(e) CONFORMING AMENDMENT.—Section 102(b)(1) of the Illegal Immigration Reform

and Immigrant Responsibility Act of 1996 (8 U.S.C. 1103 note) is amended by striking subparagraph (D).

SEC. 1___8. ONE HUNDRED PERCENT EXIT TRACKING FOR ALL UNITED STATES VISITORS.

(a) FINDINGS.—Congress makes the following findings:

(1) Consistent with the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, the United States will continue its progress toward full biometric entry-exit capture capability at land, air, and sea points of entry.

(2) No capability exists to fully track whether non-United States persons in the United States on a temporary basis have exited the country consistent with the terms of their visa, whether by land, sea, or air.

(3) No program exists along the Southwest border to track land exits from the United States into Mexico.

(4) Without the ability to capture the full cycle of an alien's trip into and out of the United States, it is possible for persons to remain in the United States unlawfully for years without detection by U.S. Immigration and Customs Enforcement.

(5) Because there is no exit tracking capability, there is insufficient data for an official assessment of the number of persons who have overstayed a visa and that remain in the United States. Studies have estimated that as many as 40 percent of all persons in the United States without lawful immigration status entered the country legally and did not return to their country of origin or follow the terms of their entry.

(6) Despite a legal mandate to track alien exits, more than a decade without any significant capability to do so has—

(A) degraded the Federal Government's ability to enforce immigration laws;

(B) placed a greater strain on law enforcement resources; and

(C) undermined the legal immigration process in the United States.

(b) REQUIREMENT FOR OUTBOUND TRAVEL DOCUMENT CAPTURE AT LAND POINTS OF ENTRY.—

(1) OUTBOUND TRAVEL DOCUMENT CAPTURE AT FOOT CROSSINGS.—

(A) IN GENERAL.—Not later than 1 year after the date of the enactment of this Act, the Secretary shall establish a mandatory exit data system for all outbound lanes at each land point of entry along the Southern border that is only accessible to individuals on foot or by nonmotorized means.

(B) DATA COLLECTION REQUIREMENTS.—The system established under subparagraph (A) shall require the collection of data from machine-readable visas, passports, and other travel and entry documents for all categories of aliens who are exiting the United States through an outbound lane described in subparagraph (A).

(2) OUTBOUND TRAVEL DOCUMENT CAPTURE AT ALL OTHER LAND POINTS OF ENTRY.—

(A) IN GENERAL.—Not later than 2 years after the date of the enactment of this Act, the Secretary shall establish a mandatory exit data system at all outbound lanes not subject to paragraph (1) at each land point of entry along the Southern border.

(B) DATA COLLECTION REQUIREMENTS.—The system established under subparagraph (A) shall require the collection of data from machine-readable visas, passports, and other travel and entry documents for all categories of aliens who are exiting the United States through an outbound lane described in subparagraph (A).

(3) INFORMATION REQUIRED FOR COLLECTION.—While collecting information under paragraphs (1) and (2), the Secretary shall collect identity-theft resistant departure information from the machine-readable visas,

passports, and other travel and entry documents.

(4) RECORDING OF EXITS AND CORRELATION TO ENTRY DATA.—The Secretary shall integrate the records collected under paragraphs (1) and (2) into the interoperable data system established under section 3303(b) and any other database necessary to correlate an alien's entry and exit data.

(5) PROCESSING OF RECORDS.—Before the departure of outbound aliens at each point of entry, the Secretary shall provide for cross-reference capability between databases designated by the Secretary under paragraph (4) to determine and record whether an outbound alien has been in the United States without lawful immigration status.

(6) RECORDS INCLUSION REQUIREMENTS.—The Secretary shall maintain readily accessible entry-exit data records for immigration and other law enforcement and improve immigration control and enforcement by including information necessary to determine whether an outbound alien without lawful presence in the United States entered the country through—

(A) unauthorized entry between points of entry;

(B) visa or other temporary authorized status;

(C) fraudulent travel documents;

(D) misrepresentation of identity; or

(E) any other method of entry.

(7) PROHIBITION ON COLLECTING EXIT RECORDS FOR UNITED STATES CITIZENS.—

(A) PROHIBITION.—While documenting the departure of outbound individuals at each point of entry along the Southern border, the Secretary may not—

(i) process travel documents of United States citizens;

(ii) log, store, or transfer exit data for United States citizens;

(iii) create, maintain, operate, access, or support any database containing information collected through outbound processing at a point of entry under paragraph (1) or (2) that contains records identifiable to an individual United States citizen.

(B) EXCEPTION.—The prohibition set forth in subparagraph (A) does not apply to the records of an individual if an officer processing travel documentation in the outbound lanes at a point of entry along the Southern border—

(i) has a strong suspicion that the individual has engaged in criminal or other prohibited activities; or

(ii) needs to verify an individual's identity because the individual is attempting to exit the United States without travel documentation.

