

Washington area. The Clinic provides a full spectrum of medical and support services to patients residing in the District of Columbia metropolitan area through its two District of Columbia sites: Elizabeth Taylor Medical Center (ETMC) and Max Robinson Center (MRC).

The overall aim of WWC HIV/AIDS services is to improve health outcomes of persons living with HIV/AIDS (PLWHA) by providing clients with comprehensive and coordinated primary medical care; dental care; HIV/AIDS specialty care; medical adherence case management; mental health and addictions counseling and treatment; HIV education, prevention, and testing; support groups; nutrition counseling; legal services; and day treatment programs. The Clinic offers a comprehensive continuum of HIV/AIDS-related medical, behavioral health, and social services through our "one-stop-shop" approach to service delivery where all client services are available and integrated at a single location at each of our sites. The WWC "one-stop shop" approach combined with a newly implemented Electronic Health Record (EHR) enhances and ensures coordinated treatment, continuity of care, confidentiality, and elimination of duplication of effort and/or services. The co-location also allows better and more efficient access to services for clients.

Among the many recent accomplishments of the Clinic are the four key new services which advance care for HIV patients: (1) the addition of an electronic health record (EHR) system; (2) the establishment of the Medical Adherence Case Management Department; (3) implementing the Public Benefits Department; (4) and implementing a new visit type: the "Rapid HIV" visit.

(1). The Electronic Health Record: WWC implemented an electronic health record system, "eClinicalWorks," in order to achieve significant clinical and operational efficiencies that are needed to support a high quality client/physician encounter. WWC EHR allows for a complete multidisciplinary approach to health care. All clients of WWC are established in our electronic health record (EHR) system in order to track progress in an organized and efficient manner. This allows physicians, mental health practitioners, nurse case managers, and other providers to coordinate the care of that client, exchange information, and communicate with each other in an efficient and trackable manner. When we receive information from an outside health service, that information is scanned into the patient's Clinic-based EHR. Similarly, when we send out information to an external provider, a note is made in the EHR as to the nature of the communication.

(2). Medical Adherence Case Management Department: The Medical Adherence unit consists of Medical Adherence Case Managers and Medical Adherence Care Coordinators. The Medical Adherence Case Managers, all of whom are RNs, provide the following: barriers to care assessment, care planning, disease process education, medication/treatment management support, 24-hour support via pager and pillbox initiation. The Medical Adherence Care Coordinators provide support by addressing clients who no-show as well as: prescription refill reports and followup, home visits, accompaniment to medical appointments, social services as they relate to barriers to care (like emergency financial assistance clinics, housing clinics, access to food and transportation) and other elements as they relate to

life skills for managing a healthy lifestyle. This unit provides an immediate point of care for our new clients, establishing the relationship from the minute they walk in the door, or receive an HIV positive test result. WWC recognizes that for many of our clients, access to food and transportation can be a huge barrier to maintaining their medical care. Each staff person in Medical Adherence will be trained in accessing resources available to assist clients in these areas. The Medical Adherence Department also employs two full-time referral coordinators who assist patients in securing specialty and subspecialty appointments. For HIV-positive patients, the Medical Adherence staff members, in conjunction with our physician providers, pay close attention to identifying those patients at risk of failing their treatment regimens.

(3). Public Benefits Department: As of October 1, 2008, all WWC clients receive eligibility screening for public and private insurance through our recently established Public Benefits department. This screening and support service ensures that clients are able to identify and apply for public insurance programs for which they qualify. By thoroughly assisting clients in securing insurance, it also ensures that Ryan White funds remain the payor of last resort. Public Benefits Coordinators meet with all new HIV clients soon after they test positive at the Clinic or seek care at the Clinic as a new patient with previously diagnosed HIV. Potential patients will be asked to bring in proof of residency and income. Public Benefits Coordinators then assist potential patients in determining for what insurance programs they are eligible and provide assistance in applying for benefits. Public Benefits Coordinators, most of whom are bilingual (English/Spanish), work closely with medical providers and the Medical Adherence Case Management department to help clients overcome barriers such as a medication they cannot afford, lack of insurance, denial of a service by their public insurance, all to ensure easy access to the services that they need. They guide clients through every step of the process necessary to eliminating barriers to care related to payor source. Most of the D.C. patients seen by WWC are ultimately deemed eligible for payor programs such as Medicaid and DC Alliance.

