Congressional Record

PROCEEDINGS AND DEBATES OF THE 119th CONGRESS, FIRST SESSION

Vol. 171

WASHINGTON, SUNDAY, NOVEMBER 9, 2025

No. 189

House of Representatives

The House was not in session today. Its next meeting will be held on Monday, November 10, 2025, at 12 noon.

Senate

SUNDAY, NOVEMBER 9, 2025

The Senate met at 1:30 p.m. and was called to order by the President pro tempore (Mr. GRASSLEY).

PRAYER

The Chaplain, Dr. Barry C. Black, offered the following prayer:

Let us pray.

Our Father in Heaven, thank You that we see You in the world around us, beholding the works of Your fingers in the earth, sea, and sky. Your everlasting mercies sustain us, enabling us to accomplish more than we can ask or imagine.

Guide our lawmakers as they seek to set the captives free by reopening our government. Lord, inspire them to honor You by bringing help to the helpless, hope to the hopeless, and joy to those in despair. Keep our legislators patient in debate, charitable in judgment, and slow to anger, as they seek to protect and defend the Constitution of the United States of America against all enemies.

We pray in Your strong Name. Amen.

PLEDGE OF ALLEGIANCE

The President pro tempore led the Pledge of Allegiance, as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

RESERVATION OF LEADER TIME

The PRESIDENT pro tempore. Under the previous order, the leadership time is reserved.

MORNING BUSINESS

The PRESIDENT pro tempore. Under the previous order, the Senate will be in a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

RECOGNITION OF THE MAJORITY LEADER

The PRESIDING OFFICER (Mr. JOHNSON). The majority leader is recognized.

LEGISLATIVE SESSION

CONTINUING APPROPRIATIONS AND EXTENSIONS ACT, 2026—Motion to Proceed

Mr. THUNE. Mr. President, I move to proceed to Calendar No. 168, H.R. 5371.

The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows: Motion to proceed to Calendar No. 168, H.R. 5371, a bill making continuing appropriations and extensions for fiscal year 2026, and for other purposes.

Mr. THUNE. I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Ms. CANTWELL. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

GOVERNMENT FUNDING

Ms. CANTWELL. Mr. President, I come to the floor today because we are

now in the middle of November, and we know that we have open enrollment in our healthcare plans, and we have consumers trying to make choices. We need to give them clarity that we can help drive down the costs.

As somebody who worked very hard on the Affordable Care Act—on one provision that was different than the exchanges, the basic health plan—I can tell you that this plan has been successful at making a market for consumers at the low end of the market, above the Medicaid rate but up to 200 percent of the Medicaid rate, and providing them with affordable insurance through something called the basic health plan. It is in four States and soon to be in the District of Columbia.

If you think about it, an individual buying on the exchange would probably have to spend about \$9,500 to get an equitable silver plan, but these individual States purchasing on behalf of bundles of their constituents are only paying \$6,000 for that same plan on an annual basis.

So what are we doing? We are basically making a market. I say it is like going to Costco. If you buy in bulk, you get a discount. If you allow these States to buy on behalf of a large pool of their constituents who can't make a market on their own, you obviously can get a discount.

I am very interested in our continuing and saving Federal dollars and delivering good healthcare on something called the basic health plan. So I was not surprised that yesterday or in the last few days, the world—in DC, anyway, and around the country—has erupted into this debate about how do

S8033

we make healthcare more affordable—that is exactly right—and how do we make sure that Big Insurance doesn't just capitalize.

Now, all of a sudden, both sides of the aisle are talking about insurance companies making the money and how we drive down the costs. I appreciate that, and I welcome the chance to talk to any of my colleagues.

In fact, I saw that the Wall Street Journal had a column today basically saying:

Republicans Pitch Alternative to ACA Extension to End the Government Shutdown.

I was glad to see that. I thought that was a great alternative. I don't know how much of it was just discussed at your lunch or how many of these ideas of making healthcare more affordable were discussed, but I definitely think this particular idea by my colleague Senator CASSIDY has merit, only because I think the Senator on the Finance Committee, along with myself and the chairman of the HELP Committee, has tried to look at ways to make healthcare more affordable, and it deserves some fair consideration.

This idea is really something called a health reimbursement account. Since 2008, health reimbursement accounts have been a critical component of one State's Medicaid Program, the Healthy Indiana Plan in the State of Indiana. Today, over 800,000 Indiana Medicaid enrollees automatically have access to these accounts and are using them to lower their medical expenses. The State of Indiana pays for the first \$2,500 in healthcare costs, which covers a large portion of their insurance plan's out-of-pocket expenses, but the enrollees make monthly contributions, depending on their costs, to upgrade their healthcare coverage to more generously include things like vision and dental benefits.

One of the biggest benefits of the Indiana health reimbursement account is that the program encourages good financial management and the use of preventive care, like annual checkups.

Currently, if an enrollee spends less than the \$2,500 in medical costs and in using preventive care, they can roll over their remaining account to the next year to lower their monthly medical expenses. This has been a proven path to promoting responsible and measured healthcare spending. It also encourages, as I mentioned, the use of preventive care.

We all know we need to drive down costs in the long run.

What happens when we don't have good health insurance and as we see November and December coming without a real plan for millions of Americans to buy affordable insurance, we are just going to drive up the costs of uncompensated care. The Affordable Care Act has lowered the amount of uncompensated care and helped us lower the cost of insurance overall, but we need to keep going, and we need to do more.

So I think that these health reimbursement accounts proposed by my

colleague Senator CASSIDY—I hope this article in the Wall Street Journal is serious, that Republicans are interested in floating this idea—and the Affordable Care Act Marketplace coverage have a variety of ways in which we all can take part in a conversation to drive down the costs of care.

The health reimbursement accounts are already in place in Indiana, here in our Federal Employees Health Benefits Program, and also in the DC Health exchange. So it is not as if there is only one place that is doing this. In those instances, it is a voluntary program. People can voluntarily comply, voluntarily decide to take the program up and participate in it and, as I said, get involved in better healthcare decisions and better timeliness of these decisions.

I have no idea what is going to happen here today, but I know this: There is enough time to talk about good ways to lower the costs of healthcare, particularly for this population that has to make benefit decisions right now. Lower these costs, implement this, and get our government back open.

I hope that people will give serious consideration to what my colleague Senator CASSIDY and others have talked about in this very important area of driving down the costs of care.

I yield the floor.

The PRESIDING OFFICER. The Senator from Iowa.

Mr. GRASSLEY. Mr. President, today is the 40th day of the government shutdown. It has been so long that a recap is in order.

As I have said before, Iowans don't plan their lives around what we do here in Congress, but the Democrats' failure to support a clean, bipartisan funding bill has caused pain, suffering, and uncertainty for the American people.

Let's remember: It is the Democrats who caused the shutdown and got us into this mess. All but three Democrats have repeatedly voted against a clean continuing resolution to fund government Agencies and programs even at Biden-era levels. They won't even support funding that Democrats had voted for and supported for the last 4 years prior to Trump's reelection.

All we need are five more Democrats.

There are not any partisan policy priorities from either side. That is why we call it a clean government funding resolution. Republicans, by supporting this continuing resolution, have sought to put partisan politics aside to keep the government open for the American people while the Appropriations Committee members hash out full-year appropriations bills under what we call regular order.

Obviously, for the last 40 days, the taxpayers of this country and every citizen have seen demonstrated daily that Democrats have had plans other than just a clean funding resolution. They have not put their policy priorities to the side. They have taken the American people hostage by refusing to vote for government funding unless it has included their partisan priorities.

At the top of their list is an extension of the Biden-era COVID subsidies for ObamaCare. Understand that what we are talking about was instituted because we had a COVID shutdown of government, and people were hurt because the government decided in early 2020, at the beginning of the COVID pandemic, that 22 million people should be put on the unemployment rolls. That is what happens when the government shuts down the economy.

So this is a subsidy that Democrats decided to sunset at the end of this year. Now the Democrats have shut down the government to continue what was meant to be a temporary program. Something we have learned from the word "temporary" program or "temporary" taxes is that everybody soon decides temporary becomes permanent.

These expanded subsidies that go back to the beginning of the COVID era go to big insurance companies for Americans over 400 percent of the Federal poverty level. Can you believe it? What I mean when I say "over 400 percent of the poverty level" is that it could include people making over \$600,000 a year.

I want to make clear, this expiration is only about the expanded, temporary COVID subsidies. So to everybody else who depends on the subsidy for ObamaCare, I want to make it very clear to them that the premium subsidies for individuals and families under 400 percent of the Federal poverty level that existed prior to COVID are permanent law. Those people will not be affected because that permanent law is not being changed by anything we are debating here today—permanent law; no change for those under 400 percent of poverty.

Writing healthcare policy is our job—meaning the Senators' job and the House of Representatives' job. However, every one of us in this body knew that this deadline that we are talking about was approaching, and we had already made plans to address the policy issues later in the year. Yet, as we have found out now for the last 40 days, that timeline was not satisfactory to the Democrats.

I have been in elected office a long time. Taking the government hostage and shutting it down is always a losing proposition. It costs money to shut the government down, and it costs money to open the government up, and we find out little is accomplished. In the process, the government is supposed to be in service to the American people. When there are 700,000 Federal employees sitting at home who are probably going to be paid because they always have been paid, they can't serve the American people, and the government is not doing its job.

In my view, this shutdown was doomed from the start, but Democrats marched forward anyway, following their leaders into the mess that we now have had for the last 40 days.

On day 38—2 days ago, so 38 days after the government shut down—Leader SCHUMER came to the Senate floor

and unveiled his big plan. On day 38, he came with the Democrats' first plan to get the American people out of this government shutdown.

Why would he wait 38 days? Why would he wait?

If you were serious about a bipartisan solution to lower the cost of healthcare for the American people, I don't believe you would sit idle for 38 days before making an offer.

I have shared the pain the shutdown has inflicted upon Iowans, but it bears repeating. I have families calling my office asking where they can get food. Our food banks are overrun as Thanksgiving is just a few weeks away.

I want to give you an example that was reported by the person behind this constituent in the checkout line. One of my constituents, while grocery shopping in Walmart in Marion, IA, was left with no groceries for her family when she found out at the cash register that her food stamps were not on her debit card. That kind of uncertainty has real-world impacts.

The realization brought this constituent to tears, it was reported to me. And why wouldn't you go into tears?

Let's just take a moment to think about how you would feel coming home emptyhanded from the grocery store and the stress it inflicts on families. Perhaps your kids are crying because they are hungry.

Young farmers can't get their loan money from the Department of Agriculture during this government shutdown. These young farmers are already in an ag economy that is underwater. How are they going to keep their business going?

Then, I don't know what percentage of the American public flies every day, but it is significant that flights are being canceled left and right because air traffic controllers aren't being paid. That means people who are trying to get to a sick family member or attend a sister's wedding may not make it on time.

Law enforcement, including our own Capitol Police whom we rub shoulders with every day here, are working overtime and not being paid.

The entire Federal workforce is not being paid—3 million people who have families and bills to pay.

Those are just four or five examples. Unfortunately, the list could go on.

I often say Washington, DC, right where we are standing now—this town and the people who are in it—live and work in an island surrounded by reality.

I have been begging Leader SCHUMER to give just five Democrats the go-ahead to join us in a commonsense clean funding bill.

Let me remind you that Democrats voted for this same structure of a clean funding resolution at least 13 times during the 4 years of President Biden. So I would ask them: What is wrong with voting for a clean funding resolution during this year and during this shutdown or to prevent this shutdown?

The answer is, The American people elected a new President, and that President is not a Democrat. Well, elections have consequences. In a democratic republic, the will of the people is exercised by voters, and congressional leaders must respect that and live with the consequences.

It is past time the Democrat leaders cut loose their Members who want to work in a bipartisan way.

Iowans at my town meetings want more bipartisanship out of Washington. They are cynical that all we do is fight and nothing ever gets done. I tried to educate them on how it is not as bad as what they see on TV, and Senators really do want to legislate and serve the American people.

So let's roll up our sleeves and get the job done. The American people deserve better.

I yield the floor.

The PRESIDING OFFICER (Mr. CURTIS). The Senator from Kansas.

VETERANS' COMPENSATION COST-OF-LIVING ADJUSTMENT ACT OF 2025

Mr. MORAN. Mr. President, I have introduced legislation, as is introduced on an annual basis. We have done so again this year to make certain that the rate of disability compensation and other financial benefits from the Department of Veterans Affairs for veterans and military survivors keeps pace with the rate of inflation.

The annual Veterans' Compensation Cost-of-Living Adjustment Act of 2025 will increase certain VA benefits by 2.8 percent, including disability compensation, clothing allowances, and dependency and indemnity compensation for surviving spouses and children. That is to better reflect the changes in the everyday cost of living and align with the annual benefit increase by the Social Security Administration.

This adjustment allows veterans and their families to have the peace of mind of knowing that their VA benefits will keep up with our Nation's economy and that the VA can continue delivering support for those who have served while alleviating the stress of financial uncertainty due to circumstances that are out of their control.

In addition to the Cost-of-Living Adjustment Act, the Senate Committee on Veterans' Affairs has also reported out Senator ROSEN's—the Senator from Nevada—Lactation Spaces for Veteran Moms Act, which would make certain that each VA medical center has an appropriate space for veteran moms to pump or to breastfeed.

Women veterans are the fastest growing patient demographic, and we must make certain that VA facilities can meet their needs.

Mr. President, I, therefore, ask unanimous consent that the Senate proceed to the immediate consideration of Calendar No. 202, S. 2392.

The PRESIDING OFFICER. The clerk will report.

The bill clerk read as follows:

A bill (S. 2392) to increase, effective as of December 1, 2025, the rates of compensation for veterans with service-connected disabilities and the rates of dependency and indemnity compensation for the survivors of certain disabled veterans, and for other purposes.

There being no objection, the Senate proceeded to consider the bill, which had been reported from the Committee on Veterans Affairs.

Mr. MORAN. I ask unanimous consent, then, that the bill be considered read a third time and passed and that the motion to reconsider be considered made and laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (S. 2392) was ordered to be engrossed for a third reading, was read the third time, and passed as follows:

S. 2392

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Veterans' Compensation Cost-of-Living Adjustment Act of 2025".

SEC. 2. INCREASE IN RATES OF DISABILITY COMPENSATION AND DEPENDENCY AND INDEMNITY COMPENSATION.

(a) RATE ADJUSTMENT.—Effective on December 1, 2025, the Secretary of Veterans Affairs shall increase, in accordance with subsection (c), the dollar amounts in effect on November 30, 2025, for the payment of disability compensation and dependency and indemnity compensation under the provisions specified in subsection (b).

(b) AMOUNTS TO BE INCREASED.—The dollar amounts to be increased pursuant to subsection (a) are the following:

(1) WARTIME DISABILITY COMPENSATION.—Each of the dollar amounts under section 1114 of title 38, United States Code.

(2) ADDITIONAL COMPENSATION FOR DEPENDENTS.—Each of the dollar amounts under section 1115(1) of such title.

(3) CLOTHING ALLOWANCE.—The dollar amount under section 1162 of such title.

(4) DEPENDENCY AND INDEMNITY COMPENSATION TO SURVIVING SPOUSE.—Each of the dollar amounts under subsections (a) through (d) of section 1311 of such title.

(5) DEPENDENCY AND INDEMNITY COMPENSATION TO CHILDREN.—Each of the dollar amounts under sections 1313(a) and 1314 of such title.

(c) DETERMINATION OF INCREASE.—Each dollar amount described in subsection (b) shall be increased by the same percentage as the percentage by which benefit amounts payable under title II of the Social Security Act (42 U.S.C. 401 et seq.) are increased effective December 1, 2025, as a result of a determination under section 215(i) of such Act (42 U.S.C. 415(i)).

(d) SPECIAL RULE.—The Secretary of Veterans Affairs may adjust administratively, consistent with the increases made under subsection (a), the rates of disability compensation payable to persons under section 10 of Public Law 85-857 (72 Stat. 1263) who have not received compensation under chapter 11 of title 38, United States Code.

SEC. 3. PUBLICATION OF ADJUSTED RATES.

The Secretary of Veterans Affairs shall publish in the Federal Register the amounts specified in section 2(b), as increased under that section, not later than the date on which the matters specified in section 215(i)(2)(D) of the Social Security Act (42

U.S.C. 415(i)(2)(D)) are required to be published by reason of a determination made under section 215(i) of such Act during fiscal year 2026.

LACTATION SPACES FOR VETERAN MOMS ACT

Mr. MORAN. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of Calendar No. 200, S. 778.

The PRESIDING OFFICER. The clerk will report the bill by title.

The bill clerk read as follows:

A bill (S. 778) to amend title 38, United States Code, to require a lactation space in each medical center of the Department of Veterans Affairs.

There being no objection, the Senate proceeded to consider the bill, which had been reported from the Committee on Veterans' Affairs with an amendment to strike all after the enacting clause and insert the part printed in italic, as follows:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Lactation Spaces for Veteran Moms Act".

SEC. 2. LACTATION SPACES IN MEDICAL CENTERS OF THE DEPARTMENT OF VETERANS AFFAIRS.

(a) *IN GENERAL.*—Subchapter II of chapter 17 of title 38, United States Code, is amended by adding at the end the following new section:

"§ 1720M. Lactation spaces in medical centers of the Department

"(a) LACTATION SPACE REQUIRED.—The Secretary shall ensure that each medical center of the Department contains a lactation space.

"(b) NO UNAUTHORIZED ENTRY.—Nothing in this section shall be construed to authorize an individual to enter a medical center of the Department or portion thereof that the individual is not otherwise authorized to enter.

"(c) LACTATION SPACE DEFINED.—In this section, the term 'lactation space' means a hygienic place, other than a bathroom, that—

- "(1) is shielded from view;*
- "(2) is free from intrusion;*
- "(3) is accessible to disabled individuals (including such individuals who use wheelchairs);*
- "(4) contains a chair and a working surface;*
- "(5) is easy to locate;*
- "(6) is clearly identified with signage; and*
- "(7) is available for use by women veterans and members of the public to express breast milk."*

(b) CLERICAL AMENDMENT.—The table of sections at the beginning of such chapter is amended by inserting after the item related to section 1720L the following new item:

"1720M. Lactation spaces in medical centers of the Department."

(c) IMPLEMENTATION.—The Secretary of Veterans Affairs shall ensure that—

(1) not later than two years after the date of the enactment of this Act, not fewer than 80 percent of medical centers of the Department of Veterans Affairs are in compliance with section 1720M of title 38, United States Code, as added by subsection (a); and

(2) not later than three years after such date of enactment, all medical centers of the Department are in compliance with such section.

(d) REPORT.—

(1) IN GENERAL.—Not later than one year after the date of the enactment of this Act, and annually thereafter, the Secretary of Veterans Affairs shall submit to the Committee on Veterans' Affairs of the Senate and the Committee on Veterans' Affairs of the House of Representatives a report on the progress of the Secretary in meeting the requirements under section 1720M of title

38, United States Code, as added by subsection (a), including—

(A) a list of which medical centers of the Department of Veterans Affairs currently have a lactation space;

(B) a list of which medical centers of the Department do not have a lactation space; and

(C) for each medical center listed under subparagraph (B), a description of actions the Department has taken to design and plan a lactation space and a timeline for such lactation space to be fully functional and open for use within the time periods specified under subsection (c).

(2) TERMINATION.—The Secretary is not required to submit a report under paragraph (1) on or after the date on which the Secretary confirms in a report submitted under such paragraph that each medical center of the Department contains a lactation space.

Mr. MORAN. Mr. President, I ask unanimous consent that the committee-reported substitute amendment be agreed to; that the bill, as amended, be considered read a third time and passed; and that the motion to reconsider be considered made and laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The committee-reported amendment in the nature of a substitute was agreed to.

The bill (S. 778), as amended, was ordered to be engrossed for a third reading, was read the third time, and passed.

CONTINUING APPROPRIATIONS AND EXTENSIONS ACT, 2026—Motion to Proceed

The PRESIDING OFFICER (Mr. SHEEHY). The Marine Corps Senator from Connecticut, welcome.

RECOGNIZING THE 250TH ANNIVERSARY OF THE UNITED STATES MARINE CORPS

Mr. BLUMENTHAL. Mr. President, I am honored and proud to be here today with the Presiding Officer in the Chair, a veteran—albeit of the Navy, not the Marine Corps—and to be accompanied by a fellow marine, Senator SULLIVAN, to whom I will yield shortly.

I am especially honored to pay tribute to one of the Nation's most storied and steadfast institutions in the history—the entire history—of our Nation, the U.S. Marine Corps, which marks its 250th anniversary on Monday.

As legend and history have it, 250 years ago, in the back room of Tun Tavern in Philadelphia, a new fighting force was born, a force of grit, determination, and unshakable loyalty. Since that day in 1775, marines have answered every call, without any exception, with courage and conviction, not because it was easy but because it was right.

The motto of the Marine Corps, "Semper Fidelis"—"Always Faithful"—is more than just a phrase; it is a lifelong commitment. As we know, there are no former marines, and there are no ex-marines. It is a lifelong com-

mitment and identity. "Semper Fidelis" speaks to the bond between marines, to the cause they serve, and to the Nation that they protect. That bond by no means ends with Active Duty. It continues in communities across America where marines continue to serve, living out the values of America as teachers, first responders, public servants, and leaders.

The Marine Corps has fought in every American conflict from the Revolutionary War to the War on Terror. On the beaches of Iwo Jima, in the frozen mountains of Korea, in the jungles of Vietnam, and in the sands of Fallujah, marines have stood their ground. They have led from the front, often at great personal cost, with no expectation of glory.

Telling the story of America is impossible without telling the story of the U.S. Marine Corps. Their sacrifices have safeguarded our freedom. Their discipline has inspired generations. Their traditions of toughness, honor, and duty have stood the test of time. Historic battles exemplify the Marine Corps' unyielding commitment to courage, sacrifice, and duty, and they define the very character of our military: Derna, Chapultepec, First Bull Run, Belleau Wood, Guadalcanal, Tarawa, Peleliu, Iwo Jima, Okinawa, the Chosin Reservoir, Khe Sanh, Hue, the liberation of Kuwait, Fallujah, and Helmand Province.

Marines have not only fought our wars, they have also responded to humanitarian crises, assisted in natural disasters, and stood sentry in times of peace. They are not just warfighters; they are ambassadors of American resolve and resilience. This milestone of 250 years is an opportunity to reflect, to honor, and to recommit.

We honor the thousands of marines who never made it home, who gave their last full measure of devotion, as the saying goes. We honor the Gold Star families who carry their memory every single day. We honor the wounded in body and some in spirit whose lives are forever shaped by their service. We honor every marine, past and present, who has earned the title with sweat, sacrifice, and a fierce sense of purpose.

Let me acknowledge, as well, the families who stand behind every marine: spouses, children, parents. They serve quietly, often without any recognition, but always with deep devotion. Their strength sustains the Corps, those families, those friends, those loved ones. Their sacrifices, too, must be honored.

The 250th anniversary is not only a celebration; it is a solemn reminder we make to all who wear the Eagle, Globe, and Anchor that we will never forget their service and that we will always fight to give them the support, care, and respect they have earned.

This milestone is a chance to educate future generations about what it means to serve and why the Marine Corps' legacy matters not just in history books but in the daily defense of

our democracy and our ideals. The world has never been more dangerous and more in need of that service.

As we look to the next 250 years of the greatest Nation in the history of the world, let's ensure that our policies, our resources, and our commitments match the trust we place in all of our military, including our U.S. Marines. We need to provide our marines and our military men and women with the tools and the resources they need to fight and win and the care they deserve when they return home.

It is not about the rhetoric or just the celebration of birthdays. What really matters is what we do between the birthdays to keep faith with our men and women in uniform and afterward when they return to our great Nation. We can leave no veteran behind in healthcare as well as in education and training and in everything they need to be successful when they come back. Let us rededicate ourselves to the ideals they uphold: freedom, justice, service above self.

To every marine, from the youngest recruit on Parris Island or in San Diego to the oldest veteran in our communities, we say thank you. Thank you for your service. Thank you for your sacrifice. Thank you for never wavering as a marine.

Happy birthday, U.S. Marine Corps.
Semper Fidelis.

I am happy now to yield to my colleague and friend from Alaska and fellow marine, U.S. Senator DAN SULLIVAN.

The PRESIDING OFFICER. To the colonel of the Marines and the Senator from Alaska, Semper Fi.

Mr. SULLIVAN. Mr. President, I want to thank my colleague Senator BLUMENTHAL and the Presiding Officer for his great service. We do know the Marine Corps is part of the Department of the Navy, so we are all related here. I won't say what I used to say to my father, who was a Navy officer, in response to that, but it is an honor to be on the Senate floor here with Senator BLUMENTHAL, my colleague and fellow marine.

