TEXT OF AMENDMENTS
SA 1418. Mr. CORNYN submitted an amendment intended to be proposed by him to the bill S. 1867, to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

SA 1419. (a) FINDINGS.—The Senate makes the following findings:

(1) The bonds that exist between humans and animals can be a beneficial foundation for recovery from wounds, illness, and injury.

(2) Equine-assisted therapy may contribute beneficially to the rehabilitation of wounded warriors and veterans through physical stimulation and strengthening, improved cognitive focus, mental awareness, fitness, and self-esteem.

(3) In 2005, the 1st Cavalry Division at Fort Hood, Texas, conducted a pilot program on equine-assisted therapy for wounded warriors undergoing rehabilitation and treatment at the Walter Reed Army Medical Center, and veterans since 2006, with the support of the Department of Defense, has been providing equine-assisted therapy for wounded warriors undergoing rehabilitation and treatment at the Walter Reed Army Medical Center and veterans since 2006, with the support of the Department of Defense, has been providing equine-assisted therapy for wounded warriors undergoing rehabilitation and treatment at the Walter Reed Army Medical Center and veterans since 2006, with the support of the Department of Defense.

(4) The Caisson Platoon Equine-Assisted Therapy Program at Fort Myer, Virginia, which is inspired and sustained by former members of the Armed Forces and volunteers, has been providing equine-assisted therapy for wounded warriors undergoing rehabilitation and treatment at the Walter Reed Army Medical Center and veterans since 2006, with the support of the Department of Defense.

(5) The Department of Veterans Affairs has recognized the importance and benefits of equine-assisted therapy since 2007, and currently more than 30 Department of Veterans Affairs medical centers across the country participate in programs providing such therapy.

(6) In Texas alone there are currently six equine-assisted therapy programs involving the Department of Defense and the Department of Veterans Affairs:

(a) Rock Program in Georgetown, Texas, Horse

(b) SENSE OF SENATE.—It is the sense of the Senate—

to express gratitude for the work of all the members of the Armed Forces, veterans, and volunteers who devote time and effort under equine-assisted therapy programs to assist such wounded warriors in recovering from injuries incurred in service to their country;

(2) to urge the Secretary of Defense to develop a plan for increasing access to equine-assisted therapy for wounded warriors and veterans outside the National Capital Region for whom such therapy could be beneficial in order to assist such wounded warriors and veterans in physical, mental, emotional, and cognitive healing, including through collaboration between and among organizations of the Department of Defense for high quality of life, and wounded warrior support, the Department of Veterans Affairs, and non-governmental organizations that have evaluated the effects of equine-assisted therapies in improving health and quality of life of wounded warriors and veterans; and
(3) to urge the Secretary to evaluate opportunities for research by public and private sector organizations on the benefits of equine-assisted therapy for wounded warriors and veterans.

SA 1419. Mr. McCaIN submitted an amendment intended to be proposed by him to the bill S. 1867, to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

Mr. McCaIN submitted an amendment intended to be proposed by him to the bill S. 1867, to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle G of title X, add the following:

SEC. 1080. REPORT ON RELOCATION OF GOVERNMENT STATIONS FROM THE 1755-1780 MHZ BAND.

(a) IN GENERAL.—Not later than June 30, 2012, the Secretary of Defense shall, in consultation with the National Telecommunications and Information Administration, submit to the appropriate committees of Congress a report on the relocation of all Government stations currently in the 1755-1780 MHz band from that band to other bands in which Government stations operate with primary status.

(b) ELEMENTS.—The report required by subsection (a) shall include the following:

(1) An identification of the bands of electromagnetic spectrum that currently contain Government stations capable of sharing frequencies with Government stations currently in the 1755-1780 MHz band.

(2) An identification of the bands, whether on a national or smaller geographic basis, that currently possess unoccupied or underutilized frequencies on which relocated Government stations could operate with at least the same level of electromagnetic protection with which they currently operate.

(3) An identification of the bands currently containing Government stations that could utilize the electromagnetic spectrum to accommodate the relocation of Government stations from the 1755-1780 MHz band.

(4) An estimate of the costs of relocating Government stations from the 1755-1780 MHz band to bands identified under paragraphs (1) through (3) on an expedited basis.

(5) An assessment of the minimum amount of time required to so relocate such stations on an expedited basis.

