The House met at 9:30 a.m. and was called to order by the Speaker pro tempore (Ms. WASSERMAN SCHULTZ).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC, May 20, 2022.

I hereby appoint the Honorable DEBBIE WASSERMAN SCHULTZ to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Holy God, You have allowed to fall upon us both blessings and obstacles, that we would never take for granted the precious gift of our existence and the fragility of our life.

When we experience moments of Your favor, may we rejoice in Your will, and in times of displeasure, may we take seriously Your desire that we turn and return to You with all our hearts and souls. Whether we find ourselves banished to unknown frontiers or struggling at the periphery of our community, You, O Lord, will gather us in and bring us back to Your loving embrace.

May we ever obey Your guidance and give heed to Your direction, that we would know of Your delight when we choose to love the Lord our God and walk in obedience to You.

Today may we choose the ultimate over the urgent, the significant over the trivial, the substantive over the spectacle, and the eternal over the temporal.

In Your sovereign name we pray. Amen.

HONORING THE LIVES LOST IN THE MASS SHOOTING IN BUFFALO, NEW YORK

HON. CHRIS JACOBS
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Friday, May 20, 2022

Madam Speaker, these are the names and the ages of the 10 people who were brutally and senselessly murdered in my hometown of Buffalo, New York. I rise to record their names in these hallowed Chambers.

I stand here in solidarity for their deaths and for the suffering that their families and friends are enduring right now. I have thought of little else since this tragedy occurred on a beautiful Saturday afternoon in Buffalo.

The murderer—whom I will not give the satisfaction of saying his name—targeted this grocery store and this neighborhood because it was heavily populated with African Americans. As our sheriff, stated, this was a racially motivated act and this was a hate crime.

I do not have the honor of representing this community in Congress, but I have represented it previously. I served for many years on the Buffalo Board of Education and frequented this area, there are many of our schools in close proximity. Through my service on the Buffalo Board of Education, I came to know Katherine "Kat" Massey, who was one of the victims. Kat was a tireless advocate for Buffalo's children and her impact to her community will be felt for generations.

I grew up in Buffalo. Buffalo is a great place for many reasons—beautiful architecture, the shores of Lake Erie and the Niagara River, its bucolic neighborhoods all contribute—but what makes our community so very special is the people. Kind, warm, fun, with a priority on family, friends and community. That is, in my mind, what makes Buffalo the spectacularly family, friends and community. That is, in my mind, what makes Buffalo the spectacularly family, friends and community.

I conclude by saying this: our city is right now in the national spotlight. The politicians and the media have their sights set here due to this vile and horrific tragedy. But predictably and inevitably the national attention will fade, and it will be our community's task to heal and it's my great hope that we come together in this healing process. I hope we unify, and we do not succumb to division and polarization. In honor of those lost, in our healing we become a stronger and more loving community.

I conclude by quoting a sign someone put in a front yard in our community that says: "I love you. You’re probably thinking, you don’t even know me. But if people can hate for no reason, I can love."

COMMENDING AND CONGRATULATING MICHELLE DE GUzman ON RECEIVING A PRESIDENTIAL AWARD FOR EXCELLENCE IN MATHEMATICS AND SCIENCE TEACHING

HON. MICHAEL F.Q. SAN NICOLAS
OF GUAM
IN THE HOUSE OF REPRESENTATIVES
Friday, May 20, 2022

Mr. SAN NICOLAS. Madam Speaker, I rise today to commend and congratulate Michelle De Guzman on being selected as a recipient of the Presidential Award for Excellence in Mathematics and Science Teaching (PAEMST). Michelle is an exceptional teacher whose dedication to our youth and commitment to our education system have and continue to shape the future of our island, inspire others, and make a difference in her field, our community, and the world.

