## INTRODUCTION OF THE HISTORIC TAX CREDIT GROWTH AND OPPORTUNITY ACT OF 2021

**HON. EARL BLUMENAUER**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. BLUMENAUER. Madam Speaker, today I introduced the Historic Tax Credit Growth and Opportunity Act of 2021. This legislation passed the House last session in Title III of Division M of the Moving Forward Act (H.R. 2, 116th Cong.). It would bring relief to historic rehabilitation projects impacted by the COVID-19 pandemic while also improving the credit for smaller projects and expanding the number of projects eligible to receive the credit.

Since its inception in 1976, the Historic Tax Credit (HTC) has incentivized private sector investment in rehabilitating historic buildings. The HTC has attracted approximately \$173 billion in private capital in the last 45 years, helping to rehabilitate and revitalize communities. More than 45,000 buildings have been rehabilitated using the credit, creating nearly 3 million jobs. Unlike many other tax incentives, HTC projects spur enough economic development to return money to the Treasury. In 2019 the National Park Service reported that the HTC has generated \$38.1 billion in federal tax revenue from \$32.9 billion in tax credits.

The Historic Tax Credit Growth and Opportunity Act of 2021 first recognizes the challenges that historic rehabilitation projects have faced during the COVID-19 pandemic and provides a temporary increase in the credit value to address market volatility and projects' difficulty in accessing capital. The legislation also increases the credit value for small projects, which are often more difficult to finance. Finally, HTC-GO makes several changes to the structure of the credit to make more buildings eligible for the credit and allow for the credit to be more easily paired with the Low-Income Housing Tax Credit.

I look forward to working with my colleagues in the House and Senate to enact this legislation in a comprehensive infrastructure package this year.

INTRODUCTION OF THE DISTRICT OF COLUMBIA NATIONAL GUARD COMMANDING GENERAL RESIDENCY ACT

### HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Ms. NORTON. Madam Speaker, today, I introduce the District of Columbia National Guard Commanding General Residency Act, which would require the Commanding General of the D.C. National Guard to reside in the District of Columbia, just as States and territories can require that the top official of their National Guard reside within their State or territory.

The D.C. National Guard is a Federal entity. Currently, the Commanding General of the D.C. National Guard is not required to reside in the District. Congress has justifiably required that certain Federal officials reside in the jurisdiction they serve to ensure in-depth knowledge of the unique issues and challenges residents and these Federal officials face. Additionally, the Mayor of D.C., unlike the Governors of the States and territories, cannot deploy the National Guard, making residency of the Commanding General of the National Guard that much more important, though my District of Columbia National Guard Home Rule Act (H.R. 657) would give the Mayor the authority to deploy the D.C. National Guard. The appointment of the Commanding General of the D.C. National Guard is made by the President, not the Mayor, whereas the top official of the National Guards in the States and territories are usually appointed by the Governor. All of these are compelling reasons why the Commanding General of the D.C. Guard should be required to be a D.C. resident.

This bill follows in the footsteps of several other bills that I have introduced that would require Federal officials serving D.C. exclusively to reside in the District. For example, my District of Columbia Federal Officials Residency Equality Act (H.R. 3785, 116th Congress) would require the Federal district court judges, Federal circuit court judges, U.S. Attorneys and U.S. Marshals for the District to live in D.C. I have also previously introduced a bill (H.R. 4184, 116th Congress) that would require the Director of the Court Services and Offender Supervision Agency for the District of Columbia and the Director of the District of Columbia Pretrial Services Agency to reside in the District.

With the nomination of the current D.C. National Guard Commanding General, Major General William J. Walker, to be the House Sergeant at Arms, this bill is more timely than ever. Moreover, the attack of the U.S. Capitol on January 6, 2021, and the events at Lafayette Square on June 1, 2020, are prime examples of why this bill is so important. Residents of the District would feel at least somewhat more confident in the D.C. National Guard if the Commanding General were required to be a D.C. resident.

I urge my colleagues to support this bill.

CONGRATULATING JAMES C. DUFF  
ON HIS RETIREMENT FROM THE  
ADMINISTRATIVE OFFICE OF  
THE U.S. COURTS

**HON. JERROLD NADLER**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. NADLER. Madam Speaker, I rise today, along with Representative HANK JOHNSON, chair of the Subcommittee on Courts, Intellectual Property, and the Internet to honor and congratulate James Duff, who recently retired from his position as Director of the Administrative Office of the U.S. Courts. In his role as Director, he also served as Secretary of the Judicial Conference of the United States, the principal policy-making body of the federal judiciary. The Supreme Court and our federal court system are a cornerstone of our democracy; the third branch of our government is tasked with rendering impartial justice through interpreting and applying the laws that we in Congress pass, and of course, the Constitution. The judges and Justices who have this enormous responsibility rely on the Administrative Office to set them up for success, and this is no small undertaking. During his more than eleven years of service, Director Duff guided the courts through government shutdowns and the COVID–19 pandemic among other challenges, dedicating his efforts to ensuring that our federal courts have the resources and support they need to faithfully fulfill their constitutional role as the third branch of government.

