businesses and create jobs. By allowing small businesses to refinance qualified commercial real estate debt, this program lowers their monthly mortgage payments at no cost to taxpayers. At a time when we are still facing high unemployment, this extension is one of many things that we should be doing to put more capital in the hands of America’s job creators.

I would like to reiterate that this is not a new proposal, and it has consistently received bipartisan support. In total, last year I filed this extension either as a bill or an amendment four times. The 504 refinance provision extension was originally introduced as S. 2364 by Senators Snowe, Landrieu, Isakson, and Shaheen. Title II of the SUCCESS Act, which I introduced during the 112th Congress, also included the refinance provision. On July 12, 2012, the Senate voted on the SUCCESS Act as part of Senate Amendment 2521 to S. 2337, the Small Business Jobs and Tax Relief Act of 2012. Although the amendment ran short of the 60 votes needed to end debate, the SUCCESS Act amendment received a strong 57 bipartisan votes, including five of my Republican colleagues. Finally, I included the provision in a substitute amendment that I cosponsored to the JOBS Act of 2012 and offered the 504 refinancing language as an amendment to the Veterans Jobs Bill. I urge my colleagues on both sides of the aisle to come together in support of this common-sense, cost effective program.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:
