

SEC. 3. DEFICIT-NEUTRAL RESERVE FUND RELATING TO WILDFIRES AND FOREST MAINTENANCE.

The Chairman of the Committee on the Budget of the Senate may revise the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution, and make adjustments to the pay-as-you-go ledger, for one or more bills, joint resolutions, amendments, amendments between the Houses, motions, or conference reports relating to enhancing proactive forest management practices as an essential component of comprehensive wildfire recovery and risk reduction, which may include increasing mechanical thinning, prescribed burns, creating fuel breaks, removing dead and diseased trees, maintaining access roads, or other measures to prevent future western wildfires similar to those ravaging the State of California, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2025 through 2029 or the period of the total of fiscal years 2025 through 2034.

SA 1203. Ms. LUMMIS (for herself and Mr. RISCH) submitted an amendment intended to be proposed by her to the concurrent resolution S. Con. Res. 7, setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary levels for fiscal years 2026 through 2034; which was ordered to lie on the table; as follows:

At the end of title III, add the following:

SEC. 3. DEFICIT-NEUTRAL RESERVE FUND RELATING TO PERMITTING REFORM.

The Chairman of the Committee on the Budget of the Senate may revise the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution, and make adjustments to the pay-as-you-go ledger, for one or more bills, joint resolutions, amendments, amendments between the Houses, motions, or conference reports relating to expediting and improving Federal permitting processes for critical infrastructure and development projects, which may include establishing clear timelines for agency reviews, reducing duplicative requirements, enhancing coordination between Federal and State agencies, streamlining environmental reviews, creating more efficient approval processes for energy and mineral development, preventing frivolous litigation that causes unnecessary project delays, establishing reasonable time limits for legal challenges, limiting repeated challenges to approved permits, or implementing other measures to reduce unnecessary delays while maintaining appropriate environmental and safety standards, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2025 through 2029 or the period of the total of fiscal years 2025 through 2034.

SA 1204. Ms. LUMMIS (for herself and Mr. RISCH) submitted an amendment intended to be proposed by her to the concurrent resolution S. Con. Res. 7, setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary levels for fiscal years 2026 through 2034; which was ordered to lie on the table; as follows:

At the end of title III, add the following:

SEC. 3. DEFICIT-NEUTRAL RESERVE FUND RELATING TO MULTIPLE USE AND SUSTAINED YIELD MANAGEMENT OF PUBLIC LANDS.

The Chairman of the Committee on the Budget of the Senate may revise the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution, and make adjustments to the pay-as-you-go ledger, for one or more bills, joint resolutions, amendments, amendments between the Houses, motions, or conference reports relating to strengthening adherence to the core mission of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.) of multiple use and sustained yield management of public lands, which may include protecting existing grazing rights, expanding responsible energy development, enhancing recreational access, supporting traditional land uses, ensuring meaningful consultation with local communities and stakeholders, prioritizing management decisions that reflect local and regional needs, or maintaining the historical balance between conservation and productive use of public resources as originally intended by Congress, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2025 through 2029 or the period of the total of fiscal years 2025 through 2034.

SA 1205. Ms. LUMMIS (for herself and Mr. RISCH) submitted an amendment intended to be proposed by her to the concurrent resolution S. Con. Res. 7, setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary levels for fiscal years 2026 through 2034; which was ordered to lie on the table; as follows:

At the end of title III, add the following:

SEC. 3. DEFICIT-NEUTRAL RESERVE FUND RELATING TO THE ENDANGERED SPECIES ACT OF 1973.

The Chairman of the Committee on the Budget of the Senate may revise the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution, and make adjustments to the pay-as-you-go ledger, for one or more bills, joint resolutions, amendments, amendments between the Houses, motions, or conference reports relating to improving implementation of the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.) through enhanced flexibility and cooperation with private landowners, creating regulatory certainty for affected stakeholders, establishing clear recovery metrics, increasing incentives for proactive species conservation, streamlining consultation processes, improving coordination with State and local governments, recognizing and encouraging successful conservation efforts by private landowners, or developing other innovative approaches that benefit species recovery and stakeholder interests by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2025 through 2029 or the period of the total of fiscal years 2025 through 2034.

SA 1206. Ms. LUMMIS submitted an amendment intended to be proposed by her to the concurrent resolution S. Con. Res. 7, setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary

levels for fiscal years 2026 through 2034; which was ordered to lie on the table; as follows:

At the end of title III, add the following:

SEC. 3. DEFICIT-NEUTRAL RESERVE FUND RELATING TO THE GREATER YELLOWSTONE ECOSYSTEM GRIZZLY BEAR.

The Chairman of the Committee on the Budget of the Senate may revise the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution, and make adjustments to the pay-as-you-go ledger, for one or more bills, joint resolutions, amendments, amendments between the Houses, motions, or conference reports relating to acknowledging the successful recovery of the Greater Yellowstone Ecosystem grizzly bear population, which may include recognizing that population numbers have exceeded recovery goals for multiple decades, transitioning management authority to State wildlife agencies, implementing State-led conservation and management plans, establishing clear metrics for maintaining healthy population levels, supporting continued monitoring efforts, or other measures to ensure the continued success of the Greater Yellowstone Ecosystem grizzly bear population under State management by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over either the period of the total of fiscal years 2025 through 2029 or the period of the total of fiscal years 2025 through 2034.

SA 1207. Mr. MERKLEY proposed an amendment to the concurrent resolution S. Con. Res. 7, setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary levels for fiscal years 2026 through 2034; as follows:

At the end of title III, add the following:

SEC. 3. DEFICIT-NEUTRAL RESERVE FUND RELATING TO REDUCING FEDERAL HEALTH PROGRAM SPENDING FOR PRESCRIPTION DRUGS.

The Chairman of the Committee on the Budget of the Senate may revise the allocations of a committee or committees, aggregates, and other appropriate levels in this resolution, and make adjustments to the pay-as-you-go ledger, for one or more bills, joint resolutions, amendments, amendments between the Houses, motions, or conference reports relating to reducing health care costs, which may include legislation enabling Americans to have a much improved opportunity to purchase prescription drugs at, or near, the lower prices manufacturers charge in other similarly developed nations, requiring pharmaceutical manufacturers to report annually the amount of taxpayer dollars used to benefit manufacturers' research and development efforts, or enacting other mechanisms to purchase prescription drugs at lower prices, by the amounts provided in such legislation for those purposes, provided that such legislation would not increase the deficit over the period of the total of fiscal years 2025 through 2034.

SA 1208. Mr. COONS submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 7, setting forth the congressional budget for the United States Government for fiscal year 2025 and setting forth the appropriate budgetary levels for fiscal years 2026 through 2034; which was ordered to lie on the table; as follows:
