ACKNOWLEDGING ELAINE AND MIKE ADLER FOR THEIR GENEROUS CONTRIBUTION TO RAMAPO COLLEGE

HON. STEVEN R. ROTHMAN
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. ROTHMAN of New Jersey. Madam Speaker, I rise today to recognize Elaine and Mike Adler for their generous contribution to Ramapo College of New Jersey. Mr. and Mrs. Adler have recently announced a $2 million gift that will finance the new Adler Center for Nursing Excellence. This donation will be the lead gift in Ramapo College’s capital campaign to renovate its Science Center.

The Adler Center for Nursing Excellence will provide a new home for Ramapo College’s nursing programs. This building will double the size of available laboratories and classroom
space for nursing students. The Adlers' gift will help fulfill a critical need, felt both on campus and across the Nation, for an increase in facilities, resources, and educators to train our future nurses. The Nursing Programs at Ramapo College have clinical partnerships with Englewood Hospital and Medical Center, as well as The Valley Hospital. These unique partnerships allow students to experience some of the best nursing departments in the country. Ramapo College is one of the few institutions that offers a masters of science in nursing, which prepares nurses to serve as educators in their field.

Mike and Elaine are longtime supporters of Ramapo College. Amongst their many contributions, the Adlers have established an endowed scholarship program to ensure that financially disadvantaged students are not excluded from receiving a quality college education. Elaine serves on the Ramapo College Foundation Board of Governors, which exists to provide resources that will make a difference in the college's quest for educational excellence. In 1999, Mike and Elaine received honorary degrees, were recognized at Ramapo College's Distinguished Citizens Dinner. The Adlers are a true embodiment of the American dream. In 1949, they founded Myron Manufacturing in the basement of their home, and it has since grown into a large international corporation, based out of Maywood, New Jersey, within my congressional district.

Madam Speaker, today I would like to express my profound thanks to my dear friends Elaine and Mike Adler for their generous contribution to Ramapo College's nursing programs and for their lifelong commitment to serving their community.

TRIBUTE TO WALTER J. BECKERT III

HON. DIANA DeGETTE OF COLORADO IN THE HOUSE OF REPRESENTATIVES Monday, November 29, 2010

Ms. DeGETTE. Madam Speaker, I would like to recognize the wonderful life and exceptional accomplishments of a remarkable man. This distinguished citizen possessed an impressive record of civic leadership and invaluable service. His achievements in making our city and state a better place merit our recognition and gratitude. It is to commend this eminent citizen that I rise to honor Walter "Uncle Walt" Beckert III.

Walt Beckert, "Uncle Walt" to all, devoted his time, skill and energy to making our state and our community a better place. Walt achieved a Masters in Bilingual Education, Curriculum Development and Administration from the University of Colorado. He served in the Peace Corps where he worked in Ecuador on bilingual education and curriculum development.

Walt was a labor leader and political activist who was in the vanguard of those dedicated to economic and social justice. As an AFL-CIO Colorado executive board member, former president of AFSCME Council 76, and Vice President of local 158; Walt was a union man through and through. Anyone who knew him was impressed by his boundless energy, drive and determination. Walt was an example of a true union leader in every sense of the term. Walt cared about all working people, not just those of his organization. His dedication and commitment to the labor movement was without question.

As a long time employee of the City and County of Denver as Director of Denver's Safe City Office, Walt worked to prevent violence by and against youth. His work allowed him to witness families that have fallen on hard times, whether by drugs, illness, or victimization. These experiences gave him a unique perspective in helping youth and were a motivating factor in his community service interests. These interests led him to be appointed to the Governor's Commission on Community Service.

Walt was an invaluable member of any committee or endeavor. From labor union, to political party to the St. Patrick's Day Parade committee, he was always there with a smile and a hug and an attitude that made everyone want to work harder. He made every job look easy and fun, and with Uncle Walt it was.

Our thoughts and our prayers are with his loved ones. Please join me in celebrating the
RECOGNIZING CATHY GLASER FOR THIRTY SIX YEARS OF SERVICE TO SAN DIEGO COUNTY

HON. DARRELL E. ISSA
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 29, 2010

Mr. ISSA. Madam Speaker, I rise today to recognize the honorable civil service of Cathy Glaser and commend her tremendous career of thirty six years with the San Diego County Registrar of Voters Office.

Joining the team at San Diego County in 1974 with the District Attorney’s office, Family Support Division, Ms. Glaser began her historic tenure with the County that has made an impression on countless San Diegans. Transferring to the Registrar of Voters Office as a Senior Clerk in 1977, Ms. Glaser was soon promoted to Candidate Filing. She filled an invaluable role by assisting candidates in all their filing aspects.

Starting with San Diego County at the age of 22, and now ending at the helm of Campaign Services, Ms. Glaser has worked for 8 Registrars’ of Voters. She has seen 9 election cycles of Presidents, Governors, U.S. Senators, State Senators, State Assembly, County Supervisors, Mayors, City Councilmembers, Community College Boards and School Boards to name a few. She has supervised the ballot preparation for all of the candidates for these offices as well as state, county and local propositions and measures.

Ms. Glaser has seen the transformation from the time of less than 5,000 Absentee Voters, voting on “paper”; and when results were delivered on election night. She has since been at the forefront of change with now more than 700,000 Vote by Mail Voters.

Under Ms. Glaser’s guidance and expertise, San Diego County has won several awards for streamlining the election process. She also created the prominent “Candidate’s Guide” which has become the “go to” guide for candidates, consultants, treasurers and campaign managers. Her work is often used as a model for other counties across the nation.

It is an honor to recognize her three and a half decades of dedicated, professional public service. I offer Ms. Glaser my congratulations on her achievements.

Madam Speaker, I ask you to please join me in paying tribute to Ms. Glaser’s loyal service to the San Diego County Registrar of Voters on the occasion of her retirement.

HONORING THE CAREER OF THOMAS MAX WILLSON

HON. BART STUPAK
OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, November 29, 2010

Mr. STUPAK. Madam Speaker, I rise to honor the career and achievements of Thomas Max Willson of Traverse City, Michigan. Tom is retiring after nearly 30 years of diligent public service in the 86th Judicial District Court in Traverse City. Throughout his long career, Tom has performed his duties with the utmost dedication and professionalism while being a devoted husband and father. Tom is also a dear friend of mine.

