Speaker: Read a letter from the Speaker wherein she appointed Representative Neguse to act as Speaker pro tempore for today **Page H5095**

Recess: The House recessed at 11:21 a.m. and reconvened at 12 noon. **Page H5104**

Suspensions: The House agreed to suspend the rules and pass the following measure:

Iron Dome Supplemental Appropriations Act, 2022: H.R. 5323, making supplemental appropriations for the fiscal year ending September 30, 2022, by a 2/3 yea-and-nay vote of 420 yeas to 9 nays with two answering “present”, Roll No. 275.

Pages H5107-15

National Defense Authorization Act for Fiscal Year 2022: The House passed H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, by a yea-and-nay vote of 316 yeas to 113 nays, Roll No. 293. Consideration began Tuesday, September 21st. **Pages H5115-28**

Agreed to amend the title so as to read: “To authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes.”.

Agreed to:

Mfume amendment (No. 26 printed in part C of H. Rept. 117-125) that was debated on September 22nd that increases the governmentwide goals for small business participation in federal contracts and for certain small business concerns (by a yea-and-nay vote of 219 yeas to 202 nays, Roll No. 277);

Page H5116

Khanna amendment (No. 28 printed in part C of H. Rept. 117-125) that was debated on September 22nd that terminates U.S. military logistical support, and the transfer of spare parts to Saudi warplanes conducting aerial strikes against the Houthis in Yemen and permanently ends intelligence sharing that enables offensive strikes and any U.S. effort to command, coordinate, participate in the movement of, or accompany Saudi or United Arab Emirates-led coalition forces in the war in Yemen (by a yea-and-nay vote of 219 yeas to 207 nays, Roll No. 278);

Pages H5116-17

Meeks amendment (No. 30 printed in part C of H. Rept. 117-125) that was debated on September 22nd that requires the suspension of U.S. sustainment and maintenance support to Saudi air force units responsible for airstrikes resulting in civilian casualties in Yemen with certain exemptions for territorial self-defense, counterterrorism operations, and defense of U.S. government facilities or personnel (by a yea-and-nay vote of 223 yeas to 204 nays, Roll No. 279); **Pages H5117-18**

Carolyn B. Maloney (NY) amendment (No. 35 printed in part C of H. Rept. 117-125) that was de-

bated on September 22nd that replaces the congressional publication entitled United States Government Policy and Supporting Positions, commonly known as the Plum Book, with an online public directory and requires the Office of Personnel Management (OPM) to publish the information contained in the Plum Book on a public website in a format that is easily searchable and that otherwise meets certain data standards (by a yea-and-nay vote of 223 yeas to 202 nays, Roll No. 280);

Page H5118

Langevin amendment (No. 42 printed in part C of H. Rept. 117-125) that was debated on September 22nd that allows for admission of essential scientists and technical experts to promote and protect the national security innovation base (by a yea-and-nay vote of 225 yeas to 187 nays, Roll No. 286);

Pages H5122-23

Bowman amendment (No. 105 printed in part C of H. Rept. 117-125) that was debated on September 22nd that adds the President, Vice President, and any Cabinet member to the current statutory prohibition on Members of Congress contracting with the federal government (by a yea-and-nay vote of 234 yeas to 183 nays, Roll No. 287);

Pages H5123-24

Smith (WA) en bloc amendment No. 2 consisting of the following amendments printed in part C of H. Rept. 117-125 which was debated on September 22nd: Garamendi (No. 142) that directs DOD to implement its own recommendations on improving use of unmanned aircraft systems by the National Guard, from Congressionally directed review/report; Garamendi (No. 143) that requires the DOD to include accounting of costs for wildfire response in the annual budget request to Congress, including military support for states and FEMA/federal land management agencies; Garamendi (No. 144) that remove arbitrary cap on the number of excess military aircraft that DOD may transfer at no cost to DHS (FEMA) or the U.S. Forest Service for firefighting; Garamendi (No. 145) that requires DOD/OMB to review existing authorities for using Air Force and Air National Guard modular airborne fire-fighting systems and other military assets to fight wildfires; Garamendi (No. 146) that increases funding for cold weather capabilities; Garbarino (No. 147) that creates a 5-year term for the Cybersecurity and Infrastructure Security Agency (CISA) Director and reaffirms that the position will be Presidential appointed and Senate confirmed; Garbarino (No. 148) that establishes a Department of Homeland Security grant program to facilitate closer U.S.-Israel cybersecurity cooperation; Garbarino (No. 149) that establishes a cyber counseling certification program for

Small Business Development Centers (SBDCs) assisting small businesses with planning and implementing cybersecurity measures; Garbarino (No. 150) that requires CISA to update its cyber incident response plan not less often than biennially, and requires CISA to consult with relevant Sector Risk Management Agencies and the National Cyber Director, to develop mechanisms to engage with stakeholders to educate them about Federal Government cybersecurity roles for cyber incident response; García (IL) (No. 151) that prohibits funding to Brazil for the purpose of displacing indigenous or Quilombola communities; García (IL) (No. 152) that requires the GAO to submit a report to Congress on humanitarian impacts of U.S. sanctions; Garcia (CA) (No. 153) that creates professional licensure reciprocity for military service members and their spouses who move to new jurisdictions as a result of Permanent Change of Station Orders provided they submit to certain requirements; Gibbs (No. 154) that requires GAO to submit to Congress a report accounting for any equipment provided by the United States Coast Guard or the Army Corps of Engineers to any regime in Afghanistan; Gohmert (No. 155) that creates a separate career track for military judges to prevent undue influence from swaying trial outcome; Gomez (No. 156) that expresses the Sense of Congress that Korean-American and Korean veterans who fought alongside United States Armed Forces in the Vietnam war served with distinction and honor; Gomez (No. 157) that expresses a Sense of Congress that the Department of Defense should select electric or zero-emission models when purchasing new, non-combat vehicles; Tony Gonzales (TX) (No. 158) that establish the National Digital Reserve Corps, a program within GSA that would allow private sector tech talent to work for the federal government for 30 days per calendar year to take on short term digital, cybersecurity, and AI projects; Gonzalez (OH) (No. 159) that requires federal agencies to issue a report that assesses the risk to U.S. national security posed by Russian and Chinese dominance in the global nuclear energy market and identifies opportunities for the U.S. to regain global leadership; Gonzalez (OH) (No. 160) that directs the Secretary of Commerce, in coordination with the Secretary of the Treasury, to establish within the Bureau of Economic Analysis of the Department of Commerce a China Economic Data Coordination Center to collect and synthesize official and unofficial Chinese economic data developments in China's financial markets and United States exposure to risks and vulnerabilities in China's financial system; Gonzalez (OH) (No. 161) that creates a pilot program within the Department of Defense's Transition Assistance Program (TAP) to provide mental

health counseling to transitioning servicemembers, and specifically with information regarding the mental health programs and benefits at their local VA facility; González-Colón (No. 162) that requires the Secretary of Defense to commission a National Academies of Sciences study that would investigate the connection between certain toxic exposures and health effects on the islands of Vieques; González-Colón (No. 163) that prohibits the use of FY22 NDAA funds for the purpose of retiring the LCM-8 platform from service in Puerto Rico; González-Colón (No. 164) that requires the Secretary of the Army to provide a Modular Small Arms Range in Puerto Rico; Gosar (No. 165) that requires the Comptroller General of the United States to submit a report to Congress on the impact of mergers and acquisitions of defense industrial base contractors on the procurement processes of the Department of Defense; Gottheimer (No. 166) that requires the Director of National Intelligence, in coordination with the Secretary of State and Secretary of Defense, to report to Congress on the use of online social media by U.S. State Department-designated foreign terrorist organizations, and the threat posed to U.S. national security by online radicalization; Gottheimer (No. 167) that requires the Under Secretary of Defense for Personnel and Readiness to prepare an annual report to Congress containing an analysis of the nationwide costs of living for members of the Department of Defense; Gottheimer (No. 168) that requires public disclosure of lead testing results completed by the Department of Defense in "covered areas," i.e., an area located immediately adjacent to and down gradient from a military installation, a formerly used defense site, or a facility where military activities are conducted by the National Guard of a State; Gottheimer (No. 169) that directs the Defense Logistics Agency to conduct a study within one year of enactment of this law regarding the degree to which LESO/1033 equipment and materials for Law Enforcement use are equitably distributed between larger, well-resourced municipalities and units of government and smaller, less well-resourced municipalities and units of government; and to identify potential reforms to the LESO/1033 program to ensure that equipment and materials are distributed in a manner that provides adequate opportunity for participation by smaller, less well-resourced municipalities and units of government; Gottheimer (No. 170) that requires GAO to carry out a study on the financing of domestic violent extremists and terrorists, including foreign terrorist-inspired domestic extremists; Graves (LA) (No. 171) that authorizes the President and the Secretary of Defense, with the approval of the state or territorial governor (and subject to appropriations), the ability to offer support for large

