OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize A.T. Still University—Kirksville College of Medicine on their 125th Anniversary. Since 1892, this fine institution of higher learning has been producing quality graduates who greatly enrich our society with the knowledge and values that have been instilled in them.

Founded in 1892 in Kirksville, Missouri by Andrew Taylor Still, ATSU—KCOM is the birthplace of osteopathic medicine. Originally known as the American School of Osteopathic Medicine, ATSU was the first school of osteopathy in the world. The first Doctors of Osteopathic Medicine, or DO's, graduated from ATSU—KCOM in 1894 and over 18,000 graduates later, they have practiced in every state and around the world in a variety of medical specialties. While staying true to their osteopathic principles, students at ATSU receive the most comprehensive medical education while training on state of the art equipment. With a focus on rural healthcare, ATSU is a vitally important medical training institution, now more than ever.

Mr. Speaker, I proudly ask you to join me in recognizing the rich 125 year history of A.T. Still University—Kirksville College of Osteopathic Medicine. This elite school has impacted the world with the osteopathic physicians and health professionals it has produced. I commend ATSU President Craig M. Phelps, DO, ATSU—KCOM Dean Margaret Wilson, DO, and the faculty, staff, students and alumni as the school continues to train and produce highly qualified professionals to serve in the medical field for generations to come. I am extremely honored to represent this fine institution in the United States Congress.

IN HONOR OF LIEUTENANT COLONEL (RET) SAMUEL MILTON SELBY ROLLINSON

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to pay tribute to a respected public servant, outstanding citizen, and hero to his community, Lieutenant Colonel (Ret) Samuel Milton Selby Rollinson. Sadly, Lt. Col. Rollinson passed away on Friday, September 22, 2017. A memorial service will be held on Saturday, October 28, 2017 at the Fort Benning Infantry Chapel at 2:00 p.m.

A native of Jacksonville, Florida, Samuel was born to Sam and Ruth Rollinson, as the

fourth of five sons. After graduating from the U.S. Military Academy at West Point, in 1982, he was commissioned as a ranger and later promoted to an infantry lieutenant, where he received his Airborne badge.

Following his retirement from the Army as a Lieutenant Colonel, Samuel served as a government civilian by becoming Fort Benning's first Protocol Officer. He then served as the Civilian Deputy Chief of Staff, and ultimately, the Deputy TRADOC Capability Manager for the Stryker Brigade Combat Team. His co-workers and fellow servicemen cherished his seasoned wisdom and passion for reveling in the beauties of life.

George Washington Carver once said, "No individual has any right to come into the world and go out of it without leaving behind him distinct and legitimate reasons for having passed through it." Although his passing was tragic and before his time, Lt. Col. Rollinson proved to us all what it truly meant to be a hero. He left this world doing what he loved most—serving the people of Fort Benning and Columbus, Georgia. His impression on this earth extends beyond himself to the very wellbeing of his community, and for that he will be remembered for time to come.

For his outstanding selflessness to the Columbus community, he was awarded the Rotary Club Mary Reed Award. Beyond this achievement and the respect held for him by servicemen and civilians, he was an honorable human being who loved deeply and, in return, was deeply loved.

Lt. Col. Rollinson is survived by his mother, Ruth; wife of 32 years, Sarah; children, Sam, Michelle, and Zack; daughter-in-law, Katherine; brothers, Jon Martin, Matt and Jim; and a host of friends and those whose lives he has impacted.

Mr. Speaker, today I ask my colleagues to join me, my wife, Vivian, the nearly 730,000 people in Georgia's 2nd Congressional District, and all Americans, in extending our sincerest appreciation to Lieutenant Colonel Samuel Milton Selby Rollinson, for his dedicated service to our nation and to his community. I ask my colleagues in the House of Representatives to join us in extending our deepest sympathies to Lieutenant Colonel Rollinson's family, friends and loved ones during this difficult time. We pray that they will be consoled and comforted by an abiding faith and the Holy Spirit in the days, weeks and months ahead.

CELEBRATING THE THIRTIETH ANNIVERSARY OF REV. JONATHAN L. WEAVER AS PASTOR OF THE GREATER MT. NEBO AFRICAN METHODIST EPISCOPAL CHURCH

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. HOYER. Mr. Speaker, I rise to congratulate Rev. Jonathan Leslie Weaver on his thirtieth pastoral anniversary with the Greater Mt. Nebo African Methodist Episcopal Church in Bowie, Maryland. Throughout the past three decades, Rev. Weaver has been ministering to a growing community of worshippers in Bowie and the greater Washington metro area. I've been honored to know him, to call him a friend, and to work closely with him to strengthen our communities in Maryland's Fifth District.

Since 1988, Rev. Weaver has overseen both the expansion of his church and a plethora of charitable endeavors through more than fifty ministries serving its members and the wider community. These have included programs to prevent domestic violence, to empower families through economic literacy, and to combat hunger. Under his guidance, Greater Mt. Nebo A.M.E. Church members have participated in Christmas in April, Tools for School, and other social service projects. Rev. Weaver has also carried his ministry across the ocean, visiting Rwanda, the Democratic Republic of the Congo, and Benin to engage in mission projects there for more than a quarter century.

As National President of the Collective Empowerment Group, Rev. Weaver has helped build a network of churches across seven states and the District of Columbia that host financial literacy seminars, educational programs, health care screenings, and homeownership clinics. The Collective Empowerment Group also partners with banks and local businesses to facilitate wider access to economic opportunities for those living in their communities. I have participated in a number of Collective Empowerment Group programs, and I can attest to the wonderful work the organization performs to help families reach for the American Dream.

Rev. Weaver holds degrees from Washington University in St. Louis, Missouri; St. Mary's Seminary in Baltimore, Maryland; and Harvard Business School in Cambridge, Massachusetts. When he arrived at Greater Mt. Nebo A.M.E., the church had 100 members; today, he has overseen its growth to more than 1,600 members. It is a testament to his vision, his inspiration, and his faith. Rev. Weaver also has overseen the construction of the community's present church building as well as its Christian Academy school and Family Life and Wellness Intergenerational Center assisted-living facility.

I hope all my colleagues will join me in congratulating Rev. Weaver and his wife, Pamela Lynn Weaver—who have two daughters and four grandchildren—on reaching this milestone. I thank them both for their work and spiritual guidance to so many in Maryland's Fifth District and for their friendship over the years.

HONORING LUCIANO VARELA

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor the life of Luciano "Lucky" Varela, a hard-working New Mexican who fought for New Mexico families in the state Legislature. Luciano represented Santa Fe in the New Mexico House of Representatives from 1987 to 2016.

