DESIGNATION OF THE SPEAKER PRO TEMPORE
The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
November 7, 2022.

I hereby appoint the Honorable JOHN P. SARBANES to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Sovereign God, in You all things were created—things in Heaven and on Earth, visible and invisible, whether thrones or powers or rulers or authorities.

As we stand on the threshold of yet another day of national decision, center our hearts and minds first on You. As we run the course toward our country’s future, remind us of the grace that You have shown the Republic from its inception, and grant to us again the mercy You have bestowed on us throughout our Nation’s illustrious, albeit sometimes ignoble history.

May we yield to the guidance You have provided that has allowed these United States to preserve the ideals of liberty and freedom, to protect the dignity and purpose of each citizen, and to enjoy the privilege of prosperity. Then give us the wisdom to reflect on our responsibility to be faithful to Your divine favor.

Grant us the courage to uphold the decency that allows diverse opinions to be heard and considered. Strengthen in us the moral fiber that values voices different from our own. For in Your grace plan, You have bound us together, one nation, under You, O God, that we would bear witness to the faithfulness to be found in unity and not division, esteem and not enmity, love and not hatred.

May we prove worthy of the noble calling to which You have called us today, tomorrow, and in our future.

In Your eternal name we pray. Amen.

HONORING MAX P. WOLF-JOHNSON AND HIS SERVICE TO THE U.S. HOUSE OF REPRESENTATIVES

HON. FREDERICA S. WILSON OF FLORIDA IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Ms. WILSON of Florida. Madam Speaker, I rise to honor the service and accomplishments of Max P. Wolf-Johnson, my senior legislative assistant who is transitioning from my office to pursue an advanced degree. Max joined my office in 2018 and has blossomed into an extraordinary policy expert and leader.

Max has been instrumental in my efforts to change the landscape of American higher education and provide more support to HBCUs. Further, he has helped to advance labor-related legislation that ensures critical provisions for America’s workers and supports Job Corps in the next WIOA reauthorization. His actions have led to countless wins in education and labor policy, and he has gained a wealth of knowledge in both respective areas.

Additionally, Max has been willing to take on whatever assignment or job placed before him. His ability to take on new positions and excel is a testament to his work ethic and versatility. Though a proud native of the state of California, Max has treated Miami as his second home through his tireless work. A son of educators and a graduate of public K–12 schools, he understands the importance of the public school system.

After graduating high school, Max earned an associate degree at the College of Marin and a bachelor's degree at the University of California Berkeley, both in political science and government.

On behalf of Florida’s 24th Congressional District, I ask my colleagues to join me in honoring Max Wolf-Johnson for his extraordinary accomplishments, commitment to public service, and trailblazing leadership.

Putah Creek’s 70-mile-long stretch extends from the Cobb Mountains to the Yolo Bypass making it a major fishing and wildlife resource. To maintain the creek and protect its resources, Mr. Marovich was ever diligent as streamkeeper in improving water quality and conserving creek resources. Through his position, he also provided educational resources to the community regarding the creek’s importance and collabora-

HONORING DR. MICHAEL KOSZTARAB

HON. H. MORGAN GRIFFITH
OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. GRIFFITH of Virginia. Madam Speaker, I rise today to honor Dr. Michael Kosztarab of Blacksburg, Virginia, who passed away on September 6, 2022. Dr. Kosztarab was a long-time entomology professor at Virginia Tech who led an exciting and heroic life in his journey from his native eastern Europe to Southwest Virginia.

Dr. Kosztarab was born in 1927 in Bucharest, Romania, to Michael Kosztarab and Berta Albert of Transylvania Hungarian descent. He spent much of his early childhood under the care of his widowed maternal grandmother in eastern Transylvania before returning to his parents in Bucharest at the age of six. They later moved to Budapest, Hungary. As a teenager during World War II, he defied the Nazis by aiding Jews in the city’s ghetto, and while staying in a building with 36 Jews was arrested when the Nazis raided it. He was arrested and held in custody until Soviet forces arrived in Budapest.

After the war, Dr. Kosztarab worked for a floriculturist and then the Ministry of Agriculture’s Bureau of Plant Protection eradicating pests. He enrolled in university and, based on his work in the ministry, decided to pursue entomology. He became an assistant professor, but Communist rule meant his position was accompanied by indoctrination and attempts to turn him into an informant.

