EXTENSIONS OF REMARKS

WATER RESOURCES
DEVELOPMENT ACT OF 1999

SPEECH OF
HON. TOM BLILEY
OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES

Thursday, April 29, 1999

The House in Committee of the Whole House on the State and the City had under consideration the bill (H.R. 1480) to provide for the conservation and development of water and related resources, to authorize the United States Army Corps of Engineers to construct various projects for improvements to rivers and harbors of the United States, and for other purposes:

Mr. BLILEY. Mr. Chairman, I rise today in support of H.R. 1480, a bill to authorize the United States Army Corps of Engineers to construct various projects for improvements to rivers and harbors of the United States, and for other purposes.

Section 326 of the legislation, which addresses the modification of a project on the West Bank of the Mississippi River for flood control and storm damage reduction, contains language which clarifies the application of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, commonly known as “Superfund,” to the project. As you know, the Superfund statute is a matter within the jurisdiction of the Committee on Commerce, and this provision falls within that jurisdiction.

However, I have no objection to the inclusion of this provision. I recently sent Chairman SHUSTER a letter indicating that I would not seek a sequential referral of the bill, and ask unanimous consent that the letter appear in the Record at this point.

HON. THOMAS C. SAWYER
OF OHIO
IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 4, 1999

Mr. SAWYER. Mr. Speaker, we rise today to honor Oliver Ocasek—one of Ohio’s most distinguished citizens. On May 20, Oliver Ocasek will receive the YMCA of the USA’s Volunteerism Award—the YMCA’s highest honor.

The YMCA is honoring him for more than 50 years of service to youth organizations. We rise today, not only to recognize his deserved selection for this award, but to recognize a lifetime of service to the people of Ohio.

Sen. Ocasek’s devotion to education extends well beyond his volunteerism with the YMCA. He co-founded the Ohio Hi-Y Youth in Government Model Legislature program with Governor C. William O’Neill in 1952 and supervised it throughout his service on the Ohio-West Virginia Board of the YMCA. He has served on the greater Akron area boards of Goodwill Industries, Shelter Care, and the Salvation Army. He also has been a professional educator in a wide variety of capacities: a teacher, a principal, a school superintendent, and a professor at both the University of Akron and Kent State University. He was instrumental in bringing together our regional institutions of higher learning to create the Northeastern Ohio Universities’ College of Medicine. He capped his educational service with three terms on Ohio’s State Board of Education.

This breadth of service to youth is impressive by itself. But alone, it does not capture Oliver Ocasek’s contribution to the people of Ohio. Oliver Ocasek was one of the most influential legislators in the Statehouse, where he served in the Senate for 28 years from 1956 to 1986. In the 1970’s, he became the first Senate President elected by his peers due to a change in the Ohio Constitution. Along with Republican Governor James Rhodes and Democratic House Speaker Vernal Riffe,Sen. Ocasek made many of the decisions to keep state government moving forward. He was an expert on Ohio’s complex school funding system and used his knowledge, experience, and position to benefit local students. His enormous influence came from his savvy and from the hard, tedious work of studying, debating, refining, and reaching decisions on difficult and often contentious state issues.

He is astute, well-steepled in history, a gifted orator and a man of heart-felt compassion.
