

''(aa) transportation provided, or transportation arrangements made, by an H–2A worker, unless the employer specifically requested or arranged such transportation; or

''(bb) car pooling arrangements made by H–2A workers themselves, using 1 of the workers' own vehicles, unless specifically requested by the employer directly or through a farm labor contractor.

''(iii) CLARIFICATION.—Providing a job offer to an H–2A worker that causes the worker to travel to or from the place of employment, or the payment or reimbursement of the transportation costs of an H–2A worker by an H–2A employer, shall not constitute an arrangement of, or participation in, such transportation.

''(iv) AGRICULTURAL MACHINERY AND EQUIPMENT EXCLUDED.—This subsection does not apply to the transportation of an H–2A worker on a tractor, combine, harvester, picker, or other similar machinery or equipment while such worker is actually engaged in the planting, cultivating, or harvesting of agricultural commodities or the care of livestock or poultry or engaged in transportation incidental thereto.

''(v) COMMON CARRIERS EXCLUDED.—This subsection does not apply to common carrier motor vehicle transportation in which the provider holds itself out to the general public as engaging in the transportation of passengers for hire and holds a valid certification of authorization for such purposes from an appropriate Federal, State, or local agency.

''(B) APPLICABILITY OF STANDARDS, LICENSING, AND INSURANCE REQUIREMENTS.—

''(i) IN GENERAL.—When using, or causing to be used, any vehicle for the purpose of providing transportation to which this subparagraph applies, each employer shall—

''(I) ensure that each such vehicle conforms to the standards prescribed by the Secretary of Labor under section 401(b) of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1841(b)) and other applicable Federal and State safety standards;

''(II) ensure that each driver has a valid and appropriate license, as provided by State law, to operate the vehicle; and

''(III) have an insurance policy or a liability bond that is in effect which insures the employer against liability for damage to persons or property arising from the ownership, operation, or causing to be operated, of any vehicle used to transport any H–2A worker.

''(ii) AMOUNT OF INSURANCE REQUIRED.—The level of insurance required shall be determined by the Secretary of Labor pursuant to regulations to be issued under this subsection.

''(iii) EFFECT OF WORKERS' COMPENSATION COVERAGE.—If the employer of any H–2A worker provides workers' compensation coverage for such worker in the case of bodily injury or death as provided by State law, the following adjustments in the requirements of subparagraph (B)(i)(III) relating to having an insurance policy or liability bond apply:

''(I) No insurance policy or liability bond shall be required of the employer, if such workers are transported only under circumstances for which there is coverage under such State law.

''(II) An insurance policy or liability bond shall be required of the employer for circumstances under which coverage for the transportation of such workers is not provided under such State law.

''(c) COMPLIANCE WITH LABOR LAWS.—An employer shall assure that, except as otherwise provided in this section, the employer will comply with all applicable Federal, State, and local labor laws, including laws affecting migrant and seasonal agricultural workers, with respect to all United States workers and alien workers employed by the employer, except that a violation of this assurance shall not constitute a violation of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1801 et seq.).

''(d) COPY OF JOB OFFER.—The employer shall provide to the worker, not later than the day the work commences, a copy of the employer's application and job offer described in section 218(a), or, if the employer will require the worker to enter into a separate employment contract covering the employment in question, such separate employment contract.

''(e) RANGE PRODUCTION OF LIVESTOCK.—Nothing in this section, section 218, or section 218B shall preclude the Secretary of Labor and the Secretary from continuing to apply special procedures and requirements to the admission and employment of aliens in occupations involving the range production of livestock.

''PROCEDURE FOR ADMISSION AND EXTENSION OF STAY OF H–2A WORKERS

''SEC. 218B. (a) PETITIONING FOR ADMISSION.—An employer, or an association acting as an agent or joint employer for its members, that seeks the admission into the United States of an H–2A worker may file a petition with the Secretary. ''(B) otherwise violated a term or condition of admission into the United States as a nonimmigrant, including overstaying the period of authorized admission as such a nonimmigrant.

''(3) WAIVER OF INELIGIBILITY FOR UNLAWFUL PRESENCE.—

''(A) IN GENERAL.—An alien who has not previously been admitted into the United States pursuant to this section, and who is otherwise eligible for admission in accordance with paragraphs (1) and (2), shall not be deemed inadmissible by virtue of section 212(a)(9)(B). ''(B) MAINTENANCE OF WAIVER.—An alien provided an initial waiver of ineligibility pursuant to subparagraph (A) shall remain eligible for such waiver unless the alien violates the terms of this section or again becomes ineligible under section 212(a)(9)(B) by virtue of unlawful presence in the United States after the date of the initial waiver of ineligibility pursuant to subparagraph (A).

''(d) PERIOD OF ADMISSION.—

''(1) IN GENERAL.—The alien shall be admitted for the period of employment in the application certified by the Secretary of Labor pursuant to section 218(e)(2)(B), not to exceed 10 months, supplemented by a period of not more than 1 week before the beginning of the period of employment for the purpose of travel to the work site and a period of 14 days following the period of employment for the purpose of departure or extension based on a subsequent offer of employment, except that—

''(A) the alien is not authorized to be employed during such 14-day period except in the employment for which the alien was previously authorized; and

''(B) the total period of employment, including such 14-day period, may not exceed 10 months.

''(2) CONSTRUCTION.—Nothing in this subsection shall limit the authority of the Secretary to extend the stay of the alien under any other provision of this Act.

''(f) REPLACEMENT OF ALIEN.—

''(1) IN GENERAL.—Upon presentation of the notice to the Secretary required by subsection (e)(2), the Secretary of State shall

promptly issue a visa to, and the Secretary shall admit into the United States, an eligible alien designated by the employer to replace an H–2A worker—

''(A) who abandons or prematurely terminates employment; or

''(2) CONSTRUCTION.—Nothing in this subsection is intended to limit any preference required to be accorded United States workers under any other provision of this Act.

''(g) IDENTIFICATION DOCUMENT.—

''(1) IN GENERAL.—Each alien authorized to be admitted under section 101(a)(15)(H)(ii)(a) shall be provided an identification and employment eligibility document to verify eligibility for employment in the United States and verify such person's proper identity.

''(2) REQUIREMENTS.—No identification and employment eligibility document may be issued which does not meet the following requirements:

''(A) The document shall be capable of reliably determining whether—

''(i) the individual with the identification and employment eligibility document whose eligibility is being verified is in fact eligible for employment;

''(ii) the individual whose eligibility is being verified is claiming the identity of another person; and

''(1) EXTENSION OF STAY.—If an employer seeks approval to employ an H–2A alien who is lawfully present in the United States, the petition filed by the employer or an association pursuant to subsection (a), shall request an extension of the alien's stay and a change in the alien's employment.

''(2) LIMITATION ON FILING A PETITION FOR EXTENSION OF STAY.—A petition may not be filed for an extension of an alien's stay—

''(A) for a period of more than 10 months; or

''(B) to a date that is more than 3 years after the date of the alien's last admission to the United States under this section.