Even prior to his role as Director, Mr. Duff had a long history of public service with the

courts, particularly the Supreme Court. He was an assistant to Chief Justice Warren E. Burger while studying at Georgetown Law. From 1996–2000, he was a counselor/administrative assistant to Chief Justice William H. Rehnquist. In that role, he was the Court's liaison to Congress, the executive branch, and various state and federal organizations involved with the administration of justice and assisted the Chief Justice in his duties as Chancellor of the Smithsonian Institution.

Besides his work for the courts, Director Duff has been active in the community and educating the next generation of lawyers. He has served as the chairman of the Supreme Court Fellows Commission, a board member of the Supreme Court Historical Society, and an adjunct faculty member at Georgetown University, teaching constitutional law and civil liberties. In 2012, he was named to the University of Kentucky Arts & Sciences Hall of Fame and was the recipient of the Georgetown Entertainment and Media Law Achievement Award. In 2014, Director Duff was appointed to Georgetown Law's Board of Visitors and was named the Peter Mullen Professor of Law.

Upon appointment from Chief Justice Roberts, Director Duff twice served as the Director of the Administrative Office of the U.S. Courts, from 2006 to 2011, and from 2015 to 2021. About his tenure, the Chief Justice shared the following congratulatory words which are worth reiterating here:

Jim Duff has provided invaluable service to the Judiciary during his first term as Director from 2006 to 2011 and his second term from 2015 to the present. During these periods, he has provided superb judgment in addressing a broad range of issues. Among his many accomplishments, he has resolved budgetary challenges, implemented workplace conduct reforms, introduced new technology, strengthened and improved the auditing and oversight of the Judicial Branch's financial management, and—most recently—ensured that the courts continue to operate effectively in the face of the nationwide pandemic. As much as I appreciate his many contributions, I understand his desire to begin a new phase of his life. On behalf of the Judiciary, I thank Jim for his leadership.

The Administrative Office of the U.S. Courts does critical work to help ensure the nation's federal courts remain fair, efficient, independent, and impartial. We thank and congratulate Director Duff for his over eleven-year tenure as the head of that office and for his work with Congress during that time. This work has included securing critical appropriations for the judiciary, such as emergency funding during the recent coronavirus pandemic, ensuring that the law establishes courthouse locations and district divisions that reflect the needs of the community and judiciary, helping to ensure the safety of judges by securing legislation, the Court Security Improvement Act of 2007, which was directed at coordinating the work of the U.S. Marshals with the Judicial Conference and imposing criminal penalties designed to protect judges, witnesses, and others involved in court proceedings, and, in separate legislation, providing that sensitive information in financial disclosures can be redacted. We also commend Director Duff's commitment to public service and teaching throughout his career. After all of these accomplishments, we wish Director Duff the best in the next chapter in his life along with a fulfilling and rewarding retirement.

IN RECOGNITION OF THE LATE  
GLENN FREY ON HIS INDUCTION  
INTO THE LUZERNE COUNTY  
SPORTS HALL OF FAME

**HON. MATT CARTWRIGHT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor former athlete and northeastern Pennsylvania native Glenn Frey. Glenn was inducted into the Luzerne County Sports Hall of Fame in 2020 for his distinct athletic achievements in the sport of football. He and his fellow inductees will be honored at a reception this spring.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the state of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

Glenn played football for Tunkhannock High School from 1927 to 1930 where he was described as the backbone of the team. He also excelled as pitcher on the baseball team, leading Tunkhannock to a county championship in 1931.

After graduating high school in 1931, Glenn continued his athletic and academic career at Temple University in Philadelphia. At Temple, he played for legendary Coach Glenn "Pop" Warner. During his collegiate career, he was named an All-American. In 1935, he played quarterback against Tulane University in the first Sugar Bowl in front of a crowd of 20,000 people at Tulane Stadium. Going into post-season play, Temple was undefeated and sought to defend their record. As starting quarterback, Glenn threw the first touchdown in Sugar Bowl history to Danny Testa in the first quarter of the game. Despite the Owls leading 14–0 at halftime, the home team pulled ahead to beat Temple 20–14.

Glenn's talent attracted the attention of the NFL, and he began his professional career with the Philadelphia Eagles. Under coach Bert Bell, who would later be named the commissioner of the NFL, Glenn played quarterback, blocking back, and defensive back for two seasons. After retiring from professional football, Glenn took a position with Sunoco. He died in 1980 at the age of 67.

It is an honor to recognize Glenn on his induction into the Luzerne County Sports Hall of Fame. May his story and athletic career serve as an inspiration to the next generation of Pennsylvania athletes striving for excellence.

RECOGNIZING OFFICER ADAM  
FARNSLER AS THE  
SPRINGETTSBURY TOWNSHIP PO-  
LICE DEPARTMENT 2017 OFFICER  
OF THE YEAR

**HON. SCOTT PERRY**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. PERRY. Madam Speaker, I'm honored to congratulate Officer Adam Farnsler upon earning the Springettsbury Township Police Department (STPD) 2017 Officer of the Year award.

Officer Farnsler started his career with the STPD in January 2016, after serving two years with the Southern Regional Police Department. From the very first day of field training, it was obvious that Officer Farnsler would give his best every day. He was motivated to learn and get involved with all types of police work.