When the Hungarian Revolution broke out in 1956 and was brutally put down by the Soviets, Dr. Kosztarab and his wife Matilda knew they had to flee the country, but also knew they could not yet take their infant daughter Eva with them. The couple evaded border guards and crossed an icy river into Austria. Eva with them. The couple evaded border guards and crossed an icy river into Austria. Eva was arrested when the Nazis raided it. He was arrested and held in custody until Soviet forces arrived in Budapest.

Dr. Kosztarab stood up to the two great totalitarian systems of the 20th century, Nazism and Communism, and in the United States led a distinguished career. It was a life that showed the promise of America and the character of Dr. Kosztarab.

IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. BABIN of Texas. Madam Speaker, I rise today to honor the life of my dear friend, Phil McClure, of Warren, Texas, who passed away on Monday, October 31, 2022, at the age of 70.

Phil was born in Bell, Texas on December 27, 1951, to Thomas Lindburg and Tressie Mae Droddy McClure. He graduated from Kirby High School in Woodville, Texas, and was a member of the 1969 District Champion football team. As a young man, Phil was very active in Future Farmers of America and attained Eagle Scout rank, the highest achievement the Boy Scouts of America offer. Phil owned and operated McClure Furniture Store in Woodville for many years, working as a licensed real estate broker on the side. My wife, Roxanne, and I purchased our first home from him when we moved to Woodville after I separated from the United States Air Force.

He loved being involved in his community and devoted countless hours serving in the Walker County Volunteer Fire Department, the Woodville Lion’s Club, and First Baptist Church of Warren. Phil graciously hosted my congressional staff at his beautiful Cypress Creek Ranch, sharing his passion for wildlife management, the great outdoors, and hunting with each of them.

Madam Speaker, it is a special privilege to recognize my friend, Phil McClure. My most sincere prayers remain with his friends and loved ones during this difficult time.
AWARDING SERGEANT JOHN HERRINGTON A CONGRESSIONAL VETERAN COMMEMORATION

HON. PAT FALLO
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. FALLO. Madam Speaker, I am honored and privileged to award Sergeant John Herrington with a Congressional Veteran Commemoration. His service and sacrifice through the United States Army exemplify his national pride and embodiment as a role-model citizen to serve the country he loves. Sergeant Herrington is truly an ideal candidate to receive the Congressional Veteran Commemoration.

Sergeant Herrington was even willing to lose both of his legs in battle to support his country in the Vietnam War. A perfect example of a patriot who deserves one of the most decorated medals, a recipient of a Purple Heart.

Sergeant Herrington did not let his new challenge stop him from continuing to live a productive life. He has held several professions including truck driver and gunsmith. During his free time, he is involved in the community and VFW activities. He serves as a Commander of the local chapter of Patriot Guard in which he uses his love of motorcycles to honor veteran funerals.

Upon delivering Sergeant Herrington with the Congressional Veteran Commemoration, I was informed by my staff that though Sergeant Herrington may have lost both legs in battle, he still managed to persevere and walk across the stage to acknowledge the message. It is the great people of Lamar county that amaze me the most.

The fact that Sergeant Herrington has never backed down from a challenge and continues to push on with no complaints as to why I feel so lucky to recognize his sacrifices.

I am beyond honored to have Sergeant Herrington from our Congressional district and am privileged to award such a distinguished citizen for his true American grit.

HON. BARRY LOUDERMILK
OF GEORGIA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. LOUDERMILK. Madam Speaker, I rise today in remembrance of my friend and Georgia football legend, Coach Vince Dooley, who went to be with the Lord on October 28, 2022.

Coach Dooley was born in Mobile, Alabama in 1932. He began his football career at Auburn University, where he played quarterback from 1951 to 1953. After earning his undergraduate degree, Coach Dooley served for two years in the United States Marine Corps, before returning to civilian life to pursue a graduate degree. While studying for his Master’s in history at Auburn University, he began working as an assistant coach, a role he would hold for eight years. In 1963, Coach Dooley accepted an offer to serve as the head coach at the University of Georgia, unknowingly setting into motion a chain of events that would change college football forever.

