

his discharge in July of 1973. He left the Air Force as a highly decorated pilot, earning 23 Air Medals, 2 Air Force Commendation Medals, and numerous other awards for his service during the Vietnam War.

In 1975, Judge Allen earned a Juris Doctor from the University of Florida, and he was admitted to the Georgia bar in 1976. From 1976 to 1987, he maintained a private law practice in the Columbus area. At that time, Judge Allen and I were two of only four black lawyers in town.

Judge Allen continued to break barriers when he began serving as a Columbus Recorder's Court Judge for one year before assuming a position on the State Court for Muscogee County in 1987. In 1993, he was appointed to the position of Chattahoochee Judicial Circuit Superior Court Judge. He was re-elected in every election since his appointment, until he retired from the bench in 2013.

Judge Allen's diligent judicial service has also been mirrored by his extensive involvement with the local and state communities. In conjunction with his professional accomplishments in the Air Force and on the bench, Judge Allen served on a number of boards and commissions, most notably as Chairman of the Judicial Qualifications Commission, and received many awards and accolades for his service. Judge Allen's contributions to the Columbus area and the state of Georgia even earned him recognition from the Columbus Ledger-Enquirer as one of "100 People to Remember for the Century." Additionally, on April 3, 2021, Judge Allen was inducted into the Georgia Military Veterans Hall Fame for his distinguished service in the Air Force, as well as his decades of contributions to the legal field as an attorney and jurist.

None of Judge Allen's momentous accomplishments would have been possible without the enduring love and support of his late wife Victoria; his former wife Maureen, children John Jr., Geoffrey, and Kevin; and grandchildren, John III and Carson.

A true Georgian devoted to serving his great state, Judge Allen embodied Georgia's state motto, "Wisdom, Justice and Moderation." Judge Allen was a man of great integrity who set a high standard of values that made for a strong foundation of character in himself and in others. He was indeed a trailblazer, and he used his extensive knowledge and experiences to mentor other professionals he met along the way.

On a personal note, I am grateful to have known Judge Allen and counted him as a dear friend. His wise counsel and sage advice have contributed immensely to my success and have been a guiding light for me as I serve in Congress. For that I will always be grateful.

Mr. Speaker, I ask my colleagues to join me, my wife Vivian, and the more than 765,000 people of Georgia's Second Congressional District in honoring the life and legacy of Judge John D. Allen and in extending our deepest sympathies to his family, friends, colleagues, and all those who mourn his loss. We pray that all will be consoled by an abiding faith and the Holy Spirit in the days, weeks, and months ahead.