In 2017, Officer Farnsler was assigned to the night shift and spent the entire year in this position. He was relentless in his efforts to patrol Springettsbury Township and enforce the laws of the Commonwealth. He focused on all forms of violations—from DUIs to drug offense to personal injury crime. Officer Farnsler's efforts resulted in a shift-leading performance on felony and misdemeanor arrests, non-traffic arrests, youth aid panel referrals, and total incidents handled. Officer Farnsler led the night shift with a total of 160 arrests, as well as led the department in officer-initiated reports. This again shows his level of motivation and dedication to duty. He conducted all of this while still handling an even share of crashes, traffic citations, and traffic warnings.

In a notable 2017 arrest, Officer Farnsler observed the occupants of a vehicle acting suspiciously. He began to follow the vehicle, which resulted in the driver turning off his lights to avoid police. Officer Farnsler conducted a traffic stop and was provided a false name by the driver. His diligent pursuit of the truth resulted in his discovery of a firearm with an obliterated serial number and arrest of the subject for multiple offenses.

Officer Farnsler's yearly stats only touch the surface of his law enforcement performance. He also focuses on one of the most important areas of policing—community policing. He assists citizens during myriad and numerous sensitive and emotional situations. Officer Farnsler's efforts were commended in writing by at least three different citizens writing to the department to describe how Officer Farnsler positively affected their lives during a sensitive or emotional situation. This is on top of known instances of Officer Farnsler randomly paying for someone's food or drink just to be nice or helpful. His motivation to find criminal viola-

tions is matched only by his motivation to support the community of Springettsbury Township.

Throughout calendar year 2017, Officer Farnsler continuously performed at a high level. He maintained a heavy workload that included numerous self-initiated arrests for serious criminal and traffic investigations, in addition to his normal calls for service that he handled in an outstanding and diligent manner. Officer Farnsler continually investigated each complaint thoroughly. He did all this while continually showing compassion and empathy.

For exemplary performance, tireless dedication to the mission, and for setting the standard for all to follow, I'm honored to congratulate Officer Adam Farnsler for earning the title of the 2017 Springettsbury Township Police Department 2017 Officer of the Year.

HONORING THE LIFE OF FORMER  
MICHIGAN ATTORNEY GENERAL  
FRANK KELLEY

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mrs. DINGELL. Madam Speaker, I rise today to honor the life and legacy of Former Michigan Attorney General Frank Kelley. His contributions to the State of Michigan and to our nation are worthy of commendation.

Frank Kelley was born in Detroit, Michigan in 1924. The first in his family to graduate from college, he attended the University of Detroit where he earned his law degree and then moved to Alpena, Michigan to serve as city attorney. He was appointed to the position of Michigan Attorney General by Governor John Swainson in 1961. The longest serving attorney general in Michigan history, he served for thirty-seven years under five different Governors, both Republicans and Democrats. He often recalled what U.S. Attorney General Robert Kennedy told him shortly before his appointment to the office of Michigan Attorney General: "Reach out against injustice wherever you see it and protect the public." He truly was the people's lawyer.

During his tenure as Michigan Attorney General, he was known for his leadership on the issues of the environment, civil rights, and consumer protection. He fought back against utility companies and powerful corporations regardless of if it could damage his political career. In the early 1960s, when it remained unpopular to advocate for racial justice, he prosecuted a White gang for the killing of a young Black man named Grady Little. From combating high interest rates and price fixing to protecting our natural resources, he was relentless in the pursuit of justice for all Michiganders. A champion for the environment even in retirement, he was there in January 2020 when Governor Whitmer and Attorney General Dana Nessel announced a lawsuit against seventeen chemical companies accused of being responsible for PFAS contamination. The lasting impact of his work on the State of Michigan and its citizens is impossible to measure.

Madam Speaker, I ask my colleagues to join me in honoring the life and legacy of former Michigan Attorney General Frank Kelley, a friend and mentor to many. He has honorably served our State and this country. Our thoughts are with the Kelley family and the people of the State of Michigan at this time as they mourn the loss of the eternal general.

Kathy is the daughter of Raymond and Nancy Goeringer. As a student athlete at Tunkhannock High School, she was a varsity starter on the school's championship basketball and volleyball teams. She set scoring records of 39 points and 26 rebounds for single game performances, and she was named to the Susquehanna League Basketball Coaches All-Star Team 2 years in a row. In 1974, she helped start the school's track and field team which went undefeated three seasons in a row and won three district team and individual titles. In shot put, Kathy set a school record and competed in local, State, and regional Amateur Athletic Union (AAU) competitions, winning five gold medals at the local and State levels.

After graduating high school in 1976, Kathy continued her athletic career on the basketball team at Slippery Rock State College in Slippery Rock, Pennsylvania. She left the team after 2 years to become the first female sports editor of the student newspaper, *The Rocket*. She also began her coaching career while an undergraduate, coaching the East Lawrence girls' softball team to a league championship. She would later coach the Luzerne County Community College softball team.

INFANT FORMULA PROTECTION  
ACT OF 2021

**HON. GRACE MENG**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Ms. MENG. Madam Speaker, I rise today to announce the reintroduction of my Infant Formula Protection Act of 2021. The measure would prevent pharmacies, supermarkets, convenience stores, and other establishments from selling expired baby formula and would consider the sale of baby formula after the product's "use by" date to be a prohibited act. A retailer that commits such an act can incur fines and penalties.

