IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2026

Mr. BAIRD. Mr. Speaker, I rise today to celebrate the many 4-H members through the 4th District who recently reached 10 years of 4-H membership. As a 10 year 4-H member myself, this truly gives me joy to speak about.

4-H members pledge their minds, hearts, and whole person toward serving their communities. Supporting the very future of agriculture will have an impact that extends far beyond their current endeavors.

So, with all my head, heart, hands, and health, I thank all the 10 year 4-H members for helping strengthen the bonds of all those they meet through their 4-H mission.

HONORING BILL HENDERSON

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2026

Mr. CARTER of Georgia. Mr. Speaker, I rise today to honor Bill Henderson, a Savannah-based commercial truck driver, on a milestone achievement in American trucking.

After 37 years behind the wheel, Bill recently completed four million consecutive accident-free miles, becoming just the fifth driver in XPO's history to reach this distinction. To put that number in perspective, four million miles is roughly 160 trips around the globe.

Every one of those miles was driven while hauling freight that keeps Georgia's economy moving and our shelves stocked. Bill's discipline behind the wheel has kept his fellow drivers and everyday Georgians safe on our highways.

Professional truck drivers like Bill are the backbone of our supply chains, and safety records like his are a testimony to his daily commitment.

On behalf of the 1st District of Georgia, I congratulate Bill on this remarkable career achievement and thank him for his decades of service on our roads.

HONORING THE LIFE AND CONTRIBUTIONS OF MR. MICHAEL JOHNSON

HON. MARK POCAN

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2026

Mr. POCAN. Mr. Speaker, I rise to recognize the life and service of Mr. Michael Johnson, who passed away unexpectedly this year.

Michael Johnson was a member of the Dane County community for many years and spent his life dedicated to improving equality and higher educational prospects for young people in his city and state at large.

Michael grew up in Chicago, honoring the Boys & Girls Clubs of his youth for providing

him with a safe space and opportunities to grow beyond his neighborhood. After his graduation from Cornell University, Michael climbed the ranks of many non-profits in the Midwest before settling in Madison where he spent 17 years working tirelessly to close youth opportunity gaps in education and the skilled trades.

In his role as President and CEO of the Boys & Girls Club of Dane County, Michael endeavored to raise over 50 million dollars for projects such as the McKenzie Regional Workforce Center, a hands-on skilled trades training and career center, and was a key leader in the largest public-private partnership in the history of the Madison Metropolitan School District.

Michael played a profound role in the development of the Boys & Girls Clubs of Dane County, quadrupling the number of students and families served in the area—his aspirations were never small, nor did they relent at the walls of his organization. Colleagues and friends of Michael recognized how his vision and generosity for the state extended beyond closing the education gaps and providing opportunities for students to pursue higher education. In 2020, following the murder of George Floyd, Michael talked extensively with youth protestors in downtown Madison and campaigned for the construction of a statue of Vel Philips, the first woman and African American elected to a statewide office to be erected on the grounds of the Capitol, where it stands today. He was a passionate advocate of challenging assumptions and the need for equity and representation in the state.

Michael was a Champion for Children, honored in his life with the Boys & Girls Clubs Heart and Soul Award, the highest recognition of local executives in the organization, as well as the Hometown Hero award in the Wisconsin State Assembly for his courage and conviction in pursuit of a more equitable world.

He is survived by his wife, Toya, and three children. Michael will be dearly missed by the Dane County and greater Wisconsin communities for his extraordinary leadership, integrity, and deep commitment to his important work.
