HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. DEUTCH. Madam Speaker, today I rise to honor Joanne Goodwin for her years of dedicated and unwavering service to our country and to the South Florida area. For decades, Joanne has made it her goal every day to make other people's lives around her better, and has enjoyed a record of success throughout her career everyone ought to strive for. Born in 1947, in New York, she made her way to the National Association of Securities Dealers in the mid-1960's where she became a registered trader.

Beginning in 1979, she became the director of the Smith New Court Securities firm in England. She used her expertise in her field to continue to break new barriers for women in her business and a host of others. In later years, Joanne made her way to the South Florida area, settling in Broward County in 1999. She became especially active in the political sphere and worked tirelessly to elect candidates she felt were in the best interest of the American people.

She first volunteered on John Kerry's 2004 presidential run, and became an active member of the North Broward Democratic Club. Beginning in 2010, Goodwin became the president of the club, and has helped the party

in-and-around the Fort Lauderdale area continue to blossom and grow each and every year since. She also volunteered on former congressman Ron Klein's campaign for the House of Representatives, and congresswoman LOIS FRANKEL's in the same district.

Goodwin has been recognized for her amazing work before. She has been named Broward County Volunteer of the Year three separate times, in 2013, 2015, and 2017. In 2018, she was given the Broward Young Democrats Lifetime Young Democrat Award. In addition, she remains an avid reader, traveler, and continues her commitment to electing progressive candidates, particularly women, up-and-down the ballot in the future.

Madam Speaker, I ask my colleagues to join me in recognizing Joanne Goodwin for her continued support for Florida's 22nd Congressional district and the broader South Florida community.

COMMENDING AND CONGRATULATING JUDGE ANITA SUKOLA
ON THE OCCASION OF HER
RETIREMENT

HON. MICHAEL F. Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. SAN NICOLAS. Madam Speaker, I rise today to recognize a true public servant and a fine example of women leadership, the Honorable Anita A. Sukola. I congratulate her on her retirement after 36 years of service to the people of Guam in our government as a respected educator, attorney, and judge.

Early in her career, Judge Anita Sukola maintained a firm commitment to the betterment of our community through education. After graduating from John F. Kennedy High School in 1969, she went on to Washington State University and earned her bachelor's degree in History and Secondary Education. Hoping to foster her same passion for growth and learning in others, she became a full-time educator in the public school system while working towards her master's degree in Administration and Supervision. By 1983, Judge Sukola obtained her Juris Doctor from the People's College of Law and expanded her role in educating our island's youth through her appointment as Deputy Director of the Department of Education. The following year, she was confirmed to serve as the DOE Director and continued her service through this position until 1991. During her tenure at DOE, she simultaneously contributed to our island community as Chairperson for the Government of Guam Retirement Fund Board of Directors for eight years. Her role as an educator also extended beyond the public school system with an assistant professorship at the University of Guam's Criminal Justice program. In this capacity, she helped to develop minds that would eventually go on to pursue careers in various areas of law, police, probation, social work, and other security and military organizations.

Upon closing her chapter with DOE, Judge Sukola established a private practice alongside late Justice Monessa G. Lujan and served Guam through this partnership for nearly 11 years. Prior to her judgeship, she further fortified her legal expertise through service as an attorney with the Public Defender Service Corporation, Legal Counsel for

the Port Authority of Guam Board of Directors and Chamorro Land Trust Commission, and Staff Attorney to former Senator Don Parkinson of the 17th Guam Legislature. Demonstrating her sharp mind, capacity for excellence, and disposition of fairness for almost two decades in law, Judge Sukola established herself as a champion of justice and respected pillar of our community. In 2002, Governor Carl T.C. Gutierrez recognized these outstanding qualities and appointed her to serve as a trial court judge at the Judiciary of Guam, wherein she handled a diverse docket ranging from family violence cases to complex civil litigation. In addition to her various court assignments of General Jurisdiction, Mental Health Court, Family Court I, and Juvenile Drug Court, Judge Sukola also brought new meaning to the mission of making justice accessible to all as a Co-Chair of the Judiciary's Juvenile Justice Reform Focus Area on Evidence-Based Practices and 2016–2019 Strategic Plan Focus Area on Access to Courts and Delivery of Services as well as the Subcommittees on Pro-Se Litigation and Criminal Jury Instructions.