''(3) WORK AUTHORIZATION UPON FILING A PETITION FOR EXTENSION OF STAY.—

''(A) IN GENERAL.—An alien who is lawfully present in the United States may commence the employment described in a petition under paragraph (1) on the date on which the petition is filed.

''(B) DEFINITION.—For purposes of subparagraph (A), the term 'file' means sending the petition by certified mail via the United States Postal Service, return receipt requested, or delivered by guaranteed commercial delivery which will provide the employer with a documented acknowledgment of the date of receipt of the petition.

''(C) HANDLING OF PETITION.—The employer shall provide a copy of the employer's petition to the alien, who shall keep the petition with the alien's identification and employment eligibility document as evidence that the petition has been filed and that the alien is authorized to work in the United States.

''(4) LIMITATION ON EMPLOYMENT AUTHORIZATION OF ALIENS WITHOUT VALID IDENTIFICATION AND EMPLOYMENT ELIGIBILITY DOCUMENT.—An expired identification and employment eligibility document, together with a copy of a petition for extension of stay or change in the alien's authorized employment that complies with the requirements of paragraph (1), shall constitute a valid work authorization document for a period of not more than 60 days beginning on the date on which such petition is filed, after which time only a currently valid identification and employment eligibility document shall be acceptable.

''(i) IN GENERAL.—Subject to clause (ii), in the case of an alien outside the United States whose period of authorized status as an H–2A worker (including any extensions) has expired, the alien may not again apply for admission to the United States as an H–2A worker unless the alien has remained outside the United States for a continuous period equal to at least ⅕ the duration of the alien's previous period of authorized status as an H–2A worker (including any extensions).

''(ii) EXCEPTION.—Clause (i) shall not apply in the case of an alien if the alien's period of authorized status as an H–2A worker (including any extensions) was for a period of not more than 10 months and such alien has been outside the United States for at least 2 months during the 12 months preceding the date the alien again is applying for admission to the United States as an H–2A worker.

''(i) SPECIAL RULES FOR ALIENS EMPLOYED AS SHEEPHERDERS.—Notwithstanding any provision of the Agricultural Job Opportunity, Benefits, and Security Act of 2005, aliens admitted under section 101(a)(15)(H)(ii)(a) for employment as sheepherders—

''(A) AGGRIEVED PERSON OR THIRD-PARTY COMPLAINTS.—The Secretary of Labor shall establish a process for the receipt, investigation, and disposition of complaints respecting a petitioner's failure to meet a condition specified in section 218(b), or an employer's misrepresentation of material facts in an application under section 218(a). Complaints may be filed by any aggrieved person or organization (including bargaining representatives). No investigation or hearing shall be conducted on a complaint concerning such a failure or misrepresentation unless the complaint was filed not later than 12 months after the date of the failure, or misrepresentation, respectively. The Secretary of Labor shall conduct an investigation under this subparagraph if there is reasonable cause to believe that such a failure or misrepresentation has occurred.

''(B) DETERMINATION ON COMPLAINT.—Under such process, the Secretary of Labor shall provide, within 30 days after the date such a complaint is filed, for a determination as to whether or not a reasonable basis exists to make a finding described in subparagraph (C), (D), (E), or (H). If the Secretary of Labor determines that such a reasonable basis exists, the Secretary of Labor shall provide for notice of such determination to the interested parties and an opportunity for a hearing on the complaint, in accordance with section 556 of title 5, United States Code, within 60 days after the date of the determination. If such a hearing is requested, the Secretary of Labor shall make a finding concerning the matter not later than 60 days after the date of the hearing. In the case of similar complaints respecting the same applicant, the Secretary of Labor may consolidate the hearings under this subparagraph on such complaints.

''(C) FAILURES TO MEET CONDITIONS.—If the Secretary of Labor finds, after notice and opportunity for a hearing, a failure to meet a condition of paragraph (1)(A), (1)(B), (1)(D), (1)(F), (2)(A), (2)(B), or (2)(G) of section 218(b), a substantial failure to meet a condition of paragraph (1)(C), (1)(E), (2)(C), (2)(D), (2)(E), or (2)(H) of section 218(b), or a material misrepresentation of fact in an application under section 218(a)—

''(i) the Secretary of Labor shall notify the Secretary of such finding and may, in addition, impose such other administrative remedies (including civil money penalties in an amount not to exceed $1,000 per violation) as the Secretary of Labor determines to be appropriate; and

''(ii) the Secretary may disqualify the employer from the employment of aliens described in section 101(a)(15)(H)(ii)(a) for a period of 1 year.

''(i) the Secretary of Labor shall notify the Secretary of such finding and may, in addition, impose such other administrative remedies (including civil money penalties in an amount not to exceed $5,000 per violation) as the Secretary of Labor determines to be appropriate;

The back wages or other required benefits under section 218A(b) shall be equal to the difference between the amount that should have been paid and the amount that actually was paid to such worker.

''(2) STATUTORY CONSTRUCTION.—Nothing in this section shall be construed as limiting the authority of the Secretary of Labor to conduct any compliance investigation under any other labor law, including any law affecting migrant and seasonal agricultural workers, or, in the absence of a complaint under this section, under section 218 or 218A.

''(c) PRIVATE RIGHT OF ACTION.—

''(1) MEDIATION.—Upon the filing of a complaint by an H–2A worker aggrieved by a violation of rights enforceable under subsection (b), and within 60 days of the filing of proof of service of the complaint, a party to the action may file a request with the Federal Mediation and Conciliation Service to assist the parties in reaching a satisfactory resolution of all issues involving all parties to the dispute. Upon a filing of such request and giving of notice to the parties, the parties shall attempt mediation within the period specified in subparagraph (B).

''(2) MAINTENANCE OF CIVIL ACTION IN DISTRICT COURT BY AGGRIEVED PERSON.—An H–2A worker aggrieved by a violation of rights enforceable under subsection (b) by an agricultural employer or other person may file suit in any district court of the United States having jurisdiction of the parties, without regard to the amount in controversy, without regard to the citizenship of the parties, and without regard to the exhaustion of any alternative administrative remedies under this Act, not later than 3 years after the date the violation occurs.

''(3) ELECTION.—An H–2A worker who has filed an administrative complaint with the Secretary of Labor may not maintain a civil action under paragraph (2) unless a complaint based on the same violation filed with the Secretary of Labor under subsection (a)(1) is withdrawn before the filing of such action, in which case the rights and remedies available under this subsection shall be exclusive.

''(4) PREEMPTION OF STATE CONTRACT RIGHTS.—Nothing in this Act shall be construed to diminish the rights and remedies of an H–2A worker under any other Federal or State law or regulation or under any collective bargaining agreement, except that no court or administrative action shall be available under any State contract law to enforce the rights created by this Act.

''(5) WAIVER OF RIGHTS PROHIBITED.—Agreements by employees purporting to waive or modify their rights under this Act shall be void as contrary to public policy, except that a waiver or modification of the rights or obligations in favor of the Secretary of Labor shall be valid for purposes of the enforcement of this Act. ''(B) The exclusive remedy prescribed in subparagraph (A) precludes the recovery under paragraph (6) of actual damages for loss from an injury or death but does not preclude other equitable relief, except that such relief shall not include back or front pay or in any manner, directly or indirectly, expand or otherwise alter or affect—

''(i) a recovery under a State workers' compensation law; or

''(ii) rights conferred under a State workers' compensation law.

