SEC. . . GRANTS TO STATES FOR ENHANCED PROTECTION OF SENIORS FROM BEING MISLEAD BY FALSE DESIGNATIONS.

(a) FINDINGS.—Congress finds that—
(1) many seniors are targeted by salespersons and advisers using misleading certifications and professional designations;

(2) many certifications and professional designations used by salespersons and advisers represent limited training or expertise, and may in fact be of no value with respect to advising seniors on financial and estate planning matters, and far too often, such designations are obtained simply by attending a weekend seminar and passing an open book, multiple choice test;

(3) many seniors have lost their life savings because salespersons and advisers holding a misleading designation have steered them toward products that were unsuitable for them, given their retirement needs and life expectancies;

(4) seniors have a right to clearly know whether they are working with a qualified adviser who understands the products and is working in their best interest or a self-interested salesperson or adviser advocating particular products; and

(5) many existing State laws and enforcement measures addressing the use of certifications, professional designations, and suitability standards in selling financial products to seniors are inadequate to protect senior investors from salespersons and advisers using such designations.

(b) DEFINITIONS.—As used in this section—
(1) the term “misleading designation”—

(A) means the use of a purported certification, professional designation, or other credential, that indicates or implies that a salesperson or adviser has special certification or training in advising or servicing seniors; and

(B) does not include any legitimate certification, professional designation, license, or other credential, if—

(i) it has been offered by an academic institution having regional accreditation; or

(ii) it meets the standards for certifications, licenses, and professional designations outlined by the North American Securities Administrators Association (in this section referred to as the “NASAA”) Model Rule on the Use of Senior-Specific Certifications and Professional Designations, or it was issued by or obtained from any State;

(2) the term “financial product” means securities, insurance products (including insurance products which pay a return, whether fixed or variable), and bank and loan products;

(3) the term “misleading or fraudulent marketing” means the use of a misleading

designation in selling or advising a senior in the sale of a financial product;

(4) the term "senior" means any individual who has attained the age of 62 or older; and
(5) the term "State" means each of the 50 States, the District of Columbia, and the unincorporated territories of Puerto Rico and the U.S. Virgin Islands.

(c) GRANT PROGRAM.—The Attorney General of the United States (in this section referred to as the "Attorney General")—

(1) shall establish a program in accordance with this section to provide grants to States—

(A) to investigate and prosecute misleading and fraudulent marketing practices; or

(B) to develop educational materials and training aimed at reducing misleading and fraudulent marketing of financial products toward seniors; and

(2) may establish such performance objectives, reporting requirements, and application procedures for States and State agencies receiving grants under this section as the Attorney General determines are necessary to carry out and assess the effectiveness of the program under this section.

(d) USE OF GRANT AMOUNTS.—A grant under this section may be used (including through subgrants) by the State or the appropriate State agency designated by the State—

(1) to fund additional staff to identify, investigate, and prosecute cases involving misleading or fraudulent marketing of financial products to seniors;

(2) to fund technology, equipment, and training for regulators, prosecutors, and law enforcement in order to identify salespersons and advisers who target seniors through the use of misleading designations;

(3) to fund technology, equipment, and training for prosecutors to increase the successful prosecution of those targeting seniors with the use of misleading designations;

(4) to provide educational materials and training to regulators on the appropriateness of the use of designations by salespersons and advisers of financial products;

(5) to provide educational materials and training to seniors to increase their awareness and understanding of designations;

(6) to develop comprehensive plans to combat misleading or fraudulent marketing of financial products to seniors; and

(7) to enhance provisions of State law that could offer additional protection for seniors against misleading or fraudulent marketing of financial products.

(e) GRANT REQUIREMENTS.—

(1) MAXIMUM.—The amount of a grant under this section may not exceed \$500,000 per fiscal year per State, if all requirements of paragraphs (2), (3), (4), and (5) are met. Such amount shall be limited to \$100,000 per fiscal year per State in any case in which the State meets the requirements of—

(A) paragraphs (2) and (3), but not each of paragraphs (4) and (5); or

(B) paragraphs (4) and (5), but not each of paragraphs (2) and (3).