The practice of selling expired baby formula is not only legal but widespread. As a mom, I know the fear and pressure that comes with

caring for a newborn; all a new parent wants is to make sure their baby is healthy. Busy parents need to be able to rely on the safety of products, like formula, that they buy in grocery stores in order to make sure that their newborns are well-fed and healthy. Retailers that stock expired formula—even by just a few days—pose real health risks to infants.

Madam Speaker, we cannot take chances with what we feed our babies, and parents must be able to trust the safety of the products that they buy in their stores. I urge all of my colleagues to support the Infant Formula Protection Act.

HONORING GERALDINE O'MARA ON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

A New Yorker through and through, Geraldine was born in Queens and grew up in Sag Harbor and Steward Manor. One of 12 brothers and sisters, Geraldine has always held family as a guiding light and source of strength. Geraldine was married to the late Thomas J. O'Mara, a World War II veteran, and together they had three children, Sharon, James, and Michael. She has dedicated her life to being a role model for her children and giving them every opportunity to learn, grow, and find the path to success.

Coming from a large family, one of Geraldine's greatest blessings in life is spending time with her seven grandchildren and seven great-grandchildren. To this day, she enjoys reading scripture and tending to her garden, and is known for giving back to those in need and lifting others up with her strength.

Madam Speaker, people like Geraldine make our country a better place, and I ask my colleagues to join me in wishing her good health and many more birthdays.

During the 1996-1997 season and the 1997-1998 season, the varsity team was 50-5. She coached her team all the way to the eastern semifinal game only to lose in double overtime. She has coached numerous 1000-point scorers, all-star team players, and one all-State player. Kathy also coached the softball team, turning a losing team into a league contender in 3 years. In their third year, the team finished the season with an 11-4 record. In 1990, she was named Wyoming Valley Softball Coach of the Year.

Kathy moved on to coach at Wyoming Area High School where her teams competed year-round. In 2009, she started coaching at Pittston Area High School, turning the team into league contender and one of the top teams in Division I of the Wyoming Valley Conference (WVC). The team made school history in 2015 by winning the District 2 Class 4A title. Her players included many 1000-point scorers, all-stars, and an all-State player. RECOGNIZING THE ETA NU CHAPTER OF ALPHA PHI ALPHA FRATERNITY, INCORPORATED ON THEIR 50 YEAR ANNIVERSARY

### HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. BUTTERFIELD. Madam Speaker, I rise today to commemorate the 50th anniversary of the founding of the Eta Nu Chapter of Alpha Phi Alpha Fraternity, Incorporated. The Eta Nu Chapter was chartered on April 3, 1971 on the campus of East Carolina University (ECU) located in Greenville, North Carolina.

Under the direction of eight men, A.A. Best, J.J. Wise, W.G. Keys, O.T. Faison, C.H.G. White, J.C. Bryant, J.P. Harrison, and A.D. Moseley, Eta Nu was established on the campus of ECU.

At that moment, the Eta Nu Chapter became ECU's first Black fraternity and the first Black Greek-lettered organization (BGLO) to be chartered on the campus of a Predominantly White Institution (PWI) in the State of North Carolina. As a result, the Chapter became a leader as one of the first Black fraternities established at a PWI in the South. The first initiates into the Eta Nu Chapter were known as the Undisputed Truth. Members of that first line are as follows: David Franklin, Gregory Clark, Jerry Congelton, John Clark, Tony Sedgewick, Jimmy Louis, Tommy Patterson, James Mitchell, Kenneth Hammond, James Johnson, and Kenneth Wright. These men promoted brotherhood, understanding, and a cohesive unity influencing future members of the Chapter to help form the Black Student Union—an organization that brought Black students together across campus to bring unity and advocate for issues affecting them to campus faculty and administration.

Throughout the years, the Eta Nu Chapter has excelled and raised the bar for others to follow, maintaining high standards of scholastic achievement and service to the community—most notably, hosting an annual scholarship pageant whose winner eventually became Miss America 2019. The Chapter holds several distinguished honors for their contributions to ECU and the community: The first Black Student Government President, the first Black Student Government Vice President, the first three Black Homecoming kings crowned in consecutive years followed by a fourth member of the Chapter who won in 2014, and nine awardees of the ECU 40 Under 40 Leadership Award since the initial awards were presented in 2015.

Members of the Eta Nu Chapter have worked diligently to increase the number of opportunities available to our youth; they have engaged in relentless efforts toward the improvement of the campus and the community. One such measure is a leadership academy partnering with the Zeta Eta Lambda graduate chapter of Alpha Phi Alpha's Pharaohs Program to help mentor young Black men. Additionally, countless fundraisers to raise scholarship money for youth and young adults in the community have also been part of the Chapter's philanthropic initiatives.

Madam Speaker, it is my understanding that the members of the Eta Nu Chapter at East Carolina University are committed to distinguishing themselves as the most exemplary

Chapter through their insatiable attitude towards public service. I ask my colleagues to join me in wishing the members of this Chapter, past and present, the very best with their future endeavors.

RECOGNIZING THE 258TH ENGINEER COMBAT BATTALION AND THE 75TH ANNIVERSARY OF THE RHINE RIVER ASSAULT

**HON. SCOTT PERRY**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. PERRY. Madam Speaker, I'm honored to congratulate the Army's 258th Engineer Combat Battalion for their heroism and service to United States of America as we commemorate the 75th anniversary of the Rhine River Assault Crossing. Initially to be celebrated this past year when the pandemic began, we must waste no more time in honoring these brave Warriors of "The Greatest Generation."

The 258th ECB was activated at Camp Shelby, Mississippi, on November 20, 1943; draftees from Pennsylvania reported to the New Cumberland Reception Center on January 25, 1944, where they built a kitchen for their train and loaded it with equipment, preparing for the trip to a destination unknown. Upon arriving at Camp Shelby on February 5, and united with other draftees, the battalion of over 600 was formed; with PA residents comprising 20 percent of the battalion and 44 different states. Over 8 months at Camp Shelby, the battalion completed twelve (12) weeks of Infantry and Engineer Basic Training, and eight (8) weeks of Advanced Engineer Training—learning additional mine clearing techniques and bridge construction.

The battalion left for Camp Shanks, NY, in October before leaving the New York Harbor later that month. They would arrive in Swansea, Wales, on November 4, and would spend time throughout the United Kingdom prior to their departure for Le Havre, France, near year's end—from which the Battalion would be split up throughout France and the Netherlands, working on road maintenance before they'd reconvene in Stevensweert, Holland, to begin training for the Rhine River Assault Crossing.

Beginning their training on March 7, 1945, the small country town of Stevensweert along the Maas River would serve as the launching point for the Rhine River Assault alongside the 30th Infantry Division. In the days to come, the battalion spent time unloading equipment and getting the storm boats ready for river training. Soldiers trained with the infantry day and night to operate the 22 H.P. Storm Boat Motors in preparation for the assault, having to remain extremely quiet on their approach. They later arrived near Rheimsburg, Germany, on March 20—4KM from the Rhine, camouflaging the boats with brush until they were fully prepared for the crossing.

On March 24, they moved the final 200 yards under cover of smoke pots to the bank of the Rhine River, launching the storm boats and waiting for H-Hour amidst what was the largest artillery barrage of the war to that point. The battalion's assault began at 0200hrs, as a heavy smoke screen laid over the river, forcing some boats to lose their di-

rection and forcing them back to the starting shore. S/Sgt. Ray Mosser's boat of two engineers and seven infantry was the first of three waves to cross the river, encountering light resistance while others faced sniper and machine gun fire, as German resistance continued until daylight when the Germans sent up flares and artillery fire. Soon after their landing, the infantry was able to advance through enemy lines, and it wasn't long before they were bringing back prisoners. The battalion's assault brought numerous casualties, including Squad Sergeant Paul Eberle, Pvt. Joseph Sasso, and Tech. Sergeant Robert Strayer.

I am honored to commend the entire 258th Engineer Combat Battalion for their distinguished service to our great Nation. Their bravery and sacrifice was instrumental to crossing the Rhine River—the last natural obstacle to overcome in the continued advancement of Allied Forces. Their victory helped lead to the eventual German surrender on May 8, 1945—aka "V-E Day"—all made possible by a battalion trained to build bridges. We shall long remember their heroism in protecting our country and the world from the evils of Nazism. May God bless them for their tireless service, their dedication to our American freedom, and their legacy of sacrifice.

HONORING THE LIFE OF JAMES MATZORKIS

**HON. MARK DeSAULNIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. DeSAULNIER. Madam Speaker, I rise today, along with Congresswoman BARBARA LEE, to recognize the life of James "Jim" Matzorkis.

Born in Chicago in 1952, Jim moved with his parents to California as a child. He later graduated from the University of Maryland with a bachelor of Arts in Business Administration. After gaining experience in both the private

and public sectors, Jim began working for the Port of Richmond in 1998 as a Marketing Manager and became the Executive Director in 2001. One of Jim's many accomplishments is completing the Honda Port of Entry, which brought significant profitability to the Port. As a testament to Jim's leadership, out of the 149 ports in the United States, the Port of Richmond is currently ranked 27th in total trade. The Port has generated millions of dollars in revenue for the City of Richmond and brought local and international business to our community.

Jim's professional knowledge and dedication led to him serving on the Bay Planning Coalition Board of Directors and the California Association of Port Authorities Executive Advisory Committee. He also participated in Richmond's sister cities program and helped facilitate a strong and lasting relationship with Zhoushan, China, one of Richmond's three sister cities.

In his personal life, Jim married his high school sweetheart, Beverly, and the couple had two daughters. He was known as the patriarch of his family, organizing family reunions and ensuring everyone stayed connected. He loved to travel, especially to Greece where his family would all come together. Jim also enjoyed regaling others with stories from his time working as a concert promoter and security in the rock and roll industry.

Sadly, at just 68 years old, Jim passed away at his home in Oakland, California in December 2020. Jim is remembered by his friends and colleagues as kind and enthusiastic, and someone who made sure everyone around him was happy. Please join me and Congresswoman BARBARA LEE in honoring James Matzorkis for his many contributions to our community.