(4). The "Rapid HIV Visit": The development of a "Rapid HIV" appointment type has allowed the Clinic to retain new HIV clients in care. Through this system, all new HIV clients are seen by the Medical Adherence Nurse Case Management team as well as by their primary medical provider on the same day they test positive in one of our facilities or seek care at WWC for their previously diagnosed HIV. Medical Adherence Nurse Case Managers triage all new HIV clients and initiate their care at WWC. WWC reserves several "Rapid HIV" visits with providers for new HIV clients each day. Therefore, new HIV patients are almost always able to meet with a provider the same day they test positive or present to the Clinic as a new HIV patient. Medical Adherence Case Managers provide post-testing counseling and "HIV 101" education to help patients understand their new diagnosis and navigate their treatment options. For new patients, providers take a full history, screen for mental health and/or substance abuse issues, order HIV and other labs, and assess immunization and tuberculosis status. Patients will also be given the opportunity to

meet with the Public Benefits Coordinators on that same day as well.

The Clinic offers expanded hours to accommodate clients who need services outside of the traditional work day. ETMC hours are Monday through Thursday from 8 am to 8 pm and Friday from 8 am to 5 pm. MRC hours are Monday and Tuesday from 8 am to 8 pm and Wednesday, Thursday, and Friday from 8 am to 5 pm. In addition to extended site hours, the Clinic provides an afterhours on-call nursing line pager with physician back-up for medical clients who may be experiencing a non-emergency problem or need medical advice.

WWC clinics are well situated, geographically, to provide services to underserved communities, including Blacks, recent immigrants, Latino/as, and men who have sex with men (MSM). Services at both sites are fully handicapped accessible and conveniently located on the Metro and bus lines. ETMC is located in Ward 2 near the U-street corridor, serves an area of the city concentrated with Latinos, African Americans, MSM, and where a significant number of people live below the poverty line. MRC is located in Ward 8, serves residents of Wards 6, 7, and 8, and residents east of the Anacostia River. Located in one of the city's poorest neighborhoods, MRC is well positioned to outreach and serve residents in Southeast, D.C., which is the area currently hardest hit by the AIDS epidemic. WWC's MRC location facilitates access to difficult to reach populations, such as IDUs, women with children, and sex workers.

The funding that is made available in this legislation will help give the necessary tools to the staff and volunteers of the Whitman-Walker Clinic. I am told that the Clinic has major renovation and infrastructure needs as well. Funding awarded by the Secretary of HHS and the Director of the CDC will go a long way to help identify and treat HIV/AIDS in the Nation's capital. Again, I am thankful that this money is contained in this package and I respectfully urge a favorable ruling on the Whitman-Walker's application for funding.

PERSONAL EXPLANATION

HON. J. GRESHAM BARRETT

OF SOUTH CAROLINA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, February 4, 2009

Mr. BARRETT of South Carolina. Madam Speaker, unfortunately I missed recorded votes on the House floor on Tuesday February 3, 2009. Had I been present, I would have voted "yea" on rollcall vote #47 (Motion to Suspend the Rules and Agree to H. Res. 82), "yea" on rollcall vote #48 (Motion to Suspend the Rules and Agree to H. Res. 103), "yea" on rollcall vote #49 (Motion to Suspend the Rules and Agree to H.R. 559)

TRIBUTE TO JOHN PATTI

HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND
IN THE HOUSE OF REPRESENTATIVES
Wednesday, February 4, 2009

Mr. RUPPERSBERGER. Madam Speaker, I rise today to honor a veteran Baltimore journalist who has reached a very special milestone. John Patti is celebrating 25 years of service at WBAL Radio.