Rep. Varela was known for his expertise in government finance and his unwavering support for the employees who deliver services to New Mexicans. He always treated constituents with the utmost dignity and worked for New Mexico families.

Prior to serving in the New Mexico House of Representatives, he was the Director of the State Personnel Office, Chairman of the Board of the Public Employee's Retirement Association, and served on the House Appropriations Committee, in addition to the Legislative Finance Committee.

Rep. Varela was an advocate for fair wages and policies to support low-income families in New Mexico. In 1998, he sponsored legislation to expand the low-income comprehensive tax rebate.

Years later, in 2007, he sponsored a bill for public employee salary increases, which would increase the salaries of public employees including police officers, teachers, and higher education employees.

I will always remember Lucky as someone who was tough and transparent, but always fair. New Mexicans know that he worked hard to provide support for working families. He devoted his career to public service, for which, we are all grateful.

Tuesday, October 24, 2017

Mr. MEEHAN. Mr. Speaker, today I recognize President Robert Kreider and his over 20 years of dedication to Devereux Advanced Behavioral Health. President Kreider has been a successful and honorable servant for Devereux in a variety of capacities since joining the company in the mid 90's; first as a consultant and eventually rising to become its President and Chief Executive Officer in 2004. Over this time, Mr. Kreider has worked selflessly to expand the business in a manner consistent with its mission—changing lives by unlocking and nurturing human potential for people living with emotional, behavioral or cognitive differences.

Mr. CONNOLLY. Mr. Speaker, I rise to recognize the Centreville Immigration Forum on the occasion of its 3rd Annual Dinner. The theme of this year's gala is "Celebrating Our Global Community" and will recognize the rich diversity of cultures in Northern Virginia.

Northern Virginia is blessed by its diversity. In Fairfax County, nearly 1 in 4 residents is foreign born. Our variety of cultures and heritages do not divide us; they make us stronger.

I am pleased to include in the RECORD the names of the following 2017 Annual Dinner honorees:

Ms. Diana Katz—Ms. Katz is a co-founder of the Giving Circle of Hope which provides grants to area non-profits with budgets below \$2 million. In 2006, he joined with Jewish leaders to push successfully for a Virginia state law that made it illegal to falsely label kosher and halal foods. He started Food Source, an organization to feed the homeless in Fairfax, and used his organizing skills on behalf of undocumented workers—particularly as immigration became a defining political issue in Prince William and Loudoun counties. Prior to his sudden death in 2010 he was named Herndon Citizen of the Year and recognized for his community efforts in a joint resolution from the Virginia General Assembly.

In collaboration with the National Arts Council and Early Childhood Development Agency (ECDA), this team led programs to train, facilitate workshops, and conduct STEM residencies in arts integration for teachers, administrators and artists.

Mr. Speaker, the efforts of these individuals are noteworthy not only because they are rooted in an appreciation for our region's cultural and ethnic diversity, but also because they help to strengthen the bonds of friendship and cooperation in our community. Tuesday, October 24, 2017

Mr. RYAN of Ohio. Mr. Speaker, today I rise to honor the life of Ronald A. Russo, a dedicated father, husband, brother, and grandpa who passed away on Friday, October 20, 2017.

Ron was born on June 16, 1953, in Youngstown, Ohio to Rocco and Anna (Sikusha) Russo. He graduated from Chaney High School in 1971 and worked for the Youngstown Fire Department for the past 37 years. He was currently serving as Battalion Chief. Prior to becoming a chief, he spent the majority of his career on Squad 33. Ron earned several lifesaving valor and crew awards during his career, and he was always willing to help anyone in need. He was a member of I.A.F.F., O.A.P.F.F., and Y.P.F.F. Local No. 312. He especially enjoyed working with his father and former Youngstown Fire Chief Rocco Russo, and his twin brother, retired Youngstown Fire Department Battalion Chief Rich Russo.

Outside of work, Ron spent a great deal of time watching his son coach hockey. As soon as Ron found out he was going to be a grandfather, he put a swimming pool in his backyard. He had devoted the last eight years of his life to his grandchildren. Everything from family vacations, crabbing on the beach, teaching them to cook, and that every animal says "moo." He also enjoyed cooking and hosting family gatherings with his loving wife Joann. Their home was always open to everyone. The family motto was "La Familia E'Tutto," family is everything.

He will always be remembered lovingly by his wife, the former Joann Booher, whom he married Dec. 31, 2004; four children, Rocco Russo (Melissa Singleton), Margaret (Michael) DeNiro, Marie (Jared) Rupert, and Melissa Russo; two stepchildren, Tristan (Kolt) Codner, and Justine (Corey) Keller; twin brother, Richard (Janet) Russo; brother Robert (Debbie) Russo; seven grandchildren, Gavin and Logan Rupert, Dominic, Carmen, Julianna DeNiro, Gianna Russo, and Andrew Codner; and numerous nieces, nephews, and cousins.

RECOGNIZING ROBERT T. SCOTT
OF ST. JOSEPH'S COLLEGIATE
INSTITUTE

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. HIGGINS of New York. Mr. Speaker, I rise in recognition of Mr. Robert T. Scott of St. Joseph's Collegiate Institute. Throughout his 47 year career at St. Joseph's Collegiate Institute, Mr. Scott has served in numerous roles. He joined the faculty as a Religion and History Teacher in 1971, served as Vice Principal for Student Affairs for twenty years before becoming Principal, and—since 2004—has been the school's first lay President.

In each role, Mr. Scott's countless contributions and genuine care for the St. Joe's community impacted thousands of young men and their families. He is present every day, all day, and is simply an institution who has personally guided our school's mission for decades. His tireless fundraising efforts remain focused on student financial aid to ensure that a St. Joe's education is affordable and accessible.

Since the beginning of his tenure, Mr. Scott has lived the Lasallian Mission in the footsteps of the Founder of the Brothers of the Christian Schools, St. John Baptist de La Salle. He has completed the Buttimer Institute of Lasallian Studies, the Lasallian Leadership Institute, and held numerous leadership positions throughout the Christian Brothers network in the United States. As a testament to his life of service, he became an Affiliated Member of the Brothers in June 2001—the order's high honor.

In 2009, his leadership of the school's capital campaign, entitled *Pride in our Past . . . Faith in our Future*, generated more than \$13 million to construct a state-of-the-art Science Facility, a modern Athletic Complex, and a new residence for the Christian Brothers. After an overwhelming response to the campaign, the Board of Trustees unanimously voted to name the athletic complex in Mr. Scott's honor.