IN RECOGNITION OF THE LATE WILLIAM O'BOYLE, SR., ON HIS INDUCTION INTO THE LUZERNE COUNTY SPORTS HALL OF FAME

**HON. MATT CARTWRIGHT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor Plymouth Little League founder, veteran, and northeastern Pennsylvania native William O'Boyle, Sr. William was inducted into the Luzerne County Sports Hall of Fame in 2020 for his community engagement and as a co-founder of the Plymouth Little League. He and his fellow inductees will be honored at a reception this spring.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the State of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

William was born in 1922 and grew up in Plymouth, Pennsylvania. In his youth, he enjoyed all sports and was a particularly talented roller skater and ice skater. He graduated from Plymouth High School in 1941.

William answered the call to serve his country and joined the United States Army to fight in World War II. He was part of the Normandy invasion when Allied troops stormed the beaches of Northern France. After exiting the landing craft, he valiantly progressed up the

hill toward the enemy, and in his charge to engage in combat, he stepped on a land mine which resulted in the loss of his right leg.

William was not deterred by his injury; he returned home and was fitted with a prosthetic leg. He married his wife, Elizabeth, and together they had one son, William, Jr. He worked at Leslie Fay as their traffic manager and became actively involved in his local community. In 1950, with his friend Joseph "Shep" Chepulis, he cofounded the Plymouth Little League. He served as league president every year except for the 4 years his son played in the league. Under his direction, Maureen Dillion was appointed the first female umpire in local Little League history, and she would eventually be named the league's umpire-in-chief.

Moved by his time in the Army and seeking to connect with those who shared similar experiences, William became active in local veterans' organizations. He was a past commander of the Plymouth American Legion and VFW and a member of the Disabled American Veterans and the Fraternal Order of Eagles.

William passed away in 1995, but the Plymouth Little League and his legacy as a community role model and leader live on.

It is an honor to recognize William on his induction into the Luzerne County Sports Hall of Fame. May his story and dedication to his community serve as an inspiration to the next generation of Pennsylvanians.

#### HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. LATTA. Madam Speaker, it is with a great deal of pride that I rise to pay a very special tribute to an outstanding high school

cheerleading squad in Ohio's Fifth Congressional District. The young athletes of the Lincolnview High School cheerleading squad have represented their school ably on their way to becoming the Division V, Building Category, State Cheerleading champs. In their effort to surpass all other squads in the Division V State Cheerleading Championship, the Lincolnview cheerleaders employed outstanding teamwork, overcoming the challenges posed by intense competition.

The squad submitted a well-rehearsed competition video in February and after judging, STATE athletic officials delivered the championship trophy to the squad in March. The Lincolnview cheerleading squad has won the championship 2 years in a row and three times in the last 4 years. The members of this very special squad have carried on that tradition by showing both the individual efforts and teamwork that their sport requires to achieve championship performance. Their hard work and dedication which culminated in this accomplishment is truly outstanding.

Madam Speaker, I ask my colleagues to join me in paying special tribute to the Lincolnview High School cheerleaders. On behalf of the people of the Fifth District of Ohio, I am proud to recognize this great achievement.

#### HONORING FRANK BRADY

#### HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. GRIFFITH. Madam Speaker, I rise in honor of Frank Brady of Bluefield, Virginia, who has announced his retirement as General Manager of WVVA-TV. Frank is a 47-year veteran broadcaster who devotes his professional and personal time to improving the greater Bluefield region.

WVVA broadcasts to residents of Virginia's Ninth District as well as in West Virginia. Many Southwest Virginians tune into WVVA for their news. Frank arrived at WVVA in 2005 from KHQA-TV in Quincy, Illinois, bringing his extensive knowledge of the broadcasting industry to the Bluefield market. Under his management, WVVA added nine additional hours of news programming and four additional channels to its digital signal. His professional work has been honored by the Mel Burka Distinguished Broadcaster Award for lifetime achievement by the West Virginia Broadcasters Association.

Frank's time in Bluefield has also been characterized by community service and advocacy for the region. Under his management, WVVA regularly engages in charity work in its viewing area, including food and clothing drives. It partners each holiday season with the U.S. Marine Corps Reserve in the Toys for Tots campaign, providing toys for over 2,600 children in the region. Frank has chaired the Bluefield Chamber of Commerce and serves on the boards of the Community Foundation of the Two Virginias and the Bluefield State College Foundation. He promotes the region's economic development and cultural events.

As Congressman for Virginia's Ninth District, I have been a regular visitor to WVVA and participant in the debates it sponsors. When I am in the Bluefield area, I appreciate the opportunity to come by the studio and communicate with constituents about my work in the House of Representatives, but I also appreciate the chance to stop in and see Frank, and over the years we have developed a friendship. I would like to congratulate Frank on concluding his impressive career in broadcasting and wish him all the best upon his retirement.

#### FARMWORKER PESTICIDE SAFETY ACT

#### HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. GARAMENDI. Madam Speaker, today I introduce the Farmworker Pesticide Safety Act in commemoration of Cesar Chavez Day. This legislation is endorsed by the Association of American Pesticide Control Officials (AAPCO).

The Farmworker Pesticide Safety Act would support the correct application of pesticides in agriculture and provide farmworkers additional resources for the safe handling of pesticides and proper decontamination protocols following their workday. This new federal funding would come at no cost to taxpayers, complementing the substantial investments California's Department of Pesticide Regulation is already making to ensure that farmworkers and their young children are not exposed to dangerous pesticide levels in my State.