scale, complex, catastrophic disasters; Graves (MO) (No. 172) that increases funding for Solider Lethality for further development of Artificial Intelligence (AI) capabilities that will enable a next-generation command and control system for the warfighter; Graves (MO) (No. 173) that ensures that general aviation (GA) pilots receive flight training in the aircraft they will be operating in the National Airspace System (NAS); Green (TX) (No. 174) that requires the uniform residential loan application to include a military service question in a prominent location on the form; Green (TX) (No. 175) that requires public housing agencies to consider the housing needs of veterans when creating their annual plans and housing strategies, the latter in consultation with agencies that serve veterans; Green (TX) (No. 176) that mandates the Department of State maintain and report to Congress an accounting of the number of American Citizens evacuated from Hamid Karzai International Airport; Hagedorn (No. 177) that permits financial literacy training on overseas military installations by financial services providers; Higgins (LA) (No. 178) that adds a Sense of Congress that stresses the importance of Joint Surveillance Target Attack Radar System aircraft and reinforces Congress' intent that the previous NDAA language be strictly adhered to before any are retired; Hill (No. 179) that amend the Defense Production Act (DPA) to protect medical materials for Americans by bolstering our supply chain during times of crisis; Hill (No. 180) that requires an interagency strategy to disrupt and dismantle narcotics production and trafficking and affiliated networks linked to the regime of Bashar al-Assad in Syria; Himes (No. 181) that instructs the Department of Defense to provide an analysis of the cost of implementing next generation cryptography across the DOD through a report on the resources necessary to fully fund the Information Systems Security Program (ISSP) in order to address cybersecurity requirements; Himes (No. 182) that allows Treasury Department (via FinCEN) to use the special measures authority to designate jurisdictions, accounts, and others that are determined to be "Primary Money Laundering Concerns" due to illicit finance involvement such as the cross-border laundering the proceeds of ransomware attacks, business email compromise fraud, and other cyber-enabled financial crimes which are often conducted outside of the correspondent banks; Horsford (No. 183) that authorizes the Secretary of Defense to conduct a pilot program to evaluate the feasibility and effectiveness of software, emerging technologies, and methodologies to track real-time emissions from installations and installation assets; Horsford (No. 184) that authorizes the Secretary of Defense to carry out a pilot program to establish data libraries containing data

sets relevant to the development of artificial intelligence software and technology and to allow private companies to access such data libraries for the purposes of developing artificial intelligence models and other technical software solutions; Horsford (No. 185) that directs the Department of Defense to conduct a review of the implementation of its CUI program; Houlahan (No. 186) that exempts certain contracts awarded to small business concerns from category management or successor strategies for contract consolidation; Houlahan (No. 187) that requires the Secretary of Defense to develop and implement a plan to collect and analyze data on the use of enhanced transfer of technology developed at Department of Defense laboratories; Houlahan (No. 188) that requires the Secretary of Defense to submit to the congressional defense committees a report on the recommendations made by the National Security Commission on Artificial Intelligence with respect to the Department of Defense to include a determination of whether the Secretary of Defense intends to implement each recommendation; Houlahan (No. 189) that requires an annual report to Congress and OPM from the Chief Human Capital Officers Council describing the activities of the council and a description of barriers preventing agencies from hiring qualified applicants, including for digital talent positions, and recommendations for addressing those barriers; Huizenga (No. 190) that requires the Secretary of the Air Force to submit a report to Congress detailing the plans and timeline for the recovery operations of the C-119 Gamble Chalk 1 crash site at Mt Silverthorne, Alaska; Jackson Lee (No. 191) that provides authorization for a \$10 million increase in funding for increased collaboration with NIH to combat Triple Negative Breast Cancer; Jackson Lee (No. 192) that provides authorization for \$2.5 million increase in funding to combat post-traumatic stress disorder (PTSD); Jackson Lee (No. 193) that directs the Secretary of Defense to promulgate regulations to ensure that candidates granted admission to attend a military academy undergo screening for speech disorders and be provided the results of the screening test and a list of warfare unrestricted line (URL) Officer positions and occupation specialists that require successful performance on the speech test. Academy students shall have the option of undergoing speech therapy to reduce speech disorders or impediments; Jackson Lee (No. 194) that establishes a task force on the historical and current barriers to African American participation and equal treatment in the Armed Services; Jackson Lee (No. 195) that requires a report on Maternity Mortality Rates for military members and their dependents; Jackson Lee (No. 196) that requires a report to be submitted to Congress within 240 days following

enactment on the risks posed by debris in low earth orbit and to make recommendations on remediation of risks and outline plans to reduce the incident of space debris; Jackson Lee (No. 197) that requires the Secretary of Defense to report to Congress programs and procedures employed to ensure students studying abroad through Department of Defense National Security Education Programs are trained to recognize, resist, and report against recruitment efforts by agents of foreign governments; Jackson Lee (No. 198) that directs the Secretary of Defense to submit a report 180 days following enactment that explains the progress made over the history of the Department of Defense and its predecessor departments (Department of War) and experiences in integrating African Americans into the branches of the armed services and the civilian staffing of Pentagon offices and agencies, and the steps being taken to recognize the service of African Americans who have served in the Armed Forces with honor, heroism, and distinction; Jackson (No. 199) that expresses the Sense of Congress that Israel is a critical defense partner and highlights various things such as improving interoperability, opposing terrorism in the Middle East, and maintaining a strong relationship; Jacobs (NY) (No. 200) that requires the Department of Defense and all service branches to commence defense innovation open topic activities similar to the “SBIR Open Topics” program operated by the Air Force’s AFWERX office; Jacobs (CA) (No. 201) that requires a report from the Secretary of State on a conflict assessment in Haiti; Jacobs (CA) (No. 202) that requires human rights vetting of potential recipients of U.S. support to combat terrorism under 10 U.S.C. 127e; Jacobs (CA) (No. 203) requires a strategy to address the root causes of violent extremism and conflict in Mozambique; Jacobs (CA) (No. 204) that requires congressional notifications and an annual reporting requirement related to oversight of the peacekeeping operations account; Jayapal (No. 205) that directs federal agencies to initiate debarment proceedings for contractors with repeat and willful wage theft violations; Jayapal (No. 206) that requires GAO to submit a report on cost analyses of options for reducing nuclear security programs and modifying force structures; Jayapal (No. 207), as modified, that commissions a Defense Department report on estimated savings to come from full drawdown from Afghanistan, Iraq, Syria compared to the status quo ante and the estimated cost of redirecting U.S. personnel and materials to effectively engage in great power competition with Russia and China, including increased outlays in ships, aircraft, nuclear weapons, etc. sufficient to effectively curb and deter both countries militarily in their respective regions; Jones (No. 208) that requires the Secretary of Defense to

submit to Congress by September 30, 2022 a plan to reduce the greenhouse gas emissions of the Department of Defense in line with science-based emissions targets and report to Congress annually thereafter on the progress made towards these emissions reduction targets; Joyce (OH) (No. 209) that directs the Secretary of Defense, along with the Secretary of State and Secretary of Homeland Security, to report to Congress within one year a plan to combat the Taliban’s illegal drug trade; a description of the risk to the United States of drugs emanating from such drug trade, including risks posed by the profits of such drugs; and a description of any actions taken to interdict and prevent such drugs from reaching the United States; Joyce (PA) (No. 210) that directs the Secretary of Defense, in coordination with the Secretary of Agriculture, Secretary of Health and Human Services, and the Secretary of Homeland Security, to develop an annex (to the National Biodefense Strategy described under Section 104 of title 6, United States Code) for a national biodefense science and technology strategy and implementation plan, no later than 180 days after the date of enactment of this bill; Katko (No. 211) that establishes a grant at HHS for the formation of Tick Identification Pilot Programs, which will require the ability to submit photo images of ticks and the images to be reviewed by qualified professionals for the likelihood of carrying a tick-borne disease; Katko (No. 212) that revises HUD’s Annual Fair Housing Report to specifically report sexual harassment complaints; codifies the DOJ’s Sexual Harassment in Housing Initiative; Katko (No. 213) that provides for the Department of Labor to conduct a study on obstacles to employment facing certain Afghan SIVs and other eligible populations legally present in the United States; Keating (No. 214) that requires a pilot program to assess the barriers to women’s participation in the national security forces of six participating partner countries; Keller (No. 215) that directs the Secretary of Defense to acquire domestically sourced alternatives to existing defense products, which currently rely on foreign sources alone; Keller (No. 216) that directs the Secretary to report on efforts within the Department of Defense to reduce duplicative information technology contracts within 180 days; Kelly (IL) (No. 217) that establishes a pilot program requiring a spouse specific Transition Assistance Program for a spouse of a member of the Armed Forces eligible for the Transition Assistance Program; Kelly (IL) (No. 218) that requires the DoD provide a briefing to the civilian agencies responsible for certain aspects of U.S. civilian and commercial space activities and relevant Committees in Congress on the threats posed by nation states, in particular China’s activities in space