Tom was born in Detroit, Michigan on January 12, 1951 and grew up in Royal Oak, Michigan; graduating from Shrine High School in 1969. Following high school, Tom enrolled at Northwestern Michigan College in Traverse City where he and I became good friends. In 1973, Tom transferred to Ferris State University in Big Rapids, Michigan where he earned a Bachelor of Arts degree in Criminal Justice.

After earning his college degree in 1975, Tom knew he wanted to serve the public and play an integral role in his community. Tom headed back to Traverse City where he served as a sheriff deputy for Grand Traverse County. After two years as a sheriff deputy, Tom continued his career in public service as a probation officer for the 86th District Judicial Court.

Looking for a change in his professional life, Tom entered the private sector and became a sales supervisor with H. Cox & Sons Wholesale Distributor. Additionally, Tom was given the incredible opportunity to teach classes as an adjunct instructor at Northwestern Michigan College (NMC). To this day, Tom continues to enlighten students at NMC every semester with his experience and insightful teachings.

Tom’s passion for public service never faded. He returned to the 86th District Judicial Court to work as a probation officer in 1987—the same position he will be retiring from on December 31 of this year. Tom married his college sweetheart Deborah in May of 1974. Tom and Debbie celebrated their 36th wedding anniversary this year. They have two daughters, Heather and Ashley, and a granddaughter, Ava Rose.

On a personal note, Tom has been a dear friend who is always ready to help out and go the extra mile. He and Debbie have frequently offered to host out of town visitors and show them the beauty of northern Michigan. Tom is known in Washington as an unofficial ambassador to northern Michigan.

Madam Speaker, Tom has devoted his career to serving and protecting the residents of his local community and the State of Michigan. I ask my colleagues in the U.S. House of Representatives to join me in recognizing and honoring his lifetime of commitment and hard work.

HONORING HELEN MACLEOD THOMSON

HON. MIKE THOMPSON
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 29, 2010

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Helen MacLeod Thomson for her 36 years of public service that began in 1974 when she was elected as a member of the Davis Joint Unified School District Board of Education and where she served 3 terms. She was elected to the Yolo County Board of Supervisors in 1986 and re-elected in 1990 and 1994. In 1996 she won the 8th district seat in the California State Assembly where she served three terms.

As a legislator Thomson chaired both the Health Committee and the Select Committee on Mental Health and served on numerous standing and select committees. She was on the leadership teams of four Speakers, including Majority Floor Whip and Assistant Speaker Pro Tem. She led legislative efforts to reform the state-local government fiscal relationship and to end discrimination against those who suffer from serious mental illness.

Assemblywoman Thomson authored 81 bills signed into law by both Democratic and Republican governors. Most notably was AB 88, the mental health parity bill, which ended the historic discrimination in insurance benefits for those who suffer from mental illness and AB 1421, “Laura’s Law,” which established a court ordered program of Assisted Outpatient Treatment for those persons who are severely mentally ill. Thomson’s legislation spanned a spectrum of subjects including local government finance, civil grand jury reform, highway safety, county social services delivery, water conservation, and the rights of the disabled.

In 2002, when her assembly term ended, Thomson again was elected to the Yolo County Board of Supervisors and was re-elected without opposition in June 2006. She will retire at the end of her term in December 2010. Supervisor Thomson has served on a variety of local and statewide boards. Of continuing importance to her is the Children’s Health Initiative, which works to insure children 0-18, who are not covered by other health insurance programs, the Yolo Indigent Health Medical Services Program and the county’s alcohol, drug and mental health programs. As a registered nurse, she is a member of the National Advisory Committee for the newly established Betty Irene Moore School of Nursing at UC Davis.

A champion of Yolo County agriculture, Supervisor Thomson is a founder of the Yolo Land Trust and this year was awarded its 2010 Thomson-Rominger award for her decades of work in land conservation. A major goal of her county service was the adoption of the new County General Plan in December 2009. This 2030 General Plan continues Yolo County’s historic protection of agricultural lands, natural resources and open space, while creating opportunities for strategic economic development. It emphasizes policies that address issues of “smart growth” and climate change.

Madam Speaker, it is appropriate at this time to acknowledge and thank Helen M. Thomson for her 36 years of exemplary leadership and her lasting contributions that have
done so much to directly improve the lives of those she has so ably represented.

HONORING ARMY MASTER SERGEANT MITTMAN

HON. DAN BURTON
OF INDIANA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. BURTON of Indiana. Madam Speaker, today I rise to celebrate and honor the service of Army Master Sergeant Jeffrey Mittman for receiving the Osborne A. “Oz” Day AbilityOne Awareness Award. The prestigious “Oz” Award is presented by the Committee for Purchase from People Who Are Blind or Severely Disabled to an employee at a federal agency who demonstrates exceptional service promoting the AbilityOne Program throughout the federal, state and local communities.

Now, the National Account Manager for the National Industries for the Blind’s Midwest Region, Master Sergeant Mittman supports a mission of employment for others with disabilities by promoting the AbilityOne Program through the federal procurement process in Indiana’s 5th Congressional District. This patriot’s story is a remarkable one, for his story does not start nor finish here with this award.

Master Sergeant Mittman’s indefatigable commitment to serve his fellow Americans began as a soldier in the United States Army in 1989. Having fought in Operation Desert Storm, Operation Desert Shield, Operation Enduring Freedom, and in 2003, Operation Iraqi Freedom, Master Sergeant Mittman was the All-American hero who never turned down defending his country. It wasn’t till his return to Iraq in 2005 as a special advisor to the Iraqi Department of the Interior that he came face to face with the death changing his life forever.

Tragically, an improvised explosive device exploded near his vehicle in Iraq, leaving Master Sergeant Mittman without a nose, lips, most of his teeth, and the majority of his vision. Since that time, he has endured more than 40 operations and spent over four years recovering physically and emotionally. To his great credit, he has traveled the country sharing the lessons he learned from these experiences with the world.

