''(A) IN GENERAL.—The total of the payments made to women's hospitals under paragraph (1) in a fiscal year shall not exceed the funds appropriated under subsection (e) for such payments for that fiscal year.

''(B) PRO RATA REDUCTIONS OF PAYMENTS.—If the Secretary determines that the amount of funds appropriated under subsection (e) for a fiscal year is insufficient to provide the total amount of payments otherwise due for such periods under paragraph (1), the Secretary shall reduce the amounts so payable on a pro rata basis to reflect such shortfall.

Based on such determination, the Secretary shall recoup any overpayments made and pay any balance due to the extent possible. The final amount so determined shall be considered a final intermediary determination for the purposes of section 1878 of the Social Security Act and shall be subject to administrative and judicial review under that section in the same manner as the amount of payment under section 1886(d) of such Act is subject to review under such section.