You know, there is a lot of frustration going on here in the Senate. We are trying to get this government reopened and pay our workers and people are suffering, but I do think it is also important to switch gears and come down here, in a bipartisan fashion, to agree to S. Res. 124, by Senator BLUMENTHAL and me, on commemorating the 250th anniversary of the U.S. Marine Corps, a truly remarkable milestone by one of America's most remarkable institutions. That happens tomorrow, on November 10—our birthday, the Marine Corps' birthday.

Now, we marines—Mr. President, you know this—take our November 10 birthday very seriously. No matter where marines are anywhere in the world, deployed, they always take time to celebrate the birthday of our beloved Corps on November 10. Everybody in the Marine Corps wishes each other happy birthday.

We also are kind of proud of the fact that we are the only military service that was founded in a bar. Yes, that is true. Tun Tavern in Philadelphia, PA, is where the Marine Corps was founded.

At our celebrations, we do a lot. They are great celebrations. If you haven't been to one, anyone watching, I encourage you to go to a Marine Corps birthday ball. You will have the time of your life. You will come away filled with a sense of patriotism and pride whether you served in the military in the Marine Corps or not. You will love it.

At these birthday celebrations, we, of course, as Senator BLUMENTHAL mentioned, remember our fallen. We recommit ourselves to keeping the marines the world's finest fighting force, which it is and has been for decades. We take time to recognize not just the marines present but, in particular, the oldest and youngest marines present.

We have a very solemn cake-cutting ceremony. In fact, after the birthday cake is cut with a Mameluke sword, the guest of honor presents the first piece of cake to the oldest marine present, and then he hands that piece of cake off, after he takes a bite, to the youngest marine present, signifying the passing of heritage and culture and tradition from one generation to the other.

Last night, there were two special Marine Corps balls that I cared a lot about. One—the one I really care about—was in Anchorage, AK, hosted by Delta Company, 4th Law Enforcement Battalion. I was very honored and set to be there as a guest of honor last night. This is the Alaska Marine Corps ball. We have such a great time. I have been going to that ball for years with my wife, my daughters, friends, fellow marines. Alas, given the work we are doing here in the Senate to reopen the government, I was not able to attend—a huge disappointment for me. I really, really wanted to be in Alaska with my fellow marines and my family.

There was also another Marine Corps ball last night. It was actually in DC here, the Commandant's ball. At the last minute, I thought, hey, if I can't be in Anchorage, I am going to at least celebrate the 250th with the Commandant, some top generals, top enlisted marines, a couple of my Senate colleagues—Senator ERNST and Senator DAINES. Vice President JD VANCE was a guest of honor. By the way, he is the first marine Vice President ever, so he got a lot of shouts and recognition last night.

But the marine who stole the show last night was the oldest marine, Cpl Nils Mockler—99 years old; born in 1926; Iwo Jima combat marine, DI; looking as strong as he did when he was an 18-year-old corporal storming the beaches of Iwo Jima. Last night, he was there. The place went nuts when he was recognized—a 5-minute standing ovation for this great American hero. What a moment.

Finally, at every Marine Corps birthday ball throughout the world for the

last hundred years, this message that I am going to read right now is read. It is the message delivered to the marines on the birthday of the Marine Corps by the Commandant of the Marine Corps.

The 13th Commandant of the Marine Corps, Gen. John Lejeune, in 1921 issued this message, and ever since then, since 1921, every single Marine Corps birthday celebration for over a hundred years has had this proclamation read. It was read last night in Anchorage; it was read last night in DC; and for the Marine Corps balls today and tomorrow on November 10, it will be read there. Here is what it says—remember, this is from 1921, but it kind of gives you a sense of how we feel about our illustrious Corps. It is a message from the Commandant of the Marine Corps, republished in the U.S. Marine Corps Manual, edition 1921:

On November 10, 1775, a Corps of Marines was created by a resolution of the Continental Congress. Since that date many thousand men have borne the name Marine. In memory of them it is fitting that we who are marines should commemorate the birthday of our corps by calling to mind the glories of its long and illustrious history.

The record of our corps is one which will bear comparison with that of the most famous military organizations in the world's history. During 90 of the 146 years of its existence the Marine Corps has been in action against the Nation's foes. From the Battle of Trenton to the Argonne, marines have won foremost honors in war, and in the long eras of tranquility at home generation after generation of marines have grown gray in war in both hemispheres, and in every corner of the seven seas that our country and its citizens might enjoy peace and security.

In every battle and skirmish since the birth of our corps marines have acquitted themselves with the greatest distinction, winning new honors on each occasion until the term marine has come to signify all that is highest in military efficiency and soldierly virtue.

This high name of distinction and soldierly repute we who are Marines today have received from those who preceded us in the corps. With it we also received from them the eternal spirit which has animated our corps from generation to generation and has been the distinguishing mark of the marines in every age. So long as that spirit continues to flourish marines will be found equal to every emergency in the future as they have been in the past, and the men of our Nation will regard us as worthy successors to the long line of illustrious men who have served as "Soldiers of the Sea" since the founding of the corps.

Mr. President, you have heard that before. That is the message of the Marine Corps birthday from the Commandant of the Marine Corps, John Lejeune, issued in 1921. Every marine hears this every year, and it is still incredibly relevant.

I want to thank Senator BLUMENTHAL again for leading this effort on the 250th birthday resolution that we are going to pass here in the Senate in commemoration of the Marine Corps' founding.

We have a long tradition of being the service that is most ready when our Nation is least ready.

Again, to all the marines out there, "Semper Fi," happy birthday, and here is to 250 more years for our Corps.

I yield the floor.

The PRESIDING OFFICER. The Senator from Connecticut.

Mr. BLUMENTHAL. Mr. President, I thank my colleague from Alaska for those very powerful words from himself and the Commandant.

As he has remarked, this Marine Corps birthday always has enormous personal meaning for all of us who have served in the U.S. Marine Corps, including for my son Matthew, who was in Helmand Province. I am hopeful that he will invite his younger brother to one of the Marine Corps balls. Michael served as a Navy SEAL.

This occasion is joined by our colleagues Senators GALLEGO and YOUNG, also marines, and I am sure is supported by others in this body and in the House of Representatives who have served.

So on this great occasion, I ask unanimous consent that the Committee on Armed Services be discharged from further consideration of S. Res. 124 and the Senate proceed to its immediate consideration.

The PRESIDING OFFICER. The clerk will report.

The bill clerk read as follows:

A resolution (S. Res. 124) recognizing the 250th anniversary of the United States Marine Corps.

There being no objection, the committee was discharged, and the Senate proceeded to consider the resolution.

Mr. BLUMENTHAL. Mr. President, I ask unanimous consent that the resolution be agreed to; the Blumenthal amendment to the preamble, which is at the desk, be considered and agreed to; the preamble, as amended, be agreed to; and that the motions to reconsider be considered made and laid upon the table with no intervening action or debate.

The PRESIDING OFFICER. Is there objection?

Without objection, it is so ordered.

The resolution (S. Res. 124) was agreed to.

The amendment (No. 3936) to the preamble was agreed to as follows:

(Purpose: To include the liberation of Helmand Province in the list of historic battles where United States Marines served)

In the eighth whereas clause, strike "the liberation of Kuwait, and Fallujah" and insert "and the liberation of Kuwait, Fallujah, and Helmand Province".

The preamble, as amended, was agreed to.

The resolution with its preamble, as amended, reads as follows:

S. RES. 124

Whereas November 10, 2025, marks the 250th anniversary of the United States Marine Corps;

Whereas the United States Marine Corps holds a unique place in the history of this country and in the hearts of our people;

Whereas the United States Marine Corps embodies the values of honor, courage, and commitment, inspiring generations of people of the United States to serve and defend their country;

Whereas the United States Marine Corps has earned a distinguished reputation for

readiness in its role and faithfulness in its mission, both in times of war and in times of peace;

Whereas the United States Marine Corps has distinguished itself as a premier fighting force that is consistently prepared to face the challenges of tomorrow and adapt to the evolving character of warfare;

Whereas the United States Marine Corps has consistently demonstrated its ability to adapt to emerging threats and to respond to the security needs of the United States from its founding to the present day;

Whereas tradition has it that the United States Marine Corps had its beginning at Tun Tavern in the city of Philadelphia on the 10th day of November 1775, 250 years ago; and

Whereas this historic milestone is the result of the skill of the United States Marine Corps in battle, its distinguished leadership, its extraordinary courage, and its selfless sacrifice in every major war of the United States from the Revolution to the Global War on Terrorism, including service at such historic battles as Princeton, Derna, Chapultepec, First Bull Run, Belleau Wood, Guadalcanal, Tarawa, Peleliu, Iwo Jima, Okinawa, the Chosin Reservoir, Khe Sanh, Hue, and the liberation of Kuwait, Fallujah, and Helmand Province: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the 250th anniversary of the United States Marine Corps;

(2) remembers and venerates the Marines and Navy corpsmen who gave their last full measure of devotion on the battlefield;

(3) affirms the motto *Semper Fidelis*, embodying the honorable commitment of every Marine, past and present, who remain Always Faithful;

(4) honors the service and sacrifice of the men and women who serve the United States today carrying on the proud tradition of the Marines who came before them;

(5) reaffirms the bonds of friendship and shared values between the United States Marine Corps and allied fighting forces;

(6) salutes the 250th year since the founding of the United States Marine Corps;

(7) invites the people of the United States to join in the celebration of the 250th anniversary of the United States Marine Corps by attending commemorative events, sharing stories of United States Marine Corps valor and achievement, and recognizing those who have earned the title of United States Marine over the past 250 years; and

(8) encourages communities across the United States to recognize and honor the contributions of local Marines, and to partner with the United States Marine Corps to promote civic engagement and mutual support.

Mr. BLUMENTHAL. I yield the floor.

CONTINUING APPROPRIATIONS AND EXTENSIONS ACT, 2026—Motion to Proceed

RECESS

The PRESIDING OFFICER. The majority whip.

Mr. BARRASSO. Mr. President, I ask unanimous consent that the Senate stand in recess until 6 p.m.

There being no objection, the Senate, at 4:27 p.m., recessed until 6 p.m. and reassembled when called to order by the Presiding Officer (Mr. CRAMER).

CONTINUING APPROPRIATIONS AND EXTENSIONS ACT, 2026—Motion to Proceed—Continued

The PRESIDING OFFICER. The Senator from Louisiana.

HEALTHCARE

Mr. CASSIDY. Mr. President, there are reports that the government will be reopened tonight or tomorrow morning, and all I can say is, it is about time. It has been 40 days too long.

But we also know there is going to be some vote in the not-so-distant future on what do we do about high health insurance costs and, hopefully, another vote as to what can we do about the high healthcare costs that are driving the high health insurance costs.

And we need to talk now. We can't just like come up on the vote and suddenly have a solution. Rather, people need to be thinking about it between now and then, about the solutions that benefit the American people.

Clearly, we have a problem with the affordability of healthcare and of health insurance, and, of course, that is related. And this is something that, in my professional life as a physician, I addressed over 20-some years, before entering political life.

I practiced in a public hospital for the uninsured for over two decades, seeing middle-income and lower income Americans—fellow Americans—who, for whatever reason, couldn't afford their insurance or couldn't afford their healthcare, and they came to the hospital for the uninsured.

So health insurance, healthcare costs—very complicated—and we have got to be a little more creative than just the Federal Government throwing money at them. ObamaCare tried to do that, and it has not worked.

The enhanced premium tax credit, or the EPTC, is the latest example. It was a COVID program unrelated to the original ObamaCare program, and the enhanced premium tax credits sent billions of tax dollars straight to the insurers, hoping that families would see smaller bills.

But you know, it might paper money over the high health insurance costs, but it did nothing for healthcare costs, and, by the way, it also made health insurance more expensive for many. So I think we can do better than just hiding the costs of high healthcare and high health insurance costs by the Federal Government spending billions more.

So an idea that I am asking my colleagues and the American people to consider is a prefunded Federal flexible spending account.

Now, let me make a couple of things clear. First, I am not speaking for JOHN THUNE, the majority leader. I am not speaking for Donald Trump.

In fact, although I was the chairman of the Health, Education, Labor, and Pensions Committee, I am more speaking as BILL CASSIDY, a doctor that worked with the uninsured for 20 years and is now representing the great State

of Louisiana. And I am speaking to my colleagues and to fellow Americans, asking all of us to put aside our prejudice, to put aside our kind of: Oh, no, gosh, the Republicans are proposing it or the Democrats are proposing it; so, therefore, I must oppose.

No, to actually come together in good faith to try and find a solution—so let me first describe what I am speaking of. First, there are two types of tax credits on the Affordable Care Act exchange—the ObamaCare exchanges. And I am going into this for a reason. One is the baseline tax credit that was enacted into law in 2010 that lowers premium costs for those less than 400 percent of Federal poverty.

So the first one started, in 2010, under ObamaCare, the original legislation. It goes to people making less than 400 percent of Federal poverty. During COVID, there was another sum added called the enhanced premium tax credit, and that gives some extra benefits to those less than 400 percent of Federal poverty level but began to cover people over 400 percent of Federal poverty level—so two pots of money. One pot dates from 2010, part of the original Affordable Care Act law, and the other passed by the Biden administration during the COVID pandemic, benefiting those above 400 percent of Federal poverty.

What I am proposing does not touch that baseline. What I am about to propose does not touch the moneys that were set aside in 2010 under the Affordable Care Act. Why do I say that?

President Trump endorsed the concept I will be speaking of, and one of my Democratic colleagues said: Wait. Are you going to give all the insurance money for these accounts?

No. Time out. Absolutely not. We are going to leave that portion which was part of the baseline alone, not touching it at all, but trying to do something with the enhanced premium tax credits, which only began most recently by President Biden under the COVID pandemic.

That begs the question: Why were enhanced premium tax credits necessary?

Premiums had gone up so much. The Affordable Care Act was supposed to lower the cost of healthcare. The cost of healthcare has exploded. The cost of health insurance has exploded. And, unfortunately, under the enhanced premium tax credit, it doesn't matter what the premium is; the Federal taxpayer throws billions more at it. And the insurance companies lost the incentive to negotiate down prices because, whatever the price was, the taxpayer would help pay for it. And we misaligned the incentives to where the insurance companies actually do better if healthcare costs are high.

Now, by the way, I am not here to bash insurance companies. We need them. They are essential. But everybody is going to respond to incentives, and the incentive here is not the right incentive.

So how can we do something different?

Well, I would like to empower the patient instead of sending billions to the insurance company. And if we can put in programs that lower healthcare costs, we may still have premiums that are too high this year, because, by gosh, we only have 2 months until the next plan year starts; but we are going to be able to substitute out these enhanced premiums with something that doesn't go to the insurance company but goes to you the patient. And we are going to begin the process of aligning incentives for giving the patient the incentive to find the better deal, and that begins to lower costs. By the way, that means that we have to think differently.

Now, let's try a new approach, as opposed to just sending paper money to paper over the high healthcare costs and the resultant high premiums.

This is kind of my idea. Right now, we have the enhanced premium tax credit, which I have been speaking of. It goes to the insurance company.

That should say 20 right there. It says 80. I am just going to mark that out right now. Right now—give me just a second. I am going to take this down. I am going to go just like this, and I am going to go 20.

And I don't know if you can see this, but that 20 is the administrative cost and the profit that the insurance companies take out of every dollar you take them.

My assistant is getting me a marker.

I had a misprint last night, and I don't want to be misprinted right now. This should be 20. Of that \$26 billion, we are going to send them next year, 20 percent of the \$26 billion goes to profit, and it goes to administrative costs.

Can we do it better? By golly, we can.

Here we go. I am going to get this out of here. I am just bugged the heck out of this. This should say 20. Twenty percent of the \$26 billion that we send them next year would go to profit and administrative overhead.

What if we give the patient the power? What if we say it goes to an account that she controls, that she can spend on her physician, her dental care, her prescriptions, on her eyeglasses? She can spend it on orthodontia. She can spend it on more things than this, and, by the way, 100 percent of the \$26 billion would go to the real care that that woman and her family needs.

So we need to empower her, not give 20 percent of \$26 billion to insurance companies. Nothing against insurance companies. God bless them. We need them. But if I have a choice of empowering you or empowering them—100 percent to you or 20 percent to them—my vote is with you. And I think we as a Congress, no matter what your political party, should all vote the same way.

I want to emphasize something here, by the way: This is prefunded.

People think about flexible spending accounts, and they think: Well, my gosh, this poor person—120 percent of

Federal poverty, 150 percent of Federal poverty—has to put their own money into this.

No. We take the dollars that are in the enhanced premium tax credit, and we put them there instead, and it is prefunded. So it is a little different than we normally think of flexible spending accounts, but, it still works.

Now, on a couple of things I have heard from my Democratic colleagues, by the way, my Democratic colleagues are concerned that whatever we pass over here will not get a vote in the House of Representatives. I am pleased to say that, yesterday, President Trump tweeted in favor of this proposal. I am sure he would ask MIKE JOHNSON to take it up. If Democrats want to vote on something that benefits the American people—and, by the way, here is the tweet. You can't read this. It is classic President Trump. He is talking about money-sucking insurance companies. And then in all caps he goes:

BE SENT DIRECTLY TO THE PEOPLE SO THAT THEY CAN PURCHASE THEIR OWN, MUCH BETTER, HEALTHCARE.

That is the President's way of emphasizing: Let's give power to the people, not send 20 percent of the money to the insurance companies.

And, as I said, with this tweet, the President is indicating his support. I think we rely upon him to ask Speaker JOHNSON to bring it up in the House of Representatives. So if the Democrats want to vote on something that will have a vote in the House, they have got it right there—the President's endorsement. I think this works all the way around.

And let me say once more, after the President tweeted—I am going to repeat, but it is important to repeat because this is a point of misunderstanding. After the President tweeted this, one of my Democratic colleagues said: Wait. Are you going to give all the money to this account for these people?

And the answer is no. The baseline continues to go to buy the health insurance policy, but that enhanced premium tax credit is the sum that goes there. And I am just going to say this once more: It is the enhanced premium tax credit that goes there.

Now, the other thing I hear is: This is way too complicated. No way, can't do it. Uh-uh, can't do it.

It turns out that I have a flexible spending account. Over 70 percent of government employees in the United States of America have a flexible spending account as one of their offerings. Over 40 percent of those in the commercially insured market have a flexible spending account as one of their offerings. The State of Indiana has used something similar to this for their Medicaid population, and it has worked extremely well. This is not so complicated. Federal employees, Medicaid recipients—you name it—70 percent of our fellow Americans have the option of choosing this if they work for

a government entity, and over 40 percent if they work for a business. So this is something which is already out there.

And then I am told: Well, the Federal Government has to set it up.

You know, I will point out that I am on an ObamaCare policy through the small business exchange. My FSA is already administered by the Federal Government through the small business ObamaCare exchange. All we are asking to do is to open that window a little bit more and to take in the individual market ObamaCare exchange. We already have the existing mechanism to do this within the Federal Government. This can be done. We should not consider it so complicated to accomplish.

Now, inevitably, there is going to be some bureaucrat that says they need 6 months to open a window, and that is why I am glad President Donald Trump is the President when this is coming up, because if there is one guy that can cut through the bureaucratic—I am a gastroenterologist, and certain terms came to mind. The Presiding Officer is from a farm State, and maybe they do to you. But the one guy that can cut through the stuff that seems an obstacle to others is President Donald Trump.

I always smile. On Operation Warp Speed, they said it might take 18 months, maybe 10 years, to get a vaccine to market, and President Trump's leadership led it to be in people's arms from before we started within 11 months. This man can make it happen.

So I don't consider it too complicated for the patient to understand, and I don't consider it too complicated for the Federal Government to adapt to, which means we can even do it in 2026.

Now, the next thing I hear: Is it going to cost money?

It is going to cost money. And, again, my Democratic colleagues should like this because the first year, it will cost about the same as the enhanced premium tax credits, because, right now, we are 2 months from the beginning of the year, and there is not a whole lot of time for reforms to be put in place to lower the cost of healthcare.

So for our fellow Americans who are depending upon this, we can fix it for them.

But now we also have the opportunity to pass other reforms that truly will lower the cost of healthcare. So come 2027, those reforms begin to work down the cost of healthcare, and we as Americans will benefit—not just in the ObamaCare exchanges, but in the commercial market, in the Medicare space, and in other spaces as well. We begin to lower healthcare costs for all. That is more value for the individual, more value for the employer, and more value for the taxpayer.

So the choice is before us. We can continue to try to paper over the cost of health insurance by throwing billions more at it—under the enhanced premium tax credit, the money goes to

insurance companies, and 20 percent gets hung up in administrative costs and profit—or we can spend 100 percent of it in prefunded, flexible spending accounts benefiting patients and their families.

What can it be used for? Under the enhanced premium tax credit, you are choosing to use it for insurance premiums and whatever the insurance company thinks you should get. Under the prefunded, flexible spending account, you decide or—since I am looking at Senator CRAMER—Senator CRAMER's wife decides because wives—women—make most of these decisions. She will decide to pay for dental, physician, glasses, prescriptions, or orthodontia. You name it—she gets to pick.

Who makes the decision under the enhanced premium tax credit? Insurance companies. Under prefunded, flexible spending accounts, the patient does, the mother does, the wife does. These are the people that will then make the decisions.

Does it lower costs? No. Under the enhanced premium tax credit, it drives premiums up.

Under the prefunded, flexible spending account, we empower patients to shop to find the best deal for their dollar. That drives competition, and that lowers costs.

I cannot imagine why anybody would choose the status quo of enhanced premium tax credits versus giving the patient the power. We should give the patient the power.

I say this—and I want to be very clear. I am not being partisan. I am in good faith trying to say that everyone should put their party behind them, put their partisan politics behind them, and be focused only on how do we lower healthcare costs for the average American—no, for all Americans. How do we lower healthcare costs? That should be our focus.

My staff asked me if I am wearing a purple tie because I am bipartisan. I said: No. I am wearing a purple tie because LSU lost badly last night, and I thought we should encourage them. So this is my LSU Tigers tie.

That said, just so it works out, I am really emphasizing that this is something we can work on together. President Trump is for it, and I would like my Democratic colleagues to consider it—not just reject it because a Republican proposes it but to actually realize it is in good faith, trying to find a solution for the high healthcare costs that are hurting American families.

Let's take a risk. Let's take a risk. Let's be bold. Let's do something different than we have done before—no, the same thing we have done before, but we have done it in a different space. We have done it on the small business ObamaCare exchange, we have done it through our employer, and we have done it through the Indiana Medicaid Program. Let's try the individual exchange. Let's just trust those patients to make wise decisions for themselves as opposed to treating them like

something—the Federal Government has to tell them what to do.

I return where I started. As a doctor, I took care of the uninsured for 20 years. I always found that my patients, even if they weren't really educated—but you explain the options to them, they make wise decisions. They made sophisticated decisions when you gave them control of their healthcare and you allowed them to make that wise decision.

Let's trust the American people, Mr. President. Let's give power to the patients, not billions to the insurance companies.

I yield the floor.

The PRESIDING OFFICER. The majority leader.

RECESS

Mr. THUNE. Mr. President, I ask unanimous consent that the Senate recess until 8 p.m.

There being no objection, the Senate, at 6:37 p.m., recessed until 8 p.m. and reassembled when called to order by the Presiding Officer (Mr. CRAMER).

CONTINUING APPROPRIATIONS AND EXTENSIONS ACT, 2026—Motion to Proceed—Continued

The PRESIDING OFFICER. The Senator from Kansas.

Mr. MORAN. Mr. President, exactly 1 month ago today, I stood on the Senate floor and spoke about the impact that the government shutdown was having on an already troubled aviation system and that the traveling public was facing tremendous challenges with that shutdown, and I cautioned against prolonging it. Now, 30 days later, we are still here.

I was concerned that if the government shutdown continued, it could force the closure of parts of the airspace and lead to further reductions in the air traffic controller workforce. Unfortunately, both these concerns have materialized in what has become the longest government shutdown in our Nation's history. With 2,300 cancellations, and counting today—Sunday—it will go down as one of the worst days in air travel.

I have never seen anything good come from a government shutdown. Lapses in Federal funding have made it harder for families to access SNAP benefits, Head Start Programs have been put on pause, and thousands of Federal employees are unable to receive a paycheck.

This dysfunction is damaging enough to our constituents and economy here at home, but it also sends a dangerous—a dangerous—message to the watching world. It demonstrates to our allies that we are an unreliable partner, and it signals to our adversaries that we can't work together to meet even the most fundamental responsibilities of Congress.

As this shutdown continues, I want to particularly focus on the impact

this lapsed funding is having on the aviation industry.