With his constant support and encouragement, notable innovations in both curriculum and physical space have taken place. Recently, the library was converted into a digital learning space and course offerings in the STEM fields continue to increase. Currently, an acquired building adjacent to campus is being converted into an Innovation Center.

His greatest influence, however, has been on the young men who passed through the halls. During the last four decades, St. Joe's students' lives have been deeply influenced, shaped, and cared for by Mr. Scott.

After attending Catholic grammar and high school in Western New York, Mr. Scott received a Bachelor of Arts in History from Marist College in Poughkeepsie, NY. He began graduate studies in Hebrew and the Old Testament at the University of Dayton before serving for two years in United States

Army. He finished his Master's Degree in Religious Studies at Canisius College in 1975.

Today, Mr. Scott serves as a member of the Board of Trustees for Christian Brothers Academy in Syracuse and the Elmwood Franklin School in Buffalo. He is a past member of the Board of Trustees of Mt. St. Mary Academy, Holy Angels Academy, and the Nativity Miguel School.

Mr. Scott has been married to his wife, Michelle, for 49 years. He is the proud parent of Jason and Tracy, and grandparent of Tracy's children, Noah and Sarah.

Mr. Speaker, I honor and recognize Mr. Scott for his selfless service to the young men of St. Joe's and the community of Western New York.

HONORING LAWRENCE BACA

HON. MICHELLE LUJAN GRISHAM
OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 24, 2017

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to recognize Lawrence Baca, a local artist in Santa Fe, for his outstanding work. Lawrence is well known for his beautiful silver creations and his award winning jewelry. He pulls from historic and cultural roots when making the jewelry.

Born and raised in Santa Fe, Lawrence is inspired by the strong Native American and Hispanic cultures that run deep in our state. He celebrates long-lasting traditions and keeps history alive by creating jewelry that uses metals and stones that were once used by our ancestors in New Mexico.

Collectors and fans from all over the world travel to the Spanish Market in Santa Fe to buy jewelry from Lawrence and other local artists. In 2015, he was awarded the Master's Award for Lifetime Achievement at the Spanish Market and Museum of Spanish Colonial Art.

The Spanish Colonial art features authentic artistic traditions which can be traced back over 400 years. Skilled artists, like Lawrence, create breathtaking expressions of a living tradition, and many of them count their art as their only source of income.

My hope is that Lawrence will continue to use his talent to honor the Spanish and Native American history in New Mexico, and will inspire future artists to do the same.

RECOGNIZING THE 100TH ANNIVERSARY OF THE FAIRFAX COUNTY HEALTH DEPARTMENT

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 24, 2017

Mr. CONNOLLY. Mr. Speaker, I rise today to commemorate the 100th anniversary of the Fairfax County Health Department. Through a century of continuous service the department has distinguished itself as a national leader and a model public health department working to protect, promote and improve the quality of life for all its residents.

The origins of the Fairfax County Health Department can be traced back to April 1917, when the county launched a campaign for better health in the very same week that the United States would enter World War I. When the first public health physician and his successor were sent off to war, it left only one public health nurse to provide services for the entire county. Shortly after war's end the staff consisted of a full time health officer, one full time sanitation officer, one full time nurse and a part-time clerk, with funding provided by the Virginia State Health Department, the Fairfax County Board of Supervisors, the County Chapter of the Red Cross, the Tuberculosis Association, and donations from private citizens.

In the early years, the Health Department was primarily concerned with the spread of infectious diseases like diphtheria, smallpox, tuberculosis and typhoid fever. With better sanitation, education, and immunization practices, many of these threats began to wane and the department's services began to expand to accommodate the county's growing population.

With more facilities and staff, the department was able to offer maternal and child health clinics, home health care, speech and hearing, dental, and school health services. At the same time, a systematic program of environmental health was developed to include sewage disposal, protection of water supplies, fly and mosquito control, and general cleanliness of dwellings, tourist places and food establishments.

Due to its long history of financial and leadership support for public health, in 1995 Fairfax County sought and was granted the authority to operate its own health department by

an act of the Virginia General Assembly. Since that change in legislative authority more than 20 years ago, the Fairfax County Health Department has become more efficient, effective, and responsive.

Throughout its history, the Health Department has been a leader in the prevention and control of communicable diseases. During the polio epidemic of the 1950s, Fairfax County participated in the Salk vaccine trials and became the first county in the United States to provide polio vaccine to its grade school children. In 1960s, it was the first department in the nation to participate in a mass measles vaccination trial program. And in 1989, when there was an outbreak of Ebola virus in monkeys at a laboratory in Reston, Virginia—an event dramatized in Richard Preston's book "The Hot Zone"—Fairfax County Health Department was once again on the front lines of an emerging disease threat.

While the emphasis on communicable disease control and prevention has not changed, the Health Department has dedicated more of its resources to population-based health services that address disparities within its increasingly diverse community. The Health Department's Adult Day Health Care, Community Health Care Network, Skin Deep Tattoo Removal Program, HIV case management program, and Homeless Health Care program have been a model for other departments in Virginia and around the country. Research on newer and better methods of onsite sewage disposal have often originated in Fairfax County. The department's laboratory is the largest local public health laboratory in the Commonwealth, performing more than 200,000 scientific tests annually.

Since the terrorist acts of September 11, 2001, the Health Department has assumed a first responder role with significant responsibility for a wide range of disaster planning and response activities. In response to lessons learned from the anthrax crisis, the Health Department organized a Medical Reserve Corps (MRC) unit, a cadre of trained volunteers, to augment surge capacity during public health emergencies. In the years since, the Health Department has activated its Incident Management Team and the MRC in response to natural disasters such as floods and hurricanes, H1N1 influenza pandemic, Ebola virus, Zika virus and other outbreak investigations.

The Fairfax County Health Department has achieved and sustained a well-earned reputation for excellence due in part to the dedication and compassion of its well-trained workforce, the quality and innovation of its programs and services, and the commitment of its leadership to continuous quality improvement. That commitment was demonstrated again in 2016 when the department achieved national accreditation by the Public Health Accreditation Board.

Mr. Speaker, I ask that my colleagues join me in recognizing the Fairfax County Health Department for a century of protecting, promoting and improving the health and quality of life for all in Fairfax County. Their selfless efforts, made on behalf of all citizens of our community are truly worthy of our highest praise.