Shortly after assuming the role of head coach at UGA, Coach Dooley led the Bulldogs to an eighteen-to-seven win against the University of Alabama, the reigning national champions at the time. Over the following quarter century, Coach Dooley would orchestrate the University of Georgia’s rise to the top of the college football ranks, earning a total of six Southeastern Conference Championships, culminating in the historic 1980 National Championship, which the Bulldogs carried undefeated. In total, Coach Dooley led the team to 201 victories, the most under a single coach in the school’s history. Later, Coach Dooley would accept a new role as director of UGA’s entire athletic department, in which he would cement the school’s reputation as one of the top athletic schools in the country. In 2009, Coach Dooley would go on to help Kennesaw State University establish their own football program, which is set to join the prestigious NCAA Division I-A by 2024.

Coach Dooley was the recipient of seven SEC Coach of the Year Awards and the Bear Bryant Lifetime Achievement Award. He was inducted into the College Football Hall of Fame, the Alabama Sports Hall of Fame, the Georgia Sports Hall of Fame, the Marine Corps Sports Hall of Fame, and the University of Georgia’s Circle of Honor, and many other honors. In 2019, the University of Georgia christened their stadium ‘Dooley Field’ in his honor.

Coach Dooley’s interests extended beyond the gridiron. He was a master gardener, author, and advocate for historic battlefield preservation. He was a dedicated family man who is survived by his wife of sixty-two years, Barbara; as well as their four children, eleven grandchildren, and three great-grandchildren.

HONORING PASTOR LANCE BAILEY

HON. FREDERICA S. WILSON OF FLORIDA IN THE HOUSE OF REPRESENTATIVES Monday, November 7, 2022

Ms. WILSON of Florida. Madam Speaker, I rise today as a descendant of Bahamians to recognize Pastor Lance Bailey for his contributions to the City of Miami’s designation of the Little Bahamas of Coconut Grove on July 19, 2022.

Since the 19th century, Bahamians played an integral role in the founding of the City of Miami, representing one-third of the registered signatories on July 28, 1896, the date of the city’s incorporation. Much like Miami’s original Bahamian signatories, Pastor Lance Bailey’s commitment to preserving the rich Bahamian culture and history of Miami has helped to ensure the designation of the Little Bahamas of Coconut Grove.

HONORING PASTOR LANCE BAILEY

HON. RODNEY DAVIS OF ILLINOIS IN THE HOUSE OF REPRESENTATIVES Monday, November 7, 2022

Mr. DAVIS of Illinois. Madam Speaker, I must say that I am perplexed by the Chairwoman’s statements on the COCOA Act. Her interpretation of the COCOA Act is misleading and inaccurate. There have been instances in past election cycles where election officials were not aware of Congress’ role and responsibility in having its own observers on site to watch the election administration process and, as a result, were denied access. As I stated earlier, this bill fixes a bi-partisan problem by providing a citation of convenience for existing law that gives the House authority to deploy official observers to watch the conduct of congressional elections in the States and territories. This way, there is no question regarding Congress’ authority to have observers present.

To my surprise, the Chairwoman identifies two late breaking concerns she has with the bill. First, she states that while the bill provides broad authority to Congress, it fails to provide election officials with liability to protect personally identifiable information. This concern appears to be a novel one, particularly in light of the long history of the Congressional observer program. We certainly would have welcomed the opportunity to discuss it further in our multiple efforts to work with majority staff on this topic.

Second, the Chairwoman expresses concern over an election official’s inability to remove congressional observers that are disruptive to the process. Contrary to the Chairwoman’s statement, the bill outlines the role of congressional observers and specifically prohibits these individuals from handling ballots, elections equipment, advocating for a position or candidate, taking any action to reduce ballot secrecy, or otherwise interfering with the elections administration process. The bill also permits state and local authorities to remove any observer who misbehaves. As such, state and local election officials across the country would have appropriate protections in place and should not be distressed by the presence of congressional observers.

Over the course of the past two years, my staff made a concerted effort to engage major staff on the COCOA Act as we view this as a bi-partisan measure. We provided draft language to them for review. They did not reference any of the aforementioned concerns or flag any language that they believed to be problematic in the few conversations we had with them. My staff repeatedly offered to confer on any issue that majority staff may have with the bill and received nothing but radio silence.

It is important to note that we had an initial agreement in principle to move the COCOA Act together with the PAVA Act. However, at the eleventh hour, the majority reneged on our agreement in principle to move the COCOA Act forward. Again, here on the House Floor is the first time we are learning of any issues that majority staff on the COCOA Act as we view this as a bi-partisan measure. We provided draft language to them for review. They did not reference any of the aforementioned concerns or flag any language that they believed to be problematic in the few conversations we had with them. My staff repeatedly offered to confer on any issue that majority staff may have with the bill and received nothing but radio silence.