Throughout her career and in her judicial service, Judge Sukola has built an exemplary legacy of compassionate service and understanding through professionalism which doubly emanates from her courtroom. Recognized for her interminable advocacy for the welfare and best interests of Guam's children and their families while specifically advancing the System of Care and Wraparound in the Juvenile Court System and promoting cultural sensitivity, Judge Sukola received the icareguam 2017 Goodwill Ambassador Award. Judge Anita Sukola served our island with incredible distinction and continues to inspire many members of our community. Madam Speaker, I rise on behalf of the people of Guam, offering my greatest appreciation for Judge Sukola's commitment to justice for all on our island. Her dedication to our youth and families, fidelity to justice, and unwavering integrity is commendable, and I sincerely thank her for her many years of service, congratulate her on a well-deserved retirement, and wish her the best as she embarks on a new chapter in life.

IN REMEMBRANCE OF THE 50TH ANNIVERSARY OF THE BENGALI HINDU GENOCIDE

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Ms. JACKSON LEE. Madam Speaker, I rise in sad remembrance of the 50th anniversary of the Bengali Hindu Genocide, and celebrate and honor the lives of the more than two million Bengali Hindu persons who were systematically killed by the Pakistani Army when it launched an offensive into East Pakistan, present-day Bangladesh, thus beginning the 10-month reign of terror known as "Operation Searchlight."

Over that time, approximately 2 to 3 million people were killed, over 200,000 women were raped in organized rape camps, and over 10 million people were displaced, most finding refuge in India.

I offer my prayers and condolences to the victims and their families who still feel the very real effects of this heinous crime against humanity.

March 25th officially marks the beginning of the genocide in Bangladesh.

The brutality unleashed by the Pakistani army and the targeting of Bengali Hindus simply because of their religion must be strongly condemned as religious freedom is one of the most sacred of human rights.

It has been 50 years since the genocide in Bangladesh, and the survivors and their descendants are still fighting for recognition; they are still fighting for an apology from Pakistan, as the Prime Minister of Bangladesh formerly asked her Pakistani counterpart as recently as January of 2021; and they are still fighting for justice and for closure.

On March 28, 1971, Archer K. Blood, U.S. Consul General stationed in Dhaka, East Pakistan, present-day Bangladesh, during the genocide, sent a cable back to Foggy Bottom with the subject reading "Selective Genocide."

In his cable, the Consul General informs his superiors at the State Department that "Here in Dacca we are mute and horrified witnesses to a reign of terror by the Pak military," and that the full horror of its atrocities "will come to light sooner or later."

That is why I rise; to remember and acknowledge that history so that victims and survivors of the Bengali Hindu Genocide know that the people of the United States stand in solidarity with them.

IN RECOGNITION OF JILL SELLERS

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to congratulate Jill Sellers on her new role as the Executive Director of Main Street Gettysburg, a non-profit organization committed to the preservation and revitalization of historic Gettysburg.

In this new role, Jill will collaborate with community leaders and volunteers to steward the mission of Main Street Gettysburg. Since first visiting Gettysburg two decades ago, Jill has been a passionate advocate for this town and community.

Jill has extensive leadership and management experience. Prior to moving to Adams County, Jill founded a public relations firm and served as the President of the Weston County Hospital in Wyoming. Earlier in her career, she served as an intelligence officer with the Defense Intelligence Agency as a program manager for Northrop Grumman. Jill is a graduate of the Middlebury Institute of International Studies, where she earned a master's degree in international policy.

Jill Sellers will be an incredible partner to small businesses and the tourism community in Adams County. I congratulate Jill on this new chapter, and I look forward to working alongside her to serve the Gettysburg community.

HONORING THE LIFE AND CAREER OF HEATHER SCHAFE

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. PASCRELL. Madam Speaker, I rise to pay my respects to Ms. Heather Schafer, former Chief Executive Officer of the National Volunteer Fire Council (NVFC). She passed away unexpectedly on March 15, 2021.

Celebrating its 45th year of service, the NVFC is the leading nonprofit association representing the interests of the volunteer fire, EMS, and rescue services. Ms. Schafer began her career with the NVFC in 1993, and within one year of service became the NVFC's Executive Director and CEO.