(2) STANDARD DESIGNATION RULES FOR SECURITIES.—A State shall have adopted rules on the appropriate use of designations in the offer or sale of securities or investment advice, which shall, to the extent practicable, conform to the minimum requirements of the NASAA Model Rule on the Use of Senior-Specific Certifications and Professional Designations, as in effect on the date of enactment of this Act, or any successor thereto, as determined by the Attorney General.

(3) SUITABILITY RULES FOR SECURITIES.—A State shall have adopted standard rules on the suitability requirements in the sale of securities, which shall, to the extent practicable, conform to the minimum requirements on suitability imposed by self-regu-

latory organization rules under the securities laws (as defined in section 3 of the Securities Exchange Act of 1934), as determined by the Attorney General.

(5) SUITABILITY RULES FOR INSURANCE PRODUCTS.—A State shall have adopted suitability standards for the sale of annuity products, under which, at a minimum (as determined by the Attorney General)—

(A) insurers shall be responsible and liable for ensuring that sales of their annuity products meet their suitability requirements;

(B) insurers shall have an obligation to ensure that the prospective senior purchaser has sufficient information for making an informed decision about a purchase of an annuity product;

(C) the prospective senior purchaser shall be informed of the total fees, costs, and commissions associated with establishing the annuity transaction, as well as the total fees, costs, commissions, and penalties associated with the termination of the transaction or agreement; and

(D) insurers and their agents are prohibited from recommending the sale of an annuity product to a senior, if the agent fails to obtain sufficient information in order to satisfy the insurer and the agent that the transaction is suitable for the senior.

(f) APPLICATION.—To be eligible for a grant under this section, the State or appropriate State agency shall submit to the Attorney General a proposal to use the grant money to protect seniors from misleading or fraudulent marketing techniques in the offer and sale of financial products, which application shall—

(1) identify the scope of the problem;

(2) describe how the proposed program will help to protect seniors from misleading or fraudulent marketing in the sale of financial products, including, at a minimum—

(A) by proactively identifying senior victims of misleading and fraudulent marketing in the offer and sale of financial products;

(B) how the proposed program can assist in the investigation and prosecution of those using misleading or fraudulent marketing in the offer and sale of financial products to seniors; and

(C) how the proposed program can help discourage and reduce future cases of misleading or fraudulent marketing in the offer and sale of financial products to seniors; and

(3) describe how the proposed program is to be integrated with other existing State efforts.

TITLE II—SELECT COMMITTEE ON INVESTIGATION OF THE ECONOMIC CRISIS

SEC. 01. FINDINGS.

The Senate finds the following:

(1) The United States is currently facing an unprecedented economic crisis, with massive losses of jobs in the United States and an alarming contraction of economic activity in the United States.

(2) The United States Government has pledged, committed, or loaned more than \$9,000,000,000,000 as of February 2009 in an attempt to mitigate and resolve the economic crisis and trillions of dollars more may well be necessary before the crisis is over.

(3) The economic crisis reaches into, and has impacted, almost every aspect of the United States economy and significant parts of the international economy.

(4) Any thorough and complete study and investigation of this complex and far-reaching economic crisis will require sustained and singular focus for many months.

(5) A study and investigation of this size and scope implicates the jurisdiction of several Standing Committees of the Senate and, if it is to be done correctly and timely, will require a degree of undivided attention and resources beyond the capacity of the Standing Committees of the Senate, which are already overburdened.

(6) Adding such a significant study and investigation to the duties of the existing Standing Committees of the Senate would make it difficult for such committees to get their regular required work accomplished, particularly when so much attention and so many resources are appropriately devoted to responding to the ongoing economic crisis.