He is noted for saying it is the veteran who has to take that very first step to recovering and that he realized this after attending the Blinded Veterans Association Conference in 2006, where he met people who were blinded years ago who are now attorneys, teachers and business executives. After realizing life can be good in spite of having a disability, he decided to help others who also have disabilities find jobs and lead meaningful lives.

Master Sergeant Mittman, a 40-year-old decorated warrior, husband of 17 years, father of two and outspoken military veteran was and forever will be an All-American hero whose determination and selflessness continue to serve our country and inspire our hearts. Today, we salute you.

BROTHER . . . BROTHER . . . COMBAT MEDIC SPC JEROD HEATH OSBORNE, UNITED STATES ARMY

HON. RALPH M. HALL
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. HALL of Texas. Madam Speaker, I rise today to honor a great American family, and a fallen hero and his brother. On July 5, 2010, Combat Medic SPC Jerod Heath Osborne of Royce, Texas, of the 473 82nd Airborne, died during an IED explosion in Afghanistan. In his short life he was a combat medic, an Angel on the Battlefield, the ones who rush in while all around the face of hell is going on. The lives that he has saved in his brief but great life will be measured in the future, with children and heroes that he has saved. His brother SSG Wauatah Grillet of the 10th Mountain Div. 1st Combat Team 2nd Batt. 22nd Infantry, on September 21 of that same year almost died in a mortar attack and is currently fighting to save his leg. This family, throughout the generations, has served our nation in the Armed Forces. As recently as the Vietnam war, their uncle James Carter gave his life in the name of freedom. The very bed of our Nation’s freedom, has served our nation in the Armed Forces, has committed himself to providing survivors with hand-drawn portraits of every man or woman killed in Iraq and Afghanistan. To date, Mr. Reagan has completed over 2,400 portraits of servicemembers. These portraits make a difference. A wife of a fallen Marine wrote to Mr. Reagan, “I sit in the living room every day looking at the portrait you drew . . . It just brings me a little bit of peace because I feel like he’s right there with me.”

As an Angel on The Battlefield . . . As into the face of death Jerod, you so ran and not to yield . . . To but so save sacred life, as was your mission . . . as was his most divine light!

As all around you Jerod, the face of death so swarmed!
Mr. BOOZMAN. Madam Speaker, on rollcall No. 573 I was not present and am not recorded due to a family illness. Had I been present, I would have voted "yes."

HONORING THE SERVICE OF SCOTT SCHLOEGEL

HON. BART STUPAK
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. STUPAK. Madam Speaker, I rise today to pay tribute to my good friend and Chief of Staff Scott Schloegel. Scott has worked for me for nearly two decades in both the Michigan House of Representatives and in Congress. Over the years, Scott has demonstrated an unwavering dedication to his work, and I am forever grateful for his tireless service to both me and the people of northern Michigan.

Scott began his service in 1990, fresh off his graduation from Northern Michigan University, he came to work as my legislative aide in Lansing, MI. When I came to Congress in 1993, Scott served as my District Director in Michigan, where he oversaw hiring staff and opening six of my district offices. He instilled in the district staff that casework and constituent service should be their main focus and a hallmark of my tenure. As District Director, Scott logged hundreds of hours on the road with me and represented me at countless meetings and events across northern Michigan. He would meet with local officials, hold constituent outreach hours and would speak to groups for me while I was in Washington. Scott had a great feel for the political landscape of our rural district, and for more than four years he worked determinedly to help raise the profile of our office and convert what was a solid Republican area into one that consistently supported me with increasing re-election margins.

In 1997, I asked Scott to become my Chief of Staff. Scott and his wife Kirsten moved to DC and began what would become a 13 1/2-year reign as my top advisor. Over the ensuing years, we have been through many historical and personal tribulations. During the years that Scott was my Chief of Staff, we experienced the impeachment trial of President Clinton; the cliffhanger election between Vice President Al Gore and then Governor George W. Bush; the terrorist attacks on September 11, 2001; the anthrax attacks; the DC sniper; and key legislative battles regarding guns, energy, health care and many more. Also during this time, Scott and I both lost our mothers and my son B.J. passed away.

Throughout my tenure I knew that I could always count on Scott to give me sound advice on political and legislative issues. When he disagreed with me he would not hesitate to tell me so. And even when we didn't win every battle, I knew that he always had my best interests and the best interests of northern Michigan in mind. One of his favorite tactics when he disagreed with how I was going to vote was to sit down and write a TV or radio commercial that he would run against me in the next election and then say, "If you can counter that in a 30 second TV spot or a 60 second radio spot, then go ahead and vote that way. If you can't, then maybe it isn't the right thing for the district."

Four years ago, when I became Chairman of the Energy & Commerce Committee's Oversight & Investigations Subcommittee, Scott took over to handle my O&I work in addition to his Chief of Staff duties. He assisted in dozens of hearings into such critical issues as our nation's nuclear weapon's labs, cyber security, food and drug imports, health care reform, automobile safety, telecommunications and energy hearings. He has a great mind for oversight and investigations and I could always count on him to think ahead and represent my interests with the Committee staff.

Over the years, we have done a tremendous amount of good for our nation and northern Michigan and I know that along the way, Scott has taken as much joy in helping his home state as I have. We have frequently reflected upon the many accomplishments of my tenure and the multitude of improvements across northern Michigan as a result of our work on improving infrastructure, helping businesses secure financing for research and development, and securing financing for communities and universities across the district.

Madam Speaker, as I prepare to leave this great institution, I want to thank Scott for his leadership and friendship over all these years. I also want to thank his wife Kirsten and his daughters Emma and Lauren for the sacrifice they have made as Scott toiled for Michigan's First Congressional District. Kirsten and the girls had to put up with Scott working extremely long hours and I know there are times where he put service to me above his duties at home. Any elected official will tell you that the sacrifice of service is one that can test the strength of relationships at home, and I want Kirsten and the girls to know that I truly do appreciate the fact that they have allowed Scott to serve the people of Michigan and our nation. I ask my colleagues in the U.S. House of Representatives to join me in recognizing Scott Schloegel's 20 years of public service.