(6) An assessment of the feasibility and availability of redundant facilities currently provided to Federal agencies in the 1755-1780 MHz band through commercial services or other Government stations in lieu of the relocation requirement currently in the 1755-1780 MHz band for that purpose.

(7) An assessment, based upon the analysis required for purposes of paragraphs (1), (2), and (3), whether stations relocated from the 1755-1780 MHz band would operate with at least the same level of interference protection with which they currently operate and the extent of the operational risk associated with the relocation from the 1755-1780 MHz band of each Government station currently in that band.

(c) FORM.—The report required by subsection (a) shall be submitted in unclassified form, but may include a classified annex.

(d) COStS.—The expenses associated with conducting the study required for the report required by subsection (a) shall be considered relocation costs for purposes of section 113(g)(3) of the National Telecommunications and Information Administration Act (47 U.S.C. 923(g)(3)), and eligible Federal entities that incur expenses associated with such study may seek reimbursement for such expenses pursuant to section 118 of such Act (47 U.S.C. 929).

(e) APPROPRIATE COMMITTEES OF CONGRESS DEFINED.—In this section, the term ‘‘appropriate committees of Congress’’ means—

(1) the Committee on Armed Services, the Committee on Commerce, Science, and Transportation, and the Select Committee on Intelligence of the Senate; and

(2) the Committee on Armed Services, the Committee on Energy and Commerce, and the Permanent Select Committee on Intelligence of the House of Representatives.

SA 1421. Mr. Kyl submitted an amendment intended to be proposed by him to the bill S. 1867, to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle H of title X, add the following:

SEC. 1088. SENSE OF CONGRESS ON PROTECTION OF CRITICAL COMPONENTS OF THE UNITED STATES ELECTRIC POWER GRID FROM ELECTROMAGNETIC PULSE.

(a) FINDINGS.—Congress makes the following findings:

(1) The United States Government has a primary responsibility to provide for the common defense and general welfare of the United States.

(2) The society, economy, and national security apparatus of the United States are critically dependent upon the availability of electricity.

(3) A continuing supply of electricity is necessary for the operation of the telecommunications, financial services, and other very significant elements of the United States economy.

(4) Contemporary United States society is not structured, nor does it have the means, to prepare the United States electric power grid to function during a substantial length of time following a collapse of large portions of the United States electric power grid from natural or manmade electromagnetic pulse events, particularly by engaging in efforts to ensure that the United States electric power grid, especially portions of the grid critical to national security, are protected from natural or manmade electromagnetic pulse events.

(5) The Department of Defense should ascertain which of its critical sources of electricity are not protected against interruptions from natural or manmade electromagnetic pulse events and develop a plan to remedy any such vulnerabilities.

SA 1422. Mr. Lautenberg (for himself and Mr. Kirk) submitted an amendment intended to be proposed by him to the bill S. 1867, to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

SEC. 2705. ENHANCED COMMISSARY STORES DEMONSTRATION AUTHORITY.

(a) AUTHORITY TO OPERATE ENHANCED COMMISSARY STORES.—
(1) IN GENERAL.—Subchapter II of chapter 14 of title 10, United States Code, is amended by inserting after section 2488 the following new section:

“§ 2488a. Enhanced commissary stores

(a) AUTHORITY TO OPERATE.—The Defense Commissary Agency may operate an enhanced commissary store at such military installations as the Secretary of Defense...
considered to be appropriate, in order to reduce the net costs of those stores to the Federal Government and to enable their continued operations as an element of the military pay system.

(b) ADDITIONAL CATEGORIES OF MERCHANDISE.—(1) In addition to selling items in the merchandise category specified in section 2284 of this title in the manner provided by such section, an enhanced commissary store also may sell items in such other merchandise categories (not covered under subsection (b) of section 2284 of this title) as the Secretary of Defense may authorize.

(2) Section (c) and (g) of section 2284 of this title shall not apply with regard to the selection, or method of sale, of merchandise in any merchandise category authorized by the Secretary of Defense pursuant to paragraph (1) for sale in, at, or by an enhanced commissary store.

(c) SALES PRICE ESTABLISHMENT AND SURCHARGES.—Subsections (d) and (e) of section 2284 of this title shall not apply to the pricing of merchandise in any merchandise category authorized by the Secretary of Defense pursuant to paragraph (1) for sale in, at, or by an enhanced commissary store.

