

Technology transfer has had a profound effect on the American economy and is estimated to have created more than 19,000 startup companies, up to 6.5 million jobs, and \$2 trillion in economic impact since 1996. Technology transfer, via AUTM and the many inventors that they assist, help ensure that the United States remains the world leader in innovation. Therefore, on behalf of myself and Senator CHRIS COONS—my longtime partner on the IP Subcommittee—I recognize AUTM's 50th anniversary and commend the many technology transfer professionals on their successes to make our Nation safer, more vibrant, and healthier.●

REPORT OF THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 13660 OF MARCH 6, 2014, WITH RESPECT TO UKRAINE—PM 11

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* publication the enclosed notice stating that the national emergency declared in Executive Order 13660 of March 6, 2014, which was expanded in scope in Executive Order 13661, Executive Order 13662, and Executive Order 14065, and under which additional steps were taken in Executive Order 13685 and Executive Order 13849, is to continue in effect beyond March 6, 2025.

The actions and policies of persons that undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets, as well as the actions and policies of the Government of the Russian Federation, including its purported annexation of Crimea and its use of force in Ukraine, continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States.