HONORING THE LIFE OF PEDRO
RAMÍREZ DAVIS

HON. RAÚL M. GRIJALVA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. GRIJALVA. Mr. Speaker, I stand before you on this day to recognize Mr. Pedro Ramirez Davis for his dedication to organized labor and the progressive political community in Tucson, Arizona and Pima County. Regrettably, he passed away on October 9, 2017 after dedicating over forty years of service to his fellow man. He was a life-long member of the Laborers' International Union Local No. 479 and the Teamsters local in Tucson.

Pedro R. Davis exemplified the highest ideals of the labor movement. He worked ardently to further the common goals of the working man to earn better wages, safer working conditions, the right to collective bargaining and the ability to call for a strike when the circumstances warranted it. He fought for benefits and financial aid for workers who were injured or retired.

Pedro understood the importance of union organizing as a way of empowering people and changing lives. He understood the need to be proactive in advocating policies and legislation to bring about necessary change. He was a true supporter of the Democratic Party because he believed it championed the interest of the working class. He supported local leaders and candidates he believed advocated for the struggles of the lower and middle classes. He worked tirelessly for those candidates, going door-to-door, encouraging folks to join the cause, putting up signs, collecting signatures, attending rallies and pitching in wherever help was needed.

Pedro was born in Nogales, Sonora Mexico in 1928. His parents struggled hard to support their family of twelve children. At an early age, Pedro learned the value of hard work when he had to do his part to help provide for his younger siblings. He would often share stories of his family all huddled around a single kerosene burner and a wood-burning stove trying to keep out the chill of the frigid winters in their hillside Nogales home. In his household, there were times when there was not enough food, blankets and warm beds.

His father's work often took him away from home and that would leave Pedro and his brother Samuel to step up, as the men of the house, to provide for the family in their fathers absence. This, no doubt, contributed to Pedro's kind and generous nature throughout his life. On one occasion, a fine gentleman wrote a letter to the editor about a Good Samaritan, who carried him across a flooded street refused to provide his name and rejected any monetary compensation for the rescue. The Good Samaritan was Pedro.

At the age of 18, along with his peers, Pedro was drafted into military service. After completing his duty, like his father and grandfather before him, he worked as a carpenter. He moved to California to work for some time and upon his return to Nogales he met Enedina Luque. He fell in love with Enedina, and married her soon thereafter. They moved to Tucson in 1950 and Pedro began working in construction.

Throughout the years, his construction job led him to work on many of the major indus-

trial projects that transformed Tucson including the missile silos and copper mines in the surrounding the area. He joined Tucson's Local No. 479 of the International Laborers' Union and the local Teamsters' Union in their formative years and remained actively involved in their collective bargaining efforts throughout his working life.

He took part in strikes against unfair labor practices when it became necessary, which was always a difficult thing, since he was unable to collect a wage for his family during those walkouts. Enedina always supported his decisions because they both saw it as a way for construction workers to obtain decent wages, health benefits, safe working conditions and retirement pensions. Pedro stood firm and worked extremely hard to make change possible for labor workers. His efforts were recognized by the leaders he worked to get elected which includes successful candidates such as: President Bill Clinton, Congressman Ed Pastor and myself, among others. Pedro would often receive invitations to dinners and other special events, to the surprise of many, including his family. Those were proud moments for him, indeed.

Pedro and Enedina raised six children and he always impressed upon them the value of an education. He felt that an education was the best job security anyone could hope to have. Even though he only had a sixth-grade education himself, Pedro was a learned man, always reading newspapers and magazines in both English and Spanish. He could engage in informed discussions on current events around the world. He knew about world leaders as well as his local representatives and had a profound interest in politics at home and abroad. Pedro and Enedina voted without fail as soon as they became naturalized United States citizens. He also instilled in his children and grandchildren the importance of registering to vote and engaged them in discussions on the important issues of the day.

In the early 80's, Pedro was asked to assist in the remodeling of an office building that had been made available to a candidate as the campaign headquarters. He was so inspired by the candidate that soon afterwards, he was out collecting signatures and walking door-to-door registering people to vote. He campaigned tirelessly for human rights and for candidates he respected. Pedro's car was always full of campaign signs and handouts. He eagerly shared his campaign experiences with his family. Pedro loved his country of origin, but he was proud to be an American. He loved and respected what this country stood for and wanted to make it better for the present and future generations.

When Enedina passed away in 2007, Pedro seemed to have lost a skip in his step. He found comfort by staying active in the political sphere and through his love for guitar. He was a self-taught guitarist and amassed a collection of Mexican classic songbooks. After retiring from construction, Pedro kept himself busy working as a school crossing guard for the Tucson Unified School District, which is a job that he took very seriously. The safety of the schoolchildren made him happy and he always had a supply of Jolly Ranchers to pass out to them. One of his greatest joys came when he received a large bundle of handmade birthday cards from the kids at Safford Primary School. The students at the school made him feel proud and happy.

After retiring as a crossing guard, Pedro could dedicate more time to his first love, the guitar. He would travel across town to meet with his friends in the guitar group. Together, they would polish their versions of the classic Mexican love ballads, even as he modestly repeated that he was not learning anything new.

I close by saying that Pedro Ramirez Davis was a hard-working and decent man from very humble origins. Pedro, like so many immigrants, came to this country to work hard and build upon the character and values of our nation. He did so with pride and purpose. He lived a life worthy of recognition, honor and respect. His lifetime of involvement on behalf of the working people and the less fortunate in his community has not gone unnoticed. Pedro Ramirez Davis will be sorely missed.

HONORING TRUMAN STATE
UNIVERSITY

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize Truman State University on their 150th Anniversary. Since 1867, this fine institution of higher learning has been producing quality graduates who greatly enrich our society with the knowledge and values that have been instilled in them.

Founded on September 2, 1867, in Kirksville, Missouri, by Joseph Baldwin, the school was originally known as the North Missouri Normal School and Commercial College and existed to train teachers to serve in public schools. It received several name and mission changes over the years and today, it is known as Truman State University. Building on a tradition of academic excellence, Truman State became the state's only public liberal arts and sciences university in 1985 at the direction of the Missouri Legislature. The recipient of multiple national accolades, the school continues to successfully embody their mission of providing affordable education to exemplary students. Highly selective in the students they accept, Truman State University boasts both the highest retention rate of freshman to sophomore students among public universities in Missouri and the highest public university graduation rate in the state.

Mr. Speaker, I proudly ask you to join me in recognizing the rich 150 year history of Truman State University. This elite public, liberal arts university in rural Northeast Missouri has educated generations of students who have made an exemplary impact both at home and abroad. I commend President Dr. Sue Thomas and the faculty and staff—past, present and future—for their commitment to providing the next generation with a quality education. I am extremely honored to represent this fine institution in the United States Congress.