Madam Speaker, I know you are well aware of my passion for supporting our firefighters and emergency services personnel. They are our first responders to all disasters. They face daunting challenges which require high levels of training and specialized equipment.

They need strong voices at the local, state, and national levels to ensure that their needs are addressed by government officials. Heather Schafer provided such a voice, always advocating forcefully for our volunteer firefighters. Her passion for nonprofit work led her to the NVFC and her bold leadership and vision grew the organization and advanced the interests of the volunteer fire service and the health and safety of its members.

As we celebrate National Women's History Month, let us remember women like Ms. Schafer who serve as role models for young women seeking careers in professions traditionally occupied by their male counterparts. The fire and emergency services is one such profession.

Ms. Schafer leaves behind a legacy of great accomplishment over her 27 years of steadfast service managing the NVFC. And her contribution to a more equitable society for women and all Americans is surely among her greatest achievements.

On behalf of the Congressional Fire Services Caucus, I extend my deepest sympathies to Ms. Schafer's family, friends, and staff for the loss of a remarkable and talented leader of our nation's volunteer fire and emergency services.

HON. JOSEPH D. MORELLE

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. MORELLE. Madam Speaker, I regretfully missed Roll Call vote 86 H.R. 1620 The Violence Against Women Reauthorization Act of 2021 on March 17, 2021. Had I been present, I would have voted YEA.

RECOGNIZING THE SIGNING OF A DECLARATION OF INTENT BETWEEN THE JEWISH ADOPTION AND FAMILY CARE OPTIONS AND THE STATE OF ISRAEL MINISTRY OF LABOR, SOCIAL AFFAIRS AND SOCIAL SERVICES

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. DEUTCH. Madam Speaker, I rise today in support of the Jewish Adoption and Family Care Center's declaration of intent agreement with the State of Israel. JAFCO continues to provide support to children affected by disabilities at risk of abuse or neglect in the United States.

JAFCO was established as a non-profit in 1992. The JAFCO Children's Village is among the rarest programs of its kind around the country. The partnership with the Israel Ministry of Labor, Social Affairs, and Social Services, or MOLSA, will help both entities refer requests for foster care, consultation, support services and more.

JAFCO and MOLSA have seen their efforts overlap over the past 25 years, making this partnership all the more important towards providing help for children in need. Both have done phenomenal work servicing special needs kids. This partnership can help mend any unmet necessities for children in the Jewish community.

I ask that my colleagues join me in supporting this partnership and commending the invaluable work JAFCO and MOLSA have done over the years to bring help to children and families in need.

INTRODUCTION OF THE KEEPING OUR MANUFACTURERS FROM BEING UNFAIRLY TAXED WHILE CHAMPIONING HEALTH ACT (KOMBUCHA)

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. BLUMENAUER. Madam Speaker, today I introduced the Keeping Our Manufacturers from Being Unfairly Taxed while Championing Health Act (KOMBUCHA). This legislation would amend the Internal Revenue Code of 1986 to properly tax kombucha, a fermented tea, naturally rich in probiotics and healthy acids, that can contain trace amounts of alcohol.

Last month, on February 21, we commemorated World Kombucha Day and acknowledged the many contributions of kombucha brewers in my home State of Oregon, across the United States, and around the world. With the introduction of KOMBUCHA, the United States Congress now can extend that acknowledgement to legislative action by providing the industry with much-needed relief.

Under the Internal Revenue Code, kombucha beverages with more than 0.5 percent alcohol-by-volume are subject to excise taxes intended for beer. As a result of the fermentation process that is necessary to produce kombucha, some final products may

contain more than 0.5 percent alcohol-by-volume, subjecting the industry to onerous excise taxes. But kombucha drinkers do not choose the product because of its alcohol content, they choose it as a healthy beverage option.

My legislation would increase the alcohol-by-volume limit for kombucha to 1.25 percent, properly categorizing the product and allowing the kombucha industry to continue its growth. I look forward to working with my colleagues in the House and Senator WYDEN in the Senate to provide this relief as soon as possible.