The statute of limitations for an action for actual damages or other equitable relief arising out of the same transaction or occurrence as the injury or death of the H–2A worker shall be tolled for the period during which the claim for such injury or death was pending under the State workers' compensation law.

''(9) PRECLUSIVE EFFECT.—Any settlement by an H–2A worker and H–2A employer reached through the mediation process required under subsection (c)(1) shall preclude any right of action arising out of the same facts between the parties in any Federal or State court or administrative proceeding, unless specifically provided otherwise in the settlement agreement.

''(2) DISCRIMINATION AGAINST H–2A WORKERS.—It is a violation of this subsection for any person who has filed an application under section 218(a), to intimidate, threaten, restrain, coerce, blacklist, discharge, or in any manner discriminate against an H–2A employee because such worker has, with just cause, filed a complaint with the Secretary of Labor regarding a denial of the rights enumerated and enforceable under subsection (b) or instituted, or caused to be instituted, a private right of action under subsection (c) regarding the denial of the rights enumerated under subsection (b), or has testified or is about to testify in any court proceeding brought under subsection (c).

''(1) VIOLATION BY A MEMBER OF AN ASSOCIATION.—An employer on whose behalf an application is filed by an association acting as its agent is fully responsible for such application, and for complying with the terms and conditions of sections 218 and 218A, as though the employer had filed the application itself. If such an employer is determined, under this section, to have committed a violation, the penalty for such violation shall apply only to that member of the association unless the Secretary of Labor determines that the association or other member participated in, had knowledge, or reason to know, of the violation, in which case the penalty shall be invoked against the association or other association member as well.

''(2) VIOLATIONS BY AN ASSOCIATION ACTING AS AN EMPLOYER.—If an association filing an application as a sole or joint employer is determined to have committed a violation under this section, the penalty for such violation shall apply only to the association unless the Secretary of Labor determines that an association member or members participated in or had knowledge, or reason to know of the violation, in which case the penalty shall be invoked against the association member or members as well.

DIVISION ___—BORDER SECURITY AND IMMIGRATION

SECTION 1. SHORT TITLE; TABLE OF CONTENTS.

(a) SHORT TITLE.—This division may be cited as the ''Secure America and Orderly Immigration Act''.

(b) TABLE OF CONTENTS.—The table of contents for this division is as follows:

SEC. 2. FINDINGS.

Congress makes the following findings:

(1) The Government of the United States has an obligation to its citizens to secure its borders and ensure the rule of law in its communities.

(2) The Government of the United States must strengthen international border security efforts by dedicating adequate and significant resources for technology, personnel, and training for border region enforcement.

(3) Federal immigration policies must adhere to the United States tradition as a nation of immigrants and reaffirm this Nation's commitment to family unity, economic opportunity, and humane treatment.

(4) Immigrants have contributed significantly to the strength and economic prosperity of the United States and action must be taken to ensure their fair treatment by employers and protection against fraud and abuse.

(5) Current immigration laws and the enforcement of such laws are ineffective and do not serve the people of the United States, the national security interests of the United States, or the economic prosperity of the United States.

(6) The United States cannot effectively carry out its national security policies unless the United States identifies undocumented immigrants and encourages them to come forward and participate legally in the economy of the United States.

(7) Illegal immigration fosters other illegal activity, including human smuggling, trafficking, and document fraud, all of which undermine the national security interests of the United States.

(8) Illegal immigration burdens States and local communities with hundreds of millions of dollars in uncompensated expenses for law enforcement, health care, and other essential services.

(9) Illegal immigration creates an underclass of workers who are vulnerable to fraud and exploitation.

(10) Fixing the broken immigration system requires a comprehensive approach that provides for adequate legal channels for immigration and strong enforcement of immigration laws which will serve the economic, social, and security interests of the United States.

(11) Foreign governments, particularly those that share an international border with the United States, must play a critical role in securing international borders and deterring illegal entry of foreign nationals into the United States.

(12) Federal immigration policy should foster economic growth by allowing willing workers to be matched with willing employers when no United States worker is available to take a job.

(13) Immigration reform is a key component to achieving effective enforcement and

will allow for the best use of security and enforcement resources to be focused on the greatest risks.

(14) Comprehensive immigration reform and strong enforcement of immigration laws will encourage legal immigration, deter illegal immigration, and promote the economic and national security interests of the United States.

SEC. 502. BILATERAL EFFORTS WITH MEXICO TO REDUCE MIGRATION PRESSURES AND COSTS.

(a) FINDINGS.—Congress makes the following findings:

(1) Migration from Mexico to the United States is directly linked to the degree of economic opportunity and the standard of living in Mexico.

(2) Mexico comprises a prime source of migration to the United States.

(3) Remittances from Mexican citizens working in the United States reached a record high of nearly $17,000,000,000 in 2004.

(4) Migration patterns may be reduced from Mexico to the United States by addressing the degree of economic opportunity available to Mexican citizens.

(5) Many Mexican assets are held extra-legally and cannot be readily used as collateral for loans.

(6) A majority of Mexican businesses are small or medium size with limited access to financial capital.

(7) These factors constitute a major impediment to broad-based economic growth in Mexico.

(8) Approximately 20 percent of Mexico's population works in agriculture, with the majority of this population working on small farms and few on large commercial enterprises.

(9) The Partnership for Prosperity is a bilateral initiative launched jointly by the President of the United States and the President of Mexico in 2001, which aims to boost the social and economic standards of Mexican citizens, particularly in regions where economic growth has lagged and emigration has increased.

(10) The Presidents of Mexico and the United States and the Prime Minister of Canada, at their trilateral summit on March 23, 2005, agreed to promote economic growth, competitiveness, and quality of life in the agreement on Security and Prosperity Partnership of North America.

(b) SENSE OF CONGRESS REGARDING PARTNERSHIP FOR PROSPERITY.—It is the sense of Congress that the United States and Mexico should accelerate the implementation of the Partnership for Prosperity to help generate economic growth and improve the standard of living in Mexico, which will lead to reduced migration, by—

(1) increasing access for poor and under served populations in Mexico to the financial services sector, including credit unions;

(2) assisting Mexican efforts to formalize its extra-legal sector, including the issuance of formal land titles, to enable Mexican citizens to use their assets to procure capital;

(3) facilitating Mexican efforts to establish an effective rural lending system for small- and medium-sized farmers that will—

(A) provide long term credit to borrowers;

(B) develop a viable network of regional and local intermediary lending institutions; and

(C) extend financing for alternative rural economic activities beyond direct agricultural production;

(4) expanding efforts to reduce the transaction costs of remittance flows in order to increase the pool of savings available to help finance domestic investment in Mexico;

(5) encouraging Mexican corporations to adopt internationally recognized corporate governance practices, including anti-corruption and transparency principles;

(6) enhancing Mexican efforts to strengthen governance at all levels, including efforts to improve transparency and accountability, and to eliminate corruption, which is the single biggest obstacle to development;

(7) assisting the Government of Mexico in implementing all provisions of the Inter-American Convention Against Corruption (ratified by Mexico on May 27, 1997) and urging the Government of Mexico to participate fully in the Convention's formal implementation monitoring mechanism;

(8) helping the Government of Mexico to strengthen education and training opportunities throughout the country, with a particular emphasis on improving rural education; and

(9) encouraging the Government of Mexico to create incentives for persons who have migrated to the United States to return to Mexico.