HONORING THE LIFE OF ARNOLD
PARK

HON. ADAM KINZINGER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. KINZINGER. Mr. Speaker, I rise today to honor the life of Army veteran, community

leader, and my constituent, Arnold Park of Streator, Illinois.

Mr. Park served his country for two years in Germany before returning home to Streator to run the Lutheran Brotherhood Insurance Agency for the next thirty-five years. In this capacity, he was a trusted community member and able to provide peace of mind to thousands of my constituents. He also served his community as a member and President of the Streator School Board and as a council officer at St. Paul's Lutheran Church.

His dedication to his community and his neighbors continued throughout his life, with Mr. Park most recently dedicating his time and efforts to the Ramp Builders for St. Paul, an organization he founded which constructs and installs wheelchair ramps to help individuals with handicaps and senior citizens access their homes. The Ramp Builders have built hundreds of ramps since 1987 and it now serves people in nearby communities such as Ottawa, Marseilles, and Seneca.

Without question, Arnold Park positively impacted not only his family and loved ones, but also the entire Streator community. His commitment to his profession, his family, his community, and his faith should serve as an example to all of us.

Sadly, Mr. Park passed away on October 9, 2017. I offer my condolences to his widow, children, and grandchildren. Each of them should know how grateful his community and his country are for all he achieved during his life. It is truly an honor to represent an area of Illinois in which people like Arnold Park are making a difference in others' lives each and every day.

IN RECOGNITION OF THE VOLUNTEER SERVICE OF THE BAY ORAL SURGERY & IMPLANT CENTER AND ORAL & MAXILLOFACIAL SURGEONS-BAYCARE CLINIC

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. GALLAGHER. Mr. Speaker, I rise today to recognize the volunteer service of the Bay Oral Surgery & Implant Center and Oral & Maxillofacial Surgeons-BayCare Clinic. Since September 2014, these two groups have taken turns each week volunteering their professional services at the N.E.W. Community Clinic, a federally qualified health center in northeastern Wisconsin.

Over the last three years, these groups have provided expert care on a volunteer basis to over 1,200 patients and completed more than 3,300 surgical procedures. The patients these oral surgeons continue to serve are among the most vulnerable members of society, including those who are disabled, in wheelchairs, are cognitively delayed, have Alzheimer's or other severe forms of mental illness.

Without this volunteer service at the N.E.W. Community Clinic, many of these patients would not have access to the necessary oral procedures they need and deserve.

Mr. Speaker, I urge all members of this body to join me in commending the humanitarian work of the Bay Oral Surgery & Implant

Center and Oral & Maxillofacial Surgeons-BayCare Clinic, and thank them for their ongoing commitment to serving those in need across northeastern Wisconsin.

100TH ANNIVERSARY OF CHESTERFIELD COUNTY'S HISTORIC COURTHOUSE

HON. DAVE BRAT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. BRAT. Mr. Speaker, this year marks the centennial of Chesterfield County's historic courthouse. This building is a point of pride for the county of Chesterfield and is an official Historic Landmark for Chesterfield and the commonwealth of Virginia.

The Chesterfield Courthouse sits where the original 1749 colonial courthouse once stood. It took only a mere eight months to build the 1917 Courthouse and began hearing cases shortly after construction. The bell from the 1749 Colonial courthouse has been carefully preserved and is the oldest historic artifact in Chesterfield County. It currently stands on display at the Chesterfield County Museum. The bell is, in fact, three years older than the great Liberty Bell.

The Courthouse is more than a well-preserved Landmark, it is a symbol of our great history. When it was built in 1917, it was one of the first preservation struggles in our nation. It was the place where WWI draftees camped out as they waited to ship out to training camps. It has and will continue to represent the critical third branch of government where it still hears cases to this day, 100 years later.

A centennial anniversary is a great accomplishment and is worth recognition and appreciation. It is necessary for our culture and history to be preserved and remembered; whether that be in the abstract of our ideals and principles, or in the physical; such as the Chesterfield Courthouse. Behind the physical buildings is where our principles and values lie. For this reason, I want to recognize the 100 year anniversary of the historic courthouse in Chesterfield, Virginia.

TRIBUTE TO JOHN T. FARINELLA

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. PAYNE. Mr. Speaker, I ask my colleagues to join me as I pay tribute to the recipient of the 2017 New Jersey Principal of the Year Award, Mr. John T. Farinella of Rahway High School.

Mr. Farinella is a lifelong South Plainfield resident and a graduate of South Plainfield High School. After high school, he went on to earn a dual bachelor's degree in economics and mathematics from Pennsylvania State University. He later received his Master's in Education Administration and Supervision from Saint Peter's College in Jersey City, New Jersey, followed by his Juris Doctor from Seton Hall University's School of Law. Mr. Farinella has worked in the New Jersey public school system for more than 20 years, and he has

served the New Jersey Principals and Supervisors Association (NJPSA) as a member of its Council, Legislative Committee, and Constitution Review Committee.

During his time as Principal of Rahway High School, Mr. Farinella has coordinated two key programs that have dramatically helped the students of Rahway High School: the Freshman Transition Program and the Rutgers Future Scholars Program. The Freshman Transition Program provides a support system for Rahway High School's incoming freshmen as they acclimate to the differences between middle school and high school. It helps them begin to plan their lives beyond high school. The Rutgers Future Scholars program recognizes and mentors eighth grade students whose parents have not graduated from college. Fifteen students who perform to the satisfaction of Rahway High School and the Rutgers Future Scholars Program are invited each year, free of charge, to attend Rutgers University.

Mr. Farinella and his staff have dedicated much of their time and effort over the past six years to creating a more comprehensive and complete learning environment for the children of Rahway High School. Through his work at Rahway High School, Mr. Farinella has shown students the value of a college degree and created a college-going mentality throughout his school. Mr. Farinella has shown passion through his leadership and vision for Rahway High School. The Tenth District of New Jersey is proud and honored to have Mr. John T. Farinella investing in the futures of the students of Rahway High School.

HONORING 1 OCTOBER FIRST RESPONDERS

HON. DINA TITUS

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Ms. TITUS. Mr. Speaker, I rise today to honor the on-call and off-duty first responders whose training, instincts, and valor saved lives and prevented further tragedy on October 1st in Las Vegas.

Southern Nevada's police, firefighters, and medical professionals rushed into gunfire, suppressed an active shooter, and prepared the community for its recovery. As bullets rained down and innocent victims lay in need of assistance, crews from Las Vegas, North Las Vegas, Henderson, and Clark County entered a situation without hesitation, despite knowing few details about the scope of the attack. Off-duty officials who attended the concert went from enjoying a night of music to selflessly acting under fire.