Specifically, my bill would effectively triple funding for the U.S. Environmental Protection Agency's (USEPA) worker protection, public-private partnership, and pesticide safety education grant programs. I am honored to represent the University of California, Davis Extension, which is the single largest recipient of this federal grant money in the entire country.

According to the USEPA, the agency collected between \$2.3 million to \$9.25 million

annually for pesticide regulatory violations over the past 5 years. Under current federal law, these fines and penalties collected from lawbreakers in the pesticide industry revert to the U.S. Treasury.

My Farmworker Pesticide Safety Act would instead direct these fines toward the USEPA's three major pesticide safety grant programs, at no additional cost to taxpayers, growers, or the pesticide industry. This means my bill would provide an average of \$4.15 million per year in additional USEPA grant funding.

In 2019, Congress passed the Pesticide Registration Improvement Extension Act of 2018 (Public Law 116–8) reauthorizing the fee schedule for pesticide registrations with the USPEA through the end of fiscal year 2023. I look forward to working with Chairman SCOTT and all members of the Committee on Agriculture to include the Farmworker Pesticide Safety Act in the next PRIA reauthorization.

IN RECOGNITION OF DR. MICHAEL PORTONOVA ON HIS INDUCTION INTO THE LUZERNE COUNTY SPORTS HALL OF FAME

### HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor former athlete and northeastern Pennsylvania native Dr. Michael Portonova. Michael was inducted into the Luzerne County Sports Hall of Fame in 2020 for his distinct athletic achievements in the sport of tennis. He and his fellow inductees will be honored at a reception this spring.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the State of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

Michael is the son of Michael and Marydonna Portonova. He attended Bishop Haffey High School where he stood out as a star player on the tennis team. While at Bishop Haffey, he compiled a 56–0 regular season NEPTL record. He was a three-time Pennsylvania Interscholastic Athletic Association (PIAA) District 2AA Singles champion and a two-time bronze medalist at the PIAA State Singles Championship. Michael was ranked second in the United States Tennis Association's (USTA) Middle State Section in 2003–2004 and was ranked in the top 30 in the USTA National Boys' 18 and under division in 2003–2004.

Michael began his collegiate career playing Division I tennis at St. Joseph's University in Philadelphia, Pennsylvania. In 2004, he won the Swarthmore Invitation at No. 2 Singles. He then transferred to King's College in Wilkes-Barre, Pennsylvania, where he held a 71–2 record and an undefeated record in Middle Atlantic Conference (MAC) play during his 3-year career on the team.

For his efforts on the court, Michael was named MAC Player of the Year 3 years in a row (2005–2007), and he was the MAC Champion five times, twice for doubles and three times for singles. He was named to the MAC Conference All-Century Team in 2014.

After graduating from King's College with a degree in pre-medical biology, he went on to

study chiropractic at New York Chiropractic College in Seneca Falls, New York. He completed a clinical residency in Long Island, New York. He owns and operates his own practice, Portonova Chiropractic LLC, as a solo practitioner in Hazleton, Pennsylvania.

It is an honor to recognize Michael on his induction into the Luzerne County Sports Hall of Fame. May his story and athletic career serve as an inspiration to the next generation of Pennsylvania athletes striving for excellence.

### RECOGNIZING THE STUDENTS OF JOHNSTOWN CHRISTIAN SCHOOL

### HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to recognize the students of Johnstown Christian School in Hollsopple, Pennsylvania, for their compassion, work ethic, and community service.

During the school's second annual "Feed the Need" packing party, students labeled, filled, and sealed more than 10,000 packages of nutritious meals to feed children both in Haiti and in the Greater Johnstown region. In total, 8,500 of the meals will reach children in Haiti who are struggling with food insecurity, and the remaining 1,500 will be sent to local organizations that provide services in the Johnstown community. Acts of service like this are invaluable to our Johnstown community both in teaching compassion to our students and in providing help to those in need. I am grateful for the Johnstown Christian School, and it is my hope they continue to be a model for success.

On behalf of Pennsylvania's 13th Congressional District, I thank the students of Johnstown Christian School for their work to help those in need both in their community and in Haiti.

He began coaching at Hartwick College in Oneonta, New York, before moving to Mary Washington College in Fredericksburg, Virginia. He spent the last 26 years coaching the Dickinson College Red Devils in Carlisle, Pennsylvania.

Paul found great success at Dickinson. He coached his teams to more than 500 career wins and nine conference championships. His swimmers have been named conference champions, national champions, and NCAA All-Americans. He has been recognized as Coach of the Year 10 times.

**CELEBRATING THE 95TH BIRTHDAY OF THE HONORABLE CARRIE P. MEEK**

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. HASTINGS. Madam Speaker, I am honored to rise today and recognize my esteemed former colleague and dear friend, Congresswoman Carrie P. Meek on the occasion of her 95th birthday.

Congresswoman Meek was born on April 29, 1926, in Tallahassee, Florida. She is the daughter of sharecroppers and the granddaughter of a woman who was born a slave.