(c) SENSE OF CONGRESS REGARDING BILATERAL PARTNERSHIP ON HEALTH CARE.—It is the sense of Congress that the Government of the United States and the Government of Mexico should enter into a partnership to examine uncompensated and burdensome health care costs incurred by the United States due to legal and illegal immigration, including—

(1) increasing health care access for poor and under served populations in Mexico;

(2) assisting Mexico in increasing its emergency and trauma health care facilities along the border, with emphasis on expanding prenatal care in the United States-Mexico border region;

(3) facilitating the return of stable, incapacitated workers temporarily employed in the United States to Mexico in order to receive extended, long-term care in their home country; and

(4) helping the Government of Mexico to establish a program with the private sector to cover the health care needs of Mexican nationals temporarily employed in the United States.

On page 100, between lines 11 and 12, insert the following:

TITLE VI—HAZARDOUS MATERIALS

SEC. 601. SHORT TITLE; FINDINGS.

(a) SHORT TITLE.—This title may be cited as the ''Hazardous Materials Vulnerability Reduction Act of 2005''.

(b) FINDINGS.—Congress makes the following findings:

(1) Congress has specifically given the Department of Homeland Security, working in conjunction with the Department of Transportation and other Federal agencies, the primary authority for the security of the United States transportation sector, including passenger and freight rail.

(2) This authority includes the responsibility to protect American citizens from terrorist incidents related to the transport by rail of extremely hazardous materials.

(3) Federal agencies have determined that hazardous materials can be used as tools of destruction and terror and that extremely hazardous materials are particularly vulnerable to sabotage or misuse during transport.

(4) The Federal Bureau of Investigation and the Central Intelligence Agency have found evidence suggesting that chemical tankers used to transport and store extremely hazardous chemicals have been targeted by terrorist groups.

(5) Rail shipments of extremely hazardous materials are often routed through highly attractive targets and densely populated areas, including within a few miles of the White House and United States Capitol.

(6) According to security experts, certain extremely hazardous materials present a mass casualty terrorist potential rivaled only by improvised nuclear devices, certain acts of bioterrorism, and the collapse of large occupied buildings.

(7) A report by the Chlorine Institute found that a 90-ton rail tanker, if successfully targeted by an explosive device, could cause a catastrophic release of an extremely hazardous material, creating a toxic cloud 40 miles long and 10 miles wide.

(8) The Environmental Protection Agency estimates that in an urban area a toxic cloud could extend for 14 miles.

(9) The United States Naval Research Laboratories concluded that a toxic plume of this type, created while there was a public event on the National Mall, could kill or injure up to 100,000 people in less than 30 minutes.

(10) According to security experts, rail shipments of extremely hazardous materials are particularly vulnerable and dangerous, however the Federal Government has made no material reduction in the inherent vulnerability of hazardous chemical targets inside the United States.

(11) While the safety record related to rail shipments of hazardous materials is very good, recent accidental releases of extremely hazardous materials in rural South Carolina and San Antonio, Texas, demonstrate the fatal danger posed by extremely hazardous materials.

(12) Security experts have determined that re-routing these rail shipments is the only way to immediately eliminate this danger in high threat areas, which currently puts hundreds of thousands of people at risk.

(13) Security experts have determined that the primary benefit of re-routing the shipment of extremely hazardous materials is a reduction in the number of people that would be exposed to the deadly impact of the release due to an attack, and the principal cost would be the additional operating expense associated with possible increase inhaul for the shipment of extremely hazardous materials.

(14) Less than 5 percent of all hazardous materials shipped by rail will meet the definition of extremely hazardous materials under this title.

SEC. 602. DEFINITIONS.

In this title, the following definitions apply:

''(c) MULTIPLE-PURPOSE FUNDS.—Nothing in this section shall be construed to preclude State and local governments from using covered grant funds in a manner that also enhances first responder preparedness for emergencies and disasters unrelated to acts of terrorism, if such use assists such governments in achieving essential capabilities for terrorism preparedness established by the Secretary under section 1803.

''(d) REIMBURSEMENT OF COSTS.—In addition to the activities described in subsection (a), a covered grant may be used to provide a reasonable stipend to paid-on-call or volunteer first responders who are not otherwise compensated for travel to or participation in

training covered by this section. Any such reimbursement shall not be considered compensation for purposes of rendering such a first responder an employee under the Fair Labor Standards Act of 1938 (29 U.S.C. 201 et seq.).

''(e) ASSISTANCE REQUIREMENT.—The Secretary may not request that equipment paid for, wholly or in part, with funds provided as a covered grant be made available for responding to emergencies in surrounding States, regions, and localities, unless the Secretary undertakes to pay the costs directly attributable to transporting and operating such equipment during such response.

''(f) FLEXIBILITY IN UNSPENT HOMELAND SECURITY GRANT FUNDS.—Upon request by the recipient of a covered grant, the Secretary may authorize the grantee to transfer all or part of funds provided as the covered grant from uses specified in the grant agreement to other uses authorized under this section, if the Secretary determines that such transfer is in the interests of homeland security.

''(g) STATE, REGIONAL, AND TRIBAL RESPONSIBILITIES.—

''(1) PASS-THROUGH.—The Secretary shall require a recipient of a covered grant that is a State to obligate or otherwise make available to local governments, first responders, and other local groups, to the extent required under the State homeland security plan or plans specified in the application for the grant, not less than 80 percent of the grant funds, resources purchased with the grant funds having a value equal to at least 80 percent of the amount of the grant, or a combination thereof, by not later than the end of the 45-day period beginning on the date the grant recipient receives the grant funds.

''(2) CERTIFICATIONS REGARDING DISTRIBUTION OF GRANT FUNDS TO LOCAL GOVERNMENTS.—Any State that receives a covered grant shall certify to the Secretary, by not later than 30 days after the expiration of the period described in paragraph (1) with respect to the grant, that the State has made available for expenditure by local governments, first responders, and other local groups the required amount of grant funds pursuant to paragraph (1).

''(3) QUARTERLY REPORT ON HOMELAND SECURITY SPENDING.—Each recipient of a covered grant shall submit a quarterly report to the Secretary not later than 30 days after the end of each fiscal quarter. Each such report shall include, for each recipient of a covered grant or a pass-through under paragraph (1)—

''(A) the amount obligated to that recipient in that quarter;

''(B) the amount expended by that recipient in that quarter; and

''(C) a summary description of the items purchased by such recipient with such amount.

''(4) ANNUAL REPORT ON HOMELAND SECURITY SPENDING.—Each recipient of a covered grant shall submit an annual report to the Secretary not later than 60 days after the end of each fiscal year. ''(C) How the funds were utilized by each ultimate recipient or beneficiary during the preceding fiscal year.