HONORING CHARLIE KRUSE

HON. JO ANN EMERSON
OF MISSOURI
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mrs. EMERSON. Madam Speaker, I rise today to pay tribute to Charlie Kruse for his 18 years of service as President of the Missouri Farm Bureau Federation.

Over the years, Charlie's uncommonly wise counsel has been a blessing, as it was for my late husband Bill. Whether it was changes in agriculture policy, EPA regulations, or even school funding, I know I can rely on Charlie and the folks at Missouri Farm Bureau to provide, honest, reliable assessments for rural Missouri. But more important than Charlie’s advice, I appreciate Charlie’s friendship; and I look forward to keeping it for years to come.

Missouri Farm Bureau has grown to be an even more effective organization under Charlie’s strong leadership. When Charlie was elected President of the organization in 1992, membership stood at just over 75,000. Membership today stands at just under 112,000 members. This is a testament to Charlie’s leadership and the dedicated staff and membership he has surrounded himself with. Moreover, public servants from both political parties agree that Missouri Farm Bureau continues to be one of the most respected organizations in our state.

No tribute to Charlie would be complete without mentioning Charlie’s wife, Pam. I believe it is clear to all that Pam’s dedication to her husband and her family enabled Charlie to work so hard for rural Missouri. Pam’s unselfishness and generosity of time and energy are to be commended.

On behalf of the farmers and ranchers of Southern Missouri and the grateful constituents of the Eighth Congressional District, I congratulate Charlie and Pam on this occasion. Thank you, Charlie, for your 18 years of dedicated leadership with Missouri Farm Bureau. Best of wishes to you and your family as you pursue new challenges in the many bright years ahead of you.

HONORING KENNETH ROBERTS OF LAKE COUNTY, CALIFORNIA

HON. MIKE THOMPSON
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. THOMPSON of California. Madam Speaker, I rise today to recognize Mr. Kenneth Roberts, who is celebrating his 80th birthday this Saturday. Mr. Roberts is being honored at a luncheon to commemorate this milestone along with his years of service to the community.

Mr. Roberts was born in Washington State in 1930. He went on to serve as a Buck Sergeant in the United States Marine Corps during the Korean War before settling in Lake County with his wonderful wife, Irene. He had a long and fruitful career with Homestead Mining and retired in 1995.

He is an avid hiker who is a member of the Redbud Audubon Society and Sierra Club. Ken mentored three Hispanic adults in reading and writing English and tutored one in preparation for the U.S. Citizenship exam, which his student passed.

Madam Speaker and colleagues, it is appropriate at this time that we thank my friend Mr.
Kenneth Roberts for the work he has done on behalf of the people an environment of Lake County and wish him a happy 80th birthday. I join his 7 children, 18 grandchildren, 30 great grandchildren and 3 great-great grandchildren in wishing him continued good health and fulfillment.

ACKNOWLEDGING WORLD REMEMBRANCE DAY

HON. DAN BURTON
OF INDIANA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. BURTON of Indiana. Madam Speaker, I rise today to take a moment to pay my respects to road traffic victims in honor of World Day of Remembrance, this Sunday. Since 1993, this special Remembrance Day responds to the great need that road crash victims and their loved ones harbor for public recognition of their loss and pain.

The sense of grief and distress of this large group of people is all the greater because many of the victims are young and many of the crashes could have been prevented. The response to road death and injury is often experienced as inadequate, cruelly unsympathetic, and inappropriate to a loss of life or quality of life. In 2005, the United Nations took it global, endorsing it to be the third Sunday in November each year, encouraging NGOs, such as the Association for Safe International Road Travel to commemorate this day.

Clinton Oster, an environment and public policy professor at Indiana University in Bloomington, served as chairman of a committee that wrote a report on reducing traffic deaths in our Nation, released on Tuesday.

According to the report, transportation safety authorities in other countries have been successful at reducing fatalities by taking a different overall approach, with an emphasis on demonstrating and documenting programs that work and then aggressively making their case for those programs with political leaders and the public.

It is estimated that 1.3 million people die in road crashes each year. Unless action is taken, road traffic injuries are predicted to become the fifth leading cause of death by 2030.

As Oster said, if such programs were widely adopted in the U.S., it's probable that thousands of lives could be saved each year.

It is my hope that recognizing Remembrance Day will signal the importance the issue of reducing road danger to government.

RETRIEVEMENT TRIBUTE TO SOLANO COUNTY SUPERINTENDENT OF SCHOOLS DEE ALARCON

HON. GEORGE MILLER
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. GEORGE MILLER of California. Madam Speaker, we rise to recognize Dee Alarcon, Superintendent of Solano County Office of Education, as she retires after 42 years of outstanding public service through education.

Before being elected to serve as Solano County’s Superintendent of Public Education, Dee Alarcon worked for 20 years as a teacher, principal and administrator in half of Solano County’s six school districts—Dixon, Travis and Benicia. During this period she also taught at the university level. In 1998, Dee began working for the Office of Education as the Director of Curriculum and Instruction/Public Information Office, then as Director ACSA Principals Academy, and quickly moved up to Associate Superintendent of Educational Services, then Associate Superintendent/Chief Business Official, and finally to Deputy Superintendent from 2001–2003. It was in 2003 that Dee was elected as the first female county superintendent in Solano County’s 158-year history; rightfully, an achievement of great pride for her.

Professionally Dee has been an outstanding leader among her peers. She is well-known across the nation for her expertise in professional development for teachers and administrators and her depth of knowledge has made her a subject-matter expert in curriculum and instruction. She holds life teaching and administrative service credentials including a Bachelor of Arts in Fine Arts from California State University, Chico, and a Master of Arts in Educational Administration from California State University, Sacramento.

As Solano County Superintendent, Dee has directed and implemented the strategic plan for the Office of Education, developed and monitored the $64 million budget, and monitored the combined school district budgets of $500 million. In 2007, Solano County was awarded “America’s Promise 100 Best Communities for Young People” with the Office of Education serving as lead agency in submitting the application. It is with great pride that we note Solano County has won this distinguished designation a total of three times.