on U.S. civilian and commercial space systems; Kelly (MS) (No. 219) that revises the FY 2021 National Defense Authorization Act to explicitly include SME and semiconductor materials; Kelly (MS) (No. 220) that directs the Secretary of Defense to execute an investigation to determine if the procurement of optical transmission equipment or services manufactures, produced, or distributed by an entity owned, controlled, or supported by the People's Republic of China; Kelly (MS) (No. 221) that expands eligibility of Military Space Available Travel to Gold Star Family Members by updating Section 2641b(c) of Title 10, United States Code; Kelly (MS) (No. 222) that revises the FY 2021 National Defense Authorization Act Semiconductor Incentives Program to include SME and semiconductor materials; Kelly (MS) (No. 223) that directs the Secretary of Defense to provide a report to Congress on the use of funding made available pursuant to section 333 of title 10, United States Code, for counter-narcotics missions in Central Asia; Khanna (No. 224) that authorizes continued support for ex gratia payments and requires DoD to develop and implement procedures to receive and respond to allegations of civilian harm within 180 days, and provide quarterly reports on DoD's implementation of these procedures; Kilmer (No. 225) that provides for Fair Labor Standard Act (FLSA) protected overtime pay for Navy employees working on Naval vessels Outside the Continental United States (OCONUS); Kilmer (No. 226) that calls for an independent study on the impacts to Navy shipyard workers by the December 2016 pause to the Accelerated Promotion Program (APP); Kinzinger (No. 227) that limits the availability of funds for retirement of RC-26B manned ISR/IAA aircraft; Kirkpatrick (No. 228) that directs the Secretary of the Air Force to submit to Congress within 45 days a report on the status of the A-10 re-winging program and spend plan for appropriated funds; Krishnamoorthi (No. 229) that authorizes HHS to receive donated vaccines; Lamb (No. 230) that direct the Secretary of Veterans Affairs to establish a two-year pilot program to employ veterans for Departments of the Interior and Agriculture conservation and resource management projects'; Lamb (No. 231) that ensures veterans service-connected medical qualifications and expertise are utilized by the VA and civilian healthcare facilities to meet the challenges during public health emergencies; Lamborn (No. 232) that requires a report from the Missile Defense Agency on the role of the positions of Director of MDA, Sea-based Weapons Systems, and Deputy Director of MDA with respect to their relationship to the combatant commands on missile defense requirements; Lamborn (No. 233) that requires the Secretary of Defense to submit a report on mitigating space debris through the use of on-orbit servicing, assembly, and manufacturing capabilities; Langevin (No. 234) that requires the Department of Homeland Security to designate four Critical Technology Security Centers to evaluate and test the security of technologies essential to national critical functions; Langevin (No. 235) that elevates Undersecretary of Defense for Research and Engineering from advisor to a voting member of the Joint Requirements Oversight Council; Langevin (No. 236) that directs DOD to conduct a study on the best way to organize cyber roles around core functions; Larsen (WA) (No. 237) that extends the authority for temporary personnel flexibilities for domestic defense industrial base facilities and major range and test facilities base civilian personnel; Lawrence (MI) (No. 238) that states that the Secretaries of the military departments shall share and implement best practices (including use of civilian industry best practices) regarding the use of retention and exit survey data to identify barriers and lessons learned to improve the retention of female members of the Armed Forces under the jurisdiction of such Secretaries; Lawrence (No. 239) that requires the establishment of a DOULA pilot program at the Department of Veterans Affairs; Lee (NV) (No. 240) that requires GAO to conduct an assessment of the quality and nutrition of food available at military installations for members of the Armed Forces; Lesko (No. 242) that requires a report on the feasibility of establishing an inter-agency United States-Taiwan working group for coordinating cooperation related to semiconductors, including the global supply chain integrity and security of semiconductors; Levin (CA) (No. 243) that expands SCRA protections to a servicemember who receives military orders for a PCS, enters into a telecommunications contract, then receives a stop movement order from DoD in response to a local, national, or global emergency for a period of not less than 30 days which prevents them from using the contract; Levin (CA) (No. 244) that adds and makes technical changes to DoD Transition Assistance Program (TAP) counseling pathway factors; Lieu (No. 245) that establishes an Office of City and State Diplomacy at the State Department and requires the appointment of a senior official to head the office, outlines the duties of the office, authorizes members of the civil service and Foreign Service to be detailed to city halls and state capitols to support their international engagement efforts, and requires a report to Congress followed by annual briefings on the work of the office; Lieu (No. 246) that directs the Secretary of Defense to establish a pilot program to determine the effectiveness of using scent detection working dogs to detect the early stages of diseases, including COVID-19, and upon detection, to

alert the handler of the dog; Lieu (No. 247) that extends an existing prohibition on in-flight refueling to non-United States aircraft that engage in hostilities in the ongoing civil war in Yemen for two years, or until a specific authorization has been enacted; Lofgren (No. 248) that directs the Secretary of Defense, in consultation with the Director of National Intelligence, to submit a report on the capabilities of the Department of Defense to assist fighting wildfires through the use and analysis of satellite and other aerial survey technology; Luria (No. 249) that expresses a sense of Congress that the Government of Iran's decision to enrich uranium up to 60 percent purity is a further escalation and shortens the breakout time to produce enough highly enriched uranium to develop a nuclear weapon, and the Government of Iran should immediately abandon any pursuit of a nuclear weapon; Luria (No. 250) that directs the Secretary of Defense to carry out a study of the challenges posed by the emergence of militia fleets in the South China Sea; Luria (No. 251) that directs the Secretary of Defense to amend the Space Available Travel program for flights for members of the Armed Services traveling for purposes of attending funerals and memorial services; Lynch (No. 252) that reauthorizes the independent and bipartisan Wartime Contracting Commission to conduct oversight of U.S. contracting and reconstruction efforts in Afghanistan, Iraq, and other areas of contingency operations; and Lynch (No. 253) that expands the mandate of the supervisory team created by the "Combating Illicit Finance Through Public-Private Partnerships Act" that is convened by Treasury to examine strategies to improve public-private partnerships to counter illicit finance, to include sanctions evasion and other illicit finance activities (by a yea-and-nay vote of 367 yeas to 59 nays, Roll No. 288);

Pages H5124–25

Smith (WA) amendment en bloc No. 3 consisting of the following amendments printed in part C of H. Rept. 117–125 that was debated on September 22nd: Lynch (No. 254) that directs the President to reestablish the interagency Afghan Threat Finance Cell to identify and disrupt financial networks related to terrorism, narcotics trafficking, and corruption; Mace (No. 255) that expresses the sense of Congress that there should be designated a Military Heart Health Awareness Day; Mace (No. 256) that establishes a pilot program to improve military readiness through nutrition and wellness initiatives; Malinowski (No. 257) that imposes sanctions on foreign persons listed in the report of the Director of National Intelligence for the murder of journalist Jamal Khashoggi, which is the language from HR 1464 that as passed by voice vote in the Foreign Affairs Committee during the 117th Congress;