TSA agents and air traffic controllers have had to continue working while missing two paychecks. It is a stressful job and one that has grown increasingly more difficult throughout the year. Combine that with the uncertainty of how to pay rent, put food on the table, and gas in your car, it is no surprise—no surprise—that we are seeing more and more controllers not showing up to work. We were already facing a shortage of controllers, and now we are seeing more having to pick up second jobs to pay the bills or seeing some quit entirely.

Our inaction and our inability to gain consensus are deterring young people interested in futures such as air traffic controllers or other aviation professionals from pursuing those careers.

The vulnerabilities in our aviation system have led Secretary Sean Duffy to begin reducing flights by 10 percent at 40 major airports. Airlines, businesses, and general aviation alike are cutting into their operations to make certain that airspace is as safe as possible. It is critical to know that these impacts are not lopsided on those high-traffic areas. Small- and medium-hub airports, such as we have in Kansas that connect to those 40, are experiencing this pain just as much.

While this is a painful step, it is necessary for the safety of the traveling public, and I support Secretary Duffy's decision.

American Airlines indicated to me they canceled more than 240 flights yesterday and delayed more than 1,000 flights, impacting more than 150,000 passengers.

Airlines for America said that staffing shortages disrupted the flights of more than 4 million passengers from October 1 to November 7 on their partner airlines, and that was before the mandatory reductions were put in place by the Department of Transportation.

We can expect more cuts if we do not reopen the government.

We saw how fragile our air system is, and it is the reason I highlight aviation and the consequences of the shutdown tonight. We saw how fragile our air system is earlier this year when a series of failures led to a midair collision on January 29, which claimed the lives of 67, including those of Kansans. That accident forced Congress and our Nation to reckon with an issue that has plagued us for decades: Why have we not effectively modernized our airspace system?

Since that crash, steps have been taken to train more controllers and improve the aviation system, including a \$12.5 billion investment in modernizing our airspace. But those efforts are becoming much more difficult to accomplish during a shutdown.

Unfortunately, the position the aviation industry finds itself in today cannot be easily solved, but we cannot

even begin to solve it unless we reopen the government. Every day we remain shut down, the fragility of the system intensifies.

Thanksgiving is only 18 days away. Americans are purchasing, would have purchased, or already purchased tickets to be with their families. If we remain in a shutdown much longer, it will become increasingly difficult for airlines to deliver on their promises to their customers.

The circumstances we are in cannot continue. We must reopen the government. I urge my colleagues to pass a clean continuing resolution to reopen the government.

I am committed to working with my colleagues—my colleagues—to address the concerns they have and any issues brought forth by the shutdown.

We must return to regular order, advance a clean CR and these three appropriations bills, and then consider further appropriations and these issues that so many of us care so deeply about. Our constituents and our Nation depend upon us to do so.

I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The senior assistant legislative clerk proceeded to call the roll.

Mr. THUNE. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. THUNE. Mr. President, I ask unanimous consent that the following Senators be allowed to speak for up to 5 minutes each: Senator COLLINS, Senator SCHUMER, Senator SANDERS, and I.

The PRESIDING OFFICER. Without objection, it is so ordered.

The Senator from Maine.

Ms. COLLINS. Mr. President, today, the Senate Appropriations Committee advanced legislation to reopen government immediately, funding vital programs and resuming pay for Federal workers who, for the last 40 days, have had to live with the stress of missed paychecks and not knowing when they would be paid.

Under our legislation, all Federal employees, including members of our military and Coast Guard, the Capitol Police officers, Border Patrol agents, TSA screeners, air traffic controllers—all will receive their back wages.

It is significant that this measure also includes three full-year fiscal year 2026 appropriations bills, including the annual Agriculture-FDA bill, the Military Construction and Veterans Affairs legislation—very timely, given that Veterans Day will soon be upon us—and the Legislative Branch funding.

This three-bill package, which originally passed the Senate on August 1 with overwhelming bipartisan support—87 votes in 2 cases, 81 in another—will support our veterans, our troops, our farmers, and rural communities.

Of note, this package will provide full-year funding for the Supplemental

Nutrition Assistance Program, known as SNAP, and the Special Supplemental Nutrition Program for Women, Infants, and Children, known as WIC.

One of the most unfortunate and shameful consequences of the shutdown has been that these vital nutrition programs were in jeopardy for our most vulnerable families, including 170,000 Mainers who rely on the SNAP program. Other programs will be funded through January 30 while the Senate and House continue our work on the remainder of the yearlong appropriations bills. For example, funding for important programs like Head Start and such as the Low-Income Heating Assistance Program will now be restored.

I look forward to voting for this legislation and ending the unnecessary harm to the security of our families and our Nation. We must begin to act tonight. We must not delay any longer.

Finally, I want to thank the many members on both sides of the aisle of the Appropriations Committee and the Senate leadership who have worked especially hard to bring this package together.

I would be remiss if I did not also thank our staff. My staff missed an entire night's sleep to get this package together and get the job done.

Again, I want to particularly thank the members of the Appropriations Committee, including the three who served as the subcommittee chairs: Senator BOOZMAN, Senator HOEVEN, and Senator MULLIN. I want to thank KATIE BRITT—Senator BRITT—who did an extraordinary amount of work, LISA MURKOWSKI, MIKE ROUNDS, JERRY MORAN, SHELLEY MOORE CAPITO, CINDY HYDE-SMITH, DEB FISCHER. There are so many who worked so hard on this package. I want to thank each and every one of them.

Let's get the job done, and let's do it fast.

Did I miss Senator HOEVEN in my list? Senator HOEVEN was a rock star.

The PRESIDING OFFICER. The Senator from Vermont.

Mr. SANDERS. Mr. President, I understand that, the way the process has been developed, it is impossible to delay the votes that are going to take place. If that were not the case, that is certainly what I would do because I think it is important that the American people fully understand what is being voted on today.

Everybody in America knows that our current healthcare system is broken. It is dysfunctional. It is cruel. It is by far the most expensive healthcare system in the world and the only healthcare system of any major country that does not guarantee healthcare to all people as a human right, covering every man, woman, and child. We are unique in that respect. Yet, tonight, what this Senate is about to do is make a horrific situation even worse.

So let's be clear what this vote is about. If this vote succeeds, over 20 million Americans are going to see at

least a doubling of their premiums in the Affordable Care Act. In my State of Vermont and throughout this country, for certain groups of people, it will be a tripling and a quadrupling of their premiums. There are people who will now be paying 50 percent of their limited incomes for healthcare. Does anybody in the world think that makes sense?

If this resolution is passed tonight, we are on a pathway to throw 15 million Americans off of Medicaid and the Affordable Care Act—15 million.

Our job is to create universal healthcare, guarantee healthcare to every man, woman, and child, not throw 15 million people off the healthcare they have—low-income and working-class people.

And, my friends, know what you are voting on. Studies are out there that when you throw 15 million people off of healthcare, some 50,000 of our fellow Americans will die unnecessarily every single year. Does anyone think that is funny, something to laugh at, something that you just go past? I don't. Fifty thousand Americans die unnecessarily.

Now, I know, as part of this resolution, that the majority leader is going to say: Well, Democrats can create—put together—their own bill, and it will come to the floor here in the Senate for a vote.

As everybody here knows, that is a totally meaningless gesture. You can get 100 votes here in the Senate. It won't mean anything because the House is not going to take it up, and the President of the United States certainly will not sign it.

So I hope that anybody here who is thinking of voting for this reconsiders, goes back home and talks to their constituents and asks them what it will mean if their healthcare premiums are doubled or tripled.

RECOGNITION OF THE MINORITY LEADER

The PRESIDING OFFICER. The Democratic leader is recognized.

HEALTHCARE

Mr. SCHUMER. Mr. President, America is in the midst of a Republican-made healthcare crisis—worse than anything the American people have seen in decades. Republicans have spent the past 10 months dismantling the healthcare system, skyrocketing costs, and making every day harder for American families. Because of Republicans, Americans are going to suffer immensely as this healthcare crisis gets worse.

Democrats have been fighting to end this crisis over and over again. Democrats have wanted to lower costs, but Republicans fought us every step of the way. We gave Republicans not one, not two, but three chances this year to extend the ACA premium tax credits. Republicans said no every time. On Friday, we offered Republicans a compromise, a proposal that would extend the ACA tax credits for a year and open up the government at the same time. They once again said no. And when

they said no on our compromise, they showed that they are against any healthcare reform.

Instead, they passed the biggest healthcare cuts in our Nation's history just to give tax breaks to billionaires. And even then, they weren't satisfied with merely closing hospitals and community health clinics; they callously did nothing to deal with the looming crisis of ACA credits.

Premiums will spike by thousands of dollars a month. Millions will lose insurance. Democrats have sounded the alarm. We have demanded for months to meet with the Republican leadership, but Republican leaders refused to even discuss the issue, let alone negotiate it. We have asked them to meet in the summer and throughout the shutdown. To this day, Republicans still say no.

We asked President Trump to step in and meet with us to deliver lower healthcare for Americans, and instead, Donald Trump has taken the American people hostage—from cutting off food aid to hungry families and vets and seniors and kids, to manufacturing flight cancellations, to cutting off home heating aid—while he builds a billion-dollar ballroom with gold-plated toilets.

Therefore—therefore—I must vote no. This healthcare crisis is so severe, so urgent, so devastating for families back home that I cannot in good faith support this CR that fails to address the healthcare crisis.

But let me be clear. However this vote turns out, this fight will and must continue. Democrats must fight because millions of families will lose healthcare coverage. We must fight because children who are dying of cancer will not get healthcare coverage. We must fight because a senior citizen cannot afford to pay \$25,000 a year just for health insurance. We must fight to keep millions from financial ruin.

And make no mistake about it, the American people know who is inflicting this healthcare trauma on them: Donald Trump and the Republicans. Americans will remember Republican intransigence every time they make a sky-high payment on health insurance.

So we are going to fight legislatively, fight back home, fight in the courts, and bring this fight in the elections. Healthcare costs made a major impact on the 2025 election, and they will certainly have an even greater impact on the 2026 election.

So in conclusion, the contrast between the two parties is crystal clear: Republicans are the party hell-bent on taking people's healthcare away—all to bow to the billionaire elite and special interests. Democrats are united as the party of lower healthcare costs and improving our healthcare system.

We will not give up this fight. We will deliver for the American people.

I yield the floor.

The PRESIDING OFFICER. The majority leader.

GOVERNMENT FUNDING

Mr. THUNE. Mr. President, after 40 long days, I am hopeful we can finally bring this shutdown to an end. I don't need to go over all the reasons why it is imperative to get the government open as soon as possible. From the truly precarious situation we are in with regard to air travel, the fact that our staffs have been working without pay for a full 40 days now, all of us, Republicans and Democrats, who support this bill know that the time to act is now.

So in just a few minutes, I will call up the vehicle for a clean continuing resolution, packaged with three bipartisan, yearlong appropriations bills: Agriculture appropriations, Military Construction, VA appropriations, and Legislative Branch appropriations. These bills will fund SNAP for the entire fiscal year, they will fund WIC for the entire fiscal year, and they will fund our veterans for the entire fiscal year.

After 40 days of uncertainty, I am profoundly glad to be able to announce nutrition programs, our veterans, and other critical priorities will have their full-year funding, and my goal is to quickly move to other full-year appropriations bills.

As I have said many times, I firmly believe that the way to fund the government is by passing appropriations bills through regular order—a process that gives Senators from both parties the fullest chance to make their voices heard.

HEALTHCARE

Mr. President, I also want to mention healthcare. There has been a lot of talk over the last several weeks on both sides of the aisle about the healthcare crisis in this country, and I am thankful to be able to say that we have Senators, both Democrat and Republican, who are eager to get to work to address that crisis in a bipartisan way. These Senators are not interested in political games; they are interested in finding real ways to address healthcare costs for American families. We also have a President who is willing to sit down and get to work on this issue. So I am looking forward to seeing what solutions might be brought forward.

Regardless, as I have said for weeks to my Democrat friends, I will schedule a vote on their proposal, and I have committed to having that vote no later than the second week in December.

Again, I am optimistic that after almost 6 weeks of this shutdown, we will finally be able to end it.

I will call up that bill in a matter of minutes, and I look forward to passing the clean continuing resolution and appropriations bill package in the very near future.

MOTION TO PROCEED TO THE MOTION TO RECONSIDER

Now, Mr. President, I move to proceed to the motion to reconsider the cloture vote on October 16 on the motion to proceed to H.R. 5371.

The PRESIDING OFFICER. The question is on agreeing to the motion.

The motion was agreed to.

MOTION TO RECONSIDER

Mr. THUNE. Mr. President, I move to reconsider the cloture vote on the motion to proceed to H.R. 5371.

The PRESIDING OFFICER. The question is on agreeing to the motion. The motion was agreed to.

CLOTURE MOTION

The PRESIDING OFFICER. Pursuant to rule XXII, the Chair lays before the Senate the pending cloture motion, which the clerk will state.

The senior assistant legislative clerk read as follows:

CLOTURE MOTION

We, the undersigned Senators, in accordance with the provisions of rule XXII of the Standing Rules of the Senate, do hereby move to bring to a close debate on the motion to proceed to Calendar No. 168, H.R. 5371, a bill making continuing appropriations and extensions for fiscal year 2026, and for other purposes.

John Thune, James E. Risch, Tim Sheehy, John Cornyn, Mike Rounds, John R. Curtis, James C. Justice, Katie Boyd Britt, David McCormick, Todd Young, Bill Hagerty, Dan Sullivan, Marsha Blackburn, Rick Scott of Florida, John Barrasso, Kevin Cramer, Cindy Hyde-Smith.

The PRESIDING OFFICER. Under the previous order, the mandatory quorum call under rule XXII has been waived.

The question is, Is it the sense of the Senate that debate on the motion to proceed to H.R. 5371, a bill making continuing appropriations and extensions for fiscal year 2026, and for other purposes, shall be brought to a close, upon reconsideration?

The yeas and nays are mandatory under the rule.

The clerk will call the roll.

The senior assistant legislative clerk called the roll.

The yeas and nays resulted—yeas 60, nays 40, as follows:

[Rollcall Vote No. 610 Leg.]

YEAS—60

Banks	Fischer	Moody
Barrasso	Graham	Moran
Blackburn	Grassley	Moreno
Boozman	Hagerty	Mullin
Britt	Hassan	Murkowski
Budd	Hawley	Ricketts
Capito	Hoeven	Risch
Cassidy	Husted	Rosen
Collins	Hyde-Smith	Rounds
Cornyn	Johnson	Schmitt
Cortez Masto	Justice	Scott (FL)
Cotton	Kaine	Scott (SC)
Cramer	Kennedy	Shaheen
Crapo	King	Sheehy
Cruz	Lankford	Sullivan
Curtis	Lee	Thune
Daines	Lummis	Tillis
Durbin	Marshall	Tuberville
Ernst	McConnell	Wicker
Fetterman	McCormick	Young

NAYS—40

Alsobrooks	Heinrich	Ossoff
Baldwin	Hickenlooper	Padilla
Bennet	Hirono	Paul
Blumenthal	Kelly	Peters
Blunt Rochester	Kim	Reed
Booker	Klobuchar	Sanders
Cantwell	Lujan	Schatz
Coons	Markey	Schiff
Duckworth	Merkley	Schumer
Gallego	Murphy	Slotkin
Gillibrand	Murray	Smith

Van Hollen	Warren	Wyden
Warner	Welch	
Warnock	Whitehouse	

The PRESIDING OFFICER (Mr. HUSTED). On this vote, the yeas are 60, the nays are 40.

Three-fifths of the Senators duly chosen and sworn having voted in the affirmative, the motion, upon reconsideration, is agreed to.

The motion was agreed to.

(Applause.)

The PRESIDING OFFICER (Mr. LANKFORD). The majority leader.

MEASURE READ THE FIRST TIME—S. 3168

Mr. THUNE. Mr. President, I understand there is a bill at the desk, and I ask for its first reading.

The PRESIDING OFFICER. The clerk will read the bill by title for the first time.

The legislative clerk read as follows:

A bill (S. 3168) to appropriate funds for pay and allowances of Federal employees, contract employees, and members of the Armed Forces during a lapse in appropriations, and for other purposes.

Mr. THUNE. Mr. President, I now ask for a second reading, and in order to place the bill on the calendar under the provisions of rule XIV, I object to my own request.

The PRESIDING OFFICER. The objection is heard.

The bill will be read for the second time on the next legislative day.

MORNING BUSINESS

EXPLANATORY STATEMENT

Ms. COLLINS. Mr. President, I ask unanimous consent to have printed in the CONGRESSIONAL RECORD, at the appropriate place, the explanatory statement to accompany the Continuing Appropriations, Agriculture, Legislative Branch, Military Construction and Veterans Affairs, and Extensions Act, 2026.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

EXPLANATORY STATEMENT SUBMITTED BY MS. COLLINS, CHAIR OF THE SENATE COMMITTEE ON APPROPRIATIONS, REGARDING H.R. 5371, THE CONTINUING APPROPRIATIONS, AGRICULTURE, LEGISLATIVE BRANCH, MILITARY CONSTRUCTION AND VETERANS AFFAIRS, AND EXTENSIONS ACT, 2026

The following is an explanation of the Continuing Appropriations, Agriculture, Legislative Branch, Military Construction and Veterans Affairs, and Extensions Act, 2026.

This Act includes continuing appropriations for fiscal year 2026, three regular appropriations bills for fiscal year 2026, and authorization extensions, as follows:

- Division A—Continuing Appropriations Act, 2026
- Division B—Agriculture, Rural Development, Food and Drug Administration, and Related Agency Appropriations Act, 2026
- Division C—Legislative Branch Appropriations Act, 2026

- Division D—Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2026
- Division E—Extension of Agricultural Programs
- Division F—Health Extenders
- Division G—Department of Veteran Affairs Extenders
- Division H—Miscellaneous

Section 1 of the Act is the short title of the bill.

Section 2 of the Act displays a table of contents.

Section 3 of the Act states that, unless expressly provided otherwise, any reference to “this Act” contained in any division shall be treated as referring only to the provisions of that division.

Section 4 of the Act states that this explanatory statement shall have the same effect with respect to the allocation of funds and implementation of this legislation as if it were a joint explanatory statement of a committee of conference.

Section 5 of the Act provides a statement of appropriations.

DIVISION B—AGRICULTURE, RURAL DEVELOPMENT, FOOD AND DRUG ADMINISTRATION, AND RELATED AGENCY APPROPRIATIONS ACT, 2026

CONGRESSIONAL DIRECTIVES

The joint explanatory statement accompanying this division is approved and indicates Congressional intent. Unless otherwise noted, the language set forth in House Report 119-172 and Senate Report 119-37 carries the same weight as language included in this joint explanatory statement and should be complied with unless specifically addressed to the contrary in this joint explanatory statement. While some language is repeated for emphasis, it is not intended to negate the language referred to above unless expressly provided herein.

In cases in which the House or the Senate or this explanatory statement has directed the submission of a report, such report is to be submitted to both the House and Senate Committees on Appropriations no later than 60 days after enactment of this act, unless otherwise directed.

Hereafter, in this Division of this statement, the term “the Committees” refers to the Committees on Appropriations of the House of Representatives and the Senate.

For the appropriations provided by this act and previous Acts, the departments and agencies funded by this agreement are reminded that the Committees use the definitions for transfer, reprogramming, and program, project, and activity as defined by the Government Accountability Office [GAO] in GAO-04-261SP Appropriations Law—Vol. I and GAO-05-734SP Budget Glossary.

A transfer is the shifting of funds between appropriations. It applies to (1) transfers from one agency to another, (2) transfers from one account to another within the same agency, and (3) transfers to an interagency or intra-agency working fund. In each instance, statutory authority is required.

Reprogramming is the utilization of funds in an appropriation account for purposes other than those contemplated at the time of appropriation. It is the shifting of funds from one object to another within an appropriation.

A program, project, or activity [PPA] is an element within a budget account. PPAs are identified by reference to include the most specific level of budget items identified in the Agriculture, Rural Development, Food and Drug Administration, and Related Agency Act, 2026, accompanying Committee reports, explanatory statements, and budget justifications. Program activity structures are intended to provide a meaningful representation of the operations financed by a

specific budget account by project, activity, or organization.

The agreement directs the Office of Budget and Program Analysis [OBPA] of the U.S. Department of Agriculture [USDA] to provide an organizational chart for each agency funded by this act to the division and subdivision level, as appropriate, within 60 days of enactment of this act. The agreement also directs the Food and Drug Administration [FDA] and the Farm Credit Administration [FCA] to provide an organizational chart of each agency, respectively, to the division and subdivision level, as appropriate, within 60 days of enactment of this act.

Further, USDA and FDA should be mindful of Congressional authority to determine and set final funding levels for fiscal year 2027. Therefore, the agencies should not presuppose program funding outcomes and prematurely initiate action to redirect staffing prior to knowing final outcomes on fiscal year 2027 program funding. The agreement directs OBPA to provide the Committees with the number of staff years and employees on board for each agency funded by this act on a monthly basis.

This agreement provides funding for Community Project Funding/Congressionally Directed Spending. The bill includes language in each account with such spending that the funding “shall be for the purposes, and in the amounts, specified for the relevant account in the table titled ‘Community Project Funding/Congressionally Directed Spending’ in the explanatory statement described in section 4 (in the matter preceding division A of this consolidated Act).”

TITLE I

AGRICULTURAL PROGRAMS

PROCESSING, RESEARCH, AND MARKETING

OFFICE OF THE SECRETARY

(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$46,361,000 for the Office of the Secretary.

The agreement directs the Department, in partnership with the Federal Trade Commission, to report to the Committees on implementation of recommendations in the 2024 National Academies of Sciences, Engineering, and Medicine report on Challenges in Supply, Market Competition, and Regulation of Infant Formula in the United States aimed at reducing market concentration and consolidation in infant formula, including recommendations for whether and how Congress could alter the single supply contract model under WIC.

The agreement provides \$5,250,000, to be divided equally, to continue the Institute for Rural Partnerships at the established land-grant universities which were originally funded in fiscal year 2022.

The agreement requests that the Department provide a summary of comments on the reorganization proposal within 60 days of the end of the comment period.

The agreement directs the Department to provide no less than quarterly briefings by agency or mission area to the Committees.

The following table reflects the agreement:

OFFICE OF THE SECRETARY

(Dollars in thousands)

Office of the Secretary	\$7,000
Office of Homeland Security	1,700
Office of Tribal Relations	5,190
Office of Partnerships and Public Engagement	5,250
Office of Assistant Secretary for Administration	1,706
Departmental Administration	17,015
Office of Assistant Secretary for Congressional Relations and Intergovernmental Affairs	3,500
Office of Communications	5,000
Total, Office of the Secretary	46,361

EXECUTIVE OPERATIONS

OFFICE OF THE CHIEF ECONOMIST

The agreement provides \$29,500,000 for the Office of the Chief Economist.

OFFICE OF HEARINGS AND APPEALS

The agreement provides \$14,500,000 for the Office of Hearings and Appeals.

OFFICE OF BUDGET AND PROGRAM ANALYSIS

The agreement provides \$14,967,000 for the Office of Budget and Program Analysis.

OFFICE OF THE CHIEF INFORMATION OFFICER

The agreement provides \$85,000,000 for the Office of the Chief Information Officer.

OFFICE OF THE CHIEF FINANCIAL OFFICER

The agreement provides \$5,867,000 for the Office of the Chief Financial Officer.

OFFICE OF THE ASSISTANT SECRETARY FOR CIVIL RIGHTS

The agreement provides \$1,466,000 for the Office of the Assistant Secretary for Civil Rights.

OFFICE OF CIVIL RIGHTS

The agreement provides \$30,000,000 for the Office of Civil Rights.

AGRICULTURE BUILDINGS AND FACILITIES

(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$15,000,000 for Agriculture Buildings and Facilities.

HAZARDOUS MATERIALS MANAGEMENT

(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$1,619,000 for Hazardous Materials Management.

OFFICE OF SAFETY, SECURITY, AND PROTECTION

The agreement provides \$24,000,000 for the Office of Safety, Security, and Protection.

OFFICE OF INSPECTOR GENERAL

The agreement provides \$103,000,000 for the Office of Inspector General.

OFFICE OF THE GENERAL COUNSEL

The agreement provides \$60,537,000 for the Office of the General Counsel.

OFFICE OF ETHICS

The agreement provides \$4,500,000 for the Office of Ethics.

OFFICE OF THE UNDER SECRETARY FOR RESEARCH, EDUCATION, AND ECONOMICS

The agreement provides \$1,884,000 for the Office of the Under Secretary for Research, Education, and Economics.

The agreement provides \$500,000 to continue AgARDA implementation and directs USDA to appoint an Interim Acting Director for AGARDA within 90 days of enactment of this act, consistent with the directive in H.Rpt. 119-172.

ECONOMIC RESEARCH SERVICE

The agreement provides \$90,612,000 for the Economic Research Service.

