Whereas school counselors help develop well-rounded students by guiding the students through academic, personal, social, and career development;

Whereas school counselors assist with and coordinate efforts to foster a positive school culture resulting in a safer learning environment for all students;

Whereas school counselors have been instrumental in helping students, teachers, and parents deal with personal trauma as well as tragedies in the community and the United States;

Whereas students face myriad challenges every day, including peer pressure, depression, the deployment of family members to serve in conflicts overseas, and school violence;

Whereas school counselors are one of the few professionals in a school building who are trained in both education and mental-health matters;

Whereas the roles and responsibilities of school counselors are often misunderstood;

Whereas the school-counselor position is often among the first to be eliminated to meet budgetary constraints;

Whereas the national average ratio of students to school counselors of 459 to 1 is almost twice that of the ratio of 250 to 1 recommended by the American School Counselor Association, the American Counseling Association, the National Association for College Admission Counseling, and other organizations; and

Whereas the celebration of National School Counseling Week would increase awareness of the important and necessary role school counselors play in the lives of students in the United States: Now, therefore, be it

*Resolved*, That the Senate—

“(A) the Secretary determines that such financial assistance is essential to a program

of projects required under sections 5303 and 5304;

“(B) the Secretary determines that the program provides for the participation of private companies engaged in public transportation to the maximum extent feasible; and

“(C) just compensation under State or local law will be paid to the company for its franchise or property.

“(2) LIMITATION.—A governmental authority may not use financial assistance of the United States Government to acquire land, equipment, or a facility used in public transportation from another governmental authority in the same geographic area.

“(b) RELOCATION AND REAL PROPERTY REQUIREMENTS.—The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601 et seq.) shall apply to financial assistance for capital projects under this chapter.

“(8) OPPORTUNITY TO CORRECT INADVERTENT ERROR.—The Secretary may allow a manufacturer or supplier of steel, iron, or manufactured goods to correct after bid opening any certification of noncompliance or failure to properly complete the certification (but not including failure to sign the certification) under this subsection if such manufacturer or supplier attests under penalty of perjury that such manufacturer or supplier submitted an incorrect certification as a result of an inadvertent or clerical error. #### SEC. \_\_\_\_ . REDUCE UNNECESSARY SPENDING ACT OF 2012.

(a) SHORT TITLE AND PURPOSES.—  
 (1) SHORT TITLE.—This section may be cited as the “Reduce Unnecessary Spending Act of 2012”.

(2) PURPOSE.—The purpose of this section is to create an optional fast-track procedure the President may use when submitting rescission requests, which would lead to an up-or-down vote by Congress on the President's package of rescissions, without amendment.

(b) RESCISSIONS OF FUNDING.—The Impoundment Control Act of 1974 is amended by striking part C and inserting the following:

#### “PART C—EXPEDITED CONSIDERATION OF PROPOSED RESCISSIONS

##### “SEC. 1021. APPLICABILITY AND DISCLAIMER.

“The rules, procedures, requirements, and definitions in this part apply only to executive and legislative actions explicitly taken under this part. They do not apply to actions taken under part B or to other executive and legislative actions not taken under this part.

##### “SEC. 1022. DEFINITIONS.

“In this part:  
 “(1) The terms ‘appropriations Act’, ‘budget authority’, and ‘new budget authority’ have the same meanings as in section 3 of the Congressional Budget Act of 1974.

“(2) The terms ‘account’, ‘current year’, ‘CBO’, and ‘OMB’ have the same meanings as in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985 as in effect on September 30, 2002.

“(3) The term ‘days of session’ shall be calculated by excluding weekends and national holidays. Any day during which a chamber of Congress is not in session shall not be counted as a day of session of that chamber. Any day during which neither chamber is in session shall not be counted as a day of session of Congress.

“(4) The term ‘entitlement law’ means the statutory mandate or requirement of the United States to incur a financial obligation unless that obligation is explicitly conditioned on the appropriation in subsequent legislation of sufficient funds for that purpose, and the Supplemental Nutrition Assistance Program.

“(5) The term ‘funding’ refers to new budget authority and obligation limits except to the extent that the funding is provided for entitlement law.

“(6) The term ‘rescind’ means to eliminate or reduce the amount of enacted funding.