(7) Dozens of important investigations have been conducted with the creation of a select committee of the Senate for a specific purpose and a set time.

(8) The American public has a right to get straight answers on how this economic crisis developed and what steps should be taken to make sure that nothing like it happens again.

SEC. 02. SELECT COMMITTEE ON INVESTIGATION OF THE ECONOMIC CRISIS.

There is established a select committee of the Senate to be known as the Select Committee on Investigation of the Economic Crisis (hereafter in this title referred to as the “Select Committee”).

SEC. 03. PURPOSE AND DUTIES.

(a) **PURPOSE.**—The purpose of the Select Committee is to study and investigate the facts and circumstances giving rise to the current economic crisis facing the United States and to recommend actions to be taken to prevent a future recurrence of such a crisis.

(b) **DUTIES.**—The Select Committee is authorized and directed to do everything necessary or appropriate to conduct the study and investigation specified in subsection (a). Without restricting in any way the authority conferred on the Select Committee by the preceding sentence, the Senate further expressly authorizes and directs the Select Committee to examine the facts and circumstances giving rise to the current economic crisis facing the United States, and report on such examination, regarding the following:

(1) The causes of the current economic crisis.

(2) Lessons learned from the current economic crisis.

(3) Actions to prevent a recurrence of an economic crisis such as the current economic crisis.

SEC. 04. COMPOSITION OF SELECT COMMITTEE.

(2) **TESTIMONY.**—One member of the Select Committee shall constitute a quorum for the purpose of taking testimony.

(3) **OTHER BUSINESS.**—A majority of the members of the Select Committee, or 1/3 of the members of the Select Committee if at least one member of the minority party is present, shall constitute a quorum for the purpose of conducting any other business of the Select Committee.

SEC. 05. RULES AND PROCEDURES.

(a) **GOVERNANCE UNDER STANDING RULES OF SENATE.**—Except as otherwise specifically provided in this title, the investigation, study, and hearings conducted by the Select Committee shall be governed by the Standing Rules of the Senate.

(b) **ADDITIONAL RULES AND PROCEDURES.**—In addition to the provisions of section 08(h), the Select Committee may adopt additional rules or procedures if the Chair and the Vice Chair of the Select Committee agree, or if the Select Committee by majority vote so decides, that such additional rules or procedures are necessary or advisable to enable the Select Committee to conduct the investigation, study, and hearings

authorized by this title. Any such additional rules and procedures—

- (1) shall not be inconsistent with this title or the Standing Rules of the Senate; and
- (2) shall become effective upon publication in the Congressional Record.

(2) ENFORCEMENT.—The Select Committee may make to the Senate by report or resolution any recommendation, including a recommendation for criminal or civil enforcement, that the Select Committee considers appropriate with respect to—

- (B) the failure or refusal of any person to answer questions truthfully and completely during the person's appearance as a witness at a hearing or deposition of the Select Committee; or

(C) the failure or refusal of any person to comply with any subpoena or order issued under the authority of subsection (b).

On page 20, between lines 11 and 12, insert the following:

“(e) ADDITIONAL APPROPRIATIONS FOR THE SPECIAL INSPECTOR GENERAL FOR THE TROUBLED ASSET RELIEF PROGRAM.—

“(1) IN GENERAL.—There is authorized to be appropriated to the Special Inspector General of the Troubled Asset Relief Program (in this subsection referred to as the Special Inspector General), \$15,000,000 for fiscal year 2010.

“(2) PRIORITIES.—In utilizing funds made available under this subsection, the Special Inspector General shall prioritize the performance of audits or investigations of recipients of non-recourse Federal loans made under the Public Private Investment Program established by the Secretary of the Treasury or the Term Asset Loan Facility established by the Board of Governors of the Federal Reserve System, to the extent that such priority is consistent with other aspects of the mission of the Special Inspector General. Such audits or investigations shall determine the existence of any collusion between the loan recipient and the seller or originator of the asset used as loan collateral, or any other conflict of interest that may have led the loan recipient to deliberately overstate the value of the asset used as loan collateral.”.