Dee Alarcon also represents the Solano County Office of Education through her memberships in various professional organizations and committees. She was recognized with a lifetime membership with ACSA in 2004 by So- optimist International for her outstanding service in education and to the community.

Dee has been elected President of the ACSA, Region 4, and served on ACSA’s state Board of Directors for 8 years. In 2005, ACSA honored her as Administrator of the Year. She currently serves as the President of the Association of Educational Service Agencies, AESA, Council and she will direct the Association of California School Administrators, ACSA, Superintendent Academy this year at the Solano County Office of Education.

Additionally, Dee’s experience in community relations and collective bargaining along with her amiable personality are assets in fostering positive and collaborative relationships among educational institutions, professional organizations, governmental agencies, and members of the community.

When asked to comment on the leading factor motivating her to serve in the education profession, Dee explains, "I have never lost focus of why I am in this business—for the children."

As Superintendent Dee Alarcon retires, we are pleased to have this opportunity to thank her publically for her remarkable leadership and dedication to excellence in education. Our children, their families, and our entire community have benefitted immensely from her work. Hers is a lasting legacy and we join together with Dee’s husband Alex, her sons A.J. and Phil, her extended family and friends to wish her the very best in her retirement.

Mr. KAPNIS of California. Madam Speaker, it gives me great pleasure to rise today and pay tribute to an outstanding citizen of our country, my good friend Janice Kamenir-Reznik. She is being honored as the Co-Founder and President of Jewish World Watch (JWW) at the Global Soul event on February 1, 2011. Janice is one of Los Angeles’ most dedicated activists, as seen by her relentless advocacy for human and civil rights worldwide.

Through co-founding JWW with Rabbi Harold M. Schulweis, Janice has directed the energies of this effective Jewish movement to focus attention on ending current and future genocides and mass atrocities. Her dedication and efforts to end the current crises in regions such as the Sudan and the Democratic Republic of Congo are clear examples of her compassionate and caring nature.

The organization has impressively enlisted 65 synagogues, and works in coalition with schools, churches, individuals, communities, and partner organizations that share a vision of a world without genocide. November is American Diabetes Month

HON. EDOLPHUS TOWNS
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. TOWNS. Madam Speaker, I rise today to acknowledge November as National Diabetes Month. This is a time for us to officially recognize the importance of and to increase the awareness of this relentless, debilitating disease and—without question deadly disease. If left undiagnosed or untreated, the consequences of diabetes are far more serious than many people realize. This month is an opportunity for Americans to look at diabetes differently and to get involved to stop and prevent this disease.

Currently, there are nearly 24 million American children and adults who have diabetes; there are another 57 million Americans that have prediabetes, putting them at high risk for developing the disease. Every minute three people are diagnosed with diabetes and over 700,000 New Yorkers have the disease—almost a third do not know they have it and more than 100,000 of them with very poorly controlled diabetes are at high risk of heart attack, stroke, kidney failure, blindness, and amputations.

The American Diabetes Association estimates that the total cost of diagnosed diabetes in the United States is more than $174 billion annually. Further published studies suggest that when additional costs for gestational diabetes, prediabetes and undiagnosed diabetes are included, the total diabetes-related costs in the United States could exceed $218 billion each year if people do not have access to the tools necessary to manage their diabetes. Every day, nearly 200 people with diabetes will undergo an amputation, 130 people enter end-stage kidney disease programs and 50 people go blind from diabetes. Diabetes kills more Americans each year than breast cancer and AIDS combined.

Diabetes is a family disease; it is a disease with deadly consequences. Drastic action is needed from everyone for we simply cannot afford to continue to ignore this epidemic. The most critical thing you can do is to take control of your own health and to encourage your family and community to do the same. Fortunately, there are a number of steps you can take if you have or are at risk for developing diabetes. Everyone can start by knowing the “ABCs of diabetes”; this will help in keeping it under control, as well as, prevent or delay any serious and deadly complications. The ABCs are simple and consist of the following:

Average Glucose—Most people with diabetes should check their A1C (a measure of average glucose) every 3 to 6 months. The A1C test measures how well they are managing their diabetes over time. A1C can also be reported as estimated Average Glucose, or eAG. In most cases, it is important to keep A1C less than 7 percent (eAG less than 154 mg/dl).

Blood Pressure—People with diabetes should have a target blood pressure of less than 130/80 mmHg.

Cholesterol—LDL (bad) cholesterol should be below 100 mg/dl; HDL (healthy) cholesterol should be above 40 mg/dl for men and 50 mg/dl for women; triglycerides should be below 150 mg/dl.

Diabetes is an epidemic in New York City, fueled by the increase in obesity nationwide and worldwide. In the past 15 years, the number of people with diabetes in NYC has more than doubled. In 2008, 550,000 New Yorkers reported being diagnosed with diabetes. Though serious, diabetes can be prevented and controlled—weight management is an important step.

Therefore, I encourage everyone to talk to their doctor, participate in some form of physical activity, maintain a healthy diet and take your medications. These are just a few preventive measures that you can do in taking control of your diabetes. So, please join me in recognizing November as National Diabetes Month and increasing the awareness by jump starting your way to a healthier life.

HON. BILL PASCRELL, JR.
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. PASCRELL. Madam Speaker, I would like to call your attention to the life and work of an outstanding individual. The late Sergeant Willie James Quince of Paterson, New Jersey, whose life will be celebrated during a memorial service on Monday, November 29, 2010, at the First A.M.E. Zion Church.

It is only fitting that he be honored in this, the centennial year of the greatest democracy ever known, for he served countless others throughout his lifetime.

Sergeant Willie James Quince was born in Valdosta, Georgia, in 1921 to Mr. Remer Quince and Helen Braswell. His family moved to West Palm Beach, Florida, for where he finished elementary school and graduated from Industrial High School. He went on to courses at Purple Kepels School of Mechanical Dentistry in New York City, NY. He then studied 4 years at the Jones Barber School in Atlantic City, NJ, and the Interracial Barber College in Atlantic City, NJ, graduating three years after graduation, he moved to Paterson, N.J. in January 1958 and opened Quince’s Barber Shop.