Amid the report of firearms, the whiz of bullets, and the screams of horror, first responders risked their lives to shield the helpless, provide medical assistance, and secure an area that was the target of an unspeakable event.

Their service did not stop after the shooting. Many went home for a few minutes to change their blood-soaked clothes and hug their family members. Then they returned to a grieving community. Not all of Las Vegas' heroes were lucky enough to go back to their families. Some, like Las Vegas Metro Police Officer Charles Hartfield, lost their lives. Others left the scene with gunshot wounds and various injuries. They were all Nevada's Guardian Angels that night. Those heroes and their family members cannot be thanked enough for their service and sacrifices.

Likewise, our ambulance services, American Medical Response and Community Ambulance, not only assisted the injured on the scene but rapidly transported hundreds to local hospitals. Our two trauma centers, designed to accommodate a fraction of the patients they received in the hours after the shooting, were able to treat a nonstop flow of victims. Our charities immediately set up blood drives and other donation centers to meet the needs of victims. On their own accord, good Samaritans opened their car doors to fleeing concertgoers, turned their belts into tourniquets, and imparted countless acts of kindness in the hours and days following the tragedy.

Through it all we were guided by the leadership of LVMPD Sheriff Joe Lombardo, LVMPD Undersheriff Kevin McMahill, Clark County Fire Chief Greg Cassell, University Medical Center CEO Mason VanHouweling, Sunrise Hospital CEO Todd Sklamberg, and Special Agent Aaron Rouse of the Las Vegas FBI.

These were among the first Nevadans to take action on October 1st. They have had sleepless nights, skipped meals, and borne the weight of the world on their shoulders. Thanks to their guidance and sacrifice, the community has been able to mourn and recuperate in peace. On behalf of Nevada's First Congressional District, I want to thank these leaders and all the local heroes who jeopardized their own lives to make sure that so many in Southern Nevada would be able to face a new day.

They made Las Vegas Strong.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. DUFFY. Mr. Speaker, I am not recorded because I was absent due to travel delays. Had I been present, I would have voted YEA on Roll Call No. 569, YEA on Roll Call No. 570, and NAY on Roll Call No. 571.

RECOGNIZING THE TWENTIETH ANNIVERSARY OF EMERALD COAST CRIME STOPPERS

HON. MATT GAETZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. GAETZ. Mr. Speaker, today I rise to recognize the twentieth anniversary of the Emerald Coast Crime Stoppers. This organization is celebrating 20 years of partnering with the community and local law enforcement.

Twenty years ago, a small group of community leaders and citizens attended and formed the nonprofit organization known as Emerald Coast Crime Stoppers.

Launched in 1997, the concept has developed into a combination of efforts by local media, businesses, civic and social clubs, law enforcement agencies, and the public. Donations of airtime, newspaper space, and reward monies have established Crime Stoppers as an effective tool to fight crime in our area. Crime Stoppers provides a method for local law enforcement to receive information on crimes. These efforts increase tips, which in turn increase arrests in our community.

A unique quality of this organization is that it is not a branch of any law enforcement agency or local government, but is run by community members who graciously volunteer to serve on the Board of Directors.

I would like to extend my gratitude to all who have served in any capacity with this very successful organization. The work that has been done by this group has proved to be invaluable to our communities.

Mr. Speaker, on behalf of the United States Congress, I am privileged to congratulate Emerald Coast Crime Stoppers on their 20th Anniversary.

HONORING DONOVAN SMITH

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to recognize Mr. Donovan Smith, who is a young entrepreneur and philanthropist, who has made a positive impact in our community through his soap making business.

Donovan came to New Mexico in 2011 with his mother, Ms. Casey Smith, after falling upon hard times. Ms. Smith, a Navy veteran,

had lost her job, and was unable to find employment due to health problems. They were able to find a place to stay at the Henderson House in Albuquerque, which provides shelter for female veterans. After overcoming this experience, Donovan has dedicated himself to helping others.

In 2014, Donovan was able to learn soap-making from his mother as a part of his math and science education. At the age of 11 he started his bath product business at a local market held every weekend. He soon began selling online specialty soaps made from ingredients such as goat's milk and aloe vera. He generously donated a portion of his profits to help fight homelessness.

Donovan has also donated thousands of bars of soap to St. Martin's Hospitality Center, where the soap can be distributed to people in need. In light of his philanthropic work, TV personality Mike Rowe reached out to Donovan as part of his Facebook show, "Returning the Favor," and set him up with a storefront in Downtown Albuquerque to continue his business and charitable work.

In addition to his work to fight homelessness, Donovan has been a vocal advocate against child abuse in New Mexico. He received the McDonald's 365Black Community Choice Award, as well as the Good Samaritan Award by the City of Albuquerque.

Donovan's story is inspiring and proves that with determination, amazing things can be achieved. I look forward to seeing Donovan's success grow as well as his continued efforts to make a difference in our community.

INTRODUCING RESOLUTION ON
COMMEMORATING INTERNATIONAL DAY OF RURAL
WOMEN ON OCTOBER 15, 2017

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Ms. KAPTUR. Mr. Speaker, on October 15, the world celebrated International Day of Rural Women and the invaluable contribution of women farmers.

To do our part in expressing solidarity, I rise to introduce this Resolution to commemorate this every important day.

According to the U.N., rural women make up over one-quarter of the total population and represent 43 percent of the agricultural workforce. They play a critical role in agricultural production, food security and economic stability.

Women serve as the bedrock of society. They feed the world's families. They feed our

neighbors, and our countrymen. They are important role models for younger generations. Unfortunately, despite this, they still face many societal and economic limitations both here and abroad.

This Resolution shines a light on women farmers and empowers them to succeed as entrepreneurs. It calls on the people of the U.S. and the world to recognize their critical contribution and to recommit to reducing these barriers and limitations.

I urge my colleagues to support it.

HONORING QUARRIER COOK

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor the life of Quarrier "Q" B. Cook who represented the best of our great state of New Mexico. She was a loving wife, mother, and grandmother, a loyal friend to many, a philanthropist, and a dedicated advocate for the rights of women, and the environment.

Q was born in Wheeling, West Virginia to Nancy Fulton and Thomas Moffat Bloch on April 7, 1935. She graduated from the Wheeling Country Day School, the Ethel Walker School, and Vassar College where she earned a degree in political science that served her well through years of political activism. Q gained a passion for activism by observing her parents, who were involved in civic and public service.