''(D) The extent to which essential capabilities identified in the applicable State homeland security plan or plans were achieved, maintained, or enhanced as the result of the expenditure of grant funds during the preceding fiscal year.

''(E) The extent to which essential capabilities identified in the applicable State homeland security plan or plans remain unmet.

''(5) INCLUSION OF RESTRICTED ANNEXES.—A recipient of a covered grant may submit to the Secretary an annex to the annual report under paragraph (4) that is subject to appropriate handling restrictions, if the recipient believes that discussion in the report of unmet needs would reveal sensitive but unclassified information.

''(6) PROVISION OF REPORTS.—The Secretary shall ensure that each annual report under paragraph (4) is provided to the Under Secretary for Emergency Preparedness and Response and the Director of the Office of State and Local Government Coordination.

''(h) INCENTIVES TO EFFICIENT ADMINISTRATION OF HOMELAND SECURITY GRANTS.—

''(1) PENALTIES FOR DELAY IN PASSING THROUGH LOCAL SHARE.—If a recipient of a covered grant that is a State fails to pass through to local governments, first responders, and other local groups funds or resources required by subsection (g)(1) within 45 days after receiving funds under the grant, the Secretary may—

''(A) reduce grant payments to the grant recipient from the portion of grant funds that is not required to be passed through under subsection (g)(1);

''(B) terminate payment of funds under the grant to the recipient, and transfer the appropriate portion of those funds directly to local first responders that were intended to receive funding under that grant; or

''(C) impose additional restrictions or burdens on the recipient's use of funds under the grant, which may include—

''(i) prohibiting use of such funds to pay the grant recipient's grant-related overtime or other expenses;

''(ii) requiring the grant recipient to distribute to local government beneficiaries all or a portion of grant funds that are not required to be passed through under subsection (g)(1); or

''(iii) for each day that the grant recipient fails to pass through funds or resources in accordance with subsection (g)(1), reducing grant payments to the grant recipient from the portion of grant funds that is not required to be passed through under subsection (g)(1), except that the total amount of such reduction may not exceed 20 percent of the total amount of the grant.

''(2) EXTENSION OF PERIOD.—The Governor of a State may request in writing that the Secretary extend the 45-day period under section 1802(e)(5)(E) or paragraph (1) for an additional 15-day period. The Secretary may approve such a request, and may extend such period for additional 15-day periods, if the Secretary determines that the resulting delay in providing grant funding to the local government entities that will receive funding under the grant will not have a significant detrimental impact on such entities' terrorism preparedness efforts.

''(3) PROVISION OF NON-LOCAL SHARE TO LOCAL GOVERNMENT.—

''(A) IN GENERAL.—The Secretary may upon request by a local government pay to the local government a portion of the amount of a covered grant awarded to a State in which the local government is located, if—

''(i) the local government will use the amount paid to expedite planned enhancements to its terrorism preparedness as described in any applicable State homeland security plan or plans;

''(ii) the State has failed to pass through funds or resources in accordance with subsection (g)(1); and

''(iii) the local government complies with subparagraph (B).

''(B) SHOWING REQUIRED.—To receive a payment under this paragraph, a local government must demonstrate that—

''(i) it is identified explicitly as an ultimate recipient or intended beneficiary in the approved grant application;

''(ii) it was intended by the grantee to receive a severable portion of the overall grant for a specific purpose that is identified in the grant application;

''(iii) it petitioned the grantee for the funds or resources after expiration of the period within which the funds or resources were required to be passed through under subsection (g)(1); and

''(iv) it did not receive the portion of the overall grant that was earmarked or designated for its use or benefit.

''(C) EFFECT OF PAYMENT.—Payment of grant funds to a local government under this paragraph—

''(i) shall not affect any payment to another local government under this paragraph; and

''(ii) shall not prejudice consideration of a request for payment under this paragraph that is submitted by another local government.

''(D) DEADLINE FOR ACTION BY SECRETARY.—The Secretary shall approve or disapprove each request for payment under this paragraph by not later than 15 days after the date the request is received by the Department.

''(i) REPORTS TO CONGRESS.—The Secretary shall submit an annual report to Congress by December 31 of each year—

''(1) describing in detail the amount of Federal funds provided as covered grants that were directed to each State, region, and directly eligible tribe in the preceding fiscal year;

''(2) containing information on the use of such grant funds by grantees; and

''(3) describing—

''(A) the Nation's progress in achieving, maintaining, and enhancing the essential capabilities established under section 1803(a) as a result of the expenditure of covered grant funds during the preceding fiscal year; and

''(B) an estimate of the amount of expenditures required to attain across the United States the essential capabilities established under section 1803(a).''.

(b) SENSE OF CONGRESS REGARDING INTEROPERABLE COMMUNICATIONS.—

(1) FINDING.—Congress finds that—

(A) many emergency response providers (as defined under section 2 of the Homeland Security Act of 2002 (6 U.S.C. 101), as amended by this title) working in the same jurisdiction or in different jurisdictions cannot effectively and efficiently communicate with one another; and

(B) their inability to do so threatens the public's safety and may result in unnecessary loss of lives and property.

(2) SENSE OF CONGRESS.—It is the sense of Congress that interoperable emergency communications systems and radios should continue to be deployed as soon as practicable for use by the emergency response provider community, and that upgraded and new digital communications systems and new digital radios must meet prevailing national voluntary consensus standards for interoperability.

(c) SENSE OF CONGRESS REGARDING CITIZEN CORPS COUNCILS.—

(1) FINDING.—Congress finds that Citizen Corps councils help to enhance local citizen participation in terrorism preparedness by coordinating multiple Citizen Corps programs, developing community action plans, assessing possible threats, and identifying local resources.

(2) SENSE OF CONGRESS.—It is the sense of Congress that individual Citizen Corps councils should seek to enhance the preparedness and response capabilities of all organizations participating in the councils, including by providing funding to as many of their participating organizations as practicable to promote local terrorism preparedness programs.

(d) REQUIRED COORDINATION.—The Secretary of Homeland Security shall ensure that there is effective and ongoing coordination of Federal efforts to prevent, prepare for, and respond to acts of terrorism and other major disasters and emergencies among the divisions of the Department of Homeland Security, including the Directorate of Emergency Preparedness and Response and the Office for State and Local Government Coordination and Preparedness.

(e) COORDINATION OF INDUSTRY EFFORTS.—Section 102(f) of the Homeland Security Act of 2002 (Public Law 107–296; 6 U.S.C. 112(f)) is amended by striking ''and'' after the semicolon at the end of paragraph (6), by striking the period at the end of paragraph (7) and inserting ''; and'', and by adding at the end the following:

SA 1208. Mr. CORZINE submitted an amendment intended to be proposed by him to the bill H.R. 2360, making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2006, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place insert the following:

(a) FINDINGS.—The Senate finds that—

(1) On February 6, 2002, Director of Central Intelligence George Tenet testified that ''[A]l Qaeda or other terrorist groups might also try to launch conventional attacks against the chemical or nuclear industrial infrastructure of the United States to cause widespread toxic or radiological damage.''