NATIONAL AGRICULTURAL STATISTICS SERVICE

The agreement provides \$185,000,000 for the National Agricultural Statistics Service [NASS], of which \$46,000,000 is for the Census of Agriculture.

The agreement directs NASS to continue all activities and reports at the frequency levels assumed in fiscal year 2023, including the July Cattle report; the Cotton Objective Yield Survey; all County Estimates for Crops and Livestock; barley acreage and production estimates; the Bee and Honey Program; the Chemical Use Data Series; the Floriculture Crops Report; Fruit and Vegetable Reports, including in-season forecasts for non-citrus fruit and tree nut crops such as pecans; the Organic Data Initiative; the TOTAL Survey; and the 5-Year Vineyard and Orchard Acreage Study. No other directives on report frequency shall apply.

The agreement further directs NASS to provide a report within 90 days of enactment of this act detailing all planned surveys and reports for fiscal year 2026 and the associated costs of each. NASS shall include, as part of its budget submission for 2027 and each fiscal year thereafter, a detailed breakdown of all planned surveys and reports with their associated costs.

AGRICULTURAL RESEARCH SERVICE

SALARIES AND EXPENSES

The agreement provides \$1,793,063,000 for the Agricultural Research Service [ARS], Salaries and Expenses.

The agreement rejects research terminations and laboratory closures proposed in the President's budget request and expects extramural and intramural research to be funded at no less than the fiscal year 2024 levels.

The briefing required in S.Rpt. 119-37 regarding the transition of programs to NBAF shall include the plan to transition the Foreign Animal Diagnostic Disease Laboratory from Plum Island to NBAF by the end of fiscal year 2026.

The following table reflects the agreement:

AGRICULTURAL RESEARCH SERVICE—SALARIES AND EXPENSES

(Dollars in thousands)

GPPD	\$250
Aflatoxin	250
Agricultural Law Information Partnership	500
Agrioltaics	500
AgTech Cooperative Agreements	3,000
Barley Pest Initiative	250
Bee Genomic Sequencing	250
Binational Agricultural Research and Development Program	500
Bovine Genetics	400
Carrot Research Initiative	750
Catfish Aquaculture	250
Child Nutrition Research	250
Cover Crops Research and Outreach	500
Daily High-Resolution Imaging	250
Dam Repair Research	1,000

Grape Genetics	500
Hemp Fiber Research	500
Herbicide Resistance	250
Innovative Water Systems	1,725
Mississippi River Invasive Species Consortium ..	1,000
Mitigation of Salmonella in Beef	250
Mycotoxins	250
National Bio- and Agro-Defense Facility (NBAF) ..	6,000
National Drought Mitigation Center	1,275
National Turfgrass Evaluation Program	250
New England Protected Agricultural Systems	2,000
Peanut Nutrition	1,000
Pecan Genetics	500
Pecan Processing	500
PFAS	2,000
Potato Bioinformatician	1,175
Poultry Research	2,000
Precision Management of Live Broiler Production ..	250
Resilient Barley Initiative	1,000
Shellfish Breeding	500
Smoke Exposure	250
Specialty Crop Mechanization	250
Sustainable Seaweed Aquaculture	1,000
Technology to Improve Poultry Health	500
U.S. Sheep Experiment Station	500
U.S. Wheat and Barley Scab	500
Vidalia Onion Breeding	500
Vomitoxin	250
Wheat Resilience Initiative	1,000
Reductions	–32,075
Other activities funded at no less than FY24 levels	1,723,913
Total, ARS Salaries & Expenses	1,793,063

Notwithstanding the increases specified in the table titled “Agricultural Research Service Salaries and Expenses”, the agreement includes the following reductions:

[Dollars in thousands]

New Product Quality/Value Added	— 371
Livestock Production	— 6,271
Crop Production	— 3,369
Food Safety	— 2,278
Livestock Protection	— 6,327
Crop Protection	— 3,324
Human Nutrition	— 371
Environmental Stewardship	— 9,764

BUILDINGS AND FACILITIES

The agreement provides \$60,650,000 for ARS Buildings and Facilities. The agreement supports the continued operation of the Beltsville Agricultural Research Center.

NATIONAL INSTITUTE OF FOOD AND AGRICULTURE

RESEARCH AND EDUCATION ACTIVITIES

The agreement provides \$1,075,810,000 for the National Institute of Food and Agri-

culture [NIFA], Research and Education Activities.

The agreement encourages NIFA to give strong consideration to the National Organic Standards Board organic research priorities when crafting the fiscal year 2026 Request for Applications for the Specialty Crop Research Initiative.

The following table reflects the agreement:

OFFICE OF THE UNDER SECRETARY FOR
MARKETING AND REGULATORY PROGRAMS
The agreement provides \$1,617,000 for the
Office of the Under Secretary for Marketing
and Regulatory Programs.

ANIMAL AND PLANT HEALTH INSPECTION
SERVICE

SALARIES AND EXPENSES
(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$1,157,534,000 for
the Animal and Plant Health Inspection
Service [APHIS], Salaries and Expenses.

The agreement provides the following in-
creases for APHIS: \$2,500,000 for the purchase
of electronic identification [EID] tags;
\$500,000 for chronic wasting disease [CWD];
\$250,000 for the veterinary stockpile; \$500,000
for the swine health improvement plan;
\$500,000 for the suppression of Mormon crick-
ets and grasshoppers; \$1,000,000 for specialty
crop pests, of which \$500,000 is for fruit fly
mitigation and \$500,000 is for spotted
lanternfly management; and \$750,000 for
wildlife damage management, of which
\$500,000 is for non-lethal activities and
\$250,000 is to combat rabies in wildlife.

The agreement provides \$22,500,000 for
CWD-related activities. Specifically, of the
amount provided for cervid health activities,
\$12,500,000 shall be for APHIS to allocate
funds directly to State departments of wild-
life, State departments of agriculture, Na-
tive American Tribes, and research institu-
tions and universities to further develop and
implement CWD surveillance, testing, man-
agement, and response activities, and
\$5,000,000 shall be for indemnity payments
and associated costs to remove infected and
exposed animals as expeditiously as possible.
Of the amount provided for Wildlife Service
Methods Development, \$5,000,000 shall be for
CWD work at the National Wildlife Research
Center, and the agreement directs APHIS to
continue working with university collabora-
tors to provide research support to the
overall effort to detect, combat, and control
CWD.

The agreement includes \$13,500,000 for
APHIS to procure and distribute the requi-
site number of tags—estimated to be at
least 11 million EID tags—associated with
the implementation of the cattle and bison
traceability rule, including brucellosis EID
tags for States in and surrounding the Great-
er Yellowstone Area. APHIS is directed to
provide the Committees an update on the use
of these funds within 30 days of enactment of
this act and quarterly thereafter.

Further, in the event of a shortage of EID
tags, the agreement encourages APHIS to
provide enforcement discretion for any pro-
ducer who is unable to obtain USDA-compli-
ant EID tags from either APHIS (including
through a State Veterinarian office) or in
the private market in a reasonable time-
frame prior to livestock transport. APHIS is
directed to notify the Committees should the
agency become aware of any disruptions or
shortages within the EID tag supply chain.

The agreement directs the Department,
within 1 year of enactment of this act, to

conduct and submit to the Committees an
assessment regarding the feasibility of ex-
panding the Agricultural Quarantine and In-
spection program to products entering the
State of Hawaii, which shall include a deter-
mination of the methods of transportation
and the types of commerce that are the most
likely contributors of invasive pests entering
the State of Hawaii, recommendations on
how to begin implementing the expansion,
and an estimate of the cost.

The agreement directs the Department to
continue to provide monthly briefings on the
continued outbreak of Highly Pathogenic
Avian Influenza and New World Screwworm
as referenced in S.Rpt. 119–37.

The agreement provides a total of \$6,500,000
for the suppression and control of Mormon
crickets and grasshoppers on private and
public lands. Of these funds, no less than
\$2,000,000 shall be for providing and/or apply-
ing treatment to reduce cricket and grass-
hopper populations.

Not later than 30 days after enactment of
this act, the Secretary shall submit to Con-
gress a report on the New World Screwworm
domestic readiness and response initiative of
APHIS, with a particular focus on—

- (1) domestic readiness, including the con-
struction of a domestic production facil-
ity in the event of a threat of a domestic
outbreak; and exploring partnerships
with States and industry with respect to
that construction and other domestic
preparedness efforts;
- (2) sterile fly production technology and
other eradication tools and technologies; and
- (3) the benefits of and barriers, including
timelines and costs, to enhanced domes-
tic, as compared to international, sterile
fly production.

The agreement remains concerned with the
potential reintroduction of foot and mouth
disease [FMD] and reiterates the require-
ment of an updated risk analysis to deter-
mine the safety of fresh beef imports from
Paraguay and the directive requiring the
Secretary to establish a working group as
outlined in S.Rpt. 119–37.

The agreement defines ‘contingency fund’,
as referenced in the APHIS table, as a source
of funding available for the control of out-
breaks of insects, plant diseases, animal dis-
eases, and for the control of pest animals and
birds.

The following table reflects the agreement:

BUILDINGS AND FACILITIES

The agreement provides \$500,000 for APHIS Buildings and Facilities.

The agreement allows APHIS to use previously allocated buildings and facilities funds for current needs. The agreement expects APHIS to prioritize high priority needs, including sterile fruit fly production facilities, when using these funds.

AGRICULTURAL MARKETING SERVICE
MARKETING SERVICES

The agreement provides \$211,367,000 for Agricultural Marketing Service [AMS], Marketing Services.

The agreement expects AMS to make purchases of wild-caught catfish, including from the Chesapeake Bay area.

The agreement is concerned that there have been imports of critical foods, including infant formula, that do not meet equivalency agreements made with other countries. The agreement directs AMS to provide a report on changes to all existing equivalency agreements that would need to be made in order to be in compliance with the 2022 Origin of Livestock Rule, as outlined in S.Rpt. 119-37, within 90 days of enactment of this act.

In carrying out molasses testing required by the Disaster Relief Appropriations Act, 2025, the agreement directs AMS to follow the criteria specified in S.Rpt. 119-37 with respect to product classified under Heading 1703.10, HTSUS, or Heading 1702.90.40, HTSUS. The agreement underscores that the objective of testing is to determine whether the product meets the typical properties of such product, not only whether the product meets the 6 percent test. There is concern that the 6 percent test, on its own, is no longer effective. There is also concern that the 6 percent test may be met despite including “foreign substance that may have been added or developed in the product” which is prohibited. The agreement directs AMS to report its findings to the Committees and appropriate agencies as soon as practicable but not later than 60 days after enactment of this act. The agreement further direct that the agency coordinate with U.S. Customs and Border Protection to adopt the proper testing criteria and protocols, consistent with this directive, within 90 days of enactment of this act.

The agreement encourages the Department to delay implementation of the final rule entitled “Poultry Grower Payment Systems and Capital Improvement Systems”, published by the Department of Agriculture in the Federal Register on January 16, 2025 (90 Fed. Reg. 5146 et seq.).

LIMITATION ON INSPECTION AND WEIGHING
SERVICES EXPENSES

The agreement includes a limitation on inspection and weighing services expenses of \$55,000,000.

OFFICE OF THE UNDER SECRETARY FOR FOOD
SAFETY

The agreement provides \$1,117,000 for the Office of the Under Secretary for Food Safety.

FOOD SAFETY AND INSPECTION SERVICE

The agreement provides \$1,215,200,000 for the Food Safety and Inspection Service [FSIS].

The agreement continues to include up to \$1,000,000 for the inspection of wild caught invasive species in the order Siluriformes and family Ictaluridae, including blue catfish in the Chesapeake Bay.

The agreement provides a \$15,200,000 increase for state meat and poultry inspection programs to ensure that the Federal reimbursement rate is 50 percent.

The following table reflects the agreement:

FOOD SAFETY AND INSPECTION SERVICE

(Dollars in thousands)

Federal	\$1,075,199
State	82,841

TITLE II

FARM PRODUCTION AND CONSERVATION
PROGRAMS

OFFICE OF THE UNDER SECRETARY FOR FARM
PRODUCTION AND CONSERVATION

The agreement provides \$1,527,000 for the Office of the Under Secretary for Farm Production and Conservation.

The agreement directs the Department to provide state disaster assistance agreements to the Committees upon request.

FARM PRODUCTION AND CONSERVATION
BUSINESS CENTER

SALARIES AND EXPENSES

(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$167,633,000 for the Farm Production and Conservation Business Center.

FARM SERVICE AGENCY

SALARIES AND EXPENSES

(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$1,125,000,000 for Farm Service Agency [FSA], Salaries and Expenses.

The agreement remains concerned about the loss of agricultural production and farms, particularly in New England. Within 180 days of enactment of this act, FSA is directed to provide a report to the Committees on what factors are leading to agricultural production and farm loss in New England, to include historical and projected data on acreage and crop types.

The agreement directs FSA, starting in the 2026/2027 crop year, to revise the formula it uses to calculate rice loan rate factors by averaging only 1 year of price data to better align the published loan rate factors with the current market conditions.

The following table reflects the agreement:

FARM SERVICE AGENCY—SALARIES AND EXPENSES

(Dollars in thousands)

Salaries and expenses	\$1,125,000
Transfer from ACIF	305,803
Total, FSA Salaries and expenses	1,430,803

STATE MEDIATION GRANTS

The agreement provides \$6,500,000 for State Mediation Grants.

GRASSROOTS SOURCE WATER PROTECTION
PROGRAM

The agreement provides \$7,500,000 for the Grassroots Source Water Protection Program.

DAIRY INDEMNITY PROGRAM
(INCLUDING TRANSFER OF FUNDS)
The agreement provides \$500,000 for the Dairy Indemnity Program.

GEOGRAPHICALLY DISADVANTAGED FARMERS AND RANCHERS
The agreement provides \$3,500,000 for the Reimbursement Transportation Cost Payment Program for Geographically Disadvantaged Farmers and Ranchers.

AGRICULTURAL CREDIT INSURANCE FUND PROGRAM ACCOUNT
(INCLUDING TRANSFERS OF FUNDS)
The agreement provides \$9,957,388,000 for the Agricultural Credit Insurance Fund program account.
The following table reflects the agreement:

FARM SERVICE AGENCY—AGRICULTURAL CREDIT INSURANCE FUND	
(Dollars in thousands)	
Loan Authorizations:

ACIF Expenses:	
Salaries and Expenses	305,803
Administrative Expenses	20,250
Total, ACIF Expenses	326,053

RISK MANAGEMENT AGENCY
SALARIES AND EXPENSES
The agreement provides \$60,000,000 for Risk Management Agency, Salaries and Expenses.
NATURAL RESOURCES CONSERVATION SERVICE
CONSERVATION OPERATIONS
The agreement provides \$350,000,000 for Natural Resources Conservation Service [NRCS], Conservation Operations.
The agreement provides \$1,000,000 for phragmite control and \$8,000,000 for the Grazing Lands Conservation Initiative, of which \$1,000,000 shall be for a cooperative agreement as outlined in S.Rpt. 119-37. The agreement also provides an increase of \$2,000,000 for NRCS' Snow Telemetry Network for the purpose stated in S.Rpt. 119-37.
The agreement directs NRCS to provide a briefing to the Committees within 30 days of enactment of this act on how producers can utilize NRCS programs to exclude wildlife from farmland.
The following table reflects the agreement:

NATURAL RESOURCES CONSERVATION SERVICE—CONSERVATION OPERATIONS	
(Dollars in thousands)	
Conservation Technical Assistance	\$697,624

NATURAL RESOURCES CONSERVATION SERVICE—CONSERVATION OPERATIONS—Continued	
(Dollars in thousands)	
Snow Survey and Water Forecasting	16,751

Soil Surveys Program	86,000
Urban Agriculture Office	5,000
Community Project Funding/Congressionally Directed Spending	34,625
Total, Conservation Operations	850,000

WATERSHED AND FLOOD PREVENTION OPERATIONS
The agreement provides \$50,000,000 for Watershed and Flood Prevention Operations [WFPO].
The agreement notes that WFPO received \$500,000,000 in the Infrastructure Investment and Jobs Act (Public Law 117-58) and \$150,000,000 per year in perpetuity in the One Big Beautiful Bill Act (Public Law 119-21). In addition, there are significant unobligated balances available.
The agreement provides \$10,000,000 for irrigation modernization projects that provide multiple benefits to alleviate challenges faced primarily in Western States, including but not limited to reduction of drought impact, improvement of water quality or in-stream flow, off-channel renewable energy production, and increased fish or wildlife habitat.

WATERSHED REHABILITATION PROGRAM
The agreement provides \$3,000,000 for the Watershed Rehabilitation Program.
CORPORATIONS
FEDERAL CROP INSURANCE CORPORATION FUND
The agreement provides \$15,346,000,000 for the Federal Crop Insurance Corporation Fund.
COMMODITY CREDIT CORPORATION FUND
REIMBURSEMENT FOR NET REALIZED LOSSES (INCLUDING TRANSFERS OF FUNDS)
The agreement provides \$13,953,731,000 for Reimbursement for Net Realized Losses of the Commodity Credit Corporation.
HAZARDOUS WASTE MANAGEMENT (LIMITATION ON EXPENSES)
The agreement provides a limitation of \$15,000,000 for Hazardous Waste Management.

TITLE III
RURAL DEVELOPMENT PROGRAMS
OFFICE OF THE UNDER SECRETARY FOR RURAL DEVELOPMENT
The agreement provides \$1,620,000 for the Office of the Under Secretary for Rural Development.
The agreement notes that careful consideration was given to unobligated balances in determining the levels provided in this title.
RURAL DEVELOPMENT
SALARIES AND EXPENSES (INCLUDING TRANSFERS OF FUNDS)
The agreement provides \$761,992,000 for Rural Development [RD], Salaries and Expenses, including a direct appropriation of \$312,000,000.
The agreement reminds the Department to complete a field office analysis, as referenced in S.Rpt. 119-37, and brief the Committees within 60 days of enactment of this act.
RURAL HOUSING SERVICE
RURAL HOUSING INSURANCE FUND PROGRAM ACCOUNT (INCLUDING TRANSFERS OF FUNDS)
The agreement provides a total budget authority of \$606,362,000 for activities under the Rural Housing Insurance Fund Program Account.

The agreement provides \$32,650,000 of Section 502 Direct Loan funds to be available for two fiscal years to ensure that the program can continue to offer mortgages at the end of the fiscal year and through the start of the next fiscal year. The agreement notes that the intent behind this extended period of availability is to allow borrowers to take on mortgages over the course of the entire year.
The following table reflects the agreement:

(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$50,575,000 for the Rural Business Program Account.

This agreement recognizes that RD is the most well-positioned agency to administer programs authorized under the Rural Business Cooperative Service [RBCS] to meet the specific needs of businesses and communities across rural America and that any administration of RBCS programs outside of the agency or Department shall not be conducted without prior notification and approval from the Committees no less than 30 days prior to the transfer of such administrative authorities.

The agreement directs USDA to allow the Meat and Poultry Processing Expansion grants for invasive wild caught catfish to cover new construction with a 50 percent advance of the award upon full execution of grant agreement, whether for new or expanding construction or equipment, and a participant cost share rate at no more than 20 percent with in-kind contributions in accordance with 2 CFR 200.306.

The Department is directed to brief the Committees within 30 days of enactment of this act to provide additional details on the recent changes to the business and rural energy guaranteed loan programs regarding certified cropland.

The following table reflects the agreement:

RURAL DEVELOPMENT—RURAL BUSINESS COOPERATIVE
SERVICE RURAL BUSINESS PROGRAMS

Total, budget authority	41,040

DISTANCE LEARNING, TELEMEDICINE, AND
BROADBAND PROGRAM

The agreement provides \$108,517,000 for the Distance Learning, Telemedicine, and Broadband Program.

This agreement provides \$50,750,000 for the ReConnect pilot established in the Consolidated Appropriations Act of 2018 (Public Law 115-141). This agreement recognizes the ongoing implementation of the \$42.5 billion for the Broadband Equity Access and Development Program, authorized by the Infrastructure Investment and Jobs Act (Public Law 117-57), and notes that the ReConnect pilot program should largely serve rural communities which are 90 percent lacking Internet connectivity speeds of 25/3 mbps, while avoiding service areas already subject to a build-out obligation involving any State or Federal funds. In addition, the Department is reminded that the program is intended to be technology neutral and should consider projects which are able to showcase scalability for future need, speed of deployment to unserved areas, and cost per location of deployment while ensuring buildout speeds of at least 100/20 mbps. Further, the agreement urges RD to take action to increase access to broadband on Tribal lands.

The following table reflects the agreement:

RURAL DEVELOPMENT—RURAL UTILITIES SERVICE
DISTANCE LEARNING, TELEMEDICINE, AND BROADBAND
PROGRAM

(Dollars in thousands)

Subsidy and grants:	
Distance learning and telemedicine grants	\$30,000

Broadband ReConnect Loans and Grants ..	50,000
ReConnect Community Project Funding/Congressionally Directed Spending	750
Broadband telecommunications program:	
Community Connect Grants	17,000
Total, subsidies and grants	108,517

TITLE IV
DOMESTIC FOOD PROGRAMS

OFFICE OF THE UNDER SECRETARY FOR FOOD,
NUTRITION, AND CONSUMER SERVICES

The agreement provides \$1,127,000 for the Office of the Under Secretary for Food, Nutrition, and Consumer Services [FNCS].

The agreement encourages the Secretary to work with the International Trade Administration in implementing section 788 of this act.

The agreement recognizes USDA implemented partial Supplemental Nutrition Assistance Program allotments for the month of November 2025. The agreement expects the Department to provide the remainder of the allotment for those eligible households as soon as practicable.

FOOD AND NUTRITION SERVICE
CHILD NUTRITION PROGRAMS
(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$37,841,674,000 for Child Nutrition Programs.

The following table reflects the agreement:

FOOD AND NUTRITION SERVICE—CHILD NUTRITION
PROGRAMS

(Dollars in thousands)

School lunch program	\$18,691,638
School breakfast program	6,589,688
Child and adult care food program	4,520,684

School Meals Equipment Grants	10,000
Child Nutrition Training	1,000
Farm to School grants	5,000
Total	37,841,674

SPECIAL SUPPLEMENTAL NUTRITION PROGRAM
FOR WOMEN, INFANTS, AND CHILDREN [WIC]

For the Special Supplemental Nutrition Program for Women, Infants, and Children, the agreement provides \$8,200,000,000.

The agreement requests a report within 90 days of enactment of this act to better understand the changes to infant formula rebates in the WIC program since fiscal year 2022, including recommendations from both the USDA and state WIC officials so that infant formula rebates continue to meet the needs of the WIC program.

The agreement directs the Secretary to issue guidance to state agencies to allow more fresh, frozen, canned, and dried fruit and vegetable options for Food Packages III, IV, V, VI, and VII for WIC in accordance with “Special Supplemental Nutrition Program for Women, Infants, and Children (WIC): Revisions in the WIC Food Packages” (FNS–2022–0007).

SUPPLEMENTAL NUTRITION ASSISTANCE
PROGRAM

The agreement provides \$107,481,218,000 for the Supplemental Nutrition Assistance Program [SNAP].

The following table reflects the agreement:

FOOD AND NUTRITION SERVICE—SUPPLEMENTAL
NUTRITION ASSISTANCE PROGRAM

(Dollars in thousands)

Benefits	\$90,395,001
Contingency	6,000,000
Administrative Costs:	
State administrative costs	6,252,522
Employment and Training	699,600
Mandatory other program costs	418,743
Discretionary other program costs:	
Tribal Demonstration	3,000
Healthy Fluid Milk	4,000
Tribal Nutrition Education	998
Administrative Costs Subtotal	7,378,863
Nutrition Assistance for Puerto Rico (NAP)	2,978,891
American Samoa	11,963
Food Distribution Program on Indian Reservations	235,000
TEFAP commodities	471,500
Community Food Projects	5,000
Program access	5,000
Subtotal	3,707,354
Total	107,481,218

COMMODITY ASSISTANCE PROGRAM

The agreement recommends an appropriation of \$551,070,000 for the Commodity Assistance Program.

NUTRITION PROGRAMS ADMINISTRATION

The agreement provides \$160,000,000 for Nutrition Programs Administration.

TITLE V
FOREIGN ASSISTANCE AND RELATED
PROGRAMS

OFFICE OF THE UNDER SECRETARY FOR TRADE
AND FOREIGN AGRICULTURAL AFFAIRS

The agreement provides \$932,000 for the Office of the Under Secretary for Trade and Foreign Agricultural Affairs.