He was married to Mary M. Quince for 61 years, and together they raised five children, Wiley “Sonny” Quince, William A. Quince (Linda), Madgelene Z. Quince, Sylvia A. Lucas, and Kelvin C. Quince (Cora); and also now have ten grandchildren and thirteen great grandchildren. Mr. Quince was a faithful husband, dedicated father, grandfather and great grandfather, and a committed community servant. He earned many accolades and had a long record of accomplishment as a forerunner for civil rights and a leader throughout Paterson. He was a long time member of First A.M.E. Zion Church where he was elected the church’s second Elder multiple times, served on the Board of Trustees for 31 years and served as Chairman for 15 years. He also served on the Stewart Board, Usher Board, The Dreamers, The Kitchen Cabinet, and The Zion Seniors.

He served our Nation as a Drill Sergeant during World War II Army Air Force and received the Medal of Good Conduct, WWII Victory Medal and ATO Medal. He was an Honored Life Member of the NAACP Paterson...
Branch, a member of the Habitat for Humanity Paterson Chapter Tenants Selection Committee for Home Ownership. He was the 1st African-American elected chairman of the Paterson Housing Authority Board of Commissioners, and he served as Project Housing Manager of Christopher Columbus Housing Development and as Manager of the Riverside Terrace Housing Development. He also served as Paterson’s 4th Ward Leader of the Passaic County Democratic Party for many years. He was known for his superb social mannerisms and good conversation.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing the lifetime achievement of a giving person such as Sergeant Willie James Quince.

Madam Speaker, I ask that you join our colleagues, Willie’s family and friends, and me in recognizing the late Sergeant Willie James Quince’s outstanding life of service to his community.

RECOGNIZING THE 87TH ANNIVERSARY OF TURKEY’S REPUBLIC DAY

HON. EDOLPHUS TOWNS
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. TOWNS. Madam Speaker, I rise today to offer my congratulations to the Republic of Turkey on the occasion of the 87th anniversary of Republic Day.

On October 29, 1923, the new republic was declared in the new capital of Ankara. Mustafa Kemal Atatürk was the founder and first President of the Republic of Turkey, and his leadership proved essential to the foundation for the secular republic. In recent decades, the republic has strengthened politically and economically.

Turkey’s membership in NATO, beginning in 1952, has been one facet of a strong relationship between Turkey and the United States. It is important that our two nations continue to work together toward our common goals.

I extend my best wishes to the citizens of Turkey, and urge my colleagues to recognize this important occasion.

EMERGENCY UNEMPLOYMENT COMPENSATION CONTINUATION ACT

SPEECH OF
HON. DAVE CAMP
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Thursday, November 18, 2010

Mr. CAMP. Madam Speaker, on November 18, 2010, U.S. Department of Labor Secretary Hilda Solis said the fact that the U.S. unemployment rate was 9.6 percent in October 2010 (as opposed to 10.1 percent in October 2009) “tells you . . . we are on the right path.”

The facts show that the U.S. unemployment rate has been 9.5 percent or above for 15 consecutive months—the longest period since the Great Depression of the 1930s.

The unemployment rate hasn’t fallen since spring—when hundreds of thousands of temporary Census jobs were “created.” And Democrats promised us if their 2009 stimulus law passed, the unemployment rate would be 7 percent by now, which as the chart below reflects didn’t happen.

All of which suggests unemployment at 9.6 percent is not the right path for American workers, regardless of what Secretary Solis believes.

This bill reflects a cynical political maneuver by the Democratic leadership. They know the Senate has no plans to pass this unpaid-for bill. So all the claims that today’s legislation will save Thanksgiving are just more empty rhetoric.

The fact is, this is exactly what happened this summer, when Democrats brought a similar unpaid-for extension bill up under suspensions. That failed, because enough Republicans and Democrats opposed simply adding to the deficit. You would think our Democrat colleagues would have learned that lesson, and either brought this up for an up or down vote, or actually paid for it. Instead, we get more of the same “our way or the highway” approach.

It will not pass, and the other side knows it. We should reject this bill and work together to quickly pass a bill to extend federal unemployment benefits while responsibly paying for it.

HON. MICKEY LEFLAND
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Ms. EDDIE BERNICE JOHNSON of Texas.

Madam Speaker, I rise to pay tribute to Congressman George Thomas “Mickey” Leland, who lost his life in a plane crash during a humanitarian mission in Ethiopia. Were he still with us, he would have turned 66 last week on November 27.

Congressman Leland was best known for his advocacy for low-income families and individuals, both at home and abroad. Before he even held political office, he was active in winning improvements for public health care reforms in Houston, such as community health clinics. In 1972 he ran for the Texas House of Representatives as a member of the “People’s Five,” a slate of minority candidates in a state that had not seen an African American state representative since Reconstruction. Congressman Leland won his election, and two subsequent re-elections. In his tenure, he was lauded for his work to allow generic drugs to be prescribed, lowering costs and increasing access to life-saving medications for many Texans.

In 1978, Congressman Leland took over the seat vacated by Barbara Jordan’s retirement from the United States House of Representatives. He was reelected to his position as a United States Congressman five times, typically winning majorities of 90 percent or more. Initially he drew attention with his unique sense of style, later for his ability to develop bipartisan partnerships. Congressman Leland chaired the Congressional Black Caucus in the 99th Congress, from 1985 to 1987. He was an ally to all minority groups, including the many Latinos in his district. He once surprised his colleagues by arguing in Spanish on the House Floor in favor of preserving the bilingual clauses of the Voting Rights Act.

However, Congressman Leland’s greatest passion—the fight against world hunger—was born during a three-month trip through East Africa. There, he witnessed mobs of people rubbering their stomachs and pleading for food in Ethiopian refugee camps. There, he held a young girl in his arms as she died of starvation. After that fateful visit, Congressman Leland became a dedicated crusader, raising awareness of domestic and international hunger. He was instrumental in the creation of the Select Committee on Hunger, which in 1984 was able to push through Congress a nearly $800 million aid package for famine relief. He continued to travel to Africa frequently, often guiding his Congressional colleagues to refugee camps so they could see for themselves the dramatic impact of the aid money.