“(7) The terms ‘withhold’ and ‘withholding’ apply to any executive action or inaction that precludes the obligation of funding at a time when it would otherwise have been available to an agency for obligation. The terms do not include administrative or preparatory actions undertaken prior to obligation in the normal course of implementing budget laws.

**“SEC. 1023. TIMING AND PACKAGING OF RESCISSION REQUESTS.**

“(a) **TIMING.**—If the President proposes that Congress rescind funding under the procedures in this part, OMB shall transmit a message to Congress containing the information specified in section 1024, and the message transmitting the proposal shall be sent to Congress not later than 45 calendar days after the date of enactment of the funding.

“(b) **PACKAGING AND TRANSMITTAL OF REQUESTED RESCISSIONS.**—Except as provided in subsection (c), for each piece of legislation that provides funding, the President shall request at most 1 package of rescissions and the rescissions in that package shall apply only to funding contained in that legislation. OMB shall deliver each message requesting a package of rescissions to the Secretary of the Senate if the Senate is not in session and to the Clerk of the House of Representatives if the House is not in session. OMB shall make a copy of the transmittal message publicly available, and shall publish in the Federal Register a notice of the message and information on how it can be obtained.

“(c) **SPECIAL PACKAGING RULES.**—After enactment of—

“(1) a joint resolution making continuing appropriations;

“(2) a supplemental appropriations bill; or

“(3) an omnibus appropriations bill; covering some or all of the activities customarily funded in more than 1 regular appropriations bill, the President may propose as many as 2 packages rescinding funding contained in that legislation, each within the 45-day period specified in subsection (a). OMB shall not include the same rescission in both packages, and, if the President requests the rescission of more than one discrete amount of funding under the jurisdiction of a single subcommittee, OMB shall include each of those discrete amounts in the same package.

**“SEC. 1024. REQUESTS TO RESCIND FUNDING.**

“For each request to rescind funding under this part, the transmittal message shall—

“(1) specify—

“(A) the dollar amount to be rescinded;

“(B) the agency, bureau, and account from which the rescission shall occur;

“(C) the program, project, or activity within the account (if applicable) from which the rescission shall occur;

“(D) the amount of funding, if any, that would remain for the account, program, project, or activity if the rescission request is enacted; and

“(E) the reasons the President requests the rescission;

“(2) designate each separate rescission request by number; and

“(3) include proposed legislative language to accomplish the requested rescissions which may not include—

“(c) **TIME LIMITS.**—OMB shall make available for obligation any funding withheld under subsection (a) on the earliest of—

“(1) the day on which the President determines that the continued withholding or reduction no longer advances the purpose of legislative consideration of the rescission request;

“(2) starting from the day on which OMB transmitted a message to Congress requesting the rescission of funding, 25 calendar days in which the House of Representatives has been in session or 25 calendar days in which the Senate has been in session, whichever occurs second; or

“(2) **EXCLUSION PROCEDURE.**—The Clerk shall include in the bill each numbered rescission request listed in the Presidential

package in question, except that the Clerk shall omit a numbered rescission request if the Chairman of the Committee on the Budget of the House, after consulting with the Chairman of the Committee on the Budget of the Senate, CBO, GAO, and the House and Senate committees that have jurisdiction over the funding, determines that the numbered rescission does not refer to funding or includes matter not permitted under a request to rescind funding.

“(b) **INTRODUCTION AND REFERRAL OF LEGISLATION TO ENACT A PACKAGE OF EXPEDITED RESCISSIONS.**—The majority leader or the minority leader of the House or Representatives, or a designee, shall (by request) introduce each bill prepared under subsection (a) not later than 4 days of session of the House after its transmittal, or, if no such bill is introduced within that period, any member of the House may introduce the required bill in the required form on the fifth or sixth day of session of the House after its transmittal. If such an expedited rescission bill is introduced in accordance with the preceding sentence, it shall be referred to the House committee of jurisdiction. A copy of the introduced House bill shall be transmitted to the Secretary of the Senate, who shall provide it to the Senate committee of jurisdiction.

“(c) **HOUSE REPORT AND CONSIDERATION OF LEGISLATION TO ENACT A PACKAGE OF EXPEDITED RESCISSIONS.**—The House committee of jurisdiction shall report without amendment the bill referred to it under subsection (b) not more than 5 days of session of the House after the referral. “(d) **HOUSE MOTION TO PROCEED.**—

“(1) **IN GENERAL.**—After a bill to enact an expedited rescission package has been reported or the committee of jurisdiction has been discharged under subsection (c), it shall be in order to move to proceed to consider the bill in the House. A motion to reconsider the vote by which the motion to proceed has been disposed of shall not be in order.