(2) On April 27, 2005, the GAO found that ''Experts agree that the nation's chemical facilities present an attractive target for terrorists intent on causing massive damage. For example, the Department of Justice has concluded that the risk of an attempt in the foreseeable future to cause an industrial chemical release is both real and credible. Terrorist attacks involving the theft or release of certain chemicals could significantly impact the health and safety of millions of Americans, disrupt the local or regional economy, or impact other critical infrastructures that rely on chemicals, such as drinking water and wastewater treatment systems.''

(3) As of May 2005, according to data collected pursuant to the Risk Management Plan (RMP) of the Environmental Protection Agency (EPA), a worst-case release of chemicals from 2237 facilities would potentially affect between 10,000 and 99,999 people, a release from 493 facilities would potentially affect between 100,000 and 999,000, and a release from 111 facilities would potentially affect over one million.

(4) On April 27, 2005, the GAO found that EPA RMP data was based on a release from a single vessel or pipe rather than the entire quantity on site and that ''[A]n attack that breached multiple chemical vessels simultaneously could result in a larger release with potentially more severe consequences than those outlined in 'worst-case' scenarios.''

(5) On April 27, 2005, the GAO found that ''Despite efforts by DHS to assess facility vulnerabilities and suggest security improvements, no one has comprehensively assessed security at facilities that house chemicals nationwide.'' GAO further testified that ''EPA officials estimated in 2003, that voluntary initiatives led by industry associations only reach a portion of the 15,000 RMP facilities. Further, EPA and DHS have stated publicly that voluntary efforts alone are not sufficient to assure the public of the industry's preparedness.''

(6) On June 15, 2005, Thomas P. Dunne, Deputy Assistant Administrator for the Office of Solid Waste and Emergency Response of the EPA testified that ''[O]n1y a fraction of U.S. hazardous chemical facilities are currently subject to Federal security requirements'' and that ''we cannot be sure that every high-risk chemical facility has taken voluntary action to secure itself against terrorism.''

(7) On June 15, 2005, Robert Stephan, Acting Undersecretary for Information Analysis and Infrastructure Protection and Assistant Secretary for Infrastructure Protection at the Department of Homeland Security testified that that the Department ''has concluded that from the regulatory perspective, the existing patchwork of authorities does not permit us to regulate the industry effectively.'' Stephen further testified that ''[I]t has become clear that the entirely voluntary efforts of [chemical facility] companies alone will not sufficiently address security for the entire sector'' and that ''The Department should develop enforceable performance standards . . .''

(8) The Senate Committee on Homeland Security and Governmental Affairs, through a series of valuable and wide-ranging hearings, has demonstrated bipartisan commitment to effective Congressional action to protect Americans against a possible terrorist attack against chemical facilities.

(b) SENSE OF THE SENATE.—It is the Sense of the Senate that the Congress should pass legislation establishing enforceable federal standards to protect against a terrorist attack on chemical facilities within the United States.

SA 1209. Mr. SALAZAR submitted an amendment intended to be proposed by him to the bill H.R. 2360, making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2006, and for other purposes; which was ordered to lie on the table; as follows:

On page 100, between lines 11 and 12, insert the following:

SEC. 519. RAIL TUNNEL SECURITY RESEARCH.

(a) FINDINGS.—The Senate finds that—

(1) railroad tunnels, and underground stations have been identified as particularly high risk terrorist targets because of the potential for large passenger volumes, confined spaces, relatively unrestricted access, and the potential for network disruptions and significant economic, political and social impact;

(2) many rail tunnels have safety problems including structural deficiencies, ventilation problems, lack of communications equipment and insufficient emergency access and exits;

(3) there are more than 898 miles of rail tunnels in transit systems across the country;

(4)(A) security experts have identified a number of technology and training needs to prevent attacks on tunnels and to mitigate and remediate the impact of such attacks;

(B) technological needs include detection systems, dispersal control, and decontamination techniques; and

(C) training for emergency response to a variety of scenarios is also needed; and

(5) the Department of Transportations Transportation Technology Center in Pueblo, Colorado—

(A) is one of the Nation's largest and most advanced rail safety research centers in the Nation; and

(B) offers full-scale testing, dynamic modeling, performance monitoring, technical analyses, feasibility and economic studies as well as training classes to prepare first responders and test new safety technologies.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the Department of Homeland Security is urged to invest in research to promote tunnel rail safety as well as training to ensure first responders are prepared to respond to rail tunnel emergencies; and

(2) employing existing Federal facilities in this effort can result in efficiencies and permit this important research to proceed at decreased cost to the taxpayer and with minimal interference with ongoing passenger and freight rail traffic.

''(3) to acquire land; or

''(4) for any State or local government cost-sharing contribution.

''(c) MULTIPLE-PURPOSE FUNDS.—Nothing in this section shall be construed to preclude State and local governments from using covered grant funds in a manner that also enhances first responder preparedness for emergencies and disasters unrelated to acts of terrorism, if such use assists such governments in achieving essential capabilities for terrorism preparedness established by the Secretary under section 1803.

''(d) REIMBURSEMENT OF COSTS.—In addition to the activities described in subsection (a), a covered grant may be used to provide a reasonable stipend to paid-on-call or volunteer first responders who are not otherwise compensated for travel to or participation in training covered by this section. Any such reimbursement shall not be considered compensation for purposes of rendering such a first responder an employee under the Fair Labor Standards Act of 1938 (29 U.S.C. 201 et seq.).

''(e) ASSISTANCE REQUIREMENT.—The Secretary may not request that equipment paid for, wholly or in part, with funds provided as a covered grant be made available for responding to emergencies in surrounding States, regions, and localities, unless the Secretary undertakes to pay the costs directly attributable to transporting and operating such equipment during such response.

''(f) FLEXIBILITY IN UNSPENT HOMELAND SECURITY GRANT FUNDS.—Upon request by the recipient of a covered grant, the Secretary may authorize the grantee to transfer all or part of funds provided as the covered grant from uses specified in the grant agreement to other uses authorized under this section, if the Secretary determines that such transfer is in the interests of homeland security.

''(g) STATE, REGIONAL, AND TRIBAL RESPONSIBILITIES.—

''(1) PASS-THROUGH.—The Secretary shall require a recipient of a covered grant that is a State to obligate or otherwise make available to local governments, first responders, and other local groups, to the extent required under the State homeland security plan or plans specified in the application for the grant, not less than 80 percent of the grant funds, resources purchased with the grant funds having a value equal to at least 80 percent of the amount of the grant, or a combination thereof, by not later than the end of the 45-day period beginning on the date the grant recipient receives the grant funds.

''(2) CERTIFICATIONS REGARDING DISTRIBUTION OF GRANT FUNDS TO LOCAL GOVERNMENTS.—Any State that receives a covered grant shall certify to the Secretary, by not later than 30 days after the expiration of the period described in paragraph (1) with respect to the grant, that the State has made available for expenditure by local governments, first responders, and other local groups the required amount of grant funds pursuant to paragraph (1).