From anchoring WBAL's coverage from the Vatican when Archbishop William Keeler was elevated to the College of Cardinals to Cooperstown, New York where Chuck Thompson and Earl Weaver were inducted into the Hall of Fame to local election coverage in Maryland, John's professionalism, talent, and dedication to reporting the news are second to none.

In fact, John Patti has spent the past 37 years broadcasting in Baltimore. John's specialty has always been feature reporting. During his career, John earned nine prestigious Edward R. Murrow Awards presented by the Radio-Television News Directors Association. In 2000, John captured the coveted Best of Show Award in the prestigious New York Festival in 2000 for his investigative journalism. As a sports reporter, John won the Eclipse Award, given out by the thoroughbred racing industry for excellence in reporting.

I am pleased to report John is home grown Baltimore. He graduated from Mount Saint Joseph High School in 1973 and received his Bachelor's Degree from Towson State University in 1977. He and his wife Stephanie live with their three sons in Howard County.

John Patti began at WBAL in February, 1984. . . and he is still there reporting the news 25 years later. For that, he deserves our congratulations.

HONORING CHARLES MAXWELL
CASSIDY

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2009

Mr. GRAVES. Madam Speaker, I proudly pause to recognize Charles Maxwell Cassidy of Platte City, Missouri. Charles is a very special young man who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Boy Scouts of America, Troop 351, and earning the most prestigious award of Eagle Scout.

Charles has been very active with his troop, participating in many scout activities. Over the many years Charles has been involved with scouting, he has not only earned numerous merit badges, but also the respect of his family, peers, and community.

Madam Speaker, I proudly ask you to join me in commending Charles Maxwell Cassidy for his accomplishments with the Boy Scouts of America and for his efforts put forth in achieving the highest distinction of Eagle Scout.

A PROCLAMATION HONORING THE
CENTENNIAL ANNIVERSARY OF
THE ST. JOSEPH CATHOLIC
CHURCH OF FAIRPOINT, OHIO

HON. ZACHARY T. SPACE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2009

Mr. SPACE. Madam Speaker:

Whereas, in 1905, a Congregation was organized that consisted of twenty-five families celebrating Mass in private homes for three years; and

Whereas, in 1908 families gathered \$800 dollars to erect a church building before formally establishing St. Joseph Catholic Church in 1909; and

Whereas, in September of 1950 His Excellency the Bishop John King Mussio of the Steubenville Diocese dedicated the newly renovated church and rectory; and

Whereas, St. Joseph Church continues to serve an active and vibrant congregation and continues to better Fairpoint by its presence; now, therefore, be it

Resolved, that along with the friends and congregation of St. Joseph Church and the residents of the 18th Congressional District, I congratulate St. Joseph Catholic Church on reaching their 100 year anniversary. We recognize the steadfast service provided by the Church, and commend the congregation for its continued life.

HONORING PENNSYLVANIA STATE
POLICE CHAPLAIN GROVER
DEVULT

HON. JOSEPH R. PITTS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2009

Mr. PITTS. Madam Speaker, I stand today to honor Pennsylvania State Police Chaplain Grover DeVault. Grover has spent his entire adult life ministering to the spiritual and emotional needs of those around him.

Early in his professional life, Grover served as a chaplain in the United States Army, including time spent in Vietnam. In this capacity, Grover provided guidance and counseling not only to members of his military unit, but the people of Vietnam as well, whose lives were upended by war in their homeland. It is my understanding that Chaplain DeVault was wounded as a direct result of enemy action during his active duty service. The event occurred on February 27, 1969, while he was stationed in Da Nang, Vietnam. For this, I recommended him for a Purple Heart.

