RECOGNIZING FLOOD MINISTRIES

HON. DAVID G. VALADAO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2026

Mr. VALADAO. Mr. Speaker, I rise today to recognize Flood Ministries on its 20th anniversary and to honor years of steadfast service to the most underserved members of the Kern County community.

In 2006, dedicated volunteers from The Bridge Bible Church gathered to establish Flood Ministries under the belief that every person experiencing homelessness should be treated with dignity and respect. For the past 20 years, Flood has put that belief into action, providing quality care and support to people of all ages and backgrounds.

Through several key partnerships, Flood has expanded its reach throughout Bakersfield and Kern County. Working with the Bakersfield-Kern Regional Homeless Collaborative and the Housing Authority of the County of Kern, it has provided personalized case management and housing services for homeless individuals struggling with severe mental and physical health challenges. Flood has also partnered with Kern Behavioral Health and Recovery Services, the County of Kern, Kern Health Systems, and the Bakersfield-Kern Regional Homeless Collaborative to establish Navigation Centers throughout the Central Valley. These centers offer dedicated housing support that helps individuals find and transition into permanent homes. Flood also works with local leaders and first responders to connect people in need with critical services.

For two decades, Flood has taken a hands-on approach to addressing homelessness. Its Welcome Home project provides vital household items to help turn empty spaces into safe and dignified homes, while its mobile and fixed shower services provide an important resource for people in need. These efforts, strengthened by Flood's partnerships throughout the community, have helped maintain a 90 percent longterm housing retention rate. Today, Flood is focused on early intervention through its Bakersfield and Rural Youth Homeless Demonstration Programs, providing personalized care to vulnerable young adults and stopping chronic homelessness before it takes root.

Mr. Speaker, I ask my colleagues in the House of Representatives to join me in congratulating Flood Ministries on 20 years of dedicated service to the people of Kern County and in wishing it continued success for years to come.

HONORING ADDIE L. GREENE

HON. LOIS FRANKEL

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2026

Ms. LOIS FRANKEL of Florida. Mr. Speaker, I rise today to recognize my dear friend Addie L. Greene, a trailblazing public servant whose decades of leadership have left a lasting mark on Palm Beach County and the State of Florida. Addie and I had the privilege of serving side-by-side in the Florida Legislature, and I saw firsthand her strength, integrity, and deep commitment to the people she represented.

A dedicated educator before entering public office, Addie began her political career in Mangonia Park, where she served on the Town Council and became the town's first African American woman mayor. In 1992, she made history as the first Black person from Palm Beach County elected to the Florida Legislature, serving four terms in the Florida House of Representatives.

She continued her distinguished public service as a member of the Palm Beach County Commission from 2000 to 2009, including service as Chair. Throughout her career, Addie has been a steadfast advocate for working families, underserved communities, and greater opportunity and representation for all.

Addie Greene did more than make history—she opened doors and brought others through them. I am proud to call her my friend, and even prouder to have served alongside her. I thank Addie for her extraordinary lifetime of public service and for all she has done to make Palm Beach County a stronger, fairer, and more inclusive community.

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Lake County Wine Alliance for their 25 years of service to our community.

The Lake County Wine Alliance is a cooperative composed of Lake County wineries, winegrape growers, vineyard owners, related businesses, and community supporters. They have raised over three million dollars in support of Lake County nonprofits. Their beneficiaries include local organizations such as all five Lake County High Schools Fine Arts and Future Farmers of America (FFA) programs, several local culinary programs, Lake County

HONORING DR. L.G. PINKSTON SR. HIGH SCHOOL ON ACHIEVING AN A RATING BY THE TEXAS EDUCATION AGENCY

HON. JASMINE CROCKETT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2026

Ms. CROCKETT. Mr. Speaker, I rise today to recognize the outstanding accomplishments of the students, faculty, families, and entire community of Dr. L.G. Pinkston Sr. High School in Dallas, Texas, on achieving an A rating from the Texas Education Agency.

This historic achievement is the result of years of steady growth, hard work, and a sustained commitment to excellence. In just 3 years, Pinkston has risen from a D rating in 2023 to a C, then a B, and now an A rating—demonstrating what can happen when students, educators, families, and a community remain committed to progress.

The Texas Education Agency also recognized Pinkston for student progress, social studies performance, and its work helping all student groups succeed. These accomplishments reflect not simply a single year's performance, but the dedication and consistency of a school community determined to ensure that every student has every opportunity to succeed.

Pinkston is preparing its students for success well beyond high school. The school offers college and career pathways that include NAF academies, career and technical education programs, technology and healthcare pathways, and early-college opportunities. Through its H-TECH healthcare pathway, students can work toward an associate degree alongside their high school diplomas.

This achievement is also a testament to the leadership and vision of Principal Tameca Ward, the teachers, and staff who support students every day, and the families and community members who continue to believe in the promise of Pinkston's students.

For generations, Dr. L.G. Pinkston Sr. High School has been an important part of Dallas' West Side. Today, the Pinkston Vikings are building on that legacy and showing what is possible through perseverance, high expectations, opportunity, and community.

I congratulate the students, faculty, staff, families, and community of Dr. L.G. Pinkston Sr. High School on this historic A rating. Their achievement is a source of pride for Dallas, and I look forward to seeing all that the Pinkston community will accomplish in the years ahead.