Q began her philanthropic career as a board member of the Santa Fe Community Foundation. Not long after, she founded Santa Fe Style, a southwestern home furnishings boutique in Georgetown, Washington, D.C. Q helped to run the business for 11 years as store purchaser.

During her time in Santa Fe, Q worked to support nonprofit groups, and cultural organizations, including the Santa Fe Community Foundation and the Santa Fe Chamber Music Festival. Q joined the board of the Santa Fe Chamber Music Festival in 1987 and served as board president from 2002 to 2005.

Among their many successes, Q and her husband, Philip Cook, were granted the Santa Fe Community Foundation's Philanthropic Leadership Award in 2016.

Q married the love of her life, Philip Cook, in Santa Fe on March 11, 1991. They recently celebrated 25 years together, marked with joy and travel among family and friends.

On May 4, 2017, Q passed away at age 82. She was surrounded by family at her home in Santa Fe after a yearlong struggle with breast cancer. She was survived by her husband, Philip, and three children, Thomas McKittrick Jones, Nancy Jones Carter, and Clarke Fitzgerald Jones, as well as her seven grandchildren.

Q was truly a fighter of justice and we will all miss her dearly. I treasure all of the wonderful contributions she has made to our state. Her memory and legacy is a blessing to us all.

EXTENDING FUNDING FOR COMMUNITY HEALTH CENTERS

HON. JOSEPH CROWLEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. CROWLEY. Mr. Speaker, I rise today to urge Congress to address the imminent financial crisis that is facing our nation's community health centers.

Last week, when I was back home in my district, I had the opportunity to visit the Institute for Family Health Center for Counseling in the Bronx. This is just one of New York's 29 Federally Qualified Health Centers operated by the Institute for Family Health, which is committed to improving access to high-quality, patient-centered primary health care targeted to the needs of medically underserved communities. The Center for Counseling highlights the importance of integrated behavioral health as part of the primary care continuum for all Americans, regardless of where they live.

My visit was a reminder of the important role community health centers play in our nation's health care system. They are driven by a commitment to reduce health disparities and assure every American has access to high-quality health care. Congress must not stand in the way of this vital role.

However, this Republican-led Congress has championed partisan gridlock that threatens the vitality of our community and teaching health centers. As of today, we have watched 24 days go by since federal funding for the Affordable Care Act's (ACA) Community Health Center Fund expired at the end of September. These federal health programs have steadfast bipartisan support, yet the majority's partisan approach is holding up the essential federal funding these centers rely on.

Within a package to extend federal funding for community and teaching health centers as well as the Children's Health Insurance Program (CHIP), Republicans proposed several problematic offsets that would ultimately set our health care system back. For example, certain changes to Medicaid would inhibit access to pediatric providers, and cuts to the ACA's Public Health and Prevention Fund

would undermine the value of preventive services delivered at community health centers. Furthermore, the package would lead to higher premiums for certain seniors receiving Medicare benefits and shorter grace periods for individuals who receive their health coverage through the individual market. In other words, this package would slash benefits and protections for one group of beneficiaries to extend services for another.

Democrats will not stand for any packages that would rob Peter to pay Paul. I urge my Republican colleagues to drop this partisan exercise and work with us on a compromise to extend these long-standing, successful, bipartisan federal health programs. The job of our nation's 10,400 community health centers is much too important to bear the brunt of needless political games.

CONGRATULATING BRIGADIER GENERAL MICHAEL HAYES ON HIS RETIREMENT AS MANAGING DIRECTOR, OFFICE OF MILITARY AND FEDERAL AFFAIRS, MARYLAND DEPARTMENT OF COMMERCE

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. HOYER. Mr. Speaker, I'm proud that Maryland is home to some of the finest military installations in the country, where our nation's most dedicated service-members and civilian defense employees work to keep our country safe. Over the last eighteen years, they and their families and the communities that support our installations have had an outstanding advocate in Brigadier General Michael Hayes USMC (Ret.). Since August, 1999, after his retirement from a distinguished career as a decorated Marine Corps officer, Mike has led the State of Maryland's Office of Military and Federal Affairs as its first Director.

Under Mike's leadership, the Office of Military and Federal Affairs and the Maryland Military Installation Council have overseen efforts to bring community, academic, and military—as well as federal, state, and local—resources together to promote regional development and economic growth. I've had the pleasure of working closely with him over the years to ensure that Fifth District military installations—Patuxent River, Webster Field, and Indian Head—can continue to grow, serve our national defense, and bring jobs and opportunities to surrounding communities. Mike has played a pivotal role in these efforts, which have earned him accolades, including being named one of two national 'Public Officials of the Year' by the Association of Defense Communities (ADC) in 2007 and becoming a member of the ADC Board of Directors in 2011.

Mike's service to the State of Maryland caps a long career as a Marine officer. He served on active duty during the Vietnam War, commanding artillery batteries during two tours. Later, he went on to command Marine units based in the United States, Japan, and Panama before serving as Chief of Staff to the II Marine Expeditionary Force during Operation Desert Storm. Following his return home, Mike served as Assistant Deputy Chief of Staff for Facilities and Services at the Marine Corps

headquarters before his retirement from thirty-three years of commissioned service in 1999.

A native of Wisconsin, Mike obtained his B.S. in Economics from the University of Wisconsin, and he holds degrees as well from the Naval War College and the National War College. I hope all of my colleagues will join me in thanking Mike for his long career of service to our nation and to the State of Maryland. I wish him and his wife Barbara, as well as their two children and three grandchildren, all the best.

During the last nineteen years, one-hundred students have received scholarships awarded by the foundation and have attended some of the top colleges and universities in the country. HONORING THE 80TH ANNIVERSARY OF THE DELTA SIGMA THETA SORORITY'S NEWPORT NEWS ALUMNAE CHAPTER

HON. ROBERT C. "BOBBY" SCOTT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. SCOTT of Virginia. Mr. Speaker, I rise today to honor the 80th anniversary of Delta Sigma Theta Sorority's Newport News Alumnae Chapter.

Delta Sigma Theta Sorority was founded in 1913 by 22 students attending Howard University. These women all saw education and community service as the key to pushing forward the cause of civil rights and progress for the African American community, and that mission remains strong to this day. Today, Delta Sigma Theta has grown to an organization with over 250,000 members and over 940 local chapters operating all over the United States and the world.