He retired from the Army as a Lieutenant Colonel, but his ministry did not end there. Grover has remained very much involved in ministering to our troops and veterans in various capacities. His work on their behalf is no longer a duty, but a commitment that he has made because of his personal belief in the importance of ministering to the spiritual needs of those who serve our nation.

One of the ways he continues to serve our troops is as a missionary, along with his wife Nancy, with Cadence International. Cadence is an evangelical mission agency dedicated to reaching the military communities of the United States and the world with the Good News of Jesus Christ.

In addition to his work with our troops, he actually established the chaplaincy program within the Pennsylvania State Police force and has provided chaplain services to the Troop J Lancaster Barracks of the State Police for many years. It was in this capacity that he provided a desperately needed service as a counselor to the emergency personnel who responded to the tragedy at the Amish school in Nickel Mines, Pennsylvania in 2006.

Grover is a man of great integrity who has dedicated his life to serving the spiritual needs of the men and women who serve our nation.

I am pleased to honor him here in the House of Representatives, and I thank him for the important work he has done in spreading the Gospel to a community that is so important to our nation.

TRIBUTE TO THE WEST ROWAN
HIGH SCHOOL FALCONS FOOT-
BALL TEAM

HON. HOWARD COBLE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 4, 2009

Mr. COBLE. Madam Speaker, great sports teams become known for doing everything well, but at least one thing better than everyone else. Championships are earned by those teams that can adapt during a title run. That's exactly what happened to a high school football team in our congressional district that was known for an explosive offense, but won a state championship by having its defense rise to the occasion. On behalf of the citizens of the Sixth District of North Carolina, we wish to congratulate the football team of West Rowan High School for winning the North Carolina 3A state championship. The Falcons soared to new heights with the first football championship in the school's history.

The championship was not won with an explosive offense for which West Rowan is known, but by a spectacular display of defense that forced six turnovers. The team was led by Head Coach Scott Young who was able to pull the squad together and make them believe they were capable of anything. As a result, the Falcons finished the season with an impressive 15-1 record that was capped with a dominating 35-7 win over West Craven High School.

The championship season was a team effort led by seniors AJ Little, Brantley Horton, Nate Dulin, Austin Greenwood, Tim Flanagan, Jeremy Melchor, Kameron Finchum, Jonathan Hill, Matt Bishop, Marquise Allison, Matt Turchin, Josh Safrit, Marco Gupton, Dylan Andrews, Brett Graham, Ricky Moore, Kenderic Dunlap, Joseph Kerley, Garrett Teeter, Daniel Spainhour, Dustin Davis, and Casey Reavis, juniors Kevin Parks, Jr., Maxx Gore, Ershawn Wilder, Jon Crucitti, Quan Cowan, Coleman Phifer, Desmond Shaver, Chris Smith, Jairahmai Robinson, John Jancic, Tim Pangburn, Rodney Cline, Mackel Gaither, Altariq Abraham, Eli Goodson, and Josh Poe, sophomores Trey Mashore, Nolan Phillips, BJ Sherrill, Aakeem Minter, Dominique Noble, Eric Cowan, Patrick Hampton, Tyler Mullis, Emmanuel Gbunblee, Charles Holloway, Armando Trujillo, Justin Teeter, Xavier Still, Tim Jancic, Davon Quarles, Kendall Hosch, and freshmen Christian Hedrick, Jarvis Morgan, Louis Kraft, and Troy Culbertson.

Also assisting the team during this outstanding 15-1 season were assistant coaches Ed Bowles, Butch Browning, Jeff Chapman, Joel Crotts, Tim Dixon, Ralph Ellis, David Hunt, Lee Linville, Joe Nixon, Kevin Parks, Sr., Stevie Williams, and Durwood Bynum, athletic trainer Amber DeDomingo, video coordinator Alan Champion, and ball boys Bryant Young, Marcus Cory, Jr., and Owen White.

Again, on behalf of the Sixth District, we would like to congratulate Principal Jamie Durant, Athletic Director Todd Bell, Head Coach