The agreement supports the Food for Peace program and the McGovern-Dole International Food for Education and Child Nutrition Program and remains concerned about delays impacting both programs. The agreement directs USDA, in coordination with the Department of State where appropriate, to brief the Committees quarterly on the status of both programs, including unobligated balances and any proposed improvements and opportunities for efficiencies. The Secretary is further directed to consult with the Secretary of State on ways to best improve the timeliness of reimbursements and improve the agency’s payments system to eliminate future delays.

OFFICE OF CODEX ALIMENTARIUS

The agreement provides \$4,922,000 for the Office of Codex Alimentarius.

FOREIGN AGRICULTURAL SERVICE
SALARIES AND EXPENSES
(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$222,000,000 for Foreign Agricultural Service [FAS], Salaries & Expenses and a transfer of \$6,063,000.

The agreement provides \$1,000,000 for FAS and USDA to work with the Department of State to conduct an interagency review and provide a report to Congress that outlines the process and needs within USDA to operate the Food for Peace program should Congress direct such transfer. The agreement directs the report to include information outlined in the S.Rpt. 119–37.

FOOD FOR PEACE TITLE II GRANTS

The agreement provides \$1,200,000,000 for Food for Peace Title II Grants.

McGOVERN–DOLE INTERNATIONAL FOOD FOR
EDUCATION AND CHILD NUTRITION PROGRAM
GRANTS

The agreement provides \$240,000,000 for the McGovern-Dole International Food for Education and Child Nutrition Program.

COMMODITY CREDIT CORPORATION EXPORT
(LOANS)

CREDIT GUARANTEE PROGRAM ACCOUNT
(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$6,063,000 for the Commodity Credit Corporation Export (Loans) Credit Guarantee Program Account.

TITLE VI
RELATED AGENCY AND FOOD AND DRUG
ADMINISTRATION

DEPARTMENT OF HEALTH AND HUMAN
SERVICES

FOOD AND DRUG ADMINISTRATION
SALARIES AND EXPENSES
(INCLUDING TRANSFERS OF FUNDS)

The agreement provides \$3,422,150,000 in discretionary budget authority and \$3,535,822,000 in definite user fees for a total of \$6,957,972,000. This total does not include permanent, indefinite user fees for the Mammography Quality Standards Act; Color Certification; Export Certification; Priority Review Vouchers Pediatric Disease; Food and Feed Recall; Food Reinspection; Voluntary Qualified Importer Program; the Third-Party Auditor Program; Outsourcing Facility; and Over-the-Counter Monograph.

The agreement commends FDA’s prioritization of cell and gene therapies and directs the agency to continue to modernize its approach, including the use of the Accelerated Approval Pathway; considering the totality of the scientific evidence and maximizing approval pathways. This is especially important for rare disease conditions such as Duchenne and Becker Muscular Dystrophy, with significant unmet medical needs. Given the transformative potential of these therapies, the agreement encourages enhanced alignment between FDA centers and the patient community regarding risk tolerance. FDA should consider that for conditions where cell and gene therapies offer significant clinical outcomes, including type 1 diabetes, a broader risk-benefit assessment may be warranted beyond viewing these as rescue therapies. The agreement further urges judicious use of clinical holds when rationale is clearly communicated. The agreement reiterates Congressional support for and strict adherence to the Orphan Drug Act, including the exclusive approval provisions under section 527 of the Federal Food, Drug, and Cosmetic Act, and directs FDA to apply determinations of clinical superiority consistent with the statute.

The agreement recognizes the challenges in ensuring a safe and available blood supply. The agreement urges FDA to convene a roundtable of relevant public and private stakeholders to identify solutions to prevent shortages of supplies and equipment and to provide notification of when the roundtable is convened.

The agreement directs FDA to submit a report to the Committees within 60 days of enactment of this act detailing its strategies to

support industry implementation and a timeline to complete the requirements within 18 months of enactment of this act in order to prepare for FDA’s implementation of the Food Traceability Final Rule by July 20, 2028. The report shall include specific performance milestones (including progress toward operationalization of FDA’s internal Product Tracing System) and an inspections and compliance roadmap and shall describe technical assistance provided to industry. FDA shall submit progress updates every 90 days thereafter until the rule is in effect. Not later than 120 days after enactment of this act, FDA shall convene a tabletop exercise with participation from producers, processors, distributors, retailers, technology providers, and other covered entities. In addition, the Commissioner shall publicly post summaries of such exercises not later than 90 days after completion of the exercise.

The agreement reaffirms its strong support of the Foreign Unannounced Inspections Pilot and appreciates the updated efforts in increasing inspections of foreign drug manufacturers. The agreement reminds FDA of the original intent of the pilot and requests a briefing within 120 days of enactment of this act on FDA’s work to ensure compliance and international safety and quality standards.

The agreement is encouraged by the actions FDA announced on July 29, 2025, to protect Americans from dangerous, illegal products that have the same effects as opioids by recommending a scheduling action to control certain 7-hydroxymitragynine (also known as 7-OH) products under the Controlled Substances Act [CSA]. 7-OH is a concentrated byproduct of the kratom plant and is increasingly recognized as having potential for abuse because of its ability to bind to opioid receptors. The agreement supports FDA’s continued actions related to 7-OH and directs FDA to continue to enforce these standards for domestic vendors, manufacturers, and importers of such materials.

The agreement directs FDA to spend an additional \$3,000,000 to build on current efforts to advance our scientific knowledge of neurological diseases and is encouraged by the agency’s hiring of additional staff with neurological expertise to address challenges to neurodegenerative drug development.

Of the funding provided for FDA, the agreement directs FDA to spend no less than the fiscal year 2024 level on critical outreach and training services for FSMA outreach to small farmers.

The agreement amends the Over-the-Counter Tests language from S.Rpt. 119-37 and H.Rpt. 119-172 to also include point of care tests.

The agreement directs that, of the total amount appropriated for the Human Foods Program and related field activities in the Office of Inspections and Investigations, no less than \$116,000,000 shall be used for State and local programs.

The agreement supports FDA prioritizing funds to build a permanent presence in East Asia, including locations in Tokyo, Japan, and Hanoi, Vietnam to conduct inspections, including unannounced inspections, and strengthen regulatory control and oversight for products being produced in that region, including devices, drugs, and aquaculture products.

The agreement directs FDA to adhere to the Federal Advisory Committee Act.

The agreement reaffirms concerns that FDA has not implemented key provisions of the Modernization of Cosmetics Regulation Act [MoCRA]. The agreement directs FDA to provide a report within 90 days of enactment of this act that includes a timeline for undergoing rulemaking and promulgating regulations for Good Manufacturing Practices

and Fragrance Allergen Labeling for cosmetic products. The agreement directs the use of an additional \$2,000,000 to aid in the implementation of MoCRA.

The agreement supports providing healthier foods to school children. The agreement reminds the agency that there are programs in place for healthy foods procurement and equipment and directs FDA to coordinate with USDA on these efforts.

The agreement directs FDA to spend \$2,500,000 at Center for Biologics Evaluation and Research [CBER] on research related to the development and validation of improved endpoints for clinical trials of disease-modifying therapies in type 1 diabetes.

The FDA shall provide a briefing to the Committees within 30 days of enactment of this act on current drug safety review activities.

The agreement reaffirms the Committee’s concerns about the fragility of the domestic infant formula market, especially after the 2022 crisis, and directs the FDA to use all authorities to prevent contaminated infant formula from making it to market and support improved domestic diversification of manufacturers. The agreement directs the Agency to report to Congress within 30 days any statutory barriers to improve inspections, recalls, and administrative responses within the FDA and for manufacturers. The agreement supports the goals of Operation Stork Speed [OSS] to improve the safety, quality, nutrition, and availability of infant formula and urges the FDA to act swiftly to establish and enforce clear, consistent inspection and compliance standards for all infant formula products, regardless of their country of origin. The agreement maintains that all manufacturers, whether domestic or foreign, should be held to the same regulatory standards, requirements, and inspection levels, including unannounced inspections. The agreement notes that the Committees continue to monitor the availability and quality of specialty formulas and fortifiers administered to pre-term or low birthweight infants and directs the FDA to focus on the fragility and safety of this market and keep the Committees apprised should the FDA be concerned about the availability of these formulas. The agreement also directs the FDA, in coordination with the National Institutes of Health, to conduct a study on the root causes of Necrotizing Enterocolitis [NEC].

The agreement notes that the Unified Agenda of Federal Regulatory and Deregulatory Actions as published by the Office of Information and Regulatory Affairs (OIRA) within the U.S. Office of Management and Budget [OMB] states that the proposed rule titled, “Requirements for Tobacco Product Manufacturing Practice”, published by the FDA in the Federal Register on March 10, 2023 (88 Fed. Reg. 15174), has an estimated finalization date May 2027. The agreement directs the FDA within 180 of enactment of this act to hold stakeholder meetings for small producers who have expressed challenges meeting reporting requirements in the draft rule.

The agreement directs FDA to provide quarterly briefings to the Committees to discuss funding obligations and user fee agreements. FDA is directed to establish a regular cadence for these quarterly briefings within 60 days of the enactment of this act. The briefing shall correspond with quarterly reporting on outlays, obligations, and staffing levels as outlined in section 773 of this act.

Section 755. The bill includes language regarding APHIS pay.

Section 756. The bill includes language regarding the Federal Meat Inspection Act.

Section 757. The bill includes language regarding wetland compliance.

Section 758. The bill provides funding to carry out section 12502 of Public Law 115–334.

Section 759. The bill includes language regarding the Dietary Guidelines.

Section 760. The bill includes language regarding certain unobligated balances.

Section 761. The bill includes language regarding genetically engineered salmon.

Section 762. The bill provides funding for an Institute for Rural Partnerships.

Section 763. The bill provides funding for a working group.

Section 764. The bill includes language regarding the Office of the General Counsel.

Section 765. The bill includes language regarding the Multifamily Mortgage Foreclosure Act.

Section 766. The bill includes language regarding the Community Facilities program.

Section 767. The bill includes language regarding a rescission of funds.

Section 768. The bill includes language regarding a rescission of funds.

Section 769. The bill includes language regarding a rescission of funds.

Section 770. The bill includes language regarding a rescission of funds.

Section 771. The bill includes language regarding lab closures.

Section 772. The bill includes language regarding FDA regulations.

Section 773. The bill includes language regarding user fees.

Section 774. The bill includes language regarding Livestock Mandatory Reporting.

Section 775. The bill includes language regarding sodium reductions.

Section 776. The bill provides funding for a pilot program.

Section 777. The bill includes language regarding fish species.

Section 778. The bill includes language regarding Hawaiian coffee.

Section 779. The bill includes language regarding office closures.

Section 780. The bill includes language regarding FDA rulemaking.

Section 781. The bill includes language regarding hemp regulations.

Section 782. The bill provides funding for Meat and Poultry Processing Expansion.

Section 783. The bill includes language regarding FDA regulations.

Section 784. The bill includes language regarding a rescission of funds.

Section 785. The bill includes language regarding FDA regulations.

Section 786. The bill includes language regarding buildings and facilities funds.

Section 787. The bill includes language regarding the WIC program.

Section 788. The bill includes language regarding a study.

Section 789. The bill includes language regarding Community Project Funding/Congressionally Directed Spending.

Section 790. The bill includes language regarding program terminations.

DISCLOSURE OF EARMARKS AND CONGRESSIONALLY DIRECTED SPENDING ITEMS

Following is a list of congressional earmarks and congressionally directed spending items (as defined in clause 9 of rule XXI of the Rules of the House of Representatives and rule XLIV of the Standing Rules of the Senate, respectively) included in the bill or this explanatory statement, along with the name of each House Member, Senator, Delegate, or Resident Commissioner who submitted a request to the Committee of jurisdiction for each item so identified. For each item, a Member is required to provide a certification that neither the Member nor the Member’s immediate family has a financial interest, and each Senator is required to provide a certification that neither the Senator nor the Senator’s immediate family has a pecuniary interest in such congressionally directed spending item. Neither the bill nor the explanatory statement contains any limited tax benefits or limited tariff benefits as defined in the applicable House and Senate rules.

DIVISION C—LEGISLATIVE BRANCH
APPROPRIATIONS ACT, 2026

The following is an explanation of the effects of division C, which makes appropriations for the legislative branch for fiscal year 2026. The joint explanatory statement accompanying this division is approved and indicates congressional intent. Unless otherwise noted, the language set forth in House Report 119–178 and Senate Report 119–38 carries the same weight as language included in this joint explanatory statement and shall be complied with unless specifically addressed to the contrary in this joint explanatory statement. While some language is repeated for emphasis, it is not intended to negate the language referred to above unless expressly provided herein.

All legislative branch departments and agencies are directed to follow the directives adopted in Public Law 117–328 and Division I—Legislative Branch Appropriations Act, 2023 on “Reprogramming Guidelines”, “Full-time equivalent [FTE]”, and “Zero-based Budgeting”.

Legislative Branch Agencies-Reporting.—All reports are required to be completed in the timeframe noted in each respective directive. Any report requested by either chamber for a joint agency or department shall be submitted to both the House and Senate Committees on Appropriations (“the Committees”). Moreover, it is the expectation of the Committees that the conditions associated with funding appropriated by this act shall be accomplished in the manner as di-

rected in the report, consistent with congressional intent.

Not later than 30 days after the enactment of this act, each legislative branch agency shall submit to the Committees a detailed spend plan outlining the use of funds appropriated for its programs in the current fiscal year. Each agency shall thereafter submit quarterly execution reports that compare actual obligations and expenditures to the spend plan.

Offices of Inspectors General [OIG].—Maintaining the independence of legislative branch OIGs from their respective reporting agencies is essential. Accordingly, each agency is expected to include, as a distinct section within its fiscal year 2027 budget justification, a detailed budget request for its OIG. Similarly, each agency shall include, as a separate section of its fiscal year 2026 spend plan, a detailed spend plan for its OIG. Each OIG is directed to keep the Committees fully informed in writing of its funding requirements. Agencies are further directed to refrain from interfering with, or requiring prior approval for, any communications between their OIG and the Committees.

Cybersecurity for the Legislative Branch.—All legislative branch agencies shall provide quarterly briefings to the Committees on the status of their cybersecurity program, following the cybersecurity directives and reporting detailed in House Report 119–178 and Senate Report 119–38.

Artificial Intelligence.—As noted in House Report 119–178, agencies are encouraged to partner on common policy standards, includ-

ing privacy and security protections, and ways in which AI may be developed, integrated, and shared within the Legislative Branch AI working group.

Purchase or Lease of Vehicles.—All departments and agencies are reminded of the Buy American Act [BAA] and are encouraged to avoid sourcing from entities of concern, such as those affiliated with the Chinese Communist Party. The Committees note that while the BAA allows for exceptions in certain circumstances, legislative branch entities must provide prior notification to the Committees and their respective authorizing committee when exemptions are necessary.

Member Security.—The Committees recognize the increasing number of threats against Members of Congress and their families and the importance of protecting Members. It is essential that every Member of Congress is able to fulfill their congressional duties without concern for their personal safety and that of their families and staff. The agreement provides additional funding for both chambers to enhance and expand security protections for Congress.

TITLE I
SENATE

The agreement includes \$1,467,139,000 for Senate operations. This relates solely to the Senate and is in accordance with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention. The language included in Senate Report 119–38 should be complied with and carry the same

emphasis as the language included in the explanatory statement, unless specifically addressed to the contrary in this explanatory statement. Any change from the allocation of funds in the subaccounts within this appropriation is subject to the approval of the Senate Committee.

Security Enhancements and Services.—The agreement provides an additional \$750,000 to each Senator's office account for payments for security enhancements and services, pursuant to S. Res. 413 (119th Cong.). Allowable services include protective security of Senators and the residences of Senators at all times, irrespective of the physical location of the Senators at the time. The Committee on Rules and Administration may promulgate regulations implementing this section. Senators have discretion in the exercise of their official duties to choose, and to determine the appropriate scope of services for, providers of security enhancements and services, and to contract and enter into agreements therefor, including the extent to which to accept recommendations of the Sergeant at Arms [SAA] program coordinators. The SAA will offer coordination and support services, including procurement assistance, to Member offices with resources provided under a separate appropriation. Additionally, the SAA may support the procurement of personal security services and obligate funds on behalf of a Senator, pursuant to 2 U.S.C. § 6505, if the Senator delegates such authority in writing.

Security Program Coordination.—The agreement provides \$5,000,000 to SAA to support Member offices by coordinating the utilization of security programs for Senators, including activities authorized by S. Res. 413 (119th Cong.). Such funds are available for personnel and overhead costs associated with, among other purposes, contracting support and liaison activities between Federal, State, local, and private security entities.

Travel.—Pursuant to the updated travel regulations adopted by the Committee on Rules and Administration, Members on official business in Washington, D.C. are eligible for reimbursement of ordinary and necessary expenses. For reimbursement, Members shall submit a detailed monthly expense report summarizing eligible expenses, which shall bear the signature of the Member as certification of such monthly expenses. Such certification of expenses shall serve as validation for issuance of reimbursement for the aforementioned specified Washington, D.C. travel program. Reimbursements shall not exceed the daily rate for meals, incidentals, and lodging as determined by the General Services Administration for the Washington, D.C. area.

ADMINISTRATIVE PROVISIONS

The agreement provides for unspent amounts remaining in the Senators' Official Personnel and Office Expense Account to be used for deficit or debt reduction and provides delegation authority to the Senate Democratic conference for amounts made available in this act.

HOUSE OF REPRESENTATIVES

The agreement includes \$2,083,055,000 for House operations. This item relates solely to the House and is in accordance with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention. The language included in House Report 119-178 should be complied with and carry the same emphasis as the language included in the explanatory statement, unless specifically addressed to the contrary in this explanatory statement. Any change from the allocation of funds in the subaccounts within this appropriation is subject to the approval of the House Committee.

New Security Program.—Within 30 days of enactment of this act, the House Sergeant at Arms shall provide to the House Committee on Appropriations and the Committee on House Administration a briefing on the new security programs including implemented policies and expenditures.

ADMINISTRATIVE PROVISIONS

The agreement provides for unspent amounts remaining in the Members' Representational Allowances [MRA] account to be used for deficit or debt reduction; places a limitation on the amount available to lease vehicles; limits the sharing of House information by Federal entities; modifies long-term lease requirements for the House of Representatives; provides for telecommunications expenses and assistant director salaries for the House Child Care Center; exempts the practice of medicine and dentistry from the fiduciary relationship restrictions for a Member of the House of Representatives; and provides direction for the House Sergeant at Arms regarding Member security programs.

JOINT ITEMS

JOINT ECONOMIC COMMITTEE

The agreement includes \$4,283,000 for salaries and expenses.

JOINT COMMITTEE ON TAXATION

The agreement includes \$14,000,000 for salaries and expenses.

OFFICE OF THE ATTENDING PHYSICIAN

The agreement includes \$4,856,000.

OFFICE OF CONGRESSIONAL ACCESSIBILITY SERVICES

SALARIES AND EXPENSES

The agreement includes \$1,819,000 for salaries and expenses.

CAPITOL POLICE

The agreement refers the United States Capitol Police (USCP or the Department) to the fiscal year 2024 joint explanatory statement, House Report 119-178, and Senate Report 119-38 language and directs the Department to remain in close communication with the Committees and congressional stakeholders during implementation. The Committees especially note the Department's work on risk-based protections for Members.

Capitol Police Board.—The Committees remind the Department of the Capitol Police Board's responsibility to oversee, to support the Department, and to promote coordination with key stakeholders. In particular, the Board must review and approve the USCP's budget request, and USCP must provide sufficient detail and time for proper evaluation before submission to the Committees.

The Committees remind the executive leadership of the United States Capitol Police of their obligation to adhere to the directives and guidance issued by the Capitol Police Board, including the requirements outlined in the Capitol Police Board Manual. Compliance with such directives is a fundamental responsibility of the executive team and will be considered by the Capitol Police Board in the evaluation of leadership performance and fulfillment of official duties.

Mutual Aid Transfer Authority.—The Committees reaffirm support for the Department's mutual aid program, which funds large-scale event preparation and reimburses State and local law enforcement for Member protection off Capitol grounds. Additional transfer authority is provided to replenish the mutual aid account, emphasizing its importance amid heightened threats. Unused year-end funds should be reallocated to support the Department's mission, including the mutual aid fund.

SALARIES

The agreement includes \$653,422,000 for salaries of the USCP of which overtime shall

not exceed \$80,067,000 unless the Committees are notified.

USCP Office of Inspector General.—The agreement includes no less than \$850,000 and the necessary FTEs to perform their mission as approved by the Committees in their fiscal year 2026 spend plan.

Overtime.—The Chief of Police is expected to use the Department's new staffing office to review overtime against mission needs, and together with operational leadership, recommend strategies to the Capitol Police Board. Within 90 days of enactment of this act, the Department must implement internal overtime controls, which the Capitol Police Board will monitor. Quarterly updates to the Committees on overtime usage should continue as required.

Civilian Staffing.—The Committees remind the Department of the language in Senate Report 119-38.

GENERAL EXPENSES

The agreement includes \$198,928,000 for general expenses of the Capitol Police.

Wellness Programs for Law Enforcement.—The Committees support wellness and resiliency programs for the USCP workforce and urge continued focus on PTSD and stress challenges among officers and staff. The Committees look forward to bi-annual updates from the Howard C. 'Howie' Liebengood Center for Wellness.

ADMINISTRATIVE PROVISIONS

The agreement provides transfer authority and requires authorizations for international travel for training purposes.

OFFICE OF CONGRESSIONAL WORKPLACE RIGHTS

SALARIES AND EXPENSES

The agreement includes \$8,350,000 for salaries and expenses.

CONGRESSIONAL BUDGET OFFICE

SALARIES AND EXPENSES

The agreement includes \$74,750,000 for salaries and expenses.

CAPITOL POWER PLANT

The agreement includes \$141,007,000 for maintenance, care, and operation of the Capitol Power Plant, of which \$22,600,000 shall remain available until September 30, 2030. In addition, \$10,000,000 in offsetting collections is available from reimbursements for steam and chilled water.

With respect to operations and projects, the agreement includes the following:

Operating Budget	\$118,407,000
Project Budget:	
Minor Construction	7,000,000
Concrete Repairs, B & R	
Tunnels, CPP	10,000,000
General Area Fire Alarm	
Upgrades, CPP	3,200,000
Electric Feeder and Com-	
munication Duct	
Banks	2,400,000
Total, Project Budget	22,600,000
Total, Capitol Power Plant	\$141,007,000
Offsetting Collections(10,000,000).	

LIBRARY BUILDINGS AND GROUNDS

The agreement includes \$56,563,000 for Library of Congress Buildings and Grounds, of

which \$18,000,000 shall remain available until September 30, 2030.

With respect to operations and projects, the agreement includes the following:

Operating Budget:	\$38,563,000
Project Budget:	
Minor Construction	6,000,000
Fire Sprinkler System Re-	
placement, Jefferson ..	12,000,000
Total, Project Budget	18,000,000
Total, Library Buildings and Grounds	\$56,563,000

CAPITOL POLICE BUILDINGS, GROUNDS AND SECURITY

The agreement includes \$75,069,000 for Capitol Police Buildings, Grounds and Security, of which \$12,000,000 shall remain available until September 30, 2030.

With respect to operations and projects, the agreement includes the following:

Operating Budget:	\$63,069,000
Project Budget:	
Minor Construction	12,000,000
Total, Project Budget	12,000,000
Total, Capitol Police Buildings, Ground	
and Security	\$75,069,000

BOTANIC GARDEN

The agreement includes \$21,559,000 for the U.S. Botanic Garden, of this amount \$5,000,000 shall remain available until September 30, 2030.

With respect to operations and projects, the agreement includes the following:

Operating Budget:	\$16,559,000
Project Budget:	
Minor Construction	5,000,000
Total, Project Budget	5,000,000
Total, Botanic Garden	\$21,559,000

CAPITOL VISITOR CENTER

The agreement includes \$29,901,000 for the Capitol Visitor Center.

ADMINISTRATIVE PROVISIONS

The agreement prohibits bonuses to contractors behind schedule or over budget; allows cooperative agreements; and extends funding for the liquidation of valid obligations.

LIBRARY OF CONGRESS

SALARIES AND EXPENSES

The agreement includes \$592,411,000 in direct appropriations for the Library of Congress salaries and expenses. In addition, collections that may be credited to this appropriation shall remain available until expended. The agreement includes \$17,500,000 to remain available until expended for Teaching with Primary Sources, Legislative Branch Financial Management System, Surplus Books Program, Veteran History Project, Lewis Houghton Civics and Democracy Initiative, and data storage and migration efforts.

LOC Office of Inspector General.—The agreement includes no less than \$4,500,000 and the necessary FTEs to perform their mission as approved by the Committees in their fiscal year26 spend plan.

Preservation of the Collection.—The agreement encourages the LOC to evaluate the need for the deacidification program. The LOC may utilize up to \$1,000,000 in available funds for this purpose in fiscal year 2026.

