AUTHORITY FOR COMMITTEES TO MEET

COMMITTEE ON FOREIGN RELATIONS

Mr. COCHRAN. President, I ask unanimous consent that the Committee on Foreign Relations be authorized to meet during the session of the Senate on Monday, September 19, 2005, at 2:30 p.m. to hold a hearing on Nominations.

The PRESIDING OFFICER. Without objection, it is so ordered.

MORNING BUSINESS

MEASURE READ THE FIRST TIME—S. 1718

Mr. FRIST. I understand there is a bill at the desk. I ask for its first reading.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A bill (S. 1718) to provide special rules for disaster employment under the Workforce Investment Act of 1998 for individuals displaced by Hurricane Katrina.

Mr. FRIST. Now I ask for its second reading and in order to place the bill on the calendar under rule XIV, I object to my own request.

The PRESIDING OFFICER. Objection is heard.

Mr. FRIST. This was the Enzi Workforce Investment Act for victims of Katrina, S. 1718. I mention that only because there were a couple of bills this morning, and then this bill, all of which reflect a lot of activity that is going on behind the scenes. By “behind the scenes,” I mean off the floor, in committees with members and chairmen working with their ranking members. There is a lot of work focused on the response and the appropriate support for recovery after Katrina.

As several people have mentioned on the floor over the course of today, there were seven Republicans and seven Democrats who represented this body last Friday in New Orleans and along the gulf coast, Mississippi, and on to Mobile, AL. We all learned a lot. We saw a lot. It contributed to our own education.

Then, later tonight, a number of us will continue that work as we figure out how best to respond to this catastrophe, this disaster which is ongoing, to respond in a way that will rebuild and reconstitute in very positive ways to those affected. Our hearts and our prayers and our thoughts and our efforts on the floor all go out to the victims, both those in Mississippi and
Mr. FRIST. I ask unanimous consent that when the Senate completes its business today, it adjourn until 9:45 a.m. on Tuesday, September 20; I further ask that following the prayer and pledge, the morning hour be deemed expired, the minutes be approved to date, the time for the two leaders be reserved, and the Senate proceed to a period of morning business for up to 60 minutes with the first 30 minutes under the control of the Democratic leader or his designee and the final 30 minutes under the control of the majority leader or his designee; providing morning business, the Senate resume consideration of H.R. 2744, the Agriculture appropriations bill.

I further ask unanimous consent that the Senate stand in recess from 12:30 to 2:15 to accommodate the weekly party luncheons.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. FRIST. Mr. President, tomorrow we will return to the Agriculture appropriations bill. This bill was laid down last Thursday and we resumed that bill today. Unfortunately, Members did not take advantage of their opportunity to offer amendments during those 2 days. I very much appreciate the Democratic leader, on behalf of one of his colleagues, offering an amendment a few minutes ago.

I ask unanimous consent that the managers that if no one comes to offer amendments, we should go to third reading and passage of the bill. We give Senators the opportunity to offer amendments, they say they are going to offer amendments in the future, and they do not come to the floor. That leaves us with the only alternative, which is going to third reading and passage of the bill. We will talk to the committee and see if we can vote on the amendment that the Democratic leader just introduced prior to the policy recess.

But having said that, I do need to forewarn all of our colleagues that the managers on these appropriations bills, both the ones over the last 2 weeks as well as the Agriculture appropriations bill we are dealing with, are very patient. They have been very patient. They stay on the floor throughout the day, and they are here many nights and Mondays and Fridays, waiting for our colleagues to offer the amendments that they say they want to offer. It is now time for people to get very serious and come over and, if they have amendments, to offer those amendments.

There is no reason to wait for a Wednesday night or a Thursday night to offer amendments. I do ask our colleagues to contact Senators BENNETT and KOHL now, to work through their amendments.

We are going to have a busy week. Real progress has been made on the judicial nomination to the Supreme Court—last week with the hearings and this week at the committee level. Next week that nomination will be brought to the floor of the Senate, and ultimately we will have the opportunity to speak and vote.

ADJOURNMENT UNTIL 9:45 A.M. TOMORROW

Mr. FRIST. If there is no further business to come before the Senate, I ask unanimous consent the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 5:42 p.m., adjourned until Tuesday, September 20, 2005, at 9:45 a.m.
