The bill (H.R. 4681), as amended, was passed.

Mr. SCHATZ. I ask unanimous consent that the motion to reconsider be made and laid upon the table with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

Section 101. Authorization of appropriations

Section 101 authorizes appropriations for the Intelligence Community Management Account (ICMA) of the Department of Defense and sets the authorized personnel levels for the elements within the ICMA for Fiscal Year 2015.

Title II—Central Intelligence Agency Retirement and Disability System

Section 202. Authorization of appropriations

Section 202 authorizes appropriations in the amount of $514,000,000 for Fiscal Year 2015 for the Central Intelligence Agency Retirement and Disability Fund.

Title III—Reincorporation of Preceding Sections

Section 301. Increase in employee compensation and benefits authorized by law

Section 301 provides that funds authorized to be appropriated by the Act for salary, pay, retirement, and other benefits for federal employees may be increased by such additional or supplemental amounts as may be necessary for increases in compensation or benefits authorized by law.

Section 302. Restriction on conduct of intelligence activities

Section 302 provides that the authorization of appropriations by the Act shall not be deemed to constitute authority for the conduct of any intelligence activity that is not otherwise authorized by the Constitution or laws of the United States.

Section 303. National intelligence strategy

Section 303 amends the National Security Act of 1947 to require the DNI to develop a comprehensive national intelligence strategy every four years beginning in 2017.

Section 304. Software licensing

Section 304 amends Section 109 of the National Security Act of 1947 to require the DNI to develop and issue regulations that require the use and procurement of software licenses, to make certain enhancements to the biennial assessments required under Section 199.

Section 305. Reporting of certain employment activities by former intelligence officers and employees

Section 305 requires the head of each element of the IC to issue regulations that require an employee occupying positions with access to particularly sensitive information within such element to sign a written agreement that requires reporting of any employment by, representation of, or the provision of advice relating to national security to the government of a foreign country, or any person whose activities are supervised, directed, controlled, financed, or subsidized by any government of a foreign country, for a two-year period after the employee ceases employment with the IC element.

Section 306. Inclusion of Predominantly Black Institutions in intelligence officer training programs

Section 306 amends the National Security Act of 1947 to require the DNI to include predominantly black institutions in the intelligence officer training programs established under Section 1024 of the Act.

Section 307. Management and oversight of financial intelligence

Section 307 requires the DNI to prepare a plan for requirements by the IC to carry out financial intelligence activities.

Section 308. Analysis of private sector policies and procedures for countering insider threats

Section 308 directs the DNI to submit to the congressional intelligence committees an analysis of private sector policies and procedures for countering insider threats.

Section 309. Procedures for the retention of incidentally acquired communications

Section 309 requires the head of each element of the IC to adopt and implement approved procedures that govern the retention of nonpublic telephone or electronic communications acquired without consent of, or on behalf of, a person who is a protected whistleblower.
cybercrime cooperation between the United States and Ukraine.

Section 311. Replacement of locally employed staff serving at United States diplomatic facilities in the Russian Federation

Section 311 requires the Secretary of State to ensure that every supervisory position at a U.S. diplomatic facility in the Russian Federation is occupied by a citizen of the United States. This provision is necessary to pass a background check and to provide Congress with a plan to further reduce reliance on locally employed staff.

Section 314. Inclusion of Sensitive Compartmented Information Facilities in the Russian Federation and adjacent countries

Section 314 requires that each U.S. diplomatic facility that is constructed in, or undergoes a construction upgrade, in the Russian Federation, any country that shares a land border with the Russian Federation, or any country that is a former member of the Soviet Union, shall be constructed to include a Sensitive Compartmented Information Facility. The Secretary of State may waive the requirements of this section upon a determination that it is in the national security interest of the United States.

SUBTITLE B—REPORTING

Section 321. Report on declassification process

Section 321 requires the DNI to submit a report to Congress describing proposals to improve the declassification process, steps the IC could take or legislation that may be necessary, to enable the National Declassification Center to better accomplish the missions assigned to the Center by Executive Order 13526.

Section 322. Report on intelligence community efficient spending targets

Section 322 requires the DNI to submit a report to appropriate congressional committees on the status and effectiveness of efforts to reduce administrative costs for the IC during the preceding year.

Section 323. Annual report on violations of law on or at United States intelligence facilities

Section 323 requires the DNI to report annually to the congressional intelligence committees on violations of law or executive order by personnel of an element of the IC that were reported during the previous calendar year.
