EARMARK DECLARATION

HON. MICHAEL N. CASTLE

OF DELAWARE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2009

Mr. CASTLE. Madam Speaker, pursuant to the House Republican standards on earmarks, I am submitting the following information regarding funding for Delaware included as part of FY 2009 Omnibus Appropriations Act, H.R. 1105:

DIVISION A—AGRICULTURE, RURAL DEVELOPMENT, FDA, AND RELATED AGENCIES

Name of Project: Agriculture Compliance Laboratory Equipment, Delaware

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: Delaware Department of Agriculture

Address of Requesting Entity: Tatnall Building, William Penn Street, Dover, DE, 19901

Account: Animal and Plant Health Inspection Service, Salaries and Expenses

Description of Request: \$69,000 for the Delaware Department of Agriculture to upgrade the equipment and facilities in the lab needed to provide a safe testing environment with its own ventilation system and a high-capacity incinerator to reduce the risk of zoonotic diseases from animals spreading to workers in the facility.

DIVISION B—COMMERCE, JUSTICE, SCIENCE, AND RELATED AGENCIES

Name of Project: For Preliminary Engineering Assessments before Message Switcher Upgrades

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: Delaware State Police Department

Address of Requesting Entity: Tatnall Building, William Penn Street, Dover, DE, 19901

Account: COPS Law Enforcement Technology

Description of Request: \$100,000 to update Delaware's Message Switcher hardware, which connects Delaware law enforcement to federal agencies so that they may receive critical information useful for fighting crime.

Name of Project: For the purchase and installation of In-Car Cameras and Related Equipment

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: The Delaware State Police Department

Address of Requesting Entity: Tatnall Building, William Penn Street, Dover, DE, 19901

Account: COPS Law Enforcement Technology

Description of Request: \$500,000 will be used for the purchase of 300 digital cameras and associated computer equipment to be placed in all Delaware State Police vehicles.

Name of Project: For the purchase of a Mobile Gunshot Locator System

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: State of Delaware

Address of Requesting Entity: 303 Transportation Circle, Dover, DE, 19901

Account: COPS Law Enforcement Technology

Description of Request: \$250,000 will be used to purchase the ShotSpotter Gunshot Location System (GLS) for the City of Wilmington, City of Dover, and the Delaware State Police. The amount of deaths resulting from gunfire continues to be the single leading cause of crime-related death in the United States, and Delaware has experienced numerous gun crimes. A 60–90 percent decrease in gunfire has occurred in other states who have utilized ShotSpotter. This system will place sensors at specific coordinates to accurately detect and locate the origin of gunshots, which can help lead law enforcement to apprehend criminals with that information. Implementing ShotSpotter in Wilmington and Dover, and having a non-fixed movable system will assist Delaware law enforcement in fighting against crime.

Name of Project: For Programs to increase the Efficiency and Effectiveness of License Plate Scanning Technology for Law Enforcement

Address of Requesting Entity: 506 N. Church Street, Wilmington, DE 19801

Account: Economic Development Initiatives

Description of Request: \$475,000 for Mary Mother of Hope House I, an emergency shelter within the Ministry of Caring, which serves the housing and supportive services needs of homeless women 18 and over who are willing to work on the root causes of their homelessness through intensive case management. This project will fund a renovation to make it handicap accessible and enhance its safety with a sprinkler and fire system. Other features include renovated living spaces on every floor, including the lower level, and an additional stairwell to the building's rear and a handicap ramp for access from a side entrance.

Name of Project: Automotive-Based Fuel Cell Hybrid Bus Program, DE

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: University of Delaware

Address of Requesting Entity: 107 Hullihen Hall, Newark, DE 19716

Account: Buses and Bus Facilities

Description of Request: \$475,000 for University of Delaware's Automotive-Based Fuel Cell Hybrid Bus project. Fuel-cell technology offers the potential to reduce our reliance on foreign oil supplies and to decrease the effects of harmful emissions on our environment. This project represents an effort to develop, build, and deploy a fuel-cell-powered hybrid transit vehicle, to be used within the state of Delaware. The vehicles developed in this project will be fully tested in real-life situations, and

the results will be presented to transit agencies throughout the U.S. and other interested countries. The University of Delaware transit system and the Delaware Transit Corporation are fully cooperating on this project and will be important partners throughout the course of this work effort. This project was authorized by SAFETEA-LU.

