TRAVIS ROBINSON DISTINGUISHED
FINALIST 2009 PRUDENTIAL
SPIRIT OF COMMUNITY AWARDS

HON. ROSCOE G. BARTLETT

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 10, 2009

Mr. BARTLETT. Madam Speaker, I would like to congratulate and honor a young student from my district who has achieved national

recognition for exemplary volunteer service in his community. Travis Robinson of Taneytown has been named a distinguished finalist by the 2009 Prudential Spirit of Community Awards program, an annual honor conferred on the most impressive student volunteers in each state and the District of Columbia.

Mr. Robinson is being recognized for raising nearly \$10,000 in cash and food donations to support the Carroll County Food Sunday program. Upon learning that donations at the food pantry had been ruined by the high summer heat, Travis conducted a series of food drives in his community.

I believe it is vital that we encourage and support the kind of selfless contribution that Travis has made. People of all ages need to think more about how we, as individual citizens, can work together at the local level to ensure the health and vitality of our towns and neighborhoods.

I heartily applaud Mr. Robinson for his initiative in seeking to make his community a better place to live, and for the positive impact he has had on the lives of others. Travis' actions show that young Americans can and do play important roles in our communities, and that America's community spirit continues to hold tremendous promise for the future.

Young volunteers like Travis are inspiring examples to all of us, and are among our brightest hopes for a better tomorrow.

THE FREEDOM TO BANK ACT

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 10, 2009

Mr. PAUL. Madam Speaker, I am pleased to introduce legislation repealing two unconstitutional and paternalistic federal financial regulations. First, this legislation repeals a federal regulation that limits the number of withdrawals someone can make from a savings account in a month's time without being assessed financial penalties. As hard as it is to believe, the federal government actually forces banks to punish people for accessing their own savings too many times in a month. This bill also repeals a regulation that requires bank customers to receive a written monthly financial statement from their banks, regardless of whether the customer wants such a communication.

These regulations exceed Congress's constitutional powers and violate individual property and contract rights. Furthermore, these regulations insult Americans by treating them as children who are unable to manage their own affairs without federal control. I urge my colleagues to show their respect for the Constitution and the American people by cosponsoring the Freedom to Bank Act.