It is important to note that we had an initial agreement in principle to move the COCOA Act together with the PAVA Act. However, at the eleventh hour, the majority reneged on our agreement in principle to move the COCOA Act forward. Again, here on the House Floor is the first time we are learning of any issues that majority staff may have with the bill.

This bill benefits both sides of the aisle and serves as an additional layer of transparency and integrity in the elections process. I am concerned that, without the COCOA Act in place this fall, the majority and minority’s ability to execute this House’s constitutional responsibility will continue to face serious challenges.

HONORING DR. JENNIFER BLACK AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mrs. AXNE. Madam Speaker, I rise to name Dr. Jennifer Black as Iowan of the week. Through her work with All Care Health Center in Council Bluffs, Jennifer has committed to providing quality dental services to under-
served communities.

Jennifer is a lifelong Iowan, who was born and raised in Council Bluffs. She attended Lewis Central High School, and then gradu-
ated from the University of Iowa’s College of Dentistry. Following her graduation, Jennifer practiced dentistry in Red Oak where she served rural Iowans who often face challenges accessing care.

Jennifer then moved with her husband back to her hometown of Council Bluffs, joining the staff at All Care Health Center where she has been for the past 4 years. All Care is a commu-

nity health center that has been serving the Council Bluffs area for over 25 years, and they particularly focus on removing barriers to qual-
Itly care for those with the greatest need. One of the elements that stands out about All Care’s dental program led by Jennifer is that All Care is one of the few providers in the area that accept Iowa Medicaid, which many vulnerable Iowans are enrolled in.

While joining the All Care team as a staff dentist, she became the organization’s dental director following the onset of the COVID–19 pandemic providing leadership at a treacherous time. Jennifer ensured her team had PPE and put other protocols into effect to reduce the spread of the virus, while maintaining the availability of services for those in need.

Jennifer’s team at All Care provided critical time-sensitive dental care to patients, who other-
wise may have had very limited options to receive their care. While Jennifer is now the Dental Director, she continues to also see and care for All Care patients directly.

All Care Health Center in Council Bluffs has helped ensure vulnerable populations receive the attention and care they need. As part of the All Care team, Jennifer has demonstrated her clear commitment to doing the most for those in need. I am proud to honor Dr. Jen-

nifer Black from All Care as Iowan of the Week.

HONORING MERLINE BARTON

HON. FREDERICA S. WILSON
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Ms. WILSON of Florida. Madam Speaker, I rise today as a descendant of Bahamians to recognize Merline Barton for her contribution to the City of Miami’s designation of the Little Bahamas of Coconut Grove on July 19, 2022.

Since the 19th century, Bahamians played an integral role in the founding of the City of Miami, representing one-third of the registered signatories on July 28, 1896, the date of the city’s incorporation.

Much like Miami’s original Bahamian signatories, Merline Barton’s commitment to preserving the rich Bahamian culture and history of Miami has helped to ensure the designation of the Little Bahamas of Coconut Grove.

Madam Speaker, please join me in honoring Merline Barton for her contributions to the community and her role in the historic designation of the Little Bahamas of Coconut Grove.

HONORING THE LIFE AND SERVICE OF JOHN WONG

HON. JOE COURTNEY
OF CONNECTICUT
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. COURTNEY. Madam Speaker, I rise today as a descendant of Bahamians to recognize John Wong’s contributions to the community and his role in the historic designation of the Little Bahamas of Coconut Grove.

Born in 1929 in Canton, China, John was the son to James and Agy Gay Wong. John and his family moved to the United States during the Second World War, in 1944, resettling in Connecticut. John attended Buckley High School in Hartford, where he gained an appreciation for the arts—and eventually a scholarship—for the study of Fine Arts.

Ever the dutiful son, John focused on supporting the family business, Wong’s Restaurant, after graduation. The joys he experienced working in the restaurant inspired him to establish a restaurant of his own, China Lake, in 1956. Supported by the love of his life, Kally, who he married in 1958, John and his restaurant came to be known as an iconic spot in Uncasville for more than 25 years.

After selling China Lake in 1982, John used his entrepreneurial skills to embark on other successful ventures, such as the Connecticut Air Freight Logistic Co. and Sing’s Kitchen-located in the Town of East Lyme. John’s Sing’s Kitchen was such a hit in the area that he had to upgrade it from a takeout destination into a full-fledged restaurant before passing the business onto his son, Nage, and moving into retirement.

