Mr. TOWNS. Mr. Speaker, I rise today in recognition of the jazz musician, Wayne C. Wiltshire, distinguished artist of the music industry. It behooves us to pay tribute to this outstanding artist and I hope my colleagues will join me in recognizing his impressive accomplishments.

Wayne C. Wiltshire has spent his entire 33 year career trying to improve access to healthcare for thousands of New Yorkers. First, as administrator for Emergency and Ambulatory Care Services at Cumberland Hospital and then as Associate Executive Director at Woodhull Hospital, which he helped open in 1982. Mr. Wiltshire then returned to renovate the new Cumberland D&TC, and served as their first Executive Director for 8 years. He later was transferred to Bellevue Hospital where he served for 5 years as the hospital's first African-American Associate Executive Director for Psychiatry and Emergency Services. During this time, Mr. Wiltshire was also an adjunct professor at St. Joseph's College in Brooklyn and owned his own ambulette service—Health Link, Incorporated with his father Cuthbert Wiltshire and brother David Wiltshire. With a Master's Degree in Community Health from LID and a Bachelor of Arts degree in Urban Politics from Shaw University, Mr. Wiltshire, a Canarsie High School graduate, is currently the Chief Executive Officer for the Paul J. Mr. Speaker, I believe that it is incumbent on this body to recognize the accomplishments of Wayne C. Wiltshire. His commitment to improving healthcare access makes him most worthy of our recognition today.

IN MEMORY OF RICK DANIEL

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 13, 2006

Mr. WILSON of South Carolina. Mr. Speaker, the pro-Second Amendment community lost a true friend last month, with the passing of Herman Richard Daniel of Irmo, SC. "Rick" died due to complications from aortal heart issues. He was 45.

He was the son of Evelyn Spires and the late Herman Daniel. Rick was a member of the New Heights Baptist Church.

A longtime aide to South Carolina Comptroller General, Richard Eckstrom, Rick had a distinguished and passionate career in the service to causes in the defense of freedom. Rick served ten years as the President of Gun Owners of South Carolina and the NRA State Association. He was the only non-legislator in South Carolina to be named "Defender of Freedom" by the National Rifle Association and was also named the first ever NRA Member of the Year by "America's First Freedom" magazine. Rick was known for his powerful essays and articles on the subject of freedom and was recently awarded the Second Amendment Foundation's "James Madison Award" for excellence in writing. Rick was also a proud officer in the South Carolina State Guard.

Rick is survived by his loving wife Esther and two daughters, Heather Rhea and Kara Nina; his brother Jim and wife Tonette with niece Jamie, and sister Linda and her husband Charley Butler.

Rick was a patriot, loving father, devoted son, and dedicated servant of the Lord. His quick wit and personal charm will leave us all missing him.

HONORING ROCKENBAUGH ELEMENTARY SCHOOL FOR BEING NAMED A NATIONAL BLUE RIBBON SCHOOL

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 13, 2006

Mr. MARCHANT. Mr. Speaker, I rise today to recognize Rockenbaugh Elementary School located in Southlake, Texas for being named a 2006 No Child Left Behind Blue Ribbon School. Only 26 public schools in Texas will receive this coveted award this year.

The No Child Left Behind Blue Ribbon Schools program recognizes schools that make significant progress in closing the achievement gap or whose students achieve at very high levels. Schools must make adequate yearly progress in reading, language arts and mathematics.

Rockenbaugh Elementary is no exception as Principal Karen White, her staff, the students and their families have poured dedication and heart into creating a fertile learning environment in Southlake. They have realized the immense potential of all those involved in making a school Blue Ribbon-worthy.

The No Child Left Behind Act is the bipartisan landmark education reform law designed to change the culture of America's schools by

closing the achievement gap, offering more flexibility to States, giving parents more information and options and teaching students based on what works. Under the law's strong accountability provisions, States must describe how they will close the achievement gap and make sure all students, including those with disabilities, achieve academically.

I extend my sincere congratulations to Rockenbaugh Elementary School for receiving this award. This school's contribution and services should serve as inspiration to us all.

STATEMENT ON HELEN CHENOWETH-HAGE

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 13, 2006

Mr. PAUL. Mr. Speaker, with the passing last month of Helen Chenoweth-Hage, America has lost one of its true champions of liberty and constitutional government, and I have lost a valued friend and colleague. When Helen served in the House of Representatives, she gained a national following for her principled and uncompromising defense of private property, the Second Amendment, American sovereignty, and limited federal government.

Unlike all too many people who come to Washington, Helen never forgot the principles that inspired her to seek office. I was honored when Helen became the first member of Congress to join my Liberty Caucus. She understood the importance of creating a support system to help members of Congress resist the constant pressures to "go along to get along."

I will always cherish my memories of the time Helen and I served together in the House, and I thank the Lord for enriching my life and the lives of so many others by granting us the opportunity to know Helen. I hope that knowledge of how many freedom-lovers across the country join Helen's family in mourning her loss provides some measure of comfort to Helen's family.