Malinowski (No. 258) that amends the Export Control Reform Act to right-size the Secretary of Commerce's scope of authority to regulate exports by US persons to foreign military, security, and intelligence agencies; Malinowski (No. 259) that requires the Secretary of State to provide a report on state-sanctioned intimidation and harassment by the Egyptian government against Americans and their families; Malinowski (No. 260) that requires a report by the State Department on allegations of systematic extrajudicial killings and torture by Egyptian security forces and a determination of whether such acts constitute a consistent pattern of gross violations of internationally recognized human rights; Malinowski (No. 261) that requests the administration make a determination on whether genocide or crimes against humanity have occurred in the Tigray region of Ethiopia; Malinowski (No. 262) that requires the Department of State to report on war crimes and torture committed by US citizens in Libya; Malinowski (No. 263) that requires the President to review certain alleged arms embargo violators for sanction under Executive Order 13726 (81 Fed. Reg. 23559; relating to blocking property and suspending entry into the United States of persons contributing to the situation in Libya); Malinowski (No. 264) that prohibits federal agencies from encouraging the weakening of encryption or insertion of backdoors on commercially-available phones, computers, and devices; Malinowski (No. 265) that strengthens the annual reporting requirement on the Vulnerabilities Equities Process (interagency process to determine whether to disclose known cyber-vulnerabilities to the public and industry) Malinowski (No. 266) that requires an annual report to Congress by the State Department on foreign companies proliferating dangerous cyber-weapons and hack-for-hire capabilities to known human rights abusers and repressive governments; Malinowski (No. 267) that requires the President to submit to the appropriate congressional committees a determination of the 35 Russian officials and businessmen with respect to the imposition of sanctions; Malliotakis (No. 268) that requires a report to Congress of all malign operations by Iran conducted on United States soil. Including: Iran-backed terrorist attacks, kidnapping, export violations, sanctions busting activities, cyber-attacks, and money laundering; Manning (No. 269) that adds the Bab el-Mandeb Strait to the assessment of the security of global maritime chokepoints; Manning (No. 270) that adds a requirement that the Secretary of Defense notify Congress of any attempt to threaten or abduct a citizen or U.S. resident by a country supporting international terrorism; Manning (No. 271) that adds a Sense of Congress on the safety of women and girls in Afghanistan; Manning (No. 272)

that includes a consideration of the benefits in terms of cost and emissions savings of the increased use of electric vehicles at military installations for transport to Department of Defense education activity facilities; Manning (No. 273) that requires the Secretary of Defense within 60 days to consult with the Secretary of State and appoint an official to assist with the State Department on the continued evacuations of Americans and Afghan partners from Afghanistan; McCarthy (No. 274) that requires an infrastructure assessment and report to the committees of jurisdiction on the Air Force Research Laboratory, Aerospace Systems Directorate, Rocket Propulsion Division for fiscal years 2023 and 2025; McCaul (No. 275) that provides statutory authority and guidance for the interagency “Trans-Sahara Counterterrorism Partnership Program” to partner with countries in the Sahel and Maghreb regions of Africa to counter terrorism and violent extremism; McCaul (No. 276) that makes factual findings and declare that the ongoing abuses against Uyghurs and other ethnic and religious minorities in the Xinjiang region of the People’s Republic of China constitute genocide and crimes against humanity by the Chinese Communist Party; McCaul (No. 277) that requires the State Department to provide briefings and specified materials to U.S. delegations to international athletic competitions regarding human rights and security concerns in certain host countries (Communist countries, Tier 3 countries for human trafficking, or other countries that the Secretary of State determines present serious human rights or counterintelligence concerns); McGovern (No. 278) that modifies the Global Magnitsky Human Rights Accountability Act (Subtitle F of title XXI of PL 114-328) to authorize sanctions for serious human rights abuse, any violation of internationally recognized human rights, or corruption; adds two new reports to Congress; McHenry (No. 279) that directs SEC and CFTC to establish a working group on digital assets; McKinley (No. 280) that instructs the Department of Defense to prioritize domestically owned, U.S. produced sources of synthetic graphite prior to purchasing from other U.S. sources, members of the Industrial Base, or other allies; McKinley (No. 281) that expresses the sense of Congress that having access to a secure and reliable supply of firm, baseload power produced in the United States, including power generated from coal, natural gas, oil, and nuclear sources, is critical to United States national security interests; McNerney (No. 282) that incorporates safety and security into required elements of the strategy for autonomy integration in major weapons systems; McNerney (No. 283) that adds language to include “designated fields of national and economic importance such as cybersecurity, arti-

ficial intelligence, machine learning, data science, and software engineering” as part of the U.S. Naval Community College’s programs of academic instruction and professional and technical education; Meeks that (No. 284) requires a report and clarification on U.S.-Syria political strategy and policy goals, including diplomatic, development/humanitarian, and security objectives; Meeks (No. 285) that compels the Department of State and Department of Defense to develop and submit an interagency strategy on Somalia and report its findings related to security operations, security sector assistance, and other forms of foreign assistance provided to the Federal Government of Somalia to improve stability, governance, and economic development; Meeks (No. 286) that modifies the management and operations of the Department of State through various measures; Meeks (No. 287) that requires congressional notification for certain rewards provided under the State Department rewards program; Meeks (No. 288) that prohibits the use of US assessed contribution the UN for support of the G5 Sahel Joint Force; Meng (No. 289) that adds the text of the Global Pandemic Prevention and Biosecurity Act, legislation that seeks to address the source of highly infectious diseases beginning in animal species, including by reducing the sale and trade of live and fresh wildlife for human consumption, and addressing food insecurity associated with a reliance on local game and wildlife; Meng (No. 290) that requires that menstrual products are stocked in and made available free of charge in all restrooms in public buildings, including the Smithsonian Institution, the National Gallery of Art, and the U.S. Capitol; Meng (No. 291) that requires that all medical professionals who provide direct care services to patients under the military health system receive a mandatory training on how to screen, intervene, and refer patients to treatment for eating disorders; Meng (No. 292) that requires the Department of Veterans Affairs to conduct an awareness campaign regarding the types of fertility treatments, procedures, and services available to veterans experiencing issues with fertility, and requires the Department to submit a report to Congress on how the Secretary plans to better engage women veterans to ensure they are aware of the covered fertility services available; Miller (WV) (No. 293) that requires the Secretary of Defense to provide Congress with a briefing on status of women and girls in Afghanistan; Miller (WV) (No. 294) that directs the Secretary of Defense to establish a memorial dedicated to the 13 service members who lost their lives in the attack on the Hamid Karzai International Airport on August 26, 2021; Miller (WV) (No. 295) that blocks any funding for military cooperation or intelligence sharing with the Taliban; Miller (WV) (No.

296) that adds money and classified materials to the report of equipment and arms left behind in Afghanistan by the U.S. Military; Miller-Meeks (No. 297) that provides free annual America the Beautiful Passes to current military service members and also provides free lifetime America the Beautiful Passes to veterans and members of Gold Star Families so they can always access our National Parks and public lands at no cost; Moore (WI) (No. 298) that authorizes the Secretary of Defense, in consultation with the Secretary of Veterans Affairs, to provide assistance to states that have created dedicated green alerts or are considering creating such alerts to help locate missing active duty servicemembers or veterans, including to connect located individuals to any VA or DOD benefits they have earned through their military service; Moulton (No. 299) that promotes mapping of mission-relevant terrain in cyberspace for Defense Critical Assets and Task Critical Assets; Moulton (No. 300) that amends the Defense Resource Budgeting & Allocation Commission to include a diversity and inclusion statement for the commission membership; Napolitano (No. 301) that increases funding for the National Guard Youth Challenge Program by \$35,281,000 million, matching the program's 2022 funding of \$210 million in the Department of Defense Appropriations Bill, 2022; Napolitano (No. 302) that supports the National Guard Youth Challenge Programs (NGYCP) by instructing the Department of Defense to issue non-state matched funding in limited circumstances of up to 10 percent of the funds appropriated for the NGYCP for fiscal year 2022; Neguse (No. 303) that expands travel and transportation allowances for family members to attend the funeral and memorial services of members; Neguse (No. 305) that allows state and local governments to utilize Office of Local Defense Community Cooperation (OLDCC) funds for maintaining and improving military installation resilience, and expands the definition of military installation to include State-owned military facilities; Neguse (No. 306) that expands the annual report submitted by the Department of Defense on vulnerabilities of the National Technology and Industrial Base to include the current and projected impacts of climate change and cyberattacks; Neguse (No. 307) that expresses the Sense of Congress that the Department of Defense should take the most recent IPCC report into consideration for decisions about military bases and installations, and should consider adding the recommendations of the report into the Unified Facilities Criteria; Neguse (No. 308) that requires the Department of Defense to amend the Unified Facilities Criteria (UFC) for military construction and planning to incorporate the latest consensus-based codes and standards for energy