Administered by the National Science Foundation on behalf of the White House Office of Science and Technology Policy, the PAEMST are the highest honors awarded specifically to K–12 STEM teachers by the United States Government. With evaluation on numerous criteria, such as deep content knowledge, pedagogical skills, student assessment expertise, reflexive teaching, and leadership approaches for improved student learning, awardees undergo an extensive nomination and selection process that highlights excellence in its fullest definition. As this year's recipient for the collective U.S. Territories, Michelle joins 101 other educators from across the Nation as new additions to the PAEMST cohort—a group recognized since 1983 for consistently "K–12 STEM teachers who go beyond to make an impact in their classrooms, in students' lives, and in their larger profession."

Although Michelle's post high school plans did not initially involve teaching, her passion for education was undeniable. Raised by a family of educators and inspired by the very people she came to work with, Michelle went on to an exemplary career in teaching and learning. She further obtained certification as a K–5 elementary Master Educator and professional endorsement in music for grades 6–12. Michelle has also assumed critical positions as part of the standards-based grading cadre, family and community engagement committees, and assistant coordinator in her larger profession.

On behalf of the People of Guam, I would like to extend a sincere congratulations to Michelle De Guzman. Her personal undertaking to elevate research, innovation, and discovery through music and movement uniquely push the boundaries of creativity in the classroom, leave a lasting impression on the lives of our youth, and redefine the educational standards of our nation. Her ingenuity and determination foster new hope in the future we can realize through impassioned service, and I wish her the best on the rest of her professional journey.

HONORING OWAMNI
HON. ILHAN OMAR
OF MINNESOTA
IN THE HOUSE OF REPRESENTATIVES
Friday, May 20, 2022

Ms. OMAR. Madam Speaker, I rise today to honor Owamni, its visionary founder Sean Sherman, the Sioux Chef, and co-owner Dana Thompson. Through years of extensive studies and direct engagement with Tribal communities, Mr. Sherman and Ms. Thompson have become two of the nation’s foremost Indigenous food scholars. Their tireless drive to learn and share our region’s culinary history has breathed new life into indigenous cooking—a history that had been stolen through generations of oppression and forced assimilation. Their unparalleled scholarship and advocacy in the food sovereignty movement has led their inaugural restaurant, Owamni, to be nominated for the prestigious James Beard Award for Best New Restaurant. I am so honorably named Owamni, one of the nation’s Best New Restaurants, and I look forward to the continued success of Mr. Sherman, the Sioux Chef, and co-owner Dana Thompson. Windell Curole, Manager of the South Lafourche Levee District, fought tooth and nail to build a more secure flood protection system. Mr. Curole knew the area's levees weren't high enough to defend against a major storm; he began gathering funds and bringing in the necessary resources to raise the levees. Mr. Curole understands his community and gained their support—guided by his leadership, the Parish self-taxed in order to improve their own levee system.

Mr. Curole is no stranger to challenge: the U.S. Corps of Engineers issued cease and desist orders, even going so far as to threaten him with legal repercussions for lacking the correct permits. Driven by a just cause, Mr. Curole simply kept building. Mr. Curole's efforts successfully protected South Lafourche from Hurricane Ida, which devastated most of the surrounding area. His vision and efforts prevented extensive flooding and helped the region back on its feet after this terrible storm. Come hell, high water, or even legal threats, Windell Curole has always and will always take appropriate action to defend his community. I am proud to call Mr. Curole a Louisianaian—and friend.

HONORING ELLIOTT TANNER

HON. ANDY KIM

Friday, May 20, 2022

Ms. OMAR, Madam Speaker, I rise today to honor a special young man, a brilliant one, so brilliant that he started attending college at the age of 9 and is acts of the youngest college graduates in American history, and the youngest in the state of Minnesota to earn a bachelor's degree.

Elliott Tanner is the name of this brilliant young man who, at the age of 13, recently graduated with a Bachelor of Science degree in Physics and minor in mathematics from the University of Minnesota. Later this fall, Elliott will be pursuing his Doctorate at the University of Minnesota's PhD program for physics where he is on path to becoming their youngest PhD candidate ever.