RECOGNIZING LIFESTREAM BEHAVIORAL CENTER'S 50 YEARS OF SERVICE

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. WEBSTER of Florida. Madam Speaker, it is my pleasure to recognize LifeStream Behavioral Center as they commemorate 50 years of service in bringing hope to life during the month of March. LifeStream is dedicated to their mission of supporting recovery, promoting health and creating hope. Over the years LifeStream has grown to meet the needs of our communities and become a leader in behavioral health, substance use disorders, and social services.

In 1969, LifeStream began as a component of Waterman Memorial Hospital in Eustis, Florida, providing community-based care as an alternative to institutionalization. In 1971, LifeStream became a non-profit organization, originally founded as Lake/Sumter Community Mental Health Center, with 18 inpatient beds located inside Waterman Hospital and two outpatient clinics located in Lake and Sumter Counties.

Since its founding, LifeStream has expanded to multiple facilities with over 50 programs and 1,000 staff providing services throughout Central Florida, proudly serving the individuals and families of Lake, Sumter, Citrus, Hernando, Marion, Orange, and Hillsborough Counties. As a leader in behavioral healthcare, LifeStream offers a multi-disciplinary approach helping people reclaim their lives and take what for many is their first step towards hope. Their integrated health system provides behavioral health, substance use, primary healthcare, and social services. For 50 years, LifeStream has helped thousands of individuals in our community achieve recovery and reach their highest potential.

This is a momentous year for LifeStream, and I am honored to join my friend, Jonathan Cherry, CEO/President of LifeStream in celebrating this milestone. The community and families of Central Florida are blessed to have a committed behavioral health center such as LifeStream, and I commend them for the measures they are undertaking to support recovery and provide hope to those in need.

IN RECOGNITION OF ST. GEORGE GREEK ORTHODOX CATHEDRAL'S CELEBRATION OF THE BICENTENNIAL OF GREEK INDEPENDENCE

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. NEAL. Madam Speaker, I would like to take this opportunity to congratulate St. George Greek Orthodox Cathedral on their celebration of this, the Bicentennial of Greek Independence. Their continued efforts to support, preserve and promote their Greek culture, as well as honor the heroes of 1821 and the sacrifices they made in pursuit of Greek independence, are truly remarkable and deserving of the highest praise.

The parishioners of St. George Greek Orthodox Cathedral are stewards of their culture's rich history, celebrating and honoring the sacrifices made by their forefathers during their fight for freedom. With the signing of the Treaty of Edirne in 1829, eight years after the inception of the War of Greek Independence, the independent state of Greece was finally established. St. George Greek Orthodox Cathedral has been a vital member of the Greater Springfield community since 1907, and generations of parishioners have faithfully commemorated Greek independence for more than a century.

Madam Speaker, I would like to once again acknowledge St. George Greek Orthodox Cathedral for their extraordinary efforts and superb achievement. Their dedication to preserving the traditions of their religion and their culture is admirable, and I wish them many more years of health and prosperity.

IN RECOGNITION OF MOM'S HOUSE

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to recognize Mom's House, a community organization assisting women and families, for its service to Johnstown, Pennsylvania and surrounding communities.

In 1983, Mom's House was established in Johnstown to offer support to victims of abuse and women in need. By providing childcare services, Mom's House helps mothers to complete their education at the high school or post-secondary level while raising a family. Mom's House also offers parents counseling and other vital resources.

The success of Mom's House in Johnstown has led to the establishment of seven other Mom's House organizations in four states and plans for additional centers are currently in development.

Mom's House works to serve families while protecting each person's unalienable right to life. On behalf of Pennsylvania's 13th Congressional District, it is my honor to recognize this outstanding organization and thank the leaders and volunteers at Mom's House for their service to the Johnstown community.

HONORING THE WOMEN OF STEEL AS WE CELEBRATE WOMEN'S HISTORY MONTH

HON. FRANK J. MRVAN

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. MRVAN. Madam Speaker, it is with great respect and admiration that I rise today in observance of Women's History Month and its 2021 theme—Valiant Women of the Vote: Refusing to be Silenced. Each year, the National Women's History Project selects a unifying theme to recognize and promote Women's History Month. This year's theme recognizes the passage of the 19th Amendment and honors the stories of those women who have fought for equal rights in the workplace.