efficiency by September 1, 2022, and requires an annual report to Congress comparing the current UFC with the latest codes and standards; Neguse (No. 309) that establishes a housing stipend for federal wildland firefighters, many of whom are veterans, hired at a location more than 50 miles from their primary residence with the allowance being determined by the Secretaries of the Interior and Agriculture and be based on the cost of living in the area of deployment; Neguse (No. 310) that establishes a mental health program for federal wildland firefighters, many of whom are veterans, including a mental health awareness campaign, peer-to-peer support network, expansion of the Critical Incident Stress Management Program, mental health leave, and ensuring trauma-informed mental health professionals are readily available to provide services; Neguse (No. 311) that encourages the Department of Defense to contract with women-owned, minority-owned and small disadvantaged businesses in qualified military construction apprenticeship programs; Newman (No. 312) that directs the Department of Defense to conduct a study on herbicide agent exposure, such as Agent Orange and Agent Purple in the Panama Canal Zone between January 1, 1958–December 31, 1999, or the day in which a member of armed services departed from official duty in the Panama Canal Zone; Newman (No. 313) that requires the involvement of accredited service officers from military and veteran service organizations in the Transition Assistance Program; Newman (No. 314) that amends the Small Business Act to clarify that the HUBZone Price Evaluation Preference applies to certain contracts; Norman (No. 315) that directs the Department of Defense to submit a report to Congress showing they are in compliance with disclosure requirements for recipients of research and development funds as required by federal law; Norman (No. 316) that requests a report from the armed services on substance abuse by servicemembers and their dependents with 180 days of enactment; Norton (No. 317) that corrects a long-standing drafting error and clarify that D.C. National Guard members who are federal civilian employees are entitled to leave without loss in pay or time from their civilian employment during their mobilization; Ocasio-Cortez (No. 318) that prohibits funds from being used to provide weapons or military aid or military training to Saudi Arabia's Rapid Intervention Force (RIF), the unit responsible for the murder of U.S. journalist Jamal Khoshoggi; Ocasio-Cortez (No. 319) that prohibits funds from being used to conduct aerial fumigation in Colombia unless certain actions are taken by the Colombian Government; Ocasio-Cortez (No. 320) that requires the

Secretary of Defense, in coordination with the Secretary of State, to submit to Congress a report on human rights in Colombia, including an assessment of the capabilities of the military and paramilitary forces of Colombia; a description of the human rights climate in Colombia; an assessment of the Colombian military and paramilitary forces' adherence to human rights; Ocasio-Cortez (No. 321) that requires the Secretary of State to make a yearly determination as to whether Colombia's Mobile Anti-Disturbances Squadron committed gross violations of human rights, and prohibits funds and export licenses for certain items to that Squadron upon a positive determination; Omar (No. 322) that requires reporting on recent security assistance programs to Mali, Guinea, and Chad; Omar (No. 323) that requires annual reporting to the Foreign Affairs and Armed Services Committees on U.S. strategy in the Democratic Republic of the Congo; Omar (No. 324) that requires State and USAID to report on human trafficking and slavery in Libya, and develop a strategy for addressing root causes and holding perpetrators accountable; Pallone (No. 325) that requires a report from the Secretary of Defense, in collaboration with the Secretary of State, addressing allegations that some units of foreign countries that have participated in security cooperation programs under section 333 of title 10, U.S.C. may have also committed gross violations of internationally recognized human rights before or while receiving U.S. security assistance; Panetta (No. 326) that authorizes the Director of the Office of Personnel Management to conduct an annual survey of Federal employees to assess Executive agency performance, leadership, employee satisfaction, and organizational resilience; Panetta (No. 327) that requires the Director of the Strategic Capabilities Office, in coordination with the Secretary of Energy, provide a report and briefing on Project Pele mobile nuclear microreactors; Pence (No. 328) that extends by 2 years the sunset date for Sec. 1651 of the FY2019 NDAA (Public Law 115–232; 32 U.S.C. 501 note) Pilot Program on Regional Cybersecurity Training Center for the Army National Guard; Perry (No. 329) that makes it the policy of the United States to reject any attempt by the People's Republic of China to mandate that US vessels provide them with information about US vessels (ship name, call sign, location, type of cargo) in areas that China illegally includes as part of its maritime claims; Pfluger (No. 330) that requires DNI, DHS, and DOD to conduct a threat assessment of terrorist threats to the United States posed by the prisoners released by the Taliban from the Pul-e-Charkhi Prison and Parwan Detention Facility in Afghanistan; Pfluger (No. 331) that requires DOD and State to complete a report on ANDSF air-

craft left in Uzbekistan, Tajikistan, or other foreign countries; Phillips (No. 332) that requires the Secretary of the Army to identify and establish a plan to clean up contaminated sites where the Department has previously participated in cleanup efforts, but due to contaminants not discovered until after transfer or newly identified contaminants, additional clean-up may be required; Phillips (No. 333) that requires a Secretary of Defense report on how the US is working with other countries in CENTCOM area of responsibility to improve Israel's coordination with other regional militaries and also requires the Secretary of State and USAID Administrator provide an analysis of the strategic initiatives taken to integrate the Abraham Accords into congressionally authorized and appropriated programs; Phillips (No. 334) that requires the Secretary of State to deliver an annual report on U.S. policy towards South Sudan, including the most recent approved interagency strategy developed to address political, security, and humanitarian issues prevalent in the country since it gained independence from Sudan in July 2011; Phillips (No. 335) that requires the US Coordinator for the Arctic Region to assess, develop, and budget for plans, policies, and actions related to strengthening US diplomatic presence with Arctic countries, enhancing resilience capacities of Arctic countries, and assessing risks regarding environmental change and increased civilian and military activities by Arctic countries; Phillips (No. 336) that requires the Secretary of the Air Force report on its justification for the C-130 total aircraft inventory reduction, considering such recommendation is inconsistent with the 2018 and 2020 mobility capabilities requirements studies; Phillips (No. 337) that requires DOD to submit a report on the effects of the Cybersecurity Maturity Model Certification on small businesses; Phillips (No. 338) that requires the Secretary of Defense, in consultation with the Secretary of State and USAID Administrator, to report on countries for which the Department has a presence and are suitable for stabilization operations support provided under Section 1210A of FY20 NDAA to inform ongoing interagency discussions on stabilization efforts; Phillips (No. 339) that expands the recusal time frame from one to two years for DoD officers and employees when the financial interests of any organization they were involved in (including employee, officer, director, trustee, or general partner) as well as any former direct competitor or client organization are being considered; Porter (No. 340) that directs the Secretary of Defense, in coordination with the Secretary of Energy, to conduct a declassification review of documents related to U.S. weapons testing in the Marshall Islands during the Cold War; Porter (No. 341) that requires the Secretary of

Defense to brief and deliver to Congress a report regarding Government Accountability Office recommendations to Combat Trafficking in Persons by Department of Defense contractors; Porter (No. 342) that extends the sunset date and makes modifications to the reporting requirement in Sec. 1205(f) of the FY15 NDAA; Porter (No. 343) that directs the Secretary of Defense, in coordination with the Secretary of the Interior, the Secretary of Agriculture, and the Chief of the U.S. Forest Service, to submit a report to Congress on the risks posed to Department of Defense infrastructure and readiness posed by wildland fire; Porter (No. 344) that requires a quarterly summary of Department of Defense reports delivered to Congress in the previous quarter; Porter (No. 345) that seeks to require an independent study of lessons learned during the war in Afghanistan for security cooperation; Porter (No. 346) that limits funding for travel by the Secretary of Defense pending delivery of certain congressionally mandated reports and briefing on compliance with statutory reporting requirements; Porter (No. 347) that requires a Department of Defense Inspector General audit of NATO policies and processes for sexual assault and sexual harassment involving U.S. personnel; Posey (No. 348) that requires the Secretary of Defense to provide priority for domestically sourced, fully traceable, bovine heparin approved by the Food and Drug Administration when available; Pressley (No. 349) that expresses the Sense of Congress that the President should make full use of his authority under the Defense Production Act to scale vaccine production and deployment globally, and protect Americans from the risk of emerging viral threats; Quigley (No. 350) that establishes the foreign policy of the United States to work with state and non-state partners to shut down certain commercial wildlife markets, end the trade in terrestrial wildlife for human consumption, and build international coalitions to reduce the demand for wildlife as food, to prevent the emergence of future zoonotic pathogens; Quigley (No. 351) that expands the existing US Fish and Wildlife Service law enforcement attache program; Radewagen (No. 352) that transfers final decision-making power of protested HUBZone small business status of a small business concern from the Associate Administrator of the Office of Government Contracting & Business Development to the SBA Office of Hearings and Appeals; Reschenthaler (No. 353) that directs the National Academies to study the feasibility of providing enhanced research security services to further protect the United States research enterprise against foreign interference, theft, and espionage; Reschenthaler (No. 354) that states that no funds authorized under this Act may be made available for any purpose to EcoHealth Alliance, Inc;