Though there are many eras of John’s life for which he was known throughout his community, some of his most impactful years came about after his retirement. He used his time wisely, nurturing and fostering his connections with friends and family to establish an immeasurable reputation across the region.

A man with an eye for opportunity, he recognized the potential to help those within the community on a larger scale and formed the Chinese and American Cultural Assistance Association. The positive influence of the CACA was immediately recognized within the community and membership grew exponentially across New London County. Due to John’s efforts, southeastern Connecticut was exposed to a layer of culture it had not seen before—and in 2014, he was recognized by the Rotary Club of Norwich, CT, and given the Diversity Award.

It is through this advocacy that I first came to know John as an avid contributor to the community, a passionate restaurant in countless public events, and an instrumental figure in bridging the cultural gap between the Asian community and residents of the district. John and my staff developed a close relationship that spanned over ten years, working on issues focused on immigration, education, and economic development. Many of the efforts I will undoubtedly have generated impacts on members of our community and their families.

Madam Speaker, it is an honor to have had the opportunity to represent constituents like John, who was so devoted creative toward the growth of his own community. I had the opportunity to meet John during my tenure in Congress and can personally attest to his relentless commitment to improving our region.

Throughout his life, he gave every project before him his all, and pushed to solidify an entire segment of a community within eastern Connecticut. For that we are grateful. Though we, alongside his fellow friends and surviving family—his daughter, Nami Teford; sons, Nage and Walter Wong; and grandchildren—set out to research John to understand and preserve the weight of his life’s work, which will continue to positively influence the district and state long beyond his final days with us. To that end, it is most appropriate that my colleagues in the House join me in paying tribute to the inspirational, all-American story of the life of Mr. John Wong by preserving his memory through the permanence of the CONGRESSIONAL RECORD.

Commander Crittendon continues to commit his life to service even after his discharge. I am beyond honored to have Commander Crittendon in Texas’ 4th Congressional district and am privileged to award such a distinguished citizen for his sacrifices.

HONORING THE LIFE OF DALE W. JOHNSON

HON. DEREK KILMER
OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. KILMER. Madam Speaker, I would like to take a moment to commemorate the life of Dale W. Johnson—a leader of the Makah Tribe who recently passed away.

Dale Johnson served as chairman of the Makah Tribal Council and the Northwest Indian Fisheries Commission. He led efforts to restore the Makah halibut, black cod, and whiting fisheries. Dale was also active within community sporting activities including basketball, football, and the traditional war canoe races.

I am grateful for his partnership, and I was always honored to work with him on the critical issues impacting his Tribe.

I am humbled to speak in recognition of Dale. I join his family and the Makah Tribe in mourning his passing, but also in recognizing that his good work will contribute to the community for generations to come.

HONORING CURTIS WAYNE SUTHERLAND JR.

HON. H. MORGAN GRIFFITH
OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. GRIFFITH. Madam Speaker, I rise today to honor Curtis Wayne Sutherland Jr. of Wytheville, Virginia, who passed away on October 9, 2022. As a public servant of his hometown for four decades, Wayne Sutherland successfully planned and managed significant projects to grow and improve Wytheville.

Mr. Sutherland was born on October 31, 1951, to Curtis Sutherland and Margaret Myers of Wytheville. He attended Virginia Tech and graduated in 1975 with a degree in civil engineering. After earning his degree, he taught at Wytheville Community College. As he later recounted to the Wytheville Enterprise, Mr. Sutherland had applied to a job in Virginia Beach but had not heard back; the Postal Service tardily delivered a letter inviting him to interview for the job a few months after starting at the community college. But he preferred to stay in Wytheville anyway. He took a job as Wytheville’s assistant town manager in 1980. Four years later, he was elevated to town manager, a job he held until his retirement in 2020.

Under Mr. Sutherland’s leadership, Wytheville enjoyed enhancements to its infrastructure as well as amenities to boost the town’s quality of life and appeal to visitors. He put his training as a civil engineer to good use by overseeing water, road, and building construction and improvements. He also established parks, trails, and green spaces. One of his favorite spots was his first park project, Elizabeth Brown Memorial Park.

Residents of Wytheville can appreciate Mr. Sutherland’s contributions to the town when they enjoy the quality of its public services or take advantage of its scenic and recreational opportunities. He modestly attributed his success as town manager over several decades to his ability to delegate, but his contributions were enormous.