Prior to the right to vote, women were instrumental in organizing workplaces, most famously during the Bread and Roses Strike of

1912. Tens of thousands of women fought for more than wages and working conditions; they fought to be respected in the workplace. For generations since, women have contributed to resolving conflicts and have persevered tirelessly to promote equality in the workplace. Women have insisted upon and continue to fight for respect, justice, and equality. Today, I would like to take a moment to honor Women of Steel, an advocacy-arm of the United Steelworkers, which evolved from the early women's caucuses that demanded women have their rightful place in the workplace. Throughout the years, women from diverse backgrounds have played an instrumental role in paving the way for women in the steel industry.

Among these remarkable leaders was Ola Kennedy. Ola was a resident of Gary, Indiana, who passed away in 2009. Ola worked for 28 years at Hammond Valve. A devoted community leader, she was involved in many union and civic organizations and was one of the founding members of the Coalition of Black Trade Unionists in addition to being a member of the NAACP and holding various positions at Local Union 1273, District 31 United Steelworkers, District 31 Women's Caucus, and Steelworkers Fightback Organization.

We also celebrate Roberta Wood. In the 1970s, Roberta Wood went to work in the male-dominated mill in the union's former District 31 in Gary, Indiana. Along with Ola, Roberta co-founded the steelworker women's caucus in the Chicago/Gary district of the Steelworkers union. In 1976, she was elected the first female member of USWA Local 65's Executive Board and is currently a member of the Steelworkers Organization of Active Retirees where she continues to advocate for future generations.

I would also like to take a moment to recognize those women who have recently celebrated more than five decades at ArcelorMittal, which is now Cleveland-Cliffs: Gail Richardson, a native of East Chicago and a safety advocate at Indiana Harbor; Judith Studer, a senior clerical technician in the maintenance, environmental and utilities department at Burns Harbor; and Maria Garcia, a materials management coordinator in the logistics department at Indiana Harbor.

Today, the Women of Steel continue to advocate for more women in leadership and carry on the march to fight for full gender equality in the workplace. I commend these women and the many others who fought and continue to fight alongside them for women of every creed, class, and ethnic background. These fearless, strong, and vocal women are exemplary role models who reflect the 2021 theme, Valiant Women of the Vote: Refusing to be Silenced.

Madam Speaker, I am honored to join in celebrating Women's History Month and recognizing the role Women of Steel have played to organize, unionize, rally, and inspire workers to fight for justice. I ask that you and my other distinguished colleagues join me in celebrating the impact these extraordinary women have made in labor history and their continued contributions to the labor movement and our nation.

RECOGNIZING MIKKIE BELVEDERE
AND HER SERVICE TO COCONUT
CREEK AND SOUTH FLORIDA

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 23, 2021

Mr. DEUTCH. Madam Speaker, today I rise to honor Mikkie Belvedere for her years of public service in South Florida. Mikkie was born in Israel, lived in New York City, in St. Thomas, U.S. Virgin Islands, and has been a resident of South Florida since 1992.

Commissioner Belvedere is a financial professional who has spent years putting her expertise to good use to better her local commu-

nity. She was first elected to the Coconut Creek City Commission in 2009, where she has served in the roles of Mayor and Vice Mayor of Coconut Creek. Prior to her service as a city commissioner, Commissioner Belvedere spent years working to better Coconut Creek, serving on the city's Planing and Zoning Board, the Affordable Housing Advisory Committee, and as the chair of the Coconut Creek Environmental Advisory Board. Commissioner Belvedere served as an ambassador committee representative and charter member for the Coconut Creek Chamber of Commerce.

In addition to her years of public service, Commissioner Belvedere has had a positive impact on communities in Coconut Creek and throughout South Florida. The founder of the

Coconut Creek Multicultural center, Mikkie Belvedere also is a member of the Wynmoor Hurricane Emergency Network and a member of the Coconut Creek Community Emergency Response Team. She is a Trustee of the Sisterhood of Liberal Jewish Temple and the president of the Hebrew club of Wynmoor. She is a former member of the Sawgrass Association of insurance and Financial Advisors and a former participant of the Broward Mentoring Program. For the past decade and a half, Commissioner Belvedere has volunteered with the Broward County Prime Time Program, where she reads to children.

Madam Speaker, I ask my colleagues to join me in recognizing Mikkie Belvedere and her service to the South Florida community and Florida's 22nd Congressional District.
