RECOGNIZING GEORGIA STATE UNIVERSITY

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2026

Mr. CARTER. Mr. Speaker, I rise today to recognize Georgia State University, which has been named the No. 1 public university in America for undergraduate teaching by U.S. News & World Report for the sixth consecutive year.

This distinction is decided by presidents, provosts, and admissions deans from colleges across the country, making it a mark of respect earned from other institutions.

Between 2010 and 2020, Georgia State's graduation rate climbed by more than 60 percent, a transformation achieved not by admitting less qualified students, but by strengthening the support systems available to them.

The university's advising system uses real-time data to help identify students that may be struggling, before a small step back turns into a withdrawal.

Located in the heart of downtown Atlanta, Georgia State has created a standard where teaching quality and students are the true measures of success and excellence.

I congratulate Georgia State University and everyone who pours into its success.

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2026

Mr. BILIRAKIS. Mr. Speaker, I rise today to recognize Mr. Brian Allen, an SO Lineman with Withlacoochee River Electric Cooperative (WREC), for his exceptional service as part of WREC's second mission supporting the Light Up Navajo Project. The Light Up Navajo initiative brings skilled utility professionals together to help extend electrical service to Navajo families who have lived without power for generations. Mr. Allen volunteered his expertise as a lineman and helped undertake the challenging, hands-on work required to bring this essential service to families in need. The importance of this mission cannot be measured simply in poles, wires, or electrical connections. Electricity gives children the ability to study after dark, helps families safely preserve food and medicine, and provides greater safety and comfort for elders. It brings new possibilities to homes and communities. Mr. Allen's willingness to put his professional skills to work on behalf of others demonstrates tremendous character and embodies the cooperative tradition of neighbors helping neighbors.

I commend Mr. Brian Allen for his hard work, professionalism, and dedication to this worthwhile mission. His contribution to Light Up Navajo reflects great credit upon WREC and our entire community.

HONORING BROWN STREET GALLERY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2026

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Brown Street Gallery as they celebrate their 20th anniversary as an inclusive art gallery for neurodiverse artists in Napa County.

Brown Street Gallery was established in Napa, California, in 2006 as a program of Napa Valley Support Services, a nonprofit organization serving individuals with intellectual and developmental disabilities in Napa County.

For 20 years, Brown Street Gallery has provided meaningful opportunities for neurodiverse artists and adults with intellectual and developmental disabilities to create, exhibit, and sell their artwork in a professional gallery setting. The gallery promotes inclusion and economic opportunity while educating the community about the talents and contributions of artists with disabilities.

Brown Street Gallery offers studio time, creative development, and support to find and grow an individual artistic voice. Artists can also earn real money through the sale of their work at gallery shows and exhibitions. Brown Street Gallery has helped hundreds of artists build confidence, tell their stories in creative ways, and become active participants in Napa County's cultural life.

Brown Street Gallery has a long history of collaboration and partnership with schools, businesses, art organizations, nonprofits, and community groups to promote inclusive arts programming, and to develop artists as valued community members. To name a few examples, Brown Street Gallery artists volunteer with Meals on Wheels to deliver food, along with free flower delivery to seniors in collaboration with Napa Flower Power. Artists also regularly clean toys at the Napa Toy Library, attend the Farmers Market as volunteers, and attend collaborative shows with many well-known local artists. Brown Street Gallery also collaborates with organizations including Art Council Napa Valley, Moving Forward Towards Independence, and the Napa Education Foundation for community projects and art classes.

Mr. Speaker, Brown Street Gallery is one of the few galleries in the region dedicated to showcasing the work of neurodiverse artists in a professional gallery environment.