It was during a trip to Africa, during which he planned to monitor the delivery of supplies and inspect a refugee camp on August 7, 1989, that Congressman Leland’s plane crashed into a mountainside. He and 15 others died in the course of this humanitarian mission. Many of the communities he had touched, both in Texas and nationally, were quick to honor his memory with awards, dedications, and outreach projects in Africa. His greatest legacy is, of course, his family—he is survived by his wife Alison and his three children.

Madam Speaker, I ask that my colleagues join me in recognizing this remarkable man for his lifetime of service.

INTRODUCING A RESOLUTION EXPRESSING SUPPORT FOR THE REPUBLIC OF INDIA GAINING A PERMANENT SEAT ON THE UNITED NATIONS SECURITY COUNCIL

HON. ALCEE L. HASTINGS
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. HASTINGS of Florida. Madam Speaker, I rise to introduce a resolution in support of the Republic of India gaining a permanent seat on the United Nations Security Council. Addressing a joint session of India’s Parliament this past November 8, President Obama said that “the United States not only welcomes India as a rising global power, we fervently support it.” I could not agree more. In recent years India has proven to be a solid and supportive ally of the United States. As the international community looks to reform the policies and procedures of the Security Council, no nation deserves a seat at the table more than India.

As the world’s most populous democracy—and second most-populous nation—India is an increasingly influential power, not only in its neighborhood in South Asia but also on the world’s stage. India is one of the fastest-growing economies in the world, enjoys the second-largest labor force, and is rapidly becoming a major hub for high-tech industry, telecommunications, and automobile manufacturing. As a major export/import nation, India is an important trading partner for dozens of countries around the world.

India’s position at the nexus of global security issues, from Pakistan and Kashmir to...
China and the Indian Ocean, makes its participation in international security decisions essential. Having already provided tens of thousands of troops for dozens of UN peacekeeping missions around the world, India has earned a permanent role for itself in security decision-making, global conflict resolution, and questions of war and peace. As a nation which has suffered more casualties from terrorism than almost any other, India’s commitment to effective counterterrorism measures is aligned with the United States’ goals, and India has proved an indispensable ally with respect to our efforts in South Asia.

Finally, India regularly participates in numerous regional and international organizations, including the G20, the World Trade Organization, the East Asian Summit, and the South Asian Association for Regional Cooperation. India has thus demonstrated a commitment to international dialogue and constructive engagement, and, indeed, enjoys good relations with most countries around the world.

Madam Speaker, India is already a nation of great influence, respect, ambition, and ability, and a trusted member of the international community. An overwhelming majority of the United Nations General Assembly recently elected India to serve as the Asian regional representative to the Security Council. The permanent membership of the Security Council reflects the reality of global power in the immediate aftermath of World War II—not today’s 21st century reality of rising powers. As President Obama and many other world leaders have pointed out, India deserves a permanent seat on a reformed Security Council, where its voice and clout will be a much-welcomed and much-needed addition to the global security regime. I strongly applaud this effort and urge my colleagues to support this permanent membership of the Security Council.

Mr. CALVERT. Madam Speaker, I rise today to recognize and honor the life of Dr. Malcolm Miller, a retired anesthesiologist and Mayor of the City of Norco, California. Malcolm passed away last night at the age of 65 after a brief battle with liver cancer. He will be deeply missed.

Dr. Miller graduated from medical school from the University of Cape Town in South Africa and specialized as an anesthesiologist at Harvard Medical School. After teaching at Harvard for three years, he transferred to the University of California, Irvine where he taught as an Assistant Professor in the Department of Anesthesiology.

Dr. Miller later entered private practice at Orange County’s St. Joseph Hospital and Children’s Hospital as Chair of the Department of Anesthesiology and as a member of the Board of Trustees. He was elected as the District Director for the Orange County Society of Anesthesiologists and served on the Board of Directors of the California Society of Anesthesiologists. He also served as a member of the Claims Review Committee of the Cooperative of American Physicians.

Dr. Miller is a naturalized citizen of the United States. He moved to Norco in 1997 when he married his wife, Donna, a longtime resident. Since then, he has served on the Streets and Trails Commission and was elected to the Norco City Council in 2007. Both Dr. Miller and his wife have been avid equestrians, and proud members of the Norco Horsemen’s Association. Furthermore, Dr. Miller was a strong advocate for an innovative and forward-thinking project to convert animal waste into a renewable energy source.

Dr. Miller was in his first term on the City Council after being elected in 2007, and will be remembered for using his profound intellect to better the community around him. On behalf of all those who knew him, it is my honor to offer these remarks as a tribute to my friend and colleague and to better the community around him.

Mr. TIERNEY. Madam Speaker, I rise today to recognize the accomplishments of Nancy K. Kaufman. For the past 20 years, Ms. Kaufman has served as the Executive Director of the Jewish Community Relations Council of Greater Boston, an umbrella group for 42 local and national Jewish organizations. She has been a passionate advocate for American Jewish leaders in the Forward, a champion of national Jewish organizations. She has been a strong proponent of the Forward’s first Child Support Unit, Attorney General Cox has recovered a record $3.2 billion for Michigan consumers while also saving taxpayers more than $1.7 billion in defense of state lawsuits. Fighting utility rate increases, Attorney General Cox has saved families and businesses more than $2.4 billion. He has fought rate hikes for Blue Cross Blue Shield of Michigan enrollees and implemented a website allowing consumers to find the fairest price on prescription drugs.

As a father of four and a Little League coach, Mike Cox has set the protection of children as his top priority. By establishing the nation’s first Child Support Unit, Attorney General Cox has helped more than 60,000 of America’s children and their families secure the support to which they are entitled. Mike Cox’s leadership has strengthened community cohesion and building community trust for all of us.

HON. MIKE COFFMAN
OF COLORADO
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. COFFMAN of Colorado, Madam Speaker, today I rise to honor and acknowledge the distinguished career of Mike Cox, Michigan’s 52nd Attorney General.