(d) RETENTION AND USE OF PORTION OF PROCEEDS.—(1) The Secretary of Defense may retain amounts equal to the difference between:

(A) the retail price of merchandise in any merchandise category authorized by the Secretary of Defense pursuant to paragraph (1) for sale in, at, or by an enhanced commissary store; and

(B) the invoice cost of such beverages, products, or merchandise.

(2) The Secretary of Defense shall cause the proceeds retained under paragraph (1) for sale in, at, or by an enhanced commissary store to be paid into the Enhanced Commissary Operations Fund (as defined by section 2284 of this title).

(e) LIMITATION.—The authority under this section, and the limitation set forth in section 2760(b)(2) of the National Defense Authorization Act for Fiscal Year 2012, is subject to the limitation set forth in section 2876 of this title.

(f) TEMPORARY LIMITATION ON AUTHORITY.—(1) LIMITED AUTHORITY.—Until 180 days after the date of the enactment of this Act, the Secretary of Defense may authorize the Secretary of the Navy to carry out the authority provided under section 2288a of title 10, United States Code, as added by subsection (a), only at military installations within 20 miles of which fewer than 500 active duty personnel are stationed.

(2) REPORT ON CRITERIA FOR OPERATION OF ENHANCED COMMISSARY STORES.—Not later than 30 days after reenactment of Department of Defense Instruction 1309.17 as in effect on the date of the enactment of this Act, or the issuance of any instruction on Armed Services Commissary Operations, the Secretary of Defense shall submit a report to the congressional defense committees specifying and justifying the criteria to be used for determining locations at which enhanced commissaries may be operated.

SA 1443. (b) ELEMENTS.—Such section is further amended—

(1) in subsection (b), by adding at the end the following new paragraph:

‘‘(6) The retirement of naval vessels anticipated during the fiscal year for which the plan is submitted, and during the 10-fiscal year period for which the plan is submitted, set forth by class of naval vessel;’’; and

(2) in subsection (g), by adding at the end the following new paragraph:

‘‘(4) The term ‘construction schedule’, for a given period, includes the force levels anticipated during that period, and the procurement rate for vessels anticipated to meet such force levels, for each separate type of vessel, including amphibious ships, combat logistics force (CLF) ships, and support ships.’’

SA 1444. Mr. WICKER submitted an amendment intended to be proposed by him to the bill S. 1867, to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subsection B of title III, add the following:

SEC. 316. REPORT ON DEPART OF DEFENSE ENERGY EFFICIENCY STANDARDS.

(a) REPORT REQUIRED.—(1) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act, the Secretary of Energy shall submit to Congress a report on the energy efficiency standards utilized by the Department of Defense for military construction.

(b) CONTENTS OF REPORT.—The report shall include the following elements:

(A) A detailed cost benefit and return on investment analysis for energy efficiency improvements and savings attributed through implementation of Department of Defense adoption of, or expenditure of funds on pursuing certification under, the following green building rating systems:

(i) American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) standard 189.1 versus 90.1.

(ii) Green Globes, with results itemized separately for one, two, three, and four globe certification.

(iii) Leadership in Energy and Environmental Design (LEED) certification, itemized separately for certified, silver, gold, and platinum certification.

(iv) International Organization Code Council (ICC) 709 National Green Building Standard, with results itemized separately for bronze, silver, gold, and emerald.
(B) An analysis of the extent to which any of the ratings or standards described in subparagraph (A) create a competitive disadvantage for United States-produced products.
(C) An assessment of how the standards described in subparagraph (A) meet the following criteria:
(1) The rating standards are developed in accordance with rules accredited by the American National Standards Institute (ANSI) and are approved as American National Standards.
(2) The rating standards incorporate and document the use of Life Cycle Assessment in the evaluation of building materials.

SEC. 232. DESIGNATION OF MILITARY INDUSTRIAL FACILITIES AS CENTERS OF INDUSTRIAL AND TECHNICAL EXCELLENCE.

Section 237(a)(1) of title 10, United States Code, is amended by inserting "and organically-managed and operated military industrial facility" after "shall designate each depot-level activity".

SEC. 324. REPORT ON DEPOT-LEVEL MAINTENANCE AND RECAPITALIZATION OF CERTAIN PARTS AND EQUIPMENT.

(a) REPORT REQUIRED.—Not later than 90 days after the date of the enactment of this Act, the Director of the Defense Logistics Agency (DLA), in consultation with the military departments, shall submit to the congressional defense committees a report on the status of the Joint Logistics Operations Center's Drawdown, Retrograde and Reset Program for the equipment from Iraq and Afghanistan and the status of the overall supply chain management for depot-level activities.