''(3) QUARTERLY REPORT ON HOMELAND SECURITY SPENDING.—Each recipient of a covered grant shall submit a quarterly report to the Secretary not later than 30 days after the end of each fiscal quarter. Each such report shall include, for each recipient of a covered grant or a pass-through under paragraph (1)—

''(A) the amount obligated to that recipient in that quarter;

''(B) the amount expended by that recipient in that quarter; and

''(C) a summary description of the items purchased by such recipient with such amount.

''(4) ANNUAL REPORT ON HOMELAND SECURITY SPENDING.—Each recipient of a covered grant shall submit an annual report to the Secretary not later than 60 days after the end of each fiscal year. Each recipient of a covered grant that is a region shall simultaneously submit its report to each State of which any part is included in the region. ''(C) How the funds were utilized by each ultimate recipient or beneficiary during the preceding fiscal year.

''(D) The extent to which essential capabilities identified in the applicable State homeland security plan or plans were achieved, maintained, or enhanced as the result of the expenditure of grant funds during the preceding fiscal year.

''(E) The extent to which essential capabilities identified in the applicable State homeland security plan or plans remain unmet.

''(5) INCLUSION OF RESTRICTED ANNEXES.—A recipient of a covered grant may submit to the Secretary an annex to the annual report under paragraph (4) that is subject to appropriate handling restrictions, if the recipient believes that discussion in the report of unmet needs would reveal sensitive but unclassified information.

''(6) PROVISION OF REPORTS.—The Secretary shall ensure that each annual report under paragraph (4) is provided to the Under Secretary for Emergency Preparedness and Response and the Director of the Office of State and Local Government Coordination.

''(h) INCENTIVES TO EFFICIENT ADMINISTRATION OF HOMELAND SECURITY GRANTS.—

''(1) PENALTIES FOR DELAY IN PASSING THROUGH LOCAL SHARE.—If a recipient of a covered grant that is a State fails to pass through to local governments, first responders, and other local groups funds or resources required by subsection (g)(1) within 45 days after receiving funds under the grant, the Secretary may—

''(A) reduce grant payments to the grant recipient from the portion of grant funds that is not required to be passed through under subsection (g)(1);

''(B) terminate payment of funds under the grant to the recipient, and transfer the appropriate portion of those funds directly to local first responders that were intended to receive funding under that grant; or

''(C) impose additional restrictions or burdens on the recipient's use of funds under the grant, which may include—

''(i) prohibiting use of such funds to pay the grant recipient's grant-related overtime or other expenses;

''(ii) requiring the grant recipient to distribute to local government beneficiaries all or a portion of grant funds that are not required to be passed through under subsection (g)(1); or

''(iii) for each day that the grant recipient fails to pass through funds or resources in accordance with subsection (g)(1), reducing grant payments to the grant recipient from the portion of grant funds that is not required to be passed through under subsection (g)(1), except that the total amount of such reduction may not exceed 20 percent of the total amount of the grant.

''(2) EXTENSION OF PERIOD.—The Governor of a State may request in writing that the Secretary extend the 45-day period under section 1802(e)(5)(E) or paragraph (1) for an additional 15-day period. The Secretary may approve such a request, and may extend such period for additional 15-day periods, if the Secretary determines that the resulting delay in providing grant funding to the local government entities that will receive funding under the grant will not have a significant detrimental impact on such entities' terrorism preparedness efforts.

''(3) PROVISION OF NON-LOCAL SHARE TO LOCAL GOVERNMENT.—

''(A) IN GENERAL.—The Secretary may upon request by a local government pay to the local government a portion of the amount of a covered grant awarded to a State in which the local government is located, if—

''(i) the local government will use the amount paid to expedite planned enhancements to its terrorism preparedness as described in any applicable State homeland security plan or plans;

''(ii) the State has failed to pass through funds or resources in accordance with subsection (g)(1); and

''(iii) the local government complies with subparagraph (B).

''(B) SHOWING REQUIRED.—To receive a payment under this paragraph, a local government must demonstrate that—

''(i) it is identified explicitly as an ultimate recipient or intended beneficiary in the approved grant application;

''(ii) it was intended by the grantee to receive a severable portion of the overall grant for a specific purpose that is identified in the grant application;

''(iii) it petitioned the grantee for the funds or resources after expiration of the period within which the funds or resources were required to be passed through under subsection (g)(1); and

''(iv) it did not receive the portion of the overall grant that was earmarked or designated for its use or benefit.

''(C) EFFECT OF PAYMENT.—Payment of grant funds to a local government under this paragraph—

''(i) shall not affect any payment to another local government under this paragraph; and

''(ii) shall not prejudice consideration of a request for payment under this paragraph that is submitted by another local government.

''(D) DEADLINE FOR ACTION BY SECRETARY.—The Secretary shall approve or disapprove each request for payment under this paragraph by not later than 15 days after the date the request is received by the Department.

''(i) REPORTS TO CONGRESS.—The Secretary shall submit an annual report to Congress by December 31 of each year—

''(1) describing in detail the amount of Federal funds provided as covered grants that were directed to each State, region, and directly eligible tribe in the preceding fiscal year;

''(2) containing information on the use of such grant funds by grantees; and

''(3) describing—

''(A) the Nation's progress in achieving, maintaining, and enhancing the essential capabilities established under section 1803(a) as a result of the expenditure of covered grant funds during the preceding fiscal year; and

''(B) an estimate of the amount of expenditures required to attain across the United States the essential capabilities established under section 1803(a).''.

(b) SENSE OF CONGRESS REGARDING INTEROPERABLE COMMUNICATIONS.—

(1) FINDING.—Congress finds that—

(A) many emergency response providers (as defined under section 2 of the Homeland Security Act of 2002 (6 U.S.C. 101), as amended by this title) working in the same jurisdiction or in different jurisdictions cannot effectively and efficiently communicate with one another; and

(B) their inability to do so threatens the public's safety and may result in unnecessary loss of lives and property.

(2) SENSE OF CONGRESS.—It is the sense of Congress that interoperable emergency communications systems and radios should continue to be deployed as soon as practicable for use by the emergency response provider community, and that upgraded and new digital communications systems and new digital radios must meet prevailing national voluntary consensus standards for interoperability.

(c) SENSE OF CONGRESS REGARDING CITIZEN CORPS COUNCILS.—

(1) FINDING.—Congress finds that Citizen Corps councils help to enhance local citizen participation in terrorism preparedness by coordinating multiple Citizen Corps programs, developing community action plans, assessing possible threats, and identifying local resources.

(2) SENSE OF CONGRESS.—It is the sense of Congress that individual Citizen Corps councils should seek to enhance the preparedness and response capabilities of all organizations participating in the councils, including by providing funding to as many of their participating organizations as practicable to promote local terrorism preparedness programs.

(d) REQUIRED COORDINATION.—The Secretary of Homeland Security shall ensure that there is effective and ongoing coordination of Federal efforts to prevent, prepare for, and respond to acts of terrorism and other major disasters and emergencies among the divisions of the Department of Homeland Security, including the Directorate of Emergency Preparedness and Response and the Office for State and Local Government Coordination and Preparedness.