Reschenthaler (No. 355) that adds countries that are major producers of fentanyl and fentanyl-like substances to the Majors List and adds a new section on fentanyl to the annual International Narcotics Control Strategy Report; Reschenthaler (No. 356) that develops and implements an investment and sustainment plan to ensure the sourcing of cannon tubes for the purpose of mitigating risk to the Army and the industrial base; Reschenthaler (No. 357) that includes Purple Heart award recipients on the DOD military valor website who receive the award after the enactment of this Act; Reschenthaler (No. 358) that expresses a Sense of Congress that the additive manufacturing and machine learning initiative of the Army has the potential to accelerate the ability to deploy additive manufacturing capabilities in expeditionary settings and strengthen the United States defense industrial supply chain; Ross (No. 359) that requires a report on the availability of menstrual hygiene products on military bases and accommodations related to menstrual hygiene available to members of the Armed Forces; Ross (No. 360) that requires a report on potential TRICARE coverage of preconception and prenatal carrier screening tests for certain medical conditions; Ruiz (No. 361) that requires GAO to conduct a study on the factors contributing to low numbers of Hispanic officers and enlisted members in leadership positions within the DOD and recommendations to increase Hispanic representation; Ruiz (No. 362) that requires GAO to conduct a study on the factors contributing to low numbers of Hispanic students and in leadership positions within the military service academies and recommendations to increase Hispanic representation; Sablan (No. 363) that adds the Northern Mariana Islands to the definition of “state” for the purposes of the Small Business Administration’s microloan program; Salazar (No. 364) that encourages the Navy to explore and solicit more artificial reefing opportunities for retired Navy ships; and Salazar (No. 365) that raises sole source contracting thresholds for certain small business concerns (8(a), HUBZone, service-disabled veteran-owned, and women-owned) from current levels to \$10,000,000 for manufacturing contracts and \$8,000,000 for other types (by a yeo-and-nay vote of 362 yeas to 59 nays, Roll No. 289);

Page H5125

Smith (WA) en bloc amendment No. 4 consisting of the following amendments printed in part C of H. Rept. 117-125 that was debated on September 22nd: San Nicholas (No. 366) that mandates the inclusion of Tribal and Territory officials in the “National Strategy for Combating Terrorist and Other Illicit Financing” and extends that report for an additional five years (or three reports); Sanchez (No.

367) that requires a report from the Secretary of Defense to assess the capacity and efforts of NATO to counter misinformation and disinformation and offer recommendations be sent to HASC, HFAC, and US Members to NATO PA; Sanchez (No. 368) that authorizes not more than \$5,000,000 to the NATO Strategic Communications Center of Excellence to enhance capability, cooperation, and information sharing on strategic communications within NATO and requires briefings on the efforts of the Department of Defense to strengthen the role of the Center in fostering strategic communications and information operations within NATO; Sanchez (No. 369) that requires a briefing and a report be delivered to Members on HASC, HFAC, and NATO PA's US delegation on how the Department of Defense is working with the NATO Strategic Communications Center of Excellence to improve NATO's ability to counter and mitigate disinformation, and offer recommendations to improve strategic communications within NATO; Sanchez (No. 370) that expresses the sense of Congress that the US should prioritize countering misinformation, increasing NATO's resources, building technological resilience, and supporting NATO and NATO PA; Sanchez (No. 371) that requests a report from the Secretary of the Department of Veterans Affairs, in conjunction with the Secretary of the Department of Housing and Urban Development, to be sent within one year to Congress reporting on the obstacles veterans experience related to receiving benefits under Federal housing programs, including obstacles relating to women veterans, LGBTQ+ veterans face, and multi-generational family types, and obstacles relating to eligibility requirements (including local Area Median Income limits, chronicity and disability requirements, and required documentation); Sanchez (No. 372) that requests a report from the Secretary of the Department of Veterans Affairs in coordination with the Secretaries of the Department of Housing and Urban Development and the Department of Labor submitted to Congress related to how often and what type of supportive services (such as career transition, mental health services, and services for elderly veterans) are being offered to and used by veterans, and requests additional data on any correlation between a lack of supportive services programs and the likelihood of veterans falling into housing insecurity; Sanchez (No. 373) that implements reporting requirements regarding private security contractor contracts to allow increased Congressional oversight of private security contractor DOD contracts; Schakowsky (No. 374) that requires the Secretary of Defense to order the names of the 74 sailors who died in the USS Frank E. Evans disaster in 1969 be added to the Vietnam Veterans Memorial Wall; Schiff (No. 375) that es-

tablishes measures to protect the human rights of journalists. Expands the scope of required reports related to violations of the human rights of journalists, requires the President to impose certain property- and visa-blocking sanctions on persons responsible for gross violations of the human rights of journalists, and prohibits certain foreign assistance to a governmental entity of a country if an official acting under authority of the entity has committed a gross violation of human rights against a journalist; Schiff (No. 376) that includes parental bereavement as eligible paid leave for federal employees; Schneider (No. 377) that codifies into law the existing, successful Boots to Business program that provides entrepreneurial training for servicemembers transitioning to civilian life; Schneider (No. 378) that requires the creation of a U.S.-Israel Operations-Technology Working Group; Schneider (No. 379) that requests a Department of Defense report on the obligation and expenditure of funds that were authorized to be appropriated for Overseas Contingency Operations for Fiscal Year 2010 and Fiscal Year 2019; Schrader (No. 380) that directs the U.S. Army Veterinary Services to conduct an updated study on the potential introduction of foreign animal diseases and current prevention protocol and strategies to protect the health of military working dogs; Schrader (No. 381) that establishes a national One Health Framework to coordinate federal activities around zoonotic disease prevention, preparation, and response, driven by DoD, HHS, USDA, CDC, EPA, and other related agencies and departments; Schrier (No. 382) that directs DOD, in coordination with the White House, FEMA, and HHS, to report on the current status of COVID-19 rapid test procurement through the Defense Production Act as required by the American Rescue Plan; Schrier (No. 383) that directs GAO to report on the effectiveness of current health screenings administered to servicemembers separating from the military to identify the risk of social isolation and other health concerns; Schrier (No. 384) that requires the Secretary of Defense to implement a GAO recommendation to establish strategies for sharing information on outreach approaches to raise awareness of employment resources among military spouses; Schweikert (No. 385) that requires the Secretary of Defense to submit a report to Congress regarding recommendations on cyber hygiene practices; Austin Scott (GA) (No. 386) that expands the "Never Contract with the Enemy" program and the applicability of the statutory authorities initially authorized under Sections 841, 842, and 843 of the National Defense Authorization Act (NDAA) for Fiscal Year 2015 (Public Law 113-291); Austin Scott (GA) (No. 387) that adds

the services provided to Gold Star Families to the reporting requirements of the Quadrennial Quality of Life Review; Austin Scott (GA) (No. 388) that raises the caps on the funds made available by the Chairman of the Joint Chiefs of Staff to purchase items during any fiscal year from the Combatant Commander Initiative Fund; Scott (VA) (No. 389) that supports the deployment of stormwater management infrastructure on and around military installations to enhance installation resilience and conserve stormwater-stressed ecosystems; David Scott (GA) (No. 390) that requires the Secretary of Defense to ensure that all contractors and subcontractors for military construction (MilCon) projects have a plan to hire, retain, and increase African American and other nontraditional apprentice populations; Sherman (No. 391) that authorizes the Secretary of Defense, upon request of the Government of Iraq and in consultation and coordination with the Government of Iraq, to provide support for vetted forces in Iraq operating in the Nineveh Plains to successfully facilitate the return of religious minorities; Sherrill (No. 392) that implements a pilot program to optimize services available for transitioning service members, and provide valuable data for future transition efforts; Slotkin (No. 393) that directs the Cybersecurity and Infrastructure Security Agency (CISA) to build on its existing work by codifying a National Cyber Exercise Program, in order to test U.S. response plans for major cyber incidents; Slotkin (No. 394) that requires the Secretary of State, in coordination with other Departments and Agencies, to develop a strategy to safely process Afghans abroad with pending special immigrant visa applications and refugee referrals, and regular progress reports on the number of Afghan special immigrant visas and referrals, and their locations; Smith (WA) (No. 395) that honors the United States Armed Servicemembers who served in Afghanistan; Smith (NJ) (No. 396) that requires the GAO to conduct a study of the possible experimentation of ticks, insects, or vector-borne agents by the DOD between 1950 and 1977 for use as a bioweapon; Soto (No. 397) that directs the Secretary of Defense to report to Congress within a year of implementing the plan developed in response to GAO recommendations on tracking, response, and training for civilian employees of the Department of Defense regarding sexual harassment and assault; Soto (No. 398) that adds related technologies like advanced storage capacity to the renewable or clean energy resources that can be considered to further data center energy efficiency and resiliency; Soto (No. 399) that adds “distributed ledger technologies” to the definition of “digital talent” when specifying the responsibilities of the digital talent recruiting officer and the technologies