COPYRIGHT OFFICE

SALARIES AND EXPENSES

The agreement includes \$57,537,000 in direct appropriations to the Copyright Office. An additional \$44,849,000 is made available from receipts for salaries and expenses for a total of \$102,386,000.

CONGRESSIONAL RESEARCH SERVICE

SALARIES AND EXPENSES

The agreement includes \$136,080,000 for salaries and expenses for the Congressional Research Service [CRS].

NATIONAL LIBRARY SERVICE FOR THE BLIND

AND PRINT DISABLED

SALARIES AND EXPENSES

DIVISION D—MILITARY CONSTRUCTION,
VETERANS AFFAIRS, AND RELATED
AGENCIES APPROPRIATIONS ACT, 2026

The joint explanatory statement accompanying this division is approved and indicates congressional intent. Unless otherwise noted, the language set forth in House Report 119-161 and Senate Report 119-43 carries the same weight as language included in this joint explanatory statement and should be complied with unless specifically addressed to the contrary in this joint explanatory statement. While some language is repeated for emphasis, it is not intended to negate the language referred to above unless expressly provided herein.

In cases where House Report 119-161, Senate Report 119-43 or this explanatory statement directs the submission of a report, that report is to be submitted to the Committees on Appropriations of the House of Representatives and the Senate. Where this explanatory statement refers to the Committees or the Committees on Appropriations, unless otherwise noted, this reference is to the House of Representatives Subcommittee on Military Construction, Veterans Affairs, and Related Agencies and the Senate Subcommittee on Military Construction, Veterans Affairs, and Related Agencies.

TITLE I
DEPARTMENT OF DEFENSE
MILITARY CONSTRUCTION OVERVIEW

Military Construction Funding.—The agreement includes \$19,737,000,000, which is \$844,257,000 above the budget request, in a continued effort to support current and future force readiness through critical infrastructure investments.

Reprogramming Guidelines.—The following reprogramming guidelines apply for all military construction and family housing projects. A project or account (including the sub-elements of an account) which has been specifically reduced by the Congress in acting on the budget request is considered to be a congressional interest item and as such, prior approval is required. Accordingly, no reprogrammings to an item specifically reduced below the threshold by the Congress are permitted.

The reprogramming criteria that apply to military construction projects, as well as new housing construction projects and improvements, is \$6,000,000 or 25 percent of the funded amount, whichever is less. To provide the Services the flexibility to proceed with

construction contracts without disruption or delay, the costs associated with environmental hazard remediation such as asbestos removal, radon abatement, lead-based paint removal or abatement, and any other legislated environmental hazard remediation may be excluded, provided that such remediation requirements could not be reasonably anticipated at the time of the budget submission. This exclusion applies to projects authorized in this budget year, as well as projects authorized in prior years for which construction has not been completed.

Furthermore, in instances where prior approval of a reprogramming request for a project or account has been received from the Committees, the adjusted amount approved becomes the new base for any future increase or decrease via below-threshold reprogrammings (provided that the project or account is not a congressional interest item as defined above).

In addition to these guidelines, the Services are directed to adhere to the guidance for military construction reprogramming actions and notifications, including the pertinent statutory authorities contained in Department of Defense [DOD] Financial Management Regulation 7000.14-R and relevant updates and policy memoranda.

Facilities Sustainment, Restoration and Modernization [FSRM].—The Department of Defense is directed to continue describing on form 1390 the backlog of FSRM requirements at installations with future construction projects. For troop housing requests, form 1391 should describe any FSRM conducted in the past 2 years. Likewise, future requirements for unaccompanied housing at the corresponding installation should be included. Additionally, the forms should include English equivalent measurements for projects presented in metric measurement. Rules for funding repairs of facilities under the Operation and Maintenance accounts are described below:

- (1) components of the facility may be repaired by replacement. Such replacement can be up to current standards or codes;
- (2) interior arrangements and restorations may be included as repair;
- (3) additions and new facilities may be done concurrently with repair projects, as long as the final conjunctively funded project is a complete and usable facility; and

- (4) the appropriate Service Secretary shall notify the appropriate committees prior to carrying out any repair project with an estimated cost in excess of \$7,500,000.

This language replaces the language under the heading “FSRM” in House Report 119-161 and the language under the heading “Real Property Maintenance” in Senate Report 119-43.

Child Development Centers [CDCs].—The Committees continue to recognize the importance of access to childcare in improving both readiness and quality of life for servicemembers and supports DOD efforts to invest in new and existing CDCs and explore innovative solutions such as public-private partnerships. To help address capacity shortfalls, the agreement provides \$347,880,000 for the CDC projects included in the President's request and \$59,375,000 in design and major construction funding for additional projects.

Demolition of Excess Infrastructure.—The Committees understand the need to balance demolition with other infrastructure needs but recognize that excess infrastructure can be costly to maintain and diverts resources away from current requirements. Therefore, the agreement includes \$45,000,000 for unspecified minor military construction for demolition to address excess and obsolete infrastructure on military installations.

Laboratory Infrastructure.—The agreement includes funding for laboratory projects included in the President's request and additional funding as identified in the tables under each relevant account heading in this explanatory statement. The requirement for a laboratory infrastructure spend plan required under this heading in House Report 119-161 is negated.

Summary of Notifications.—In lieu of the directive in House Report 119-161 for the Services and the Office of Secretary of Defense to submit a summary of quarterly notifications submitted to the Committees during the preceding three-month period, the agreement directs the Services and the Office of the Secretary of Defense (on behalf of itself and defense agencies) to submit an annual summary listing all notifications sent to the Committees during fiscal year 2026 not later than 30 days after the end of the fiscal year.

Design Funding.—The Committees acknowledge that the Department has clarified what construction activities fall under advanced planning, which is funded through the Operation and Maintenance accounts,

and which are tied to facility design, which is funded under “planning and design” in the Military Construction accounts. To more appropriately reflect DOD activities being appropriated for within this bill, the agreement refers to “design” funding instead of “planning and design”.

Solid Waste Management on Tinian.—The Committees look forward to receiving the report described under this heading under “Military Construction, Air Force” in House

Report 119–161. In lieu of the direction under such heading for the Secretary of the Air Force to submit the required report, the agreement instead directs the Secretary of Defense, in consultation with the Secretaries of the Navy and Air Force, to work with the Governor of the Northern Mariana Islands to develop a solid waste management plan and submit such report within the specified timeline.

MILITARY CONSTRUCTION, ARMY

The agreement provides \$2,381,909,000 for “Military Construction, Army”, which is \$207,950,000 above the budget request. Within this amount, the agreement includes \$415,688,000 for study, planning, design, architecture and engineering services, and host nation support. Within the total for Military Construction, Army, \$377,950,000 is for the following projects in the following amounts:

State	Location	Project	Amount (\$)
AL	Anniston Army Depot	Access Control Point (INC)	50,000,000
AL	Fort Rucker	Crash/Rescue Station at Tabernacle Stagefield: Minor Construction	6,600,000
AL	Fort Rucker	Flat Iron Support Facility: Minor Construction	7,400,000
AL	Fort Rucker	Flight Control Tower—Cairns Army Airfield: Design	2,700,000
AL	Fort Rucker	Flight Control Tower—Tabernacle Stagefield: Minor Construction	8,100,000
AL	Fort Rucker	Lowe Army Heliport Aircraft Maintenance Hangar: Design	3,600,000
AK	Fort Wainwright	Dining Facility: Design	7,700,000
FL	Naval Air Station Key West	Joint Interagency Task Force-South Command and Control Facility (INC)	50,000,000
GA	Fort Stewart	Hunter Army Airfield Aircraft Maintenance Hangar: Design	8,000,000
HI	Schofield Barracks	Unaccompanied Enlisted Personnel Housing: Design	18,000,000
HI	Wheeler Army Airfield	Cleanwater Rinse Facility: Design	2,100,000
IL	Rock Island Arsenal	Forging Equipment Annex: Minor Construction	5,000,000
IL	Rock Island Arsenal	New Weapons Quality Assurance/Calibration Facility: Minor Construction	4,250,000
KS	Fort Leavenworth	B95 Fire Station Truck Bay Addition: Minor Construction	8,200,000
KS	Fort Leavenworth	Functional Fitness Center: Design	900,000
KS	Fort Riley	Access Control Facility Improvements: Minor Construction	5,500,000
KS	Fort Riley	Air Traffic Control Tower	26,000,000
KS	Fort Riley	Construct Deployment Ready Reaction Field—Staging Area: Design	2,600,000
KY	Blue Grass Army Depot	Military Container Production Facility: Design	27,000,000
KY	Fort Campbell	Air Traffic Control Tower	45,000,000
KY	Fort Campbell	Modernized Hangar: Design	11,000,000
KY	Fort Knox	Emergency Services Railroad Overpass: Minor Construction	8,000,000
KY	Fort Knox	Warrior Dining Facility: Design	4,500,000
LA	Fort Polk	Rotational Unit Billeting Area (INC)	30,000,000
MS	Army Engineer Research and Development Center	Jet Engine Thermal Simulator: Minor Construction	6,800,000
NY	Fort Drum	Aircraft Maintenance Hangar Addition: Design	9,500,000
NY	Fort Drum	ORTC Transient Training Barracks: Design	8,300,000
OK	Fort Sill	Automation-Aided Instruction Building: Design	9,300,000
WA	Joint Base Lewis McChord	Fixed-Wing Taxiway: Design	1,900,000

Energy Reliability and Generator Deployment.—The agreement directs the Assistant Secretary of the Army for Installations, Energy, and Environment to submit to the Committees not later than 90 days after the enactment of this act a report on potential options for the deployment of linear generators and other modular generator systems in support of energy reliability at Army installations. The report shall include an assess-

ment of feasibility and of deploying such generators at Army installations both inside and outside the continental United States, and as a primary and back up source of power in Army energy systems, including microgrids.

MILITARY CONSTRUCTION, NAVY AND MARINE CORPS
The agreement provides \$5,725,724,000 for “Military Construction, Navy and Marine

Corps”, which is \$286,953,000 below the budget request. Within this amount, the agreement includes \$629,088,000 for study, planning, design, and architecture and engineering services. Within the total for Military Construction, Navy and Marine Corps, \$290,690,000 is for the following projects in the following amounts:

State	Location	Project	Amount (\$)
CA	Naval Air Station Lemoore	F–35 Aircraft Maintenance Hangar: Design	17,000,000
CA	Naval Air Weapons Station China Lake	Child Development Center: Design	8,900,000
CT	Naval Submarine Base New London	Submarine Pier 8 Replacement (INC)	23,100,000
FL	Naval Air Station Jacksonville	Child Development Center: Design	4,575,000
FL	USMC Support Facility Blount Island	Communications Infrastructure: INC	45,425,000
GU	Guam	Defense Access Roads (INC)	50,000,000
ME	Portsmouth Naval Shipyard	Consolidated Security—Police, NCIS & Fire, B29: Design	6,500,000
MD	Naval Surface Warfare Center Indian Head	Contained Burn Facility (INC)	18,700,000
MS	Stennis Space Center	NAVSCIATTS Student Quarters: Design	9,000,000
NJ	Naval Weapons Station Earle (Lakehurst JB Site)	NavSTAR HANGAR (Naval Secure Test Aviation Research Hangar): Design	5,640,000
PA	Mechanicsburg	Machinery Control Development Center (INC)	15,000,000

State	Location	Project	Amount (\$)
RI	Newport	Next Generation Torpedo Integration Lab	36,800,000
SC	Marine Corps Recruit Depot Parris Island	3rd Battalion Recruit Barracks 5: Design	8,250,000
VA	Joint Expeditionary Base Little Creek— Fort Story	EOD Expeditionary Mine Countermeasures Facility: Design	12,000,000
VA	Marine Corps Base Quantico	Child Development Center: Design	5,700,000
VA	Naval Station Norfolk	Power Upgrades (Pier 14): Design	15,000,000
VA	Naval Support Activity Hampton Roads	Enlisted Quarters—NSA Northwest Annex, Chesapeake: Design	6,900,000
VA	Naval Weapons Station Yorktown	Shore Power for Virginia Class Submarines: Design	2,200,000

Joint Base Pearl Harbor-Hickam Water Treatment.—The Committees remain supportive of remediation efforts at Red Hill Bulk Fuel Storage Facility and the impacted surrounding areas. Accordingly, the agreement includes \$141,650,000 for the Water Treatment Plant project at Joint Base Pearl Harbor-Hickam and encourages the Navy to continue working closely with local governments and communities to accelerate remediation efforts.

Shipyard Infrastructure Optimization Plan [SIOP].—The Committees strongly support efforts to modernize and improve facilities at the Navy’s four public shipyards through the SIOP. The Committees urge the Secretary of the Navy to prioritize the timely funding of shipyard infrastructure and pull forward elements of projects which can be responsibly separated out, to include demolition, in support of dry dock construction requirements.

MILITARY CONSTRUCTION, AIR FORCE

The agreement provides \$3,926,273,000 for “Military Construction, Air Force”, which is \$204,800,000 above the budget request. Within this amount, the agreement includes \$646,573,000 for study, planning, design, and architecture and engineering services. Within the total for Military Construction, Air Force, \$361,800,000 is for the following projects in the following amounts:

State	Location	Project	Amount (\$)
AL	Maxwell Air Force Base	Combined All Domain Wargaming Center: Design	4,000,000
AK	Eielson Air Force Base	Permanent Party Dormitory: Design	6,700,000
AK	Joint Base Elmendorf-Richardson	PDI: Extend Runway 16/34: Cost to Complete	45,000,000
AZ	Luke Air Force Base	Child Development Center (INC)	22,000,000
CA	Beale Air Force Base	Multi-Domain Operations Complex (INC)	22,000,000
DE	Dover Air Force Base	Aircraft Maintenance Hangar Complex Ph 1: Design	8,100,000
DE	Dover Air Force Base	Relocate Commercial Gate to Museum District: Design	2,800,000
GA	Moody Air Force Base	23rd Security Forces Squadron Operations Facility (INC)	17,500,000
GA	Moody Air Force Base	F-35A Simulator: Design	3,700,000
HI	Joint Base Pearl Harbor-Hickam	Combined Operations Center: Design	5,000,000
HI	Joint Base Pearl Harbor-Hickam	General Purpose Maintenance Hangar: Design	4,200,000
MS	Columbus Air Force Base	Water Storage Tank	14,200,000
NE	Offutt Air Force Base	Consolidated Training Complex/Professional Development Center: Design	6,000,000
NE	Offutt Air Force Base	Permanent Party Dormitory, 172 Bed: Design	6,000,000
NE	Offutt Air Force Base	Survivable Airborne Operations Center: Design	42,350,000
NV	Nellis Air Force Base	F-35 Data Lab Support Facility: Design	2,000,000
NV	Nellis Air Force Base	Regional Communications Center: Design	4,000,000
NJ	Joint Base McGuire Dix Lakehurst	Control Tower Lakehurst Airfield: Design	3,200,000
NM	Cannon Air Force Base	ADAL Security Forces Facility, B575: Minor Construction	8,100,000
NM	Holloman Air Force Base	Holloman High Speed Test Track: Design	700,000
NM	Kirtland Air Force Base	Child Development Center: Design	3,200,000
NM	Kirtland Air Force Base	EOD Building (INC)	18,250,000
NM	Kirtland Air Force Base	Wyoming Gate Project: Design	2,000,000
NC	Seymour Johnson Air Force Base	Combat Arms Training and Maintenance Complex	41,000,000
OH	Wright-Patterson Air Force Base	Human Performance Center Lab (INC)	30,000,000
OK	Altus Air Force Base	Main Gate Entry Control Facility: Design	3,000,000
OK	Tinker Air Force Base	KC-46 2-Bay Corrosion Control Hangar: Design	7,000,000
SD	Ellsworth Air Force Base	Communications Center: Design	3,500,000
SD	Ellsworth Air Force Base	Munitions Storage Igloos: Design	4,000,000
SD	Ellsworth Air Force Base	Two Munitions Storage Igloos: Minor Construction	5,400,000
SD	Ellsworth Air Force Base	Weapons Generation Facility Dormitory: Design	4,800,000
UT	Hill Air Force Base	F-35 Canopy Repair Facility: Design	2,600,000
WA	Fairchild Air Force Base	Mission Support Complex: Design	9,500,000

Air Force Civil Engineer Center.—The Committees support the Department’s effort to improve engineering supervision and oversight for overseas projects where it serves as the designated DOD Construction Agent and, accordingly, has included provisions in the bill to grant additional authorities to Air Force activities when acting in such a capacity.

Hardened Protective Shelters.—The Committees recognize the importance of shelters that protect aircraft from foreign threats and extreme weather but are concerned about the suitability of open sided shelters for platforms operating out of installations that are at higher risk of aerial attacks and severe weather events. Therefore, the agreement directs the Air Force to provide a briefing within 90 days after enactment of this

act on the feasibility, advisability, and costs of construction of hardened shelters or other passive defenses for assets that are strategically valuable and exist in limited quantities, contain fuel or munitions of which ignition could yield catastrophic secondary explosions, or would be of crucial importance to contingency plans or operational plans in the INDOFACOM or other areas of responsibility.

MILITARY CONSTRUCTION, DEFENSE-WIDE
(INCLUDING TRANSFER OF FUNDS)
The agreement provides \$3,784,301,000 for
“Military Construction, Defense-Wide”,

which is \$8,000,000 below the budget request.
Within this amount, the agreement includes
\$226,301,000 for study, planning, design, and
architecture and engineering services. With-

in the total for Military Construction, De-
fense-Wide, \$82,000,000 is for the following
projects in the following amounts:

State	Location	Project	Amount (\$)
CO	Fort Bragg	SOF Forward Operating Base Freedom Upgrades	44,700,000
NC	Fort Bragg	SOF Joint Intelligence Center: Design	5,300,000
NC	Fort Carson	Ambulatory Care Center Replacement (INC)	22,000,000
WA	Joint Base Lewis McChord	Consolidated Rigging Facility: Cost to Complete	10,000,000

*Energy Resilience and Conservation Invest-
ment Program [ERCIP].*—In lieu of funding
levels included under this heading in House
Report 119–161, the agreement fully funds the
requested amount for ERCIP and supports
the Department’s efforts to improve energy
security, contribute to mission assurance,
save energy, and reduce energy costs
through ERCIP.
Fort Leonard Wood Hospital.—Not later
than 120 days after the date of the enactment
of this act, the Director of the Defense
Health Agency shall submit to the Commit-
tees on Appropriations of both Houses of
Congress a report detailing the current and

projected capacity, patient load, staffing re-
quirements, and outstanding infrastructure
needs at the General Leonard Wood Army
Community Hospital in Fort Leonard Wood,
Missouri. The report shall—(A) assess the
role of the hospital in supporting medical
readiness and emergency care for active duty
members of the Armed Forces, dependents of
such members, and retirees; (B) evaluate po-
tential impacts to access and quality of care,
including in the surrounding community, if
the hospital were to be realigned, down-
graded, or have its scope of services reduced;
and (C) assess how the hospital supports the
functions and mission of Fort Leonard Wood,

Missouri, including training activities and
programs.

MILITARY CONSTRUCTION, ARMY NATIONAL
GUARD

The agreement provides \$272,930,000 for
“Military Construction, Army National
Guard”, which is \$121,050,000 above the bud-
get request. Within this amount, the agree-
ment includes \$80,080,000 for study, planning,
design, and architecture and engineering
services. Within the total for Military Con-
struction, Army National Guard, \$112,050,000
is for the following projects in the following
amounts:

State	Location	Project	Amount (\$)
CT	Groton	Aircraft Maintenance Hangar Add/Alt: Design	7,000,000
DE	Dagsboro	National Guard Readiness Center Add/Alt: Minor Construction	7,500,000
DE	Wilmington	National Guard Readiness Center: Design	2,200,000
IL	Marseilles Training Center	ADAL Range Control Building: Minor Construction	3,050,000
IL	Peoria	National Guard Readiness Center (INC)	8,000,000
KY	Somerset	Readiness Center: Design	1,500,000
MD	Edgewood	Vehicle Maintenance Shop: Design	3,250,000
MD	Hagerstown	Vehicle Maintenance Shop: Design	3,250,000
MS	Hattiesburg	Army Aviation Support Facility: Design	6,500,000
MS	Hattiesburg	Readiness Center: Design	4,500,000
MT	Helena	Defense Access Road: Design	1,000,000

VT	Lyndon	Lyndon Readiness Center: Cost to Complete	2,000,000
WV	Camp Dawson	Fire Station Support Building: Design	1,500,000
WV	Camp Dawson-Kingwood	General Instruction Building: Design	1,500,000
WI	Black River Falls	National Guard Readiness Center	20,000,000
WI	Wausau	National Guard Readiness Center: Design	5,500,000
WI	Wisconsin Rapids	National Guard Readiness Center: Design	3,800,000

MILITARY CONSTRUCTION, AIR NATIONAL
GUARD
The agreement provides \$292,546,000 for
“Military Construction, Air National

Guard”, which is \$103,900,000 above the bud-
get request. Within this amount, the agree-
ment includes \$73,646,000 for study, planning,
design, and architecture and engineering

services. Within the total for Military Con-
struction, Air National Guard, \$95,900,000 is
for the following projects in the following
amounts:

State	Location	Project	Amount (\$)
DE	New Castle Airport	Relocate Main Gate Complex: Minor Construction	8,000,000
GA	Savannah Hilton Head International Airport	C–130J Corrosion Control Facility	11,400,000
ME	Bangor International Airport	Aircraft Maintenance Squadron / Aircraft Ground Equipment Facility: Design	2,500,000
MI	Selfridge Air National Guard Base	F–15EX Bed Down: Design	10,000,000
MI	Selfridge Air National Guard Base	Mitigate Runway Encroachment: Design	10,000,000
MN	Minneapolis St Paul International Airport	C–130J Fuel Cell Maintenance Hangar: Design	5,200,000
NV	Reno-Tahoe International Airport	Fuel Cell Hangar: Design	5,400,000
NH	Pease Air National Guard Base	Small Arms Range	16,000,000
NJ	Atlantic City International Airport	Fighter Operations Center: Design	3,100,000

State	Location	Project	Amount (\$)
SD	Joe Foss Field	Aircraft Maintenance Hangar: Design	1,700,000
UT	Salt Lake City International Airport	Fuel Cell Hangar (INC)	15,000,000
WA	Fairchild Air Force Base	Alter Maintenance Ramp: Design	3,600,000
WV	McLaughlin Air National Guard Base	C–130J Apron Expansion: Cost to Complete	4,000,000

MILITARY CONSTRUCTION, ARMY RESERVE

The agreement provides \$92,239,000 for “Military Construction, Army Reserve”, which is \$50,000,000 above the budget request. Within this amount, the agreement includes \$6,013,000 for study, planning, design, and architecture and engineering services. Within the total for Military Construction, Army Reserve, \$50,000,000 is for the following project in the following amount:

State	Location	Project	Amount (\$)
KY	Fort Knox	Aviation Support Facility (INC)	50,000,000

MILITARY CONSTRUCTION, NAVY RESERVE

The agreement provides \$52,255,000 for “Military Construction, Navy Reserve”, which is \$50,000,000 above the budget request. Within this amount, the agreement includes \$2,255,000 for study, planning, design, and architecture and engineering services. Within the total for Military Construction, Navy Reserve, \$50,000,000 is for the following project in the following amount:

State	Location	Project	Amount (\$)
TX	Naval Air Station Fort Worth	Maintenance Hangar (INC)	50,000,000

MILITARY CONSTRUCTION, AIR FORCE RESERVE

The agreement provides \$116,468,000 for “Military Construction, Air Force Reserve”, which is \$56,010,000 above the budget request. Within this amount, the agreement includes \$7,170,000 for study, planning, design, and architecture and engineering services. Within the total for Military Construction, Air Force Reserve, \$56,010,000 is for the following projects in the following amounts:

State	Location	Project	Amount (\$)
GA	Dobbins Air Reserve Base	New Entry Control Facility: Design	3,200,000
MA	Westover Air Reserve Base	Extend Taxiway Golf: Design	3,700,000
NY	Niagara Falls Air Reserve Station	Combined Operations Airfield Facility (INC)	16,110,000
SC	Joint Base Charleston	Aeromedical Evacuation Facility	33,000,000

Patrick Space Force Base Clear Water Rinse System.—The agreement directs the Secretary of the Air Force to report to the Committees not later than 90 days after the enactment of this act on progress building out the allied support infrastructure required to operationalize the clear water rinse system at Patrick Space Force Base and the necessary resources and timeline to build out such support infrastructure.

NORTH ATLANTIC TREATY ORGANIZATION SECURITY INVESTMENT PROGRAM

The agreement provides \$481,832,000 for the “North Atlantic Treaty Organization Security Investment Program,” which is equal to the budget request.