(C) VERIFICATION OF TRAVEL DOCUMENTS.—Subject to the prohibition set forth in subparagraph (A), the Secretary may provide for the confirmation of a United States citizen's travel documentation validity in the outbound lanes at a point of entry along the Southern border.

(c) INFRASTRUCTURE IMPROVEMENTS AT LAND POINTS OF ENTRY.—

(1) FACILITATION OF LAND EXIT TRACKING.—The Secretary may improve the infrastructure at, or adjacent to, land points of entry, as necessary, to implement the requirements under paragraphs (1) and (2) of subsection (b), by—

(A) expanding or reconfiguring outbound road or bridge lanes within a point of entry;

(B) improving or reconfiguring public roads or other transportation infrastructure leading into, or adjacent to, the outbound lanes at a point of entry if—

(i) there has been a demonstrated negative impact on transportation in the area adjacent to a point of entry as a result of projects carried out under this section; or

(ii) the Secretary, in consultation with State, local, or tribal officials responsible for transportation adjacent to a point of entry, has submitted a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security of the House of Representatives that projects proposed under this section will have a significant negative impact on transportation adjacent to a point of entry without such transportation infrastructure improvements; and

(iii) the total of funds obligated in any year to improve infrastructure outside a point of entry under subsection (c)(1) shall not exceed 25 percent of the total funds obligated to meet the requirements under paragraphs (1) and (2) of subsection (b) in the same year;

(C) constructing, expanding, or improving access to secondary inspection areas, where feasible;

(D) physical structures to accommodate inspections and processing travel documents described in subsection (b)(3) for outbound aliens, including booths or kiosks at exit lanes;

(E) transfer, installation, use, and maintenance of computers, software or other network infrastructure to facilitate capture and processing of travel documents described in subsection (b)(3) for all outbound aliens; and

(F) performance of outbound inspections outside of secondary inspection areas at a point of entry to detect suspicious activity or contraband.

(2) **REPORT ON INFRASTRUCTURE REQUIREMENTS TO CARRY OUT 100 PERCENT LAND EXIT TRACKING.**—Not later than 45 days after the date of the enactment of this Act, the Secretary shall submit, to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security of the House of Representatives, a report that assesses the infrastructure needs for each point of entry along the Southern border to fulfill the requirements under subsection (b), including—

(A) a description of anticipated infrastructure needs within each point of entry;

(B) a description of anticipated infrastructure needs adjacent to each point of entry;

(C) an assessment of the availability of secondary inspection areas at each point of entry;

(D) an assessment of space available at or adjacent to a point of entry to perform processing of outbound aliens;

(E) an assessment of the infrastructure demands relative to the volume of outbound crossings for each point of entry; and

(F) anticipated wait times for outbound individuals during processing of travel documents at each point of entry, relative to possible improvements at the point of entry.

(d) **PROCEDURES FOR EXIT PROCESSING AND INSPECTION.**—

(1) **INDIVIDUALS SUBJECT TO OUTBOUND SECONDARY INSPECTION.**—Officers performing outbound inspection or processing travel documents may send an outbound individual to a secondary inspection area for further inspection and processing if the individual is—

(A) determined or suspected to have been in the United States without lawful status during processing under subsection (b) or at another point during the exit process;

(B) found to be subject to an outstanding arrest warrant;

(C) suspected of engaging in prohibited activities at the point of entry;

(D) traveling without travel documentation; or

(E) subject to any random outbound inspection procedures, as determined by the Secretary.

(2) **LIMITATIONS ON OUTBOUND SECONDARY INSPECTIONS.**—The Secretary may not des-

ignate an outbound United States citizen for secondary inspection or collect biometric information from a United States citizen under outbound inspection procedures unless criminal or other prohibited activity has been detected or is strongly suspected.

(3) **OUTBOUND PROCESSING OF PERSONS IN THE UNITED STATES WITHOUT LAWFUL PRESENCE.**—

(A) **PROCESS FOR RECORDING UNLAWFUL PRESENCE.**—If the Secretary determines, at a point of entry along the Southern border, that an outbound alien has been in the United States without lawful presence, the Secretary shall—

(i) collect and record biometric data from the individual;

(ii) combine data related to the individual's unlawful presence with any other information related to the individual in the interoperable database, in accordance with paragraphs (4) and (5) of subsection (b); and

(iii) except as provided in subparagraph (B), permit the individual to exit the United States.

(B) **EXCEPTION.**—An individual shall not be permitted to leave the United States if, during outbound inspection, the Secretary detects previous unresolved criminal activity by the individual.
