''(iii) to limit the authority to terminate assistance to a tenant or evict a tenant from housing assisted under a covered housing program if a public housing agency or owner or manager of the housing can demonstrate that an actual and imminent threat to other tenants or individuals employed at or providing service to the property would be present if the assistance is not terminated or the tenant is not evicted; or

Nothing in this paragraph shall be construed to limit the liability of a public housing agency or owner or manager of housing assisted under a covered housing program for failure to comply with subsection (b).