DEPARTMENT OF DEFENSE BASE CLOSURE ACCOUNT

The agreement provides \$465,161,000 for the “Department of Defense Base Closure Account”, which is \$55,000,000 above the budget request.

Environmental Remediation.—As the Committees continue to be concerned about the extent of per- and polyfluoroalkyl substance [PFAS] contamination at closed U.S. military installations, the agreement includes an additional \$50,000,000 above the budget request to increase the pace of cleanup at the military installations affected by PFAS. Further, the agreement recognizes the Navy’s efforts towards the demolition and removal of non-historically designated buildings and structures under Navy control where the sampling or remediation of radiologically contaminated materials have been the subject of substantiated allegations of fraud. The Services are directed to submit a spend plan for all additional funding to the Committees no later than 60 days after enactment of this act.

**FAMILY HOUSING
ITEM OF INTEREST**

Military Housing Privatization Initiative [MHPI].—The Committees remain concerned

that the MHPI management companies are not consistently fulfilling responsibilities outlined in their partnership agreements with the Services. Continued evidence of poor housing conditions, inadequate maintenance response times, and mishandling of claims remain issues. Therefore, the agreement provides an additional \$30,000,000 for increased oversight, to include hiring additional support personnel and deployment of training programs. The agreement recognizes the findings of the Inspector General report titled, “Audit of the Military Services’ Oversight of Privatized Military Housing Maintenance” and expects the Services to prioritize addressing the reported shortfalls, utilizing all oversight funding available to resolve gaps in the management of military housing. As such, the agreement directs an expenditure plan within 30 days of enactment of this act detailing the specific, additional oversight activities the increased funding will allow.

FAMILY HOUSING CONSTRUCTION, ARMY

The agreement provides \$228,558,000 for “Family Housing Construction, Army”, which is equal to the budget request.

Fort Leonard Wood Housing.—Not later than 120 days after the date of the enactment of this act, the Secretary of the Army shall submit to the Committees on Appropriations of both Houses of Congress a report detailing the current condition of military family housing at Fort Leonard Wood, Missouri, including ongoing or planned renovation and upgrade projects, timelines for completion, and any challenges affecting such improvements. The report shall include—(A) the total estimated cost of conducting all necessary renovation and replacement activities for deficient family housing units, the number of units in need of replacement, and a detailed plan for carrying out those activities; (B) an assessment of the impact of housing conditions on quality of life and readiness of members of the Armed Forces and their depend-

ents; (C) recommendations for addressing any identified shortcomings; and (D) the findings from consultations with military families who live in housing units at Fort Leonard Wood.

**FAMILY HOUSING OPERATION AND
MAINTENANCE, ARMY**

The agreement provides \$388,418,000 for “Family Housing Operation and Maintenance, Army”, which is \$10,000,000 above the budget request.

**FAMILY HOUSING CONSTRUCTION, NAVY AND
MARINE CORPS**

The agreement provides \$177,597,000 for “Family Housing Construction, Navy and Marine Corps”, which is equal to the budget request.

**FAMILY HOUSING OPERATION AND
MAINTENANCE, NAVY AND MARINE CORPS**

The agreement provides \$384,108,000 for “Family Housing Operation and Maintenance, Navy and Marine Corps”, which is \$10,000,000 above the budget request.

FAMILY HOUSING CONSTRUCTION, AIR FORCE

The agreement provides \$274,230,000 for “Family Housing Construction, Air Force”, which is equal to the budget request.

**FAMILY HOUSING OPERATION AND
MAINTENANCE, AIR FORCE**

The agreement provides \$369,765,000 for “Family Housing Operation and Maintenance, Air Force”, which is \$10,000,000 above the budget request.

**FAMILY HOUSING OPERATION AND
MAINTENANCE, DEFENSE-WIDE**

The agreement provides \$53,374,000 for “Family Housing Operation and Maintenance, Defense-Wide”, which is equal to the budget request.

DEPARTMENT OF DEFENSE

FAMILY HOUSING IMPROVEMENT FUND

The agreement provides \$8,315,000 for the “Department of Defense Family Housing Improvement Fund”, which is equal to the budget request.

DEPARTMENT OF DEFENSE

MILITARY UNACCOMPANIED HOUSING IMPROVEMENT FUND

The agreement provides \$497,000 for the “Department of Defense Military Unaccompanied Housing Improvement Fund”, which is equal to the budget request.

ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFERS OF FUNDS)

The agreement includes section 101 limiting the use of funds under a cost-plus-a-fixed-fee contract.

The agreement includes section 102 allowing the use of construction funds in this title for hire of passenger motor vehicles.

The agreement includes section 103 allowing the use of construction funds in this title for advances to the Federal Highway Administration for the construction of access roads.

The agreement includes section 104 prohibiting construction of new bases in the United States without a specific appropriation.

The agreement includes section 105 limiting the use of funds for the purchase of land or land easements that exceed 100 percent of the value.

The agreement includes section 106 prohibiting the use of funds, except funds appropriated in this title for that purpose, for family housing.

The agreement includes section 107 limiting the use of minor construction funds to transfer or relocate activities.

The agreement includes section 108 prohibiting the procurement of steel unless American producers, fabricators, and manufacturers have been allowed to compete.

The agreement includes section 109 prohibiting the use of construction or family housing funds to pay real property taxes in any foreign nation.

The agreement includes section 110 prohibiting the use of funds to initiate a new installation overseas without prior notification.

The agreement includes section 111 establishing a preference for American architectural and engineering services for overseas projects.

The agreement includes section 112 establishing a preference for American contractors in United States territories and possessions in the Pacific and on Kwajalein Atoll, or in countries bordering the Arabian Gulf.

The agreement includes section 113 requiring congressional notification of military exercises when construction costs exceed \$100,000.

The agreement includes section 114 allowing funds appropriated in prior years for new projects authorized during the current session of Congress.

The agreement includes section 115 allowing the use of expired or lapsed funds to pay the cost of supervision for any project being completed with lapsed funds.

The agreement includes section 116 allowing military construction funds to be available for 5 years.

The agreement includes section 117 allowing the transfer of funds from Family Housing Construction accounts to the Family Housing Improvement Program.

The agreement includes section 118 allowing transfers to the Homeowners Assistance Fund.

The agreement includes section 119 limiting the amount of repair and maintenance funds for flag and general officer quarters

and allowing for notification by electronic medium. The provision also requires an annual report on the expenditures of each quarter.

The agreement includes section 120 extending the availability of funds in the Ford Island Improvement Account.

The agreement includes section 121 allowing the transfer of expired funds to the Foreign Currency Fluctuations, Construction, Defense account.

The agreement includes section 122 allowing for the reprogramming of construction funds among projects and activities subject to certain criteria.

The agreement includes section 123 prohibiting the obligation or expenditure of funds provided to the Department of Defense for military construction for projects at Arlington National Cemetery.

The agreement includes section 124 providing additional construction funds for unfunded requirements.

The agreement includes section 125 directing all amounts appropriated to “Military Construction, Army”, “Military Construction, Navy and Marine Corps”, “Military Construction, Air Force”, and “Military Construction, Defense-Wide” accounts be immediately available and allotted for the full scope of authorized projects.

The agreement includes section 126 extending the eligibility of unobligated funding for fiscal year 2017, fiscal year 2018, fiscal year 2019, and fiscal year 2020 projects that have not lapsed.

The agreement includes section 127 defining the congressional defense committees.

The agreement includes section 128 providing additional funds for design of child development centers.

The agreement includes section 129 providing additional funds for design for barracks.

The agreement includes section 130 providing additional funds for unspecified minor construction for demolition.

The agreement includes section 131 prohibiting the use of funds in this act to close or realign Naval Station Guantanamo Bay, Cuba.

The agreement includes section 132 allowing the use of funds to support authorized defense access road projects at Arlington National Cemetery.

TITLE II

DEPARTMENT OF VETERANS AFFAIRS

VETERANS BENEFITS ADMINISTRATION

COMPENSATION AND PENSIONS

(INCLUDING TRANSFER OF FUNDS)

The agreement provides an additional \$5,850,000,000 for fiscal year 2026 and \$246,630,525,000 for Compensation and Pensions in advance for fiscal year 2027. Of the amount provided, not more than \$29,454,647 is to be transferred to General Operating Expenses, Veterans Benefits Administration [VBA] and Information Technology Systems for reimbursement of necessary expenses in implementing provisions of title 38.

READJUSTMENT BENEFITS

The agreement provides an additional \$4,877,886,000 for fiscal year 2026 and \$24,703,528,000 for Readjustment Benefits in advance for fiscal year 2027.

VETERANS INSURANCE AND INDEMNITIES

The agreement provides \$97,893,000 for Veterans Insurance and Indemnities in advance for fiscal year 2027.

VETERANS HOUSING BENEFIT PROGRAM FUND

The agreement provides such sums as may be necessary for costs associated with direct and guaranteed loans for the Veterans Housing Benefit Program Fund. The agreement limits obligations for direct loans to not

more than \$500,000 and provides \$266,736,842 to be available for administrative expenses.

Partial Claims Program.—The agreement notes the enactment of Public Law 119-31, which authorizes VA to provide partial claim relief to assist veterans in loan delinquencies and prevent foreclosure. The Department is directed to provide a report to the Committees on Appropriations of both Houses of Congress, within 90 days of enactment of this act, detailing the implementation plan, anticipated timeline, and projected utilization of the program.

VOCATIONAL REHABILITATION LOANS PROGRAM ACCOUNT

The agreement provides \$45,428 for the cost of direct loans from the Vocational Rehabilitation Loans Program Account, plus \$507,254 to be paid to the appropriation for General Operating Expenses, Veterans Benefits Administration. The agreement provides for a direct loan limitation of \$1,394,442.

NATIVE AMERICAN VETERAN HOUSING LOAN PROGRAM ACCOUNT

The agreement provides \$75,000,000 in loan authority, including \$6,865,000 in loan subsidy, and \$5,845,241 for administrative expenses of the Native American Veteran Housing Loan Program Account.

GENERAL OPERATING EXPENSES, VETERANS BENEFITS ADMINISTRATION

The agreement provides \$3,881,000,000 for General Operating Expenses, Veterans Benefits Administration and, of the amount provided, up to 10 percent is available for obligation until September 30, 2027.

Outreach to Veterans.—The agreement supports further outreach efforts via States and Indian Tribes to carry out programs that improve outreach and assistance to veterans and associated parties to ensure individuals are fully informed about, and assisted in applying for, any veterans and veterans-related benefits and programs. The agreement includes \$2,000,000 for implementation of Section 302 of the Senator Elizabeth Dole 21st Century Veterans Healthcare and Benefits Improvement Act and directs the Department to provide a briefing to the Committees on Appropriations of both Houses of Congress on plans for such actions, no later than 120 days after the enactment of this act.

VETERANS HEALTH ADMINISTRATION

The Department operates the largest integrated medical care delivery system in the United States, providing care at nearly 1,300 healthcare facilities, including 171 medical centers and more than 1,100 outpatient sites to more than 9.0 million veterans enrolled in the VA healthcare program.

The agreement provides \$115,085,917,000 in discretionary resources for veterans healthcare administered through the various medical care accounts, as well as \$122,258,000,000 in advance appropriations for fiscal year 2027. The agreement provides \$945,000,000 for Medical and Prosthetic Research and \$49,800,000,000 for veteran healthcare as part of the Toxic Exposures Fund in fiscal year 2026. VA proposed a rescission of \$16,499,000,000 from medical care accounts in fiscal year 2026 as well as a transfer of \$2,030,000,000 between Medical Care accounts, which the agreement includes. Additionally, Medical Care Collections are estimated to be \$4,580,000,000 in fiscal year 2026.

MEDICAL SERVICES

In fiscal year 2025, the Department was provided an advance appropriation of \$75,039,000,000 for fiscal year 2026 for the Medical Services account. The agreement provides an advance appropriation of \$59,858,000,000, with \$2,000,000,000 available through fiscal year 2027. In addition, VA estimates to use \$35,370,000,000 from the Toxic

Exposures Fund to support medical services in fiscal year 2026. Consistent with the budget request, VA will have \$94,520,000,000 in total resources to support Medical Services in fiscal year 2026. VA also has the authority to retain co-payments and third-party collections.

Center for Native Hawaiian, Pacific Islander and United States Affiliated Pacific Islander [NHPIUSAPI] Veterans Health.—The agreement continues to support VA's Center for NHPIUSAPIs work to advance efforts to address the unique healthcare needs of this community. The agreement directs the Department to operate the Center at funding levels consistent with amounts provided in fiscal year 2024. The agreement also encourages VA to partner with universities in the Pacific region focusing on issues unique to this community, including extending the use of telehealth and telepharmacy to reach remote and isolated areas, using multi-disciplinary teams that incorporate community outreach workers, integrating clinical pharmacists into primary care practices, incorporating local and indigenous cultural practices, leveraging data analytics to analyze gaps and healthcare disparities, and improving language access.

Medical Device Security.—The agreement recognizes the critical need for the VHA to adopt an effective and cost-efficient cybersecurity solution for the medical devices it owns. Potential solutions, including automated network monitoring, would keep the VHA at parity with the top of the industry standard, ensuring inventory is accurate and cybersecurity of devices is integrated with the existing information technology infrastructure.

Staffing Models.—In addition to related reports requested in House Report 119-161 and Senate Report 119-43, not later than 90 days after the date of enactment of this act, the Secretary shall submit to the Committees on Appropriations and the Committees on Veterans Affairs of both Houses of Congress a report on the efforts of the Secretary to review and implement staffing models at the Department of Veterans Affairs that will ensure timely, high quality delivery of healthcare, benefits, and other services.

Support for Veterans in the Freely Associated States [FAS].—The agreement includes bill language directing VA to provide quarterly briefings on the status of implementation of Public Law 118-42, which requires VA to conduct outreach with the FAS, assess options for the delivery of hospital care and medical services in the FAS, and enter into agreements with the governments of the FAS. In line with Congressional intent, the Secretary is directed to provide these services before the end of fiscal year 2026, to include direct care from VA providers, telehealth, and care through contracts with community providers; shipping medications to the FAS; and reimbursing veterans for travel from their home countries to the United States. Within 60 days after the date of enactment of this act, the Secretary is directed to submit a report to the Committees on Appropriations of both Houses of Congress with the estimated cost and a plan for implementing this law in fiscal year 2026.

CAREGIVER PROGRAM

The agreement includes \$3,500,000,000 for the Department's Caregiver Program.

COLLABORATIONS AND PARTNERSHIPS

Whole Family Care Partnerships.—In lieu of language and funding levels included under this heading in House Report 119-161, the agreement recognizes the importance of building upon and creating new partnerships in efforts to support veterans and their families with counseling and wellness services to complement efforts at the Department.

CENTERS OF EXCELLENCE

Neurology Centers of Excellence.—The agreement recognizes the increasing number of veterans affected by neurologic conditions, including epilepsy, headache, multiple sclerosis, and Parkinson's disease. The Neurology Centers of Excellence provide essential innovative clinical care, education, and research efforts focused on these conditions. The agreement encourages further investment and collaboration of the Centers across disciplines and includes \$80,000,000 for the Neurology Centers of Excellence. This includes \$29,000,000 for epilepsy; \$26,000,000 for headache; \$16,000,000 for Parkinson's; and \$9,000,000 for multiple sclerosis.

HOMELESS ASSISTANCE PROGRAMS

The agreement remains strongly supportive of VA's homelessness prevention programs. As such, the agreement includes \$3,459,121,000 for programs to prevent veteran homelessness. This total includes \$659,049,000 for the Supportive Services for Veterans Families [SSVF] Program; \$702,821,000 for Housing and Urban Development-Veterans Affairs Supportive Housing [HUD-VASH] Program case management, \$276,841,000 for the Grant and Per Diem [GPD] Program; and \$173,720,000 for the Veterans Justice Outreach [VJO] Program and Legal Services for Veterans grants. Additionally, an estimated \$15,068,489,000 is provided for homeless veterans treatment costs.

Veteran Participating in Housing Choice Voucher Programs.—The Department is directed to work in consultation with the Secretary of Housing and Urban Development to provide a report to the Committees on Appropriations of both Houses of Congress within 180 days after enactment of this act. The report must identify, as of the date of the report, the total number of veterans participating in the housing choice voucher program under section 8(o) of the United States Housing Act of 1937 (42 U.S.C. 1437f(o)). The term "veteran" means a person who, regardless of length of service, was a member of the armed forces (as that term is defined in section 101 of title 10, United States Code); and does not include a person who received a dishonorable discharge from the armed forces; or was discharged or dismissed from the armed forces by reason of the sentence of a general court-martial.

INTIMATE PARTNER VIOLENCE PROGRAM

The agreement provides \$31,997,000 for the Intimate Partner Violence Assistance Program [IPVAP] for fiscal year 2026. Additionally, the agreement directs the Department to include it as a program of interest with budget detail in the justifications accompanying future year budget submissions. The agreement also directs the Department to report on its plans to expand the IPVAP within 180 days of enactment.

MENTAL HEALTH PROGRAMS AND SUICIDE PREVENTION

The agreement provides \$18,886,195,000 in discretionary funds for mental health programs. Of this total, \$3,651,718,000 is for suicide prevention outreach and treatment programs, of which \$698,000,000 is for suicide prevention outreach. Of the total, \$312,817,000 is for the Veterans Crisis Line [VCL], fully supporting the request.

Veterans Crisis Line [VCL].—The agreement fully supports VA's request of \$312,817,000 for the VCL because it is often the first place a veteran will turn to in a moment of crisis. However, the agreement is concerned about the continued functionality, accessibility, and performance of the VCL. The Committee recognizes the critical role of VCL personnel, and the importance of uninterrupted crisis support for veterans. The agreement directs the Department to submit a report to the

Committees on Appropriations of both Houses of Congress no later than 90 days after enactment of this act. The report shall include: (1) VCL staffing levels and service capacity; (2) performance metrics over the same period, including call answer rates, average wait times, and referrals to suicide prevention coordinators; (3) any contingency plans developed or implemented to maintain continuous crisis line functionality and workforce stability; (4) steps taken to ensure alternative access to support or follow-up care for veterans who may have been unable to connect with VCL during or after this period and (5) implementation of the VA Office of Inspector General recommendations included in VA OIG Report 22-00507-211.

OPIOID PREVENTION TREATMENT PROGRAM

The agreement includes \$709,573,000 for Opioid Prevention and Treatment programs at VA. Of the total, \$454,086,000 is provided for treatment programs and \$254,478,000 is provided for activities authorized by the Jason Simcakoski Memorial and Promise Act, as part of the Comprehensive Addiction and Recovery Act of 2016 (Public Law 114-198).

OTHER ITEMS OF INTEREST

Precision Oncology Program for Cancer of the Prostate [POPCaP].—The agreement is disappointed that the Department has not yet expanded the number of POPCaP sites as required by the joint explanatory statement accompanying Public Law 118-42. As such, the agreement directs the Department to submit a report within 30 days after the enactment of this act detailing how it will maintain the 21 current POPCaP sites and expand to additional locations. Additionally, the agreement directs VA to provide a spend plan for how it allocated funding to the current sites in fiscal years 2024 and 2025, including how it spent the additional funds provided in the joint explanatory statement accompanying Public Law 118-42 specifically for the expansion of POPCaP, as directed, as well as a spend plan for maintaining and expanding POPCaP sites in fiscal year 2026 and beyond.

Adaptive Sports.—The agreement provides \$29,072,000 for National Veterans Sports Programs, including \$16,000,000 for adaptive sports programs.

In lieu of related language included in House Report 119-161, the agreement recognizes the Department's adherence to their interpretation of the Veterans Healthcare Act of 1992.

WOMEN VETERANS HEALTH CARE

The agreement provides \$1,429,181,000 for fiscal year 2026 to support gender-specific healthcare services, as well as the program office and initiatives. VA is encouraged to use this funding to continue to expand this care so that all women veterans, including those in rural areas, have access to care.

MEDICAL COMMUNITY CARE

In fiscal year 2025, the Department was provided an advance appropriation of \$34,000,000,000 for fiscal year 2026 for the Medical Community Care account. The agreement provides an advance appropriation of \$38,700,000,000 for fiscal year 2027. In addition, VA estimates to use \$14,030,000,000 from the Toxic Exposures Fund to support medical community care in fiscal year 2026, bringing the Department's total resources for Medical Community Care to \$48,030,000,000.

MEDICAL SUPPORT AND COMPLIANCE

In fiscal year 2025, the Department was provided an advance appropriation of \$12,090,000,000 for fiscal year 2026 for the Medical Support and Compliance account. The agreement provides an advance appropriation of \$12,000,000,000 for fiscal year 2027. In

addition, VA estimates to use \$400,000,000 from the Toxic Exposures Fund for medical support and compliance activities in fiscal year 2026, bringing the Department's total resources for Medical Support and Compliance to \$12,490,000,000.

MEDICAL FACILITIES

In fiscal year 2025, the Department was provided an advance appropriation of \$9,700,000,000 for fiscal year 2026 for the Medical Services account. The agreement includes \$145,917,000 in additional funds for fiscal year 2026 and an advance appropriation of \$11,700,000,000 in advance for fiscal year 2027 for Medical Facilities, of which \$500,000,000 is made available through fiscal year 2028.

Community-Based Outpatient Clinic [CBOC] in Bakersfield, California.—The agreement remains disappointed that the new Bakersfield CBOC remains unbuilt more than a decade after Congress authorized this facility in fiscal year 2010. The agreement directs the Secretary to expeditiously execute Lease No. 36C10F20L0008 and, unless prevented by an order issued by a Federal or State court, commence construction of the CBOC.

Non-Recurring Maintenance.—The agreement includes \$145,917,000 above the budget request to maintain and modernize existing campus facilities, including additional funding to support the Department's childcare initiatives. The agreement directs a spend plan for these resources within 90 days of enactment.

MEDICAL AND PROSTHETIC RESEARCH

The agreement provides \$945,000,000 for Medical and Prosthetic Research, available until September 30, 2026. The Committee appreciates the Department's plans to focus on critical research areas that include environmental exposures, traumatic brain injury, cancer and precision oncology, and mental health. The agreement directs the Department to provide to the Committees on Appropriations of both Houses of Congress a report by June 1, 2026 which shall include a comprehensive list of clinical trials paused or terminated between October 1, 2025 and May 15, 2026, including justification for each action; the number of research personnel whose employment contracts were not renewed or had their term limits shortened during the same period; how many veterans have had their entry into VA clinical trials cancelled or delayed since January 1, 2025; and a detailed explanation of steps taken to ensure continuity of critical research operations.

MEDICAL CARE COLLECTIONS FUND

The agreement includes the authority for the Medical Care Collections Fund to retain co-payments and third-party collections, estimated to total \$4,279,000,000 in fiscal year 2026.

NATIONAL CEMETERY ADMINISTRATION

The agreement provides \$498,500,000 for the National Cemetery Administration [NCA]. Of the amount provided, up to 10 percent is available until September 30, 2027.

Identifying Unknown Remains of Veterans.—The agreement includes \$1,500,000 to partner with a private laboratory to utilize forensic genetic genealogy sequencing technology to identify remains of fallen soldiers buried at the National Cemetery of the Pacific. The agreement further directs the Department to produce an annual report to the Committee that tracks samples analyzed, the types of DNA technology deployed, and the time elapsed to produce an identification.

Interment Schedule Availability.—The agreement directs the Secretary to maintain a spreadsheet or similar document displaying the most recent interment schedule availability for each operational cemetery under the control of NCA on its publicly available

website. Such spreadsheet shall be made available not later than 120 days after the date of enactment of this act and shall be updated once every 30 days thereafter. Not later than 1 year after the date of enactment of this act, the Secretary shall submit to the Committees on Appropriations of both Houses of Congress a report on data for interment schedule availability during the 5-year period ending on the date on which the report is submitted.

National Cemetery Administration Surveys.—The agreement directs the Secretary to continue to administer the customer service survey of the NCA to veterans, families, and funeral homes through ongoing survey activities and to publish the results. The Secretary shall notify the Committees on Appropriations of both Houses of Congress of any changes to the survey, including methodology, participants, or scope, no later than 30 days before such changes are made.

DEPARTMENTAL ADMINISTRATION

GENERAL ADMINISTRATION

(INCLUDING TRANSFER OF FUNDS)

The agreement provides \$429,000,000 for General Administration. Of the amount provided, up to 10 percent is available for obligation until September 30, 2027. The amount reflects efforts by the Department to reorganize offices funded by the account. The agreement continues to include bill language permitting the transfer of funds from this account to General Operating Expenses, Veterans Benefits Administration. In addition, funds are available from the Recurring Expenses Transformational Fund [Transformational Fund]. Established in the Consolidated Appropriations Act of 2016 (Public Law 114-113), the Transformational Fund consists of unobligated balances of expired discretionary appropriations, following the fifth fiscal year after the last fiscal year funds were originally available. These funds shall be available until expended for facilities infrastructure improvements, including nonrecurring maintenance, at existing VA hospitals and clinics, and for information technology systems improvements and sustainment. For fiscal year 2026, VA proposed to allocate \$900,000,000 of the anticipated Transformational Fund balance for major construction projects.