“(1) **CONSIDERED AS READ.**—A bill consisting of a package of rescissions under this part shall be considered as read.

“(2) **POINTS OF ORDER.**—All points of order against the bill are waived, except that a point of order may be made that 1 or more numbered rescissions included in the bill

would enact language containing matter not requested by the President or not permitted under this part as part of that package. If the Presiding Officer sustains such a point of order, the numbered rescission or rescissions that would enact such language are deemed to be automatically stripped from the bill and consideration proceeds on the bill as modified.

“(3) PREVIOUS QUESTION.—The previous question shall be considered as ordered on the bill to its passage without intervening motion, except that 4 hours of debate equally divided and controlled by a proponent and an opponent are allowed, as well as 1 motion to further limit debate on the bill.

“(g) SENATE POINT OF ORDER.—It shall not be in order under this part for the Senate to consider a bill approved by the House enacting a package of rescissions under this part if any numbered rescission in the bill would enact matter not requested by the President or not permitted under this Act as part of that package. If a point of order under this subsection is sustained, the bill may not be considered under this part.”

At the appropriate place, insert the following:

**SEC. —. RESPECT FOR RIGHTS OF CONSCIENCE.**

(a) FINDINGS AND PURPOSES.—

(1) FINDINGS.—Congress finds the following:

(A) As Thomas Jefferson declared to New London Methodists in 1809, “[n]o provision in our Constitution ought to be dearer to man than that which protects the rights of conscience against the enterprises of the civil authority”.

(B) Jefferson’s statement expresses a conviction on respect for conscience that is deeply embedded in the history and traditions of our Nation and codified in numerous State and Federal laws, including laws on health care.

(C) Until enactment of the Patient Protection and Affordable Care Act (Public Law 111-148, in this section referred to as “PPACA”), the Federal Government has not sought to impose specific coverage or care requirements that infringe on the rights of conscience of insurers, purchasers of insurance, plan sponsors, beneficiaries, and other stakeholders, such as individual or institutional health care providers.

(D) PPACA creates a new nationwide requirement for health plans to cover “essential health benefits” and “preventive services” (including a distinct set of “preventive services for women”), delegating to the Department of Health and Human Services the authority to provide a list of detailed services under each category, and imposes other new requirements with respect to the provision of health care services.

(E) While PPACA provides an exemption for some religious groups that object to participation in Government health programs generally, it does not allow purchasers, plan sponsors, and other stakeholders with religious or moral objections to specific items or services to decline providing or obtaining coverage of such items or services, or allow health care providers with such objections to decline to provide them.

(F) By creating new barriers to health insurance and causing the loss of existing insurance arrangements, these inflexible mandates in PPACA jeopardize the ability of individuals to exercise their rights of conscience and their ability to freely participate in the health insurance and health care marketplace.

(2) PURPOSES.—The purposes of this section are—

(A) to ensure that health care stakeholders retain the right to provide, purchase, or enroll in health coverage that is consistent with their religious beliefs and moral convictions, without fear of being penalized or discriminated against under PPACA; and

(B) to ensure that no requirement in PPACA creates new pressures to exclude those exercising such conscientious objection from health plans or other programs under PPACA.

(b) RESPECT FOR RIGHTS OF CONSCIENCE.—

(1) IN GENERAL.—Section 1302(b) of the Patient Protection and Affordable Care Act (Public Law 111-148; 42 U.S.C. 18022(b)) is amended by adding at the end the following new paragraph:

“(6) RESPECTING RIGHTS OF CONSCIENCE WITH REGARD TO SPECIFIC ITEMS OR SERVICES.—

“(A) FOR HEALTH PLANS.—A health plan shall not be considered to have failed to provide the essential health benefits package described in subsection (a) (or preventive health services described in section 2713 of the Public Health Service Act), to fail to be a qualified health plan, or to fail to fulfill any other requirement under this title on the basis that it declines to provide coverage of specific items or services because—

“(i) providing coverage (or, in the case of a sponsor of a group health plan, paying for coverage) of such specific items or services is contrary to the religious beliefs or moral convictions of the sponsor, issuer, or other entity offering the plan; or

“(ii) such coverage (in the case of individual coverage) is contrary to the religious beliefs or moral convictions of the purchaser or beneficiary of the coverage.