SA 1001. Mr. DORGAN (for himself and Ms. CANTWELL) submitted an amendment intended to be proposed by him to the bill S. 386, to improve enforcement of mortgage fraud, securities fraud, financial institution fraud, and other frauds related to federal assistance and relief programs, for the recovery of funds lost to these frauds, and for other purposes; as follows:

SEC. ____ . SENSE OF THE SENATE IN SUPPORT OF CREATING AN INTERAGENCY TASK FORCE TO INVESTIGATE FINANCIAL FRAUD.

(a) FINDINGS.—The Senate finds that—

(1) the United States is currently facing an unprecedented economic crisis, with massive job losses and an alarming contraction of economic activity;

(2) as of March 31, 2009, the United States Government has spent, loaned, or committed more than \$12,000,000,000,000 in an attempt to mitigate and resolve the economic crisis;

(3) the economic crisis reaches into, and has impacted, almost every aspect of the United States economy and significant parts of the global economy;

(4) there is compelling evidence of egregious and criminal conduct that has contributed to the collapse of the economy;

(5) any person, company or entity that has benefitted from such financial wrongdoing must be investigated and prosecuted to the full extent of the law;

(6) there are piecemeal initiatives by many different national, State, and local entities to investigate and prosecute financial fraud cases;

(7) a national multiagency task force headed by the Department of Justice would bring singular focus and intensity, coherence, and coordination to the investigations now underway and result in identifying and prosecuting violations of law much more quickly; and

(8) a similar Task Force was created in connection with the Enron scandal and it was instrumental in bringing criminals to justice.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the Department of Justice should make it a top priority to facilitate a comprehensive national effort to investigate and prosecute financial fraud cases or any other violation of law that contributed to the collapse of our financial markets; and

(2) the Department of Justice should create an interagency Economic Crisis Financial Crimes Task Force dedicated solely to—

(A) investigating and prosecuting those responsible for creating, causing, or contributing to the financial crisis that is devastating our entire economy; and

(B) seeking to claw back any ill-gotten gains as a result of this wrongdoing.

SA 1002. Mr. THUNE submitted an amendment intended to be proposed by him to the bill S. 386, to improve enforcement of mortgage fraud, securities fraud, financial institution fraud, and other frauds related to federal assistance and relief programs, for the recovery of funds lost to these frauds, and for other purposes; as follows:

At the end of the bill, add the following:

TITLE II—DEBT REDUCTION PRIORITY ACT

SEC. 21. SHORT TITLE.

This title may be cited as the “Debt Reduction Priority Act”.

SEC. 22. FINDINGS.

Congress finds the following:

(1) On October 7, 2008, Congress established the Troubled Assets Relief Program (TARP) as part of the Emergency Economic Stabilization Act (Public 110-343; 122 Stat. 3765) and allocated \$700,000,000,000 for the purchase of toxic assets from banks with the goal of restoring liquidity to the financial sector and restarting the flow of credit in our markets.

(2) The Department of Treasury, without consultation with Congress, changed the purpose of TARP and began injecting capital

into financial institutions through a program called the Capital Purchase Program (CPP) rather than purchasing toxic assets.

(3) Lending by financial institutions was not noticeably increased with the implementation of the CPP and the expenditure of \$250,000,000,000 of TARP funds, despite the goal of the program.

(4) The recipients of amounts under the CPP are now faced with additional restrictions related to accepting those funds.

(5) A number of community banks and large financial institutions have expressed their desire to return their CPP funds to the Department of Treasury and the Department has begun the process of accepting receipt of such funds.

(6) The Department of the Treasury should not unilaterally determine how these returned funds are spent in the future and the Congress should play a role in any determination of future spending of funds returned through the TARP.