The agreement provides funding for General Administration in the amounts specified below:

(In thousands of dollars)	
Office ¹	Amount
Office of the Secretary	36,200
Office of General Counsel	139,000
Office of Management	76,300
Office of Human Resources Administration	89,600
Operations, Security & Preparedness	30,000
Office of Public and Intergovernmental Affairs	16,200
Office of Congressional & Legislative Affairs	11,500
Office of Accountability & Whistleblower Protection	30,200
Total	\$429,000

¹ The Office of Acquisition, Logistics & Construction and the Veterans Experience Office are funded solely with reimbursable authority.

The agreement directs the Secretary to provide a spend plan to the Committees on Appropriations of both Houses of Congress within 30 days of enactment.

Reno, Nevada VA Medical Center.—The agreement strongly supports the efforts of the Department to construct a new VA Medical Center in Reno, Nevada. There have been extensive delays, but the Department is directed to utilize funding already appropriated for this purpose towards the Reno hospital. Accordingly, within 90 days of enactment of this act, the Department is directed to provide the Committees on Appropriations of both Houses of Congress a briefing on the current status, path forward, and timeline to construct a new medical center

of the Department of Veterans Affairs in Reno, Nevada.

Modernization of Financial and Acquisition Systems.—The agreement stresses any approach to modernizing financial and acquisition systems through the Financial Management and Business Transformation program should include transformative business processes which enable the Department to meet its goals while complying with financial management requirements and guidelines. The agreement directs the Department to report to the Committees on Appropriations of both Houses of Congress within 90 days of enactment of this act that includes an update on procurement and future deployment efforts.

BOARD OF VETERANS APPEALS

The agreement provides \$280,000,000 for the Board of Veterans Appeals, of which up to 10 percent shall remain available until September 30, 2027.

INFORMATION TECHNOLOGY SYSTEMS

(INCLUDING TRANSFER OF FUNDS)

The agreement provides \$5,919,000,000 for the Information Technology [IT] Systems account. The agreement includes \$1,422,916,000 for staff salaries and expenses, \$3,917,921,000 for operation and maintenance of existing programs, of which \$118,900,000 is for the purpose of facilities activations, and \$578,163,000 for Development, Modernization, and Enhancement. In addition, VA estimates to use \$1,391,238,000 from the Toxic Exposures Fund to support the information technology systems activities related to toxic exposures in fiscal year 2026.

The agreement makes no more than 3 percent of pay and associated costs funding available until the end of fiscal year 2027, no more than 5 percent of operations and maintenance funding available until the end of fiscal year 2027, and all IT systems development funding available until the end of fiscal year 2027.

The agreement continues to include language permitting funding to be transferred among the three IT subaccounts, subject to approval from the Committees on Appropriations of both Houses of Congress, and allowing funding to be transferred among development projects or to new projects subject to the Committees on Appropriations of both Houses of Congress' approval. Further, the agreement prohibits increasing or decreasing a development project by more than \$3,000,000 prior to receiving approval of the Committees or after a period of 30 days has elapsed.

Identity Governance.—The Committees understand VA intends to continue implementation and adoption of an Identity Governance and Administration solution and direct VA to provide a report to the Committees on Appropriations of both Houses of Congress, within 90 days of enactment of this act, on the phased plan, prioritized rollout, and cost of such a solution.

Benefits Technology Platform.—The agreement recognizes the importance of simplifying and accelerating the security of earned veterans' benefits. The agreement encourages the Department to adopt a technology platform, including the consideration of outside vendor technology, to assist veterans in navigating benefits available to them.

VETERANS ELECTRONIC HEALTH RECORD

The agreement provides \$3,400,000,000 for Veterans Electronic Health Record for activities related to the development and rollout of VA's Electronic Health Record Modernization [EHRM] initiative, the associated contractual costs, and the salaries and expenses of employees hired under titles 5 and 38, United States Code. The increase in funds reflects additional deployments and focus on

current site optimization, sustaining infrastructure, and supporting 19 live sites. The agreement makes 30 percent of funds contingent upon the Secretary, within specified deadlines, providing: an updated life-cycle cost for the program, a facility-by-facility deployment schedule, certification on healthcare performance baseline metrics for facilities where the EHR has already been deployed, projected staffing levels necessary to support the schedule proposed, and the certification of four safe successful deployments without any adverse events.

While the agreement is encouraged by deployment activities in VISN 10, the Congress remains vigilant of potential usability problems that have led to or contributed to instances of patient harm and reduced employee productivity.

The agreement continues quarterly reporting of obligations, expenditures, and deployment schedule by facility. The agreement ex-

pects the Department to continue monthly briefings on program implementation, including updates on progress resolving outstanding issues, and to provide quarterly updates to review timelines, performance milestones, implementation, and change management progress.

The agreement continues to keep the account as the single source of funding for electronic health records modernization efforts and prohibits any transfers to or from the account. The agreement continues to direct the Government Accountability Office to conduct quarterly performance reviews of EHRM deployment and to report to the Committees each quarter.

Contractor Accountability.—The agreement expects the Department to hold its contractors accountable. The Department is expected to work closely with Oracle Cerner to resolve usability problems and dramatically improve training to ensure that when de-

ployments restart the new system can be adopted easily by clinicians and healthcare staff.

OFFICE OF INSPECTOR GENERAL

The agreement provides \$296,000,000 for the Office of Inspector General. Of the amount provided, up to 10 percent is available for obligation until September 30, 2027.

The agreement continues to request robust oversight of the Electronic Health Record Modernization initiative.

CONSTRUCTION, MAJOR PROJECTS

The agreement provides \$1,394,000,000 for Construction, Major Projects. The agreement makes this funding available for 5 years, except that \$772,385,000 is made available until expended.

The agreement funds the following items requested in the budget submission:

CONSTRUCTION, MAJOR PROJECTS

(Dollars in thousands)

Location	Description	Fiscal Year 2026 Funding		Total
		Appropriation	Recurring Expenses Transformational Fund	
Veterans Health Administration (VHA):				
St. Louis, MO	Replace Bed Tower, Clinical Building Expansion, Consolidated Administrative Building and Warehouse, Utility Plant and Parking Garage.	727,328	900,000	1,627,328
West Los Angeles, CA	Build New Critical Care Center Central Utility Plant, Demolition and Renovations to Building 500	53,000		53,000

Major Construction, Total		1,394,000	900,000	2,294,000

CONSTRUCTION, MINOR PROJECTS

The agreement provides \$350,000,000 for Construction, Minor Projects. The agreement makes this funding available for 5 years, except that \$119,000,000 is made available until expended. The agreement directs the Department to provide an expenditure plan to the Committees no later than 30 days after enactment of this act.

Recurring Expenses Transformational Fund.—The agreement supports the Department's plan to allocate \$900,000,000 of the Recurring Expenses Transformational Fund balances to support facilities improvements at existing medical facilities.

GRANTS FOR CONSTRUCTION OF STATE EXTENDED CARE FACILITIES

The agreement provides \$275,000,000 for Grants for Construction of State Extended Care Facilities, to remain available until expended.

GAO Report on State Veterans Homes.—The agreement directs the Comptroller General to report on the current backlog in funding for construction and renovation of State homes for veterans. The report shall include the following items: (1) A list of all unfunded or partially funded applications for construction grants for State homes, including those identified on the priority lists for fiscal year 2024 and 2025; (2) The estimated total funding required to fully fund all projects under such pending applications; (3) A description of the key hurdles to clearing the backlog of construction grant applications, including administrative, regulatory, and funding-related barriers; (4) Any recommendations for administrative or legislative action to re-

duce delays and accelerate the approval and completion of State home projects; (5) An exploration of potential options for interim or alternative sources of funding to sustain or advance priority projects currently awaiting Federal support, including an evaluation of such options for feasibility and potential impact.

GRANTS FOR CONSTRUCTION OF VETERANS CEMETERIES

The agreement provides \$150,000,000 for Grants for Construction of Veterans Cemeteries, to remain available until expended.

COST OF WAR TOXIC EXPOSURES FUND

The agreement provides \$52,676,000,000 for the Cost of War Toxic Exposures Fund [TEF] in fiscal year 2026. The TEF was established to support new costs related to providing veterans and their families the benefits and care associated with the eligibility expansion included in the Honoring our PACT Act of 2022 (Public Law 117–168). The Department may allocate funds from the TEF for investment in the delivery of veterans healthcare associated with exposure to environmental hazards in service, expenses incident to the delivery of veterans healthcare and benefits associated with exposure to environmental hazards in service, and medical and other research related to exposures to environmental hazards in service. The agreement includes a provision with quarterly reporting requirements on the status of the TEF, and an expenditure plan for funds provided in this act to be submitted to the Committees on Appropriations of both Houses of Congress. This expenditure plan is critical to ensure proper usage of the TEF. The agreement fully funds

the Cost of War Toxic Exposures Fund, and remains committed to providing full funding to the Department in order to ensure successful implementation of the PACT Act.

ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFERS AND RESCISSIONS OF FUNDS)

The agreement includes section 201 allowing for the transfer of funds among the three mandatory accounts.

The agreement includes section 202 allowing for limited transfer of funds among the four medical accounts.

The agreement includes section 203 allowing salaries and expenses funds to be used for the hire of passenger vehicles, lease of facilities or land, and purchase of uniforms.

The agreement includes section 204 restricting the accounts that may be used for the acquisition of land or the construction of any new hospital or home.

The agreement includes section 205 requiring the Department to be reimbursed for medical services it provides to any person not defined as a beneficiary to ensure the Department is receiving payment for all medical services provided.

The agreement includes section 206 allowing for the use of certain mandatory appropriations accounts for payment of prior year accrued obligations for those accounts.

The agreement includes section 207 allowing the use of appropriations available in this title to pay prior year obligations.

The agreement includes section 208 allowing the Department to use surplus earnings from the National Service Life Insurance Fund, the Veterans' Special Life Insurance

Fund, and the United States Government Life Insurance Fund to administer these programs.

The agreement includes section 209 allowing the Department to cover the administrative expenses of enhanced-use leases and provides authority to obligate these reimbursements until expended.

The agreement includes section 210 limiting the amount of reimbursement the Office of Resolution Management, the Office of Employment Discrimination Complaint Adjudication, and the Alternative Dispute Resolution function within the Office of Human Resources and Administration can charge other offices of the Department for services provided.

The agreement includes section 211 requiring the Department to collect third-party payer information for persons treated for a non-service-connected disability.

The agreement includes section 212 allowing for the use of enhanced-use leasing revenues for Construction, Major Projects and Construction, Minor Projects.

The agreement includes section 213 outlining authorized uses for Medical Services funds.

The agreement includes section 214 allowing for funds deposited into the Medical Care Collections Fund to be transferred to the Medical Services and Medical Community Care accounts.

The agreement includes section 215 allowing Alaskan veterans to use medical facilities of the Indian Health Service or Tribal organizations.

The agreement includes section 216 permitting the transfer of funds from the Department of Veterans Affairs Capital Asset Fund to the Construction, Major Projects and Construction, Minor Projects accounts and makes those funds available until expended.

The agreement includes section 217 requiring the Secretary to submit financial status quarterly reports for the Department.

The agreement includes section 218 requiring the Department to notify and receive approval from the Committees of any proposed transfer of funding to or from the Information Technology Systems account and limits the aggregate annual increase in the account to no more than 10 percent of the funding appropriated to the account in this act.

The agreement includes section 219 providing up to \$654,954,000 of specified fiscal year 2026 funds for transfer to the Joint DOD-VA Medical Facility Demonstration Fund.

The agreement includes section 220 which permits up to \$739,918,000 of specified fiscal year 2027 medical care funding provided in advance to be transferred to the Joint DOD-VA Medical Facility Demonstration Fund.

The agreement includes section 221 which authorizes transfers from the Medical Care Collections Fund to the Joint DOD-VA Medical Facility Demonstration Fund.

The agreement includes section 222 which transfers at least \$15,000,000 from VA medical accounts to the DOD-VA Health Care Sharing Incentive Fund.

The agreement includes section 223 prohibiting funds from being used to replace the current system by which VISNs select and contract for diabetes monitoring supplies and equipment.

The agreement includes section 224 requiring that the Department notify the Committees of bid savings in a major construction project of at least \$5,000,000, or 5 percent, whichever is less, 14 days prior to the obligation of the bid savings and describe their anticipated use.

The agreement includes section 225 which prohibits VA from increasing the scope of work for a major construction project above the scope specified in the original budget re-

quest unless the Secretary receives approval from the Committees.

The agreement includes section 226 requiring the Department to submit reports relating to the Veterans Benefits Administration on claims processing at Regional Offices.

The agreement includes section 227 requiring VA to notify the Committees 15 days prior to any staff office relocations within VA of 25 or more full-time-equivalent staff.

The agreement includes section 228 requiring the Secretary to report to the Committees each quarter about any single national outreach and awareness marketing campaign exceeding \$1,000,000.

The agreement includes section 229 permitting the transfer of certain funds to the Medical Services account.

The agreement includes section 230 permitting the transfer of funding between the General Operating Expenses, Veterans Benefits Administration account and the Board of Veterans Appeals account upon approval of the Committees.

The agreement includes section 231 prohibiting the Secretary from reprogramming funds in excess of \$7,000,000 among the major construction projects or programs unless the reprogramming is approved by the Committees.

The agreement includes section 232 maintaining certain professional standards for the veterans crisis hotline and requiring a study to assess its effectiveness.

The agreement includes section 233 prohibiting the use of funds, from the period October 1, 2018, through January 1, 2024, in contravention of VHA's guidelines on breast cancer screening published on May 10, 2017.

The agreement includes section 234 addressing the use of funding for assisted reproductive technology treatment and adoption reimbursement.

The agreement includes section 235 prohibiting any funds being used in a manner that is inconsistent with statutory limitations on outsourcing.

The agreement includes section 236 pertaining to exceptions for Indian- or Native Hawaiian-owned businesses contracting with VA.

The agreement includes section 237 directing the elimination over a series of years of the use of social security numbers in VA programs.

The agreement includes section 238 referencing the provision in the 2017 Appropriations Act pertaining to certification of marriage and family therapists.

The agreement includes section 239, which prohibits funds from being used to transfer funding from the Filipino Veterans Equity Compensation Fund to any other VA account.

The agreement includes section 240 permitting funding to be used in fiscal years 2026 and 2027 to carry out and expand the child care pilot program authorized by section 205 of Public Law 111-163.

The agreement includes section 241 prohibiting VA from using funds to enter into an agreement to resolve a dispute or claim with an individual that would restrict the individual from speaking to members of Congress or their staff on any topic, except those required to be kept secret in the interest of national defense or the conduct of foreign affairs.

The agreement includes section 242 requiring certain data to be included in budget justifications for major construction projects.

The agreement includes section 243 prohibiting the use of funds to deny the Inspector General timely access to information unless a provision of law expressly refers to the Inspector General and expressly limits such access.

The agreement includes section 244 prohibiting funding from being used in a manner

that would increase wait times for veterans at medical facilities.

The agreement includes section 245 prohibiting the use of funds in fiscal year 2026 to convert any program which received specific purpose funds in fiscal year 2025 to a general purpose-funded program without the approval of the Committees on Appropriations at least 30 days prior to any such action.

The agreement includes section 246 referencing language in the 2017 Appropriations Act regarding the verification of service for coastwise merchant seamen.

The agreement includes section 247 addressing animal research at the Department of Veterans Affairs.

The agreement includes section 248 requiring the ratio of veterans to full-time employment equivalents in any rehabilitation program not to exceed 125 veterans to one full-time employment equivalent.

The agreement includes section 249 allowing fiscal year 2025 and 2026 "Medical Community Care" funds to be used to cover obligations that otherwise would be paid by the Veterans Choice Fund, if necessary.

The agreement includes section 250 allowing obligations and expenditures applicable to the "Medical Services" account in fiscal years 2017 through 2019 for aid to State homes to remain in the "Medical Community Care" account.

The agreement includes section 251 specifying amounts from the Toxic Exposures Fund and four medical care accounts for certain care.

The agreement includes section 252 allocating funds from the "Recurring Expenses Transformational Fund" established in section 243 of division J of Public Law 114-113.

The agreement includes section 253 on the transferring of funds.

The agreement includes section 254 requiring quarterly reports on obligations from the "Cost of War Toxic Exposures Fund".

The agreement includes section 255 includes a provision to address contributions from other Federal agencies to VA Non-Profit Corporations for research.

The agreement includes section 256 to restrict funds from being used to close medical facilities.

The agreement includes section 257 to allow the use of unobligated balances to support construction projects in the CHIP-IN program.

The agreement includes section 258 prohibiting acquisition or procurement of certain information technology equipment.

The agreement includes section 259 prohibiting the use of funds to administer, implement, or enforce the final rule relating to "Change in Rates VA Pays for Special Modes of Transportation".

The agreement includes section 260 related to payment of awards and incentive fees to contractors with unsatisfactory performance.

The agreement includes section 261 related to staffing levels.

The agreement includes section 262 requiring reporting on the veterans in Freely Associated States.

The agreement includes section 263 on contract cancellations.

The agreement includes section 264 on services of the veterans crisis line.

TITLE III

RELATED AGENCIES

AMERICAN BATTLE MONUMENTS COMMISSION SALARIES AND EXPENSES

The agreement provides \$110,000,000 for Salaries and Expenses of the American Battle Monuments Commission [ABMC]. The funds will allow ABMC to not only maintain the cemeteries and monuments honoring America's war dead, but also to preserve and communicate these veterans' stories of courage and sacrifice.

Identifying *Improperly* *Buried*
Servicemembers.—The agreement includes an additional \$500,000 for the American Battle Monuments Commission to award a contract for the purpose of researching and identifying American-Jewish servicemembers buried at American military cemeteries who were buried under markers incorrectly representing their religion and heritage and continues the direction provided in House Report 119–161 and Senate Report 119–43.

FOREIGN CURRENCY FLUCTUATIONS ACCOUNT
The agreement provides such sums as necessary for the Foreign Currency Fluctuations Account.

UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS
SALARIES AND EXPENSES
The agreement provides \$49,000,000 for Salaries and Expenses for the United States Court of Appeals for Veterans Claims [CAVC]. The funding supports a planned expansion of CAVC’s authorization for additional judges, which will help address growing caseloads.

DEPARTMENT OF DEFENSE—CIVIL CEMETERIAL EXPENSES, ARMY
SALARIES AND EXPENSES
The agreement provides \$118,780,450 for Cemeterial Expenses, Army—Salaries and Expenses. Within that amount, up to \$15,000,000 in funding is available until September 30, 2028.

ARMED FORCES RETIREMENT HOME TRUST FUND
The agreement provides a total of \$80,000,000 for the Armed Forces Retirement Home. This funding supports capital projects and operations and maintenance requirements. The agreement includes 2-year availability of funds for operations and maintenance.

ADMINISTRATIVE PROVISION
The agreement includes section 301 permitting funds from concessions at Army National Military Cemeteries to be used to support activities at the Cemeteries.

TITLE IV
GENERAL PROVISIONS
The agreement includes section 401 prohibiting the obligation of funds in this act beyond the current fiscal year unless expressly so provided.

The agreement includes section 402 prohibiting the use of the funds in this act for programs, projects, or activities not in compliance with Federal law relating to risk assessment, the protection of private property rights, or unfunded mandates.
The agreement includes section 403 encouraging all departments and agencies funded in this act to expand the use of “E-Commerce” technologies and procedures.

The agreement includes section 404 specifying the congressional committees that are to receive all reports and notifications.
The agreement includes section 405 prohibiting the transfer of funds to any department, agency, or instrumentality of the United States Government without authority from an appropriations act.

The agreement includes section 406 prohibiting the use of funds for a project or program named for a serving Member, Delegate, or Resident Commissioner of the United States House of Representatives.
The agreement includes section 407 requiring all reports submitted to Congress to be posted on official web sites of the submitting agency.

The agreement includes section 408 prohibiting the use of funds to establish or maintain a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, except for law enforcement investigation, prosecution, or adjudication activities.
The agreement includes section 409 prohibiting the use of funds for the payment of first-class air travel by an employee of the executive branch.

The agreement includes section 410 prohibiting the use of funds in this act for any contract where the contractor has not complied with E-Verify requirements.
The agreement includes section 411 prohibiting the use of funds in this act to construct

facilities on military installations that do not meet resiliency standards.
The agreement includes section 412 prohibiting the use of funds in this act for the renovation, expansion, or construction of any facility in the continental United States for the purpose of housing any individual who has been detained at the United States Naval Station, Guantanamo Bay, Cuba.

The agreement includes section 413 prohibiting the use of funds in this act to report a veteran to the Department of Justice National Instant Criminal Background Check System without a judicial determination.
The agreement includes section 414 prohibiting the use of funds for lobbying activities.
The agreement includes section 415 maintaining the smoke-free policy at the Department.
The agreement includes section 416 specifying reporting requirements for appropriated resources.

DISCLOSURE OF EARMARKS AND CONGRESSIONALLY DIRECTED SPENDING ITEMS
Following is a list of congressional earmarks and congressionally directed spending items (as defined in clause 9 of rule XXI of the Rules of the House of Representatives and rule XLIV of the Standing Rules of the Senate, respectively) included in the bill or this explanatory statement, along with the name of each House Member, Senator, Delegate, or Resident Commissioner who submitted a request to the Committee of jurisdiction for each item so identified. For each item, a Member is required to provide a certification that neither the Member nor the Member’s immediate family has a financial interest, and each Senator is required to provide a certification that neither the Senator nor the Senator’s immediate family has a pecuniary interest in such congressionally directed spending item. Neither the bill nor the explanatory statement contains any limited tax benefits or limited tariff benefits as defined in the applicable House and Senate rules.

MEASURES READ THE FIRST TIME

The following bill was read the first time:

S. 3168. A bill to appropriate funds for pay and allowances of Federal employees, contract employees, and members of the Armed Forces during a lapse in appropriations, and for other purposes.

INTRODUCTION OF BILLS AND
JOINT RESOLUTIONS

The following bills and joint resolutions were introduced, read the first

and second times by unanimous consent, and referred as indicated:

By Mr. JOHNSON (for himself, Mr. COTTON, Mr. CRAPO, Mr. LANKFORD, Mr. RISCH, Mr. SULLIVAN, and Mr. SCOTT of Florida):

S. 3168. A bill to appropriate funds for pay and allowances of Federal employees, contract employees, and members of the Armed Forces during a lapse in appropriations, and for other purposes; read the first time.

ADDITIONAL COSPONSORS

S. RES. 483

At the request of Mr. WELCH, the name of the Senator from North Carolina (Mr. TILLIS) was added as a cosponsor of S. Res. 483, a resolution honoring the extraordinary life, leadership, and legacy of Dr. Jane Goodall.

AMENDMENTS SUBMITTED AND
PROPOSED

SA 3936. Mr. BLUMENTHAL proposed an amendment to the resolution S. Res. 124, recognizing the 250th anniversary of the United States Marine Corps.

TEXT OF AMENDMENTS

SA 3936. Mr. BLUMENTHAL proposed an amendment to the resolution S. Res. 124, recognizing the 250th anniversary of the United States Marine Corps; as follows:

(Purpose: To include the liberation of Helmand Province in the list of historic battles where United States Marines served)

In the eighth whereas clause, strike “the liberation of Kuwait, and Fallujah” and in-

sert “and the liberation of Kuwait, Fallujah, and Helmand Province”.

ORDERS FOR MONDAY, NOVEMBER
10, 2025

Mr. THUNE. Mr. President, I ask unanimous consent that when the Senate completes its business today, it stand adjourned until 11 a.m. on Monday, November 10; that following the prayer and pledge, the Journal of proceedings be approved to date, the morning hour be deemed expired, the time for the two leaders be reserved for their use later in the day, and the Senate resume consideration of the motion to proceed to Calendar No. 168, H.R. 5371, postcloture; finally, that all time

during recess, adjournment, morning business, and leader remarks count postcloture on the motion to proceed.

The PRESIDING OFFICER. Without objection, it is so ordered.

ADJOURNMENT UNTIL MONDAY,
NOVEMBER 10, 2025, AT 11 A.M.

Mr. THUNE. Mr. President, if there is no further business to come before the Senate, I ask that it stand adjourned under the previous order.

There being no objection, the Senate, at 11:15 p.m., adjourned until Monday, November 10, 2025, at 11 a.m.