“(B) FOR HEALTH CARE PROVIDERS.—Nothing in this title (or any amendment made by this title) shall be construed to require an individual or institutional health care provider, or authorize a health plan to require a provider, to provide, participate in, or refer for a specific item or service contrary to the provider’s religious beliefs or moral convictions. Notwithstanding any other provision

of this title, a health plan shall not be considered to have failed to provide timely or other access to items or services under this title (or any amendment made by this title) or to fulfill any other requirement under this title because it has respected the rights of conscience of such a provider pursuant to this paragraph.

“(C) NONDISCRIMINATION IN EXERCISING RIGHTS OF CONSCIENCE.—No Exchange or other official or entity acting in a governmental capacity in the course of implementing this title (or any amendment made by this title) shall discriminate against a health plan, plan sponsor, health care provider, or other person because of such plan’s, sponsor’s, provider’s, or person’s unwillingness to provide coverage of, participate in, or refer for, specific items or services pursuant to this paragraph.

“(D) CONSTRUCTION.—Nothing in subparagraph (A) or (B) shall be construed to permit a health plan or provider to discriminate in a manner inconsistent with subparagraphs (B) and (D) of paragraph (4).

“(E) PRIVATE RIGHTS OF ACTION.—The various protections of conscience in this paragraph constitute the protection of individual rights and create a private cause of action for those persons or entities protected. Any person or entity may assert a violation of this paragraph as a claim or defense in a judicial proceeding.

“(F) REMEDIES.—

“(i) FEDERAL JURISDICTION.—The Federal courts shall have jurisdiction to prevent and redress actual or threatened violations of this paragraph by granting all forms of legal or equitable relief, including, but not limited to, injunctive relief, declaratory relief, damages, costs, and attorney fees.

“(ii) INITIATING PARTY.—An action under this paragraph may be instituted by the Attorney General of the United States, or by any person or entity having standing to complain of a threatened or actual violation of this paragraph, including, but not limited to, any actual or prospective plan sponsor, issuer, or other entity offering a plan, any actual or prospective purchaser or beneficiary of a plan, and any individual or institutional health care provider.

“(iii) INTERIM RELIEF.—Pending final determination of any action under this paragraph, the court may at any time enter such restraining order or prohibitions, or take such other actions, as it deems necessary.

“(G) ADMINISTRATION.—The Office for Civil Rights of the Department of Health and Human Services is designated to receive complaints of discrimination based on this paragraph and coordinate the investigation of such complaints.

“(H) ACTUARIAL EQUIVALENCE.—Nothing in this paragraph shall prohibit the Secretary from issuing regulations or other guidance to ensure that health plans excluding specific items or services under this paragraph shall have an aggregate actuarial value at least equivalent to that of plans at the same level of coverage that do not exclude such items or services.”

(2) EFFECTIVE DATE.—The amendment made by paragraph (1) shall be effective as if included in the enactment of Public Law 111-148.

“(A) the best estimate of the potential increase in domestic production of oil and natural gas from the outer Continental Shelf; and

“(B) focused on—

“(i) meeting the demand for oil and natural gas in the United States;

“(ii) reducing the dependence of the United States on foreign energy sources; and

“(iii) the production increases to be achieved by the leasing program at the end of the 15-year period beginning on the effective date of the program.

“(2) 2012–2017 PROGRAM GOAL.—For purposes of the 5-year oil and gas leasing program for fiscal years 2012–2017, the production goal referred to in paragraph (1) shall be an increase by 2027 of—

“(A) not less than 3,000,000 barrels in the quantity of oil produced per day; and

“(B) not less than 10,000,000,000 cubic feet in the quantity of natural gas produced per day.

“(3) REPORTS.—At the end of each 5-year oil and gas leasing program and annually thereafter, the Secretary shall submit to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives a report that describes the progress of the applicable 5-year program with respect to achieving the production goal established for the program, including—

“(A) any projections for production under the program; and

“(B) identifying any problems with leasing, permitting, or production that would prevent the production goal from being achieved.”