Elliott one day hopes to teach at his alma mater but before that, he has the ambitions of becoming a high energy theoretical physicist with a main interest in neutrino physics or subatomic particles with no electric charge. It is with great pleasure that I get to recognize Elliott for his achievement at such a young age. I would also like to recognize his mother and father, Michelle and Patrik Tanner for their hard work and sacrifices. I congratulate Elliott on graduating. I wish him the best of luck during his PhD program and look forward to the difference he will make in this world.

HONORING THE LIFE AND LEGACY OF FORMER SPEAKER JOAQUIN "KIN" CAMACHO ARRIOLA

HON. MICHAEL F. Q. SAN NICOLAS
OF GUAM
IN THE HOUSE OF REPRESENTATIVES
Friday, May 20, 2022

Mr. SAN NICOLAS, Madam Speaker, I rise today to honor the life and legacy of former Speaker and Associate Justice, Joaquin "Kin" Camacho Arriola. Speaker Arriola was an inspiring leader, esteemed public servant, and unwavering advocate for the People of Guam. Beyond his roles as an attorney, judge, and senator, our community will fondly remember him as a pillar of progress who devoted his life to our island's social, political, and economic transformation.

When Speaker Arriola was 16 years old, the Japanese invasion and occupation of Guam brought the War in the Pacific to our very shores. Amid the atrocities and adversity of a war-torn island, however, he displayed incredible tenacity, courage, and fortitude that poured into the rest of his career and lifetime. In addition to serving as part of the Greatest Generation of Guam, he led a squad of the 77th Infantry Division of the U.S. Army carrying out post-war cleanup operations. Shortly thereafter, Speaker Arriola completed his studies at George Washington High School then went on to graduate cum laude from the College of St. Thomas in Minnesota. In the years that followed, he pursued a Juris Doctor at the University of Minnesota Law School and upon graduating in 1953, he became one of the first ChAmorus to earn a law degree—later obtaining admission to the Bars for Minnesota, Guam, the U.S. District Court of Guam, Trust Territory of the Pacific Islands, U.S. Supreme Court, and the Supreme Court of the Northern Marianas Islands, and U.S. District Court of the Northern Marianas Islands.

Determined to realize a better future for our island and people, Speaker Arriola returned home with the tools and confidence to rise as a champion for Guam's civil rights and greater self-governance. Over the course of his 67-years long career, he served at the forefront of our island and region's legal history. In addition to founding Arriola Law Finn, one of the oldest established law offices in Guam, Speaker Arriola represented government agencies, litigated hundreds of cases across the Marianas, and served on the bench as an Associate Justice of the Guam Supreme Court. He also served as an elected senator in the 3rd and 4th Guam Legislatures, Legislative Counsel and President of the following 5th, 6th, and 7th, and Speaker of the 9th and 10th legislatures, advancing policies to establish Guam's comprehensive civil, criminal, and legal structures.

Speaker Arriola's extensive community involvement further illustrates the unconditional commitment he maintained to and for our people. In addition to serving as President of the Guam Bar Association, Chairman of the Democratic Party, Territorial Planning Commission, and the Guam Housing and Urban Renewal Authority, he served as Executive Committee Chairman for the Pacific Conference on Legislators as well. Moreover, Speaker Arriola played instrumental roles in the formation of the Bank of Guam, as part of the Bank Pacific Board of Directors, and in the historic movement against the establishment of a Federal Comptroller position for the island. The outcomes he helped realize are a fundamental part of both our ChAmorus and national story, and over the years these profound contributions have been recognized with a Guam Judiciary Hustisia Award, Cristobal C. Duenas Excellence Award, Governor's Award, Legislative Resolution, and University of Guam Doctor of Laws, Honoris Causa.

Joaquin "Kin" Camacho Arriola is an icon of justice whose near-century of life is materially intertwined with the history and future of our Marianas archipelago. The visionary leadership he embodied will perpetually inform the
affairs of governance and inspire the lives of many throughout our region. My family and I wish to extend our hearts and prayers for him and his family, and I join the People of Guam in remembering and celebrating his life and legacy of selfless service, unwavering advocacy, and tireless dedication to give back to the home and people that raised him. He will be deeply missed, and his love and memories will forever remain in the hearts of the People of Guam.