(f) STUDY REGARDING NATIONWIDE EMERGENCY NOTIFICATION SYSTEM.—

(1) STUDY.—The Secretary of Homeland Security, in consultation with the heads of other appropriate Federal agencies and representatives of providers and participants in the telecommunications industry, shall conduct a study to determine whether it is cost effective, efficient, and feasible to establish and implement an emergency telephonic alert notification system that will—

(A) alert persons in the United States of imminent or current hazardous events caused by acts of terrorism; and

(B) provide information to individuals regarding appropriate measures that may be undertaken to alleviate or minimize threats to their safety and welfare posed by such events.

(2) TECHNOLOGIES TO CONSIDER.—In conducting the study under paragraph (1), the Secretary shall consider the use of the telephone, wireless communications, and other existing communications networks to provide such notification.

(3) REPORT.—Not later than 9 months after the date of enactment of this title, the Secretary shall submit to Congress a report regarding the conclusions of the study conducted under paragraph (1).

(g) STUDY OF EXPANSION OF AREA OF JURISDICTION OF OFFICE OF NATIONAL CAPITAL REGION COORDINATION.—

(1) STUDY.—The Secretary of Homeland Security, acting through the Director of the Office of National Capital Region Coordination, shall conduct a study of the feasibility and desirability of modifying the definition of ''National Capital Region'' applicable under section 882 of the Homeland Security Act of 2002 to expand the geographic area under the jurisdiction of the Office of National Capital Region Coordination.

(2) FACTORS.—In conducting the study under paragraph (1), the Secretary shall analyze whether expanding the geographic area under the jurisdiction of the Office of National Region Coordination will—

(A) promote coordination among State and local governments within the Region, including regional governing bodies, and coordination of the efforts of first responders; and

(B) enhance the ability of such State and local governments and the Federal Government to prevent and respond to a terrorist attack within the Region.

(3) REPORT.—Not later than 6 months after the date of the enactment of this title, the Secretary shall submit a report to Congress on the study conducted under paragraph (1), and shall include in the report such recommendations (including recommendations for legislation to amend section 882 of the Homeland Security Act of 2002) as the Secretary considers appropriate.

PRIVILEGE OF THE FLOOR

Mr. BYRD. I ask unanimous consent Sean MacKenzie, a Coast Guard detailee to the Subcommittee on Homeland Security, be given floor privileges during consideration of H.R. 2360.

The PRESIDING OFFICER. Without objection, it is so ordered.

RELATIVE TO THE DEATH OF FORMER SENATOR GAYLORD A. NELSON

Mr. MCCONNELL. Mr. President, I ask unanimous consent that the Senate proceed to the consideration of S. Res. 194, which was submitted earlier today.

The PRESIDING OFFICER. The clerk will state the resolution by title.

A resolution (S. Res. 194) relative to the death of Gaylord A. Nelson, a former United States Senator from the State of Wisconsin.

There being no objection, the Senate proceeded to consider the resolution.

Mr. FEINGOLD. Mr. President, I rise to speak on a resolution submitted by Senator FRIST and Senator REID to commemorate the life and work of Senator Gaylord Nelson. It is with mixed emotions that I make this statement honoring Senator Nelson.

I am proud—proud to have known Gaylord Nelson, proud to be from the same State as him, and proud to occupy his Senate seat. I am also deeply saddened—saddened by the loss to his family, especially to his wife of 58 years, Carrie Lee; saddened by the loss to our Nation; and saddened that a personal hero and dear friend of mine is gone. I am also thankful—thankful for Senator Nelson's long life, thankful for the example he set of how to make a difference in this world, and thankful to his family for sharing this good and decent man with the Nation. We mourn his death, but we also celebrate his remarkable legacy.

Gaylord Anton Nelson was born on June 4, 1916, in Clear Lake, WI. Gaylord's parents were always interested in politics, and in true Wisconsin tradition, they were La Follette Progressive Republicans at the State level and Democrats at the national level. Their Wisconsin-style progressive politics rubbed off on young Gaylord.

When he was 10, Gaylord traveled with his dad to hear a campaign speech by Senator Bob La Follette, Jr., who succeeded his father in the Senate in 1925. Gaylord recalls in his biography:

On the way back home to Clear Lake, my dad asked if I wanted to be a senator. I said I'd love to be a senator, but I'm afraid that Bob La Follette will solve all of our problems before I get a chance to serve.

Thirty-three years later, Gaylord was nominated to be the Democrat candidate for Governor of Wisconsin. At the 1958 Democrat convention in La-Crosse, Gaylord's father had a heart attack. When Gaylord went to see him in the hospital, the elder Nelson smiled and then said to his son, ''Do you think Bob La Follette left enough problems behind for you to solve?'' Gaylord's father died 10 days later.

Unfortunately, Gaylord's father did not get to see his son's rise to the national political level. If he had, he would have seen Gaylord attack those ''remaining problems left to solve'' with La Follette-like dogged determination and commitment to Progressive politics. From consumer protection to employee rights, Senator Nelson fought doggedly to address problems affecting countless Americans.

Gaylord Nelson was also willing to take a tough stand. When President Johnson requested money to escalate the war in Vietnam, for example, Nelson was one of three senators to vote against the proposal. In a speech on this floor, he said:

At a time in history when the Senate should be vindicating its historic reputation as the greatest deliberative body in the world, we are stumbling over each other to see who can say 'yea' the quickest and the loudest. I regret it, and I think some day we shall all regret it. . . . Reluctantly, I express my opposition . . . here by voting 'nay.' The support in the Congress for this measure is clearly overwhelming. Obviously, you need my vote less than I need my conscience.

Whether it was issues of war and foreign affairs, worker safety and health, or access to affordable healthcare, Gaylord Nelson was guided by his conscience, and by the wellbeing of Wisconsinites. Out of his impressive record, however, one issue stands out as central to his legacy—Gaylord Nelson's passion and commitment to protecting our environment.

Not many people who have served in this distinguished body can lay claim to a day, but Gaylord Nelson can. On April 22, 1970, Gaylord Nelson created a day to celebrate the glory of the Earth. Where did Nelson get his lifelong interest and dedication to the environment? ''By osmosis,'' Nelson would say, ''while growing up in Clear Lake, WI.''

It's true that Wisconsin has a tradition of great conservationists—Aldo Leopold, author of A Sand County Almanac; Sigurd Olson, one of the founders of the Wilderness Society; and John Muir, founder of the Sierra Club. The people of Wisconsin, living in such a beautiful and ecologically diverse State, feel a special connection to our natural resources. We share a long tradition of our State government achieving excellence in its conservation policies. Many Wisconsinites would agree with Senator Nelson that our conservation ethic comes ''by osmosis'' from the intense natural beauty of our State. Every year I hold a town hall meeting in each one of Wisconsin's 72 counties, and protecting the environment is always one of the top issues raised at these forums.

Senator Nelson's vision and determination helped crystallize this Wisconsin conservation ethic into an international phenomenon. Thanks to Gaylord Nelson, Wisconsin can lay claim to the genesis of Earth Day, a day of national and international reflection on the importance of our natural resources and a clean environment. Thanks to him, for the past 35