they are trying to identify future talent and closing any skills gaps; Soto (No. 400) that adds “blockchain and cryptographic technologies” to the list of technologies that are included in the Department’s support for industry participation in global standards organizations; Soto (No. 401) that adds blockchain technologies in the consideration of technologies to use to assist in the technology pilot program transmission absent uniform services and overseas votes that builds on successful state-based initiatives for overseas servicemember voting; Soto (No. 402) that adds blockchain technologies to the technologies considered to help improve and development the Department’s digital health strategy in order to improve digital health care strategy & data organization; Soto (No. 403) that requires military service academies and senior reserve officer’s training corps to report on their plans to increase the number of minority cadets and midshipmen; Spanberger (No. 404) that recognizes the service and sacrifice of Atomic Veterans by requiring the President to issue a proclamation every year calling on the people of the United States to observe Atomic Veterans Day; Spanberger (No. 405) that requires a report on the national security implications of open radio access networks (Open RAN or O-RAN) technology, including descriptions of U.S. efforts to ensure we are leading in standards development and assessments of national security risks associated with certain dynamics in the O-RAN industry; Spanberger (No. 406) that strengthens interagency coordination and response to suspected attacks presenting as anomalous health incidents, sometimes referred to as “Havana Syndrome,” including by requiring the administration to designate senior officials at the National Security Council and at relevant agencies to manage and coordinate the response and report to Congress on these efforts; Speier (No. 407) that requires the Secretary of Defense to implement a GAO recommendation to update acquisition rules to require contractors to represent that their employees comply with DoD post-employment lobbying restrictions; Speier (No. 408) that extends the “cooling-off” period for senior executive branch officials who leave government service from 1 year to 2 years before former officials may lobby their previous agency; Speier (No. 409) that requires the Department of Defense to submit a report and brief Congress on its plan to implement the Independent Review Commission on Sexual Assault in the Military’s recommendation to standardize and better integrate gender advisors and women, peace, and security principles across organizations within the Defense Department; Speier (No. 410) that adds TRICARE coverage for preconception and prenatal carrier genetic screening tests; adds reporting requirement for

utilization of the newly covered tests; Speier (No. 411) that removes barriers to and improves the processing of applications and evacuation of Afghan refugees, especially prominent Afghan women and individuals working in support of democracy and human rights including women's rights; Stauber (No. 412) that requires the status of a company be updated in the System for Award Management when a final decision is made pursuant to such concern's small business or socioeconomic (i.e. HUBZone, service-disabled veteran-owned, women-owned, 8(a)) status; Stauber (No. 413) that allows the Secretary of the Navy to solicit contracts from non-homeport shipyards for maintenance work should the shipyards meet the Navy's requirements for ship repair work; Stefanik (No. 414) that establishes a Subcommittee on the Economic and Security Implications of Quantum Information Science through the National Science and Technology Council; Stefanik (No. 415) that amends Sec. 1216 to clarify requirements related to quarterly briefings on the security environment in Afghanistan and U.S. military operations related to the security of, and threats emanating from, Afghanistan; Steil (No. 416) that requires the Secretary of Defense in consultation with the Secretary of State to submit a report to the appropriate congressional committees on the short- and long-term threats posed by Iranian-backed militias in Iraq to Iraq and to United States persons and interests; Steil (No. 417) that requires the Secretary of the Treasury to submit a report to Congress on the status of United States and United Nations sanctions imposed with respect to the Taliban; Steil (No. 418) that requires the Secretary of the Treasury to regularly report to Congress any sanctions waivers provided to allow transactions between financial institutions and a state sponsor of terrorism or a sanctioned person; Stewart (No. 419) that requires a briefing, not later than March 1, 2022, to the Committee on Armed Services of the House of Representatives on current and future plans for the replacement of aging aerospace ground equipment; Takano (No. 420) that ensures DOD OIG considers sexual orientation in any future Department-wide Racial Disparity Reviews; Tenney (No. 421) that revises the report on Iran's military capabilities to include all instances of the supply, sale, or transfer of arms or related material, to or from Iran; Tenney (No. 422) that requires a report on the United Nations arms embargo on Iran and its effectiveness in constraining Iran's ability to supply, sell, or transfer arms or related material while the arms embargo was in effect; Tenney (No. 423) that requires a report on all IRGC-affiliated operatives serving in diplomatic and consular posts outside of Iran, and the ways in which the Departments of Defense and State are working with partner

nations to inform them of the threat posed by IRGC-affiliated operatives; Tenney (No. 424) that establishes a China Watcher Program within the Department of State, in coordination with the Department of Defense, to monitor and combat the People's Republic of China's malign influence across military, economic, and political sectors in foreign countries, and will monitor the PRC's military trends abroad and counters its advancements in foreign nations that pose a threat to US interests and the rules-based order; Tenney (No. 425) that establishes a program for the Department of Air Force to develop a proof-of-concept quantum network testbed that may be accessed by prototype quantum computers; Tenney (No. 426) that requires a report on the net worth of Syrian president Bashar al-Assad; Thompson (MS) (No. 427) that adds a new title with measures related to the Department of Homeland Security (DHS), comprised of House-passed legislative provisions to strengthen and improve DHS headquarters, research and development, cybersecurity, and transportation security, among other matters; Thompson (PA) (No. 428) that requires the Secretary of the Navy to submit to Congress a report detailing the processing of Requests for Equitable Adjustment by the Department of the Navy, including progress in complying with the covered directive; Tiffany (No. 429) that enhances cooperation with Ukraine's titanium sector as an alternative to China and Russia for the US Defense industrial base; Titus (No. 430) that orders a report by the State Department and USAID assessing the United States assistance to Turkmenistan, including the impact on public health outcomes related to COVID-19 in Turkmenistan; Titus (No. 431) that requires a report by the Secretary of State on the activities of the Grey Wolves organization undertaken against U.S. interests, allies, and international partners, including a review of the criteria met for designation as a foreign terrorist organization; Tlaib (No. 432) that adds a requirement that individuals in charge of oversight of privatized military housing be evaluated on their performance addressing instances and concerns about housing discrimination; Tlaib (No. 433) that clarifies that surveys on diversity, equity and inclusion and annual reports on sexual assaults and racial and ethnic demographics in the military justice system must address islamophobia; Tlaib (No. 434) that directs the Secretary of State to submit a plan to Congress for vetting foreign security assistance participants for participation in groups that have a violent ideology; Torres (CA) (No. 436) that adds the text of the Central American Women and Children Protection Act of 2021, which directs the State Department to enter into bilateral multi-year agreements, known as "Women and Children Protection Compacts," with

the governments of El Salvador, Guatemala, and Honduras, specifically to strengthen the countries' criminal justice systems and civil protection courts, create safe communities and protect vulnerable families, ensure the safety of children in schools and promote early prevention and detection of gender-based violence and domestic abuse, and increase access to high quality health care; Torres (NY) (No. 437) that directs DHS to modernize its information and communications technology or services (ICT(S)) acquisitions process by requiring the Under Secretary for Management to issue Department-wide guidance to require DHS contractors to submit software bills of materials (SBOM) that identify the origins of each component of the software furnished to DHS; Torres (NY) (No. 438) that ensures that private sector, non-financial entities can participate in the Financial Crime Enforcement Network Exchange, and ensures that information use and confidentiality limitations apply to these entities; Torres (NY) (No. 439) that requires the Director of the Cybersecurity and Infrastructure Security Agency to review and assess programs administered by the Agency to improve Federal network security; Trahan (No. 440) that requires the National Space Council to submit a report that includes an assessment of the risks space debris orbiting the Earth imposes on night sky luminance, collision risk, radio interference, astronomical data loss by satellite streaks, and other potential factors relevant to space exploration, research, and national security; Trone (No. 441) that prioritizes efforts of the Department of State to combat international trafficking in covered synthetic drugs and new psychoactive substances; Turner (No. 442) that requires the President to submit to Congress an assessment of China's compliance with Article VI of the Nuclear Non-Proliferation Treaty; Turner (No. 443) that requires the Secretary of Defense to certify the extent to which Afghan Security Forces' equipment in Uzbekistan has been transferred to a foreign nation and not been transferred to Taliban or Afghanistan and to report on the disposition of said equipment and the circumstances which led to such disposition; Turner (No. 444) that authorizes the Secretary of the Energy to release its reversionary interest in real property and a building formerly used by the National Nuclear Security Administration to the Community Improvement Corporation of Clark County, a non-profit entity created by the City of Springfield, Ohio; Turner (No. 445) that requires the Secretary of Defense to report annually on anomalies related to the sensors used in international monitoring system of the Comprehensive Nuclear-Test-Ban Treaty Organization; Turner (No. 446) that amends Section 1301 for the purpose of including "NATO specific infrastructure" in a Secretary of

