another thing we have to take up. It is another thing we have to do to protect America. I am proud to stand, to sit, to debate, to be on the same side with the gentleman.

Mr. KING of Iowa. Mr. Speaker, I thank the gentleman. His Honor, Judge Conaway from Virginia, Judge Carter from Texas, Judge Ginnrey from Tennessee, and the gentlewoman from Georgia (Ms. Corrine Brown), all of us who have participated in this tonight. We have had an opportunity to discuss the PATRIOT Act and kind of put the final frosting on the cake here in the House, I hope, and maybe bring a better and more objective perspective to the PATRIOT Act for the American people, Mr. Speaker.

So we have a long road ahead of us. We will work with the PATRIOT Act to provide the maximum amount of domestic security and will continue the Bush doctrine to eliminate the habitat that breeds terrorists around the world. We have to ask for the rest of the countries in the world to shut off the funding, shut off the training, shut off the feed mechanism that funds these terrorists. We are going to ask the moderate Islam to purge the parasites from your midst; you are the only ones that can do it. We are going to take a look at our borders, both north and south, and we are going to slow down that human river of about 3 million illegals that poor across there, that huge haystack of humanity that, amongst the million or so, are criminals and perhaps thousands of terrorists, certainly thousands of criminals that prey upon Americans.

Mr. Speaker, if we can all get that done by the end of the 109th Congress, I am going to take the day off.