Born on December 29, 1961, the son of Irish immigrants, Michael Anthony Cox graduated from Detroit Catholic Central High School in 1980 and went on to serve his country as a Marine from 1980 until 1983. Serving with distinction, Mike Cox rose to the rank of Corporal and earned the Navy Achievement Medal and Command Marine of the Year Designation.

During his tenure, Attorney General Cox has recovered a record $3.2 billion for Michigan consumers while also saving taxpayers more than $1.7 billion in defense of state lawsuits. Fighting utility rate increases, Attorney General Cox has saved families and businesses more than $2.4 billion. He has fought rate hikes for Blue Cross Blue Shield of Michigan enrollees and implemented a website allowing consumers to find the fairest price on prescription drugs.

As a father of four and a Little League coach, Mike Cox has set the protection of children as a top priority. By establishing the nation’s first Child Support Unit, Attorney General Cox has helped more than 60,000 of America’s children and their families secure the support to which they are entitled. Mike Cox’s leadership has strengthened community cohesion and building community trust for all of us.
Michigan’s youngest citizens receive the child support owed them and the unit is on track to collect over $100 million by early 2011. His expanded efforts to keep children safe while online have resulted in the arrest of 258 internet sexual predators, making Michigan’s Internet Predator Unit one of the most productive in the nation. Mr. McCotter’s office developed Michigan Cyber Safety Initiative. This innovative program has reached more than a half million.

With his unwavering commitment to all citizens, Michigan Attorney General Mike Cox has actively sought to protect our venerable senior citizens from unscrupulous caregivers, testified before Congress in defense of the embattled auto industry and led the fight to keep dangerously invasive Asian Carp from destroying our bountiful Great Lakes.

Madam Speaker, during his distinguished career, Attorney General has bettered the lives of countless Michiganders. As he embarks upon the next chapter of his life with his beloved wife Laura and his children Lindsey, Sinead, Conor and Rory, I ask my colleagues to join me in applauding his legendary leadership, and in thanking him for his unflagging service to our community and our country.

TAXPAYER RECEIPT ACT OF 2010

HON. JIM McDERMOTT
OF WASHINGTON
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. McDERMOTT. Madam Speaker, Oliver Wendell Holmes said “taxes are the price we pay for a civilized society” and taxes are a very big topic in our national debate today. How much federal income tax people pay and what those taxes buy is not well understood by many Americans. It is hard and complicated to figure out. Very little information about how tax revenues are spent is ever made available to the American people. This results in significant misinformation. For example, a Washington Post and Kaiser Foundation poll found that by a margin of two to one, Americans believe that the federal government spends more on foreign aid than on either Social Security or Medicare. This is why I am introducing the Taxpayer Receipt Act of 2010. This bill requires the Secretary of the Treasury to provide each taxpayer with a simple annual statement explaining how his or her federal income tax dollars were spent.

Similar to the annual Social Security statement, the Taxpayer Receipt will show the taxpayer’s income tax liability, the amount of the liability spent on major spending categories, and the actual federal outlays for each category. It will also provide information on the state of the deficit and the 10 costliest tax breaks for that year. This simple annual Taxpayer Receipt will provide clear and consistent information to taxpayers that will serve to educate taxpayers on government spending—a subject full of misinformation.

Thomas Jefferson once said, “Information is the currency of democracy.” To that end, providing Americans with information and transparency on government spending is essential to maintaining the strength and health of our democracy.

PROVIDING RELIEF TO THE UNEMPLOYED

HON. JIM McDERMOTT
OF WASHINGTON
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. McDERMOTT. Madam Speaker, the current recession has impacted the lives of millions of American families. Unemployment rates in the past 3 years have reached record highs, with competition for employment so steep that roughly five Americans compete for every available job. Providing meaningful relief to the unemployed in these scarce times is, by definition, our responsibility as legislators. To get through these hard times, millions of unemployed Americans are raiding their retirement savings to put food on the table. In 2007, over 34 million Americans participated in their employer-sponsored retirement plans, and over 20 million Americans had an Individual Retirement Account. Unfortunately, withdrawing retirement funds early can carry stiff penalties. That is why I am introducing legislation to waive the penalty for unemployed taxpayers who have turned to their retirement savings for an early distribution. This bill will waive the penalty for such distributions made during 2009, 2010, or 2011, so long as the taxpayer received 12 consecutive weeks of unemployment compensation in the year the distribution was made.

In creating retirement accounts with special tax treatment, Congress was encouraging saving towards a financially stable retirement. It was the right thing to do. Congress wanted these funds to be for retirement, but Congress did not foresee the economic disaster we are going through. By allowing temporary, penalty-free withdrawals from retirement accounts when folks are unemployed we are helping the unemployed when they need it most.

HONORING BRUCE PATTERSON

HON. THADDEUS G. McCOTTER
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Monday, November 29, 2010

Mr. McCOTTER. Madam Speaker, today I rise to honor and acknowledge the distinguished career of Bruce Patterson, Michigan State Senator representing the 7th District. Born in Detroit, Michigan on February 7, 1947, Senator Patterson now resides in Canton. After graduating from Redford High School, he earned a Bachelor of Arts degree from Wayne State University in 1969, and thereafter, in 1972, a Juris Doctorate Degree from Wayne State University Law School. Prior to beginning his storied political career, Senator Patterson served 20 years as an Associate Attorney, Vice President and President of McCabe, Middleton and Patterson, PC. Senator Patterson has been a member of the State Bar of Michigan since 1972 and was a member of the Plymouth-Canton Public School’s Educational Excellence Foundation Board of Directors from 1989–1997. As Director of Planned Giving for Eastern Michigan University, Senator Patterson’s career worked from 1991 to 1994. He devoted his time and energy as President of the Canton Economic Club from 1991 to 1992 and to the Canton
Community Foundation from its inception in 1989 until 1996. Later in his career, Senator Patterson became a member of the Schoolcraft Community College Board of Trustees. With tireless devotion, he dedicated his time to improving his community as a Wayne County Commissioner from 1995 to 1998, and was elected to the Michigan State House of Representatives, where he was the first freshman ever elected to the position of Associate Speaker Pro Tempore, serving the 21st District for 4 years. SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules committee—of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