Name of Project: Indian River Inlet Bridge, DE

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: State of Delaware Department of Transportation
Address of Requesting Entity: 800 Bay Road, PO Box 778, Dover, DE 19903

Account: Transportation, Community, and System Preservation

Project Description: \$1,900,000 to design and construct a new bridge along SR-1 over the Indian River Inlet. The design and construction will be performed utilizing the Design-Build project delivery approach. The replacement bridge will alleviate the safety risk caused by the present scour condition at the foundations. The new structure will completely span the inlet with all foundation members constructed on dry land. The proposed alignment will be west of the existing bridge at a critical evacuation route in the event of natural disasters. The project was authorized by SAFETEA-LU.

Bill Number: H.R. 1105

Legal Name of Requesting Entity: Easter Seals Delaware

Address of Requesting Entity: 61 Corporate Circle, New Castle, DE 19720

Account: Economic Development Initiatives

Project Description: \$142,500 for Easter Seals Delaware to construct a 25,000 square foot addition to its existing facility in New Castle County to better serve children and adults with disabilities. The addition, which is also being financially supported by foundations, the county and local businesses, will accommodate a world-class assistive technology center, therapy services for children and adults, day services for adults with disabilities and the administrative staff.

Name of Project: I-95 Toll Facility Rehabilitation and Highway Speed E-ZPass Improvements, Newark, DE

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: State of Delaware Department of Transportation
Address of Requesting Entity: 800 Bay Road, PO Box 778, Dover, DE 19903

Account: Interstate Maintenance Discretionary

Project Description: \$2,375,000 to reconfigure the I-95 toll plaza to incorporate Highway Speed E-ZPass toll lanes. The current I-95 toll facility, which is located near the Delaware-Maryland border, experiences extremely high levels of traffic congestion at the toll facility in Newark, causing long delays, traffic accidents, and increasing air pollution in the region. This project is anticipated to reduce traffic congestion, improve overall safety, and reduce pollution by adding speed lanes and a new access way for the toll takers.

Address of Requesting Entity: 800 Bay Road, PO Box 778, Dover, DE 19903

Account: Interstate Maintenance Discretionary

Project Description: \$2,755,000 to improve the safety and efficiency of two major routes along the Northeast Corridor. The project was authorized by SAFETEA-LU and received \$1,490,000 in the FY08 THUD Appropriations bill. It consists of two phases designed to improve the movement and safety of interstate, regional and local traffic through this heavily traveled intersection. The two phases include: a redesign of the I-95/SR-1 interchange and adding a fifth lane to I-95.

Name of Project: Delaware Children's Museum, DE

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: Delaware Children's Museum

Address of Requesting Entity: 100 West Street, Suite 1004 Room 7, Wilmington, DE 19801

Account: Economic Development Initiatives

Project Description: \$190,000 to build Delaware's First Children's Museum. Delaware is one of only two states in the country without a museum dedicated to children. The Board of the Delaware Children's Museum is conducting a capital campaign to raise \$16.55 million to build Delaware's first children's museum. Funds provided by a federal appropriation would be applied to the renovation of an existing building and the construction of exhibits at the Christina Riverfront. This project would fund construction of a 37,000 square foot museum facility that will house eight major science and technology-oriented exhibits.

Name of Project: Wilmington Housing Authority, Wilmington, DE

Requesting Member: Congressman MICHAEL N. CASTLE

Bill Number: H.R. 1105

Legal Name of Requesting Entity: Wilmington Housing Authority

Address of Requesting Entity: 400 North Walnut Street, Wilmington, DE 19801

Account: Economic Development Initiatives

Project Description: \$475,000 for renovations of Crestview Apartments. This structure suffered the ravages of a fire in May of 2006 causing the displacement of residents, many of whom are elderly. Wilmington Housing Authority (WHA) is undertaking a major renovation project that includes structural repairs, energy efficiency measures, and the installation of a sprinkler and fire suppression system so that WHA public housing residents can have a higher standard of safe, decent housing upon the re-opening of Crestview Apartments. The exterior facade of the building was not damaged directly by the fire, however a structural assessment of the facade revealed that the concrete and steel supporting the structure is very deteriorated.