Despite growing up experiencing discrimination in the segregated South, she graduated from Florida A&M University in 1946 and then journeyed North where she would graduate with a Master of Science from the University of Michigan in 1948. She moved back to Florida to work at Bethune-Cookman University and then her alma mater Florida A&M, whereafter she accepted a position with Miami-Dade Community College.

After a distinguished career in education as a single mother to two children, Congresswoman Meek was the second Black legislator to be elected to the Florida House in 1979. She served there until 1982, when she became the first African American woman to be elected to the Florida State Senate. As a State Senator, she served on the Education Appropriations Subcommittee and advanced minority and literacy policies.

In 1992, Congresswoman Meek was elected to the U.S. House of Representatives from Florida's 17th Congressional District. Upon taking office, she was placed on the powerful House Appropriations Committee, where she led on district priorities, including the hard work of helping Florida rebuild after the devastation wrought by Hurricane Andrew. During her tenure, she successfully addressed issues such as economic development, health care, education, and housing for marginalized and underserved communities. Her efforts delivered \$100 million in federal assistance to rebuild Dade County. She also sponsored legislation creating the Florida Commission on the Status of Women. These exemplary contributions have inspired countless young women and men to serve their communities.

Congresswoman Meek is a strong advocate for gender and racial equality, senior citizens, the poor, and Haitian immigrants. She has received dozens of honors and awards including Juris Doctorates from the University of Miami, Florida A&M University, Barry University, Florida Atlantic University, and Rollins University.

Madam Speaker, I had the great privilege of serving alongside Congresswoman Meek for many years. She is a trailblazer and inspiration to so many women. I wish her many more years of happiness as she celebrates her 95th birthday.

RECOGNIZING OFFICER BRETT FISHEL AS THE SPRINGGETTSBURY TOWNSHIP POLICE DEPARTMENT 2019 OFFICER OF THE YEAR

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. PERRY. Madam Speaker. I'm honored to recognize Officer Brett Fishel upon earning the Springgettsbury Township Police Department 2019 Officer of the Year award. I commend Officer Fishel on his years of service to the Commonwealth of Pennsylvania, and the United States of America.

Officer Fishel came to Springgettsbury Township Police Department in 2015, following two years with the Southern York Regional Police Department. In 2019, Officer Fishel continued to do what he had done since his arrival: display good judgement, make sound decisions, and perform tireless service—especially when he was thrust into a greater leadership role. Due to staffing shortages and shift structure, Officer Fishel frequently served as "Officer in Charge" (OIC) during many shifts. In 2019; he was assigned to the permanent night shift, and still maintained OIC duties—effectively managing two positions; quite unusual for an officer who had been with the department only for a little over 3 years.

Officer Fishel remained a leader in most activity areas for patrolmen, maintaining the dedicated personal work ethic displayed throughout his tenure—all while becoming a new father. Despite missing December to welcome the new addition to his family, he had 445 traffic enforcement contacts and made 79 criminal arrests. In 2018, he was named a DUI Top Gun Award winner, and in 2019 he continued to keep our roads safe through 25 DUI arrests.

Throughout Officer Fishel's service, what stands out most is the manner in which he interacts with people around him. His calm and professional demeanor consistently received praise from the community, with many citizens writing to STPD officially to thank him for his assistance. He even received thank you cards from some of those traffic contacts because of the way he treated them when he pulled them over.

Officer Fishel was recognized for three internal accomplishments in 2019 for extraordinary actions taken in the line of duty, ranging from a motor vehicle theft arrest to saving someone's life in a house fire. In the house fire incident, Officer Fishel and another officer were dispatched just across the York Township line where a disabled female was reporting her house was filled with smoke and she was unable to get out of bed. The two officers responded to the location to find a smoke-filled house with the front door locked and alarms sounding. Upon forcing the front door open, they were met by clouds of thick, dark smoke, which prevented them from seeing and navigating the residence. With the help of a third officer from YARPD, they were able to locate the individual and carry her to safety.

Officer Brett Fishel's consistent professionalism and dedication to duty has set the standard for all officers to follow. For his exemplary performance, tireless service, and commitment to the mission and vision, I am proud to honor him as the Springgettsbury Township Police Department 2019 Officer of the Year.

ZACHARY HAMILTON EARNS EAGLE SCOUT RANK

HON. C. SCOTT FRANKLIN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2021*

Mr. C. SCOTT FRANKLIN of Florida. Madam Speaker, I rise today to congratulate Zachary Hamilton for earning the rank of Eagle Scout in Troop 79 of Valrico, FL. Eagle Scout is the highest honor a Boy Scout can earn. Since its inception in 1911, only four percent of Scouts have earned this rank. This honor requires years of effort to develop the necessary leadership, service, and outdoor skills. To earn it, Zachary's project consisted of raising funds, collecting clothes, and repairing bikes for a local homeless project. Zachary and many of his fellow Scouts then handed out these items and provided food for the homeless. The leadership skills he has learned through the Boy Scouts already benefit our community and will continue to help in countless ways.

Zachary began his Scouting Career as a Tiger Cub in Second Grade. He has been active in Scouting as well as National Honor Society and Junior ROTC organizations. On behalf of the Fifteenth Congressional District of Florida, congratulations again to Zachary Hamilton for becoming an Eagle Scout. We are proud of his continued success and thank him for his dedication to making our community a better place.