Mr. Sutherland was preceded in death by his parents and his son, Will. He is survived by his wife of 44 years, Faye Foglesong Sutherland; daughter, Jamie Pauley (Robert Patton); son, Curtis Sutherland (Hillary); and brother-in-law, John Scott (Sue). I offer them my condolences on the loss of this public servant who offered so much to his hometown.

With the promotion to Junior Officer, Lieutenant Colonel Collier was tasked with caring for neonatal infants and providing emotional support to families.

Lieutenant Colonel Collier began his medical responsibilities for the military as a Mid Level Officer. Using decorated medical knowledge and an impressive skill set, his involvement in life-saving surgery and non-combat surgical procedures included: open heart, vascular, neurology, and trauma nursing duties. Upon his promotion to Senior Officer, Lieutenant Colonel Collier continued challenging the limits of servicemen by coordinating all aspects of surgical services.

After the attack on the twin towers in 2001, Lieutenant Colonel Collier deployed to support Operation Enduring Freedom, spending time in Kuwait as part of the 555th Forward Surgical Team. His unit extended its duties in Iraq during Operation Iraqi Freedom where Lieutenant Colonel Collier’s unit became the first unit to reach Baghdad.

AWARDING SERGEANT KATIE BAILLIO A CONGRESSIONAL VETERAN COMMENDATION

HON. PAT FALLON
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. FALLON. Madam Speaker, I am honored and privileged to award Sergeant Katie Baillio with a Congressional Veteran Commendation. Her service and sacrifice through the United States Army exemplify her national pride and embodiment as a role-model citizen to serve the country she loves. Sergeant Baillio is truly an ideal candidate to receive the Congressional Veteran Commendation.

Sergeant Baillio served her country as a Maintenance Control Accounting Supervisor. Her vast knowledge in accounting was a tremendous gift to the U.S. Army as she saved over twenty million dollars through stock analysis and review procedures for various aviation assets.

Sergeant Baillio’s expertise shined as she prepared data for the XVIII Airborne Corps Aviation readiness supply status and provided briefing books for VTC coordination with wholesale and CONUS assets. I am amazed at the brilliance that Sergeant Baillio demonstrated in maximizing the U.S. Army’s portfolio of assets. Her work and service led her across the world as she made stops in Korea, Japan, and Iraq. Her time in Iraq was necessary for the United States during a time of instability in the middle east.

After her tenure in the military, Sergeant Baillio did not stop serving the fellow veterans she loves. Her continued work for the Texas Workforce Commission and the Bonham VA is much appreciated as I personally understand the true impact that the Bonham VA has on Texas' 4th District.

While currently working for the Texas Veterans Commission, she has won many awards at the local, regional, state, and national levels designating her as a distinguished patriot in aiding veterans. She also is a Post commander for the Texas Veterans of Foreign Wars with various awards including being the first female to hold this position. To fully get an idea of why Sergeant Baillio is a true American patriot, she is a Department of Texas VFW Deputy State inspector as well as the District 13 American Legion Vice Commander.

I am beyond honored to have Sergeant Baillio in Texas’ 4th Congressional district and am privileged to award such a distinguished citizen for her sacrifices.

IN RECOGNITION OF WARREN COUNTY JUDGE-EXECUTIVE MIKE BUCHANON

HON. BRETT GUTHRIE
OF KENTUCKY
IN THE HOUSE OF REPRESENTATIVES
Monday, November 7, 2022

Mr. GUTHRIE. Madam Speaker, I rise today to recognize Warren County Judge-Executive Mike Buchanon, who is leaving office after serving 28 years of public service. Judge Buchanon not only helped Warren County grow to the 5th largest county in Kentucky, but has also worked to make Warren County a great place to live and work.

Judge Buchanon led the efforts to establish a new industrial park that is now home to over 19 companies that are on track to employ over 5,000 people by 2025, and he also changed workforce regulations to make Warren County more attractive to employers and more favorable for employees.

Another legacy of Judge Buchanon’s tenure is the amazing parks and recreation facilities that he has developed over the past 28 years. The seven major parks and robust programming for sports add to the many reasons that Warren County is a wonderful place to call home.

Like other strong leaders, Judge Buchanon is leaving the county well-positioned for the future with very capable leadership to succeed him. I offer my deepest congratulations and appreciation to Judge Mike Buchanon; his wife, Ellen; and the members of the Warren Fiscal Court over the past 28 years.