The Newport News Alumnae Chapter was originally chartered in 1937 as the Beta Kappa Chapter. It was then changed to the Gamma Iota Sigma Chapter in 1947 before officially becoming the Newport News Alumnae Chapter of Delta Sigma Theta Sorority in 1960. The

Chapter was dutifully led in these early years by Charter members Marian Palmer Capps, Clara Pannell, Ethel Pannell, Sallie Watkins Roberts, Dorothy Roles Watkins, Olivia Williamson, and Christine Jefferson Haynes.

The women of the Newport News Alumnae Chapter are committed to the same honored tradition of community service that has driven all of Delta Sigma Theta's members since its inception. Delta Sigma Theta's sisterhood has always been guided by the sorority's Five-Point Programmatic Thrust of Economic Development, Education Development, International Awareness and Involvement, Physical and Mental Health, and Political Awareness and Involvement. It is with these principles in mind that the Newport News Alumnae Chapter established the programs that continue to serve their local community to this day.

Delta Sigma Theta's unwavering commitment to serving the needs of African Americans has been truly reflected through the good work pursued by the Newport News Alumnae Chapter over the years. The Dr. Betty Shabazz Delta Academy provides young girls between 11 and 14 years old with the opportunity to pursue their interests in math, science, and technology. The Delta GEMS program offers college and career planning to at-risk teenage girls who may otherwise not understand the opportunities available to them. The EMBODI program addresses the challenges facing African-American boys by providing middle and high schoolers with counseling and support in subject areas such as fostering healthy relationships, fiscal management, physical and mental health, self-efficacy, and more. These programs provide an invaluable service to the youth of Newport News.

Mr. Speaker, as the Newport News Alumnae Chapter of Delta Sigma Theta Sorority celebrates this exciting milestone, its members can feel affirmed that these past 80 years of fellowship and outreach have left the Newport News community stronger and more united than it otherwise would have been. I would like to congratulate Chapter President Joyce Melvin-Jones and all of the members of the Newport News sisterhood on this special occasion.

RECOGNIZING THE 275TH ANNIVERSARY OF FAIRFAX COUNTY, VIRGINIA

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 24, 2017

Mr. CONNOLLY. Mr. Speaker, I rise today to recognize a momentous anniversary. This year marks the 275th anniversary of Fairfax County, which I am proud to represent in this chamber and which I represented prior to my election to this body for 14 years on the Fairfax County Board of Supervisors, including five years as Chairman.

In 1737, Lord Thomas Fairfax of Cameron took possession of a piece of land that included all of what is now Loudoun, Arlington and Fairfax Counties in addition to the cities of Falls Church, Fairfax and Alexandria. At the time, all of this land was part of Prince William County. Installing his cousin William as the managing agent for that land, Lord Fairfax de-

parted back to England to cement his claim. In 1742, William arranged for that piece of land to be officially designated as Fairfax County.

This new county was home to many Americans who would have an impact on our country, most notably future President George Washington. In addition, Fairfax was home to the man who many credit with the creation of the Bill of Rights, George Mason. Working with a member of Virginia's congressional district (and future President himself) James Madison, Mason argued for the creation of amendments to the newly-created U.S. Constitution to protect individual freedoms. Indeed, Mason was one of only three delegates to the Constitutional Convention to refuse to sign the new document because of his concerns that the federal government would be abusive of its authority absent a document like the Bill of Rights.

Fairfax County also played a role in another pivotal time on our Nation's history, the Civil War. The courthouse in Fairfax City served as a headquarters for the U.S. Army and the remains of several forts can still be found throughout the county today. The founder of the Red Cross, Clara Barton, treated wounded soldiers at St. Mary's Church in Fairfax Station, an experience that would eventually lead her to found that organization. While the County was largely spared from major battles (with the exception of the Battle of Ox Hill in 1862), raids and skirmishes between Union and Confederate forces were frequent and portions of the County changed hands several times over the course of the war.

Mr. Speaker, the history of Fairfax County is intimately intertwined with the history of the United States. Although the founders of this County could not have known the future that awaited their holdings, I suspect the evolution from a rural farming community to today's suburban community of over 1 million would please them greatly. Fairfax County has consistently been rated among the best places in the country in which to live, work, raise a family and start a business. Indeed, it stands as an example of a community that consistently sees beyond the years. I was proud to serve it on the Board of Supervisors and have been proud to represent it in this body. I ask my colleagues to join me in congratulating Fairfax County on this important anniversary.

CIVIL RIGHTS

SPEECH OF

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 23, 2017

Mr. CLYBURN. Mr. Speaker, I thank Representative VEASEY, and our colleague Congresswoman EDDIE BERNICE JOHNSON, for joining me at the Center for African American Studies at the University of Texas at Arlington last Thursday evening. It was a wonderful experience for me and President Vistasp Karbhari, Dr. Jason Skelton and my longtime friend Dr. Marvin Delaney were perfect hosts.

Earlier this month, Sergeant La David T. Johnson died a hero's death in a distant land on a mission few Americans know about or understand.

This weekend, his grieving family, including his pregnant wife, took him to his final resting

place in Florida. Sgt. Johnson's tragic death leaves this young family fatherless.

Mr. Speaker, in his Second Inaugural address, President Abraham Lincoln called on our nation to endeavor "to care for him who shall have borne the battle and for his widow and his orphan. . . ."

Unfortunately, rather than comfort Sgt. Johnson's grieving family, the current occupant of the White House has chosen to use them as his latest prop in his constant effort to sow discord and division in this country.

The President and White House Chief of Staff John Kelly, who happens to be a Four-Star General, have insulted and smeared an honorable public servant who happens to be a Five-Star Congresswoman, and in effect called her and her grieving widowed constituent liars.

Congresswoman FREDERICA S. WILSON has been a champion for the people of South Florida for decades. It is no mystery—and it was not political—that she was accompanying Mrs. Johnson and her family to receive her husband's remains. She had mentored Sgt. Johnson throughout his childhood.

Mr. Speaker, I have participated in several of Congresswoman WILSON's 500 Role Models events and have spoken for one of their graduations. I often wear a red tie to this floor helping her highlight their efforts. And her passionate work on behalf of those kidnapped girls of Boko Haram is unmatched.

As the husband of a five-star African American woman for more than 56 years and the father of three African American daughters who are working hard to earn their stars each and every day, I feel compelled to respond to General Kelly and completely debunk his concocted misrepresentation.

Mr. Speaker, we can have political differences here in Washington, D.C. That comes with the territory. But people need to have the common decency and basic humanity to refrain from exacerbating the pain of those already suffering so much.

I was taught from childhood that silence gives consent. I want the White House to know this, I and the members of the Congressional Black caucus will not be silent or silenced.
