

HONORING THE LIFE AND LEGACY
OF JAMES COAKLEY

HON. MARK E. GREEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2019

Mr. GREEN of Tennessee. Madam Speaker, I rise today to honor the life and service of a great American hero, James "Shimmie" Coakley.

Mr. Coakley was born on March 15, 1920 and raised in Houston County, Tennessee. He married Mildred Clark Coakley in 1940, and they remained together for the next 73 years and 9 months until her passing.

Mr. Coakley was drafted in December of 1944, and he fought in France and Germany as part of the 143rd Infantry Regiment, 36th Division under General Dwight D. Eisenhower. Mr. Coakley was honorably discharged from the Army as corporal in 1946 with a combat wound from shrapnel.

After surviving a ten day journey back across the Atlantic through a hurricane, Mr. Coakley began a longtime career back in Tennessee with the Meriwether Lewis Electric Company, where he served for 33 years. In retirement, he enjoys spending time with family and visiting the residents of Signature Healthcare of Erin, TN.

Mr. Coakley currently holds the distinction of being the oldest living WWII veteran in Houston County. I ask my colleagues in the United States House of Representatives to join me in congratulating Mr. James Coakley on his induction into the Signature Healthcare Hall of Fame.

MISSING AND MURDERED
INDIGENOUS WOMEN

SPEECH OF

HON. TOM COLE

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2019

Mr. COLE. Mr. Speaker, I rise today to bring attention to and urge Congressional action on the Crisis of Missing and Murdered Indigenous Women.

Mr. Speaker, more than 4 in 5 American Indian and Alaska Native women have experienced violence in their lifetime. More than half of American Indian and Alaska Native Women have experienced sexual violence in their lifetime.

American Indian and Alaska Native women are over one and half times more likely than White women to have experienced violence in the past year. Native women face murder rates more than 10 times the national average in some parts of the country. They also are almost 2 times as likely to have experienced rape than non-Hispanic White women over the course of their lifetime.

Given all these statistics of acts of violence, 96 percent of American Indian and Alaska Native women victims of sexual violence experience violence at the hands of a non-Native perpetrator. To reiterate, nearly all of the violence committed against Native women are committed by non-Natives.

Mr. Speaker, I do not believe the protection of all women and children is or should be

treated as partisan issue. Tribal governments, through trust and treaty obligations should have the same authority as states to protect women and children in vulnerable situations. All states, tribal and local law enforcement authorities should have access and the use of the same tools to prevent these crimes, on or off the reservations. Hunters know where to hunt; fishermen know where to fish. And predators know where to prey.

I am pleased to see the House has taken action on this issue with the passage of the reauthorization of the Violence Against Women Act, and I urge the Senate to take up this important legislation and include strong tribal provisions to ensure tribal governments have all the resources available to protect their communities.

HONORING THE ROTARY CLUB OF
PEEKSKILL, NEW YORK ON ITS
100TH ANNIVERSARY

HON. NITA M. LOWEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2019

Mrs. LOWEY. Madam Speaker, I rise to honor the Rotary Club of Peekskill, New York, as the institution celebrated its 100th anniversary on Thursday, October 17.

Established in 1919, the Peekskill Rotary Club was the 547th club charged by Rotary International and among the earliest Rotary clubs in Westchester County. The club focuses on raising funds to help local charities continue the critical, often challenging, work of helping those in need in the City of Peekskill and across the Lower Hudson Valley. The more than 10,000 people who attend the club's annual fundraiser at Peekskill High School are a testament to the widespread support for the club's contributions to our community.

A highlight of its 10 decades of service was the Rotary's involvement in recovery efforts after the attacks on the World Trade Center on September 11, 2001. Rotary volunteers assisted the Salvation Army in coordinating the delivery of supplies to workers at Ground Zero and raised funds for the families of the four victims who were Peekskill residents. The club also designated a memorial monument and tree to those four individuals at Riverfront Green Park on July 4, 2002.

The Rotary Club of Peekskill has been an invaluable partner in making the Lower Hudson Valley a healthier and more prosperous community. Madam, Speaker, I urge my fellow members of Congress to join me in expressing