(b) E LEMENTS.—The report required under paragraph (1) shall include the following elements:
(1) An assessment of the number of backlog parts for critical warfighter needs, an explanation of why those parts became backlogged, and an estimate of when the backlog is likely to be fully addressed.
(2) A review of critical warfighter requirements that are not being met and the demand requirements of the military departments.
(3) An assessment of the feasibility and advisability of working with outside commercial partners to utilize flexible and efficient turn-key rapid production systems to meet rapidly emerging warfighter requirements.

Not later than 180 days after the date of the enactment of this Act, the Secretary of Defense shall submit to Congress, and publish on the Internet website of the Department of Defense available to the public, the following:

(1) An assessment of the number of backlogged parts for critical warfighter needs, an explanation of why those parts became backlogged, and an estimate of when the backlog is likely to be fully addressed.

SEC. 324. REPORTS ON DEPOT-LEVEL ACTIVITIES.

(a) REPORT ON DEPOT-LEVEL MAINTENANCE AND RECAPITALIZATION OF CERTAIN PARTS AND EQUIPMENT.

(1) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act, the Director of the Defense Logistics Agency (DLA), in consultation with the military departments, shall submit to the congressional defense committees a report on the status of the Joint Logistics Operations Center's Drawdown, Retrograde and Reset Program for the equipment from Iraq and Afghanistan and the status of the overall supply chain management for depot-level activities.

The report required under paragraph (1) shall include the following elements:

(1) An assessment of the number of backlogged parts for critical warfighter needs, an explanation of why those parts became backlogged, and an estimate of when the backlog is likely to be fully addressed.

(2) A review of critical warfighter requirements that are not being met and the demand requirements of the military departments.

(3) An assessment of the feasibility and advisability of working with outside commercial partners to utilize flexible and efficient turn-key rapid production systems to meet rapidly emerging warfighter requirements.

(4) A review of plans to further consolidate the ordering and stocking of parts and supplies from the military departments at depots under the control of the Defense Logistics Agency.

(3) FLEXIBLE AND EFFICIENT TURN-KEY RAPID PRODUCTION SYSTEMS DEFINED.—For the purposes of this subsection, flexible and efficient turn-key rapid production systems are systems that have the capability to reduce the costs of parts, improve manufacturing efficiency, and have the following unique features:

(1) VIRTUAL AND FLEXIBLE.—Systems that provide for flexibility to rapidly respond to requests for low-volume or high-volume machined parts and surge demand by accessing the full capacity of small- and medium-sized manufacturing communities in the United States.

(2) SPEED TO MARKET.—Systems that provide for flexibility that allows rapid introduction of subassemblies for new parts and weapons systems to the warfighter.

SEC. 322. REPORT ON THE MANAGEMENT OF RISK MANAGERS, AND PRODUCT SUPPORT MANAGERS WHO RESIDE AT AIR LOGISTICS CENTERS OR LOGISTICS COMPLEX.

(1) REPORT REQUIRED.—The Secretary of the Air Force shall enter into an agreement
with a federally funded research and development center to submit to the congressional defense committees, not later than 90 days after the date of the enactment of this Act, a report on alternatives for alignment, organization, reporting, and performance rating of Air Force system program managers, sustainment program managers, and product support managers who reside at Air Logistics Centers or Air Logistics Complexes.

(2) ELEMENTS.—The report required under paragraph (1) shall include the following elements:

(A) Consideration of the proposed realignment of Air Force Materiel Command announced on November 2, 2011.

(B) The examination of how various alternatives for aligning the managers described in subsection (a) within Air Force Materiel Command would likely support and impact life cycle management, weapon system sustainment, and overall support to the warfighter over the long term.

(C) An examination of how the Air Force should be organized to best conduct life cycle management and weapon system sustainment, with any analysis of cost and savings factors subject to the consideration of overall programs and the highest priority.

(D) Recommended alternatives for meeting these objectives.

(3) COOPERATION OF SECRETARY OF AIR FORCE WITH SECRETARY OF THE AIR FORCE.—Notwithstanding section 1905 of title 10, United States Code, the Secretary of the Air Force shall provide any necessary information and background materials necessary for completion of the report required under paragraph (1).
