IN RECOGNITION OF PETER JAMES
DEJARNATT

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2012

Ms. SPEIER. Mr. Speaker, I rise to honor Peter James DeJarnatt for his 16 years of service on the Pacifica City Council, four of them as mayor. Pete has been a tireless champion of the environment and Pacifica residents and visitors can thank him for many of the trails and much of the open space that allow all of us to enjoy the beautiful coast.

Pete was first elected to the city council in 1996. During his tenure, he always aimed to achieve a balance between development and the quality of life of residents. His work and partnership with the Pacifica Land Trust were vital in the transfers of Mori Point, the San Pedro Headland parcel and Cattle Hill to the Golden Gate National Recreation Area.

Pete was instrumental in championing major improvements to Linda Mar Beach, a popular surf spot. Ample parking, hiking and biking trails have turned it into a true multipurpose area, attracting tourists and locals alike. He also helped create flood protection for lower Linda Mar as well as a new estuary for San Pedro Creek. The San Pedro Creek Control Project included rerouting the lower creek, placing gravel to provide steelhead spawning beds, and creating new wetlands. The solar power projects on top of the wastewater treatment plant and the community center are in part due to Pete's outstanding work.

As an advocate of the arts and civic engagement, Pete played an important part in creating the Sanchez Art Center, the farmers market, additional senior housing, the skateboard park and the new police station. He has been a long-time supporter of Pacifica's library system and the resource center.

Pete, a native San Franciscan, graduated from Terra Nova High School and attended the College of San Mateo.

He and his long time partner Dianne Devin live in Pacifica. In his spare time, Peter loves to garden, hike, camp, dive and read.

Mr. Speaker, I ask the House of Representatives to rise with me to honor Peter DeJarnatt on the day of his retirement as mayor of Pacifica. He has dedicated his life to his community and public service and has never tired of improving the lives of residents of this coastal gem.

Mr. TERRY. Mr. Speaker, today, I rise to recognize twelve women who are making a difference in the Second Congressional District and—in fact—all of Nebraska.

IN RECOGNITION OF JAMES NANTELL

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2012

Ms. SPEIER. Mr. Speaker, I rise to honor James Nantell. He has served for 40 years in the public sector, twelve of them as the City Manager for the City of Burlingame. A gifted community leader, there isn't a street corner in Burlingame that doesn't have his fingerprints on it.

Jim became city manager of Burlingame in November of 2000 and my time is too short to list all of his accomplishments. At the top of that list is the merger of the fire departments of Burlingame and Hillsborough to form the Central County Fire Department in 2004. The two cities share staff, training and equipment to protect their citizens while reducing cost. For the past 15 years Jim has been a champion of shared services and he currently chairs the Shared Services Initiative of the San Mateo County City Managers Association.

Much of Jim's work has resulted in very visible improvements in Burlingame. For example he facilitated the upgrade to the Burlingame Avenue train station, oversaw the approval of the Mills-Peninsula Medical Center and the Peninsula Humane Society Center for Compassion, obtained federal stimulus funds for street resurfacing projects, developed the Burlingame Avenue streetscape concept plan, obtained a designation of Burlingame as a "Tree City USA" for a 31st consecutive year, and

implemented the construction of a bicycle and pedestrian crossing bridge over U.S. Highway 101.

Over the last ten years, Jim has overseen the rehabilitation of some 40 miles of the 100-year-old water and sewer pipeline system in Burlingame and the construction of a 1.5 million gallon retention basin at the waste water treatment plant.

Jim has also brought many wonderful celebrations to Burlingame. In 2008, he worked closely with local officials and community members to put on nine flawless Centennial events. Residents can thank him for the annual pet parade and employee Halloween costume contest.

Before Jim brought his energy and talent to Burlingame, he served the City of San Mateo for 28 years. He started as assistant recreation center director in 1973 and within a year became the director. From 1975–76 he was the supervisor for athletics and outdoor recreation. From 1976–81 he served as the administrative director of athletics, aquatics, outdoor recreation and community relations. The following four years Jim was the superintendent of recreation and human services. From 1985–90 he served as assistant city manager and from 1990–2000 as deputy city manager and the interim fire chief from 1995–96.

Jim has been a board member of the San Mateo Rotary Club, the Lesley Foundation, the Strategic Planning Committee for the Peninsula Family YMCA, and Our Lady of Angels men's club.

His career clearly demonstrates his passion for recreation and outdoor activities. In his spare time, he has helped coordinate many foot races, including the Bay to Breakers race, the Giants Run to Home Plate, the San Francisco Zoo Run, and the San Francisco Marathon.

Jim, a Wisconsin native, graduated with a BA in Psychology from the University of Wisconsin-Madison. He earned his M.S. in Parks and Recreation Administration from San Francisco State University. He attended the Harvard Kennedy School of Government in 2000.

Jim married his college sweetheart Christine 42 years ago. They are the proud parents of four children—Maddie, Michael, Ashley and Erin—and grandparents of three grandchildren.

Mr. Speaker, I ask the House of Representatives to rise with me to honor James Nantell for his outstanding and storied service to San Mateo County. His contributions will continue to benefit residents for decades to come.