Defense reporting requirement on the status of U.S. military investment in Europe including the European Deterrence Initiative; Turner (No. 447) that expresses a Sense of Congress in support of the Aegis Ashore sites in Poland and Romania and their importance to the defenses of Poland, Romania, the United States, and NATO members; Turner (No. 448) that makes technical corrections related to Section 1608, National Security Council Briefing on Potential Harmful Interference to Global Positioning System; Valadao (No. 449) that requires a report within 180 days of all U.S. humanitarian and developmental assistance programs in Nagorno Karabakh, including an analysis of the effectiveness of such programs and any plans for future assistance; Van Duyne (No. 450) that requires the Office of the Director of National Intelligence and the Central Intelligence Agency to jointly report to Congress on vulnerabilities in supply chains that are critical to U.S. national security, economic security, or public health; Vargas (No. 451) that expands certain authorities under the Defense Production Act of 1950 and directs the President and federal agencies to take specific actions to support the production of critical medical supplies during the COVID-19 (i.e., coronavirus disease 2019) emergency, including with respect to private-sector coordination, needs assessments, and overall strategies; Velázquez (No. 452) that exempts certain thresholds from periodic adjustments for inflation; Wagner (No. 454) that requires the Secretary of State to develop a strategy for engagement with Southeast Asia and the Association of Southeast Asian Nations (ASEAN); Walberg (No. 455) that requires an evaluation of the capabilities of the Taliban post-withdrawal to monetize through the transfer of abandoned covered United States equipment, property, and classified material to adversaries of the United States; Walberg (No. 456) that promotes United States leadership in standards-setting bodies that set standards for 5G networks and for future generations of wireless communications networks; encourages participation by companies and a wide variety of relevant stakeholders (not including any company or relevant stakeholder that the Assistant Secretary has determined to be not trusted) in such standards-setting bodies; Waltz (No. 457) that prohibits DoD assistance to the government of Afghanistan if such government includes any individual belonging to a designated foreign terrorist organization; Waltz (No. 458) that establishes a research security training requirement for Federal research grant personnel; Waltz (No. 459) that prohibits malign talent recruitment program participants from receipt of research and development awards from Federal research agencies; Waters (No. 460) that includes the Federal Officer Candidate and

Training Schools in the collection of demographic information and improves a central source of military leader training in the service-wide diversity and inclusion efforts; Waters (No. 461) that requires the collection of demographic information of students enrolled in the JROTC program and tasks that an assessment of JROTC program's diverse recruitment and retention efforts be conducted; Waters (No. 462) that states that it is the policy of the United States that it will not recognize the Burmese military junta as the official government of Burma for the purpose of the provision of assistance from the international financial institutions (IFIs); Wenstrup (No. 463) that exempts from the Separation Health and Physical Examination (SHPE) requirement certain members of the Reserve Component and National Guard who are not fully separating from the military, but rather returning from Active Duty status to reserve or guard status; Wild (No. 464) that requires an annual report on and congressional notification of U.S. efforts to counter malign foreign influence in Africa; Wild (No. 465) that requires a report on human rights abuses related to arms exported by the top five global arms exporters, which includes both China and Russia; Wild (No. 466) that increases funding by \$1 million dollars for the Defense Institute of International Legal Studies for civilian harm mitigation and increases funding by \$1 million dollars for the Institute of Security Governance for civilian harm mitigation to ensure robust and effective efforts to reduce civilian casualties and harm; Williams (GA) (No. 467) that tasks the Small Business Administration with maintaining a resource guide for small businesses operating as child care providers that includes guidance on topics such as operations, finances, and compliance with relevant laws; Williams (GA) (No. 468) that reestablishes the National Equal Pay Enforcement Task Force, a federal interagency task force focused on improving compliance, public education, and enforcement of equal pay laws; Wilson (SC) (No. 469) that authorize the Secretary of Defense to make impact aid payments to local educational agencies who have higher concentrations of military children with severe disabilities; Wittman (No. 470) that requires a report on current commercial satellite communication (COMSATCOM) initiatives, particularly new NGSO COMSATCOM technologies, the Navy has employed to increase SATCOM throughput to afloat platforms currently constrained by legacy capabilities; Young (No. 471) that requires an Air Force strategy for the acquisition of combat rescue aircraft and equipment that aligns with the National Defense and Arctic strategies; Schneider (No. 472) that codifies into law the existing, successful Boots to Business program that provides entrepreneurial training for servicemembers

transitioning to civilian life; Smith (NJ) (No. 473) that directs the Army Corps of Engineers to provide each Army Corps district with clarifying and uniform guidance that conforms with USDOL's regulations and guidance with respect to proper implementation and enforcement of existing laws regarding worker classification by federal construction contractors and subcontractors; Lieu (No. 474) that authorizes the Department of Veterans Affairs' (VA) to use any funds collected pursuant to easements, or other use-agreements at the West LA VA for the development of supportive housing and services on campus for homeless veterans; Slotkin (No. 475) that revises the language for the definition of plant based protein for clarity purposes; and Escobar (No. 476) that directs GAO to examine DoD and the military services' policies on servicemembers' tattoos (by a yea-and-nay vote of 360 yeas to 66 nays, Roll No. 290);

Pages H5125–26

Leger Fernandez amendment (No. 241 printed in part C of H. Rept. 117–125) that was debated on September 22nd that provides an apology to individuals and their families in NM, UT, ID, and other states who were exposed to radiation from nuclear testing (by a yea-and-nay vote of 240 yeas to 185 nays, Roll No. 291); and

Pages H5126–27

Torres (CA) amendment (No. 435 printed in part C of H. Res. 117–125) that was debated on September 22nd that reinstates standard Congressional Notification procedures for the export of certain items to foreign countries (by a yea-and-nay vote of 215 yeas to 213 nays, Roll No. 292). **Page H5127**

Rejected:

Bowman amendment (No. 25 printed in part C of H. Rept. 117–125) that was debated on September 22nd that sought to prohibit U.S. military presence in Syria without Congressional approval within one year of enactment (by a yea-and-nay vote of 141 nays to 286 nays, Roll No. 276); **Pages H5115–16**

Johnson (GA) amendment (No. 36 printed in part C of H. Rept. 117–125) that was debated on September 22nd that sought to restrict the Department of Defense (DoD) from transferring certain surplus military property to federal, state, or local law enforcement agencies (by a yea-and-nay vote of 198 yeas to 231 nays, Roll No. 281); **Pages H5118–19**

Garamendi amendment (No. 38 printed in part C of H. Rept. 117–125) that was debated on September 22nd that sought to prohibit funding for the Ground Based Strategic Deterrent (GBSD) program and W87–1 (by a yea-and-nay vote of 118 yeas to 299 nays, Roll No. 282); **Pages H5119–20**

Schrader amendment (No. 39 printed in part C of H. Rept. 117–125) that was debated on September 22nd that sought to reduce Unfunded Priority Lists to only the six Service Branches of the United States

Military and United States Special Operations Command (by a yea-and-nay vote of 167 yeas to 256 nays, Roll No. 283); **Pages H5120–21**

Ocasio-Cortez amendment (No. 40 printed in part C of H. Rept. 117–125) that was debated on September 22nd that sought to reduce overall authorization level by 10%; excludes military personnel, DoD federal civilian workforce, and defense health program accounts from the 10% reduction (by a yea-and-nay vote of 86 yeas to 332 nays, Roll No. 284); **Pages H5121–22**

Jacobs (CA) amendment (No. 41 printed in part C of H. Rept. 117–125) that was debated on September 22nd that sought to reduce amounts authorized for defense spending in FY22 to no more than the amount requested by the President (by a yea-and-nay vote of 142 yeas to 286 nays, Roll No. 285); **Page H5122**

H. Res. 667, the rule providing for consideration of the bills (H.R. 3755), (H.R. 4350), and (H.R. 5305) was agreed to Tuesday, September 21st.

Agreed that in the engrossment of the bill, the clerk be authorized to correct spelling, punctuation, section-numbering and cross-references and to make such other technical and conforming changes as may be necessary to reflect the actions of the House. **Page H5128**

Quorum Calls—Votes: Nineteen votes developed during the proceedings of today and appear on pages H5114–15, H5115–16, H5116, H5116–17, H5117–18, H5118, H5119, H5119–20, H5120–21, H5121–22, H5122, H5122–23, H5123–24, H5124, H5124–25, H5125, H5125–26, H5126–27, and H5127.

Adjournment: The House met at 10 a.m. and adjourned at 9:55 p.m.

Committee Meetings

VOLUNTARY CARBON MARKETS IN AGRICULTURE AND FORESTRY

Committee on Agriculture: Full Committee held a hearing entitled “Voluntary Carbon Markets in Agriculture and Forestry”. Testimony was heard from public witnesses.
